The Dragon Balls have finally

However...

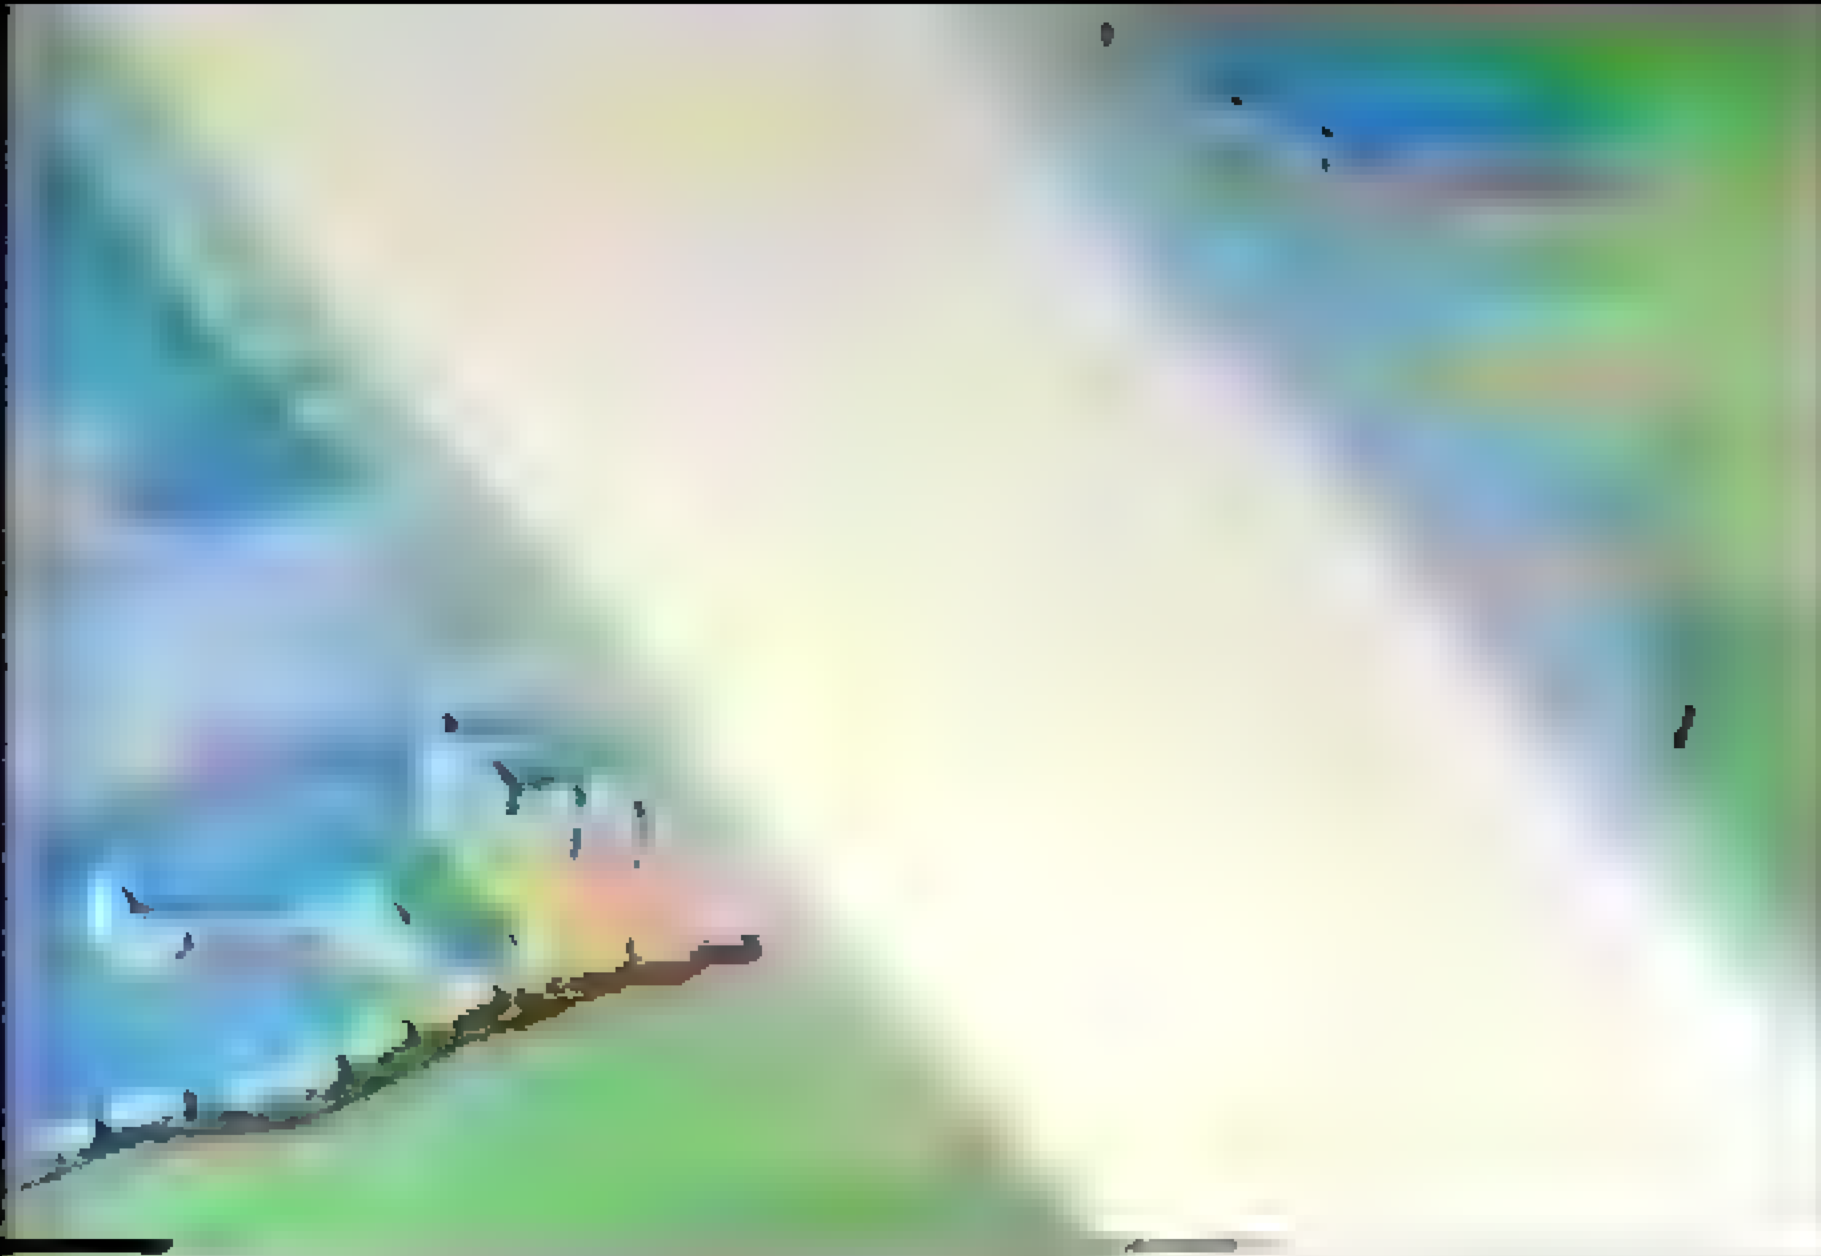

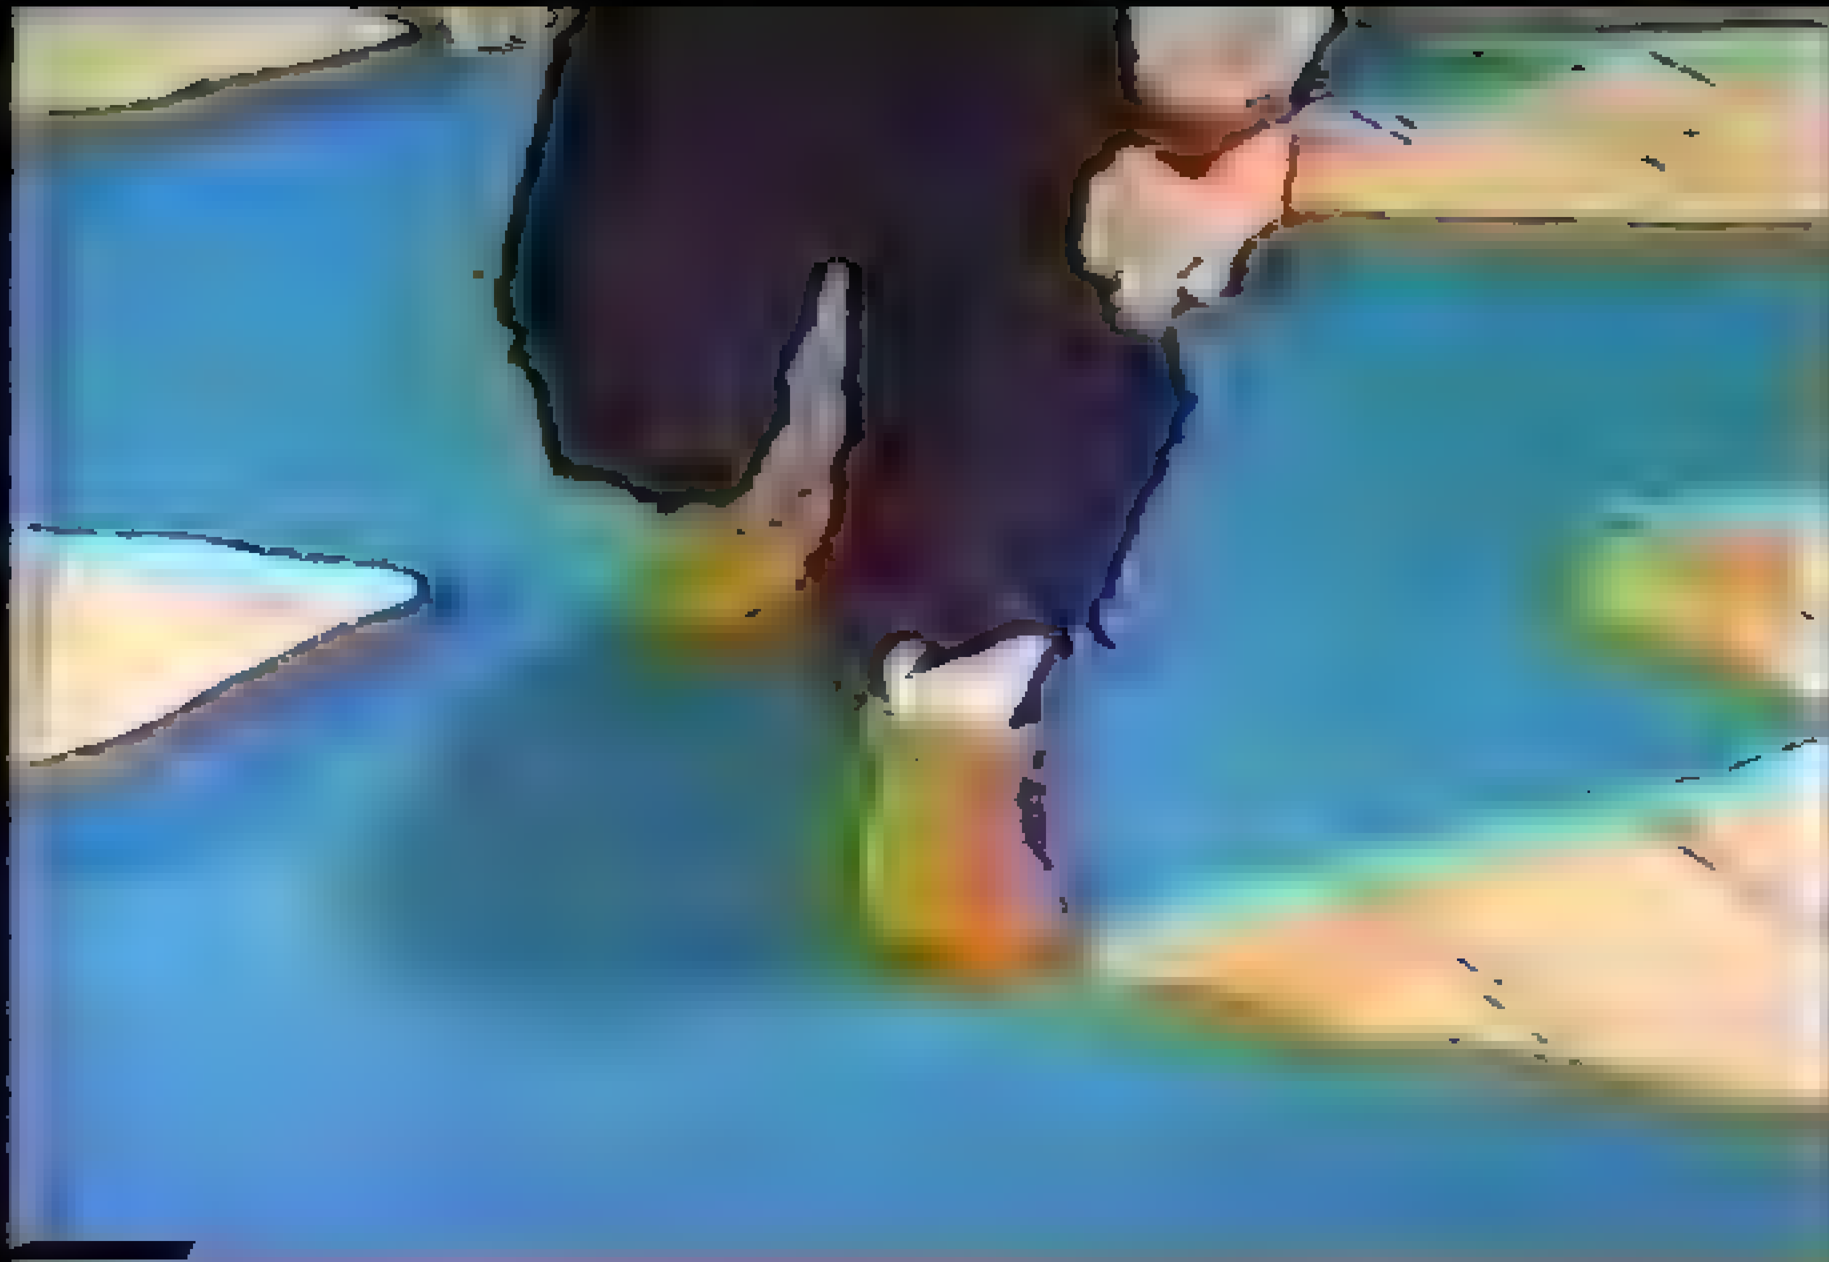

Nothing's happening.

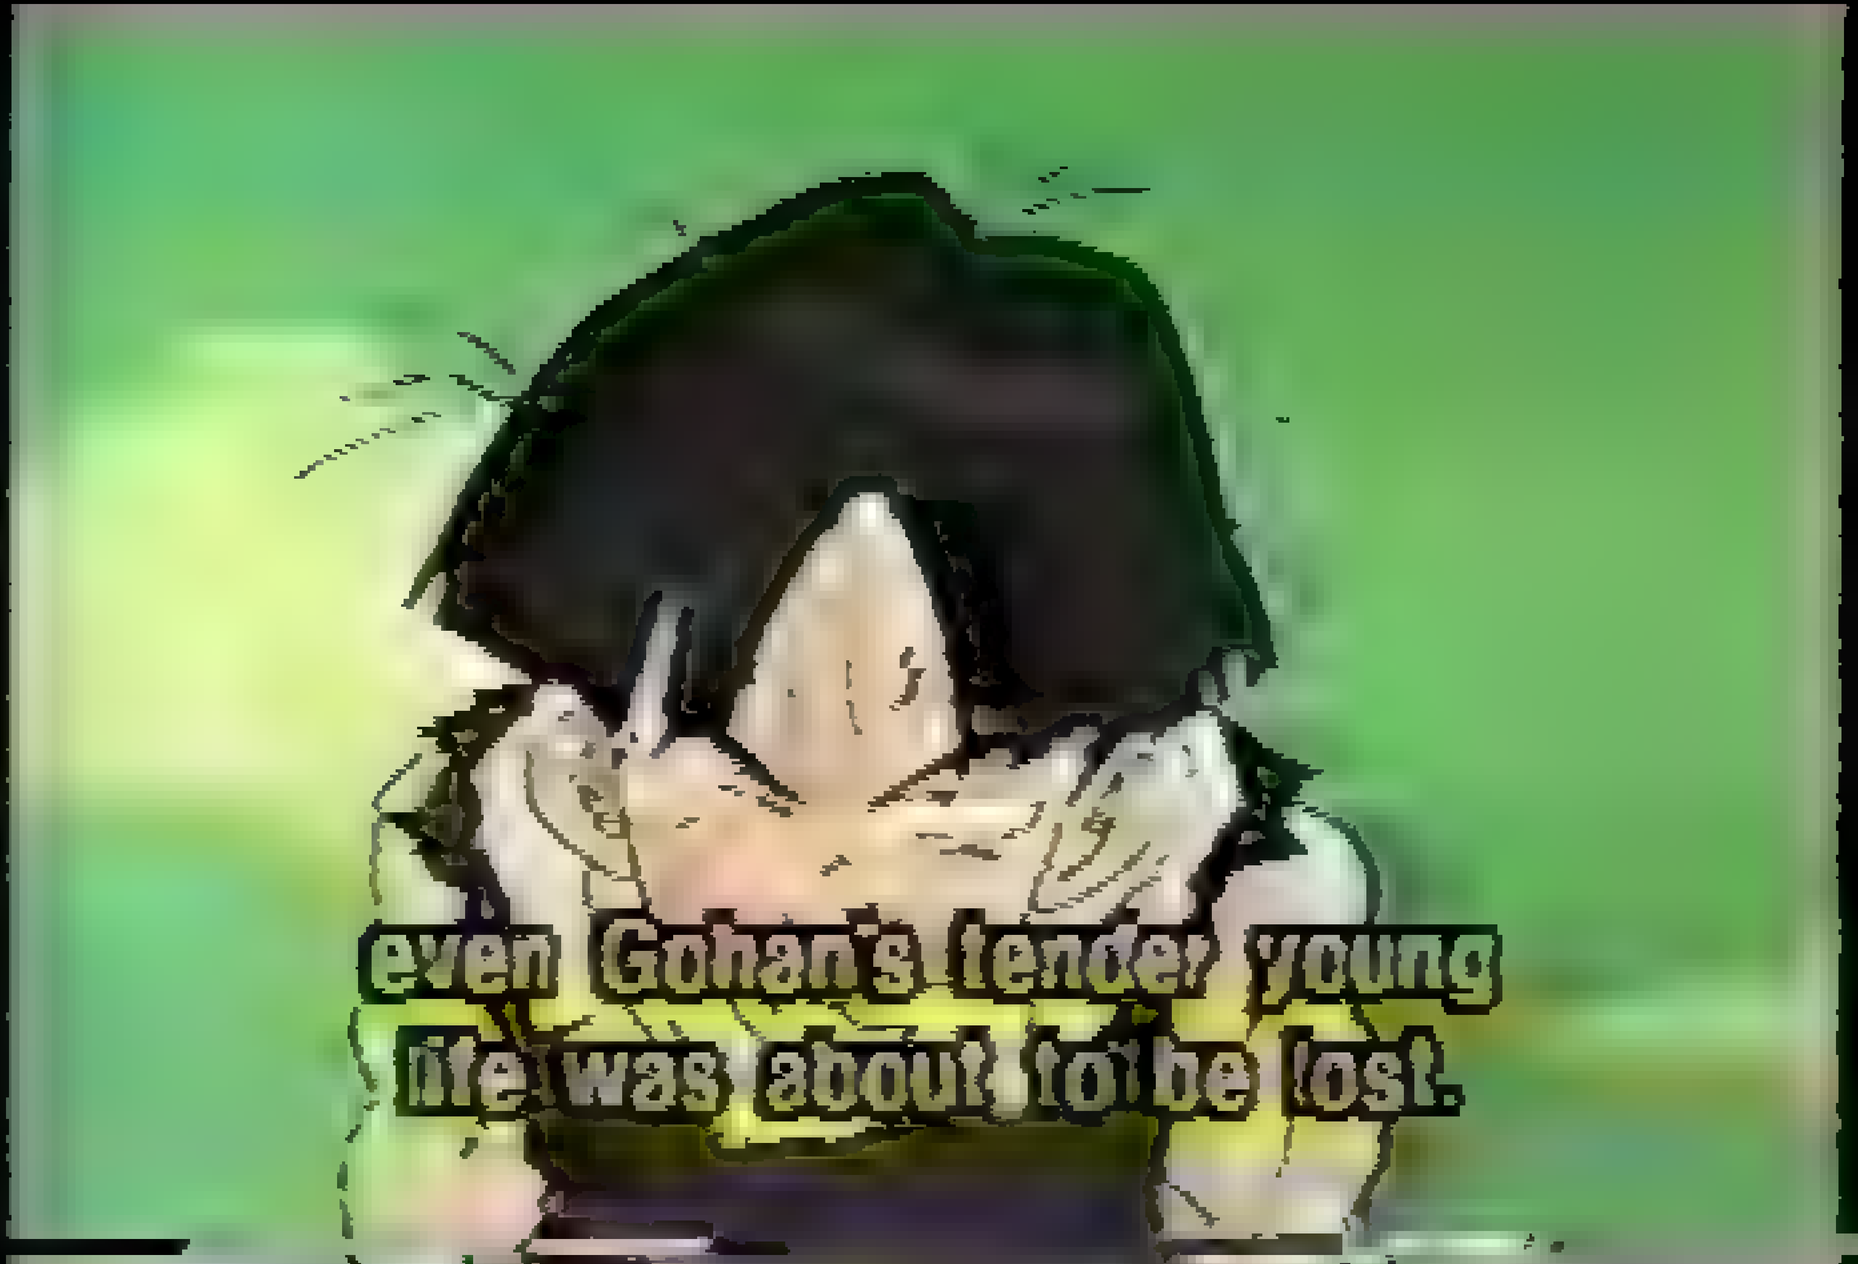

There must be a secret code!

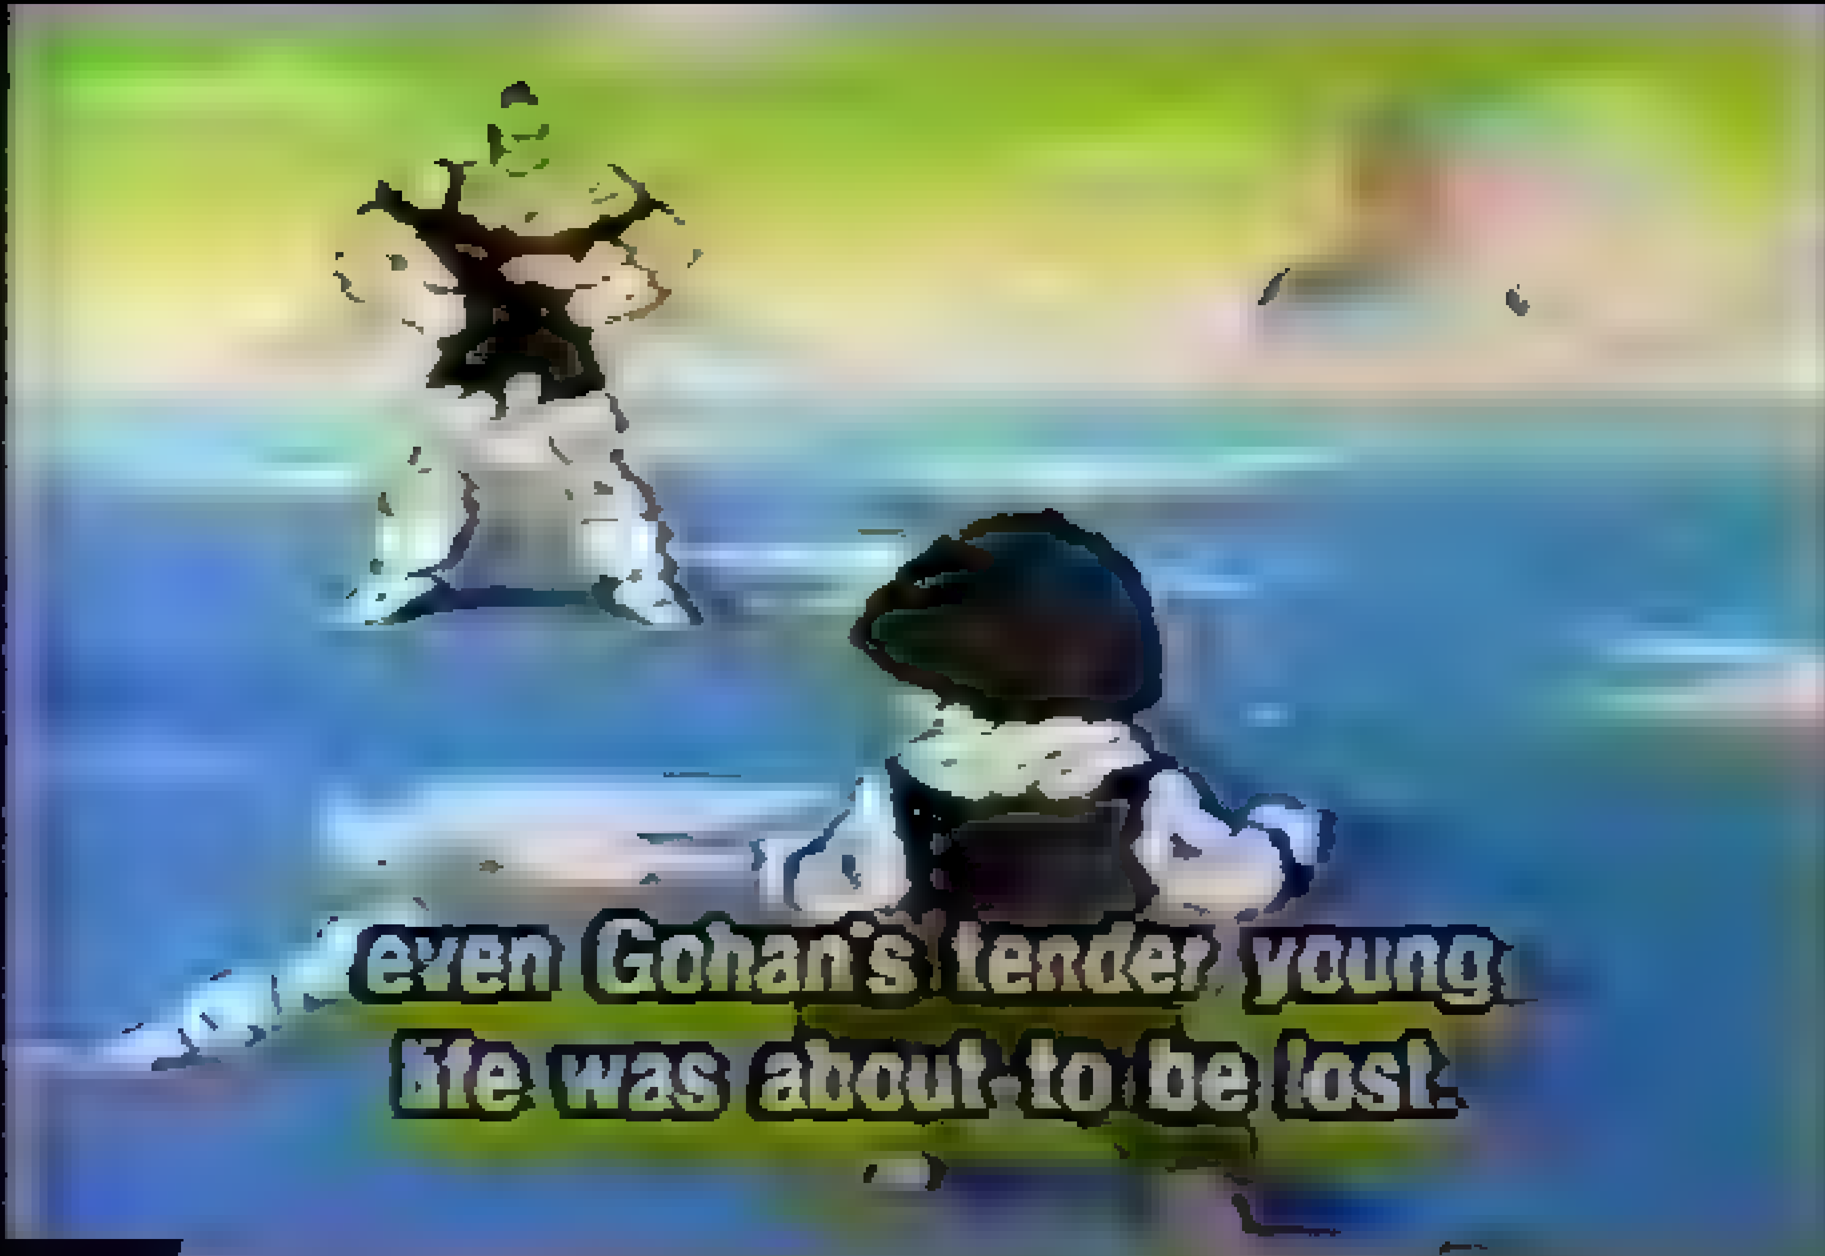

There must be a secret code!

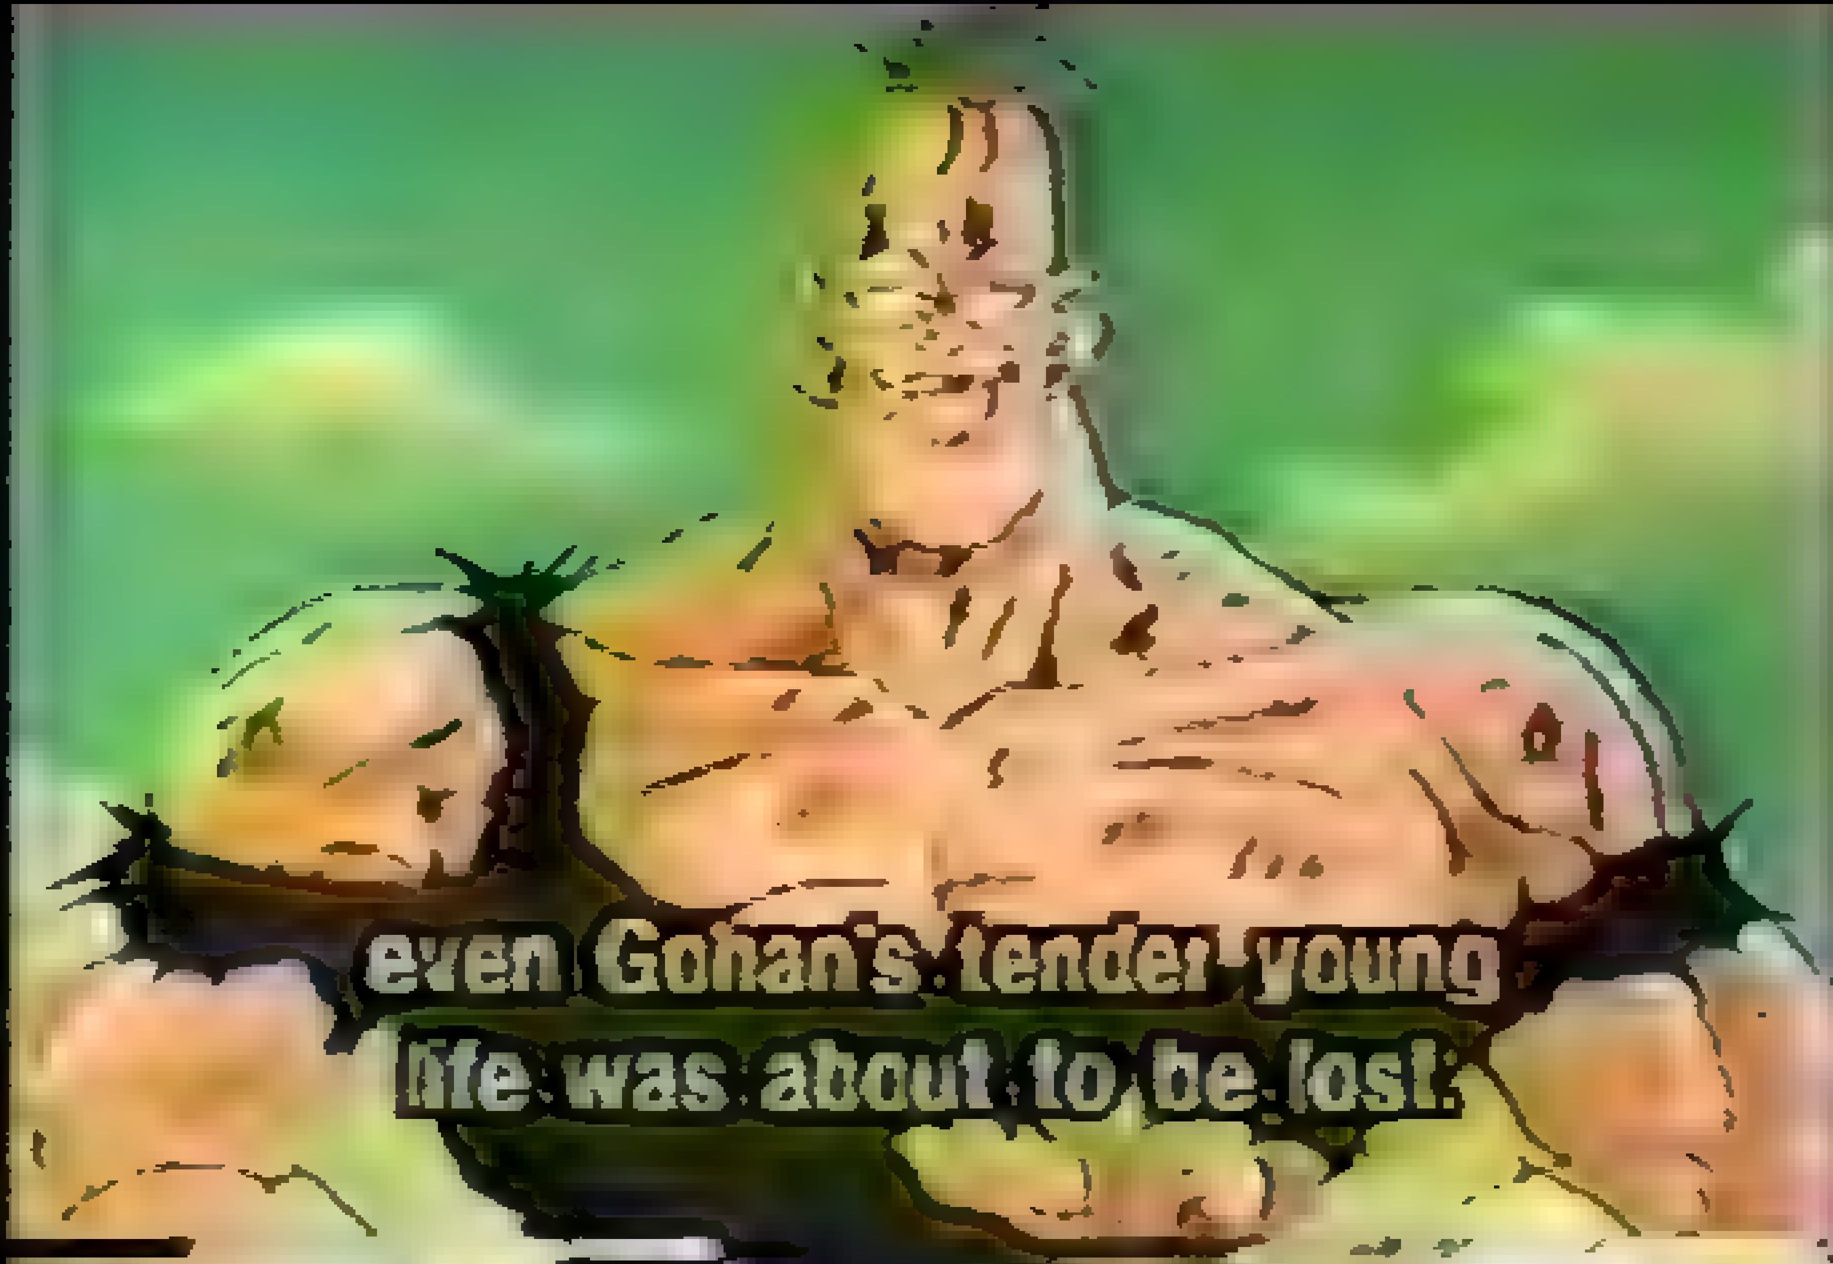

Meanwhile, faced with Rikoom's
overwhelming power,

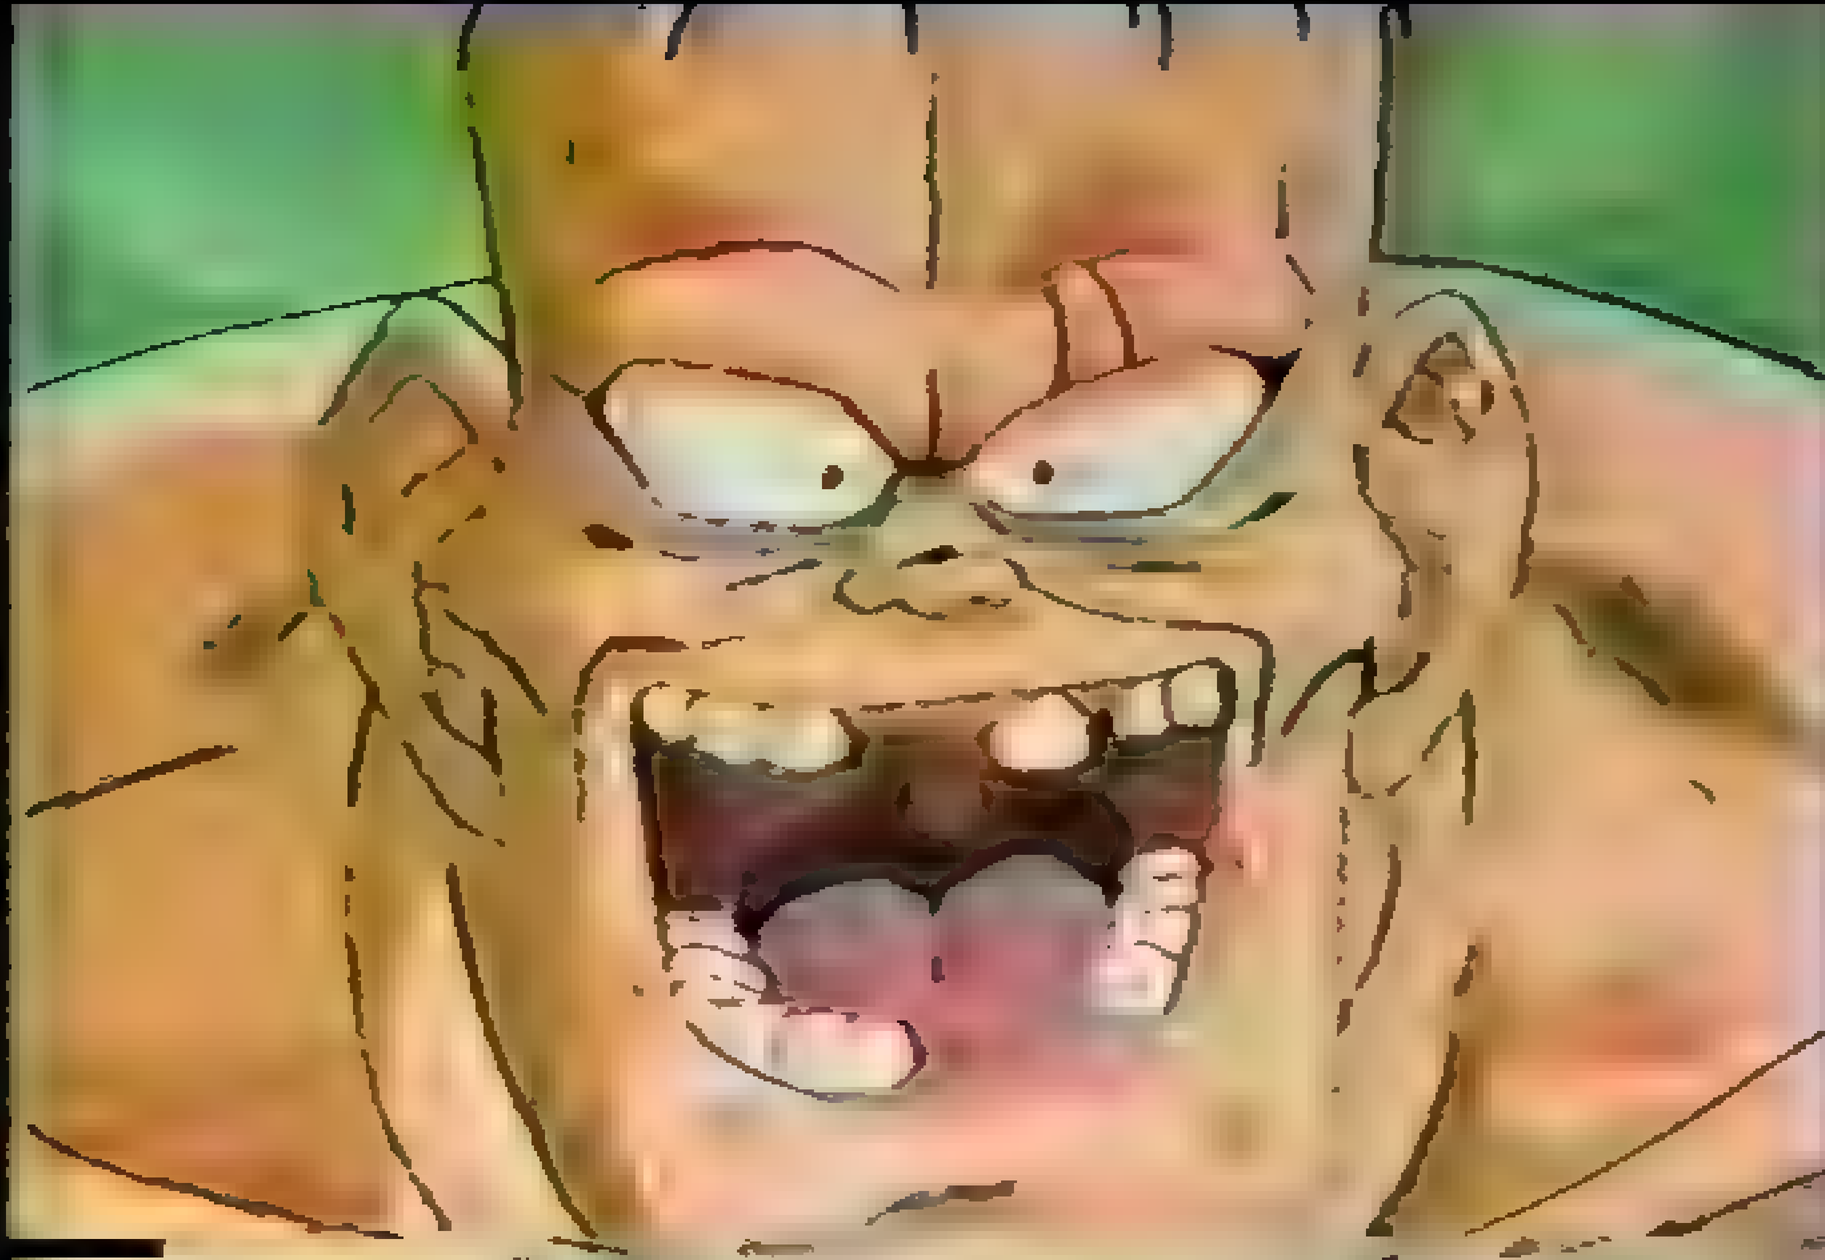

even Gohan's tender young
life was about to be lost.

even Gohan's tender young

I'm not losing to you!

I'm not losing to you!

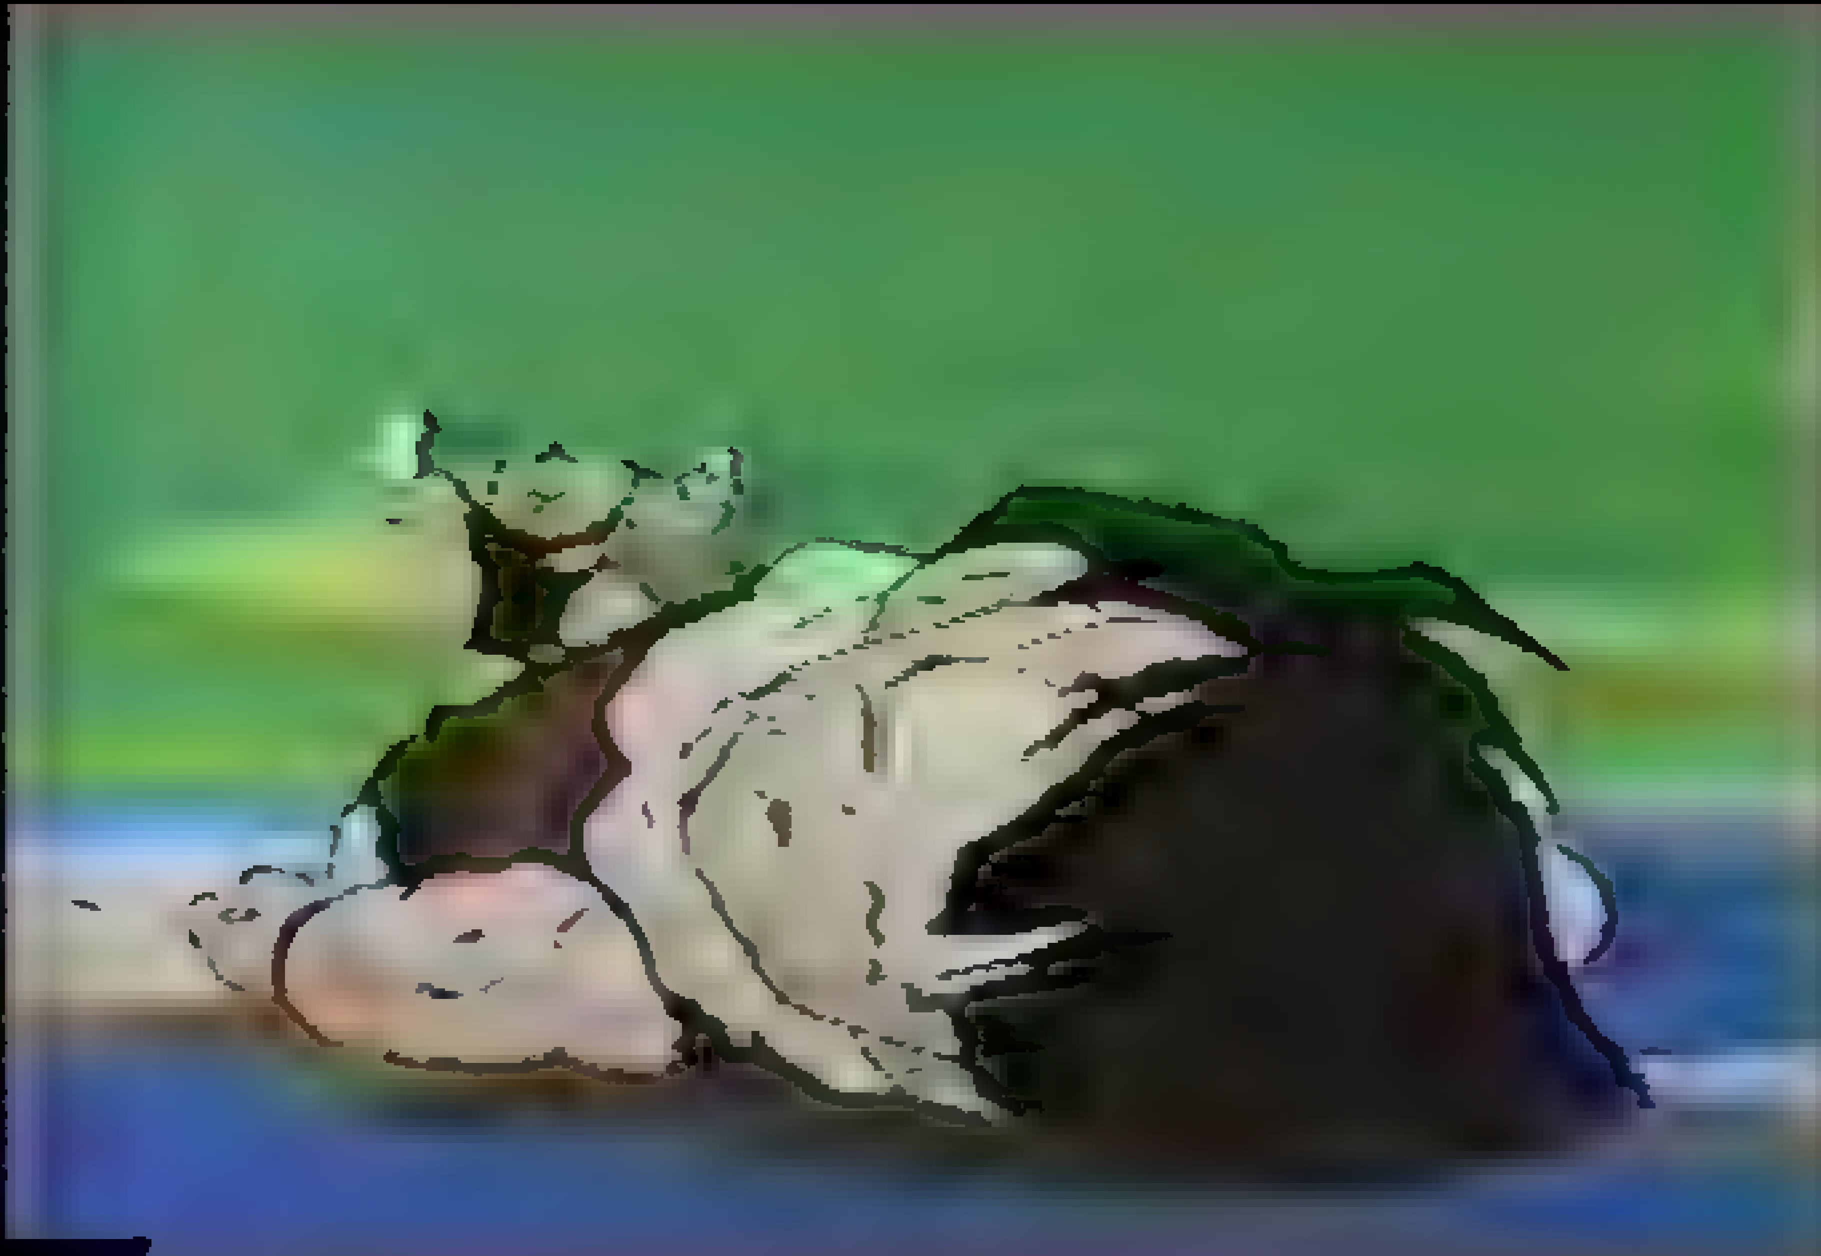

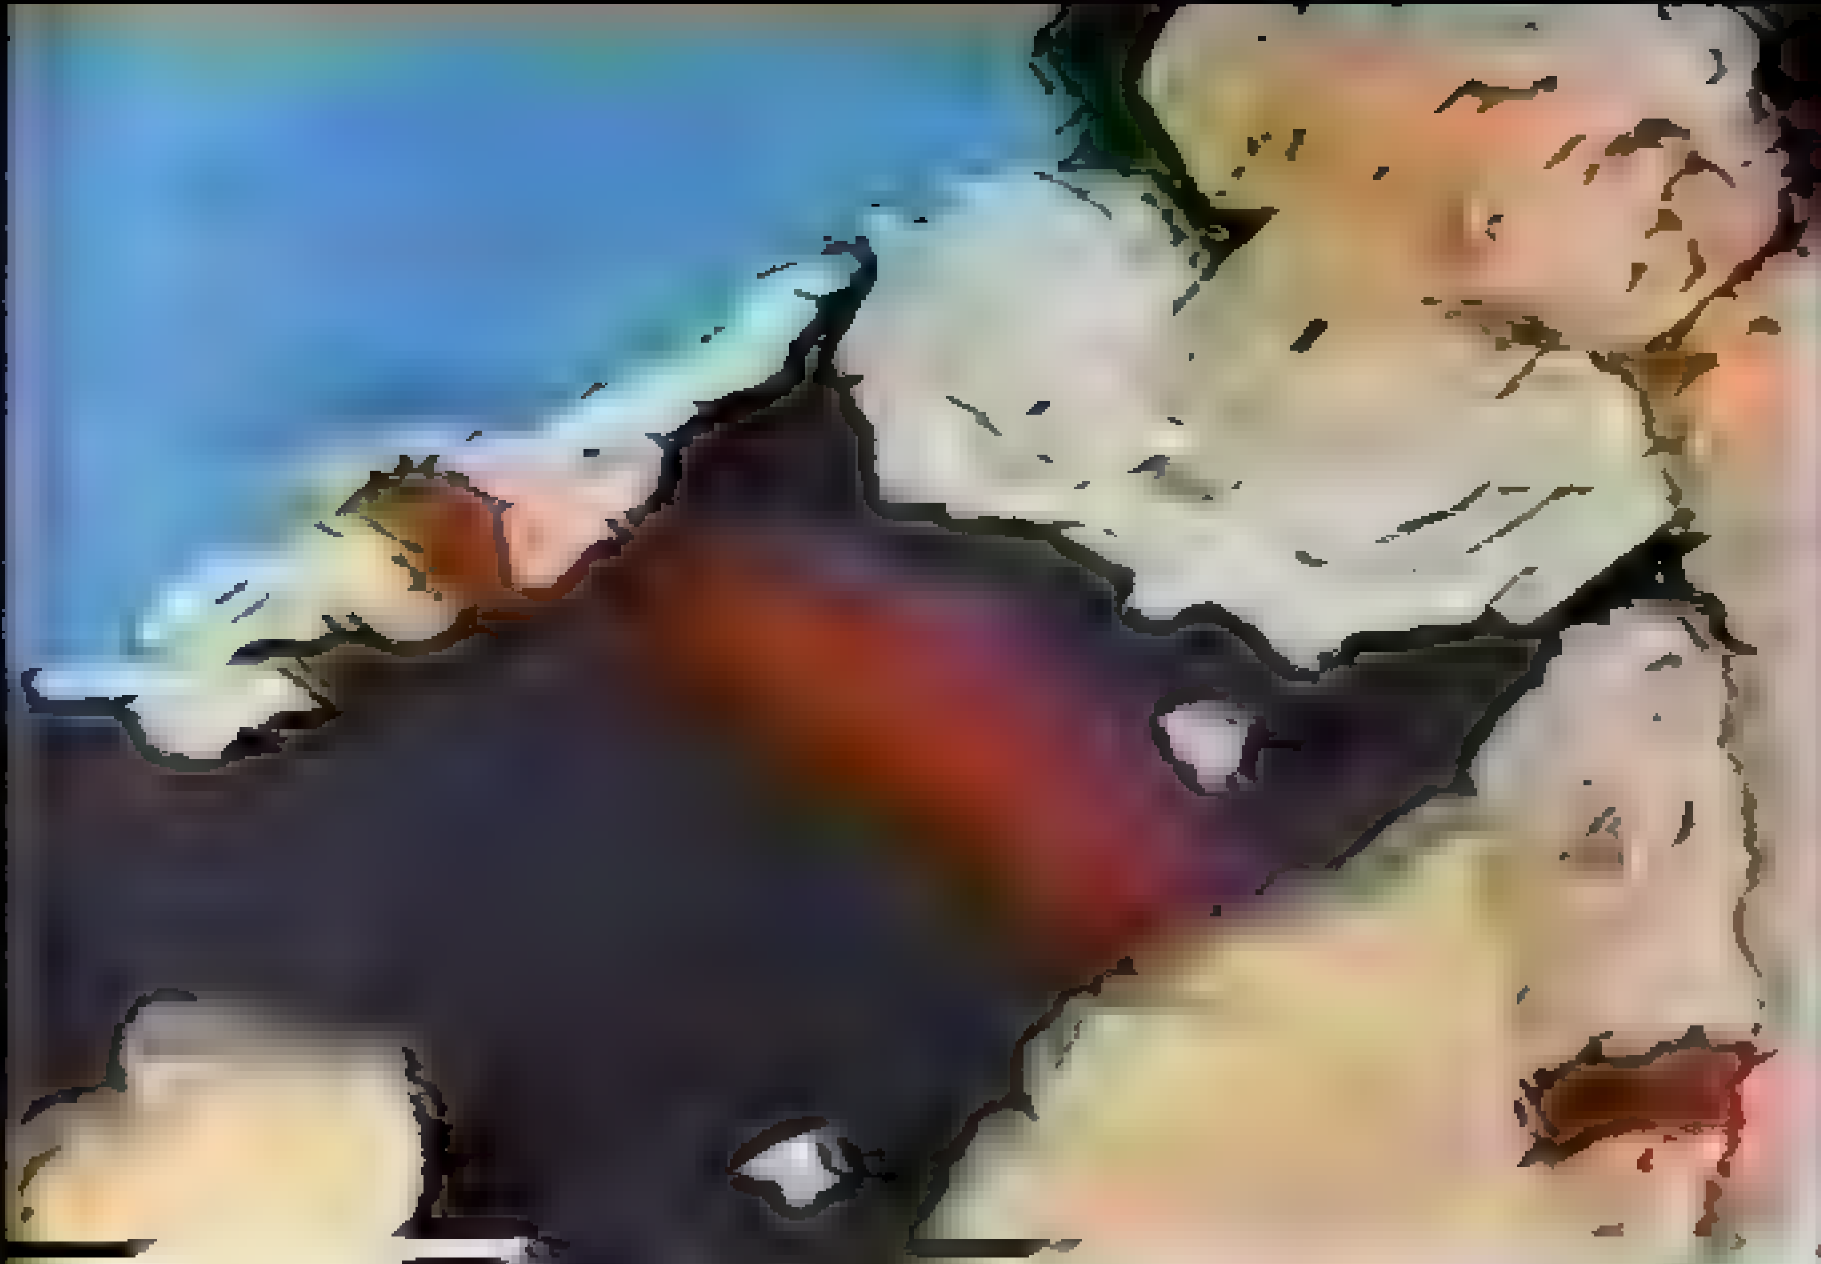

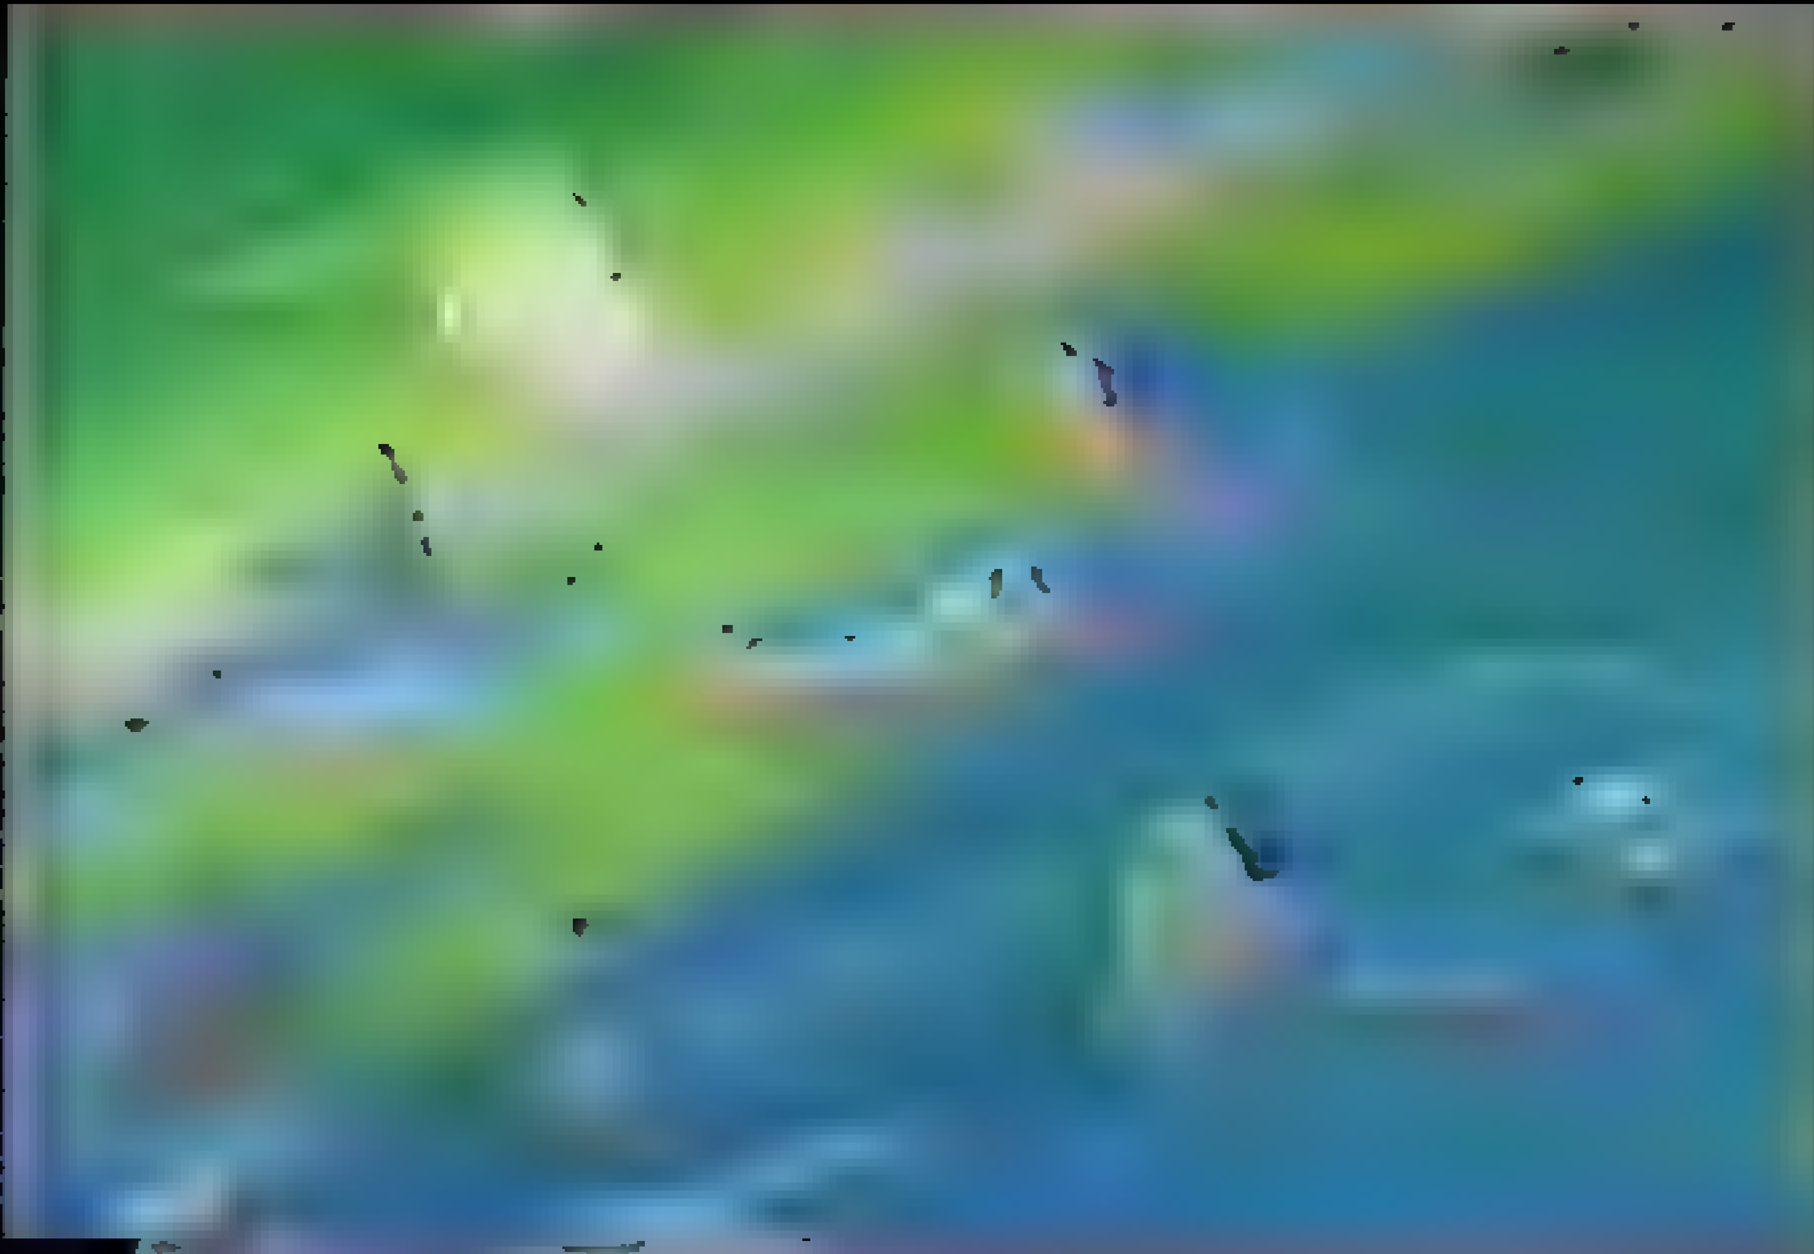

However, at that time...

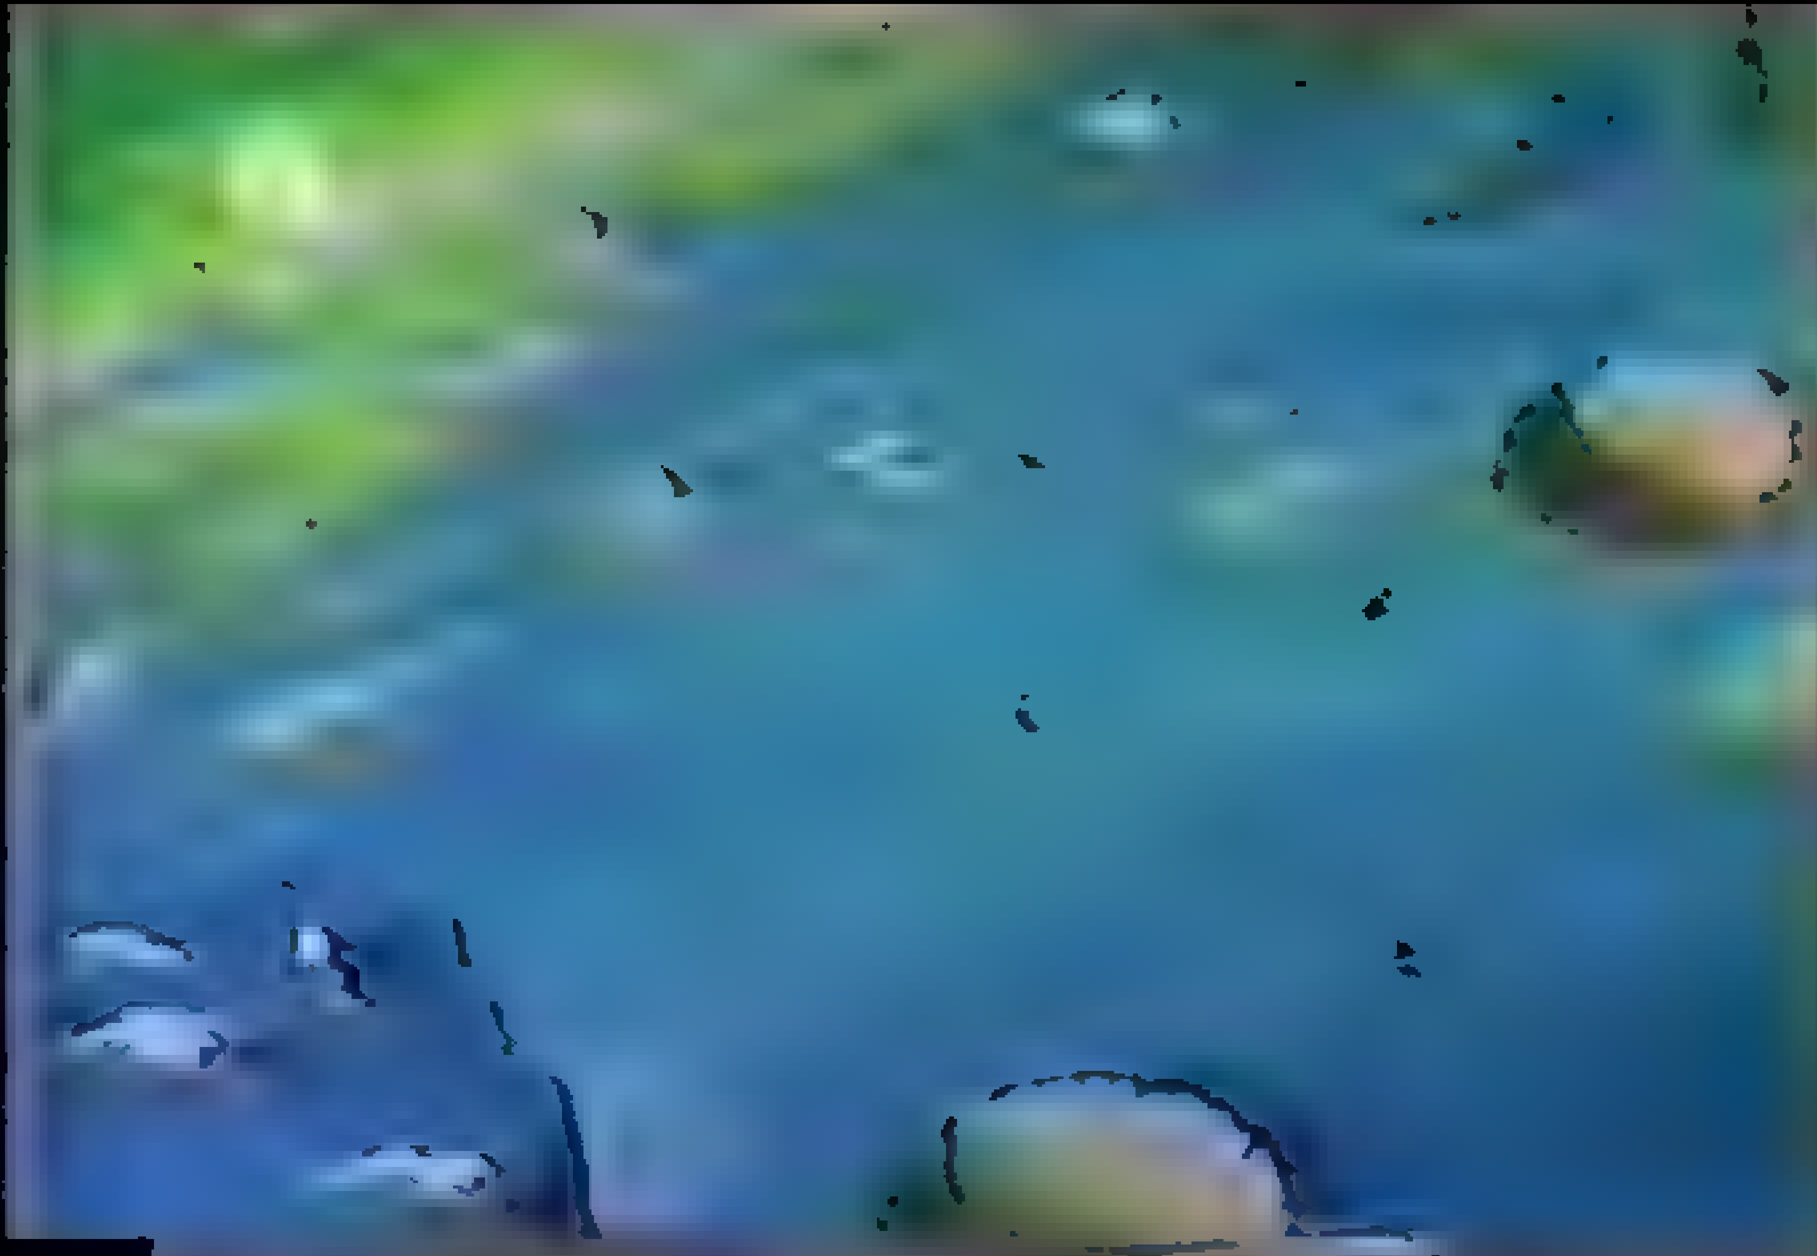

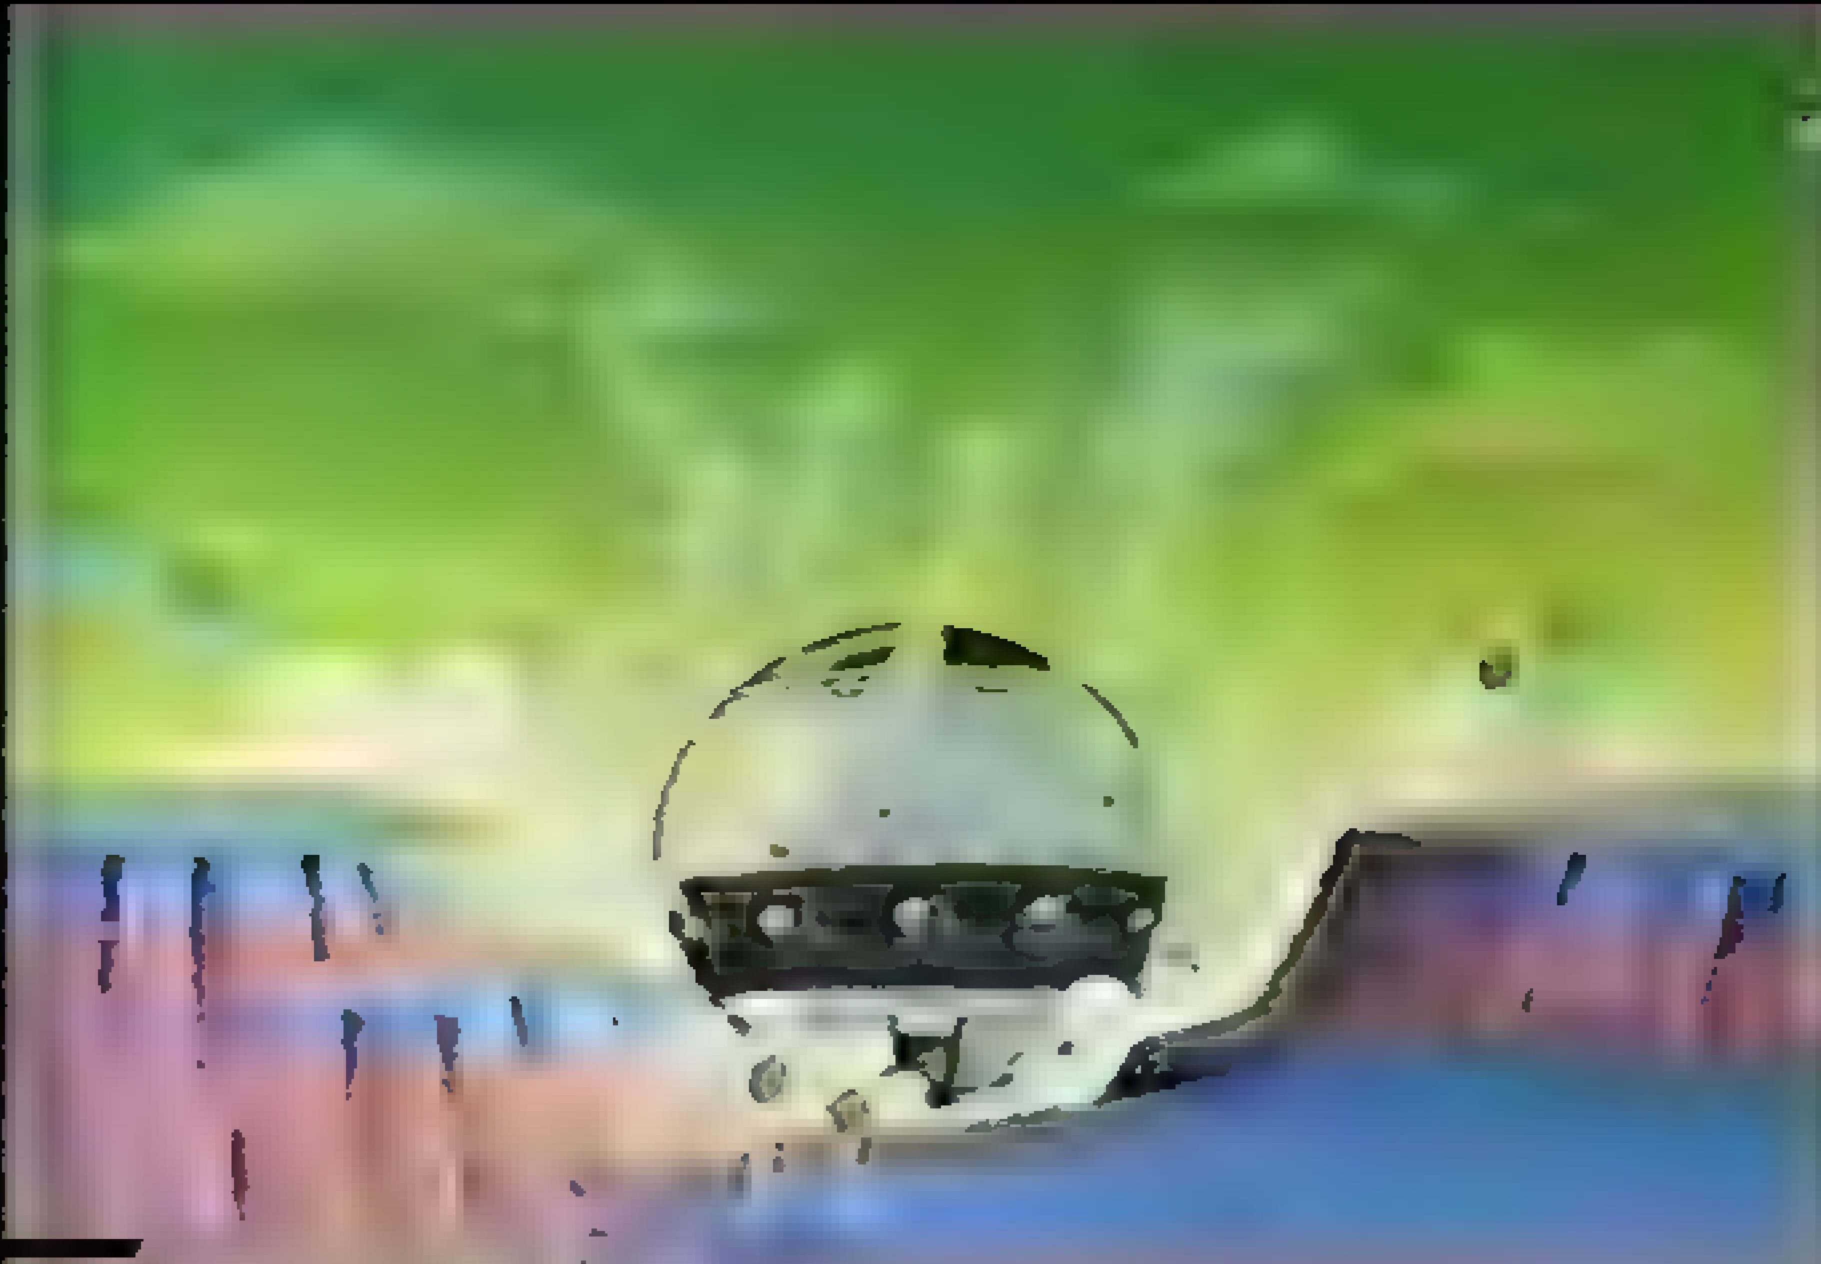

What's that?

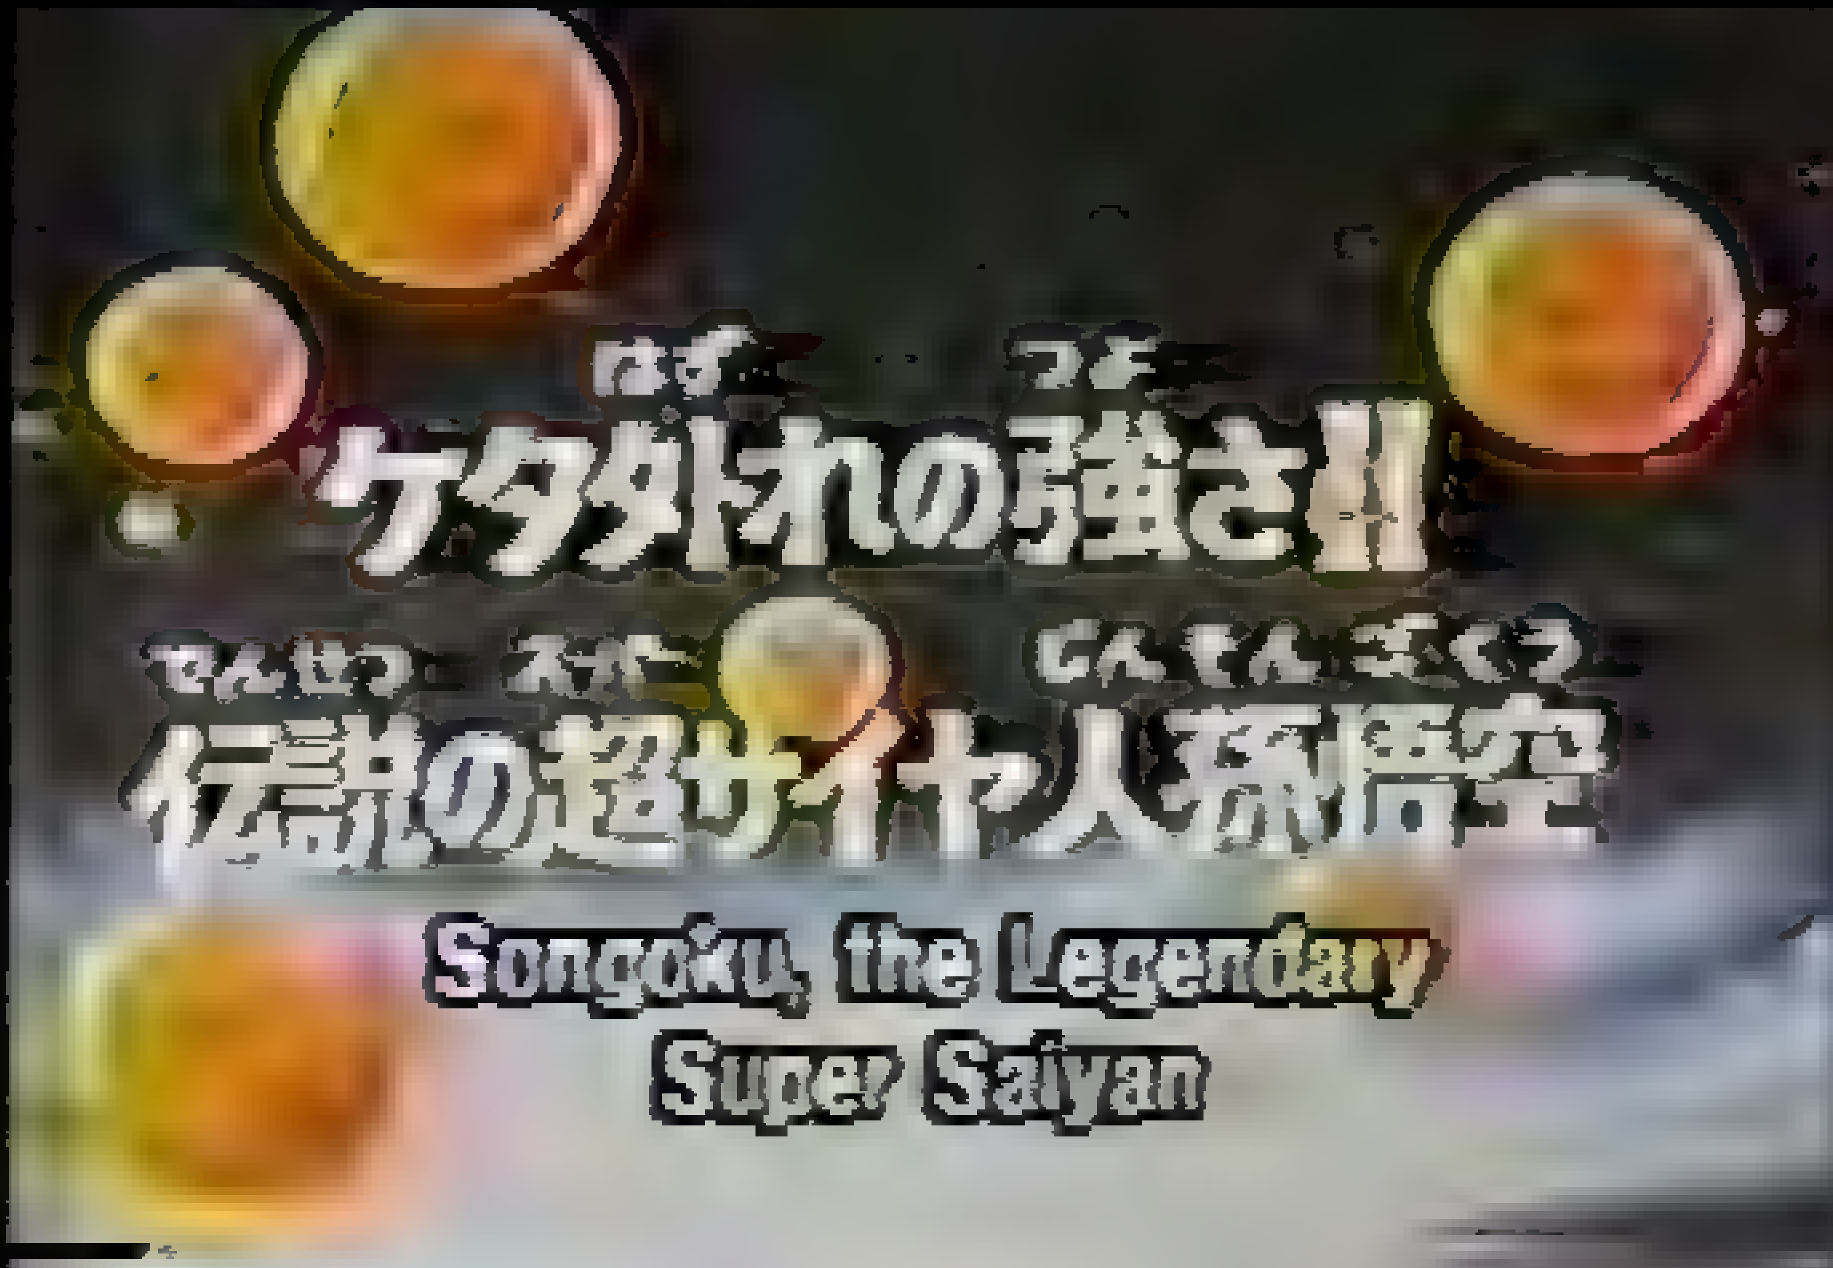

It's a ship. It landed.

It's a ship! It landed.

I'm sure of it.
Goku's landed on Nameck.

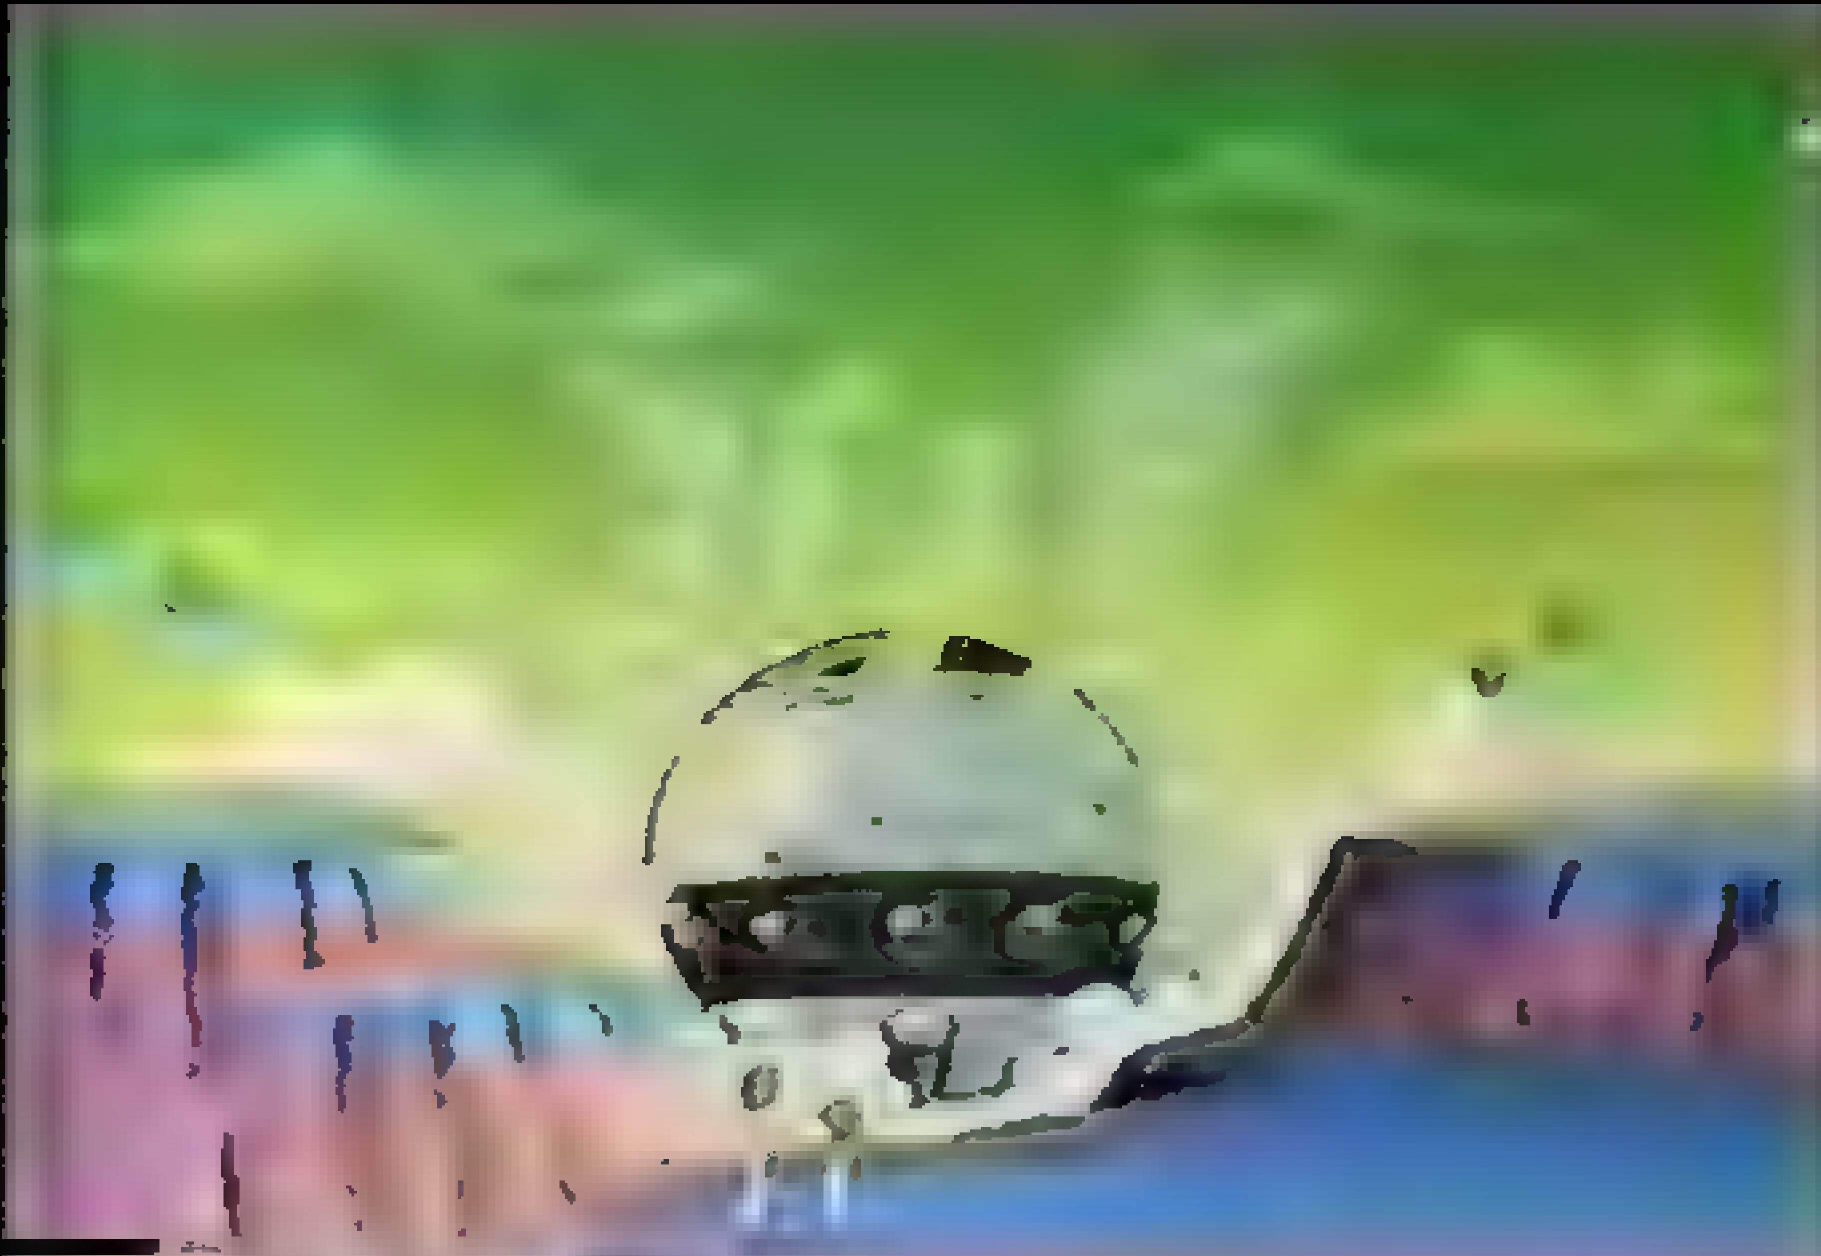

I'm sure of it.
Goku's landed on Nameck.

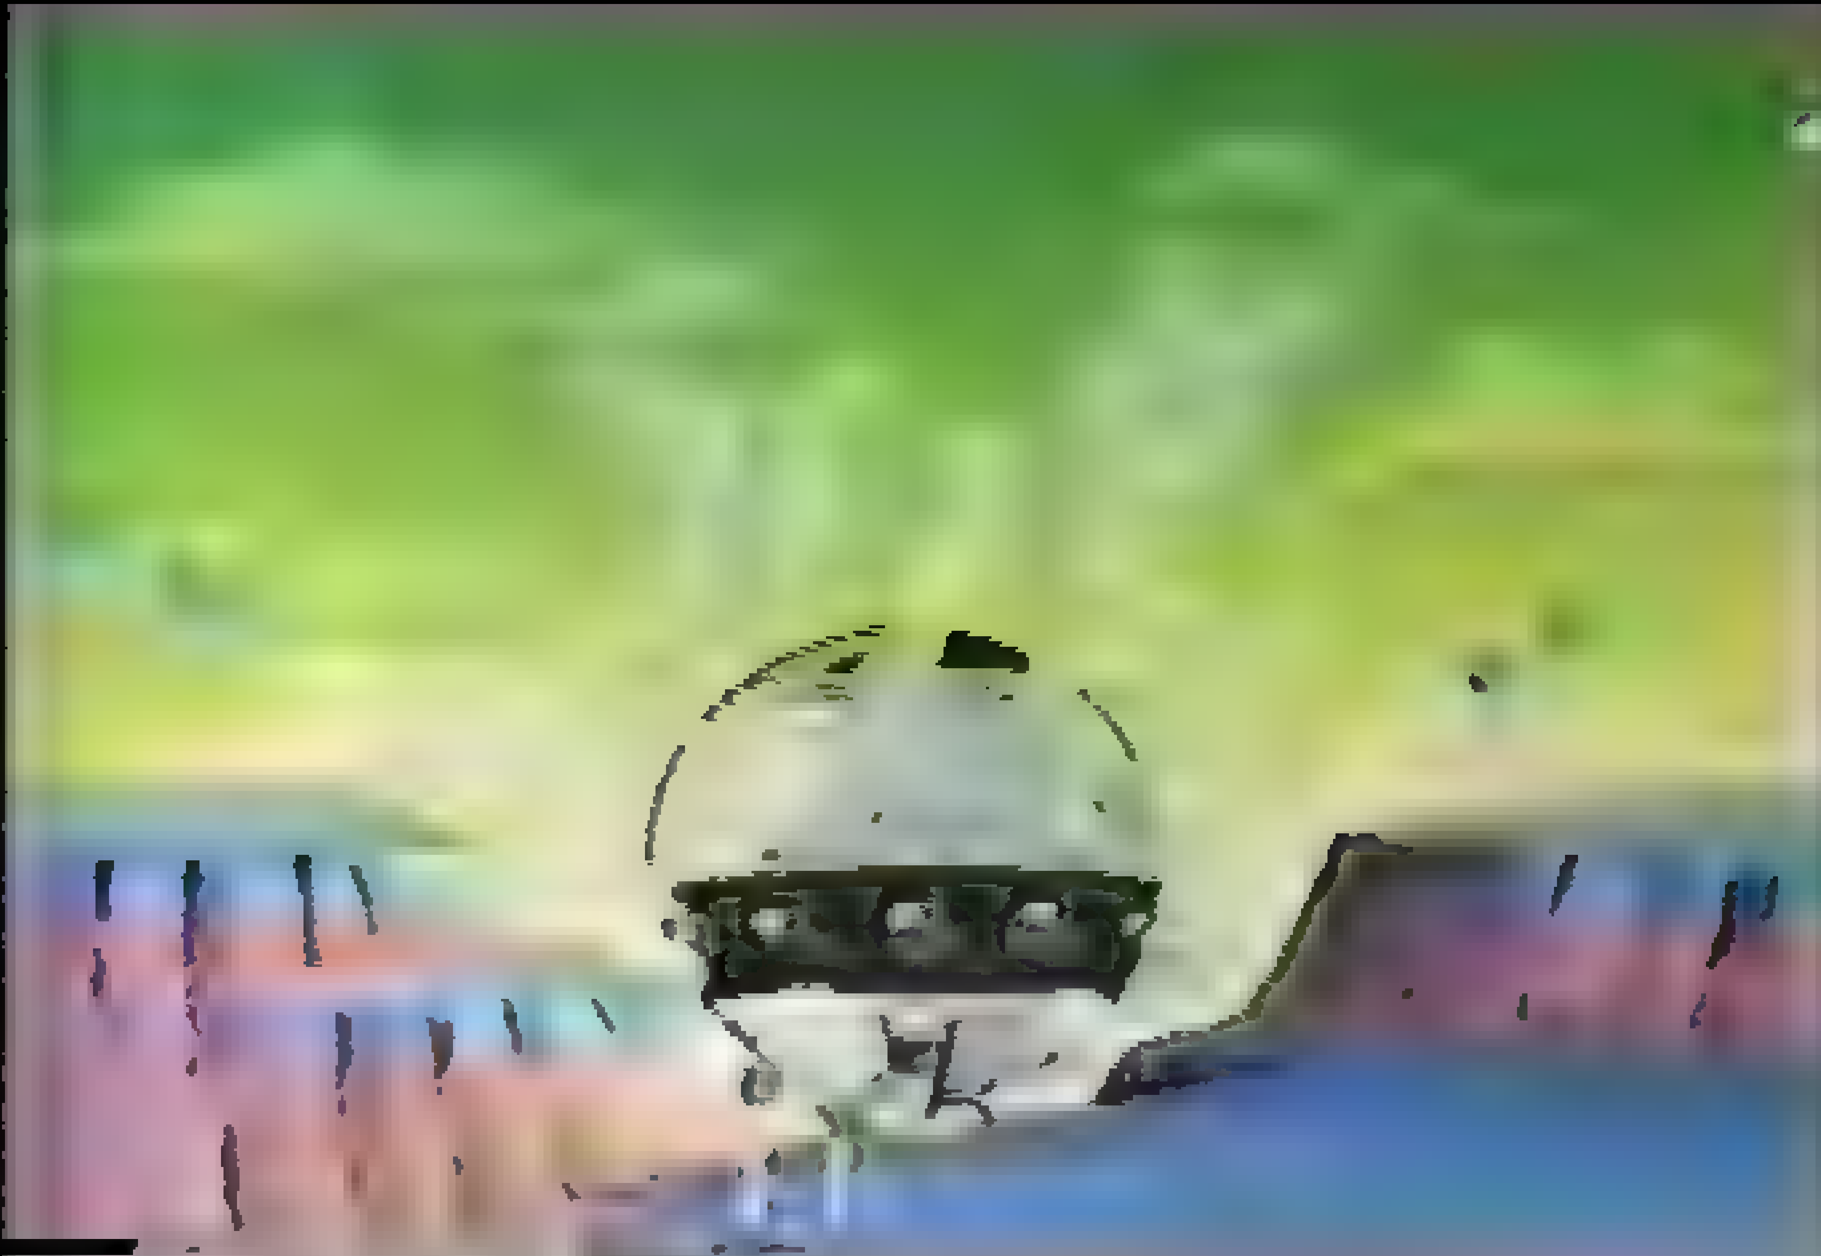

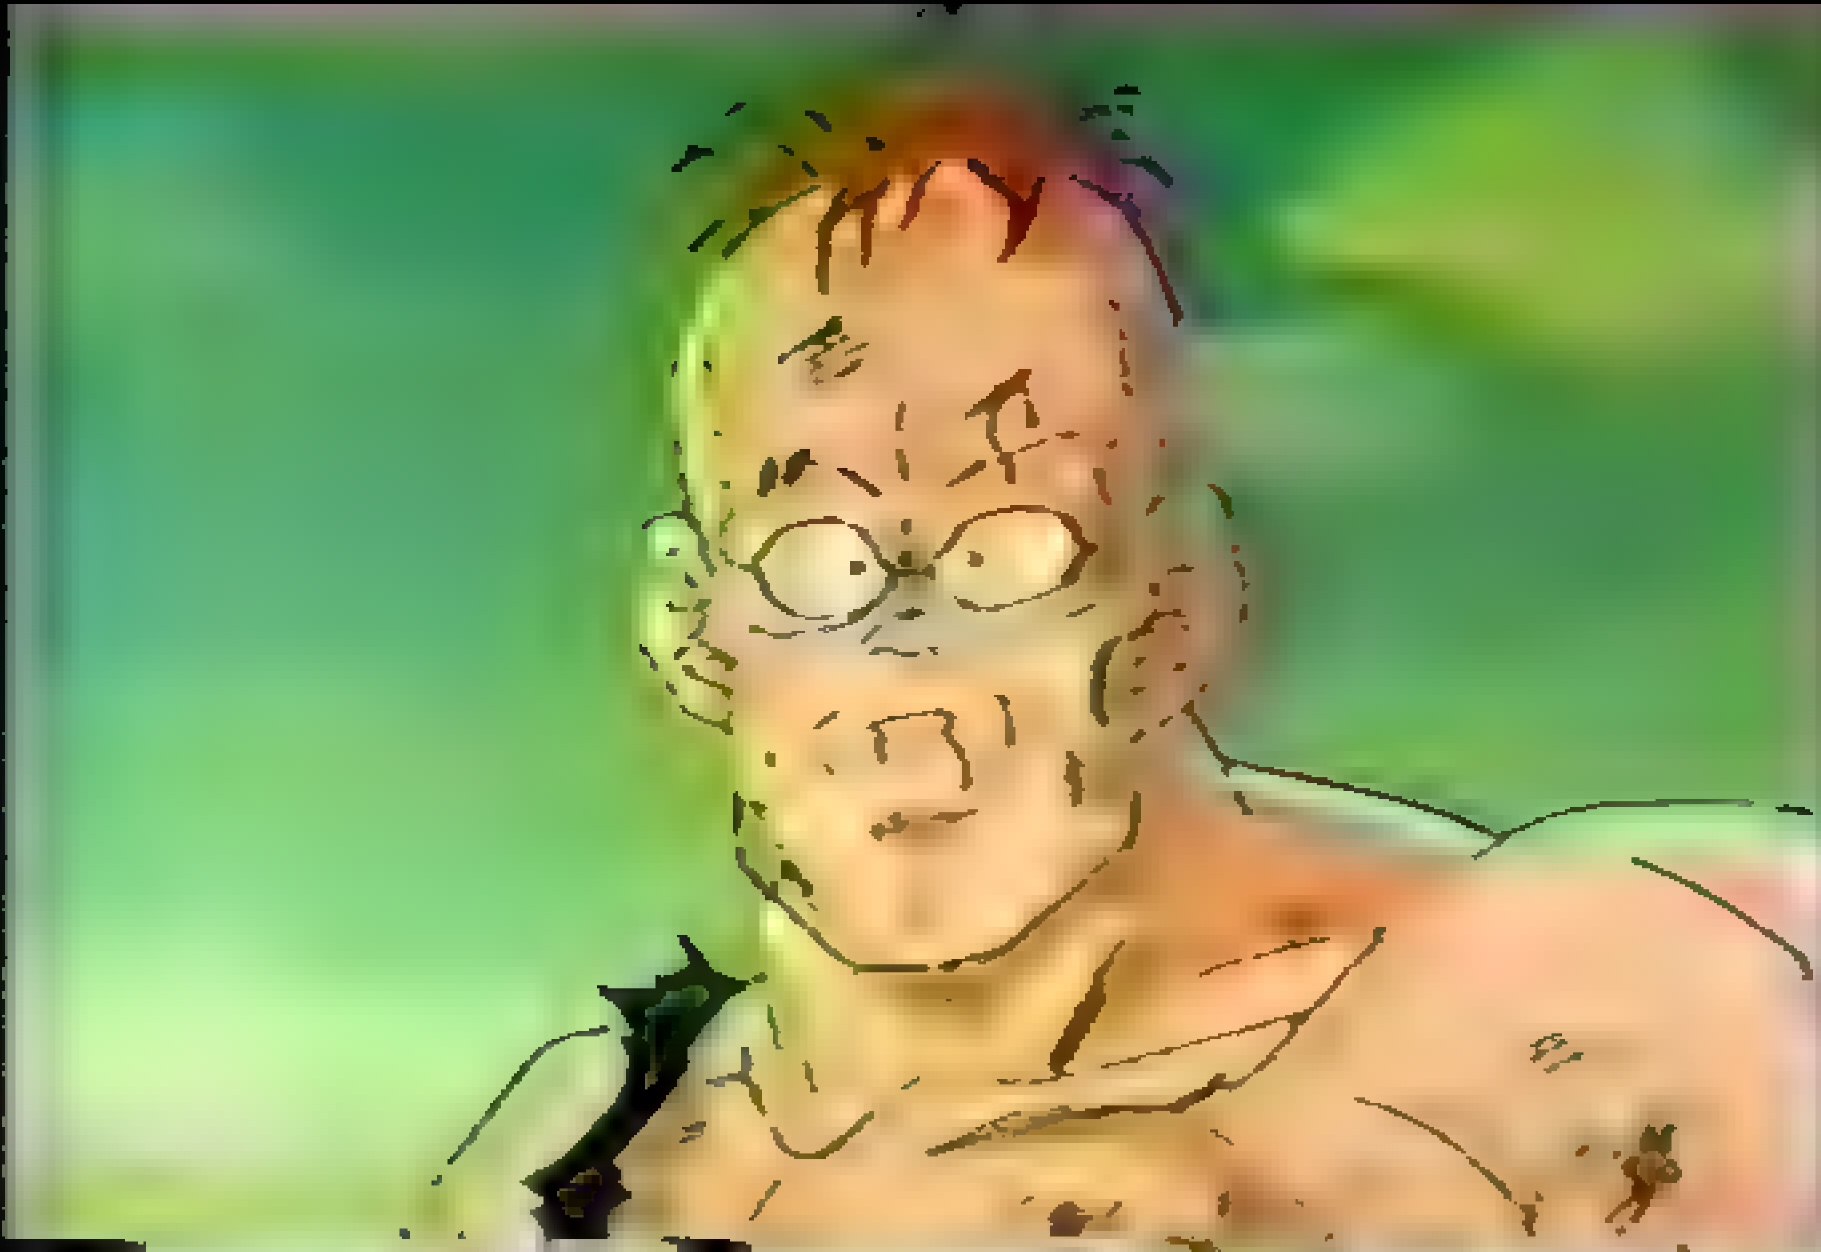

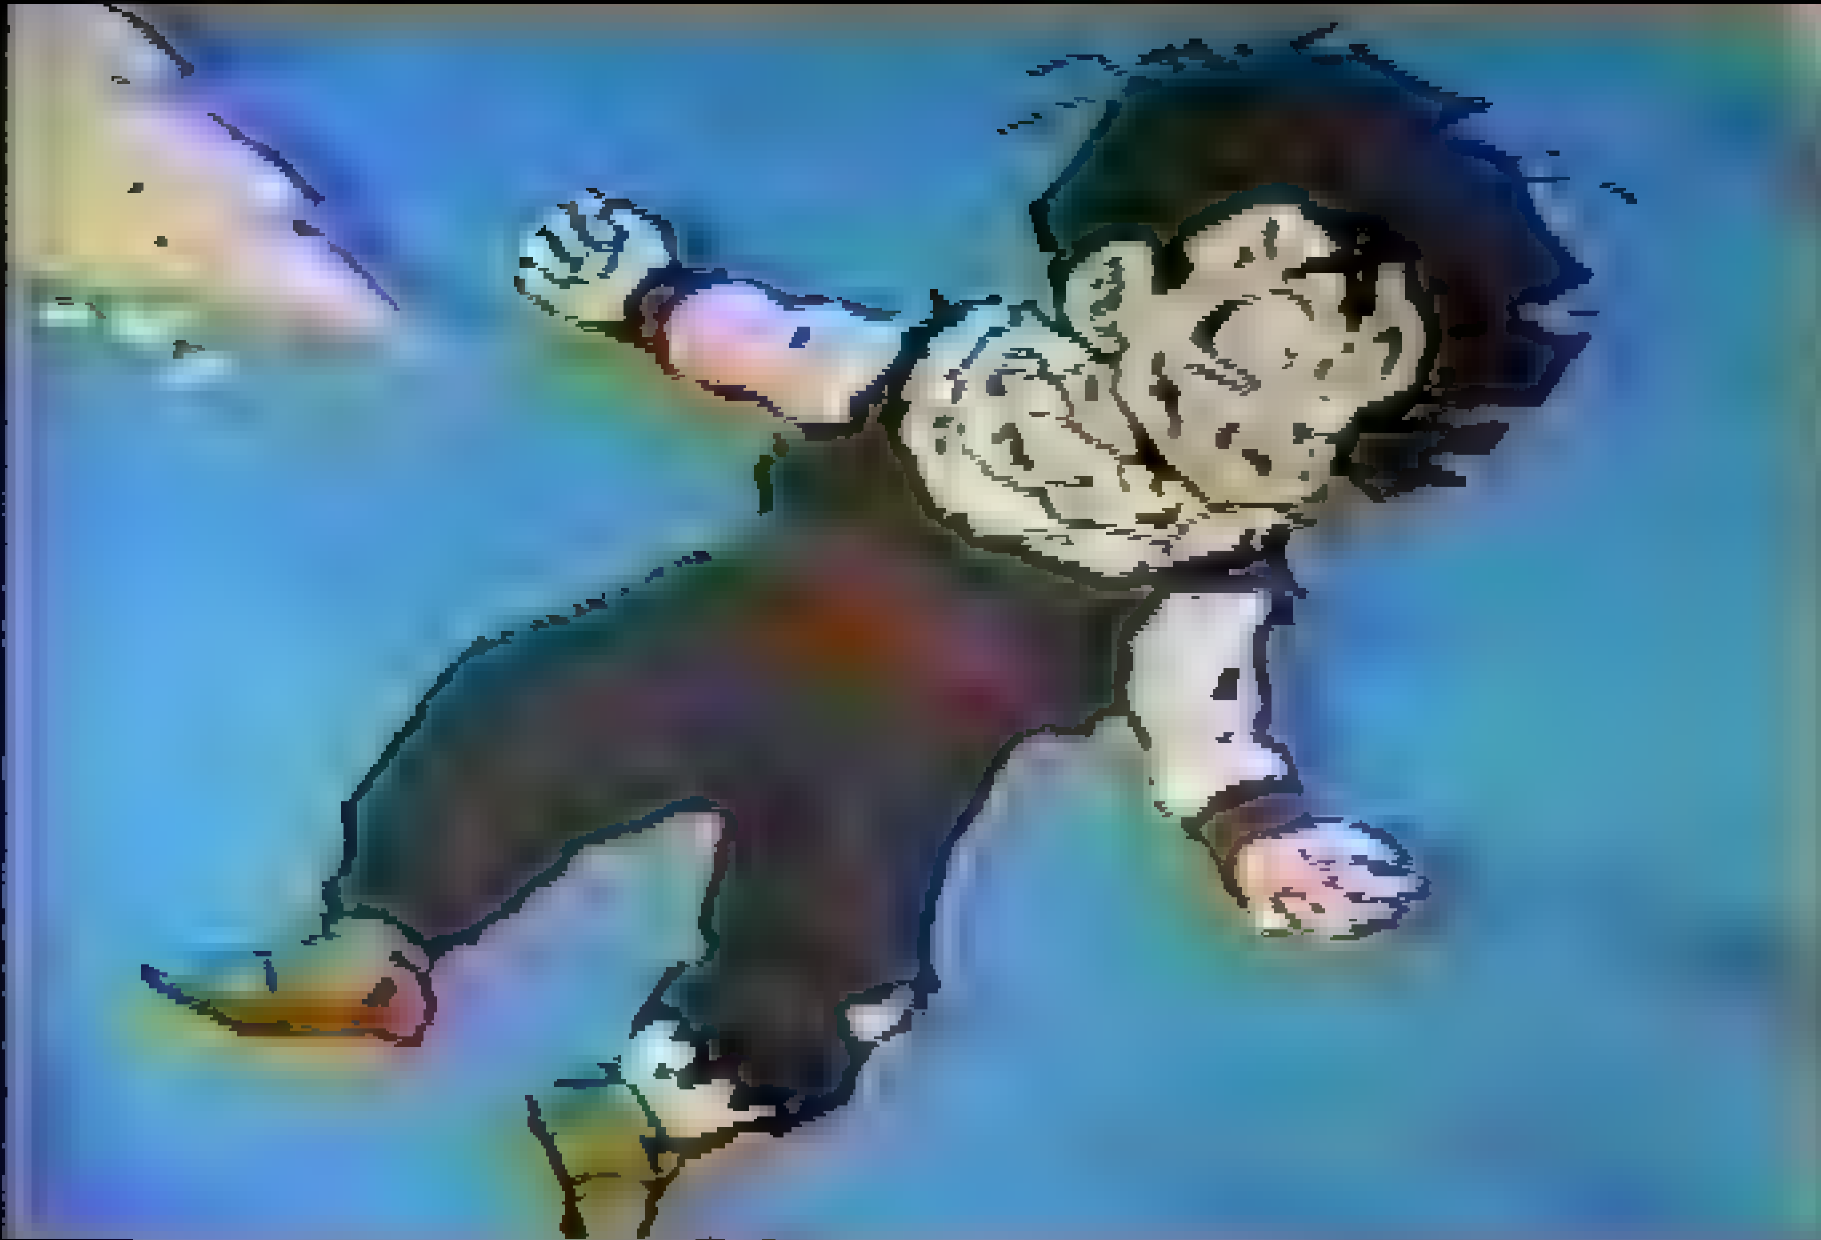

Son–!

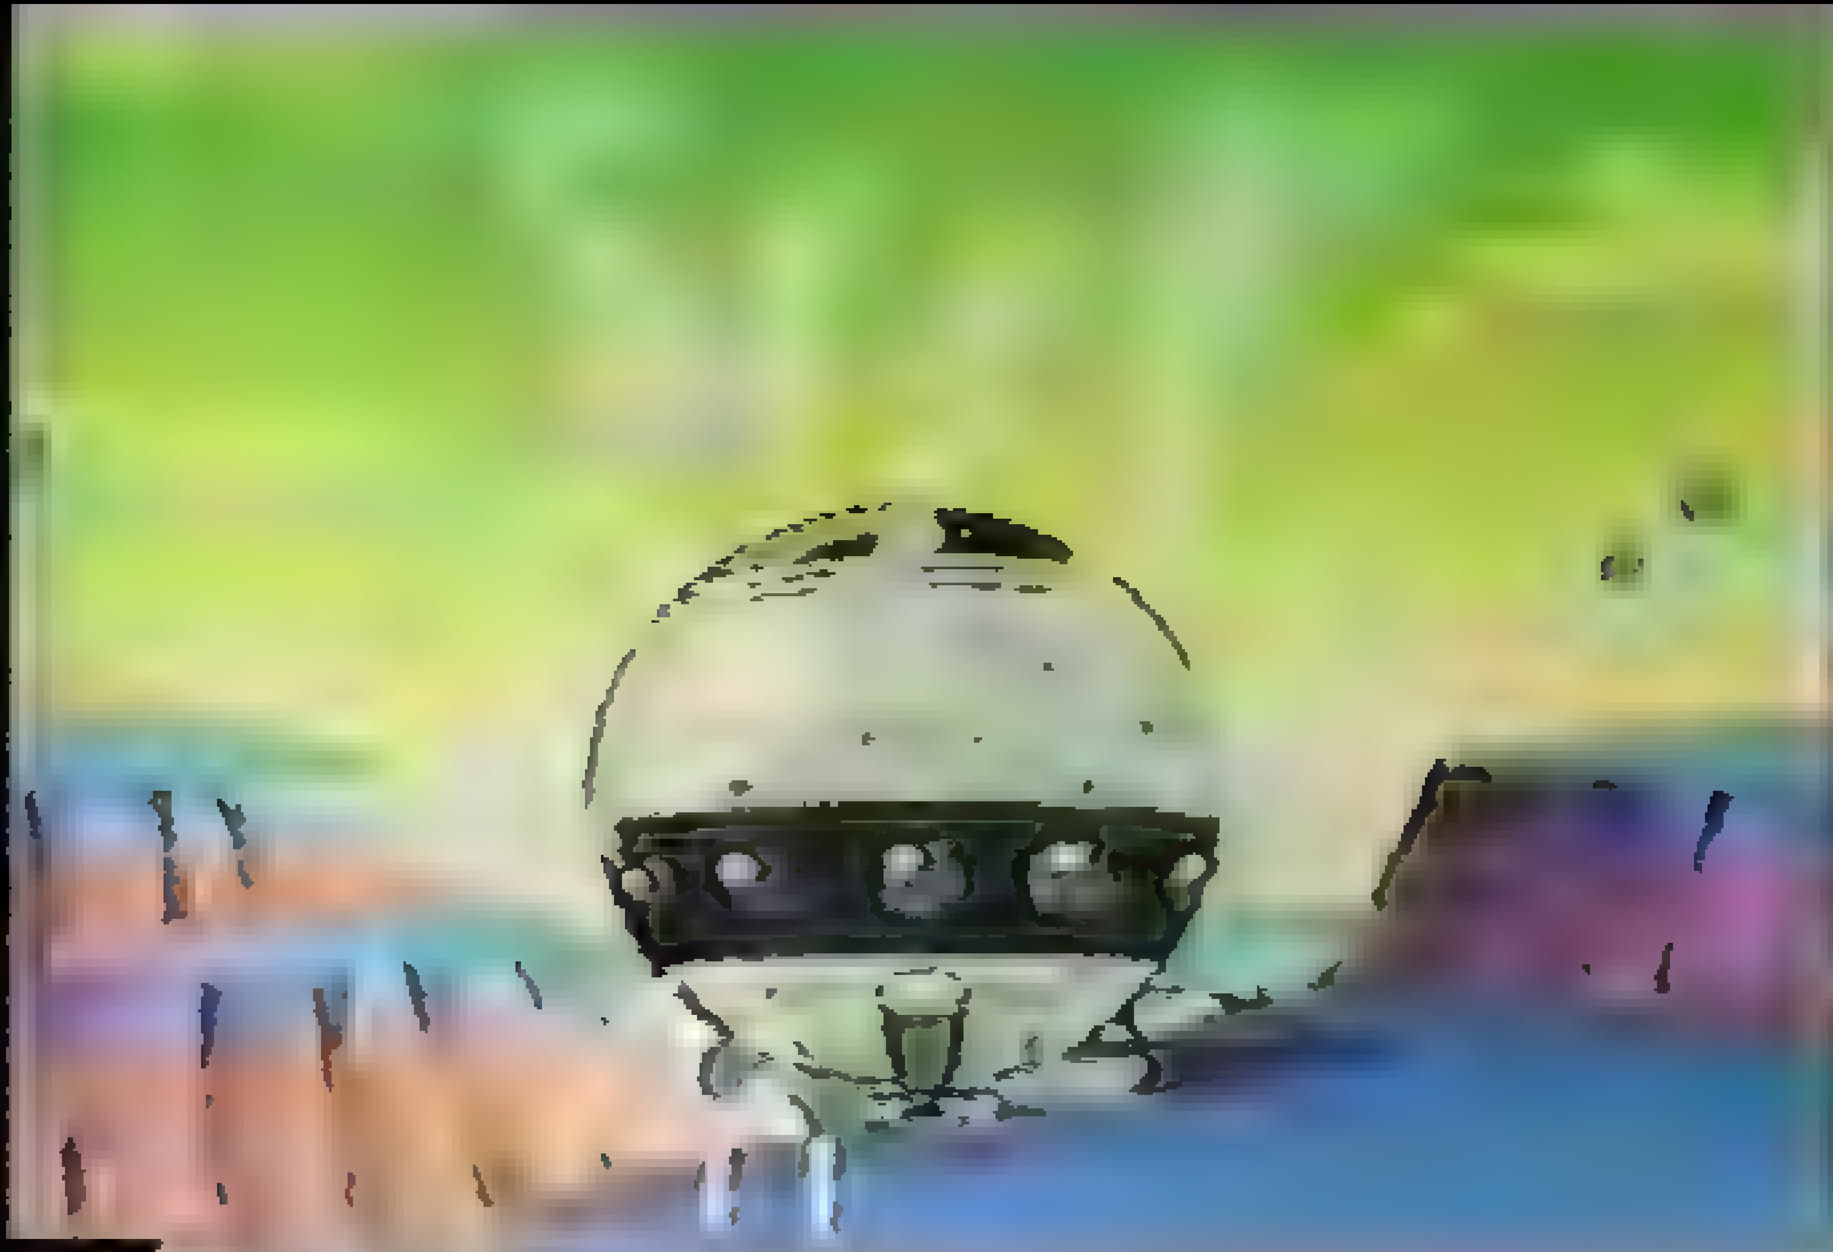

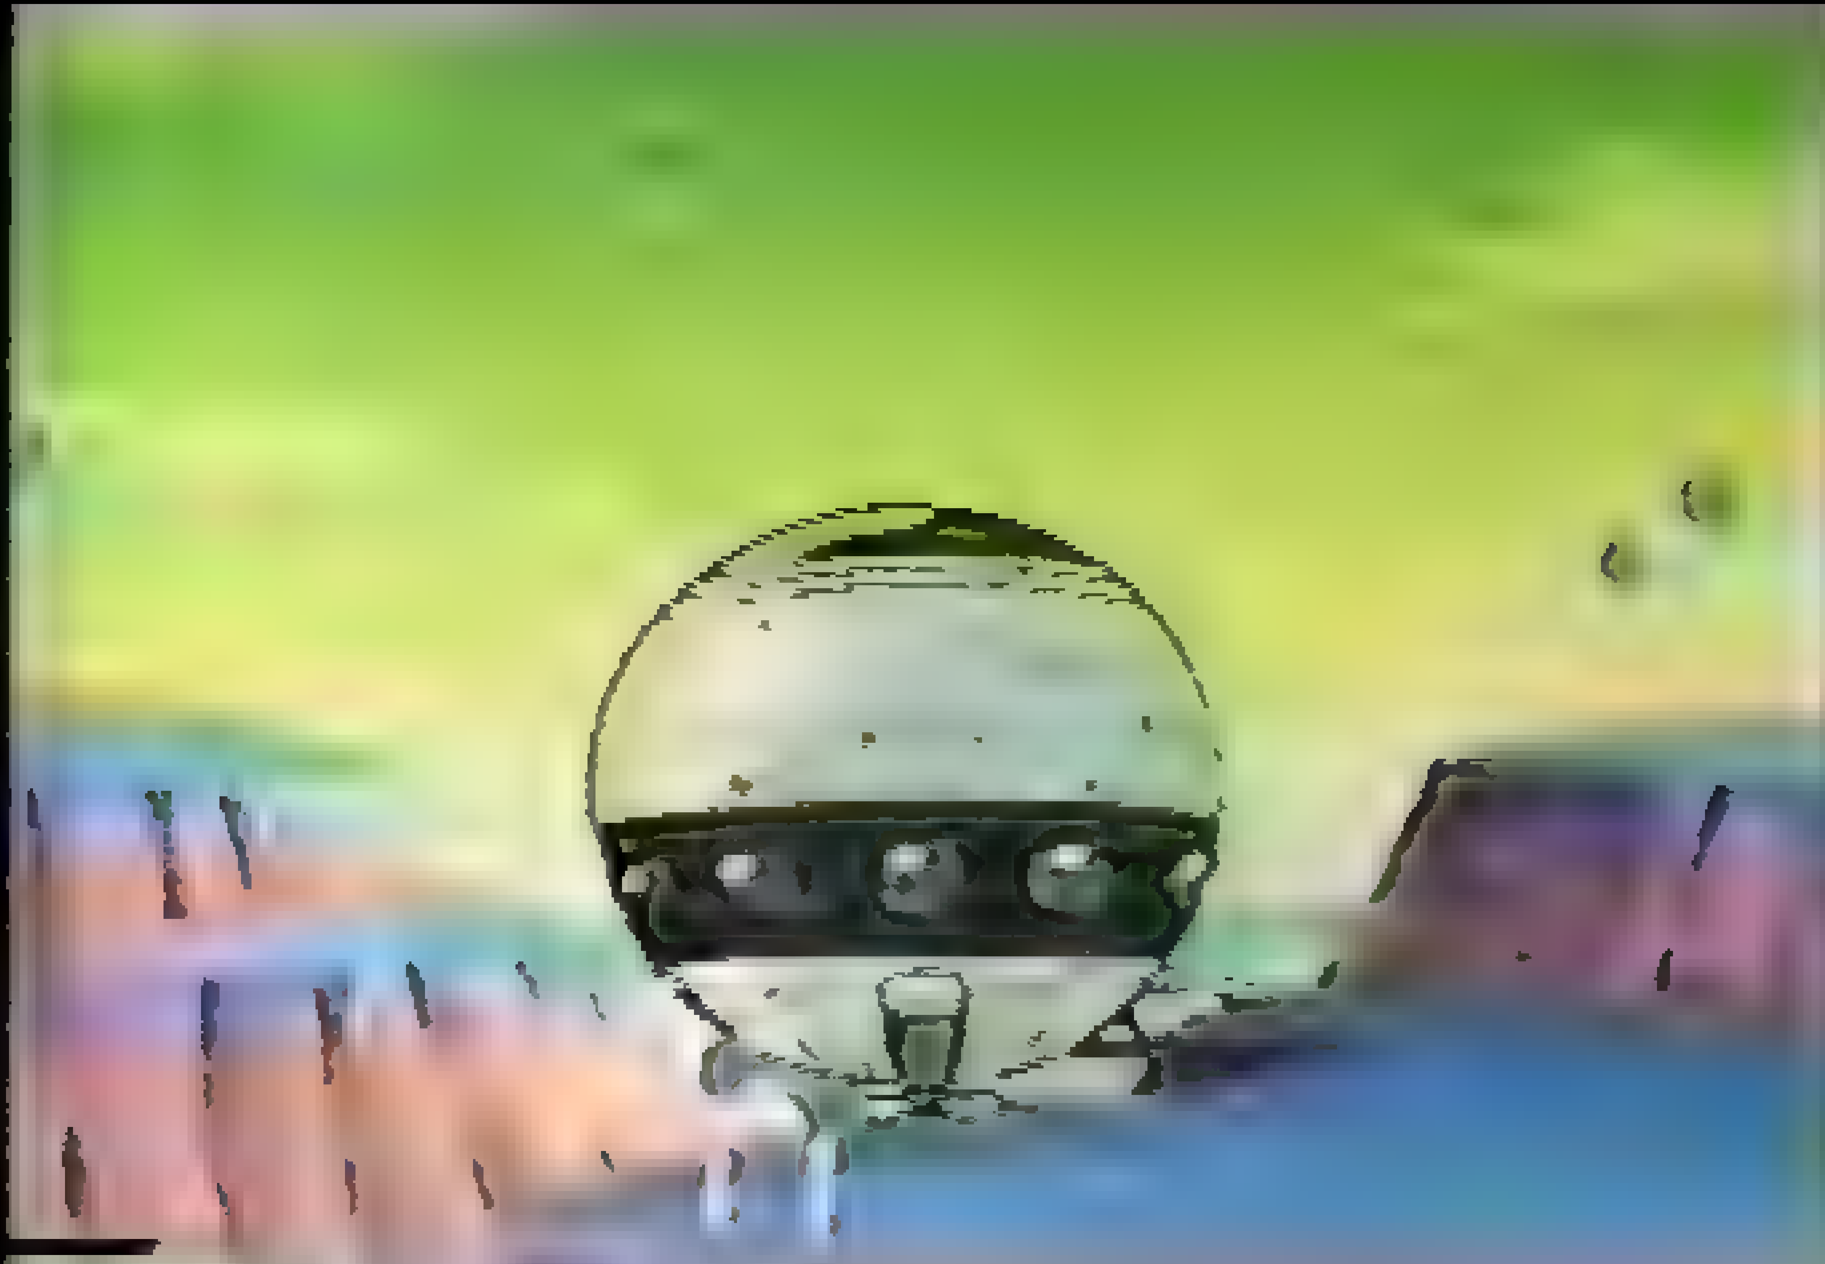

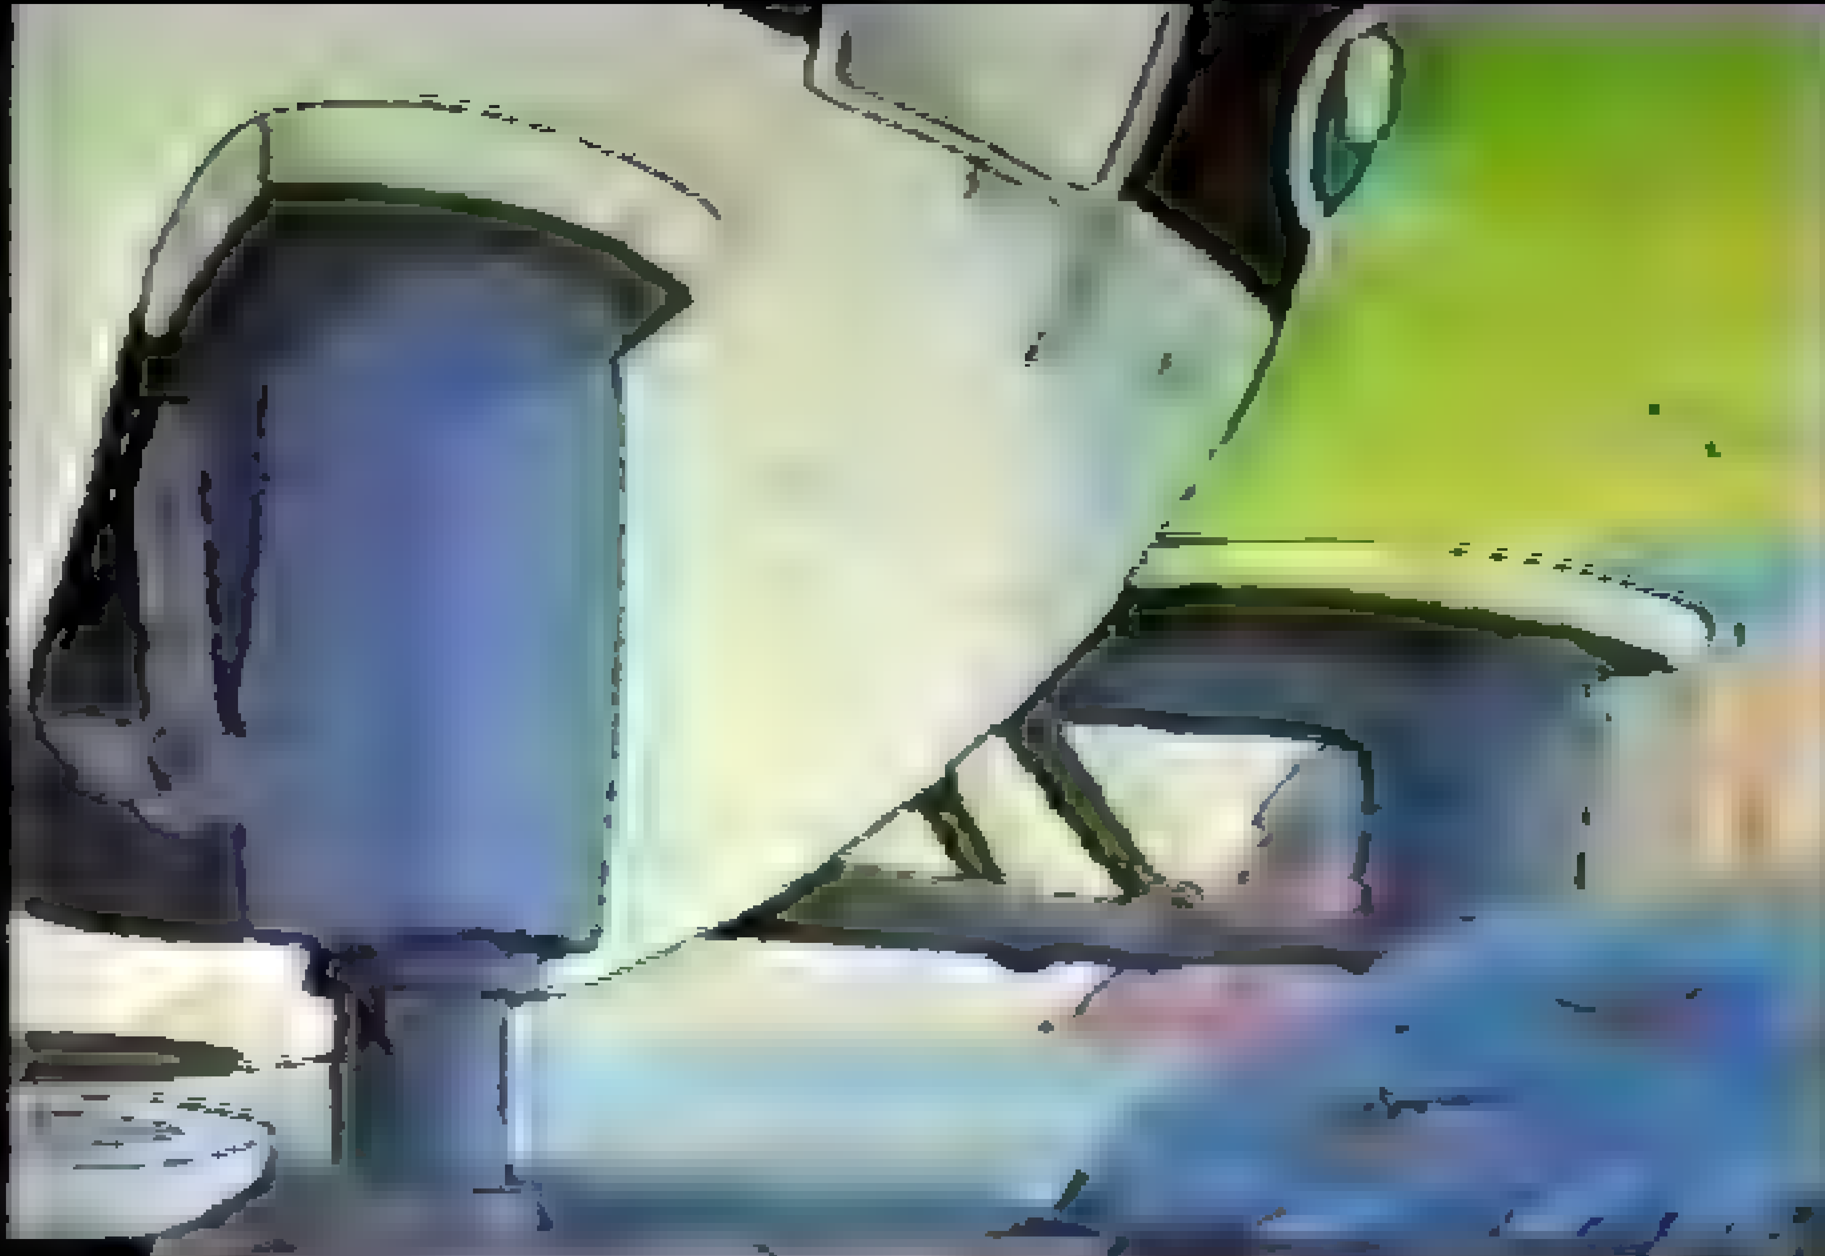

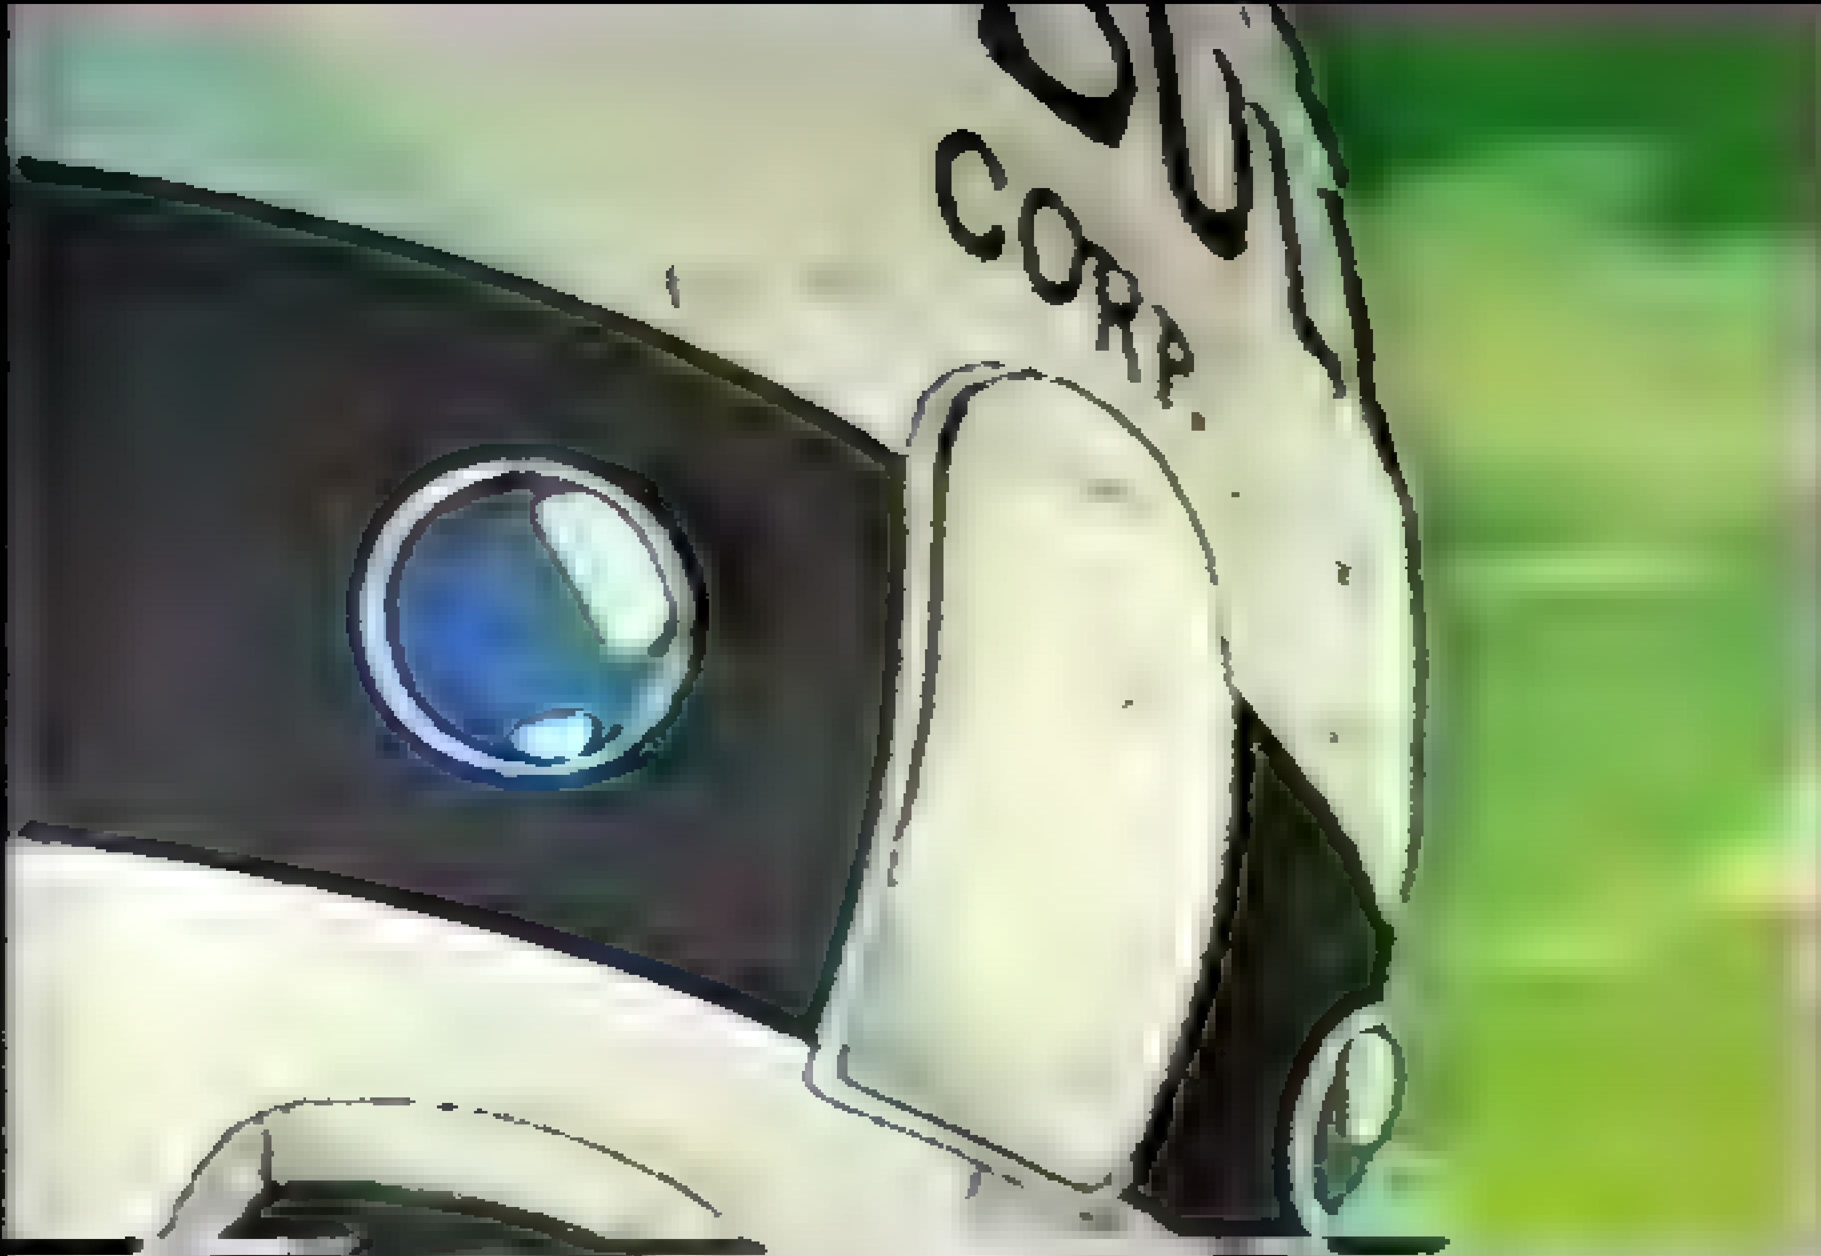

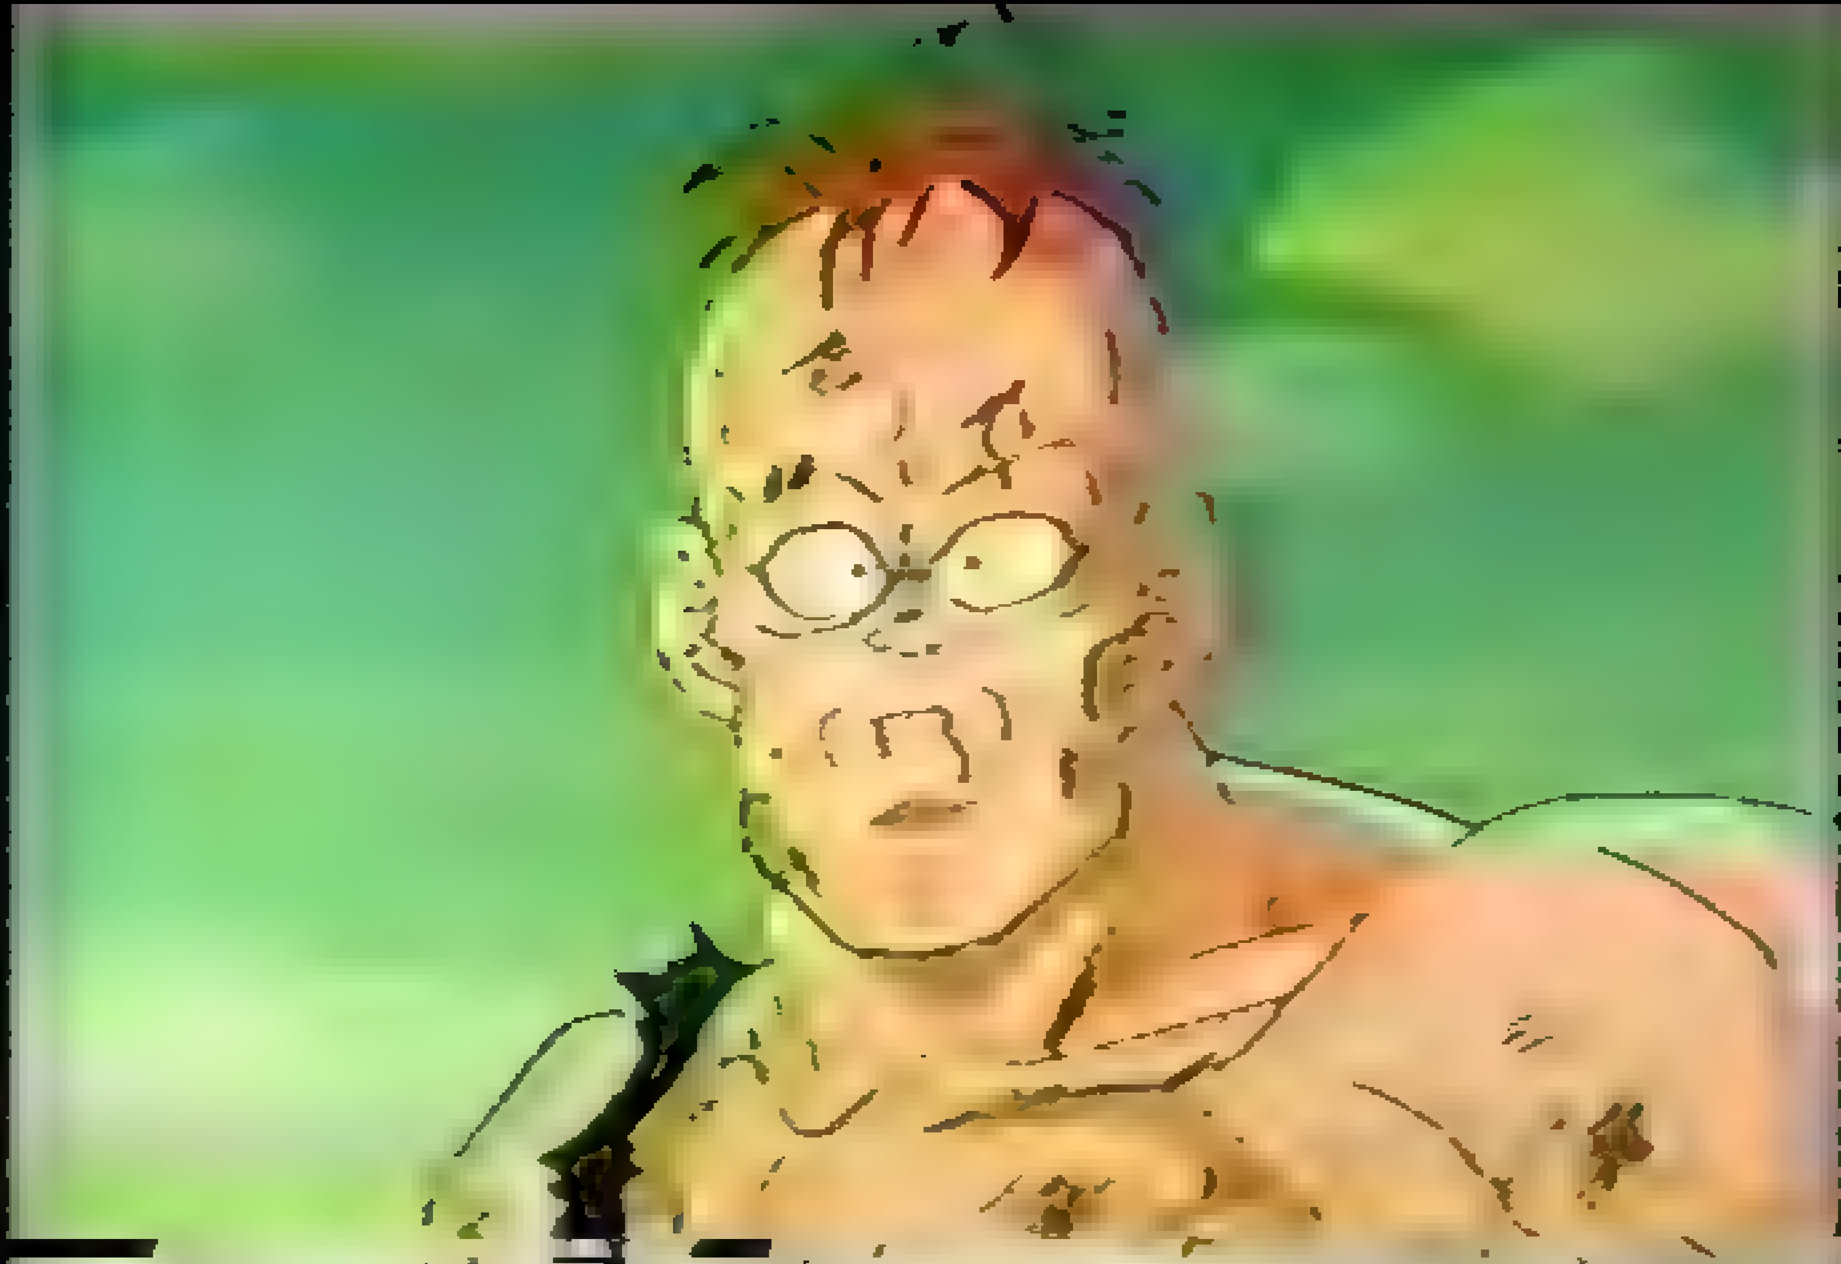

We have landed
on the planet Hlameck.

You may disembark!
The door will open!

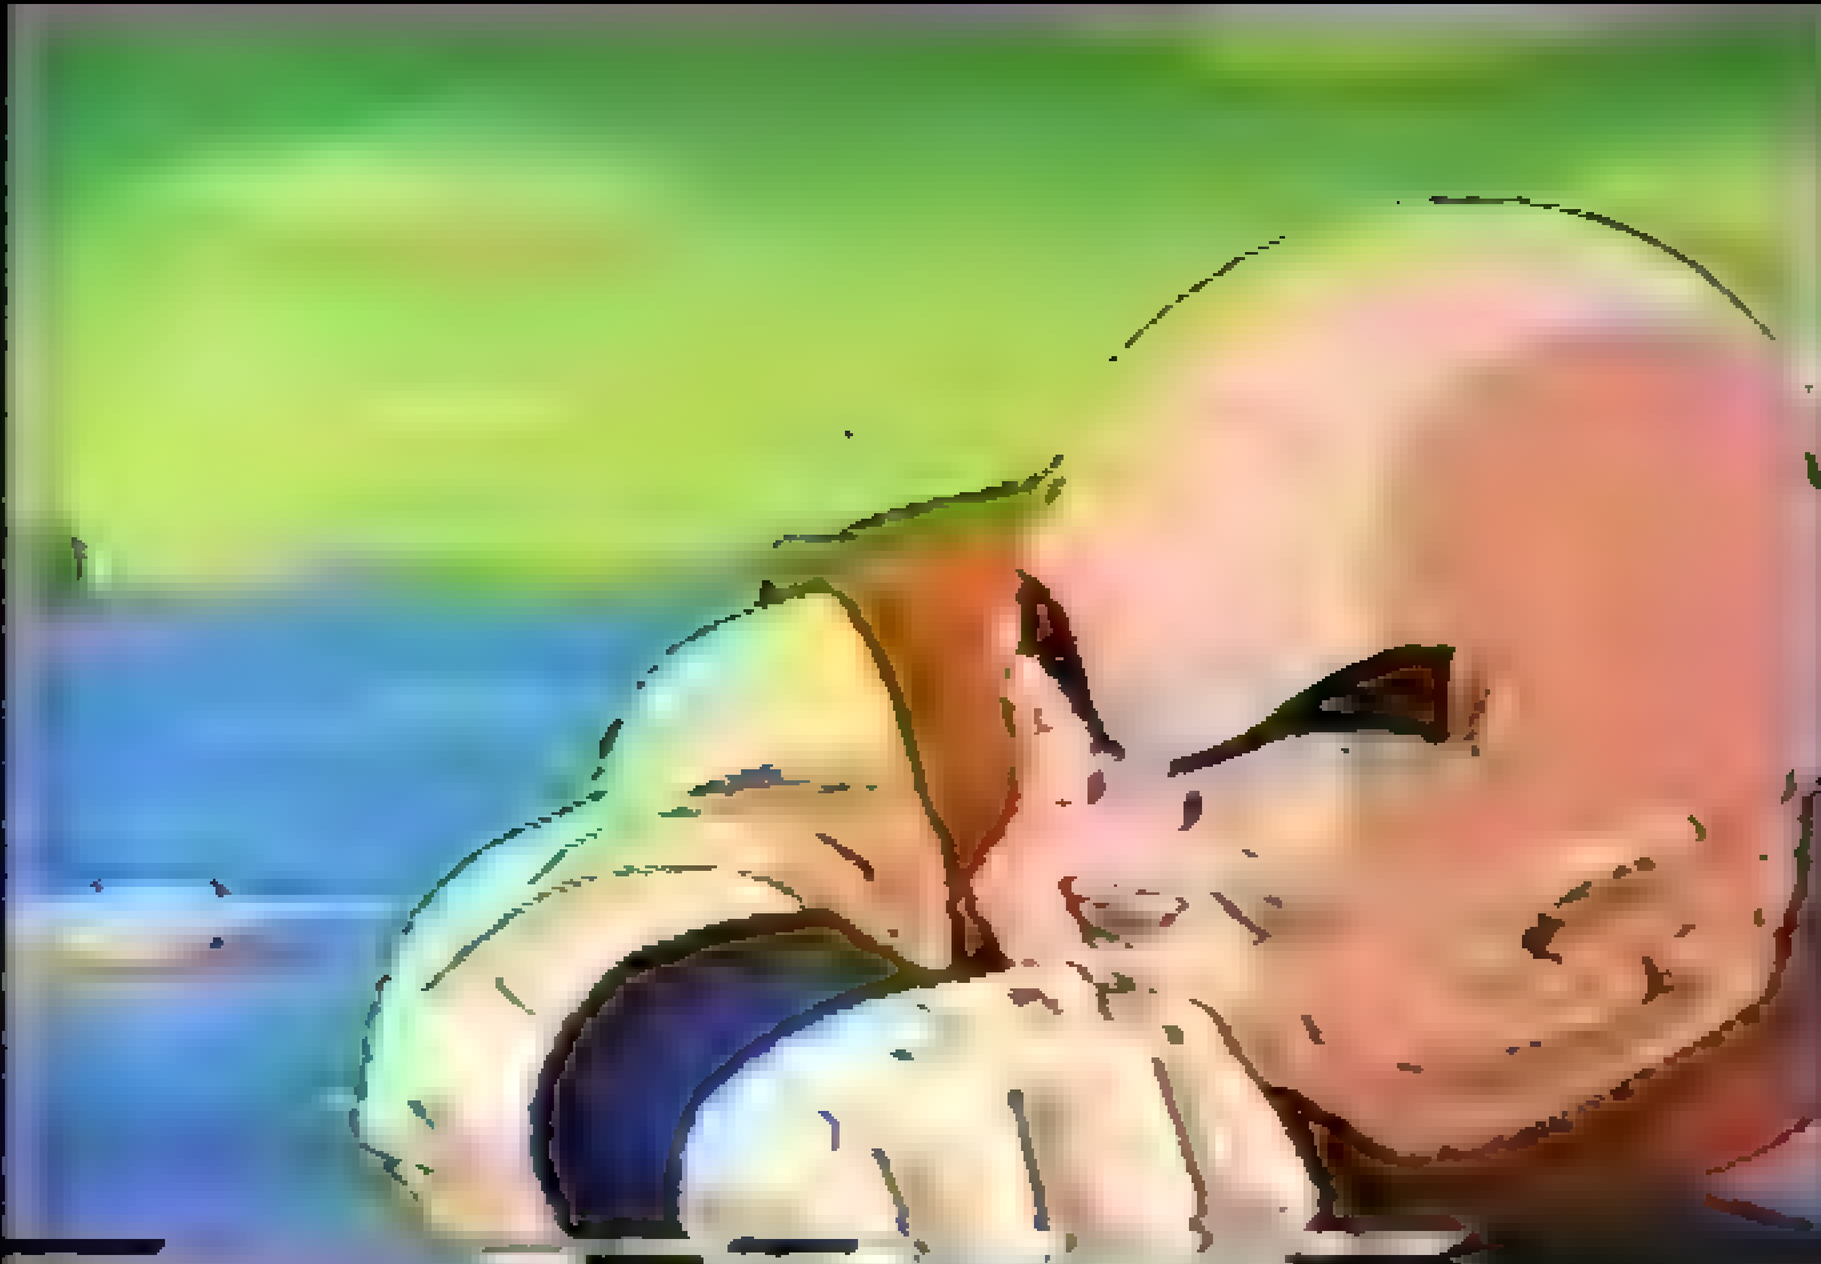

You may disembark!
The door will open!

CORP.

Whose spaceship is that?

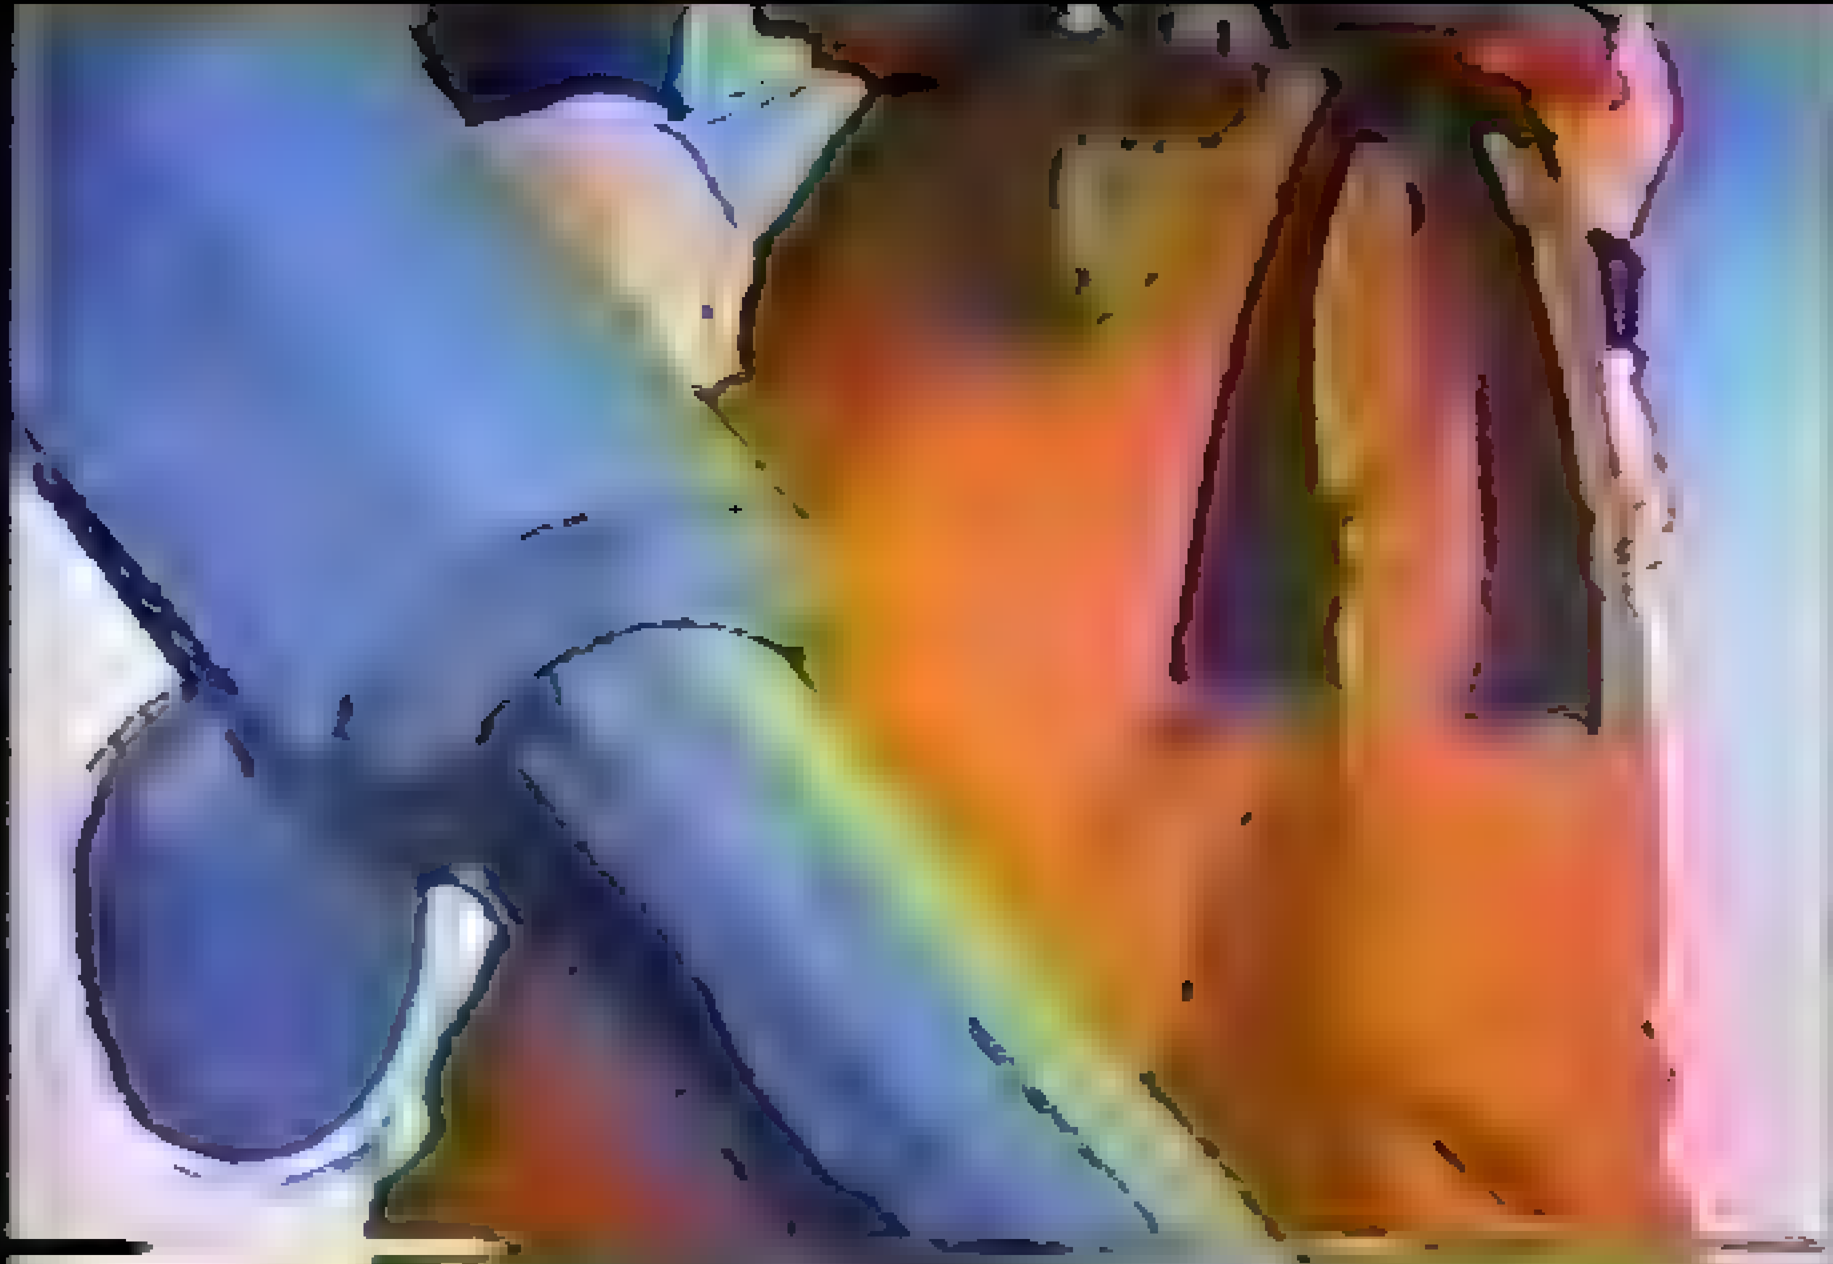

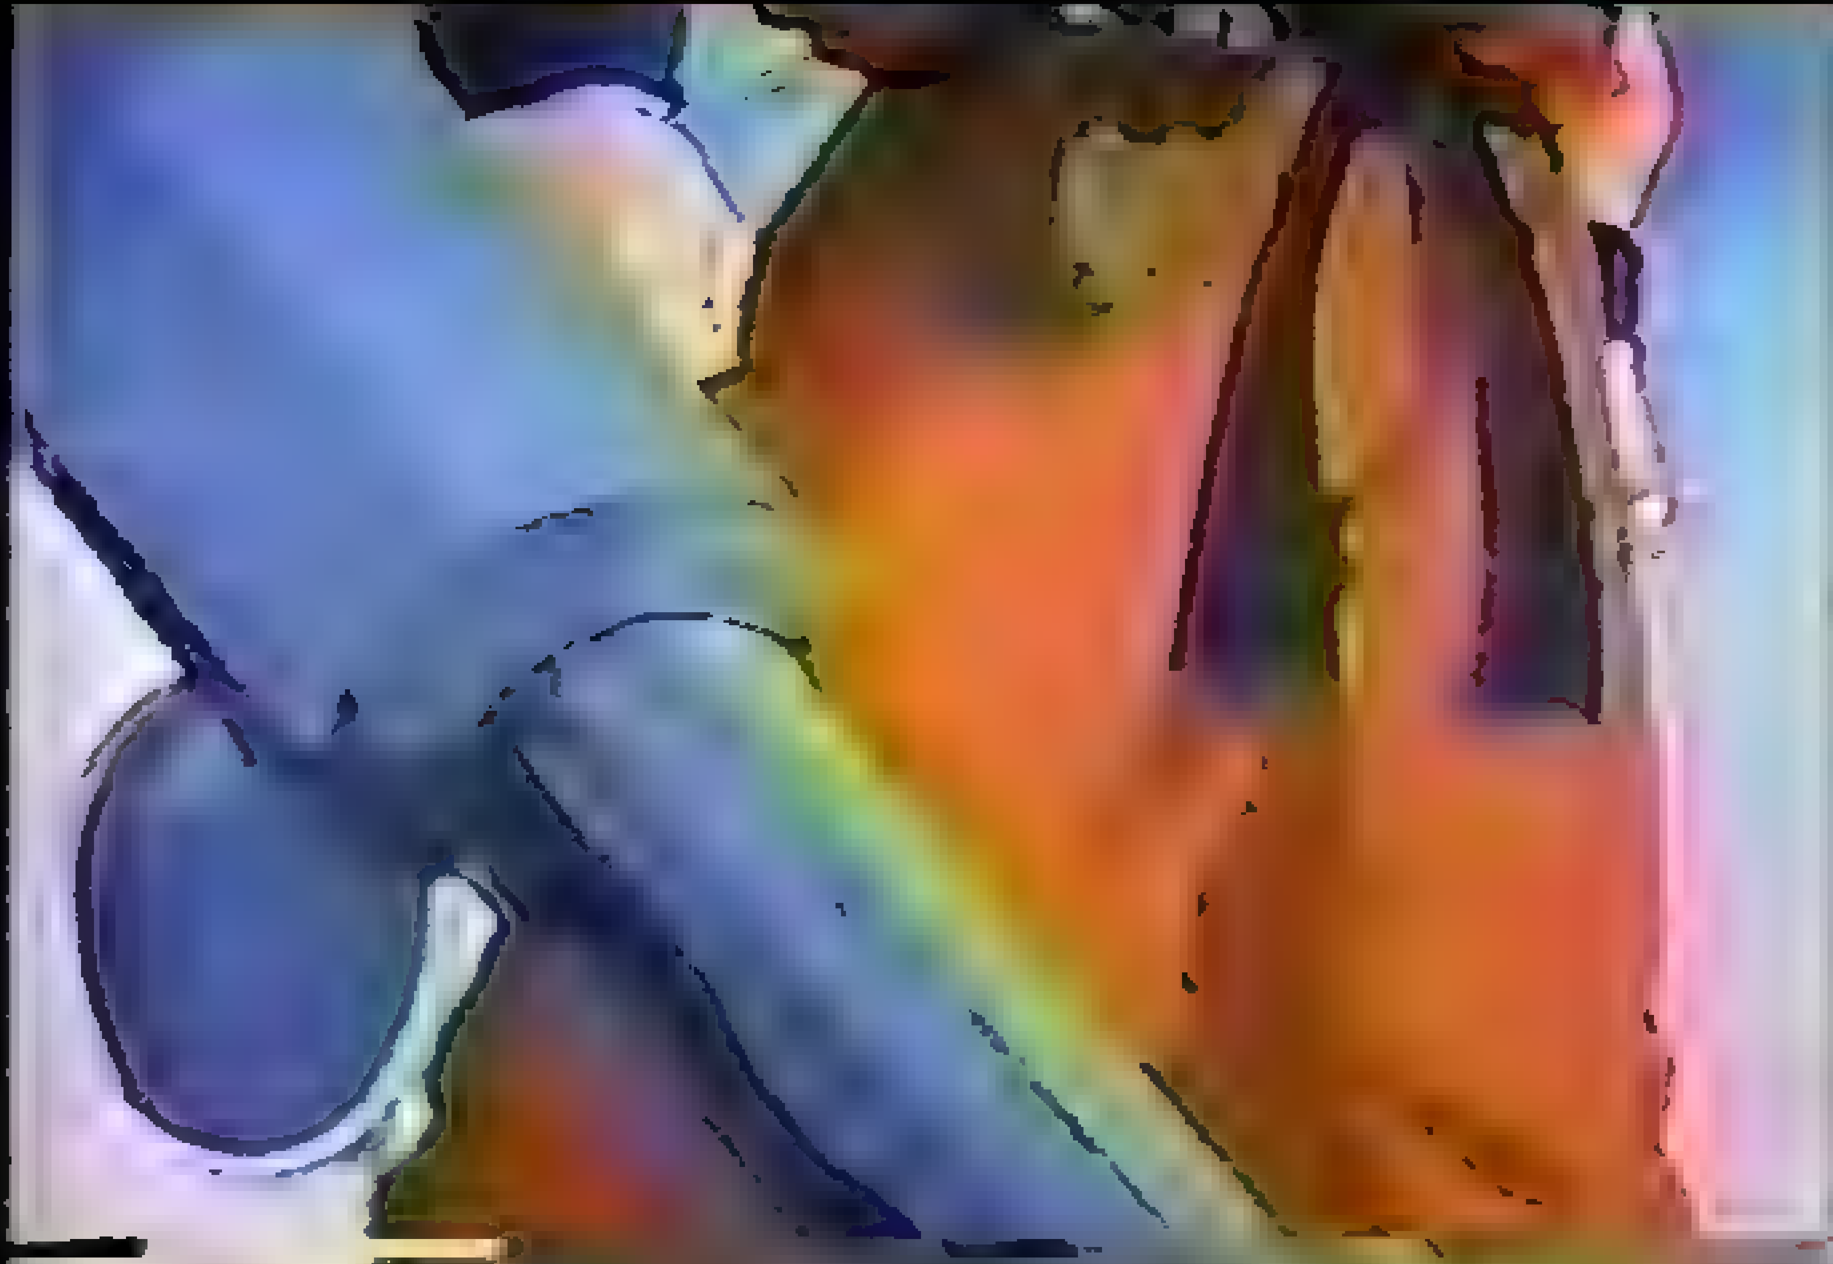

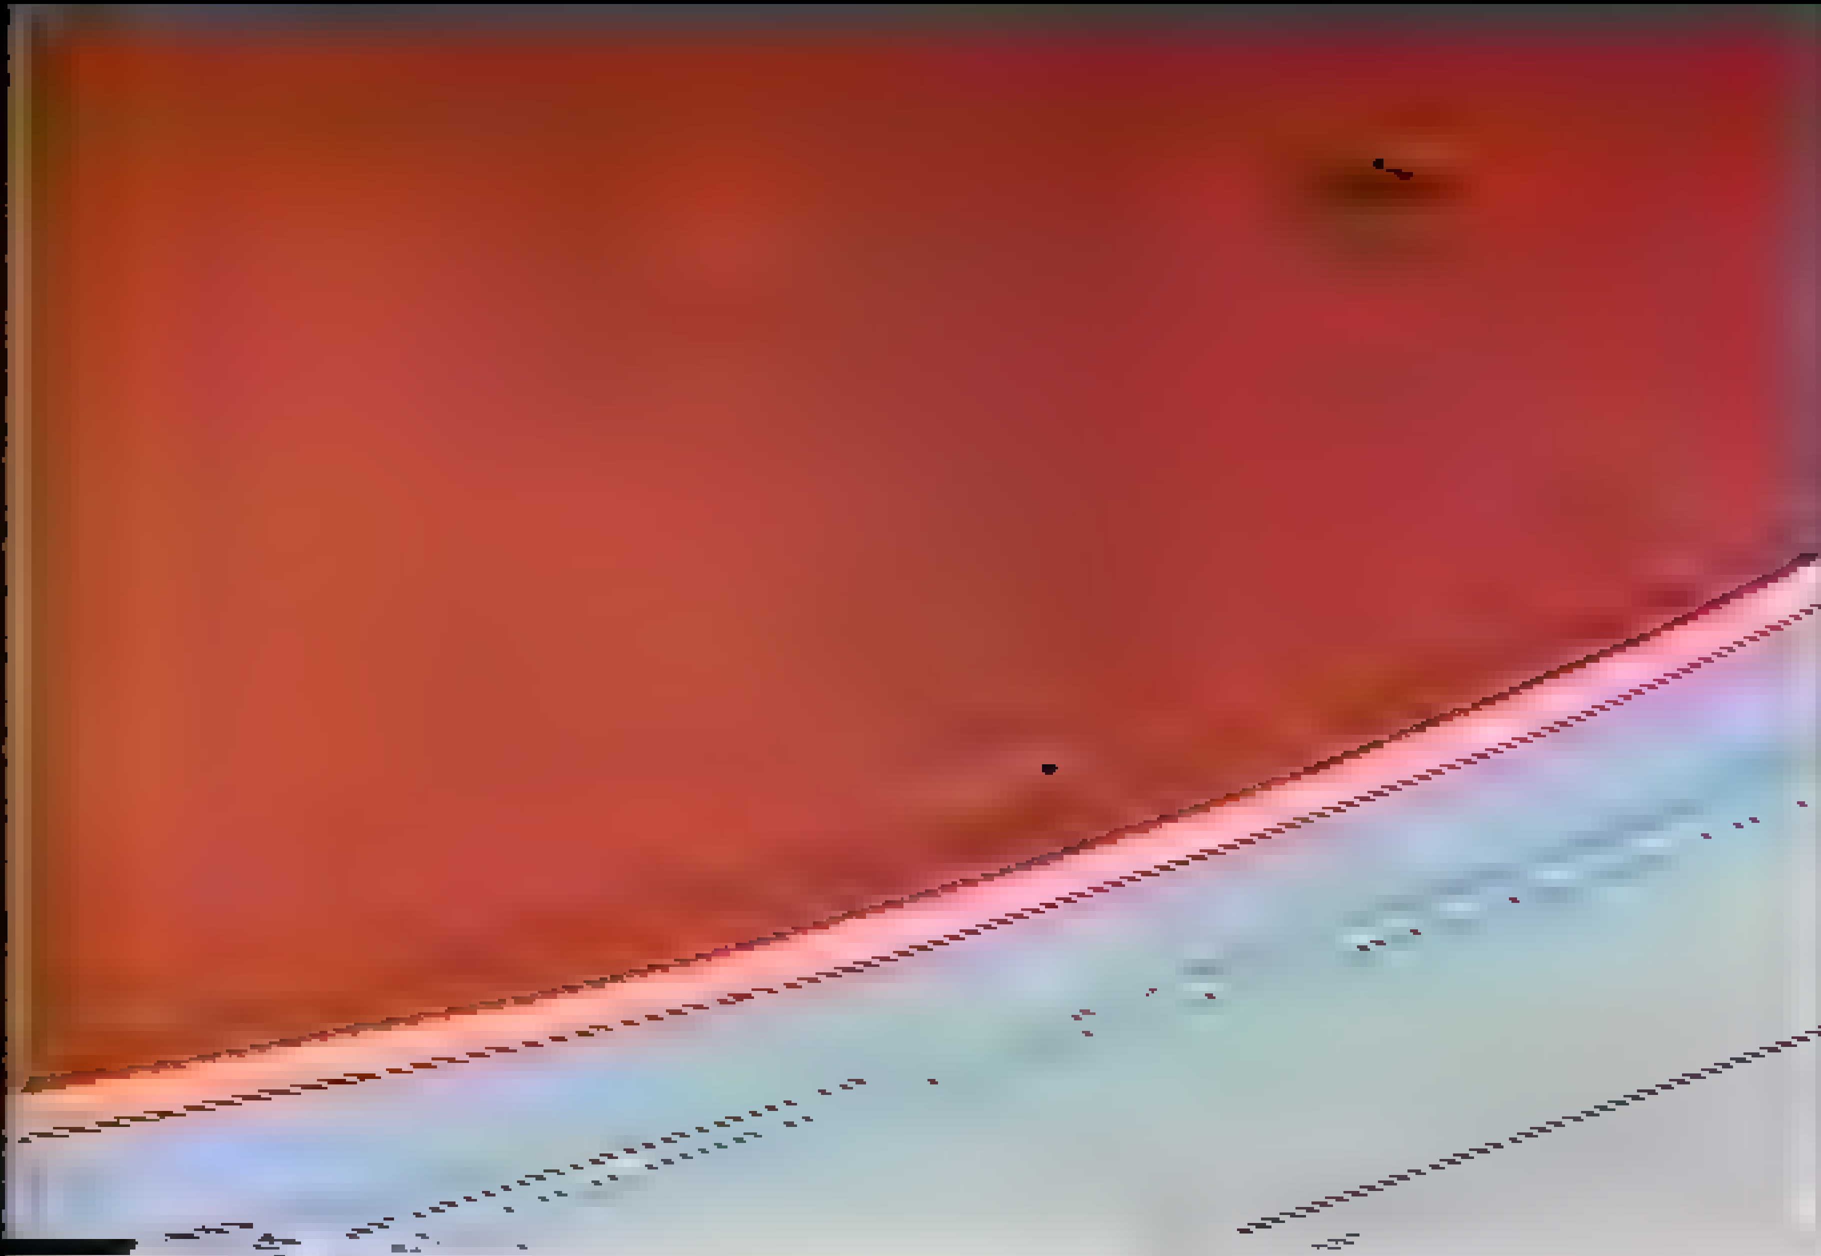

It's Goku. He's finally here.

It's Goku. He's finally here.

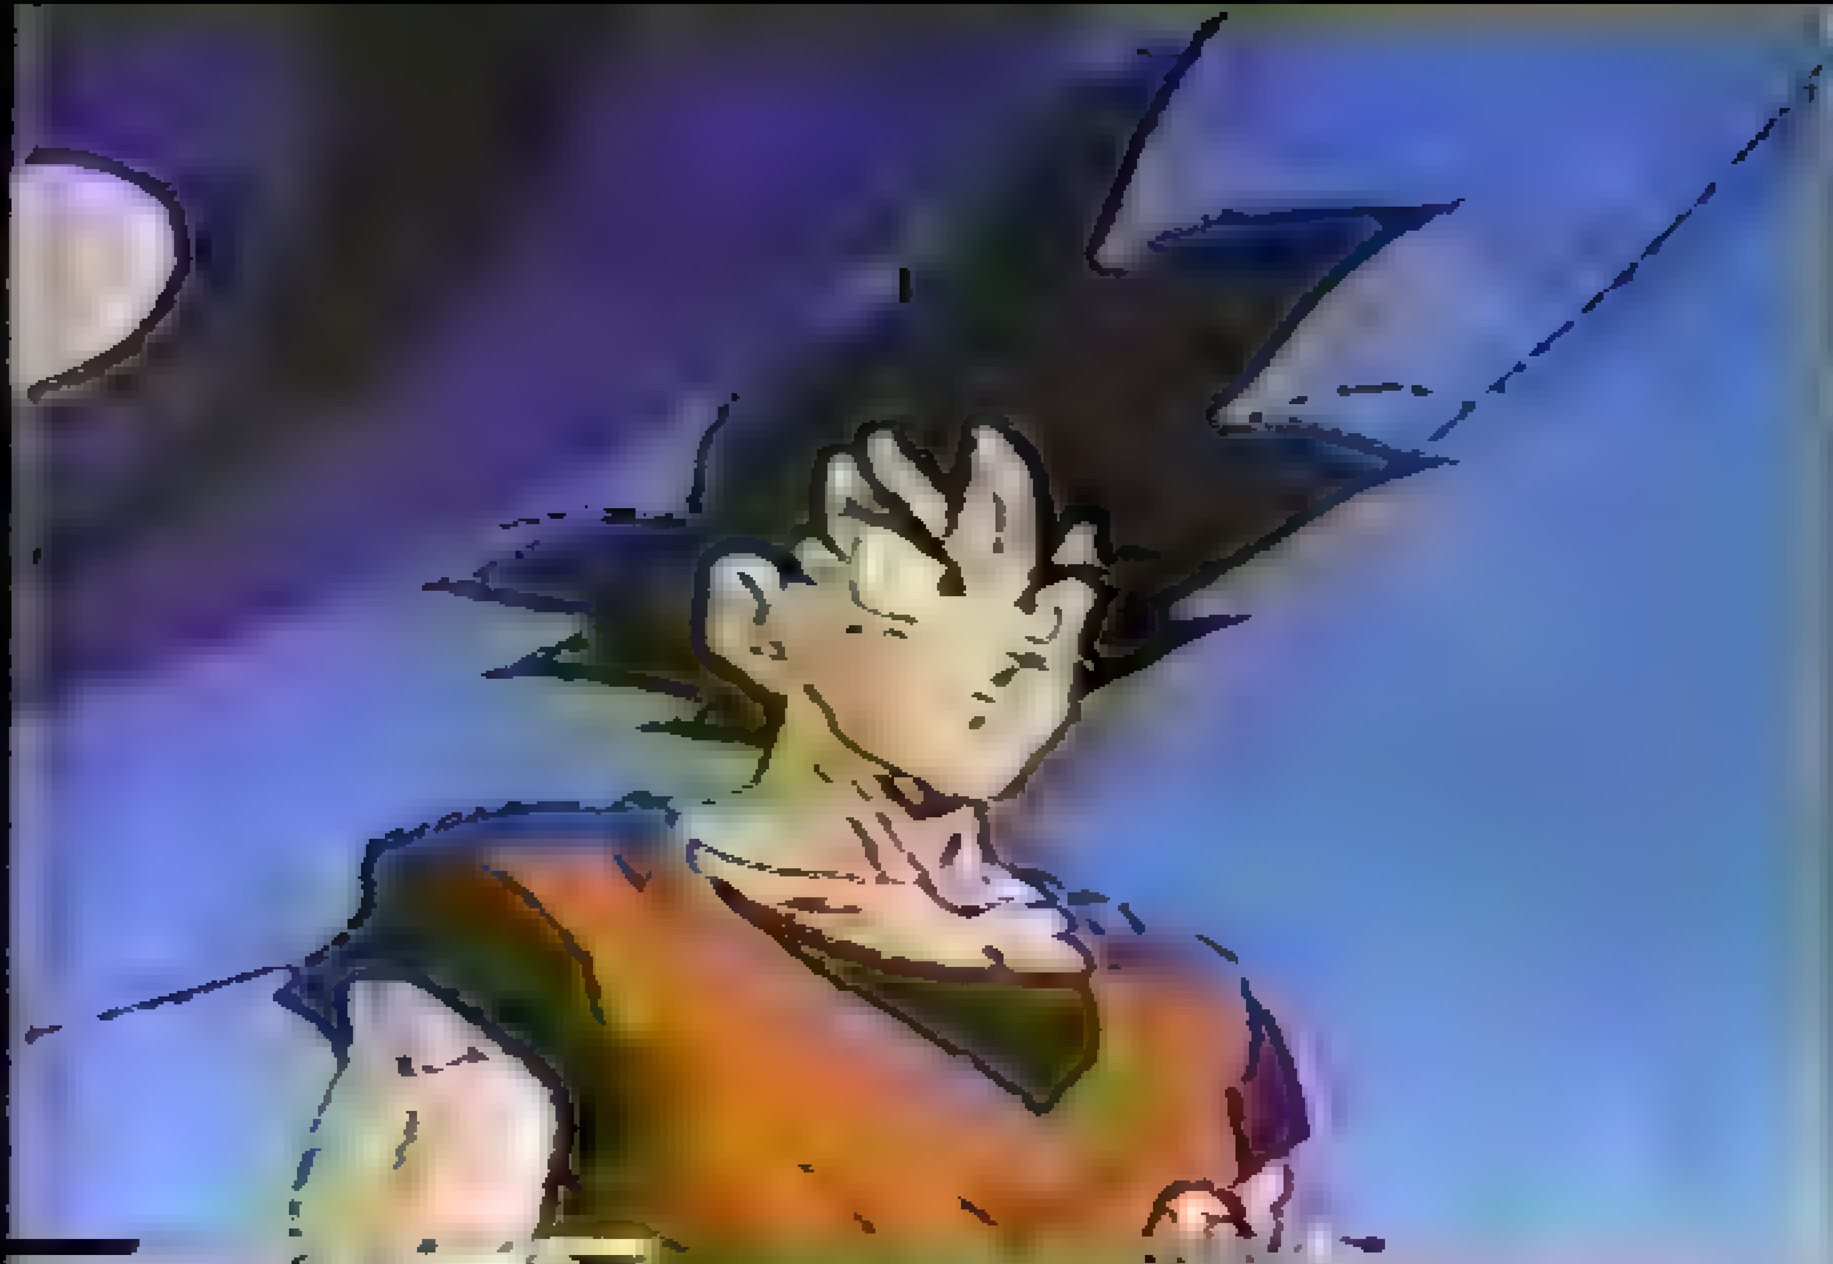

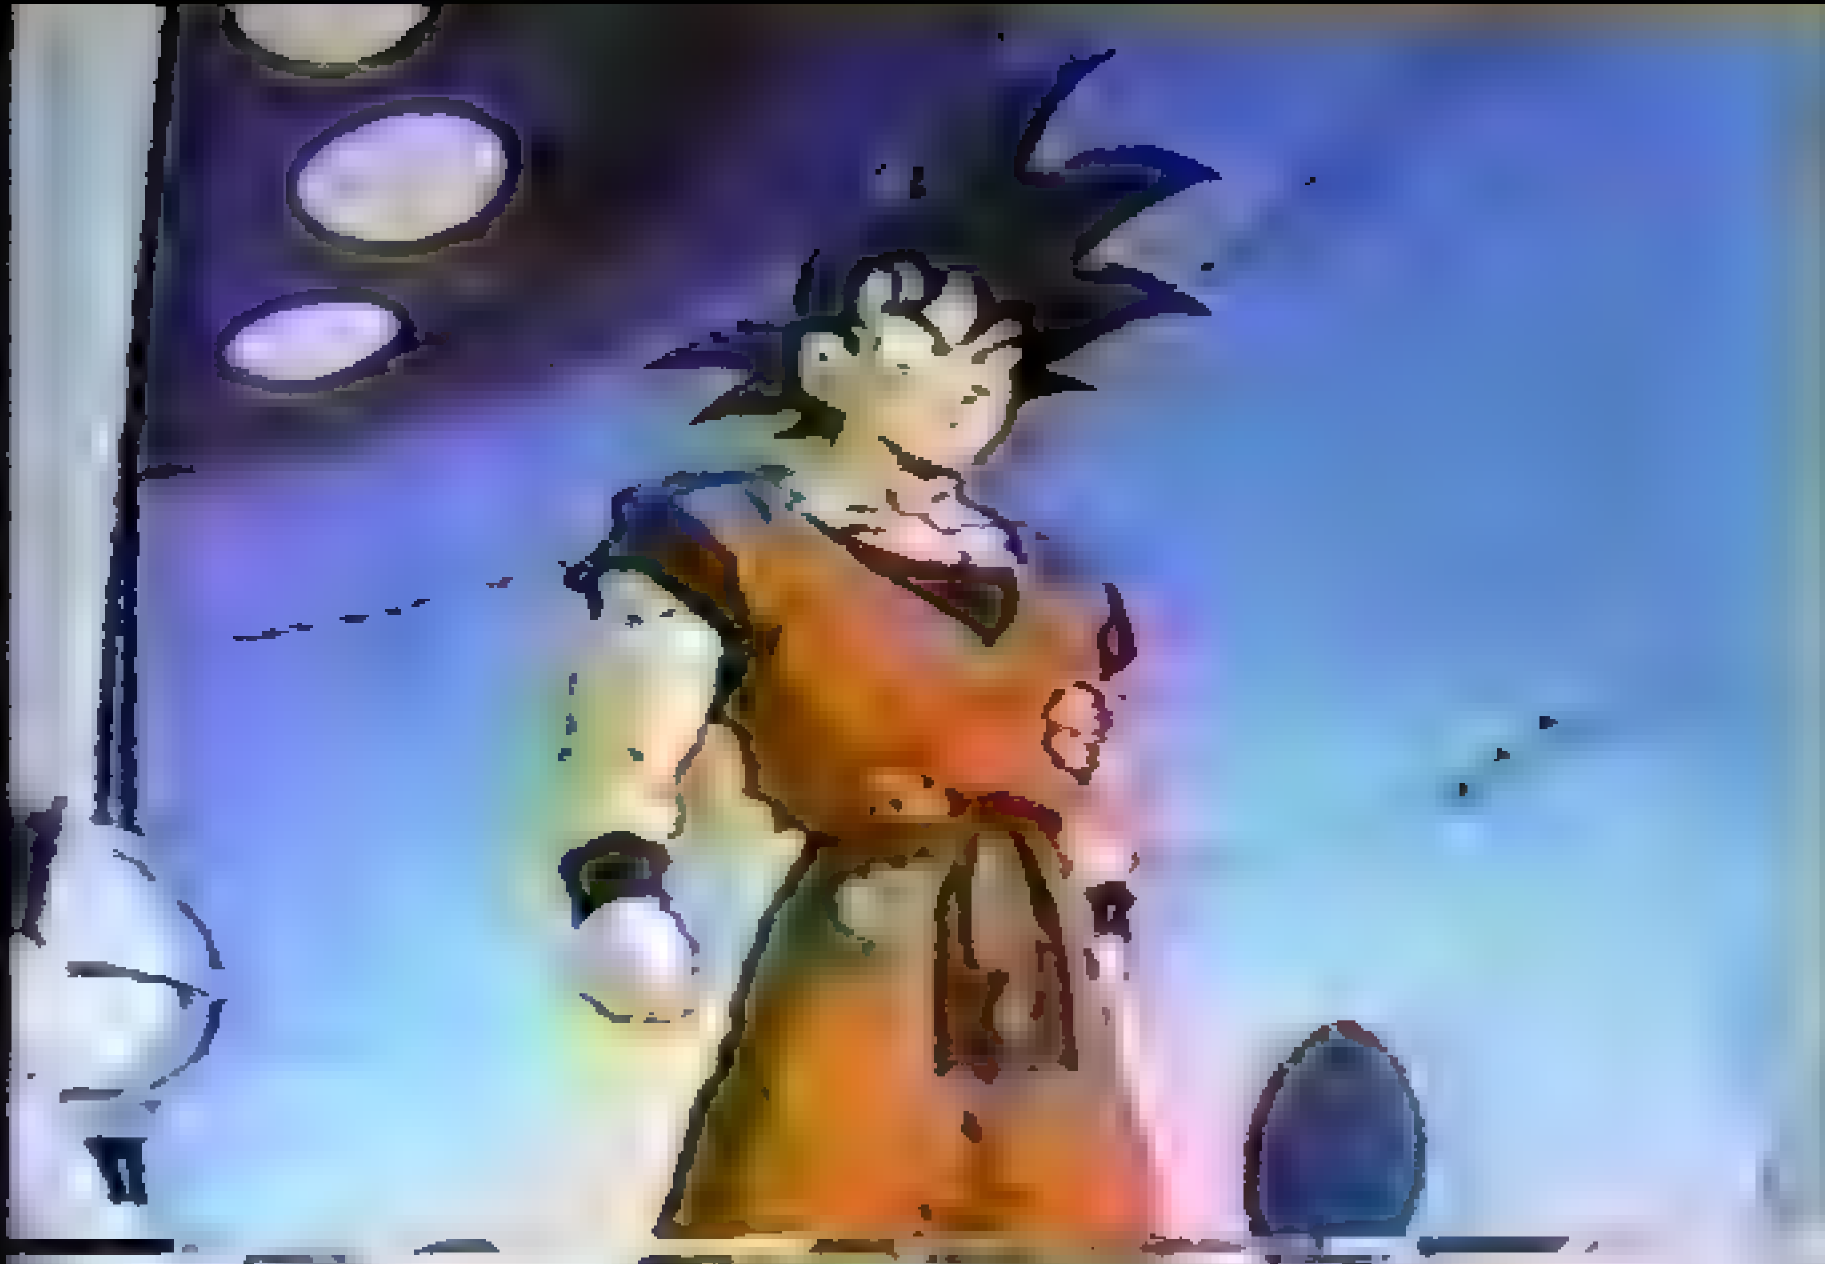

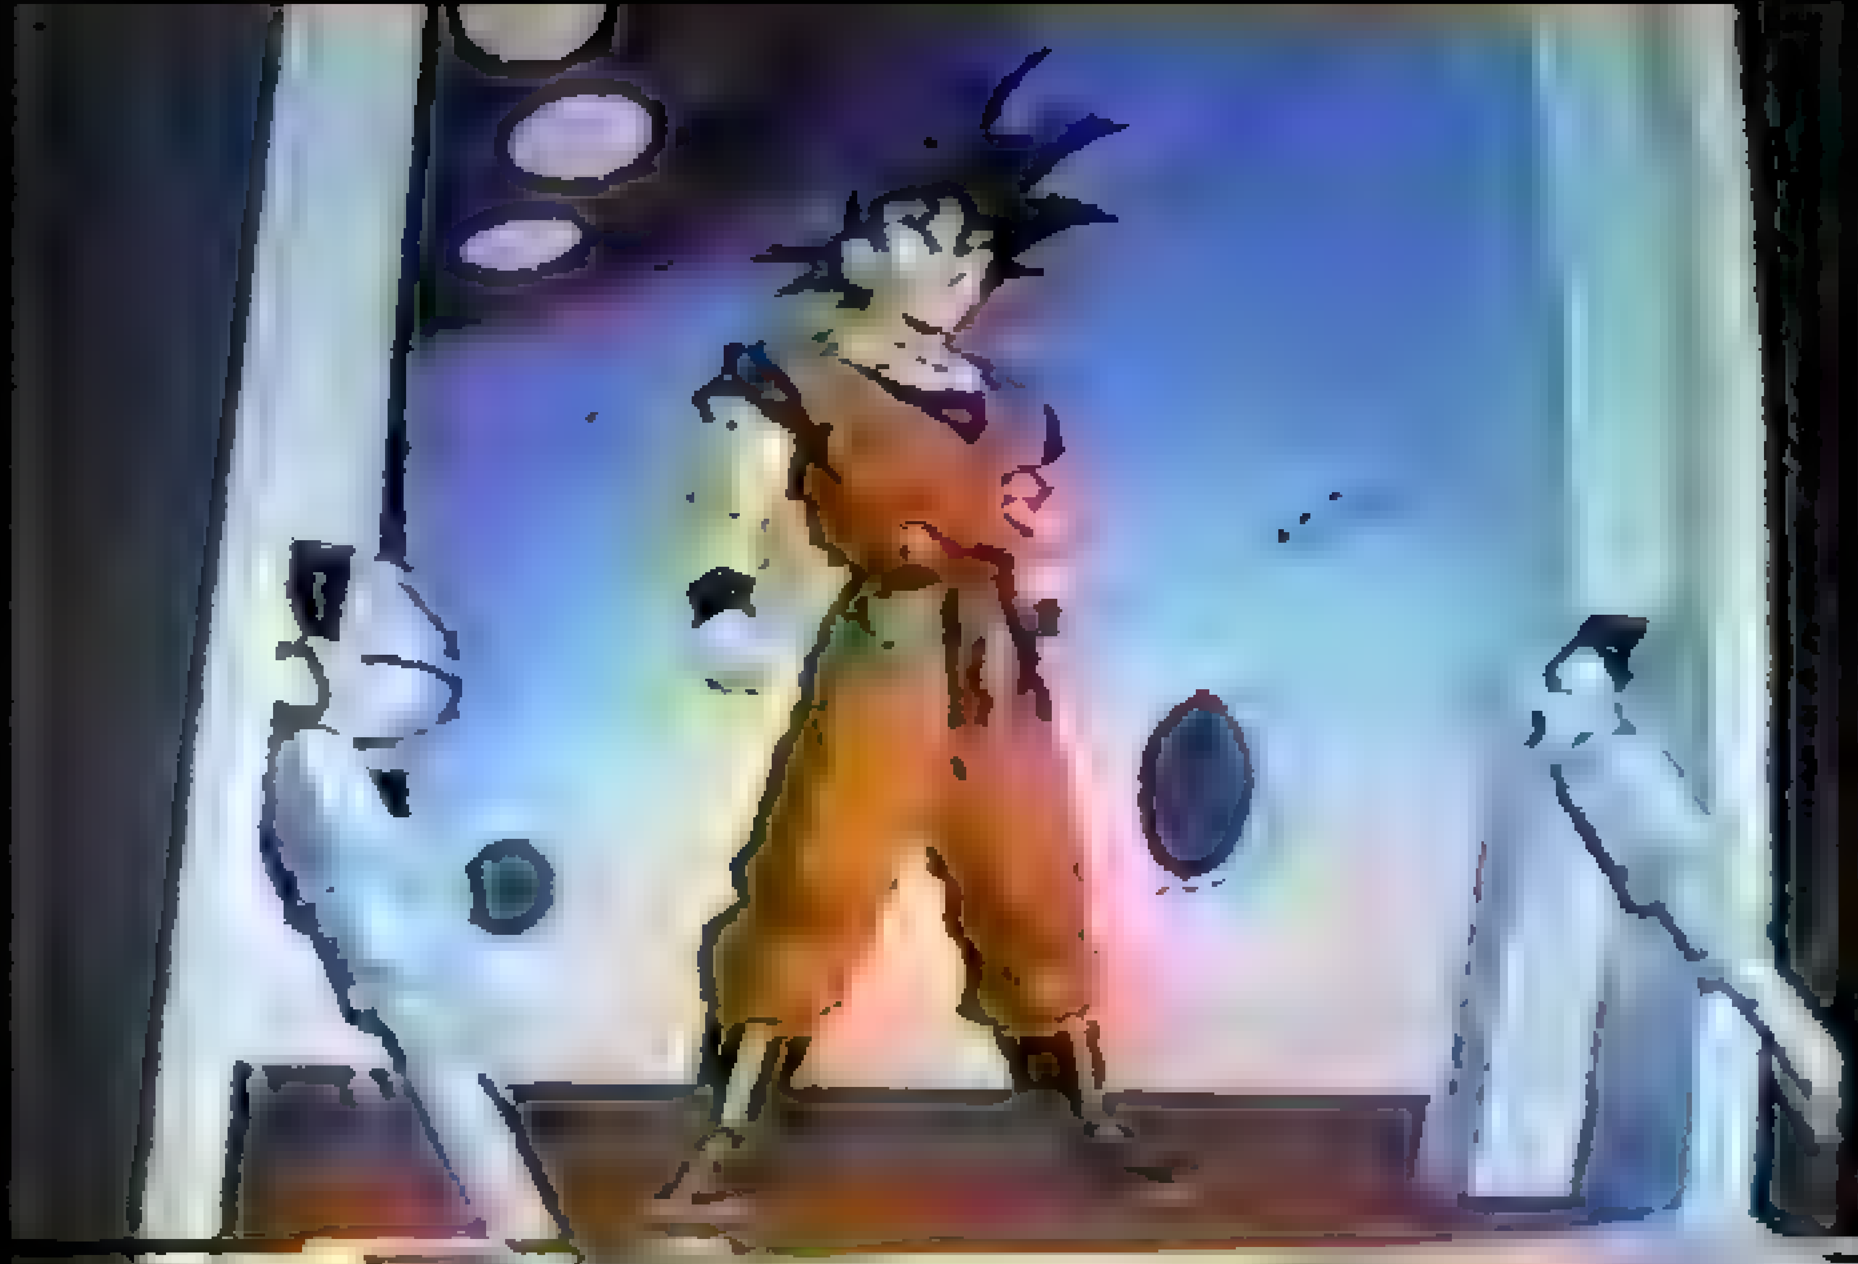

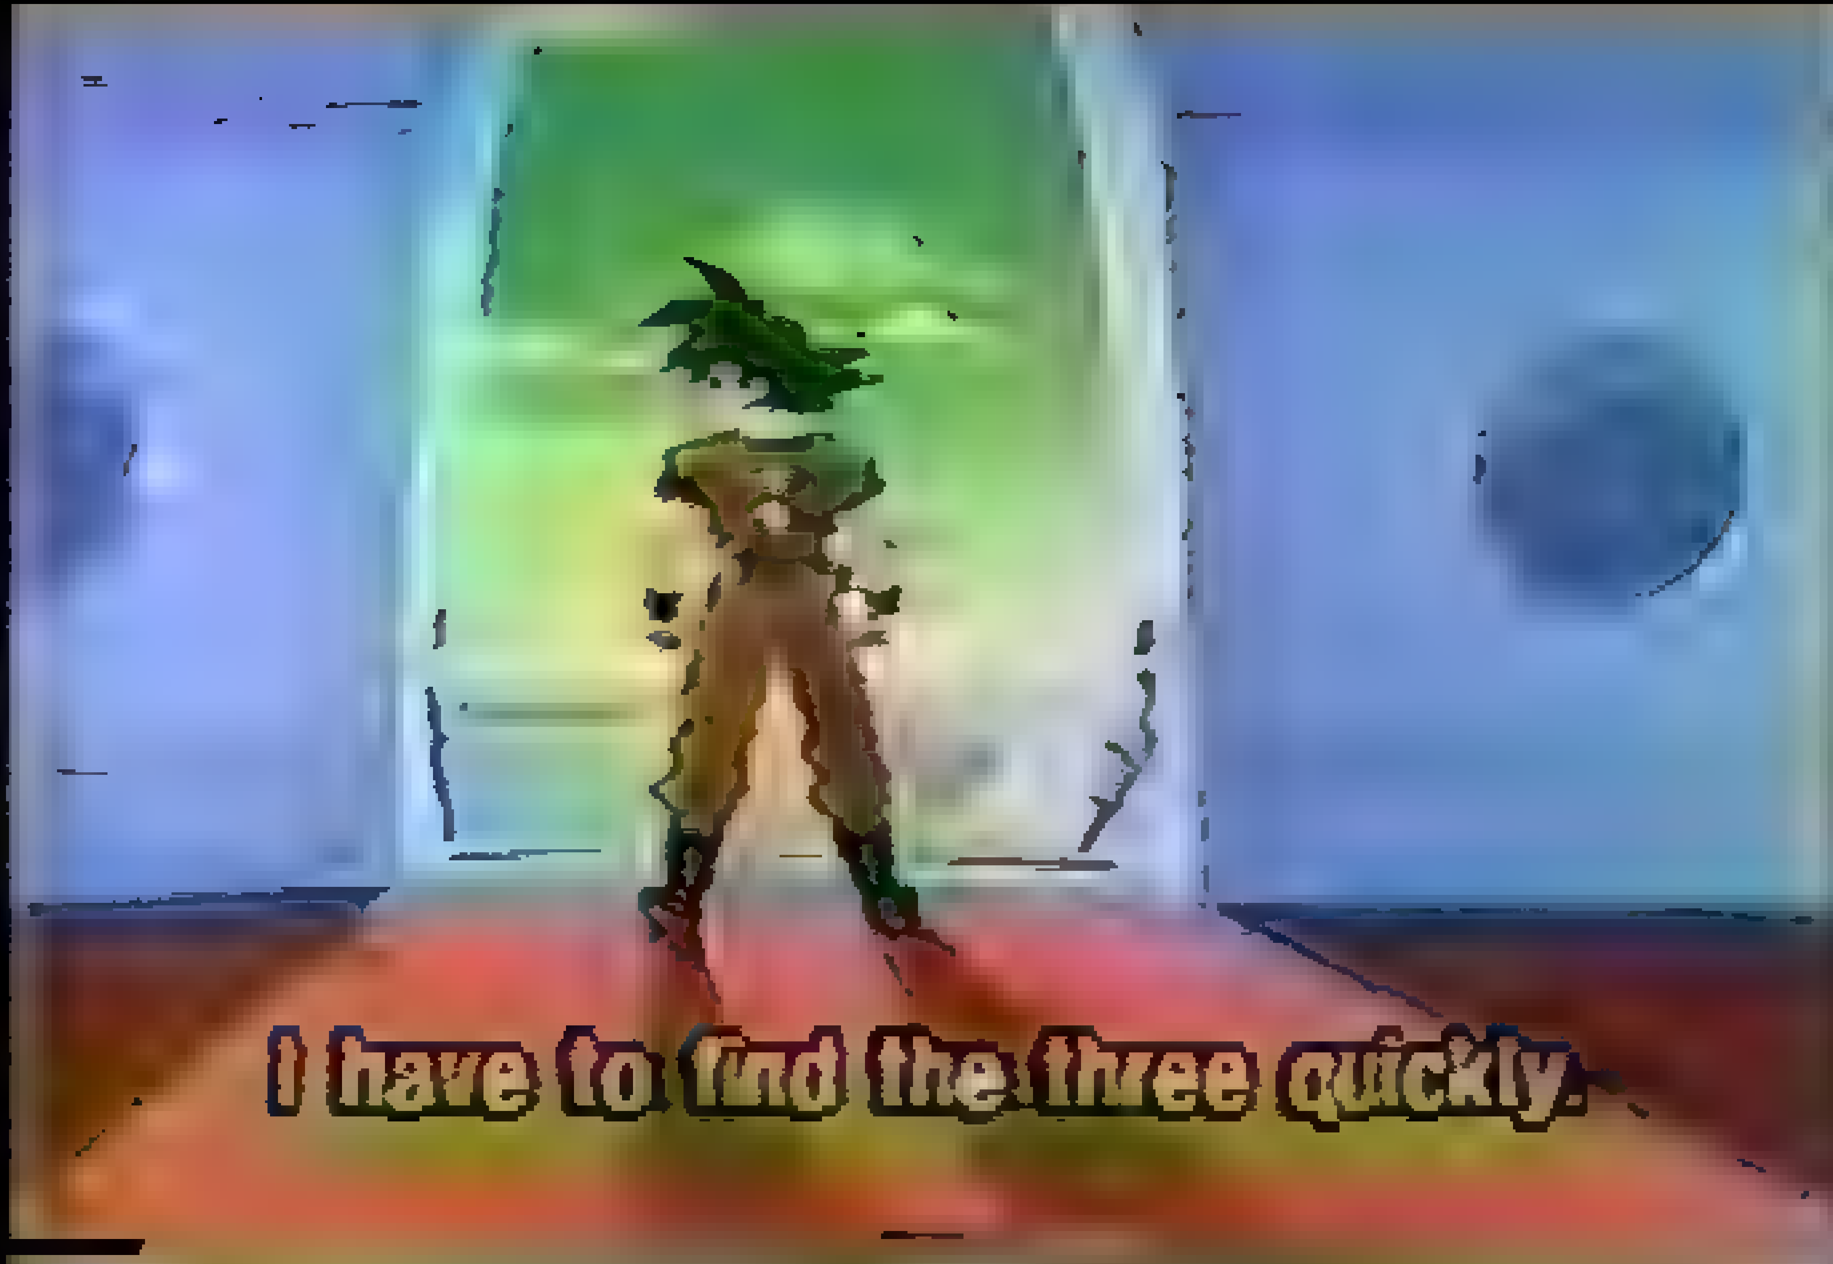

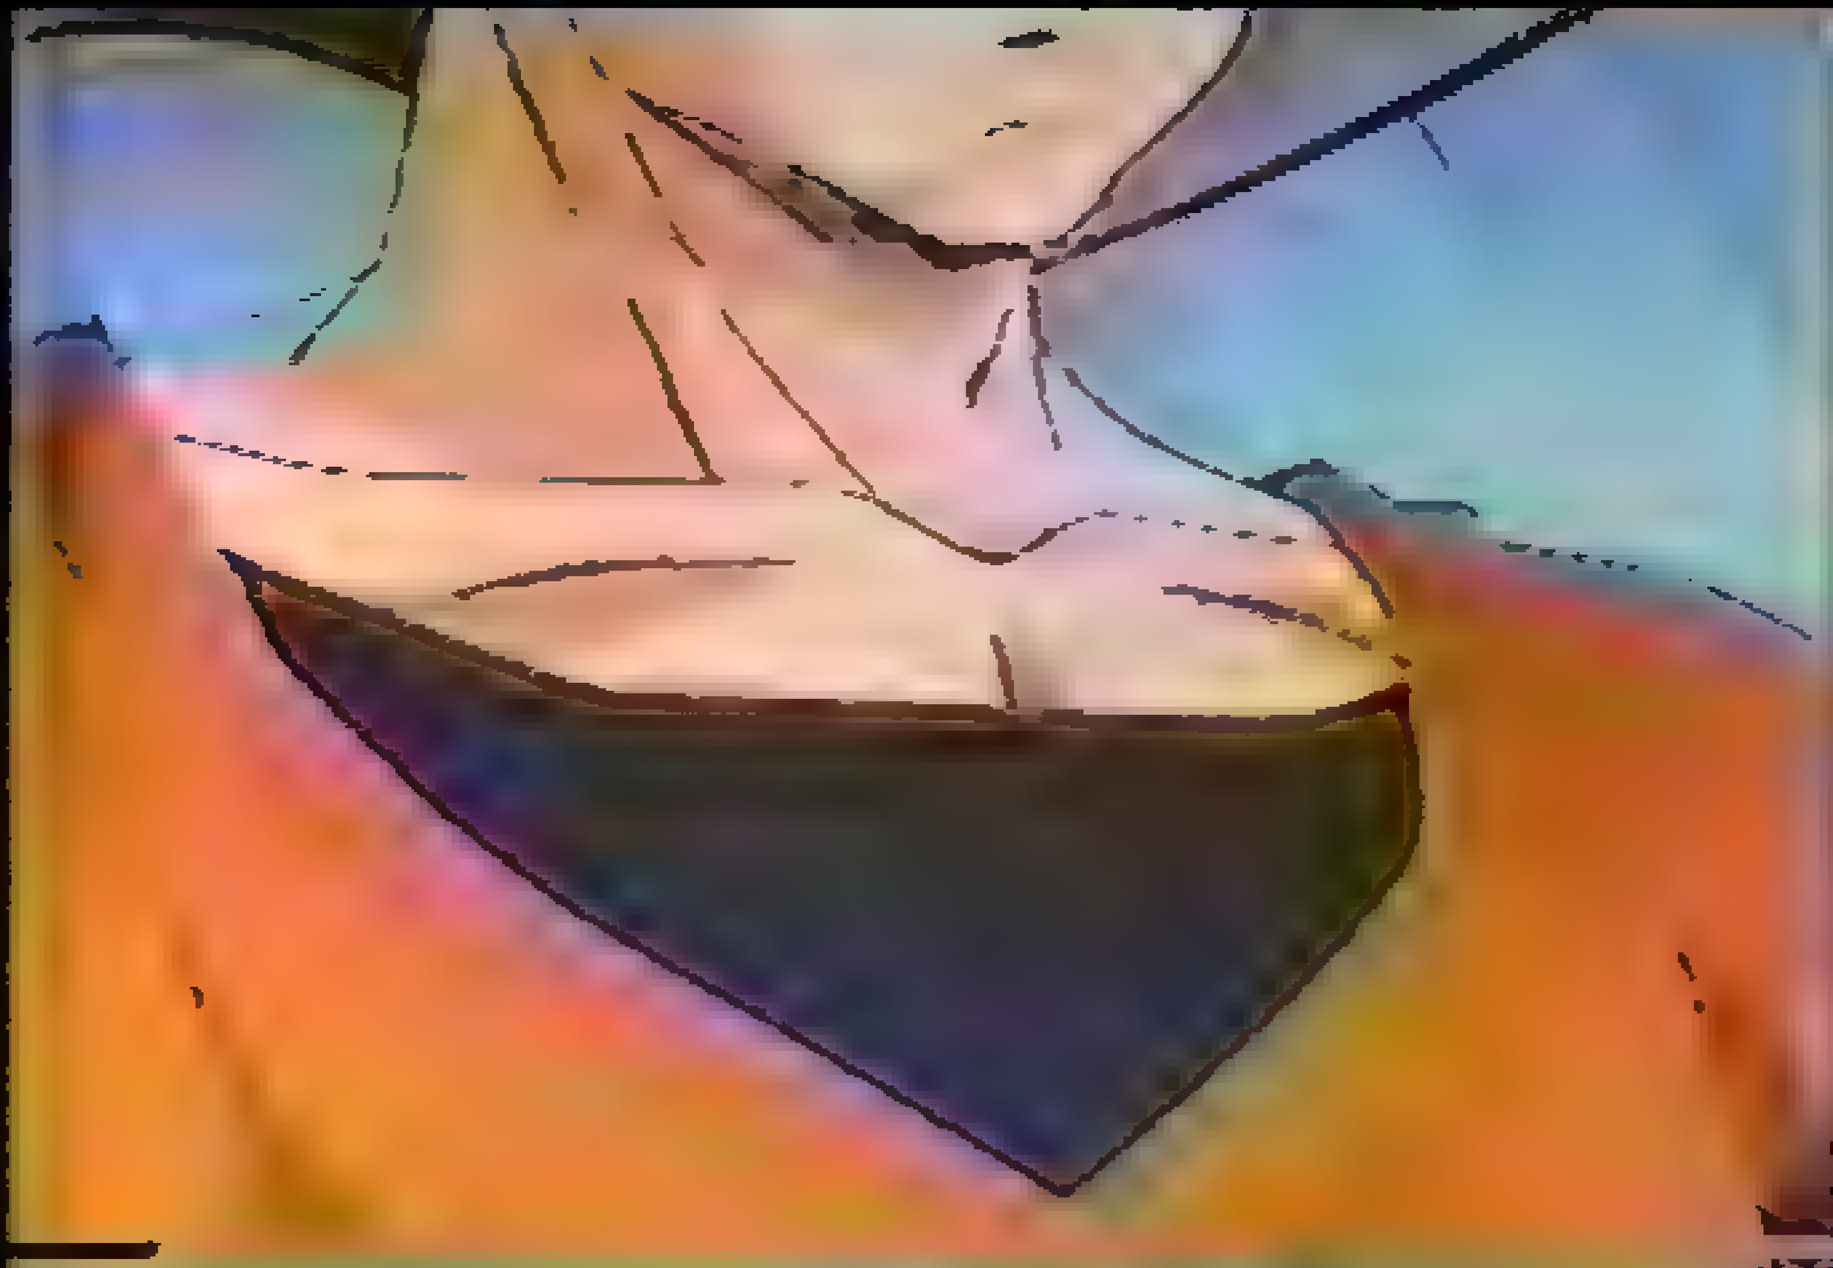

I have to find the three quickly.

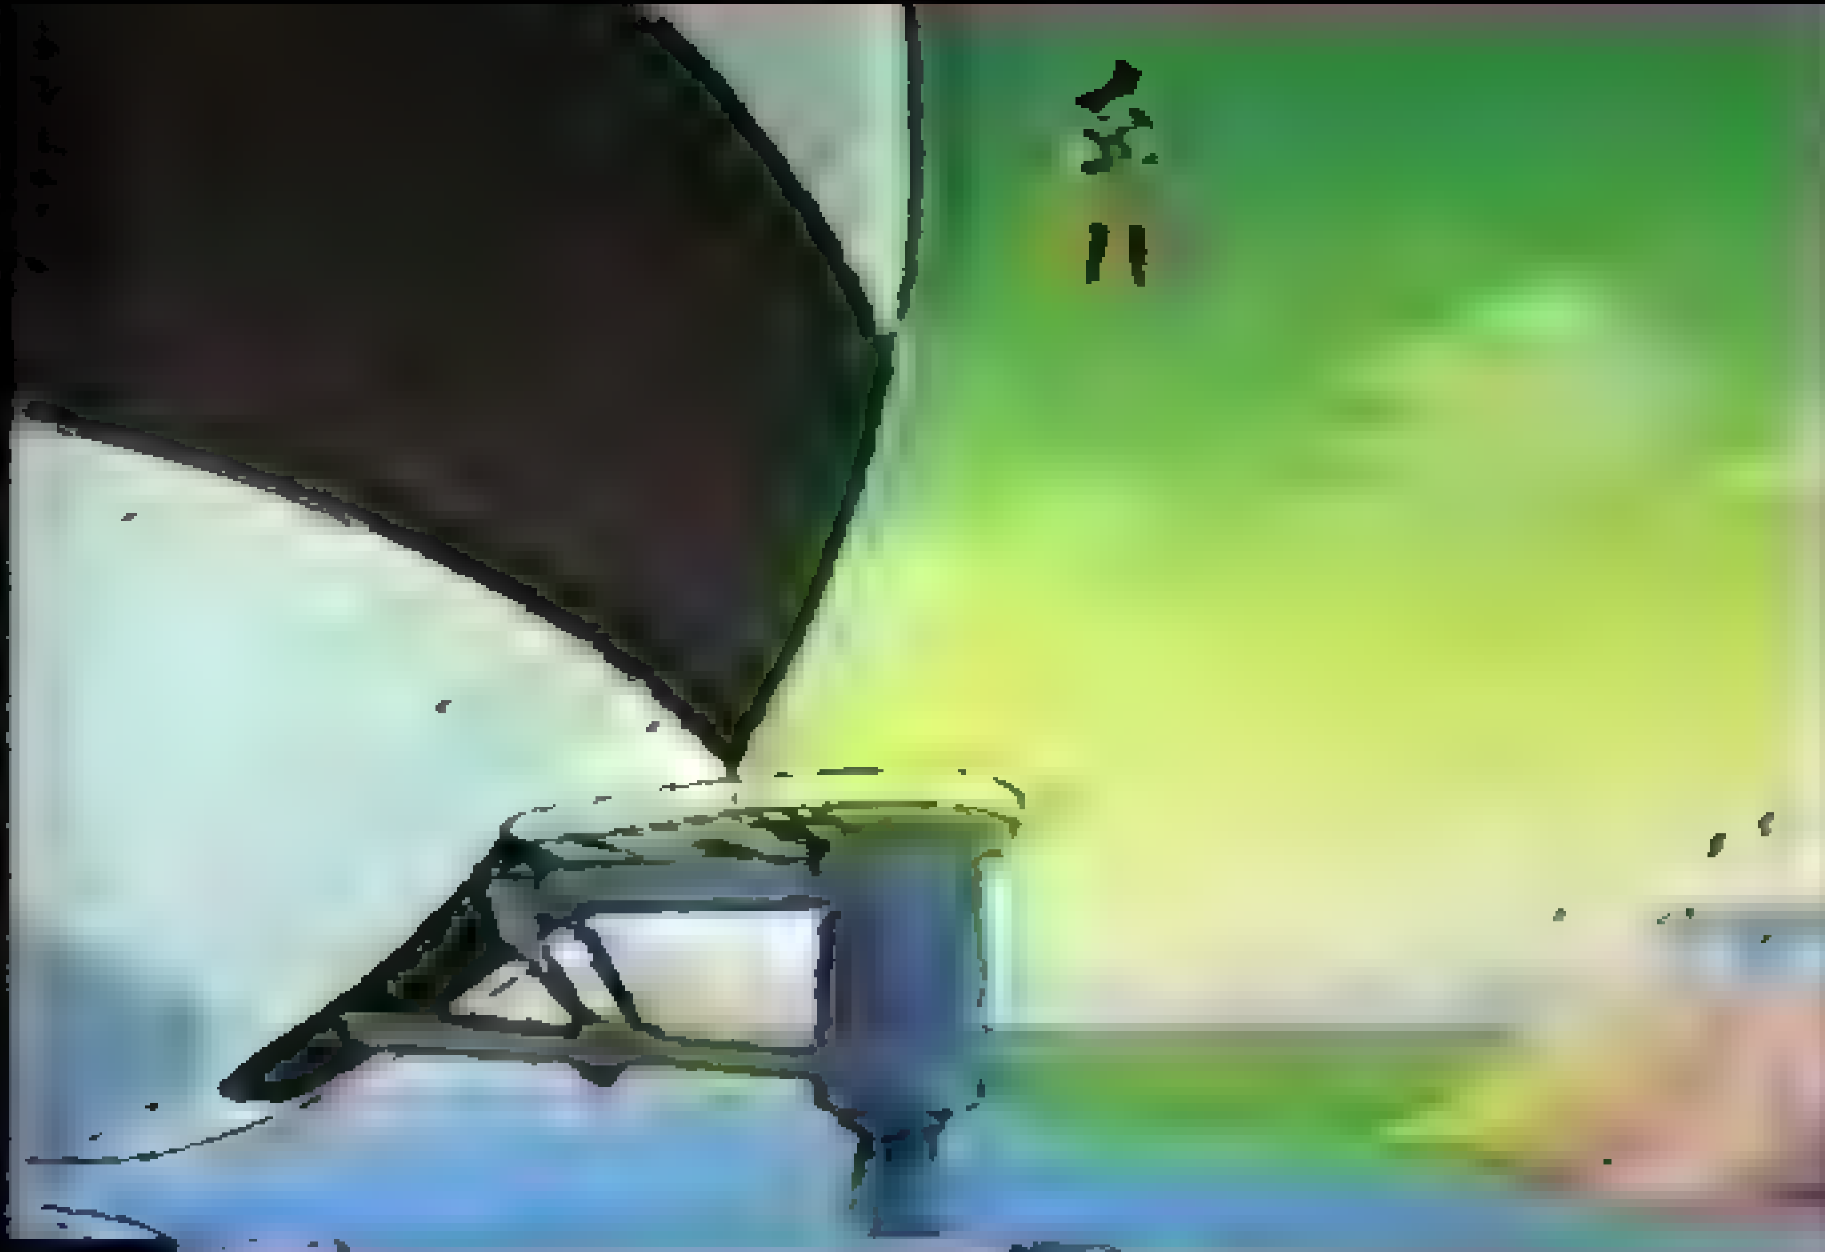

Stay alive Kuririn, Gohan,
Bloomer…!

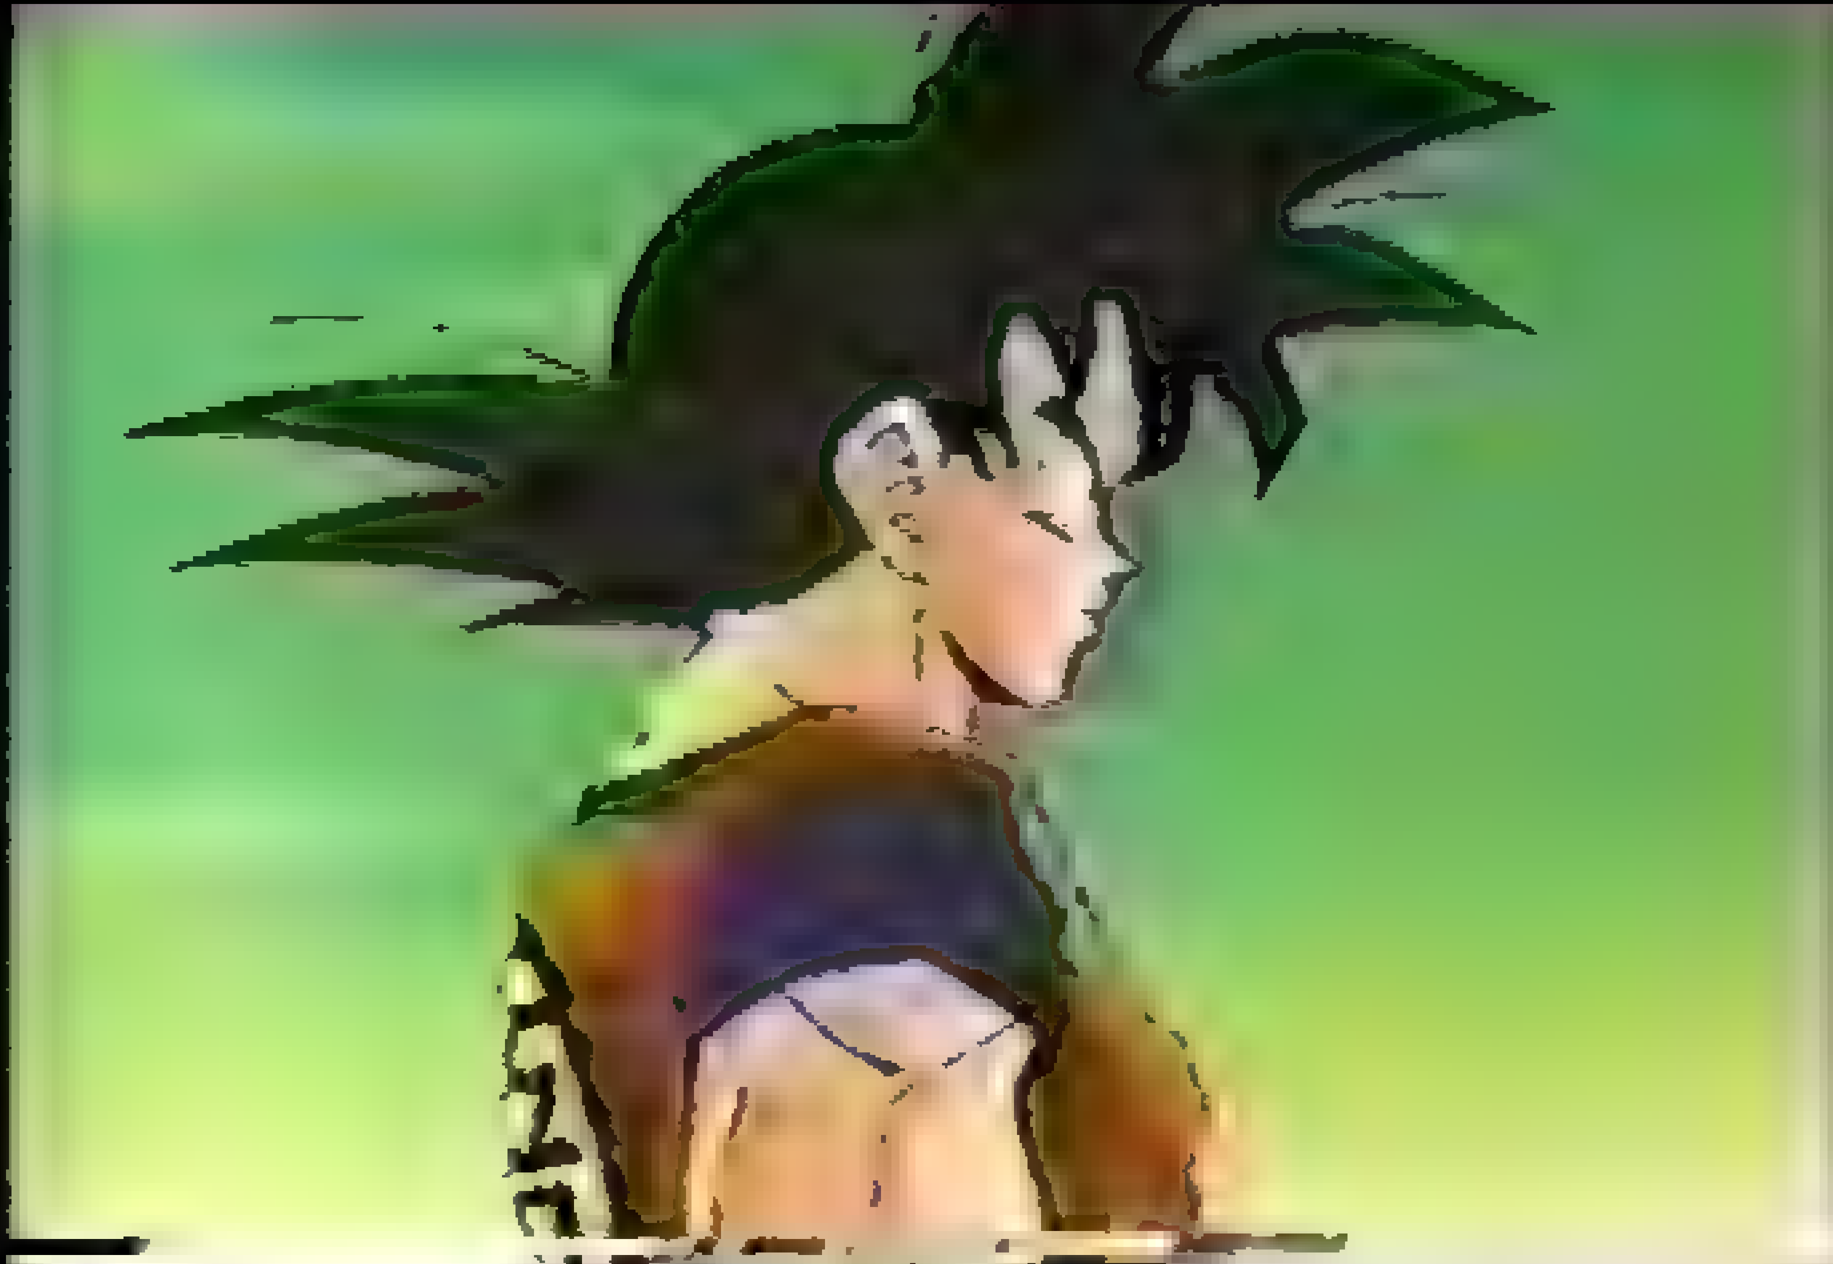

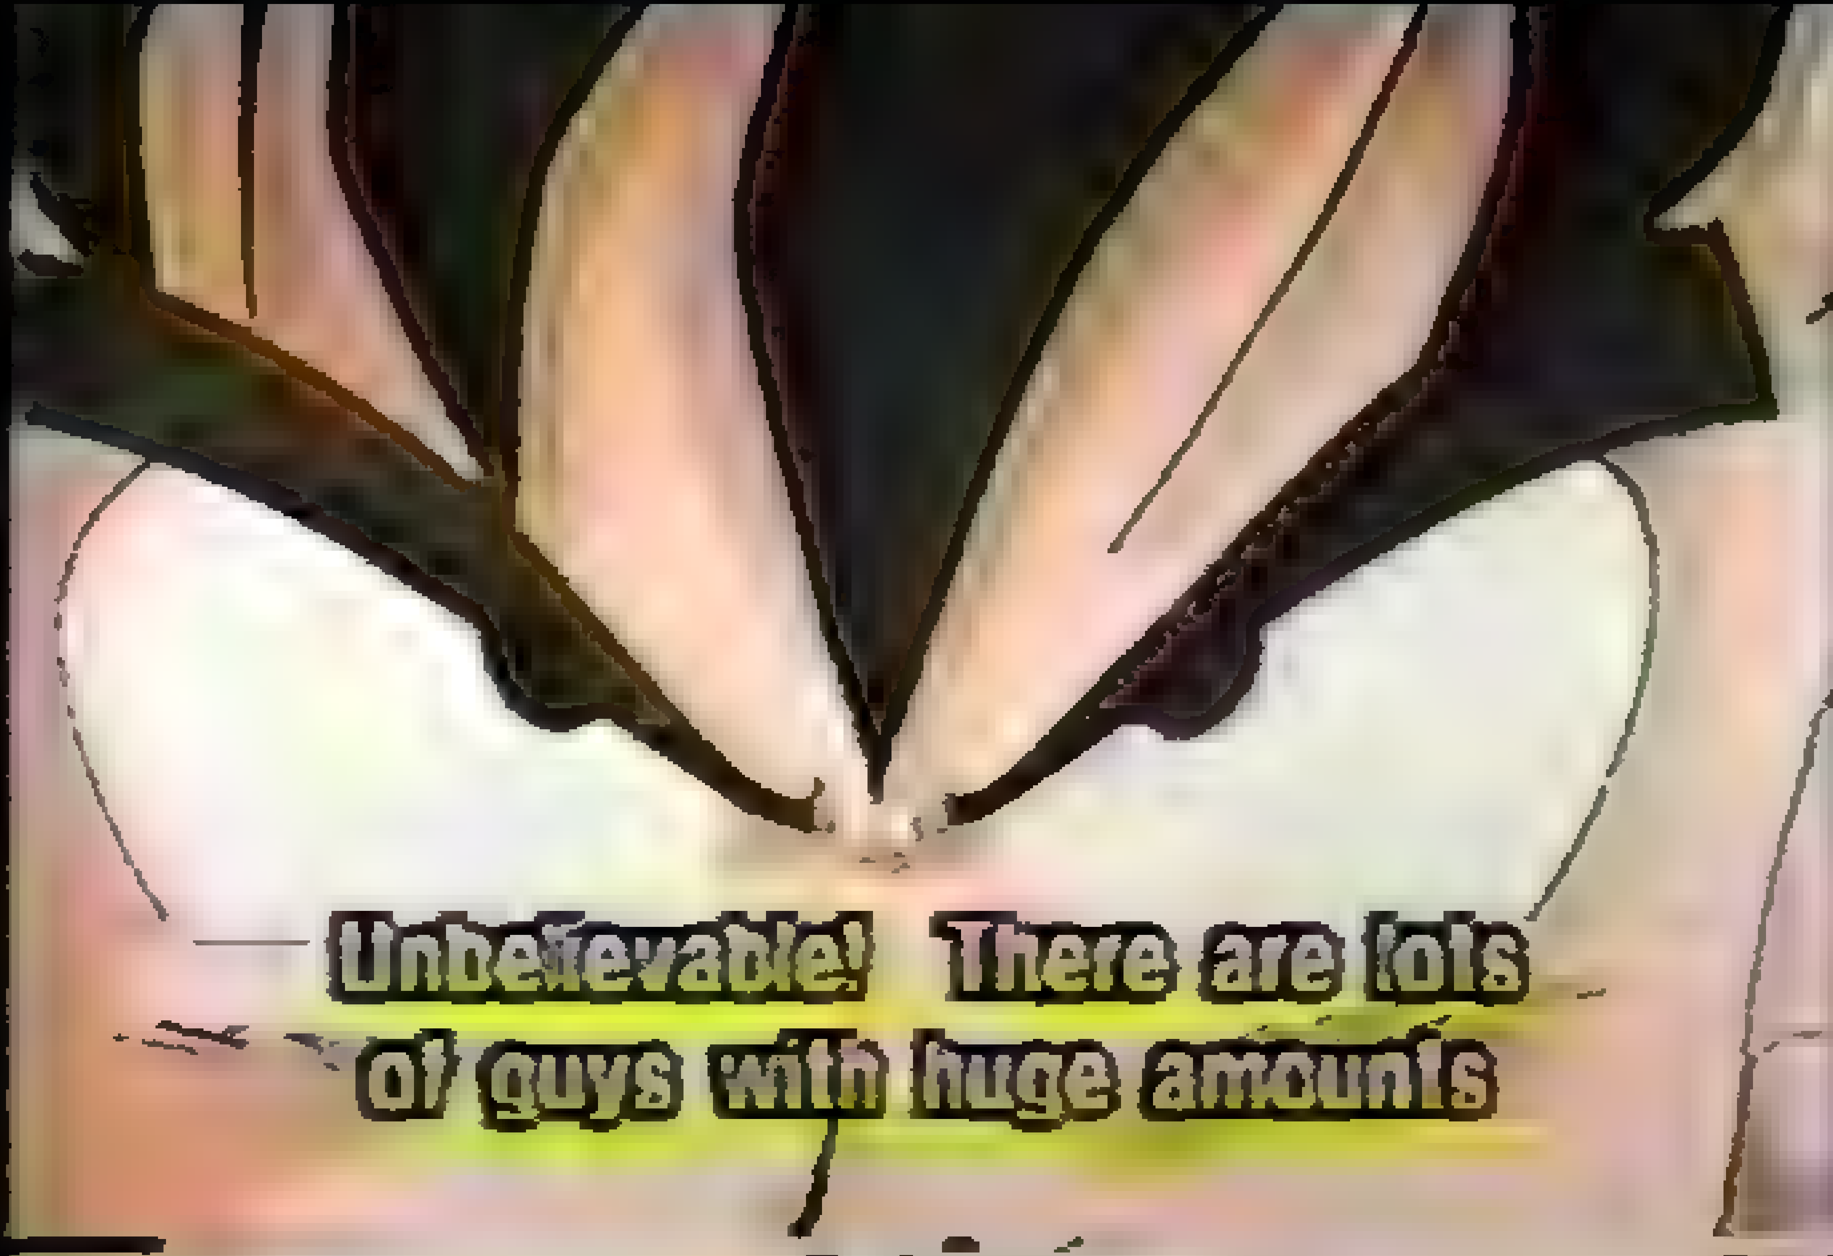

One this way

One that way...

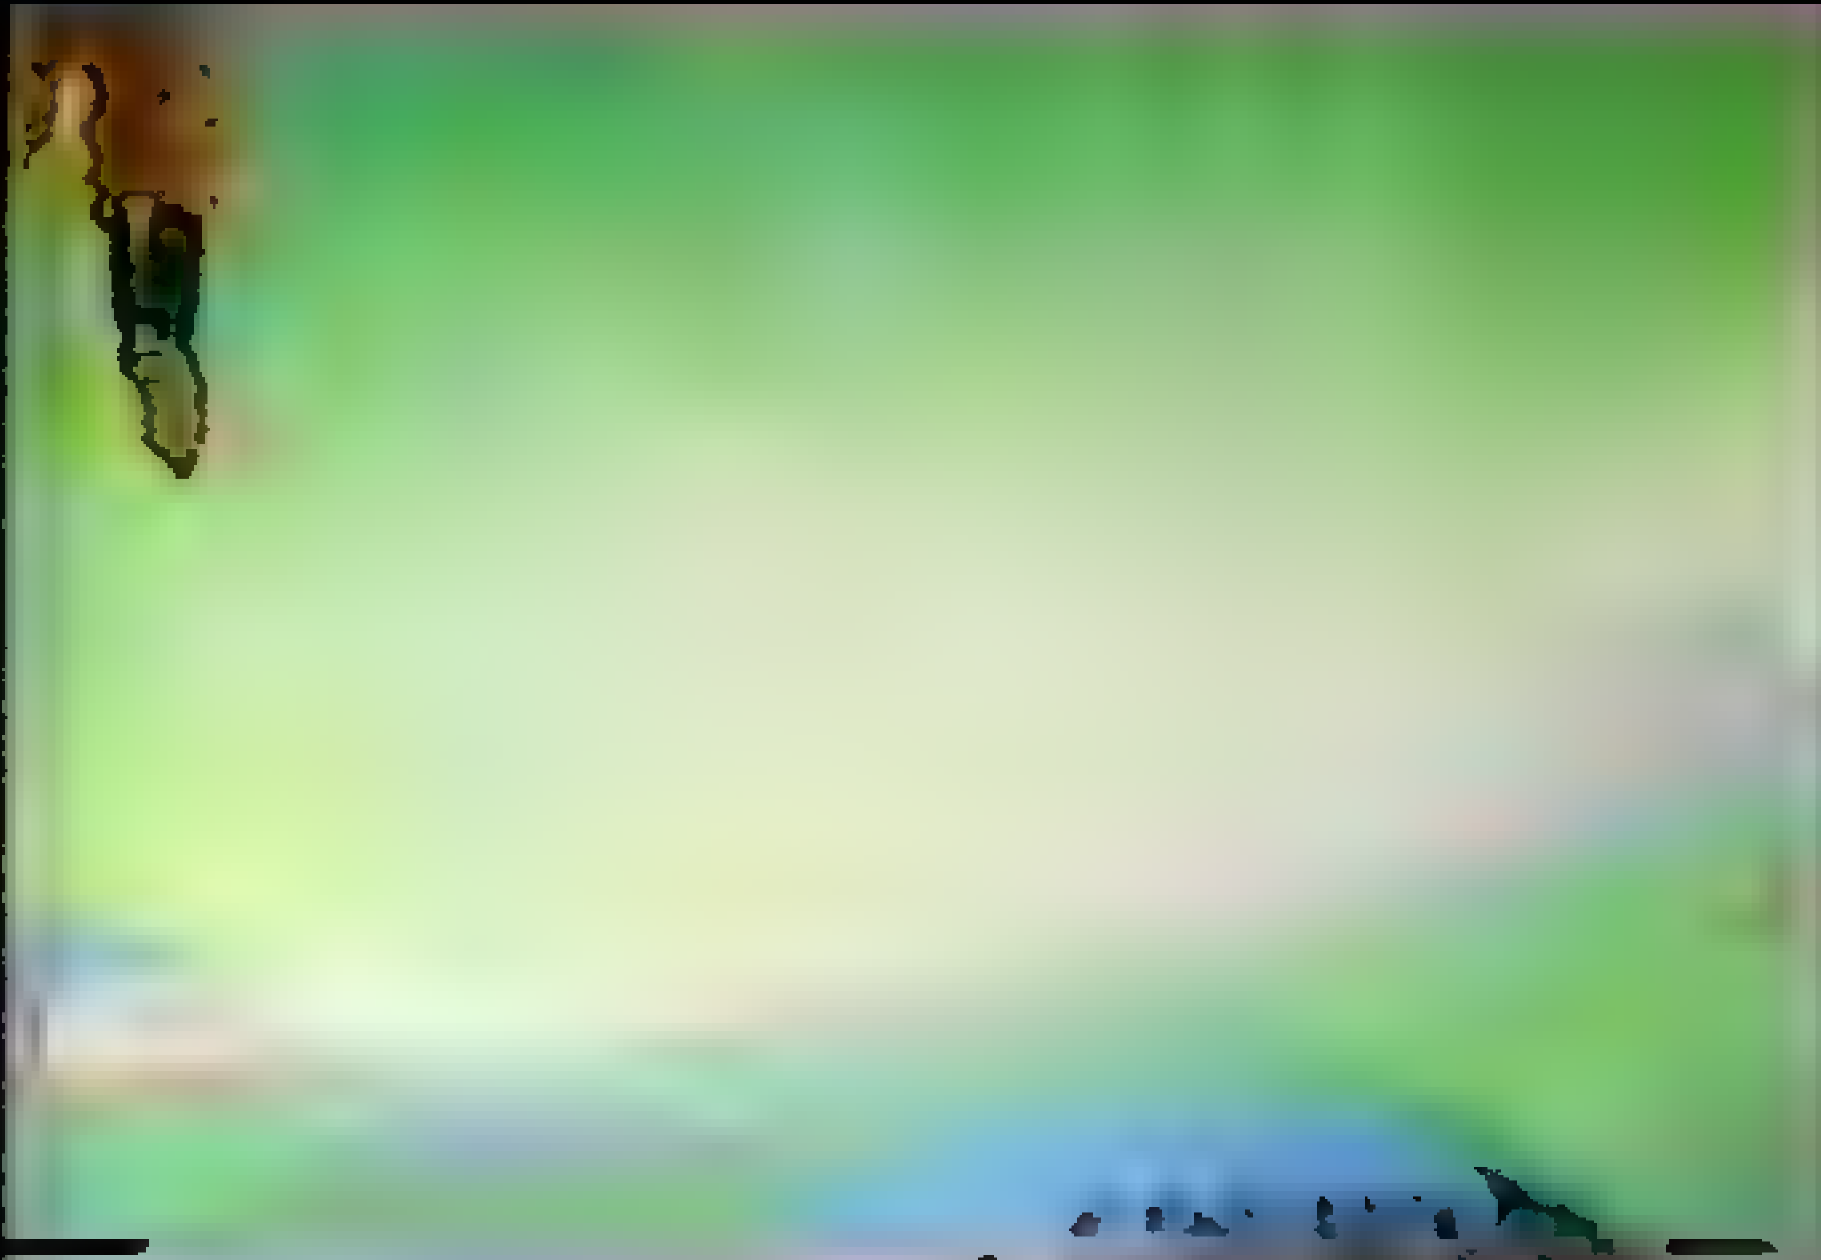

Unbelievable! There are lots
of guys with huge amounts

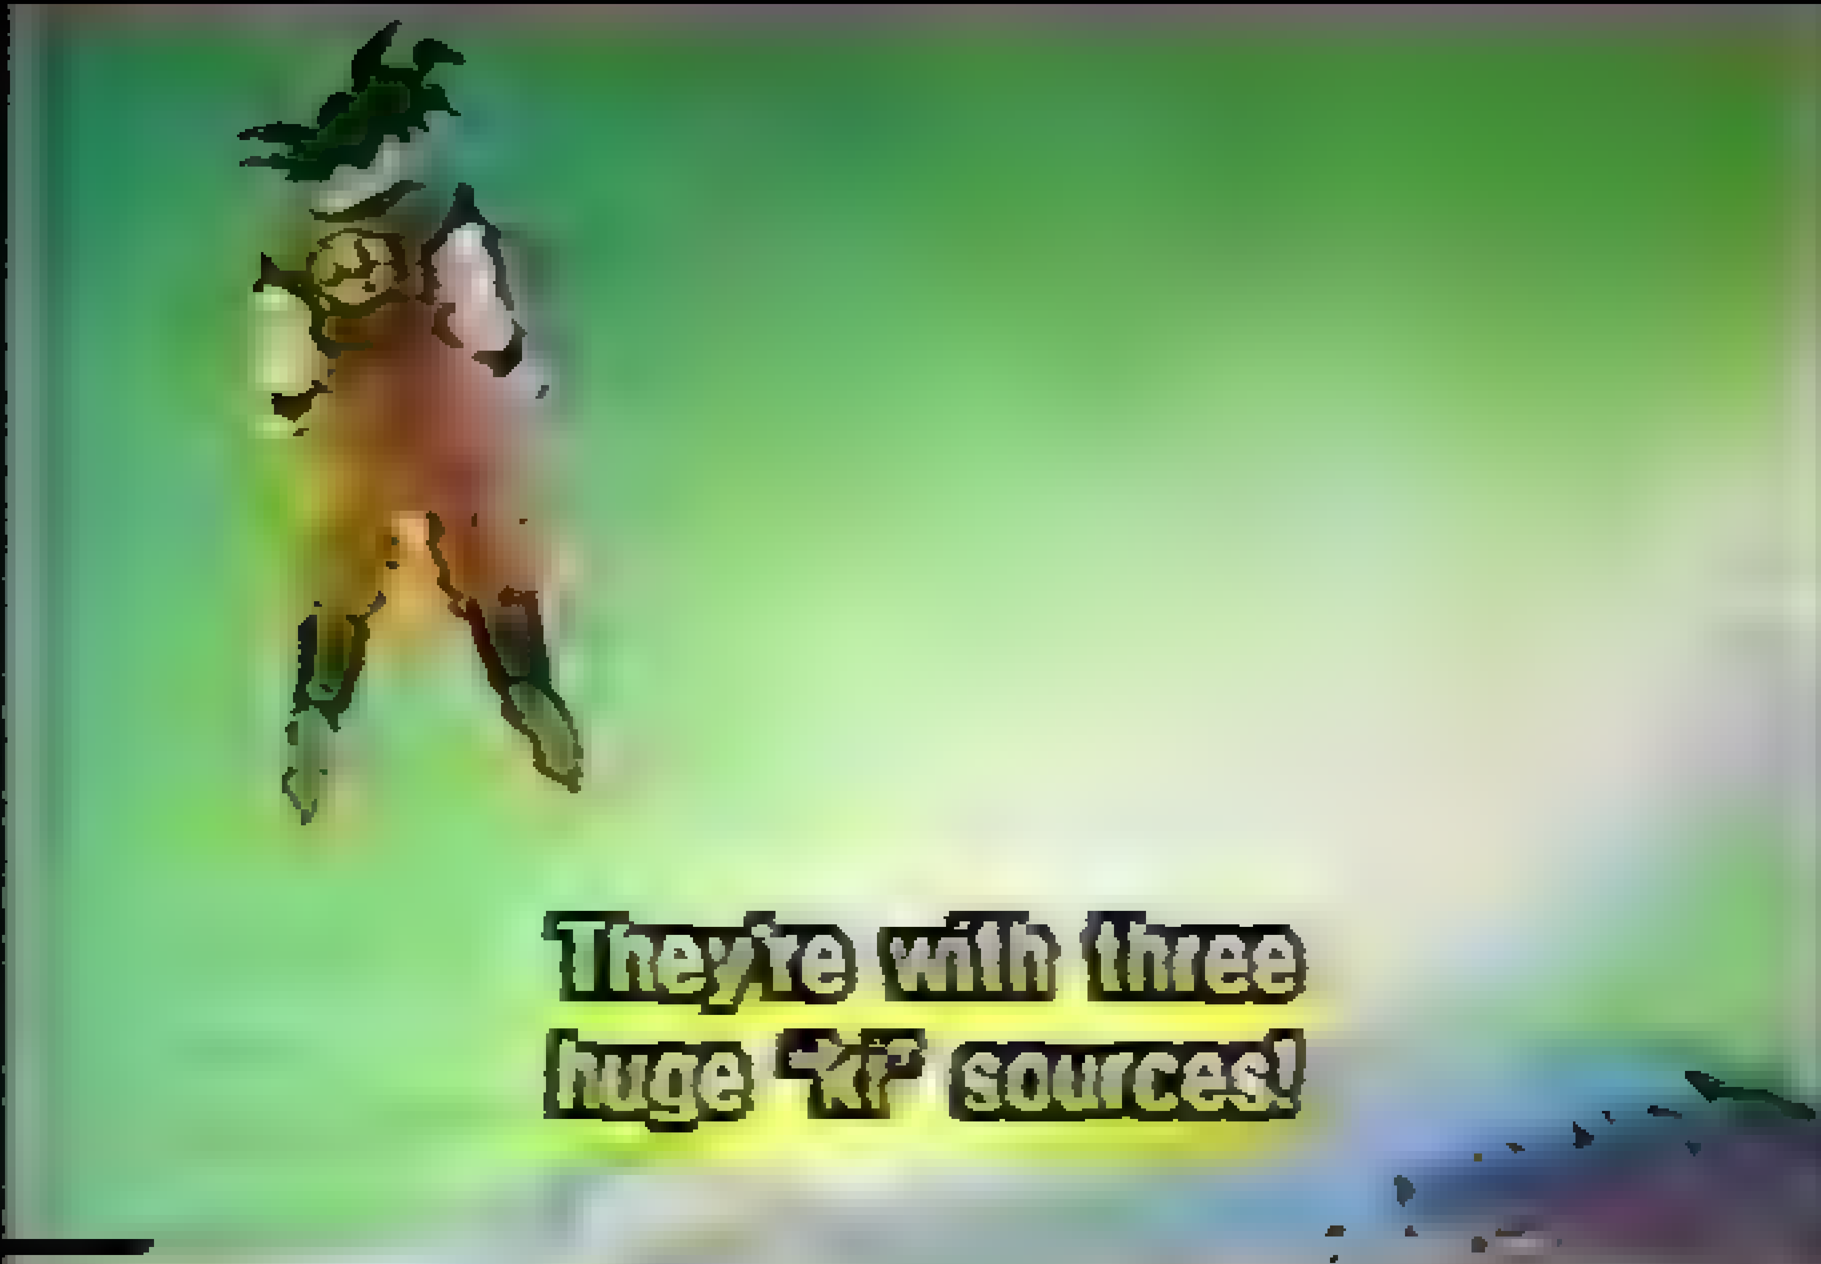

of "ki" power!

Gohan and Kuririn
are in danger!

They're both almost dead!

They're with three
huge "ki" sources!

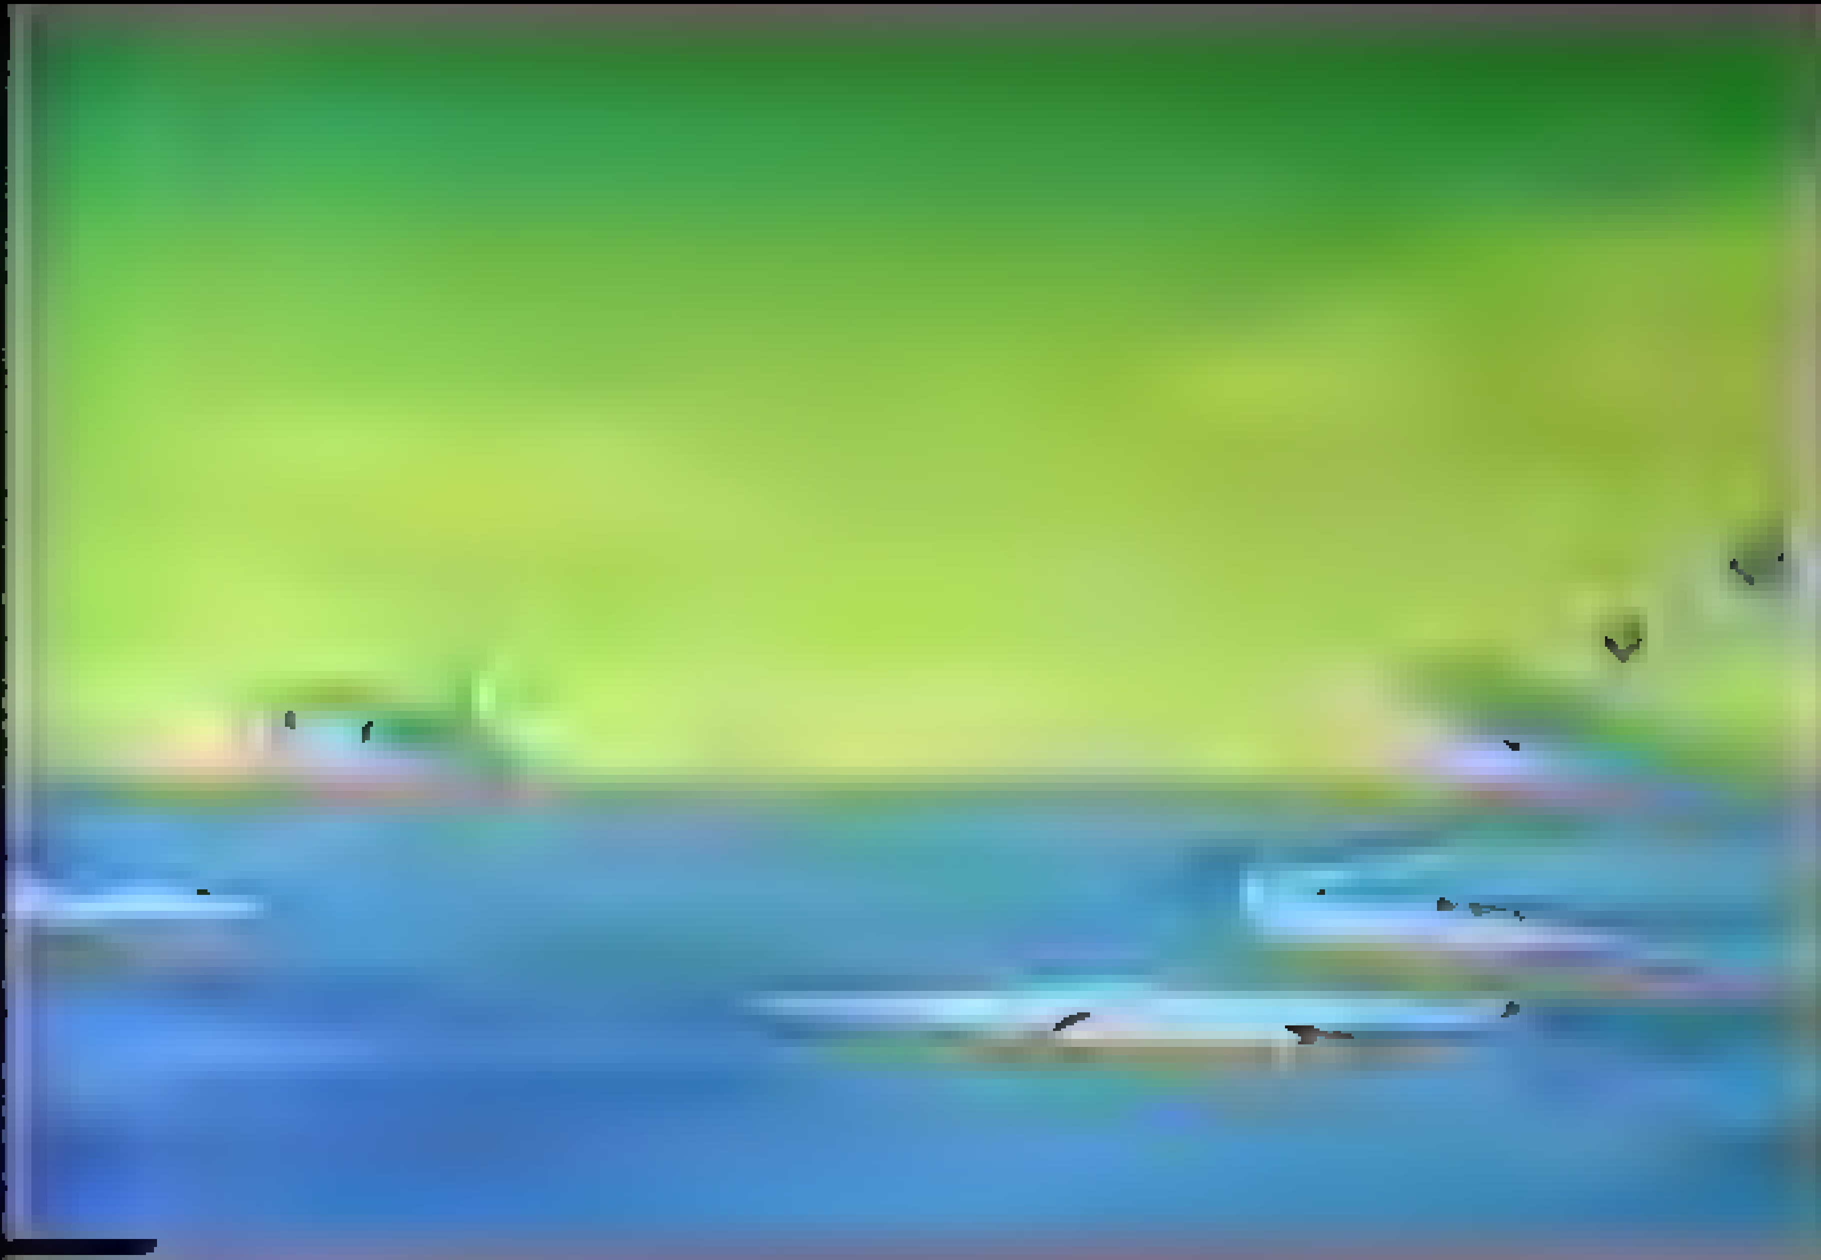

I'll be there right away!
Hang on!

I'll show you what the results
of 100 G's of training are!

I'll show you what the results
of 100 G's of training are!

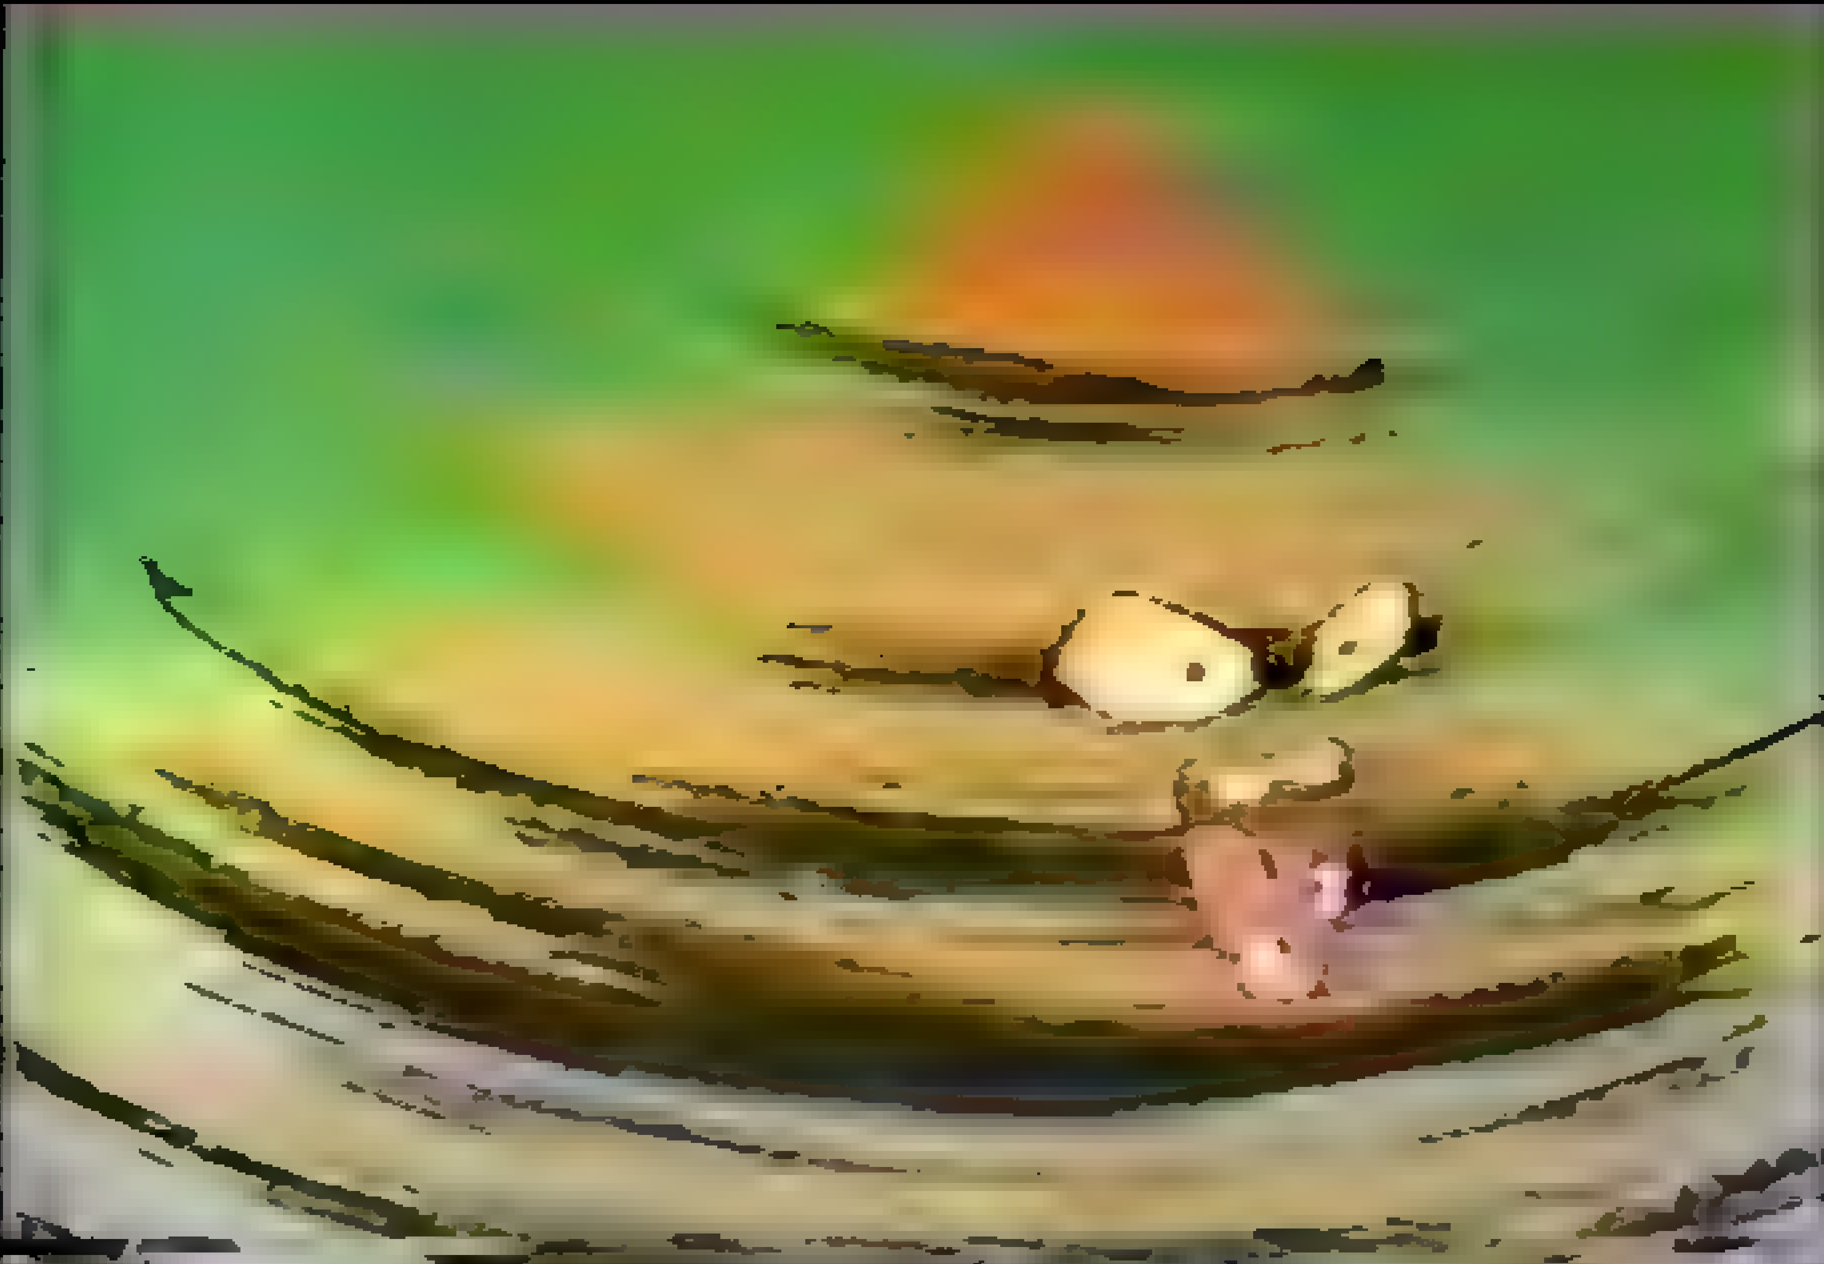

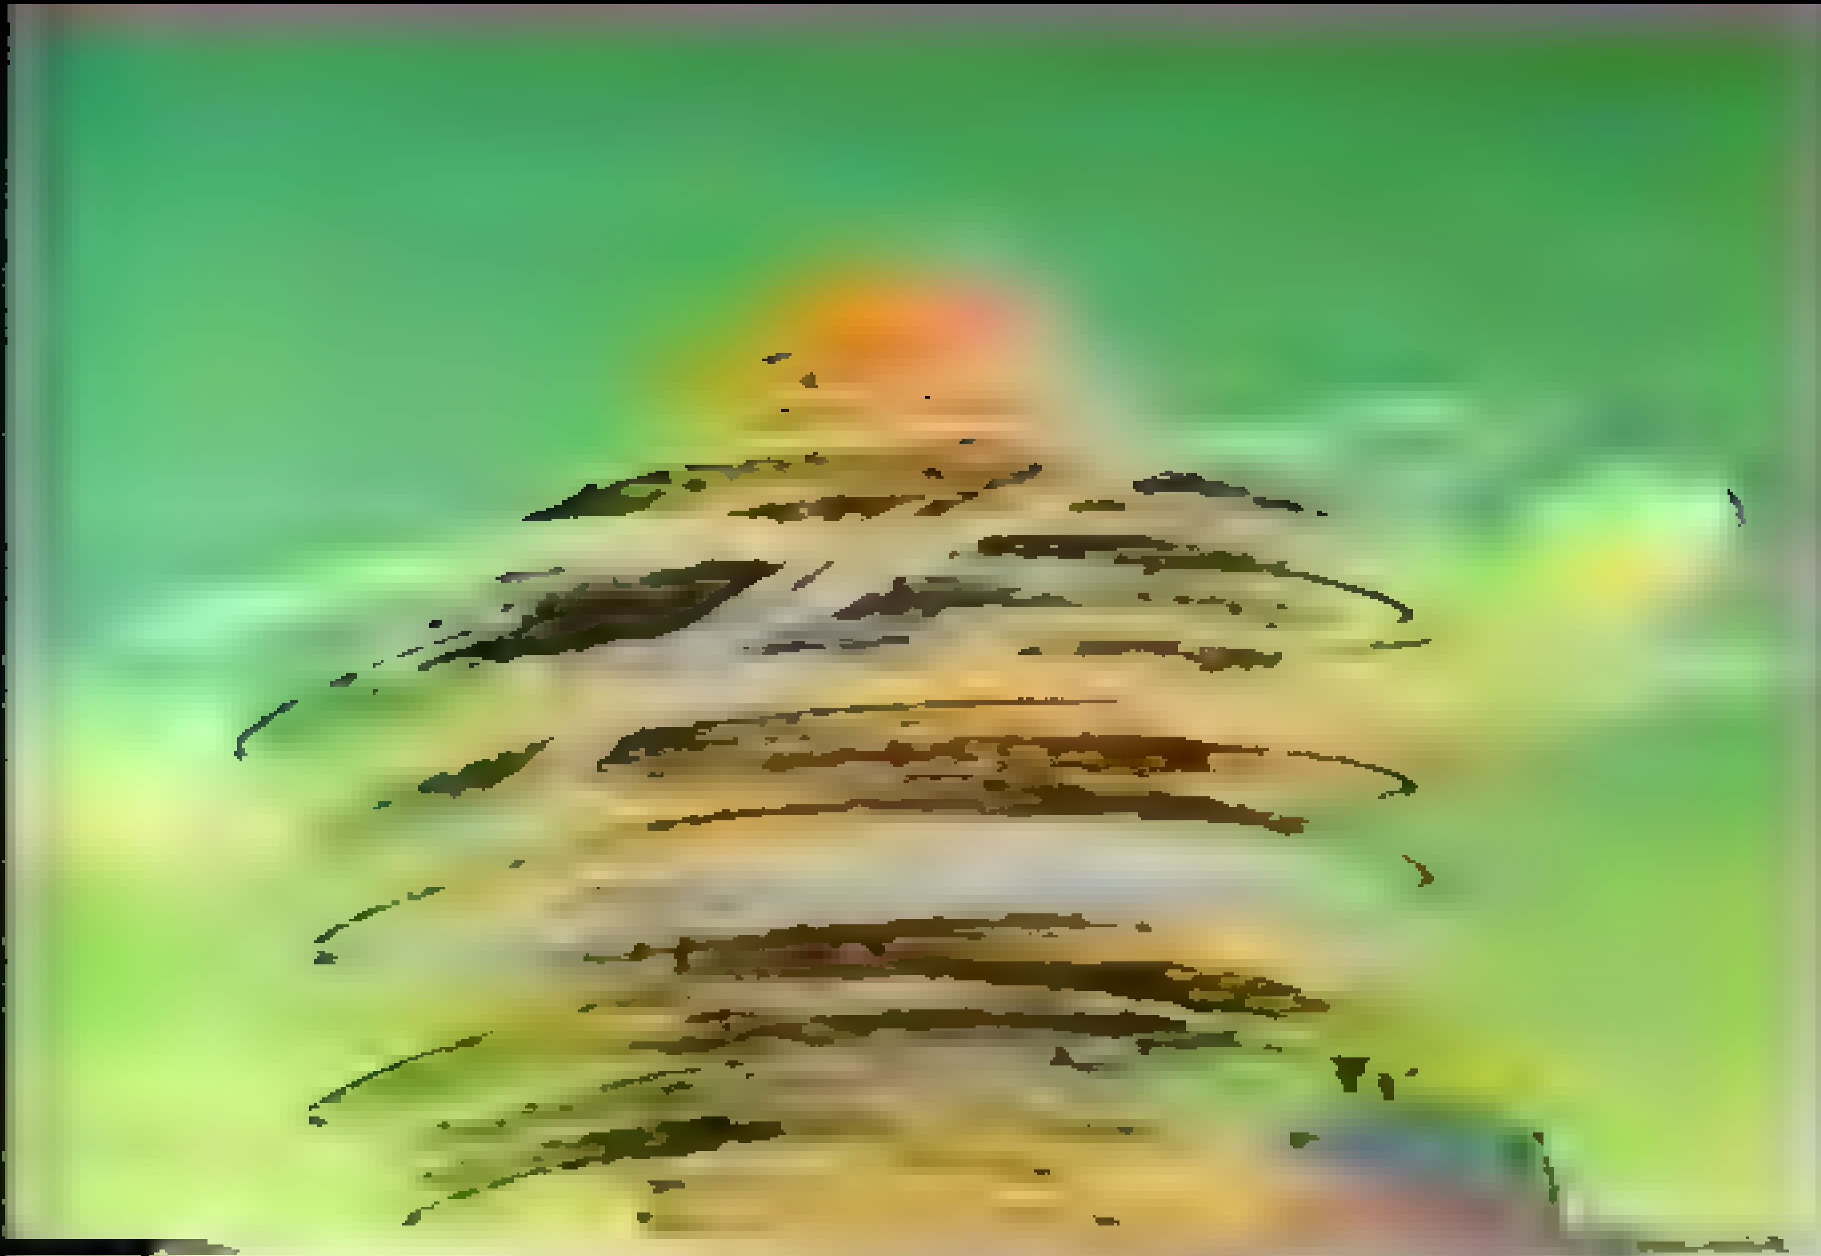

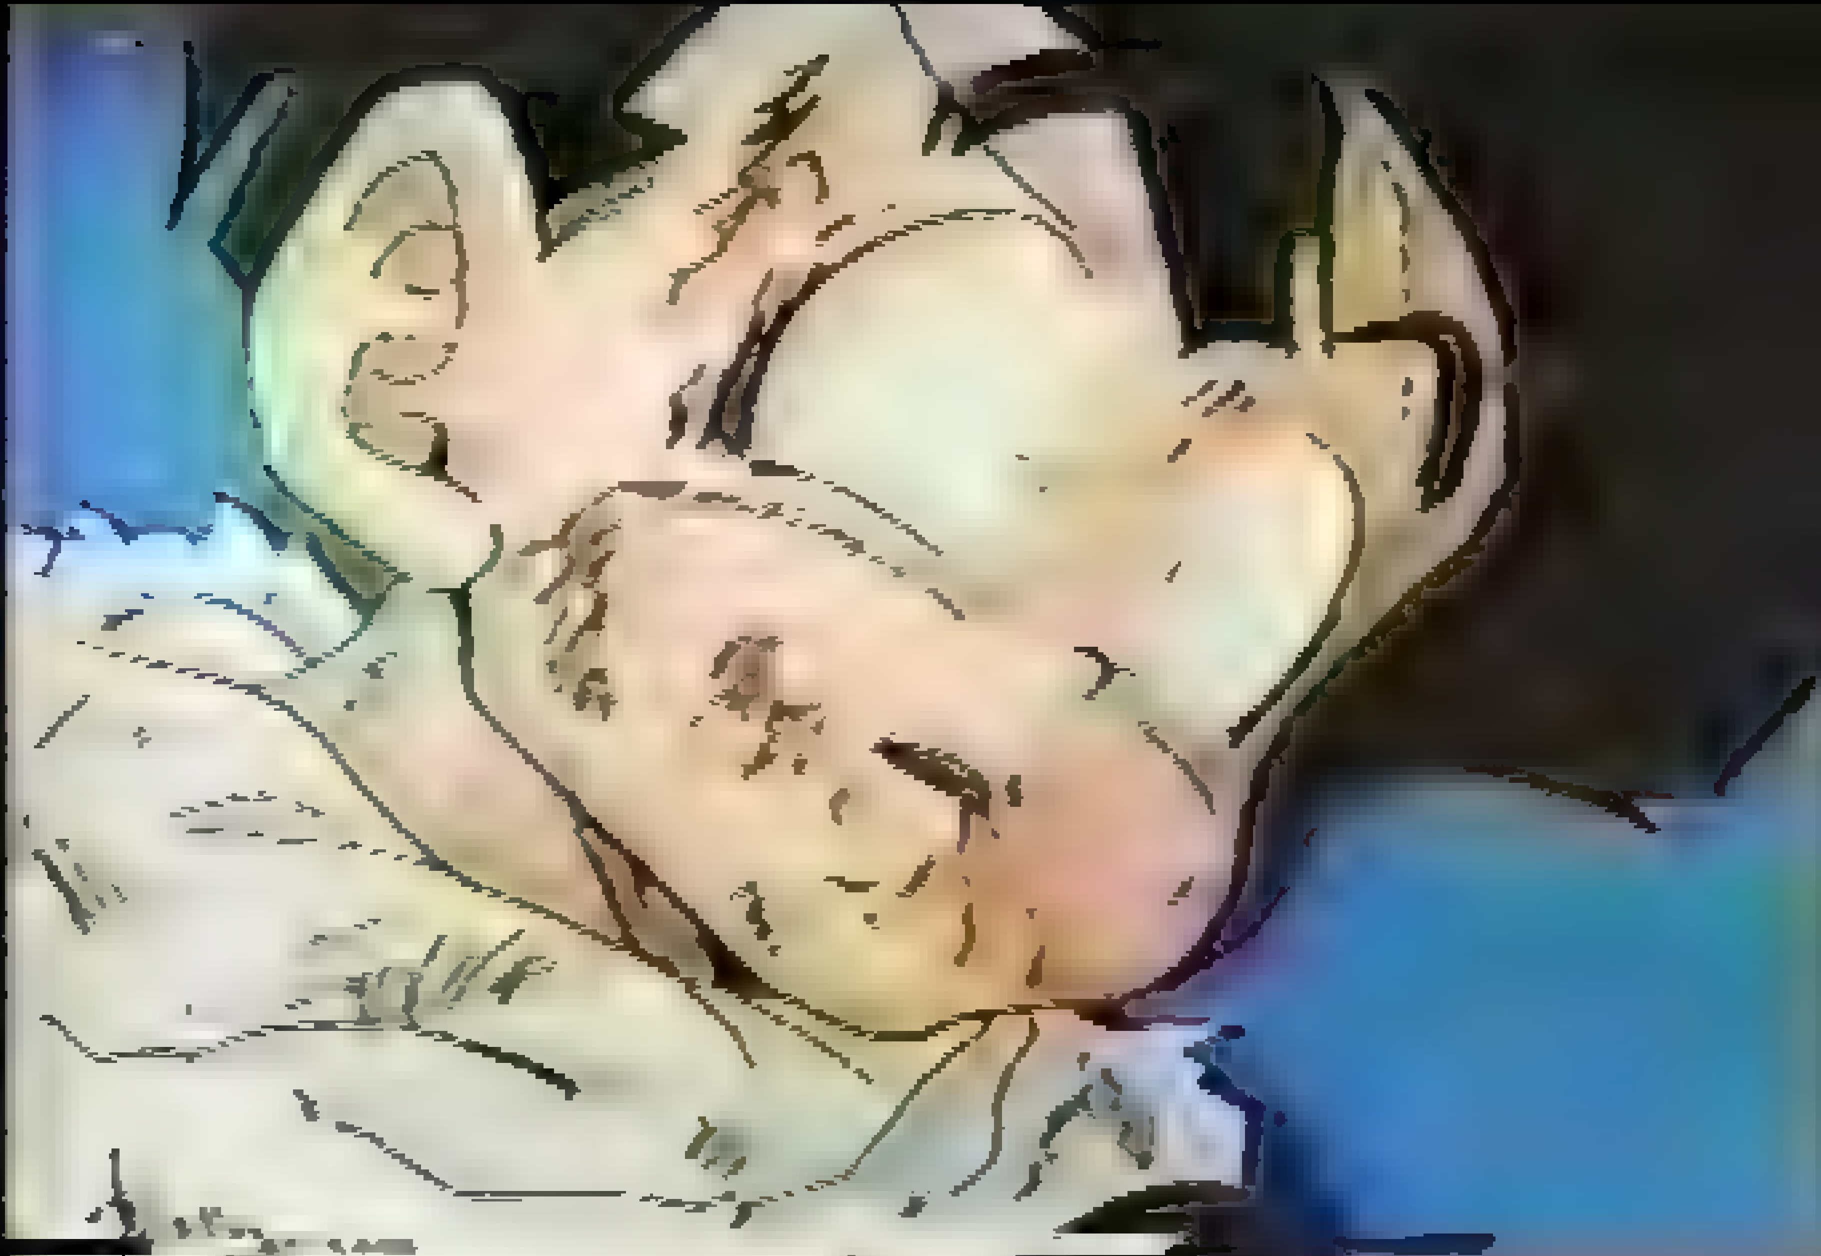

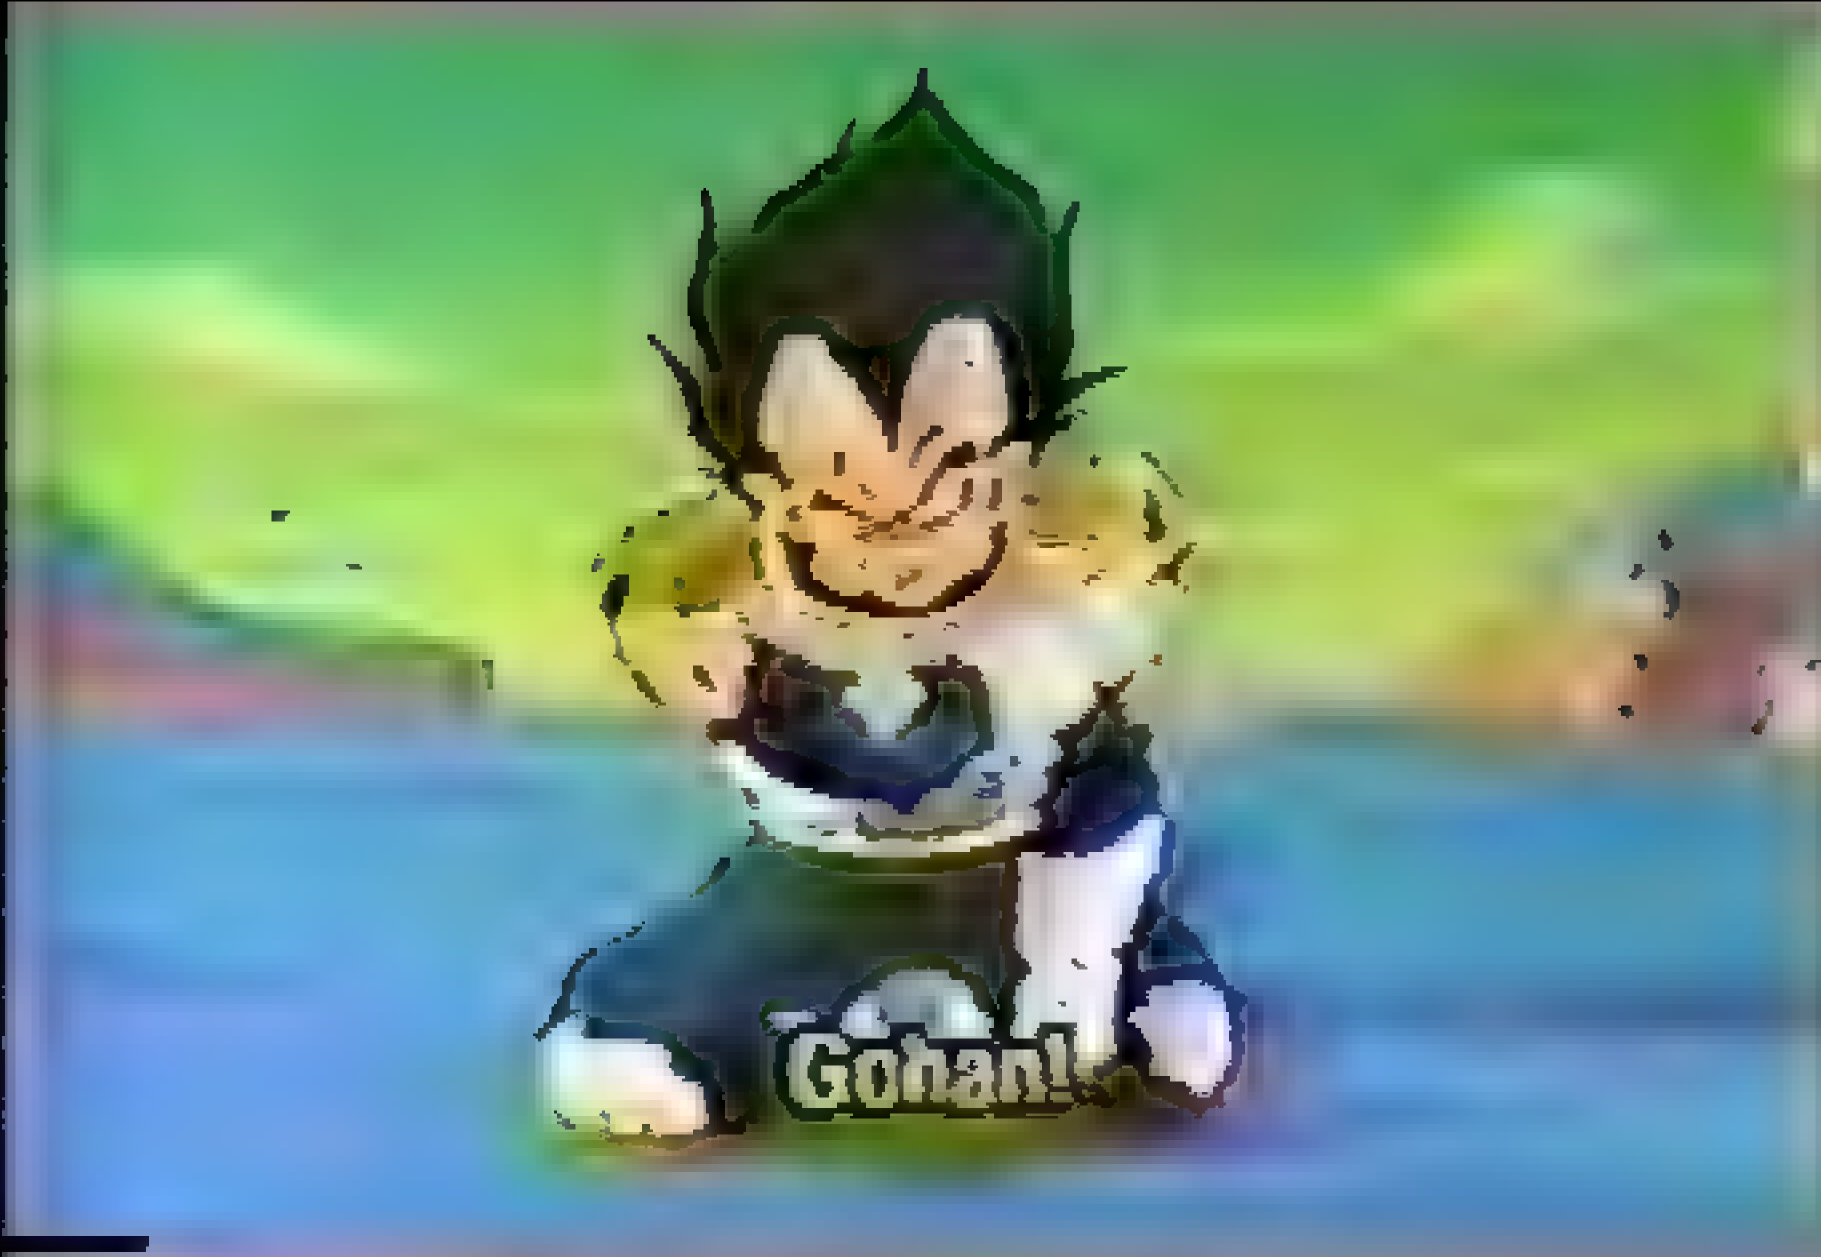

悟

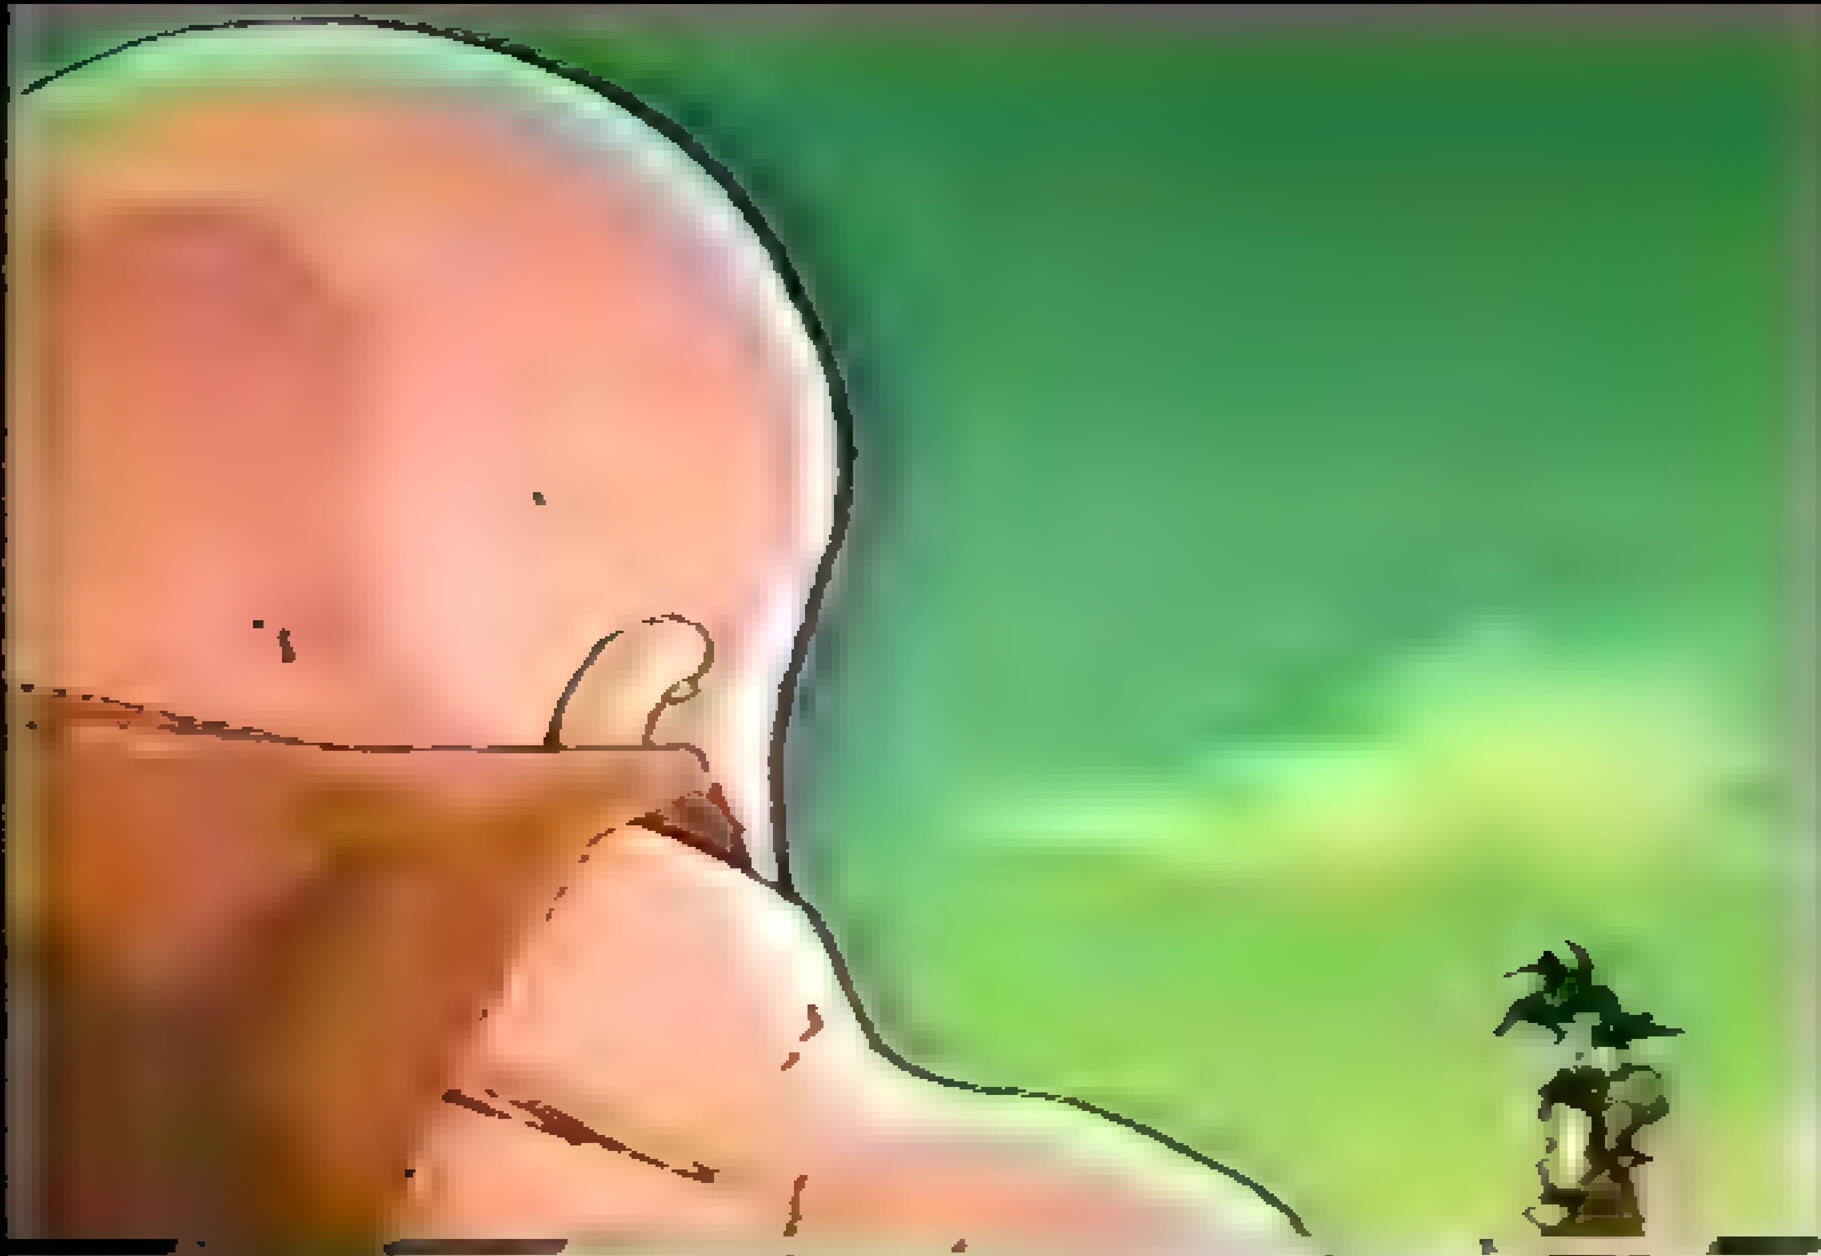

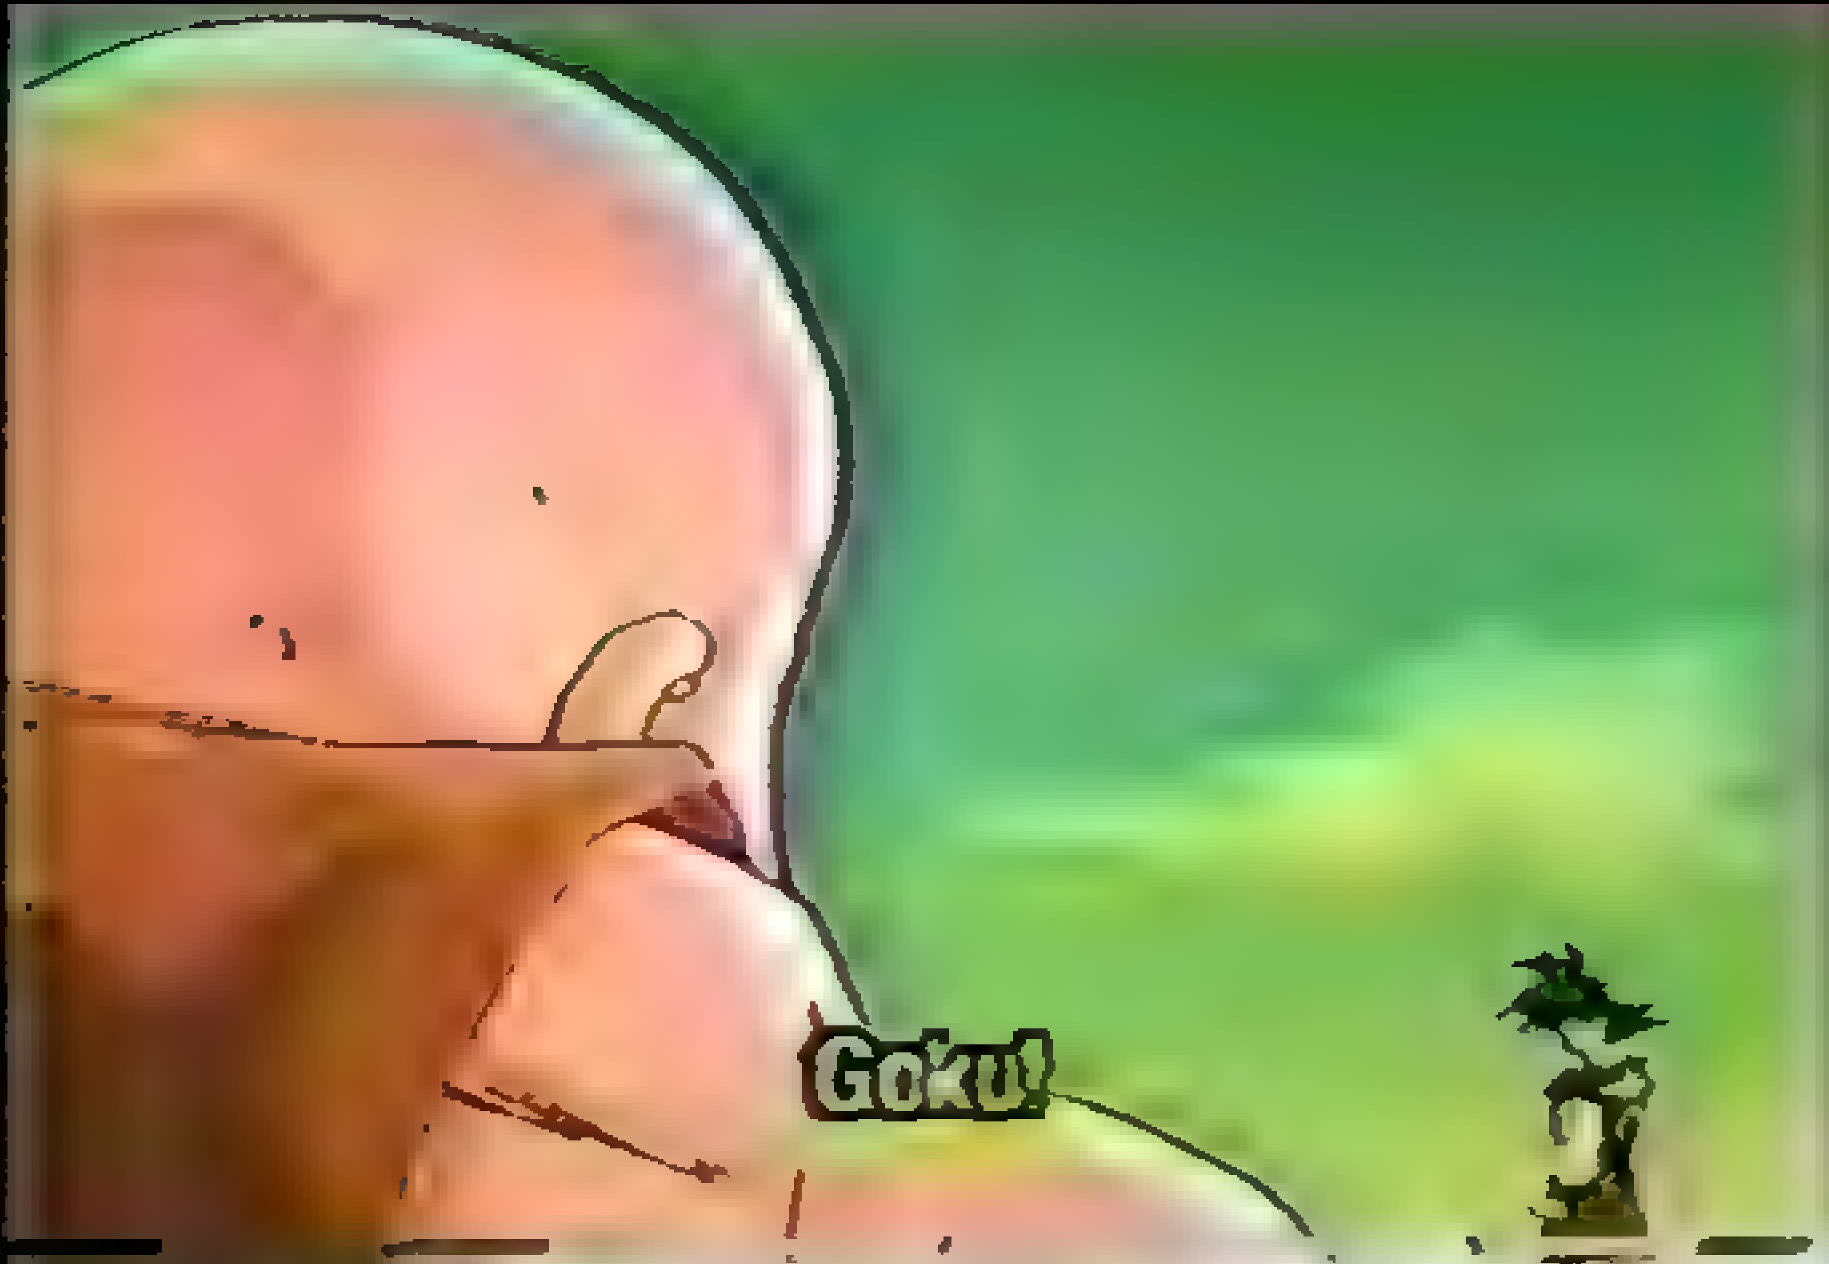

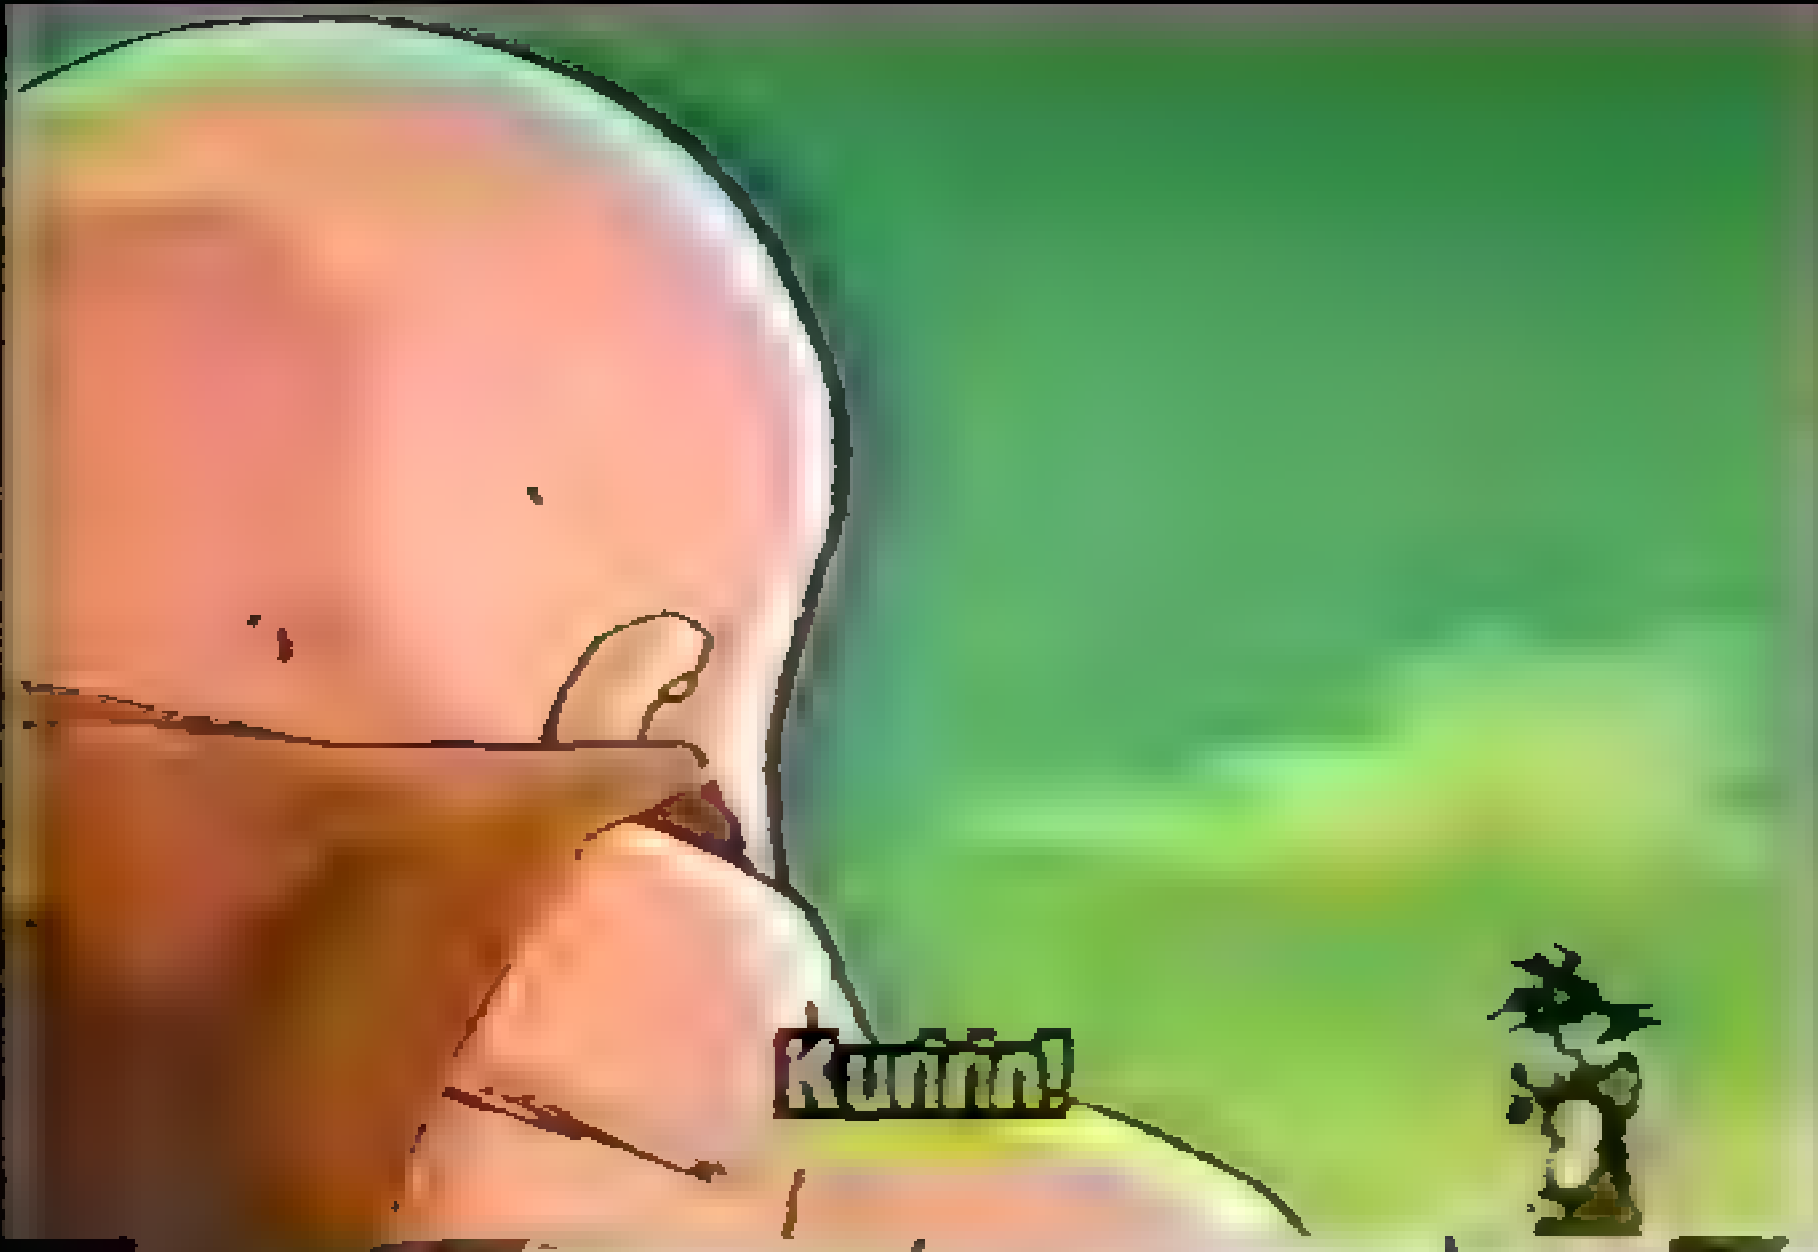

Gohan!

That rotten Kakarott!
So he's finally here.

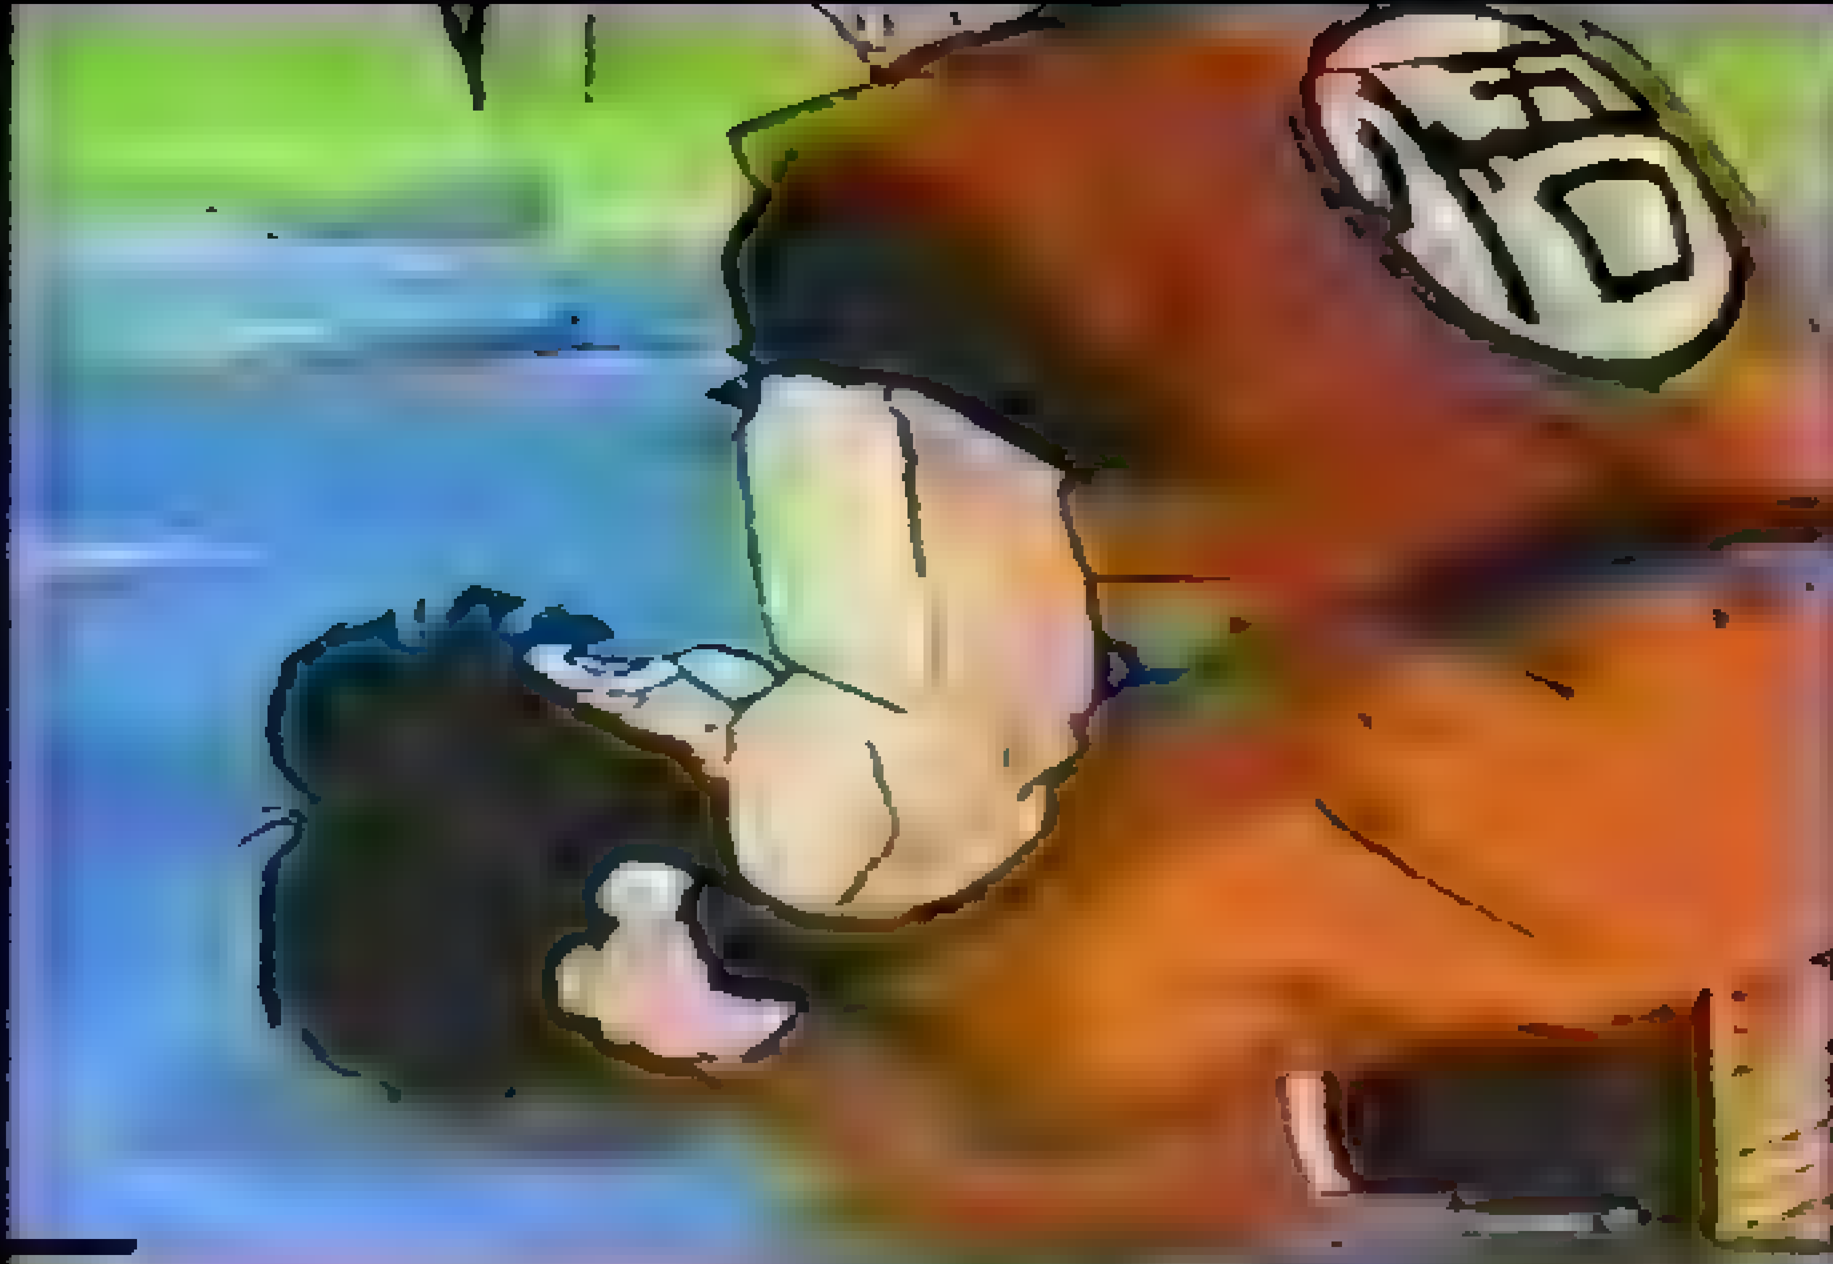

That rotten Kakarott!
So he's finally here.

Goku!

Kunnn!

I'll feed you a magic bean
right away too!

Gohan! Eat the magic bean!

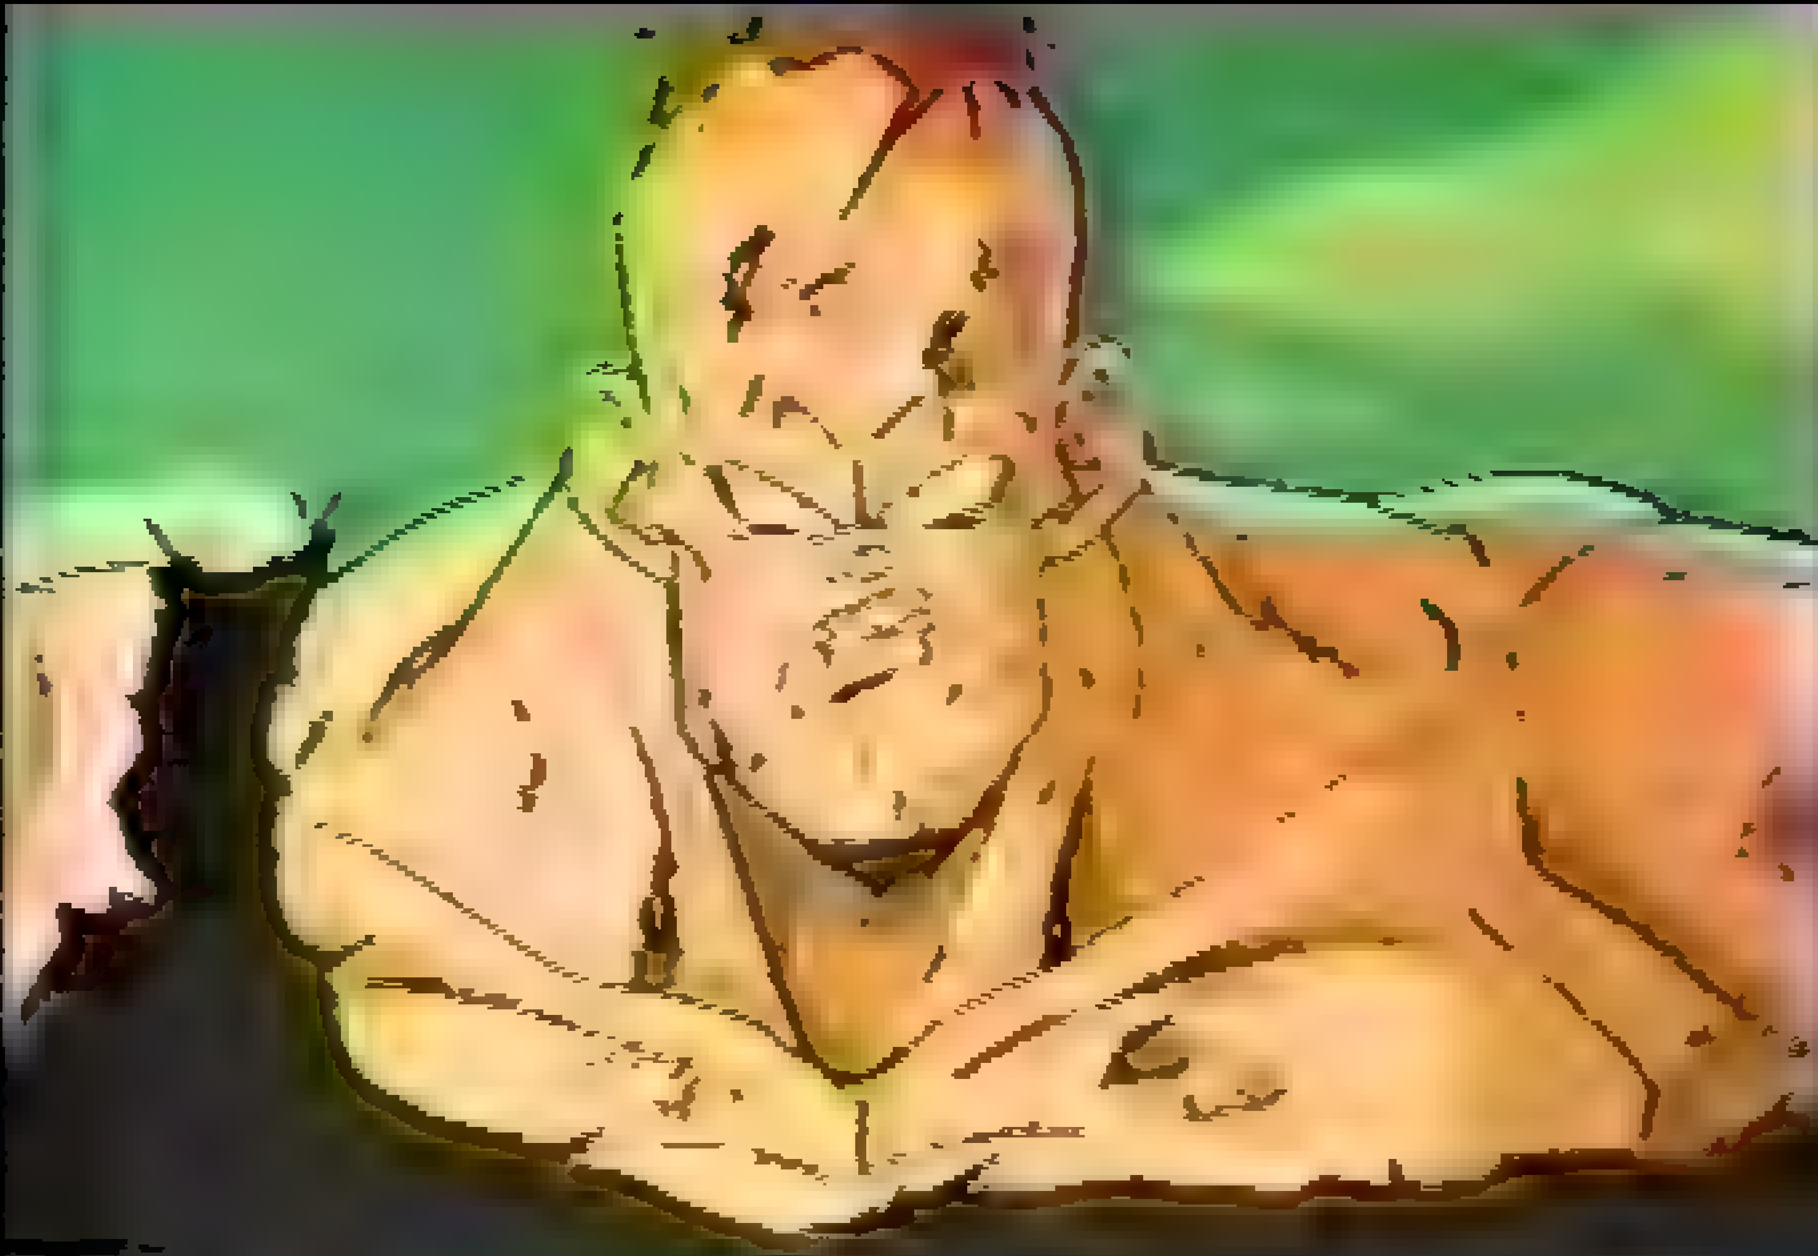

No good. His neck is broken
and he's barely breathing.

No good.. His neck is broken
and he's barely breathing.

Don't worry...
Dad will feed you.

Who are you!

A friend of those brats?

I'll force it in.

Don't show your face
here unannounced!

Don't show your face
here unannounced!

Who is he?

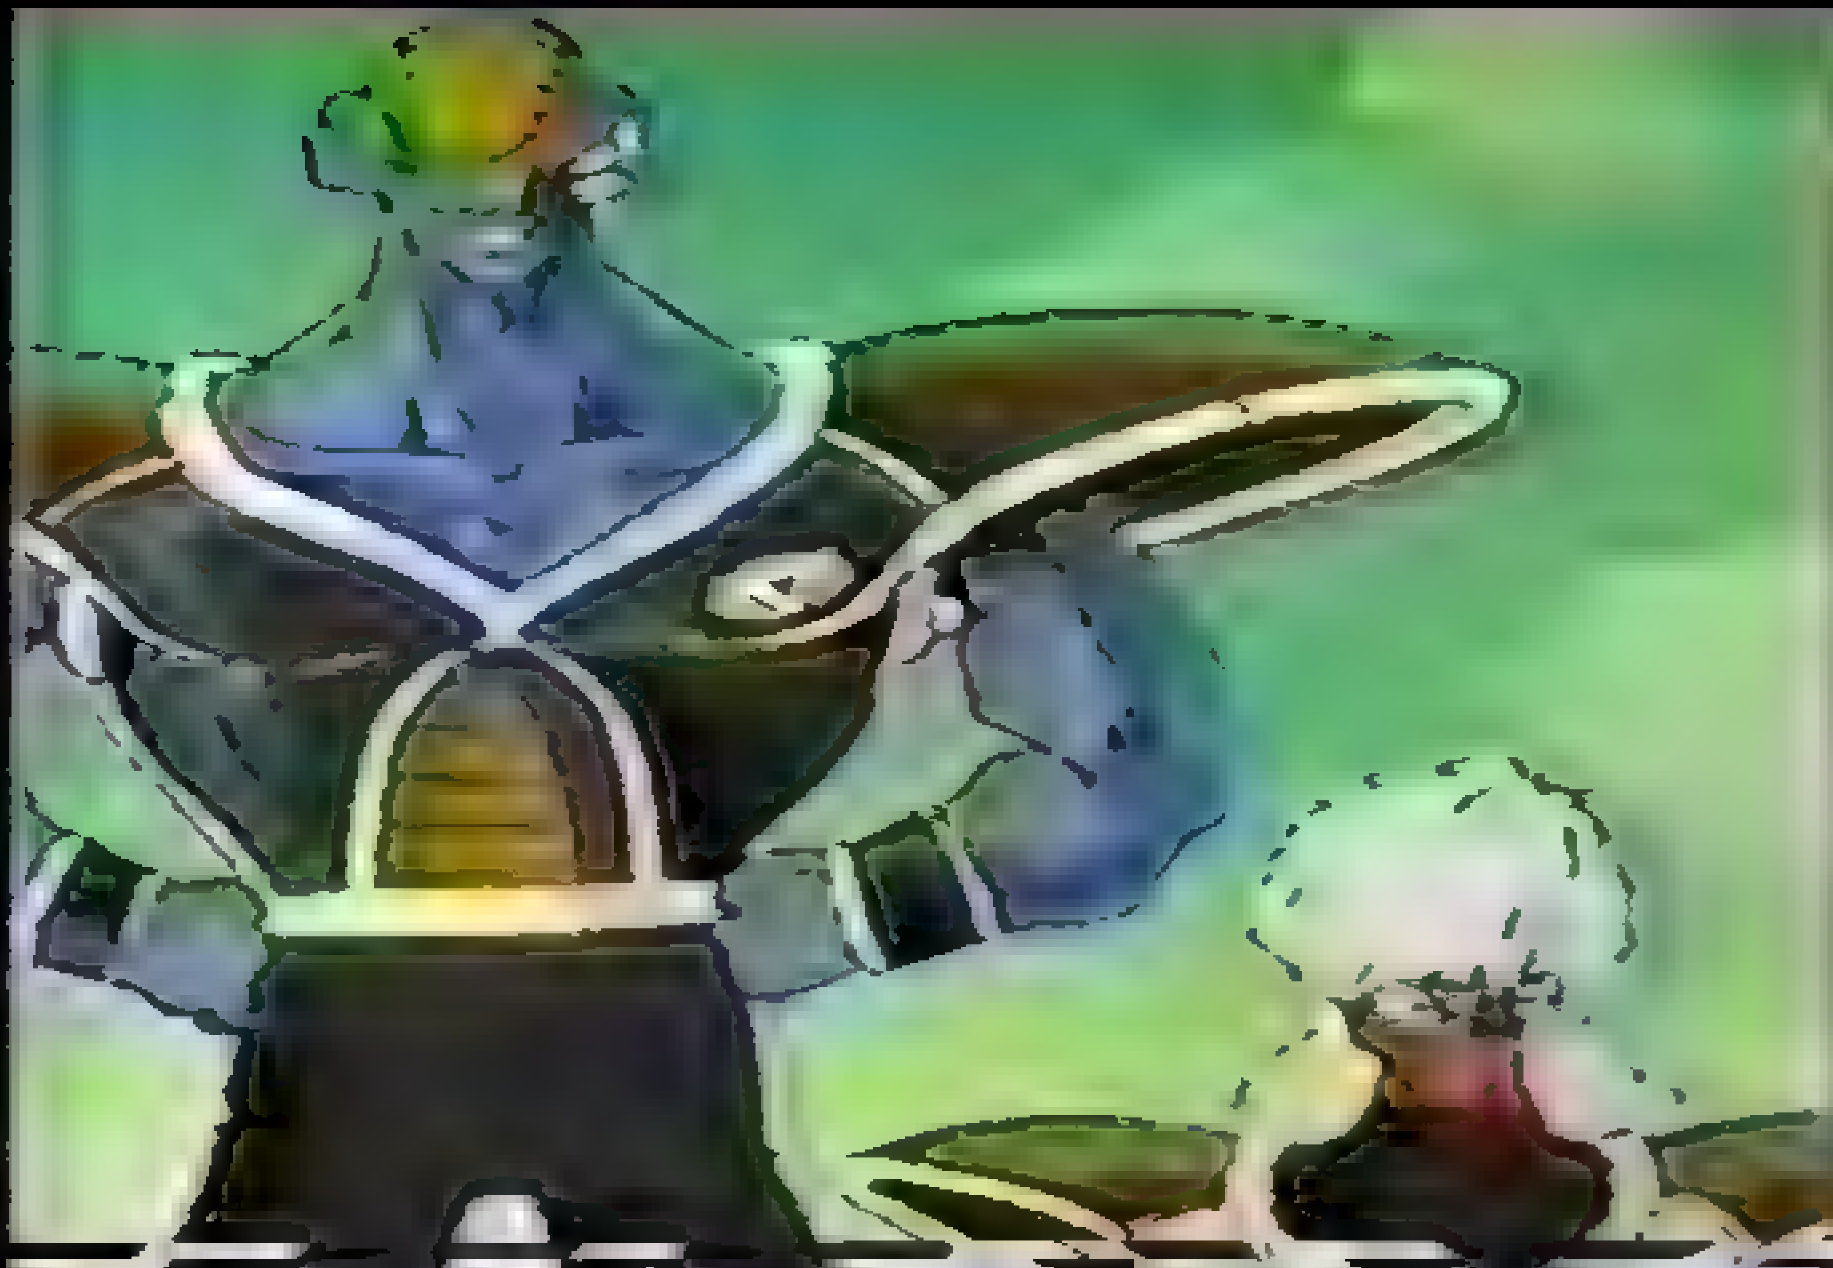

He was pretty fast.

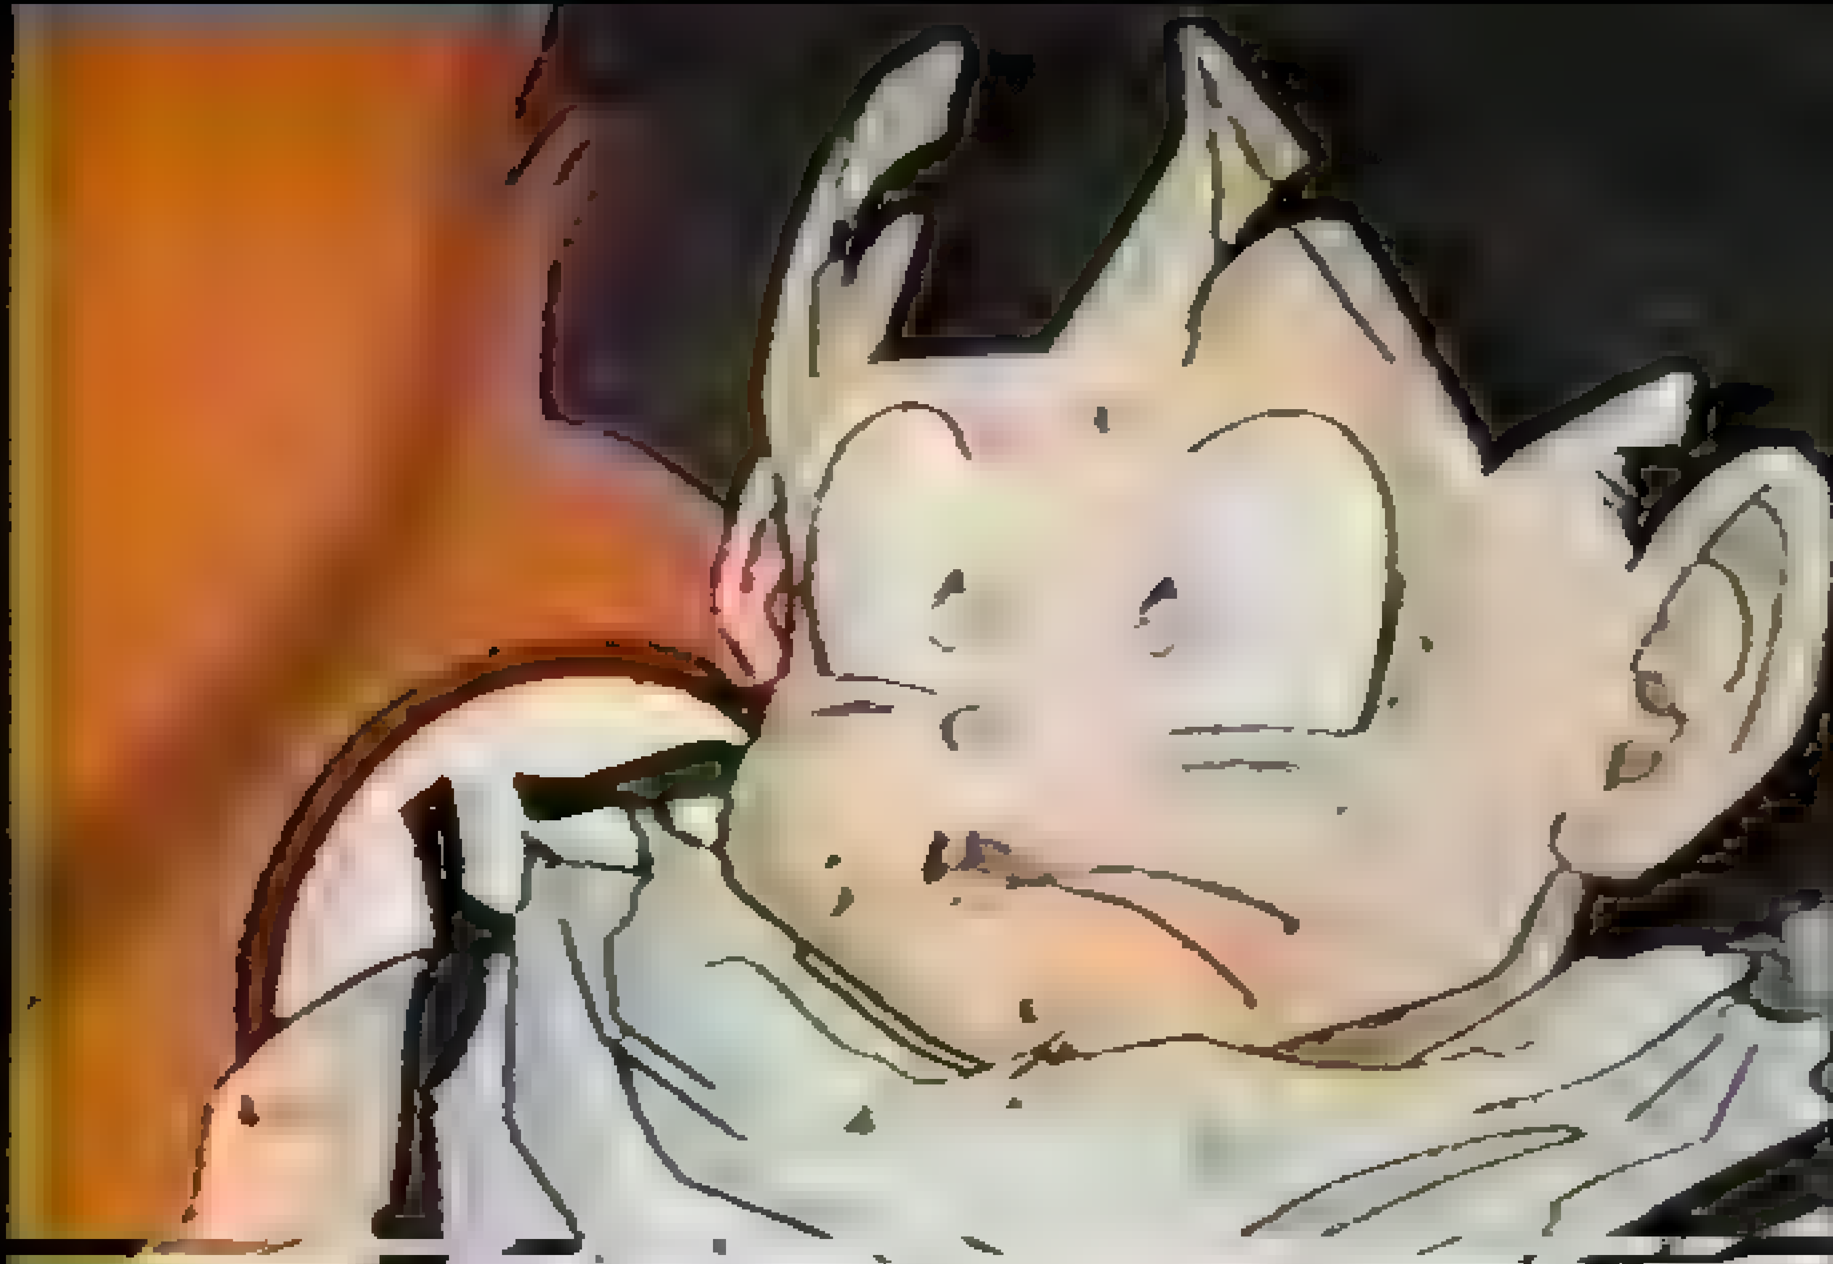

I think he's even
faster than you are.

Give me a break!

Don't mention me in the same
breath as that kind of trash.

Don't mention me in the same
breath as that kind of trash.

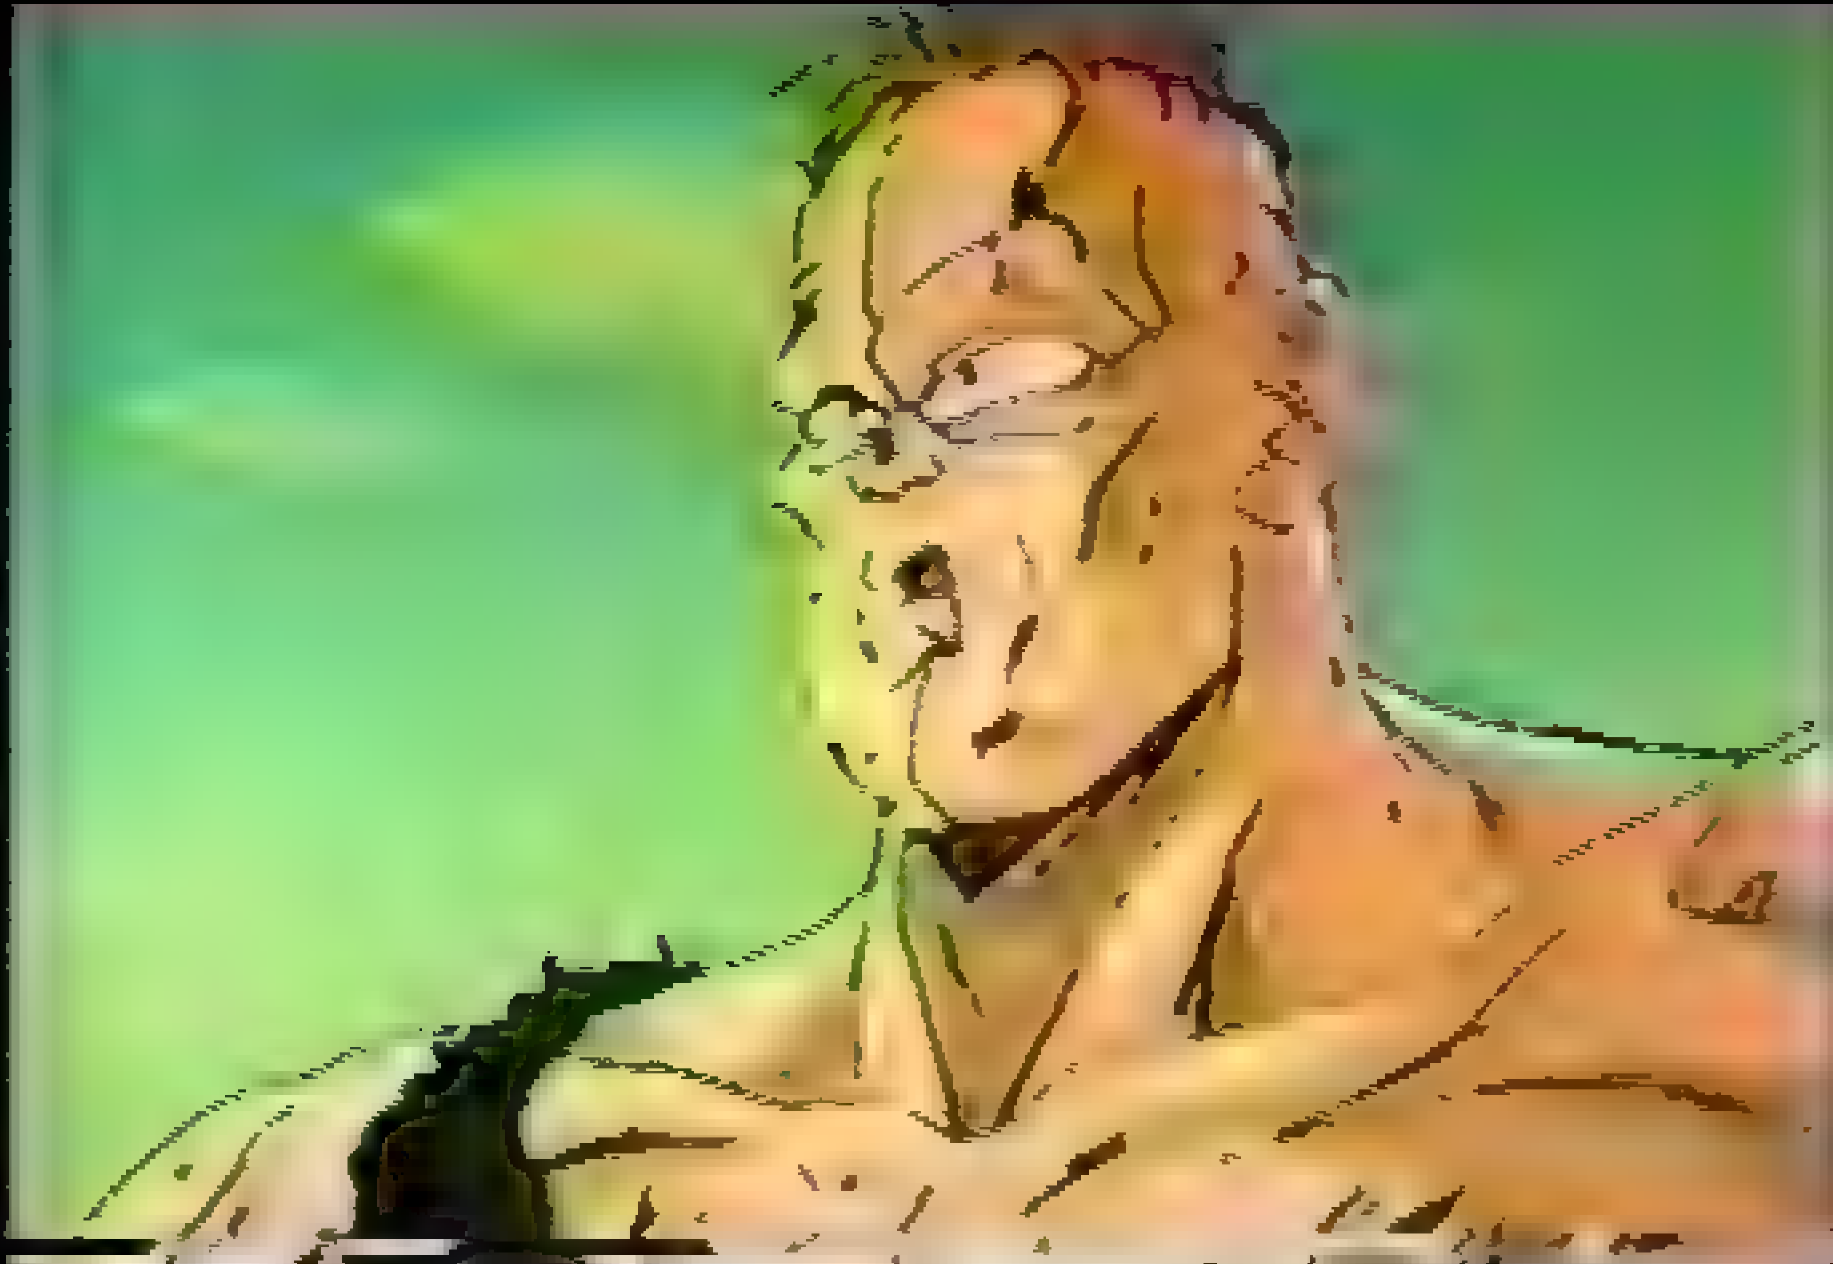

Can you stand?

Dad! You came!

That brat was practically dead!

悟
What did he do?

Are you okay, Gohan?

Be careful, Dad! They're...!

Wait, Gohan.

I have to give Kuririn
a magic bean too.

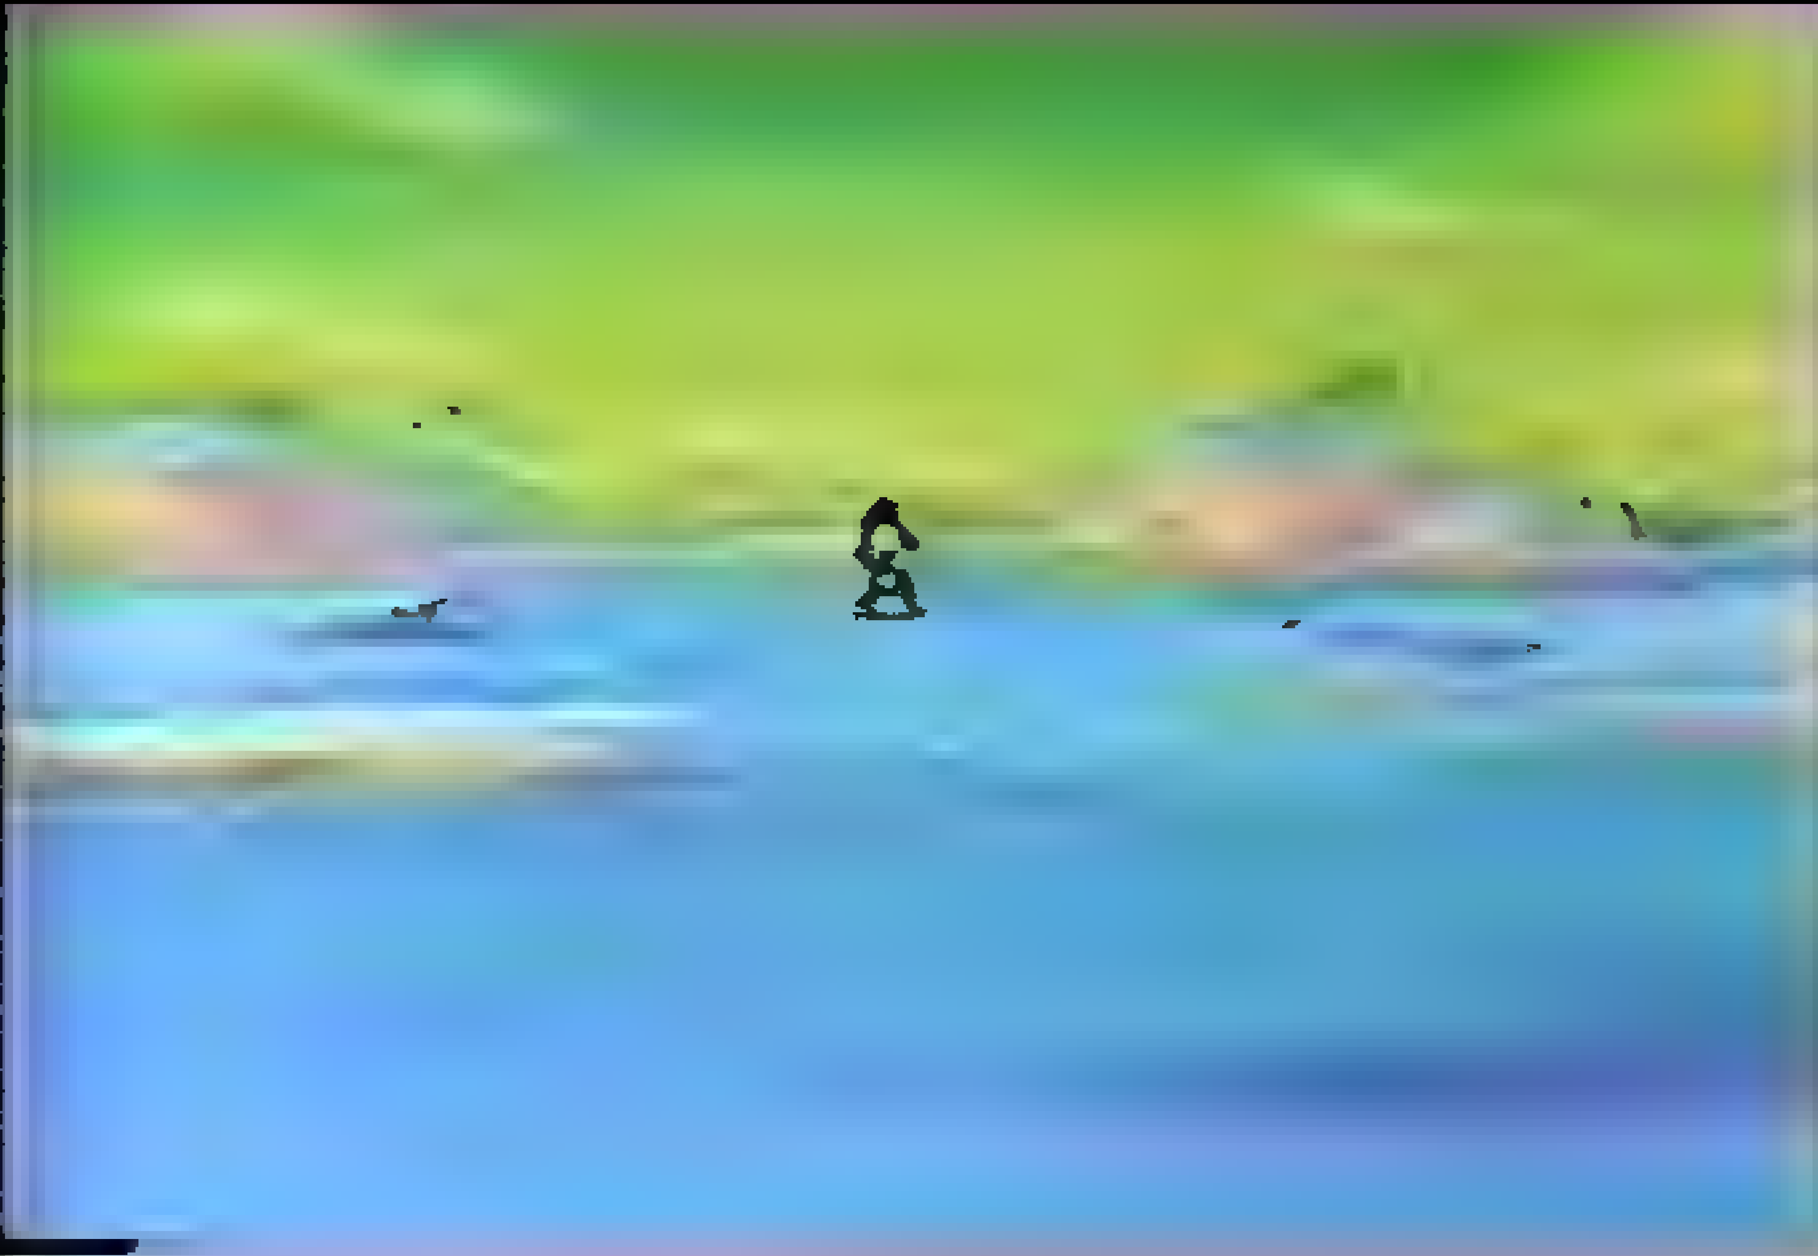

I have to give Kuririn
a magic bean too.

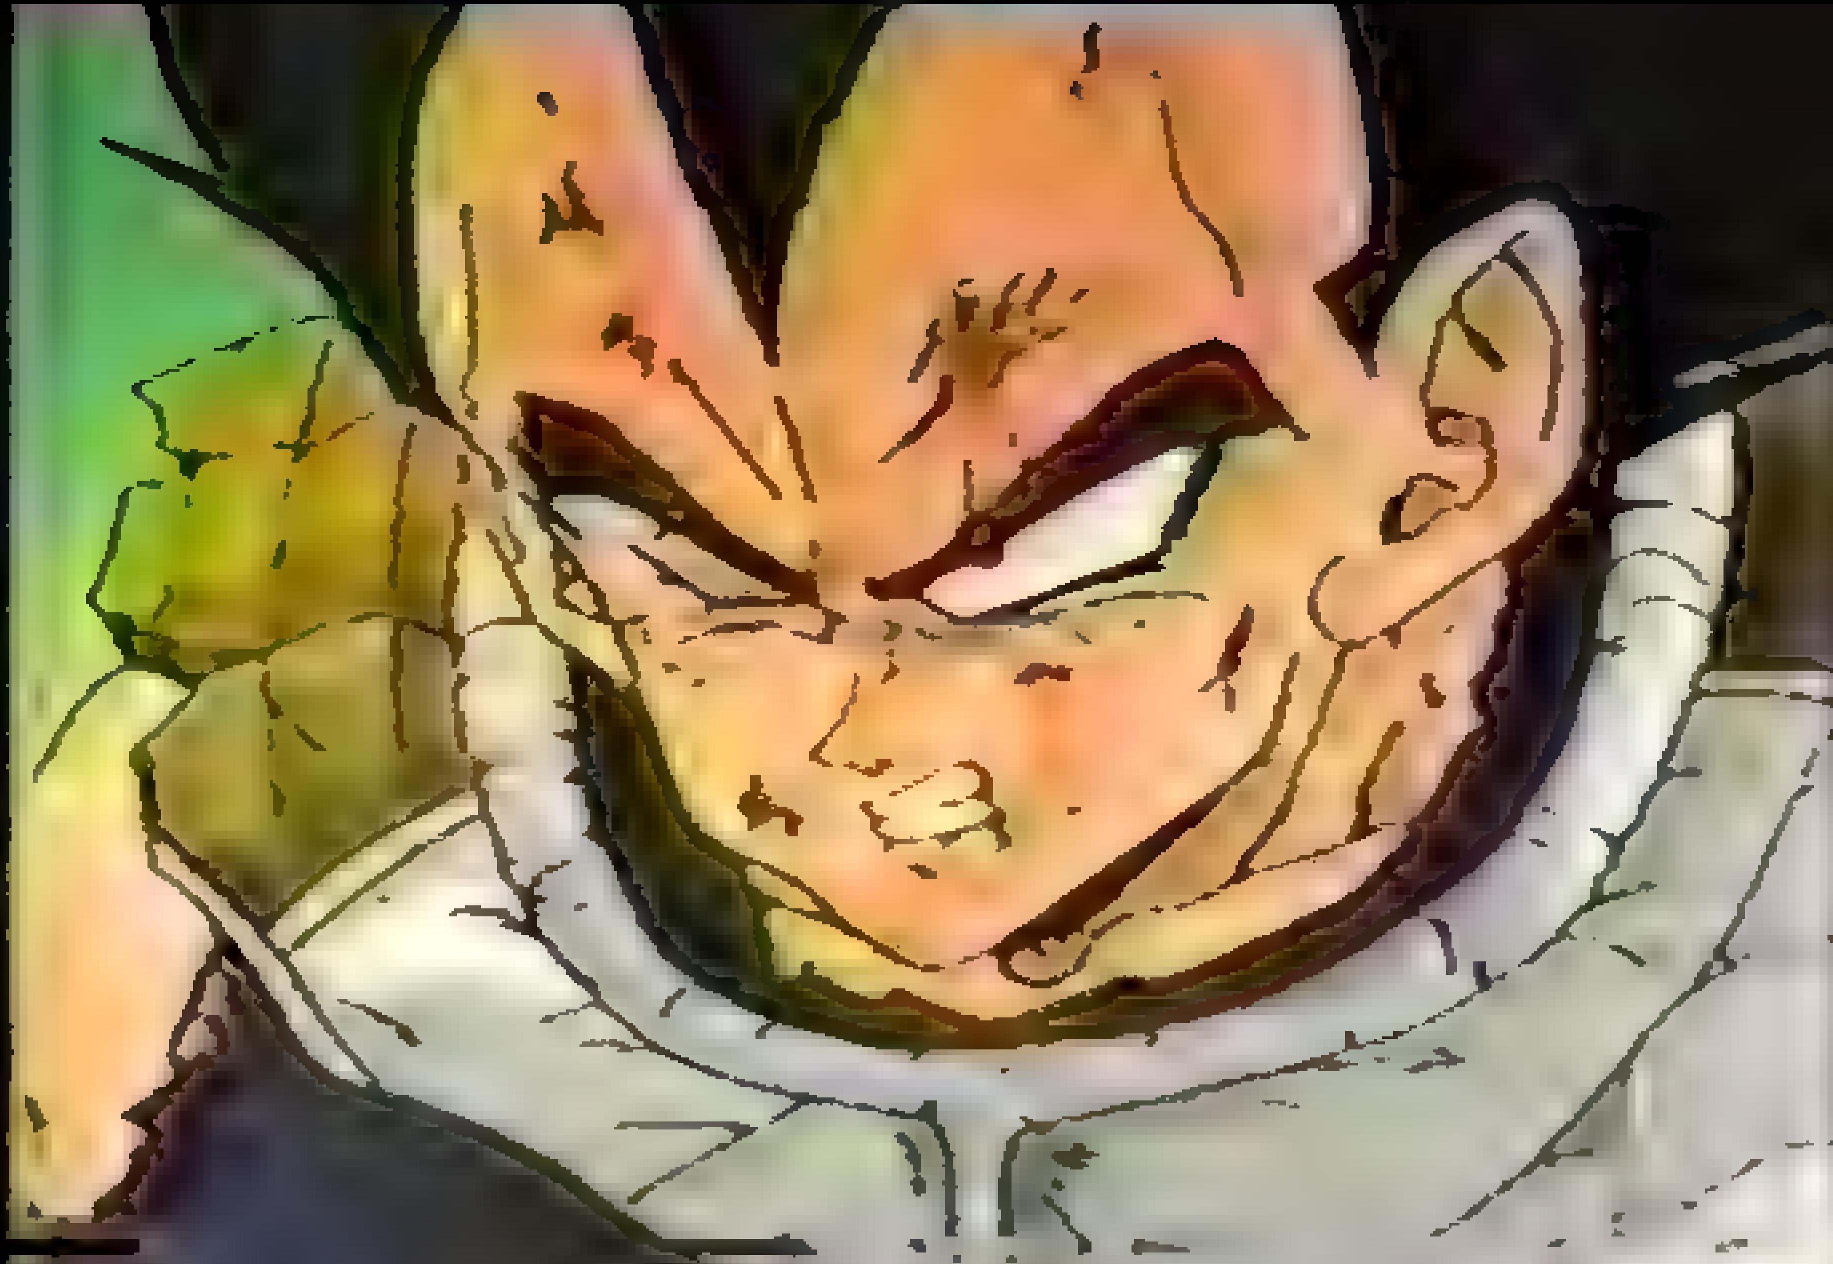

You sure got
beat up bad, Gohan.

I couldn't do anything.

I couldn't do anything.

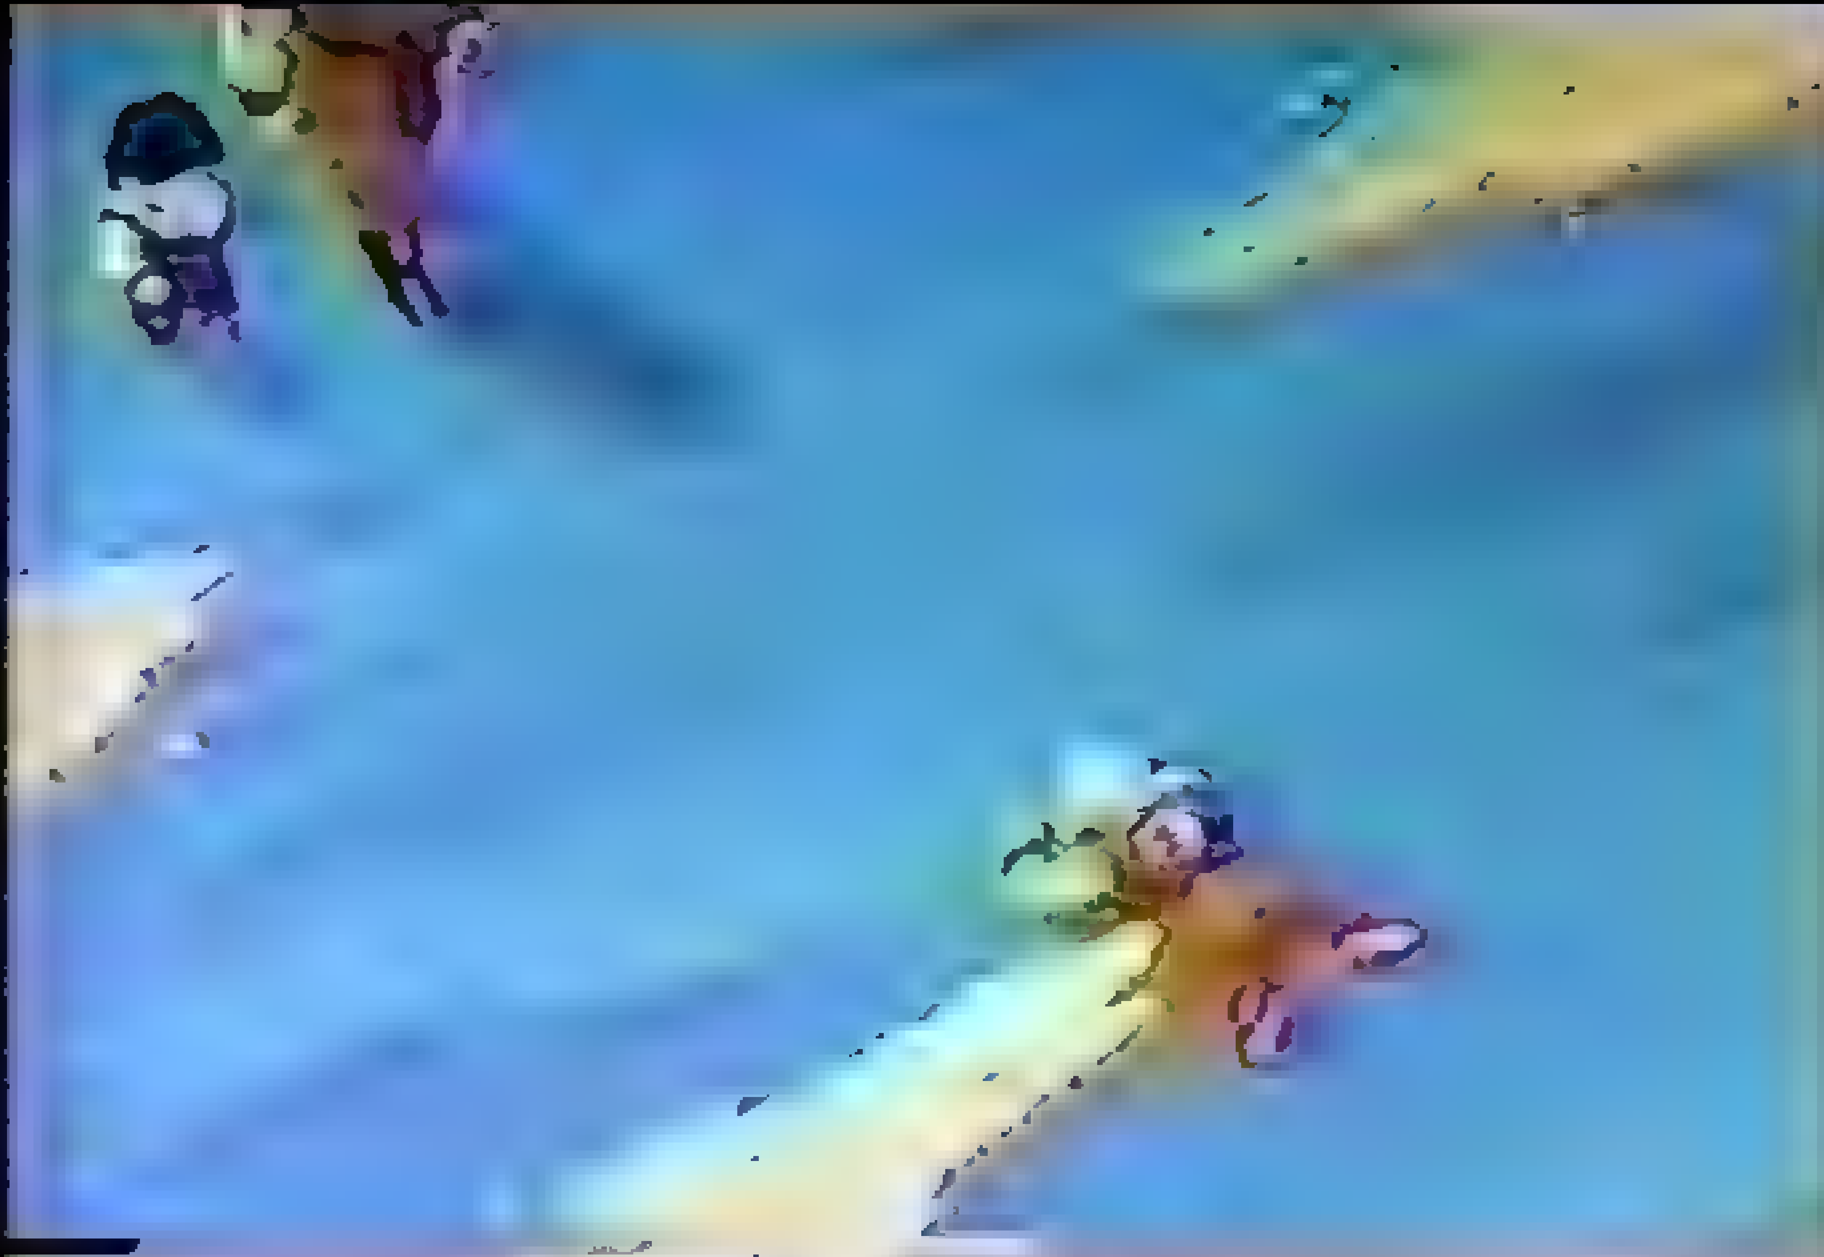

Why is Bejeela in
such bad shape too?

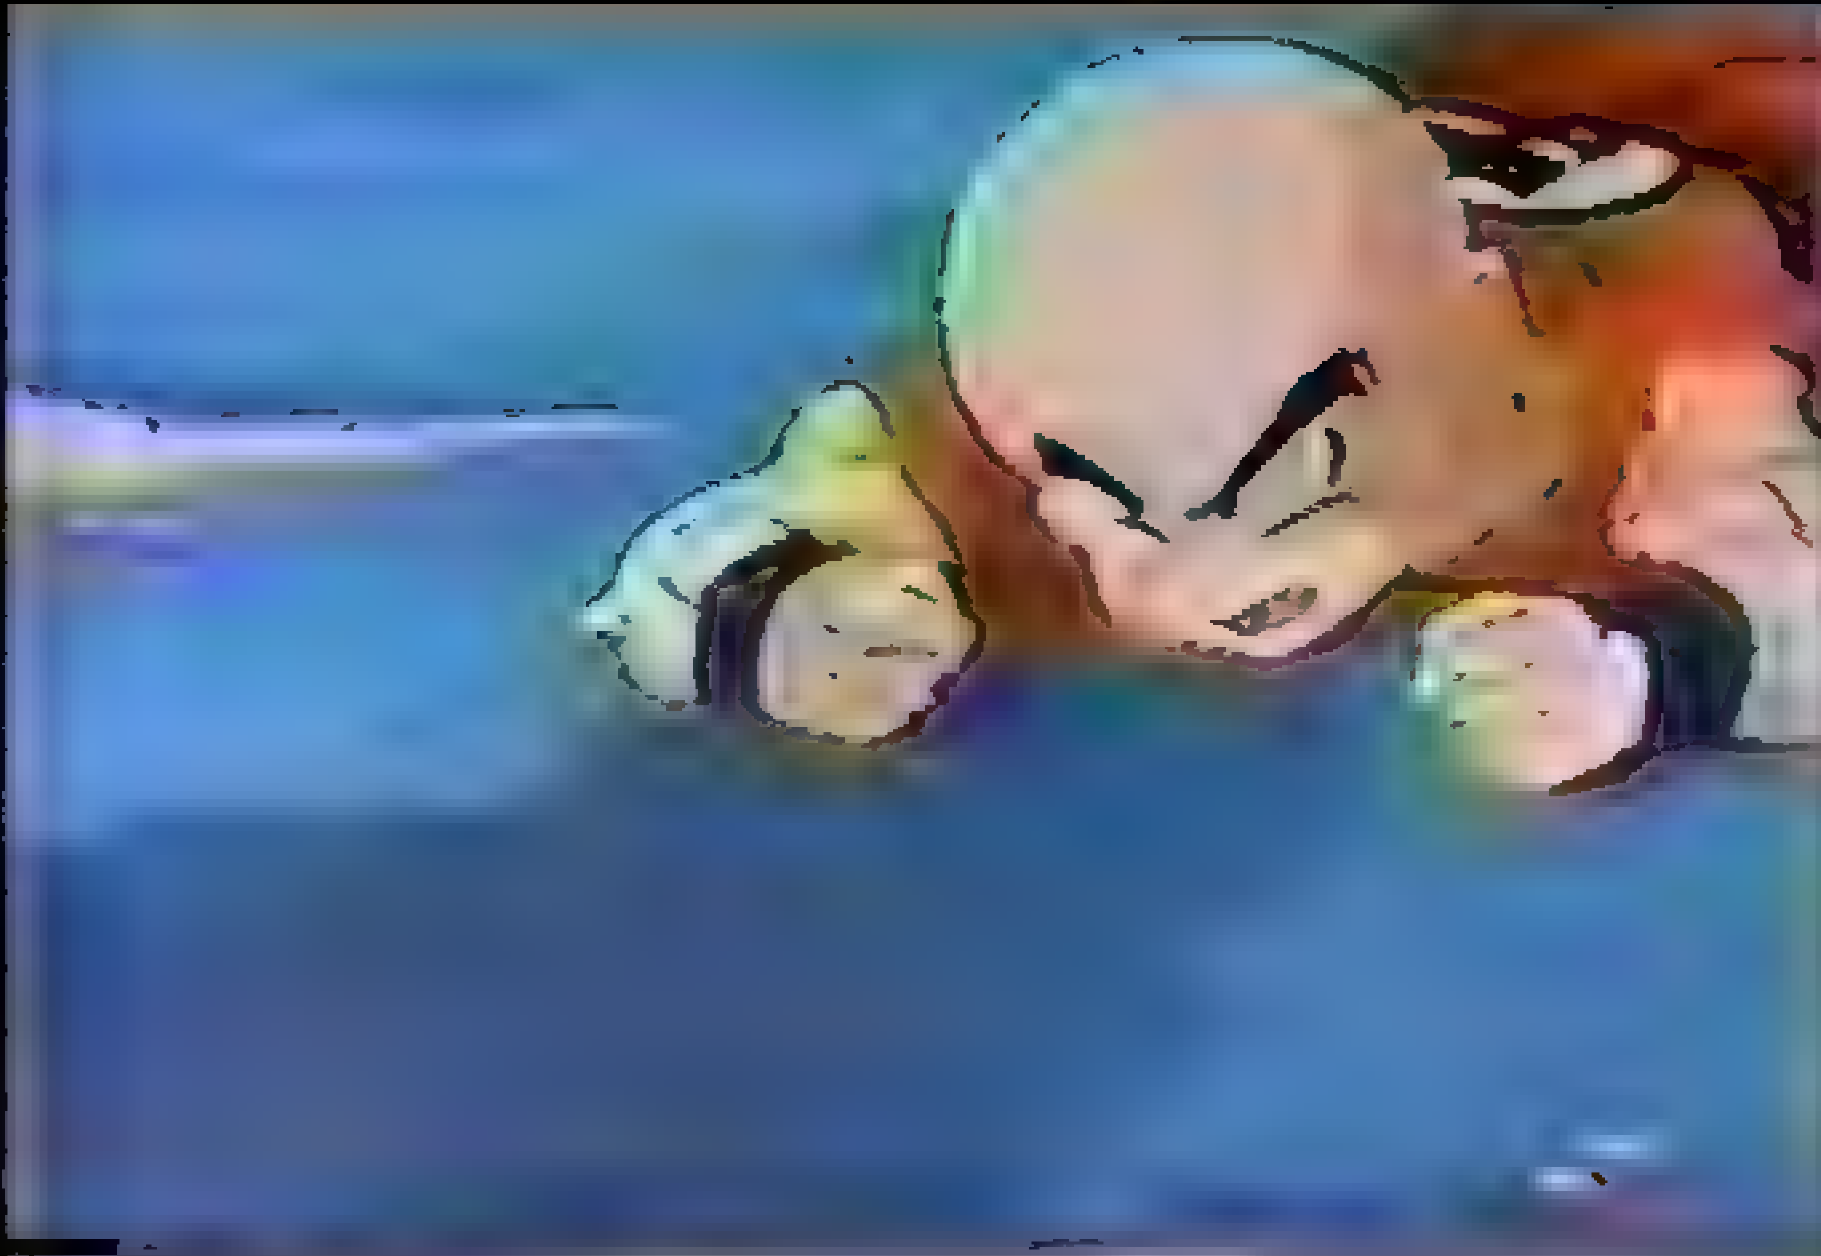

Why is Bejeeta in
such bad shape too?

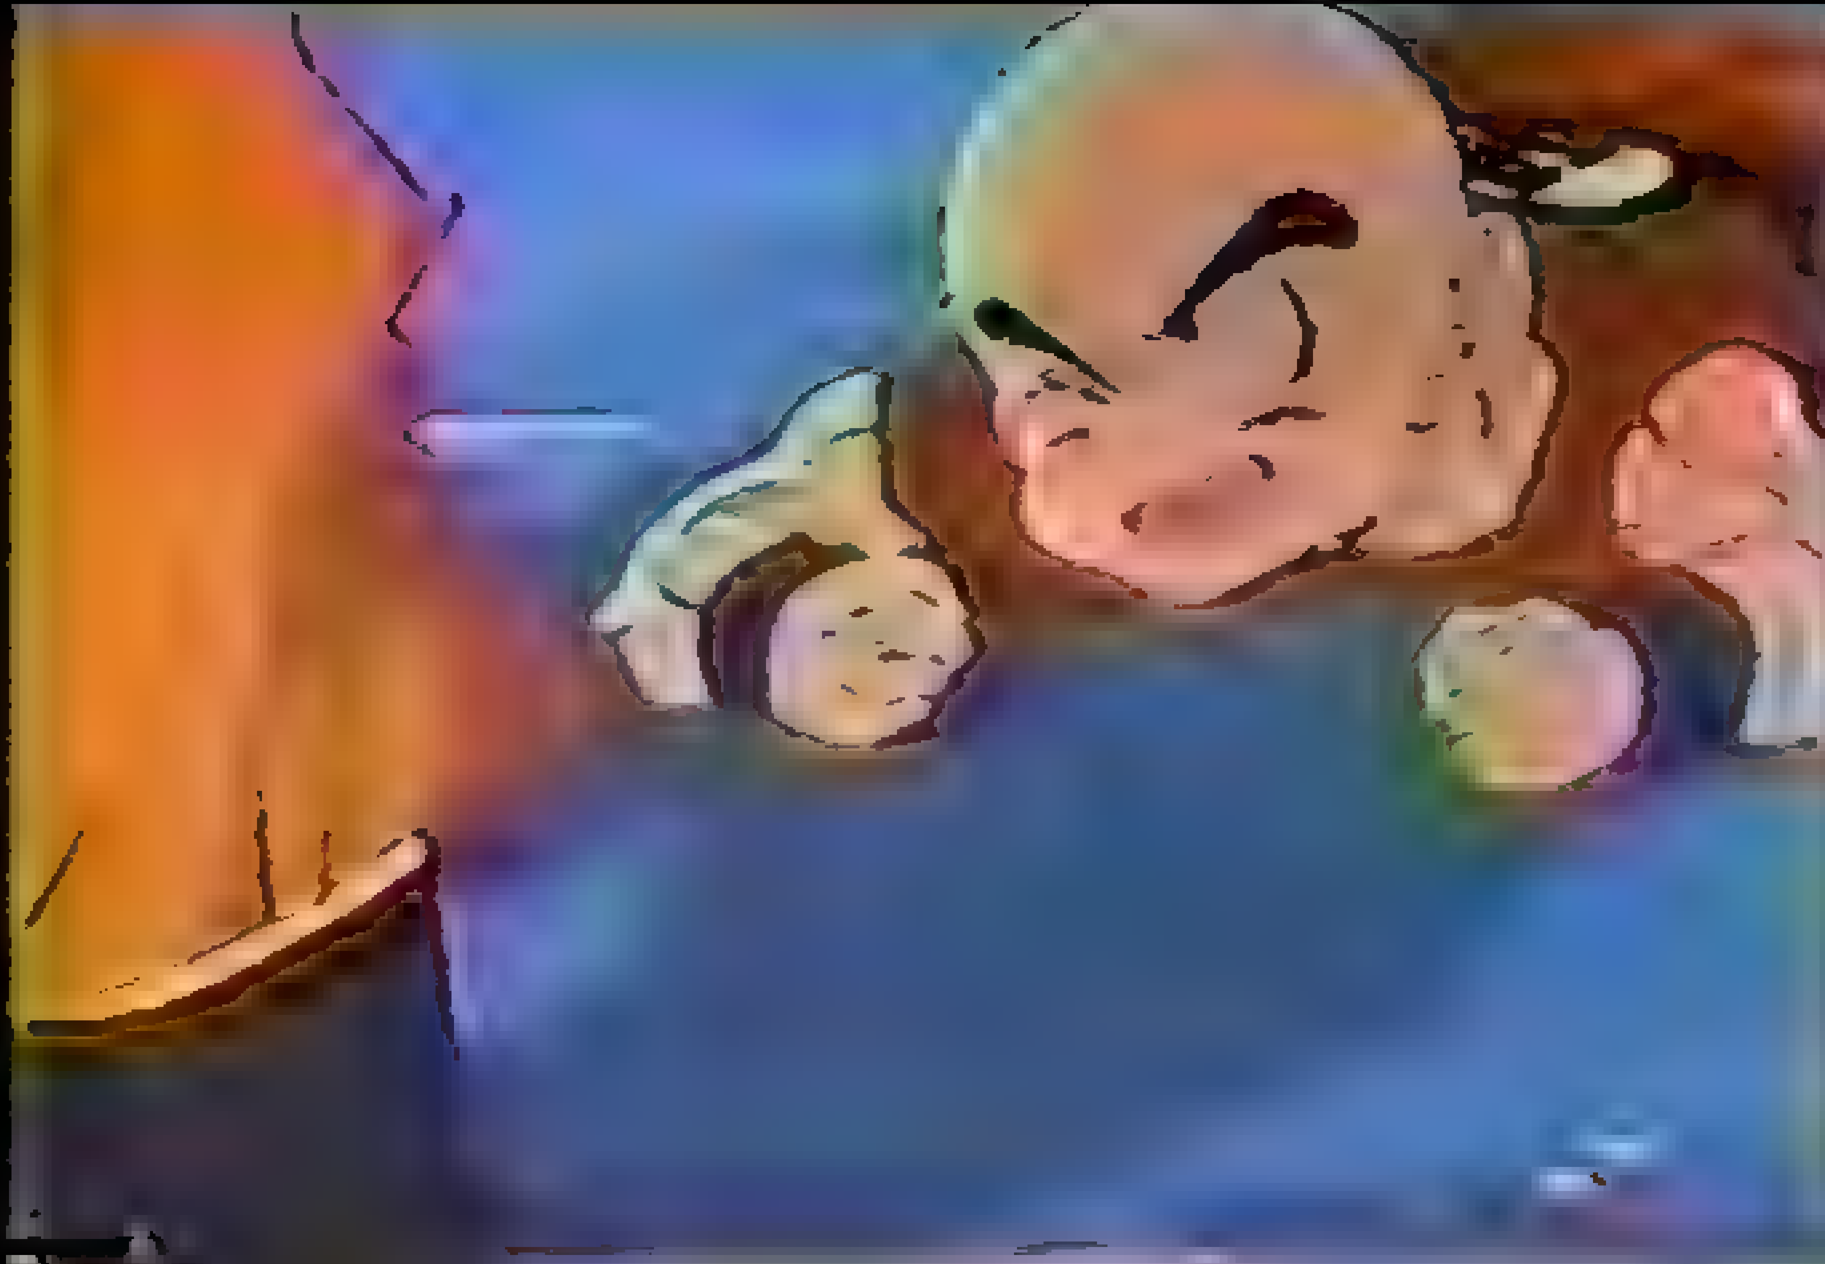

That guy with the pineapple head got him.

They're amazingly strong!

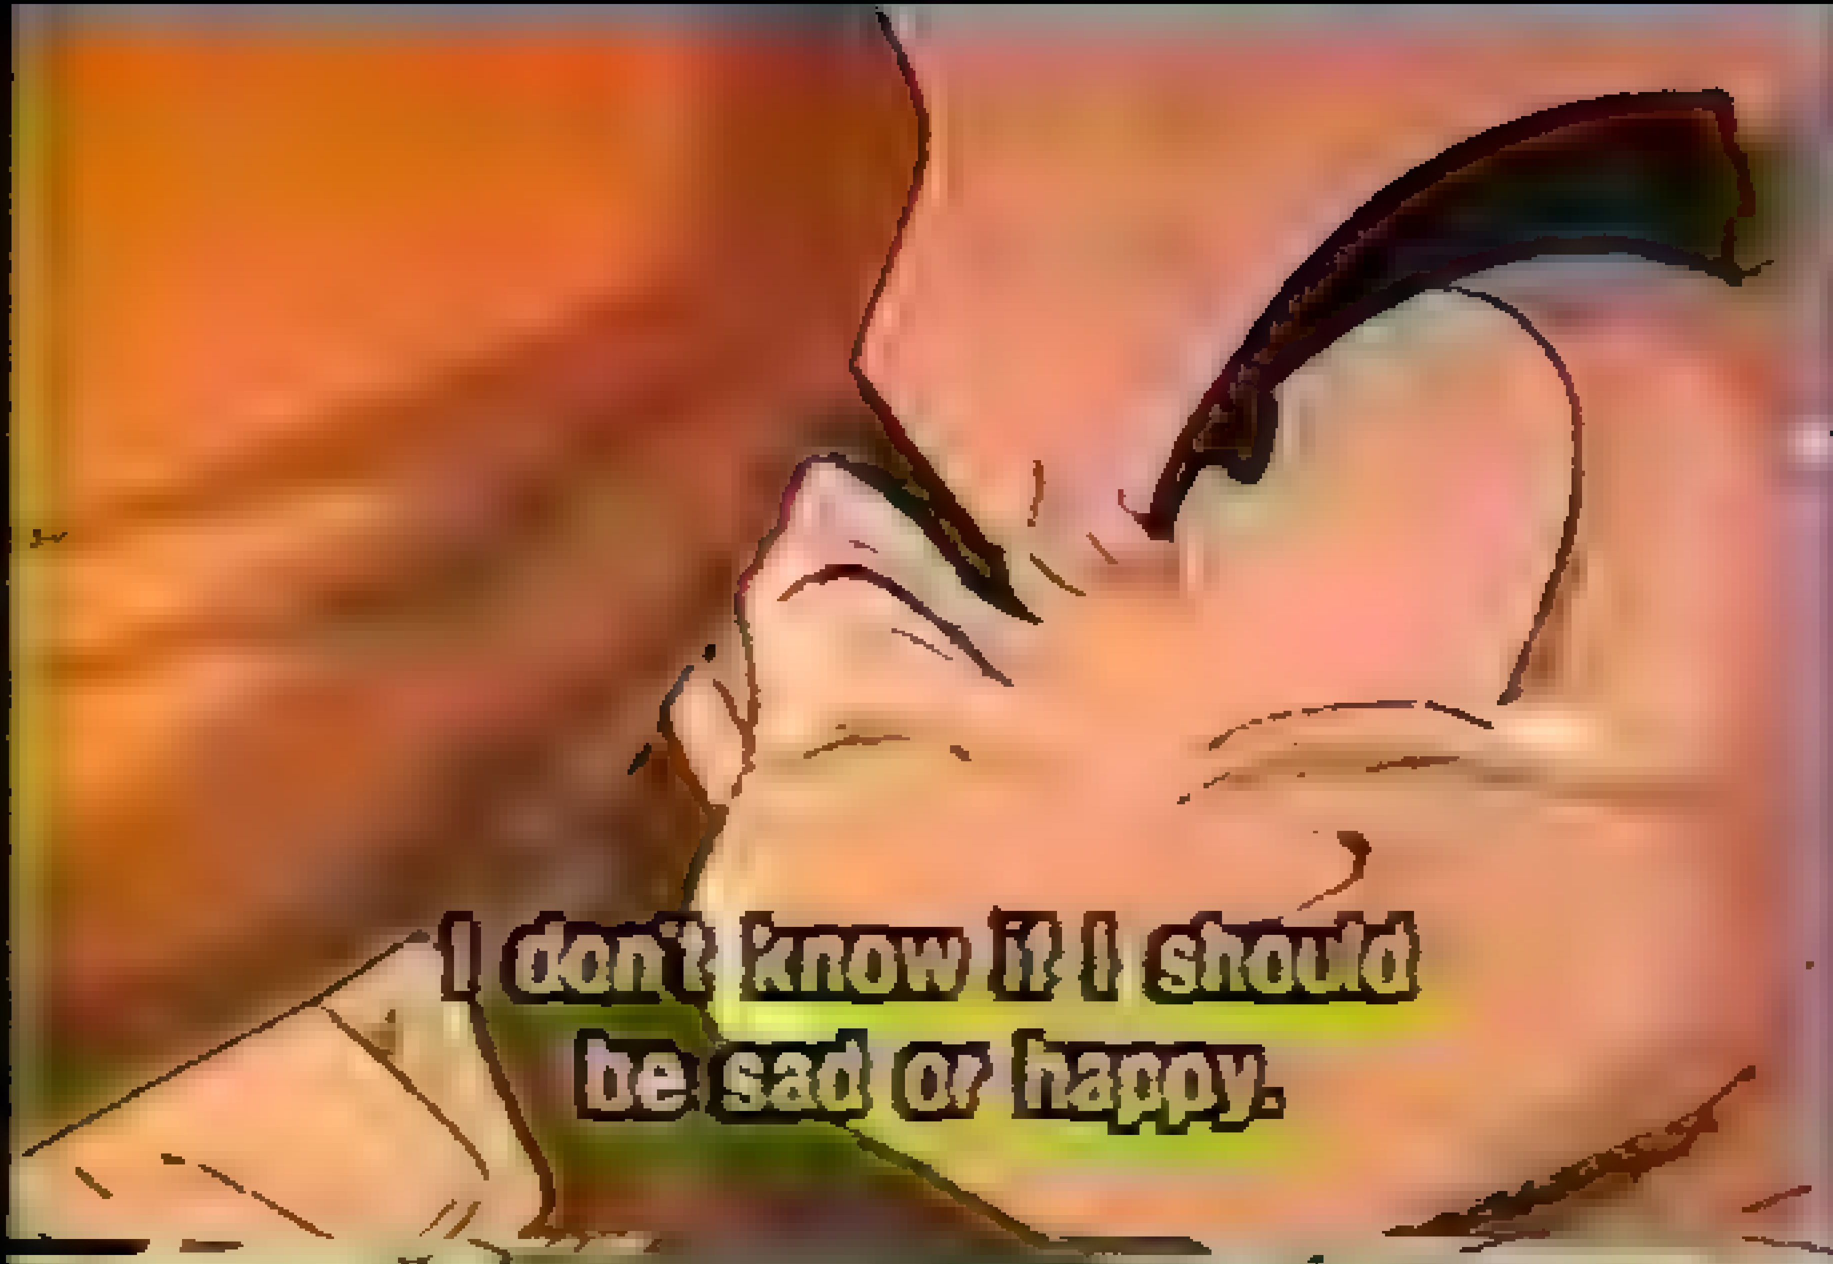

Goku

Thanks for waiting, Kuririn!

Here! Eat a magic bean!

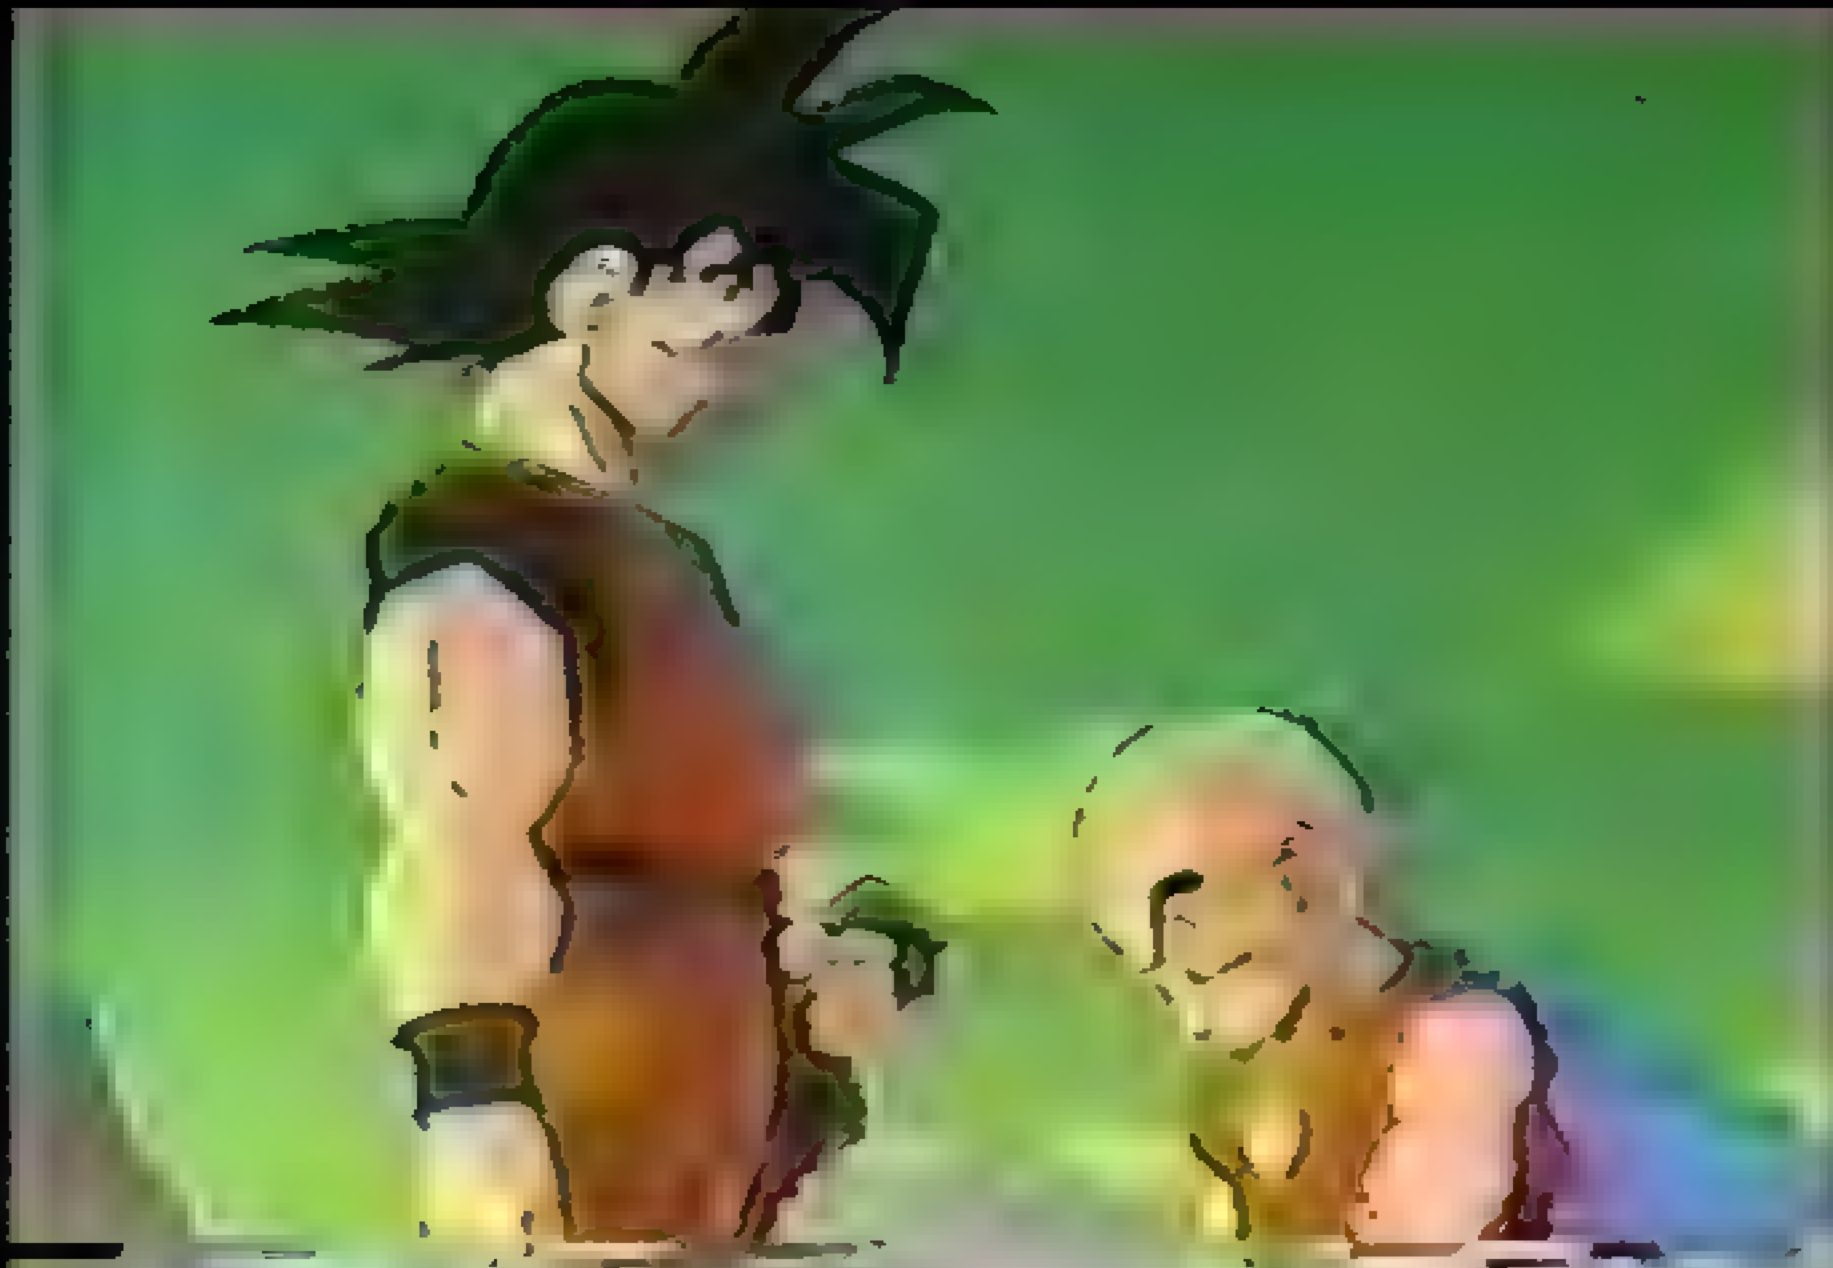

I don't know if I should
be sad or happy.

Sad?

Sad?

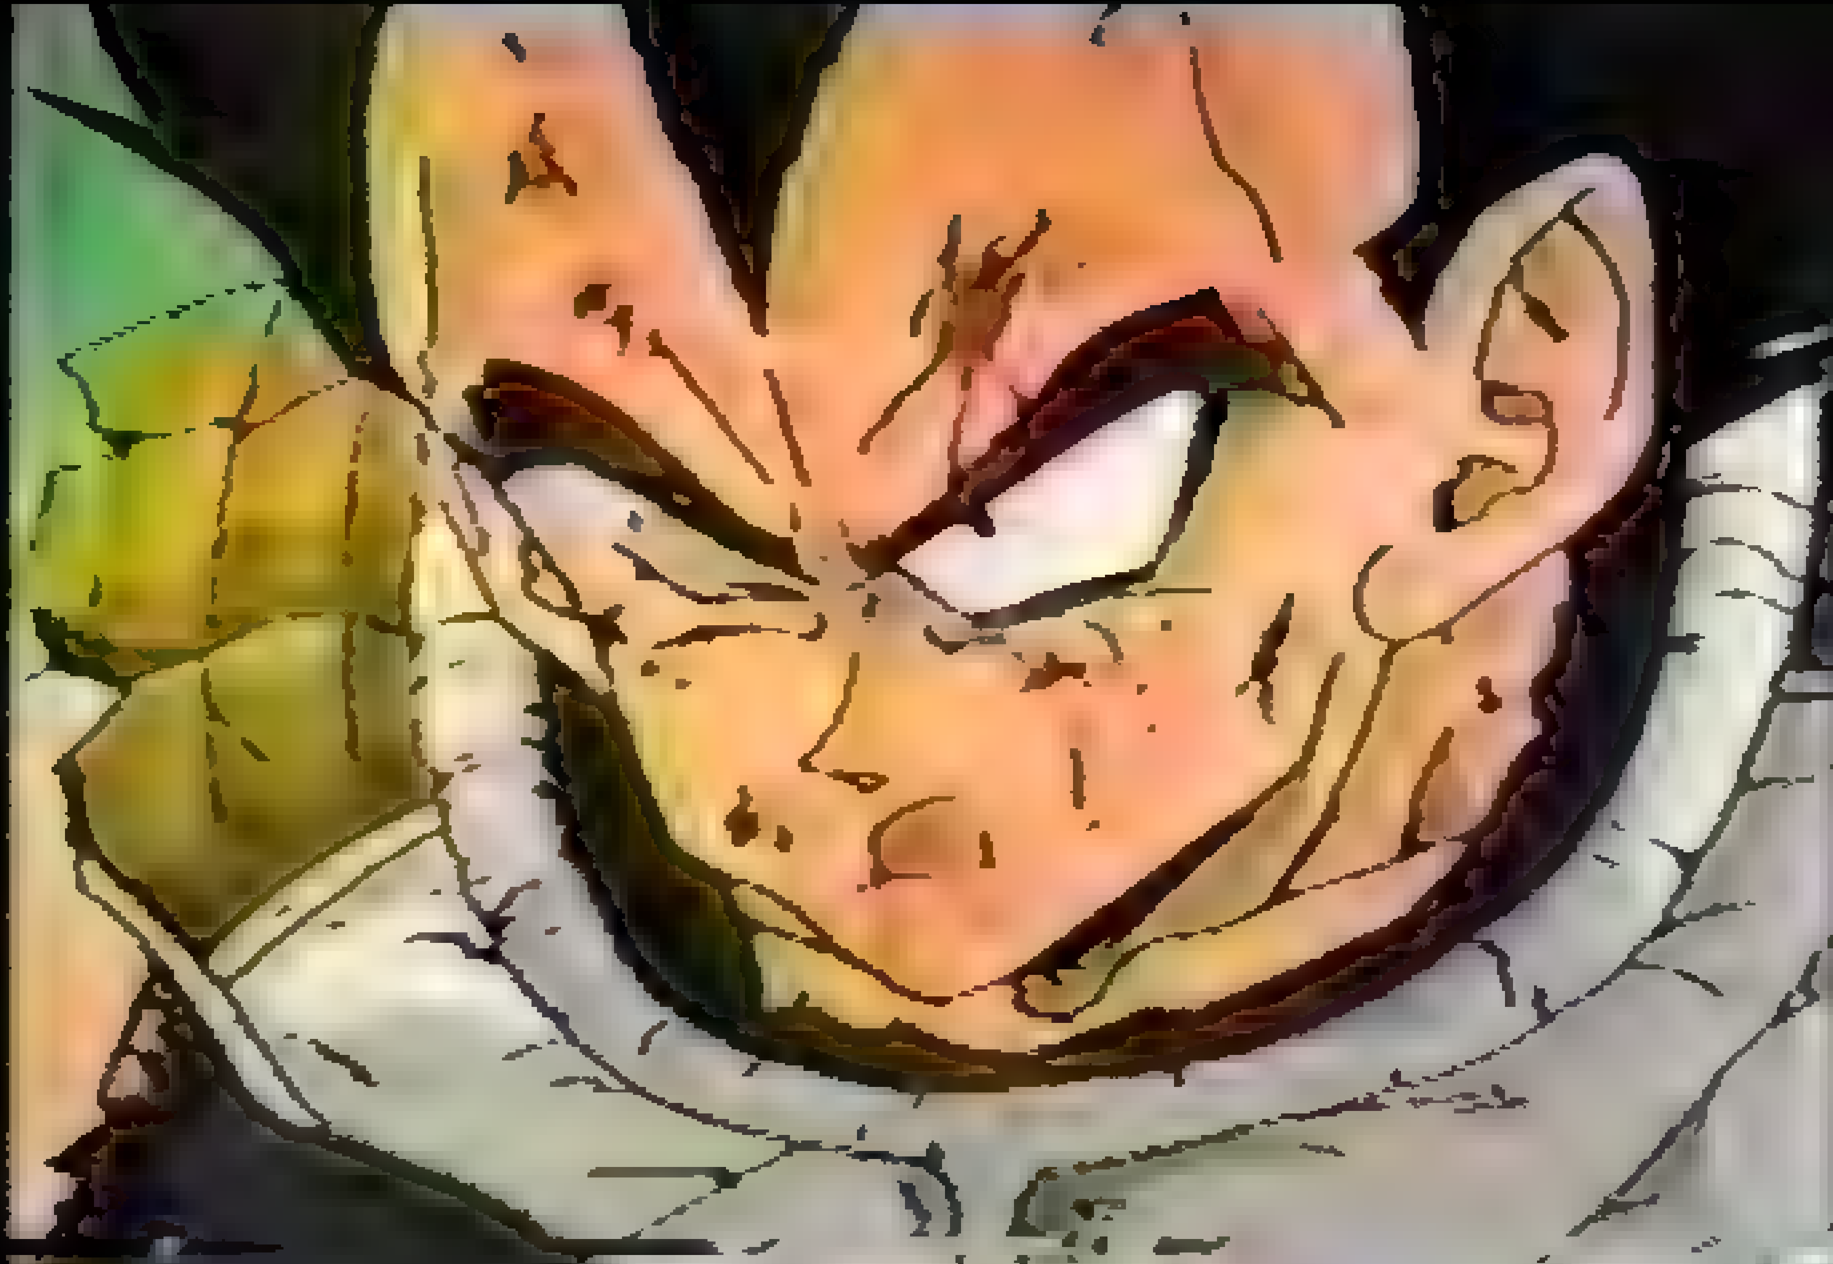

Not again!

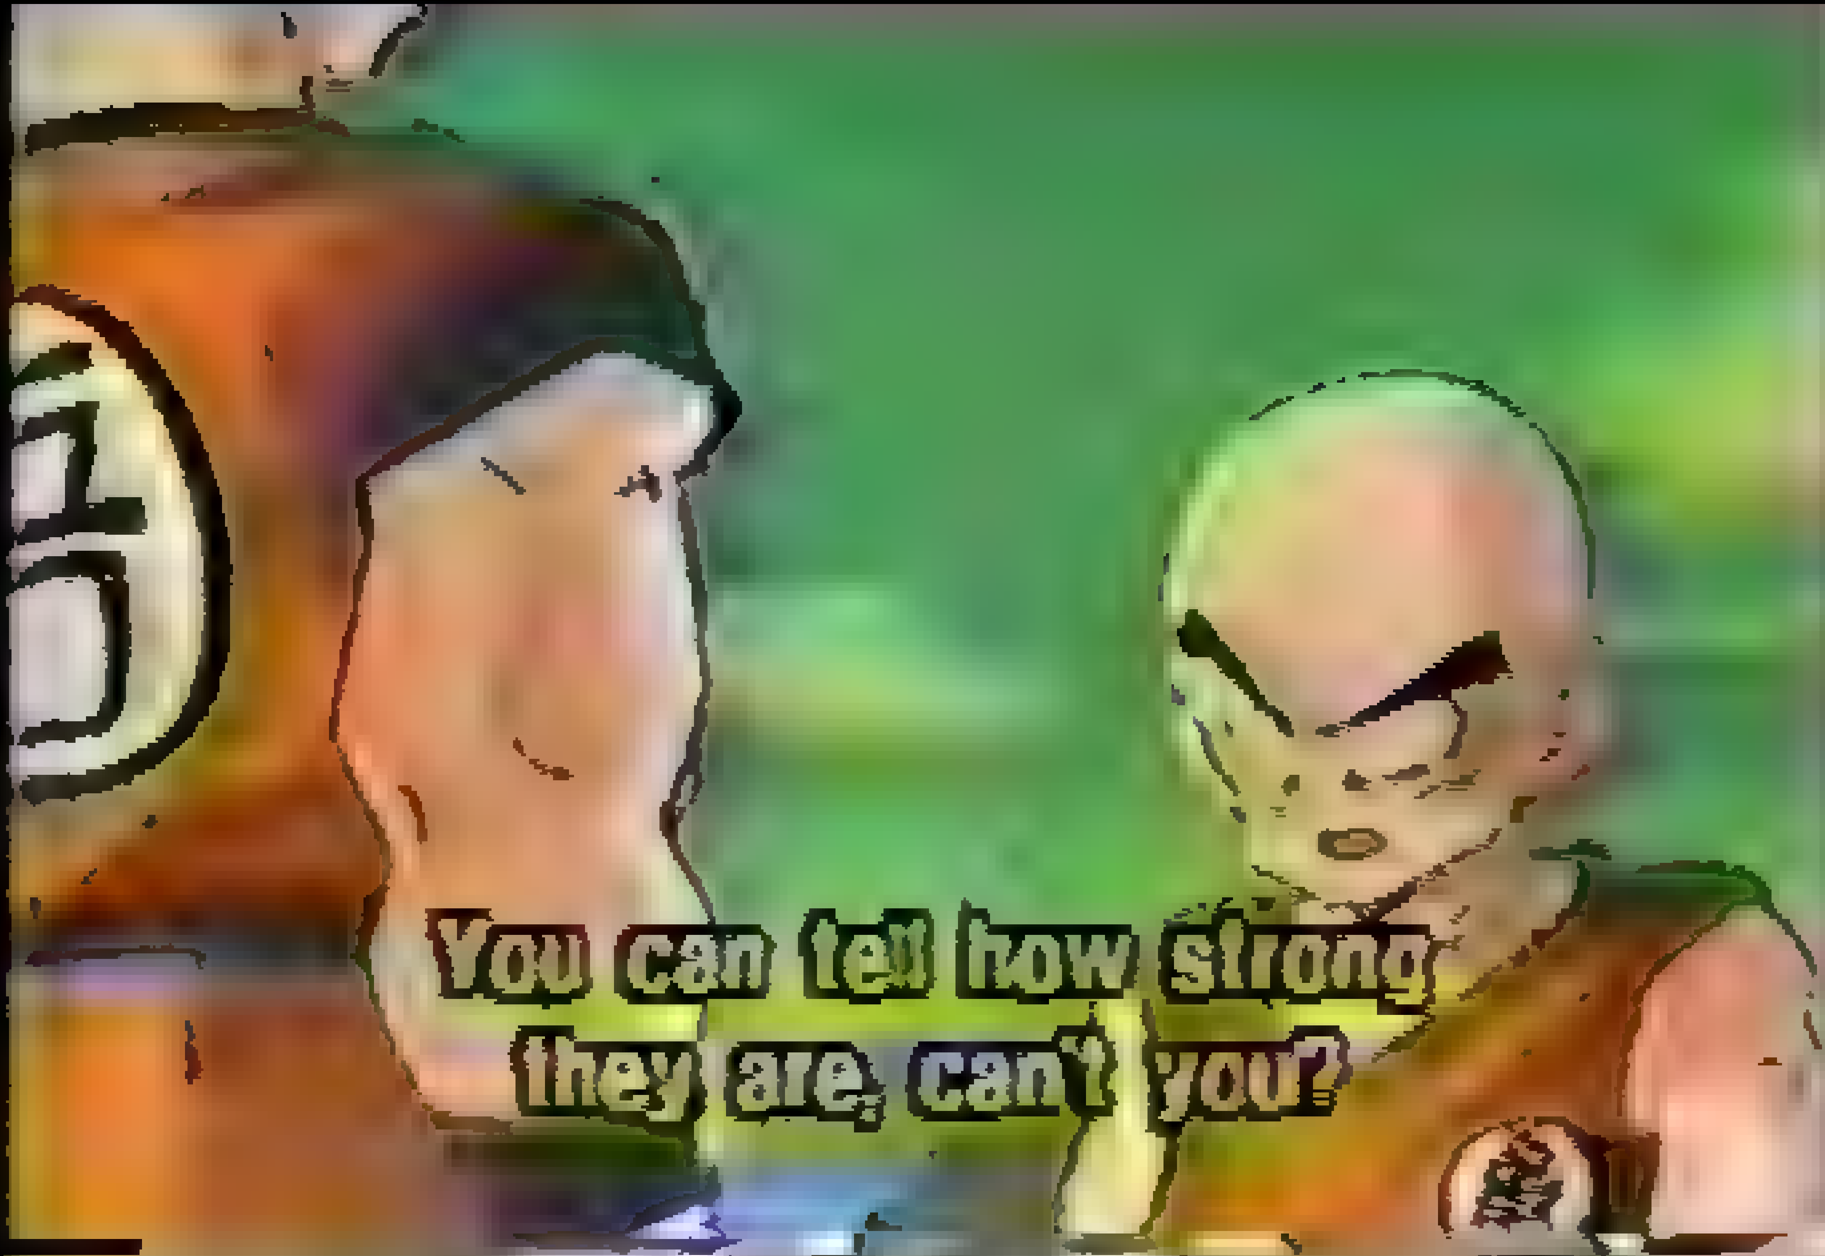

He also recovered!

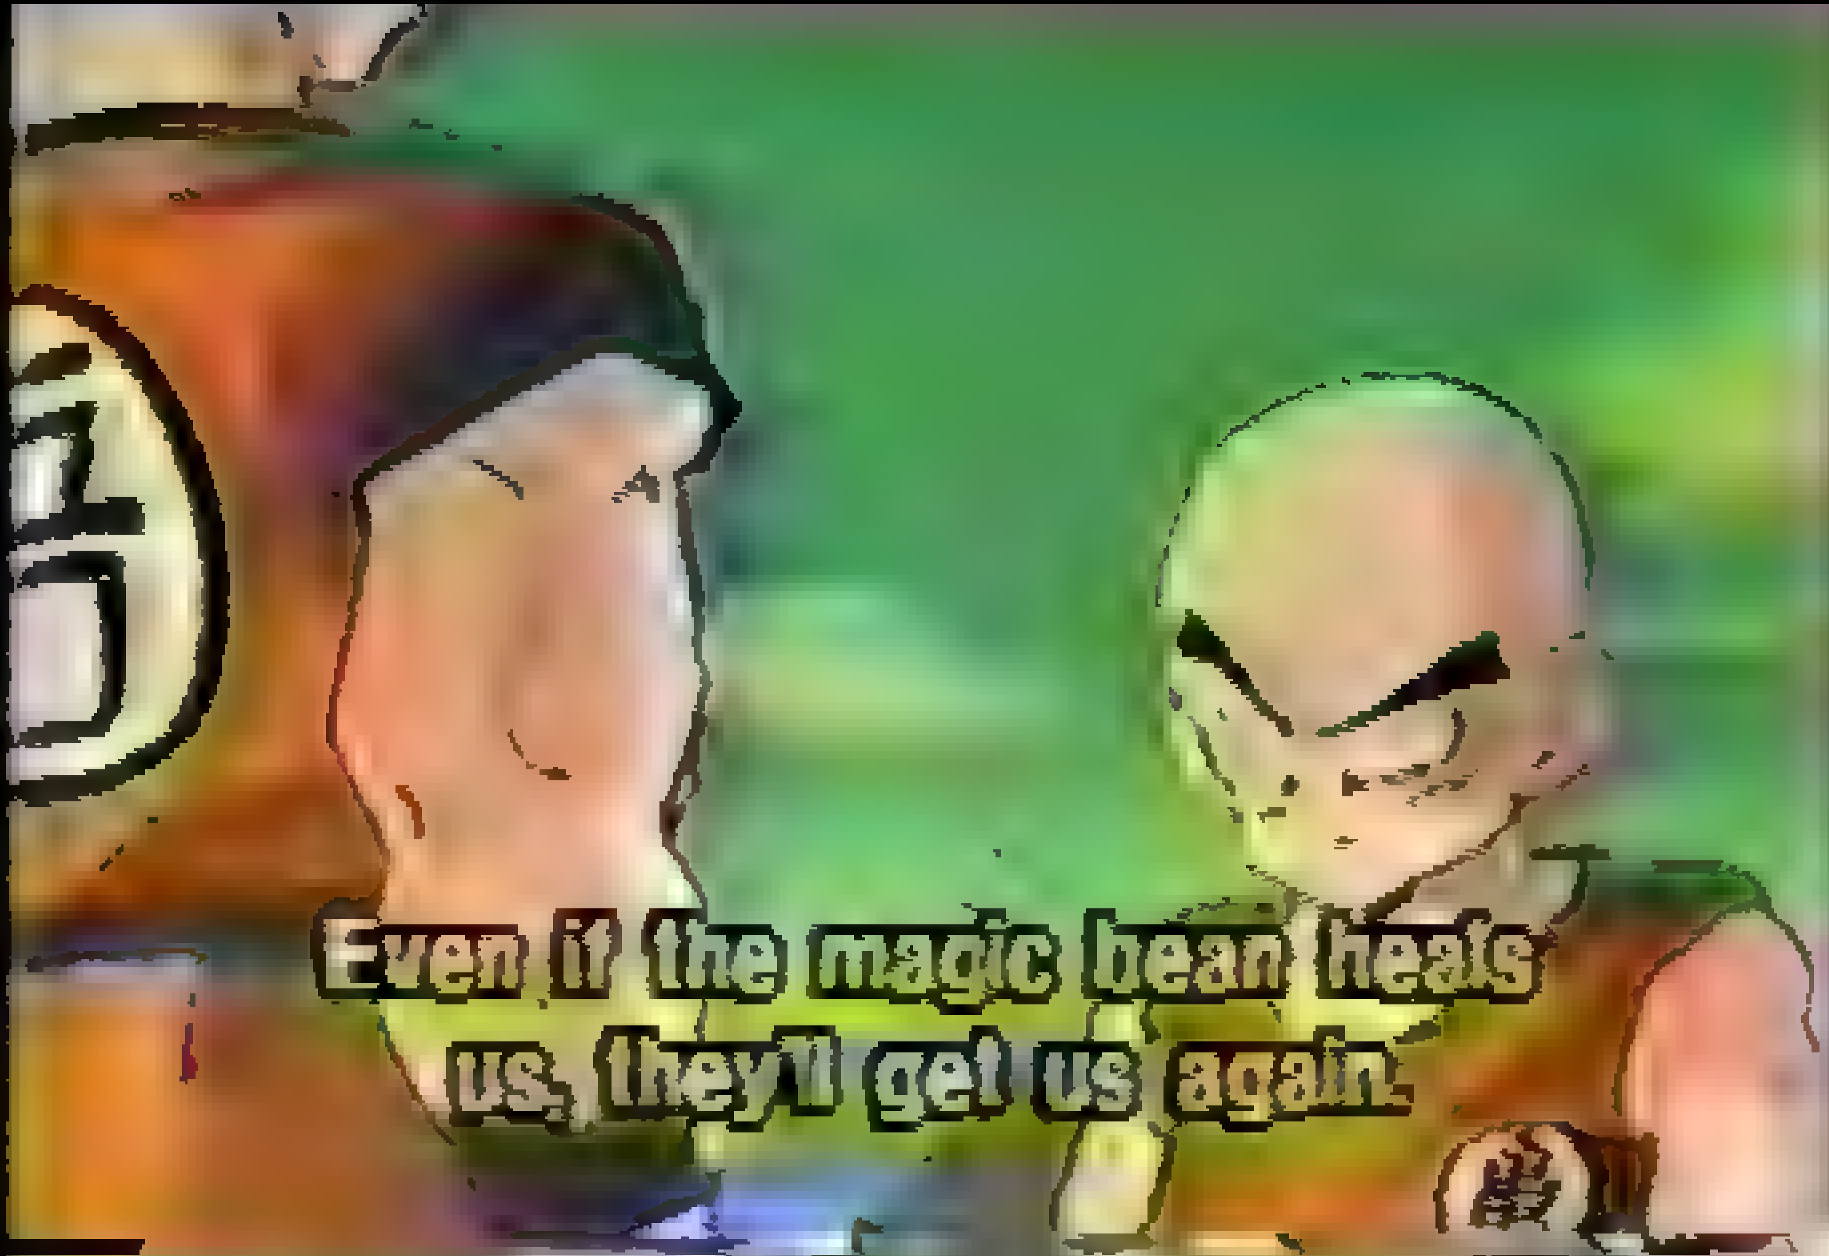

He also recovered!

What are they...?

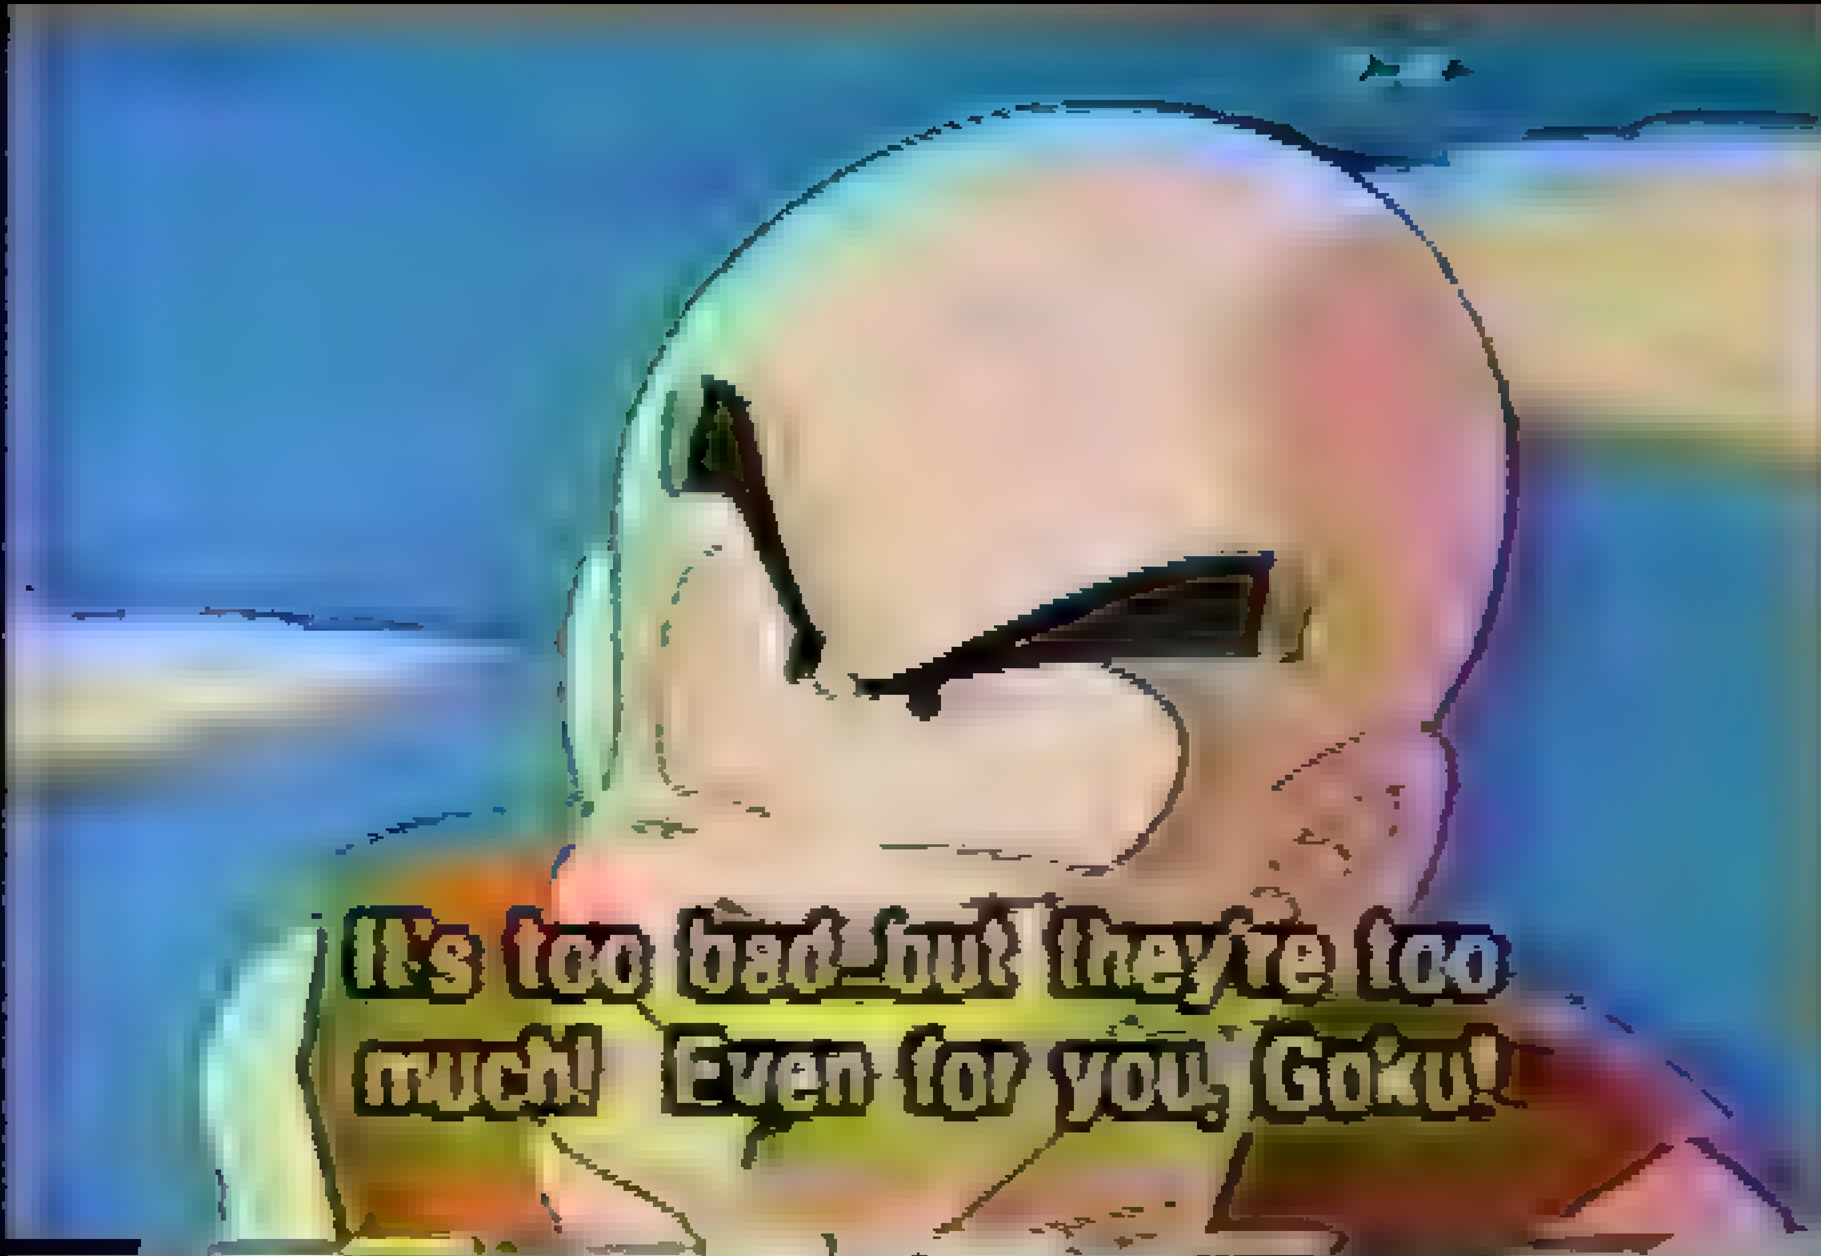

You can tell how strong
they are, can't you?

Even if the magic bean heals
us, they'll get us again.

Even if the magic bean heals

Even if the magic bean heals

It's too bad...but they're too

Their power is unsurpassed.

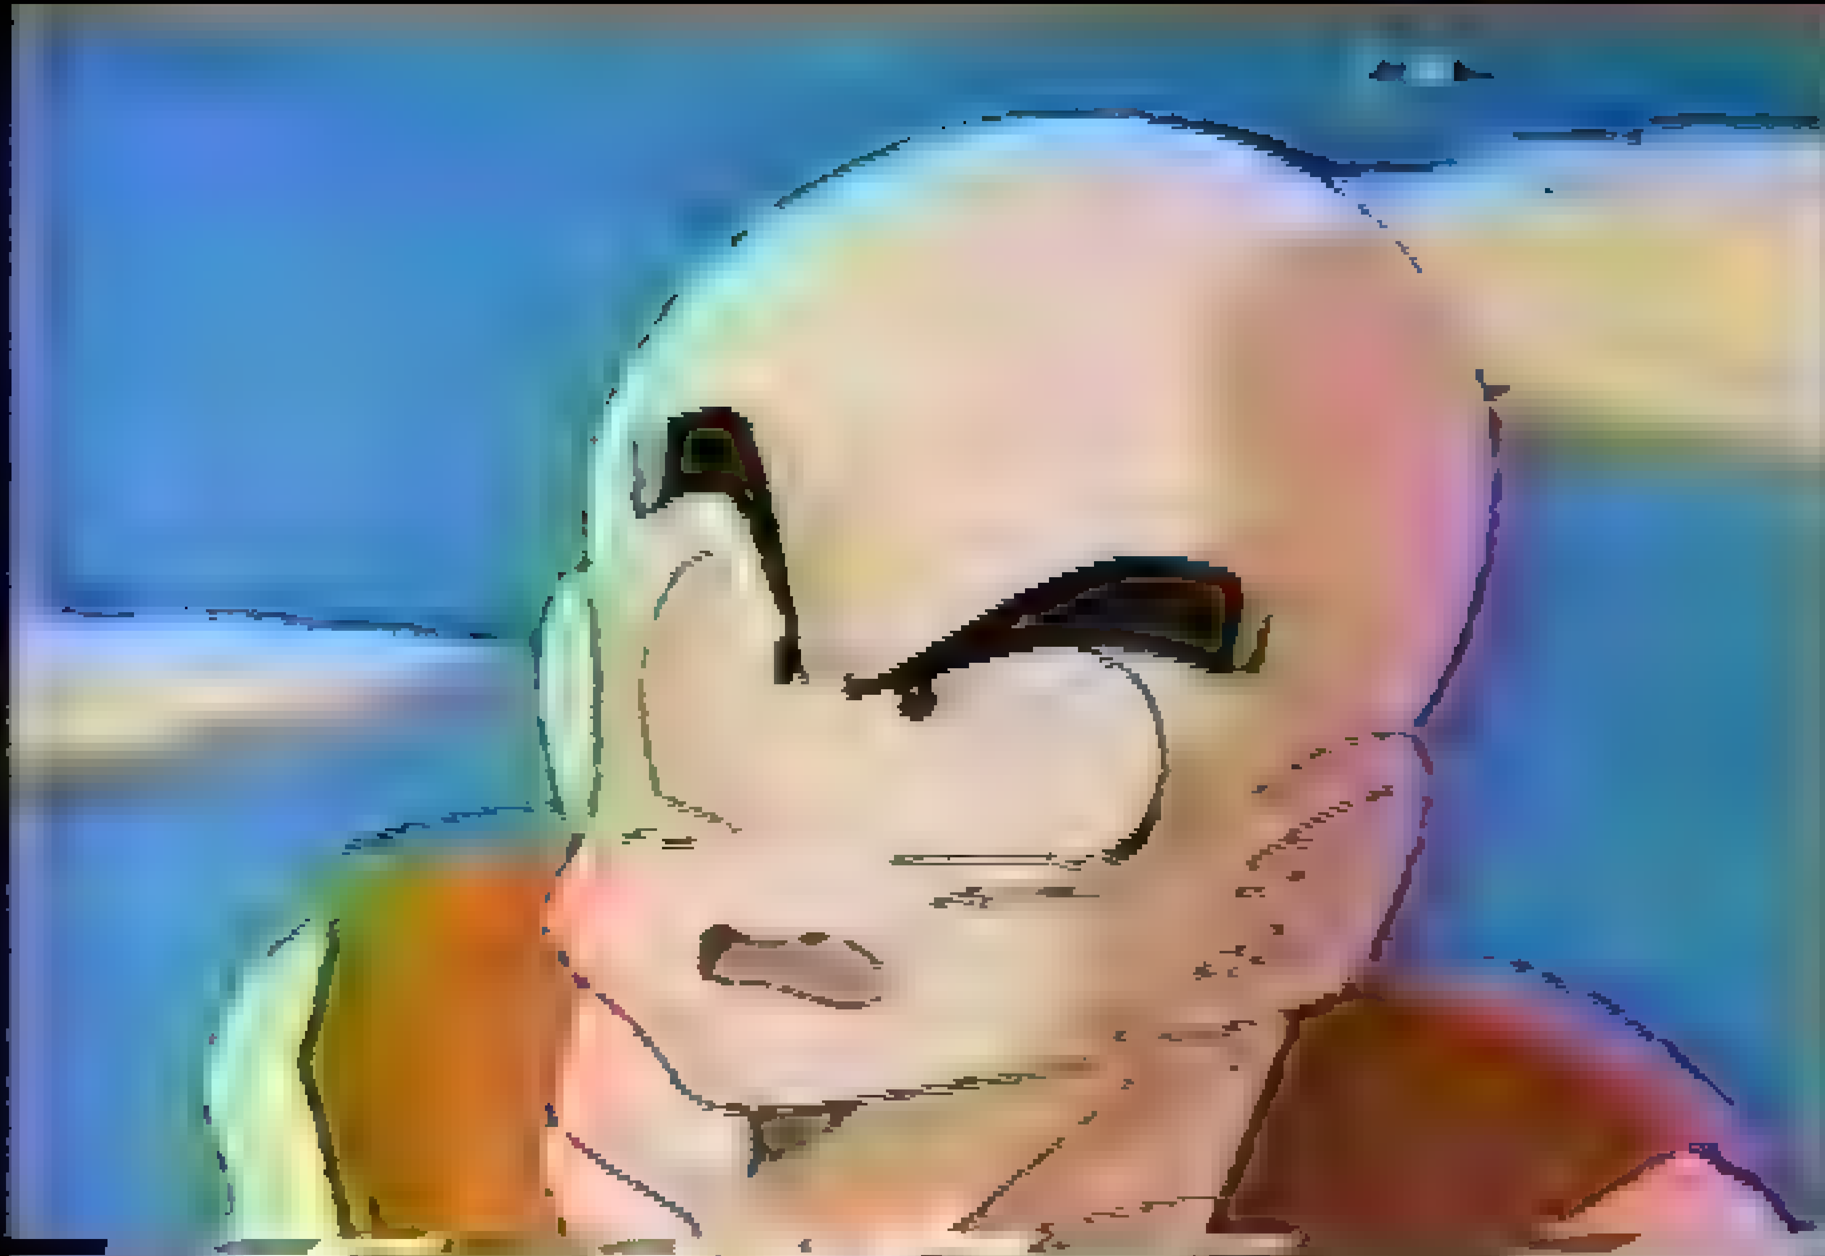

Even Bejeeta was helpless!

That's right...Bejeeta.
But wasn't he one of them?

That's right...Bejeeta.

You don't have to tell me.
Let me find out.

Lord Freezer and

Dad..

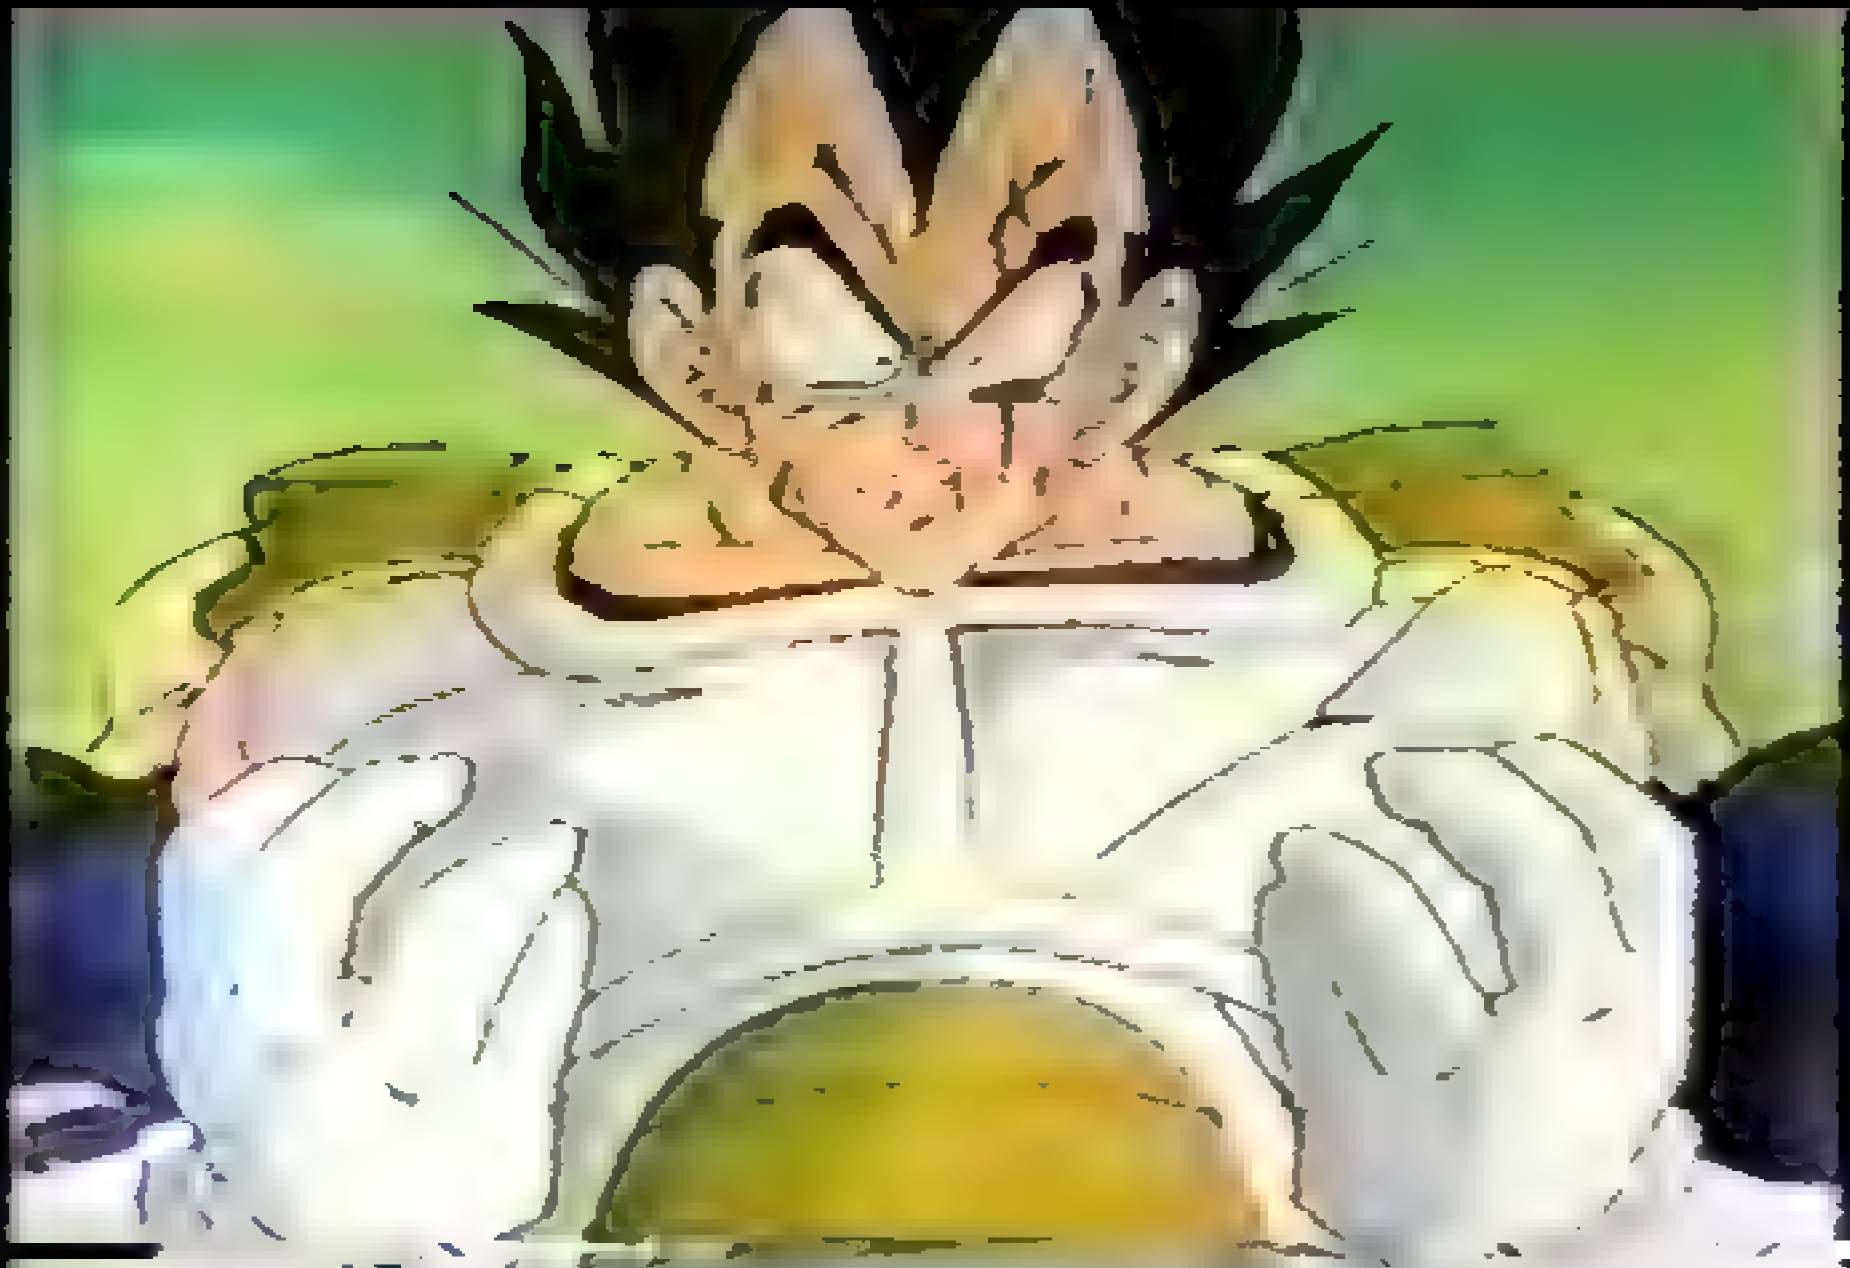

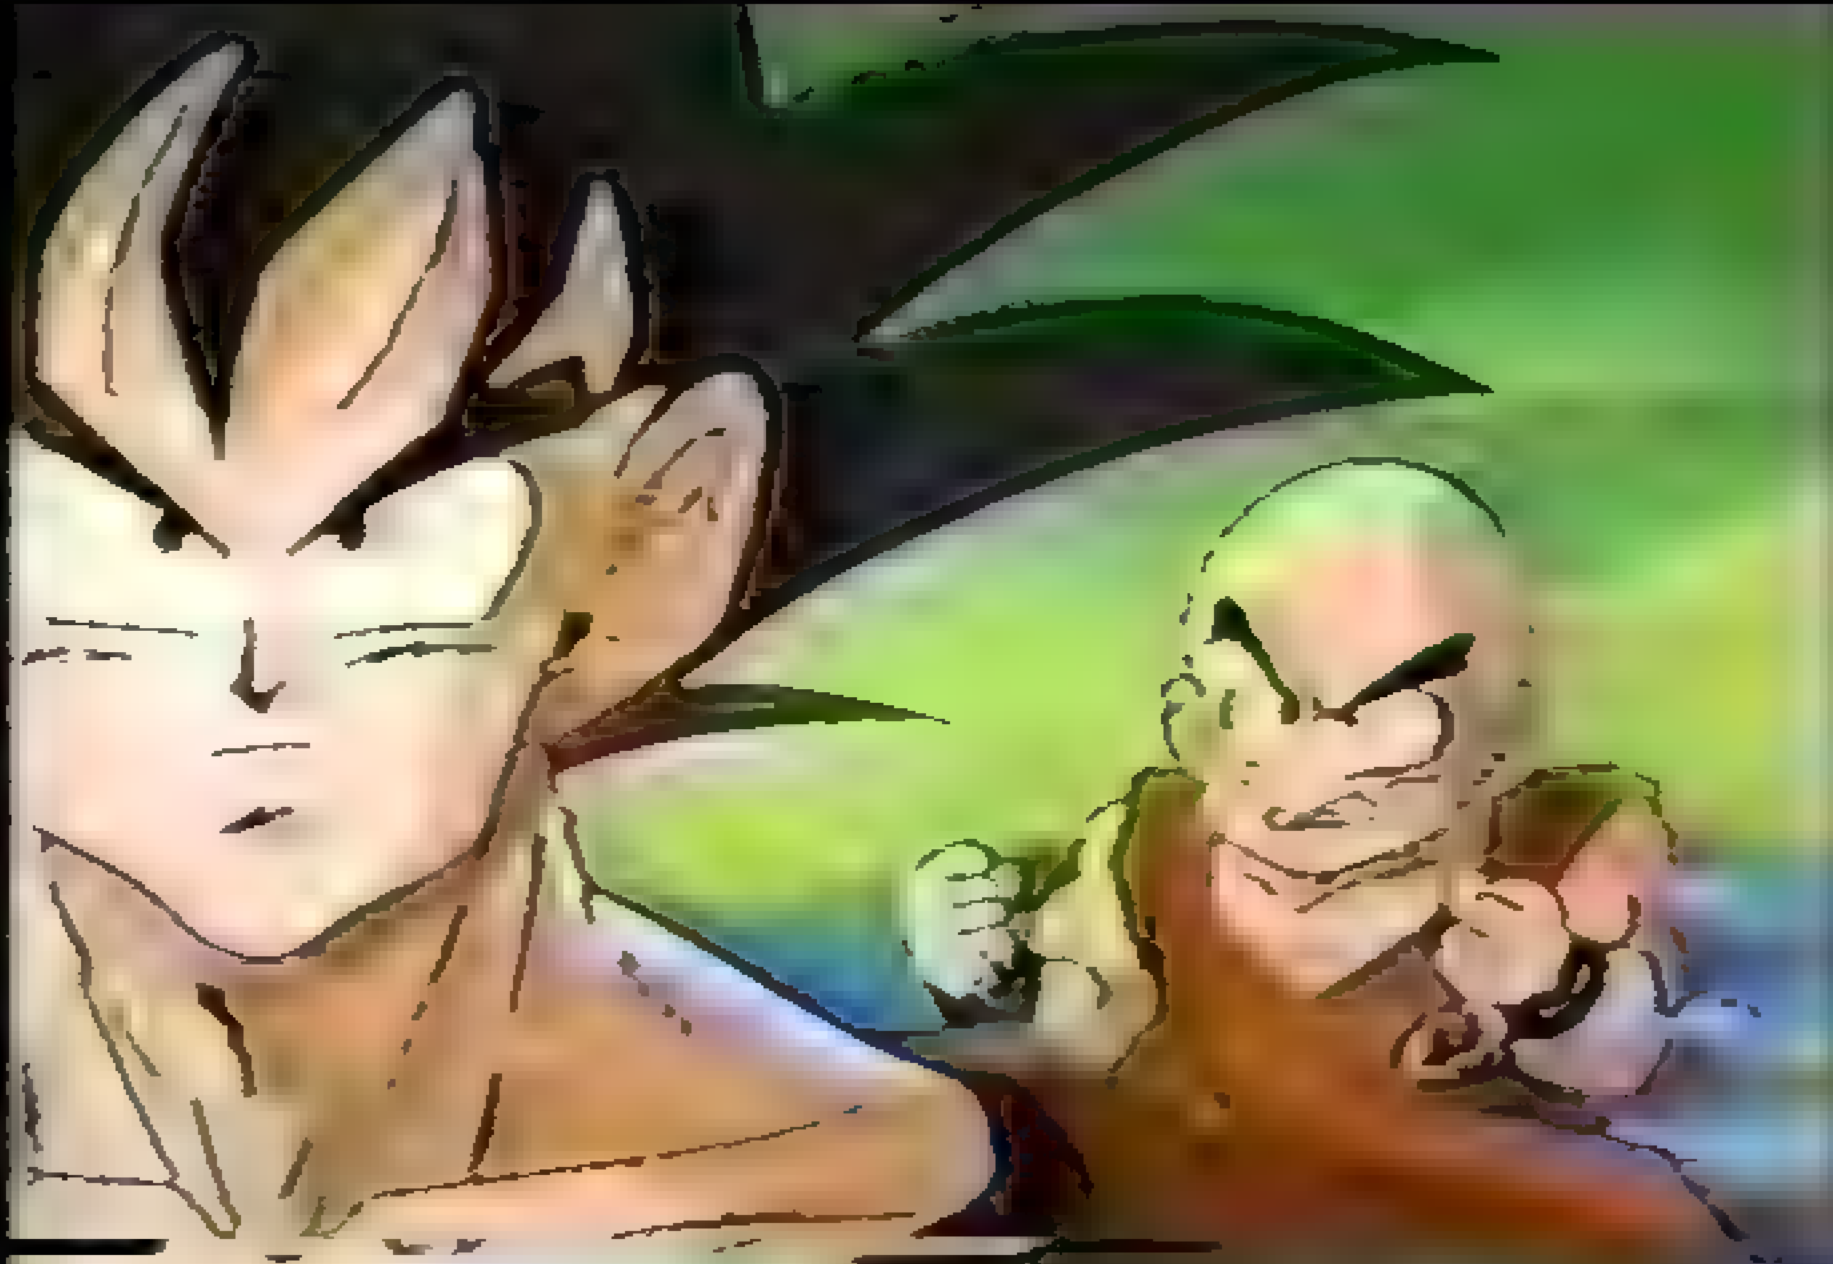

My body is...!

You're a fool!

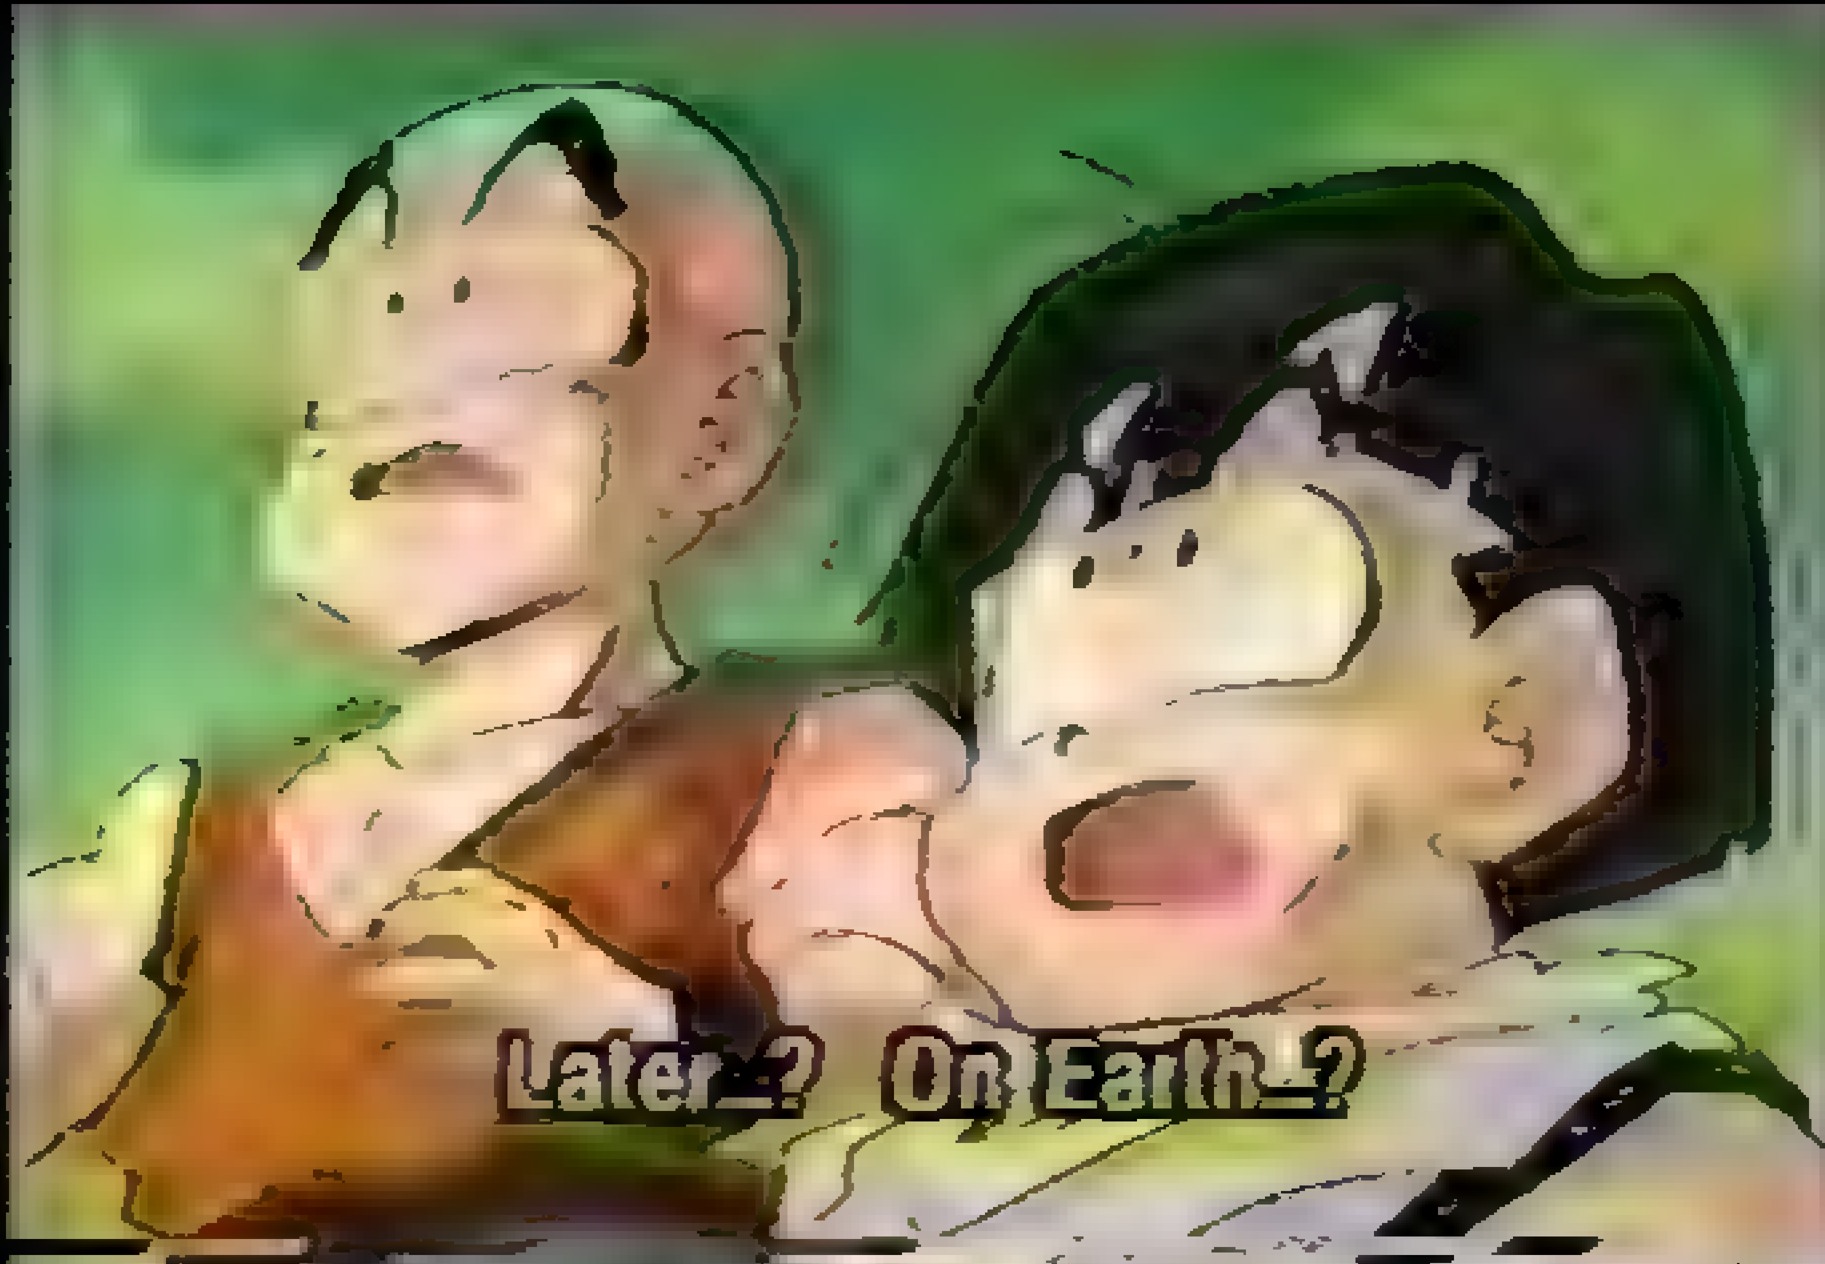

Do you intend to heal
and fight together?

Even that won't...!

No, I don't.

I want to settle things
with him later on Earth

Later...? On Earth...?

I'll take care of these
guys by myself!

By yourself!

Dad..?

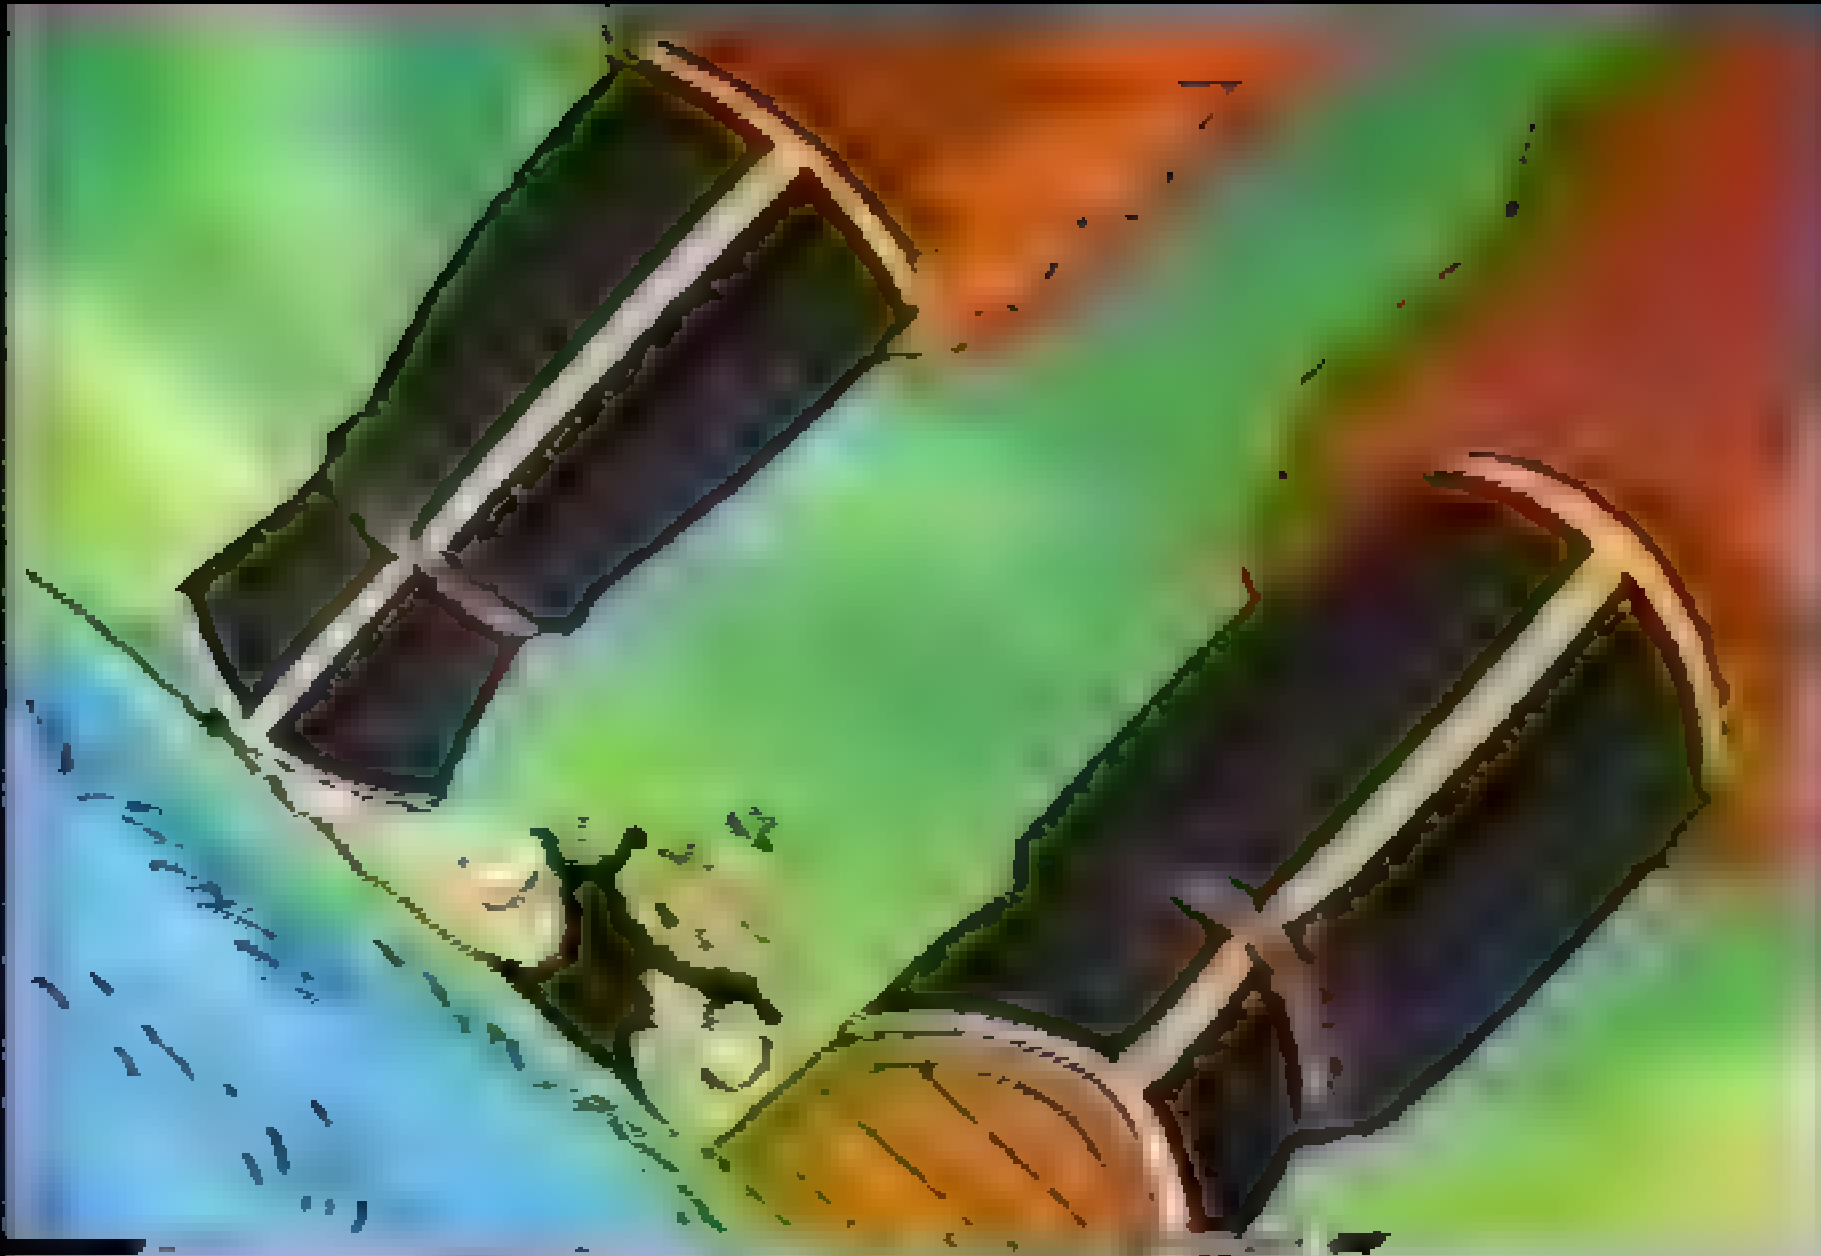

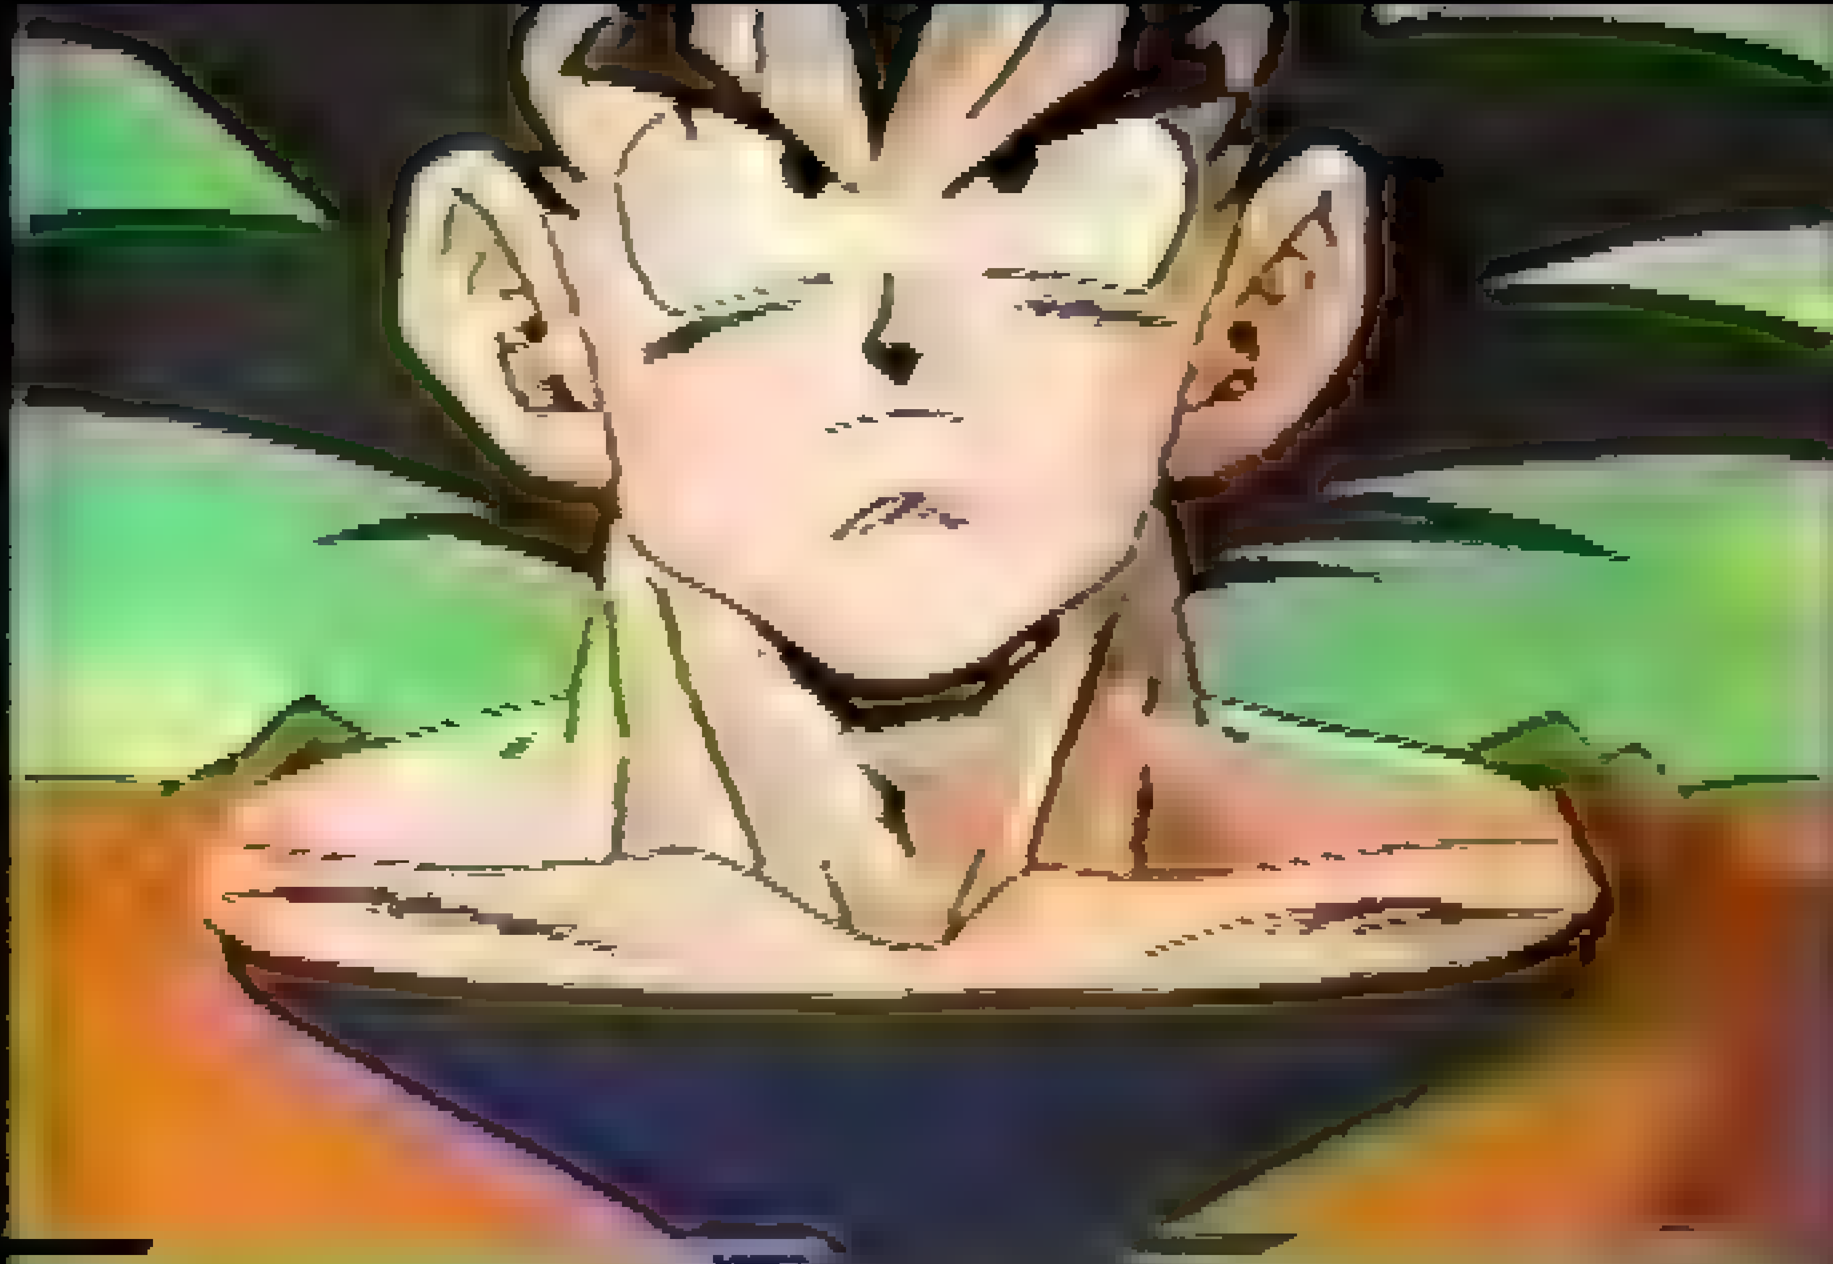

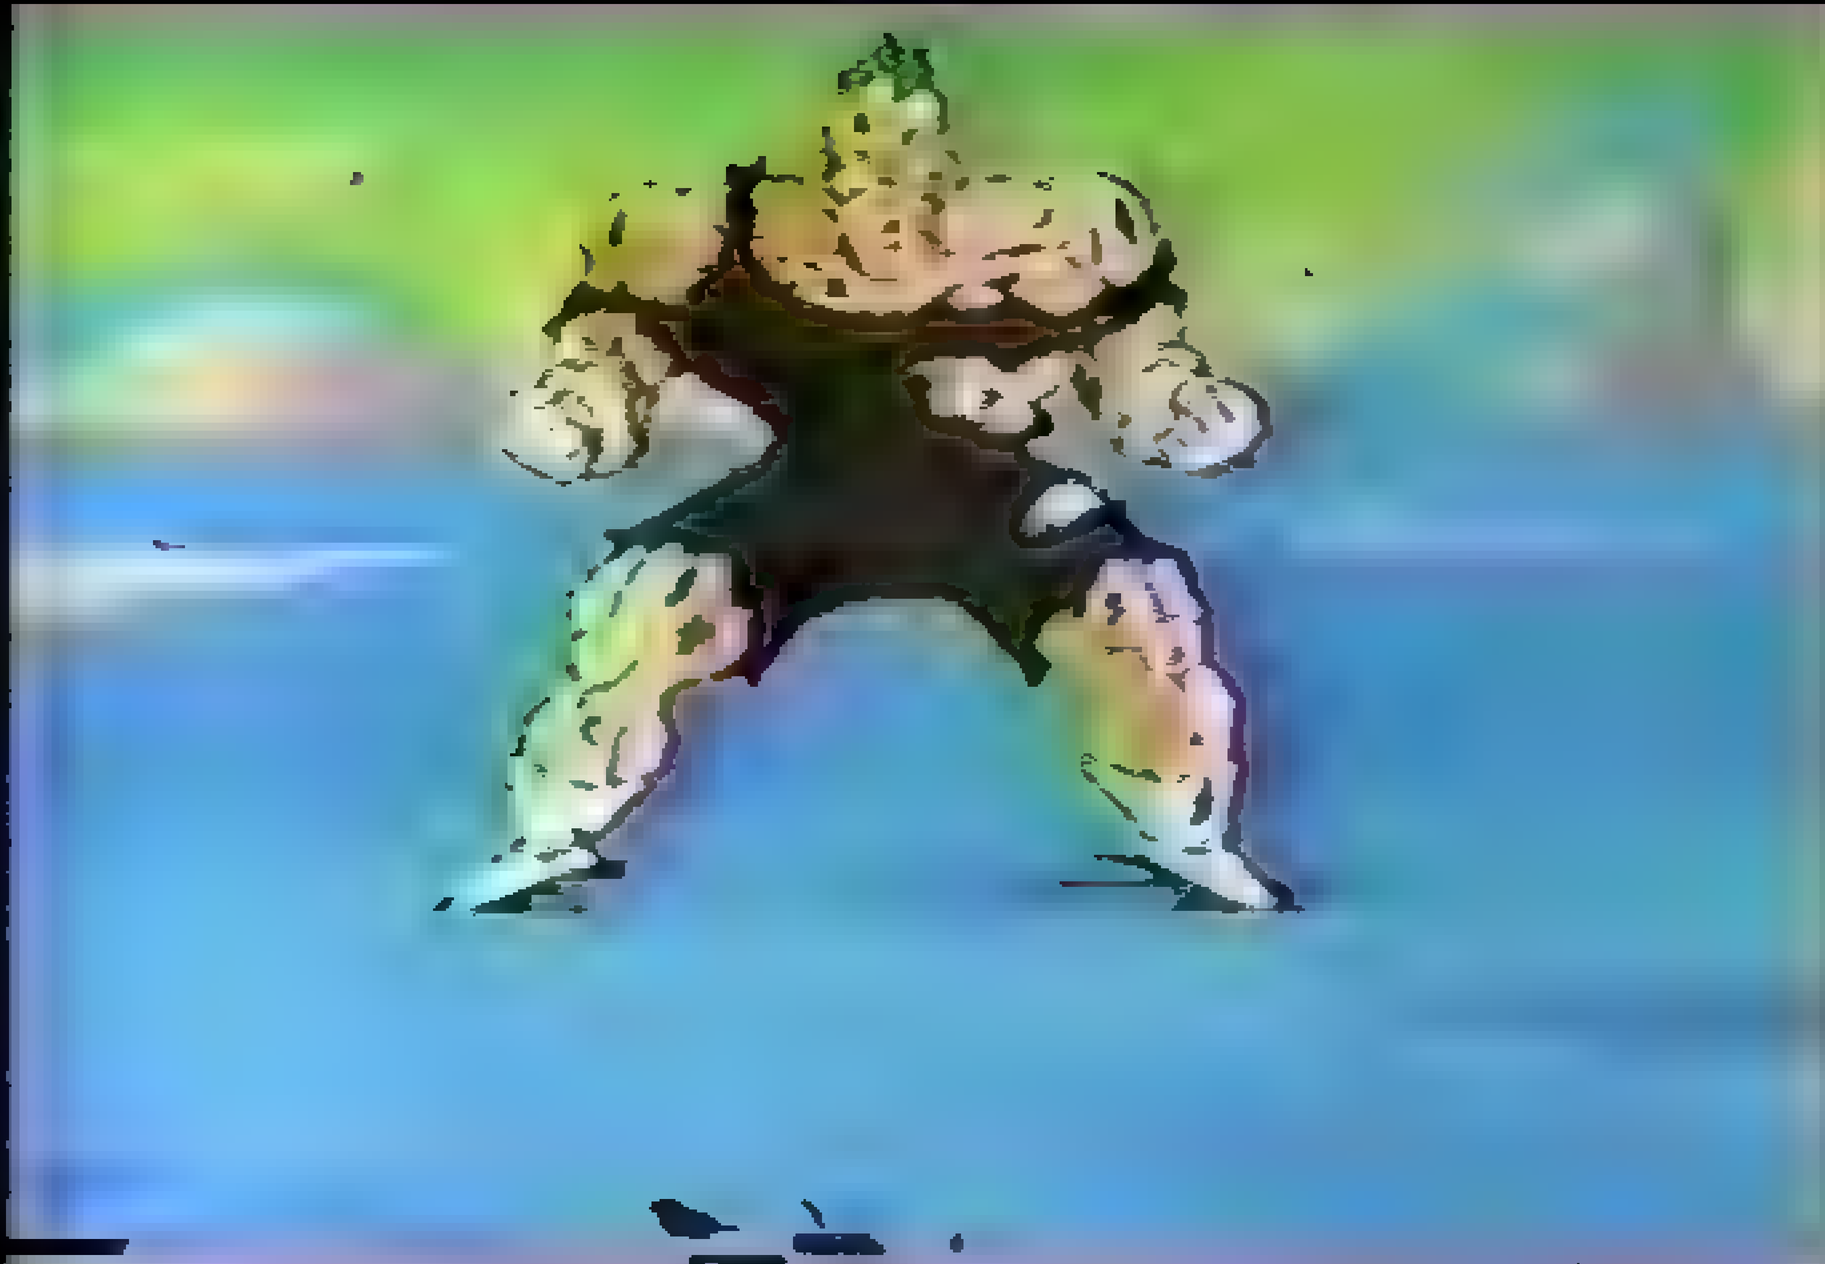

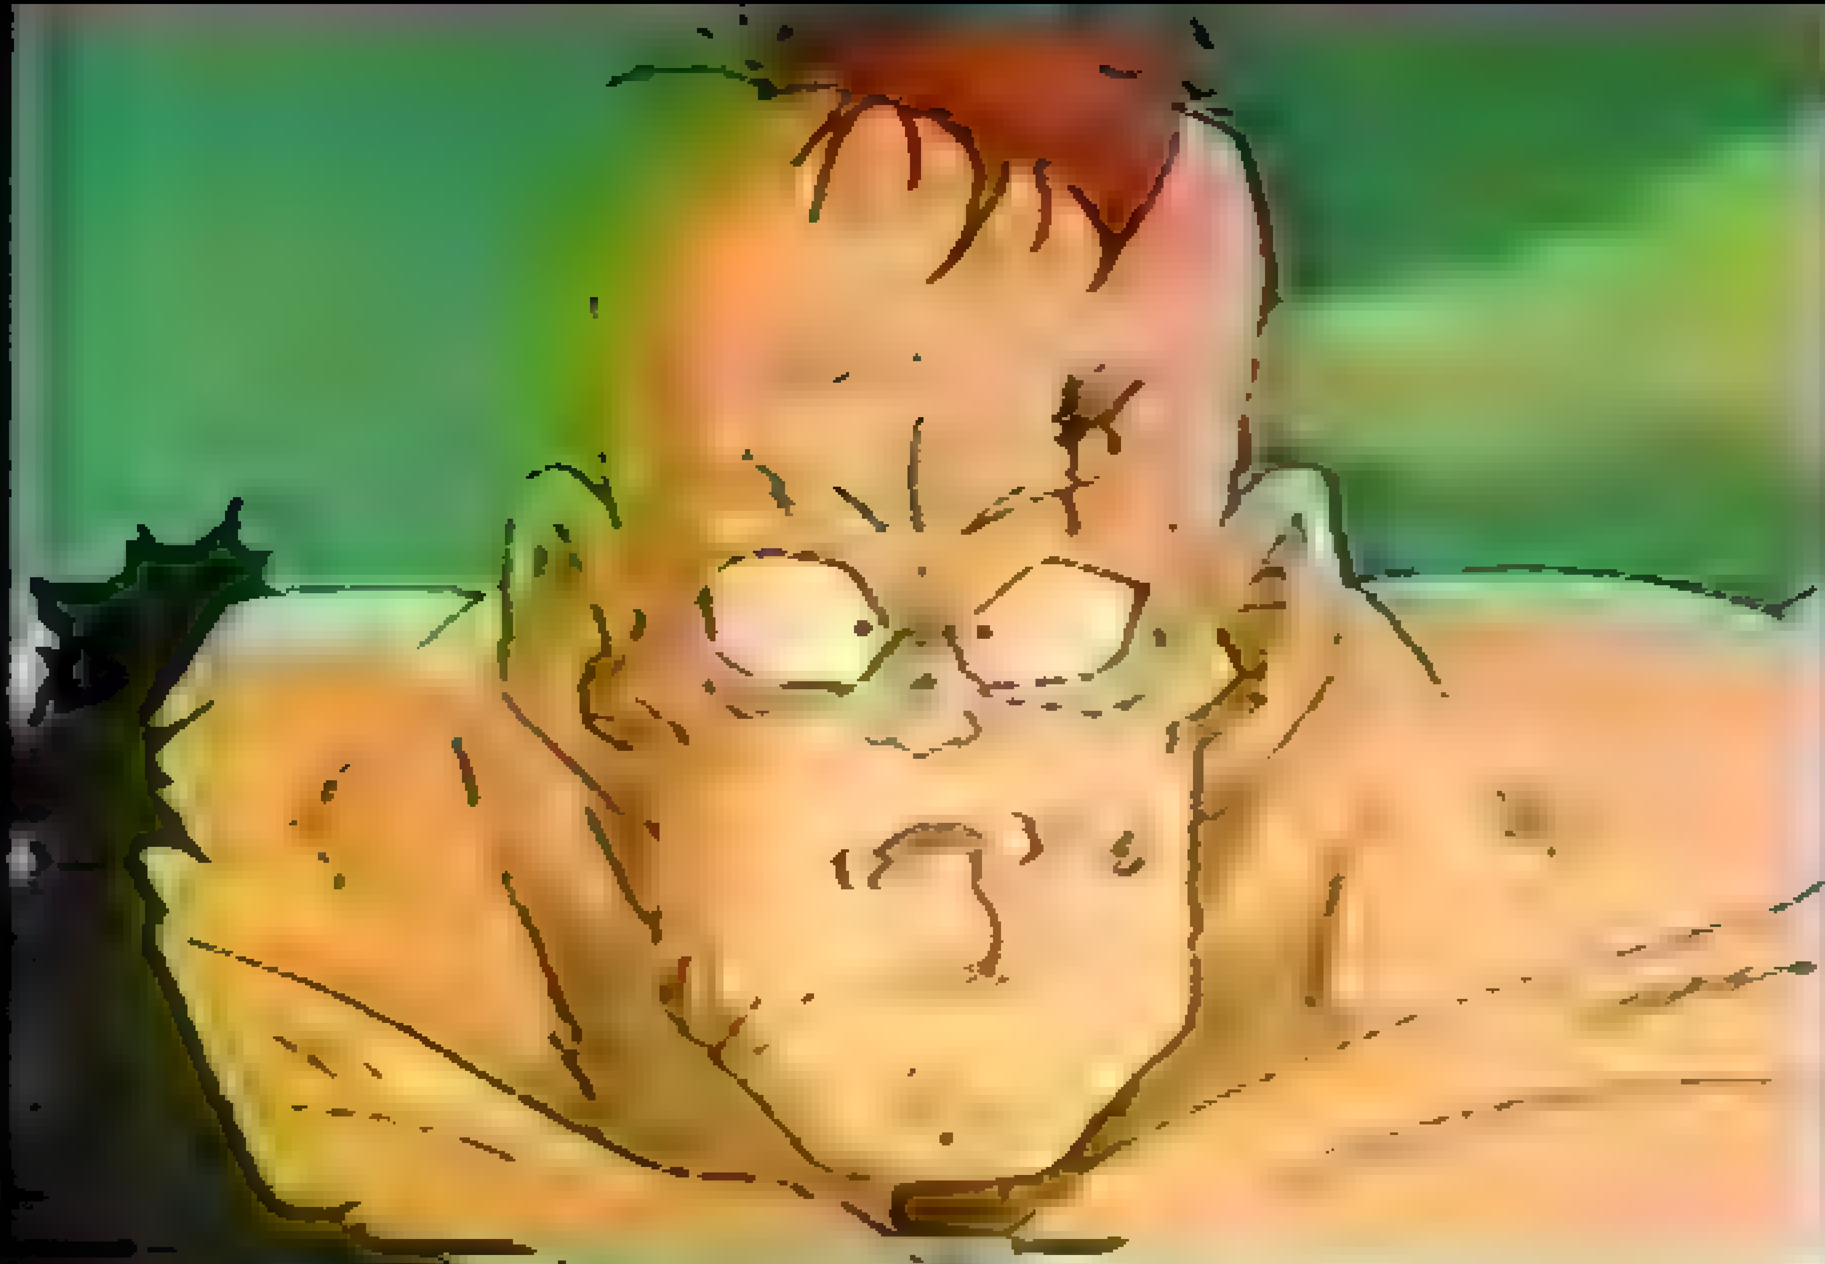

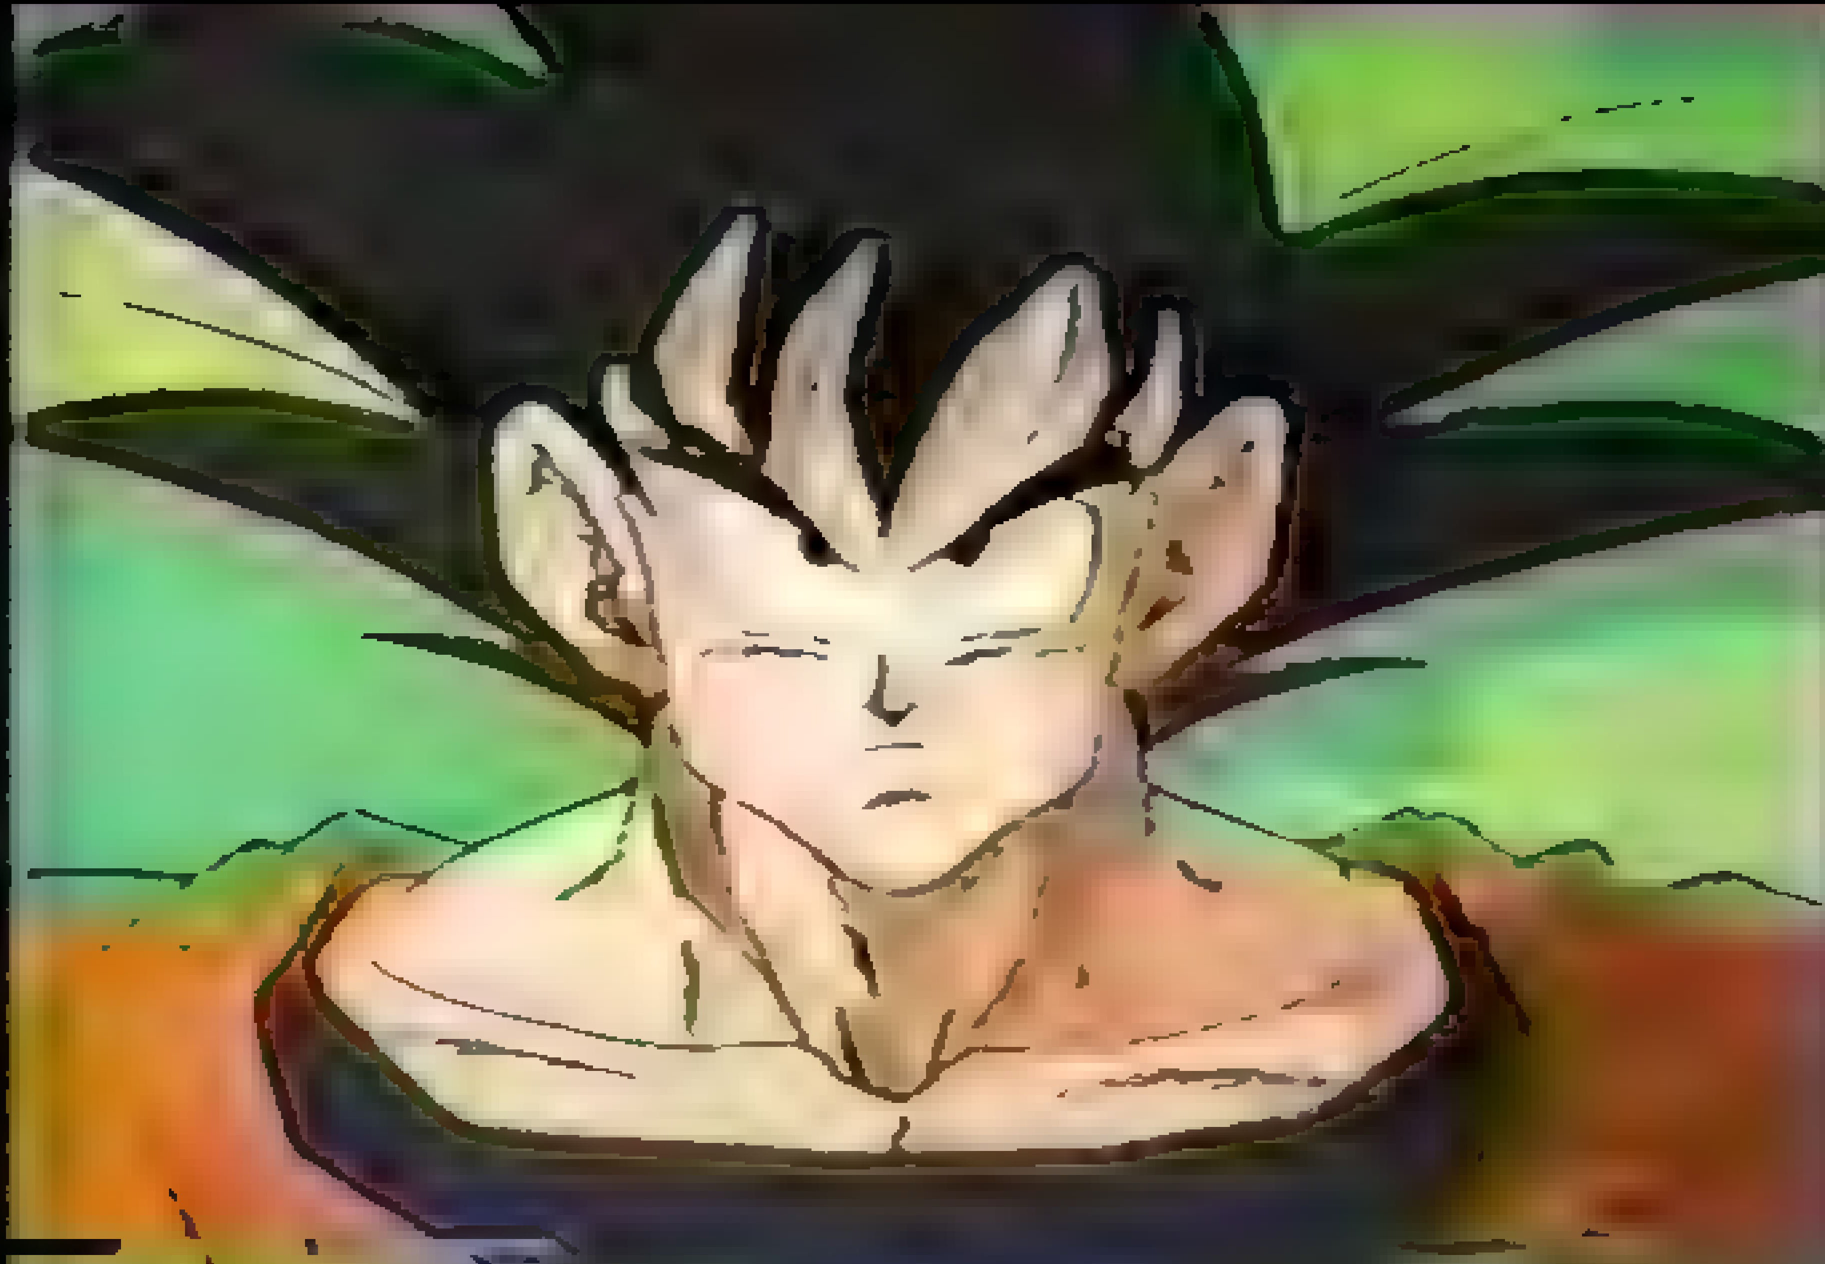

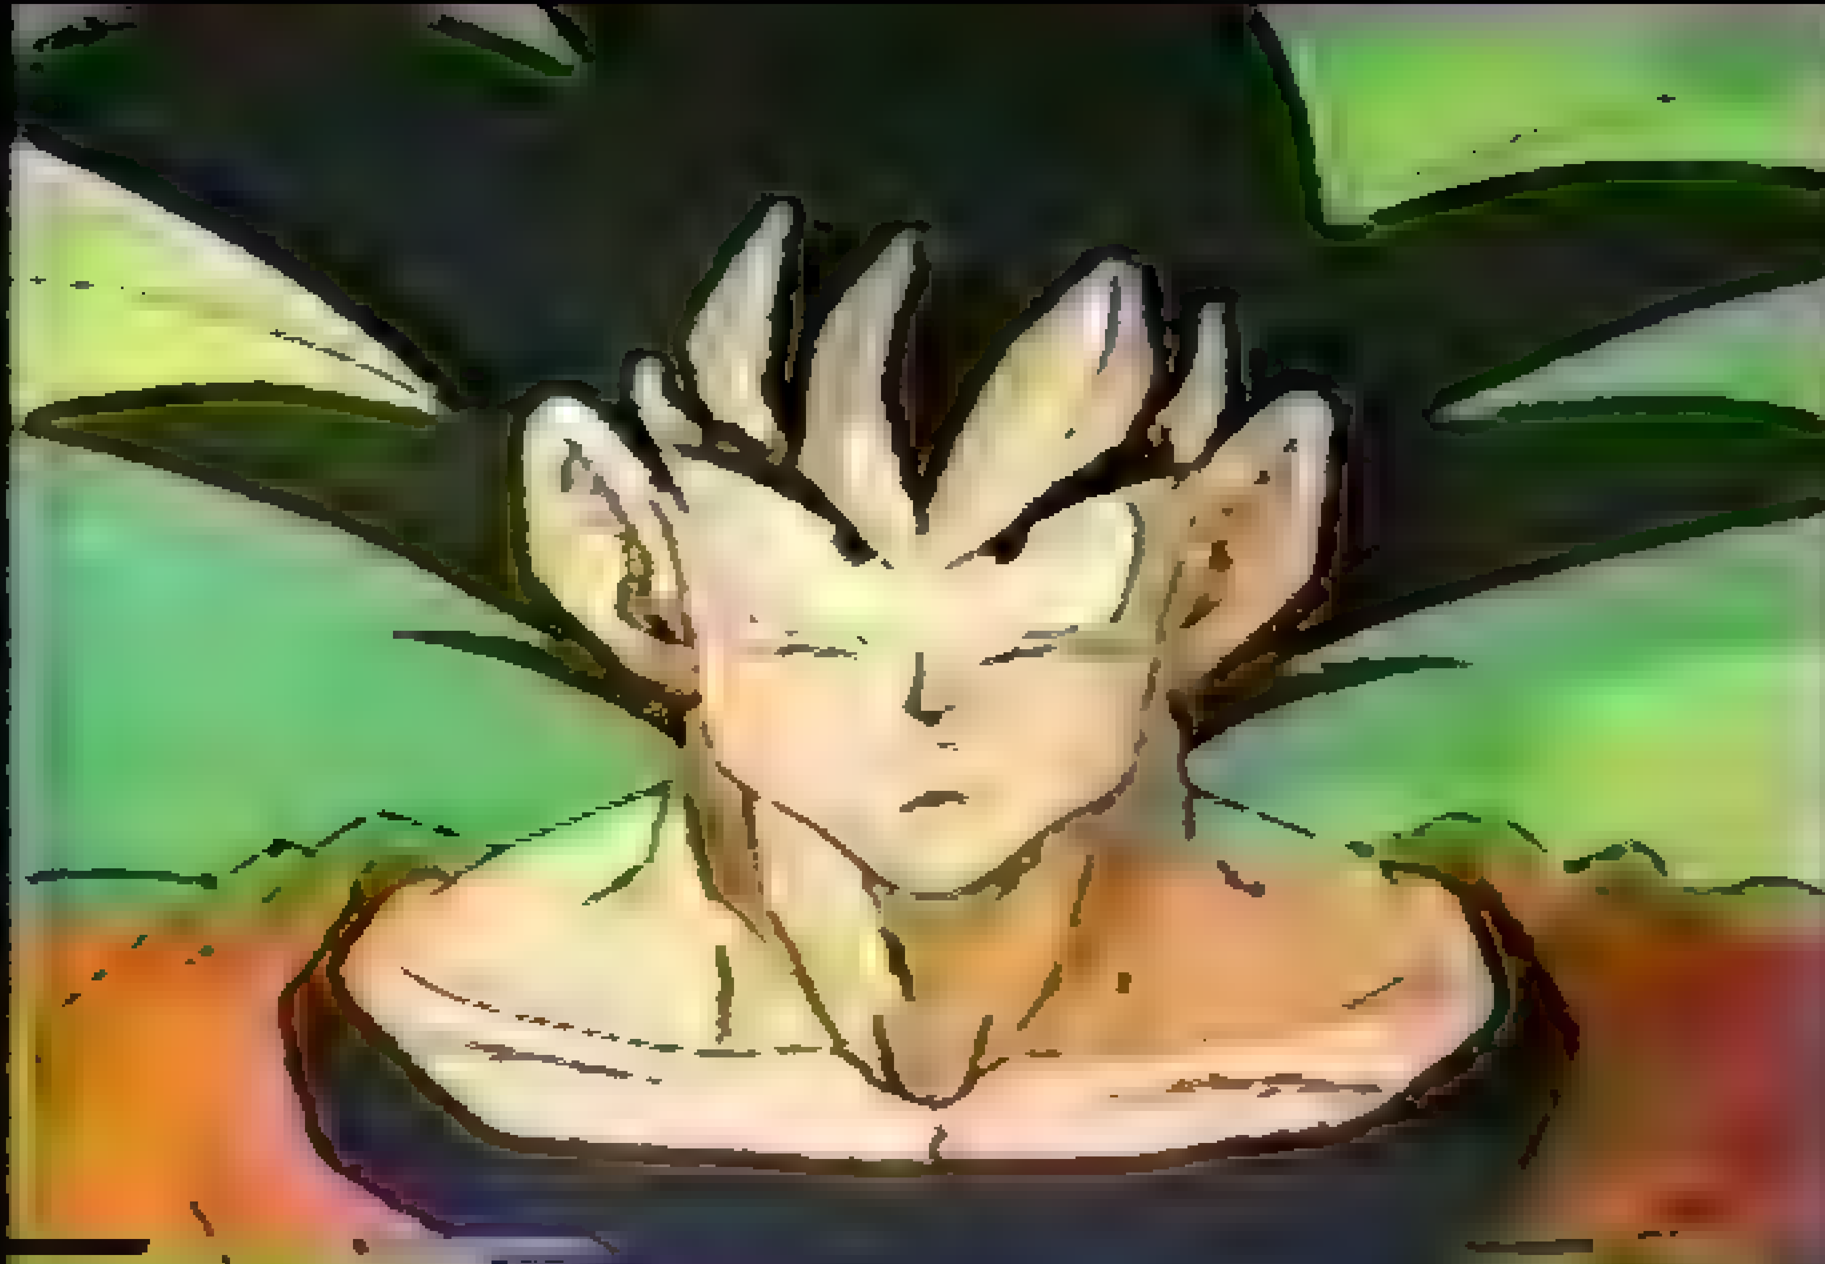

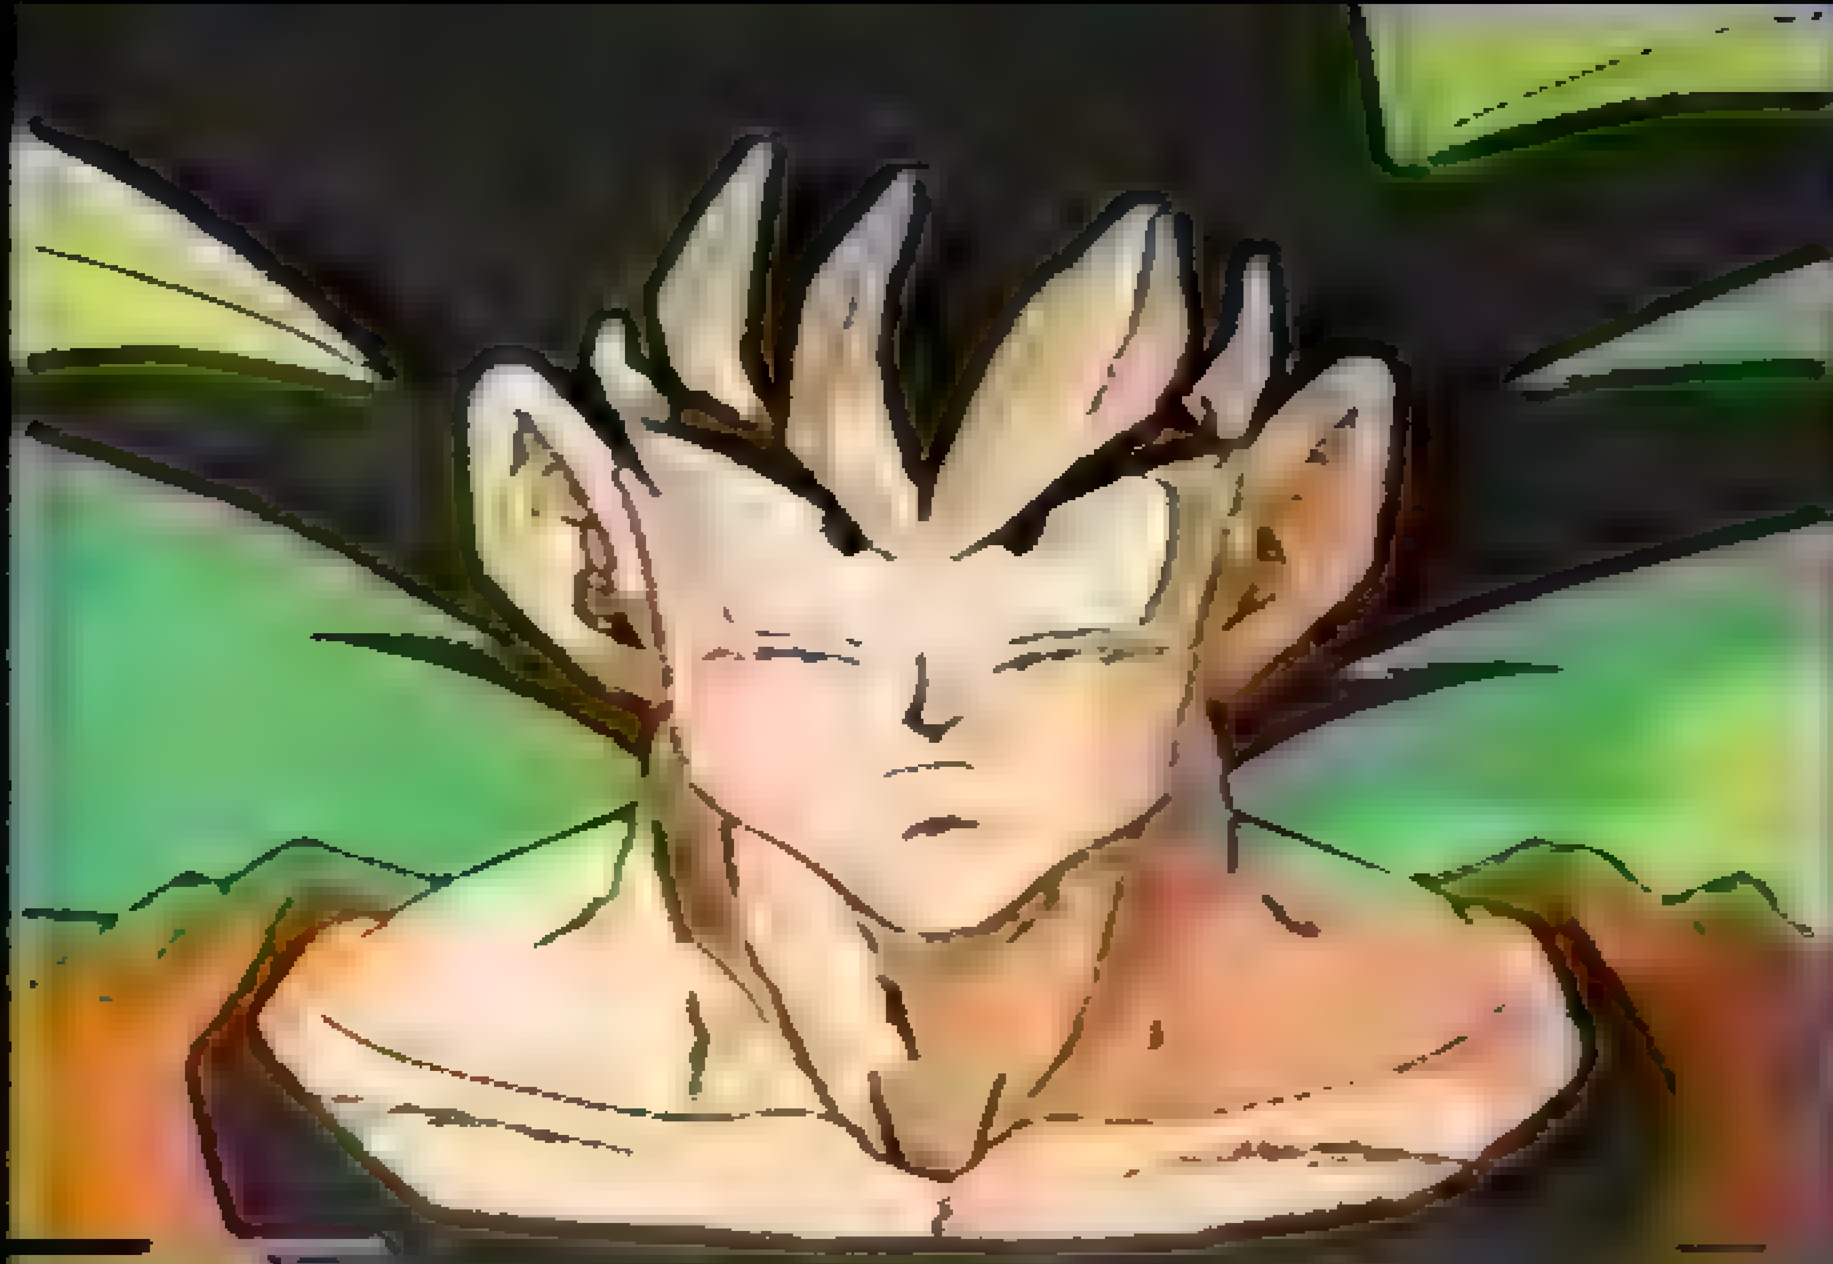

DRAGON

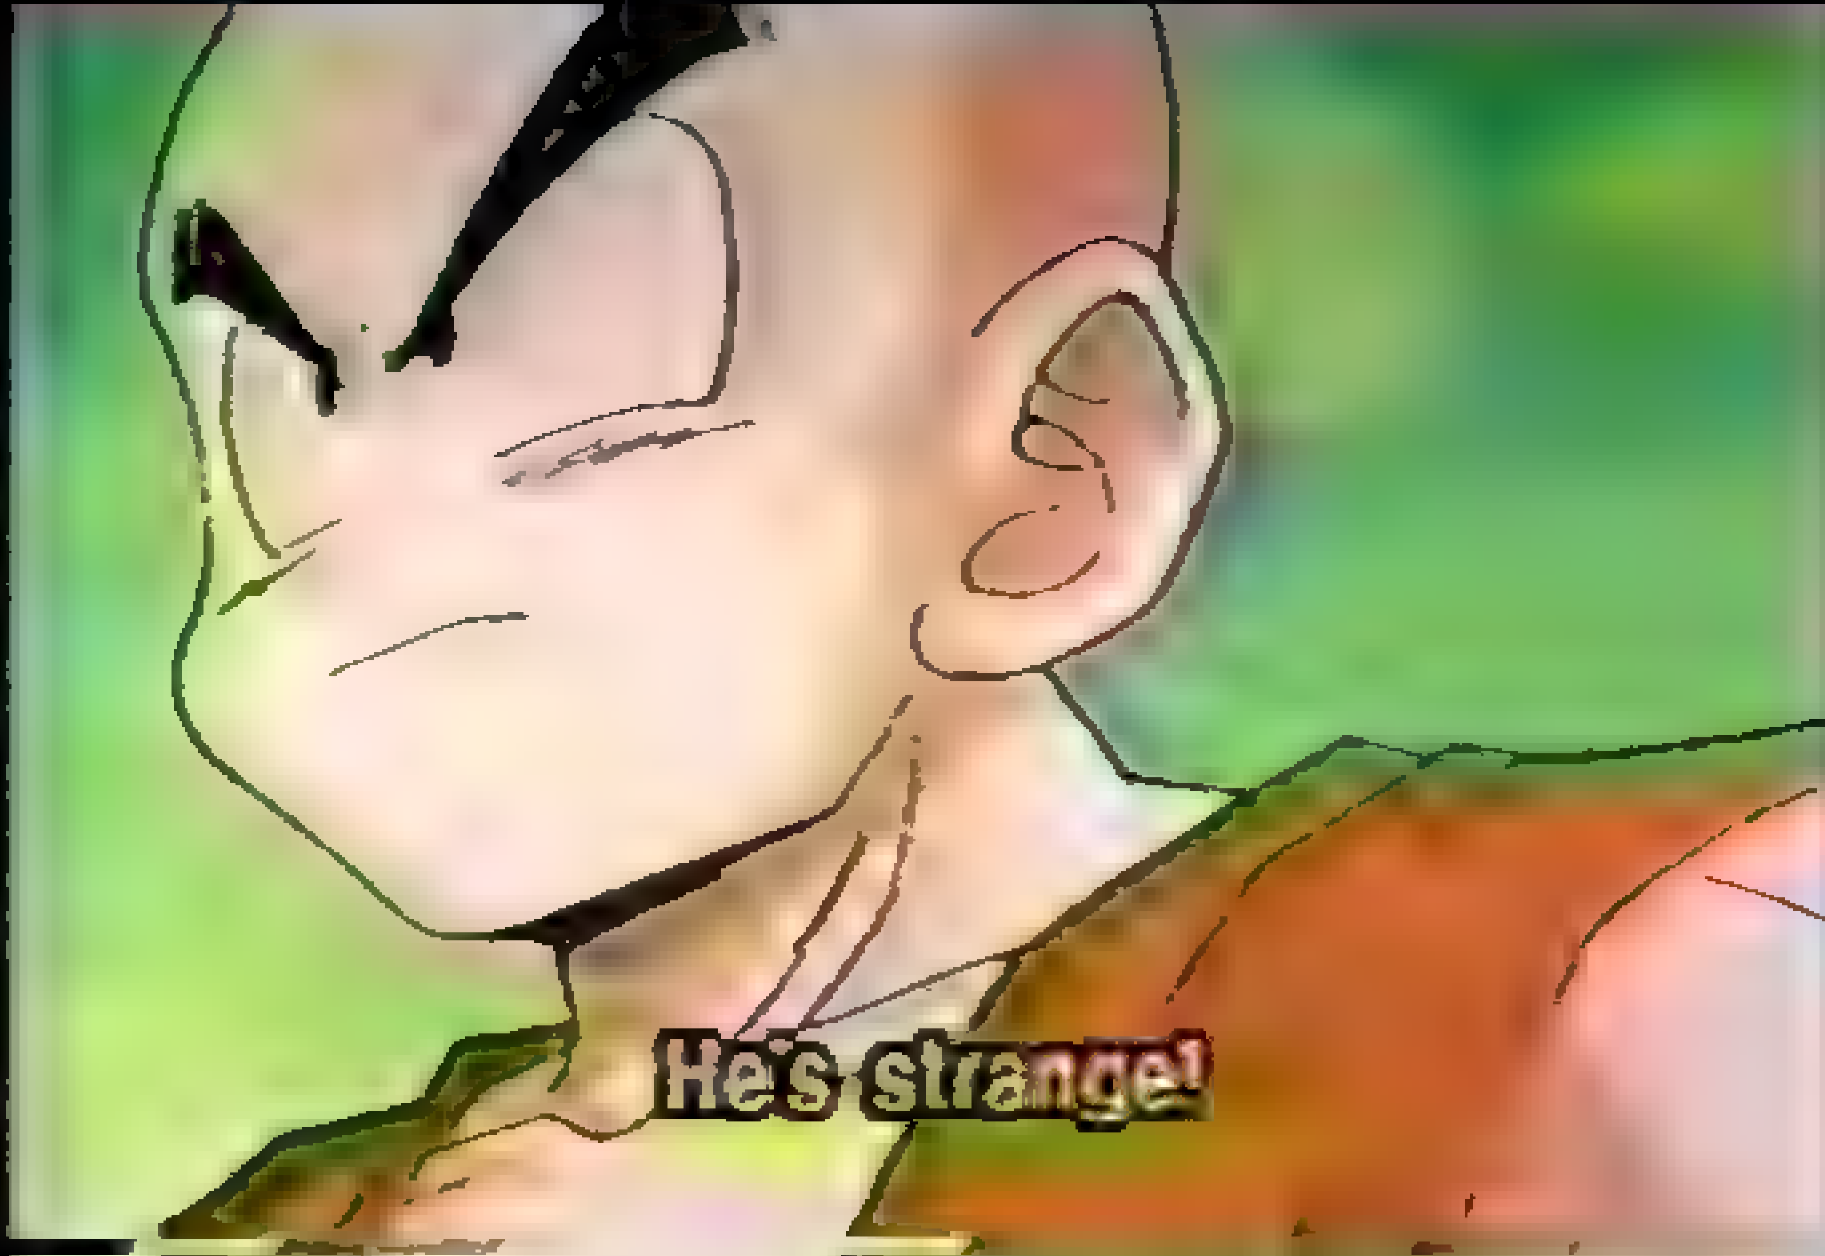

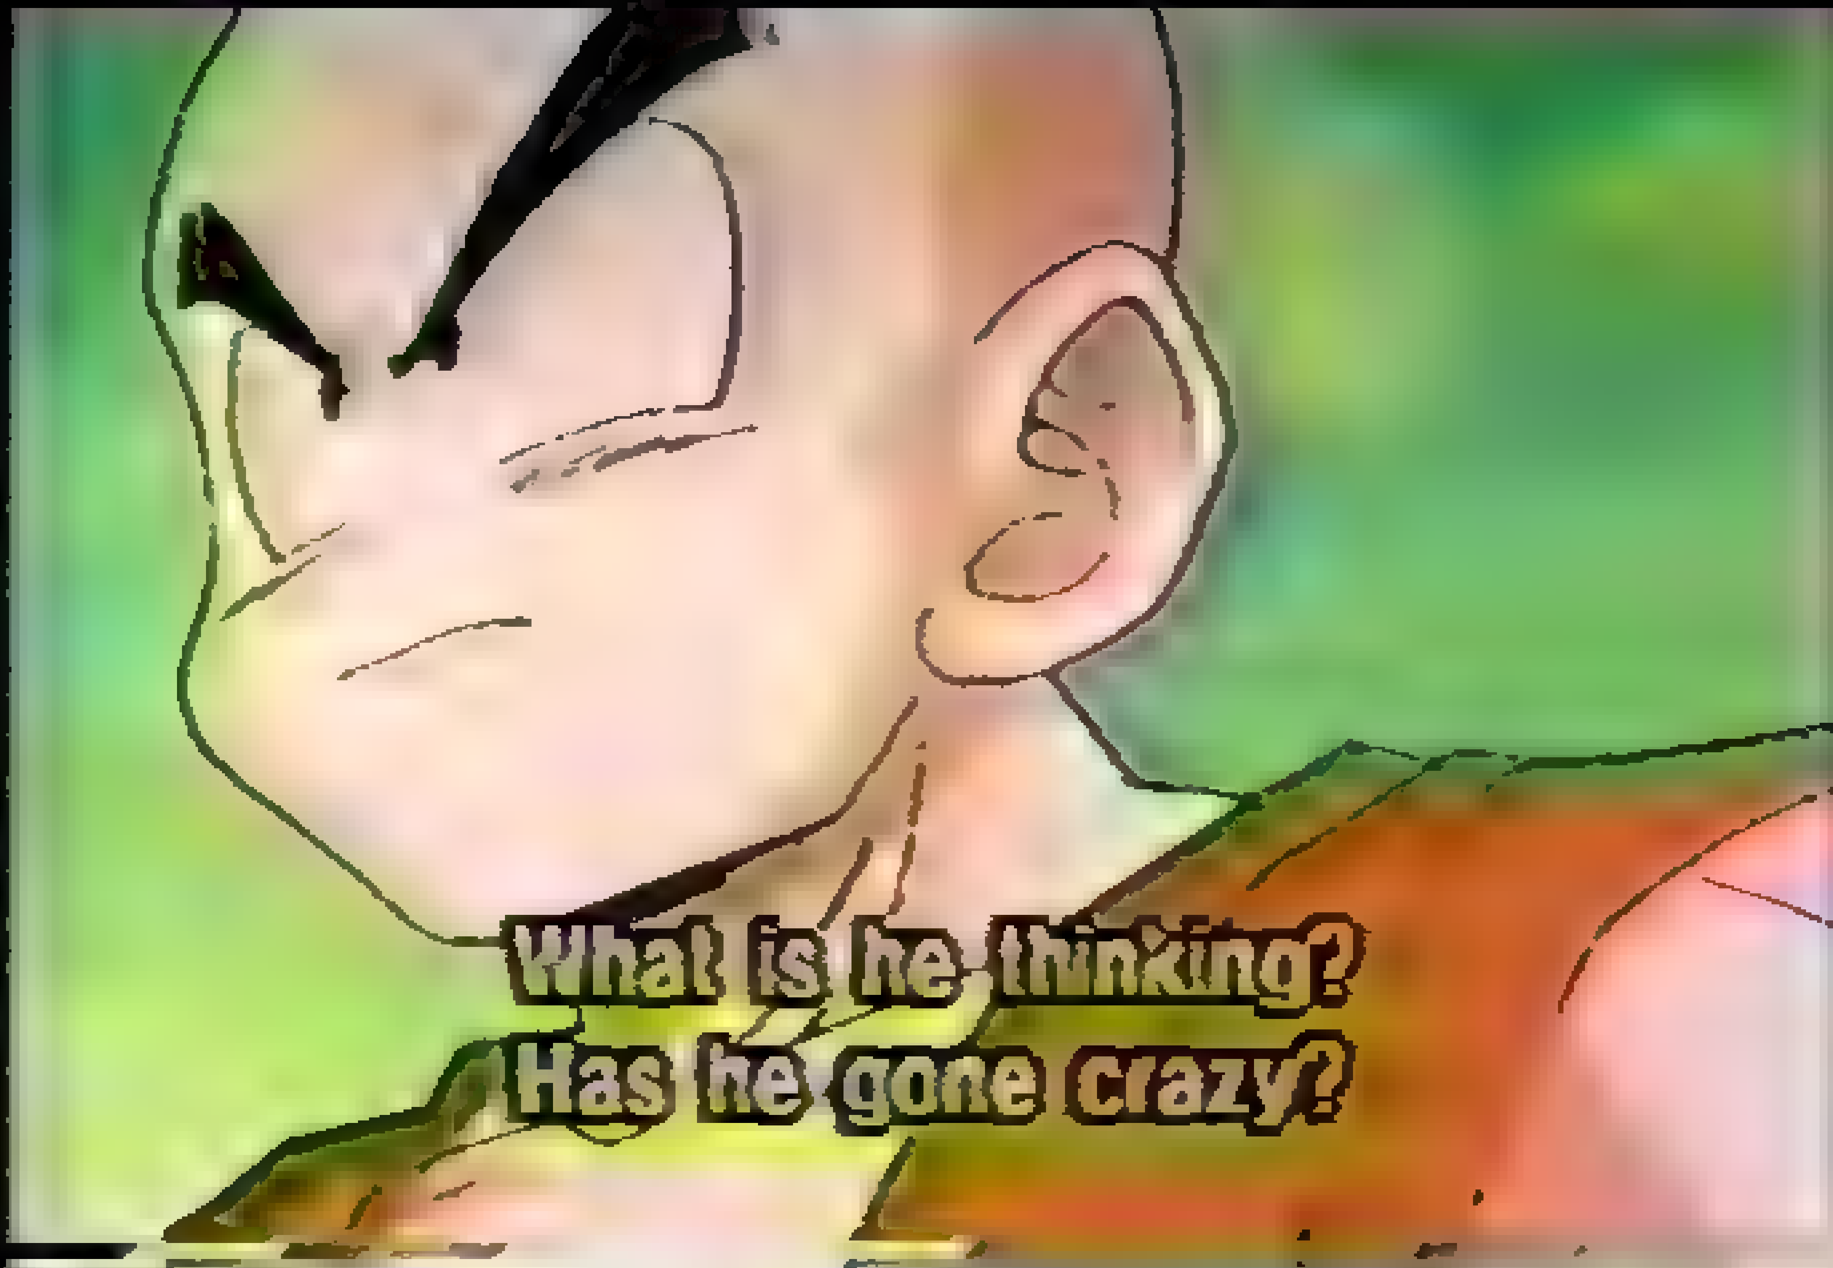

Take care of us by himself?

Take care of us by himself?

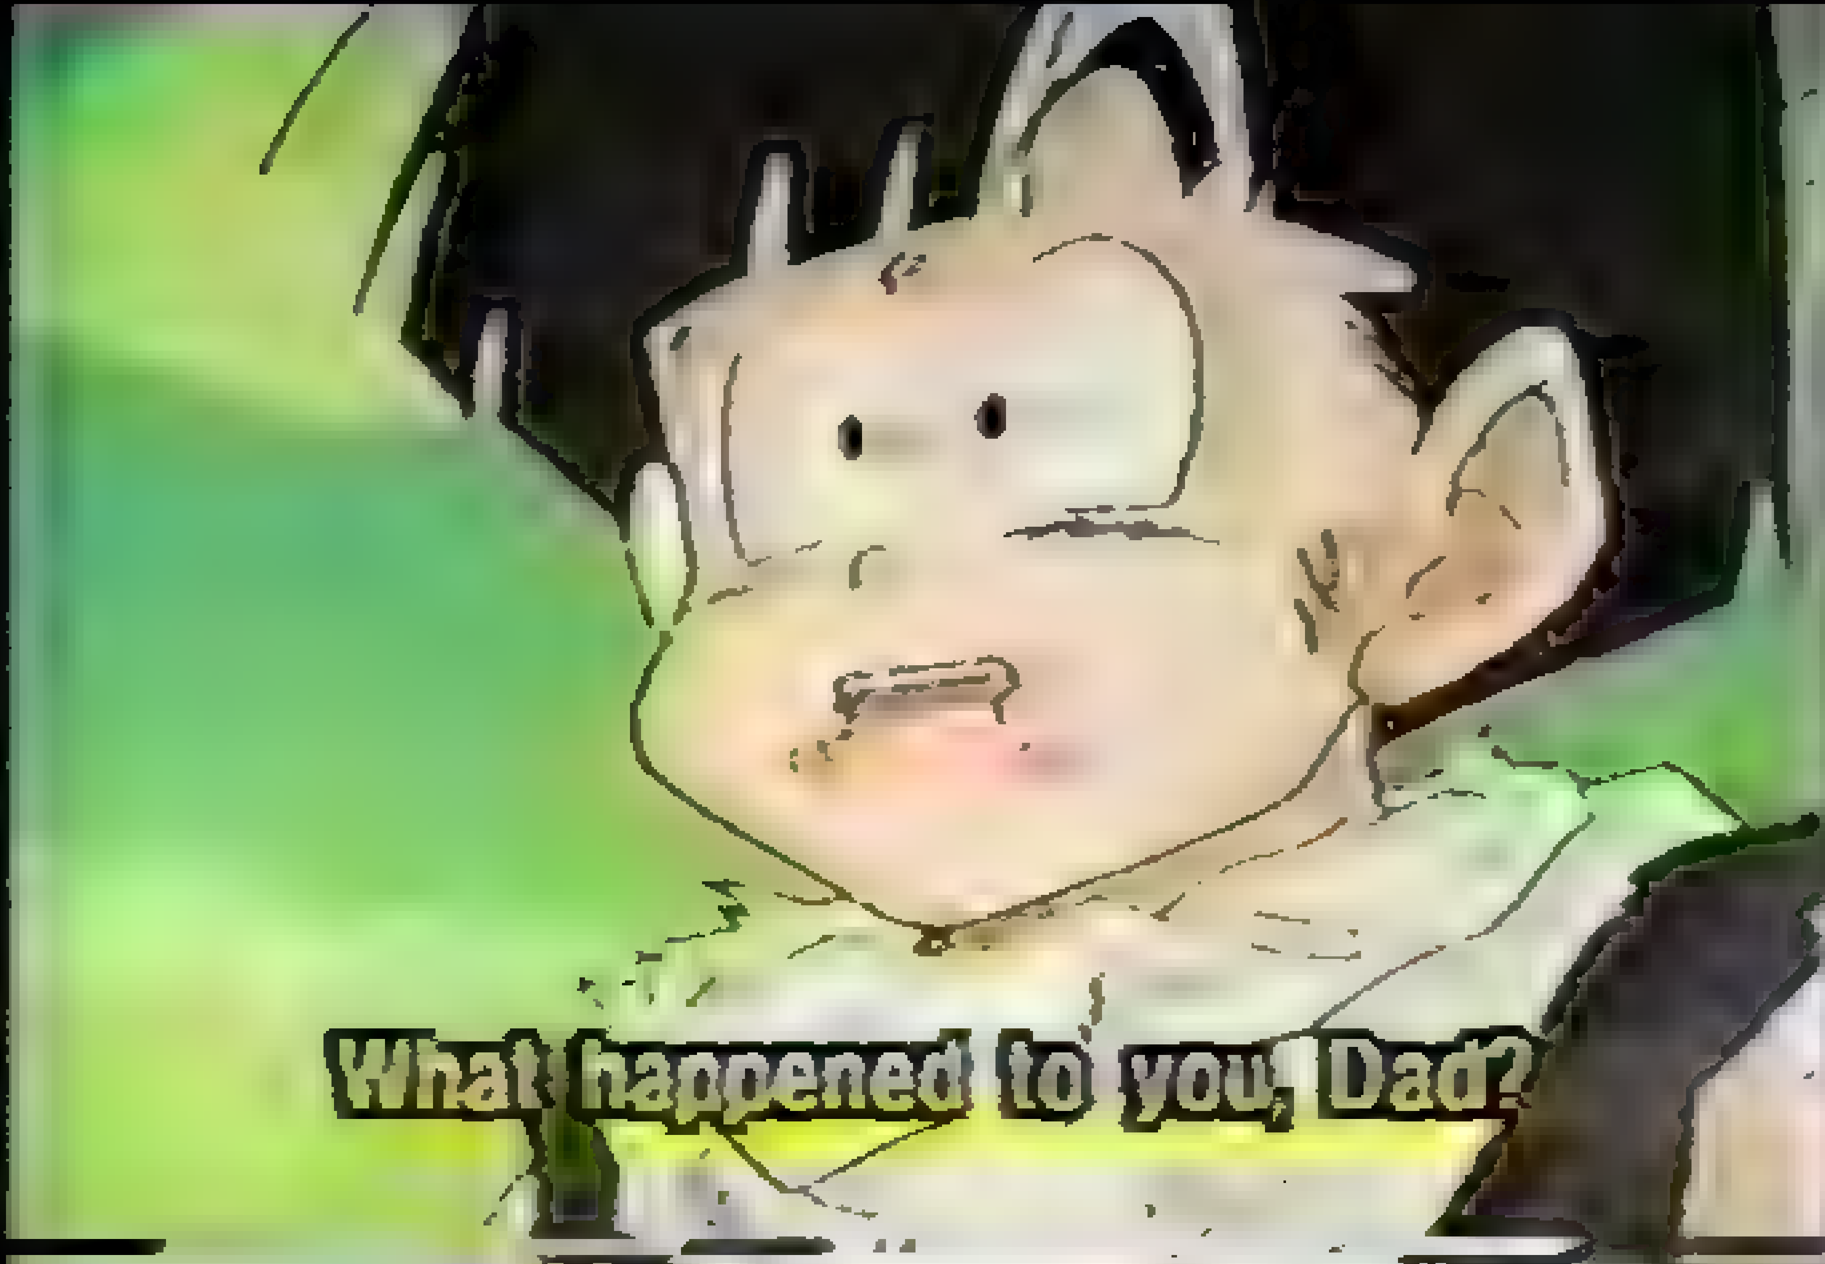

He's strange!

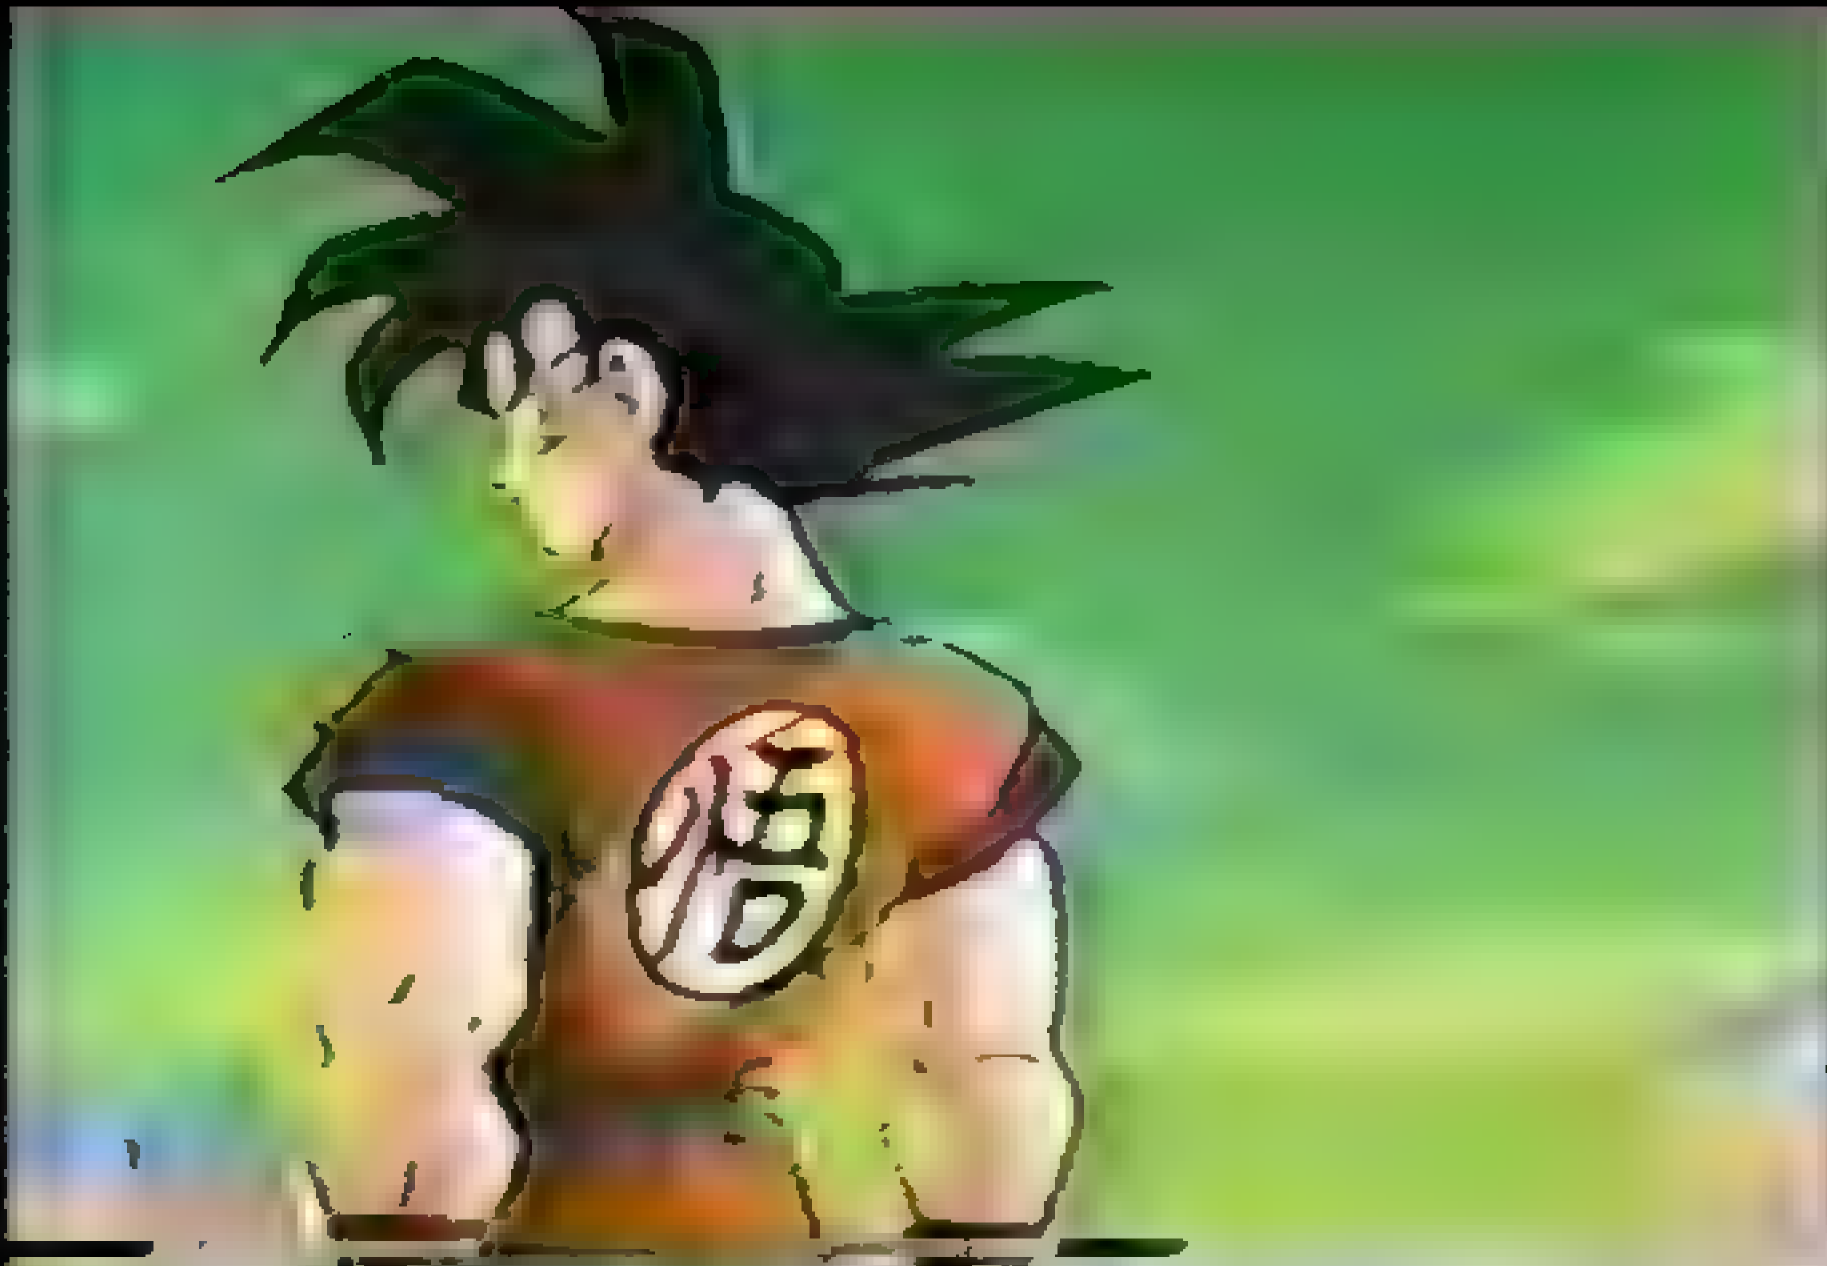

What is he thinking?
Has he gone crazy?

What is he thinking?
Has he gone crazy?

There's no way he can win.

There's no way he can win.

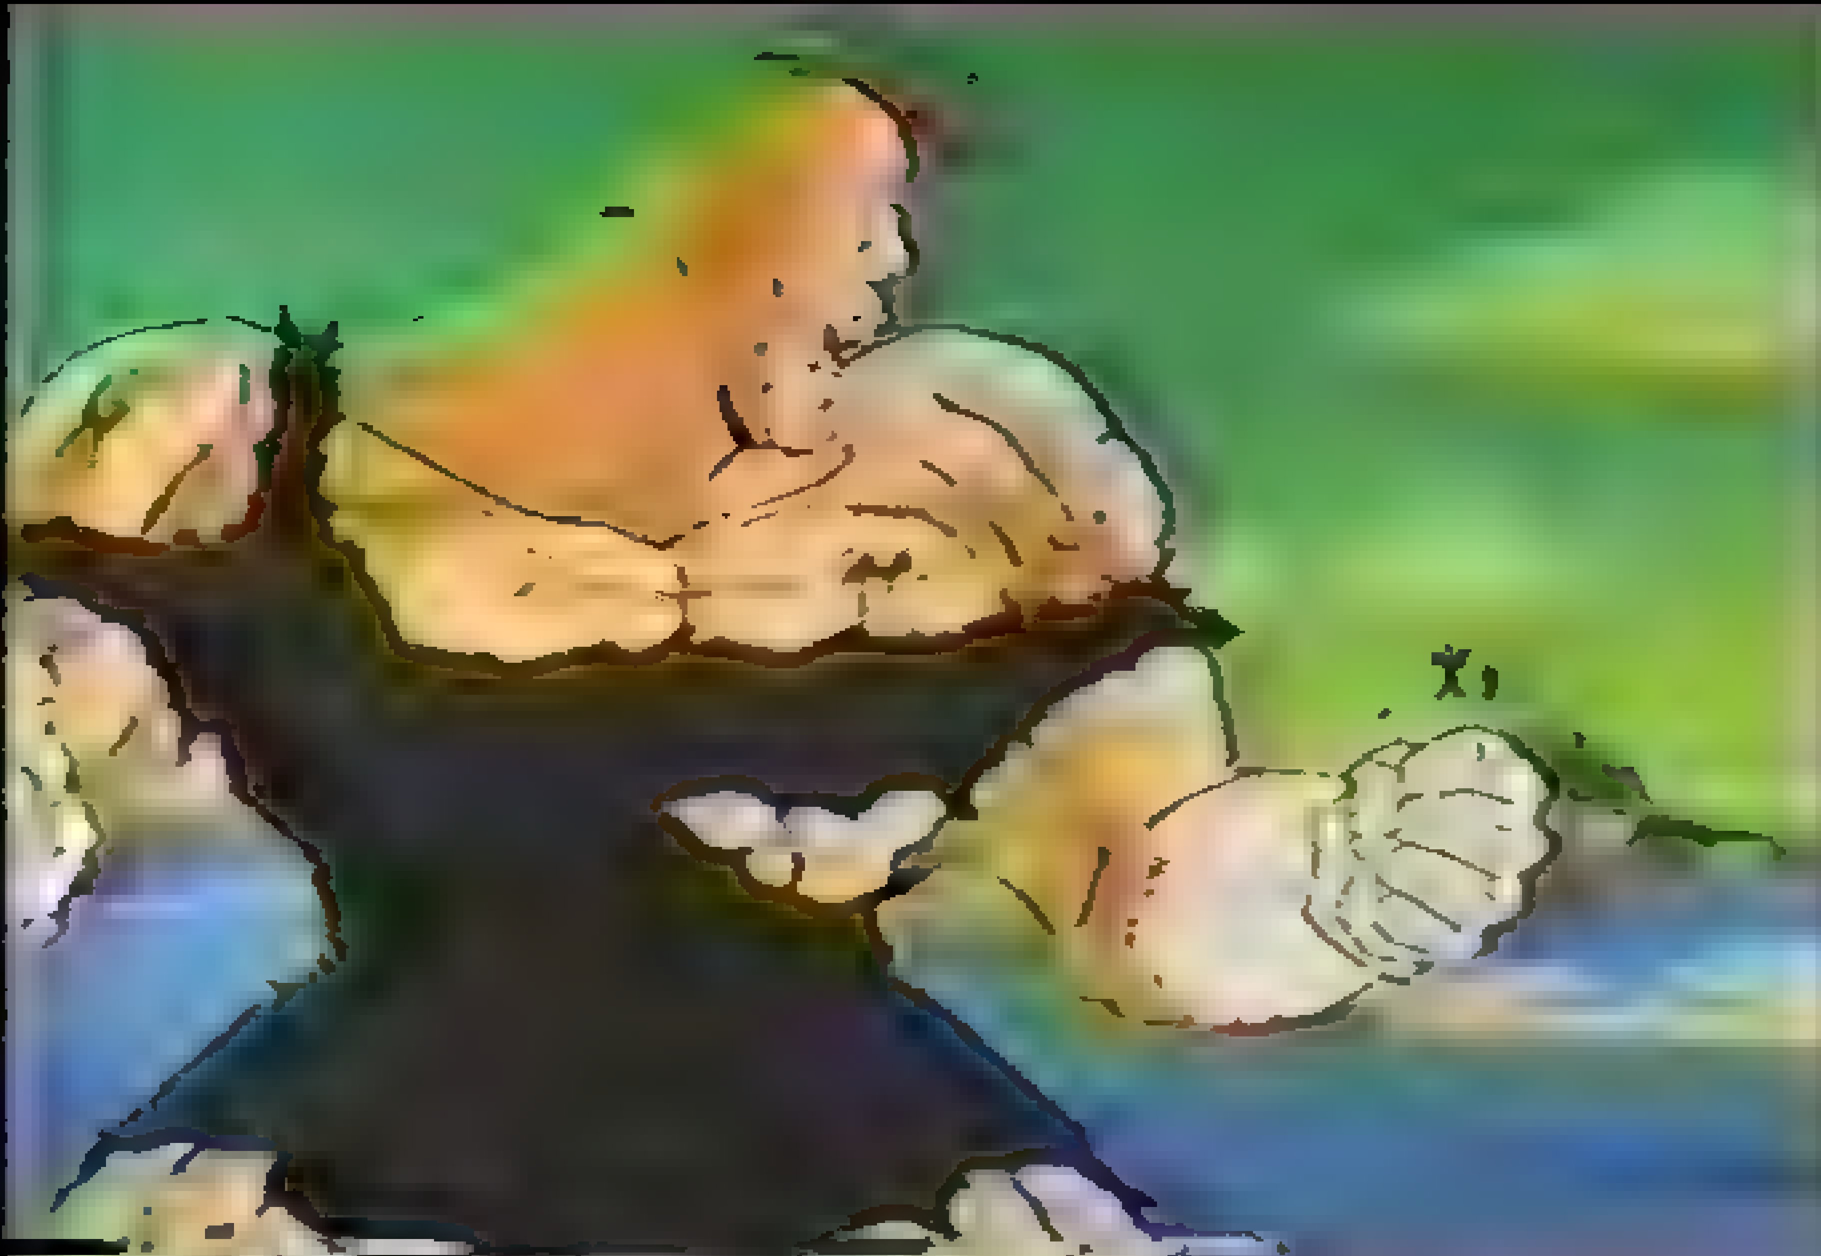

What happened to you, Dad?

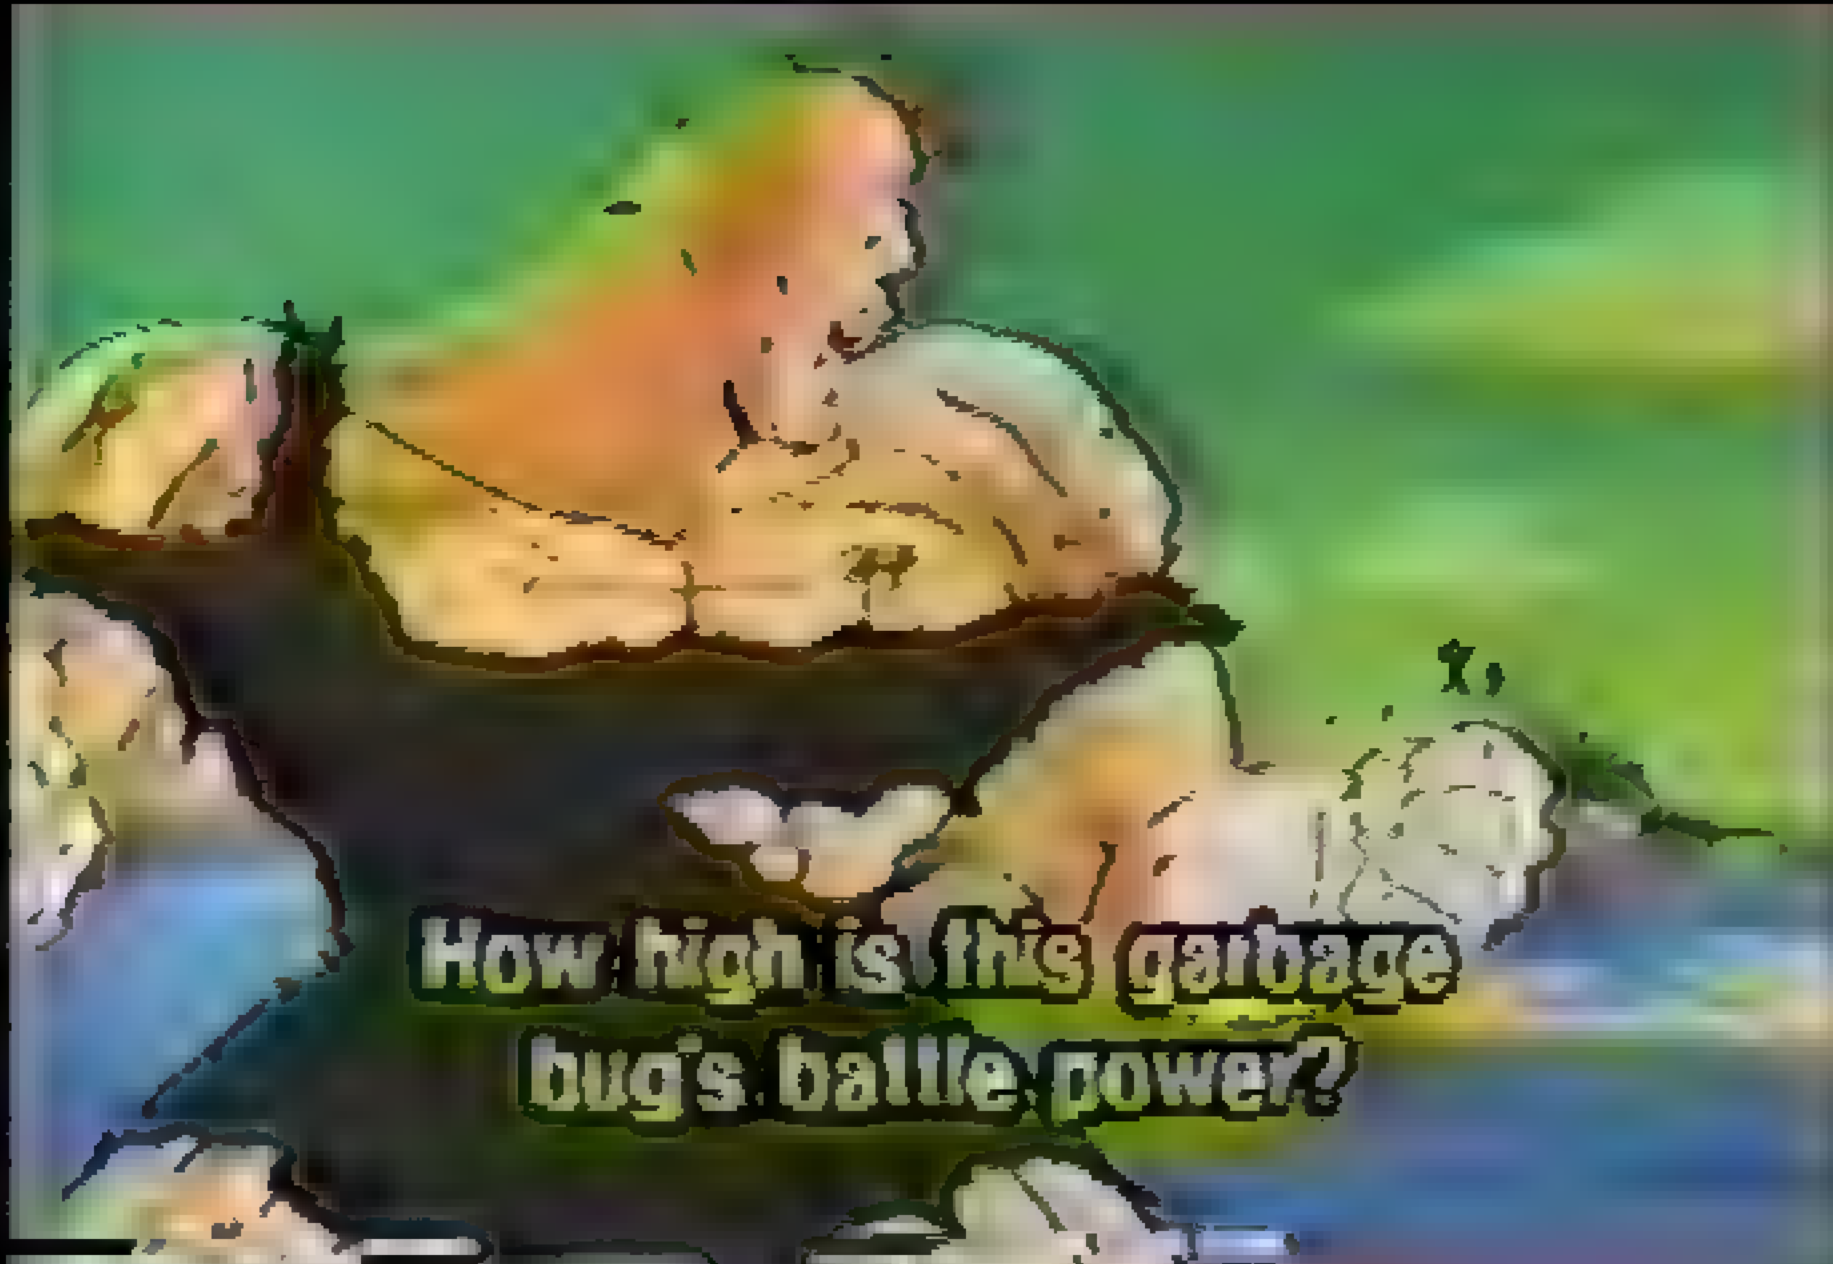

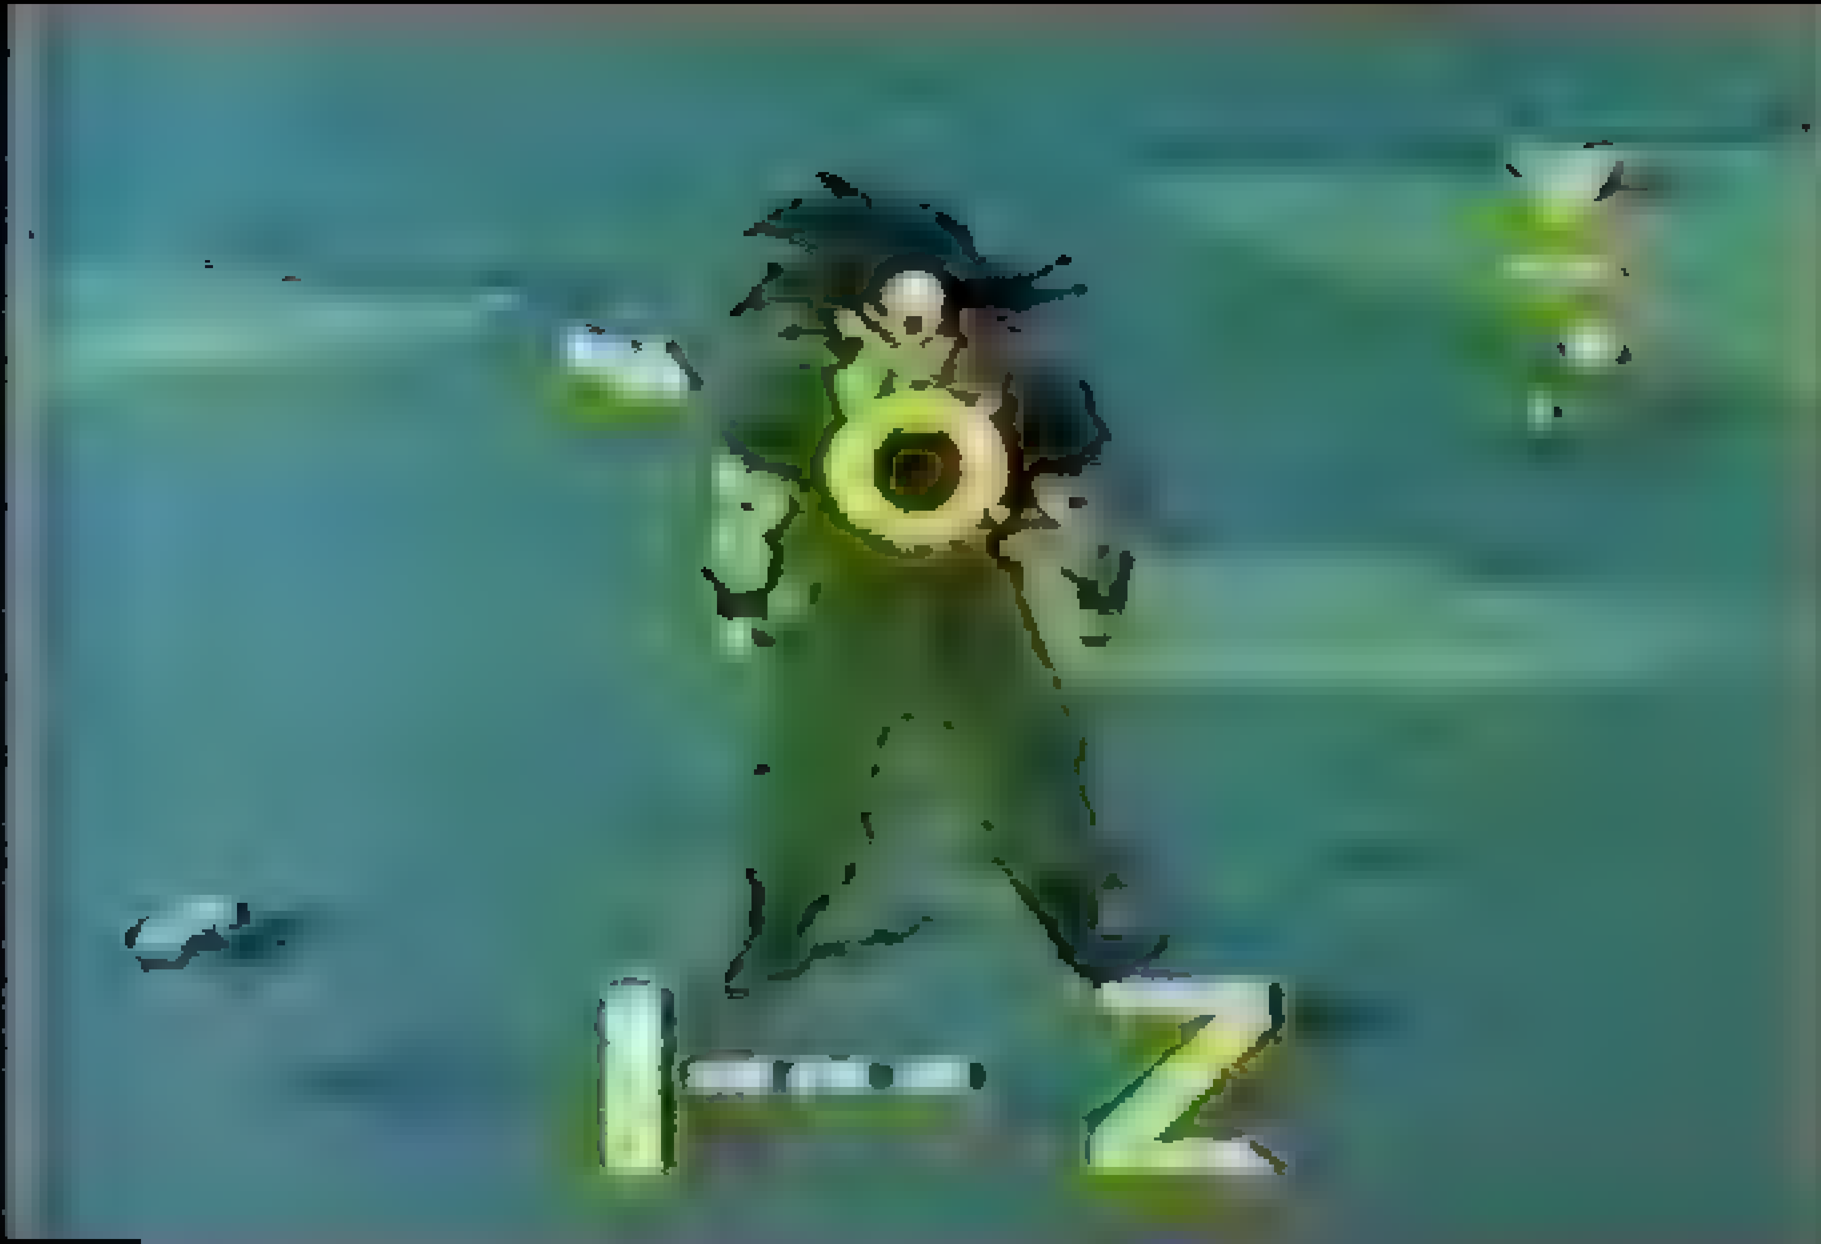

Make it interesting, will you?

Make it interesting, will you?

How high is this garbage
bug's battle power?

He really is a garbage bug.

It's only 5,000!

How disappointing!
All talk, are you?

How disappointing!

He's acting odd.
Why is he so calm?

Don't tell me...! He...!

Don't tell me--! He--!

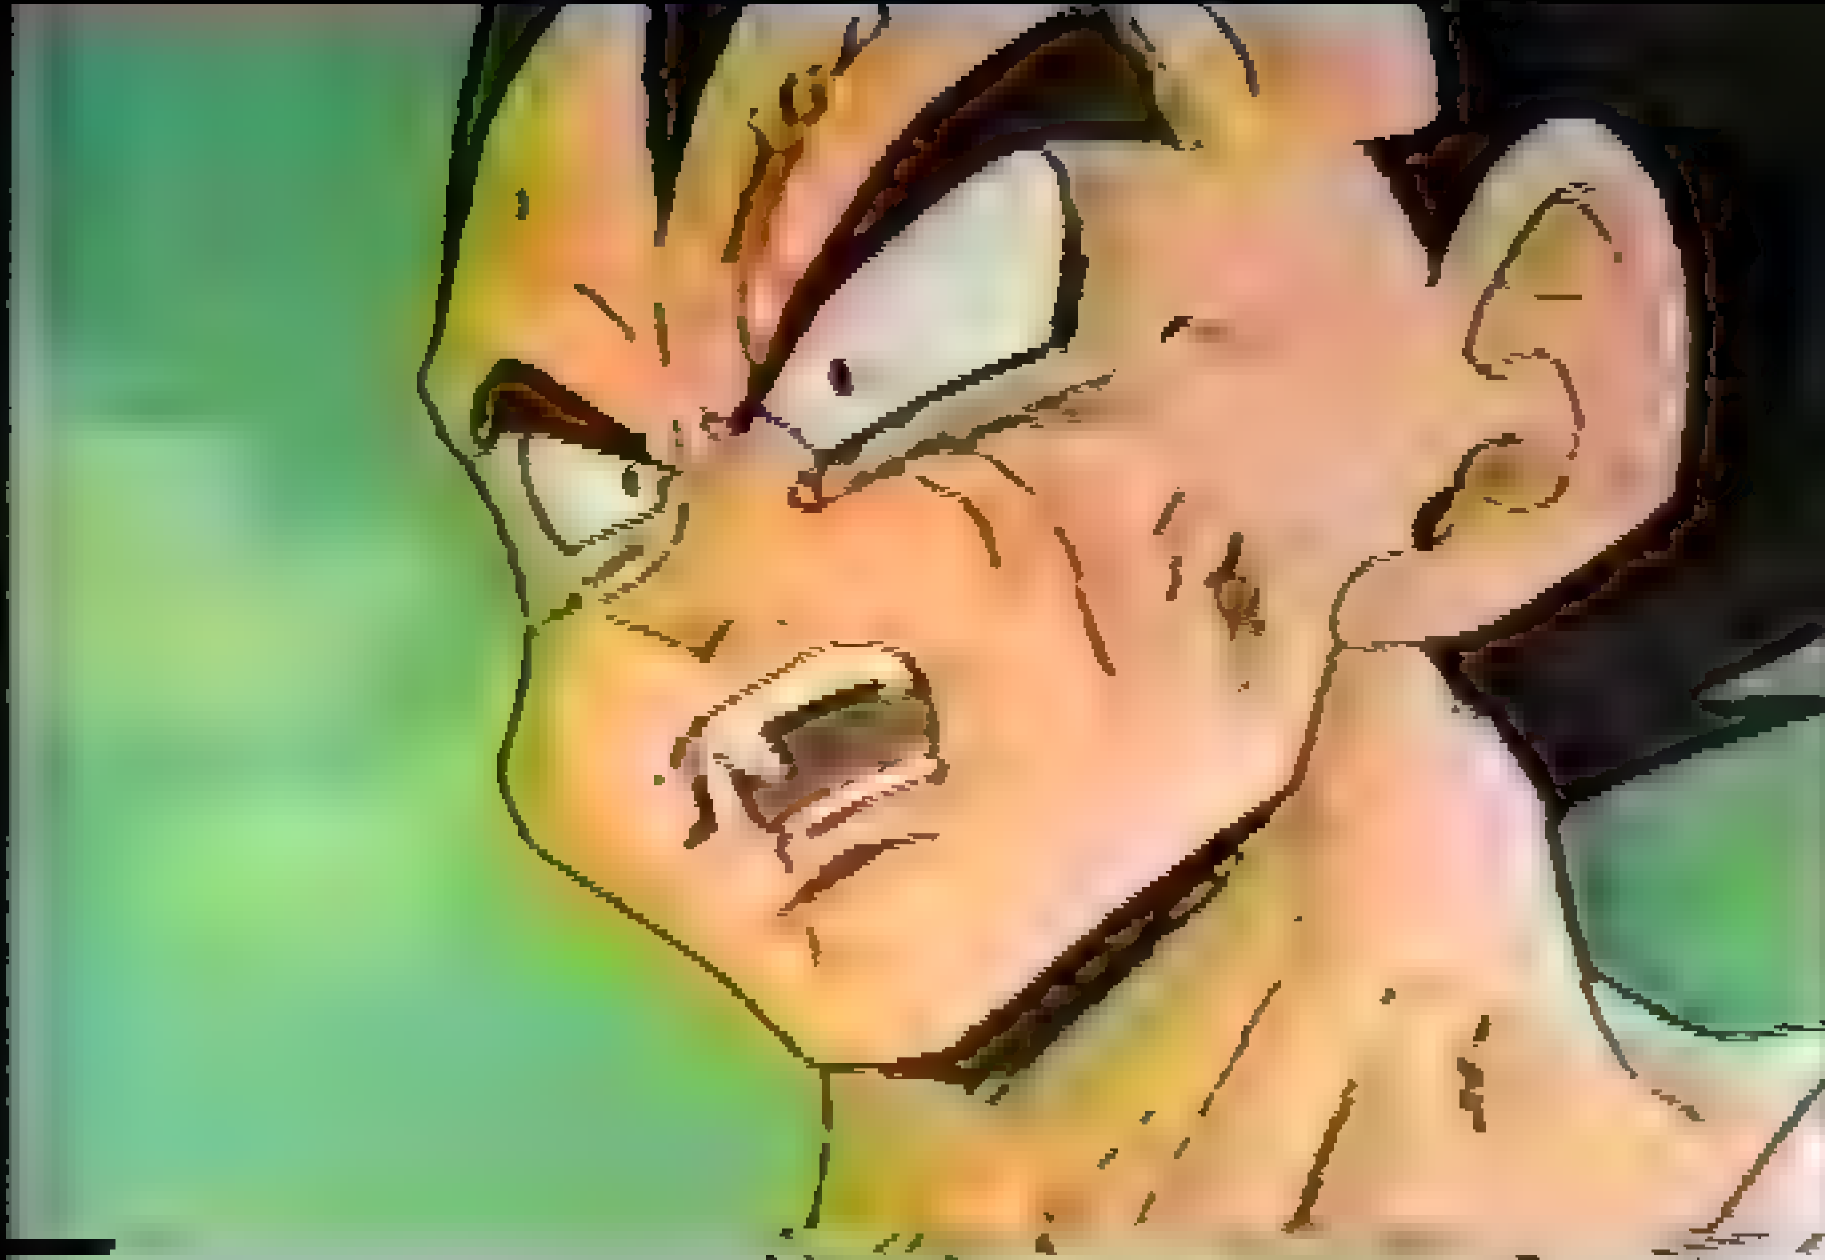

Are you sure! What do
you think you can do with

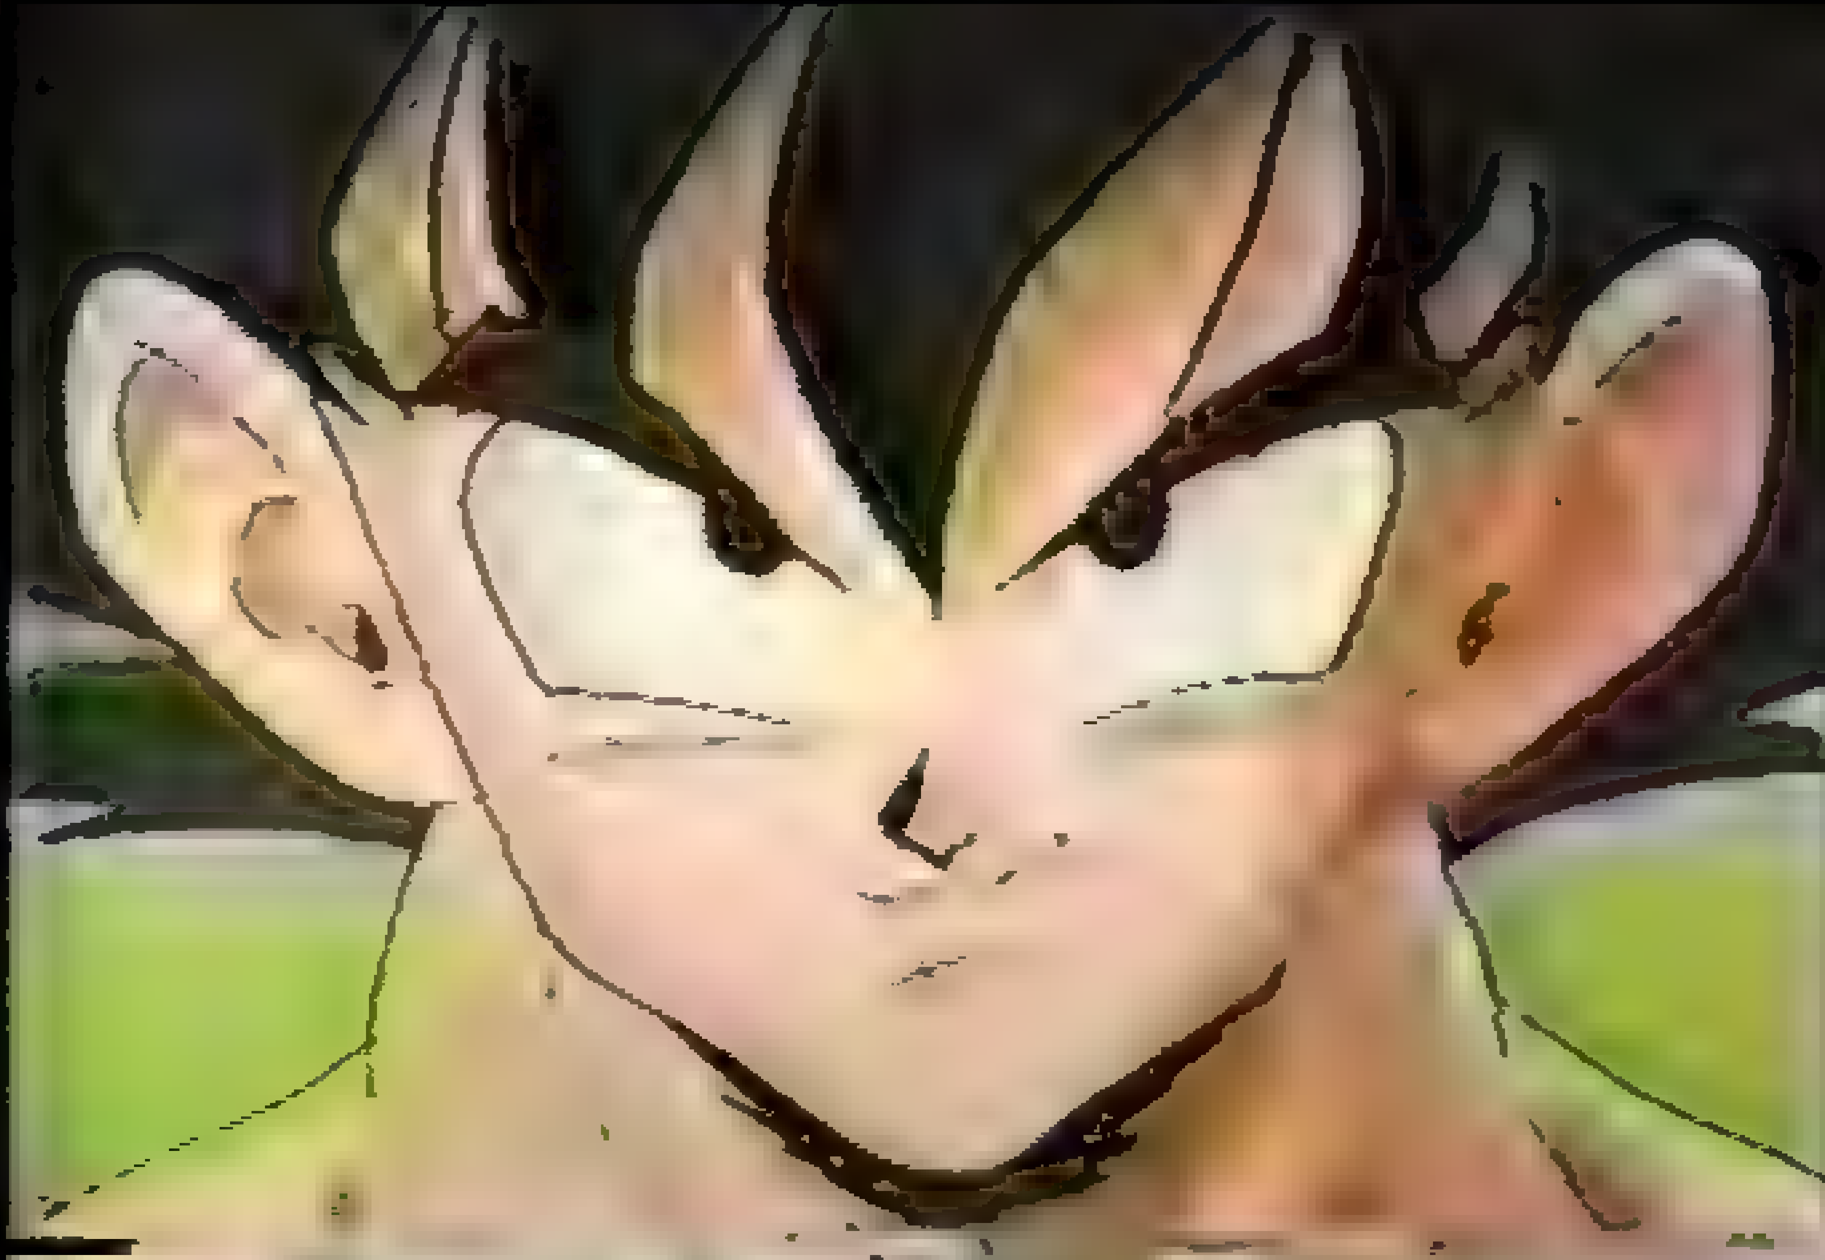

that kind of puny power?

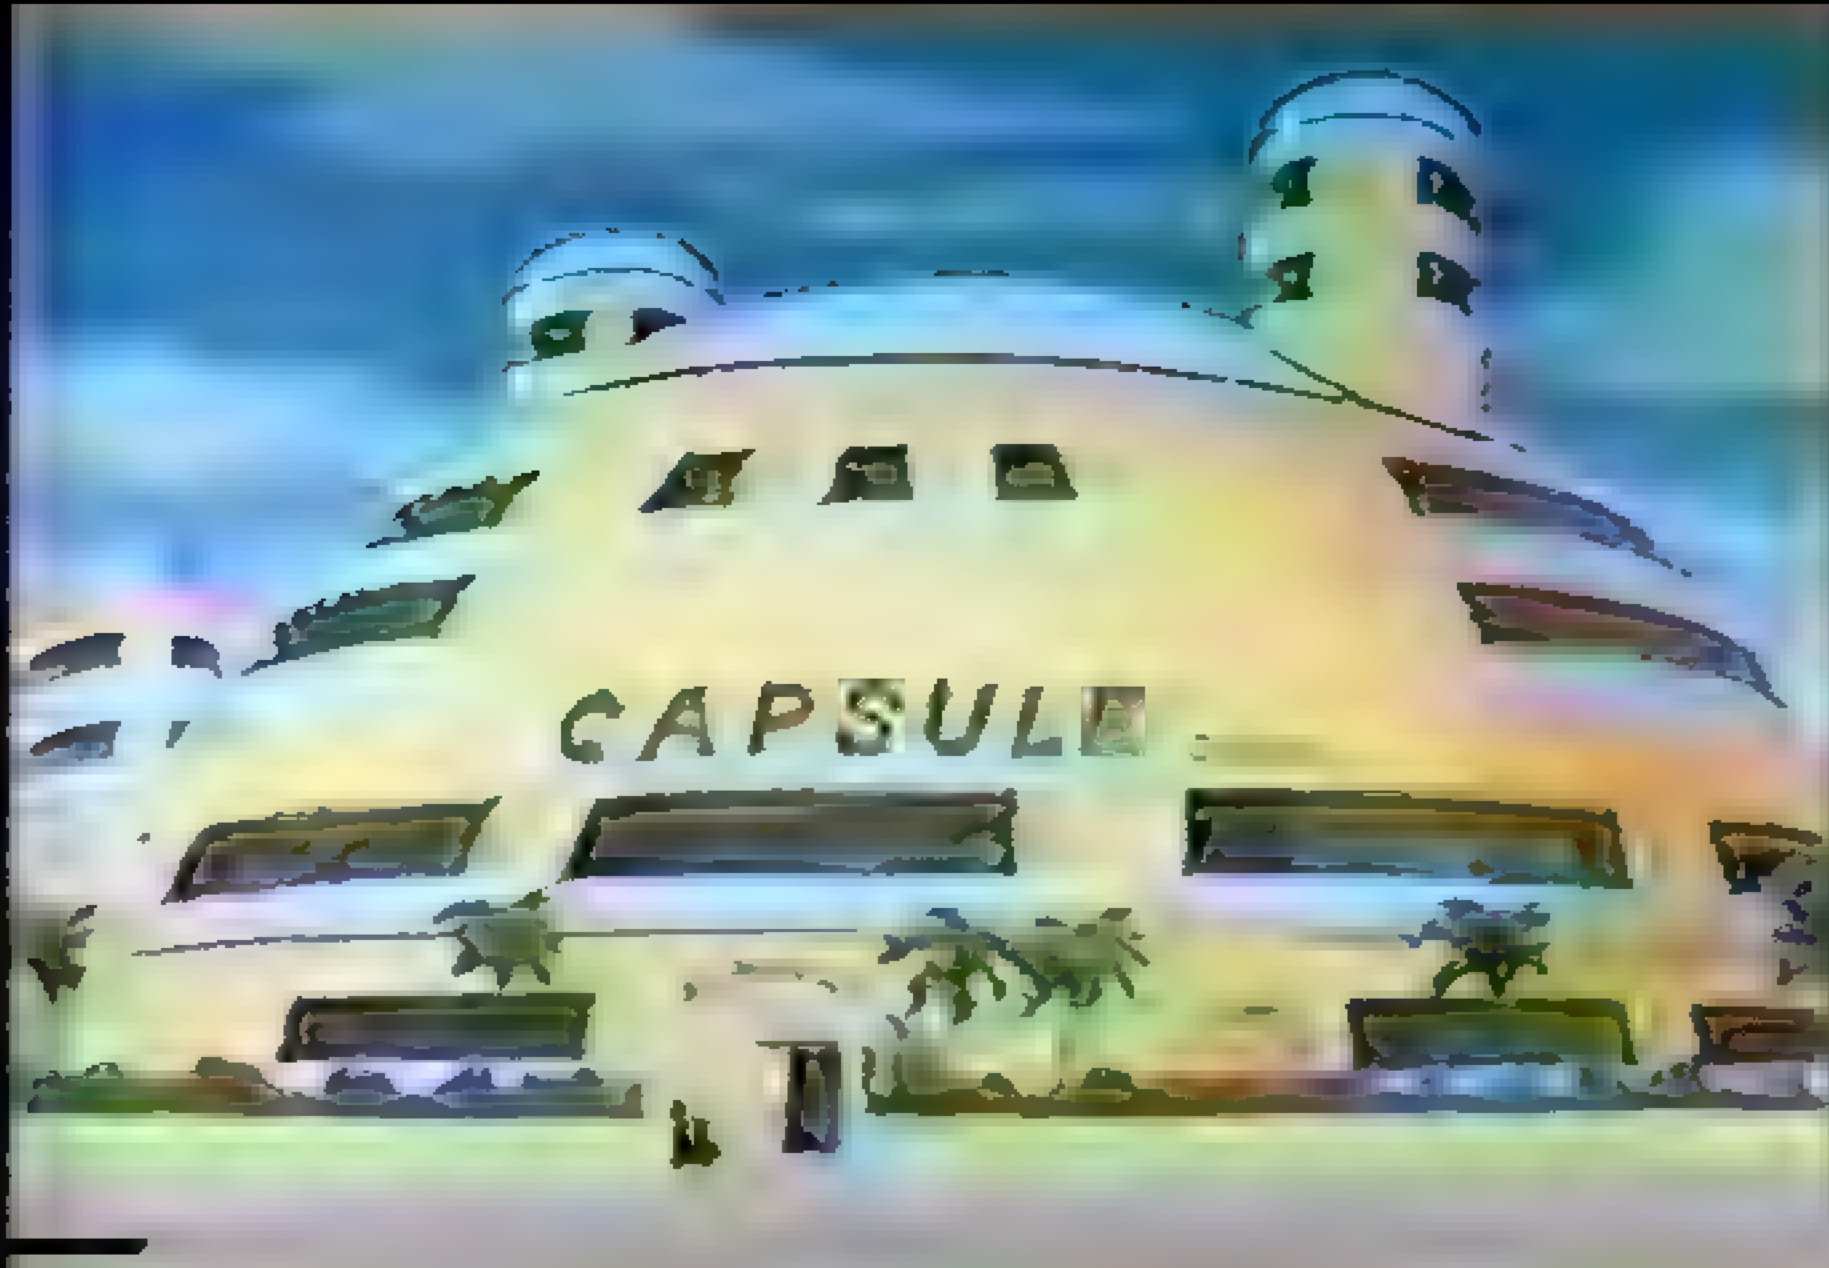

that kind of puny power?

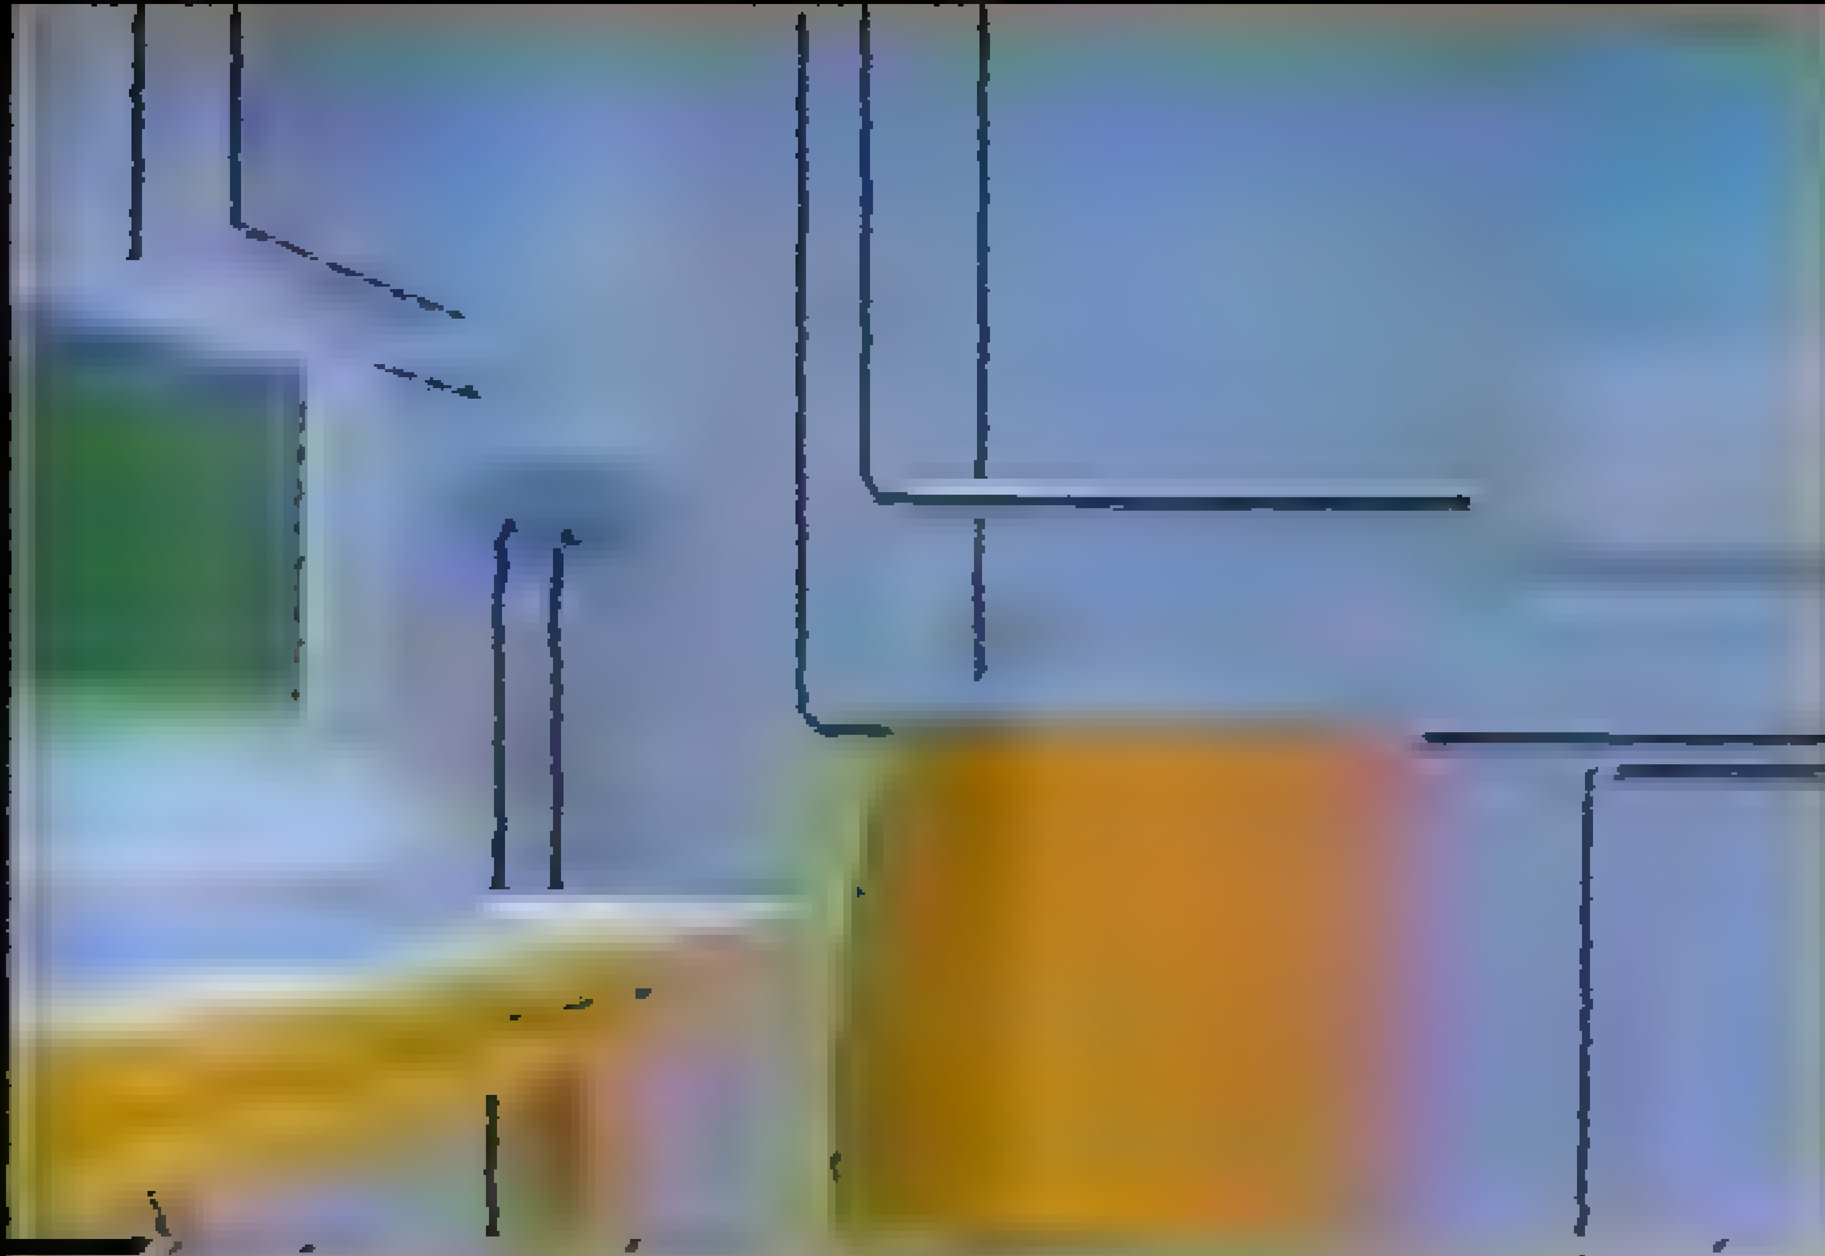

CAPSULE

Wait a minute!

My Gohan is in danger!
I don't have time to rest!

This is it, isn't it?

Hurry, and call Gohan!

Hurry, and call Gohan!

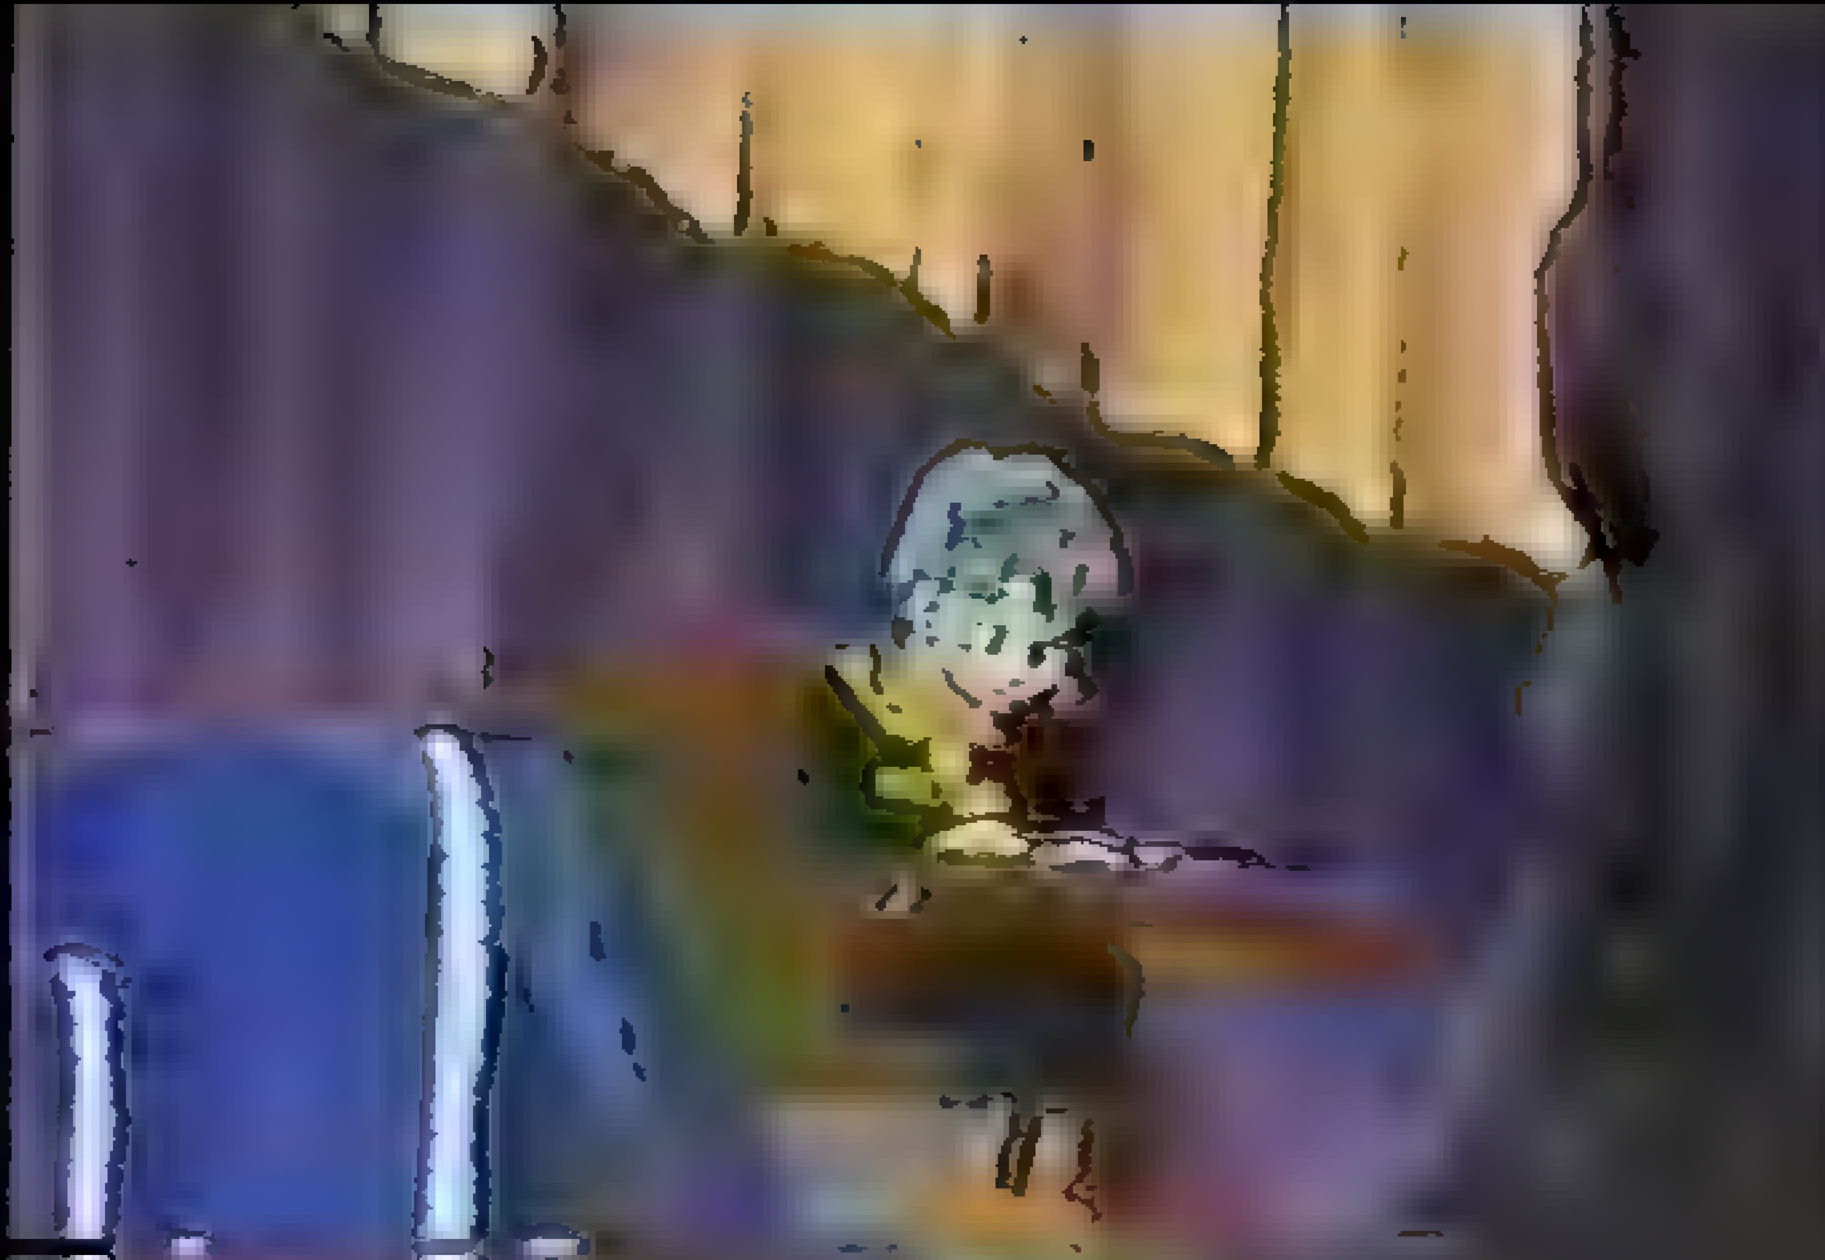

Premonition or whatever...
You don't have to panic like this.

Premonition or whatever...
You don't have to panic like this.

Hurry, and do it!

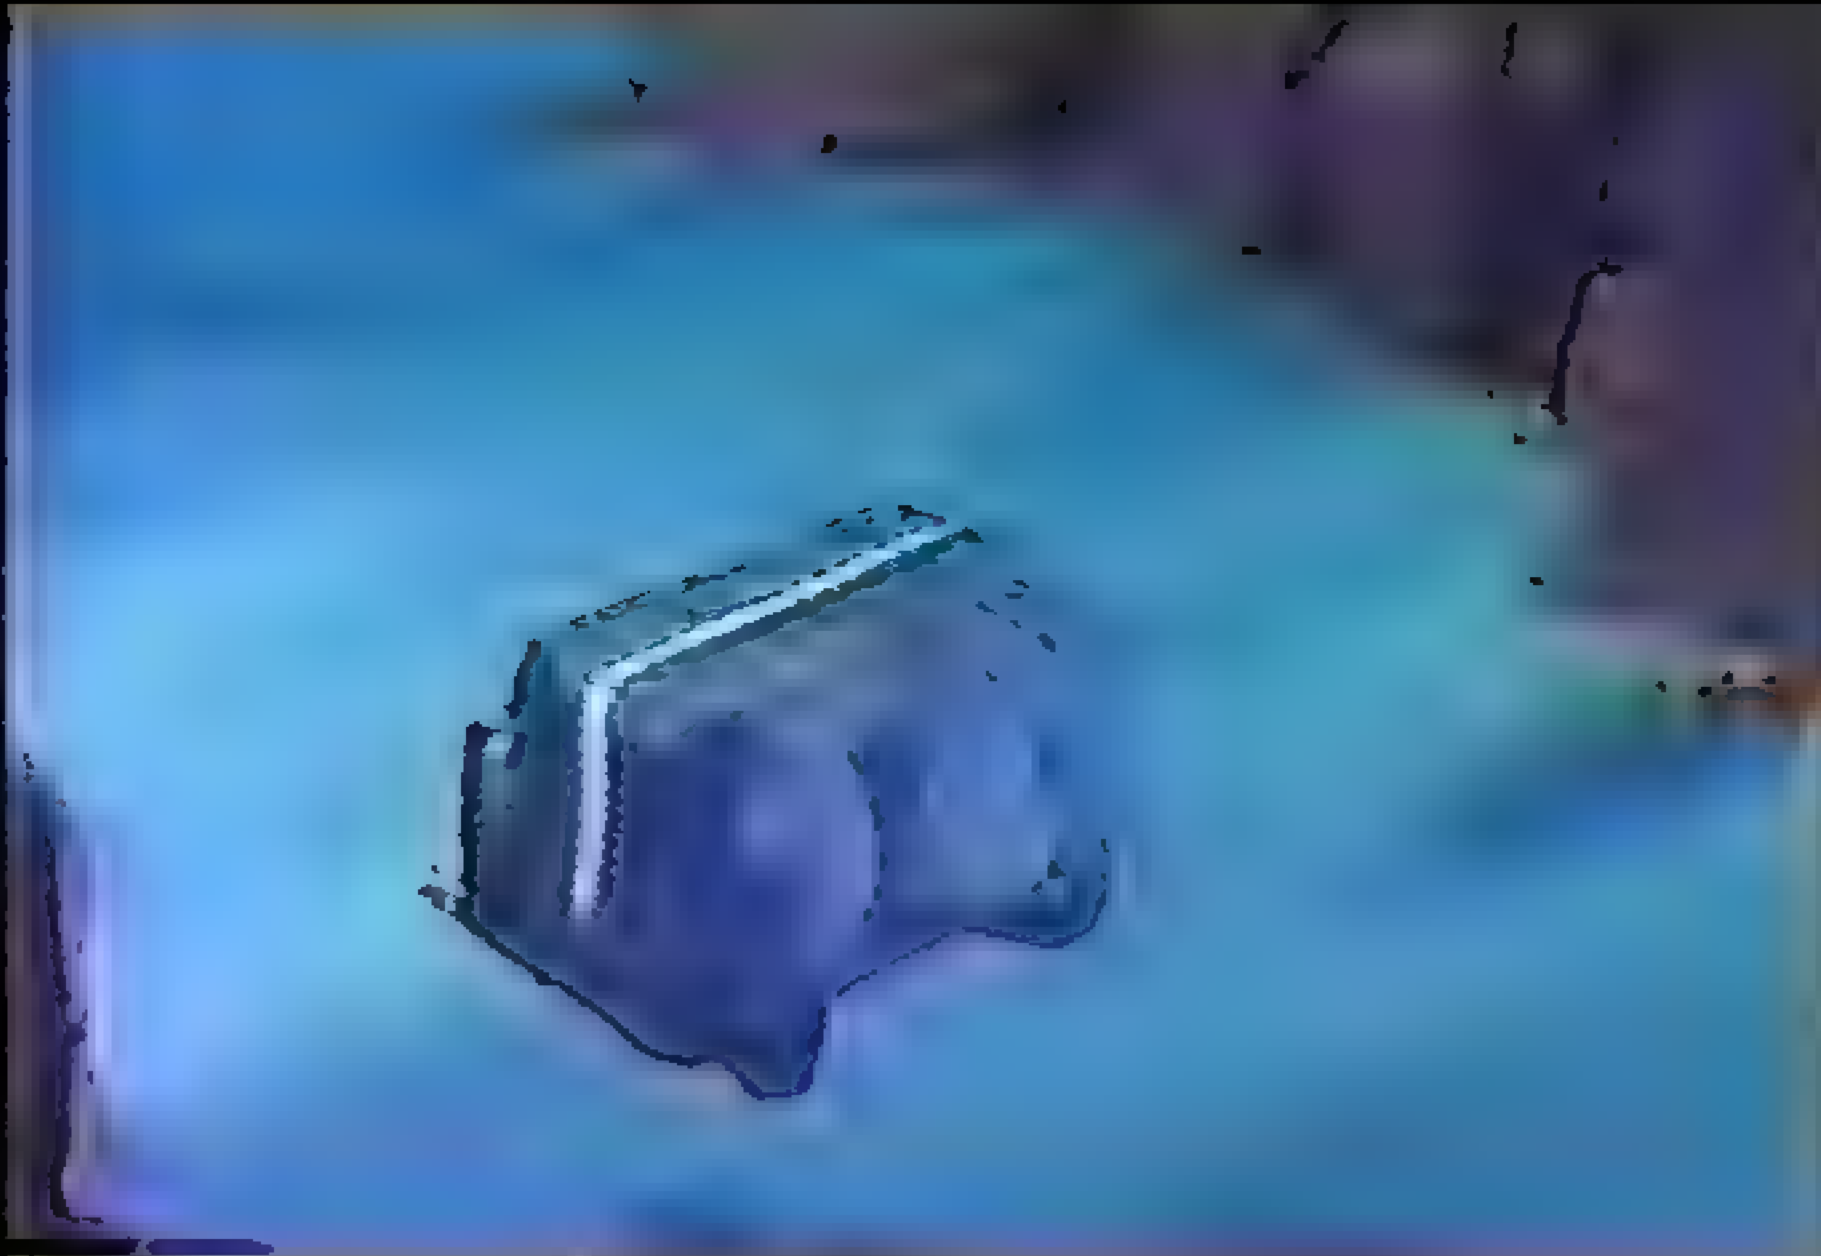

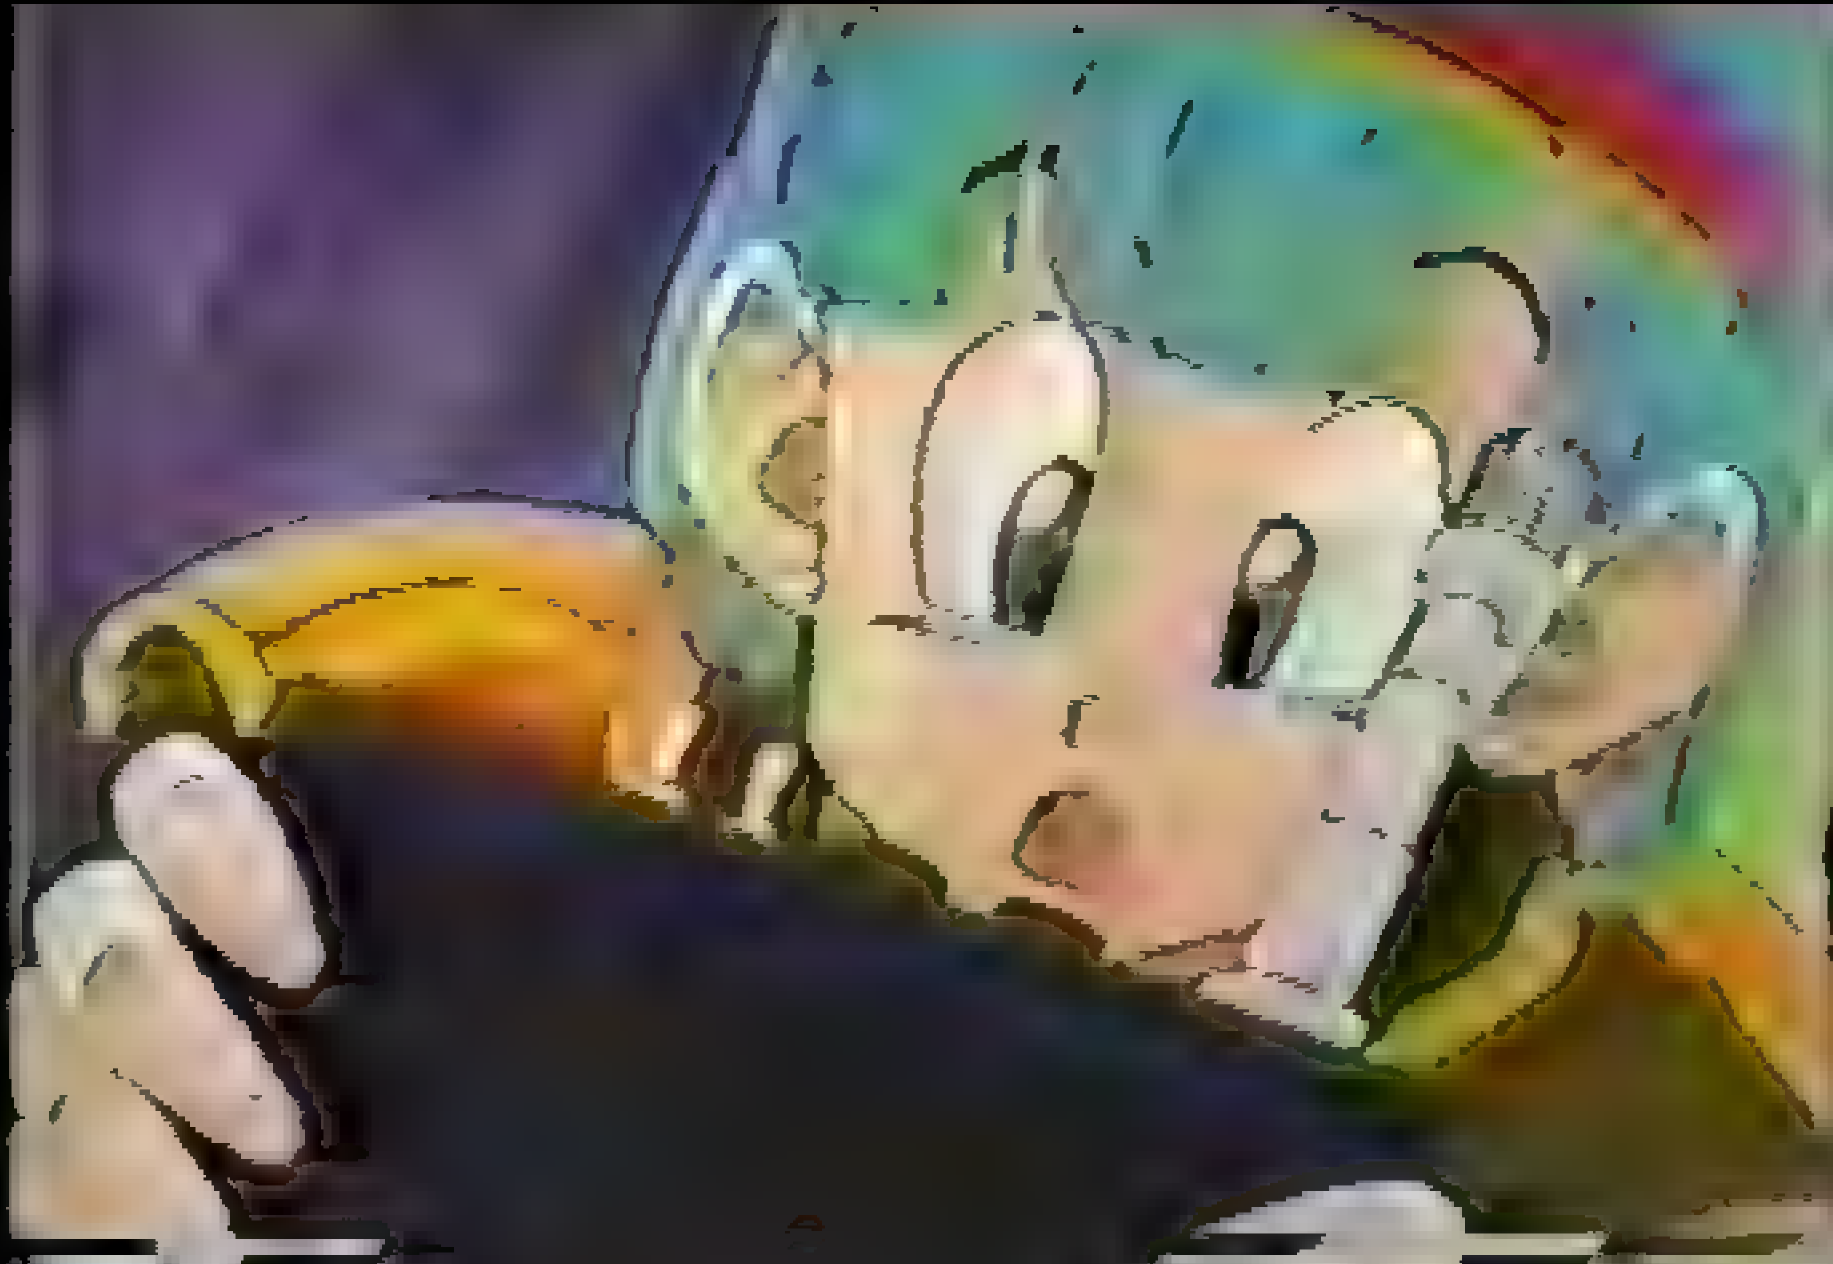

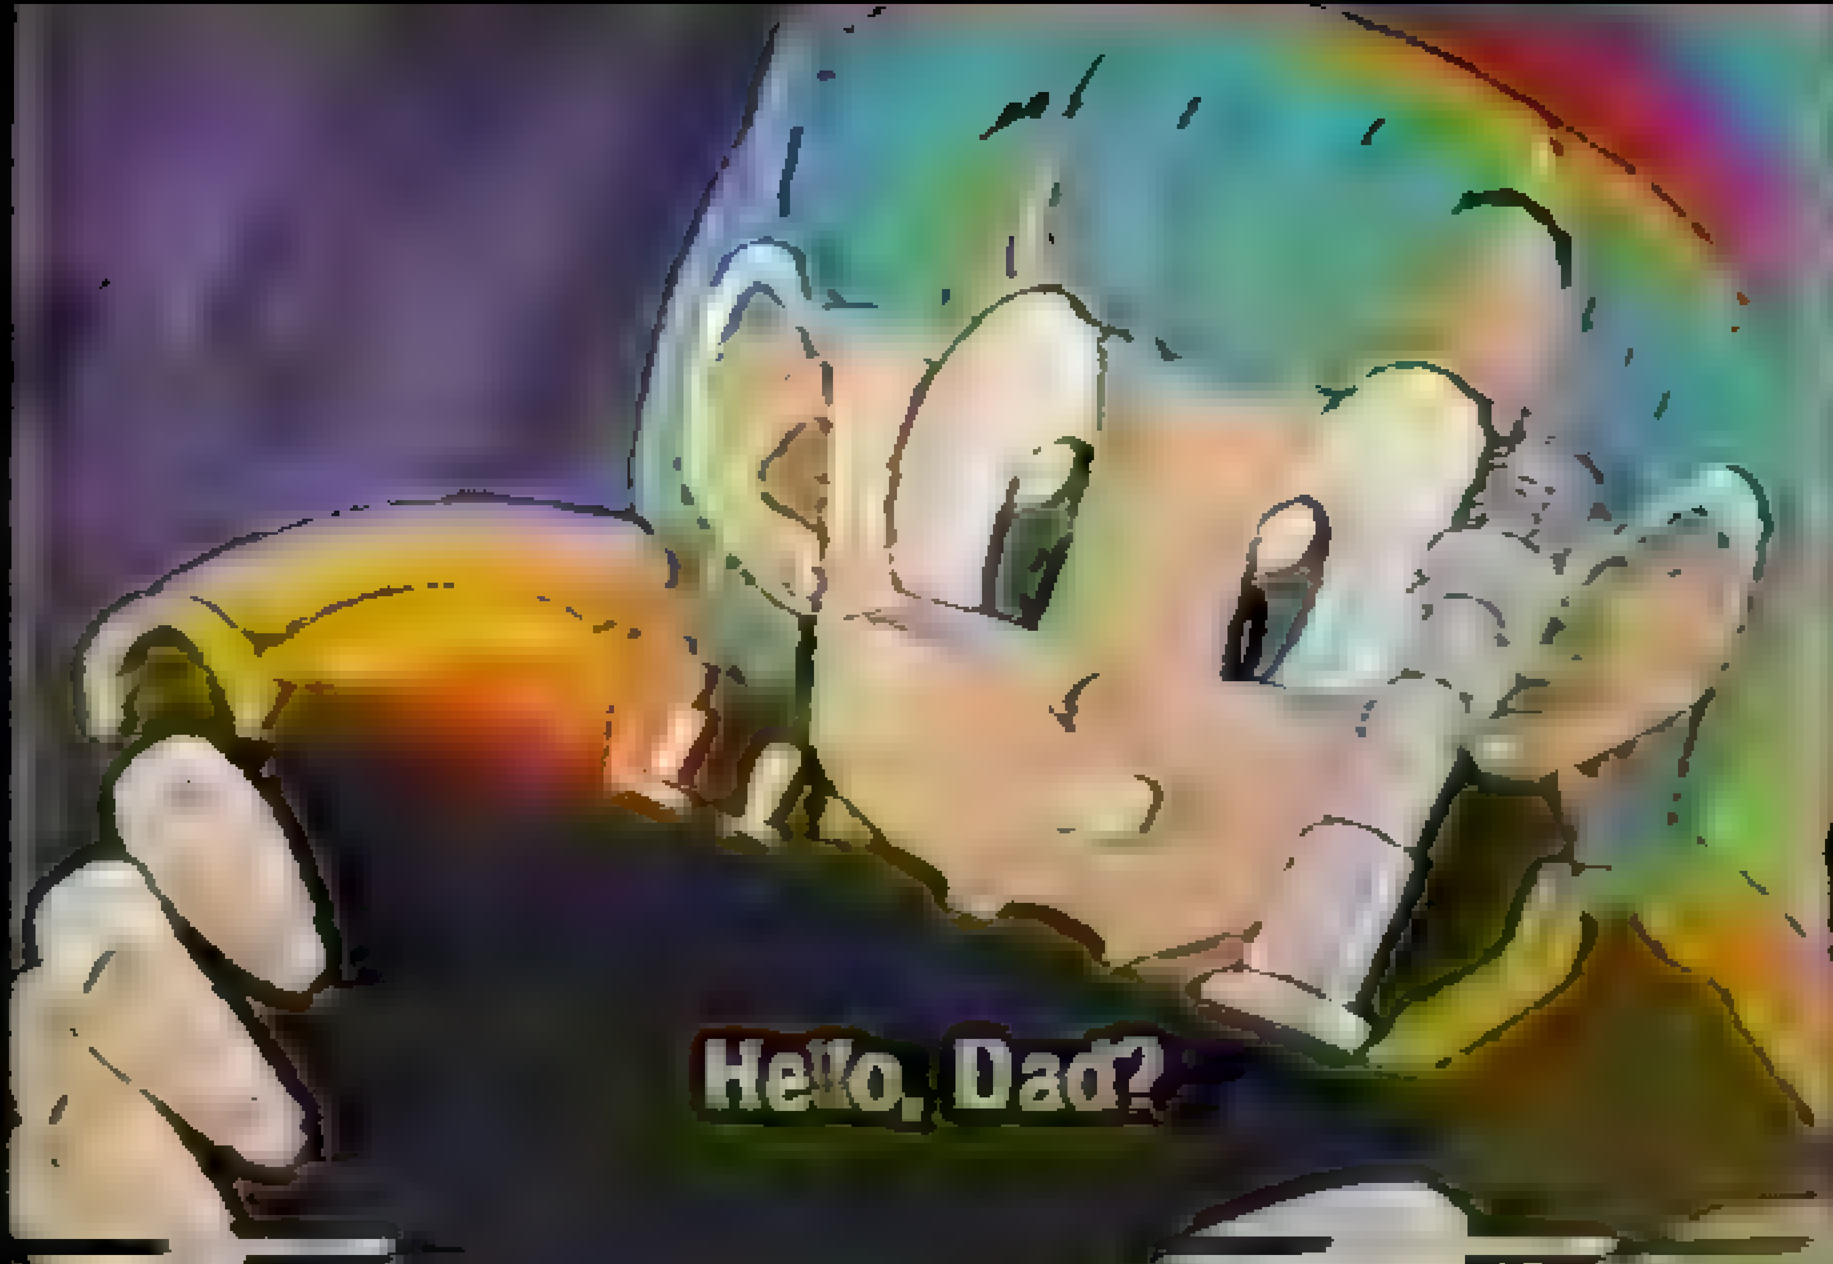

Bloomer! Can you hear me!

It's from Dad!

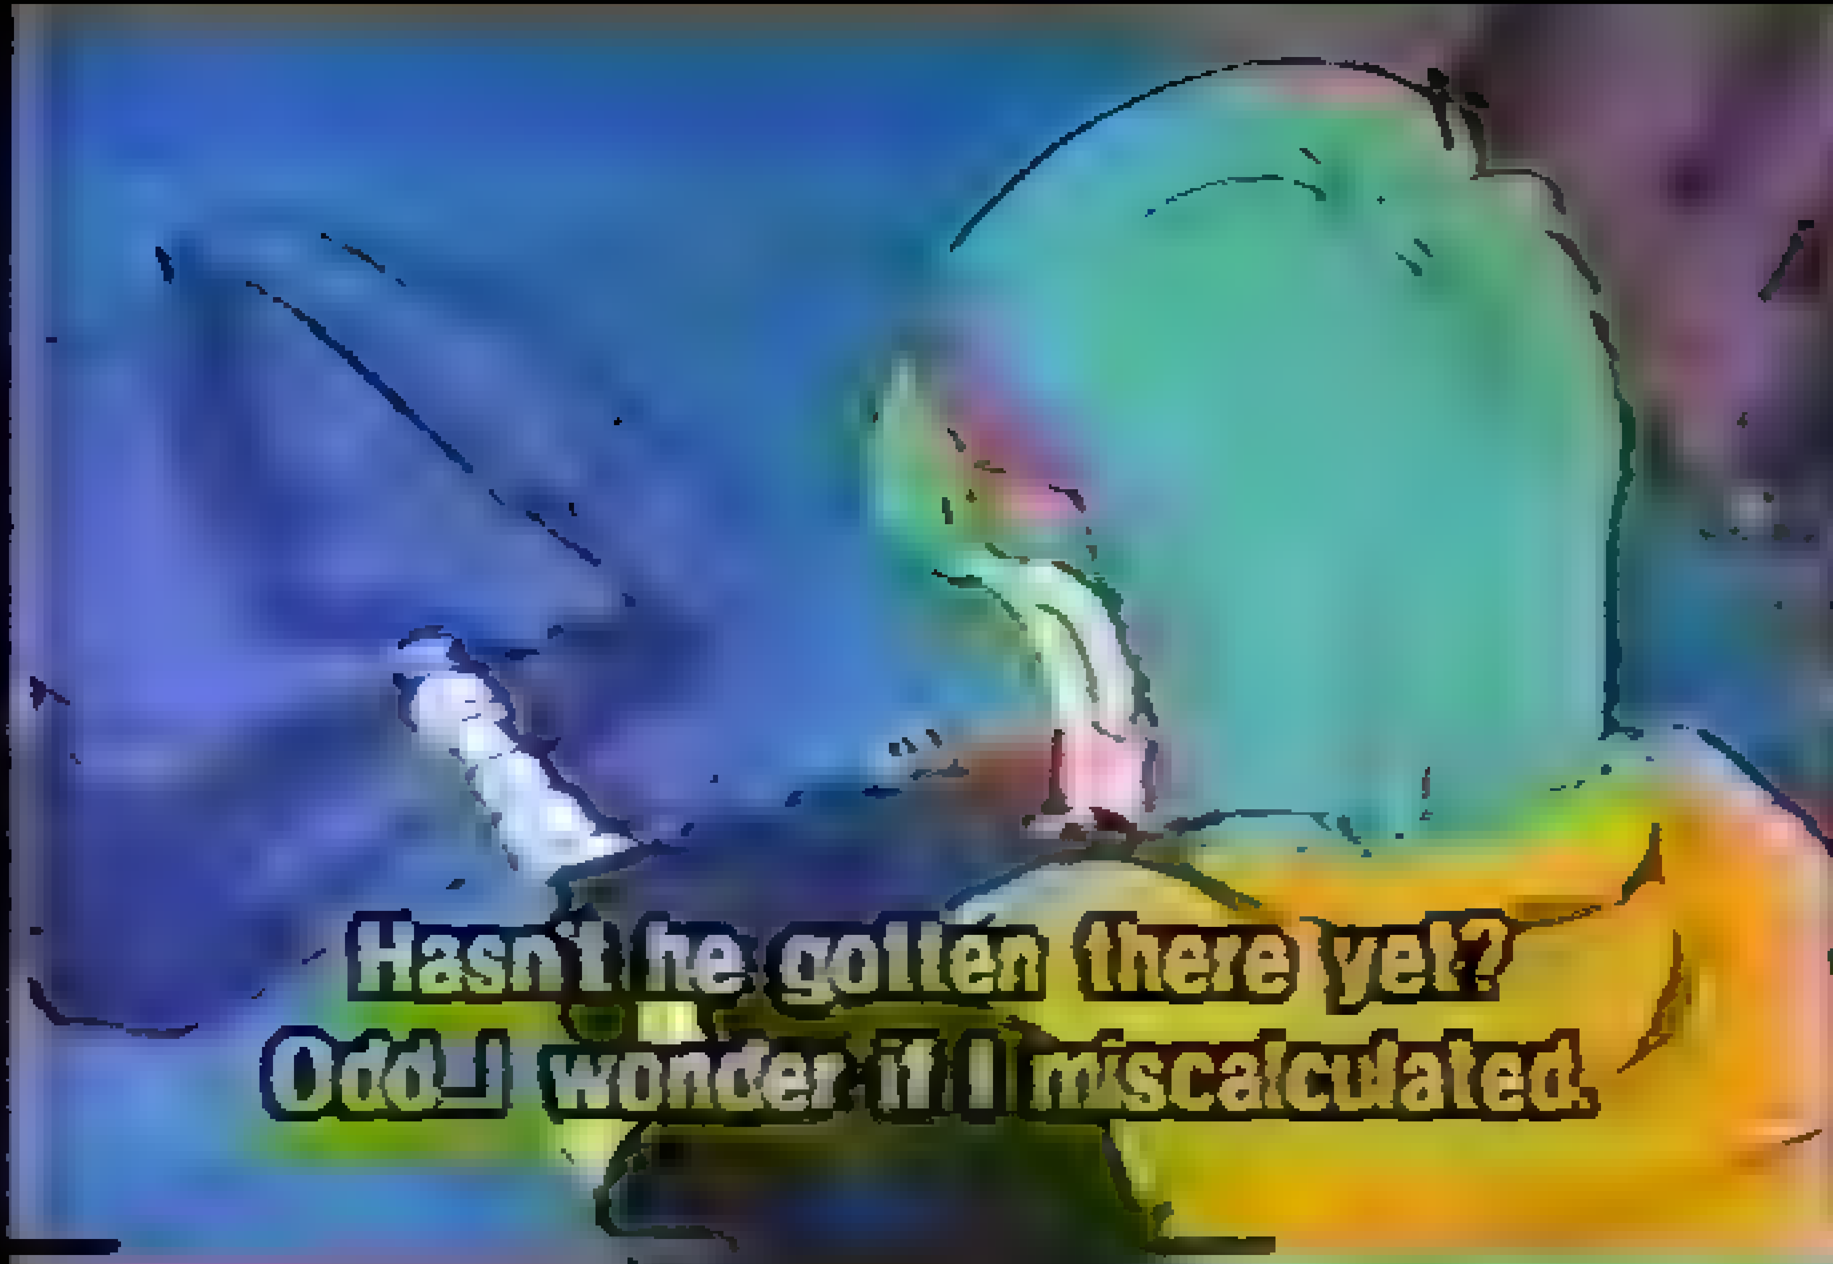

Hello, Dad?

Is that you, Bloomer?

Where's Son!
When is he going to land!

It's been over six days now!

Hasn't he gotten there yet?
Odd... I wonder if I miscalculated.

Hasn't he gotten there yet?
Odd... I wonder if I miscalculated.

Hasn't he gotten there yet?
Odd...I wonder if I miscalculated.

What about Gohan!
Where is he!

Is he safe? Tell me he's safe!

I don't know!

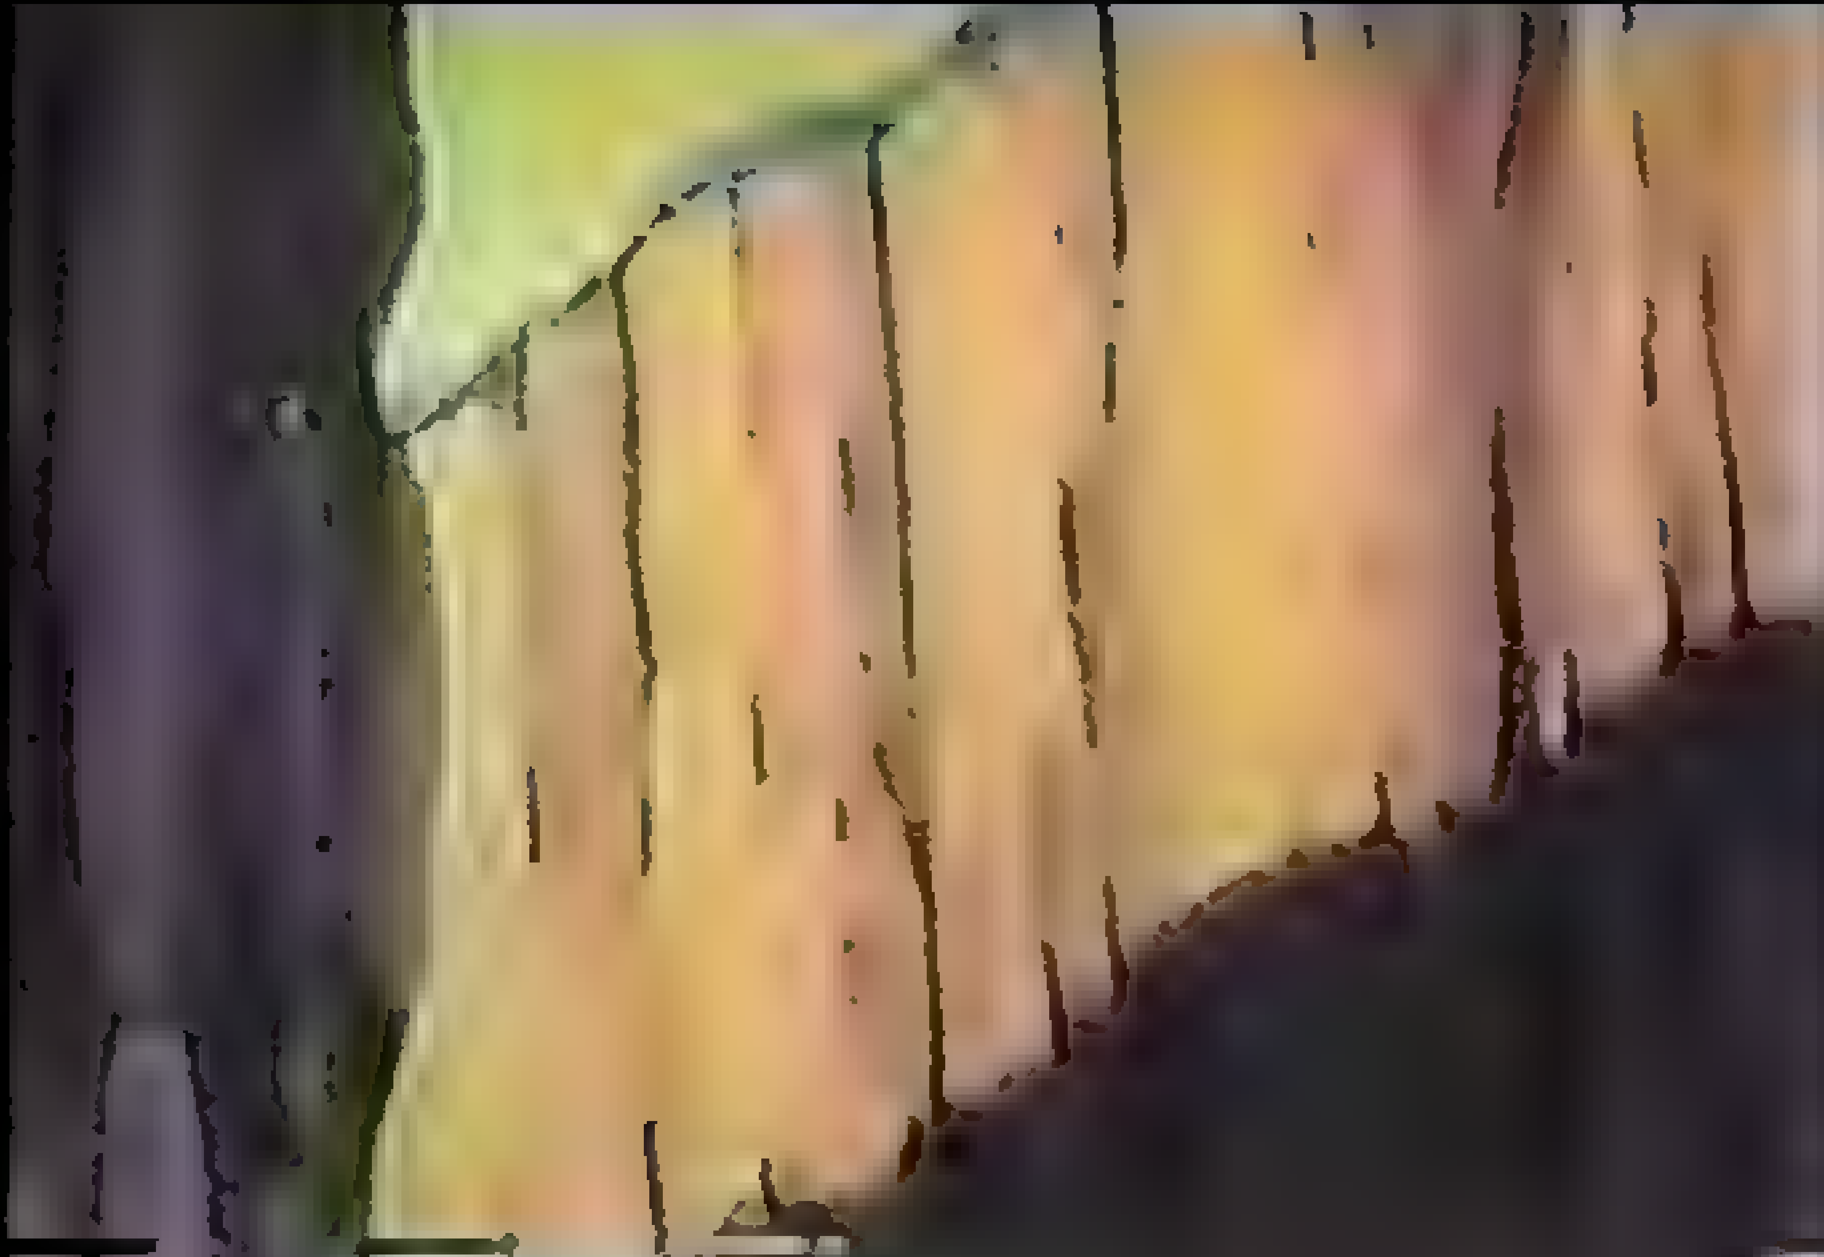

I'm the one who wants

I'm the one who wants

悟

He really is strange.

He really is strange.

He's going to die,
and he's

You can't defeat me.

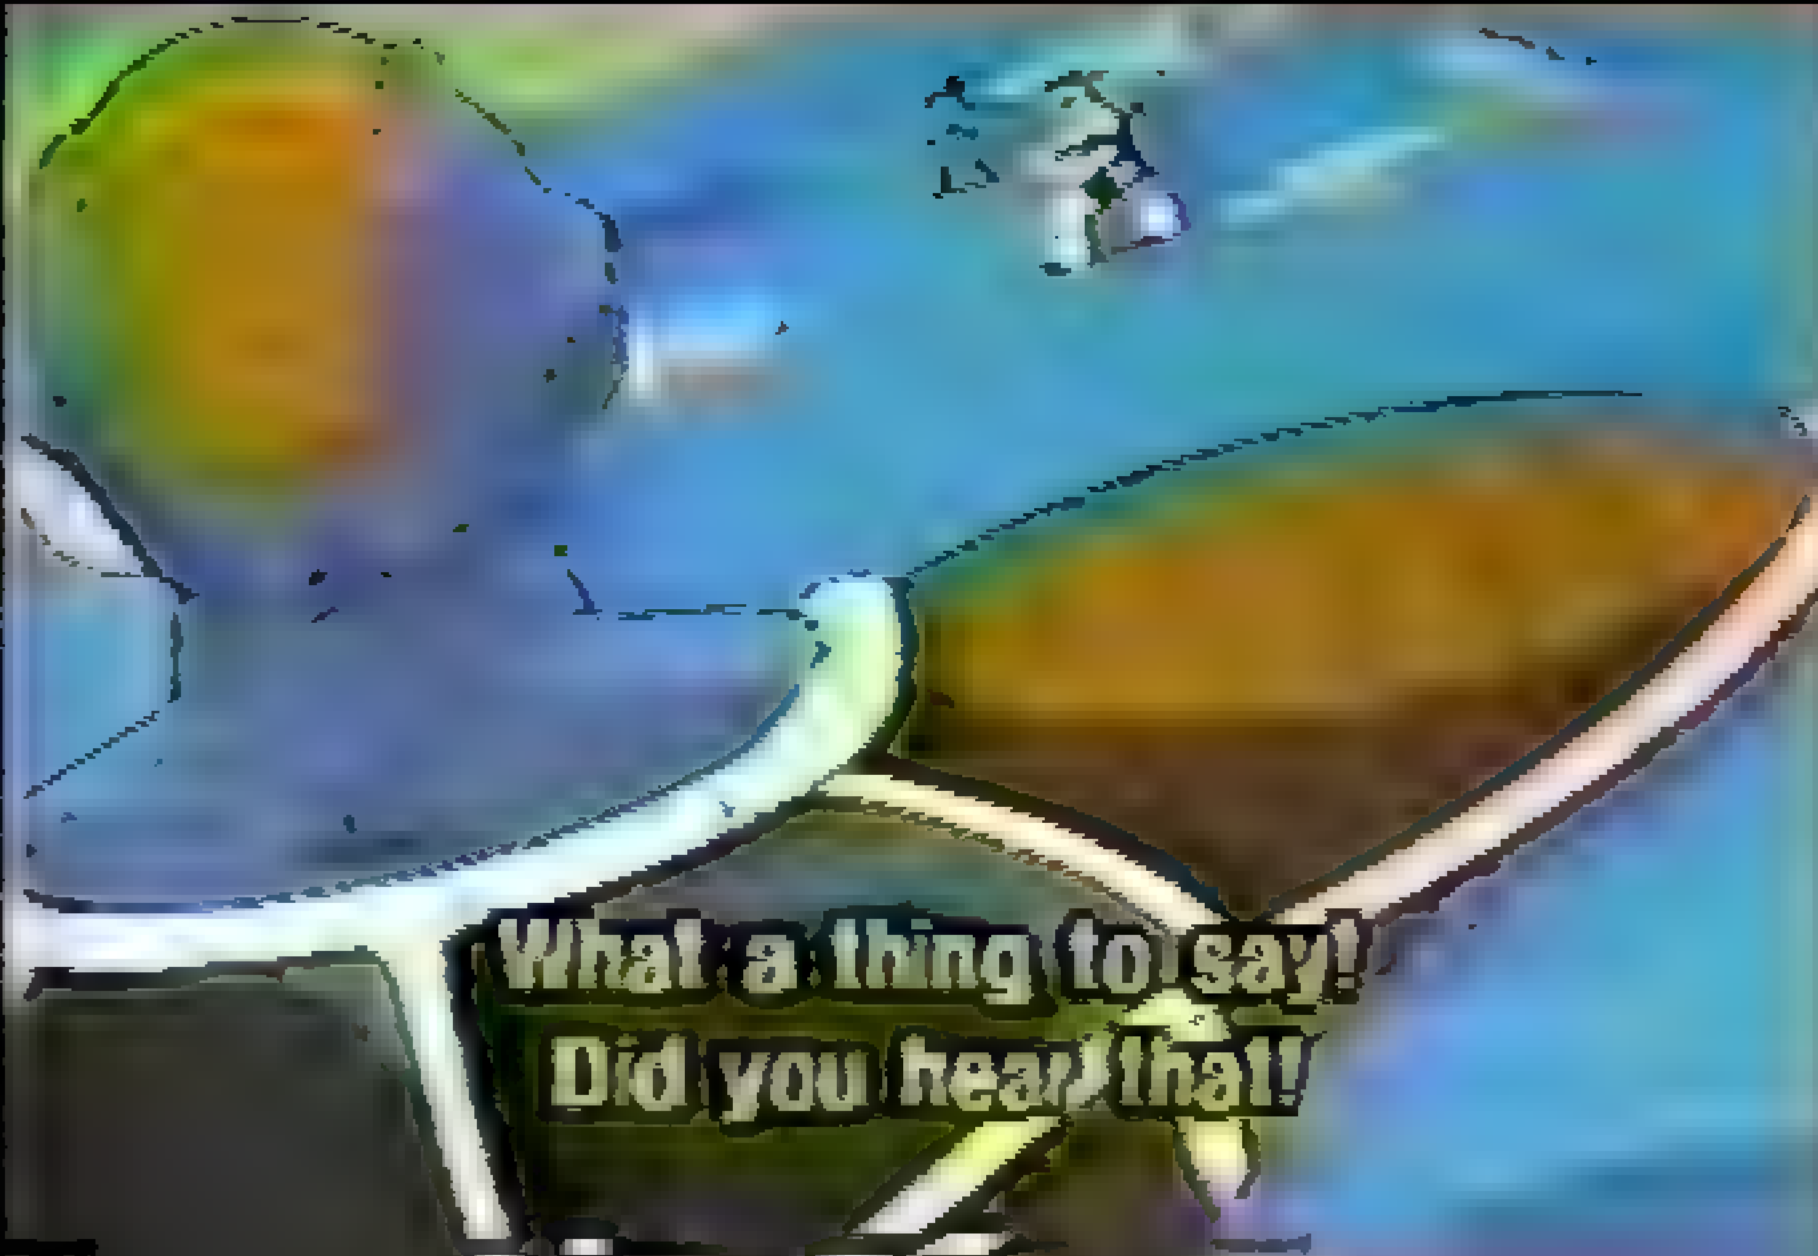

I can tell without

What a thing to say!
Did you hear that!

What a thing to say!
Did you hear that!

This garbage bug said
something unbelievable!

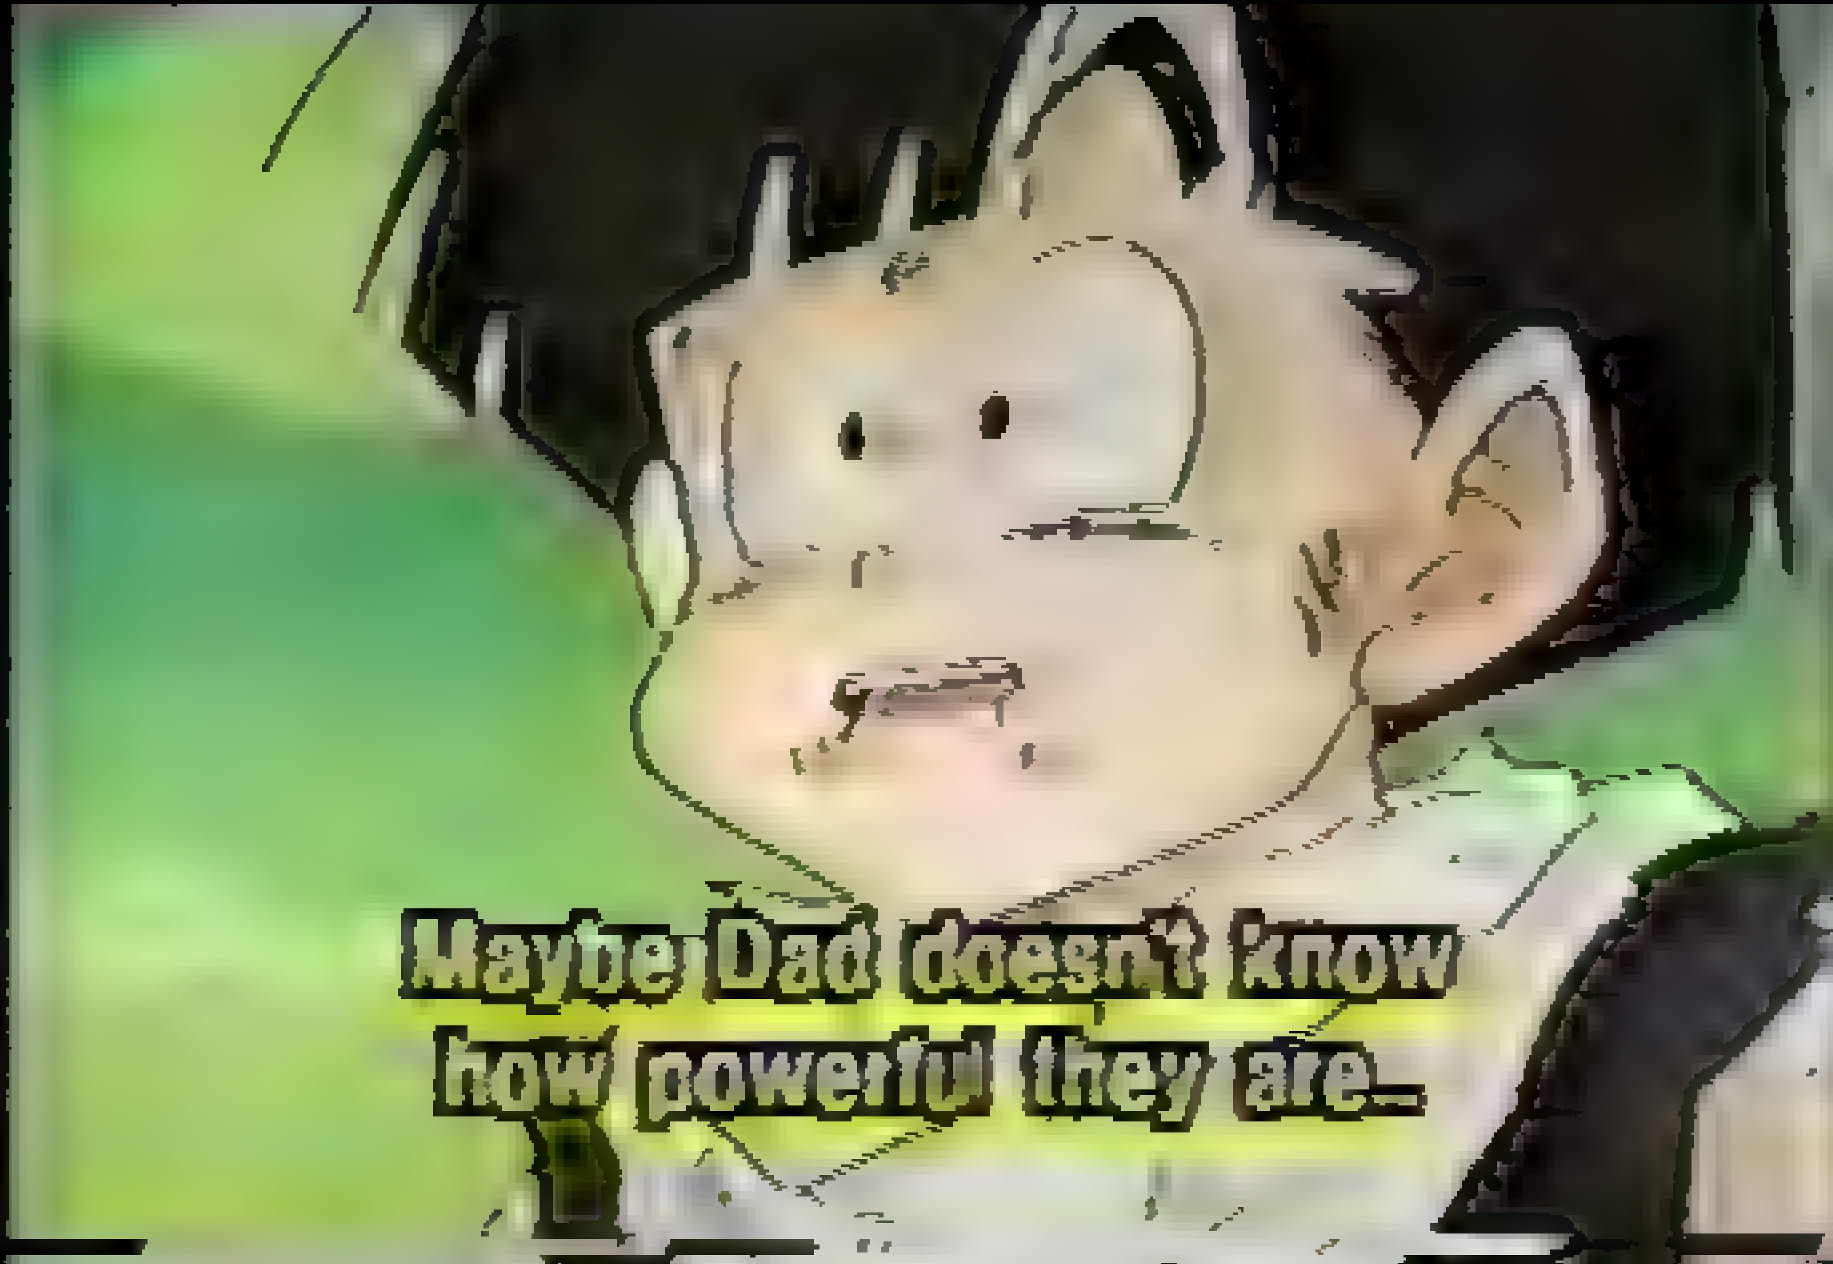

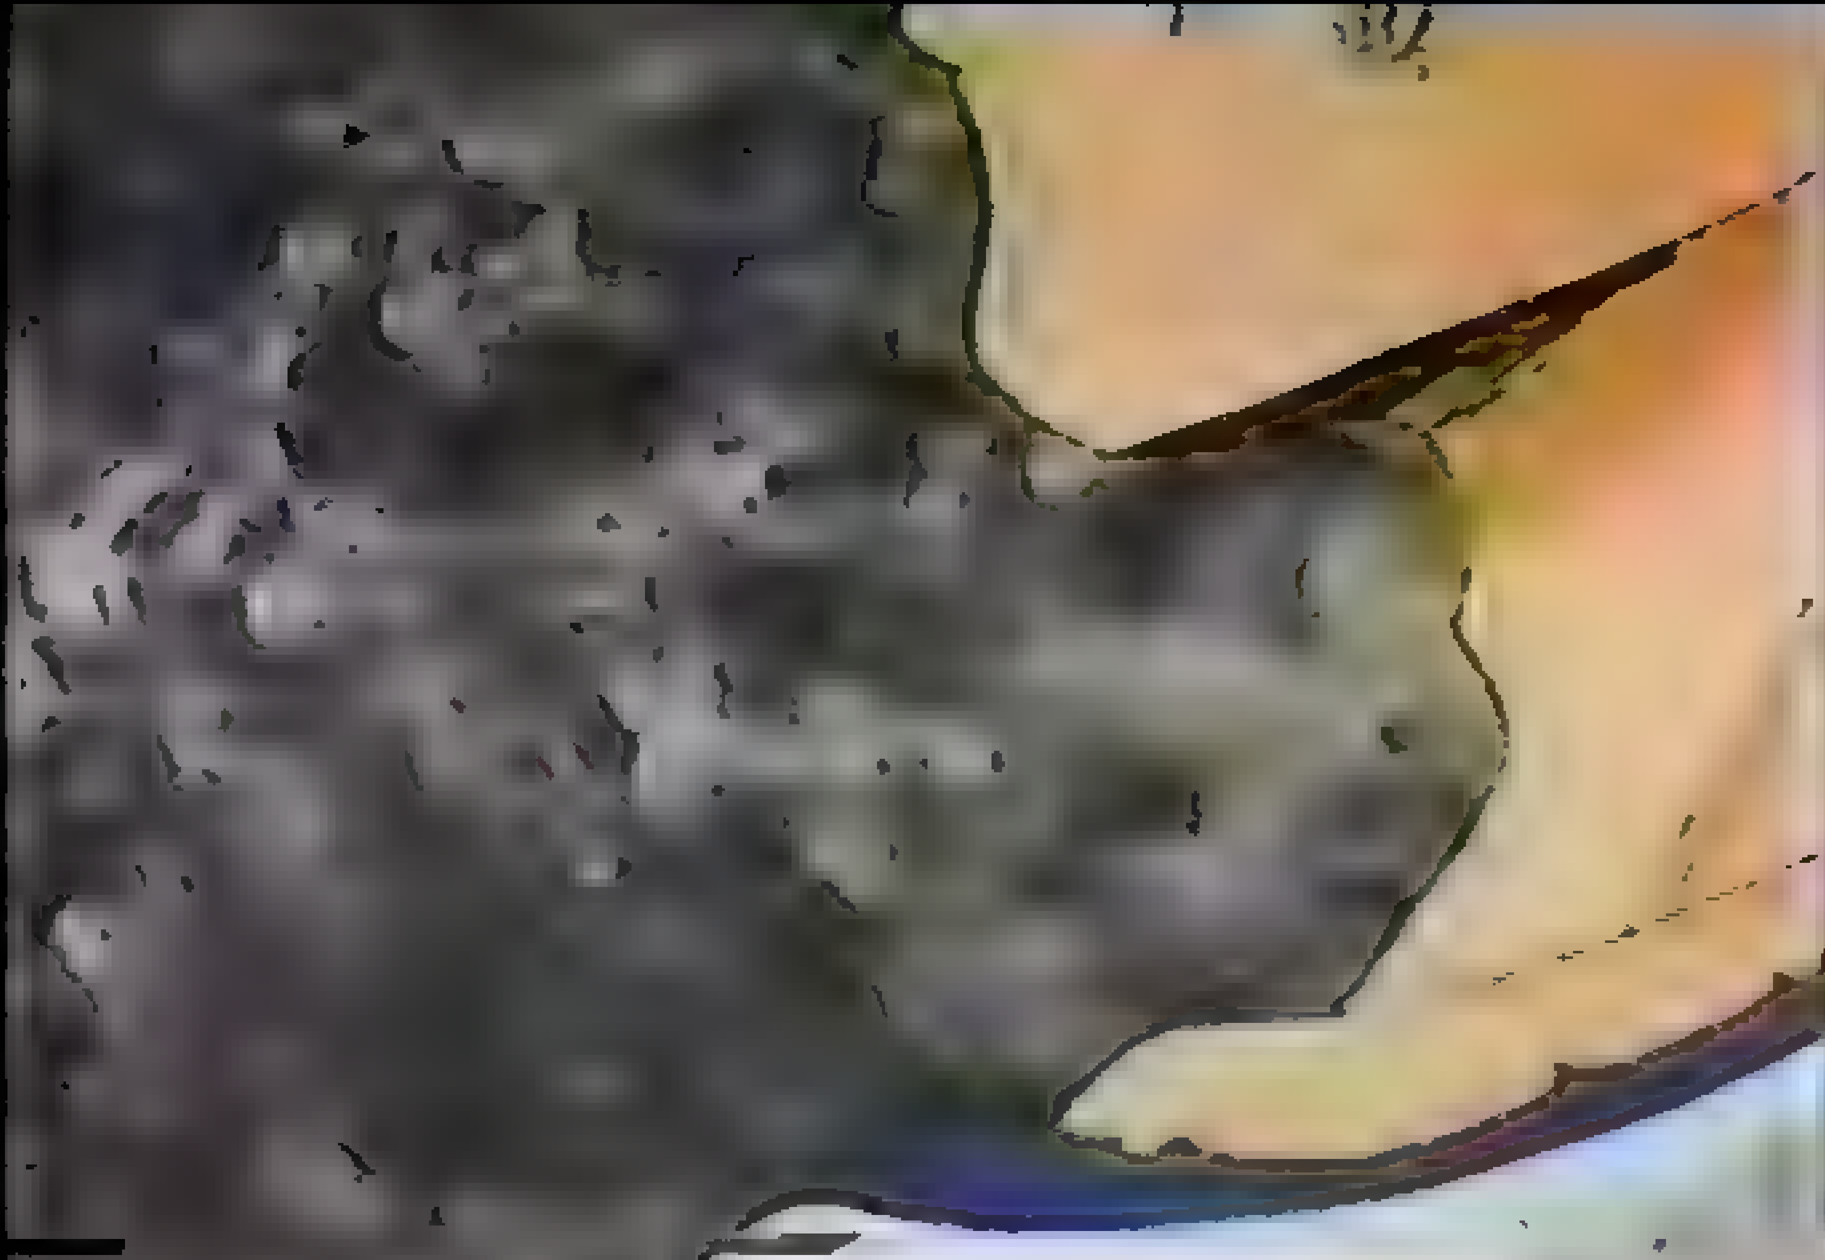

There's something wrong with him.
He doesn't brag like that.

There's something wrong with him.
He doesn't brag like that.

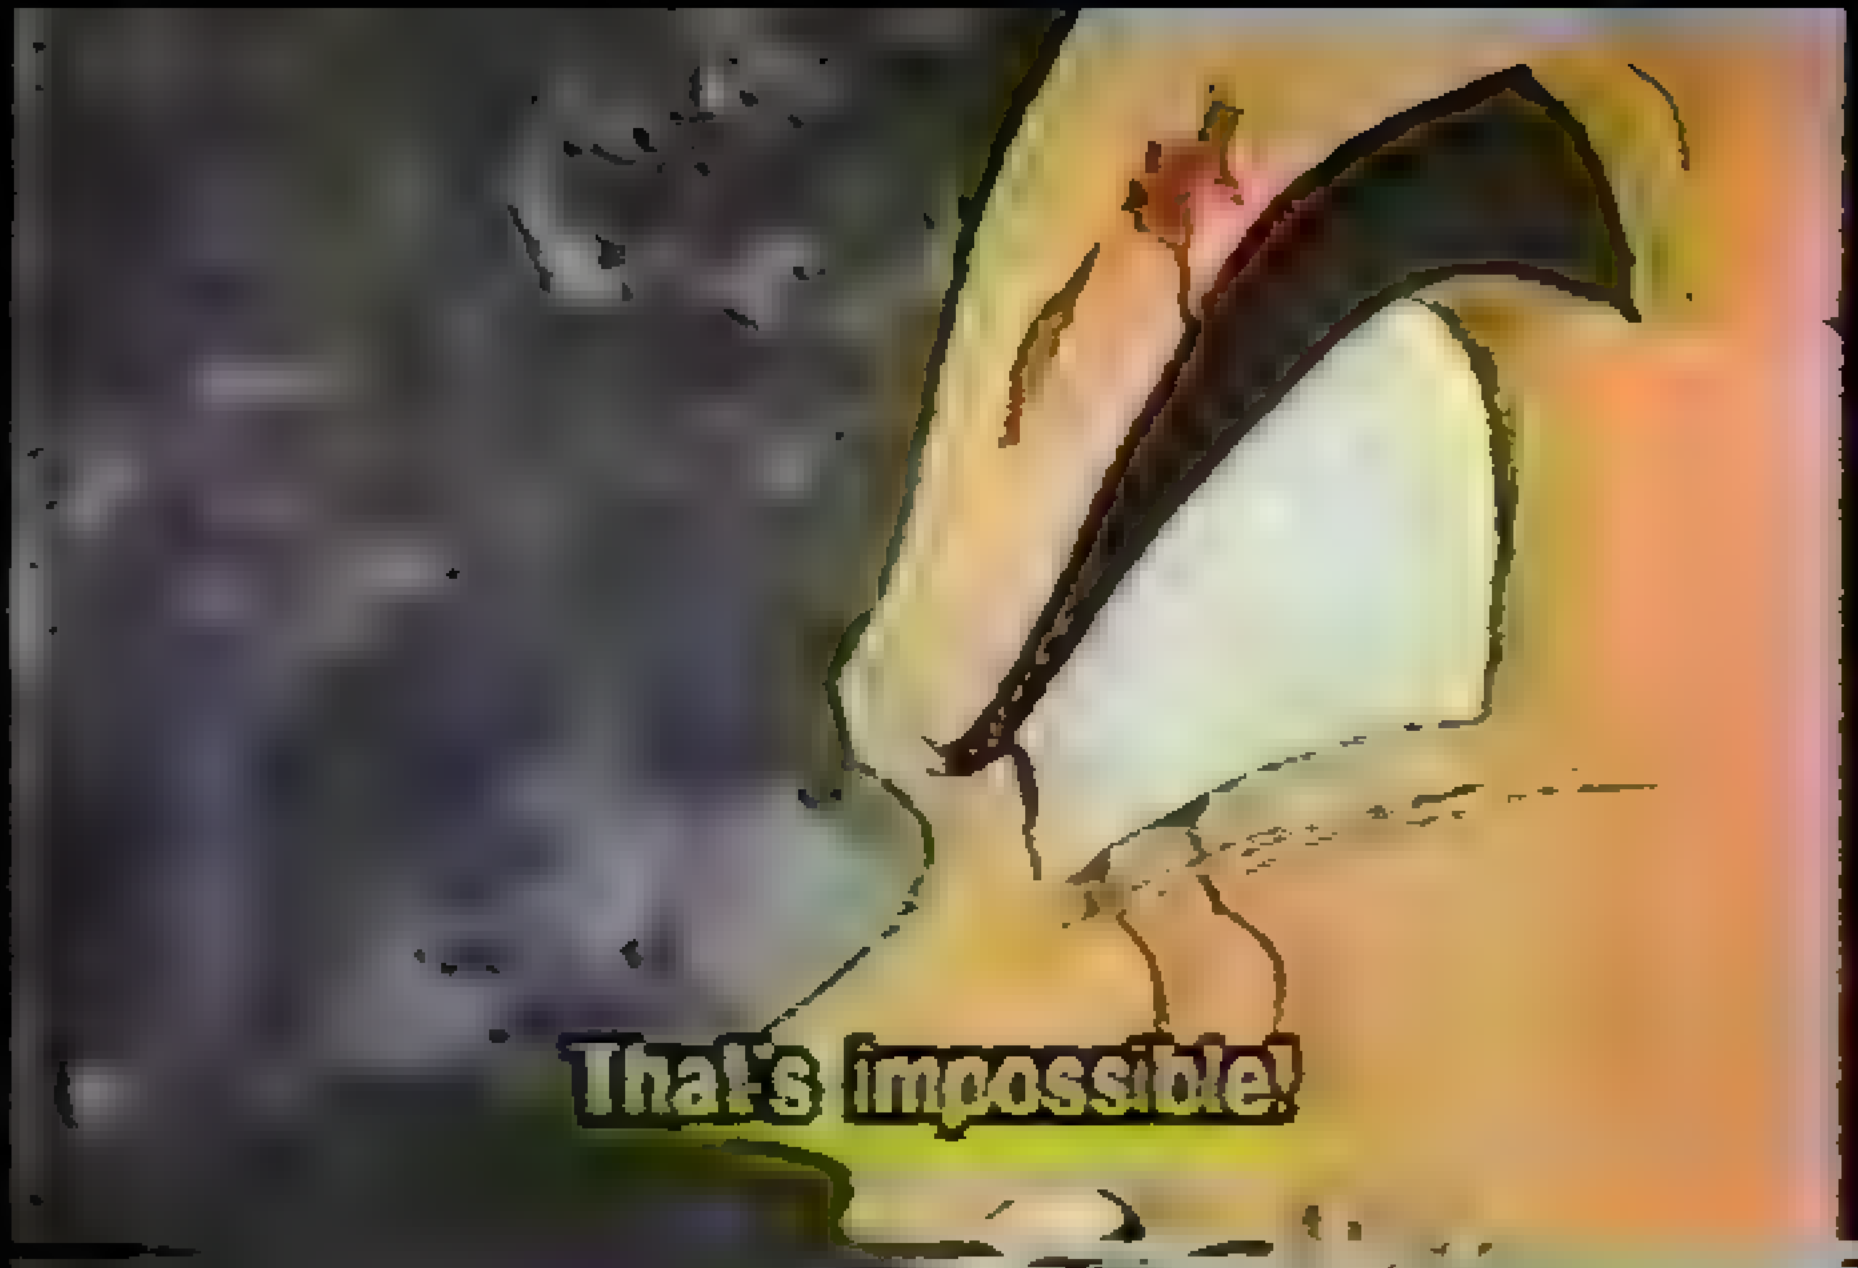

There's something wrong with him.
He doesn't brag like that.

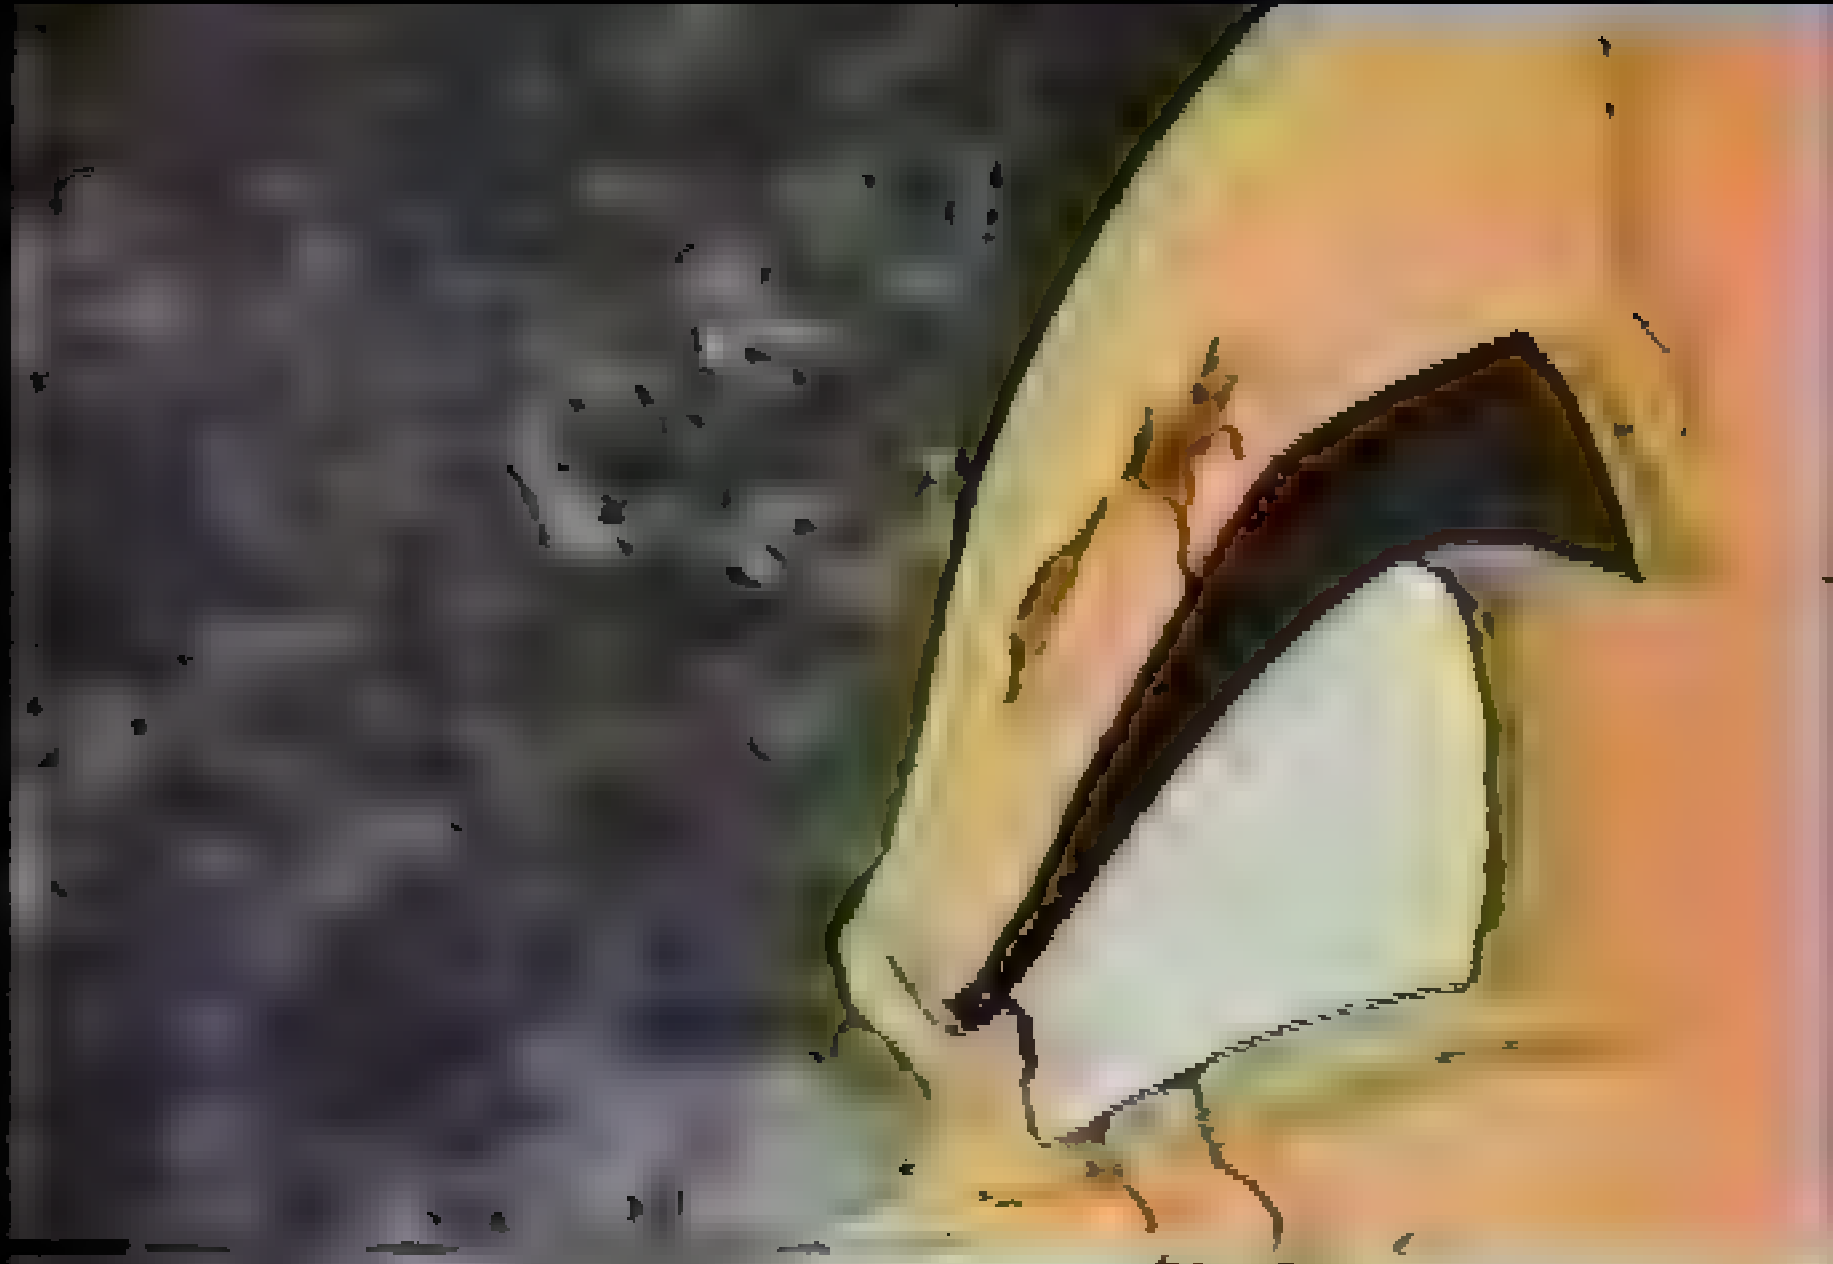

Maybe Dad doesn't know
how powerful they are...

Maybe Dad doesn't know
how powerful they are...

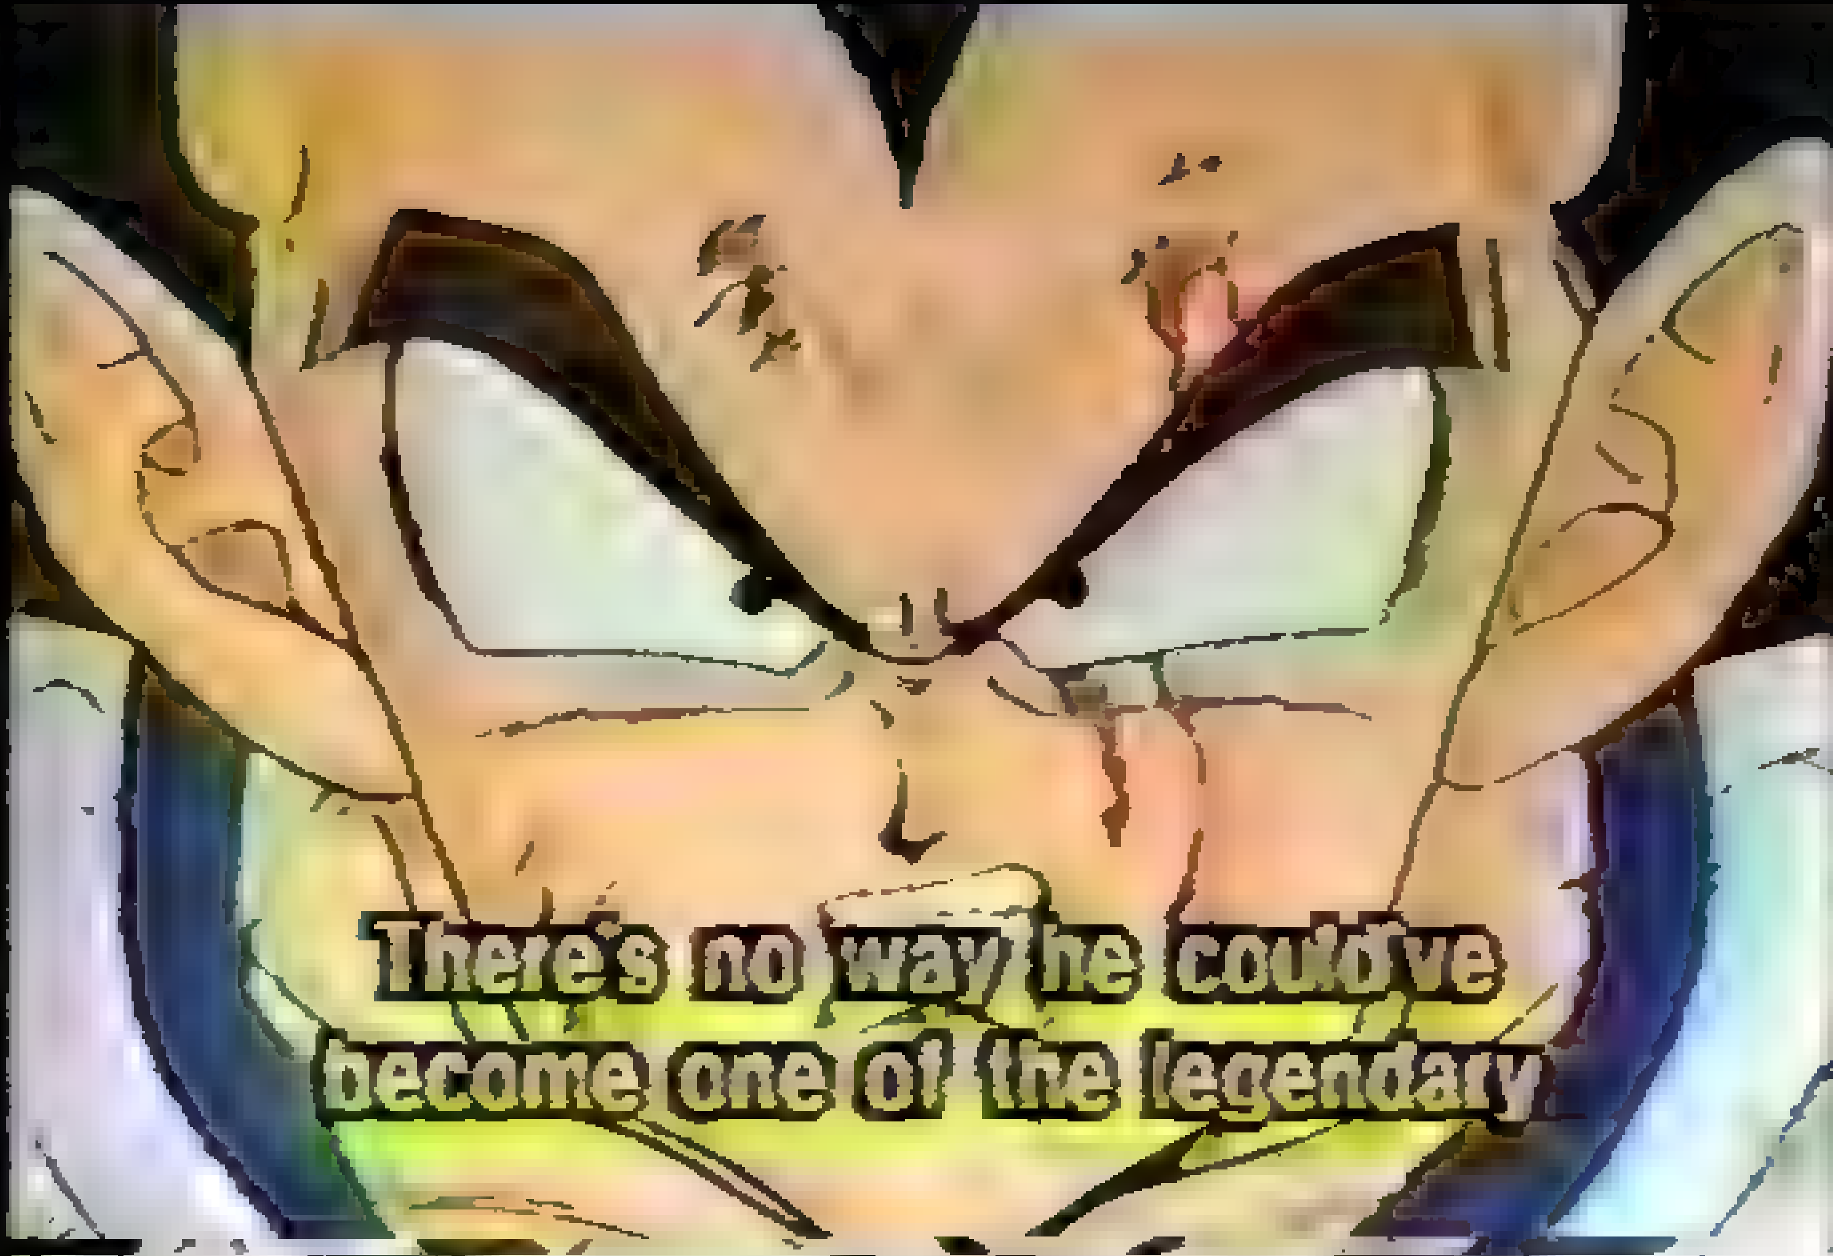

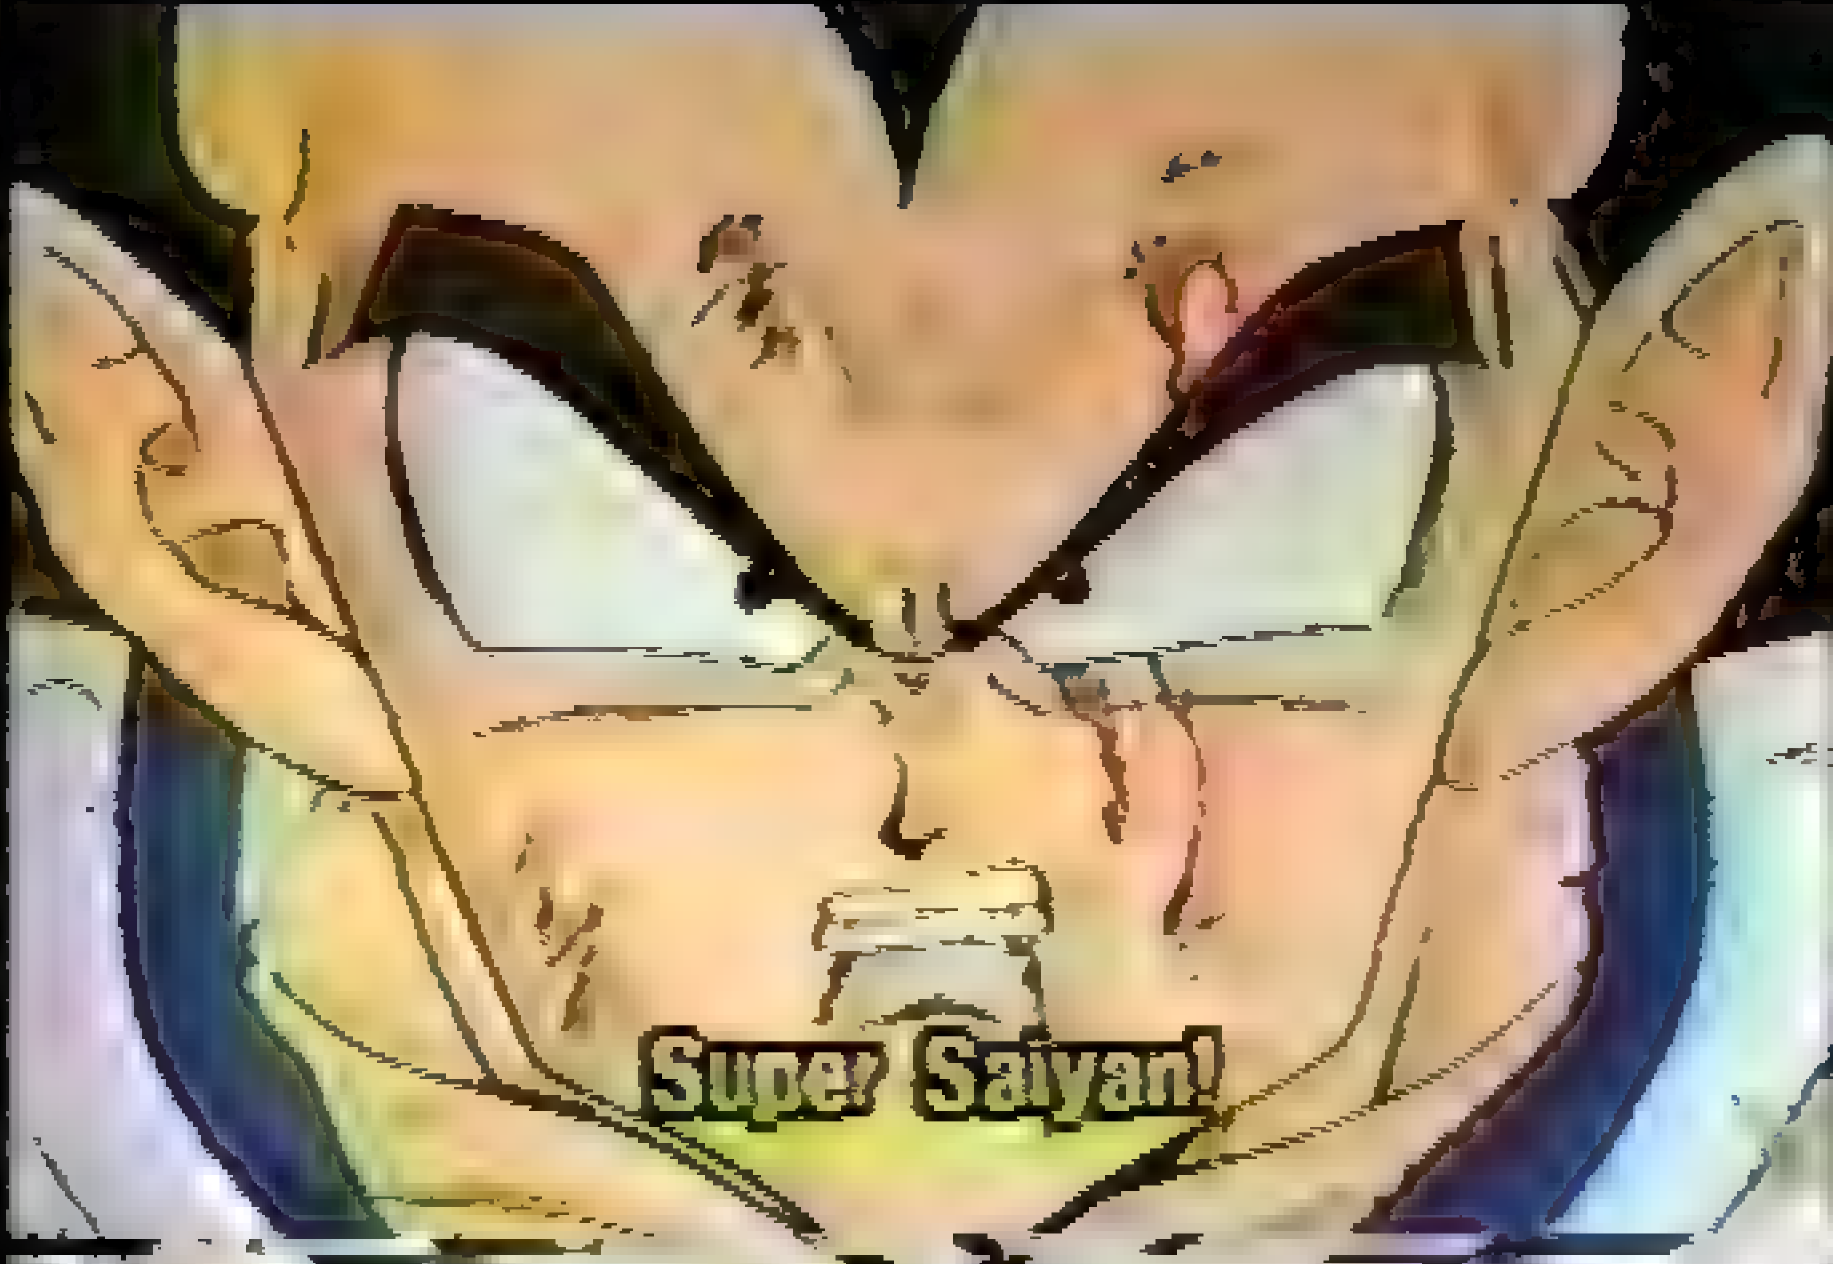

That's impossible!

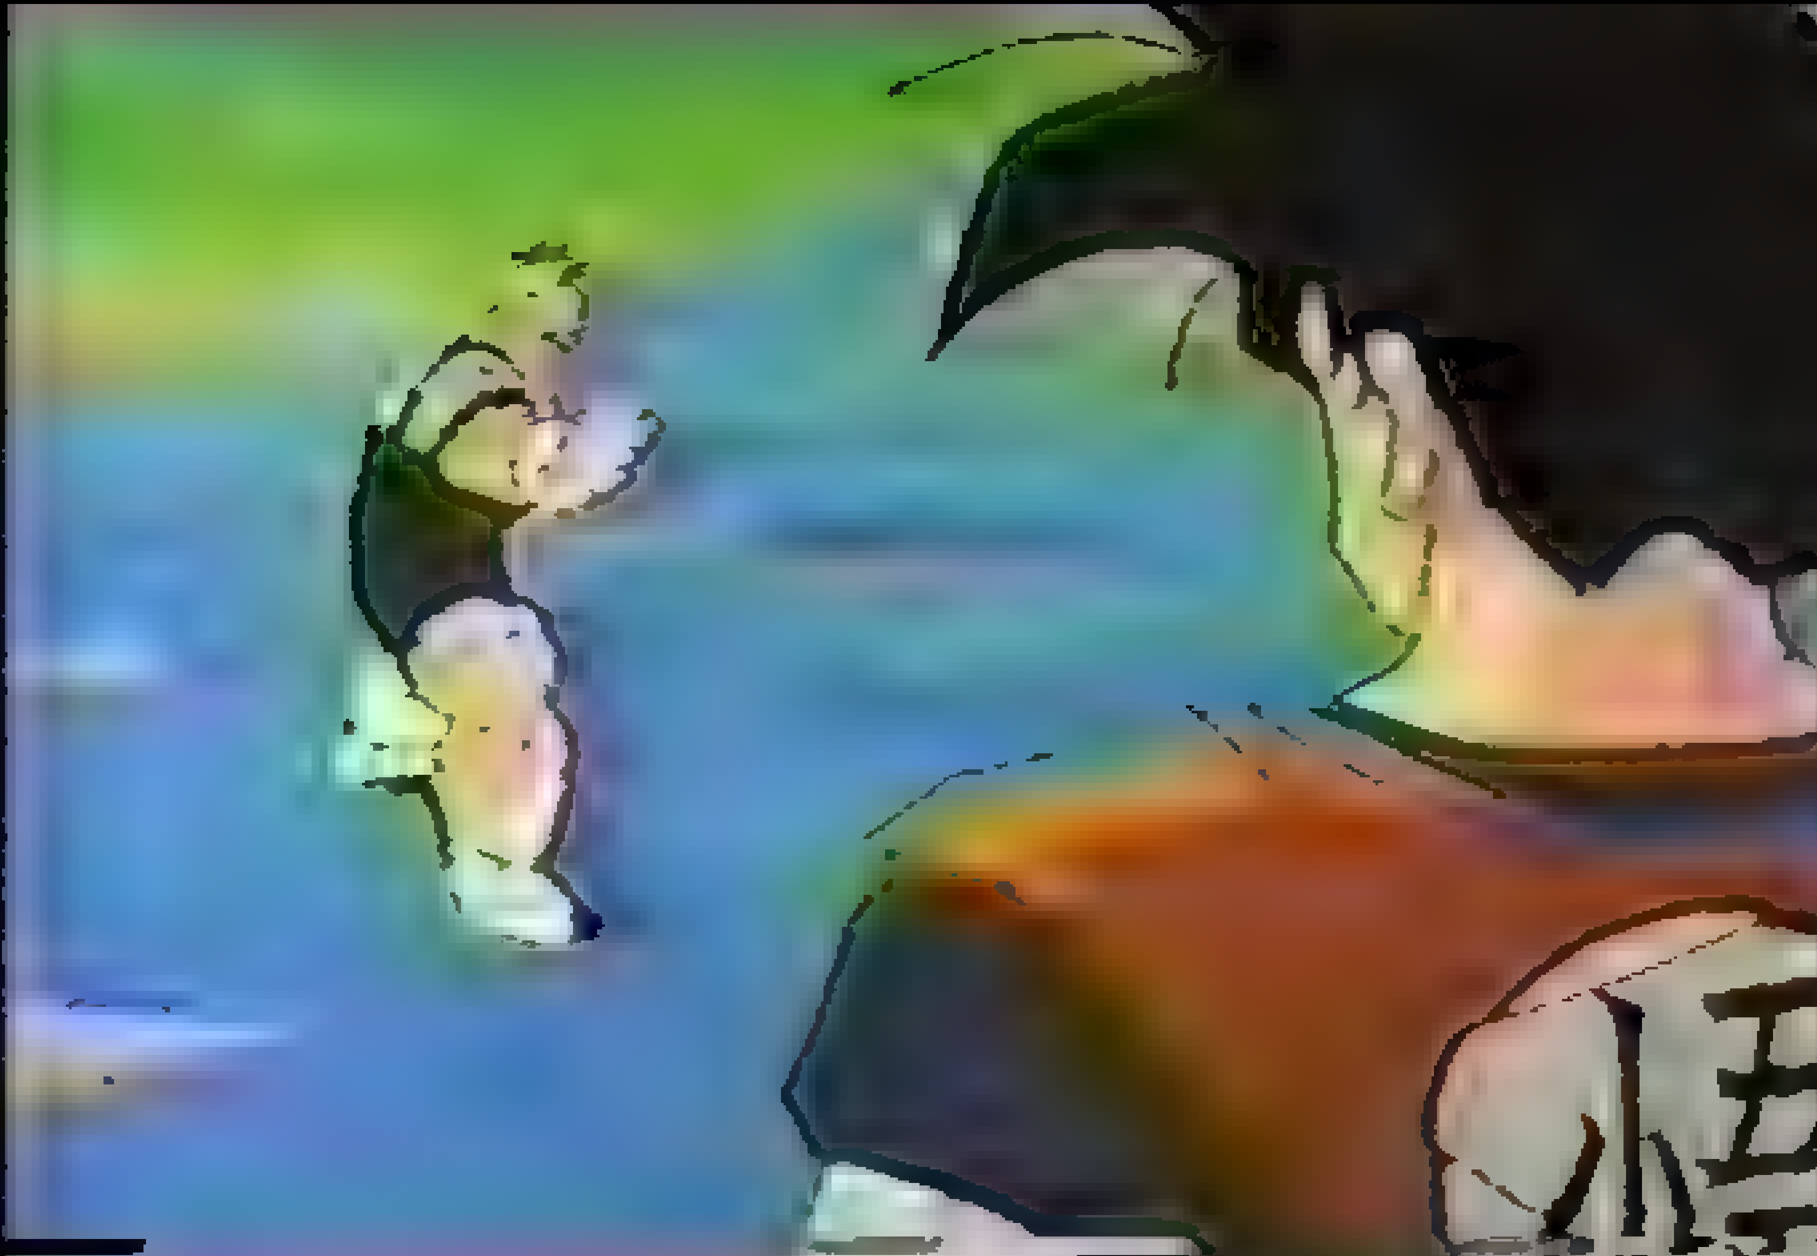

That's impossible!

A lowly warrior like Kakarott...?

There's no way he could've

I don't have time for any

They say only one in a thousand
can become a Super Saiyan.

They say only one in a thousand

They say only one in a thousand

A Super Saiyan has to break
the barrier that even the most

gifted of warriors cannot break!

I thought that was only a legend!

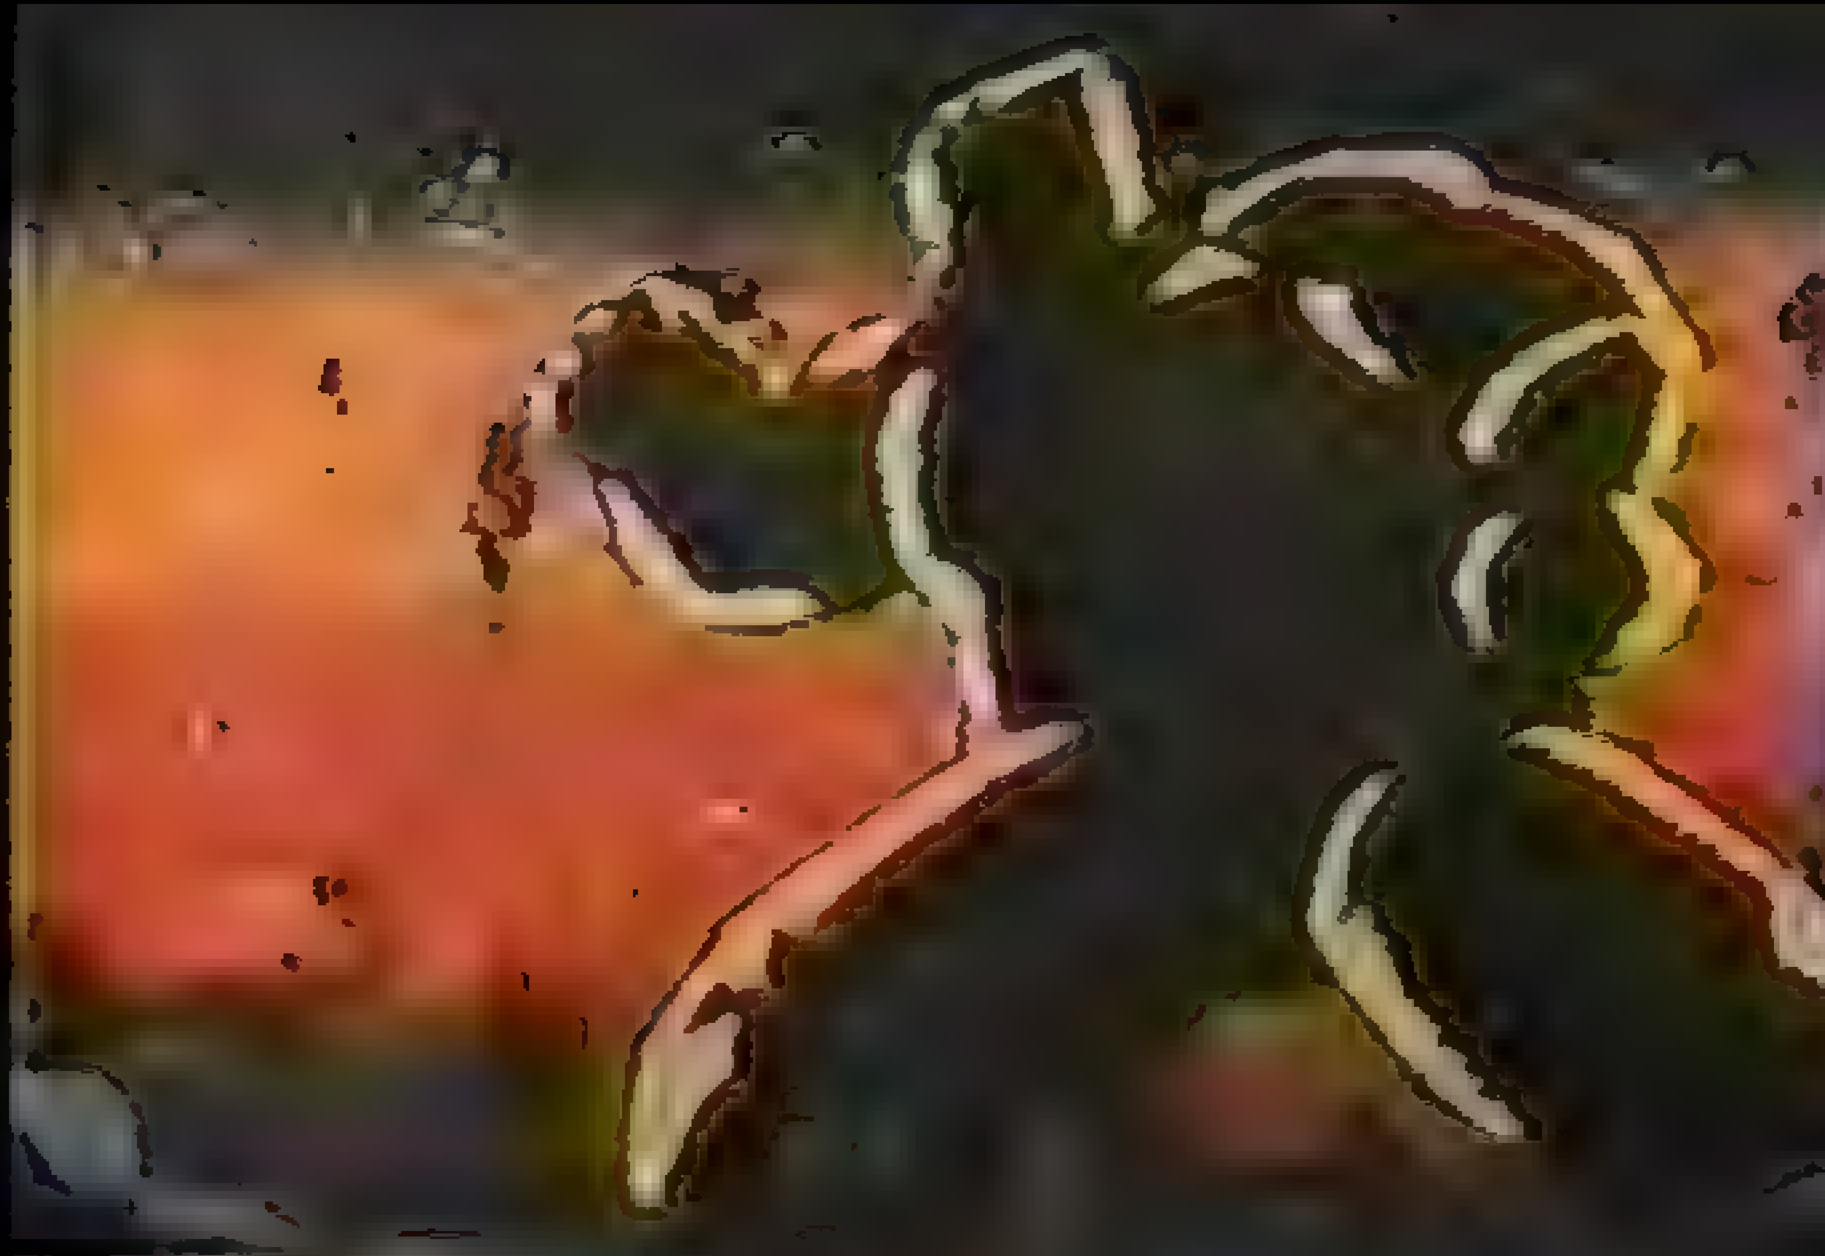

I thought that was only a legend!

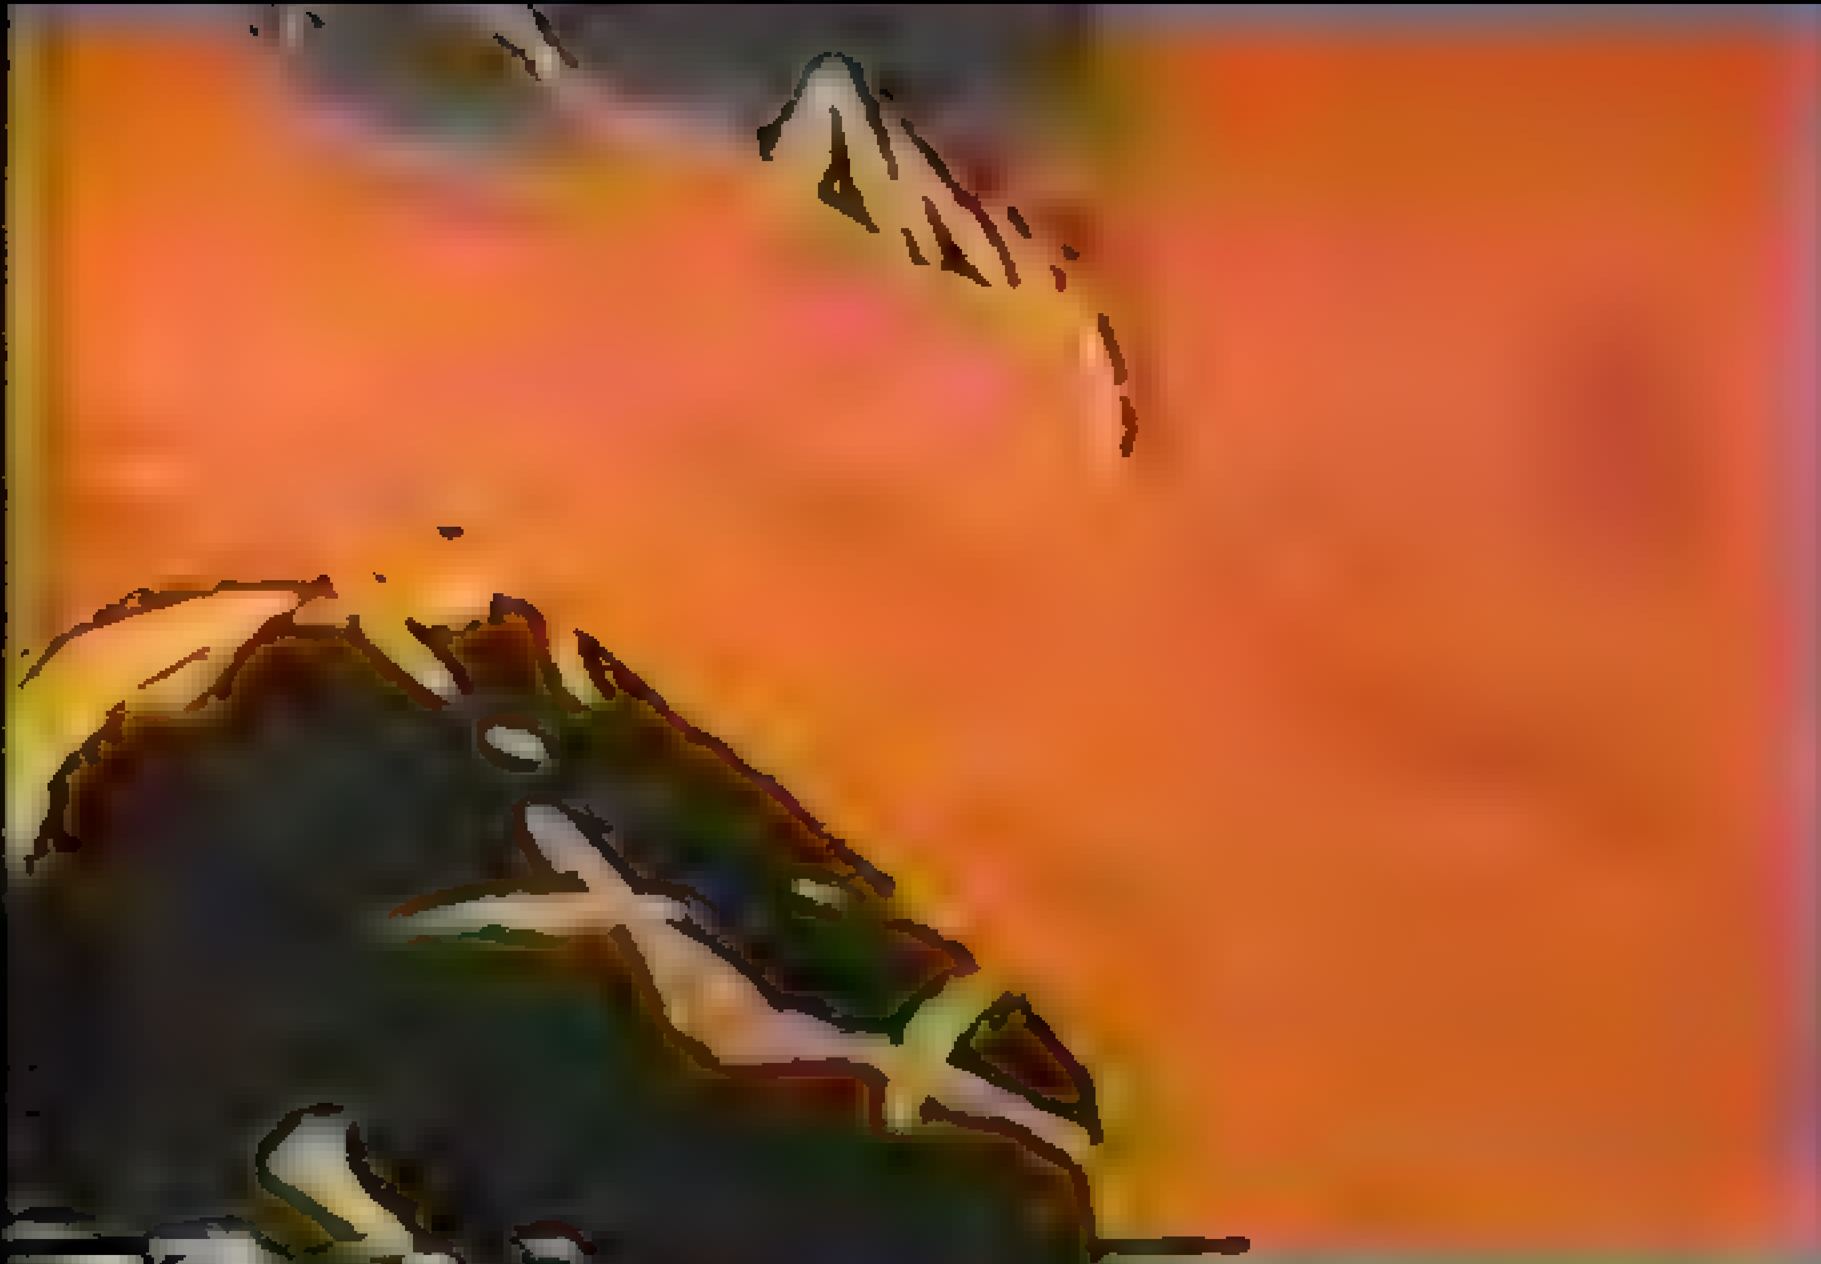

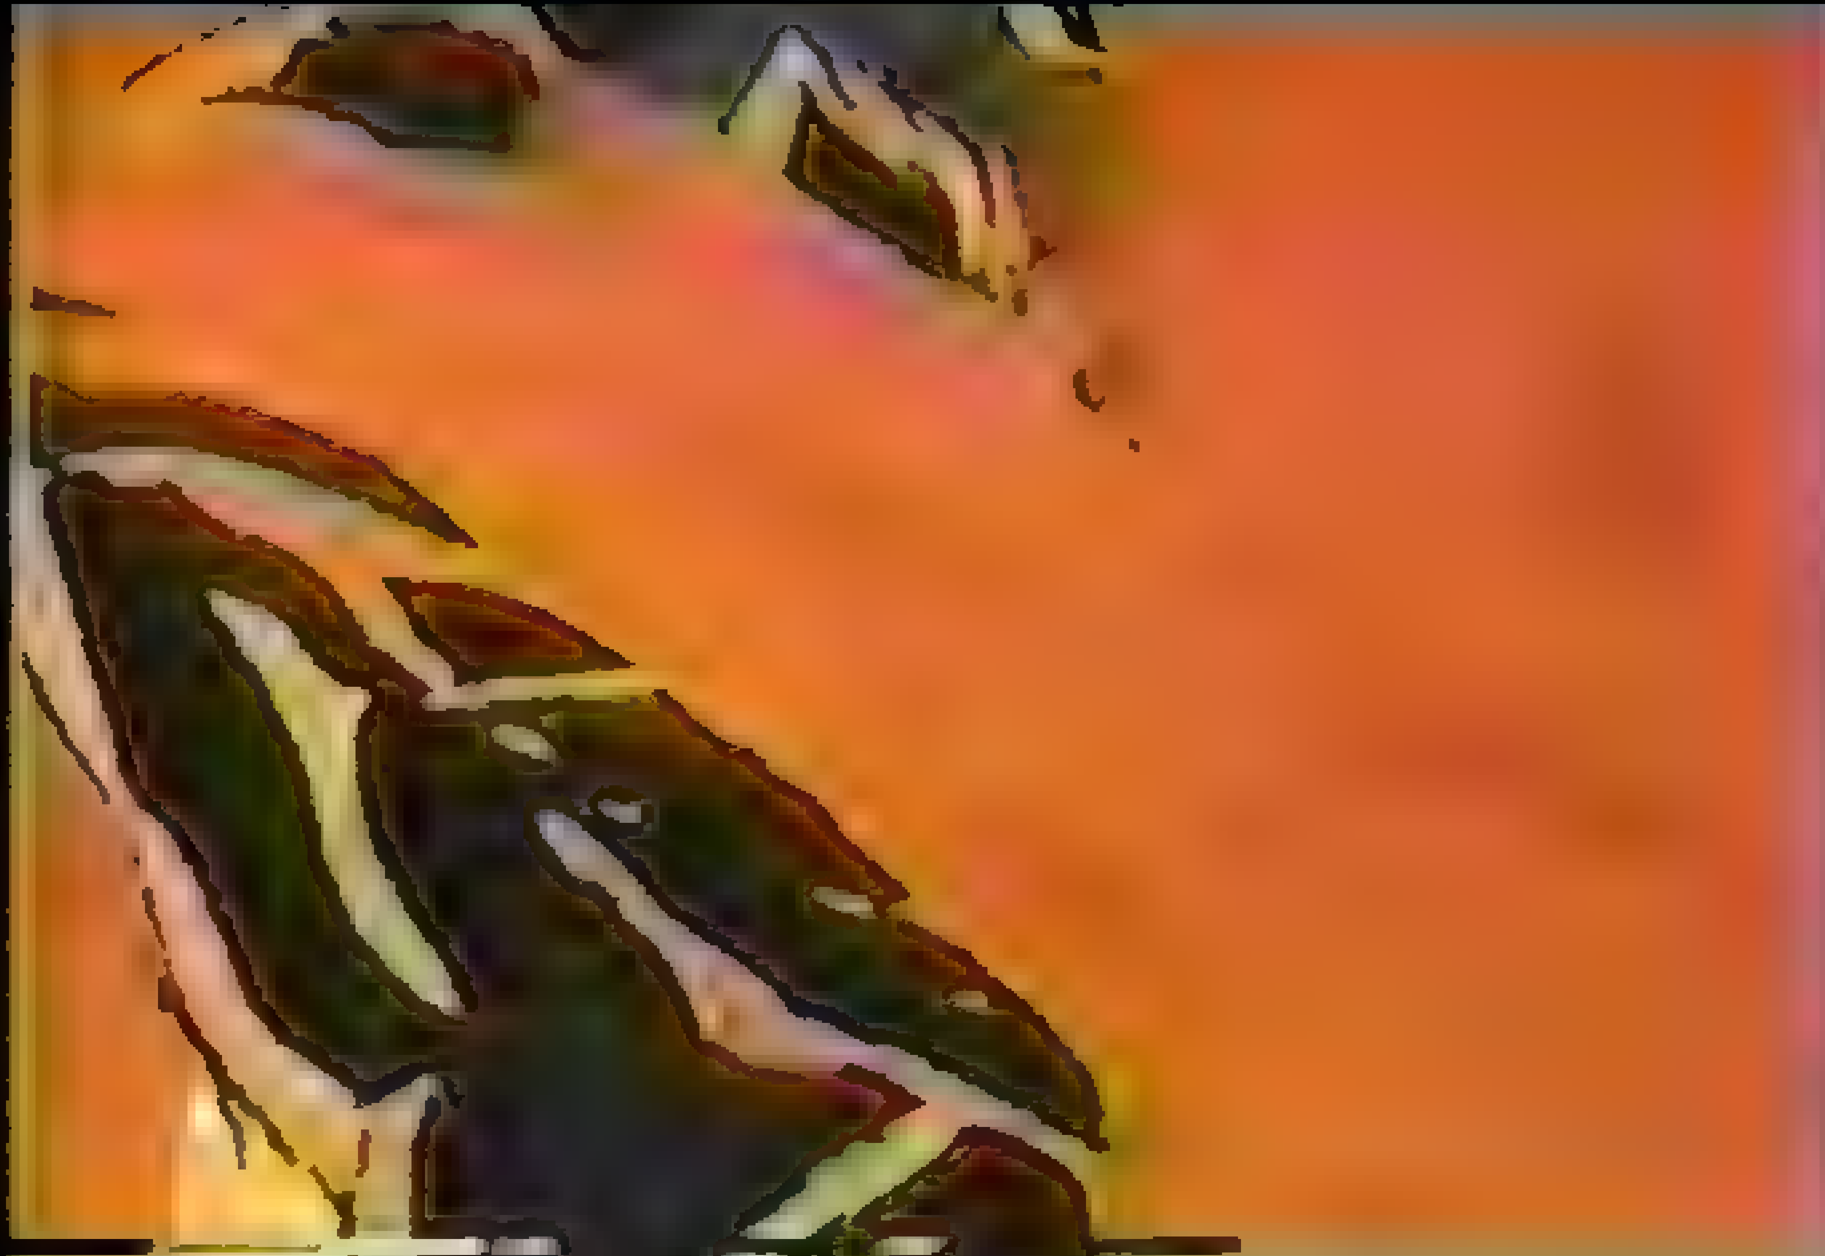

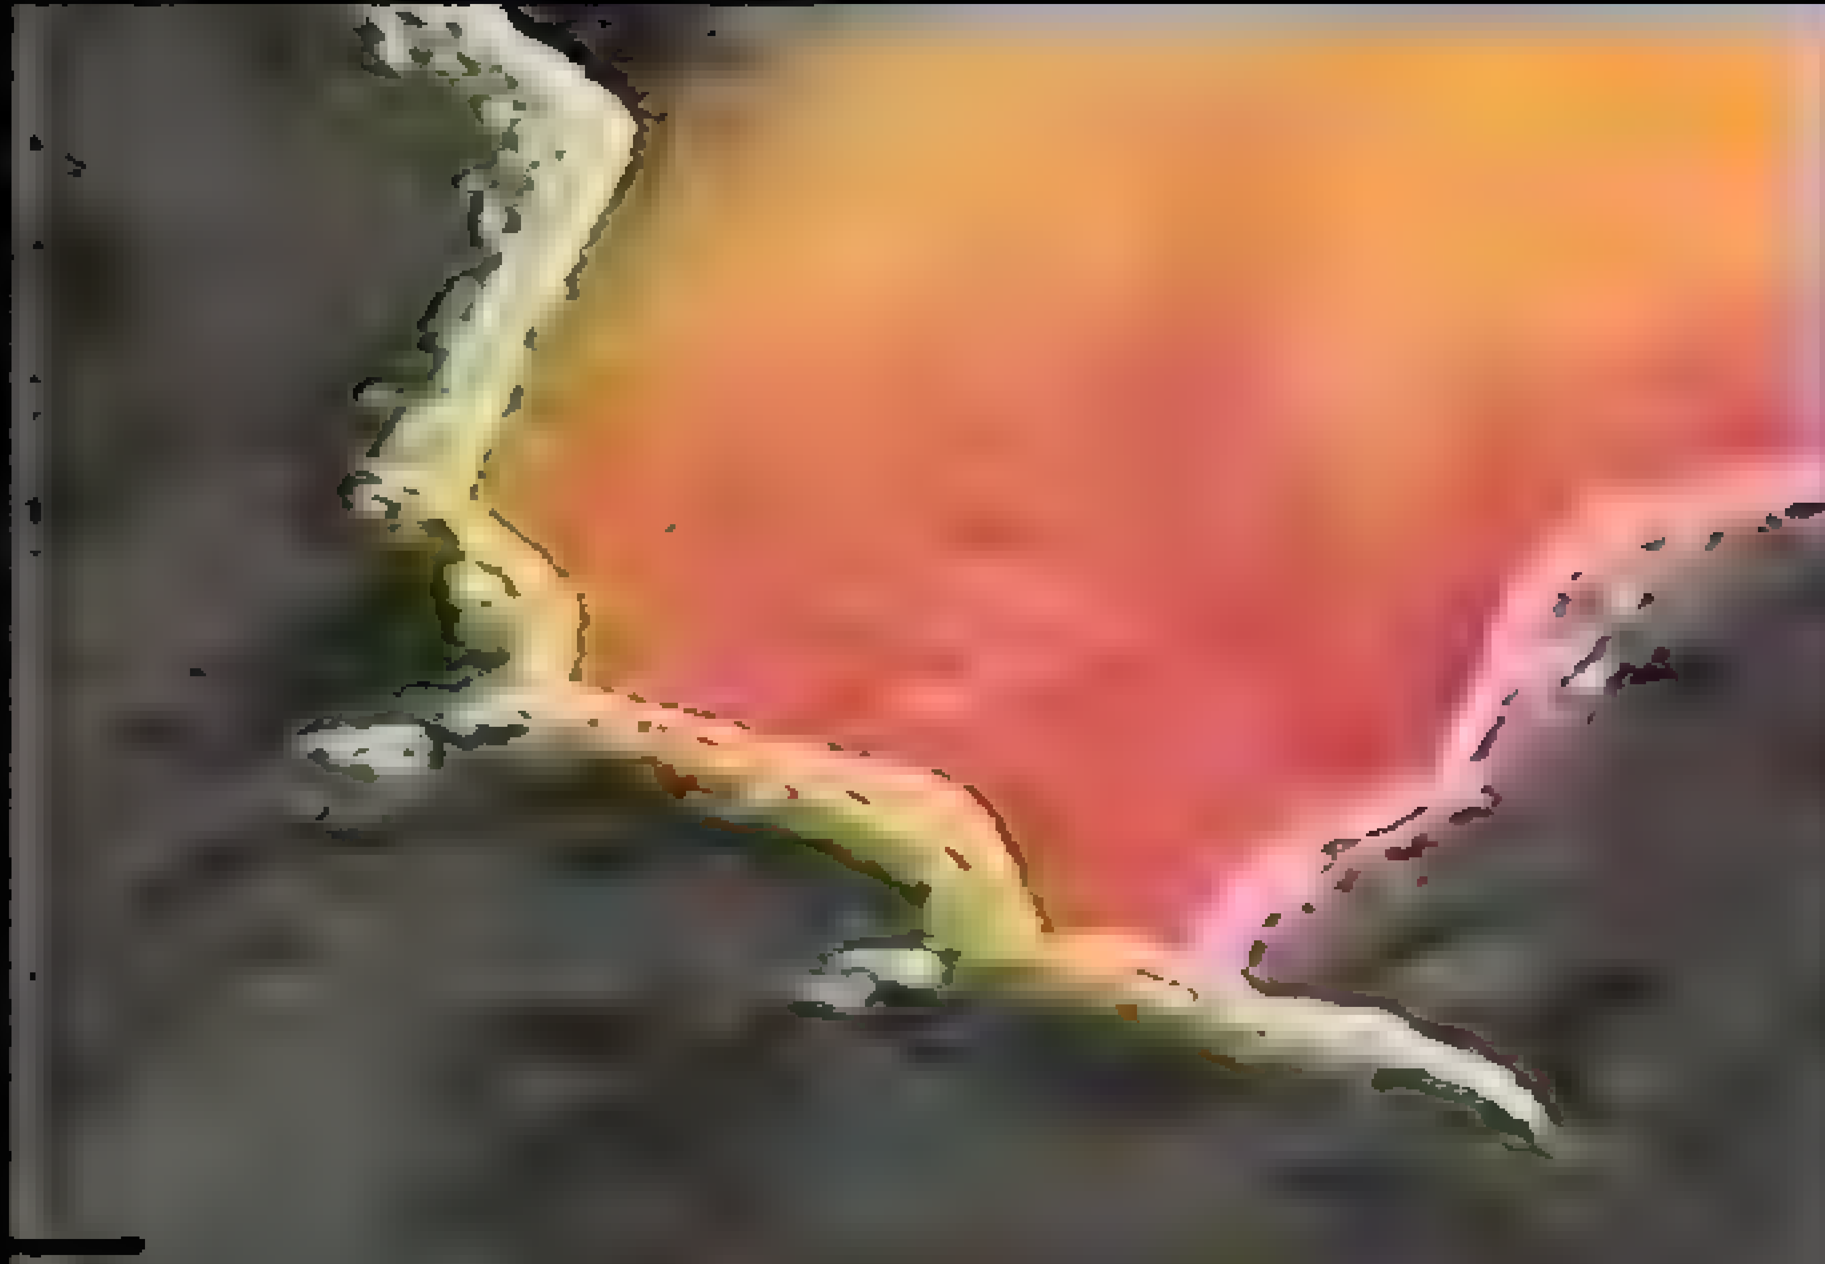

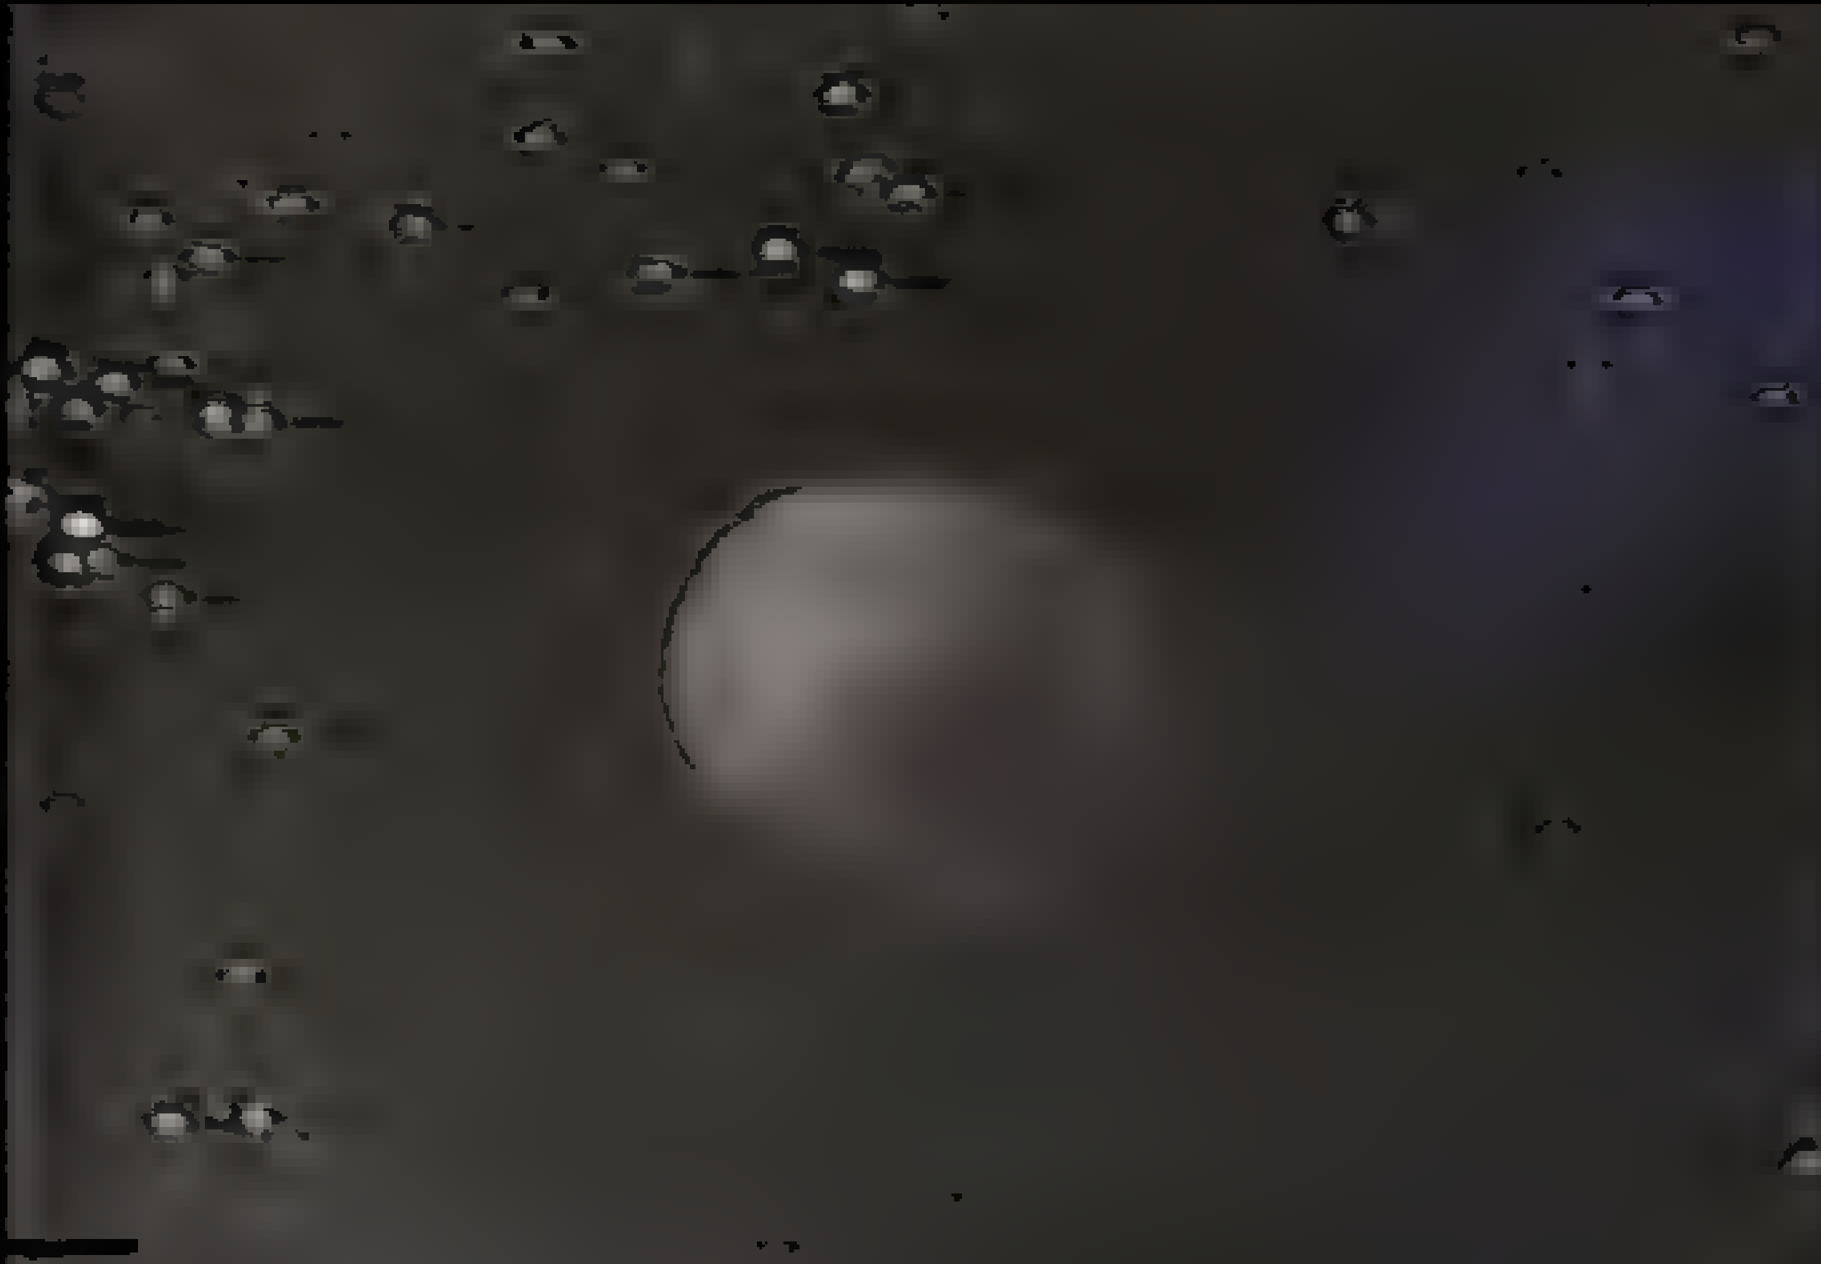

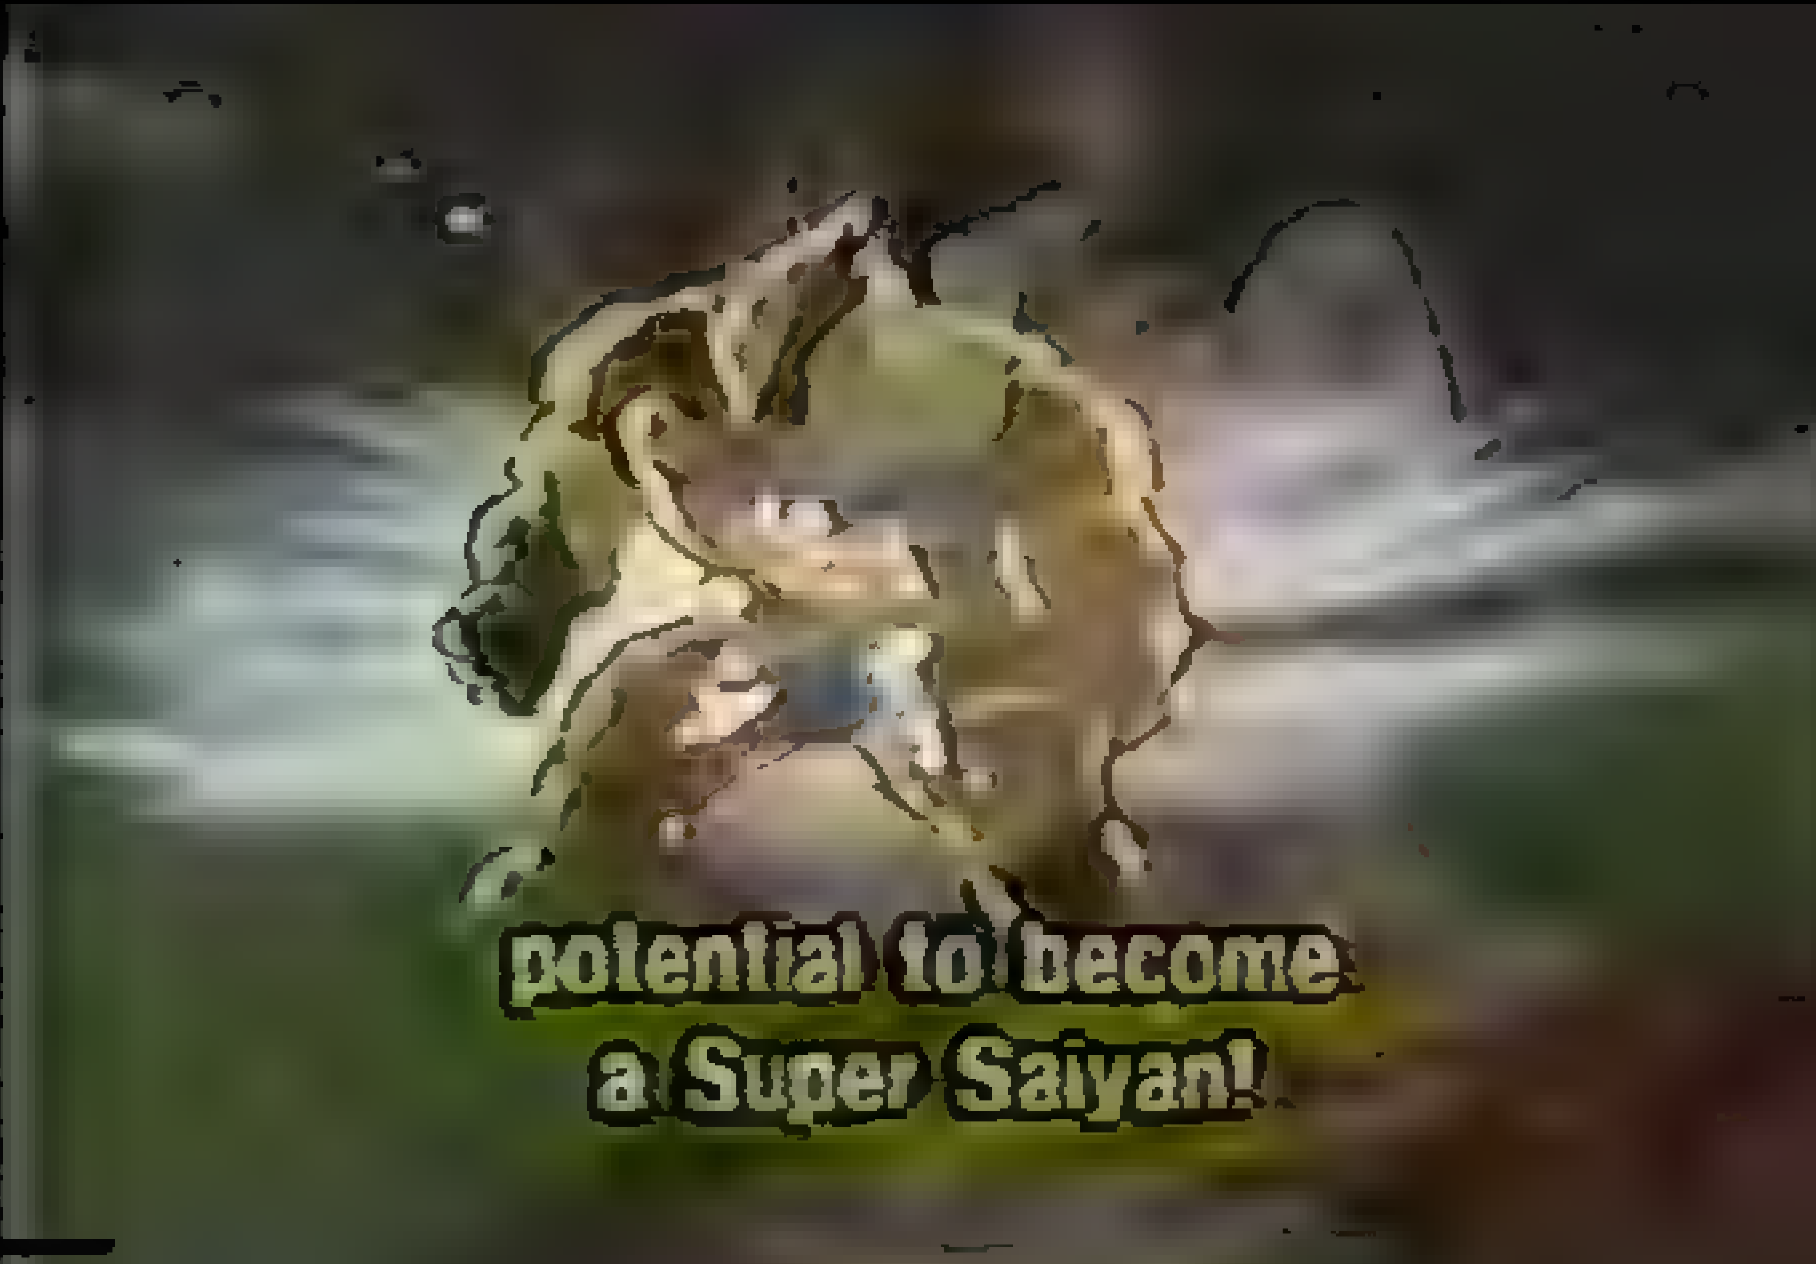

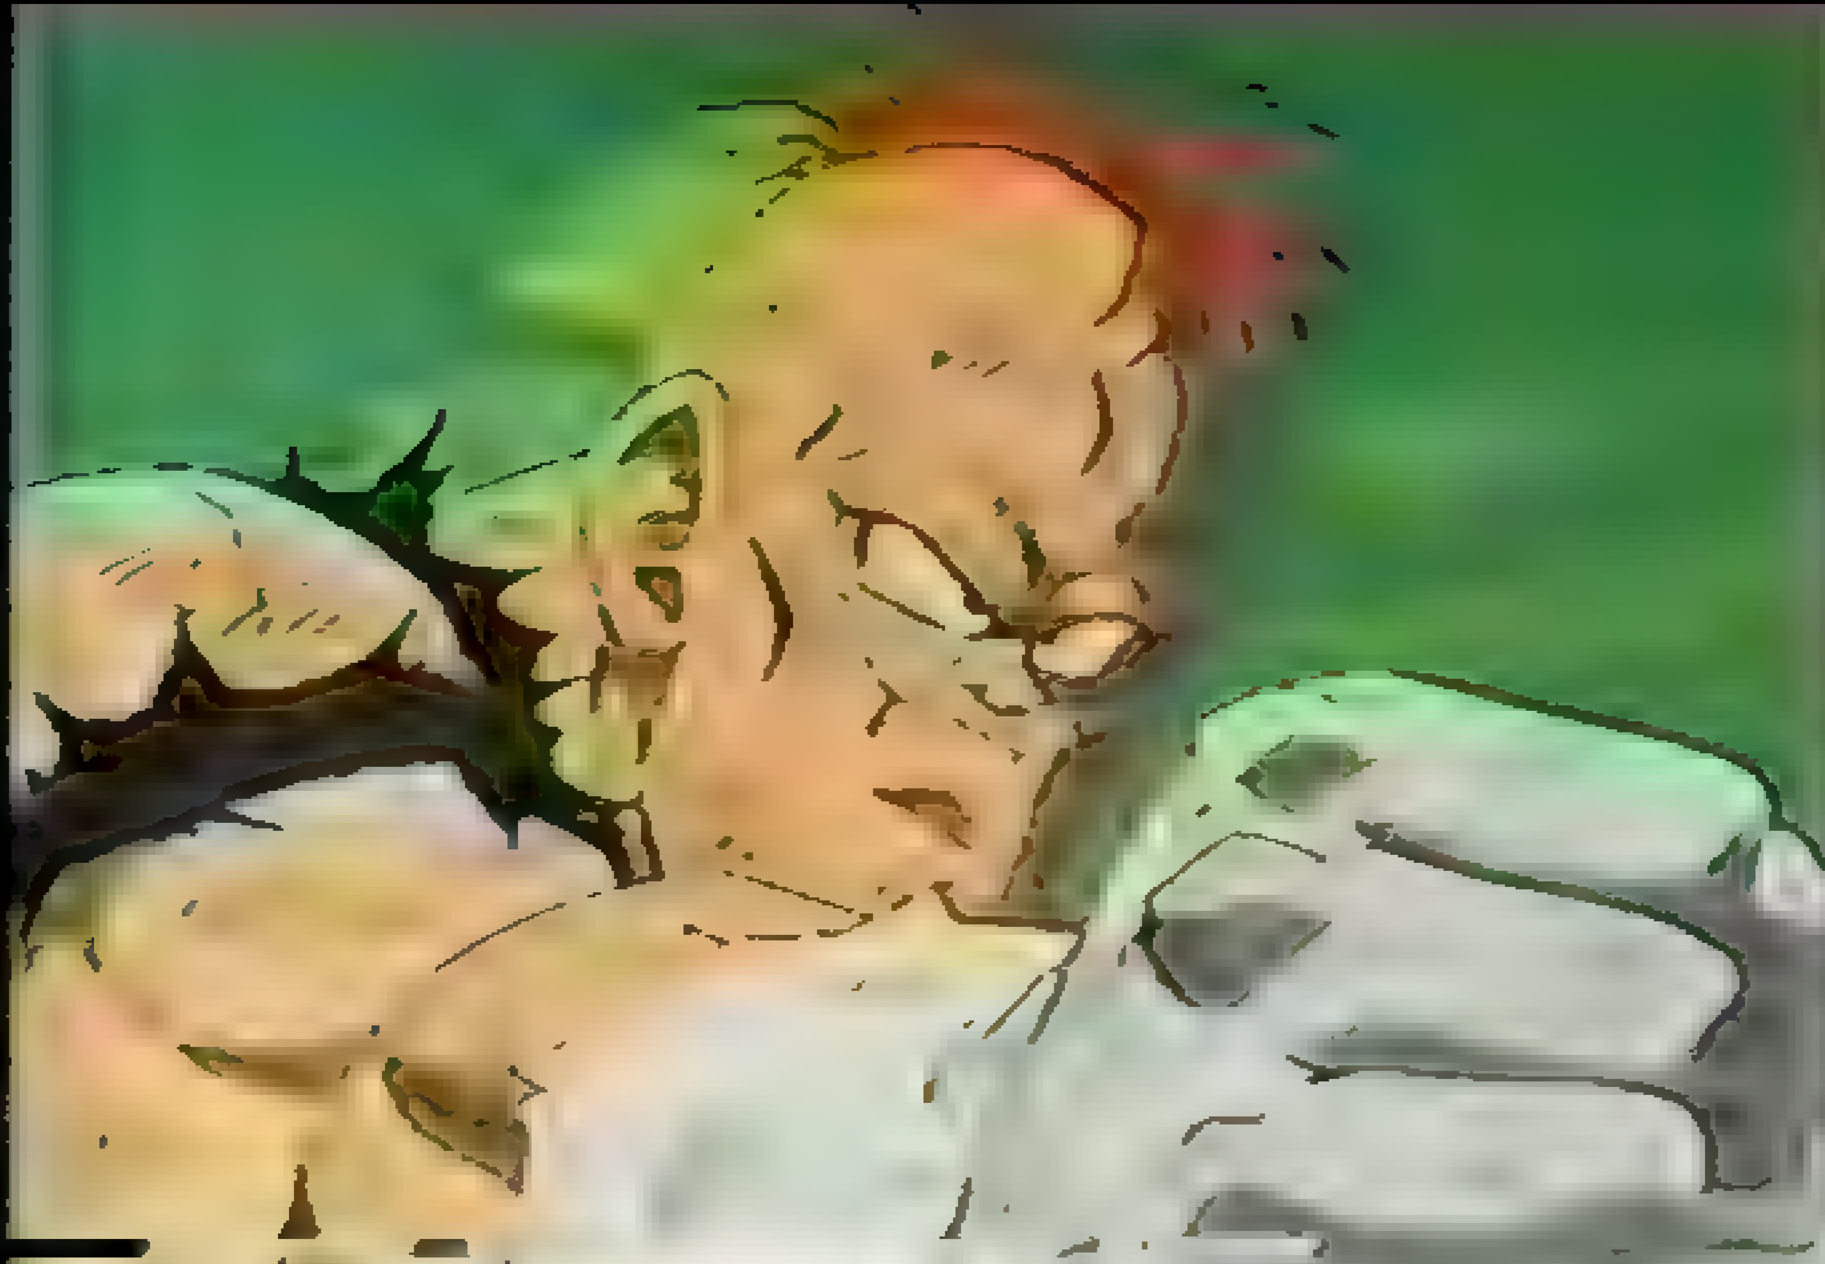

Even if the legend were true,

Even if the legend were true,
I'm the only one that has the

potential to become

Are you ready?

Gnyu Special Corps! Rikoom!

Gnyu Special Corps! Rikoom!

Mach Attack!

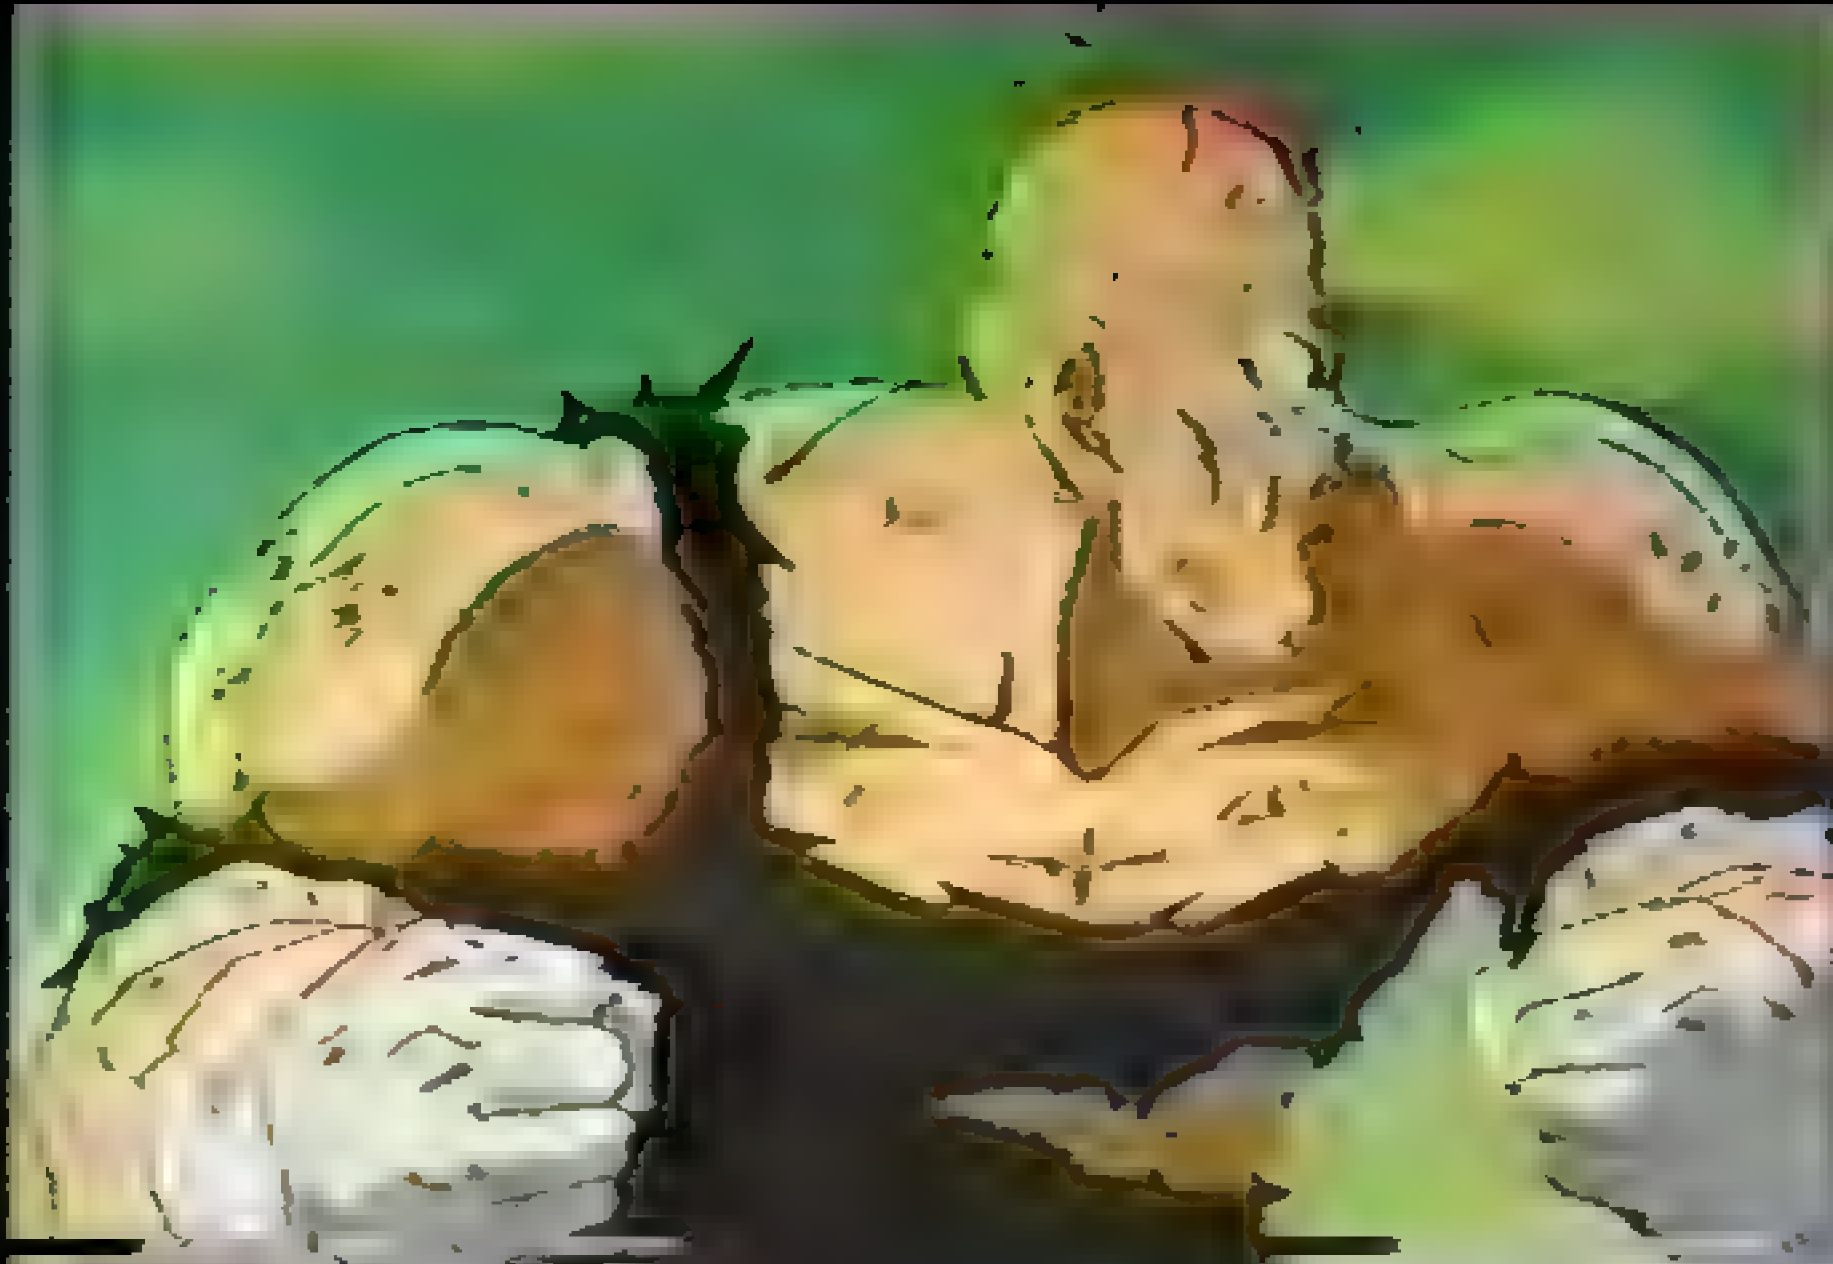

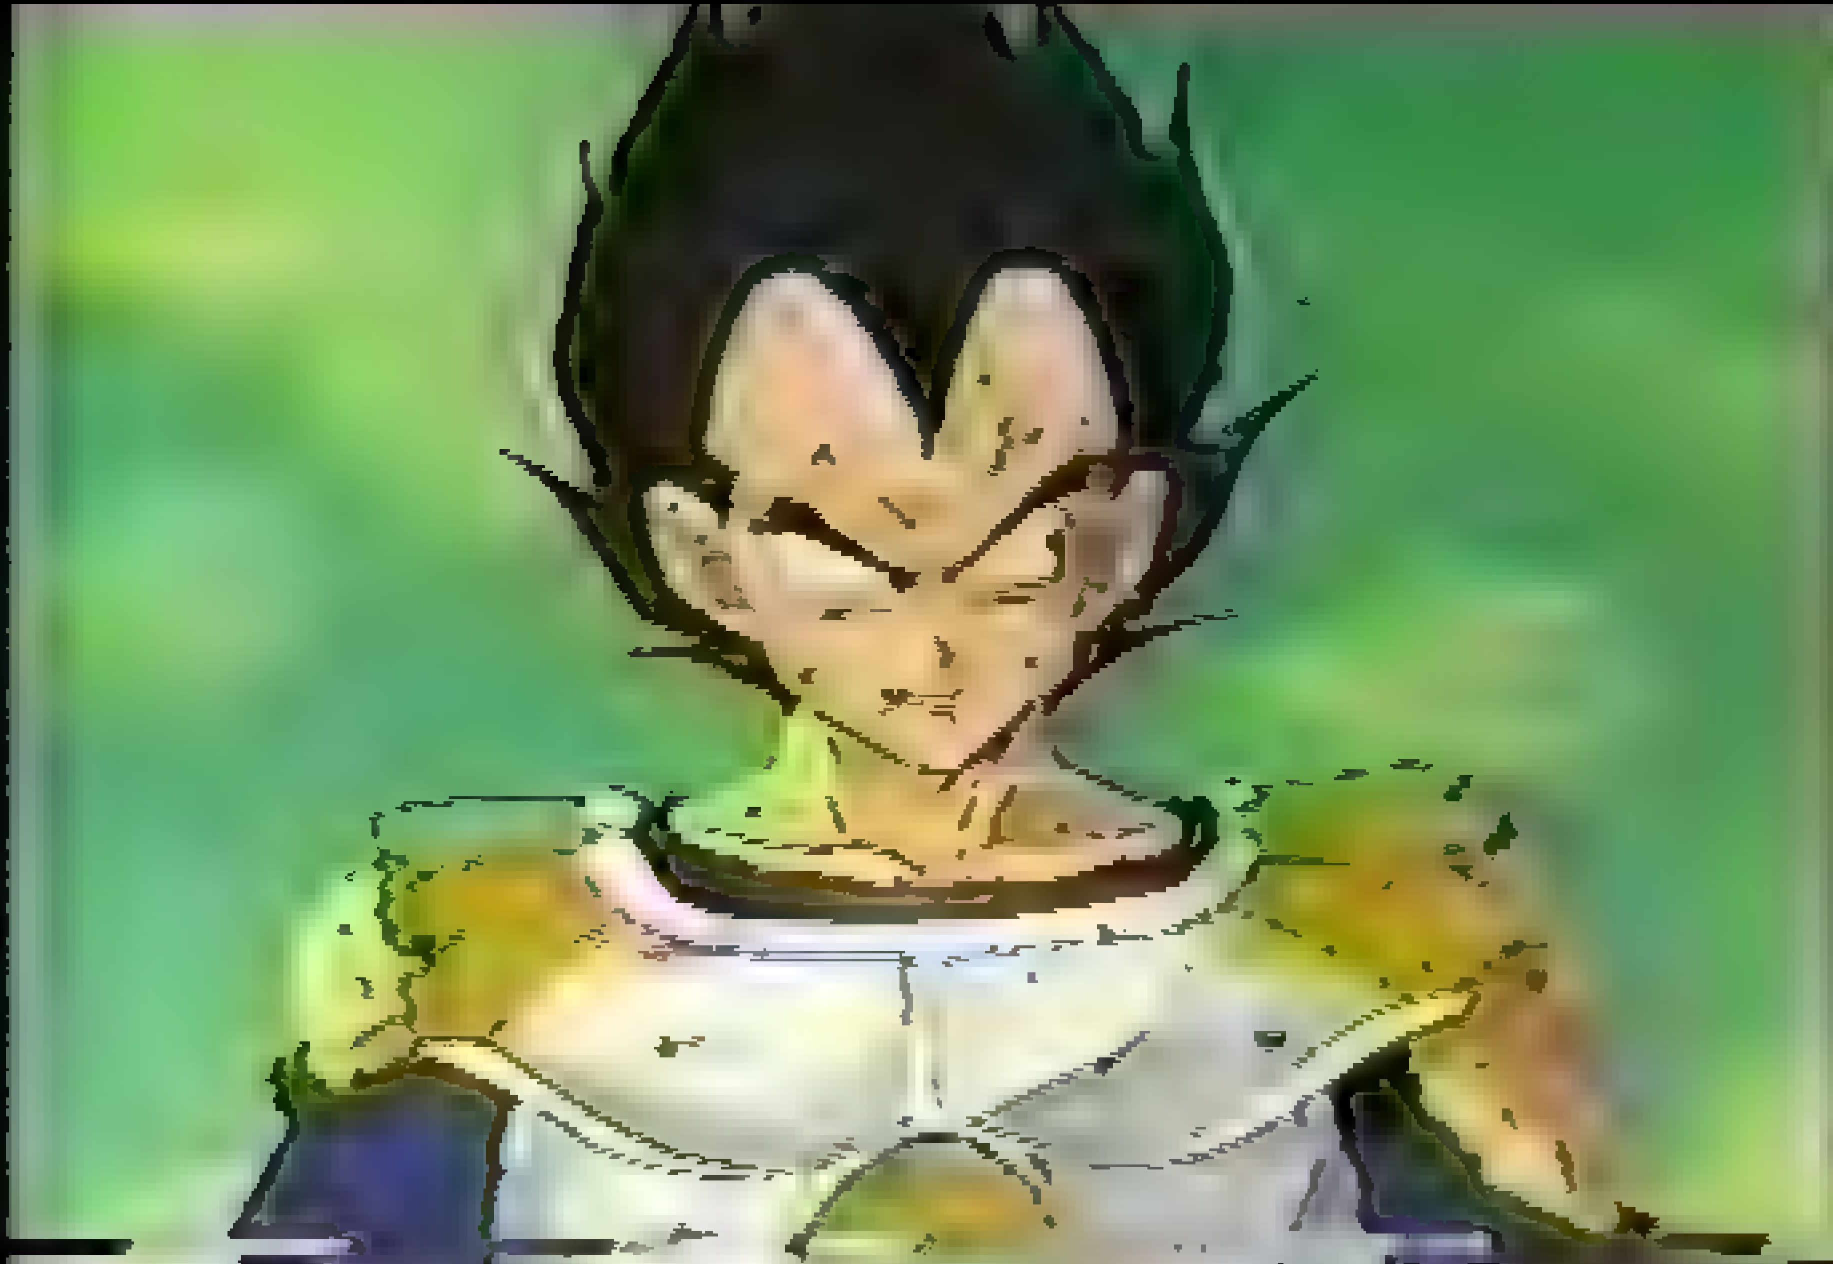

He disappeared.

He's gone...

What's going on?

What's going on?

What...!

What_!

Why you…! When…!

He's over there!

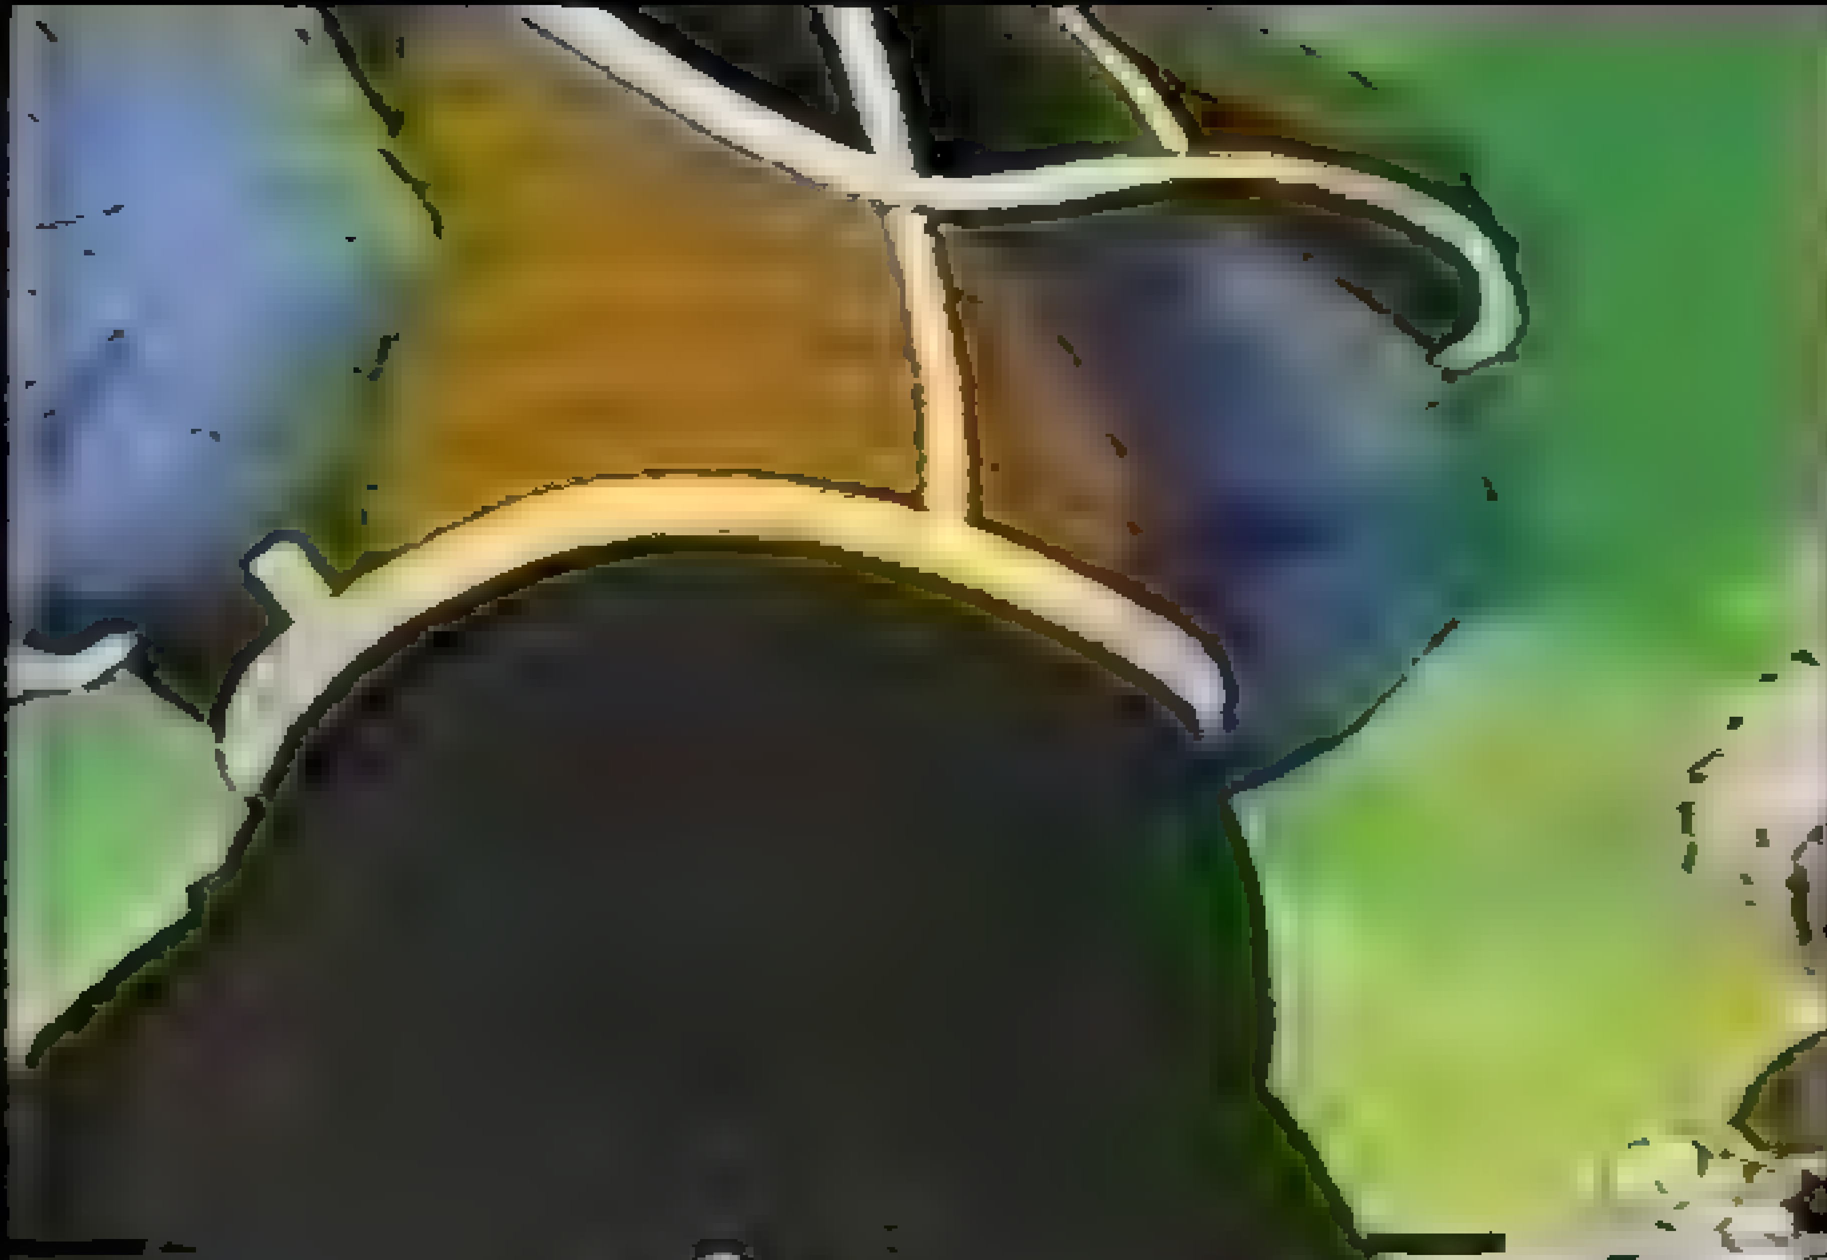

He's over there!

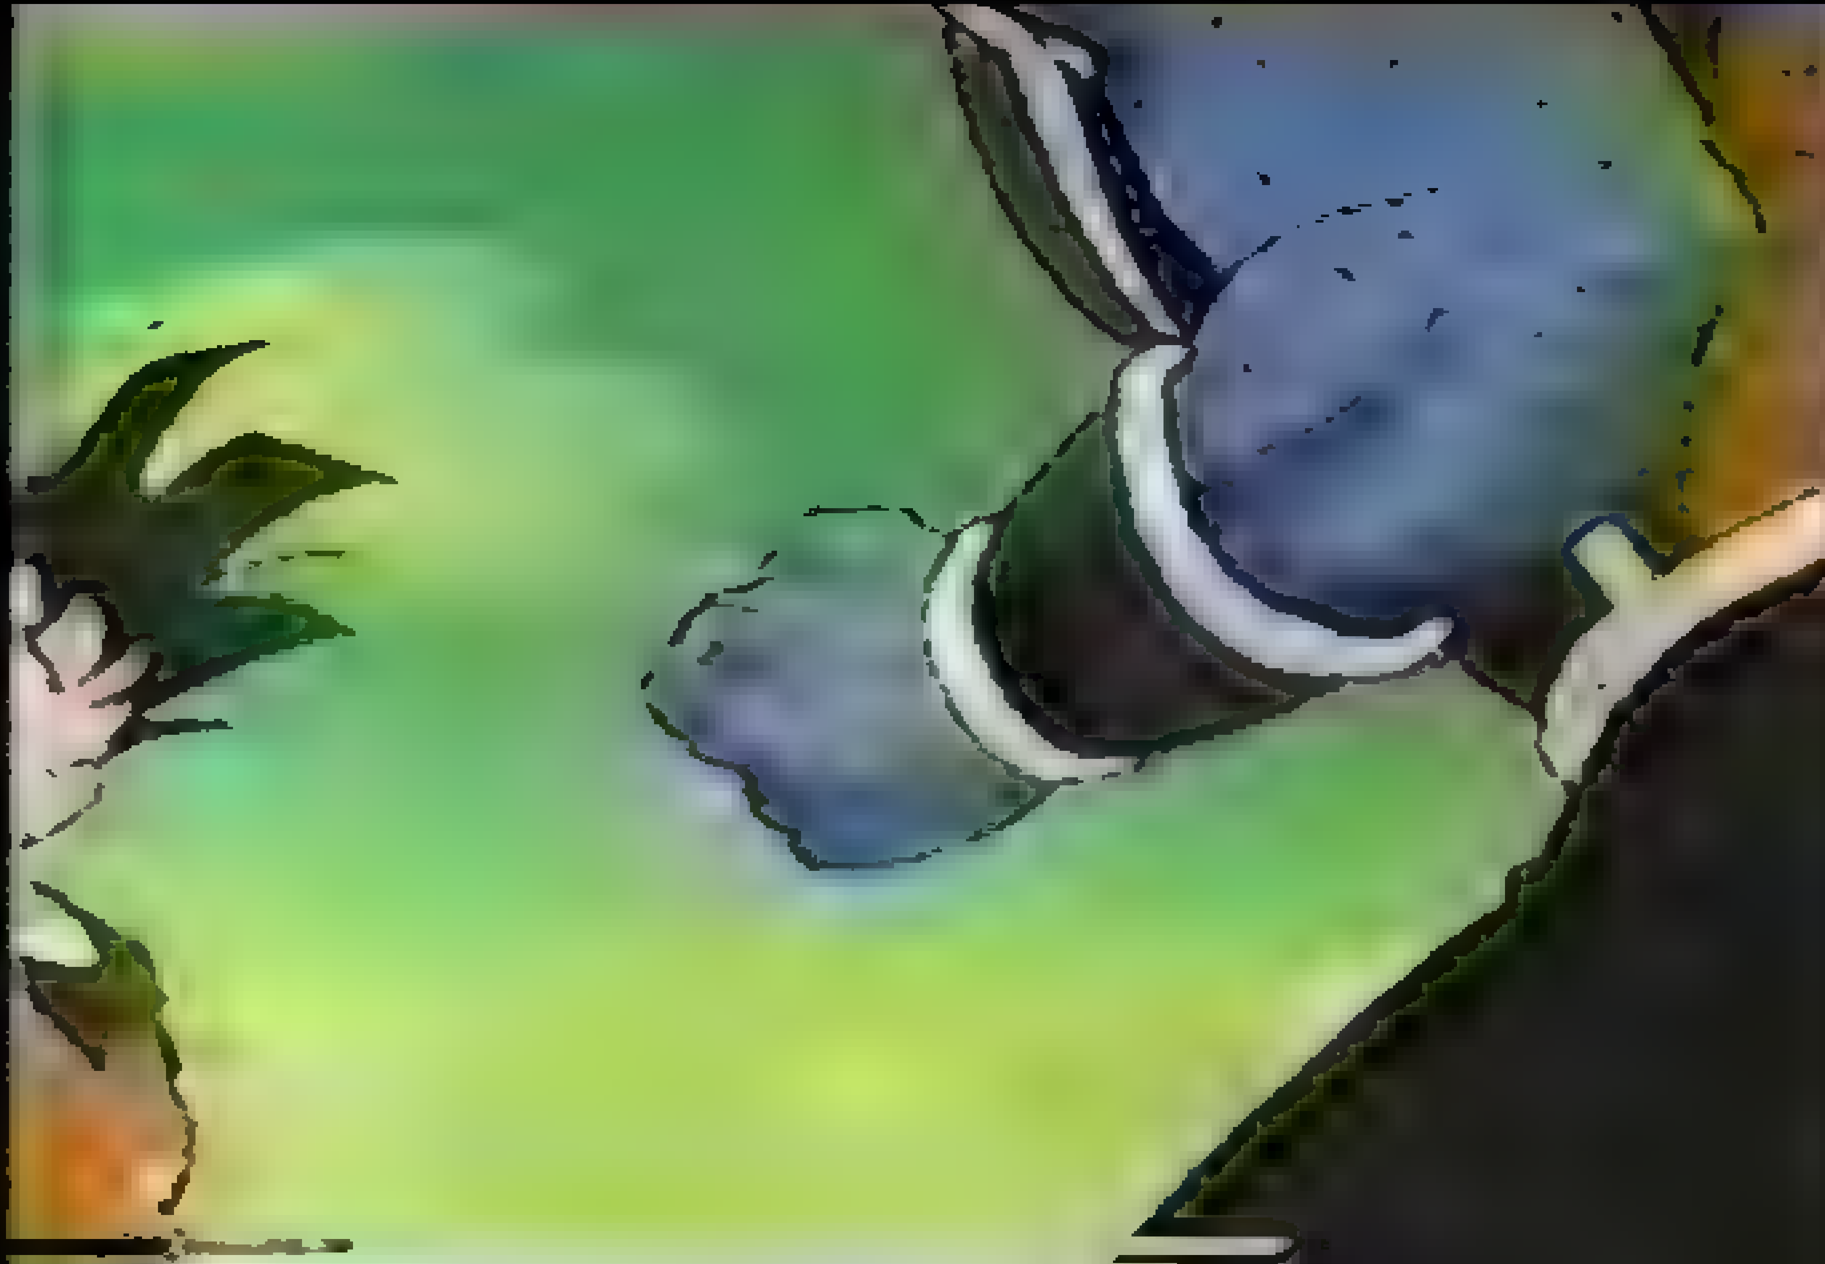

I think only Bejeeta
knew where Goku was.

I think only Bejeeta
knew where Goku was.

Did he see him move?

You're with that bad guy,
Freezer, aren't you?

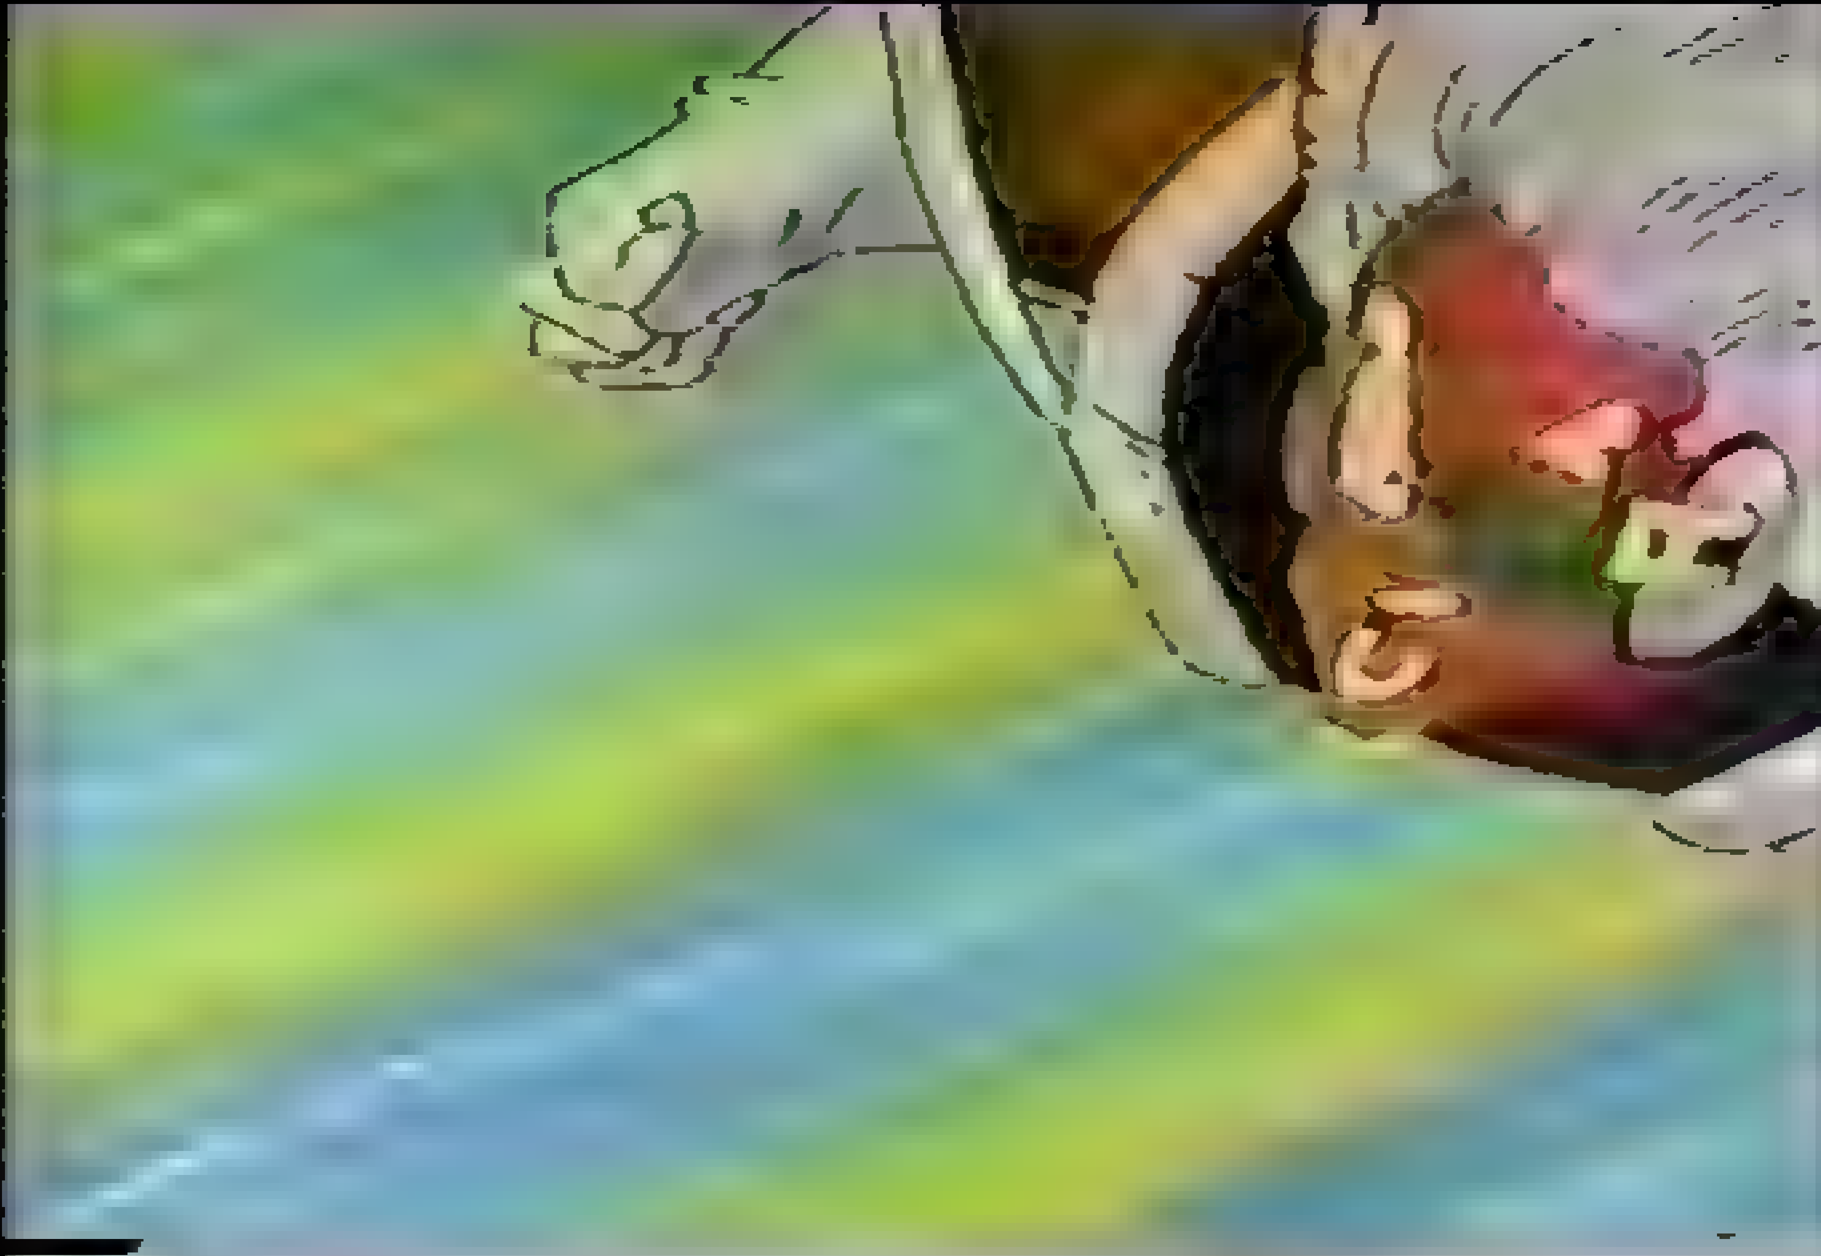

You're with that bad guy,
Freezer, aren't you?

You'd better run now,
so you won't get hurt.

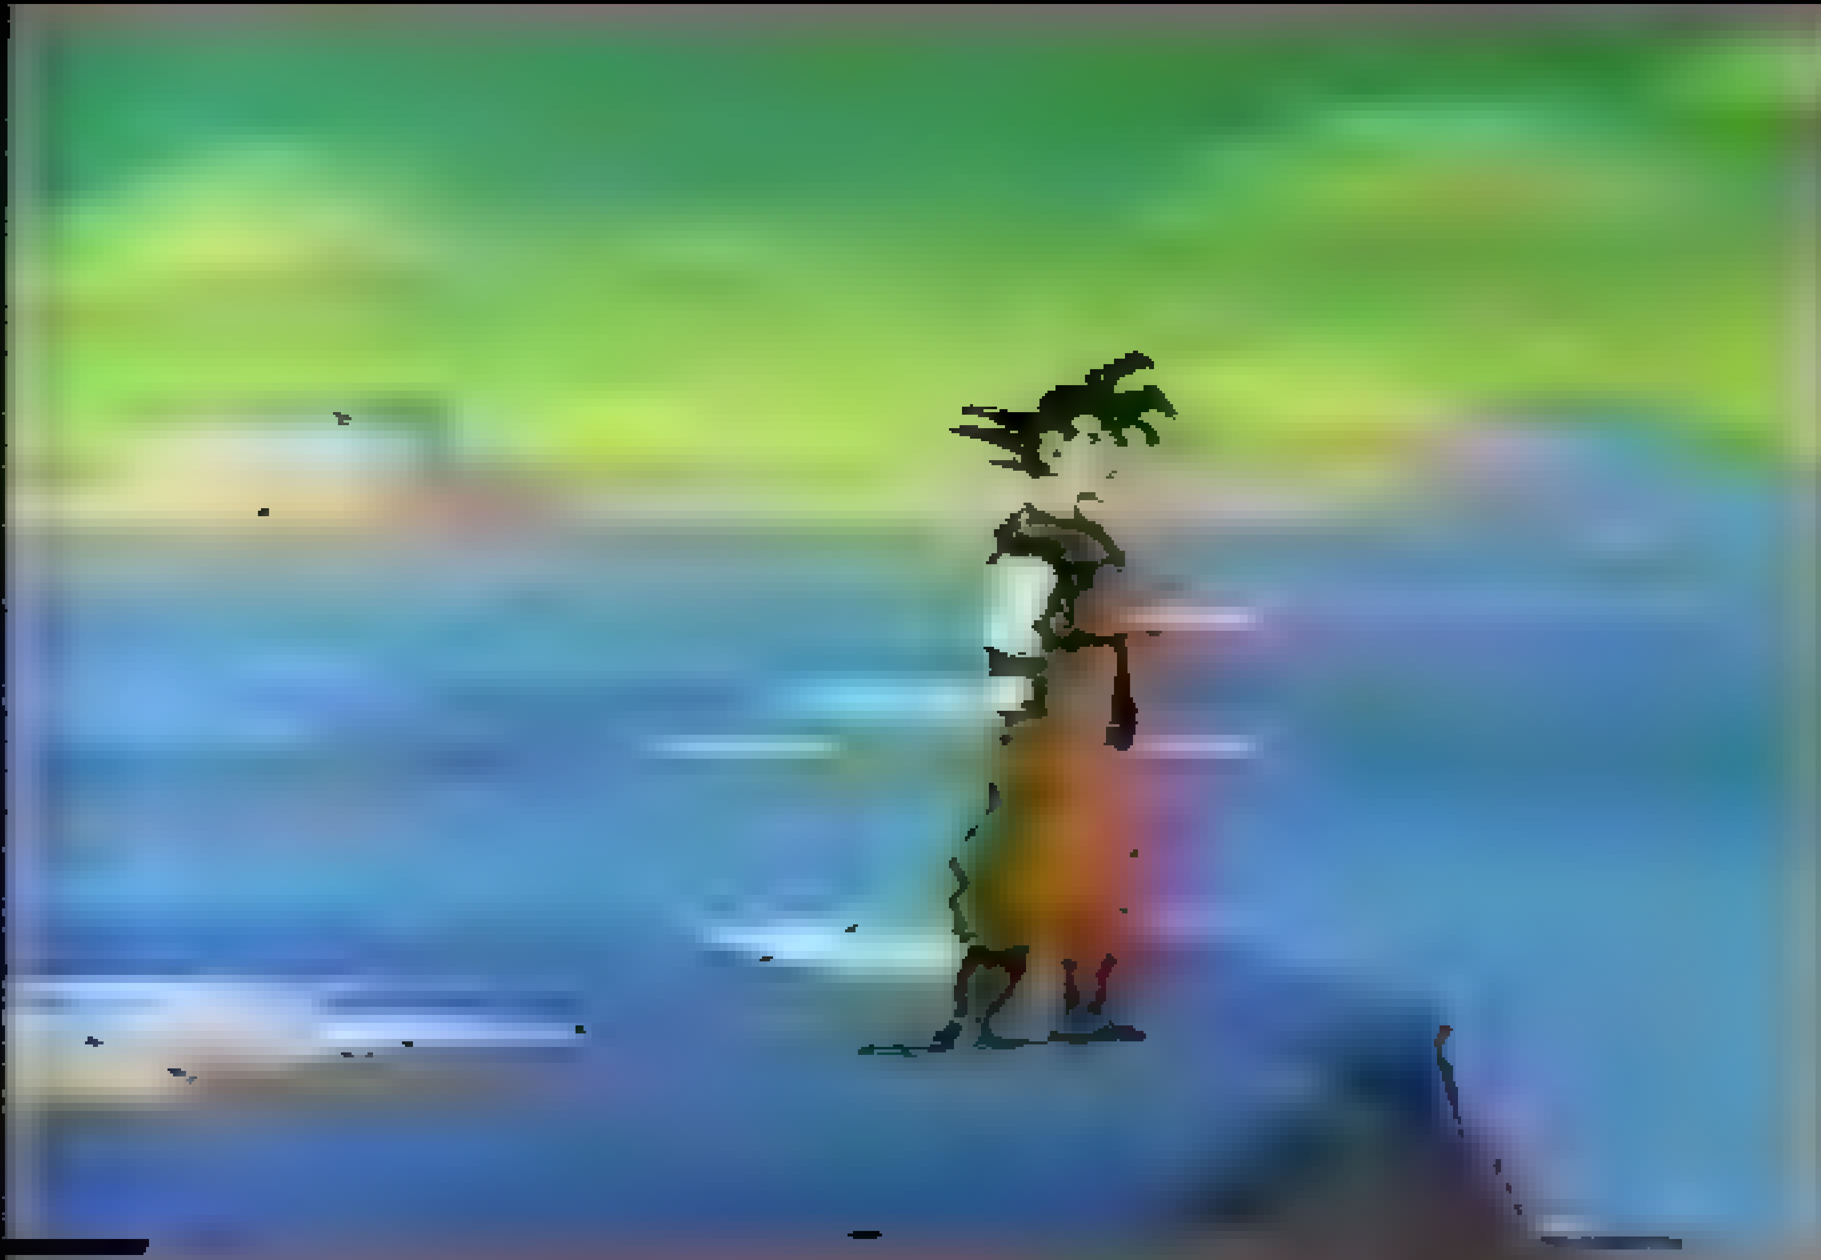

You'd better run now,

What...?

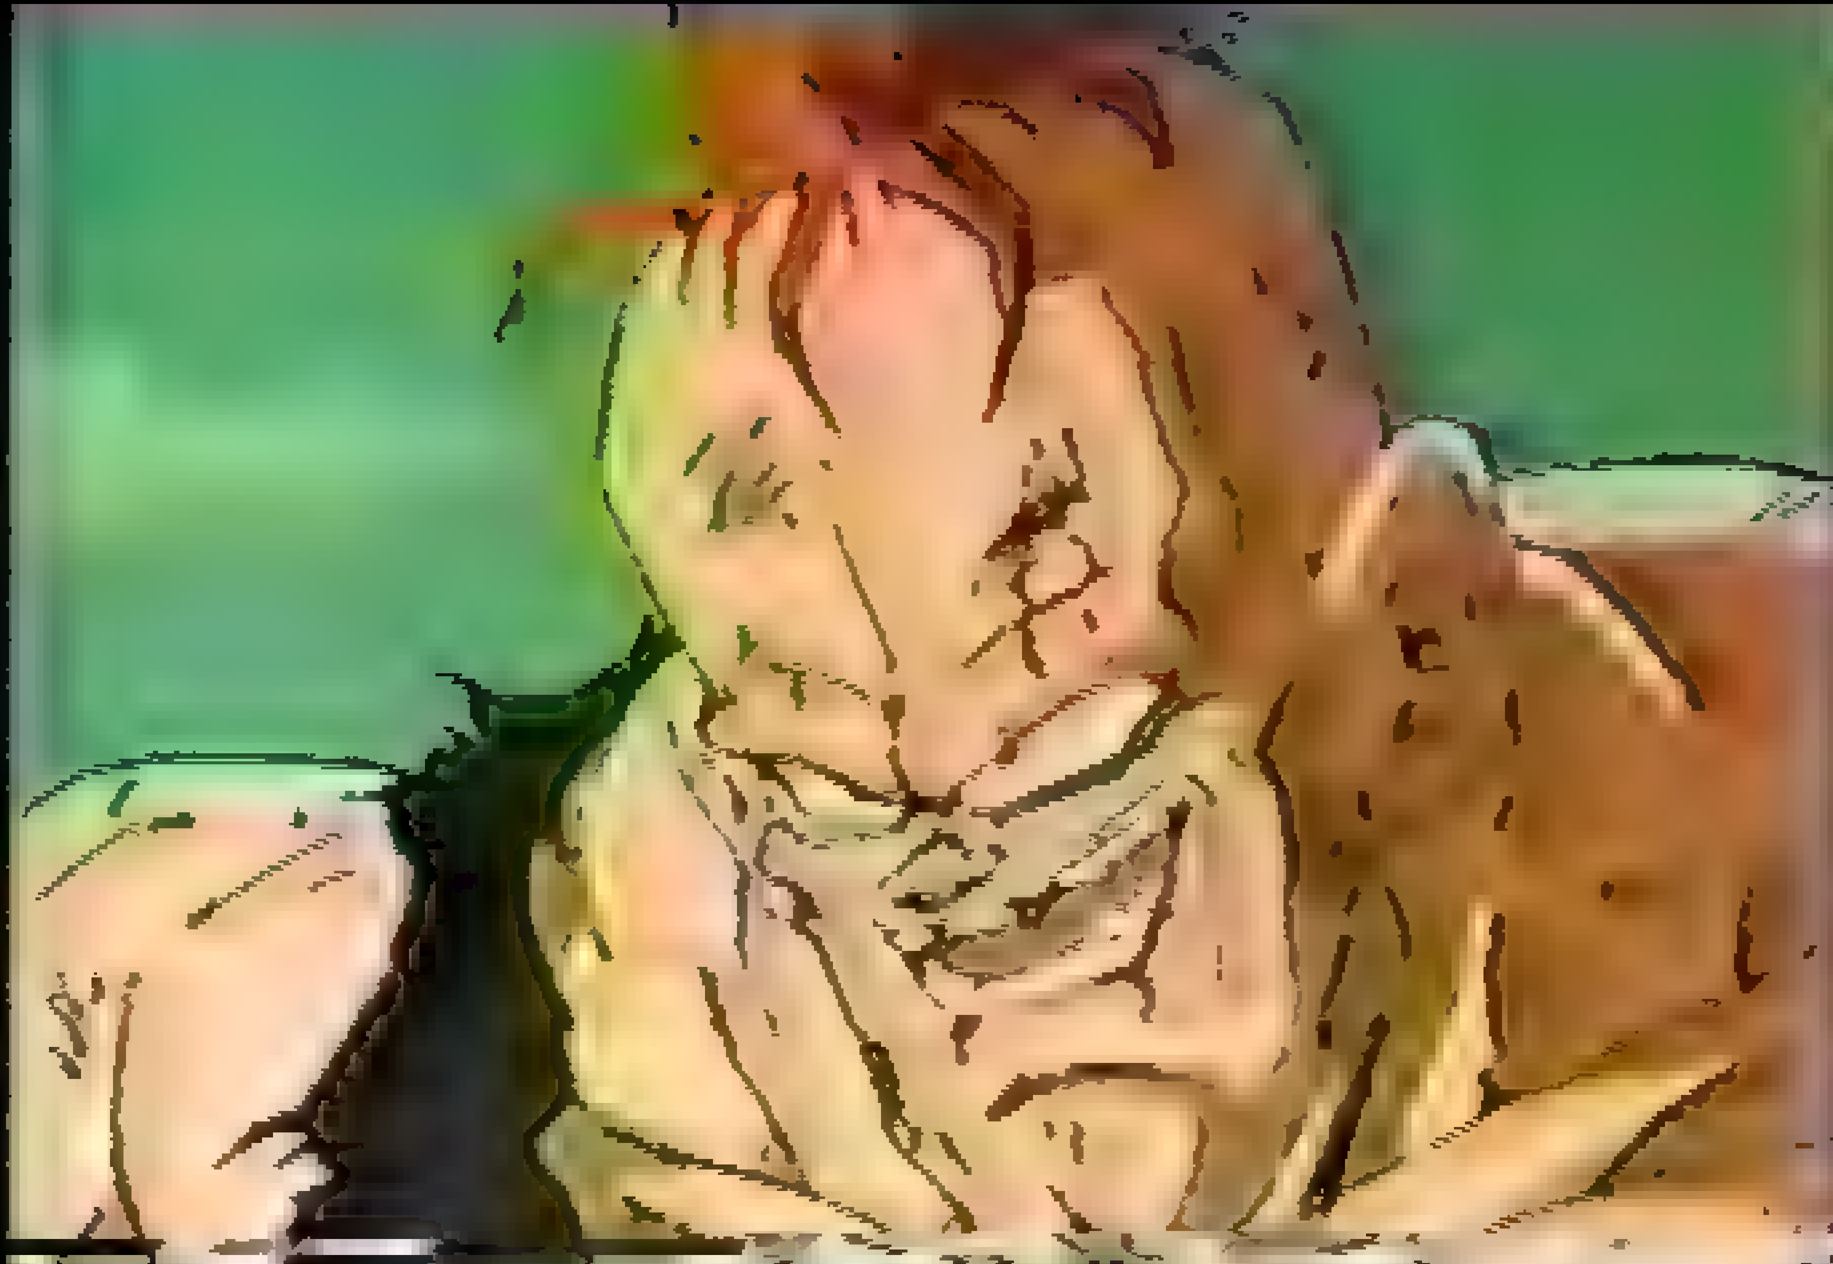

Why you..! Looks like
you know you're pretty fast.

Why you...! Looks like
you know you're pretty fast.

Why you..! Looks like
you know you're pretty fast.

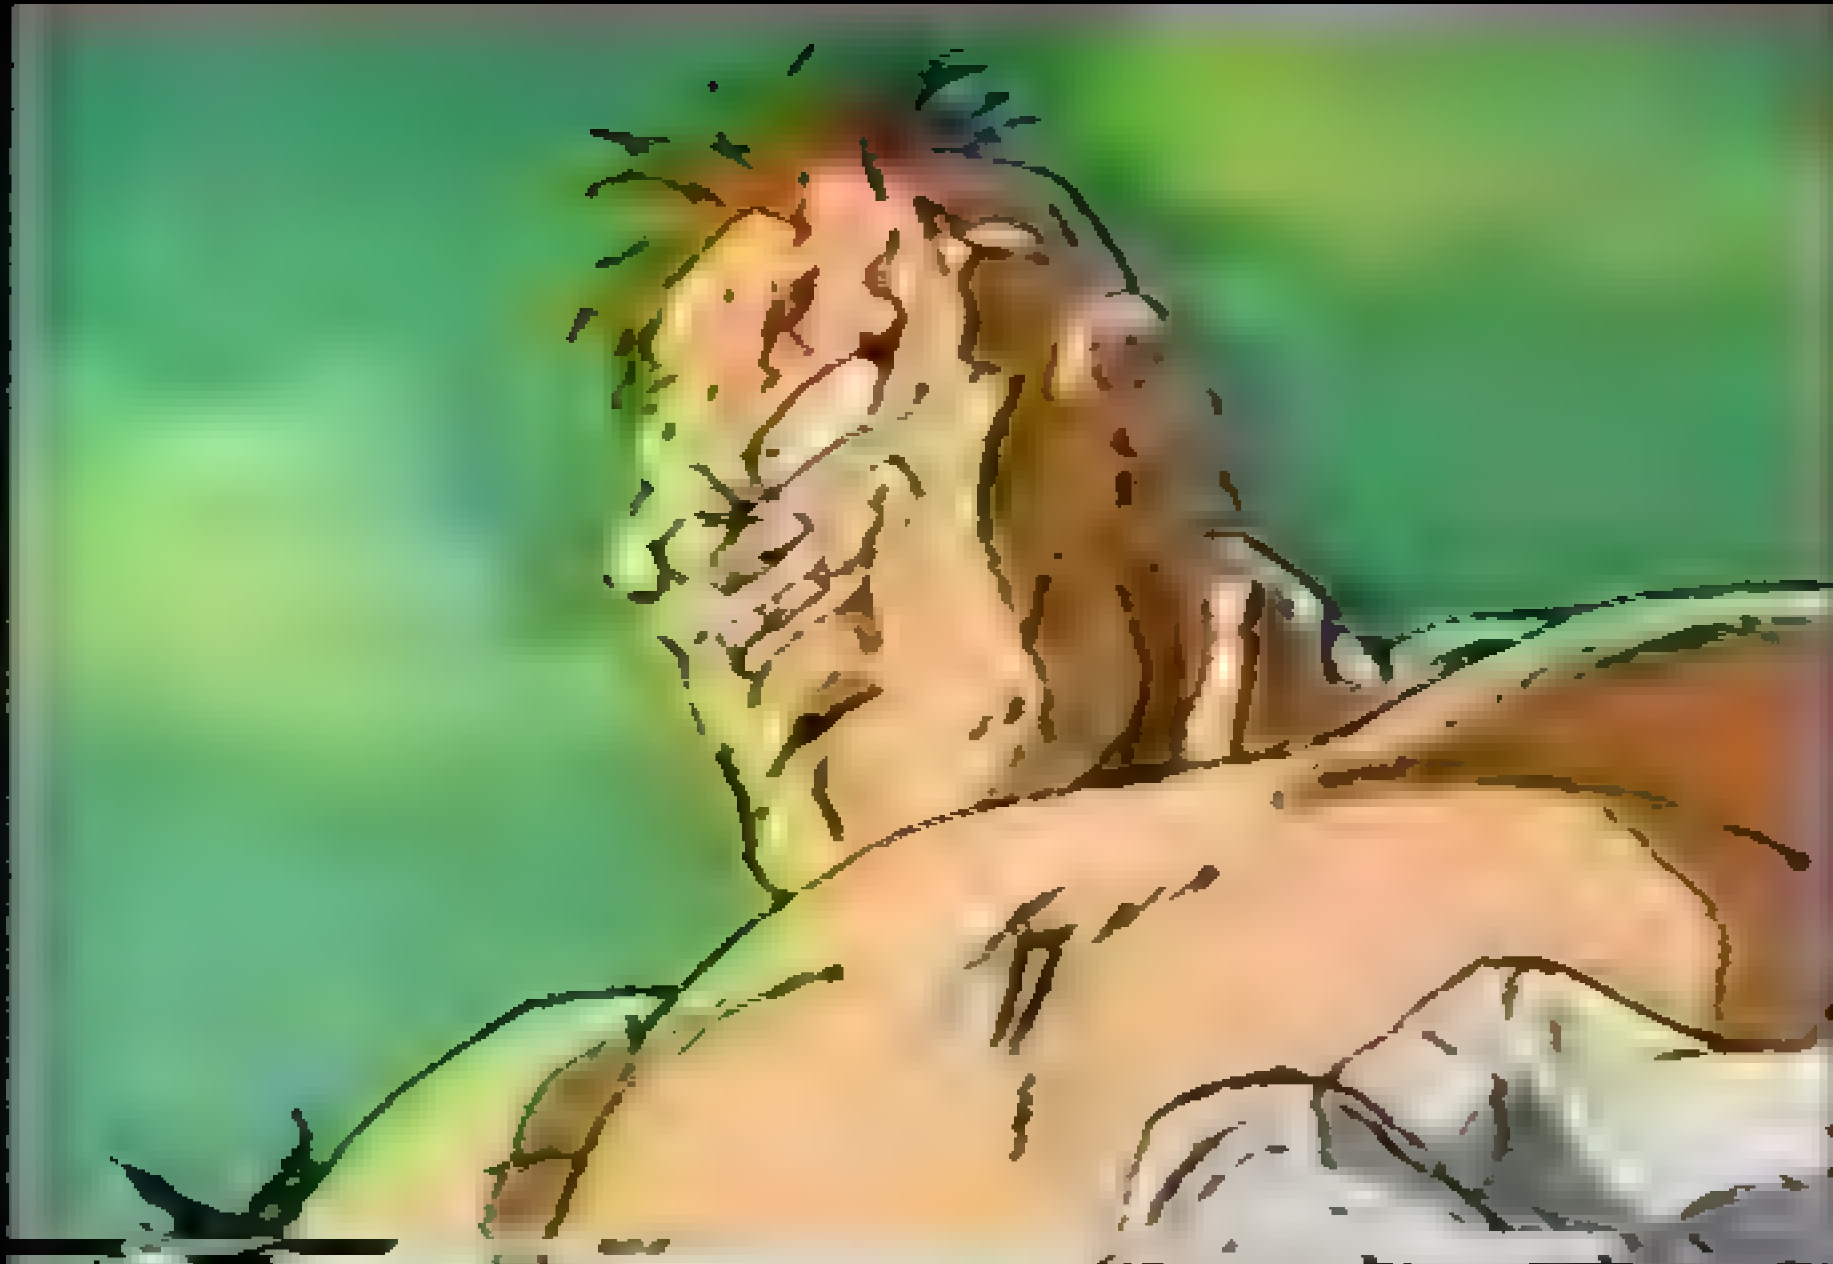

But you'll never win by running!

I'll show you
my special technique.

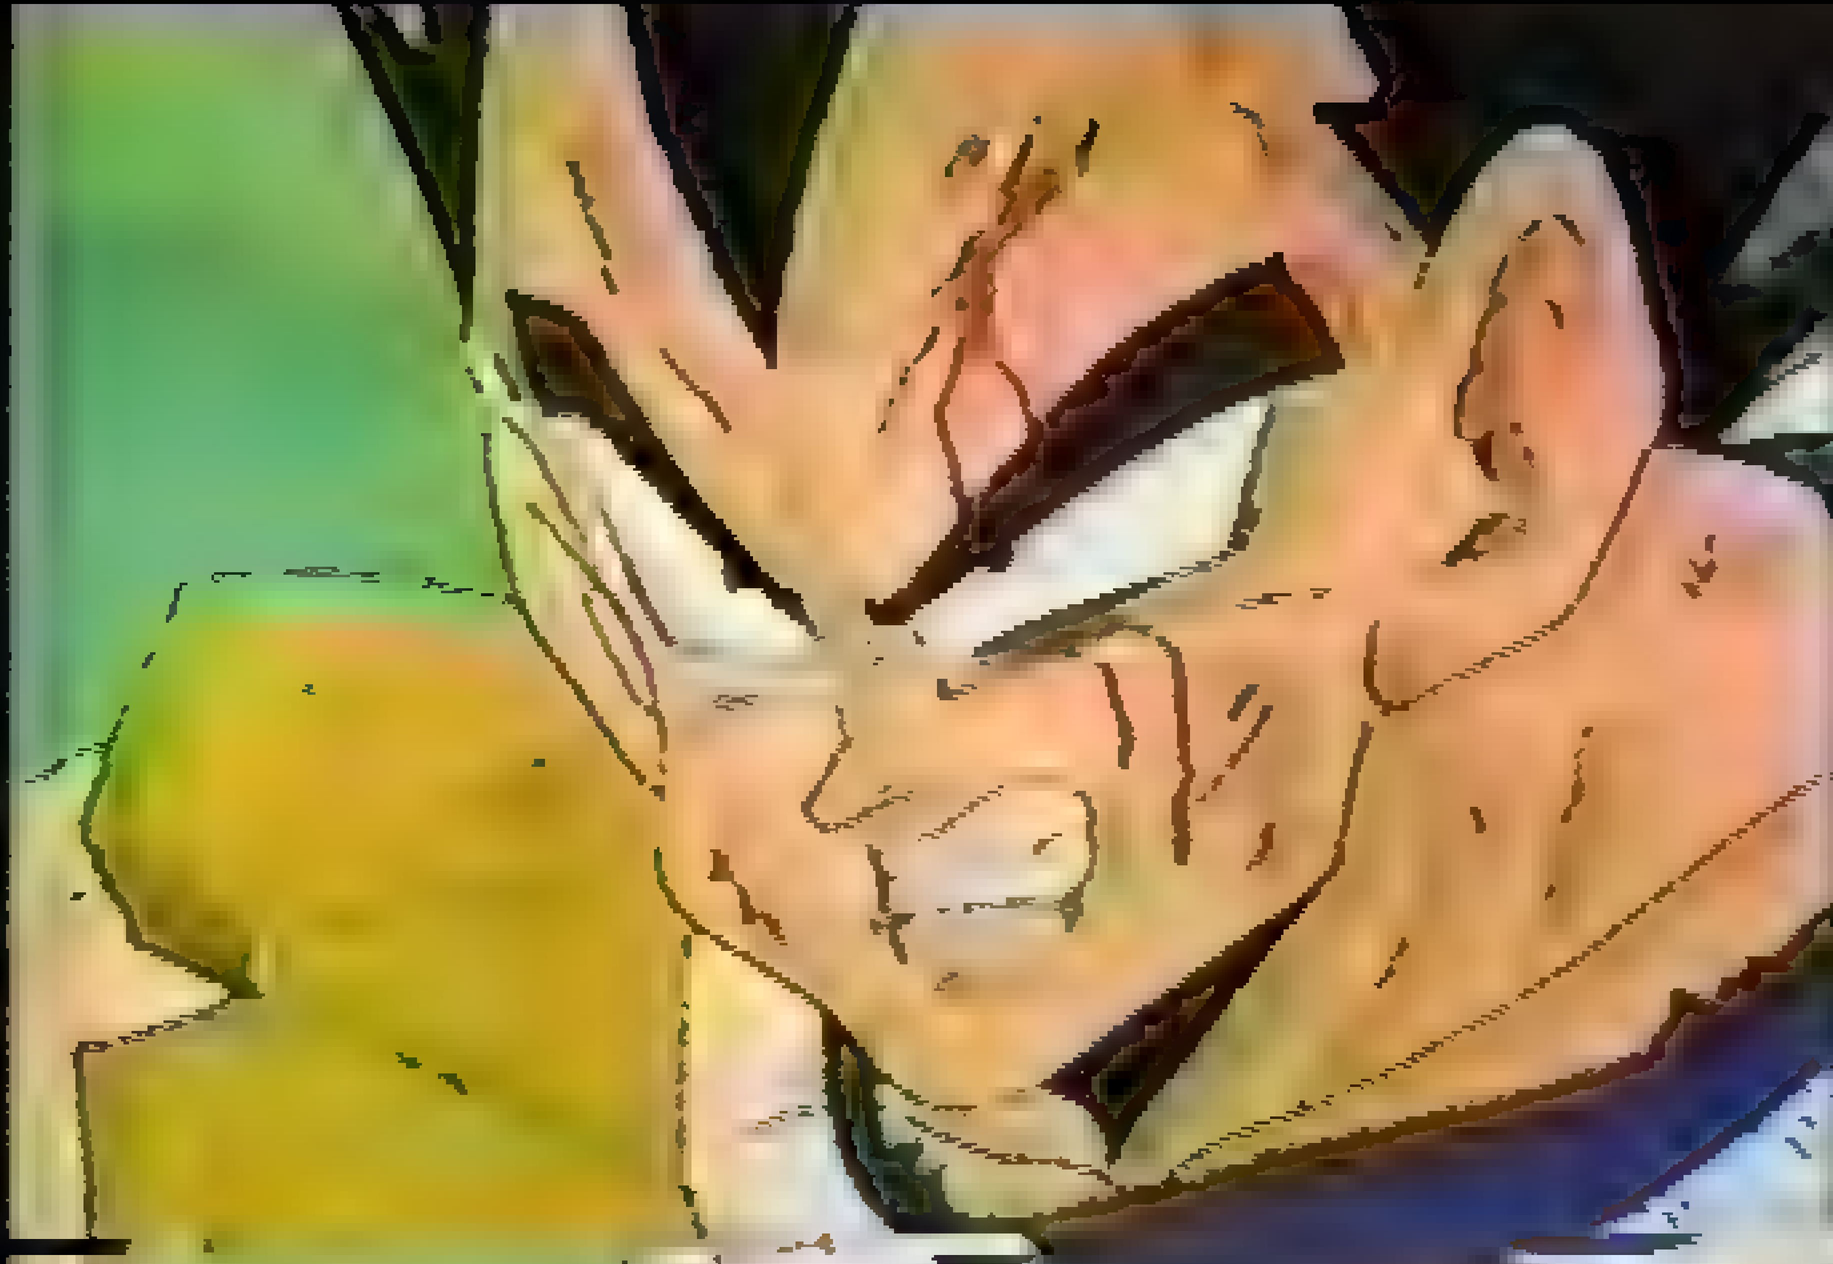

No matter how fast you run,
it won't do any good!

Because everything around
Mr. Rikoom is going to blow away!

Because everything around
Mr. Rikoom is going to blow away!

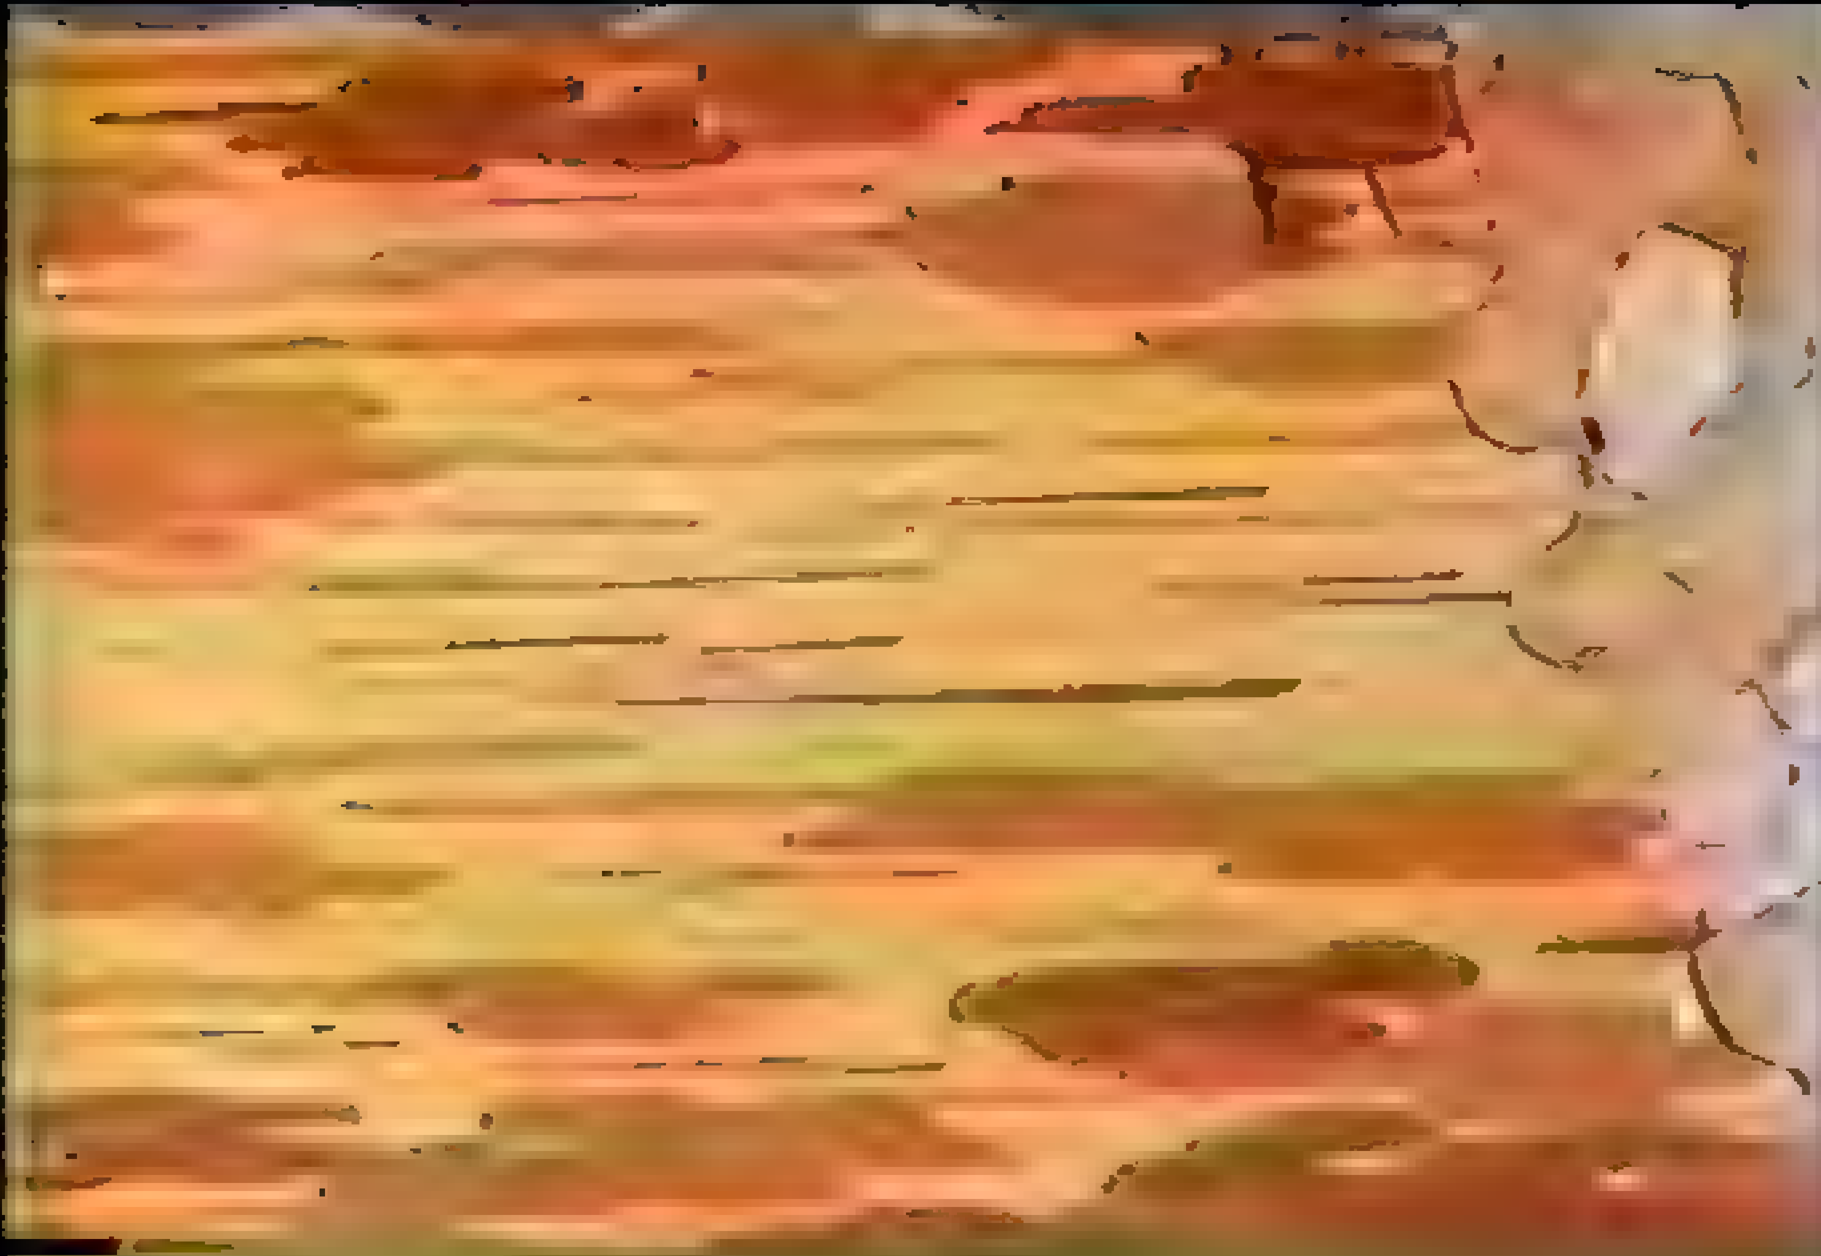

Because everything around
Mr. Rikoom is going to blow away!

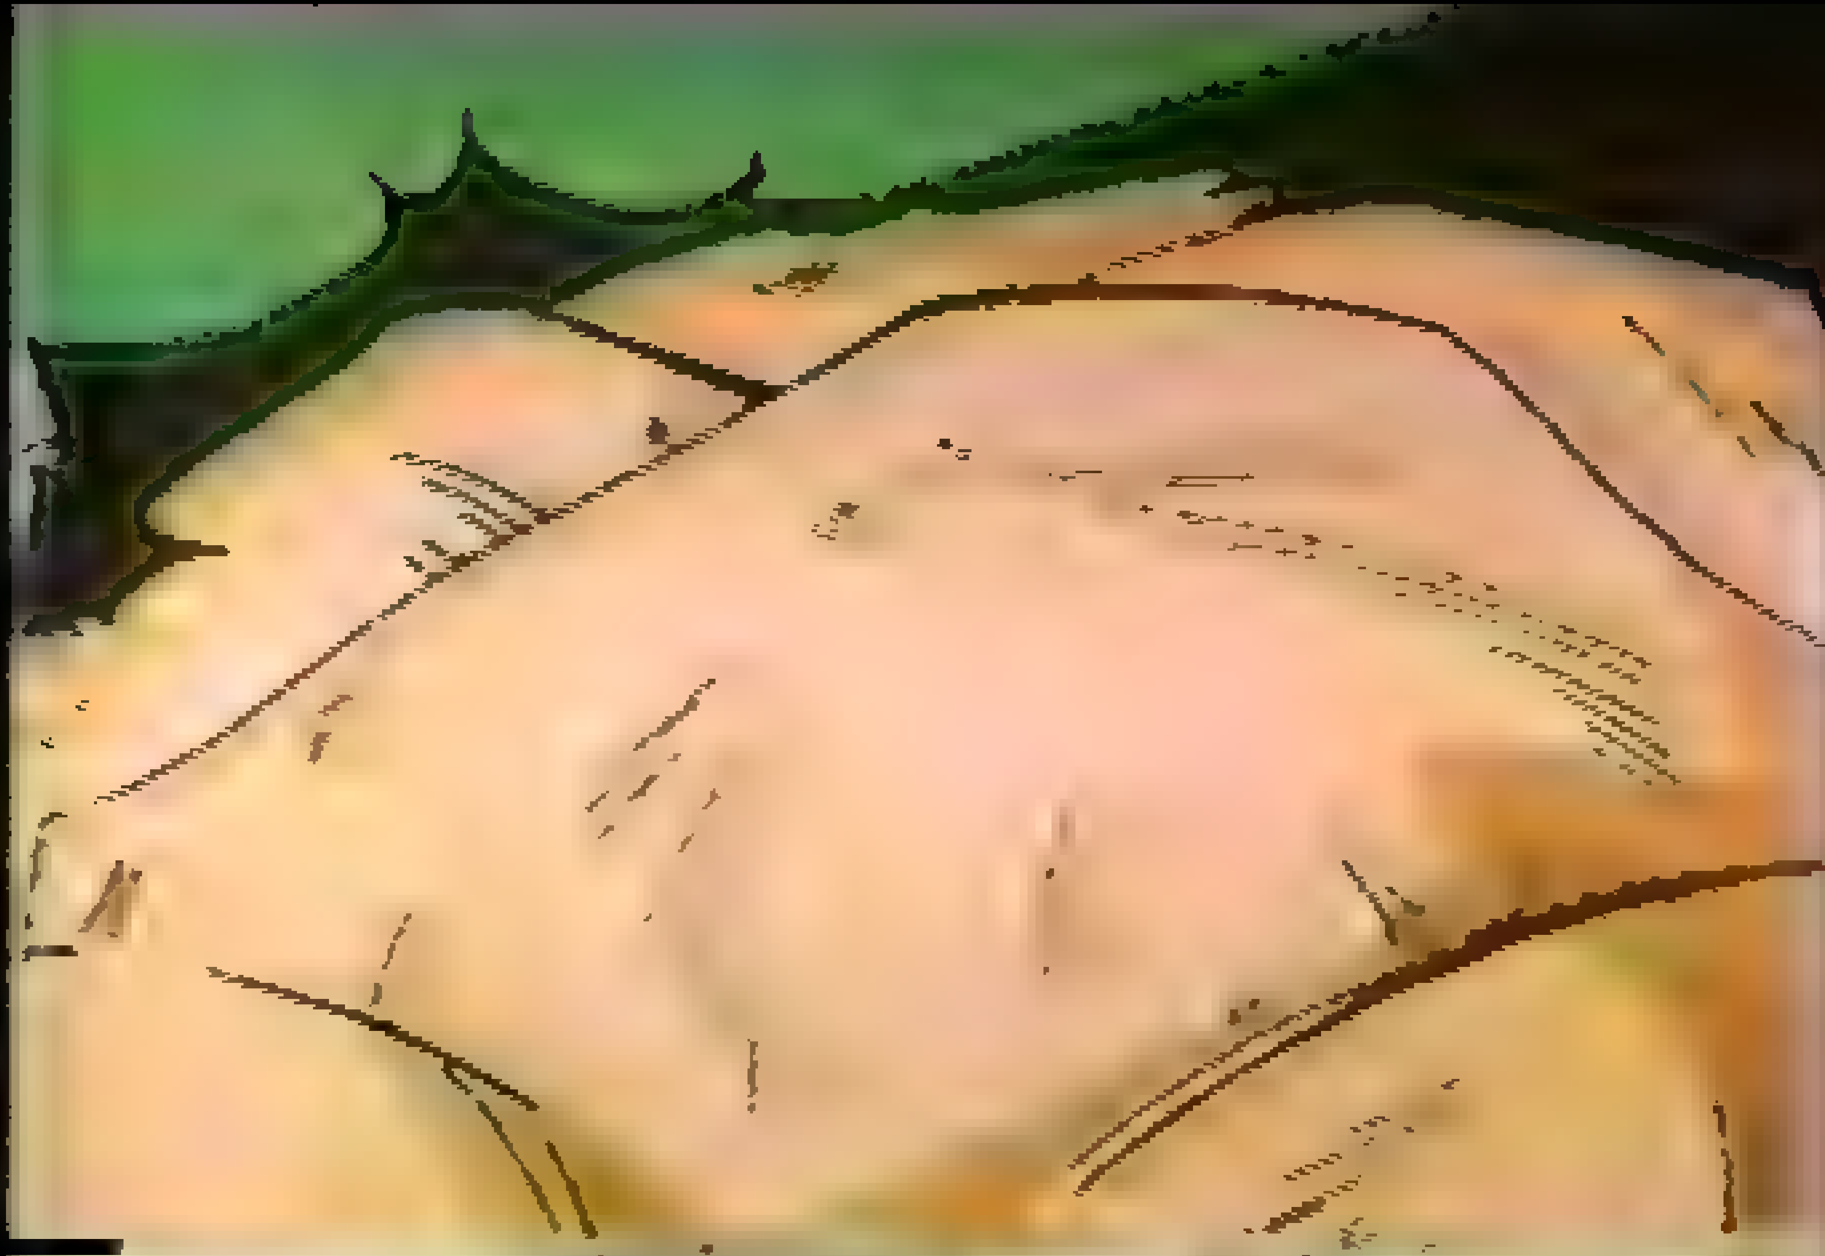

Now we'll see what
Kakarott's real ability is!

Are you prepared?

I'll send all four of you
to the next world together!

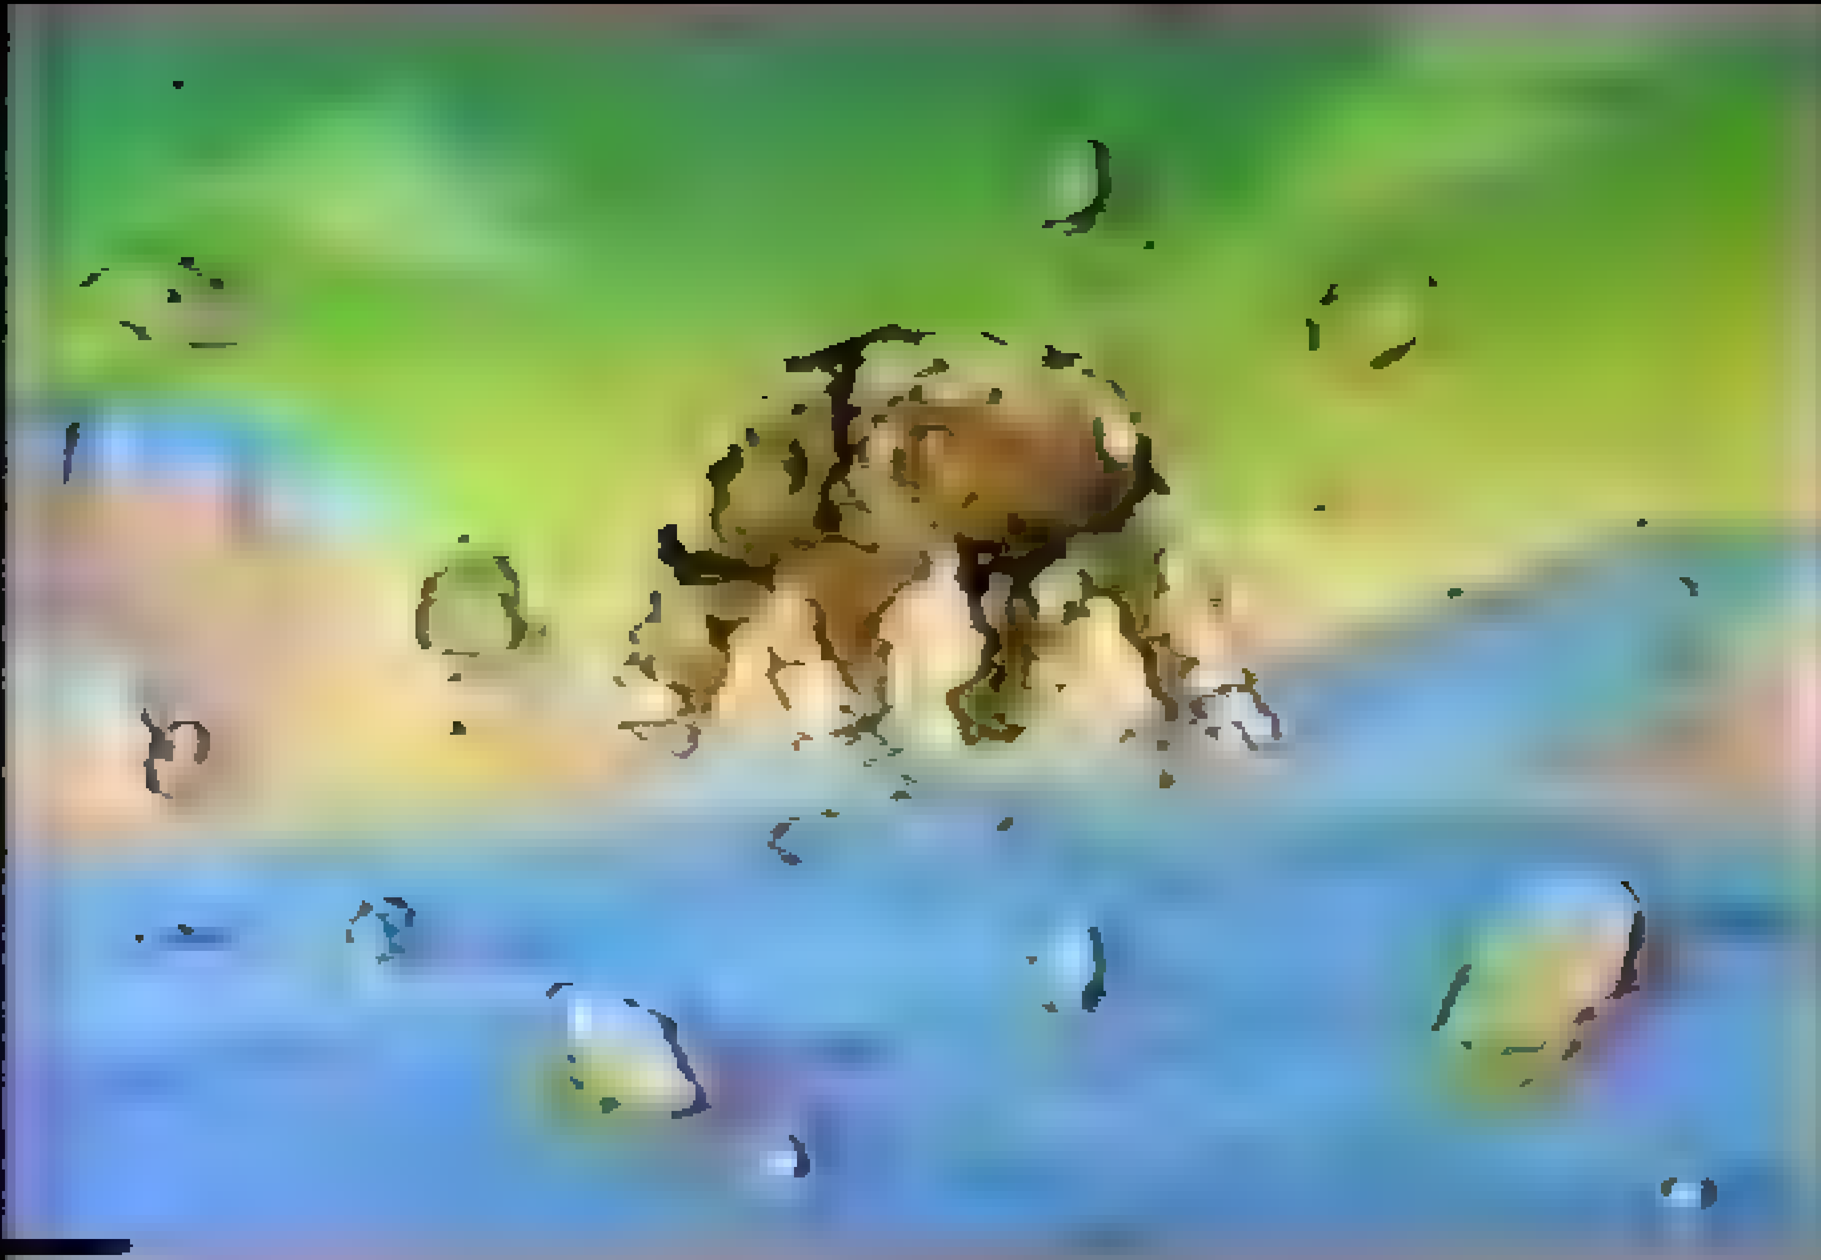

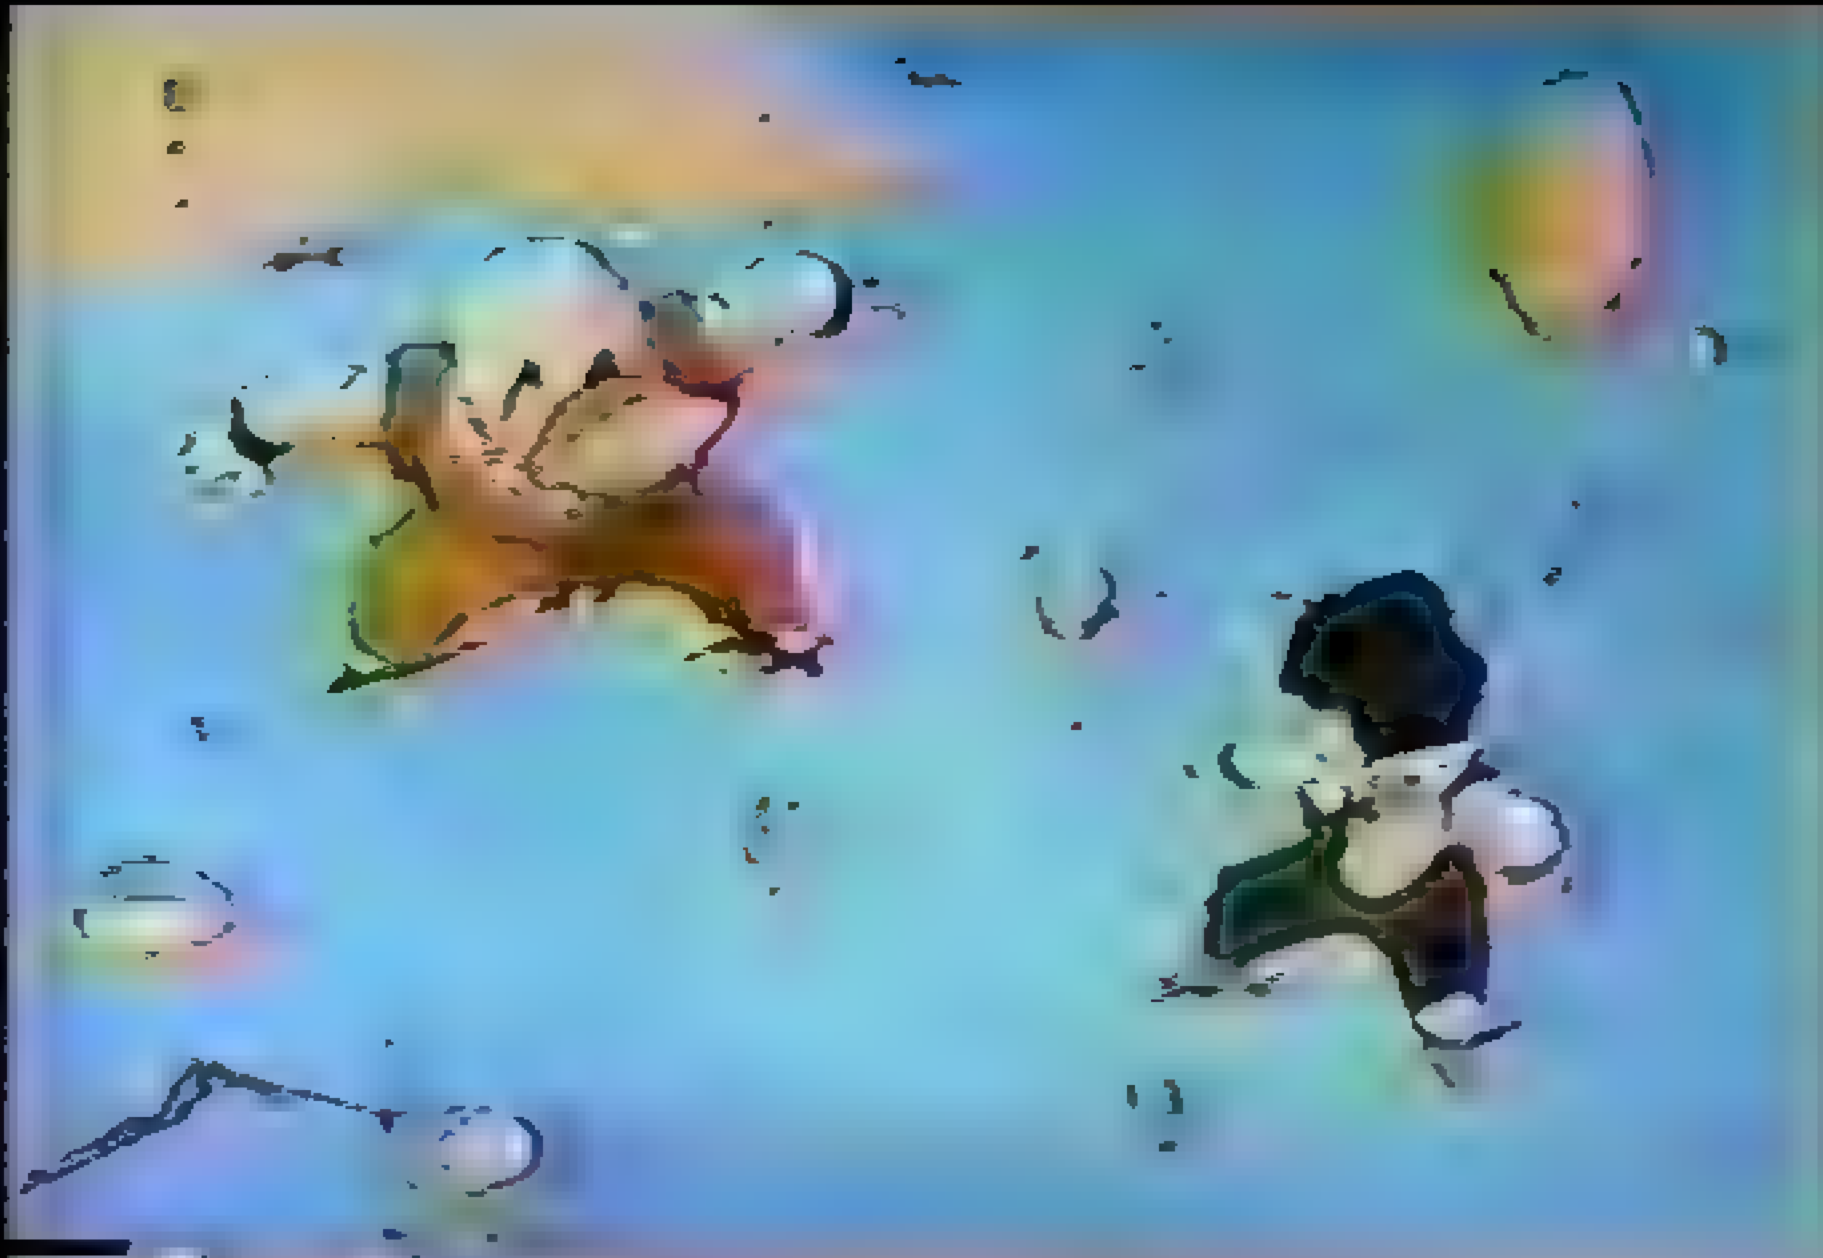

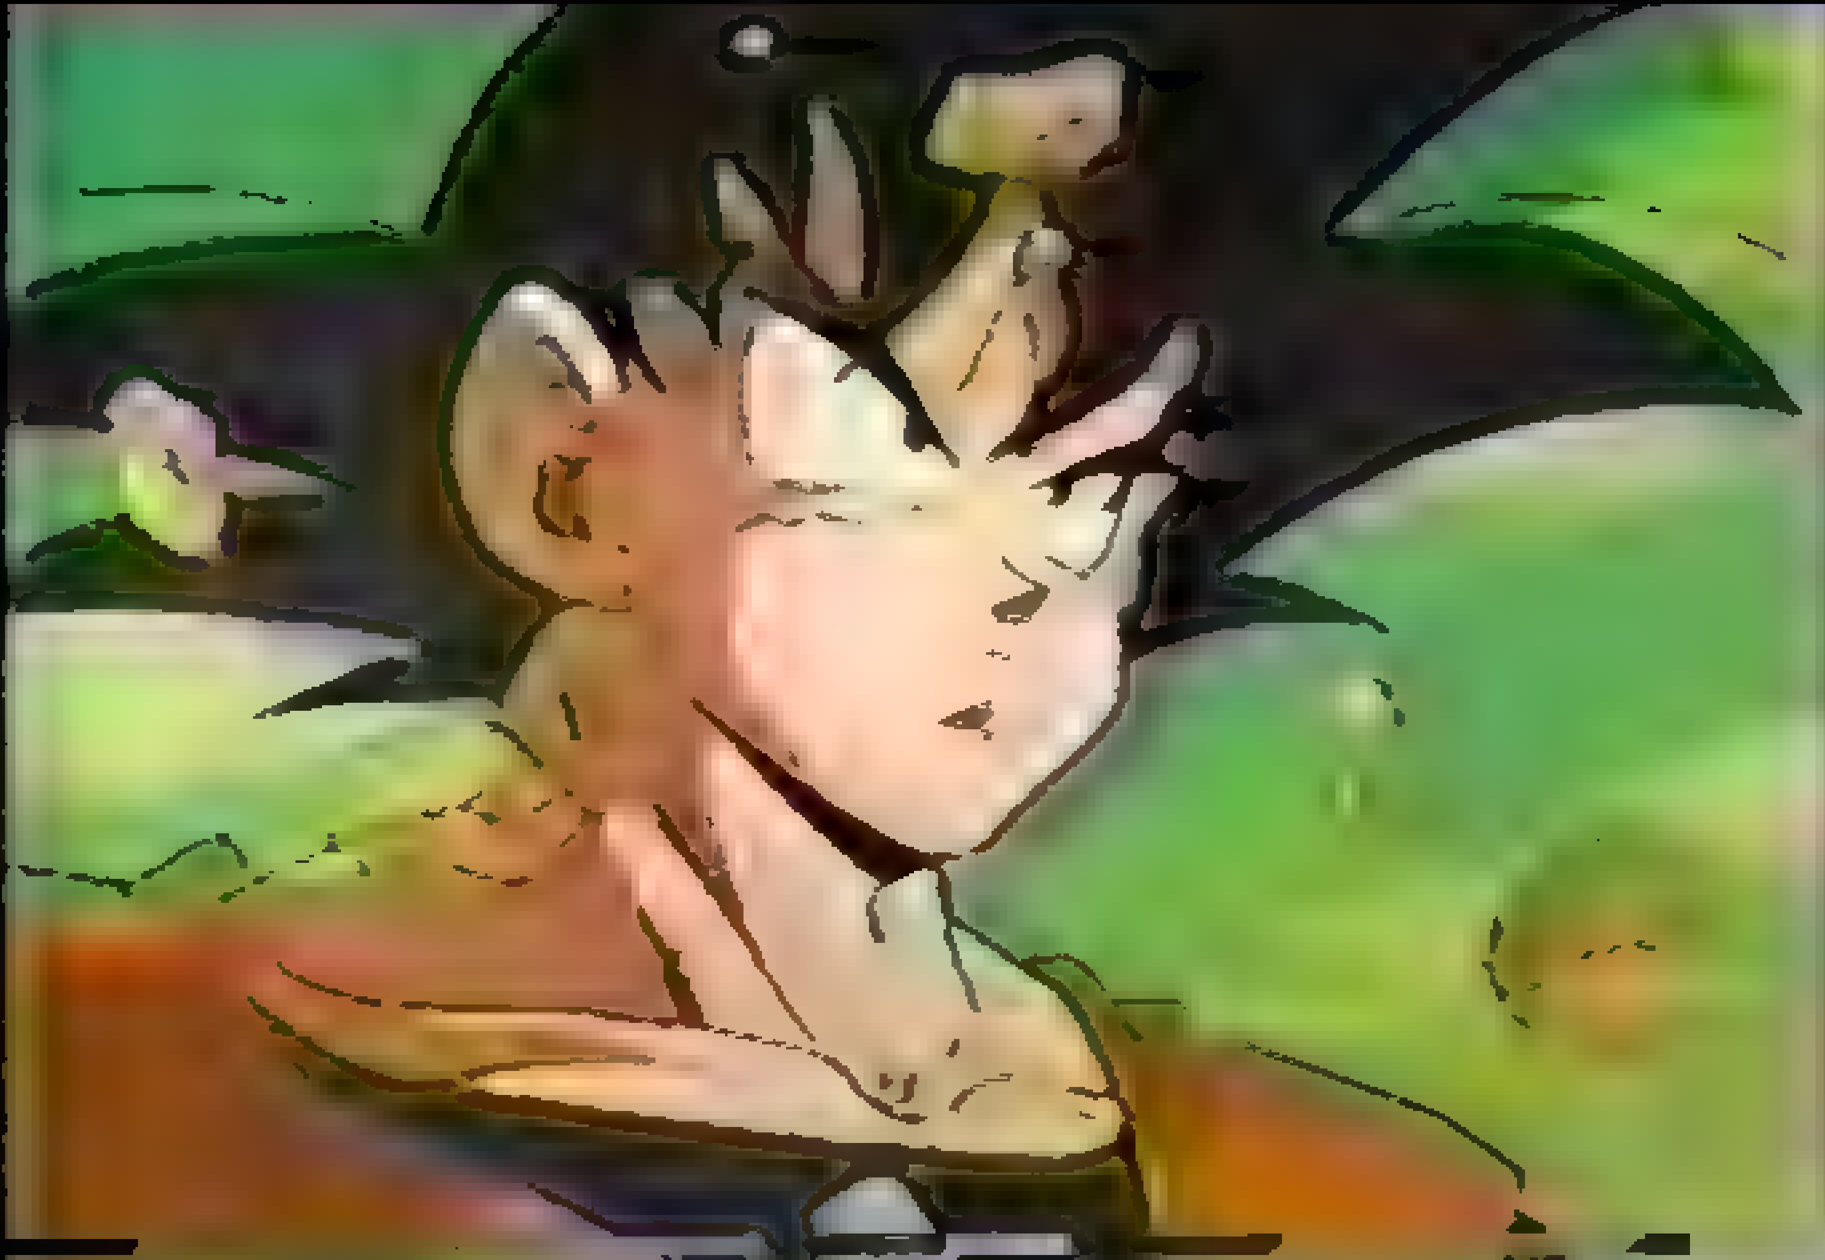

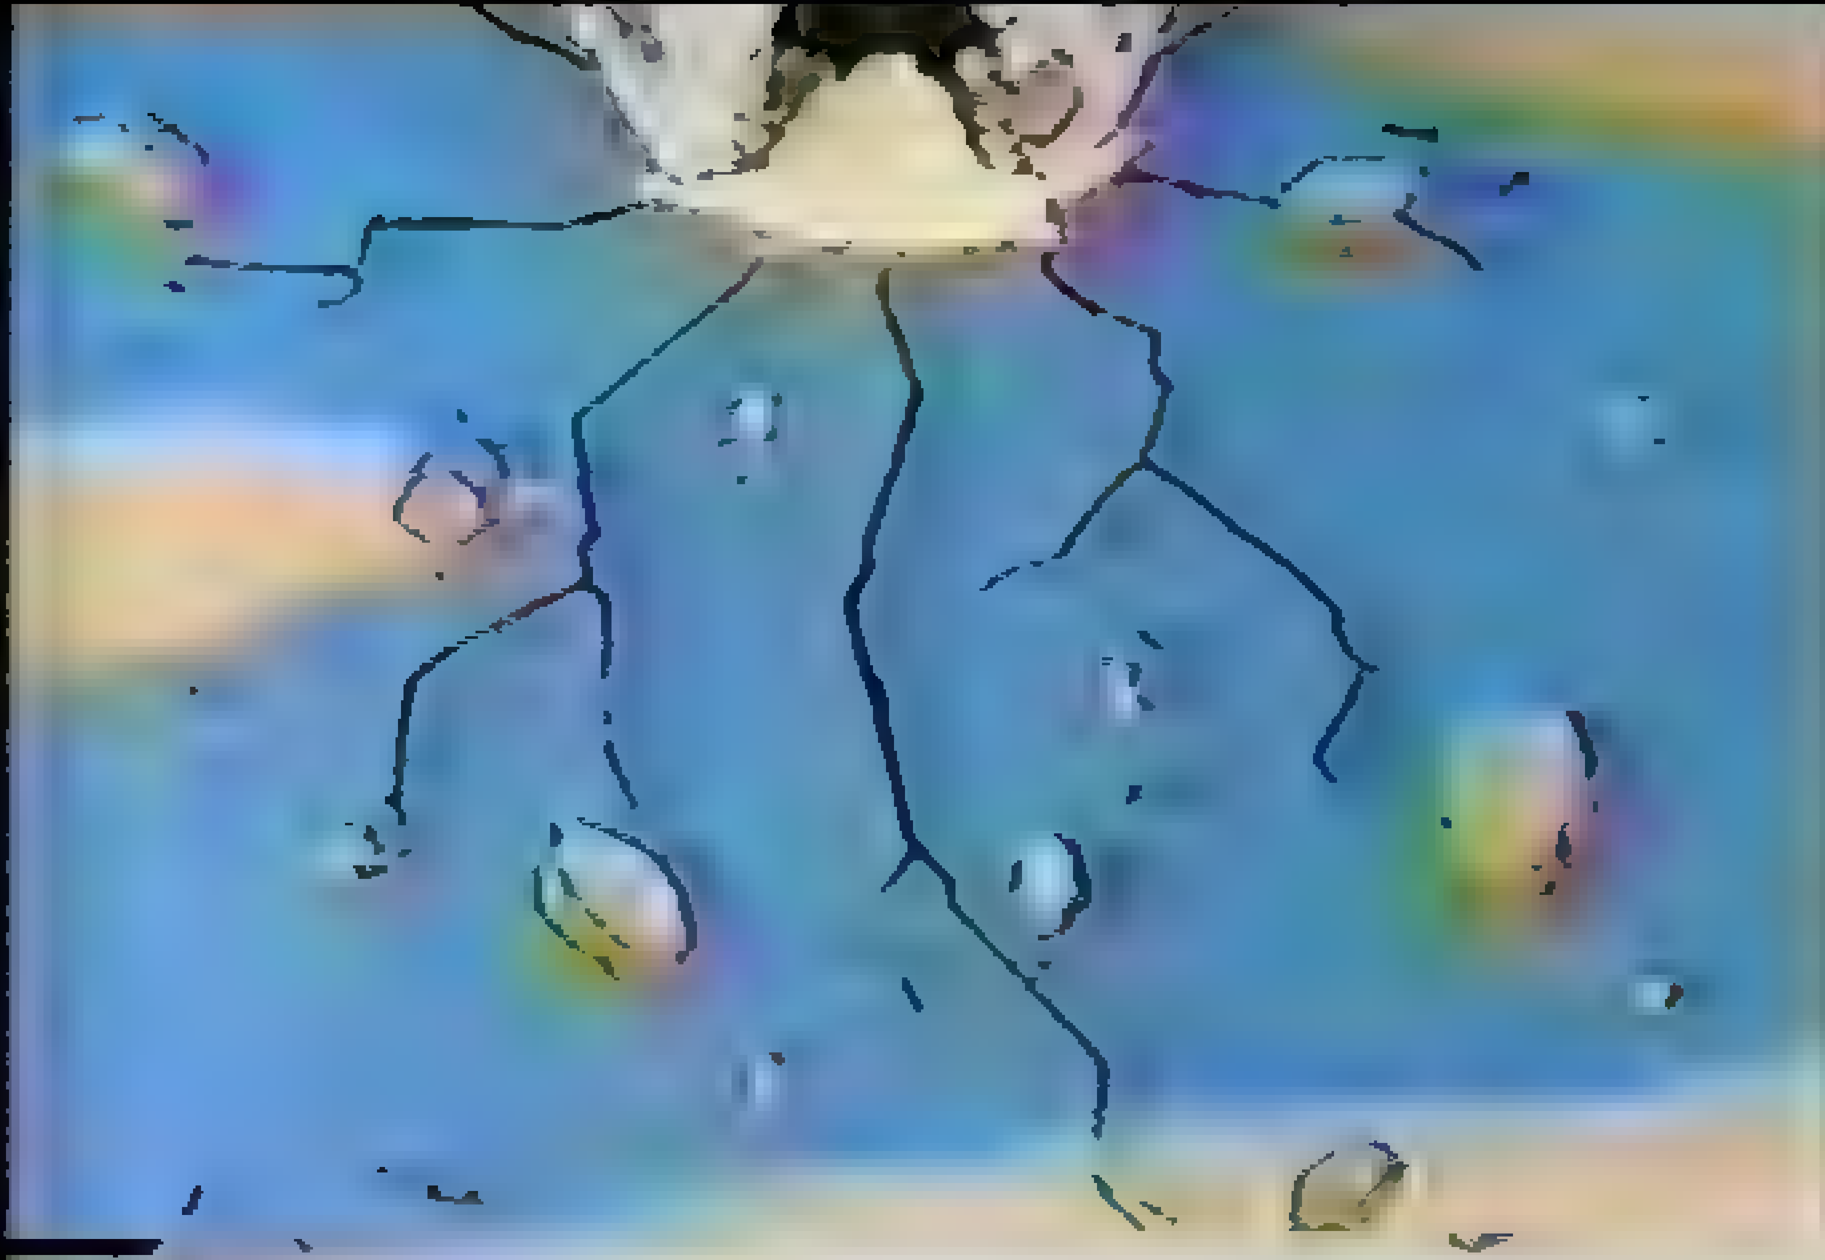

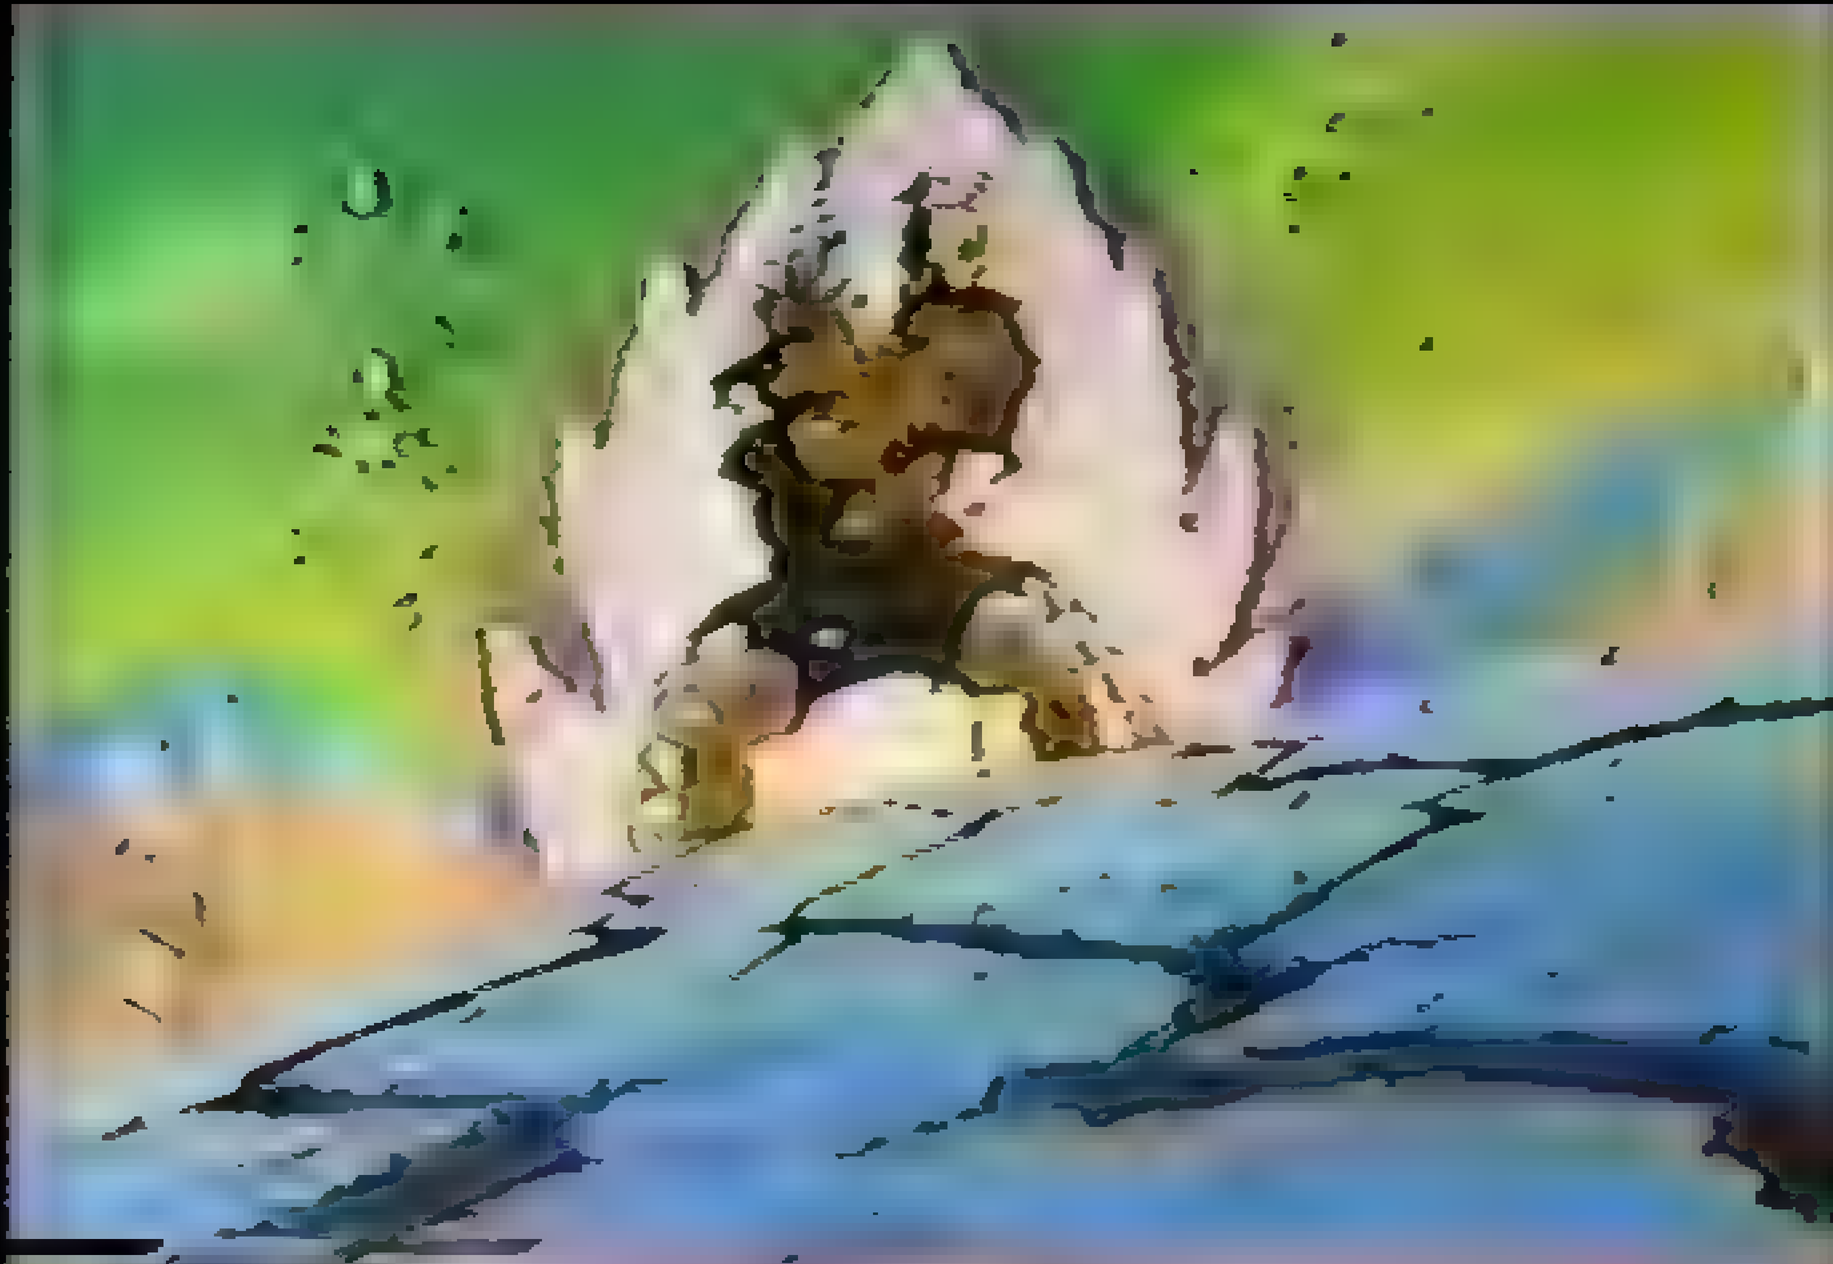

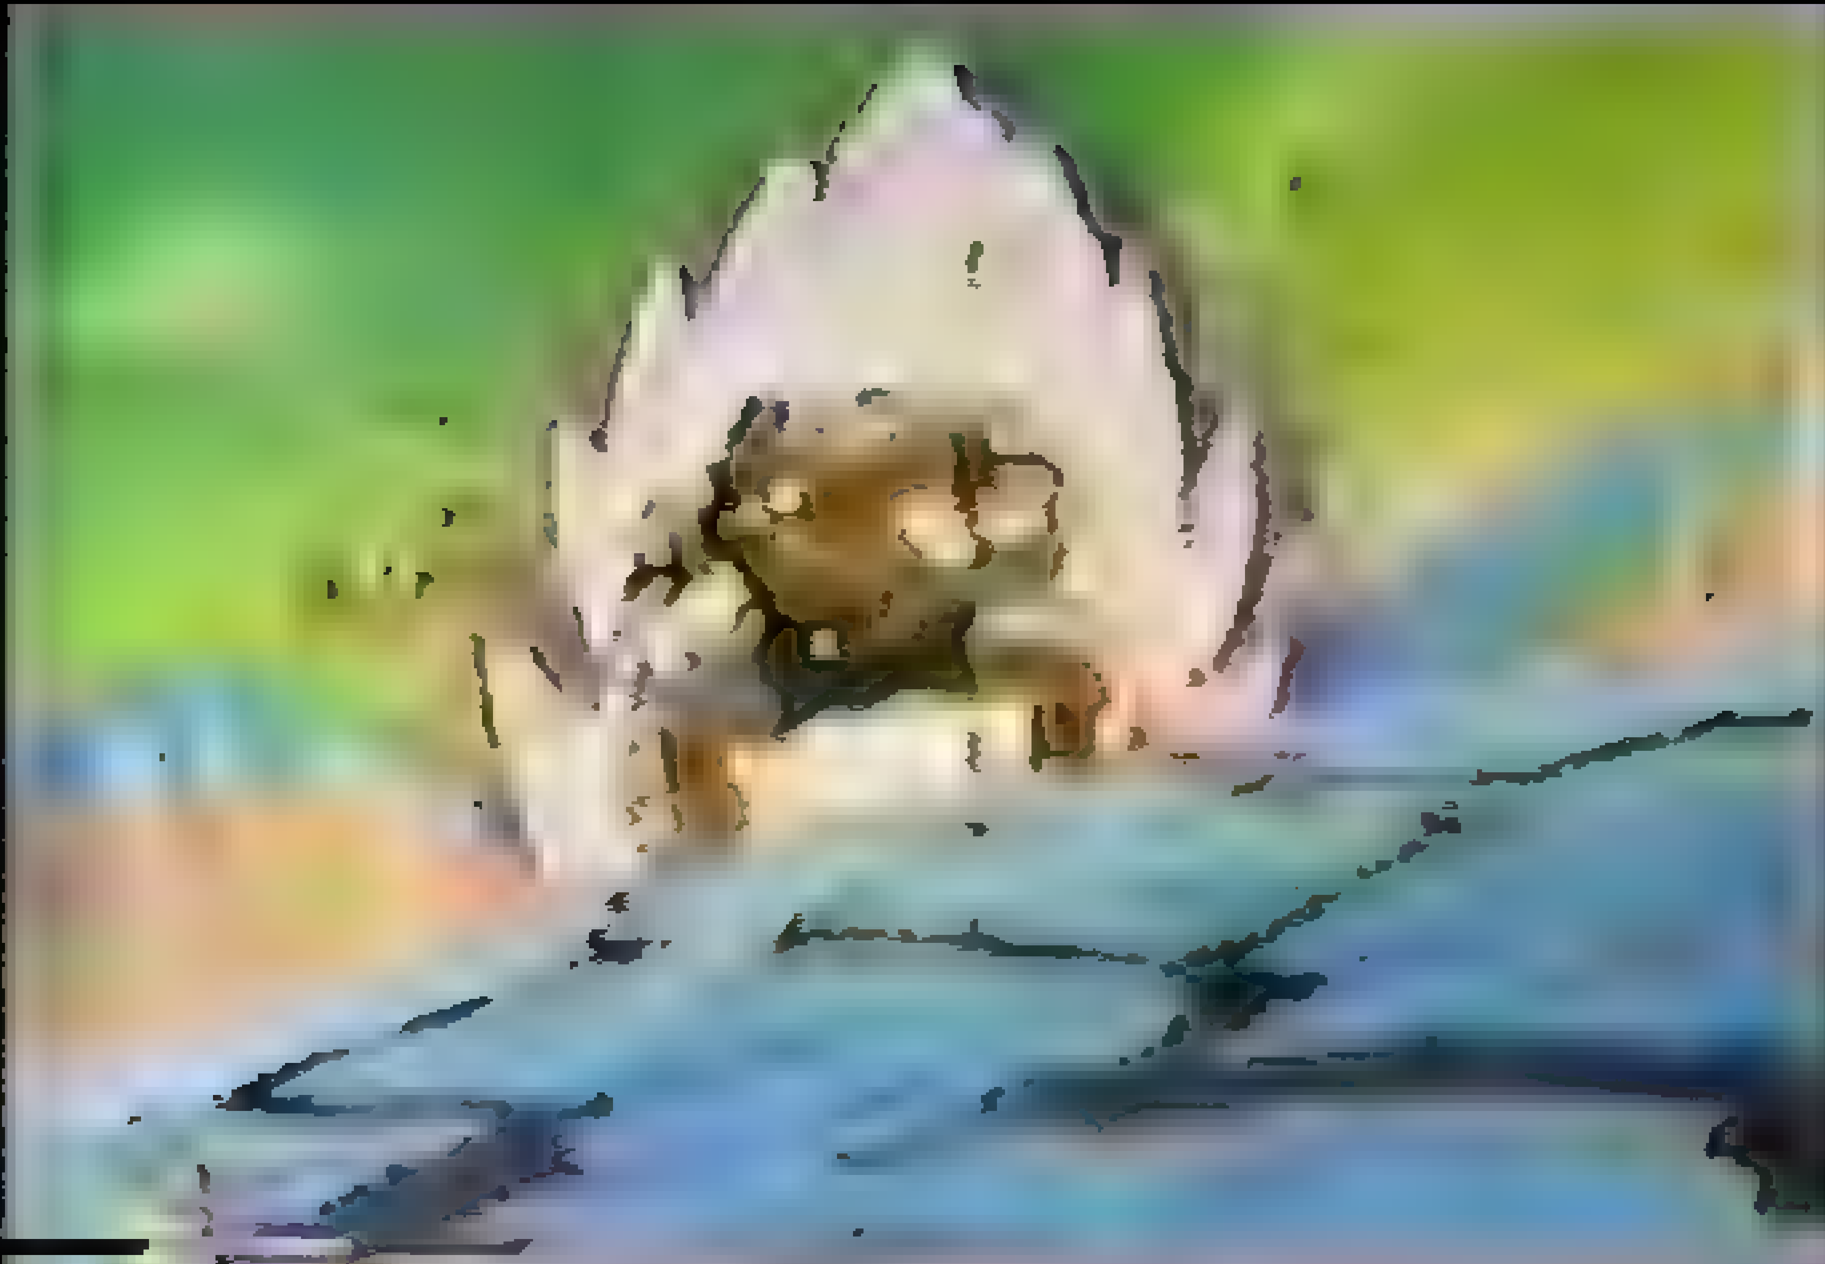

Not good_!

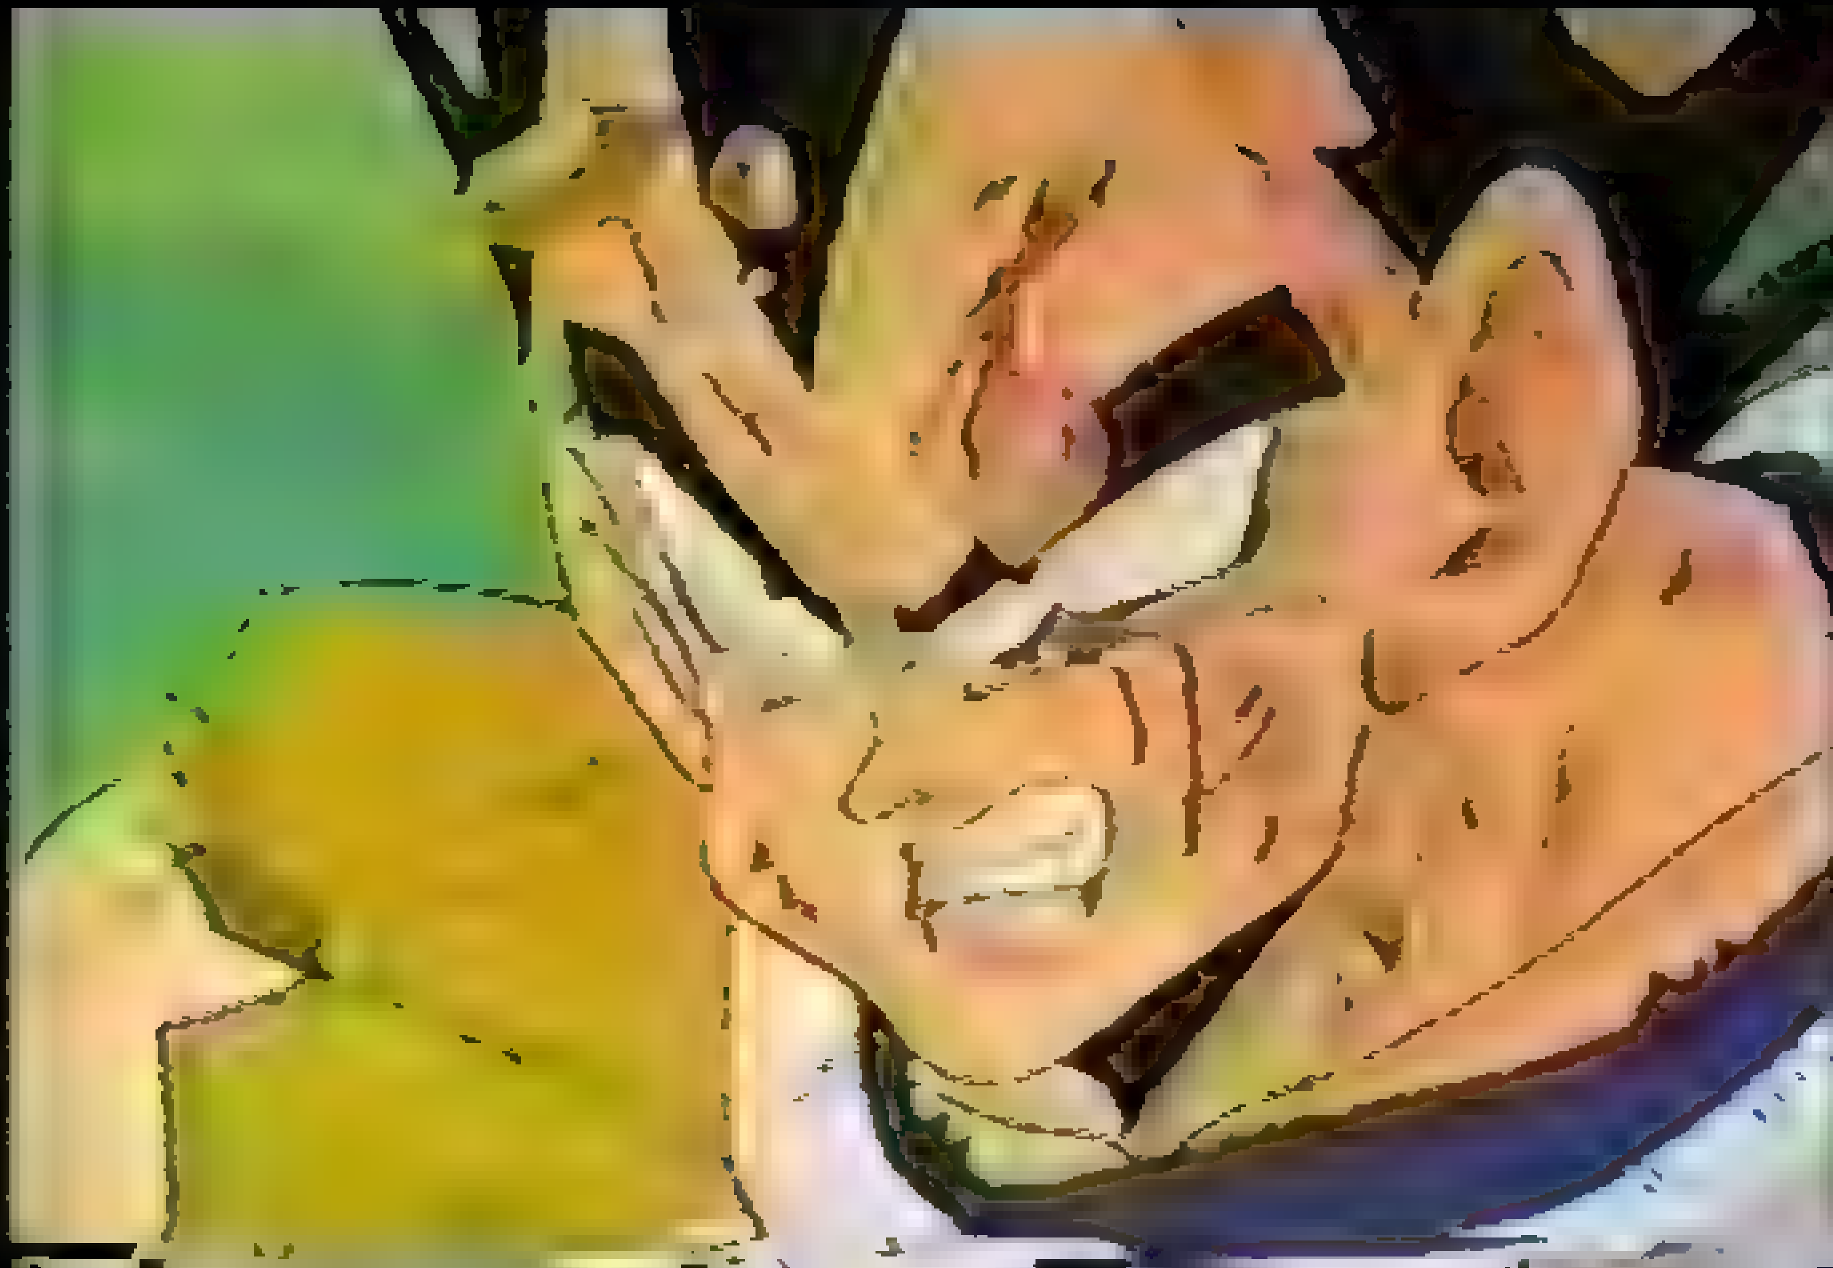

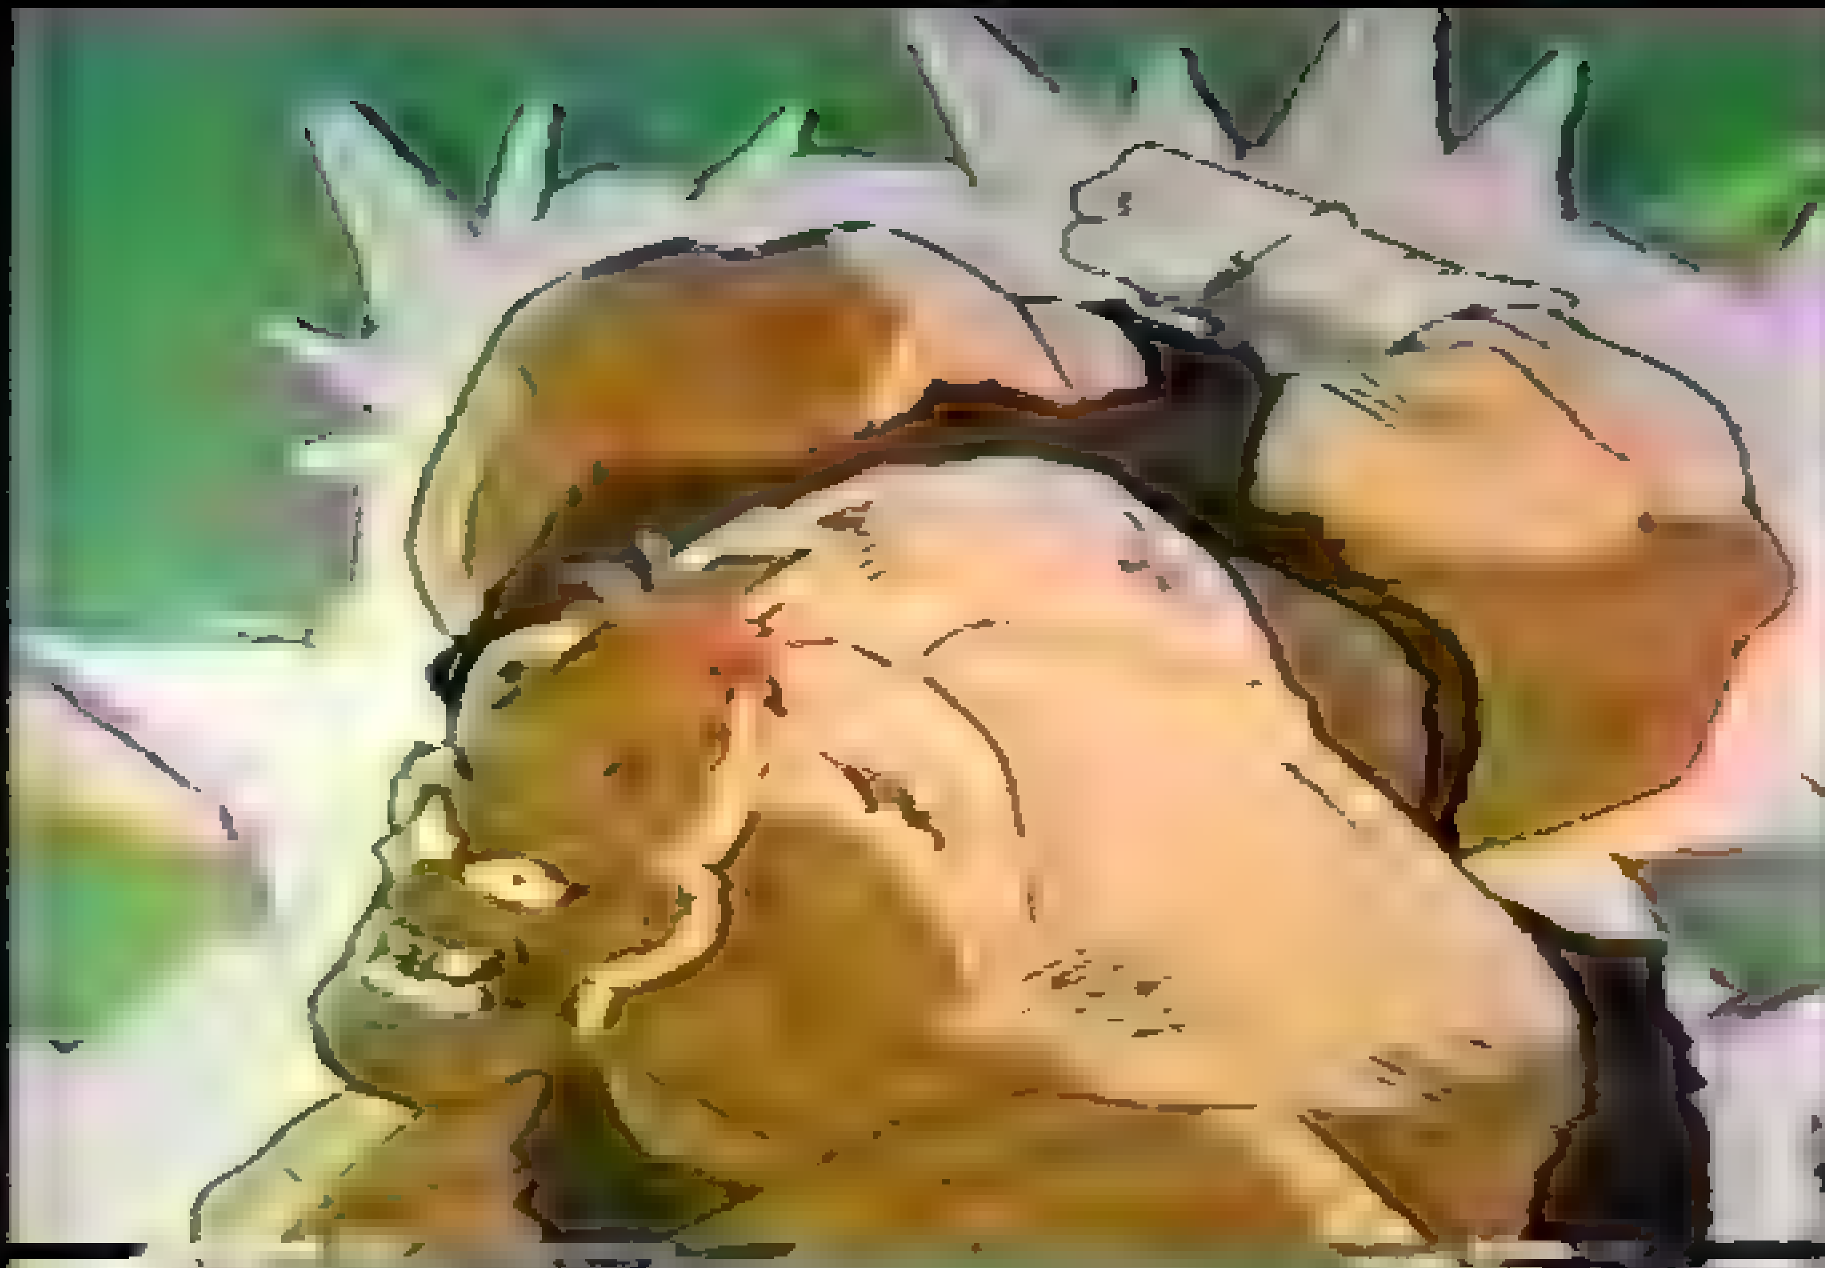

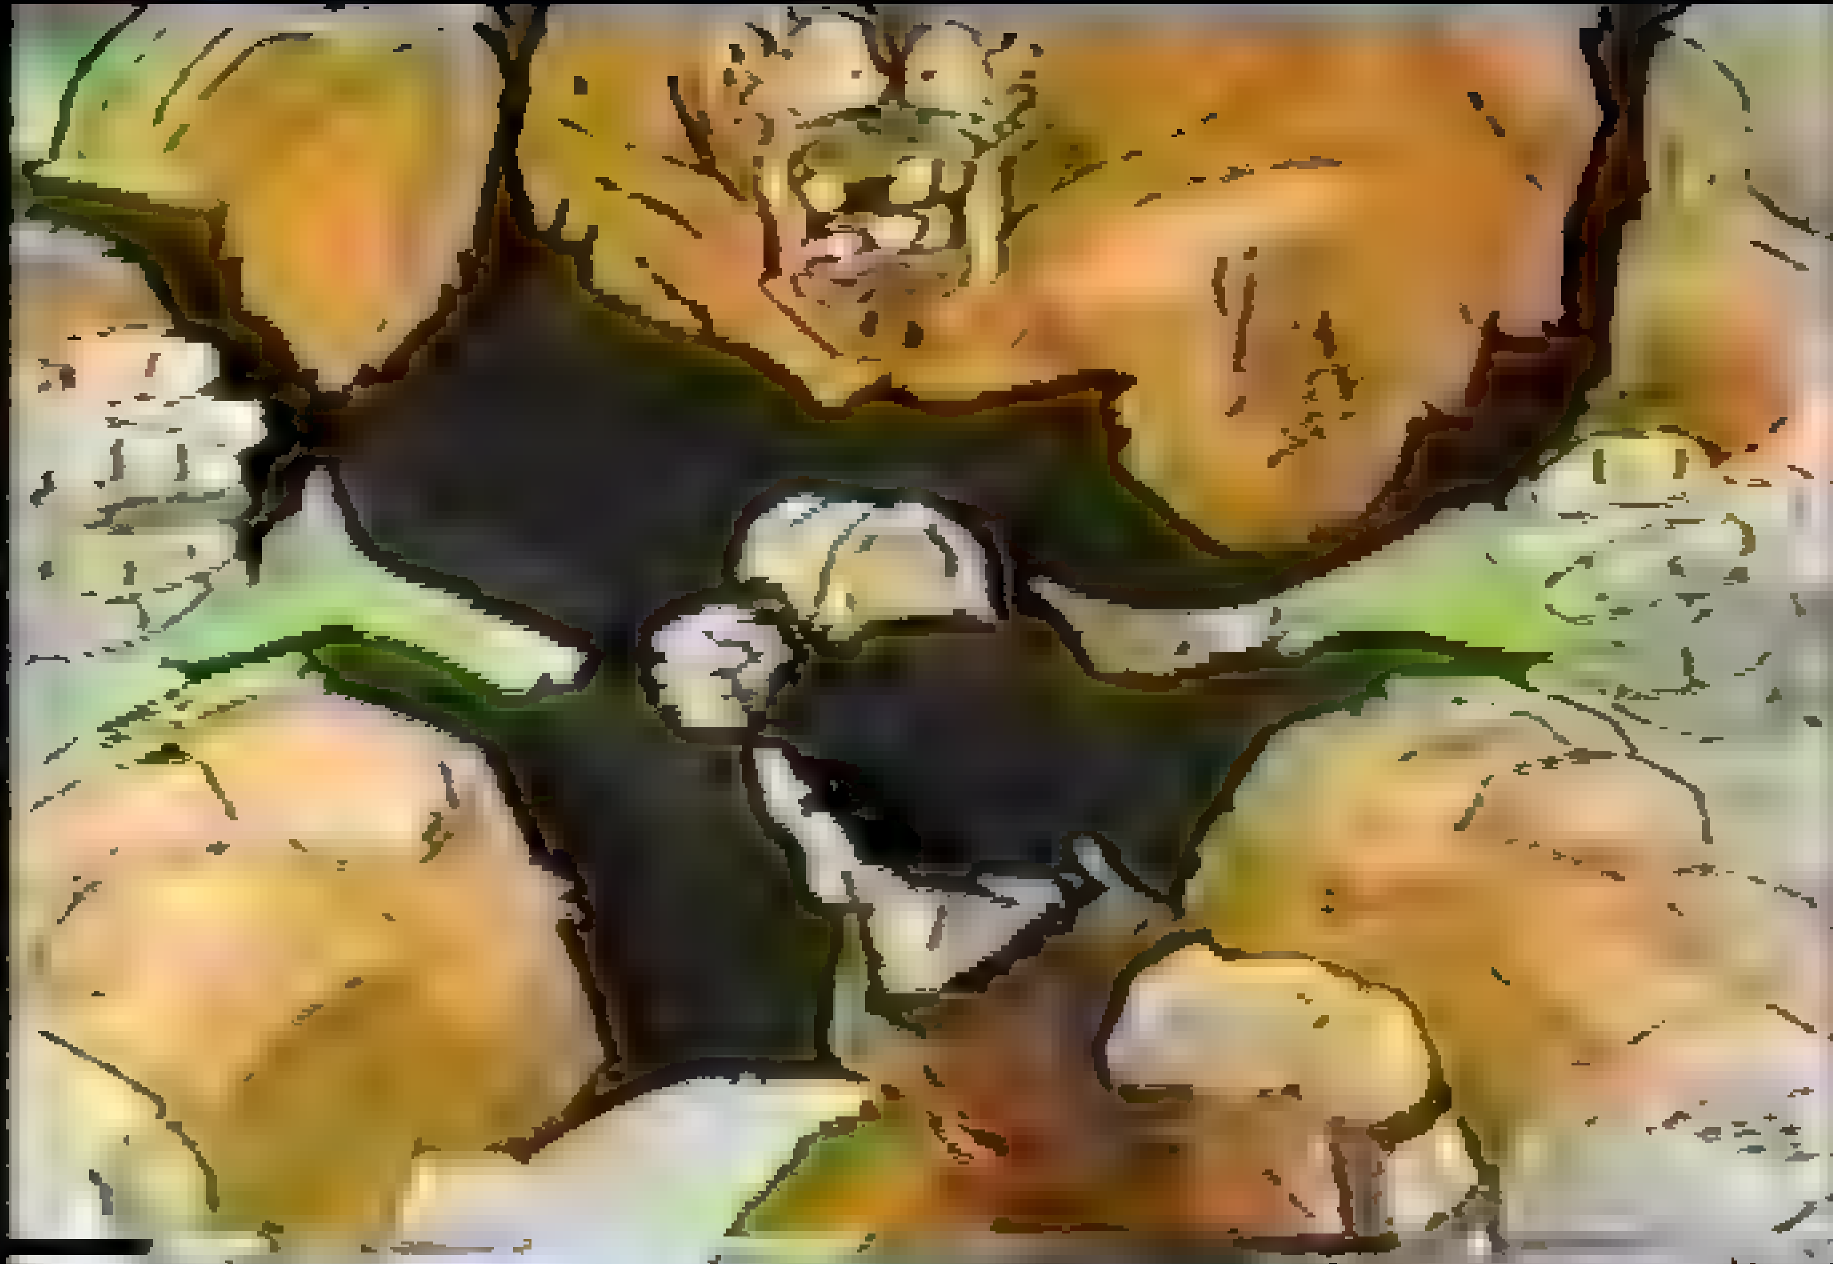

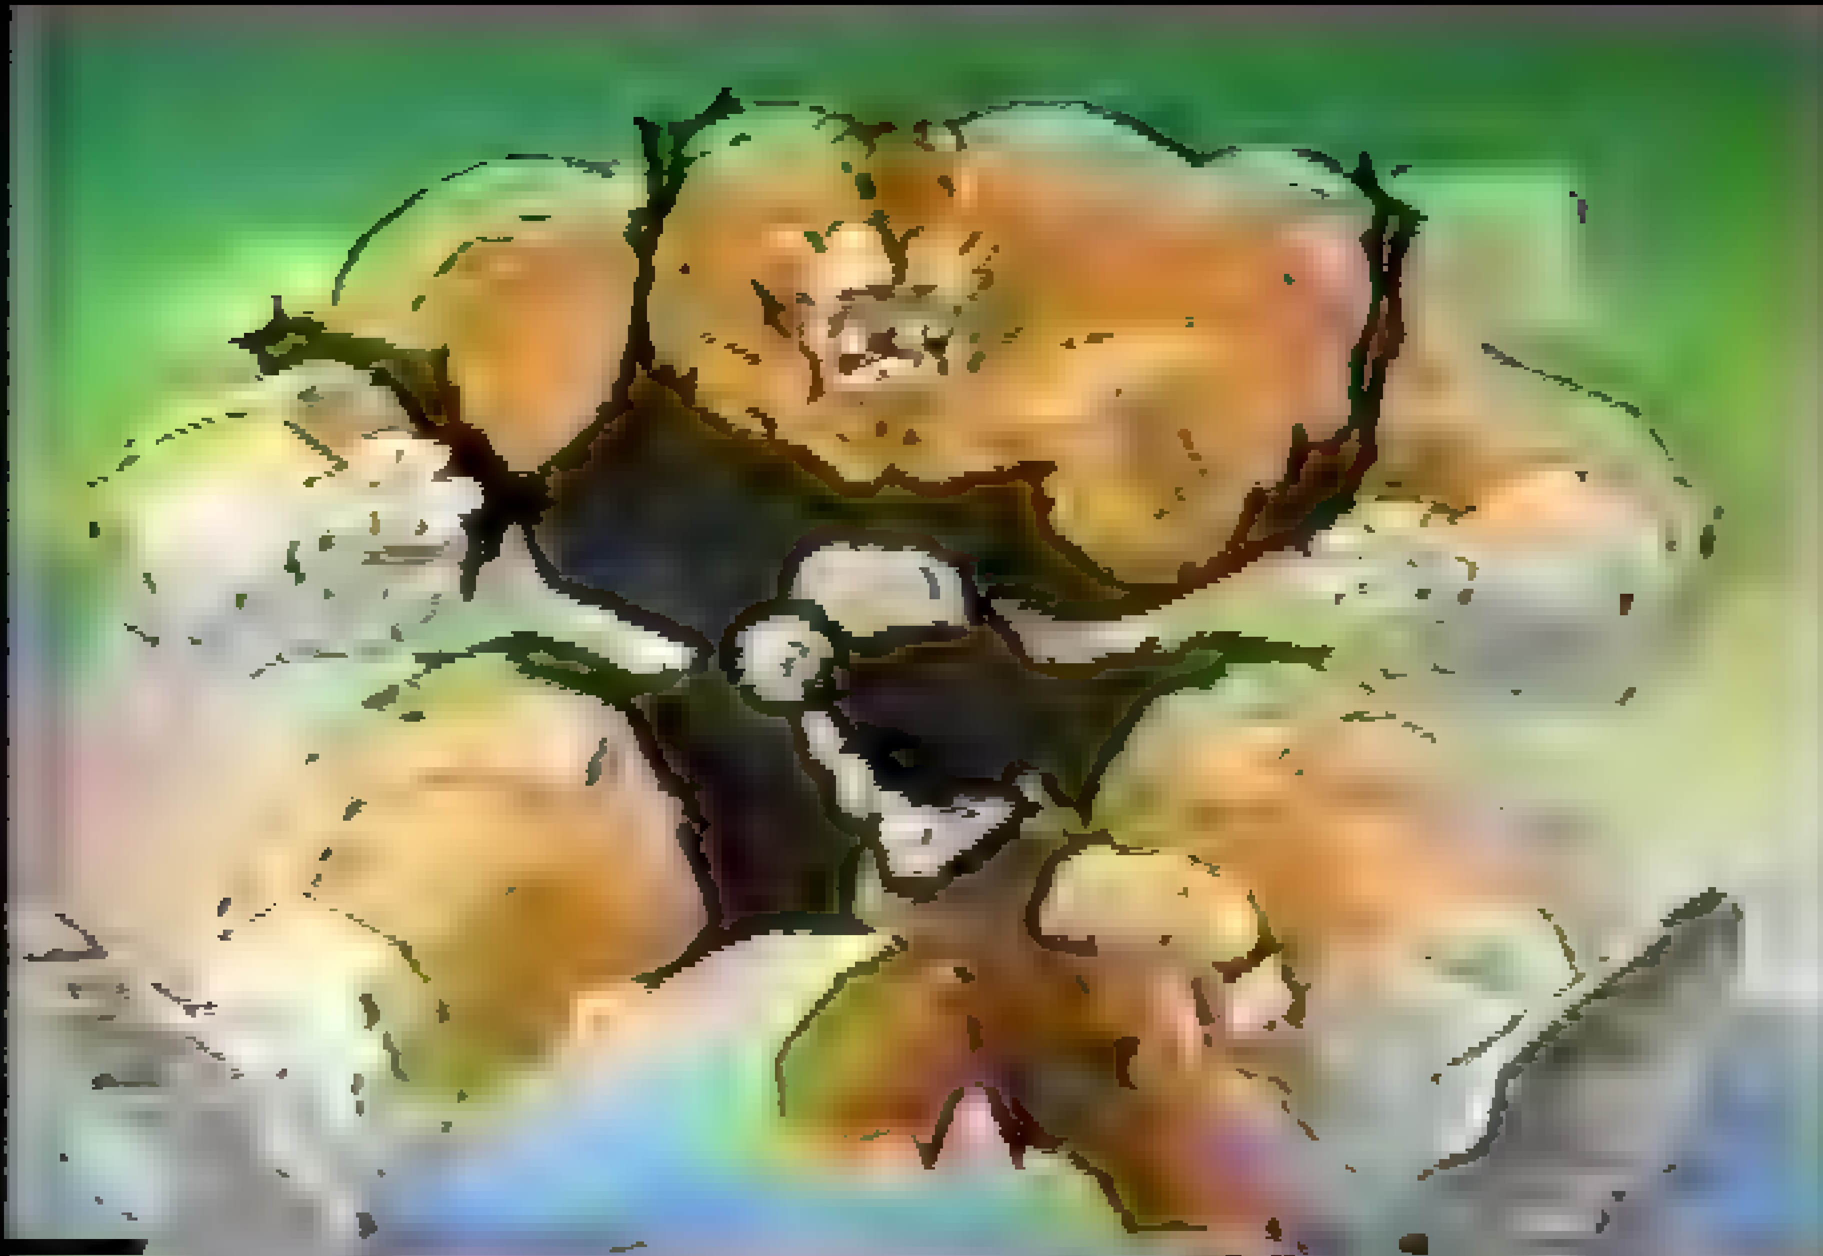

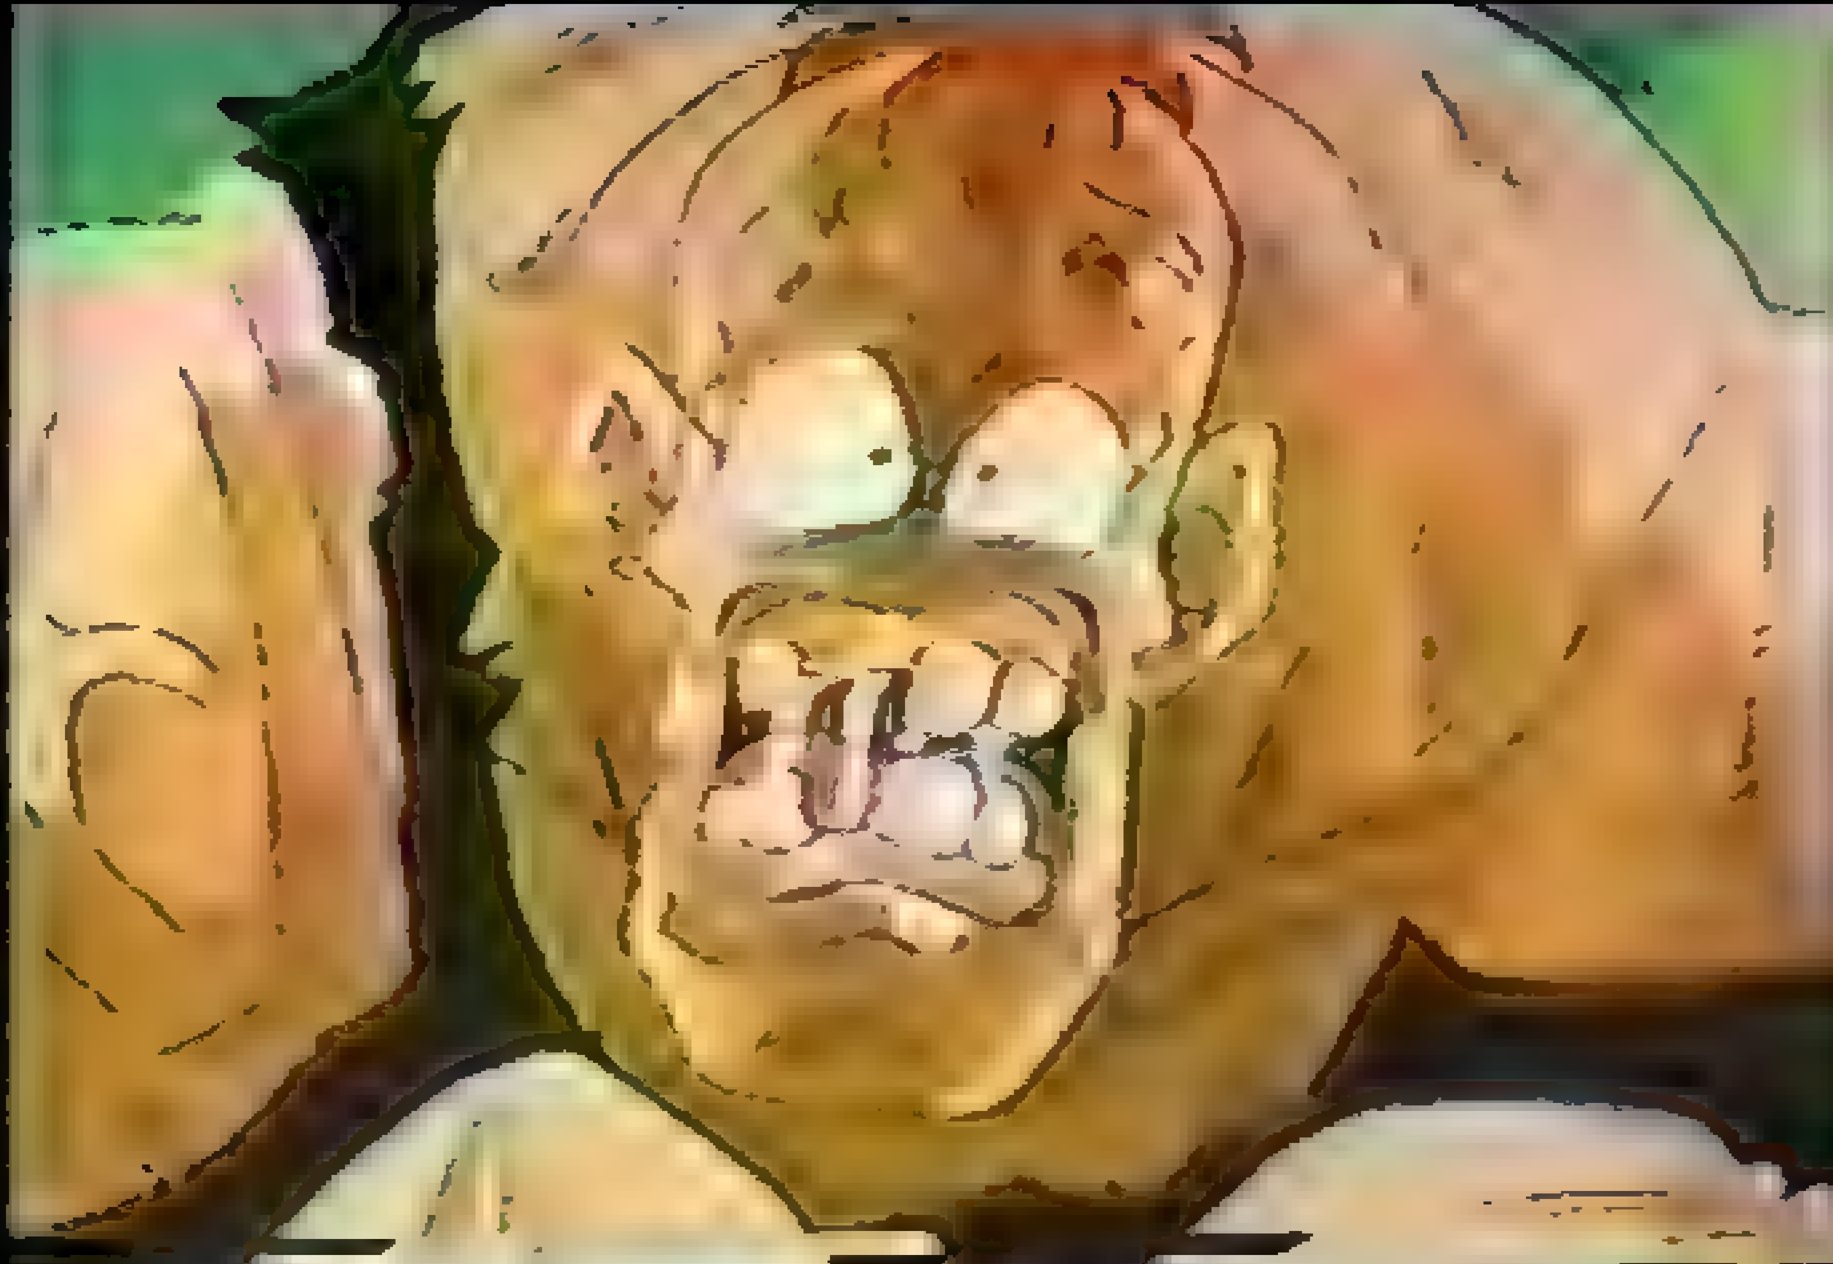

You were so wide open
I couldn't help myself.

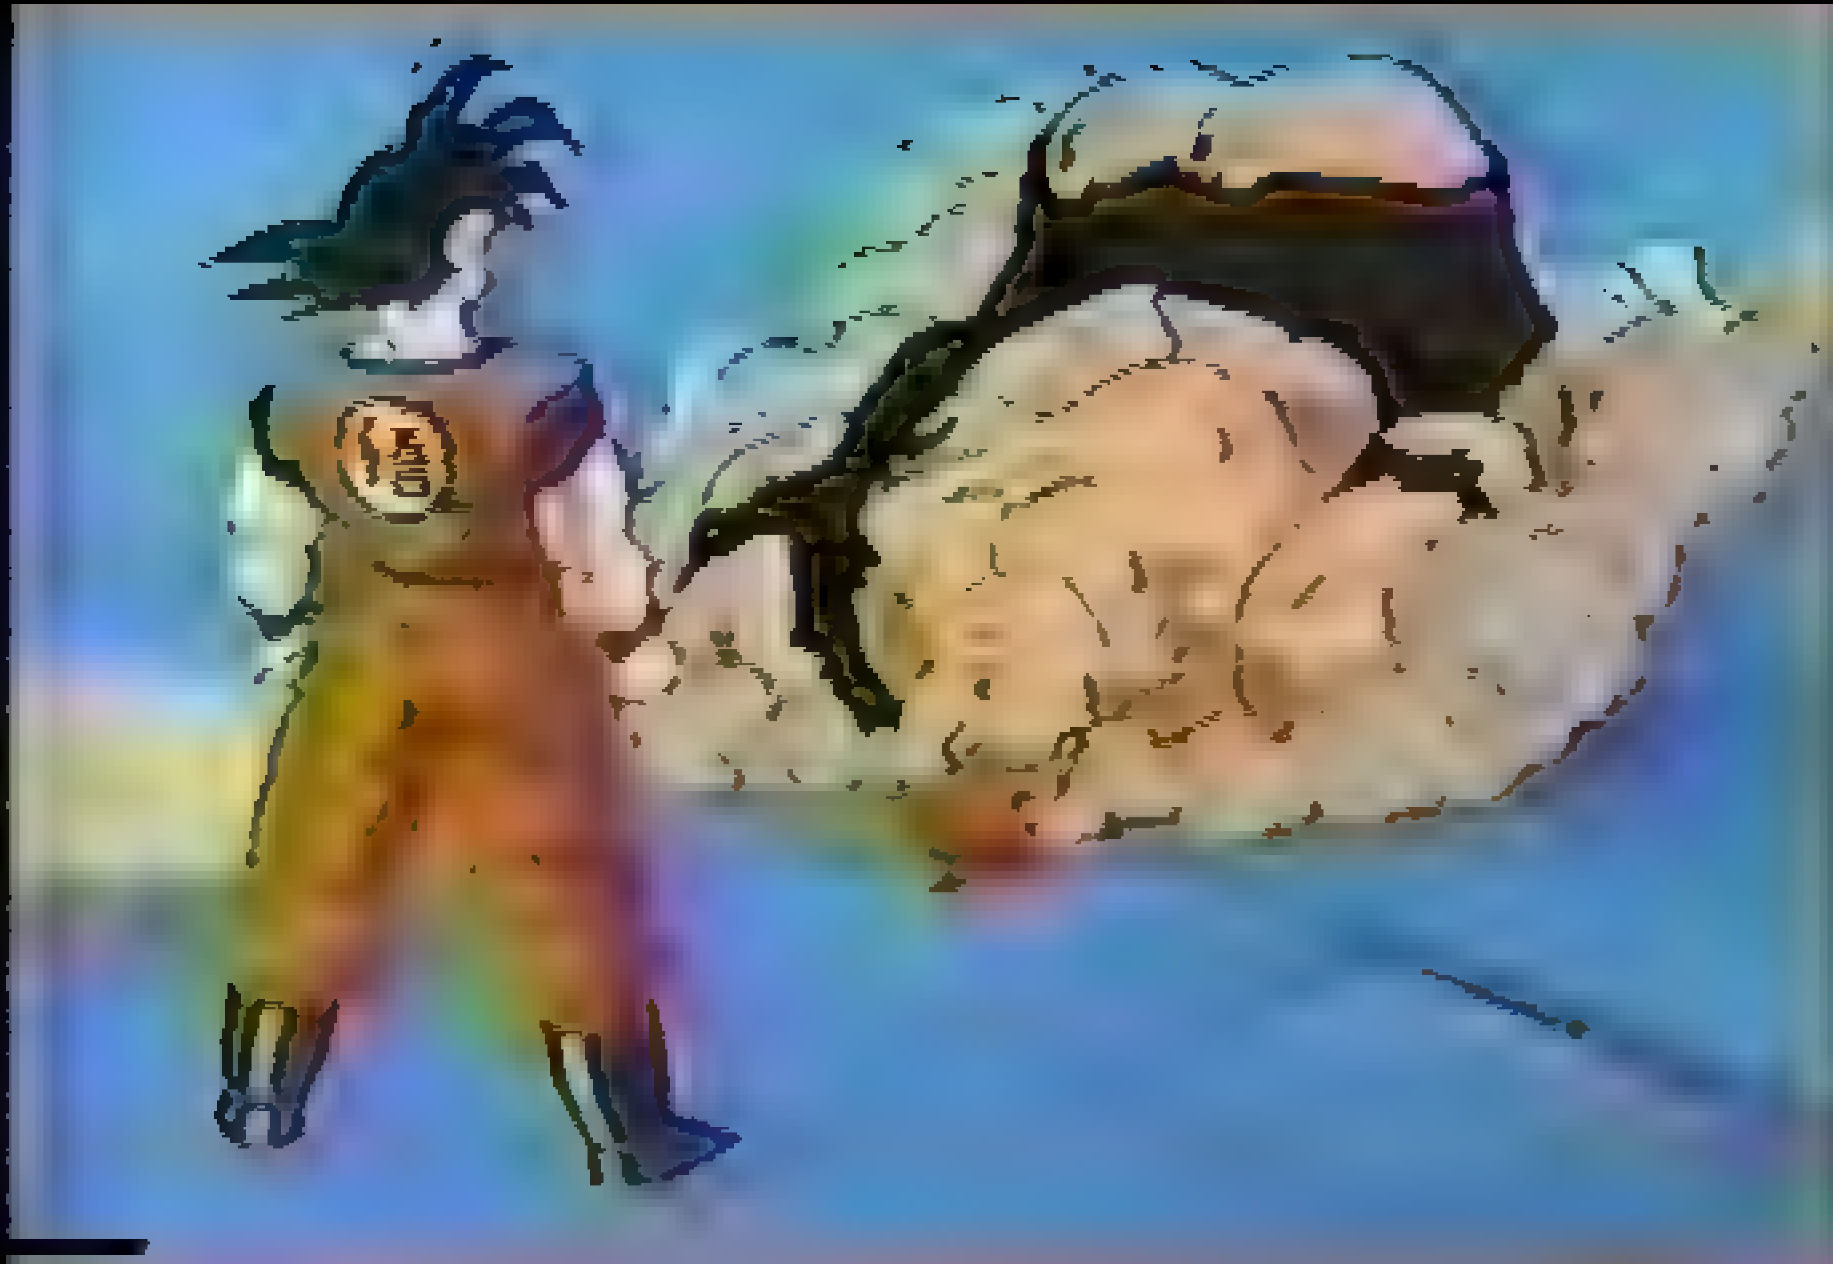

You were so wide open
I couldn't help myself.

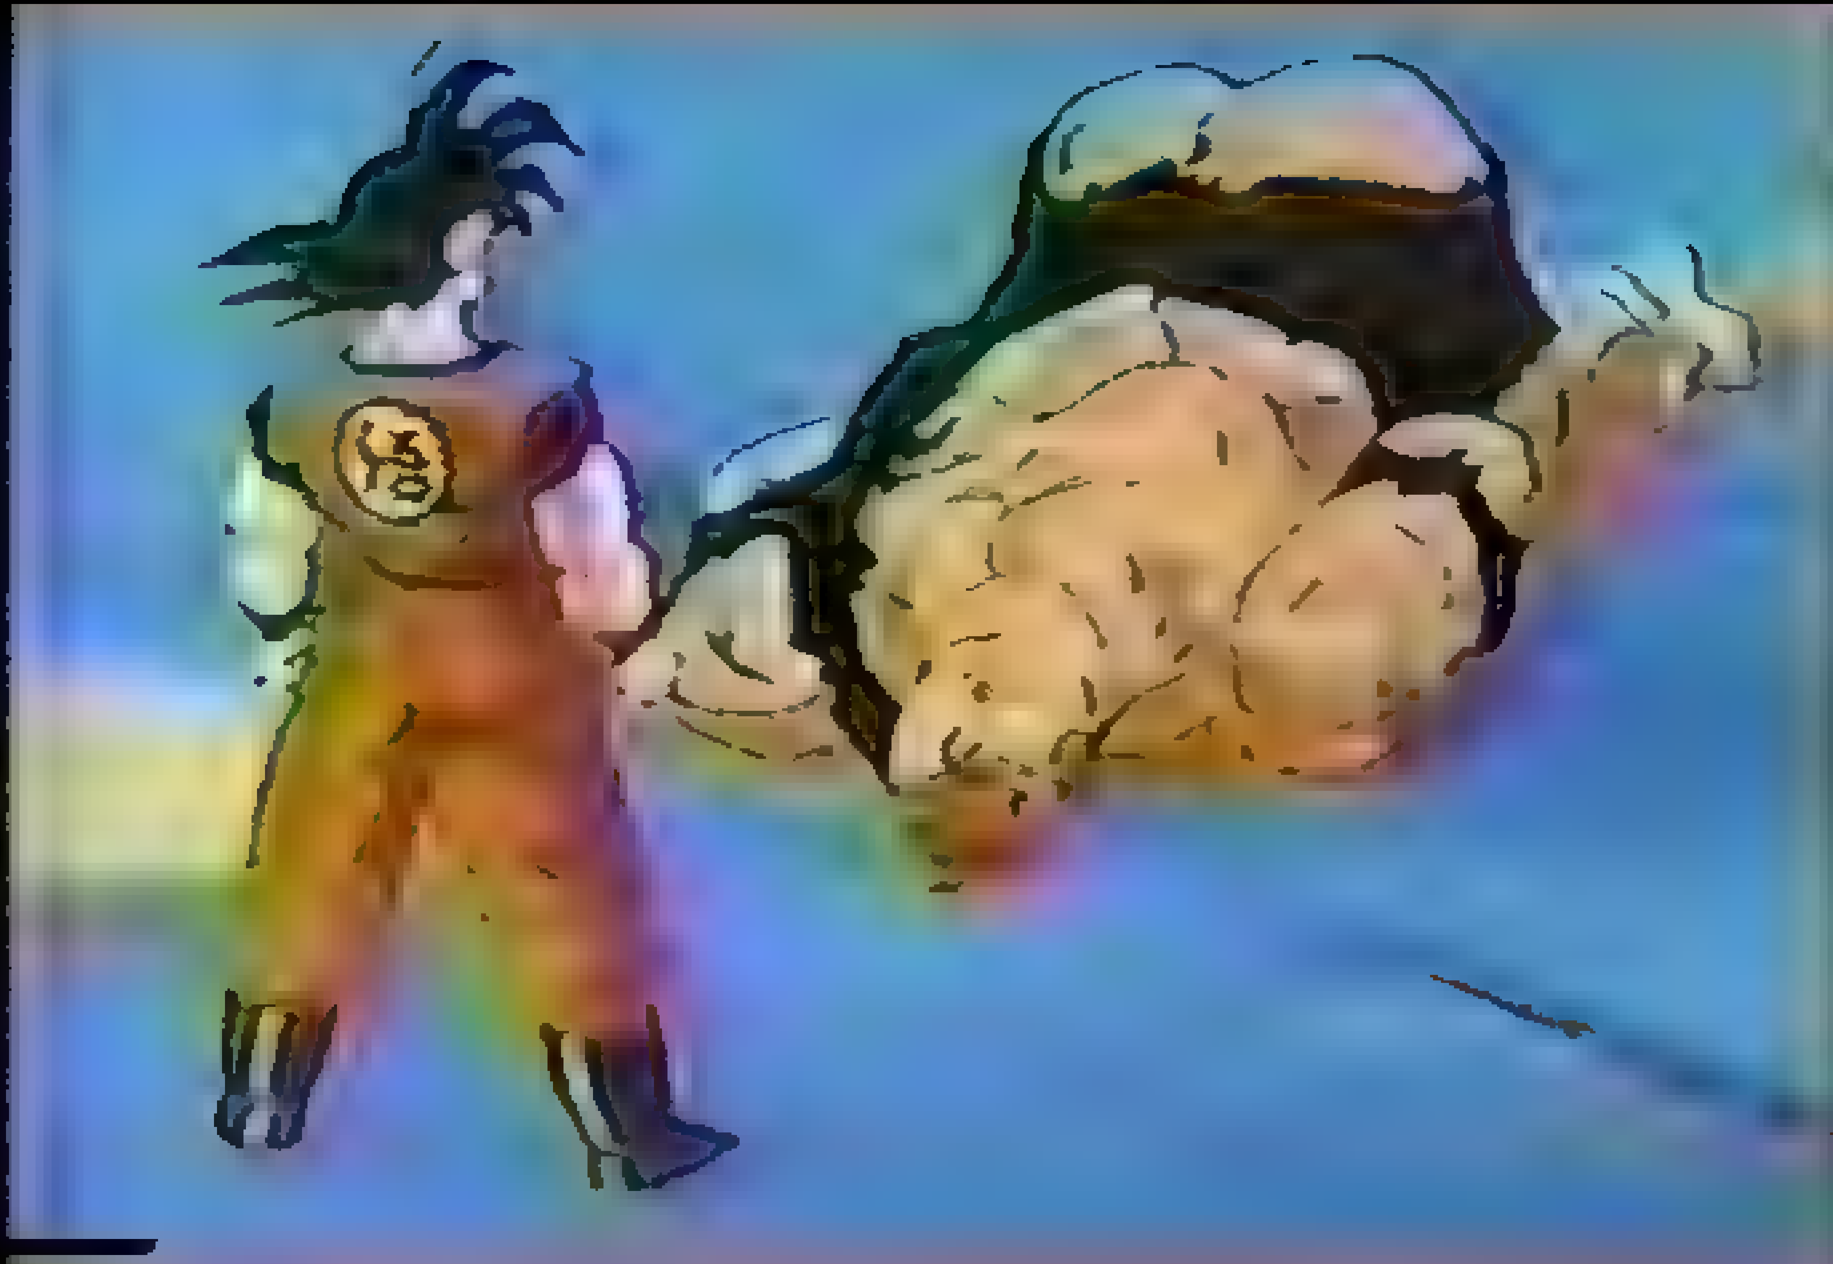

Sorry about that!

Why you..

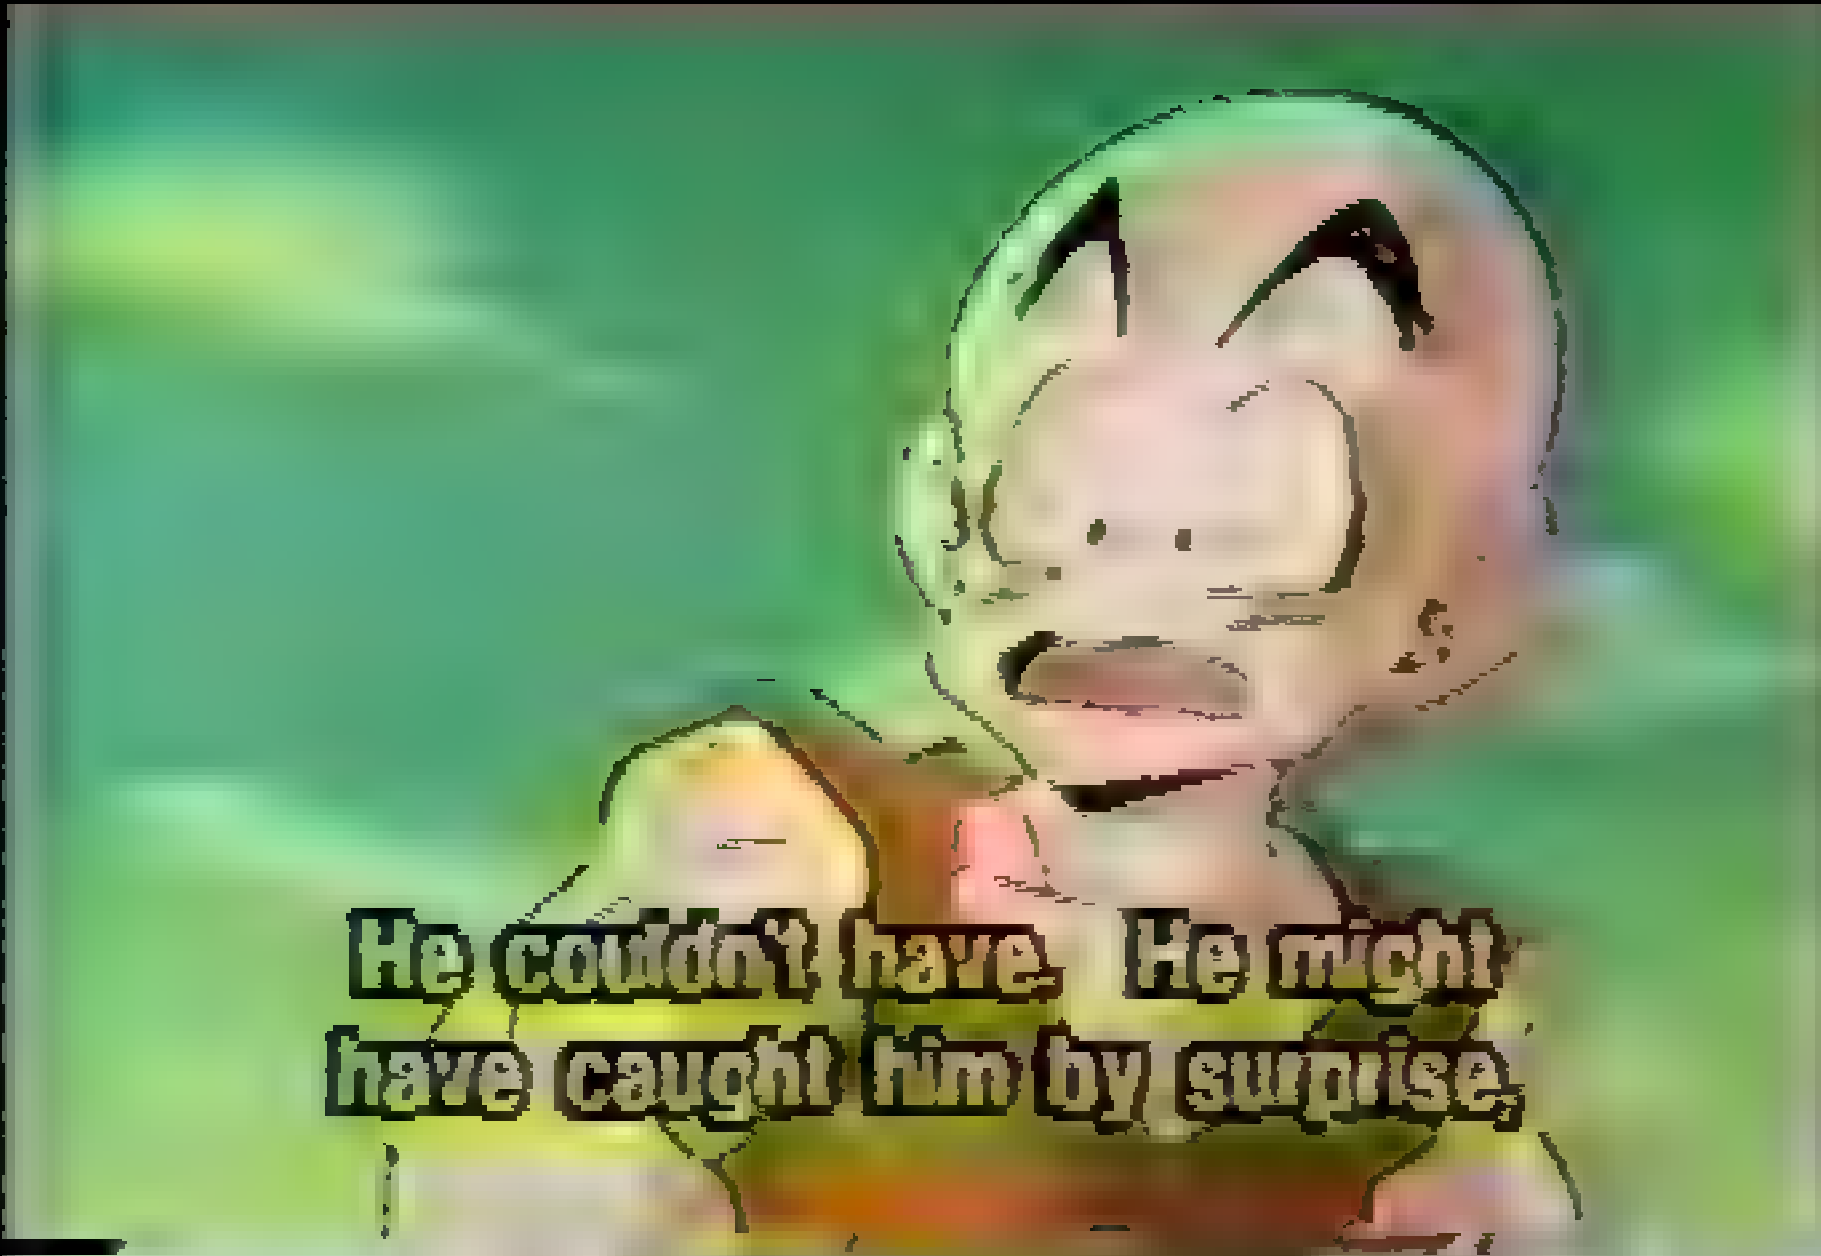

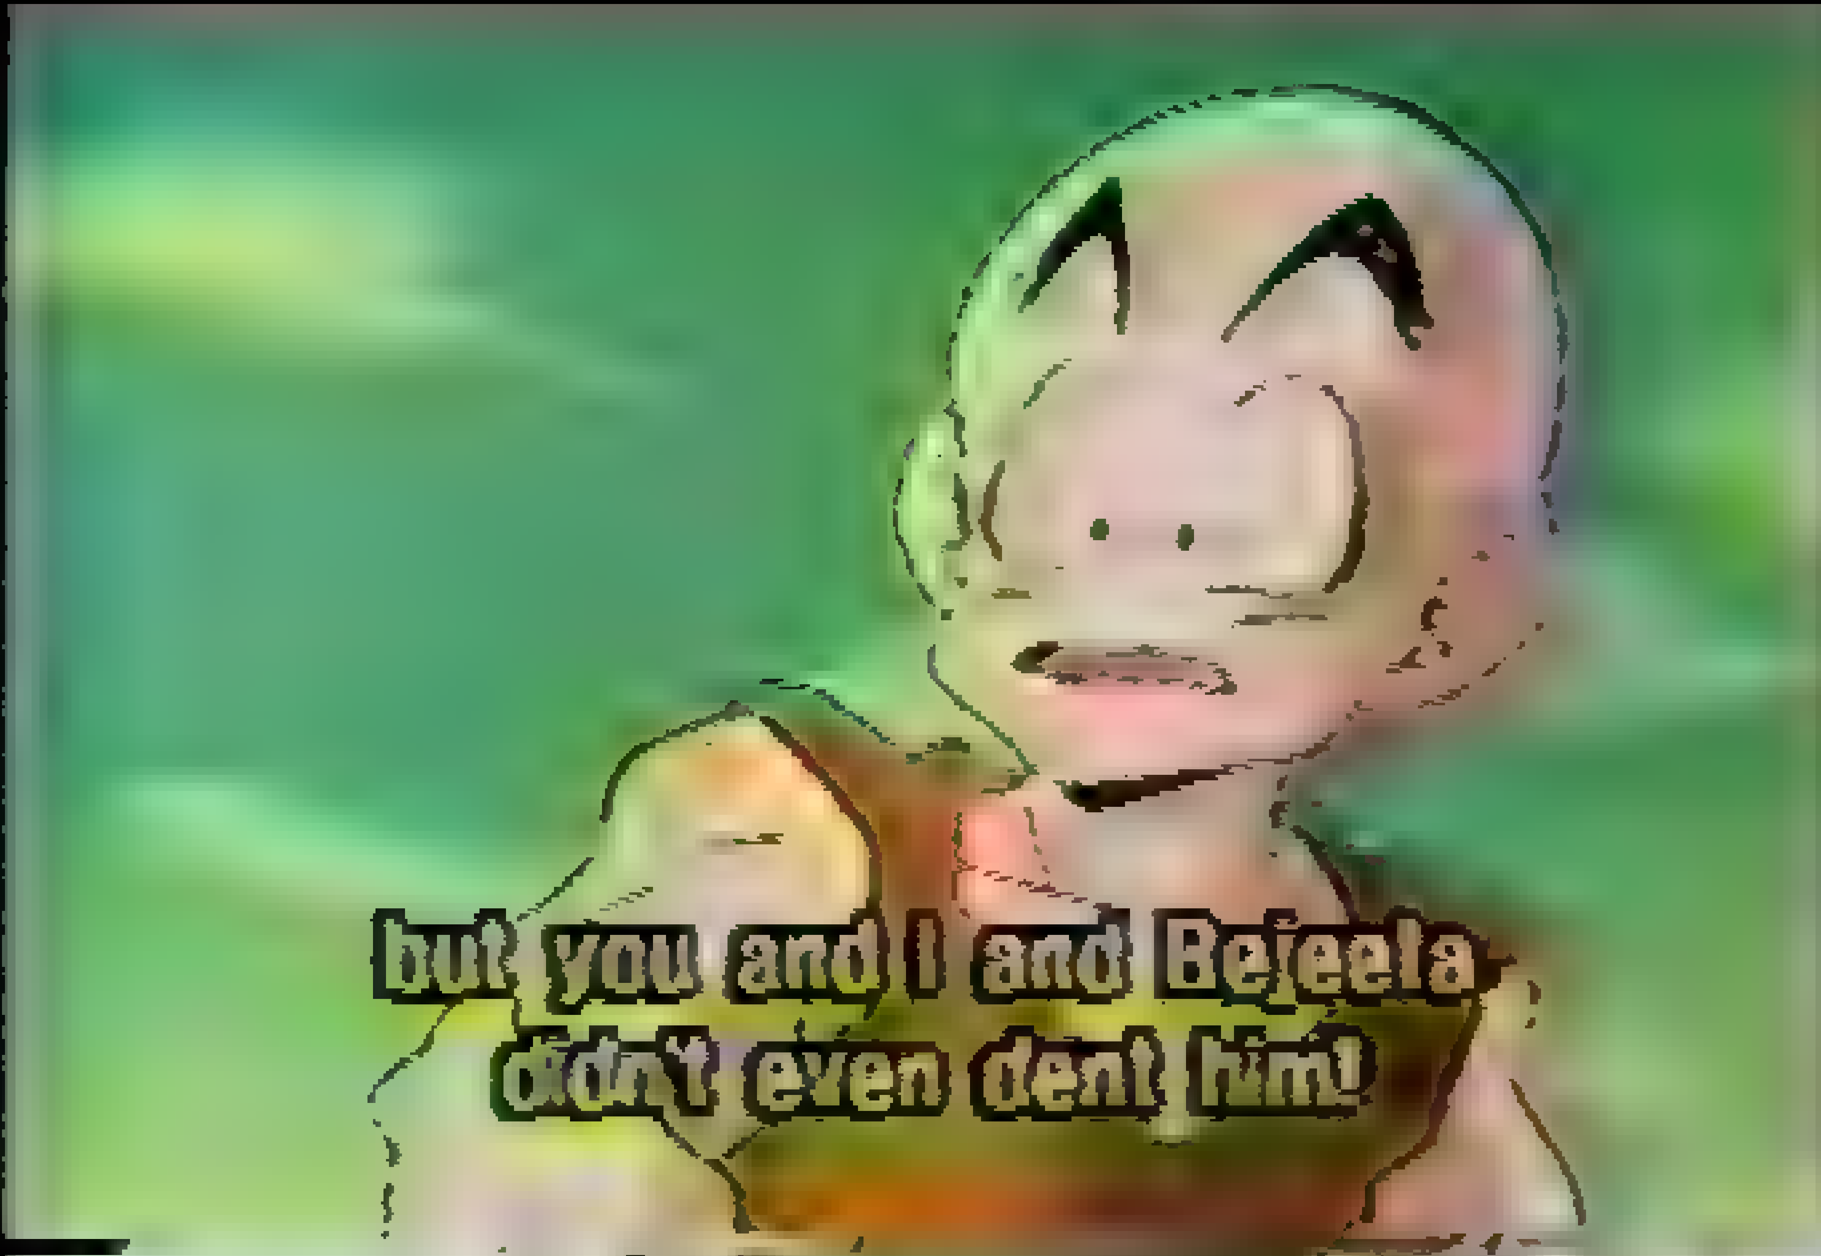

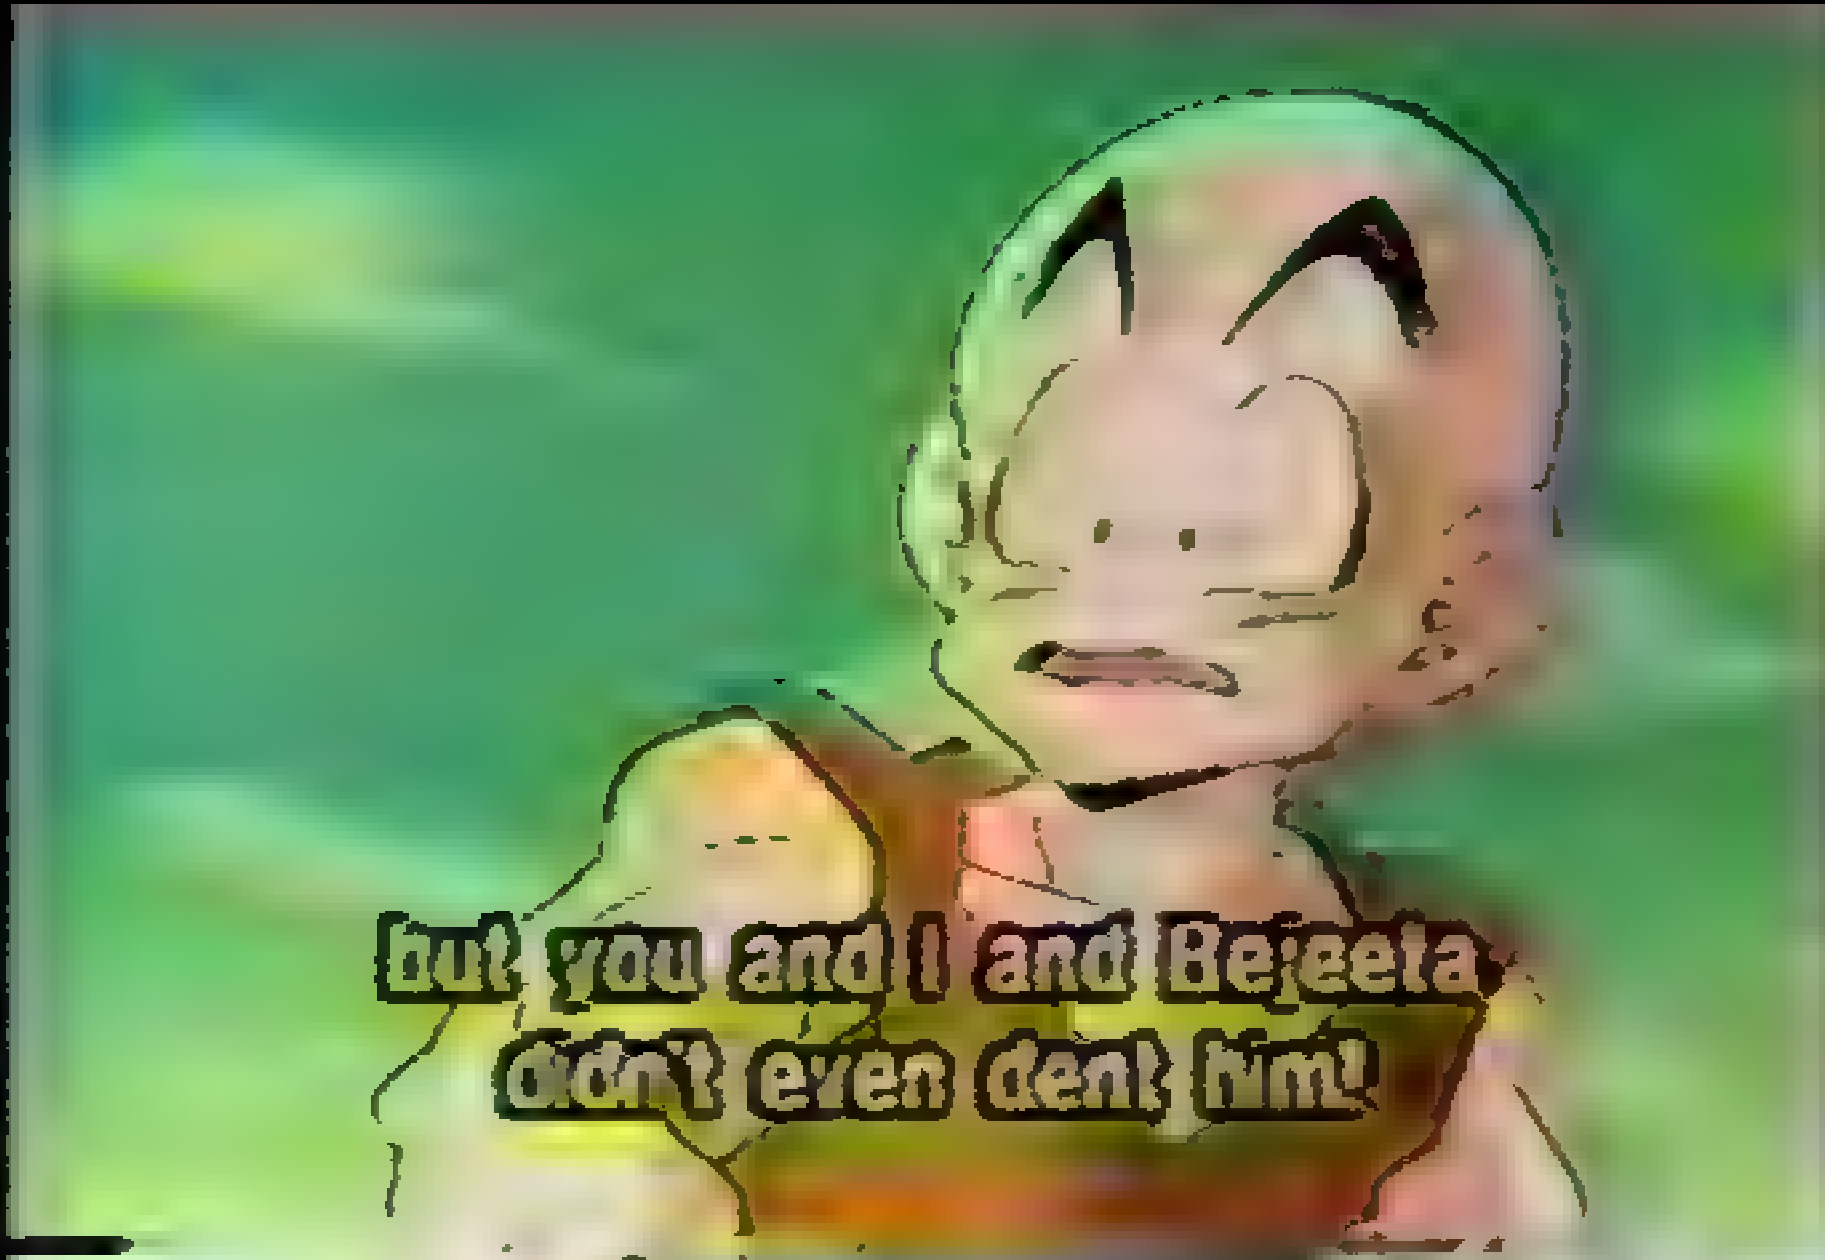

Did Dad get him_?

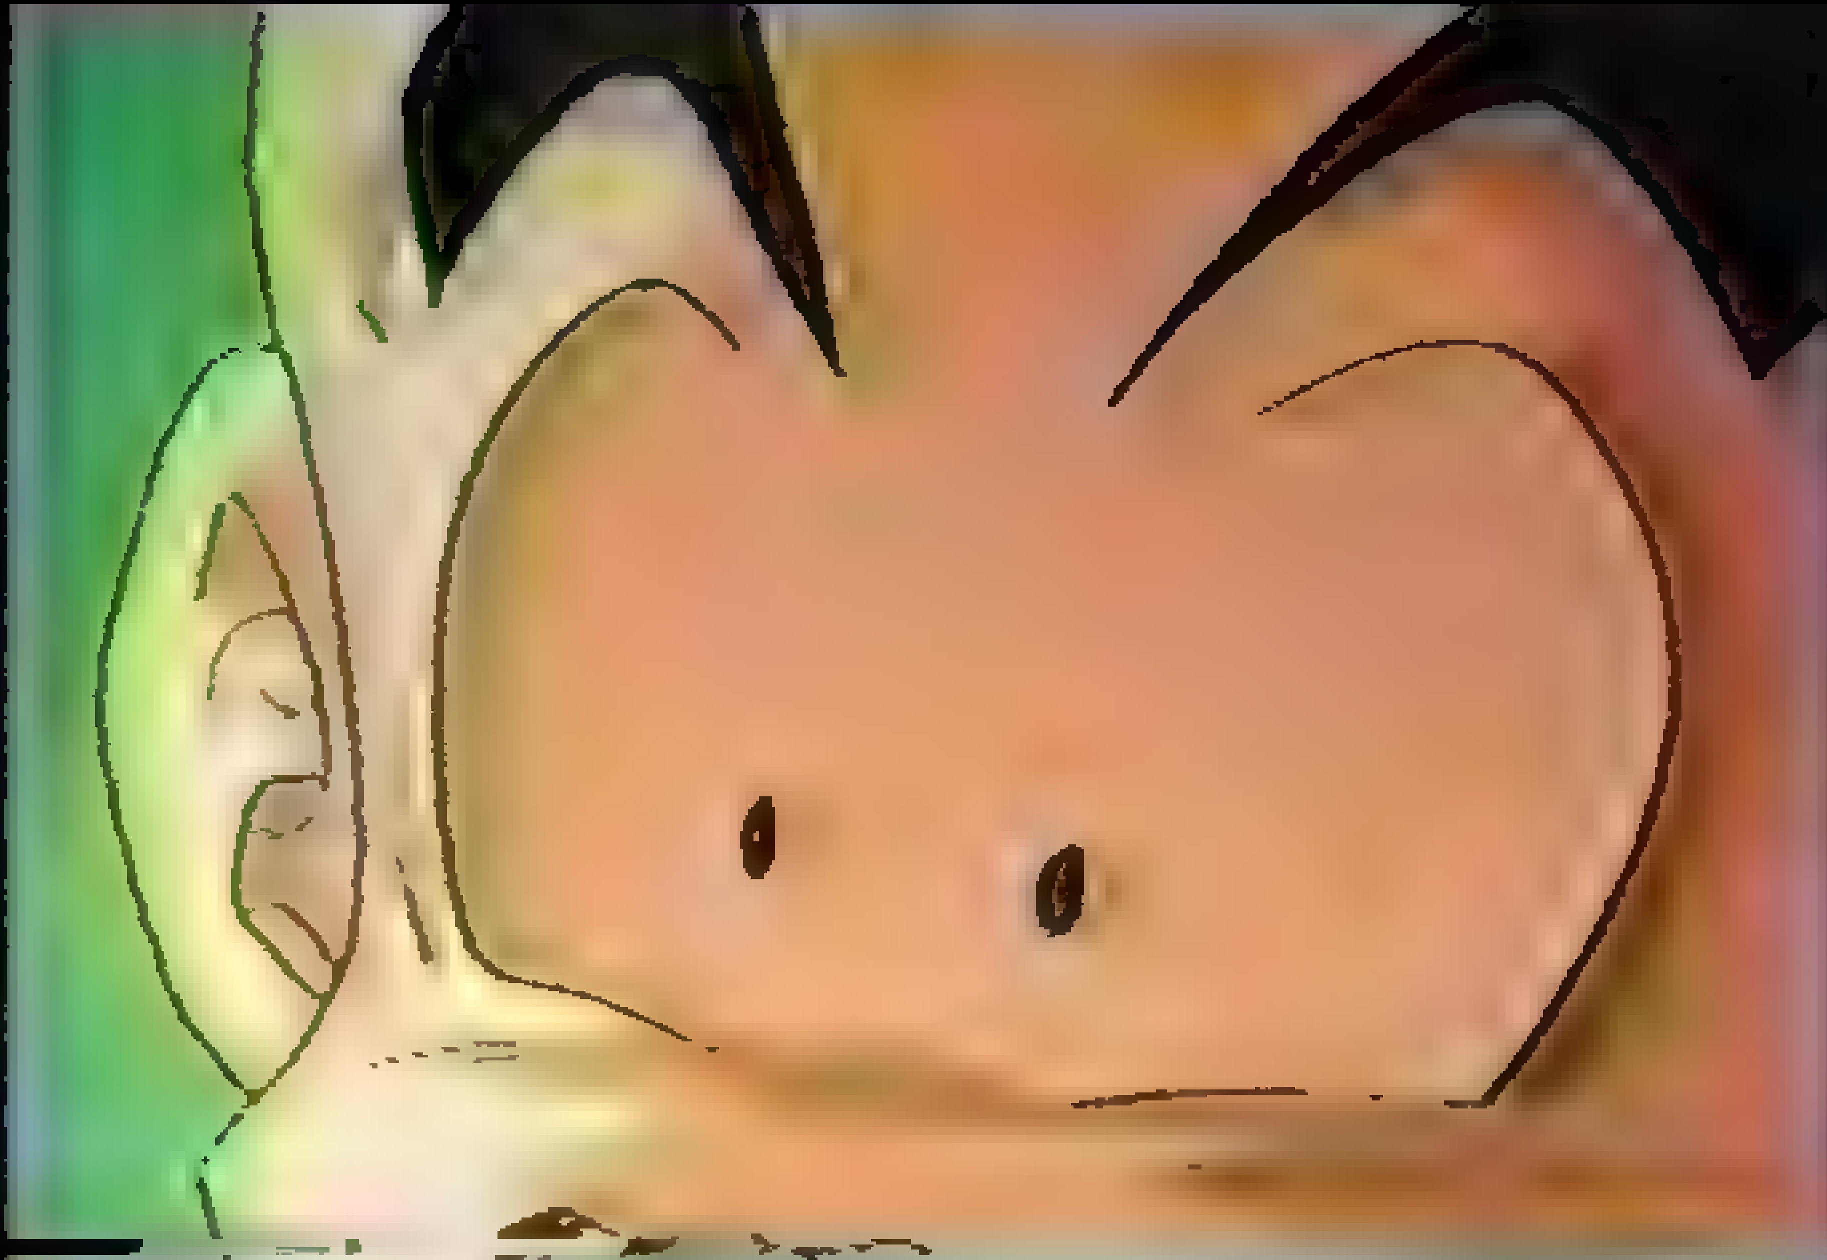

He couldn't have. He might
have caught him by surprise.

but you and I and Bejeela
didn't even dent him!

but you and I and Bejeeta
didn't even dent him!

but you and I and Bejeeta
didn't even dent him!

All it took was one hit...?

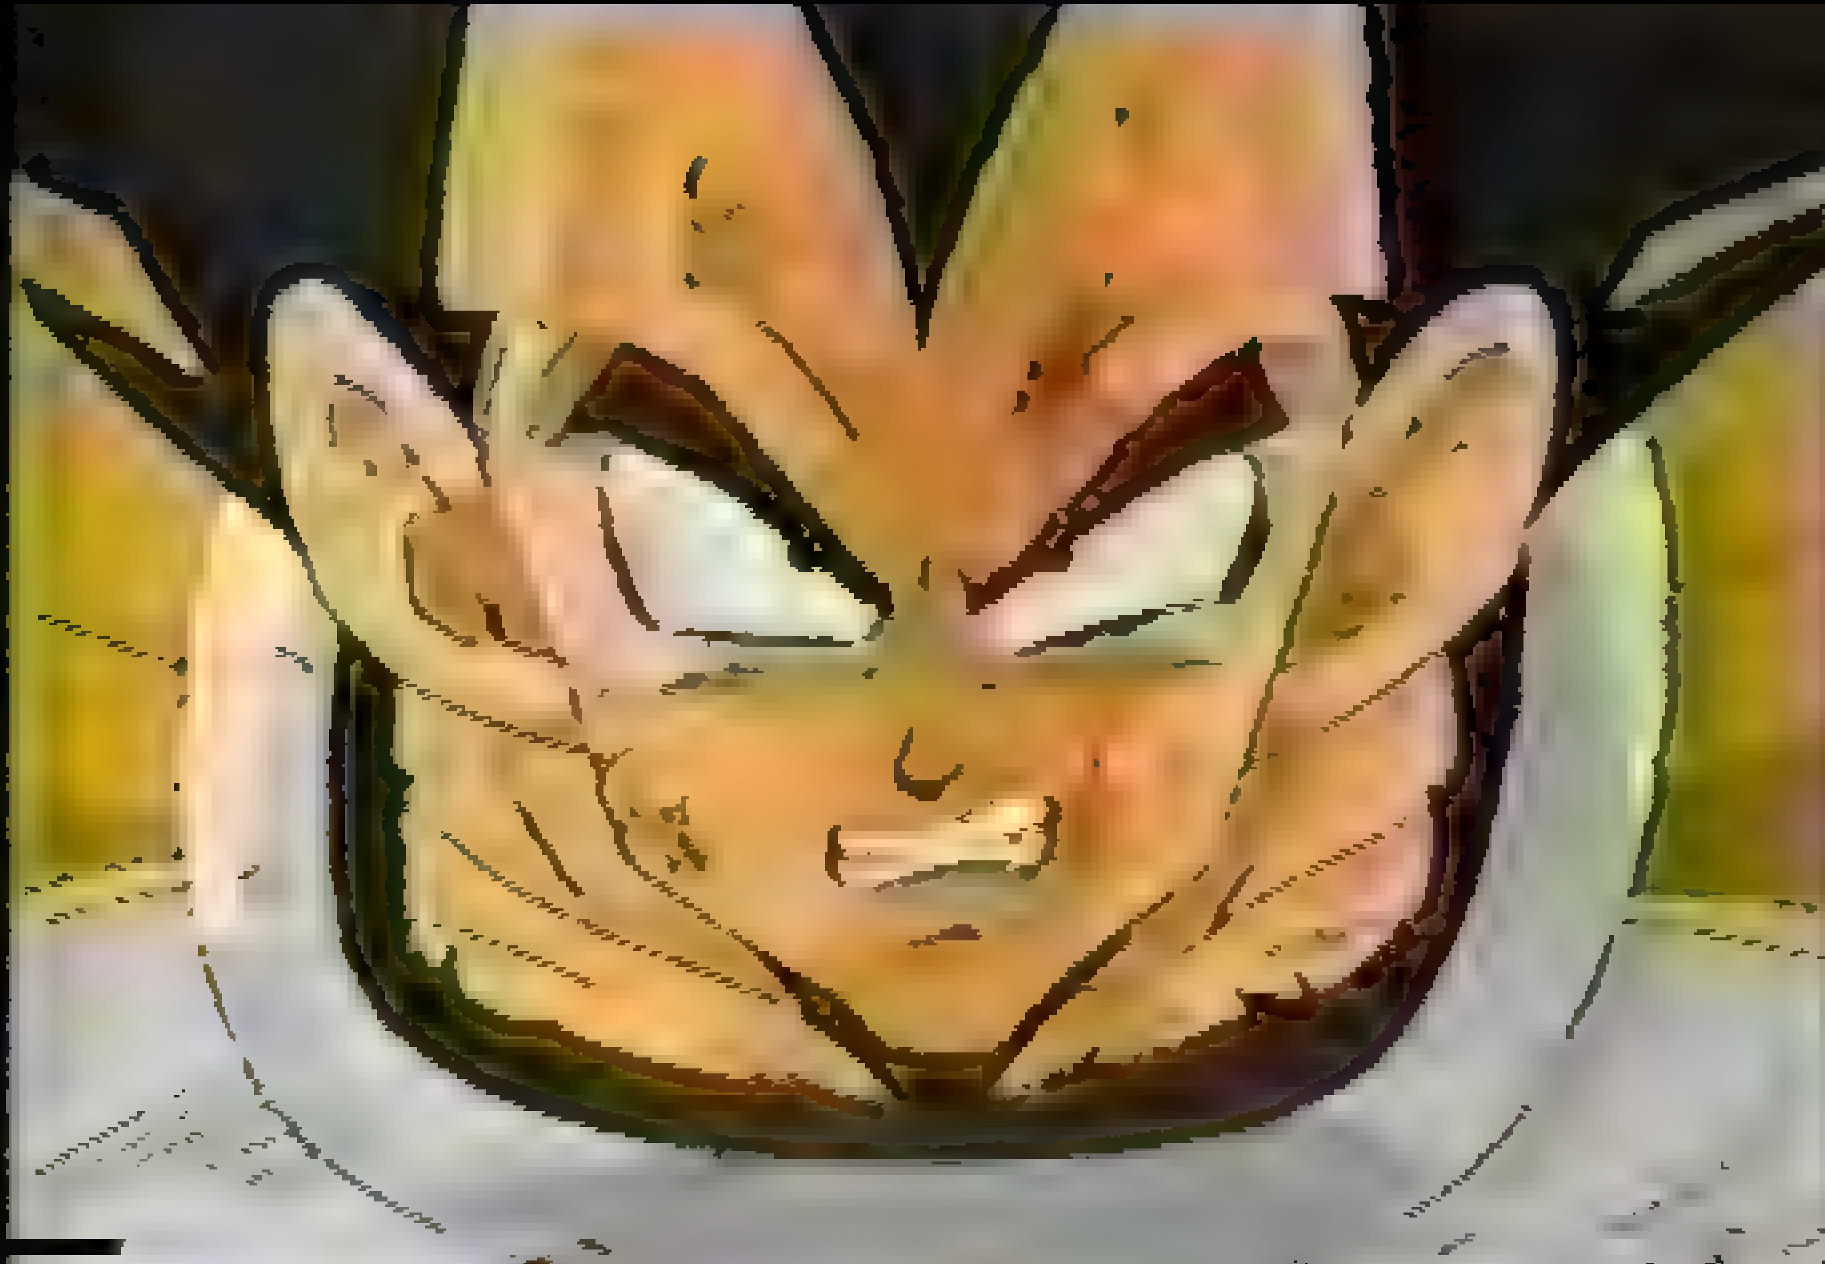

What's going on?
Did Rikoom...?

What's going on?
Did Rikoom...?

He wasn't succosed to
be able to do that.

He wasn't supposed to
be able to do that.

That was no ordinary hit!

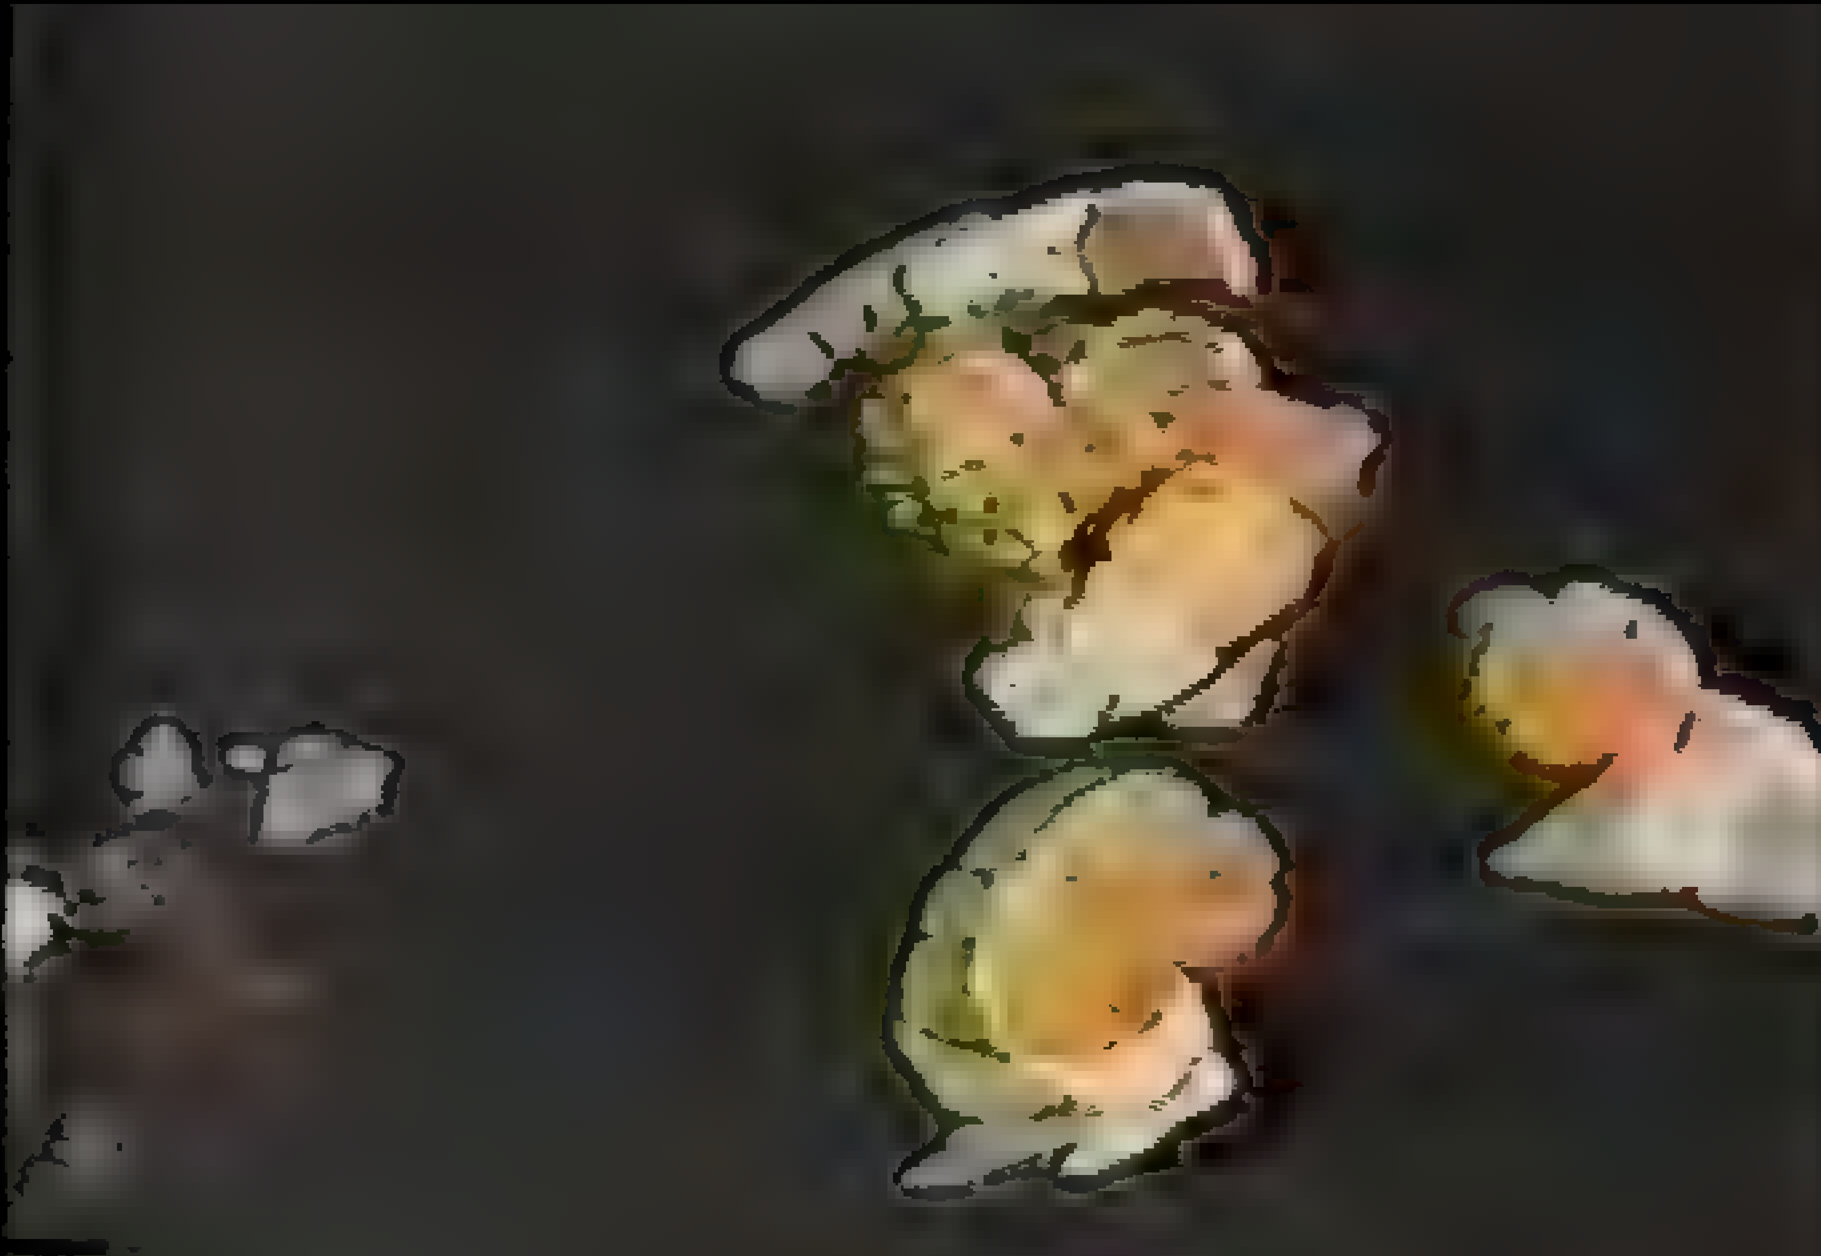

That was no ordinary hit!

That was no ordinary hit!

You can't fool me!

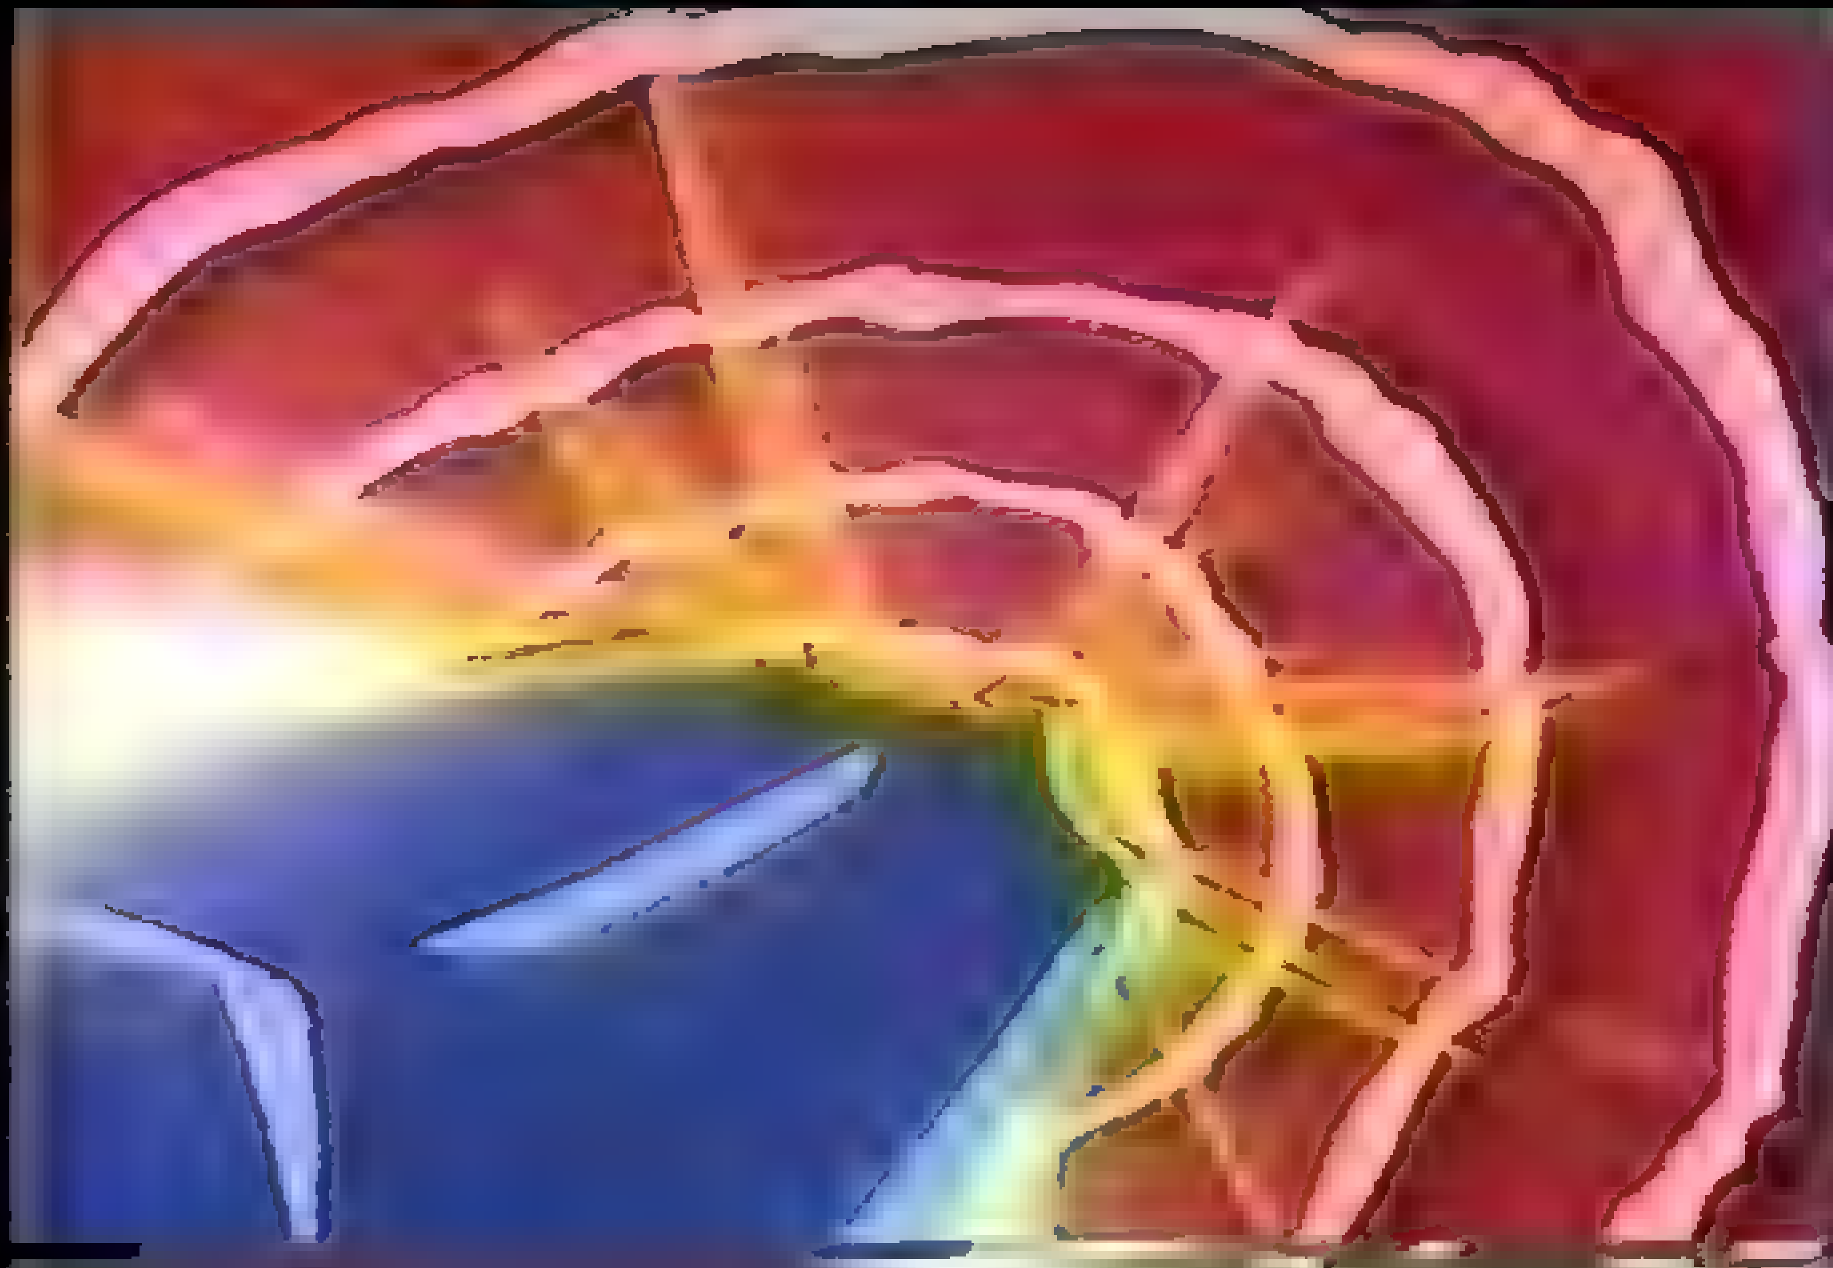

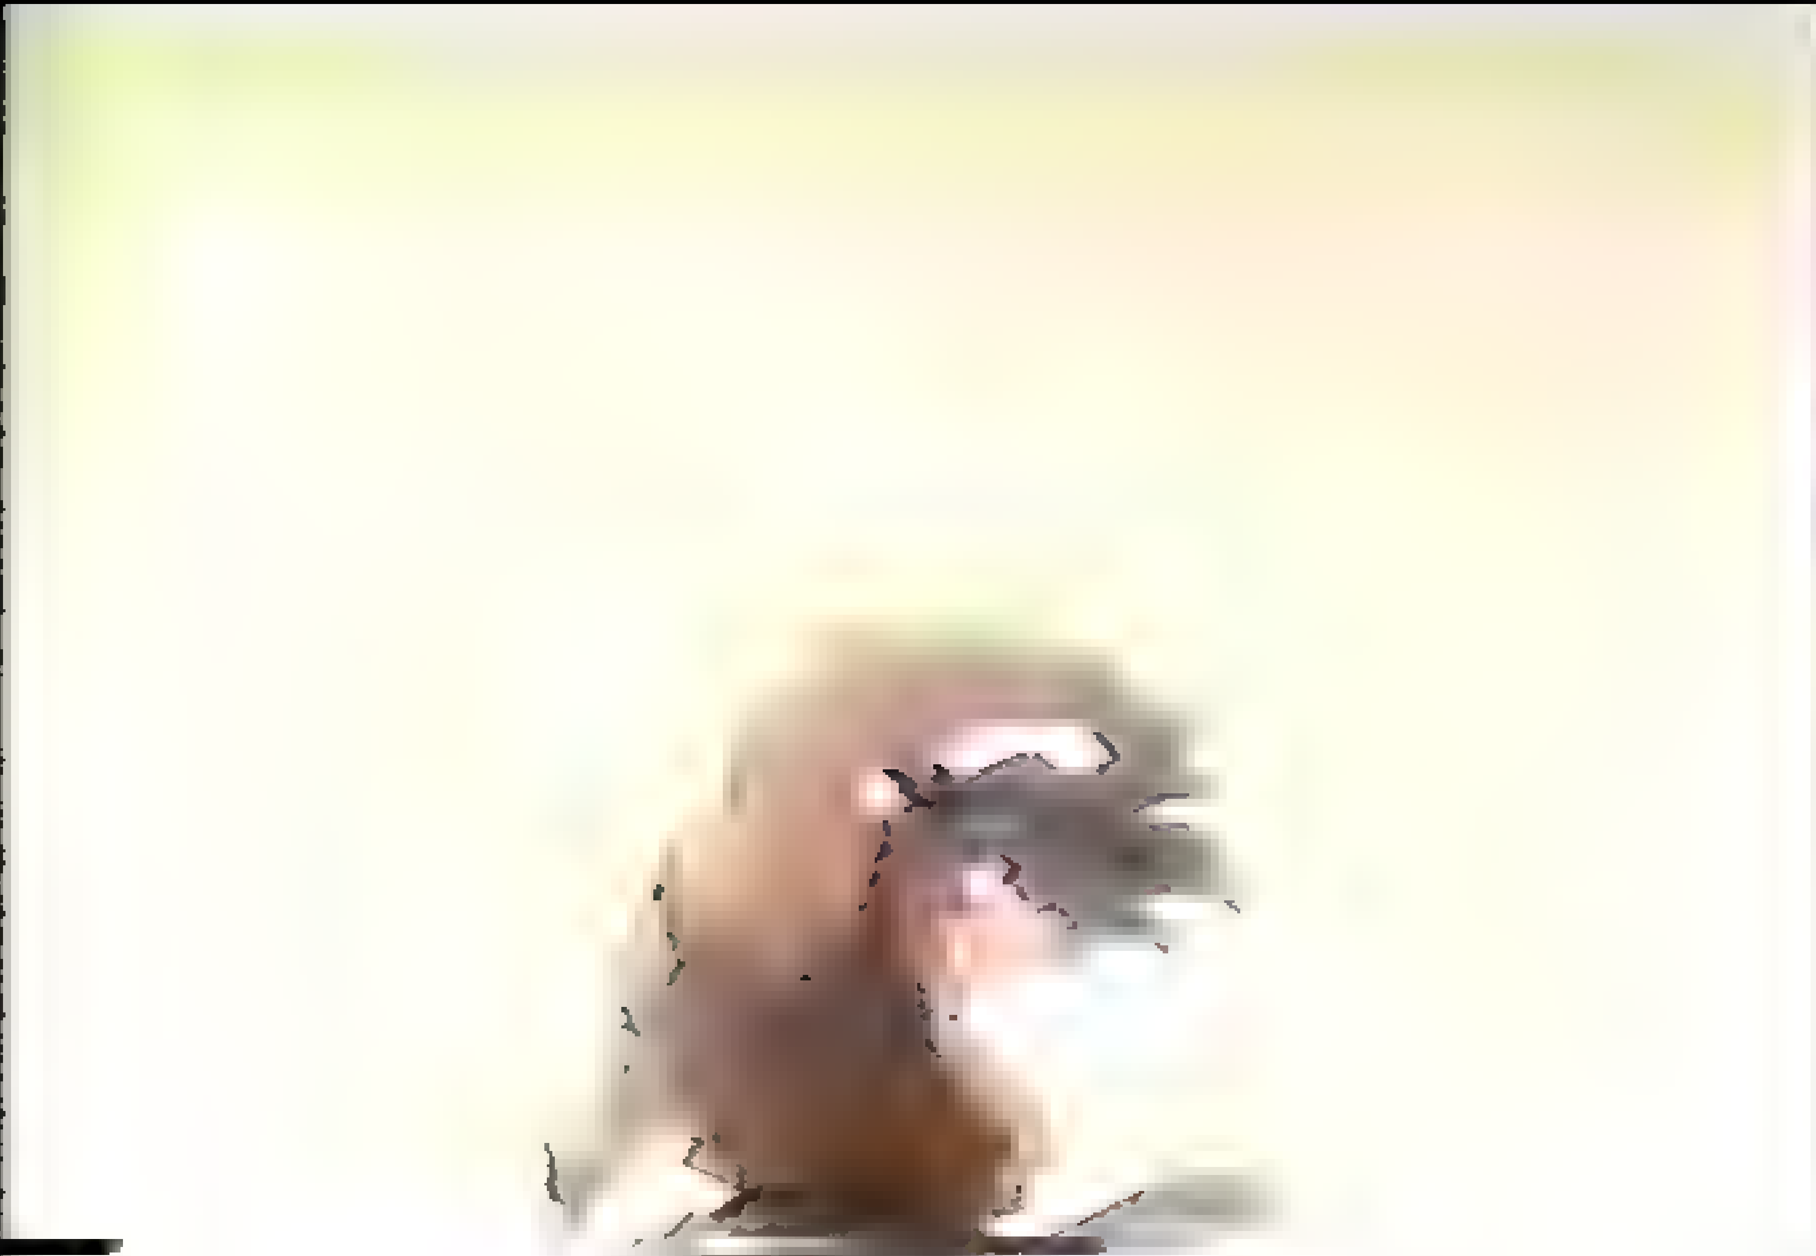

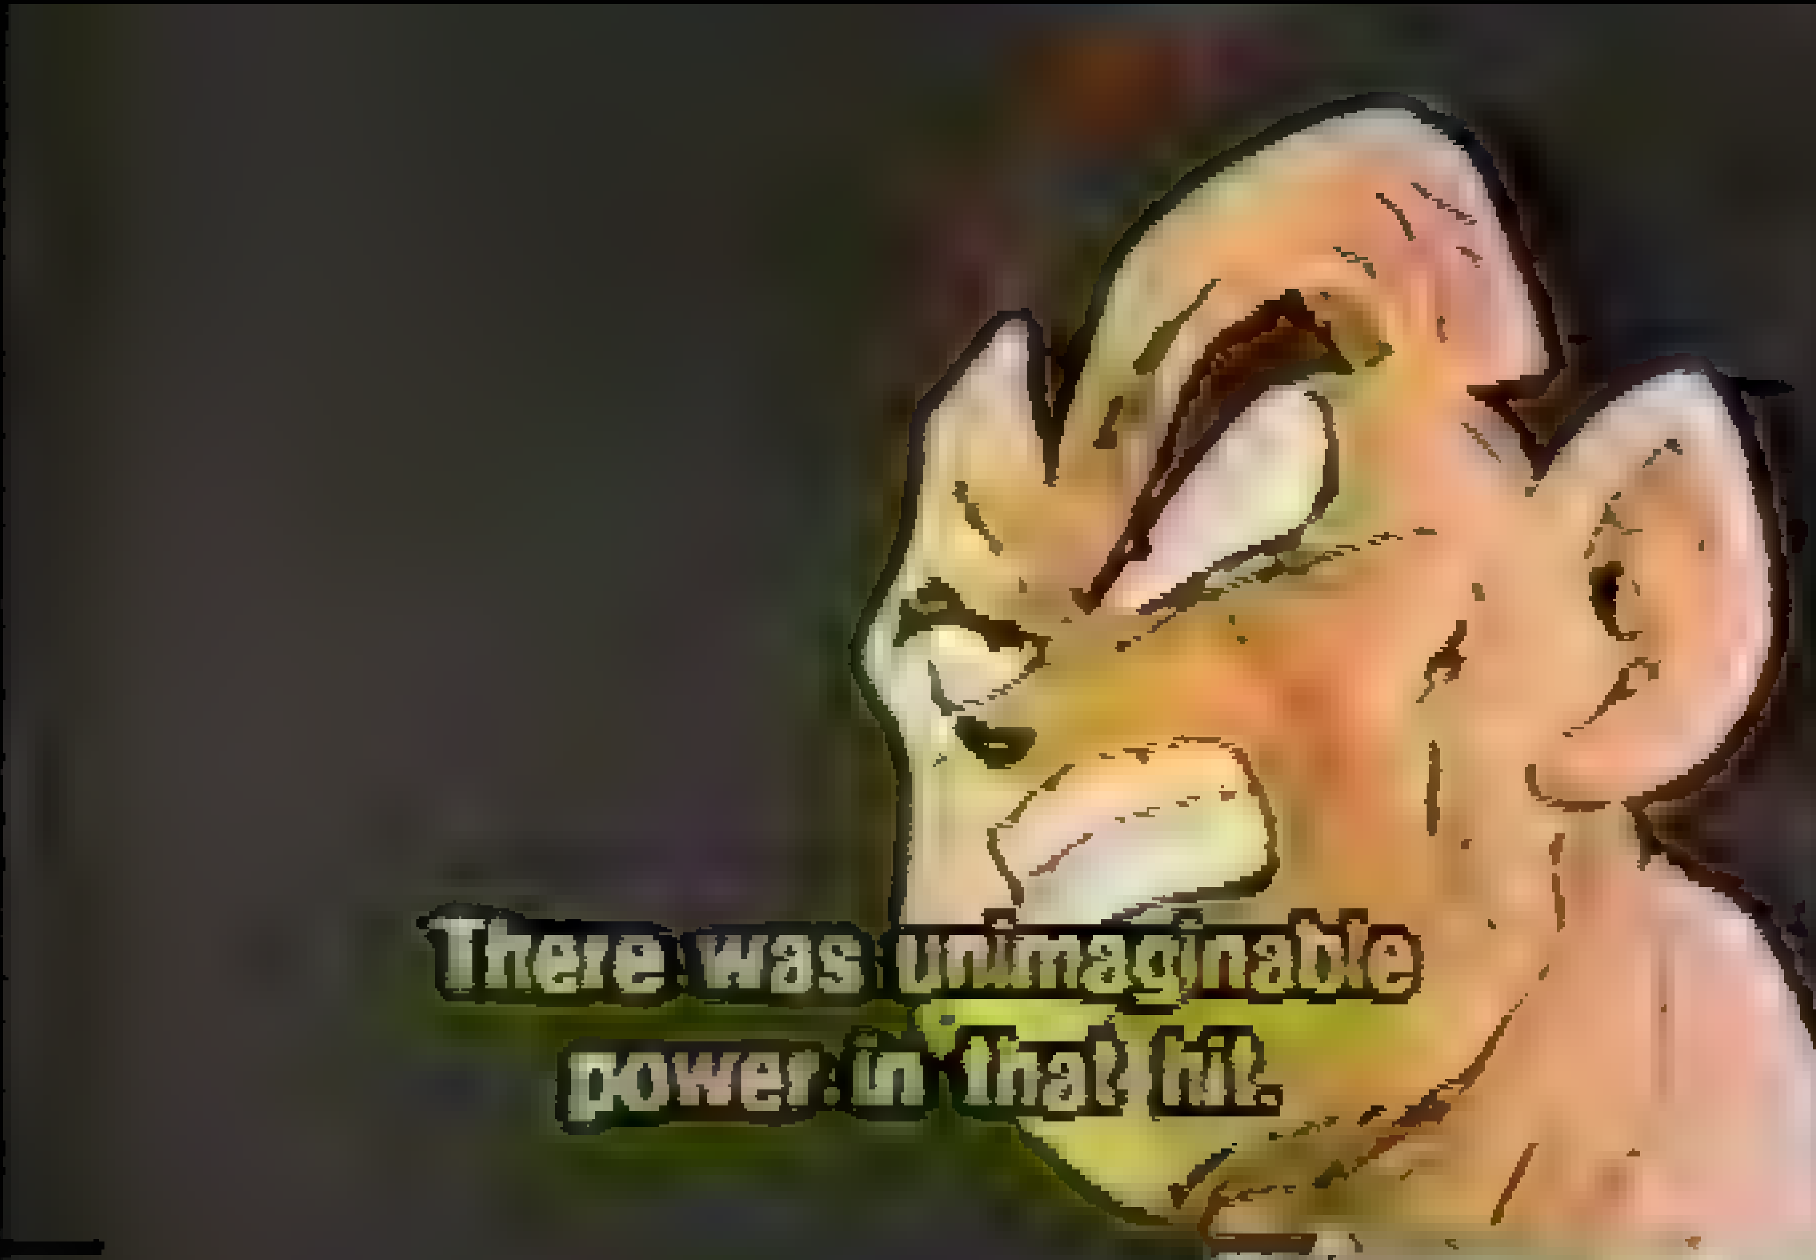

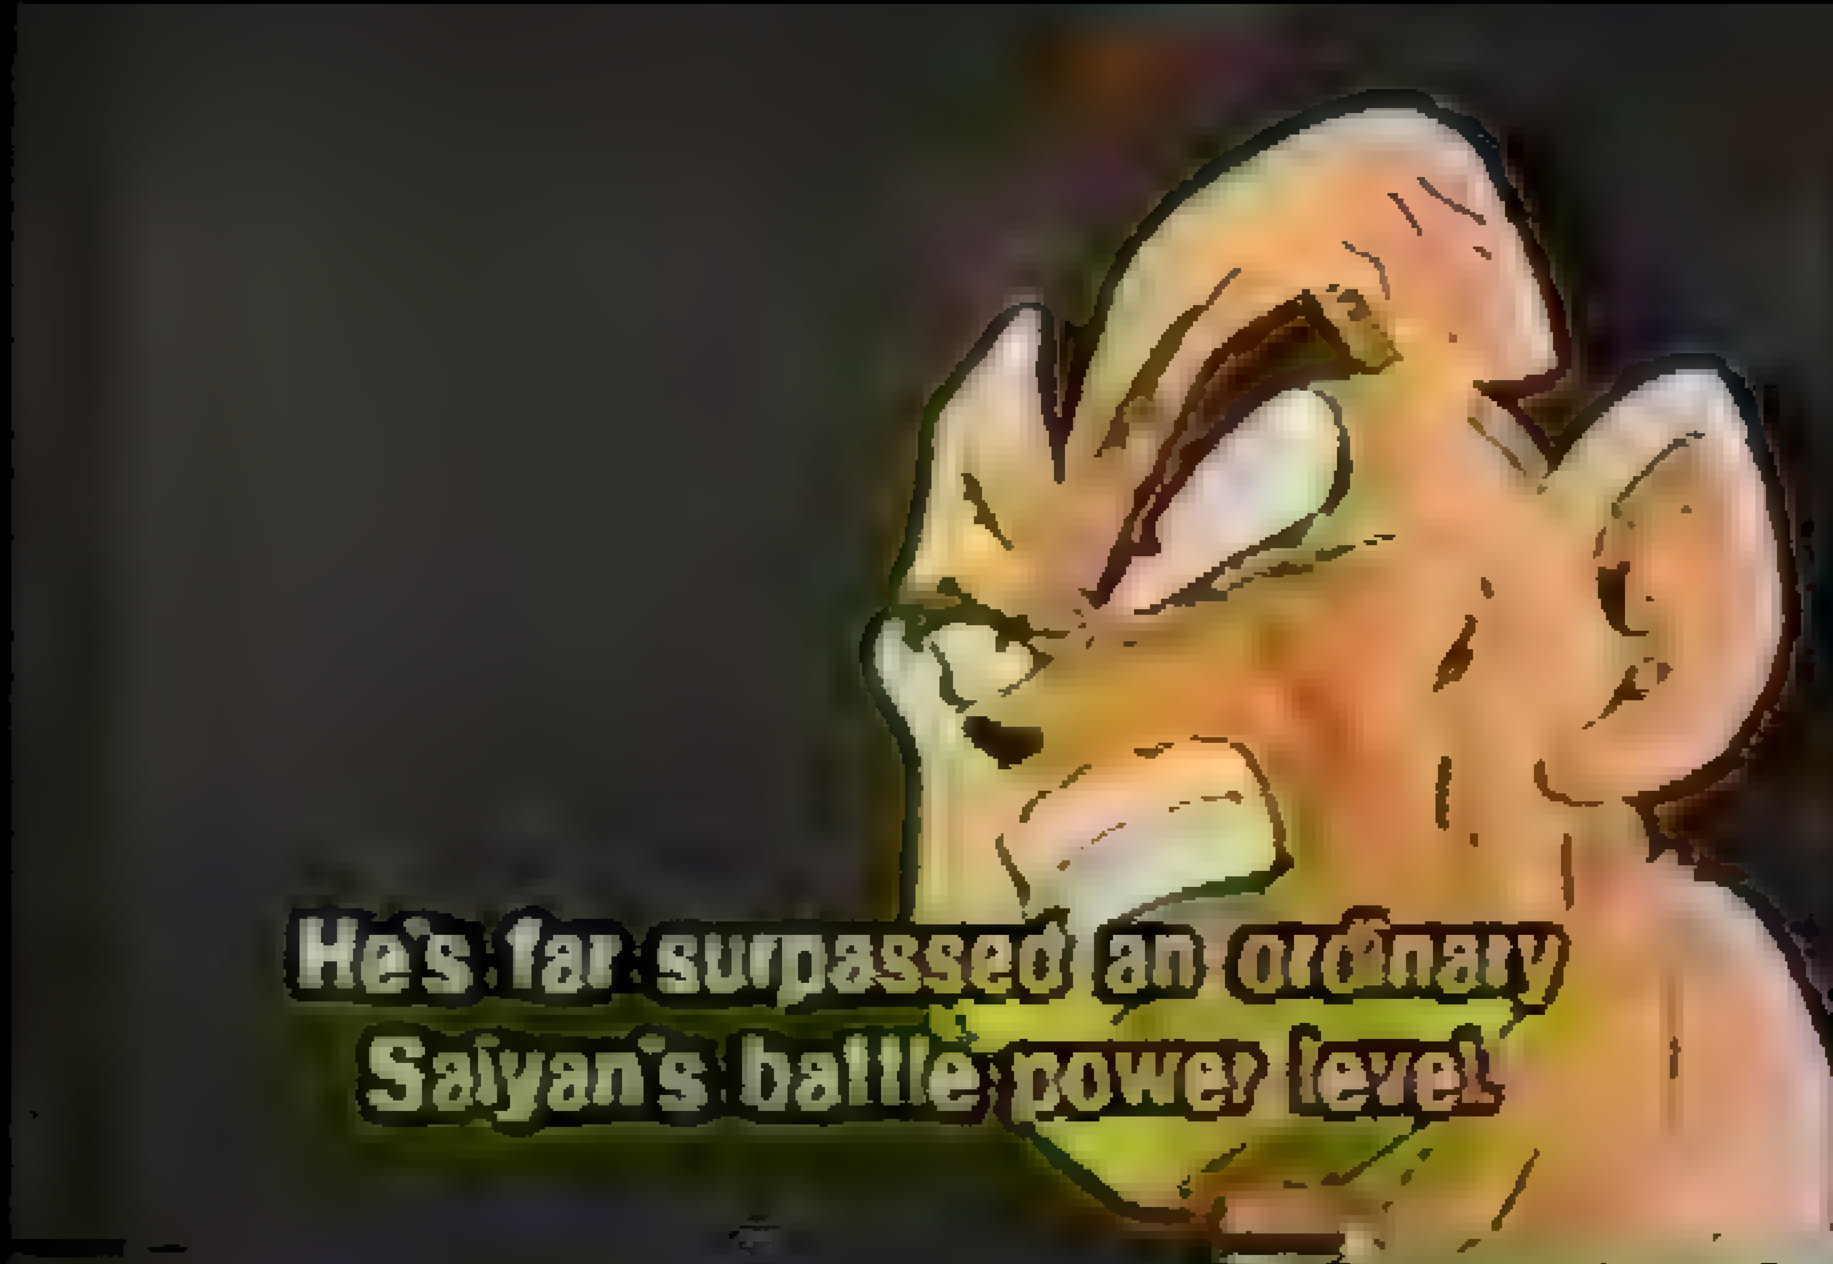

There was unimaginable
power in that hit.

He's far surpassed an ordinary
Saiyan's battle power level.

He's far surpassed an ordinary
Saiyan's battle power level.

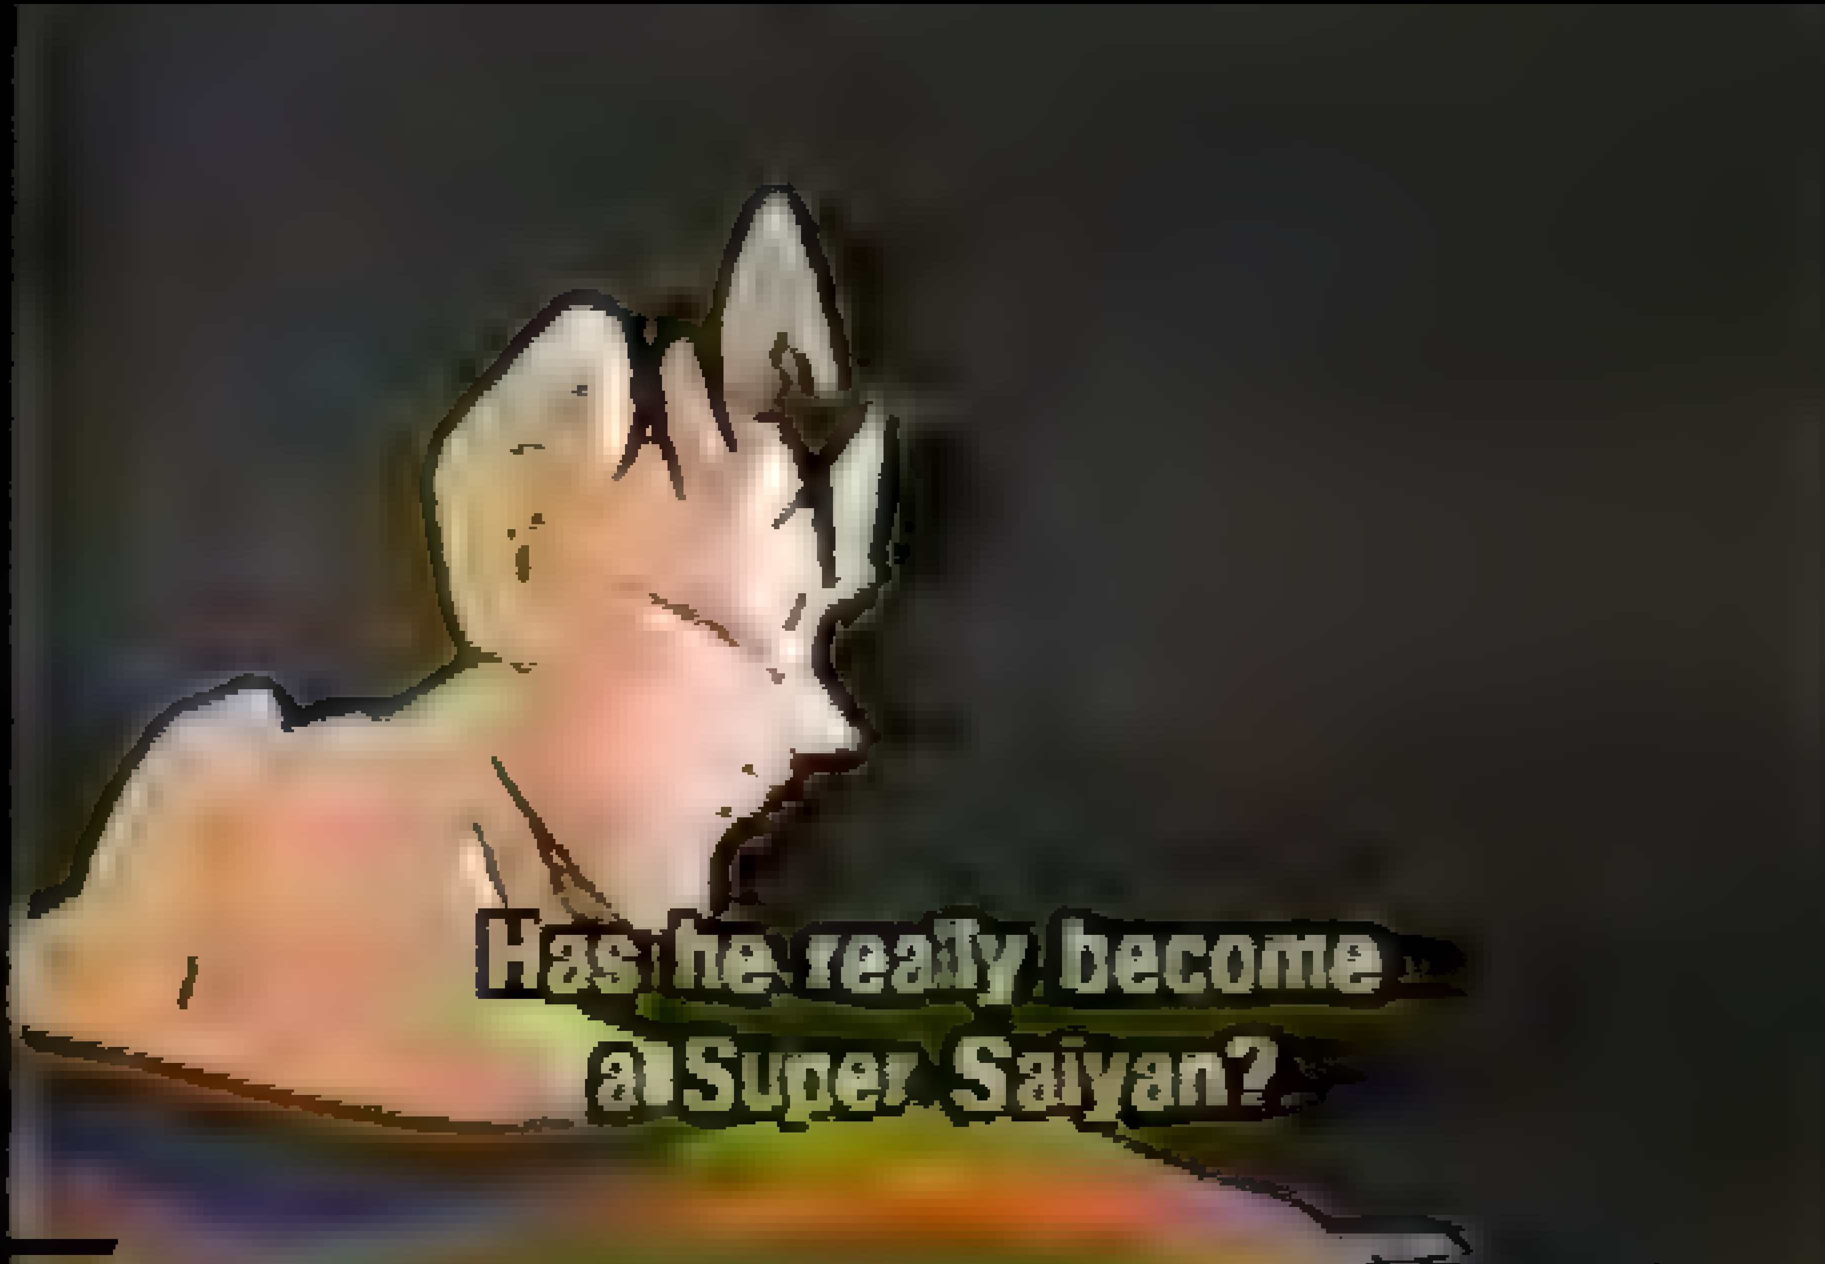

Why! How did he train!

Why! How did he train!

Is the legend true?

Has he really become
a Super Saiyan?

Has he really become
a Super Saiyan?

Has he really become
a Super Saiyan?

A Super Saiyan

Has Goku become the
legendary warrior that

Has Goku become the
legendary warrior that

can strike fear in
the heart of Bejeeta?

It's useless for you to fight.

Do you get it now?
It's useless for you to fight.

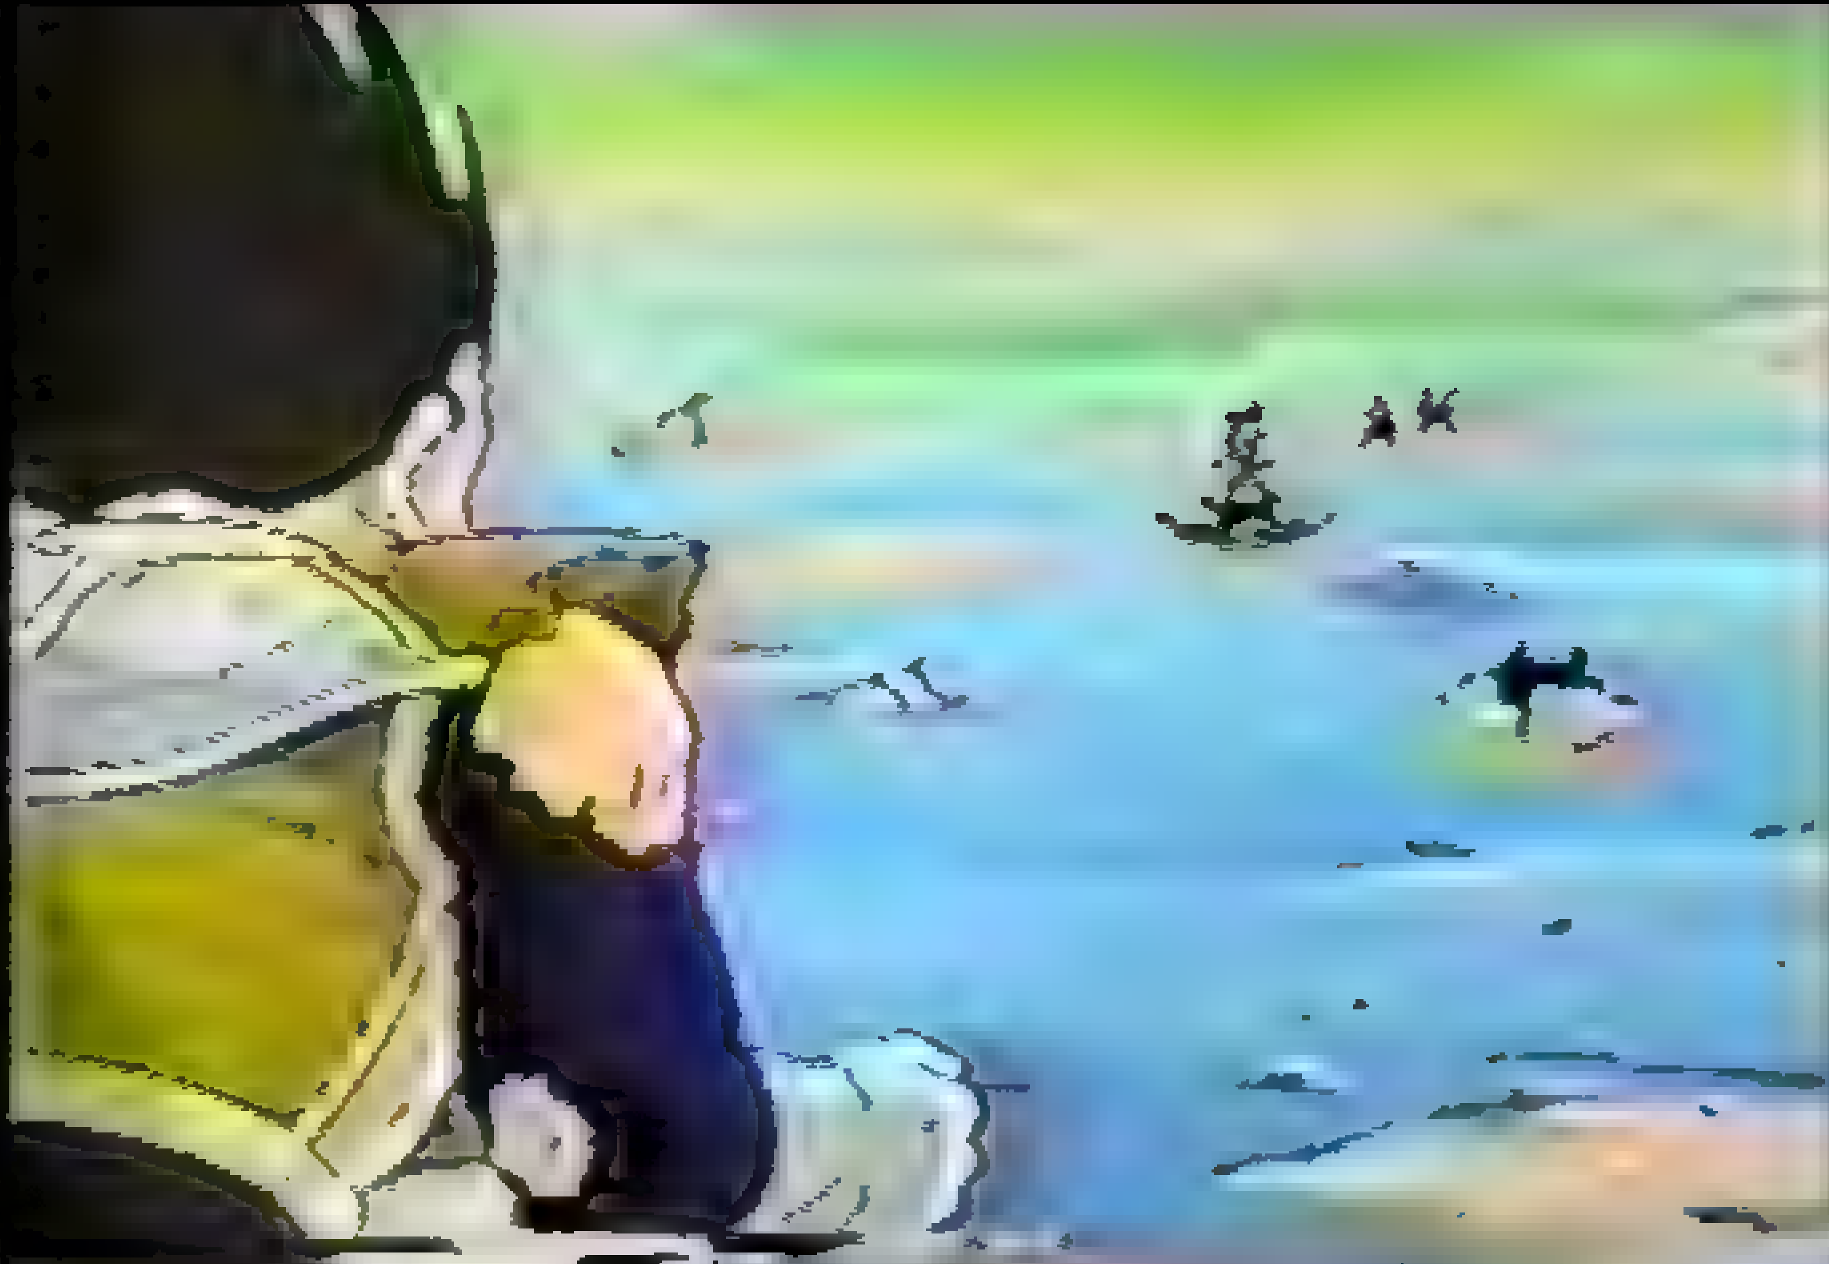

悟
This one and the other
guy aren't dead yet.

This one and the other
guy aren't dead yet.

Better take them in a hurry
and get off this plane!

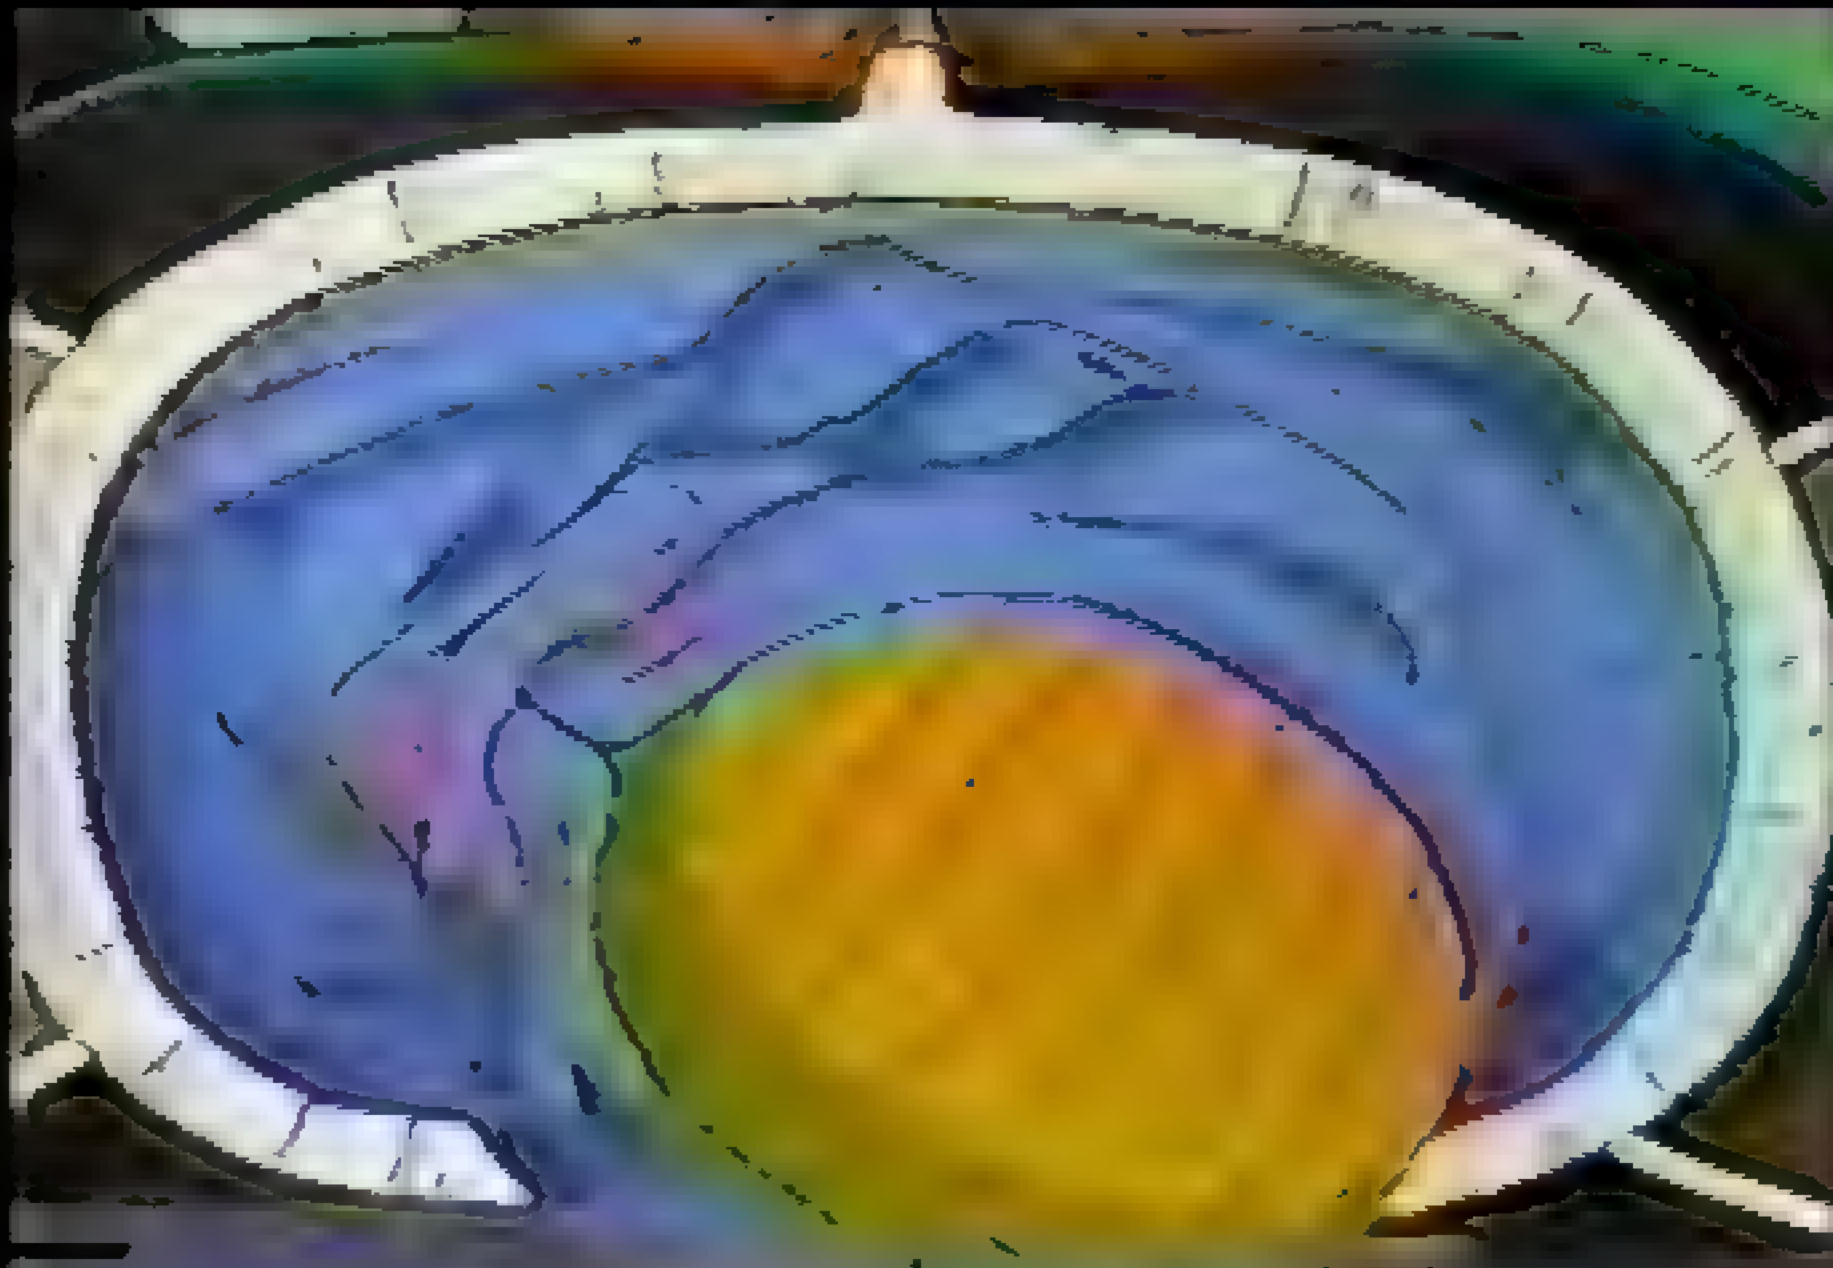

Don't be a fool!
Kill them now, Kakarott!

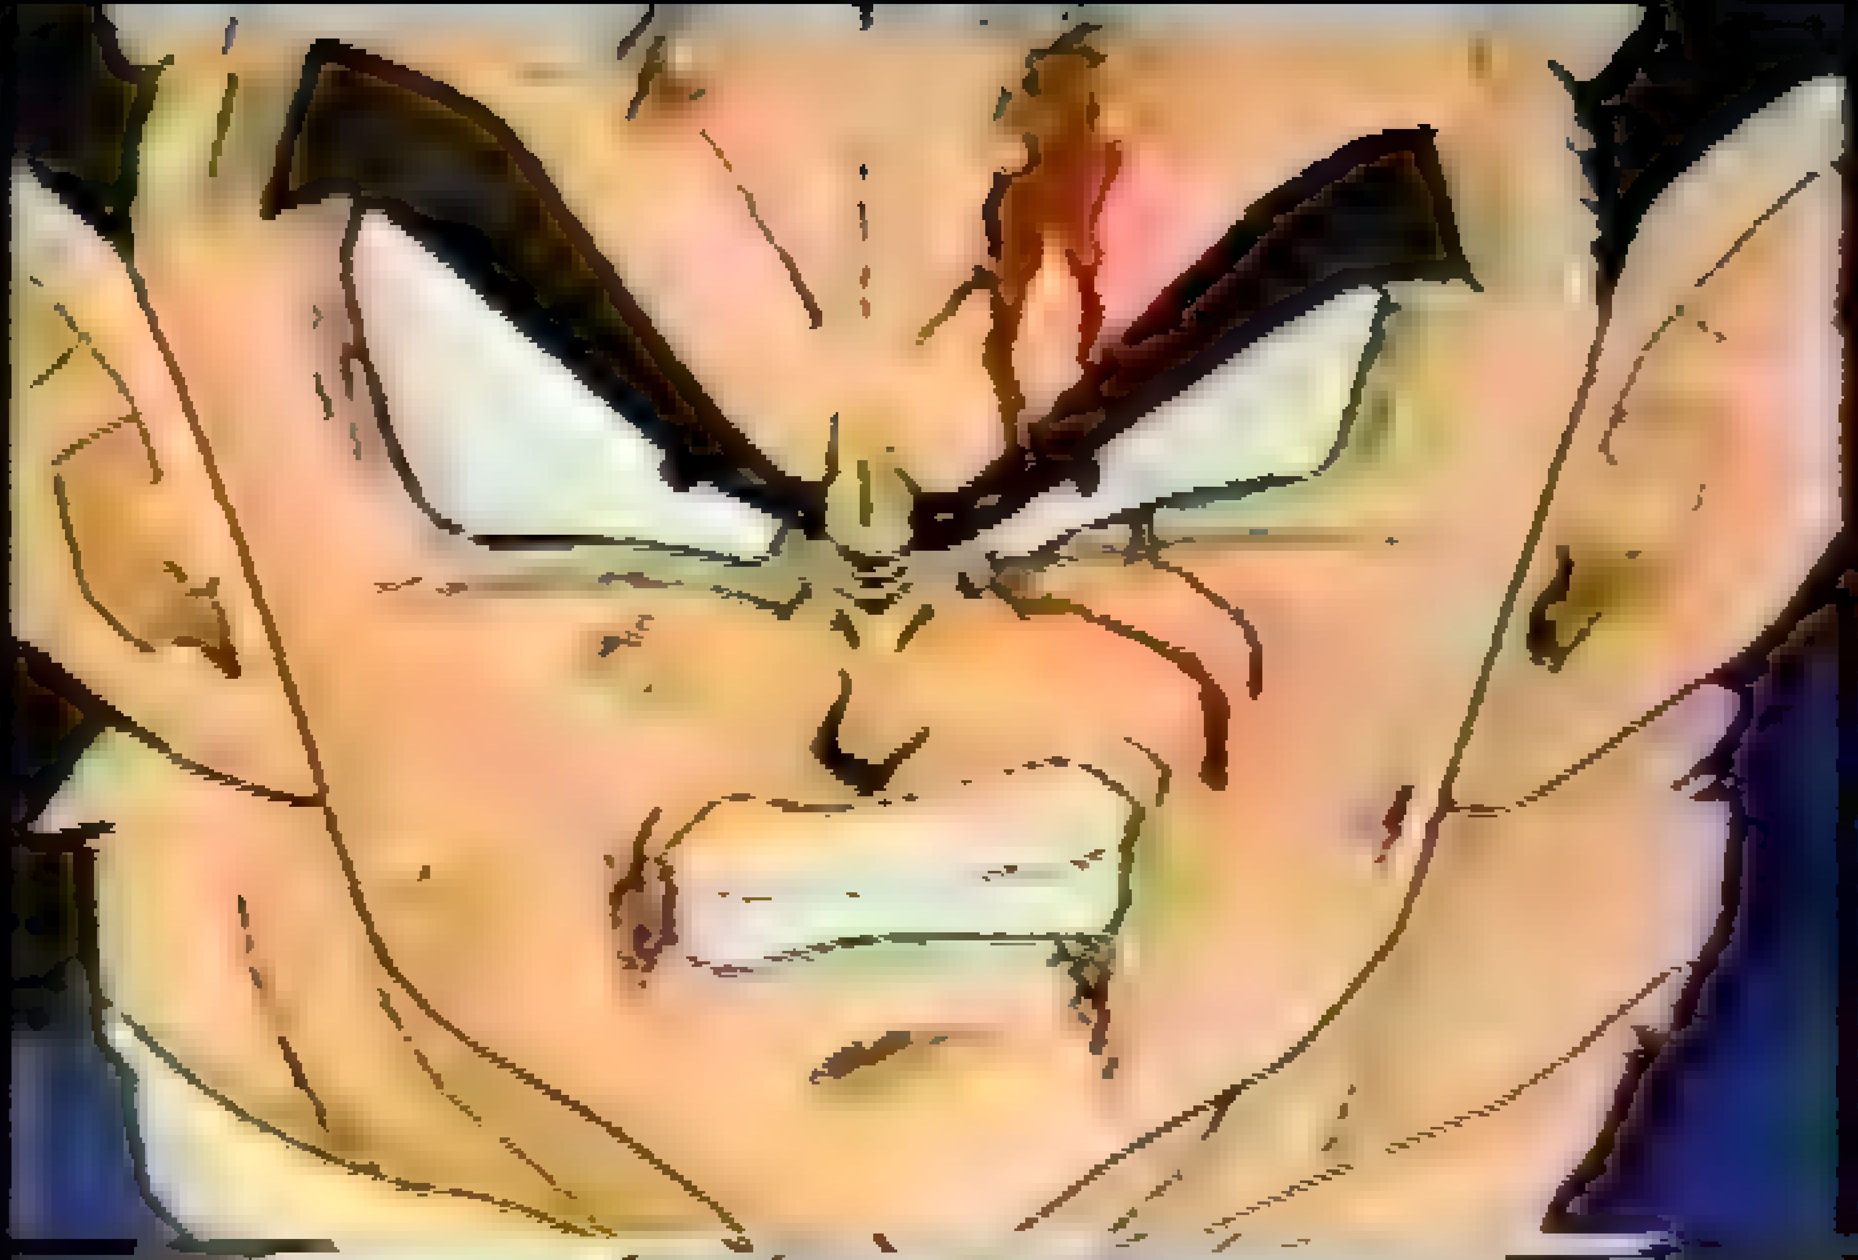

Don't be a fool!
Kill them now, Kakarott!

They're broken to bits!

I don't have a reason
to kill them!

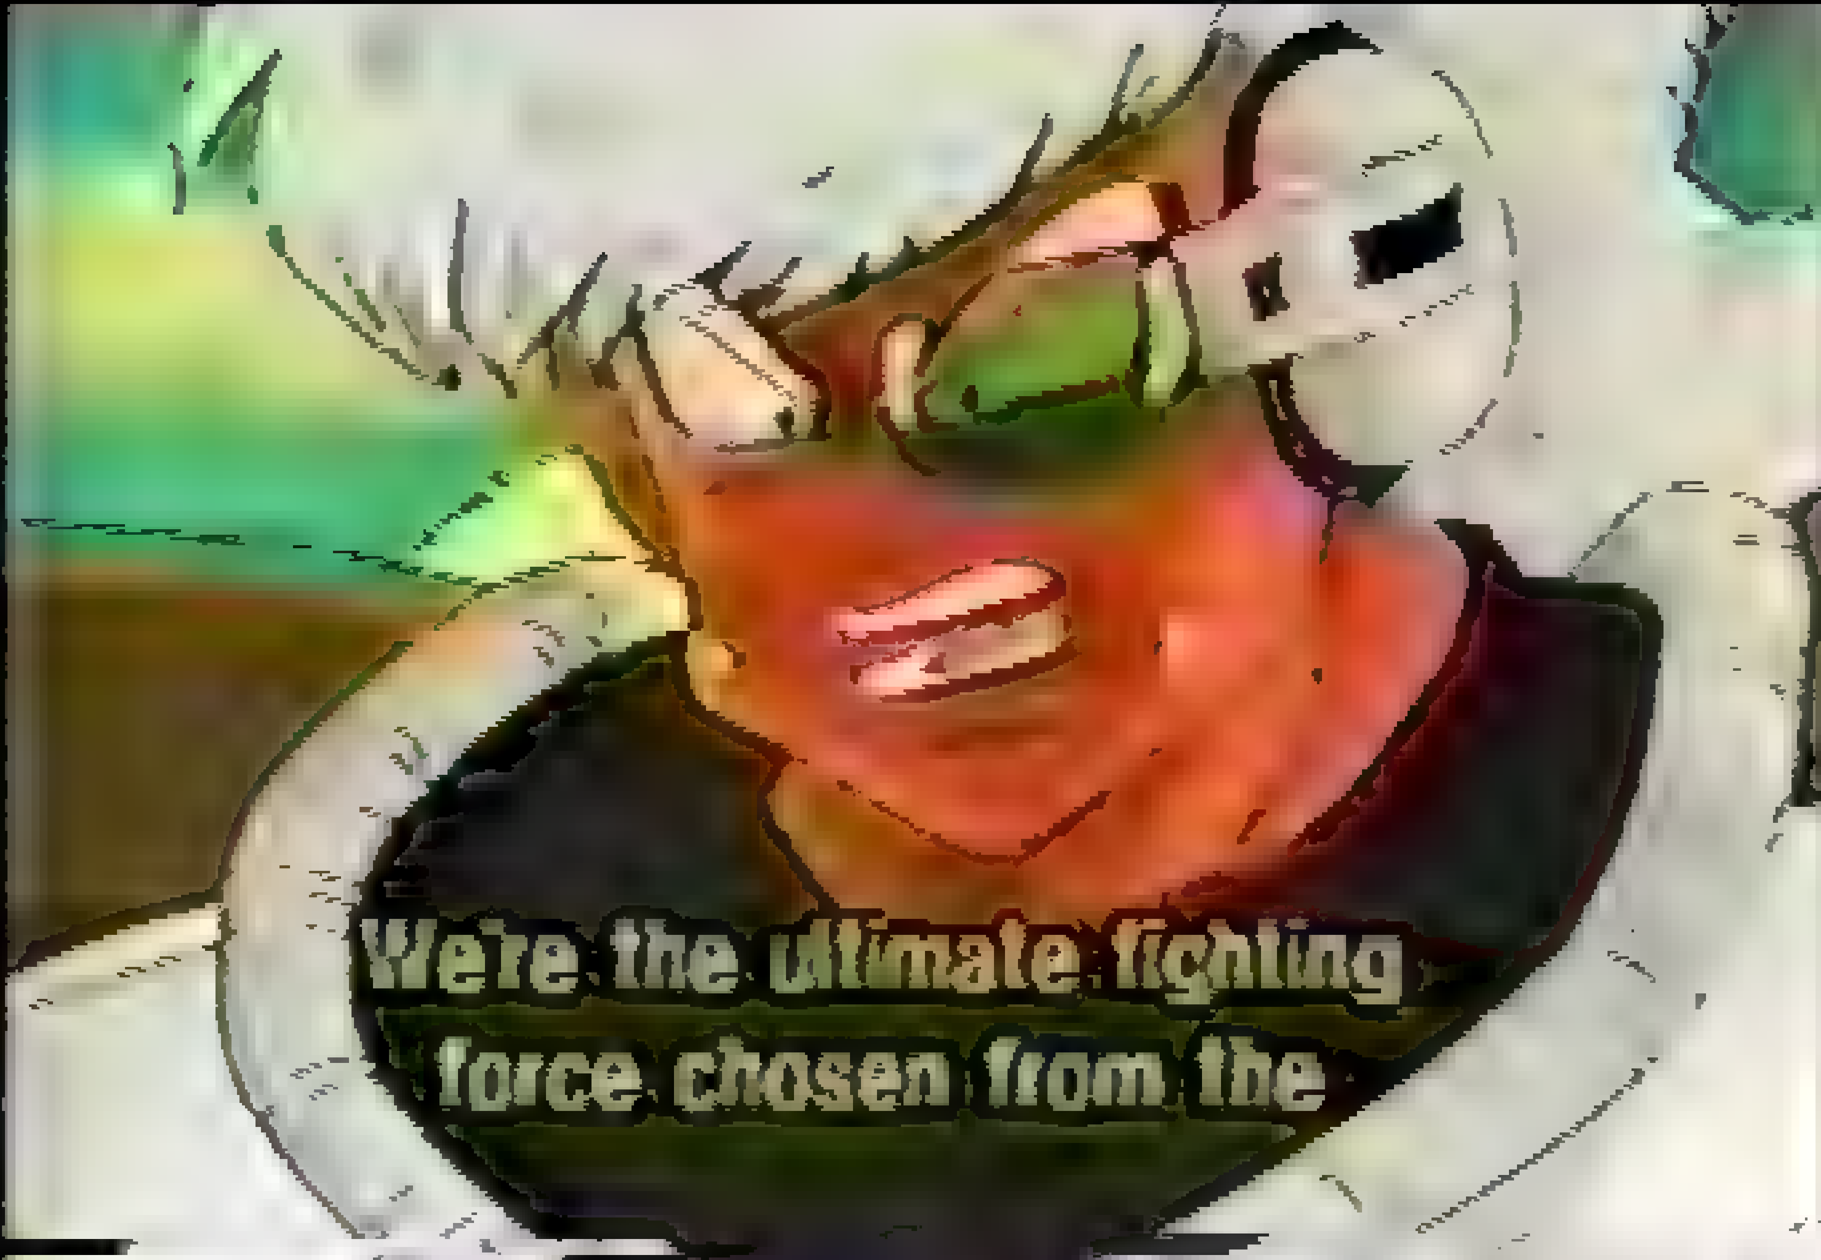

I don't believe it..

We're the Ginyu Special Corps!

We're the Ginyu Special Corps!

We're the ultimate fighting
force chosen from the

We're the ultimate fighting
force chosen from the

elite of the entire universe!

How could we lose to
someone at his low level..?

This is a nightmare...

We're going to die helpless...!

We're going to die helpless...!

He ran away!

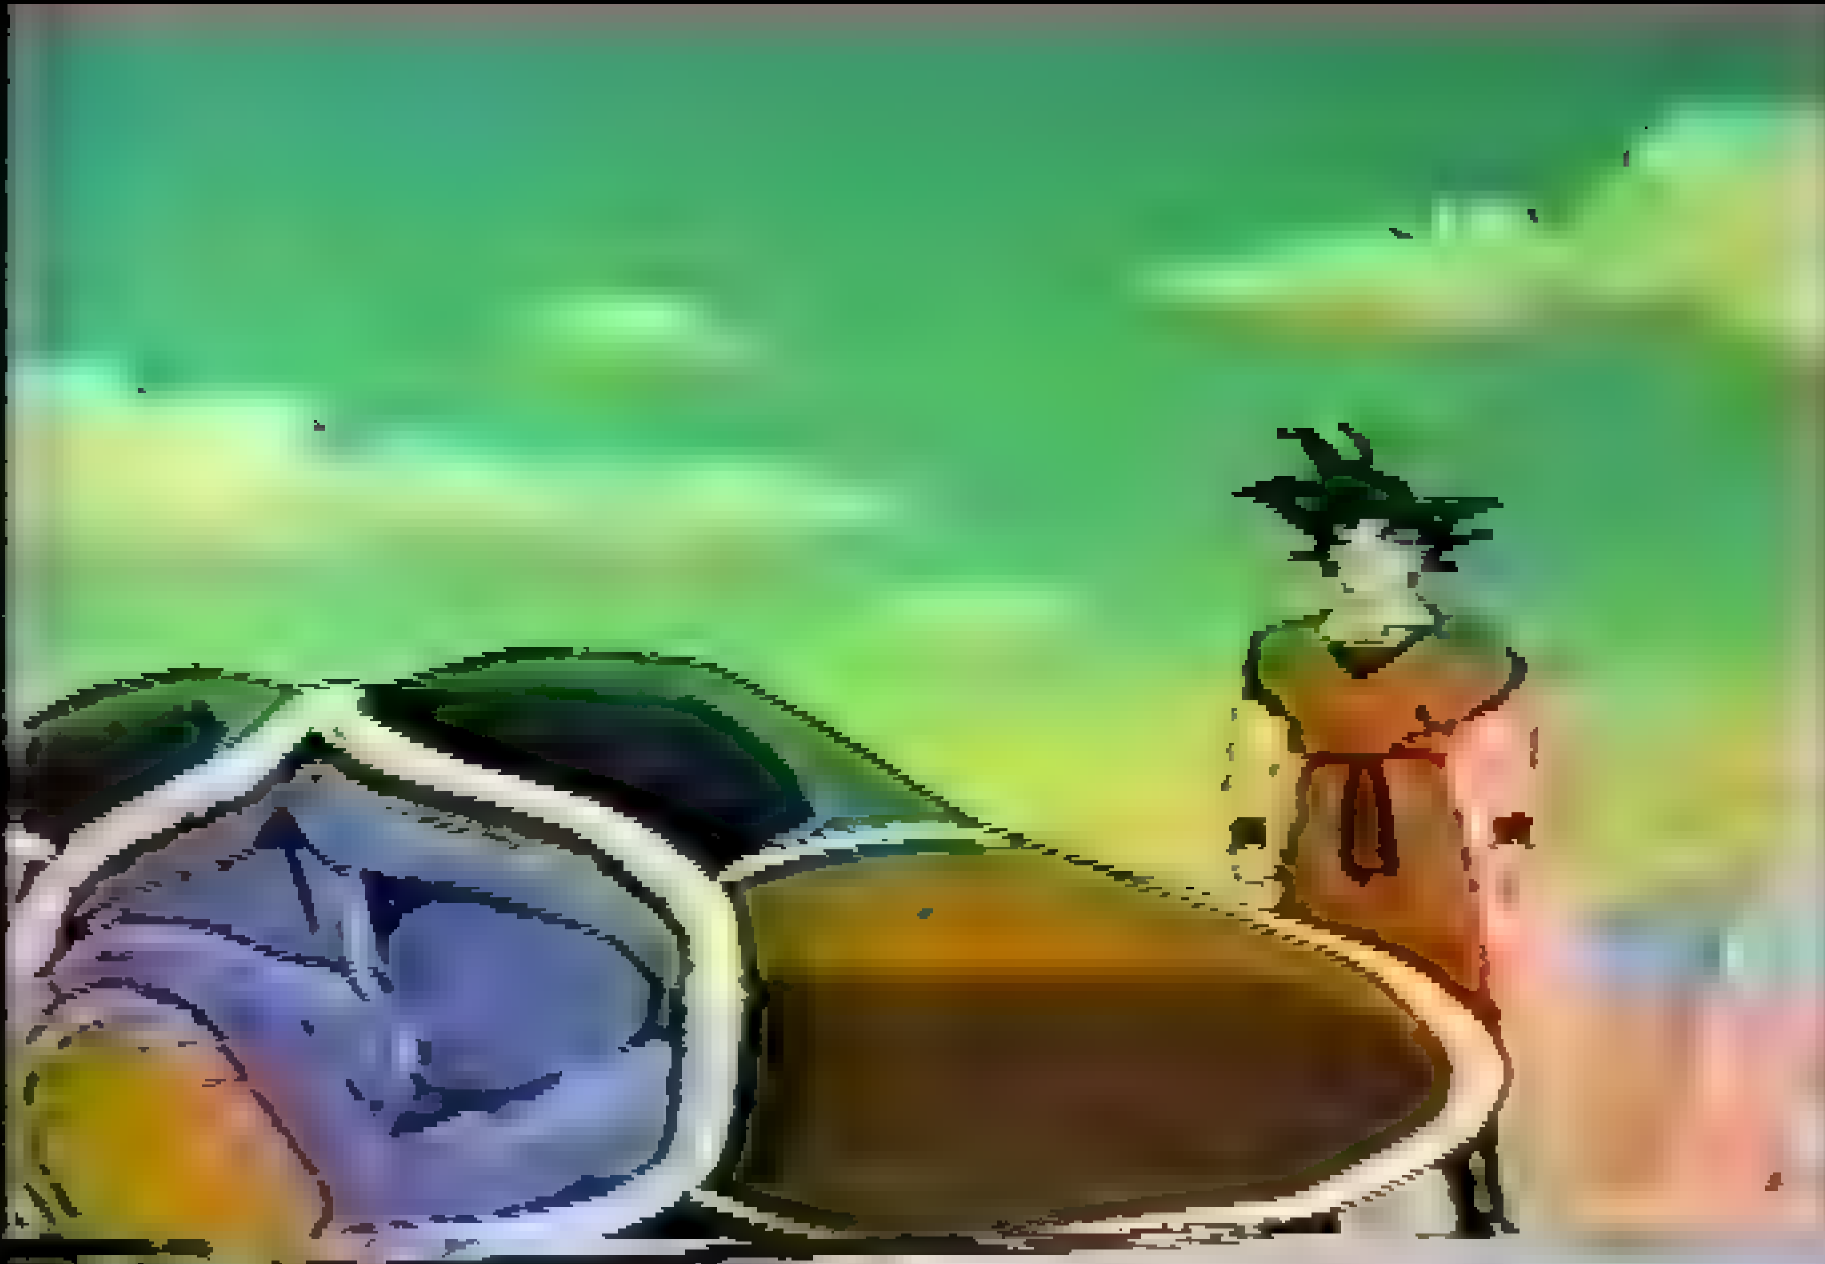

He's hopeless.
He left his buddies.

He's hopeless.
He left his buddies.

Sorry but I don't have any
more magic beans left.

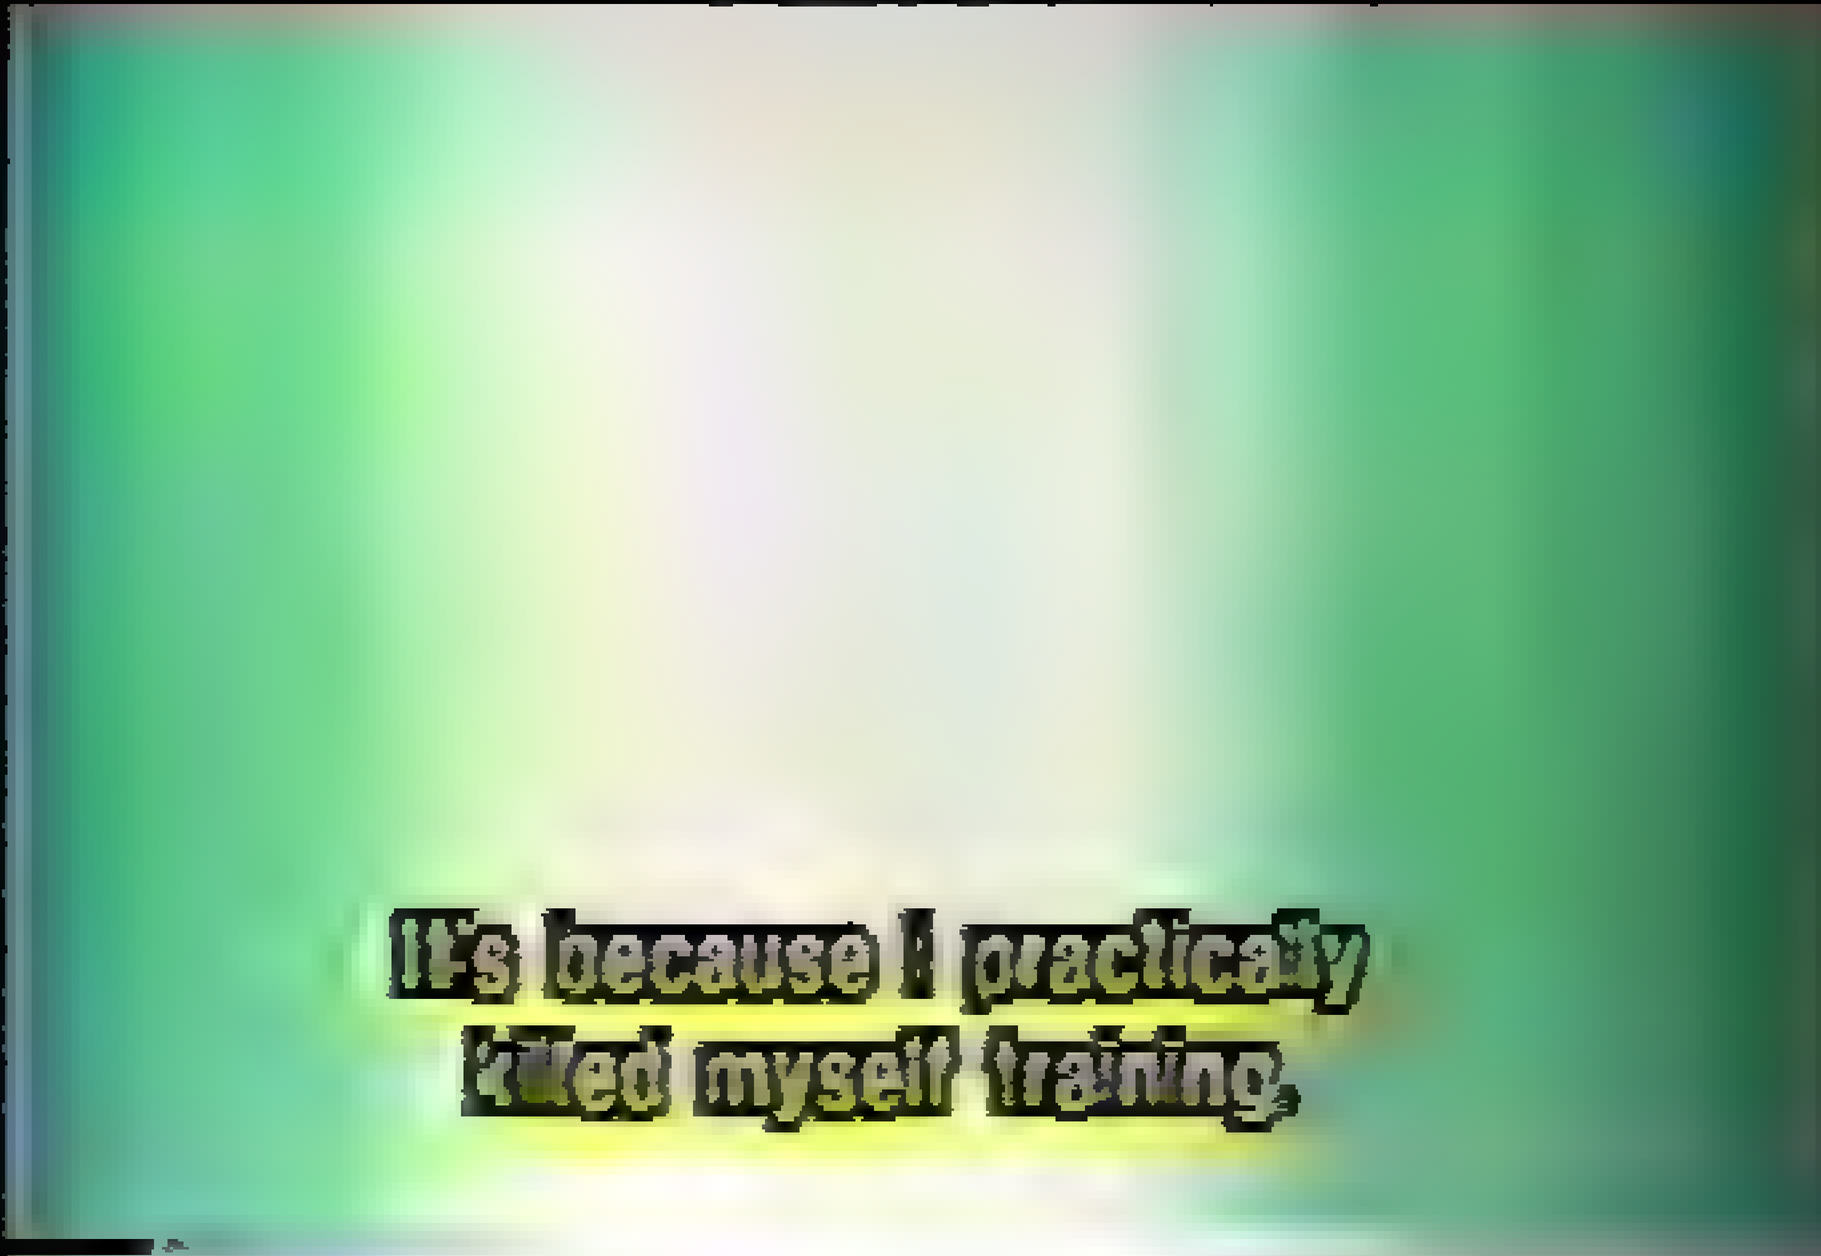

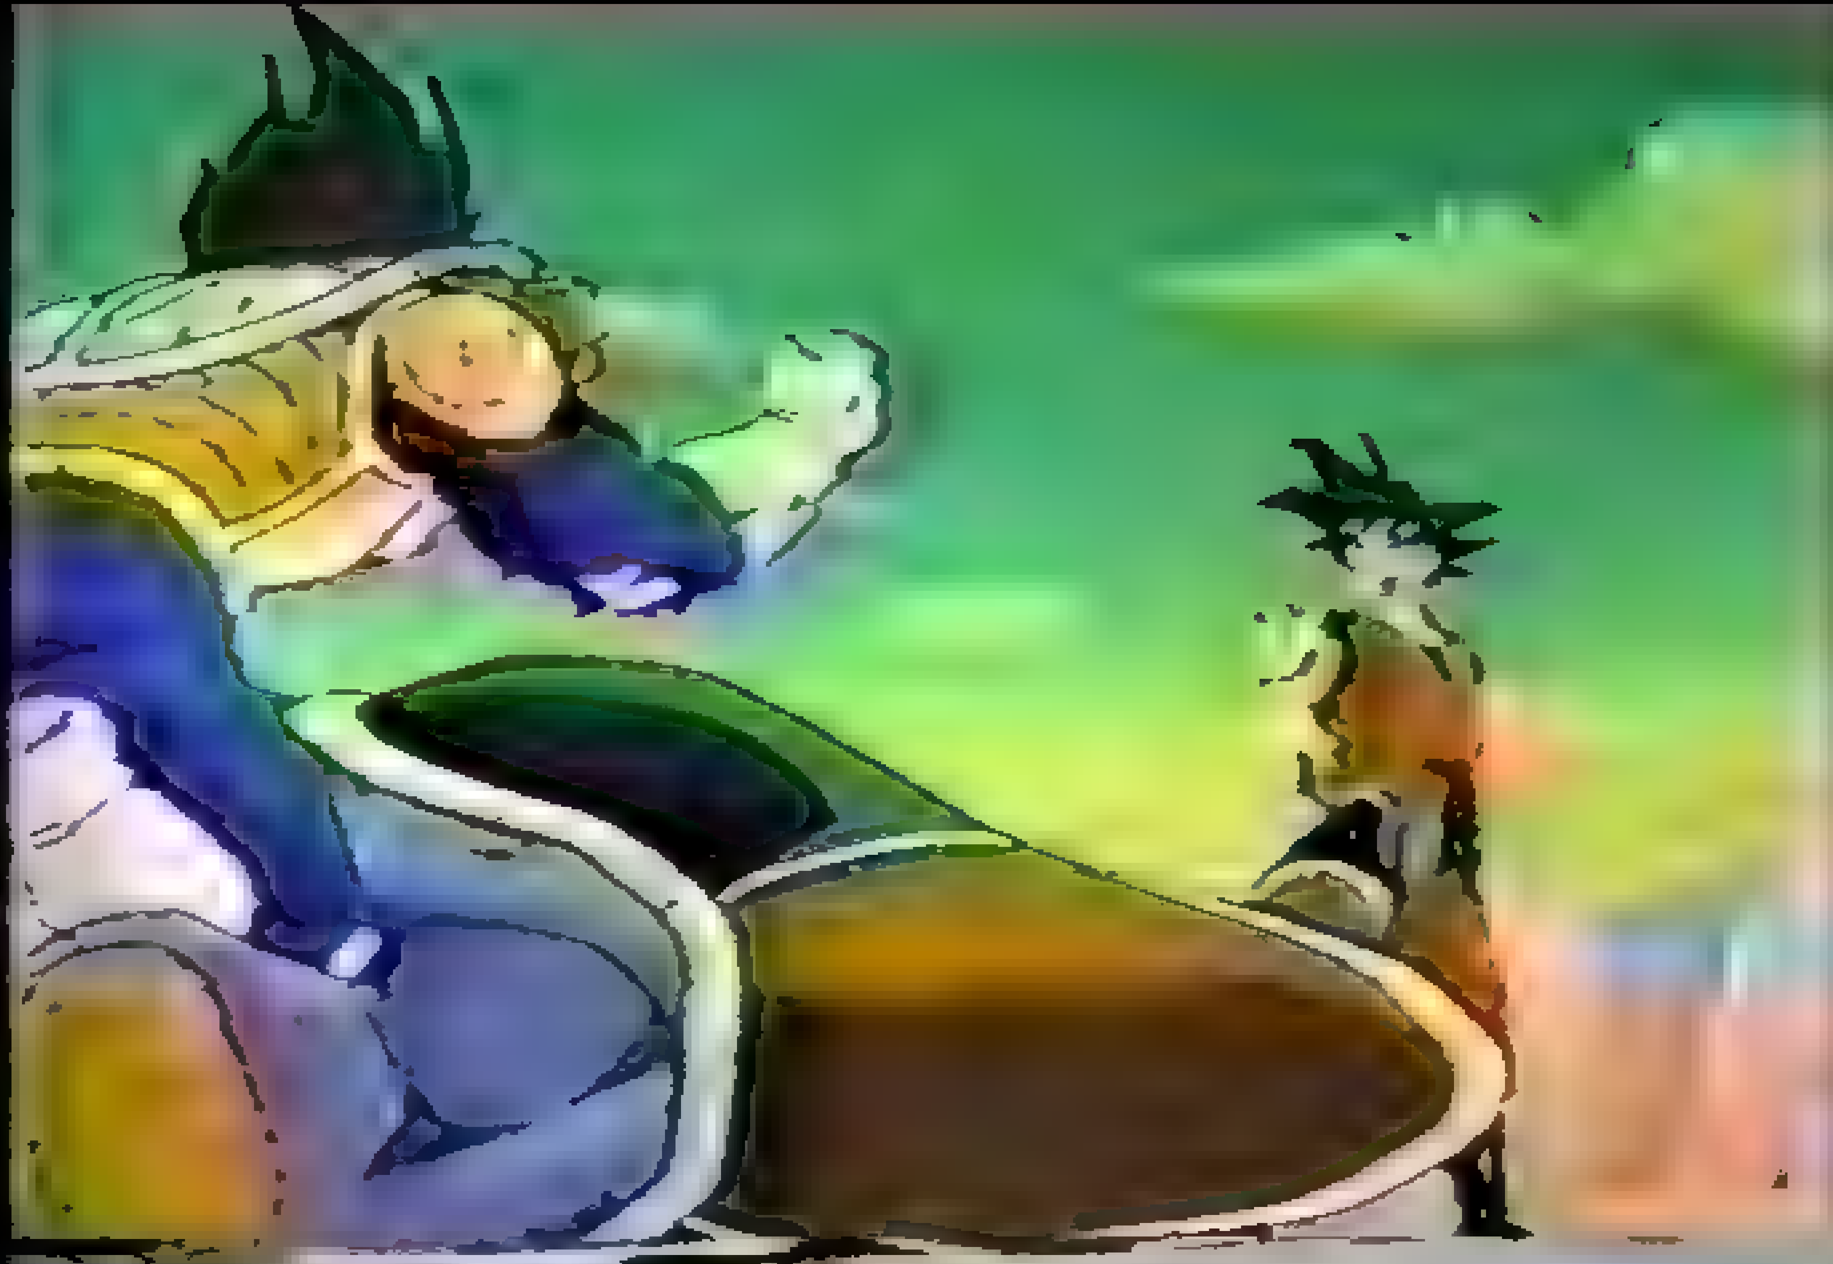

Are you really Goku?

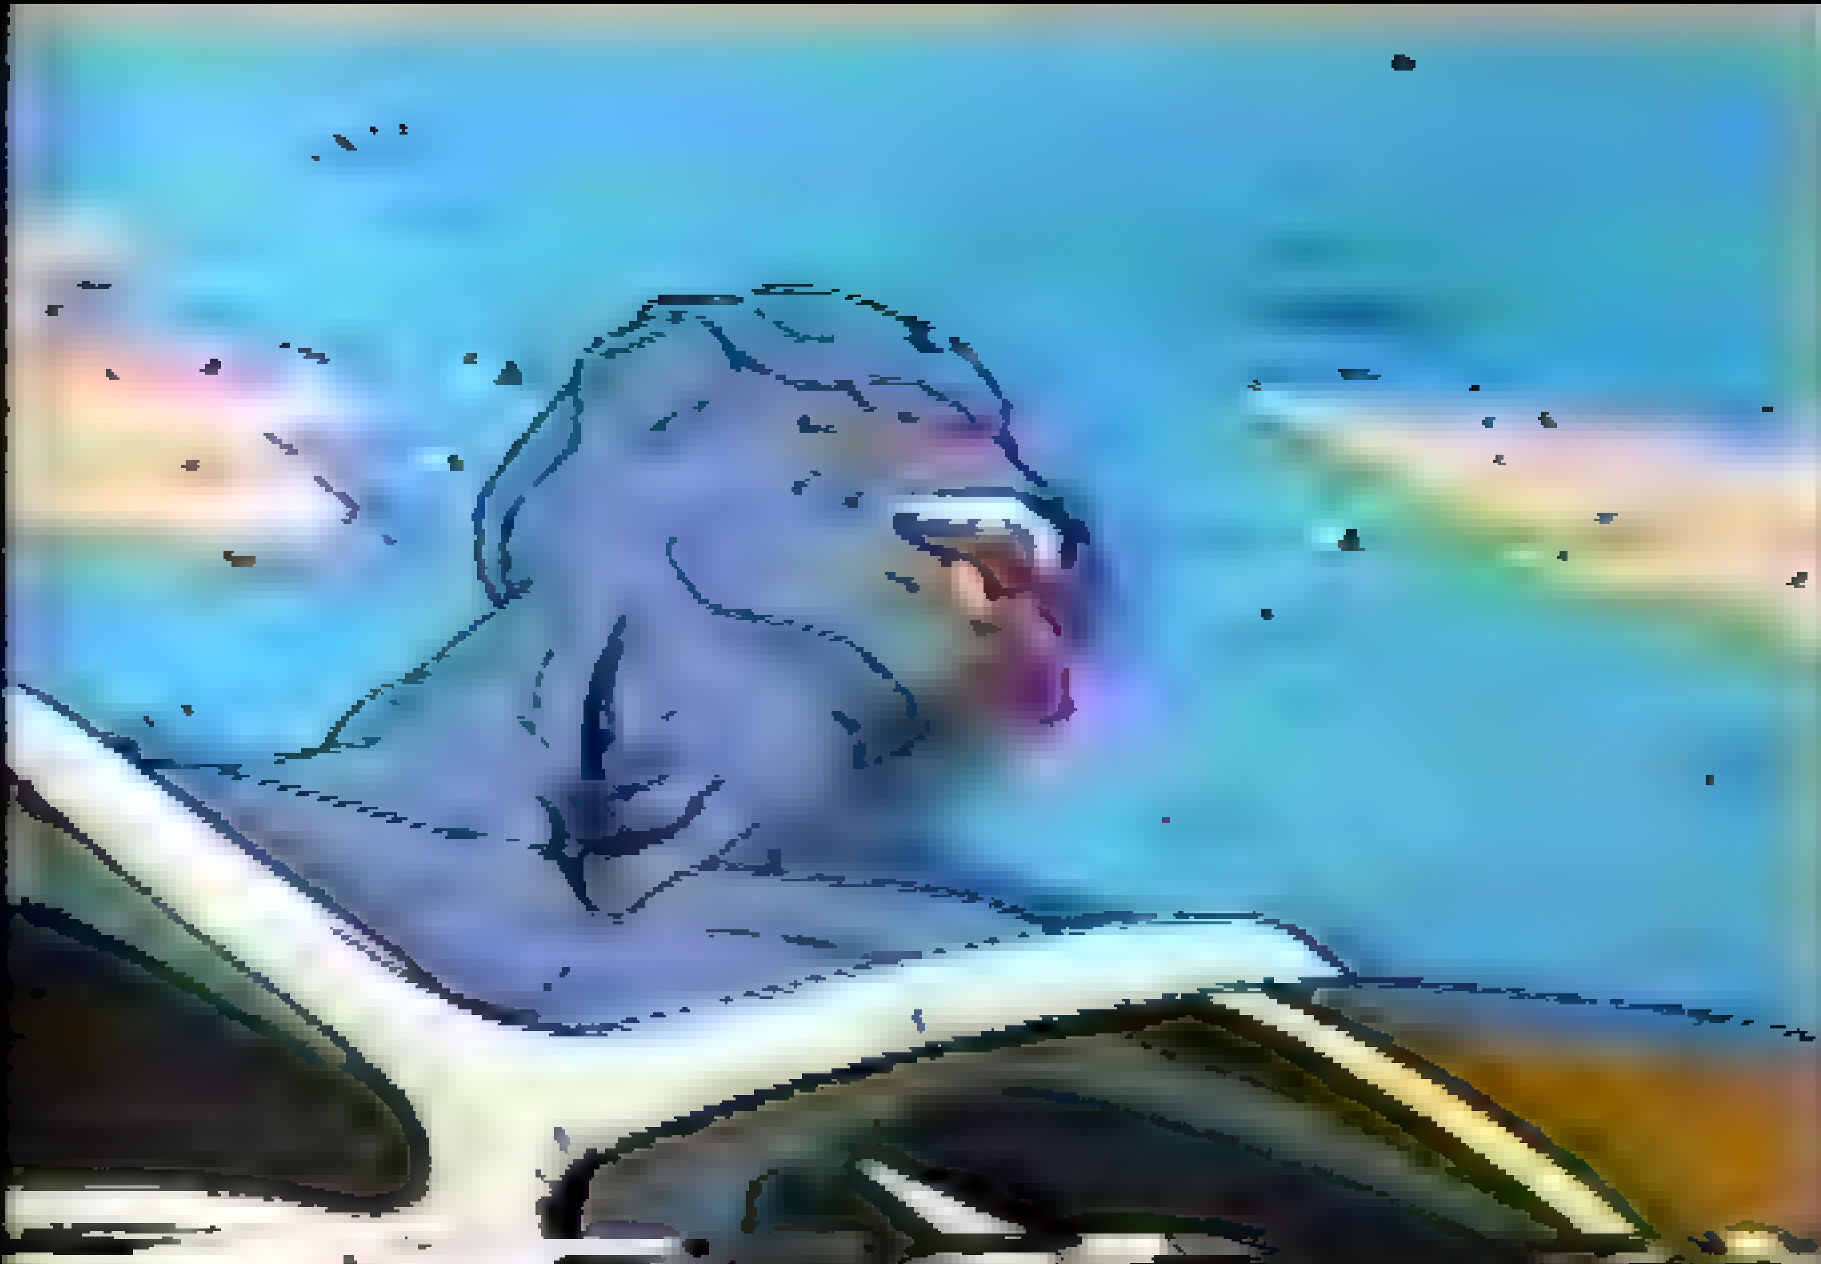

It's because I practically
killed myself training.

It's because I practically
killed myself training,

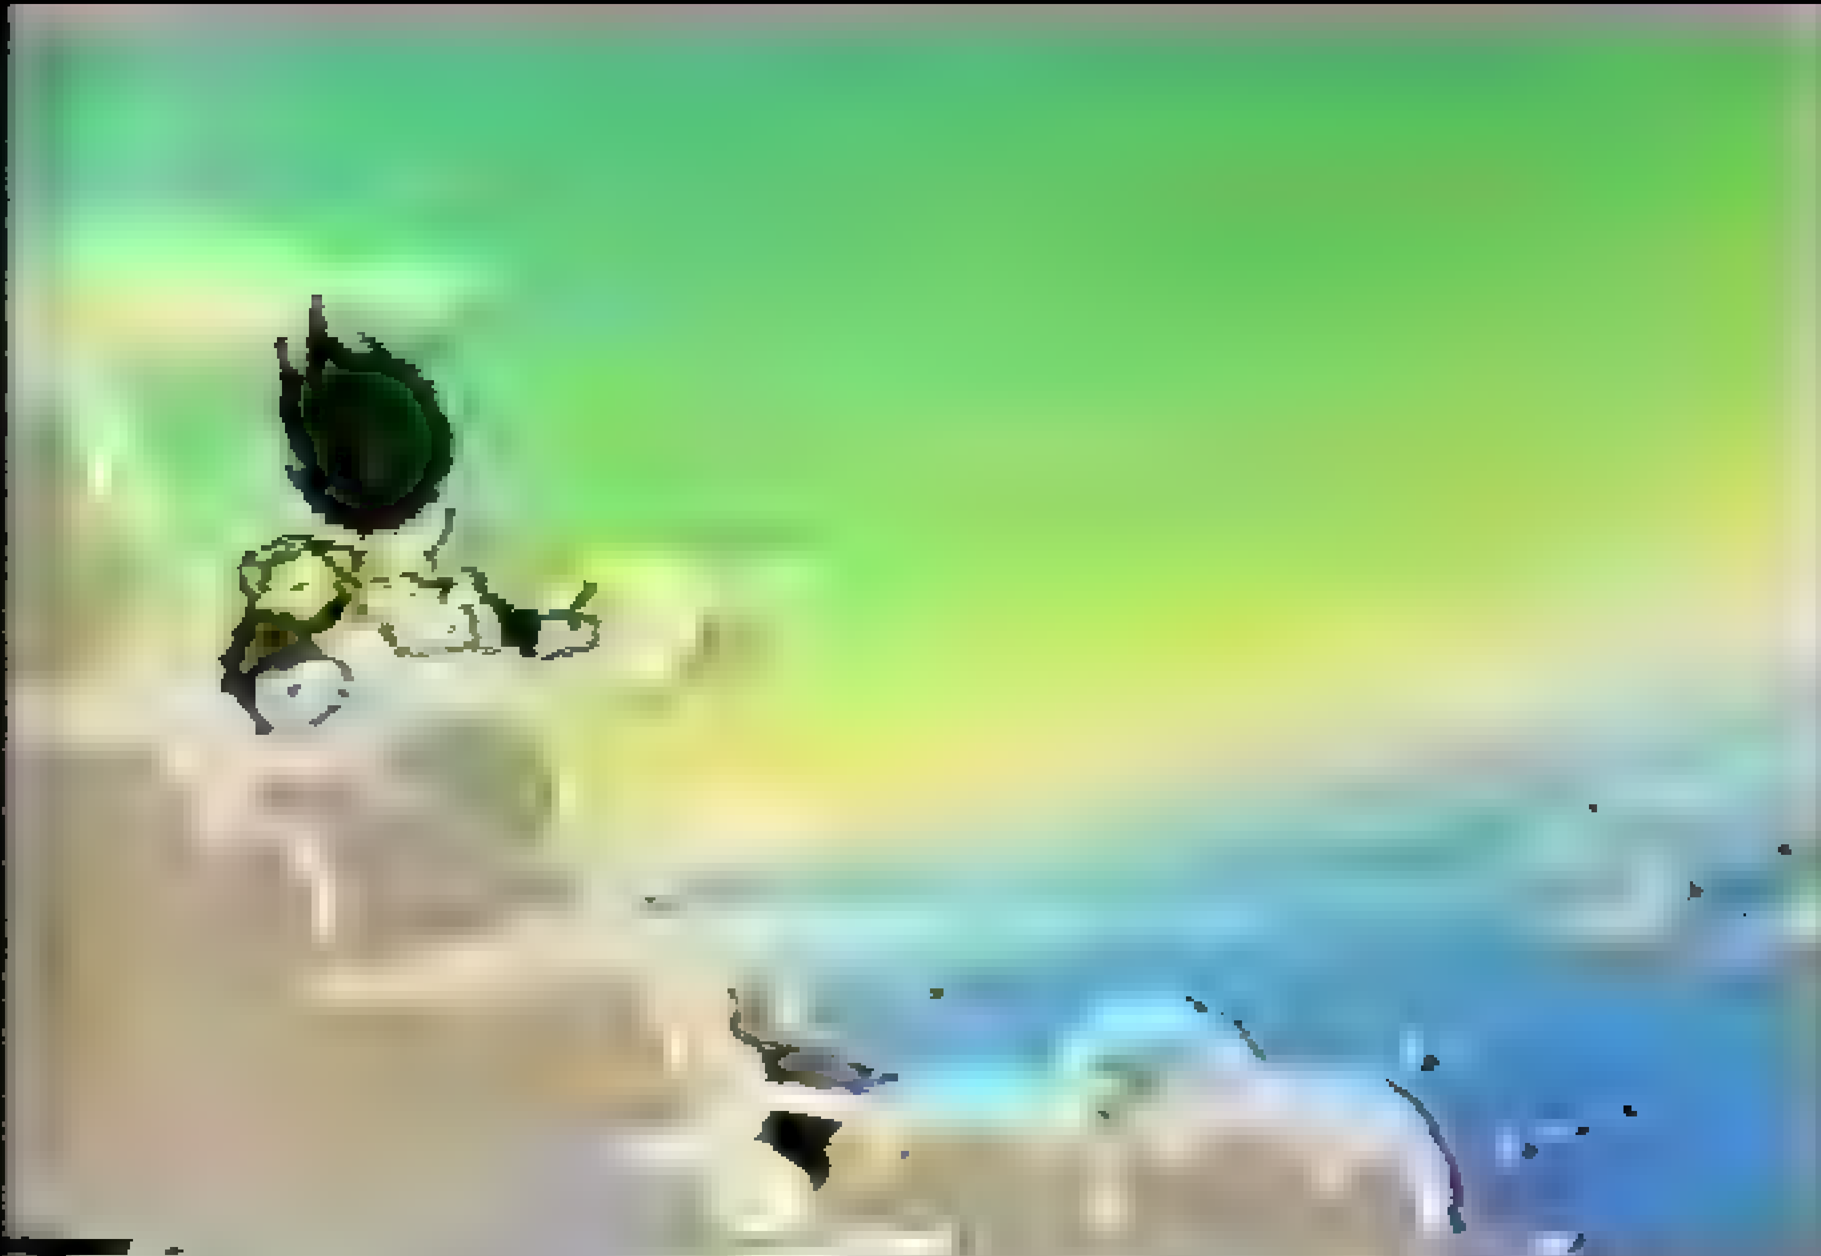

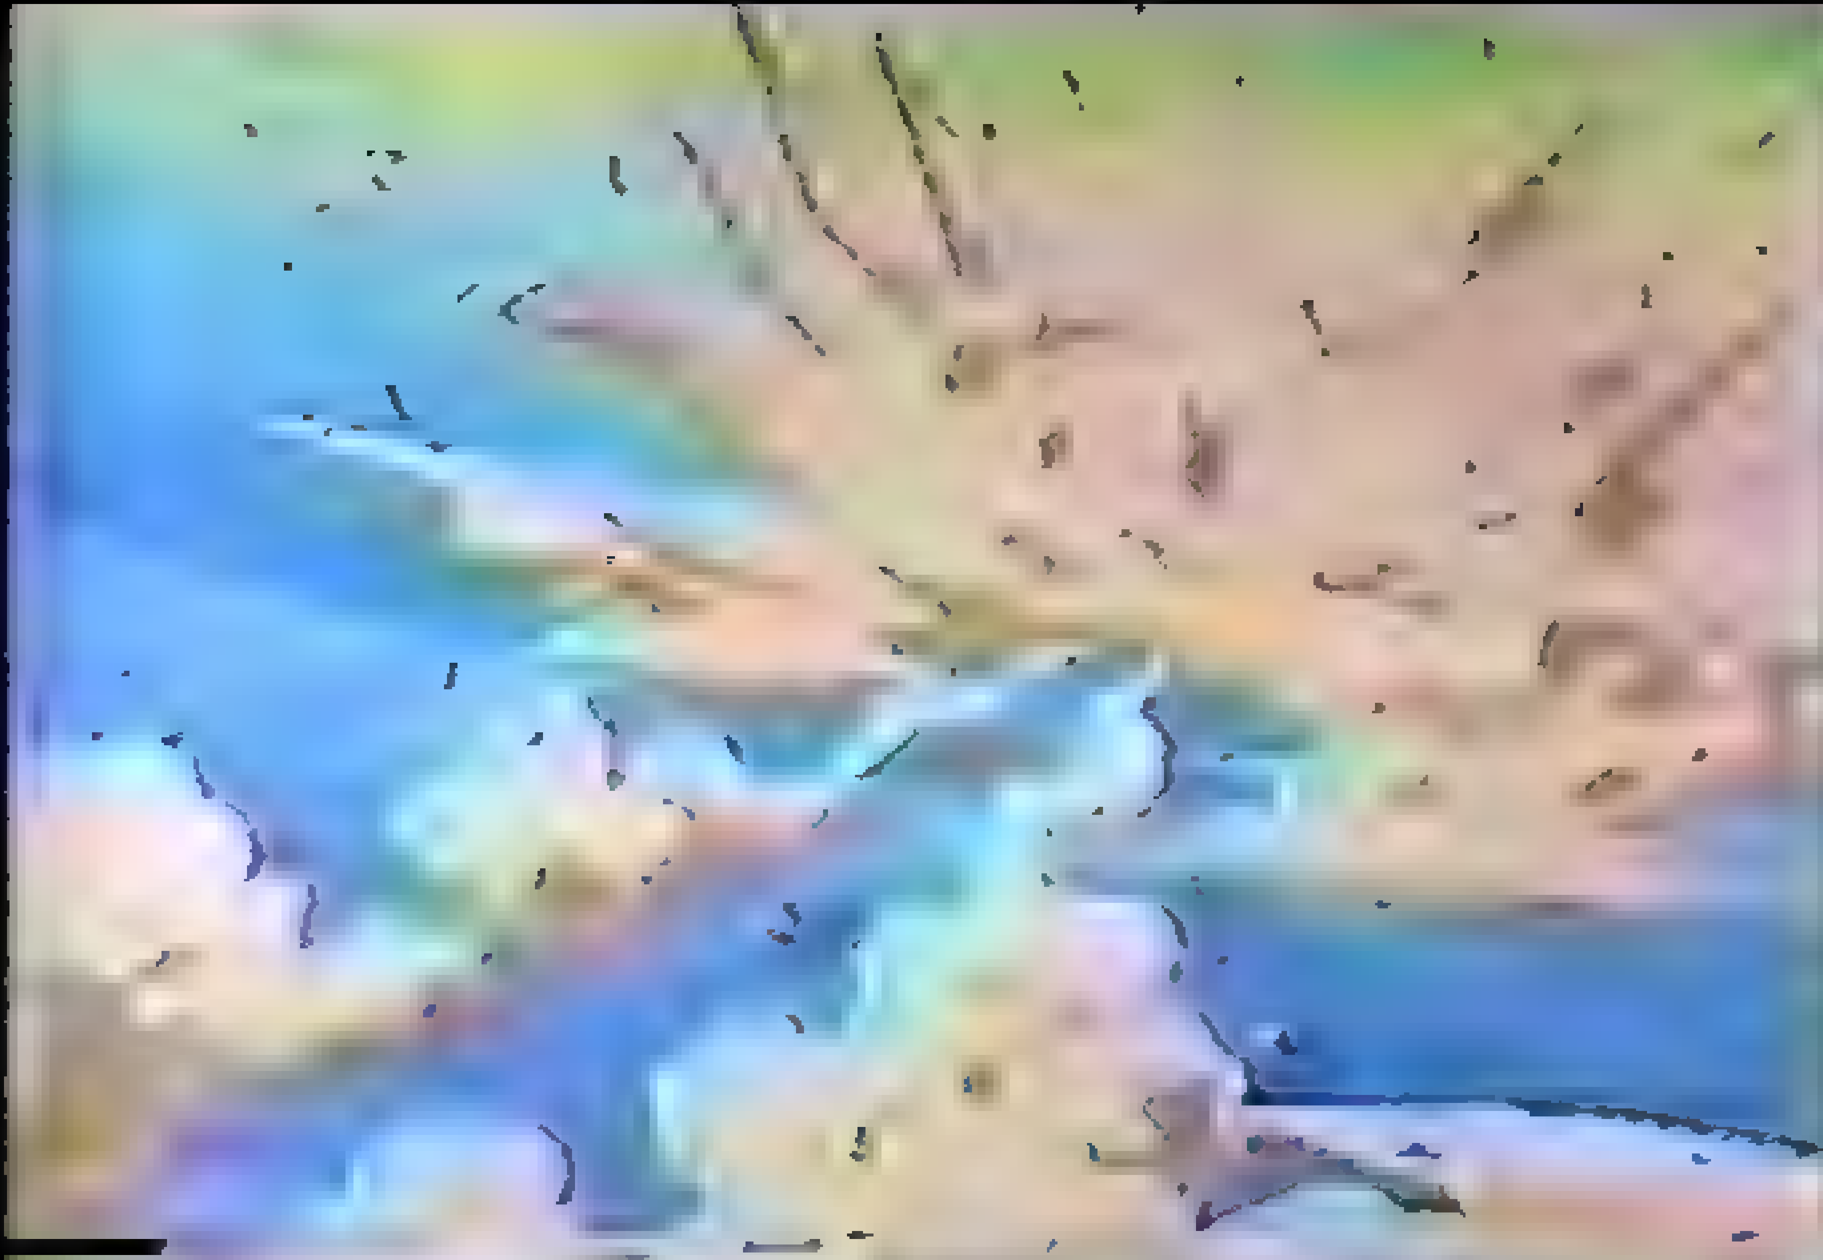

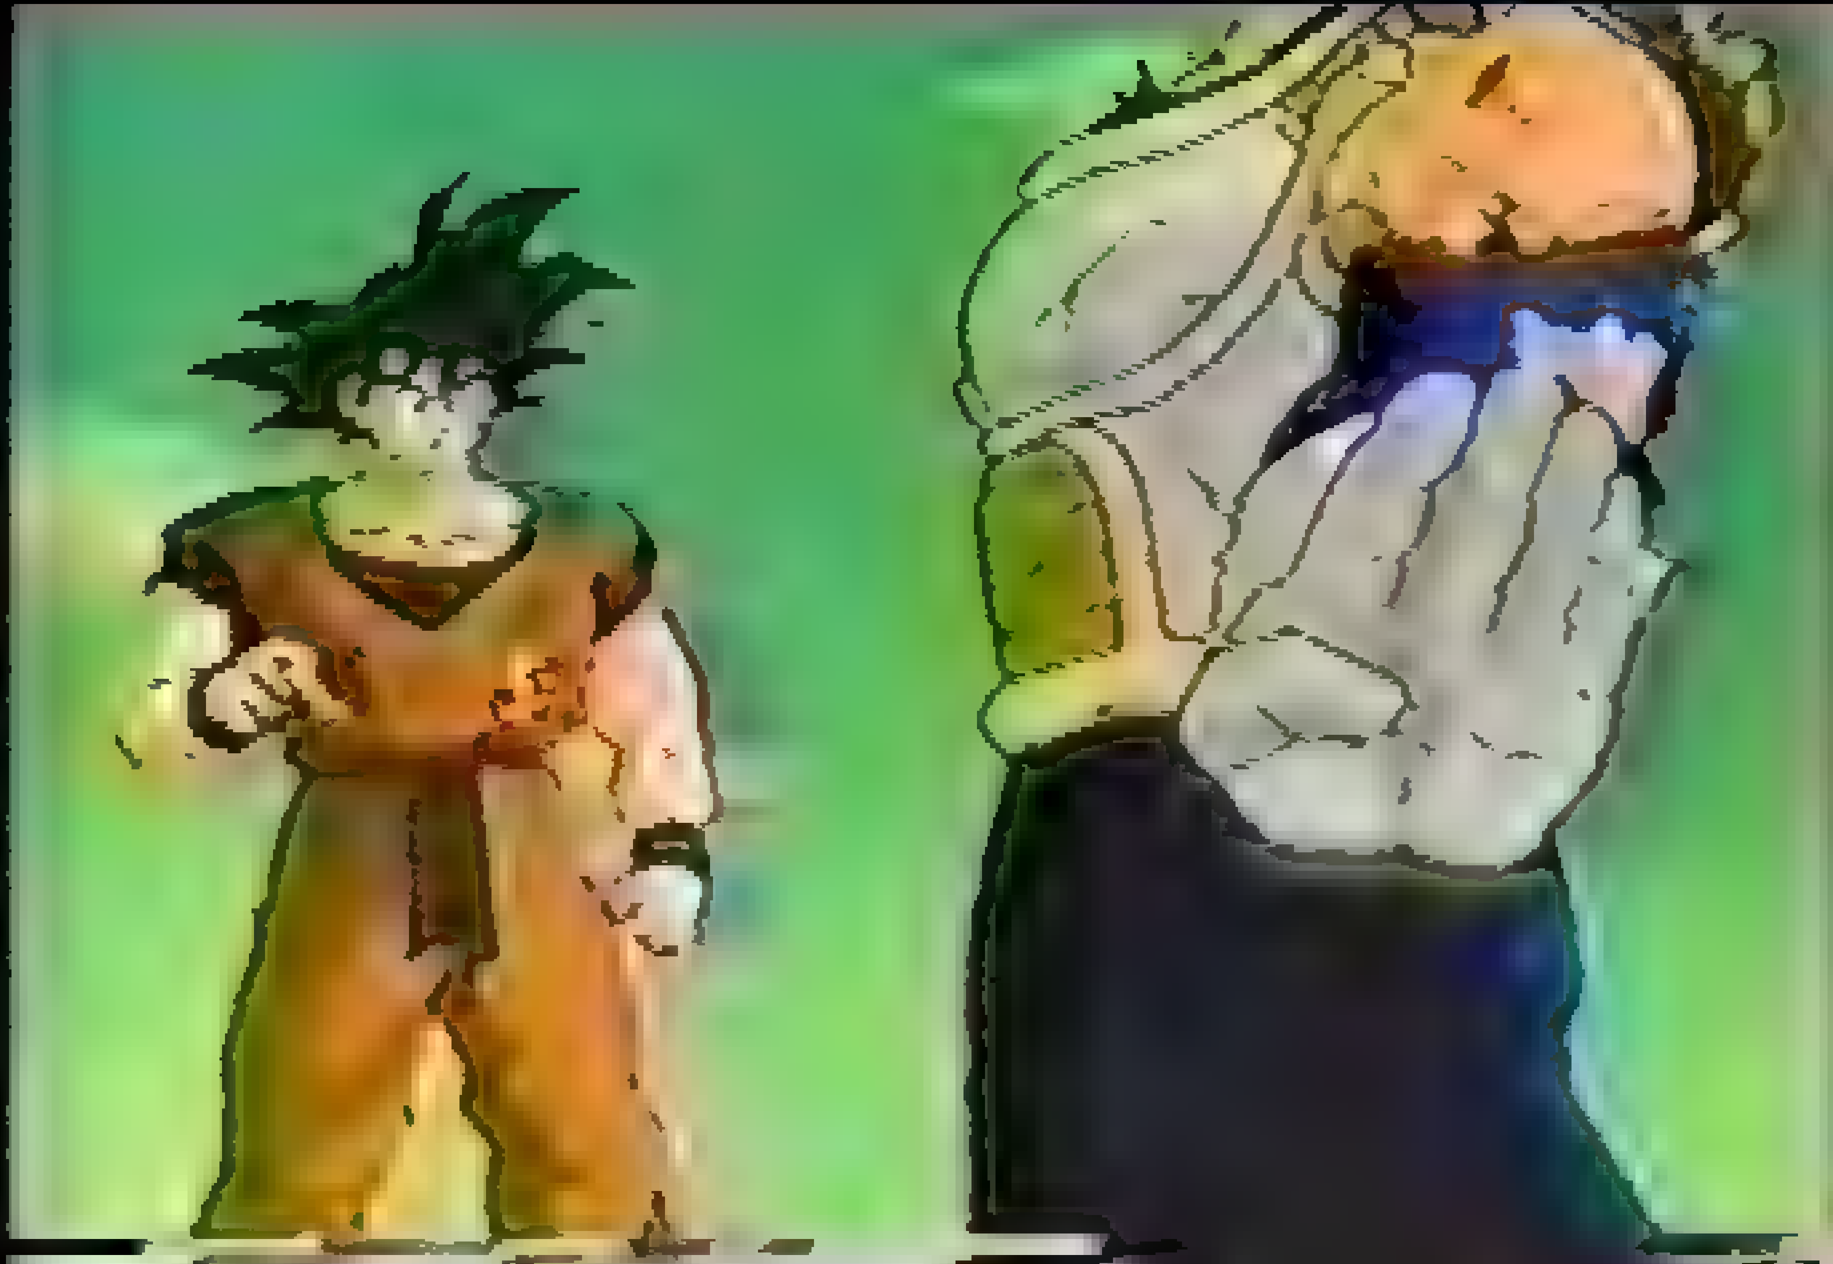

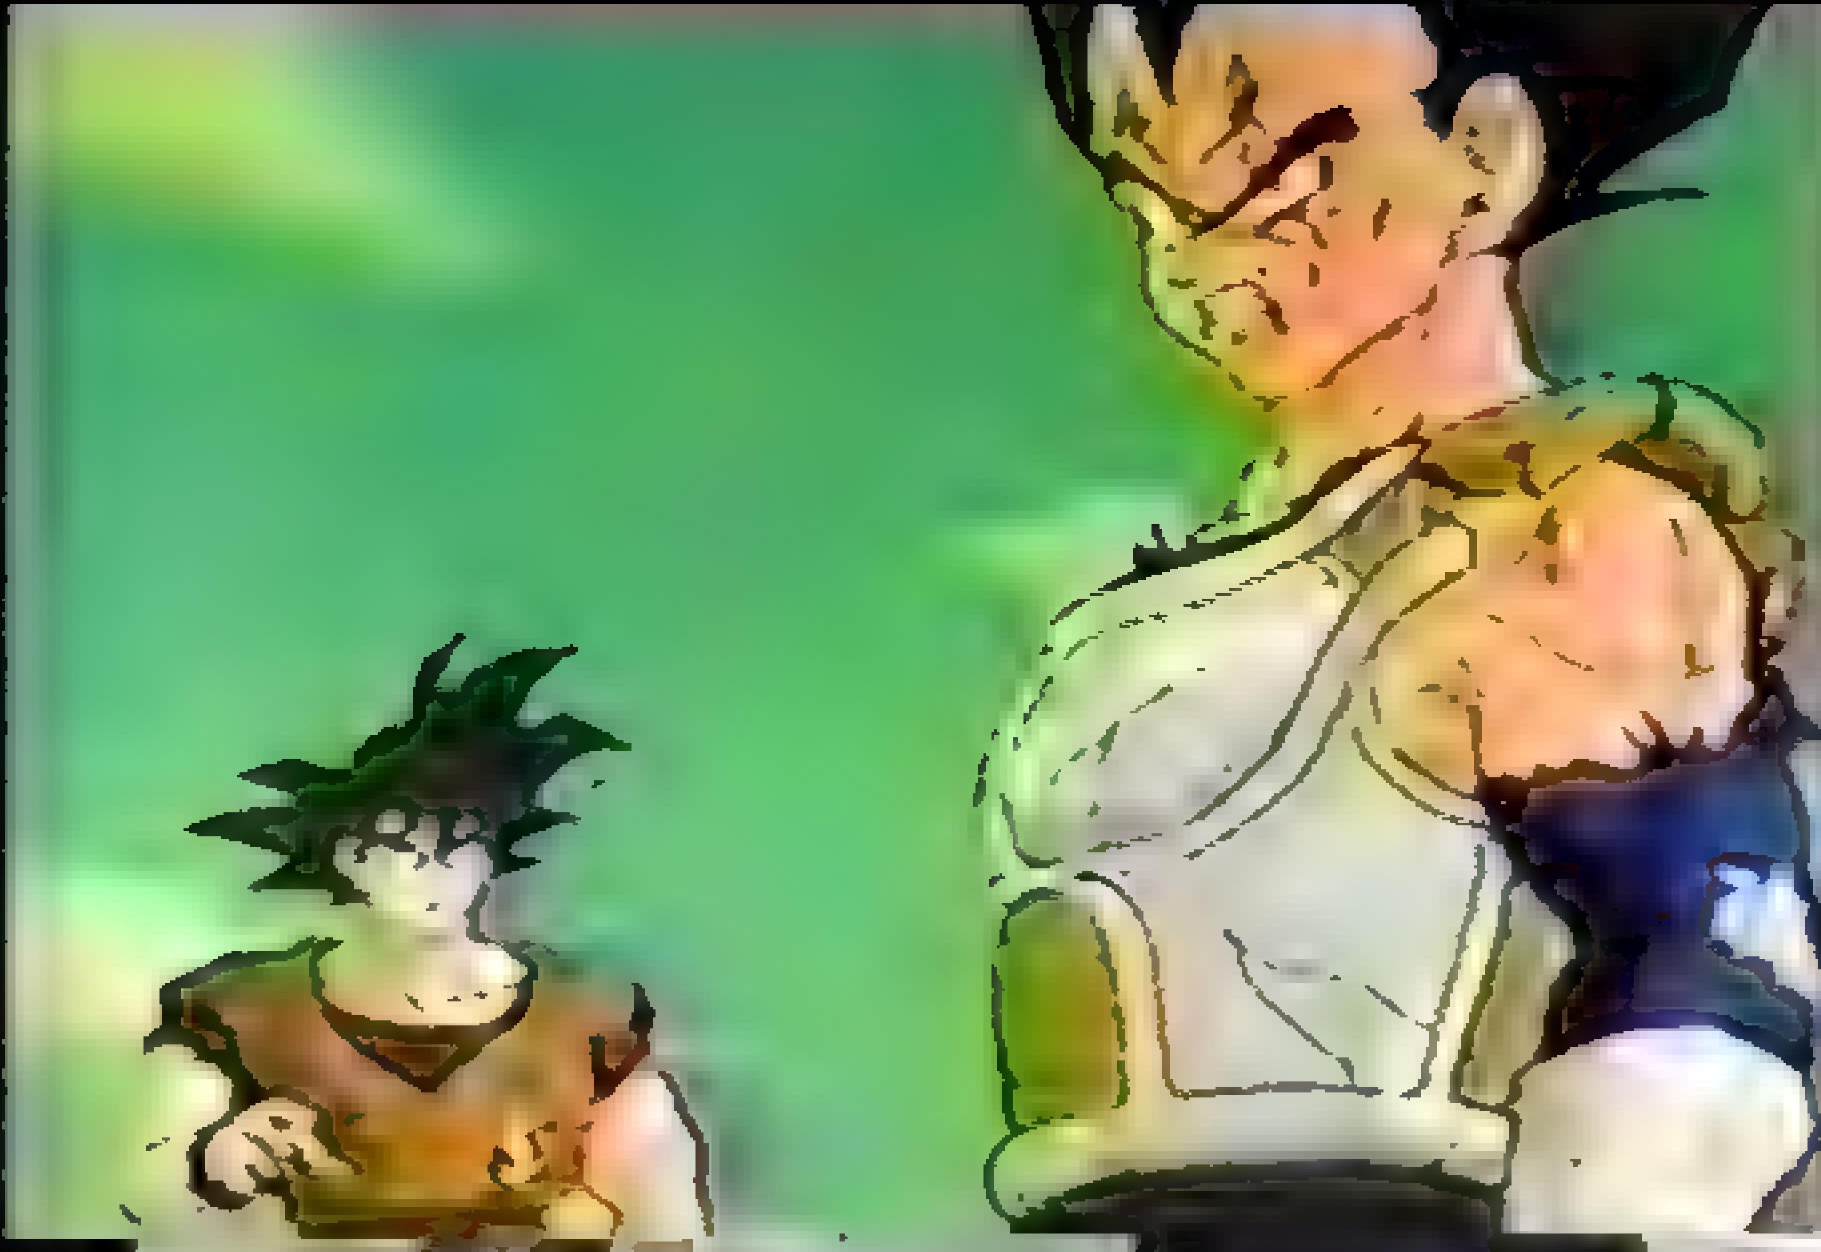

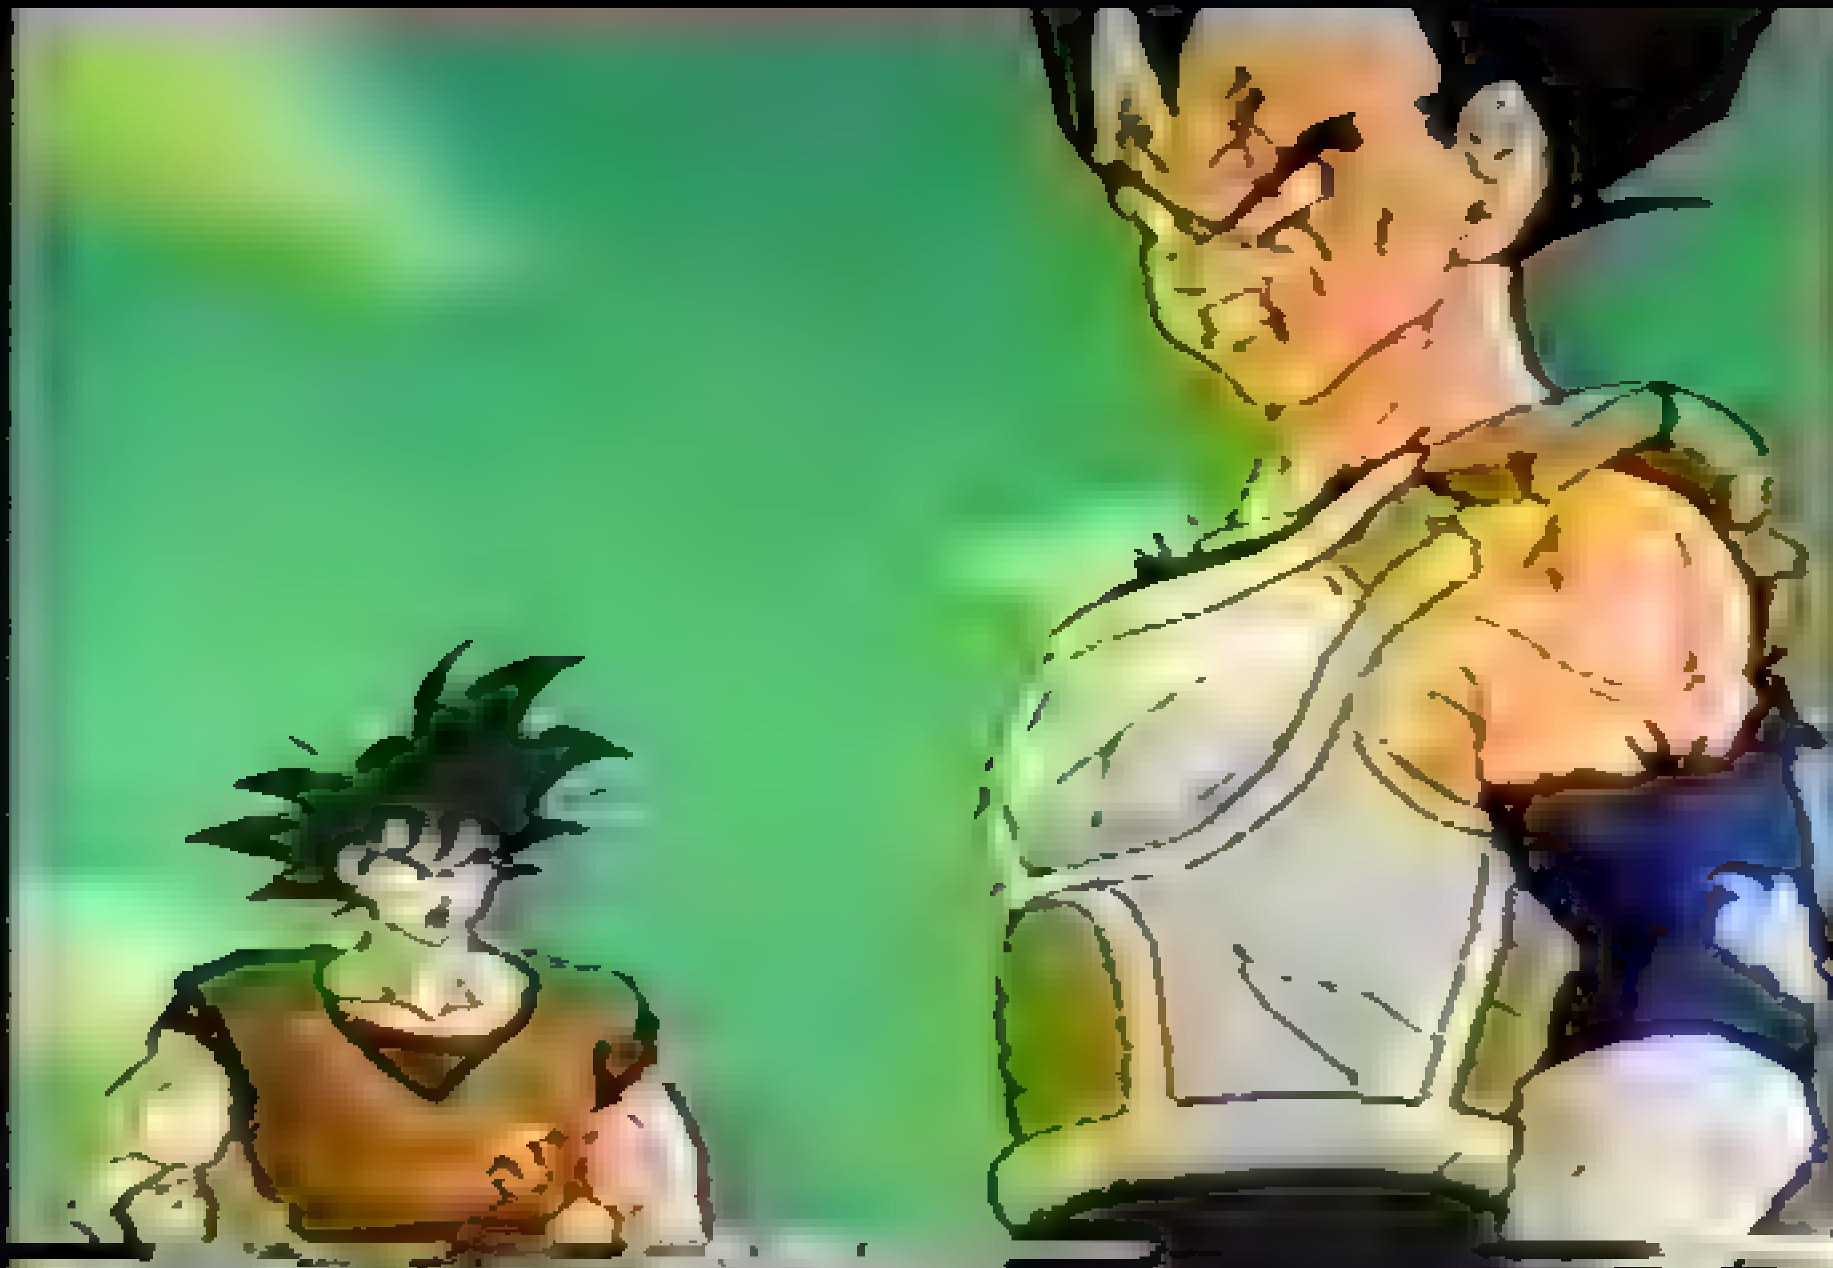

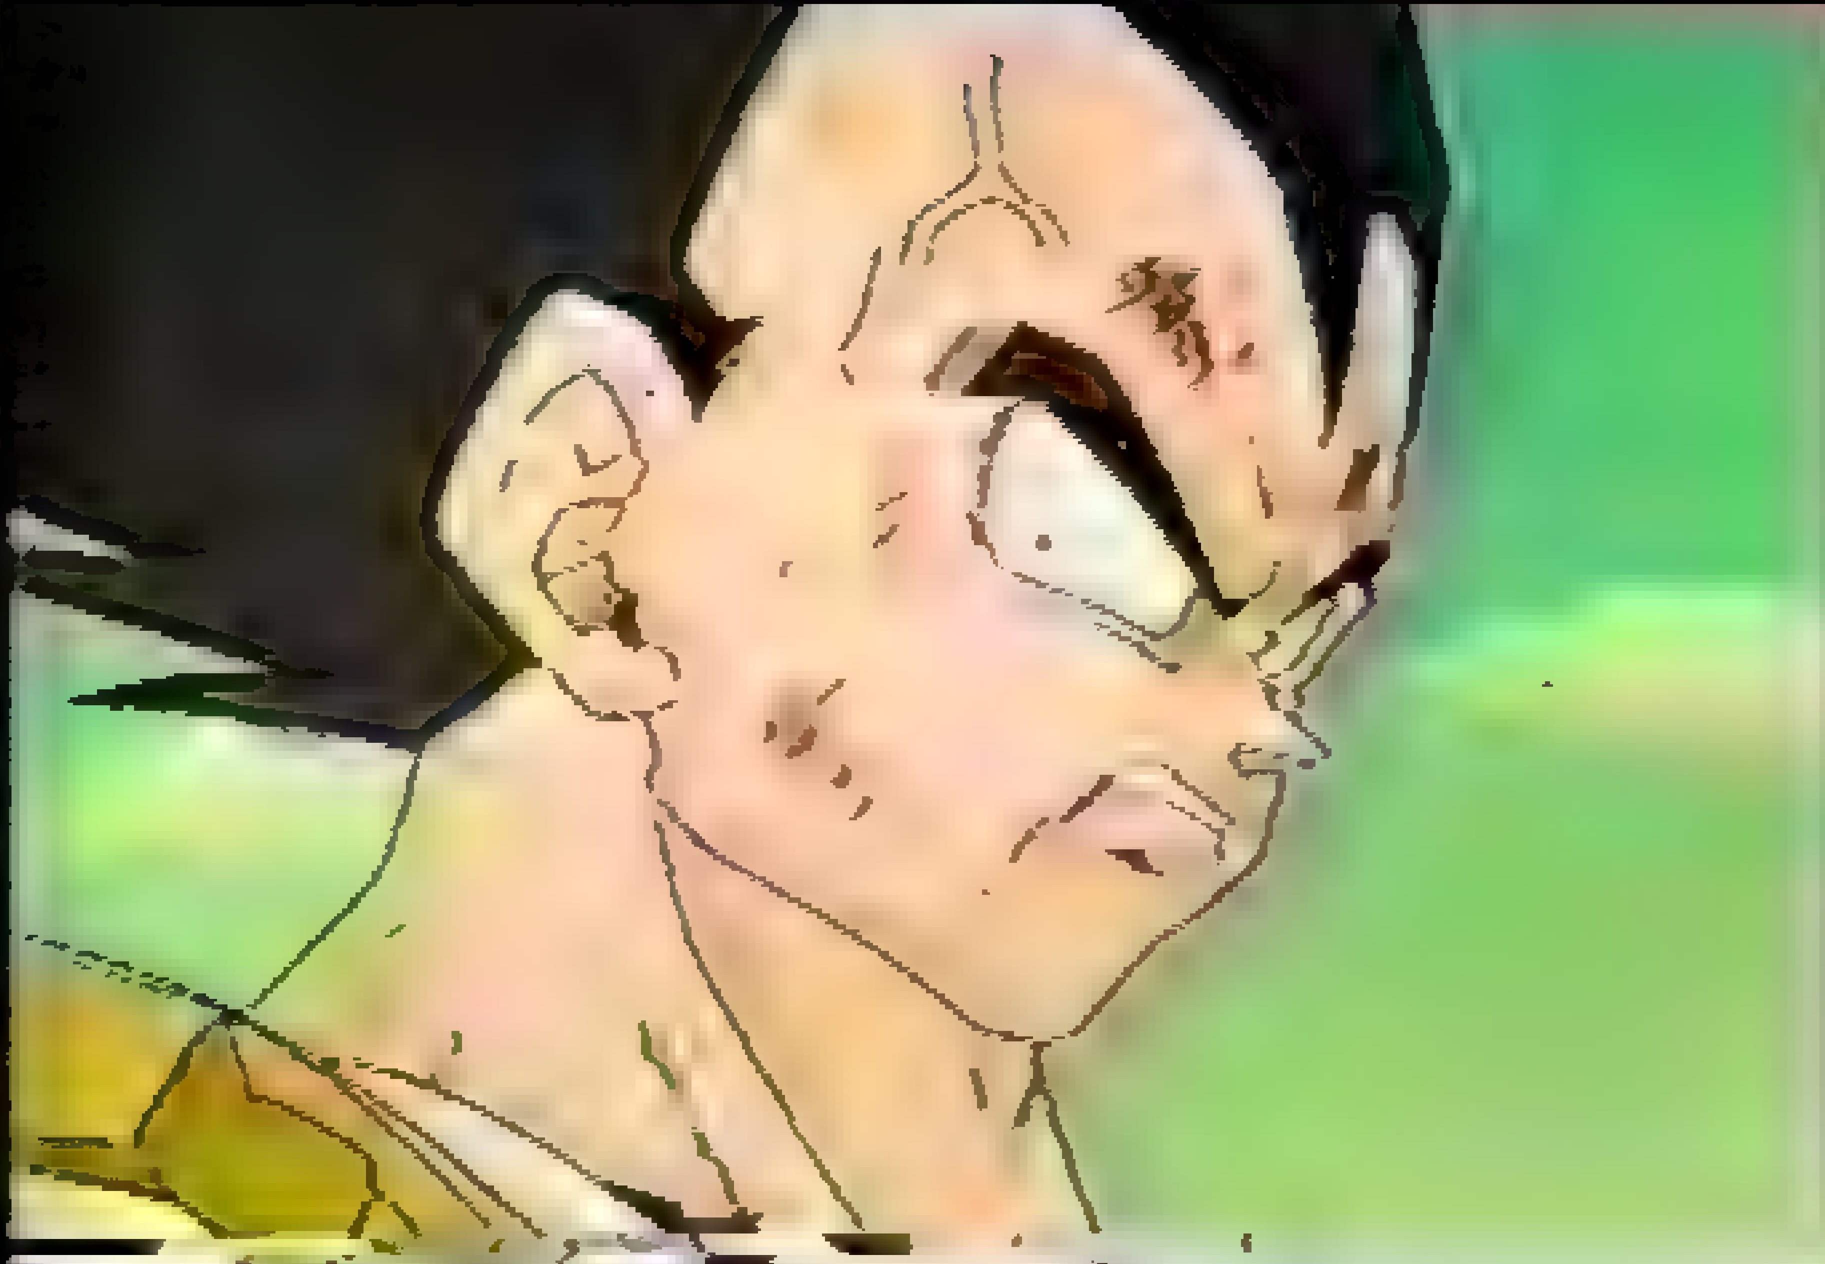

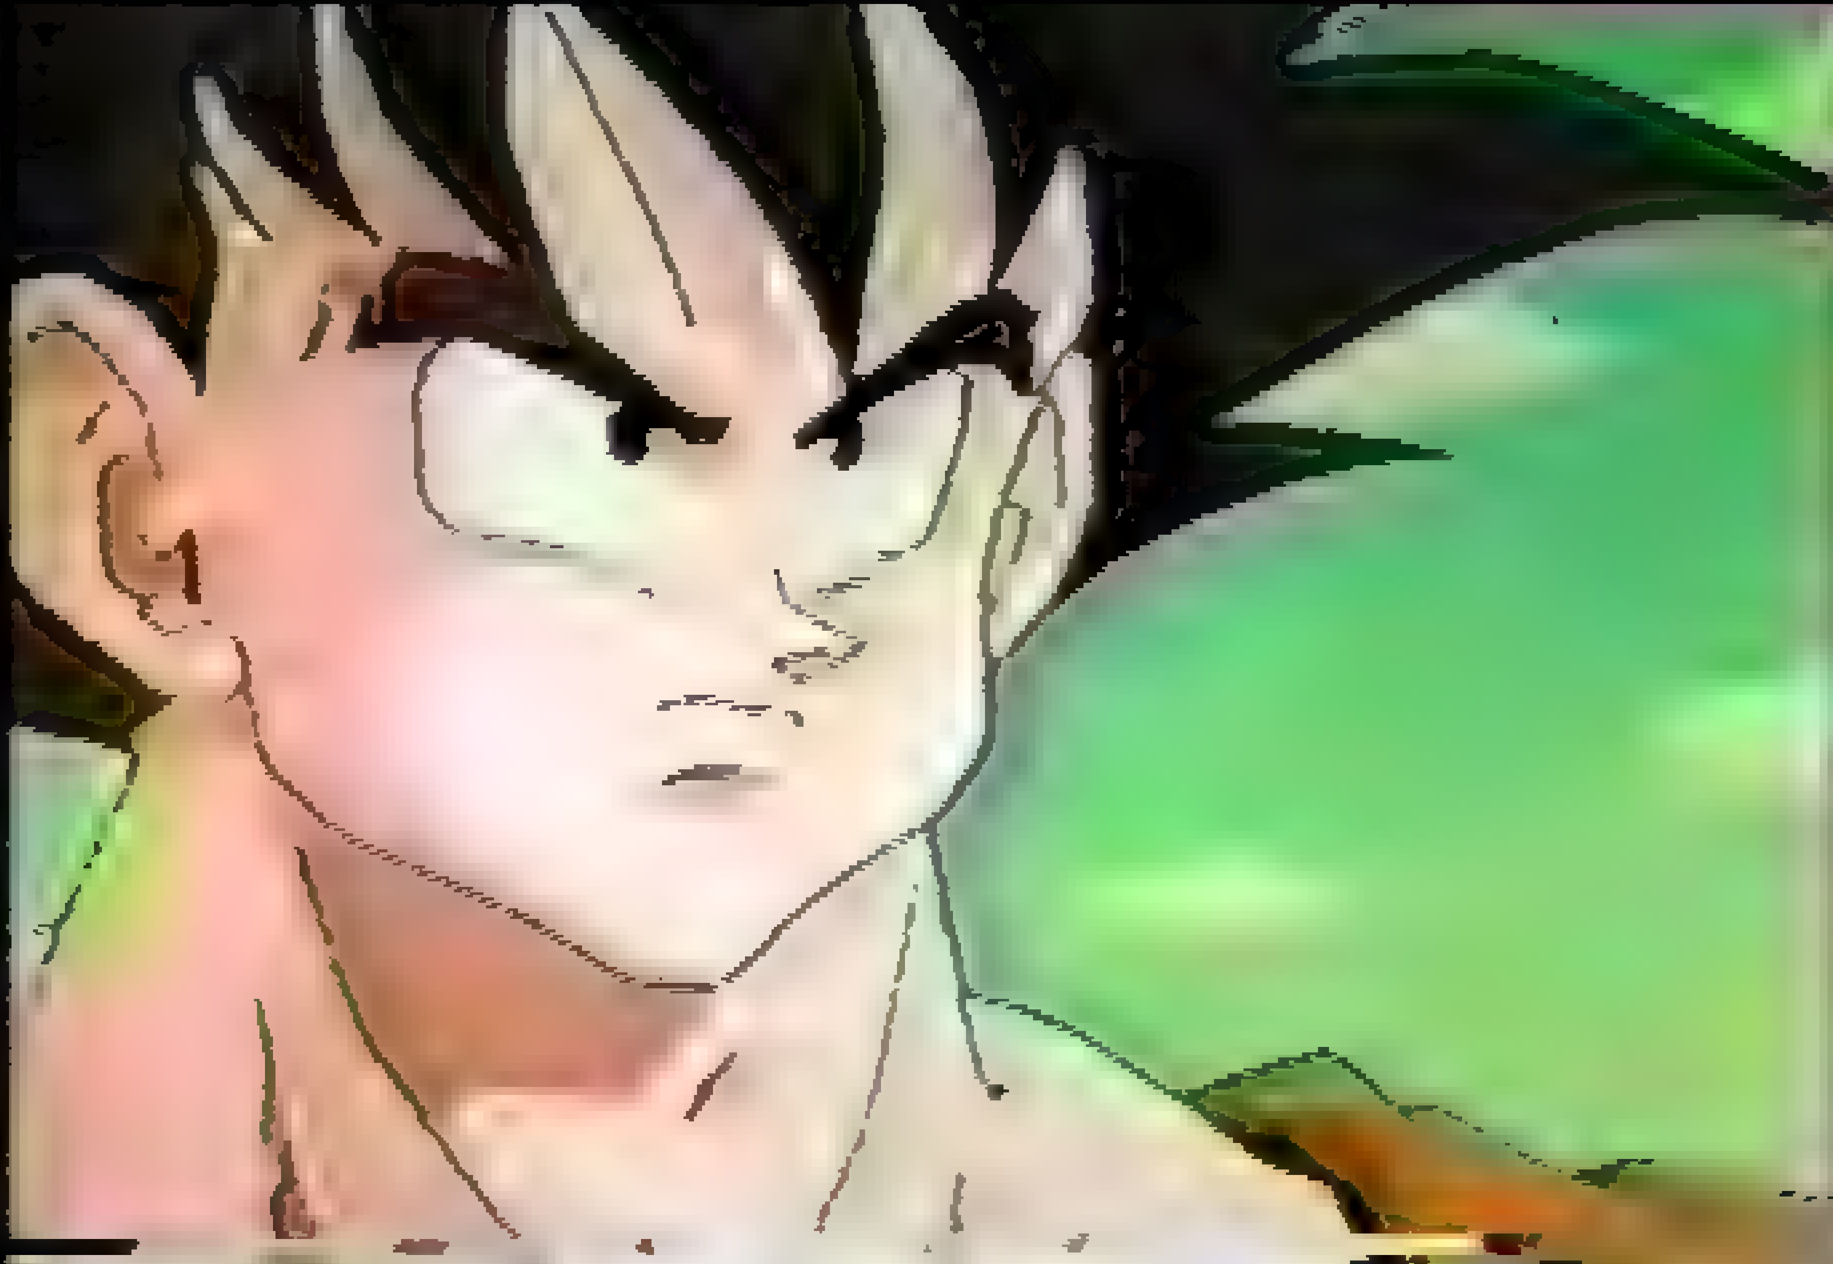

I told you there was
no reason to kill them.

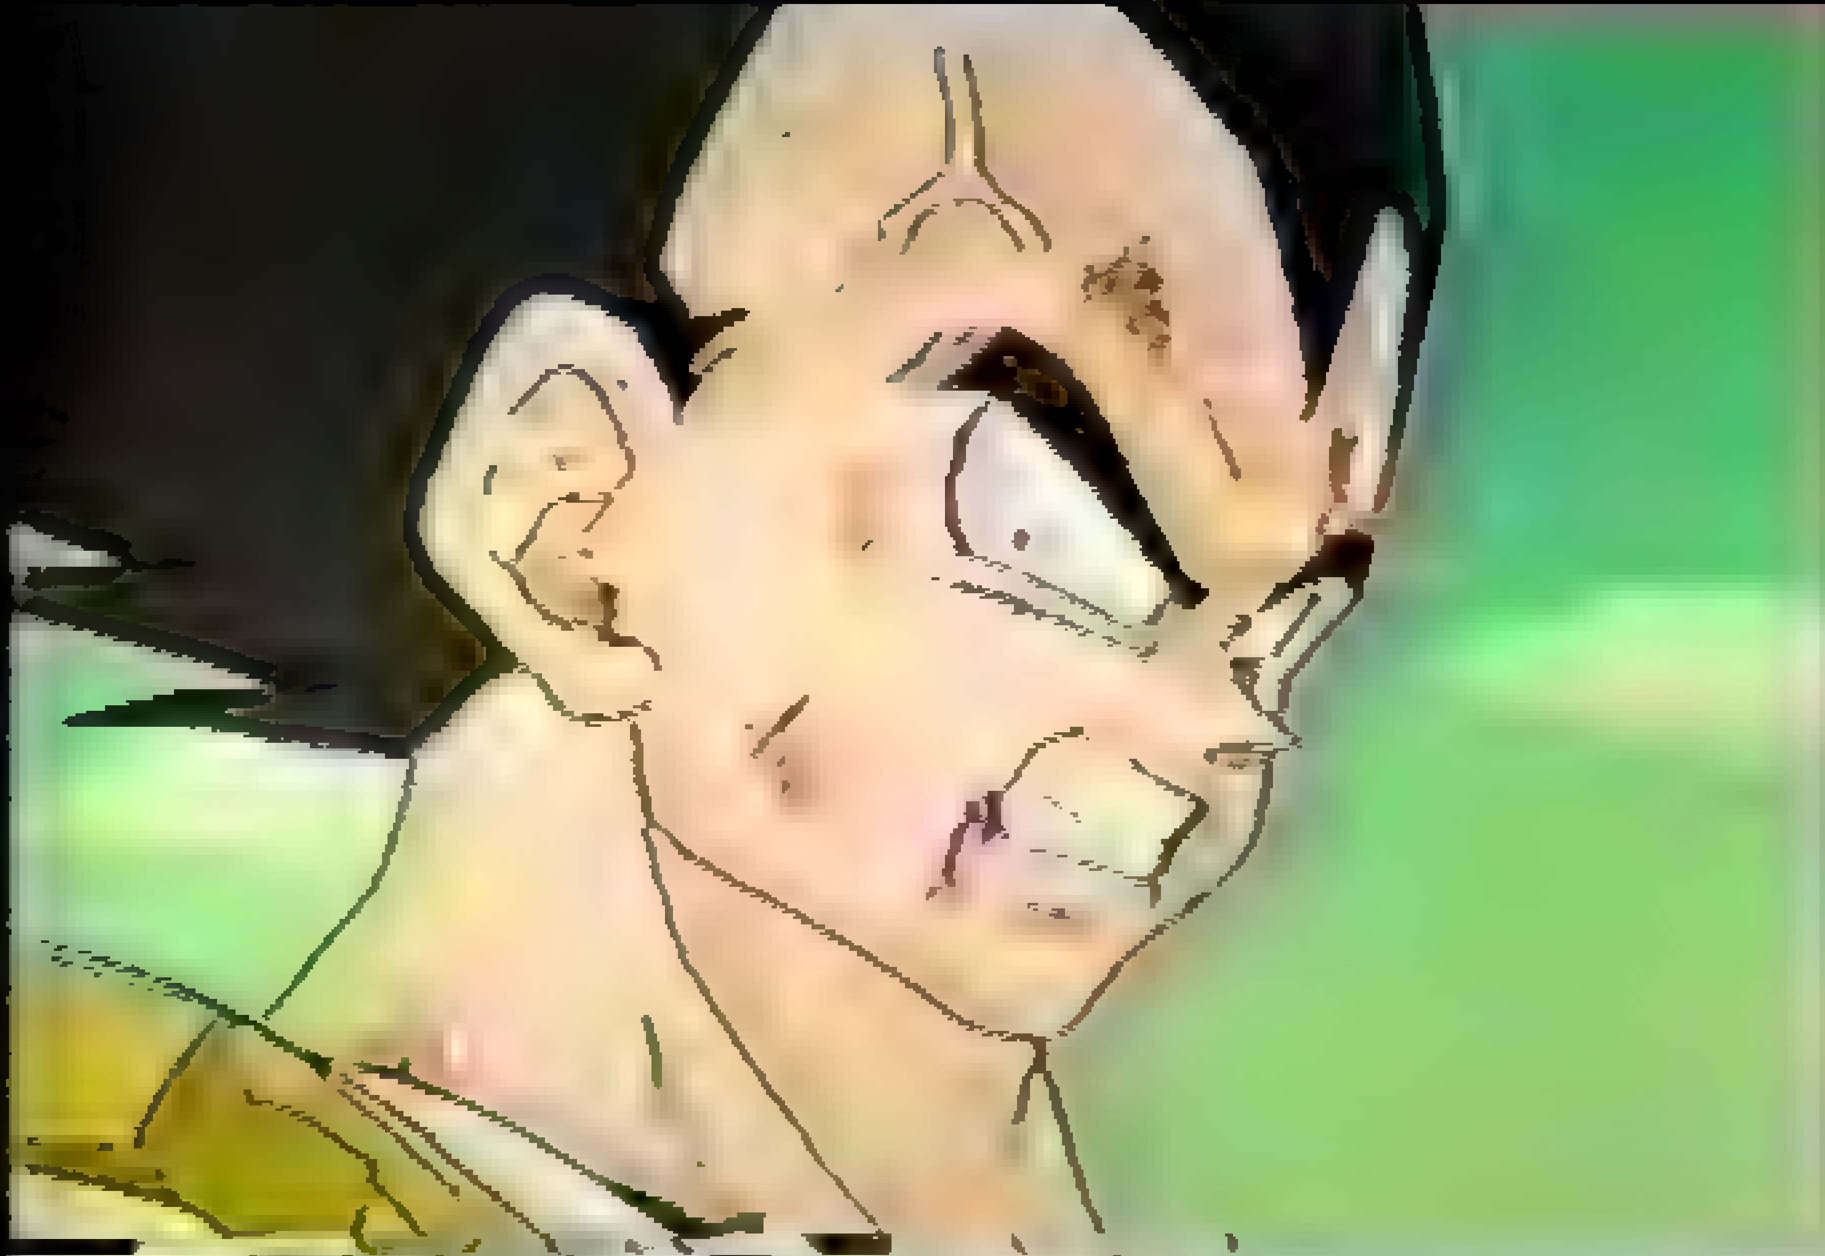

I told you there was
no reason to kill them.

As usual, your softness
makes me sick!

As usual, your softness
makes me sick!

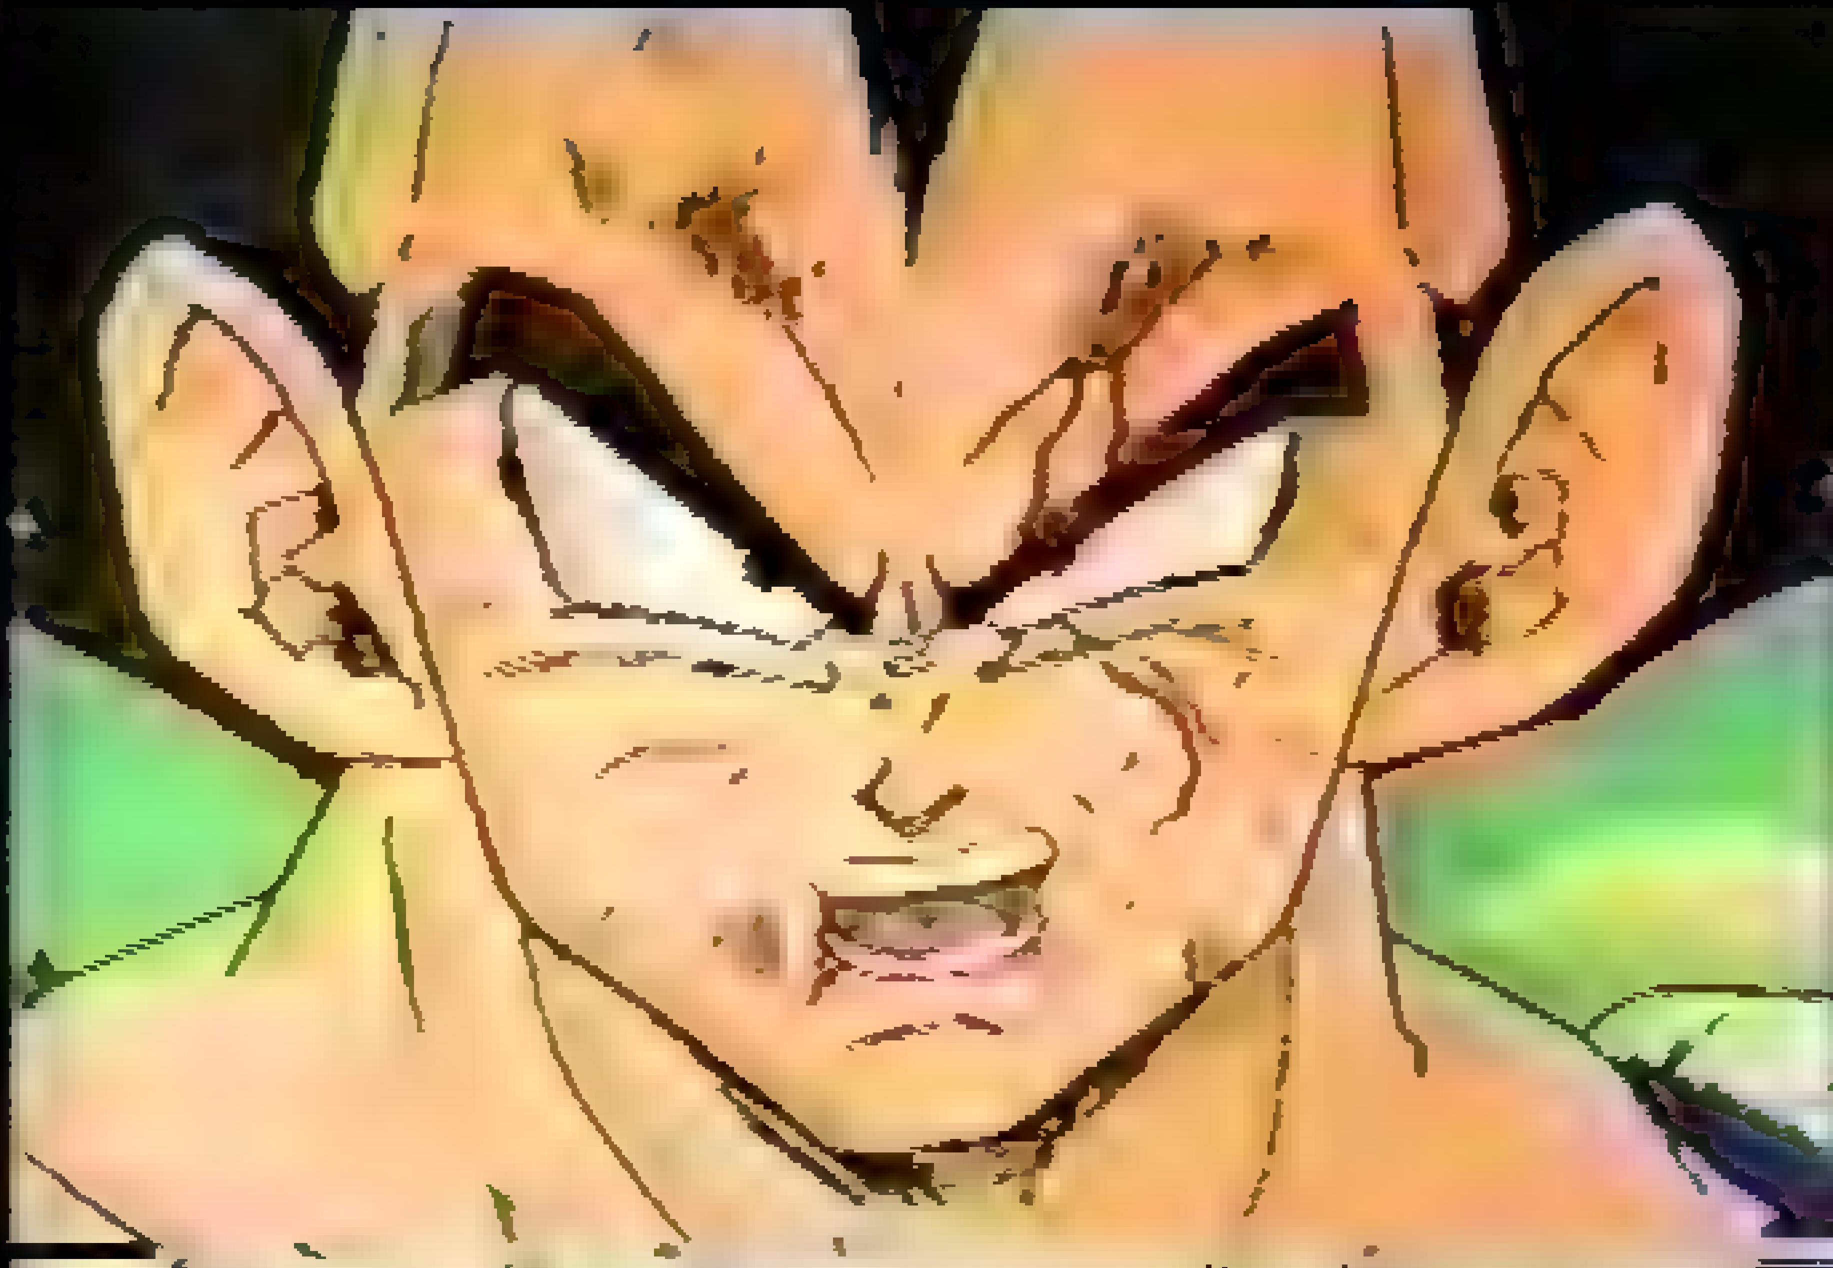

And why did you let one go!

And why did you let one go!

You could've taken care
of him easily!

You couldn't become a Super
Saiyan completely, could you?

You couldn't become a Super
Saiyan completely, could you?

Super Saiyan?

It seems you're proud of
your overwhelming strength.

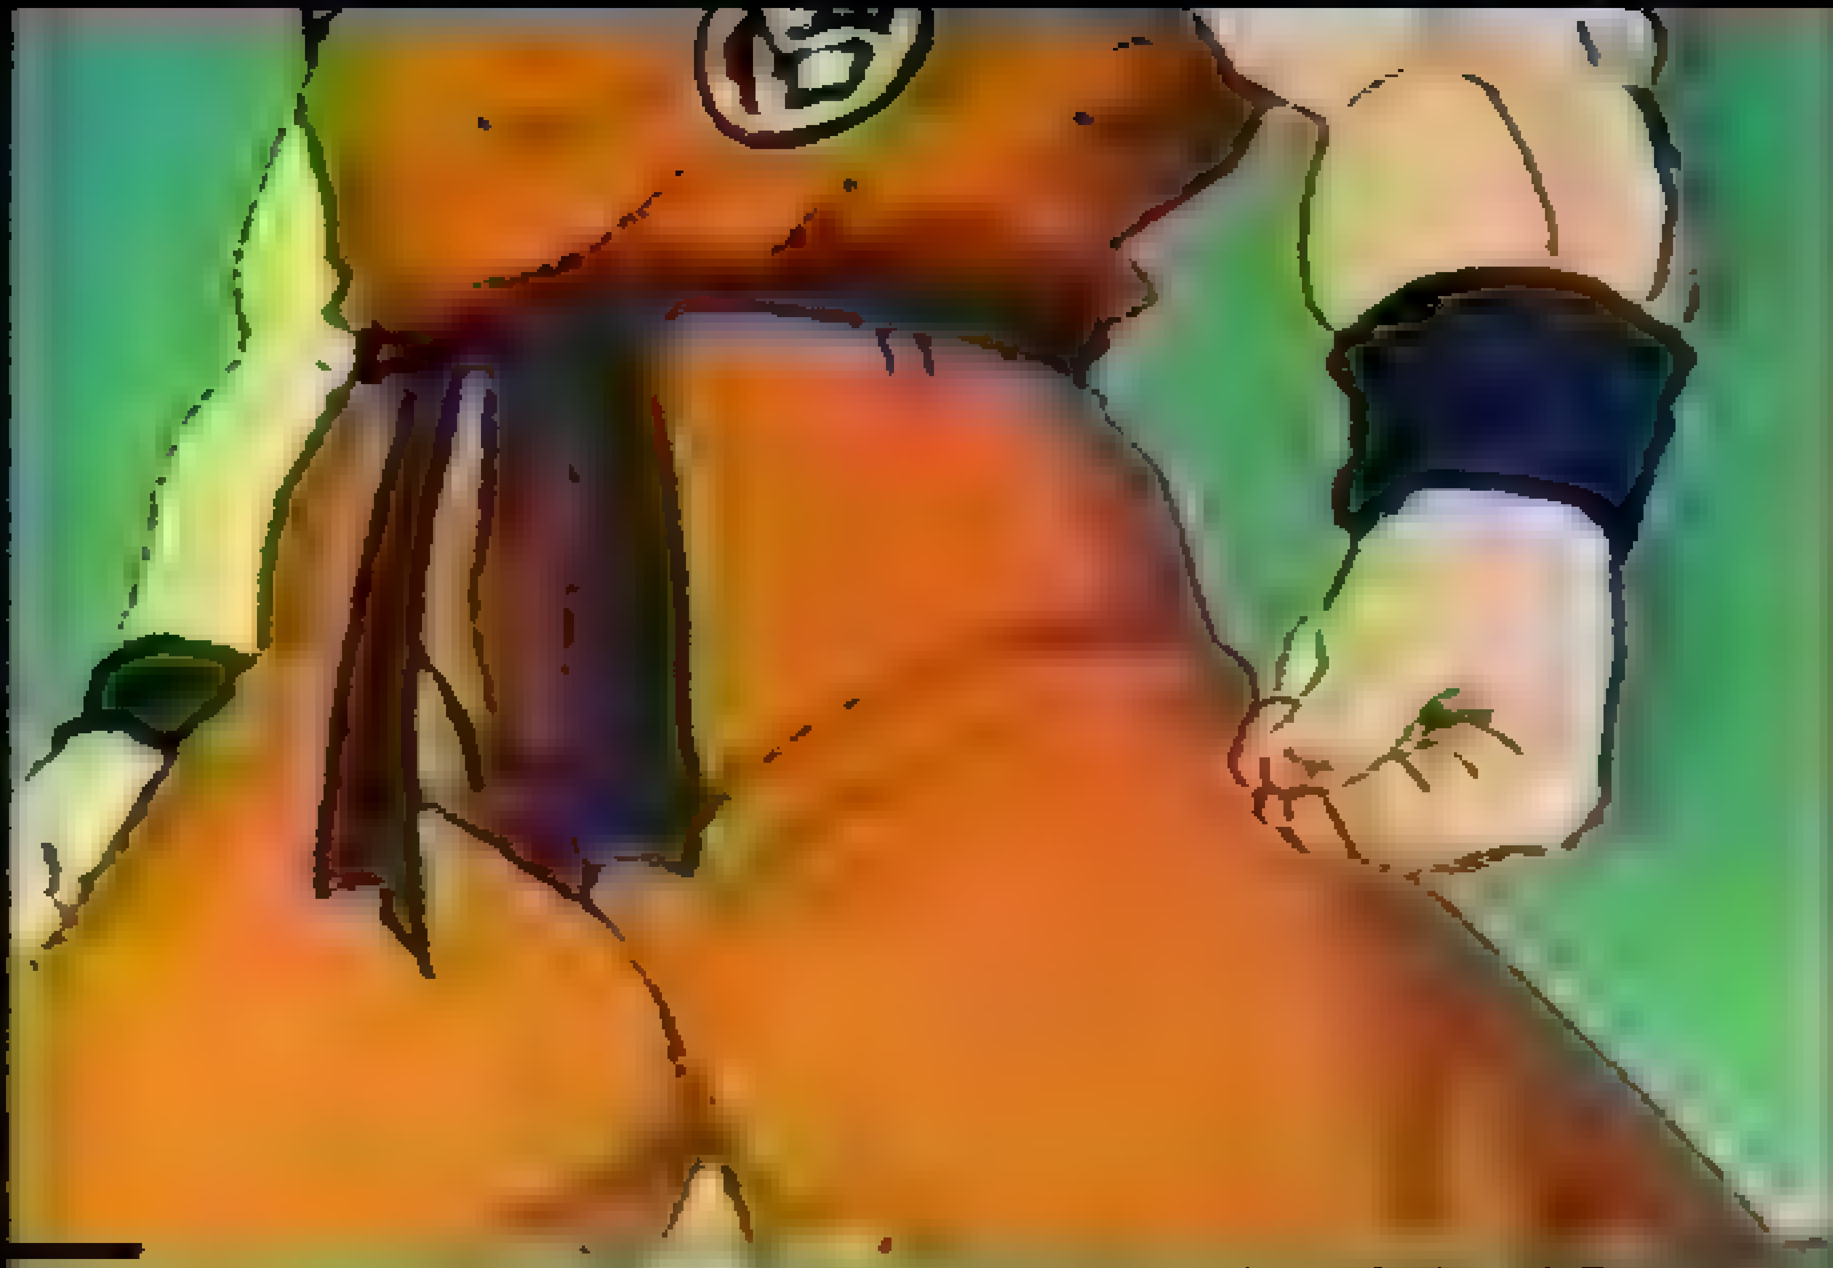

But you can't beat
Freezer like this!

Unless you become
immortal yourself.

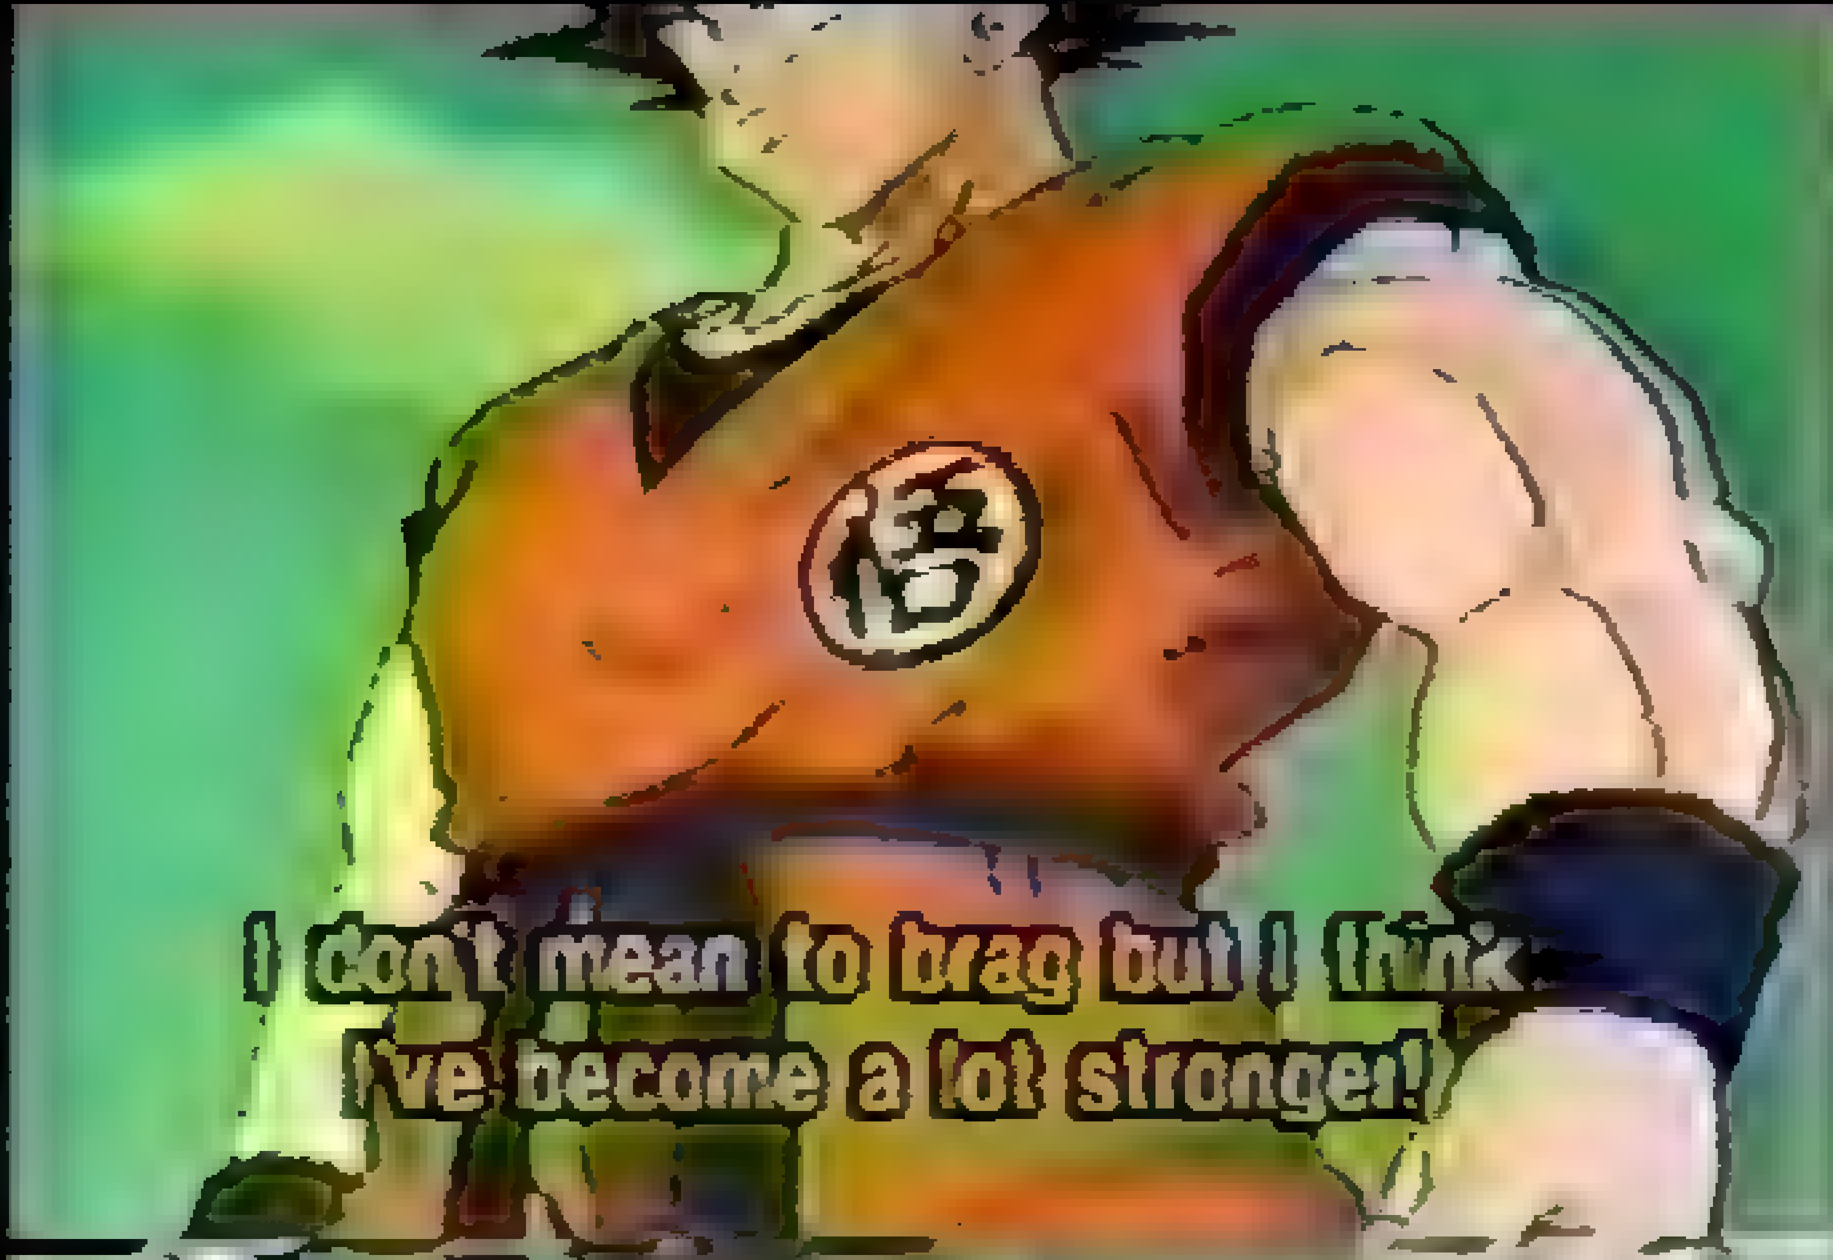

Unless you become
immortal yourself!

You have no idea how
terrifying Freeza is!

You have no idea how
terrifying Freezer is!

I don't mean to brag but I think
I've become a lot stronger!

I don't mean to brag but I think
I've become a lot stronger!

And you're telling me I still
can't beat that Freezer guy?

And you're telling me I still
can't beat that Freezer guy?

That's what I'm saying. If you're going to fight, be prepared.

That's what I'm saying. If you're
going to fight, be prepared.

Freezer's power goes well
beyond what you've imagined.

Freezer's power goes well
beyond what you've imagined.

Freezer's power goes well
beyond what you've imagined.

Aren't you exaggerating
just a little?

Aren't you exaggerating
just a litle?

Didn't you just see
how strong Goku is?

Didn't you just see
how strong Goku is?

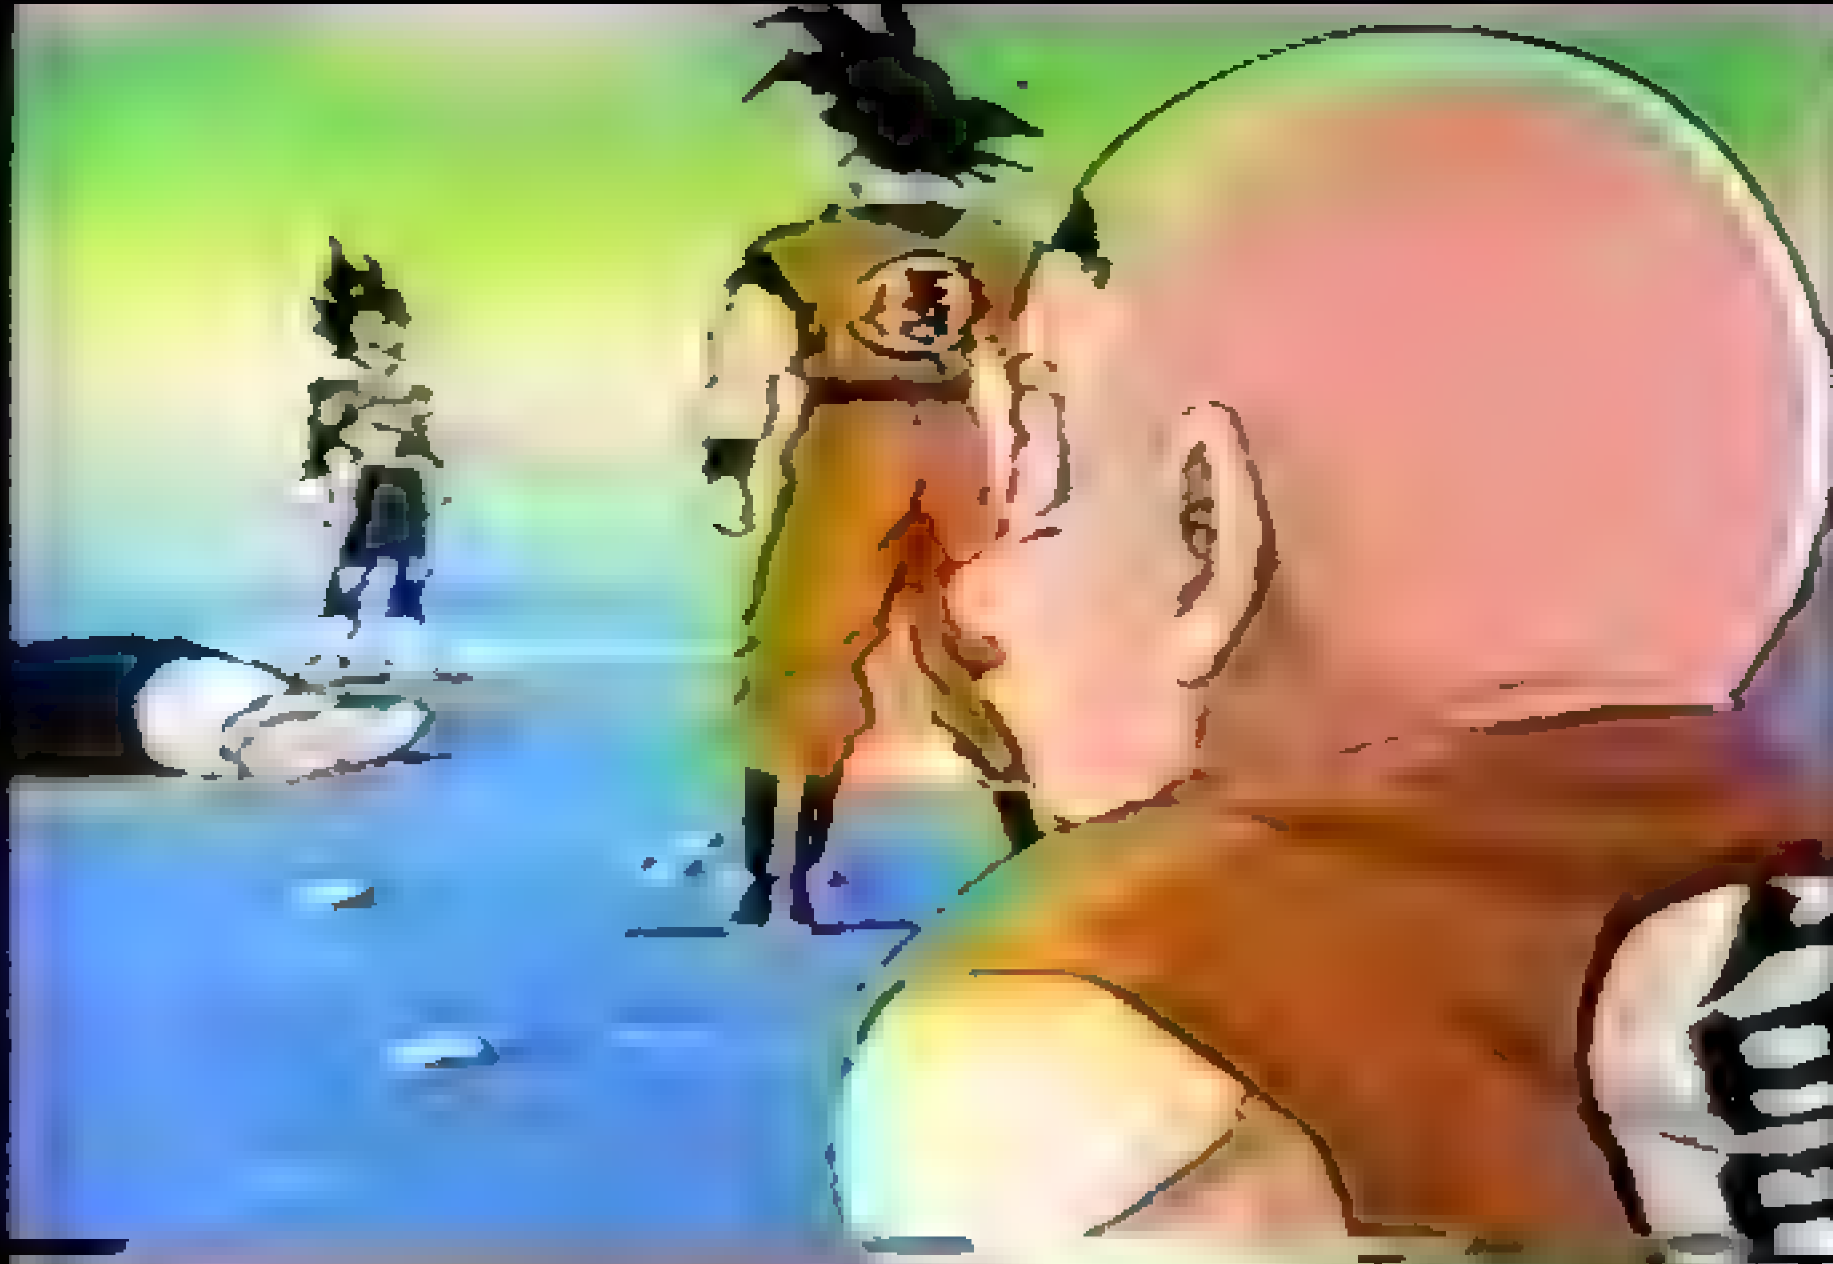

They were all helpless.

There's no one that
can beat Goku!

There's no one that
can beat Goku!

Then, go ahead and fight.

And by now Freezer has
used the Dragon Balls

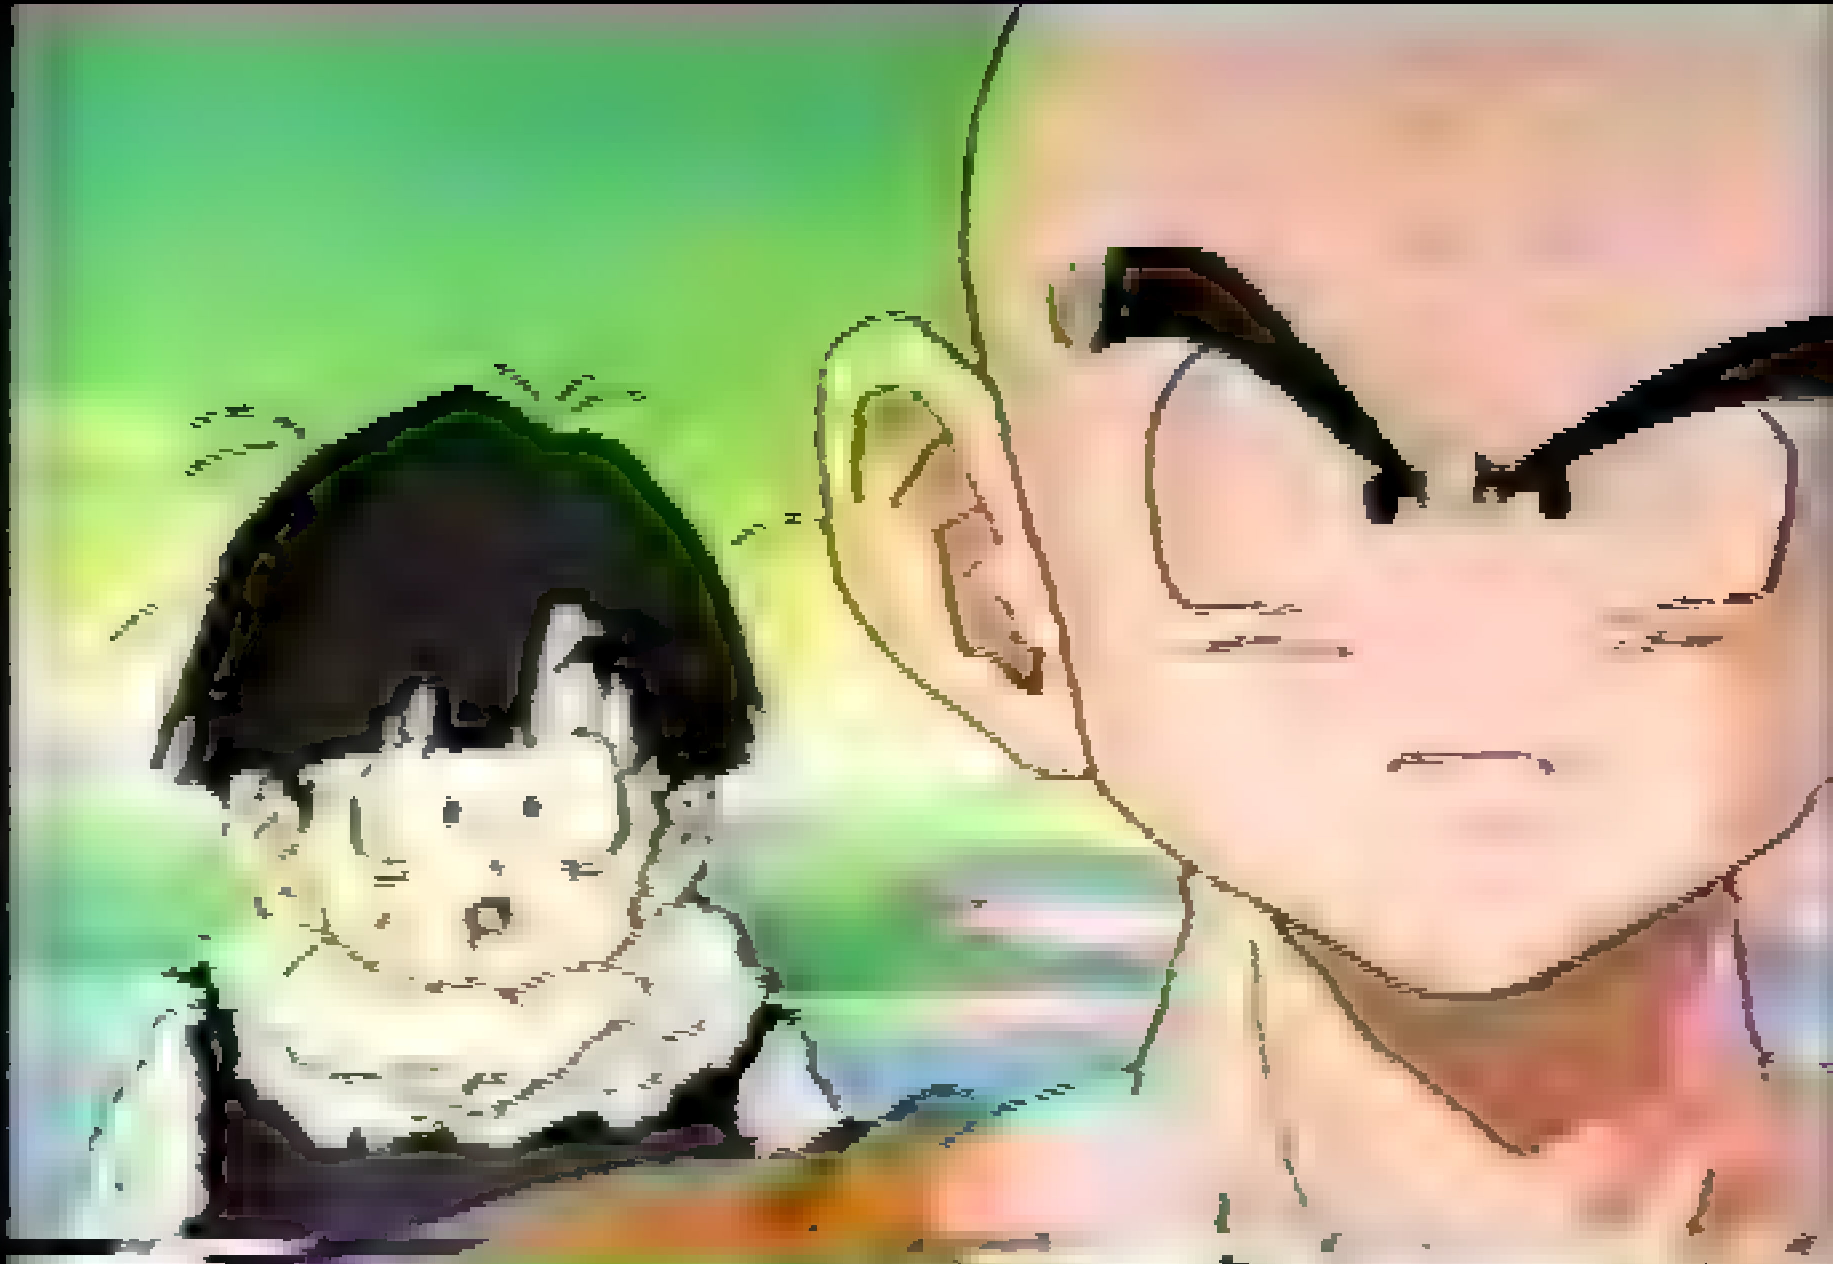

to gain immortality.

to gain immortality.

No matter how you look at it, you
don't have a chance of winning.

No matter how you look at it, you
don't have a chance of winning.

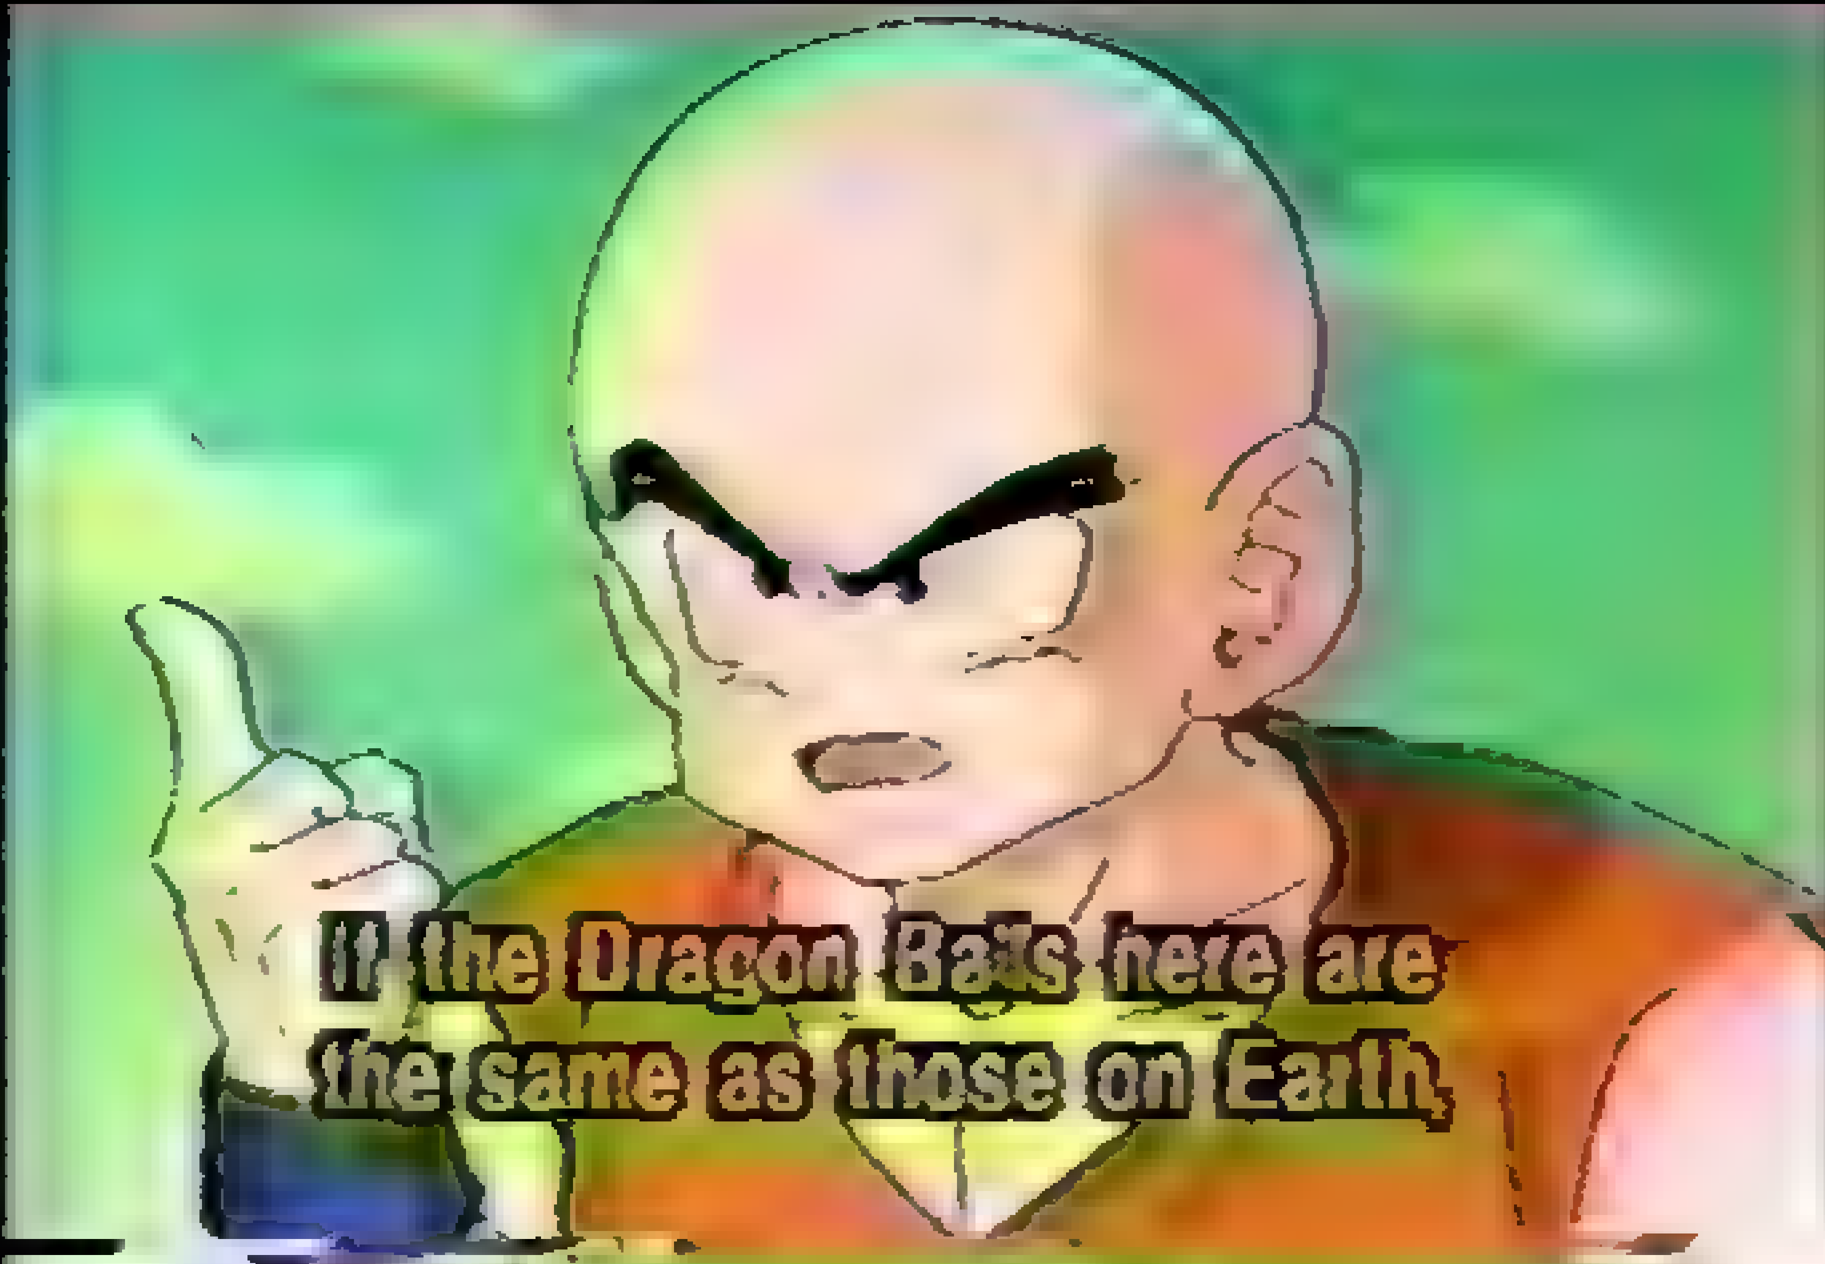

Just pray you don't run into him.

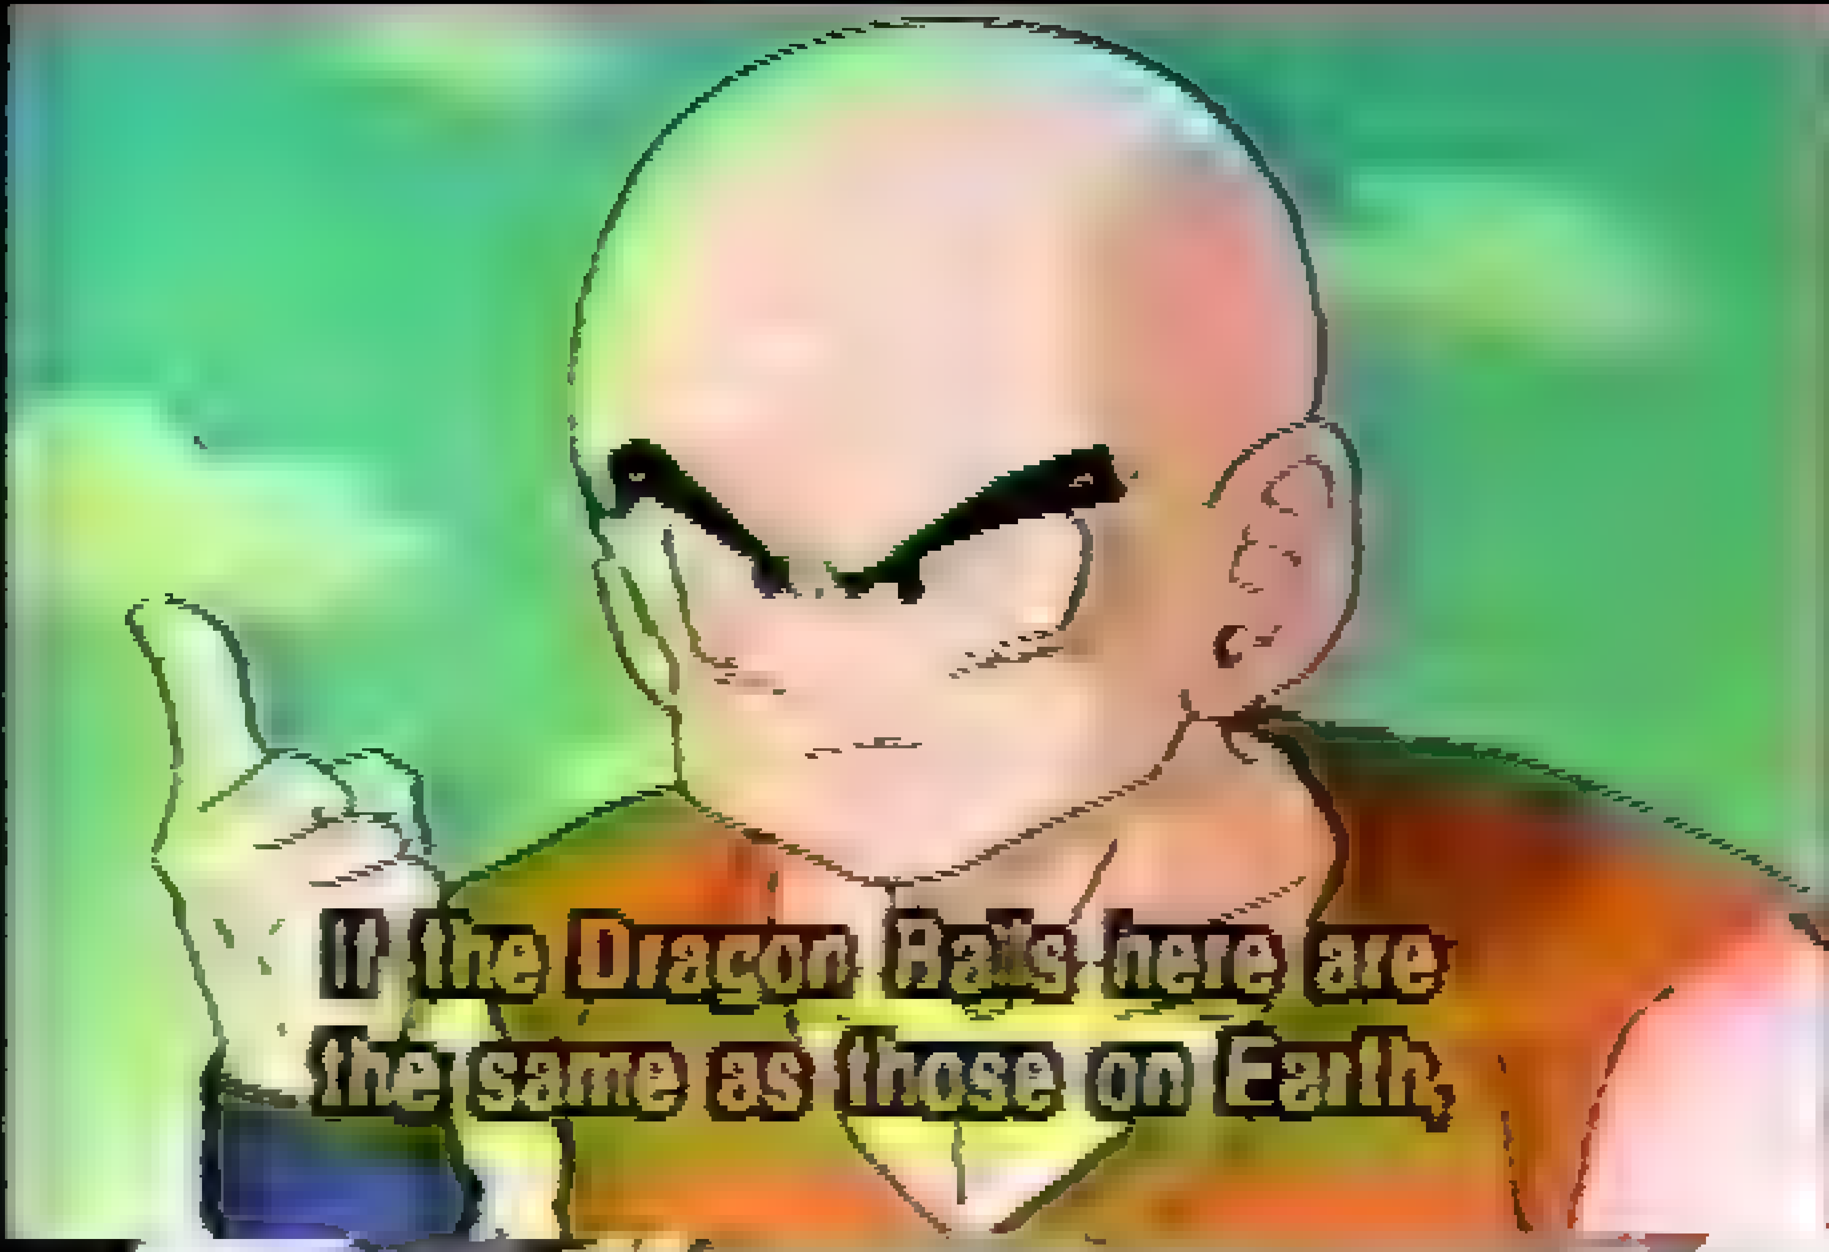

I don't think his wish
has been granted yet.

I don't think his wish
has been granted yet.

How do you know!

If the Dragon Balls here are
the same as those on Earth,

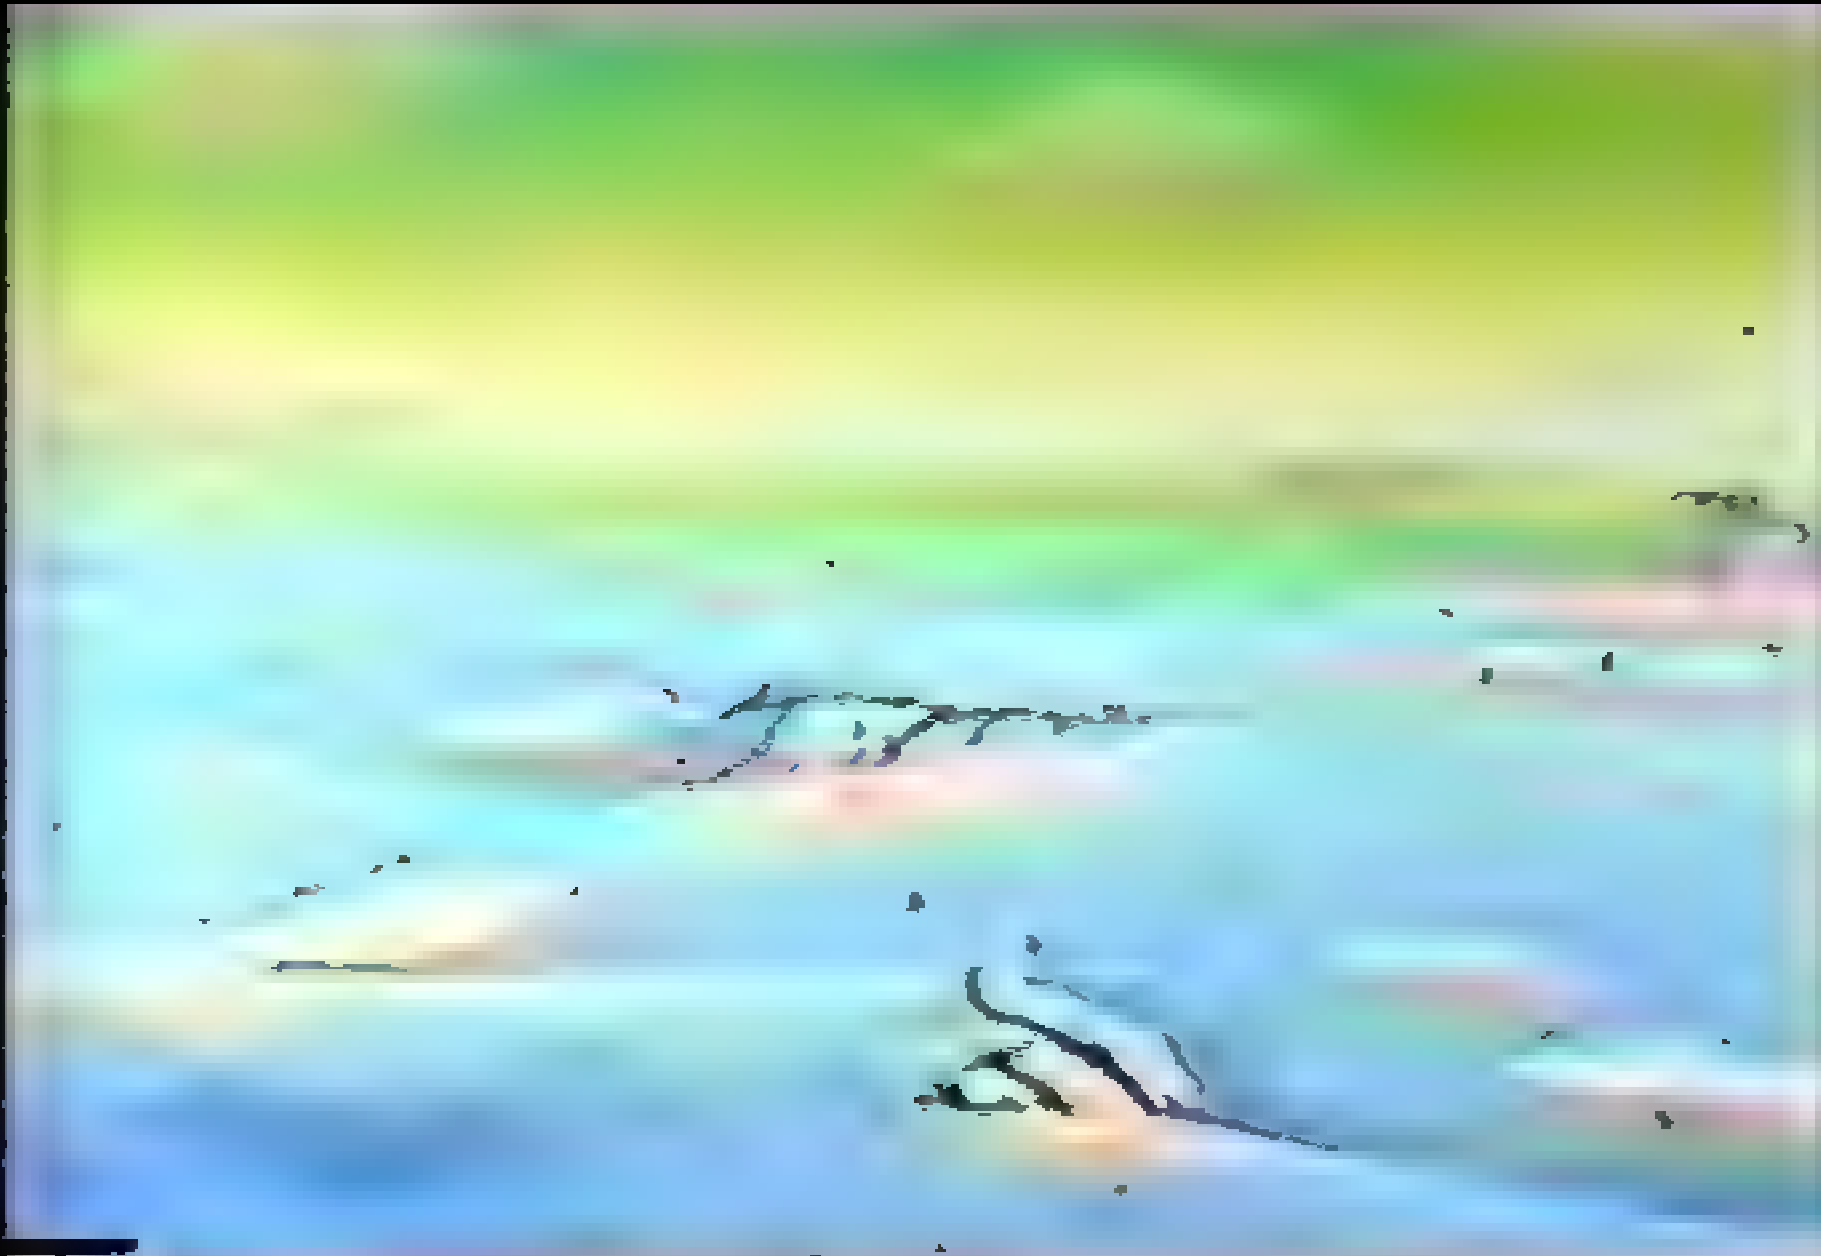

If the Dragon Balls here are
the same as those on Earth,

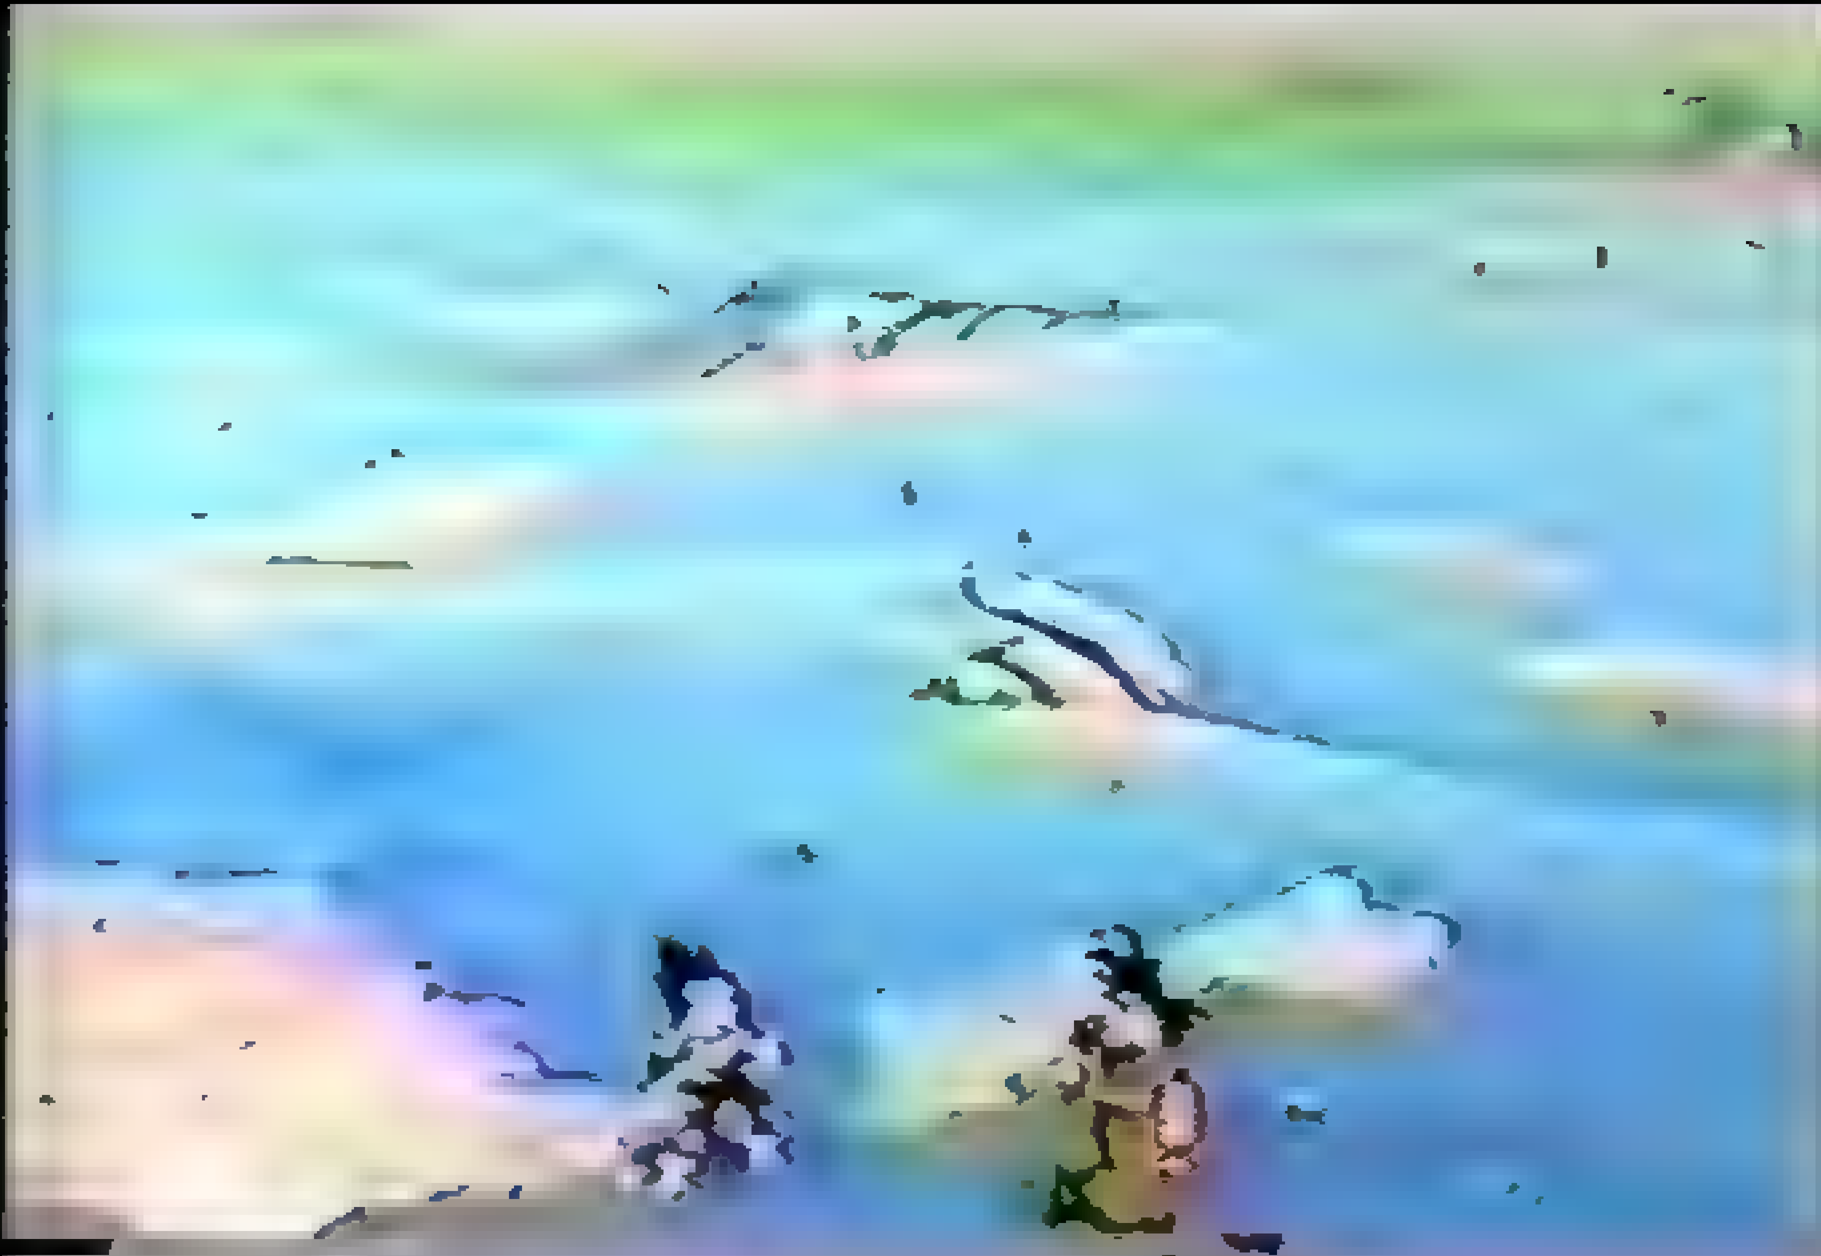

it'd have gotten dark when
Shen'on appeared, right?

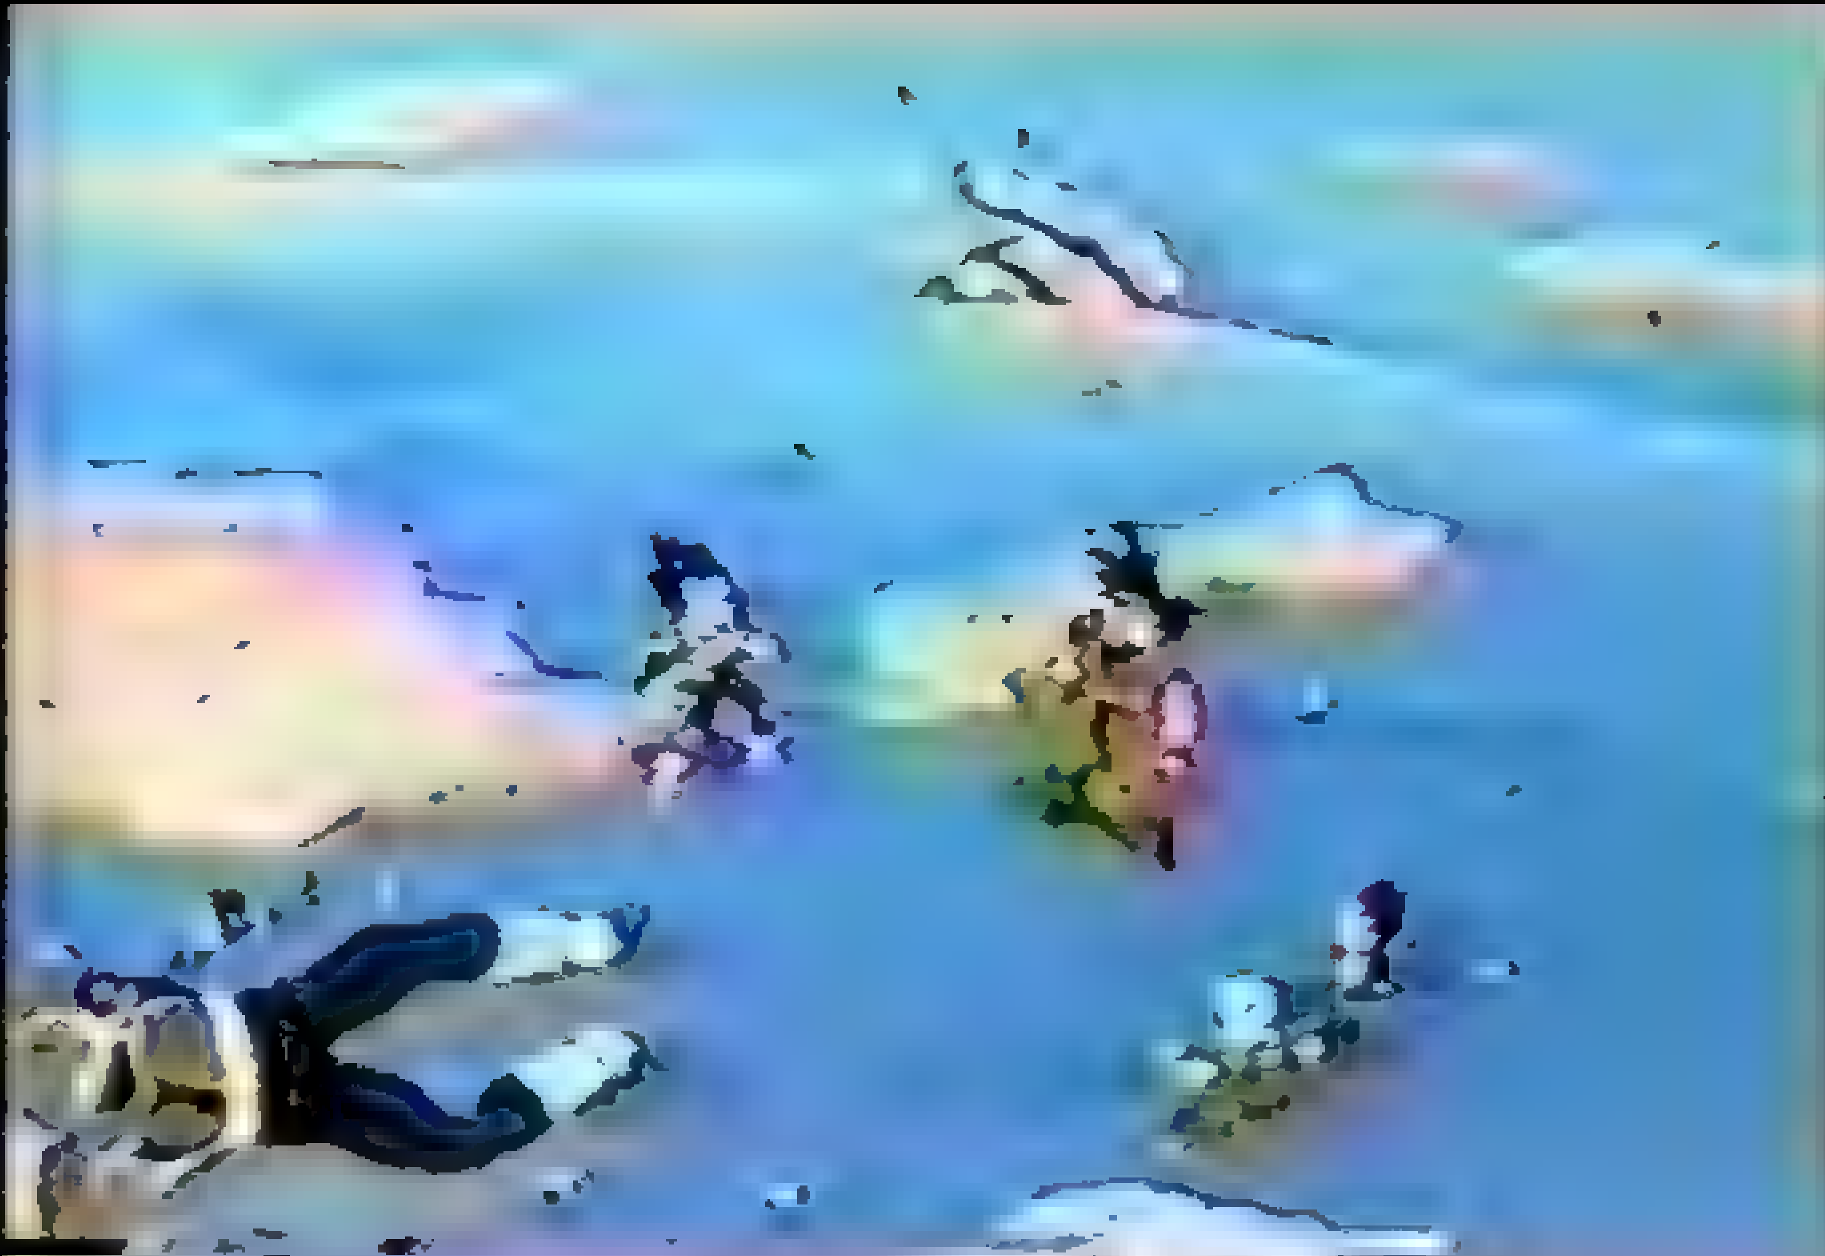

it'd have gotten dark when
Shenlon appeared, right?

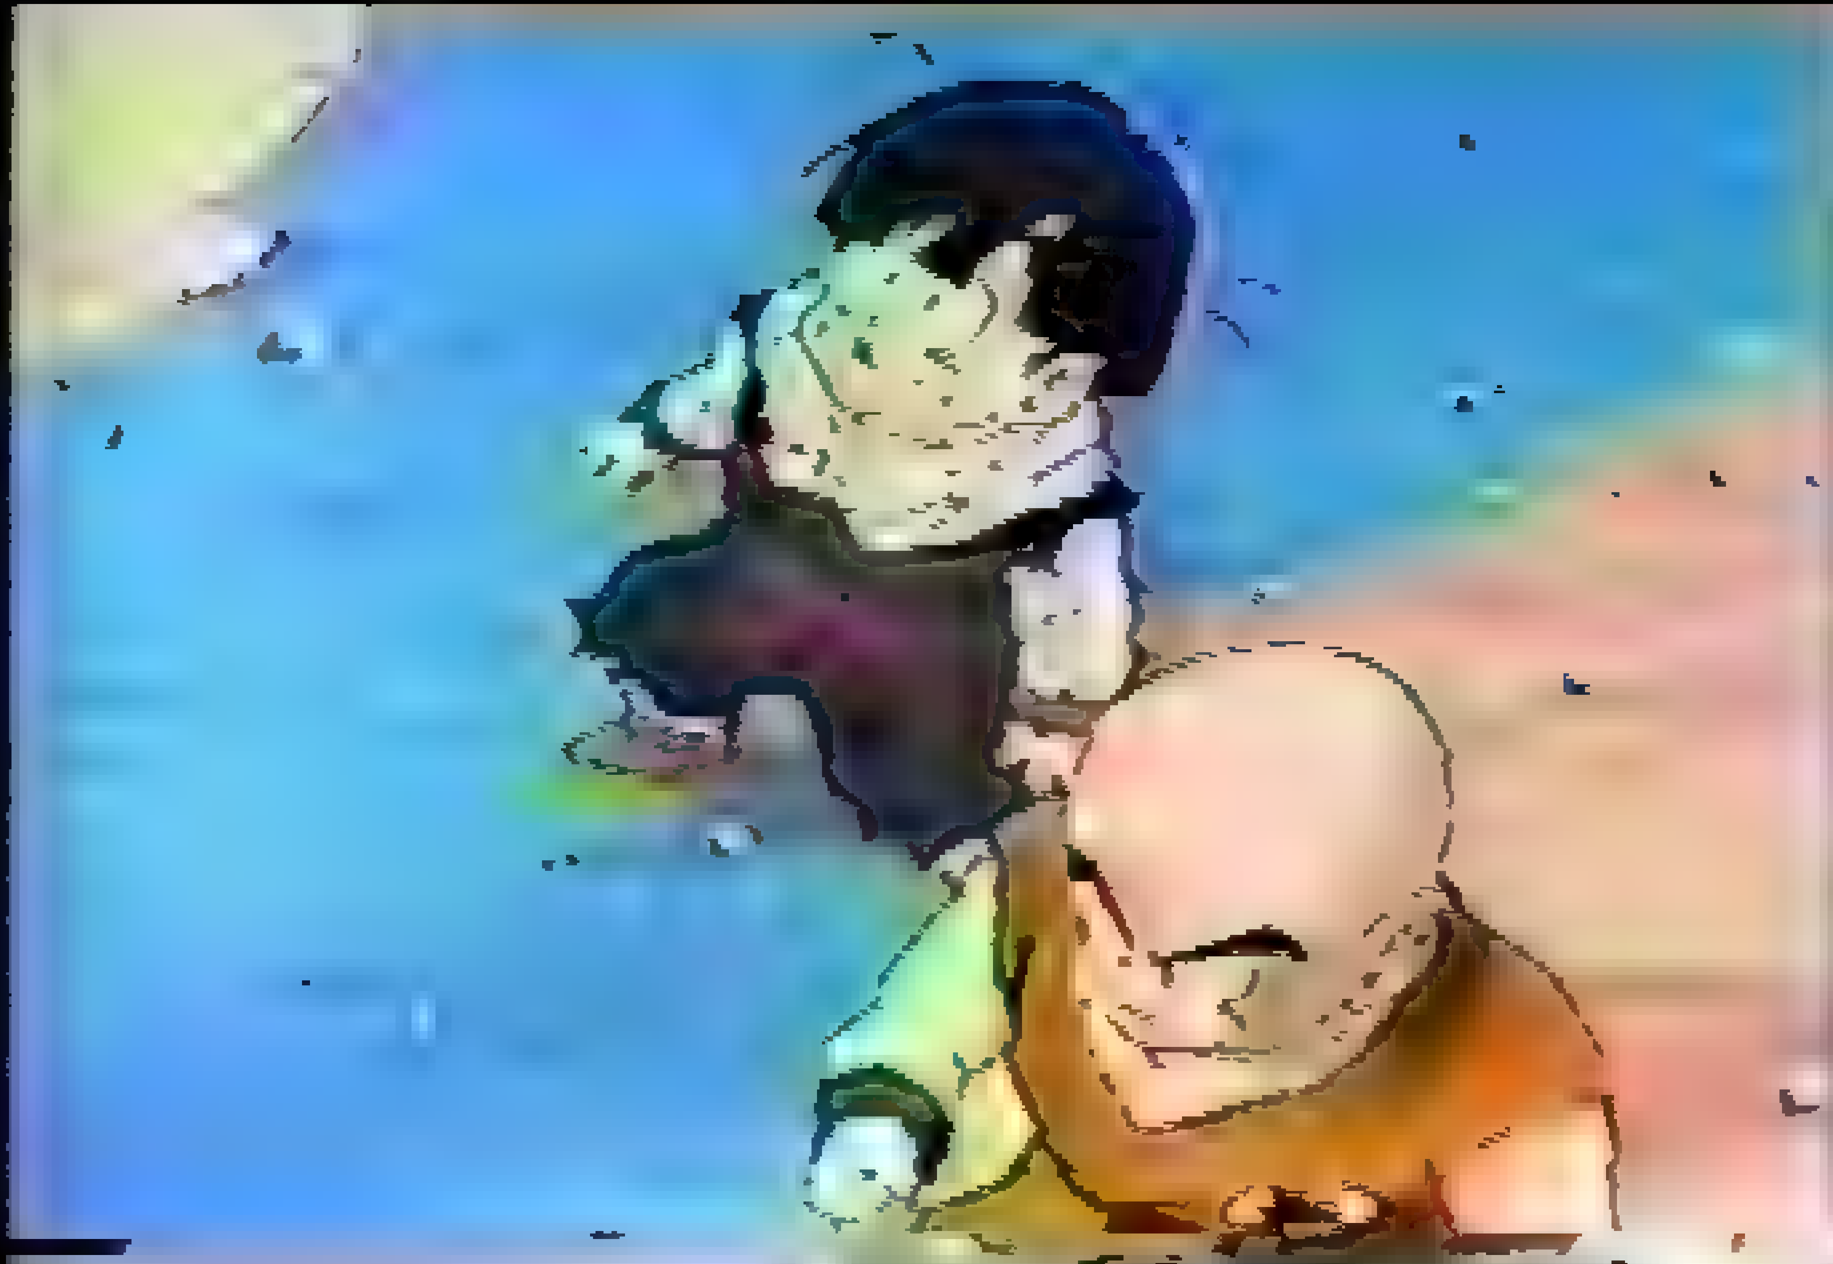

But it's been bright
the whole time.

But it's been bright
the whole time.

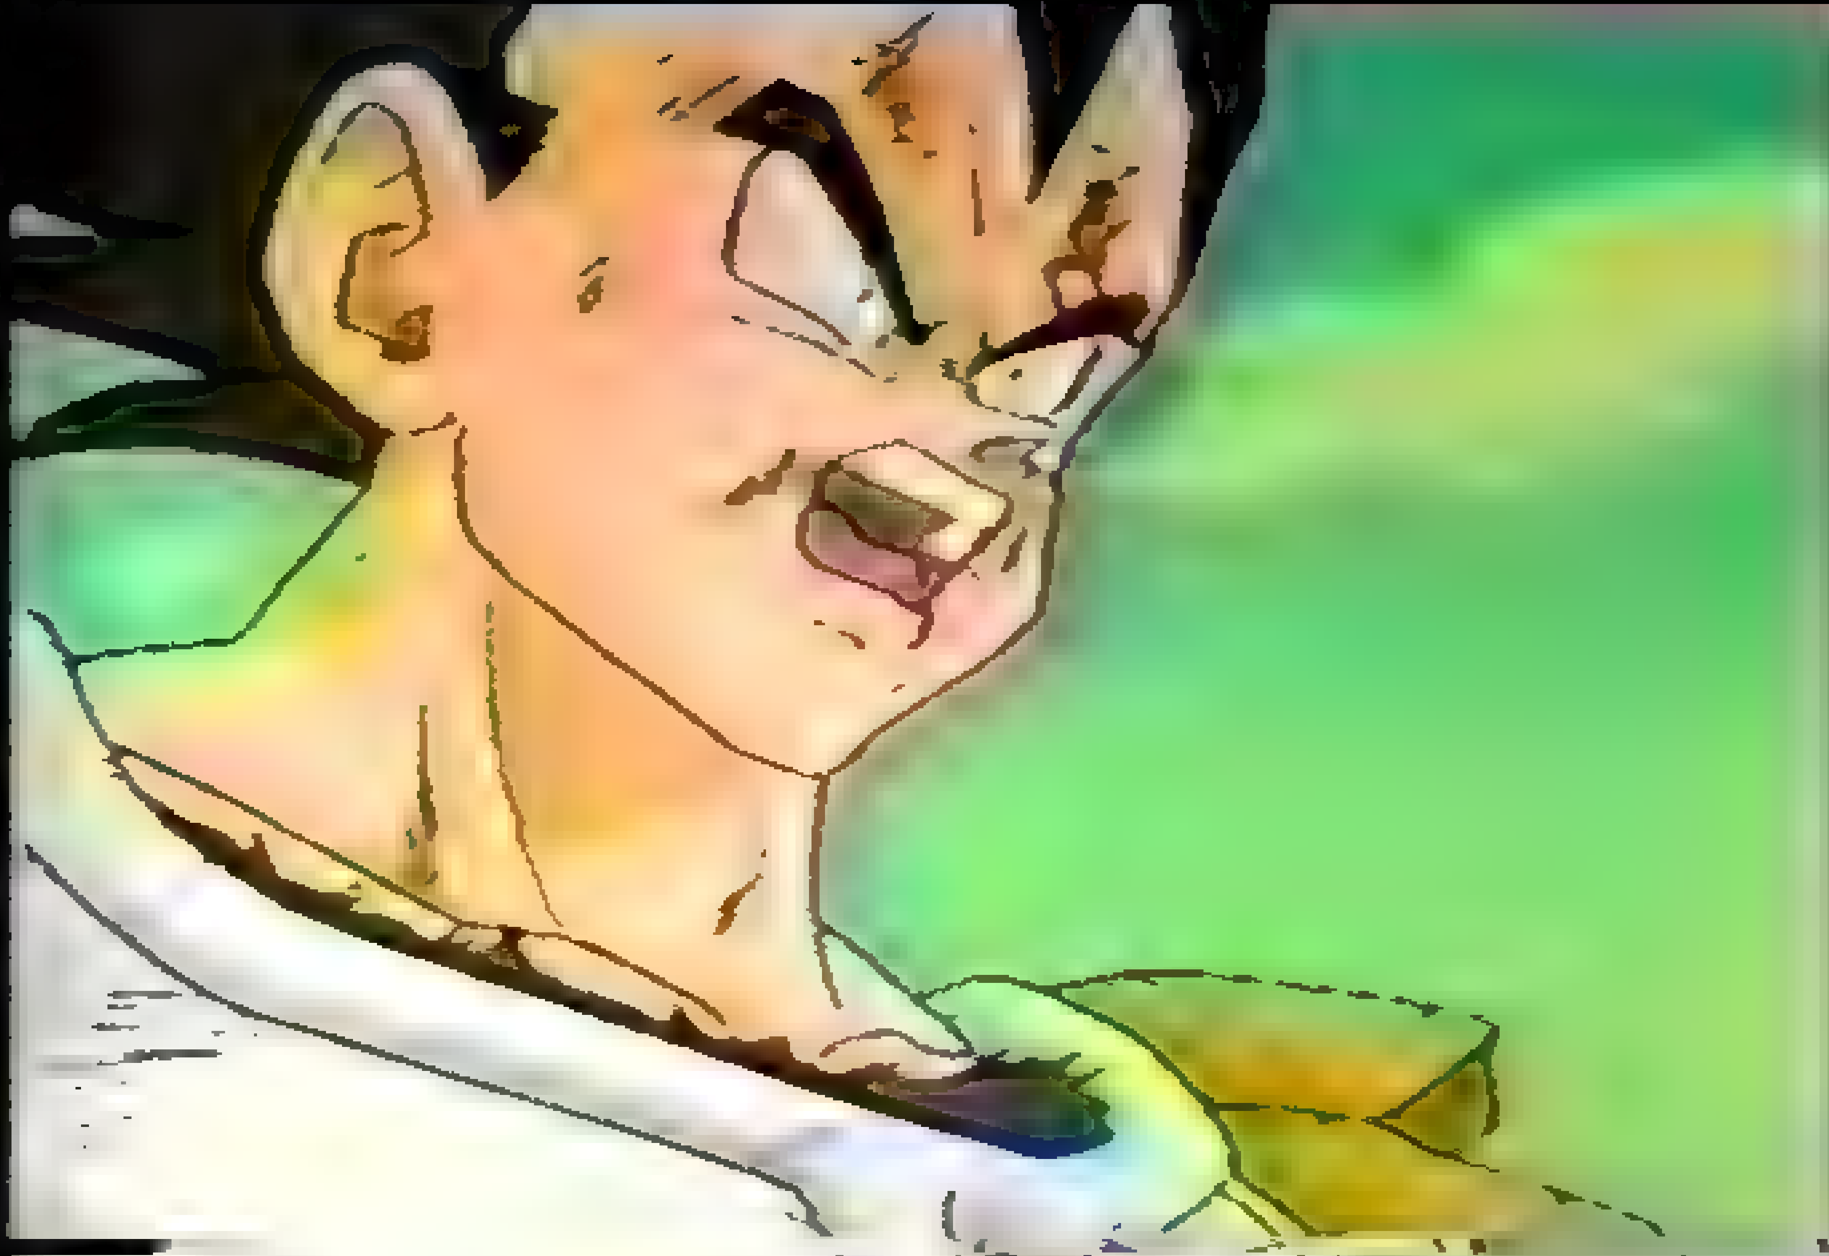

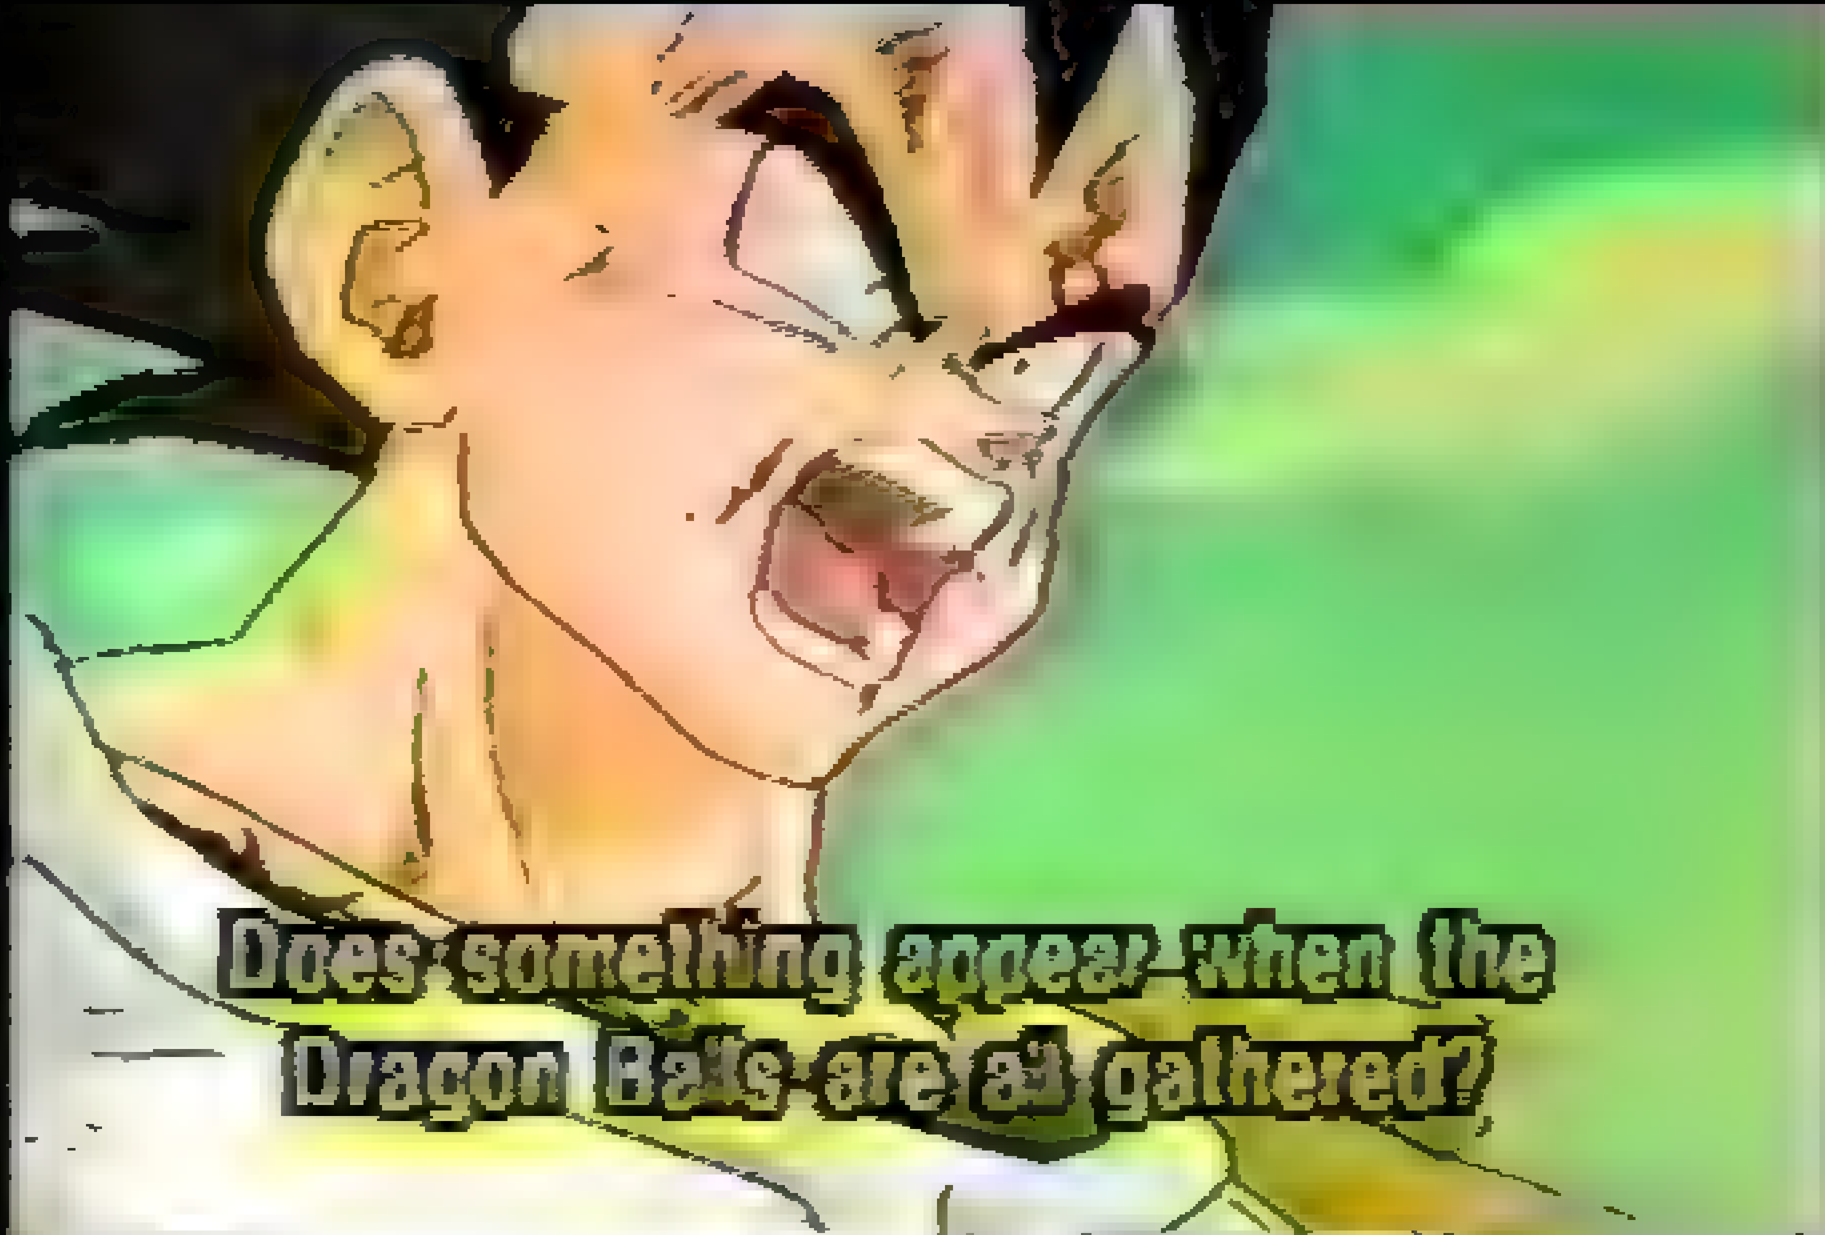

Probably not yet...

What's Shenlon!

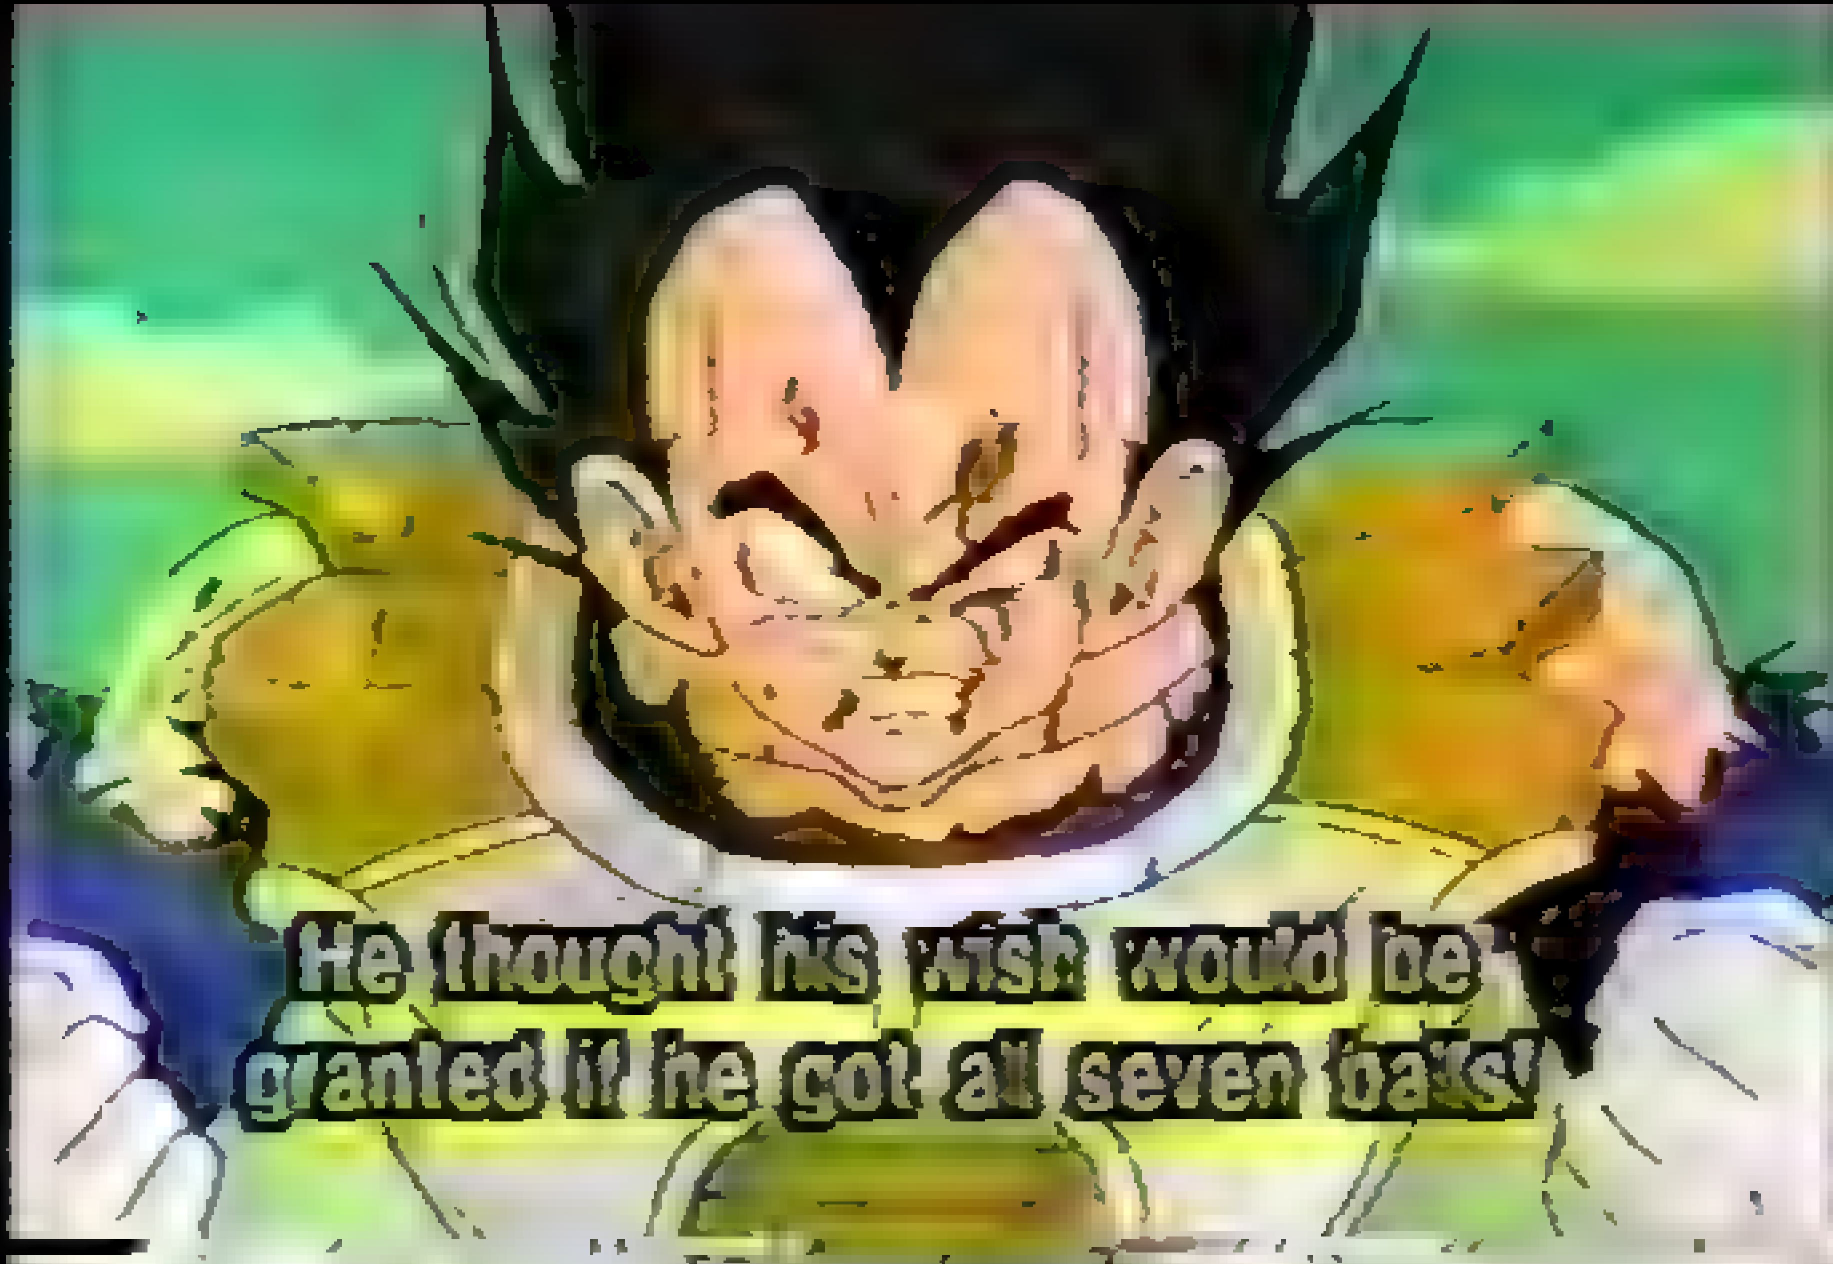

Does something appear when the
Dragon Balls are all gathered?

I've got it! He doesn't
know the right words!

I've got it! He doesn't
know the right words!

I've got it! He doesn't
know the right words!

He thought his wish would be granted if he got all seven balls!

He thought his wish would be
granted if he got all seven balls!

You need to use...
the right words?

You need to use...
the right words?

We still have a chance
to get our wish granted!

We still have a chance
to get our wish granted!

We do! Gohan!

We may be able to bring all
our friends back to life Gohan!

We may be able to bring all
our friends back to life Gohan!

Great!

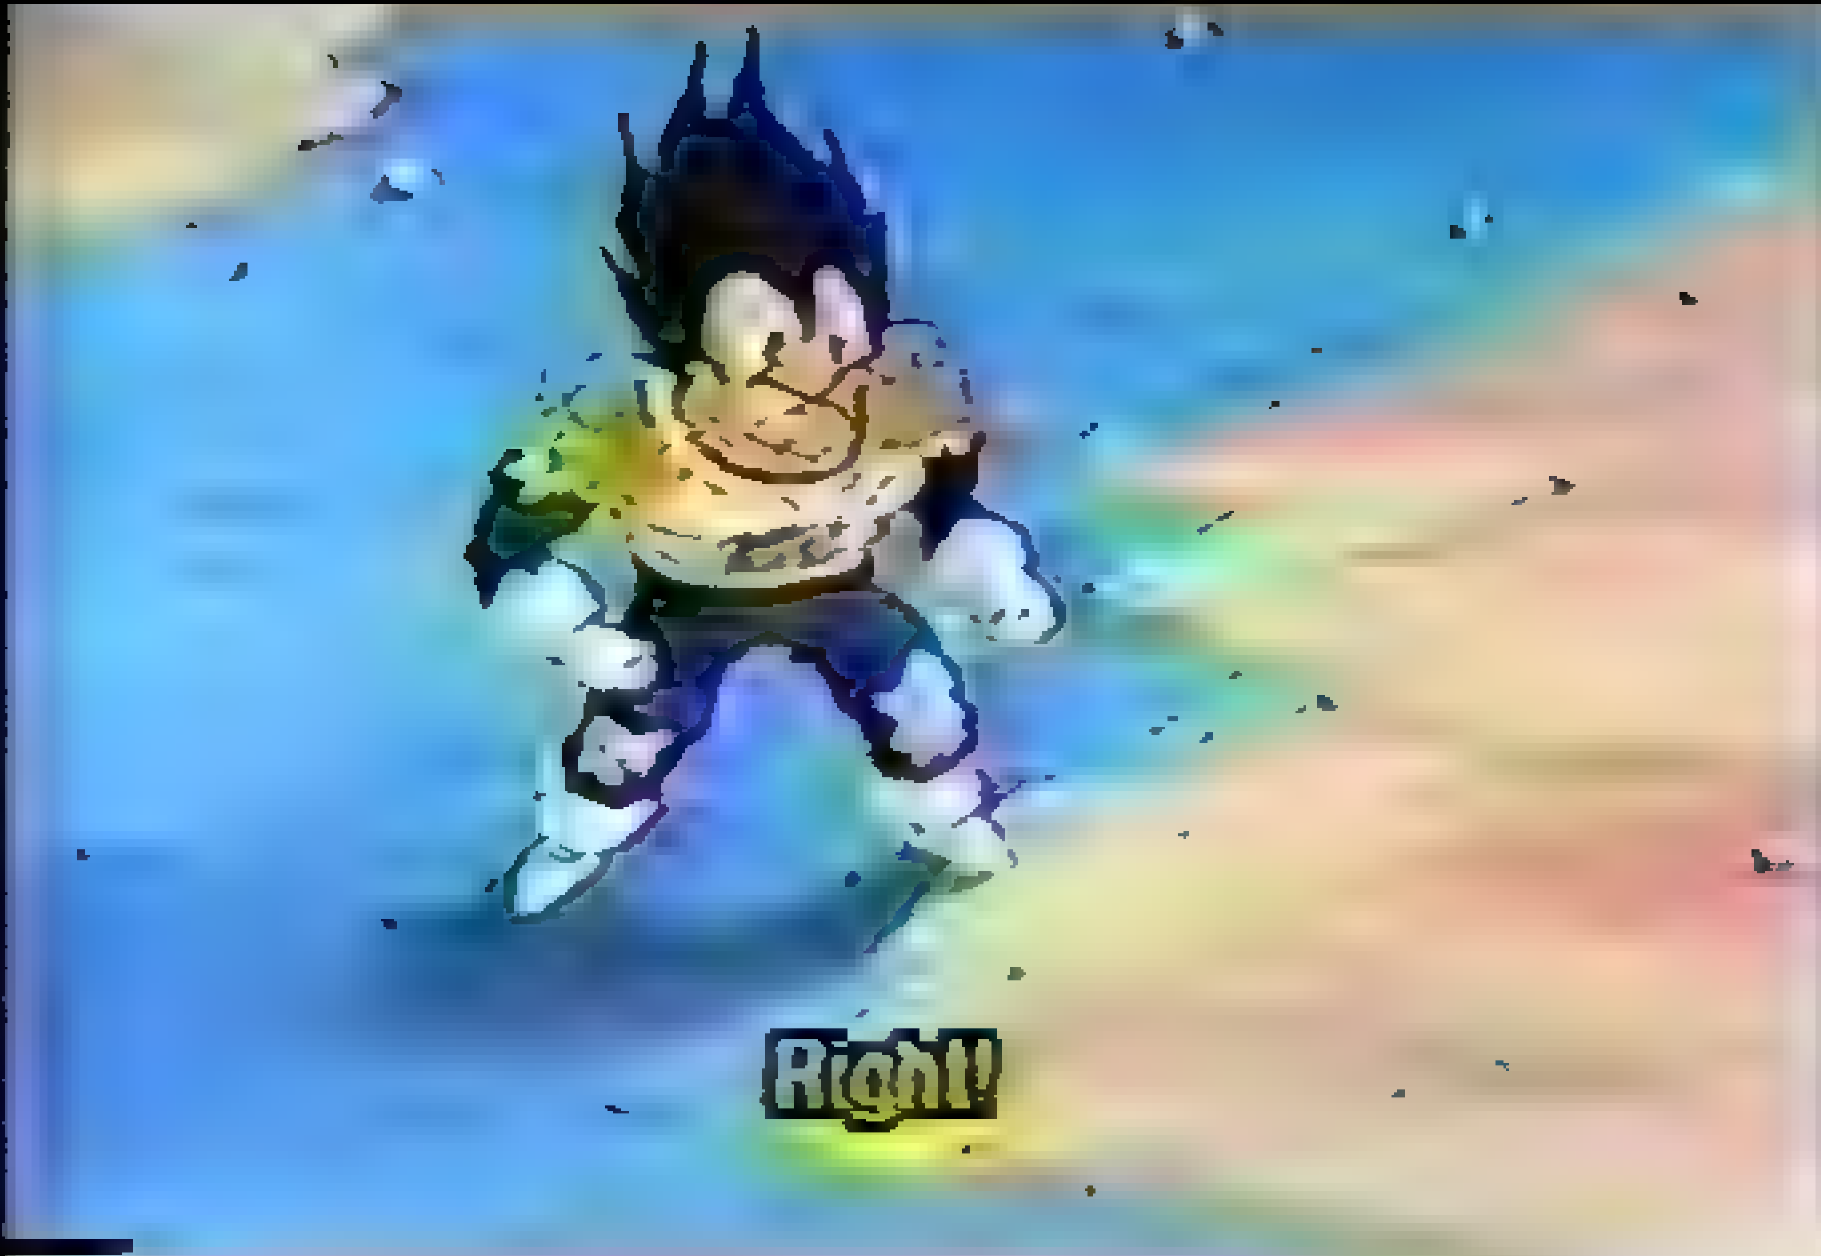

I'm happy for you, Gohan!

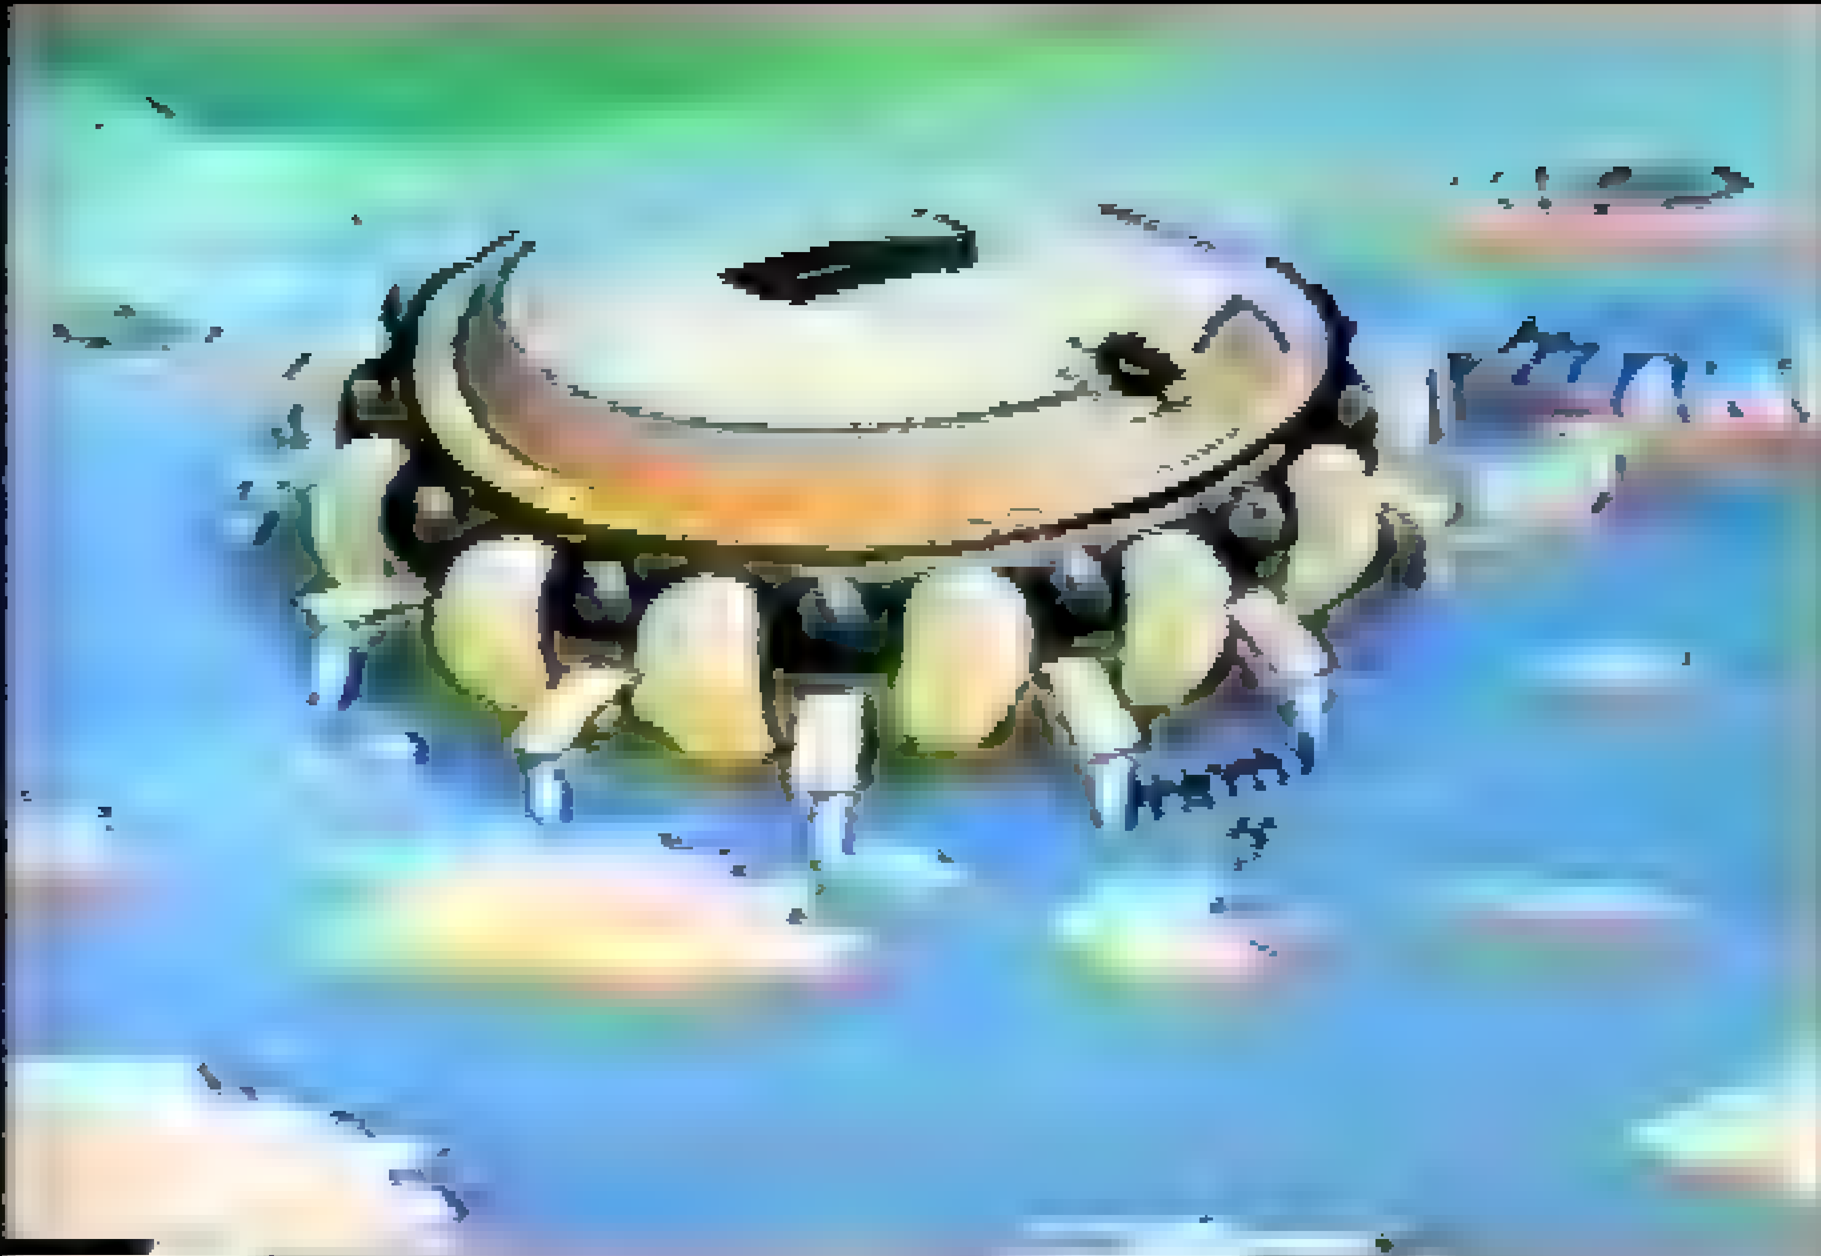

We have to get the
Dragon Balls back somehow.

Right!

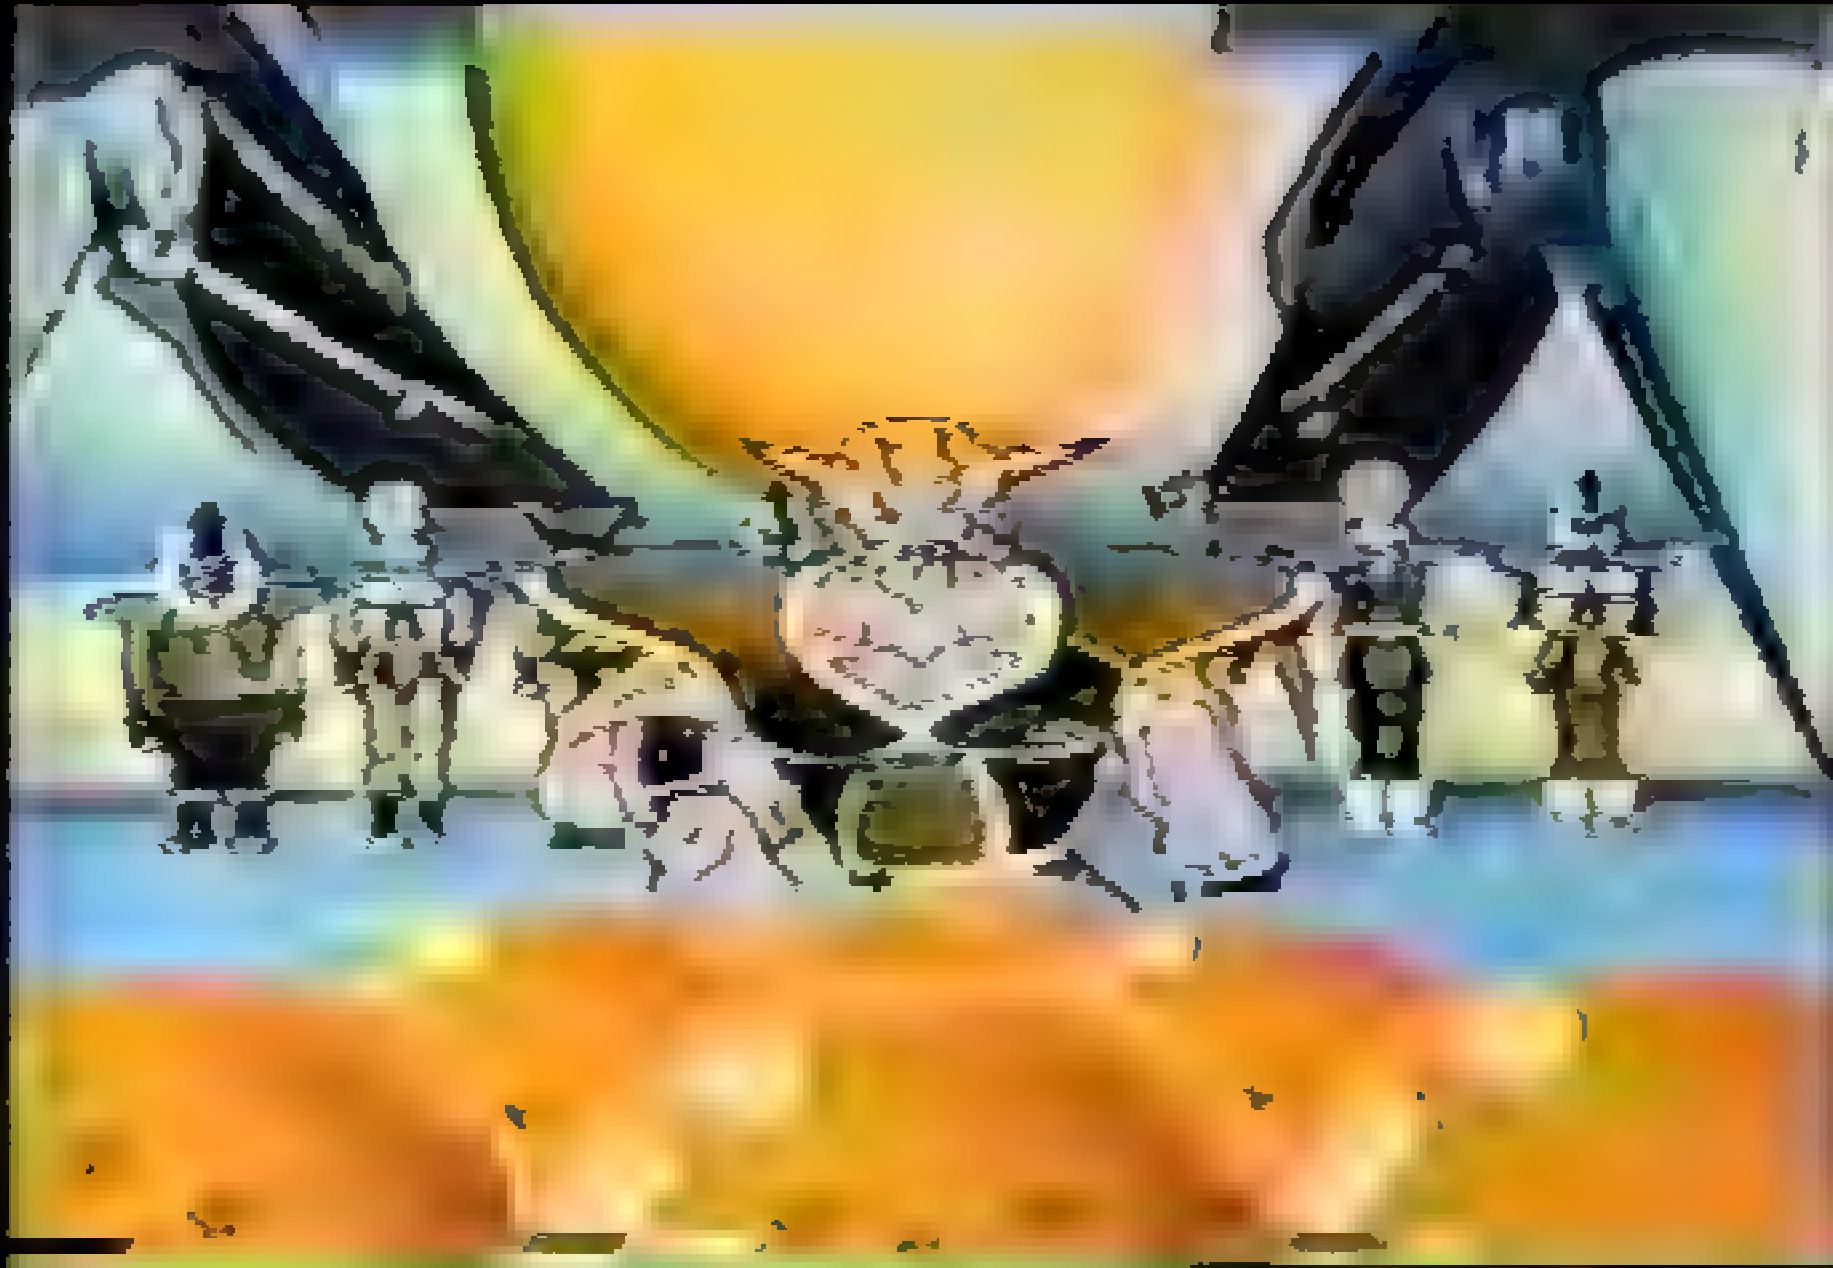

Shenlon...?

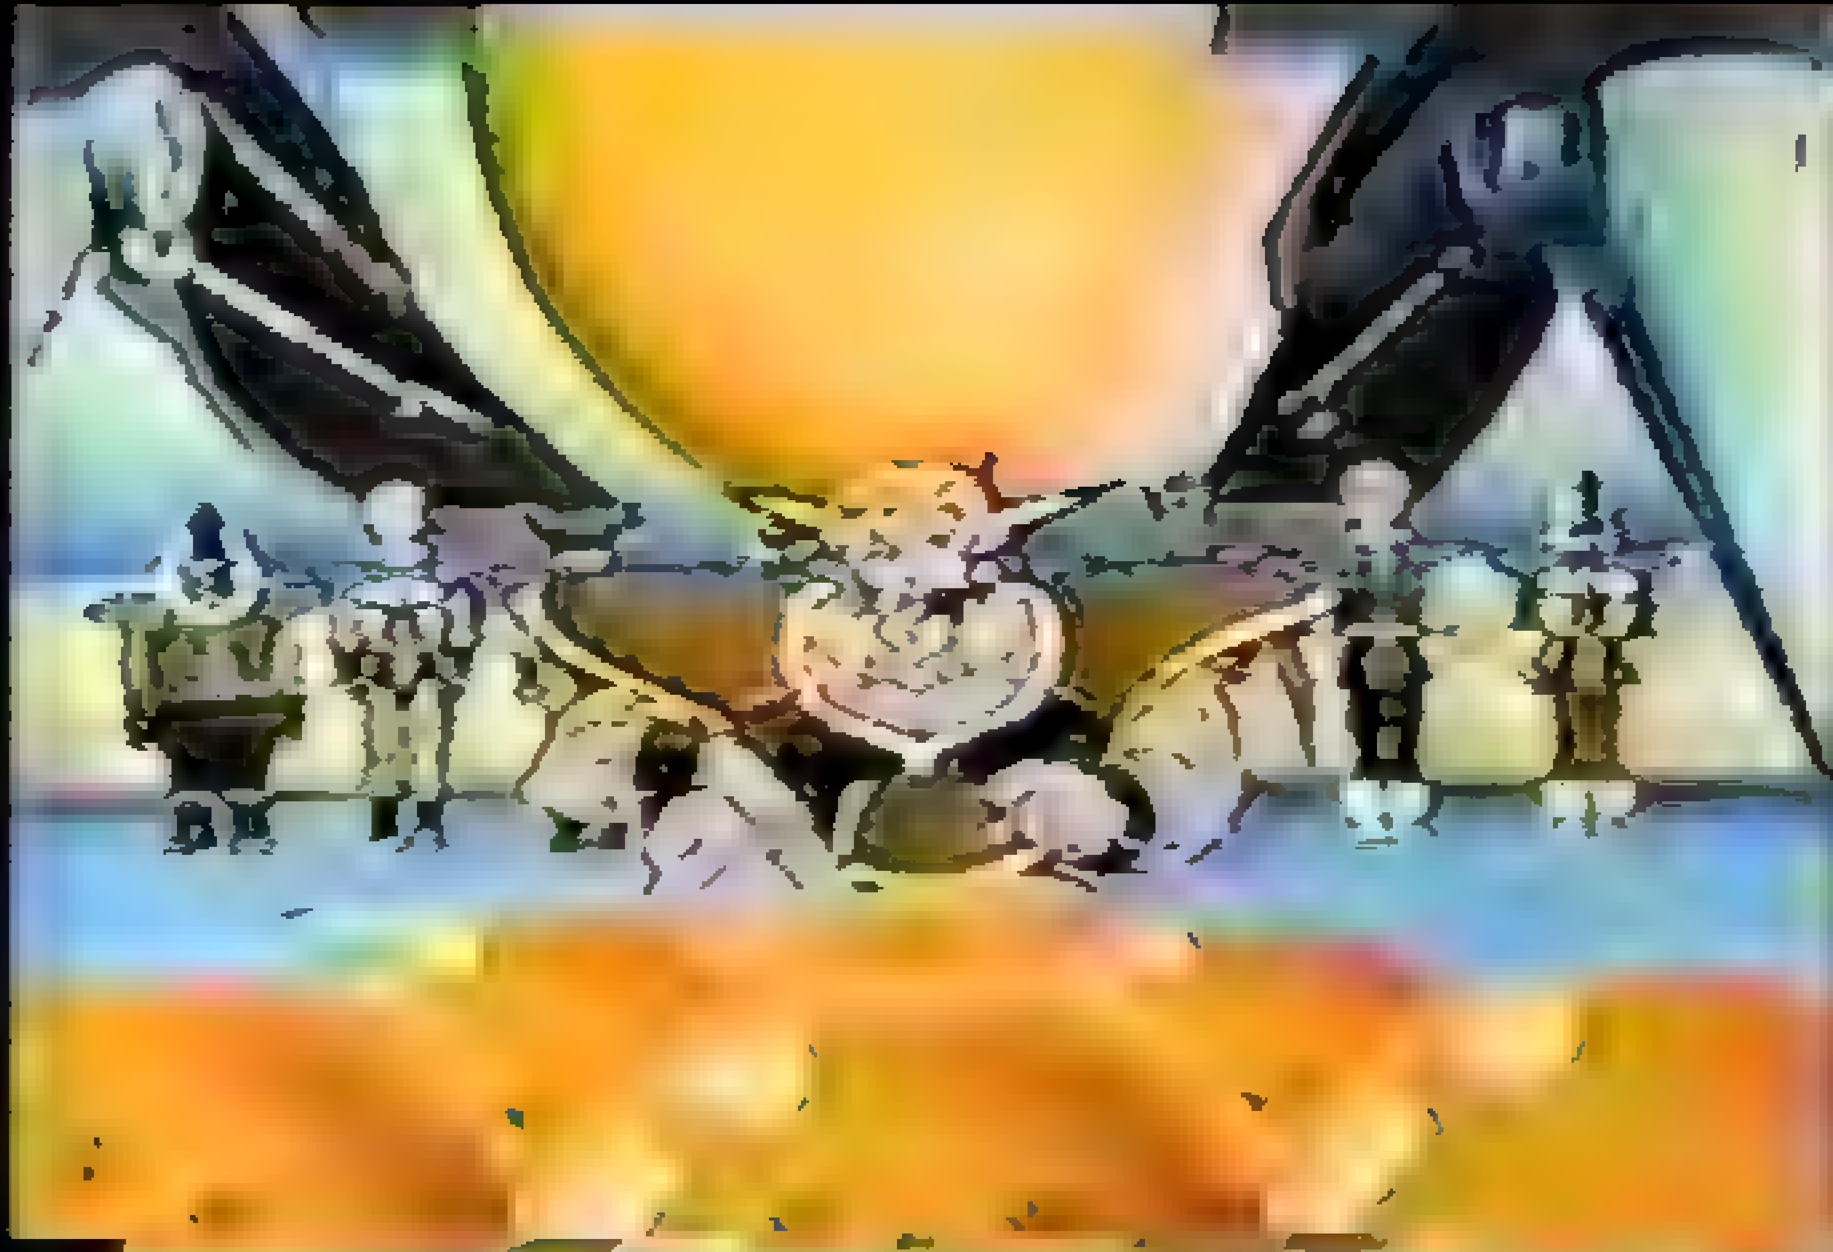

Shenlon...?

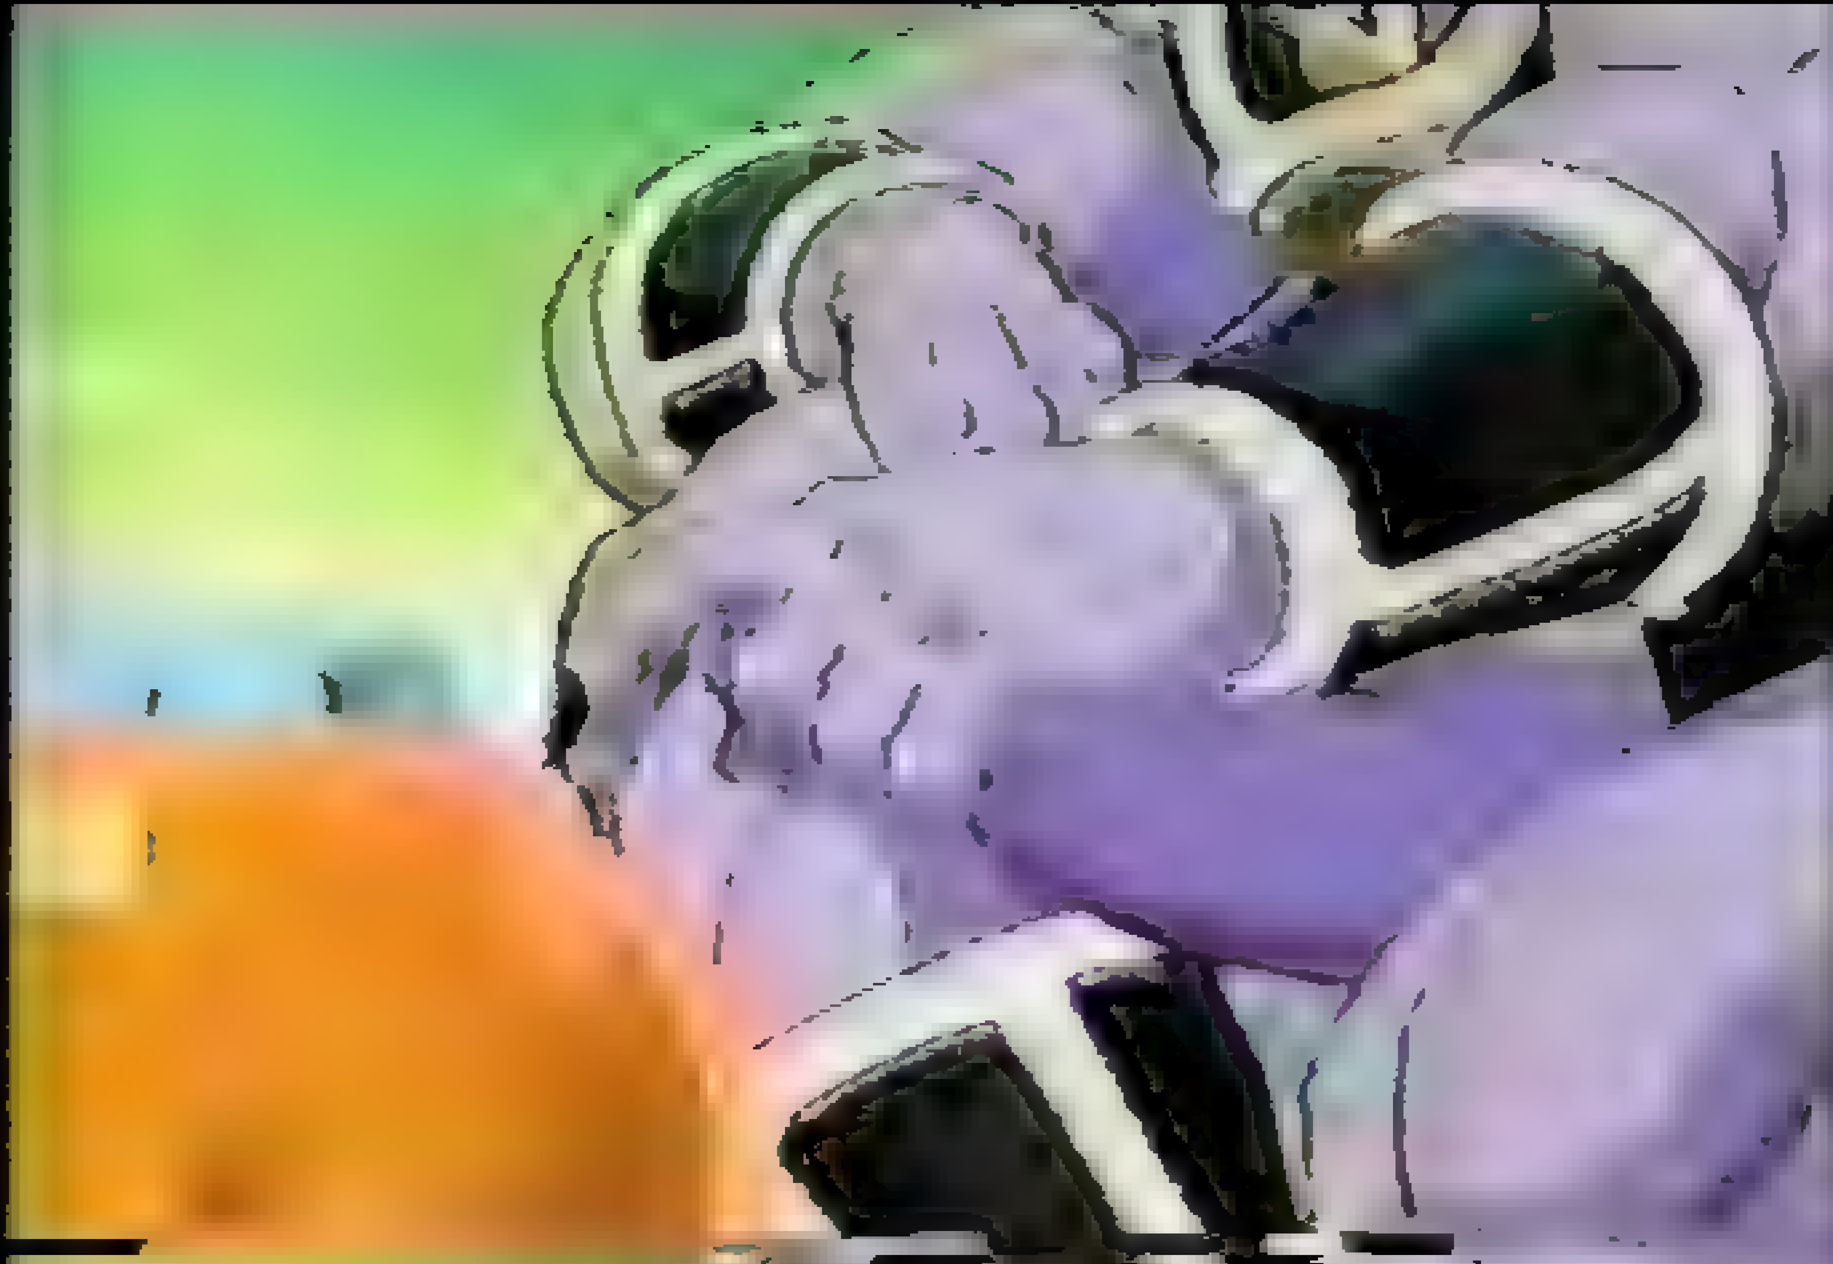

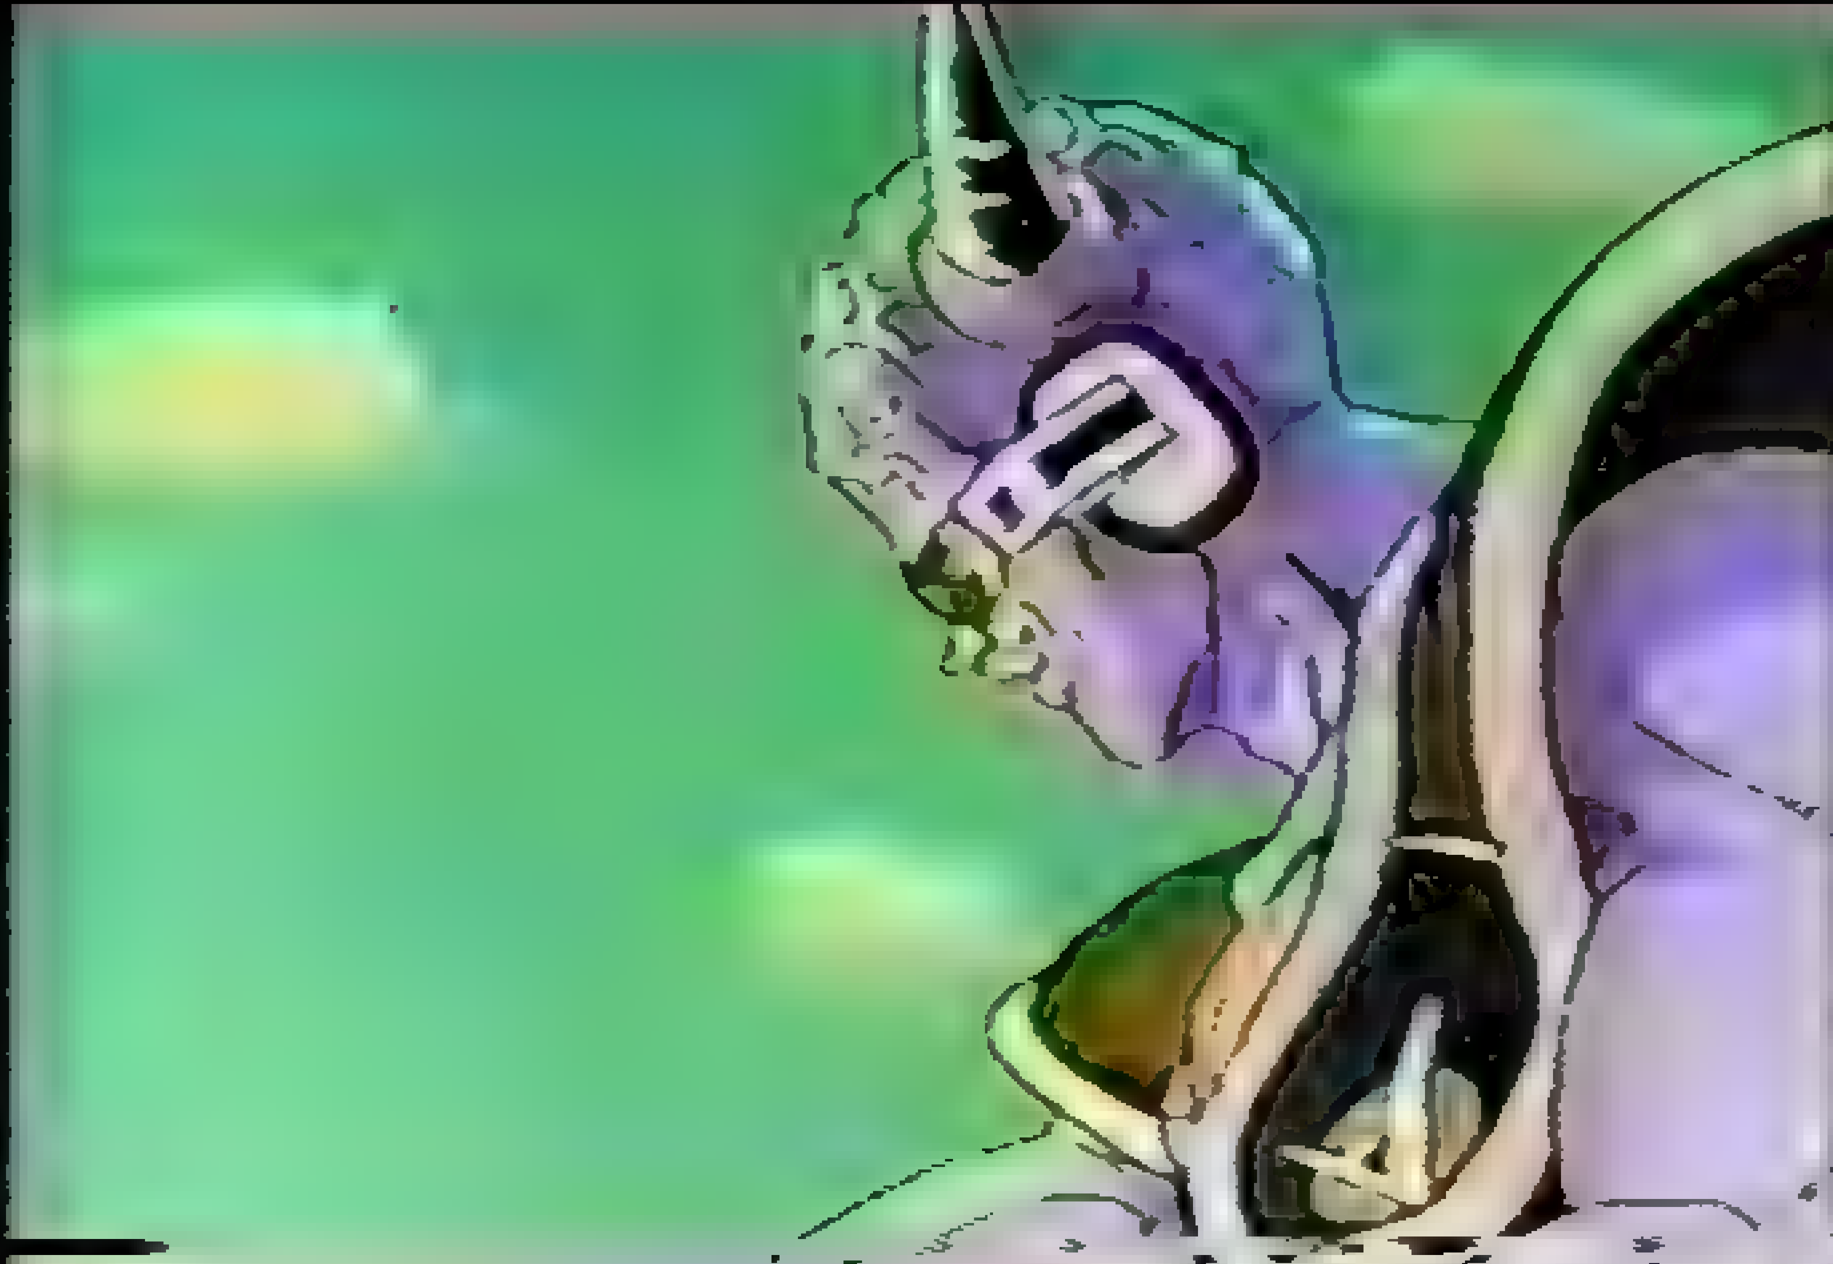

These things will get
any wish granted, huh?

These things will get
any wish granted, huh?

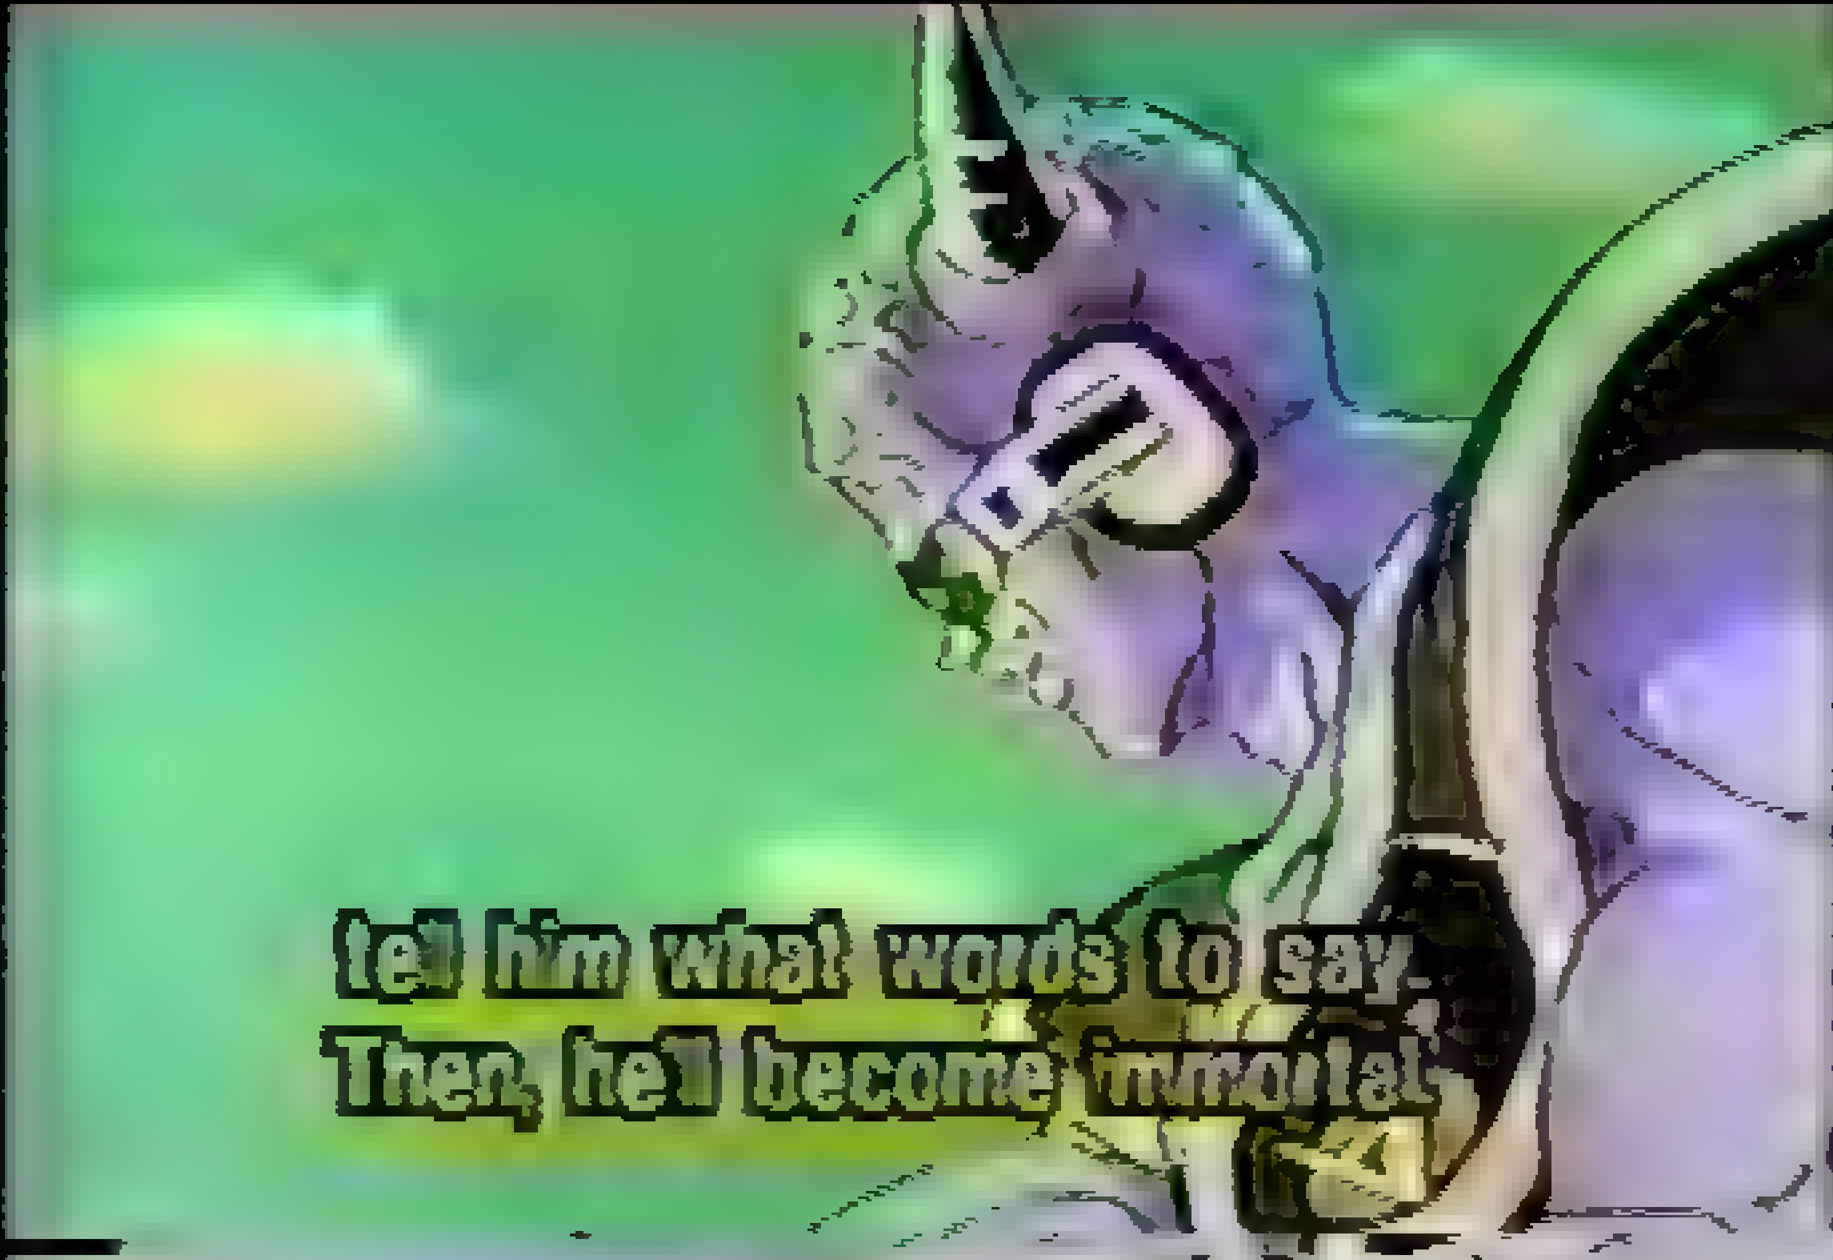

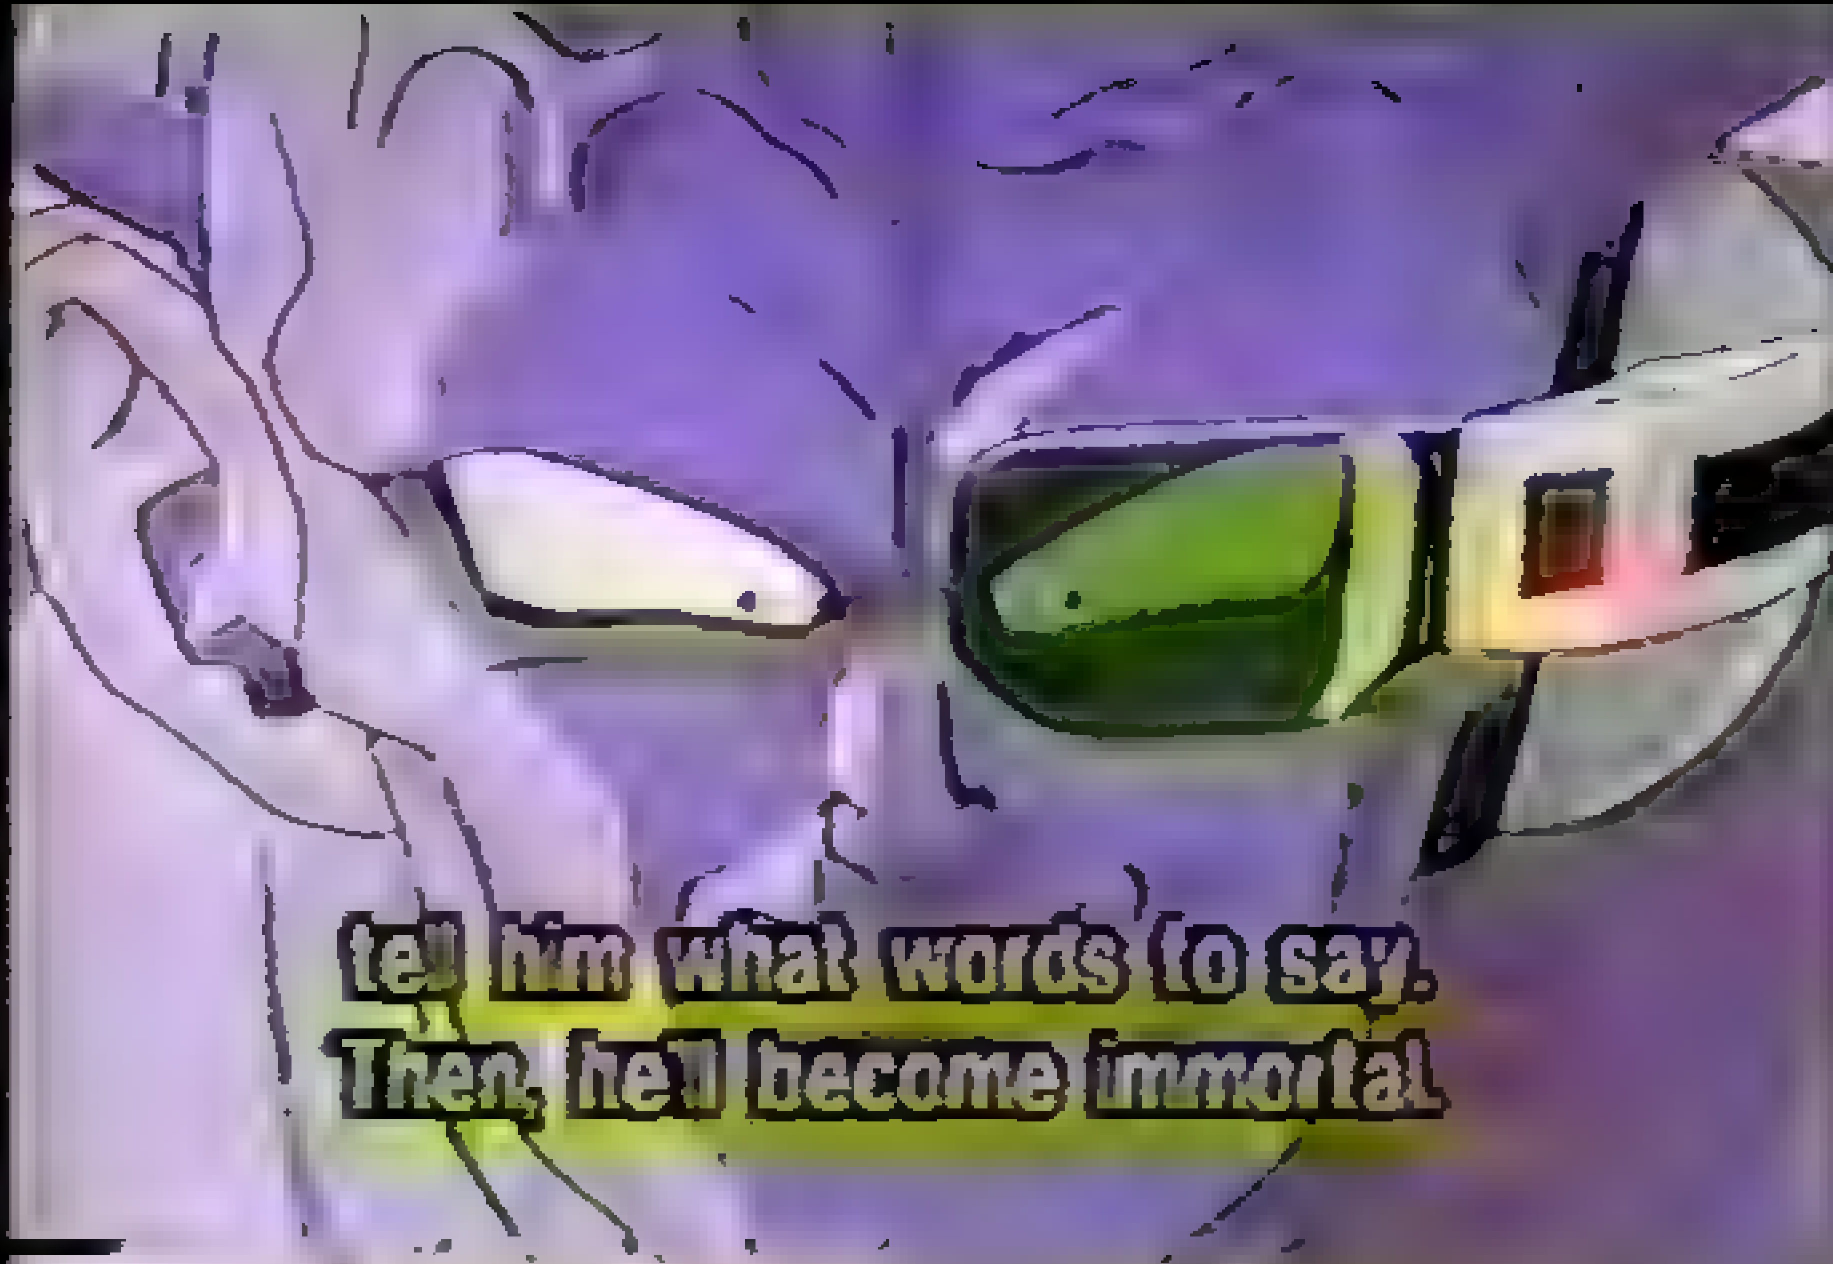

All Lord Freezer has to do
is make the Nameccians

All Lord Freezer has to do
is make the Nameccians

tell him what words to say.
Then, he'll become immortal.

tell him what words to say.
Then, he'll become immortal.

And the entire universe will
belong to Lord Freezer.

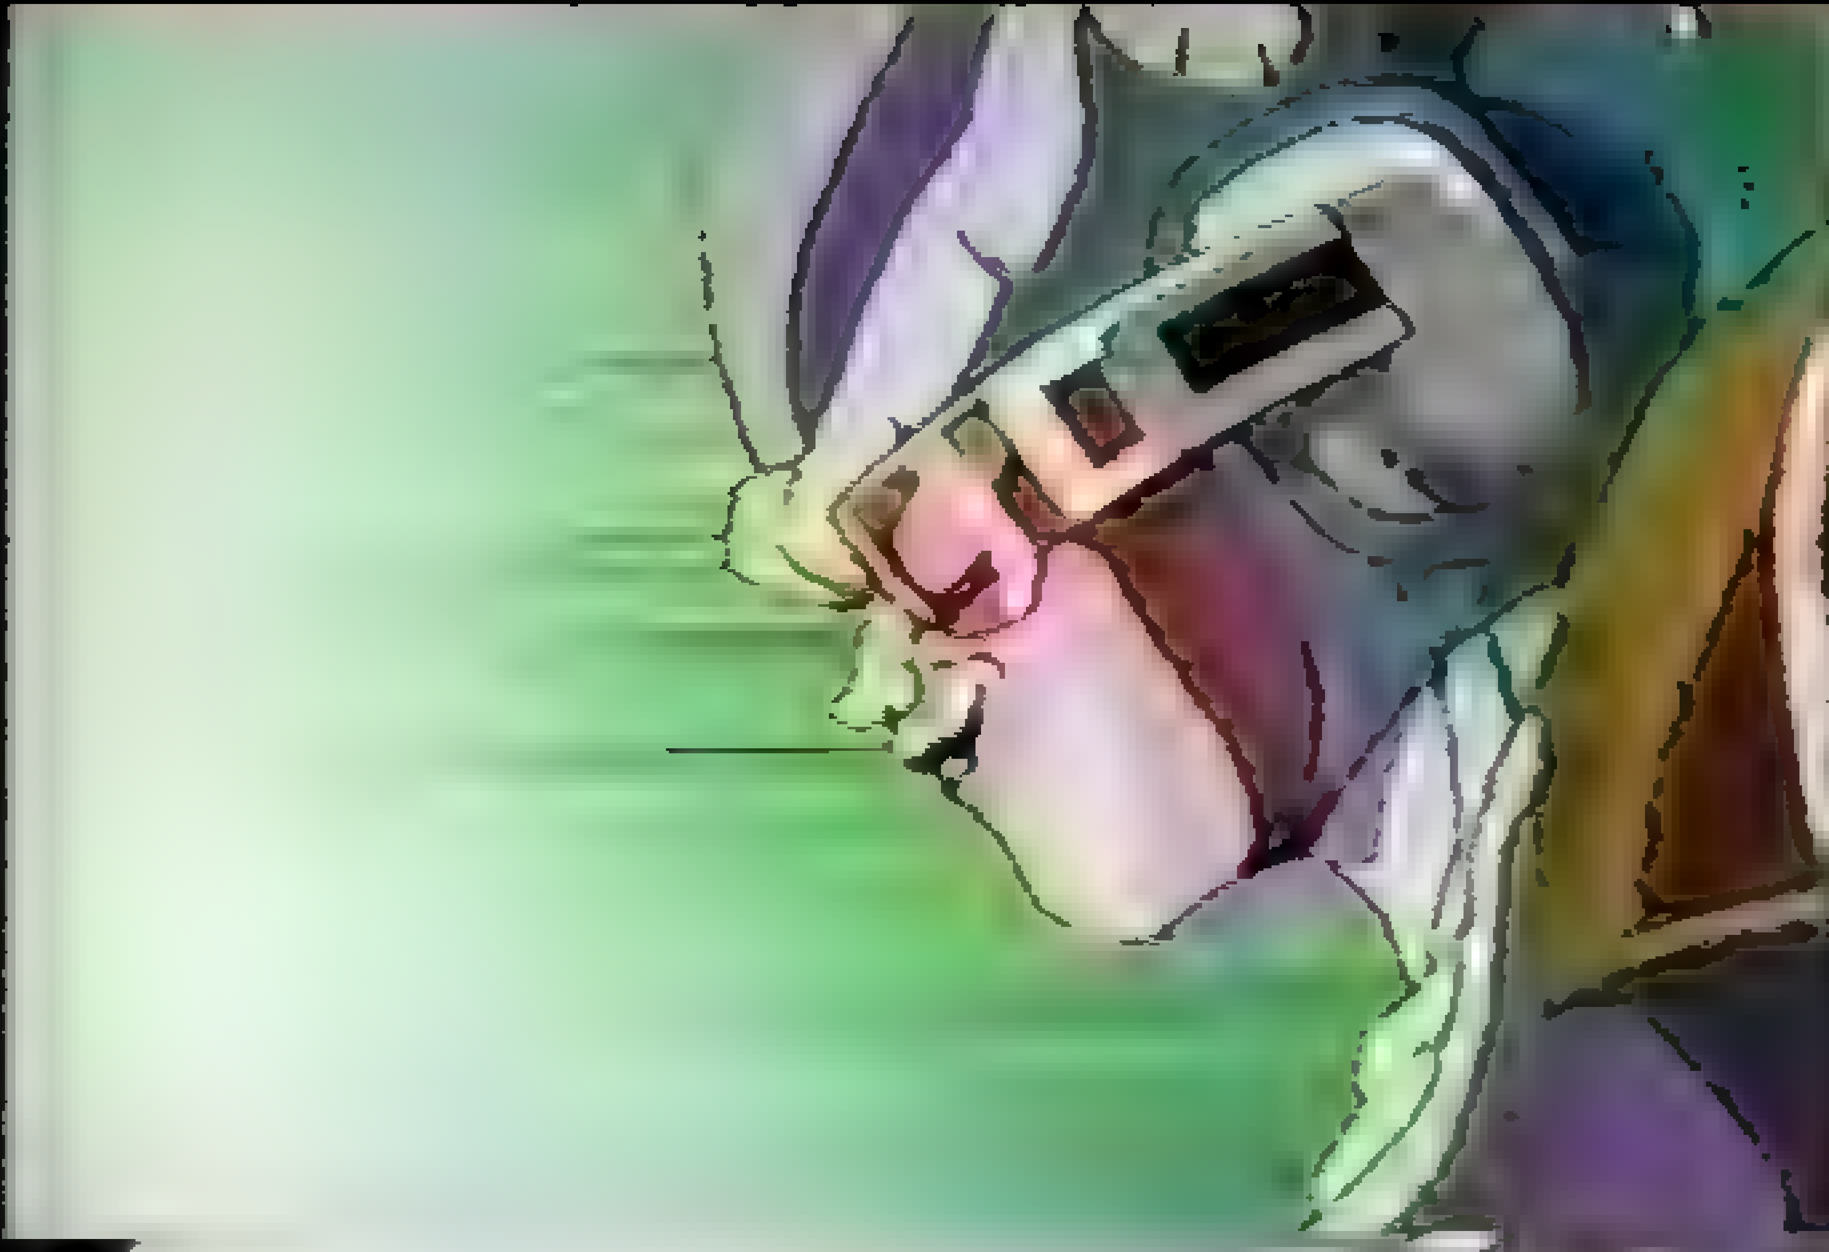

And the entire universe will
belong to Lord Freezer.

What a wonderful thing.

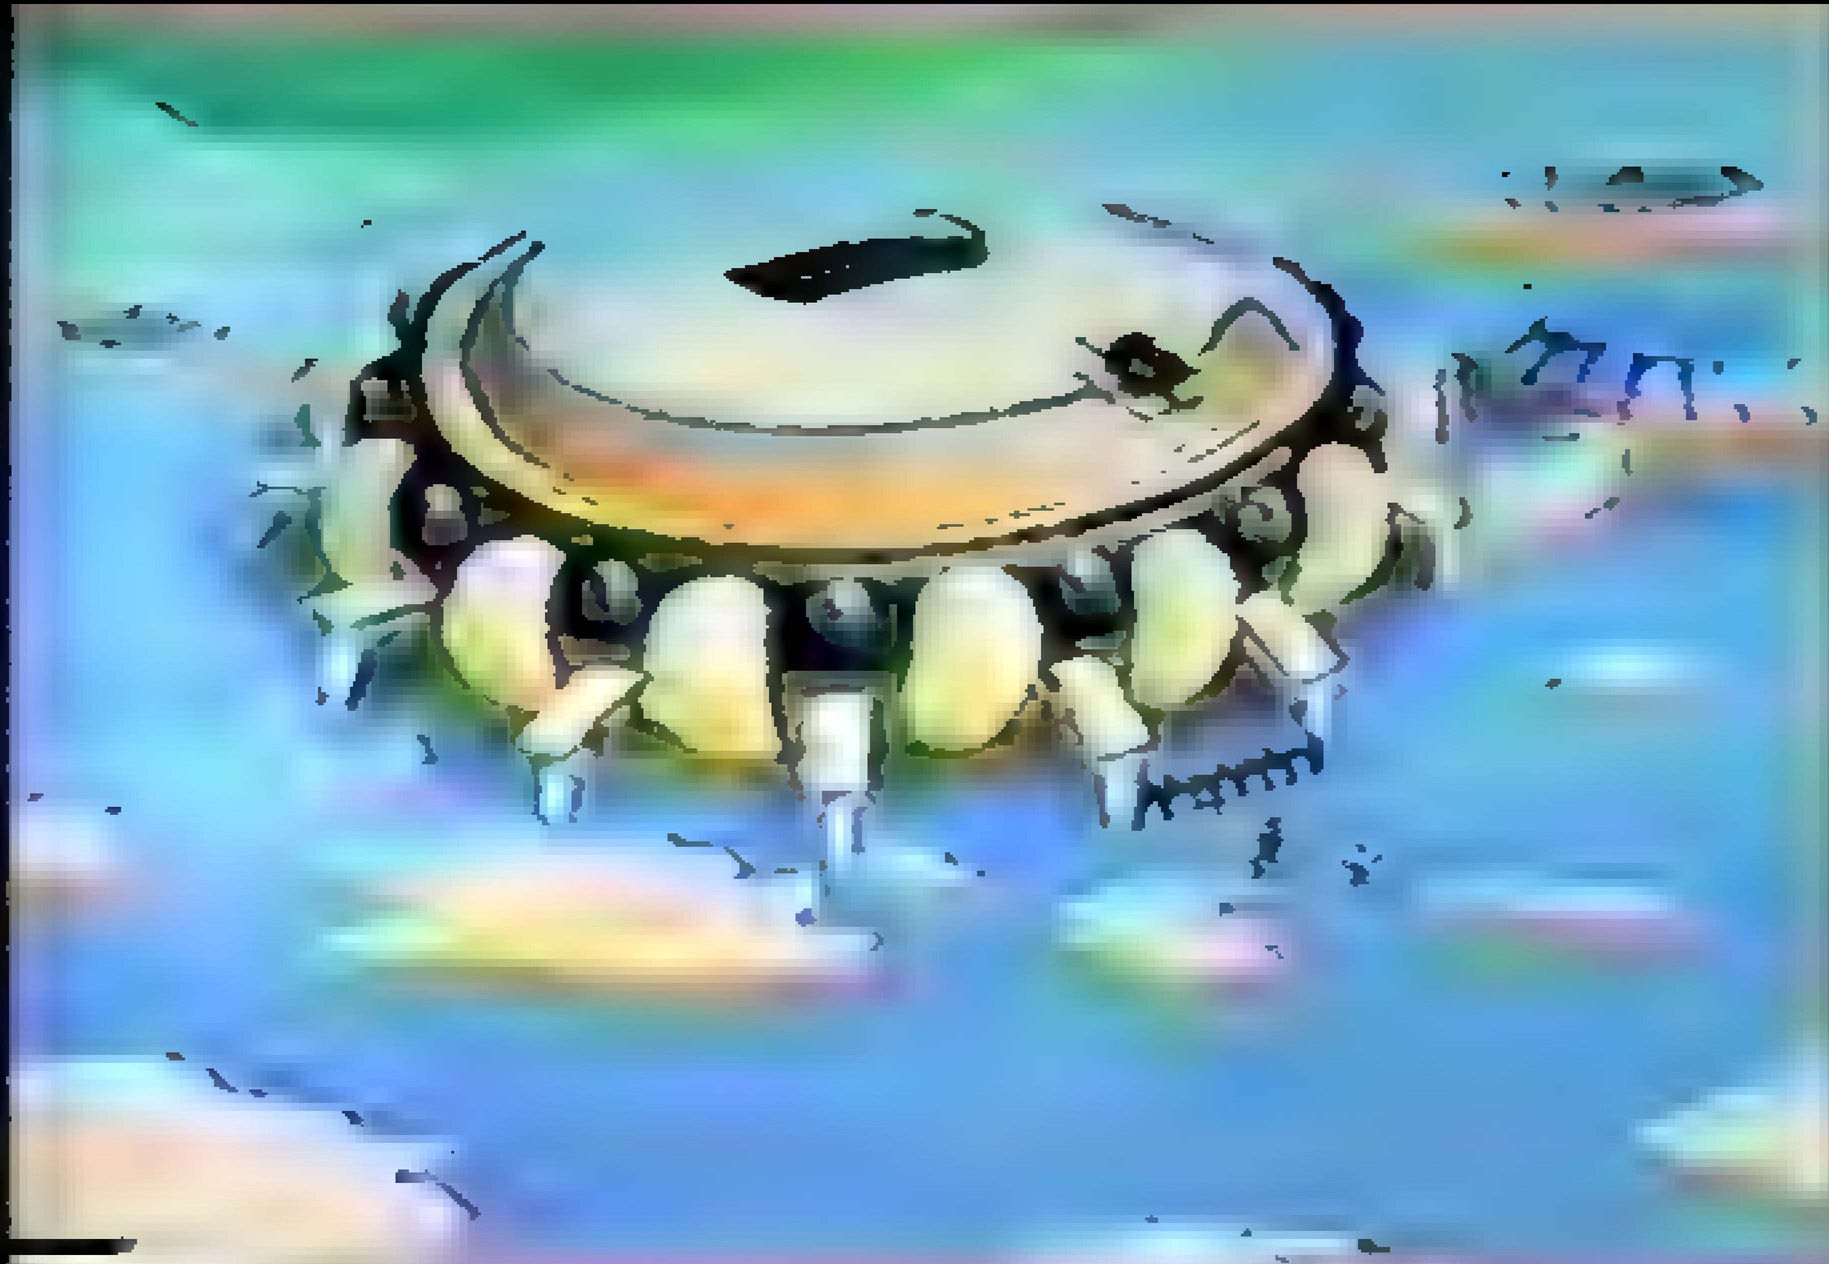

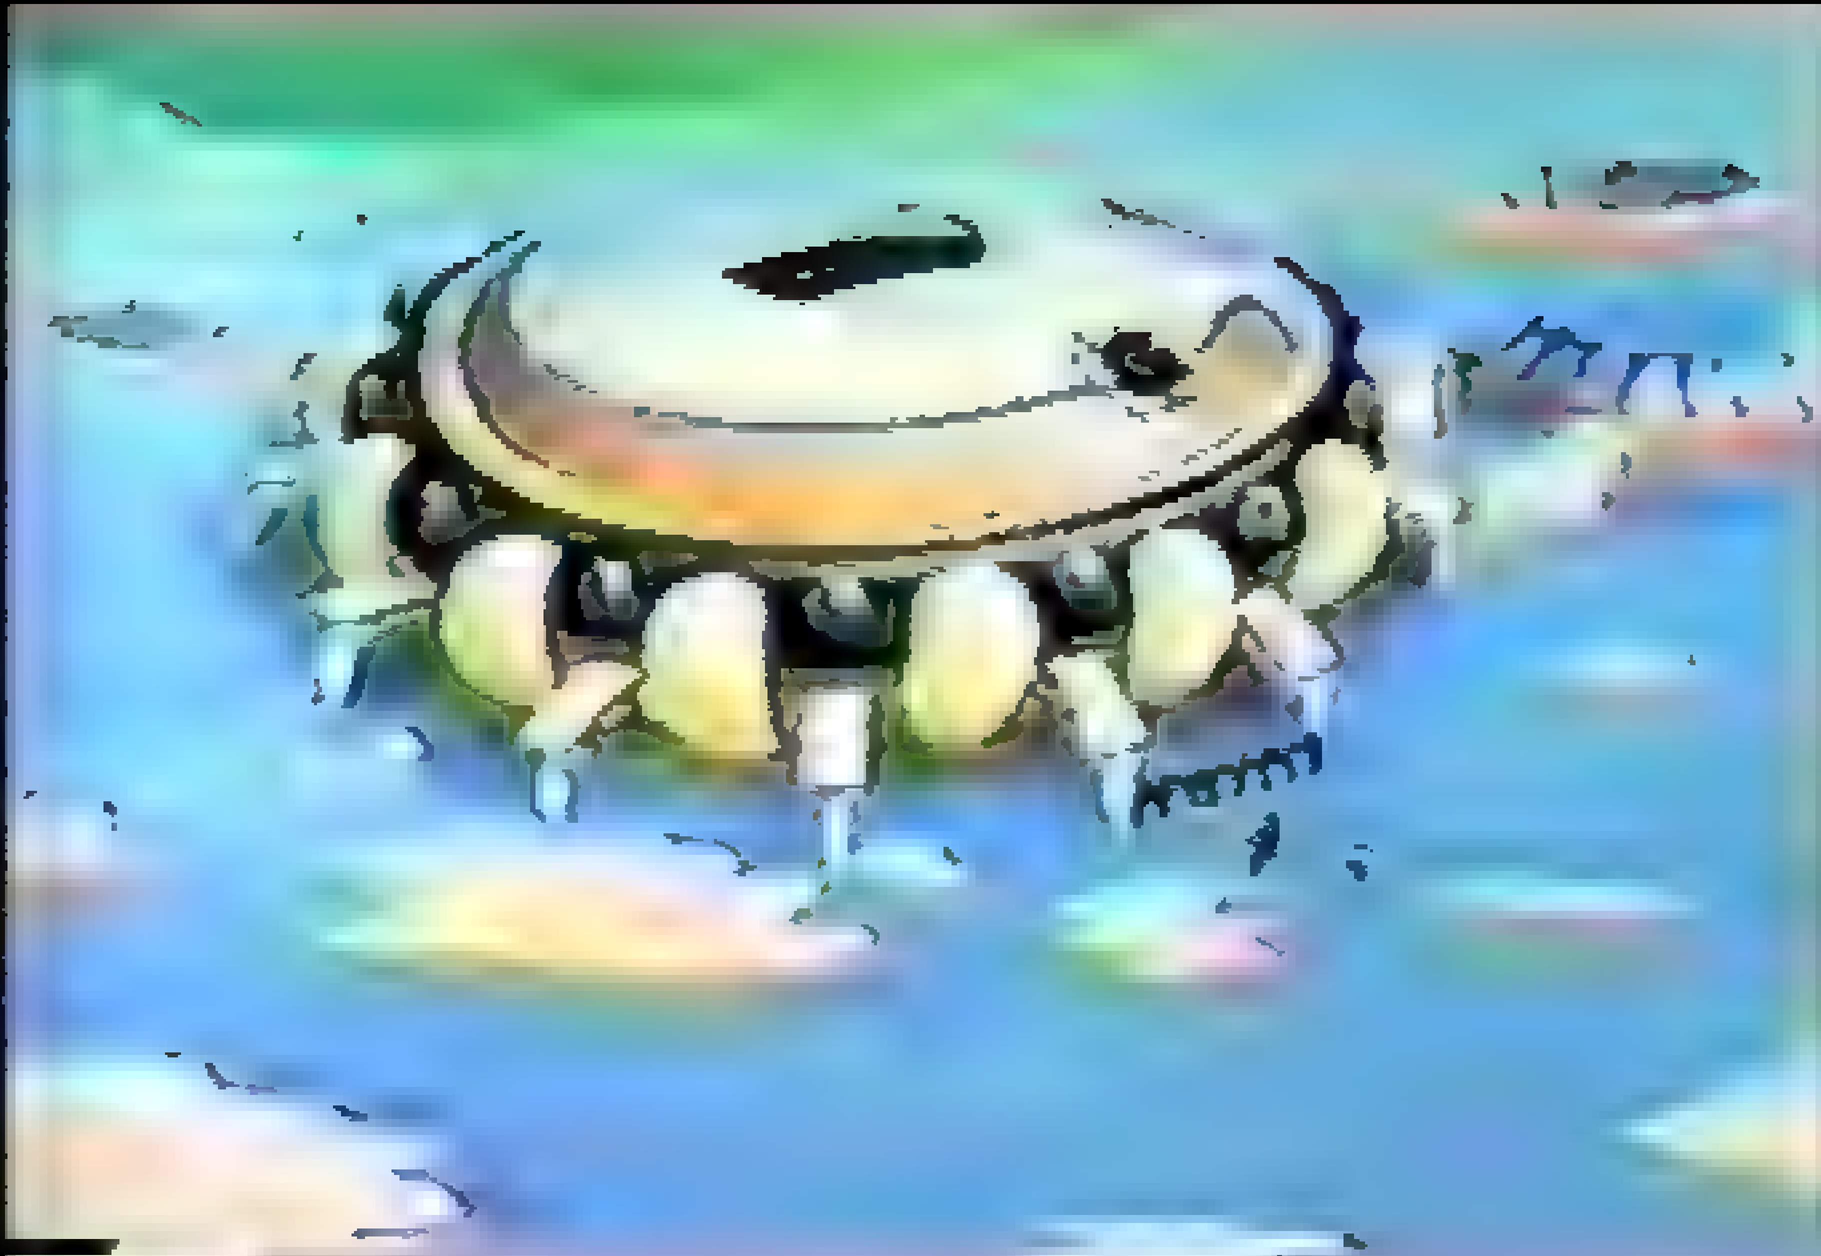

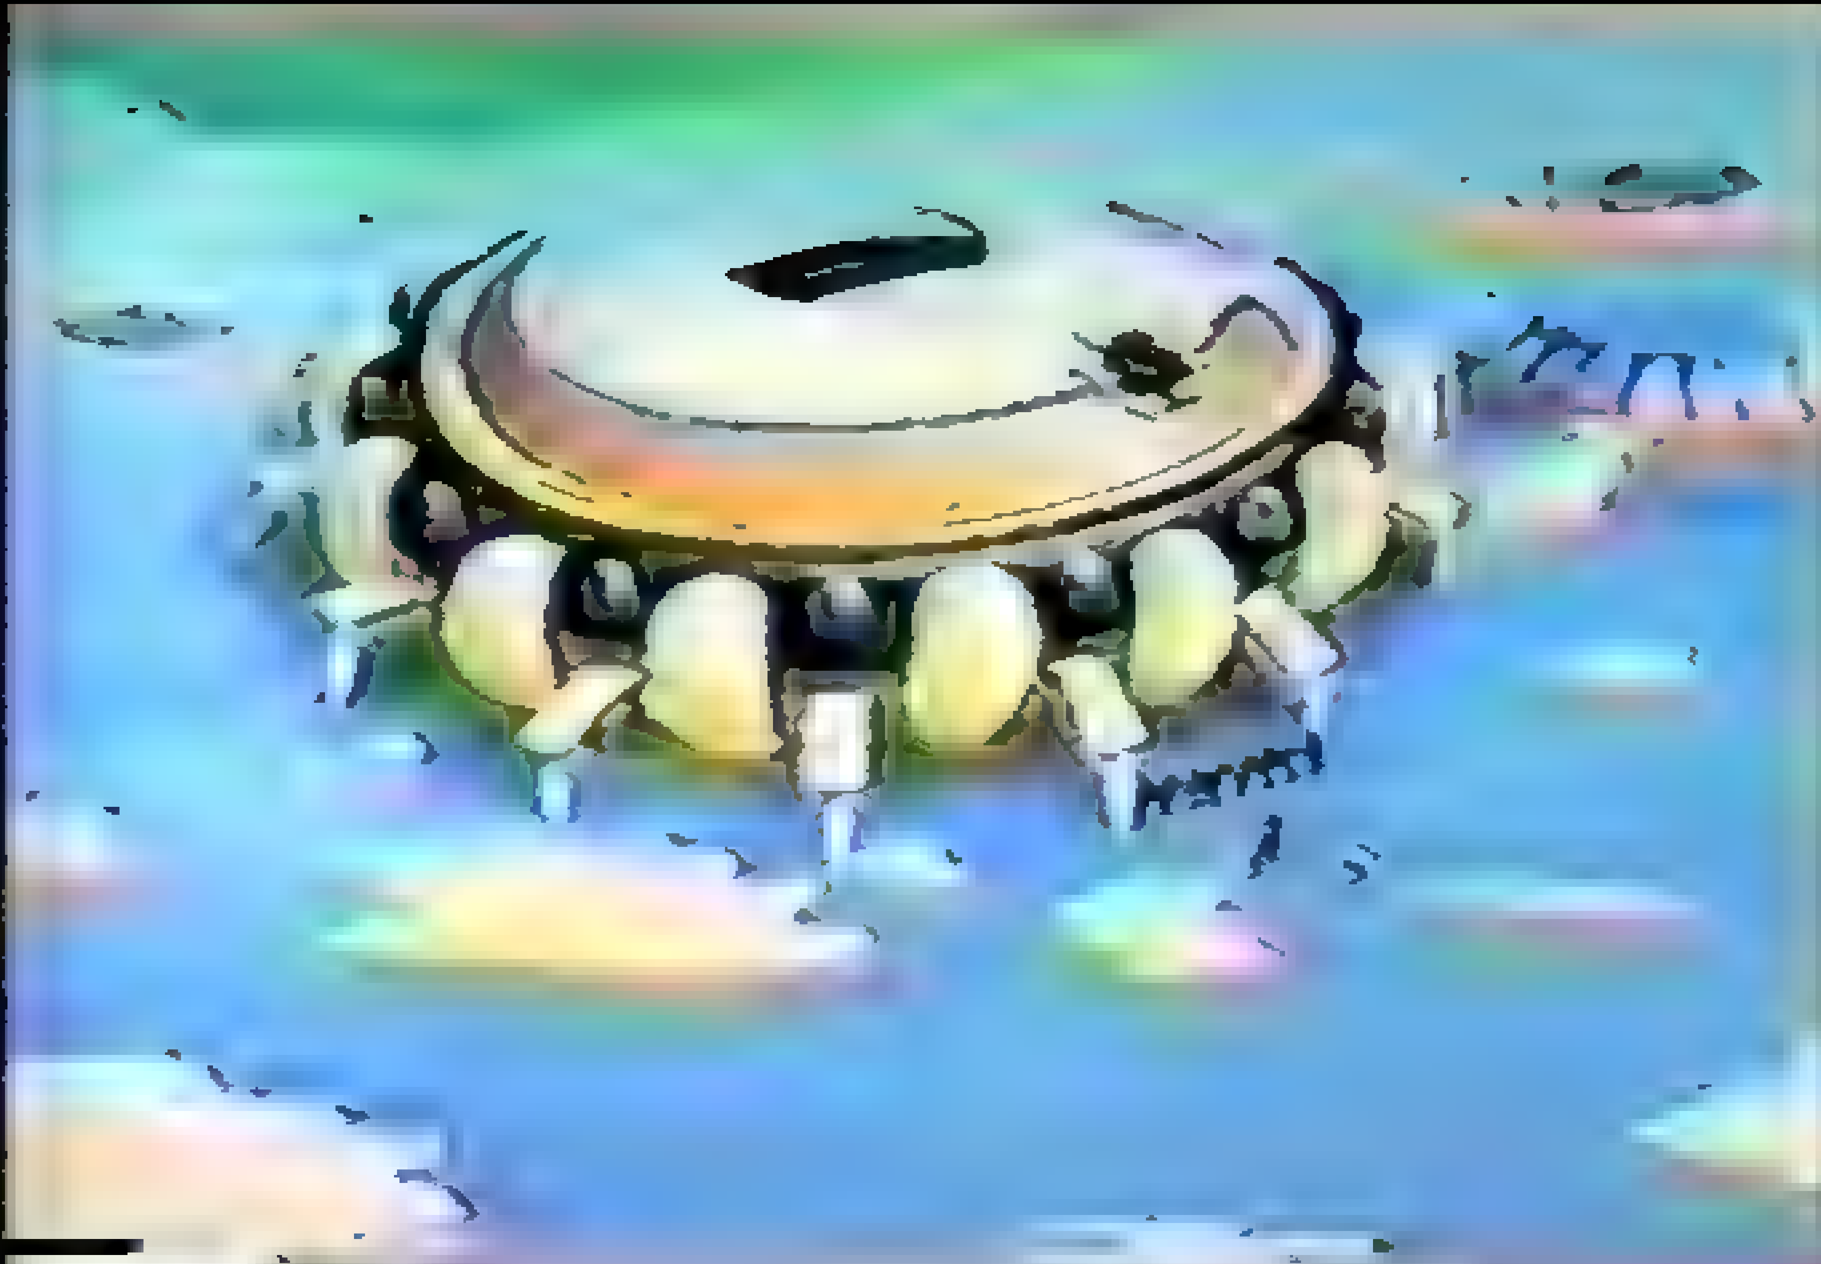

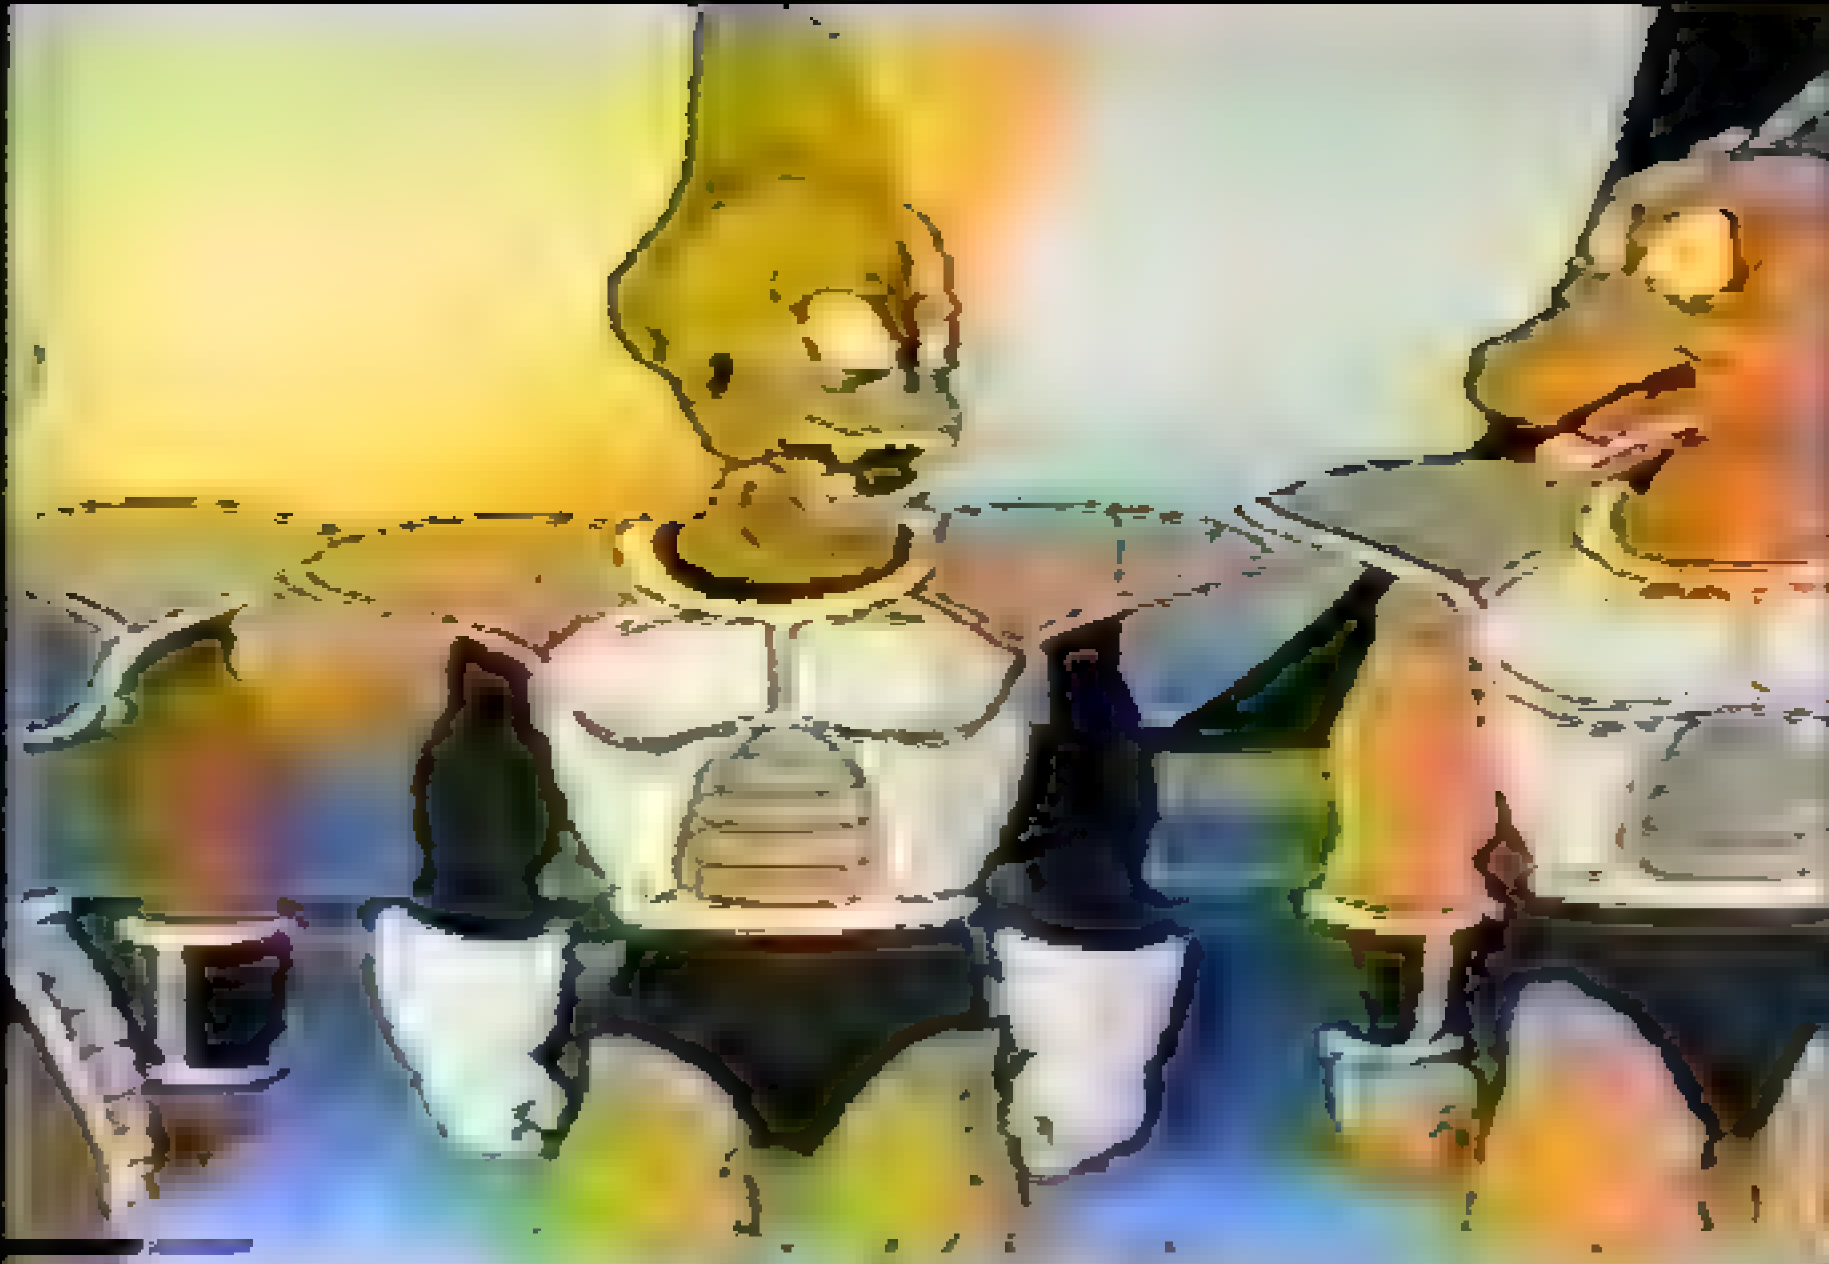

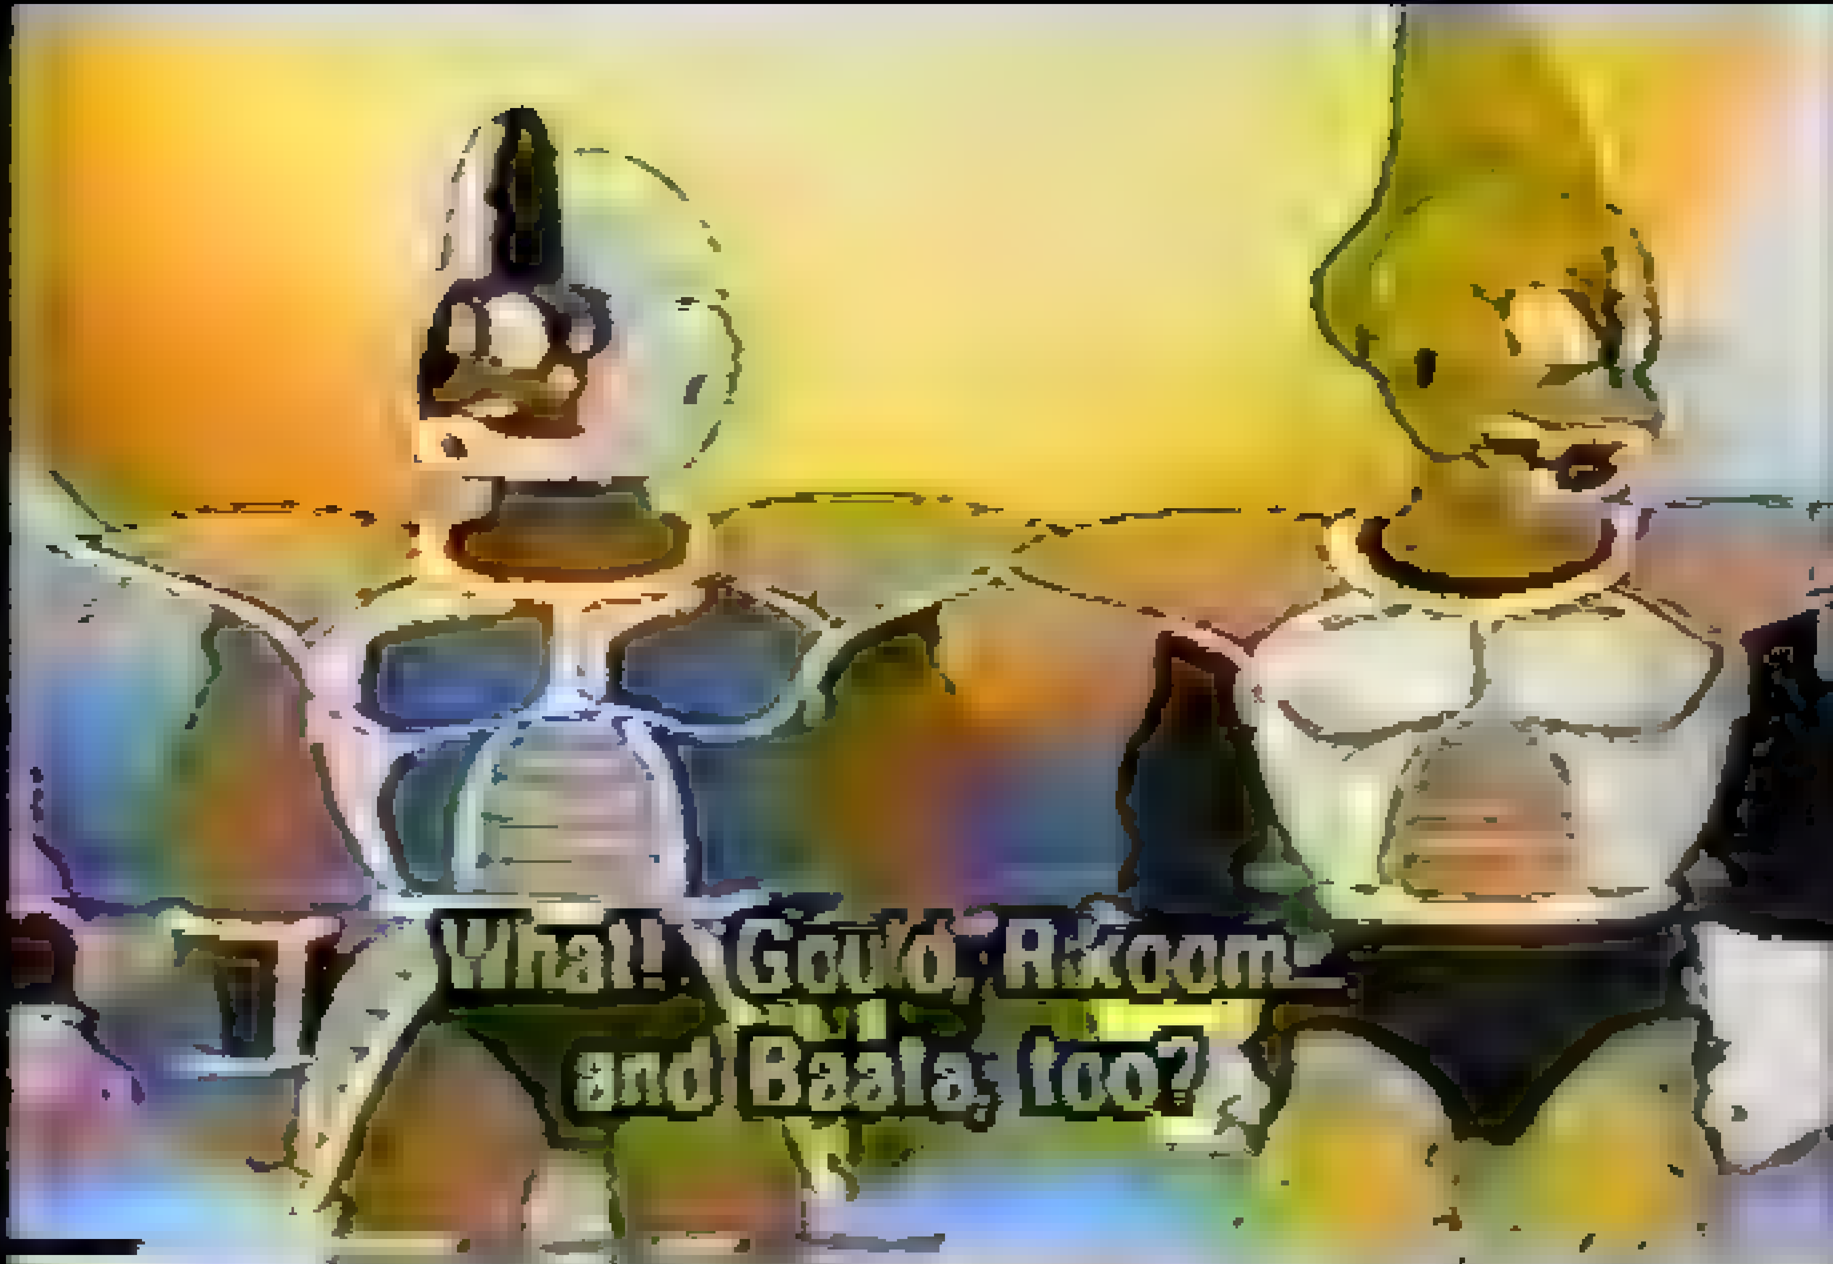

DRAGON
Z

What! Gould, Rikoom
and Baala, too?

What! Gould, Rikoom
and Baata, too?

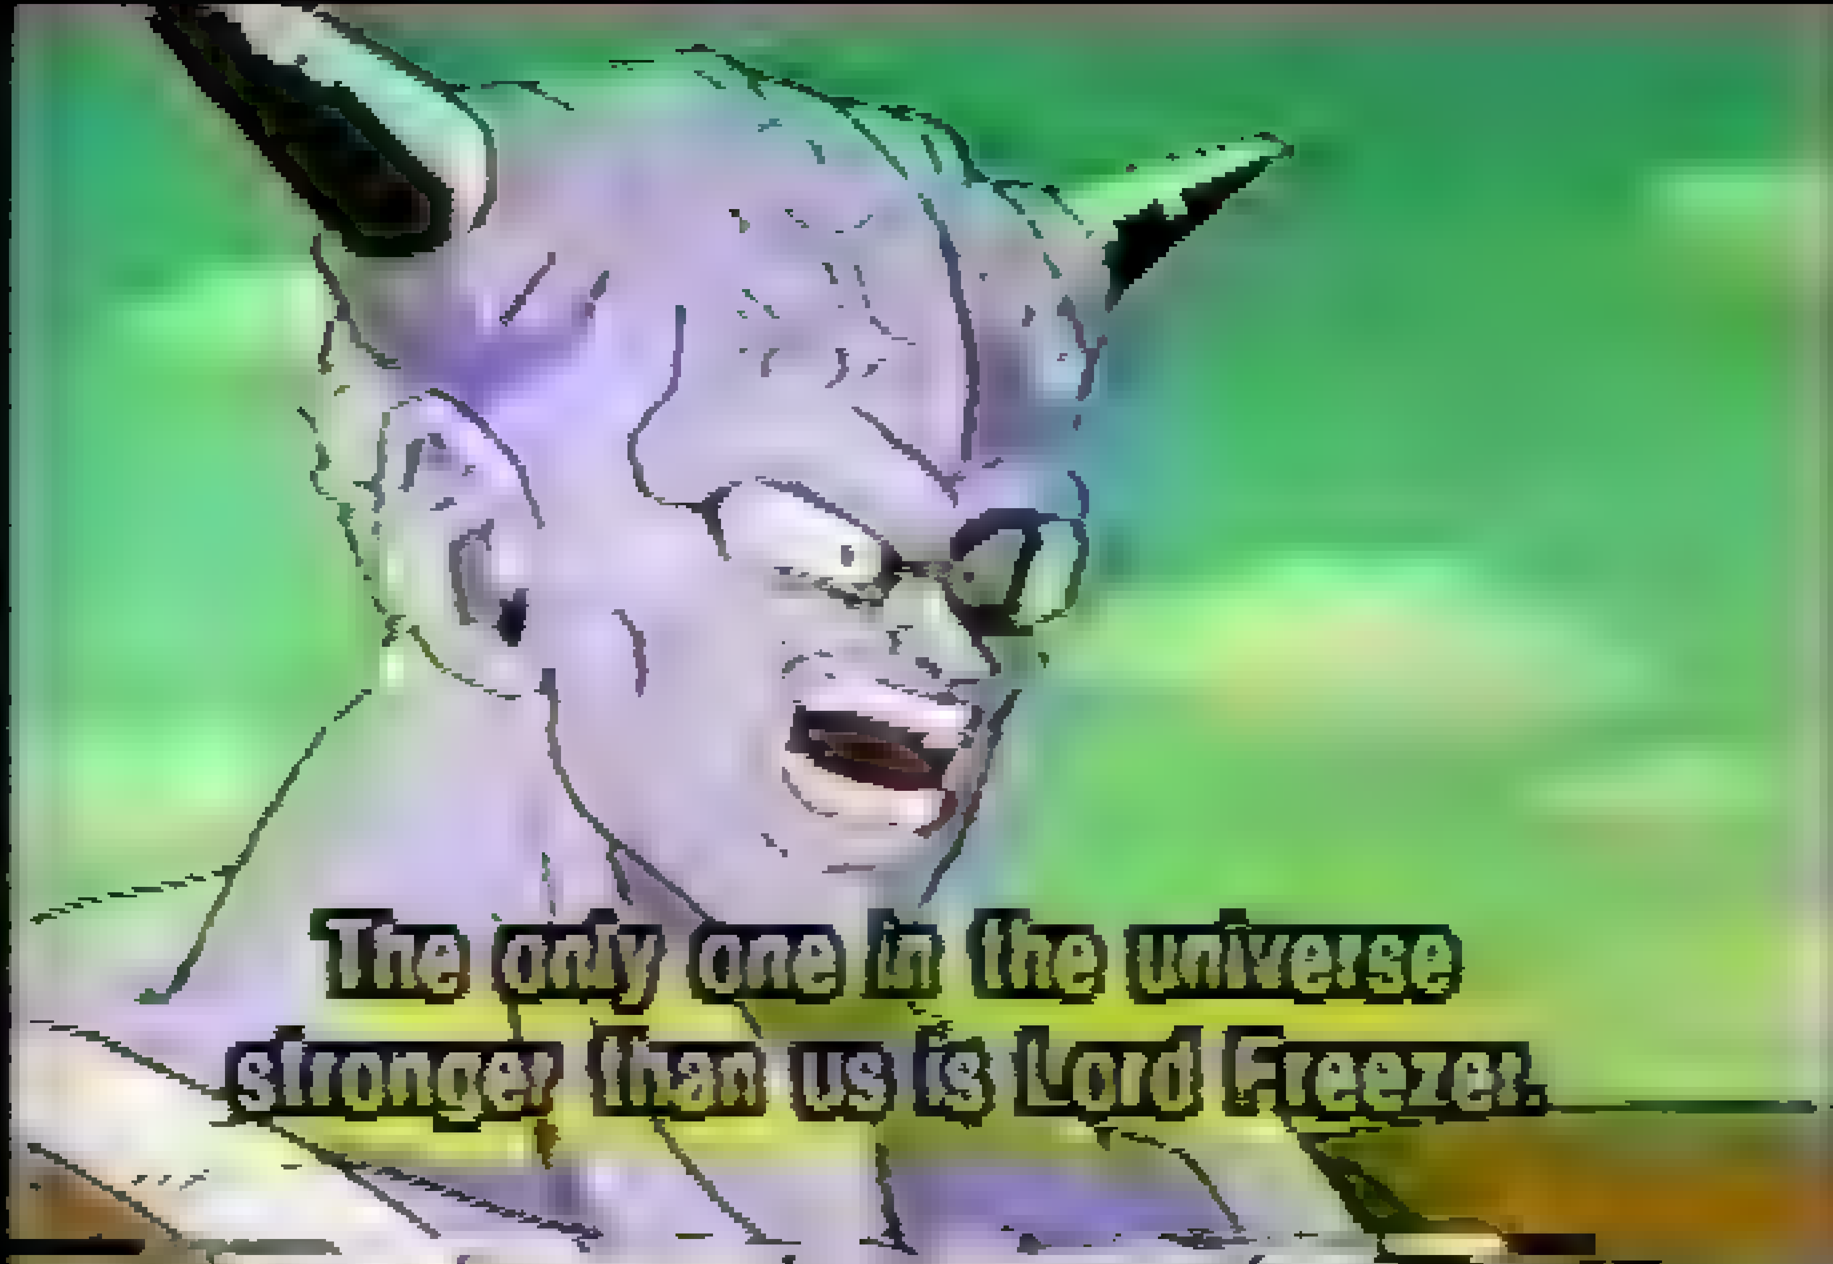

He's unbelievable.

He's unbelievable.

You idiot! We are the
Gnyu Special Corps!

You idiot! We are the
Gnyu Special Corps!

The only one in the universe
stronger than us is Lord Freezer.

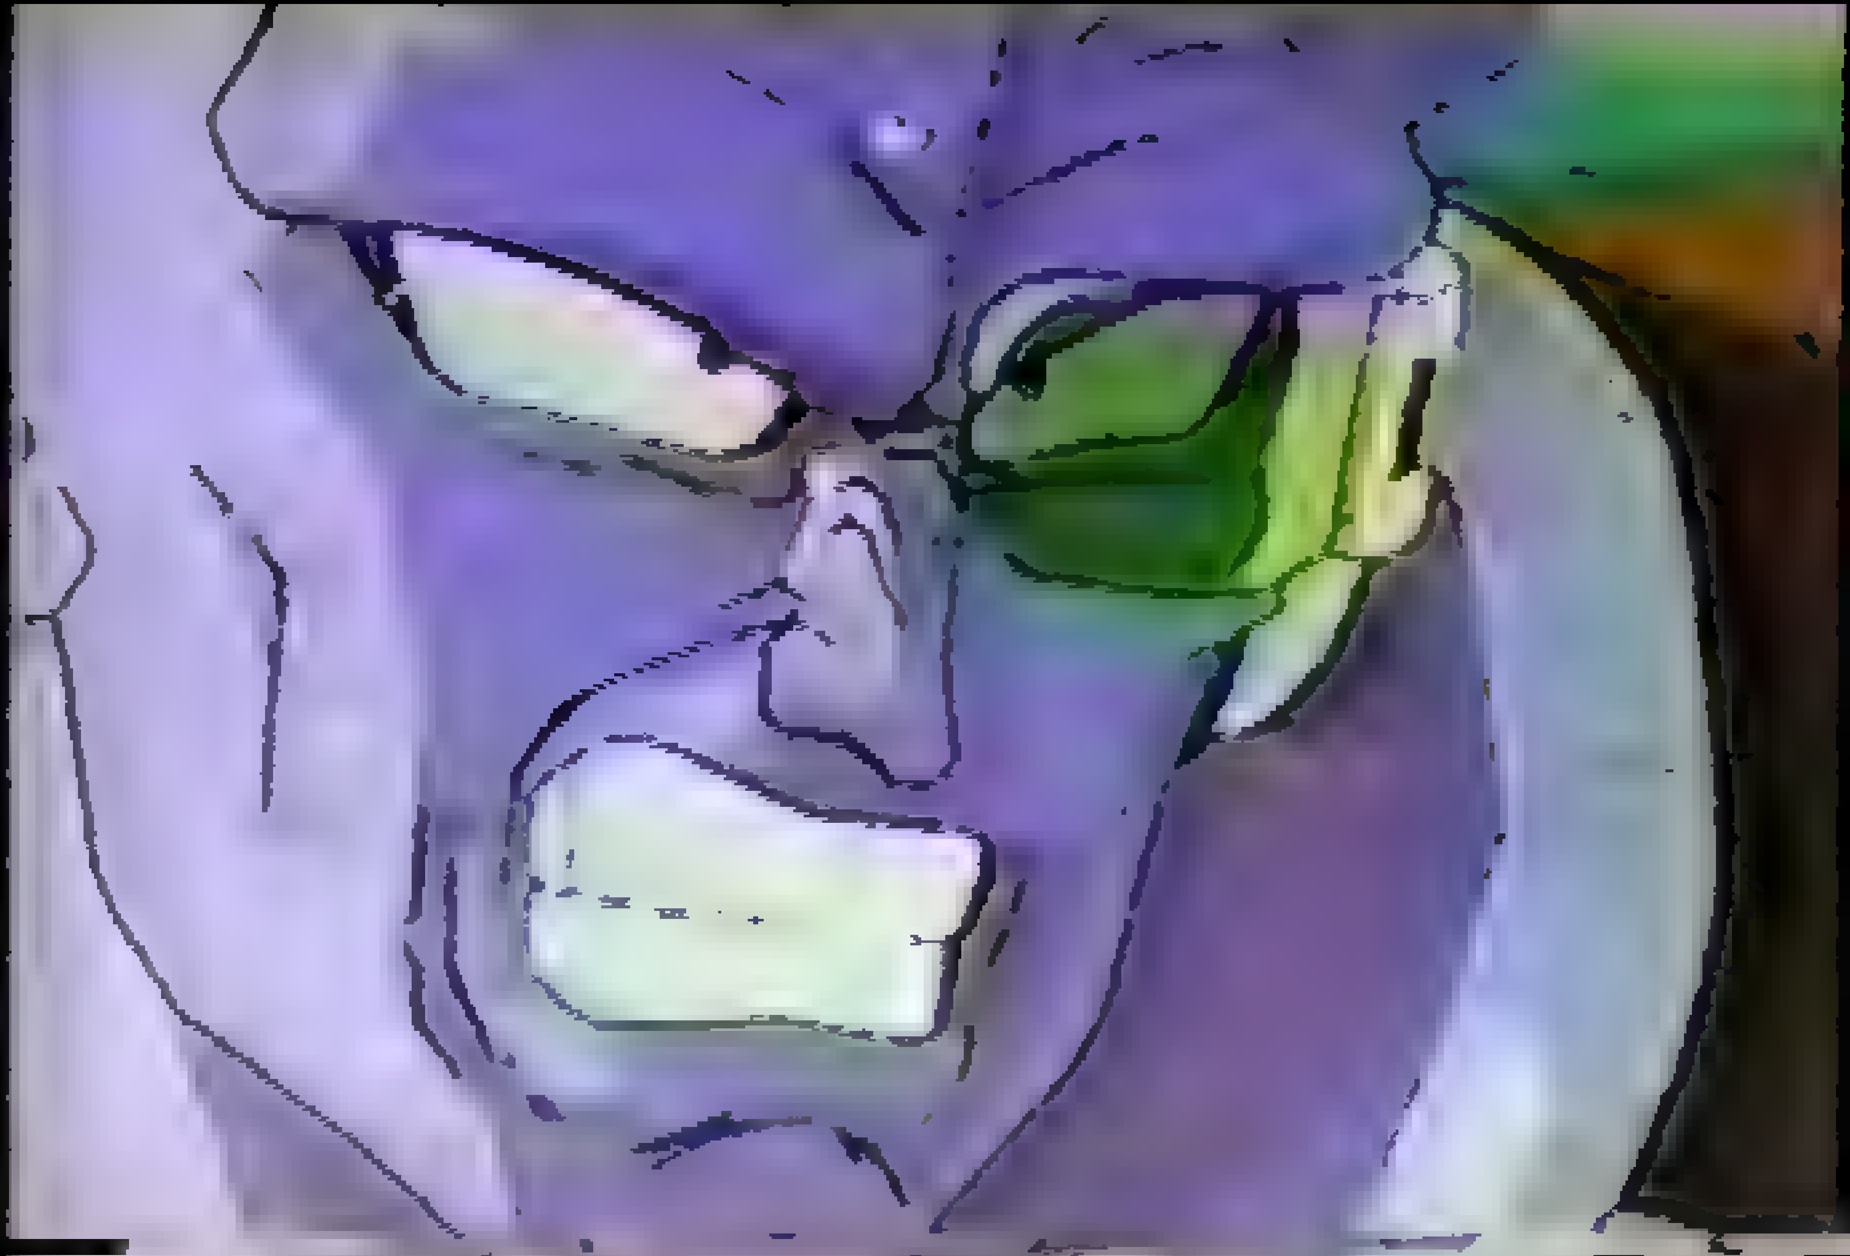

The only one in the universe
stronger than us is Lord Freezer.

The only one in the universe
stronger than us is Lord Freezer.

I thought so, too!
But the truth is...

I thought so, too!
But the truth is...

They battle power readings
have all disappeared.

Their battle power readings
have all disappeared

So my scouter wasn't
malfunctioning?

We must notify Lord Freezer!

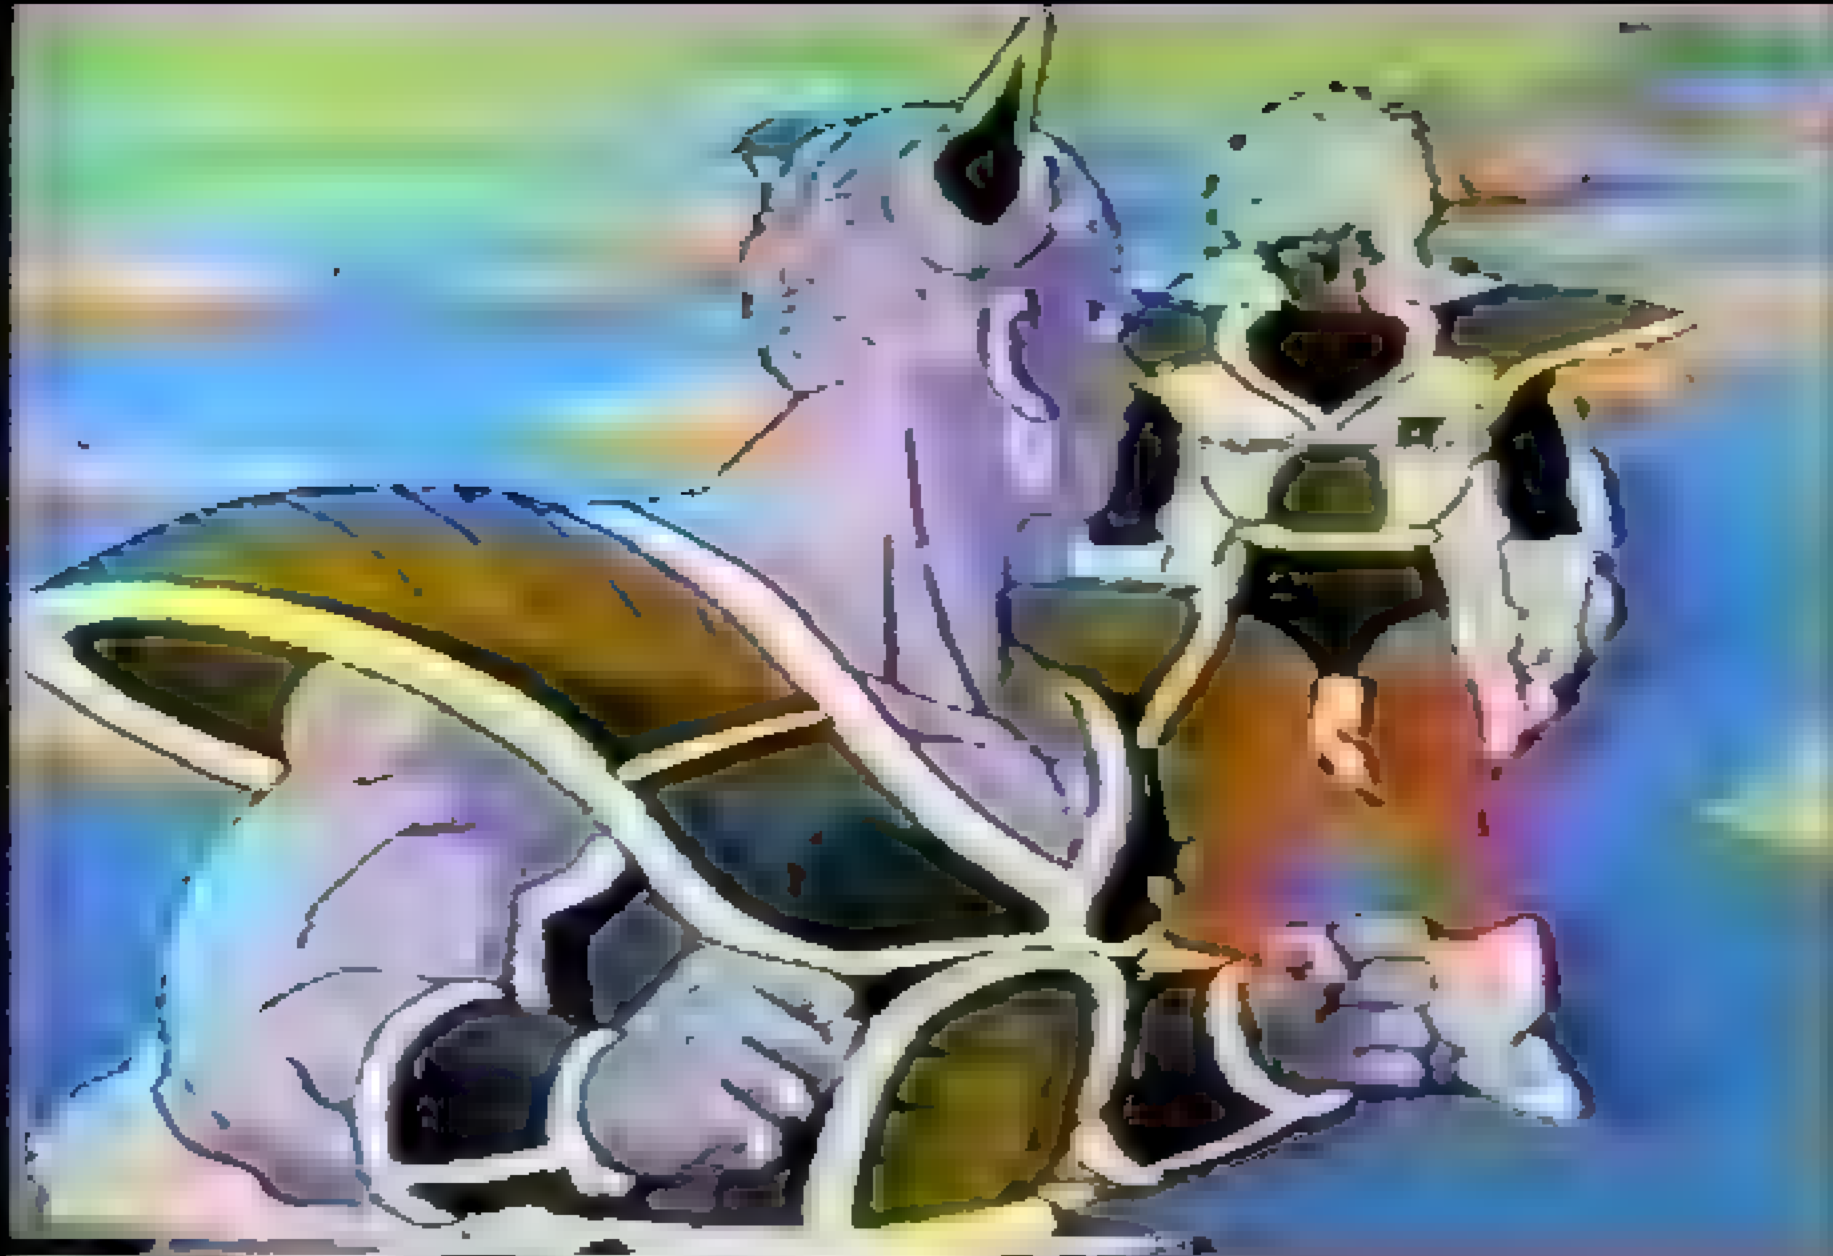

You've got to be kidding!

How can I tell him
something so humiliating!

I'm glad Lord Freezer isn't here.

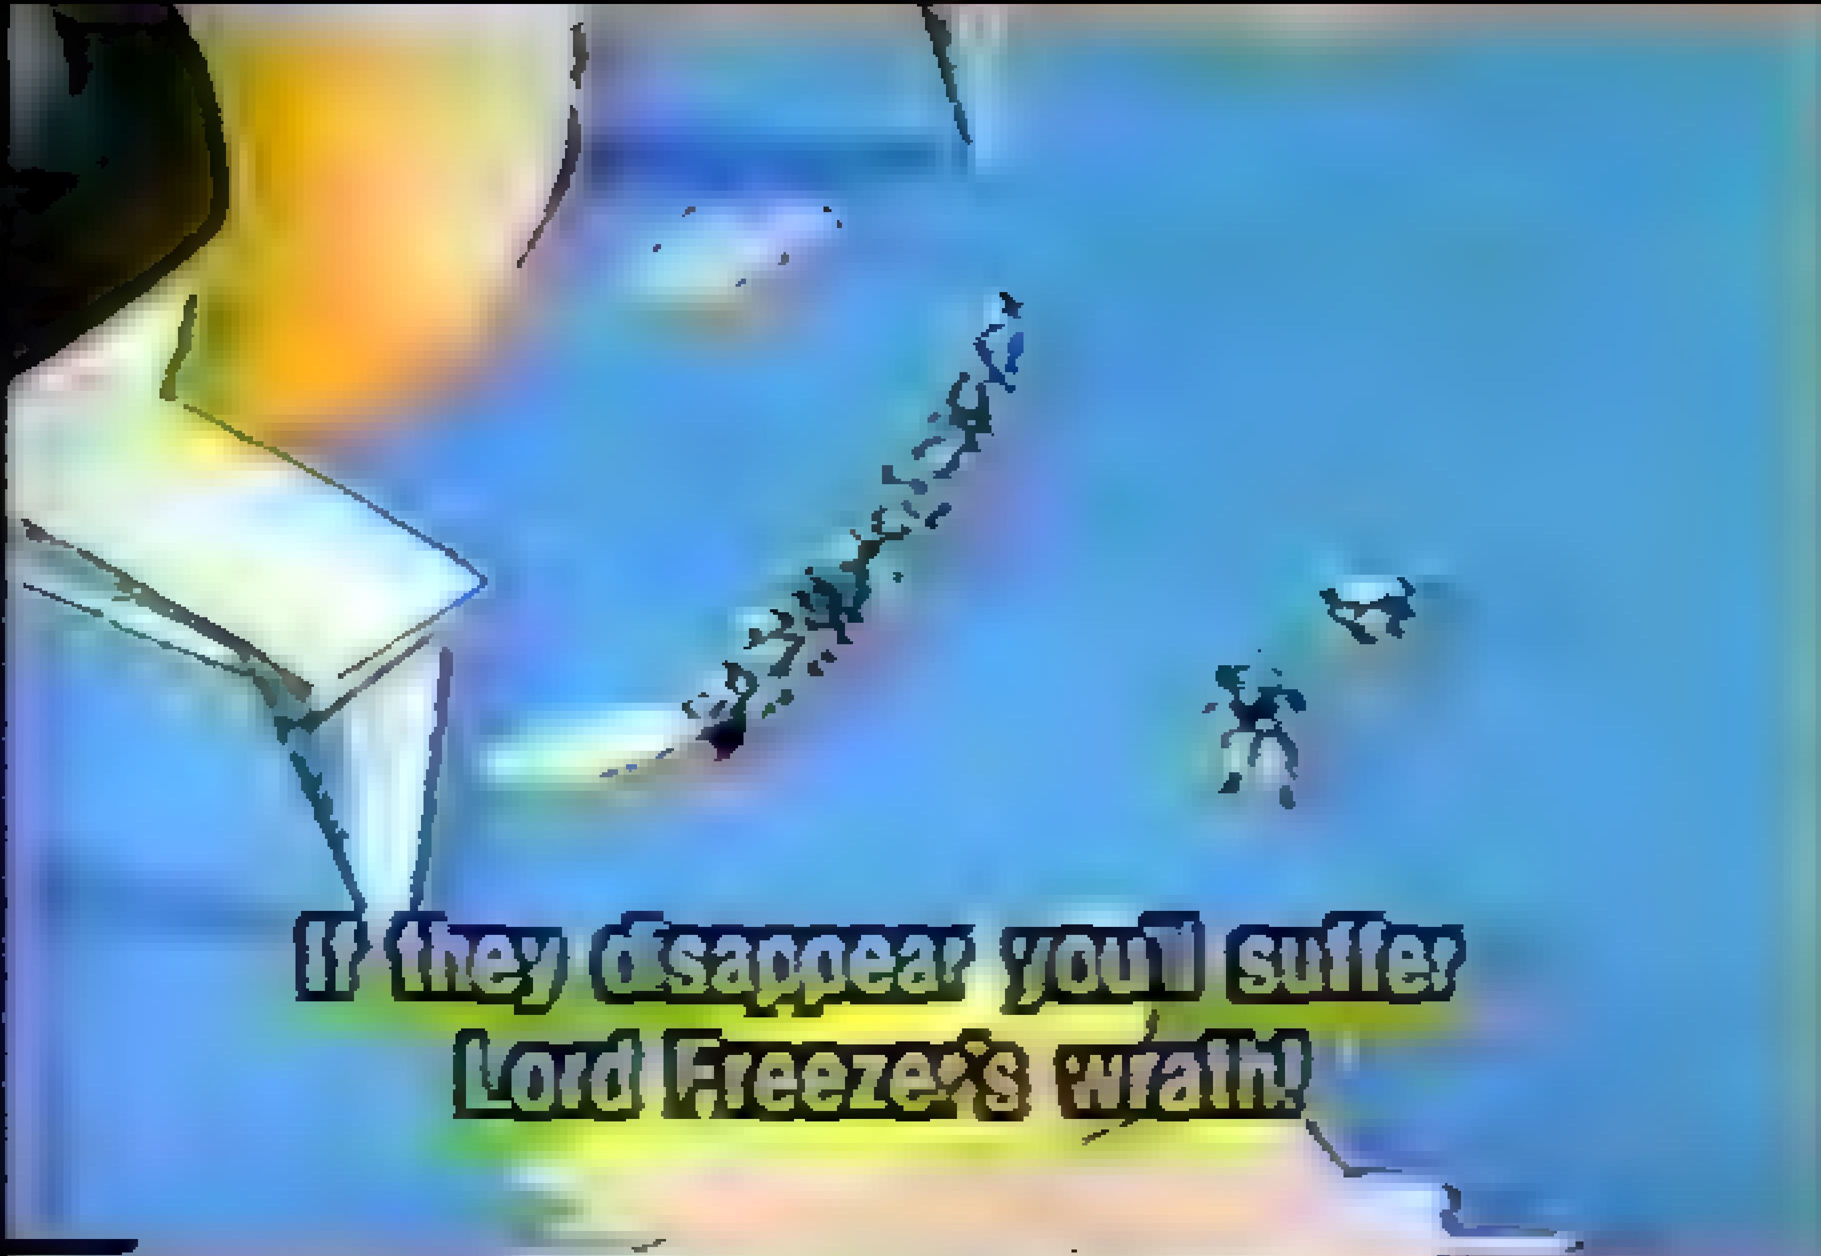

Commander Gnyu himself
will go and show him

Commander Gnyu himself
will go and show him

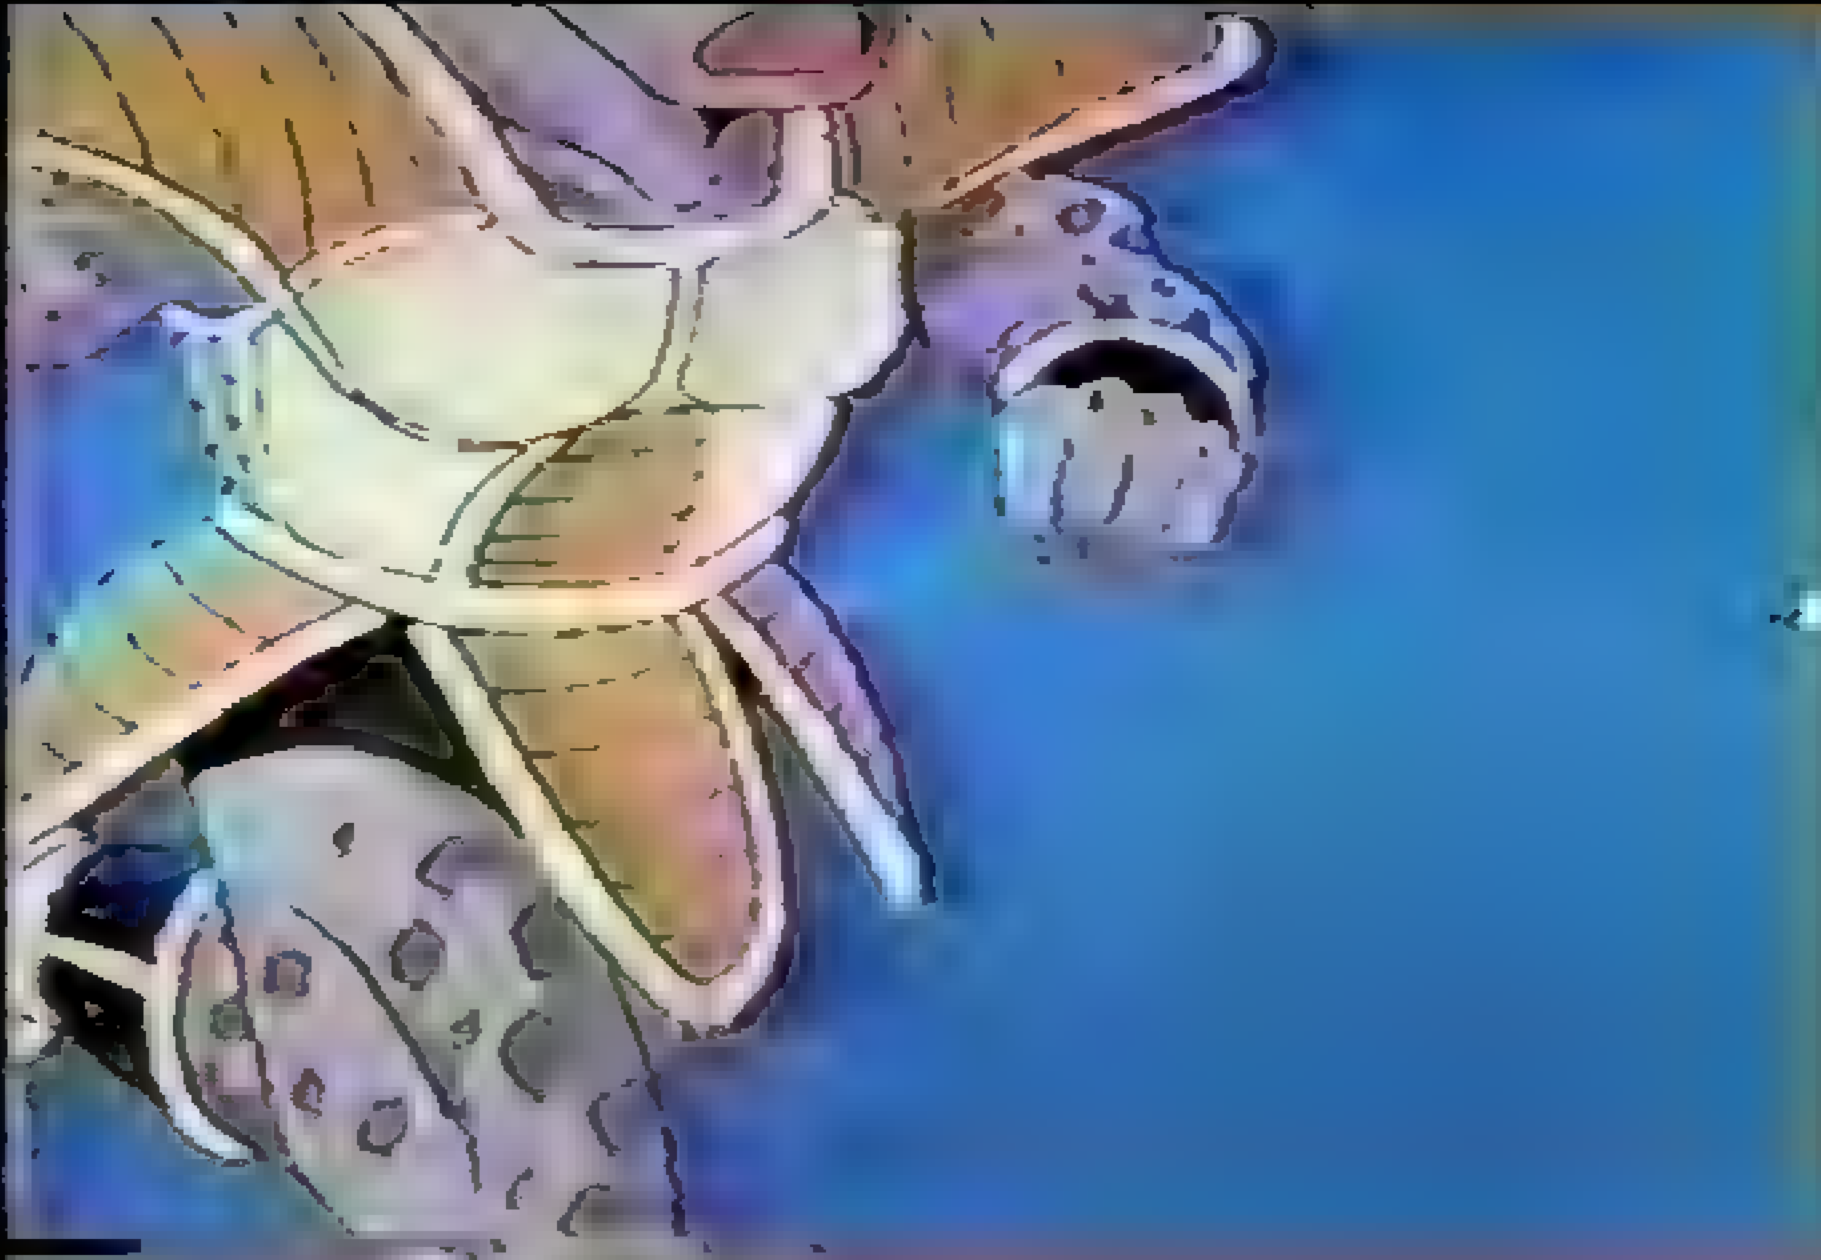

the basics of fighting...

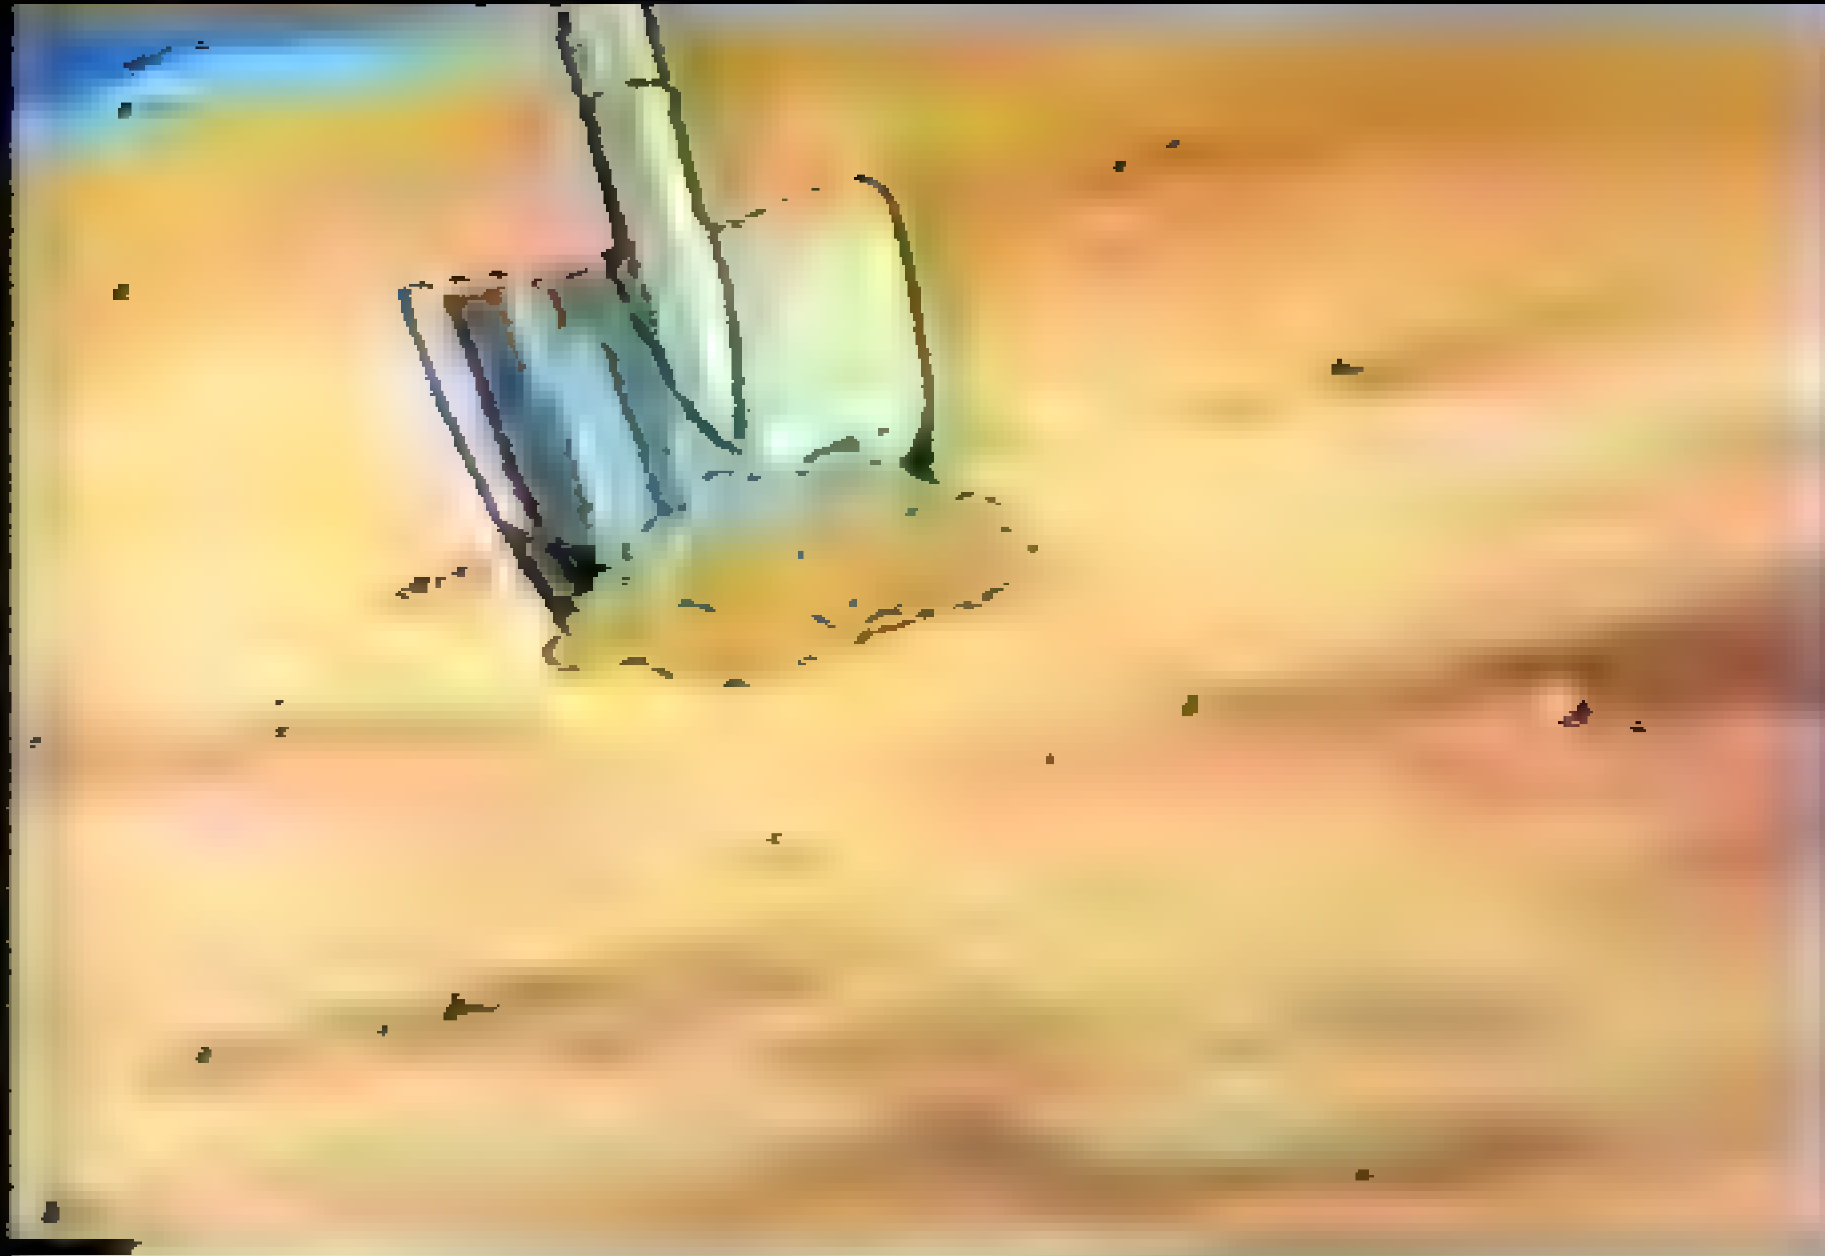

Please do, sir.

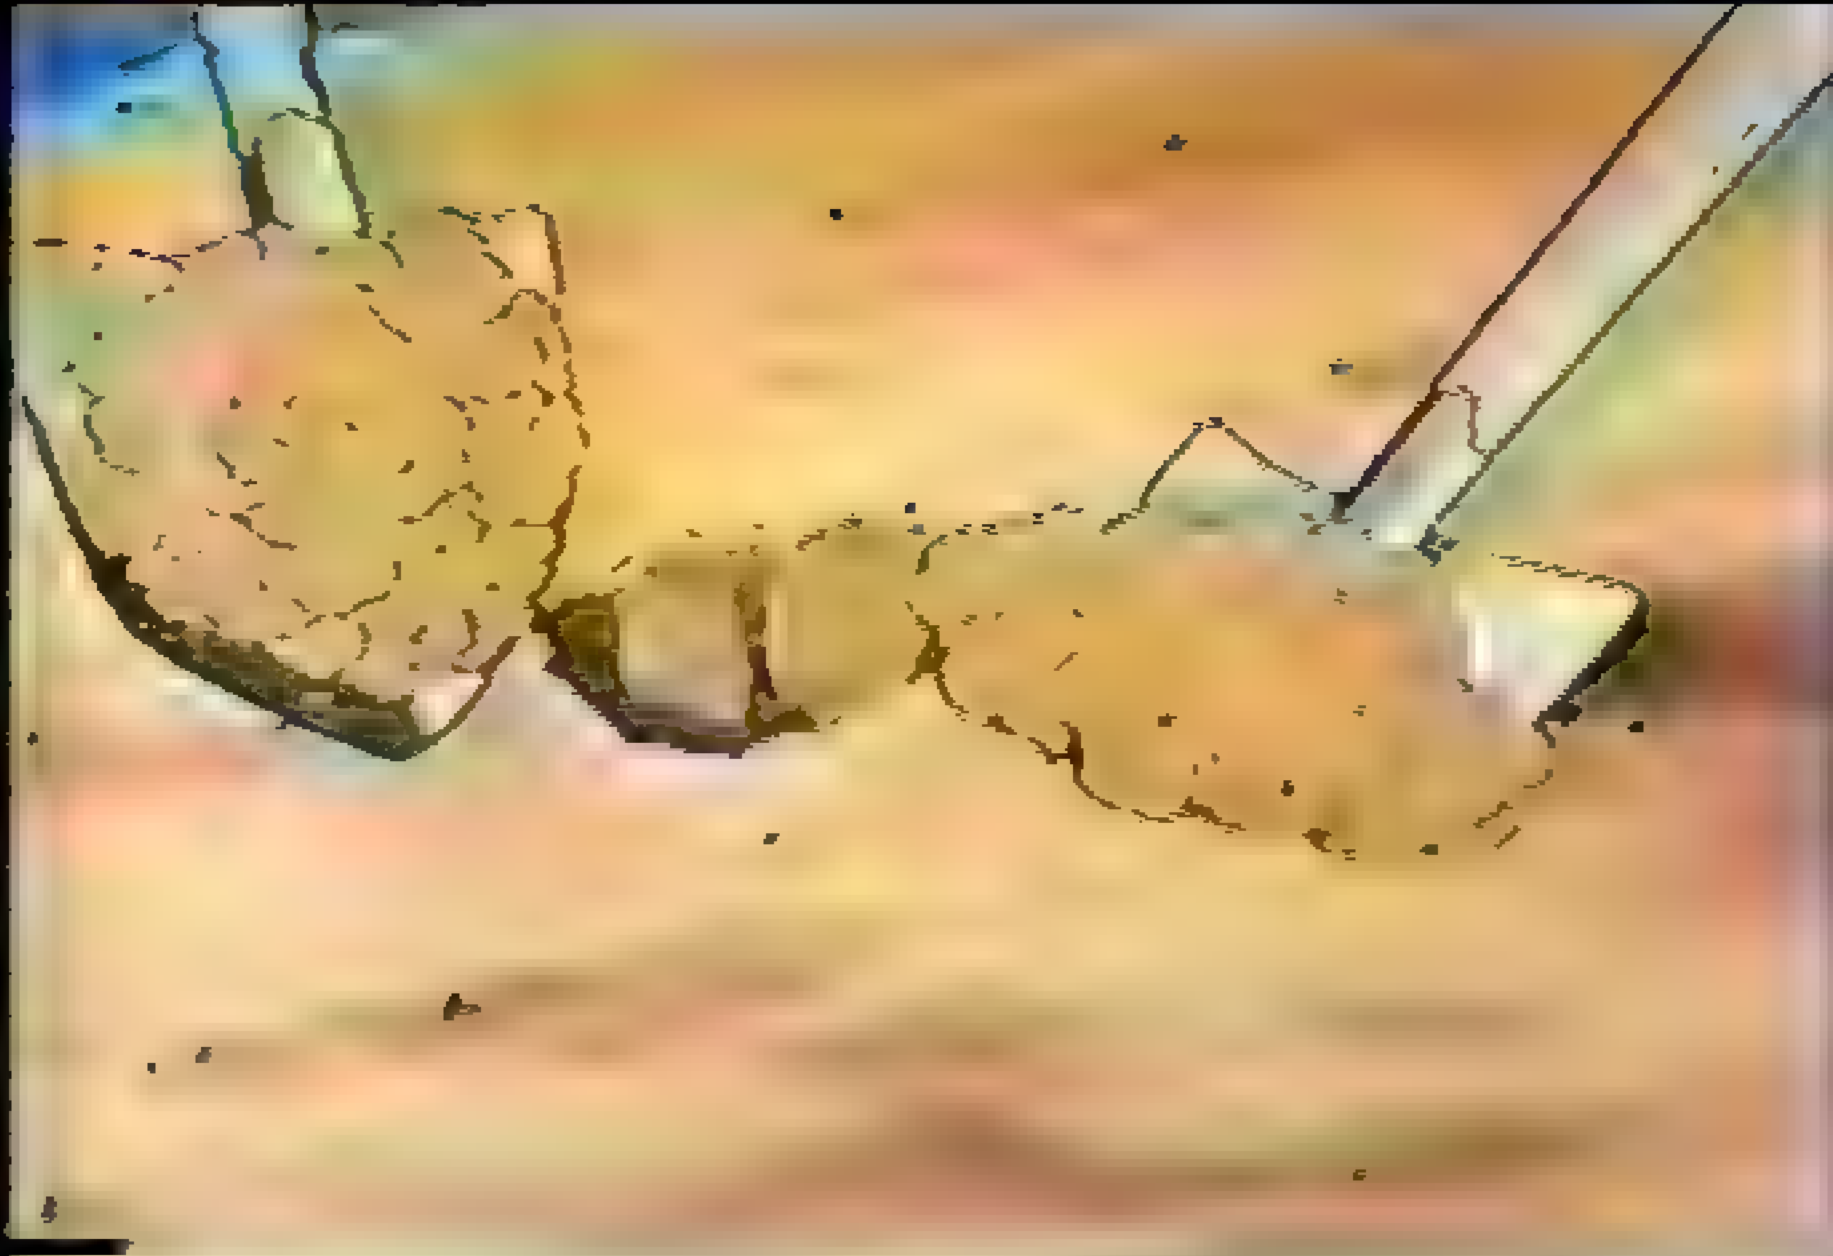

Hide the Dragon Balls!

If they disappear you'll suffer
Lord Freeze's wrath!

If they disappear you'll suffer
Lord Freezer's wrath!

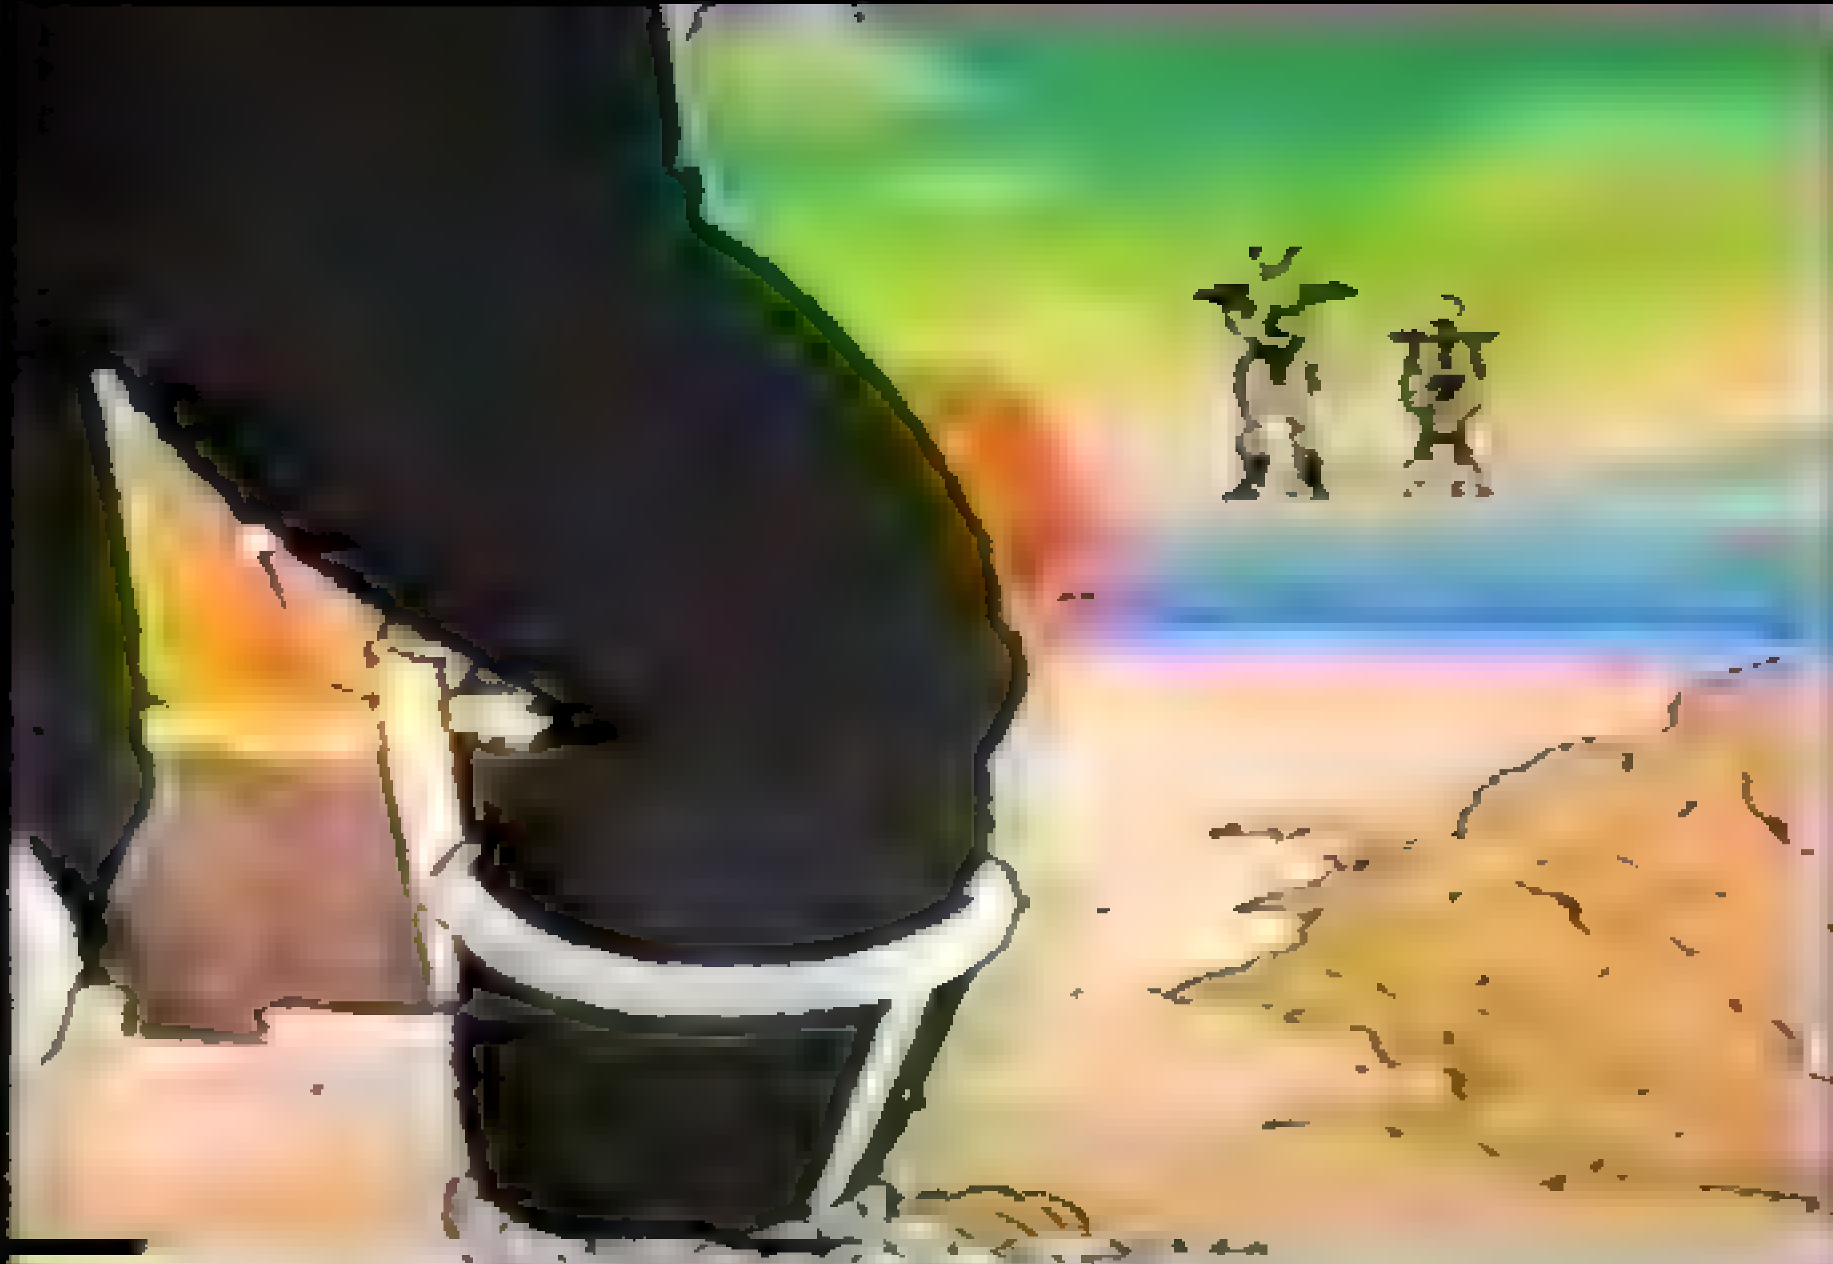

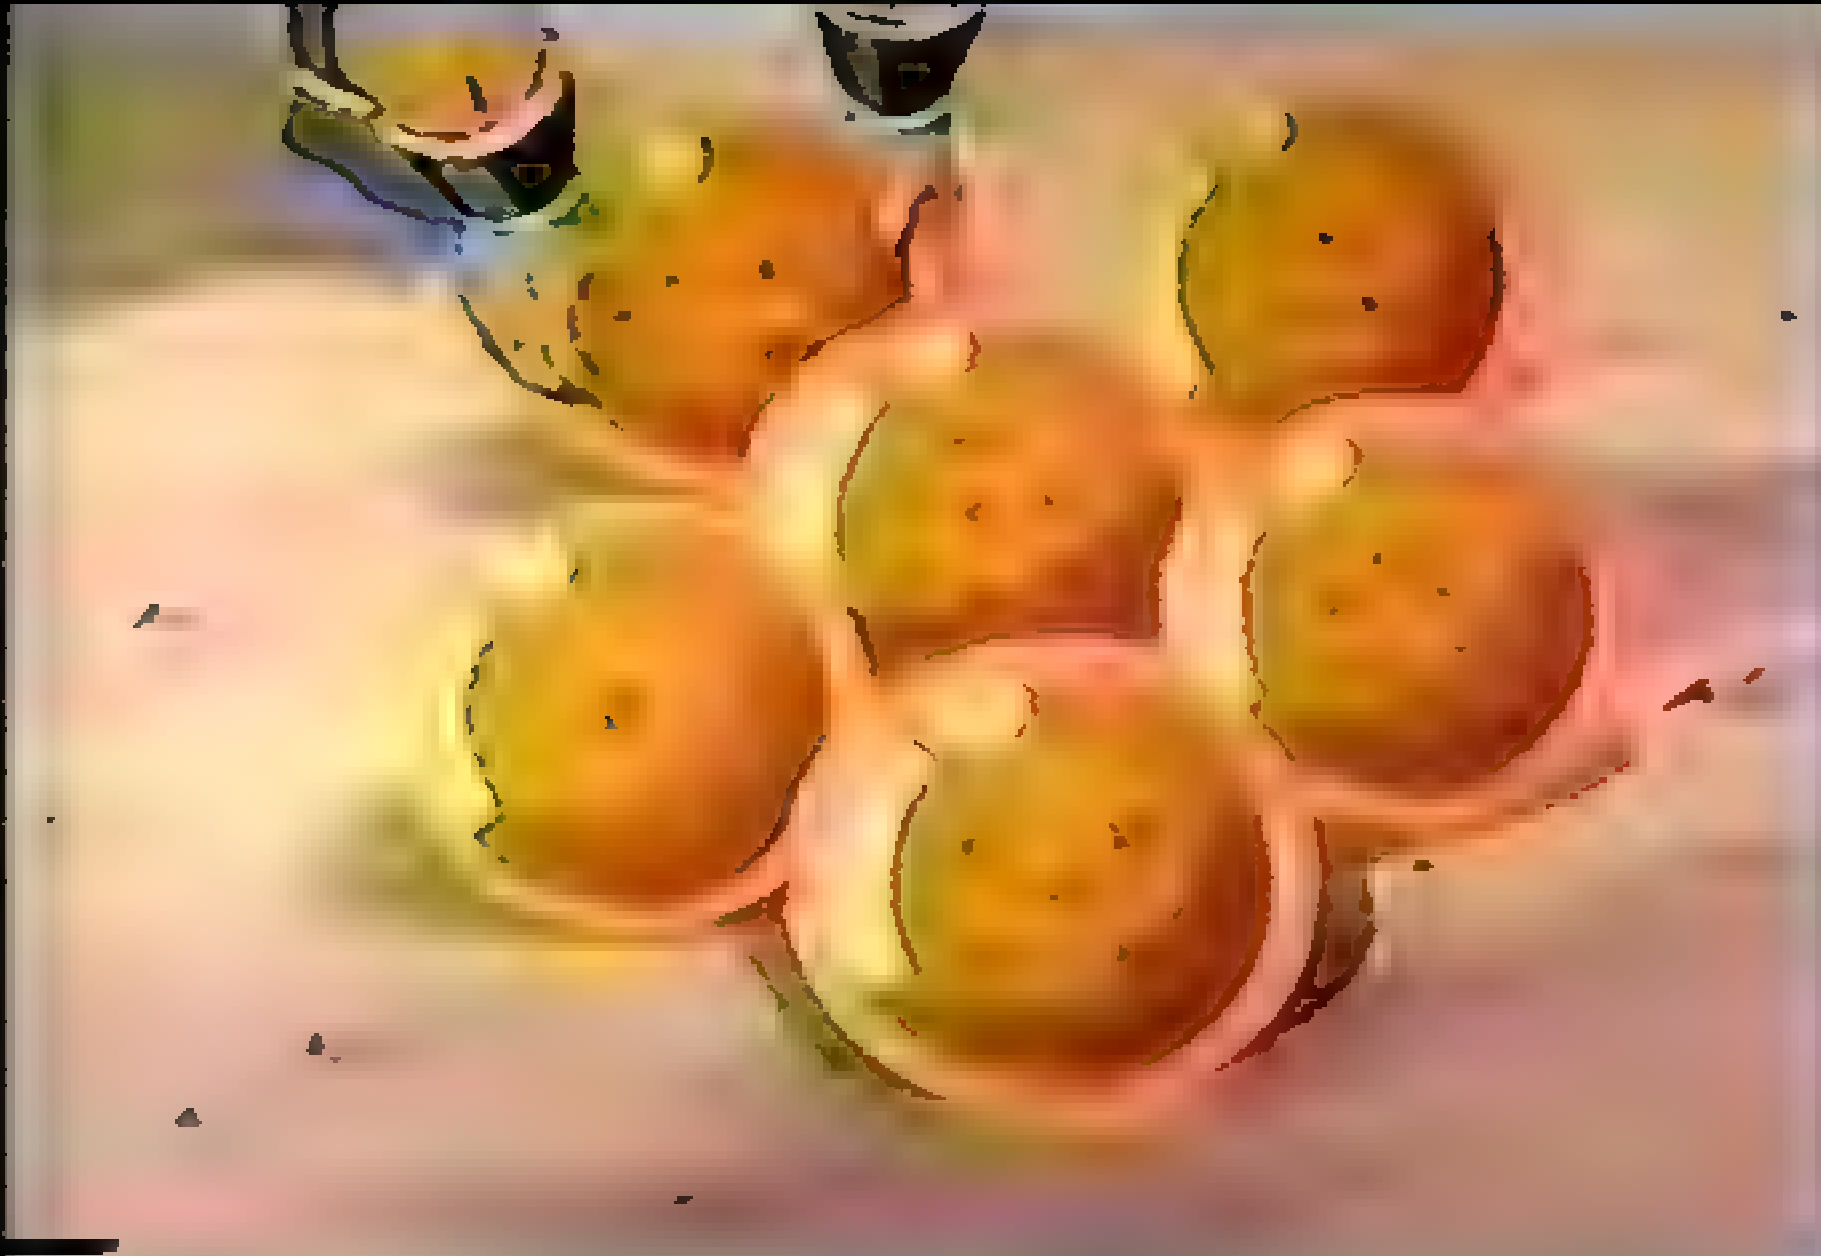

This isn't playtime!

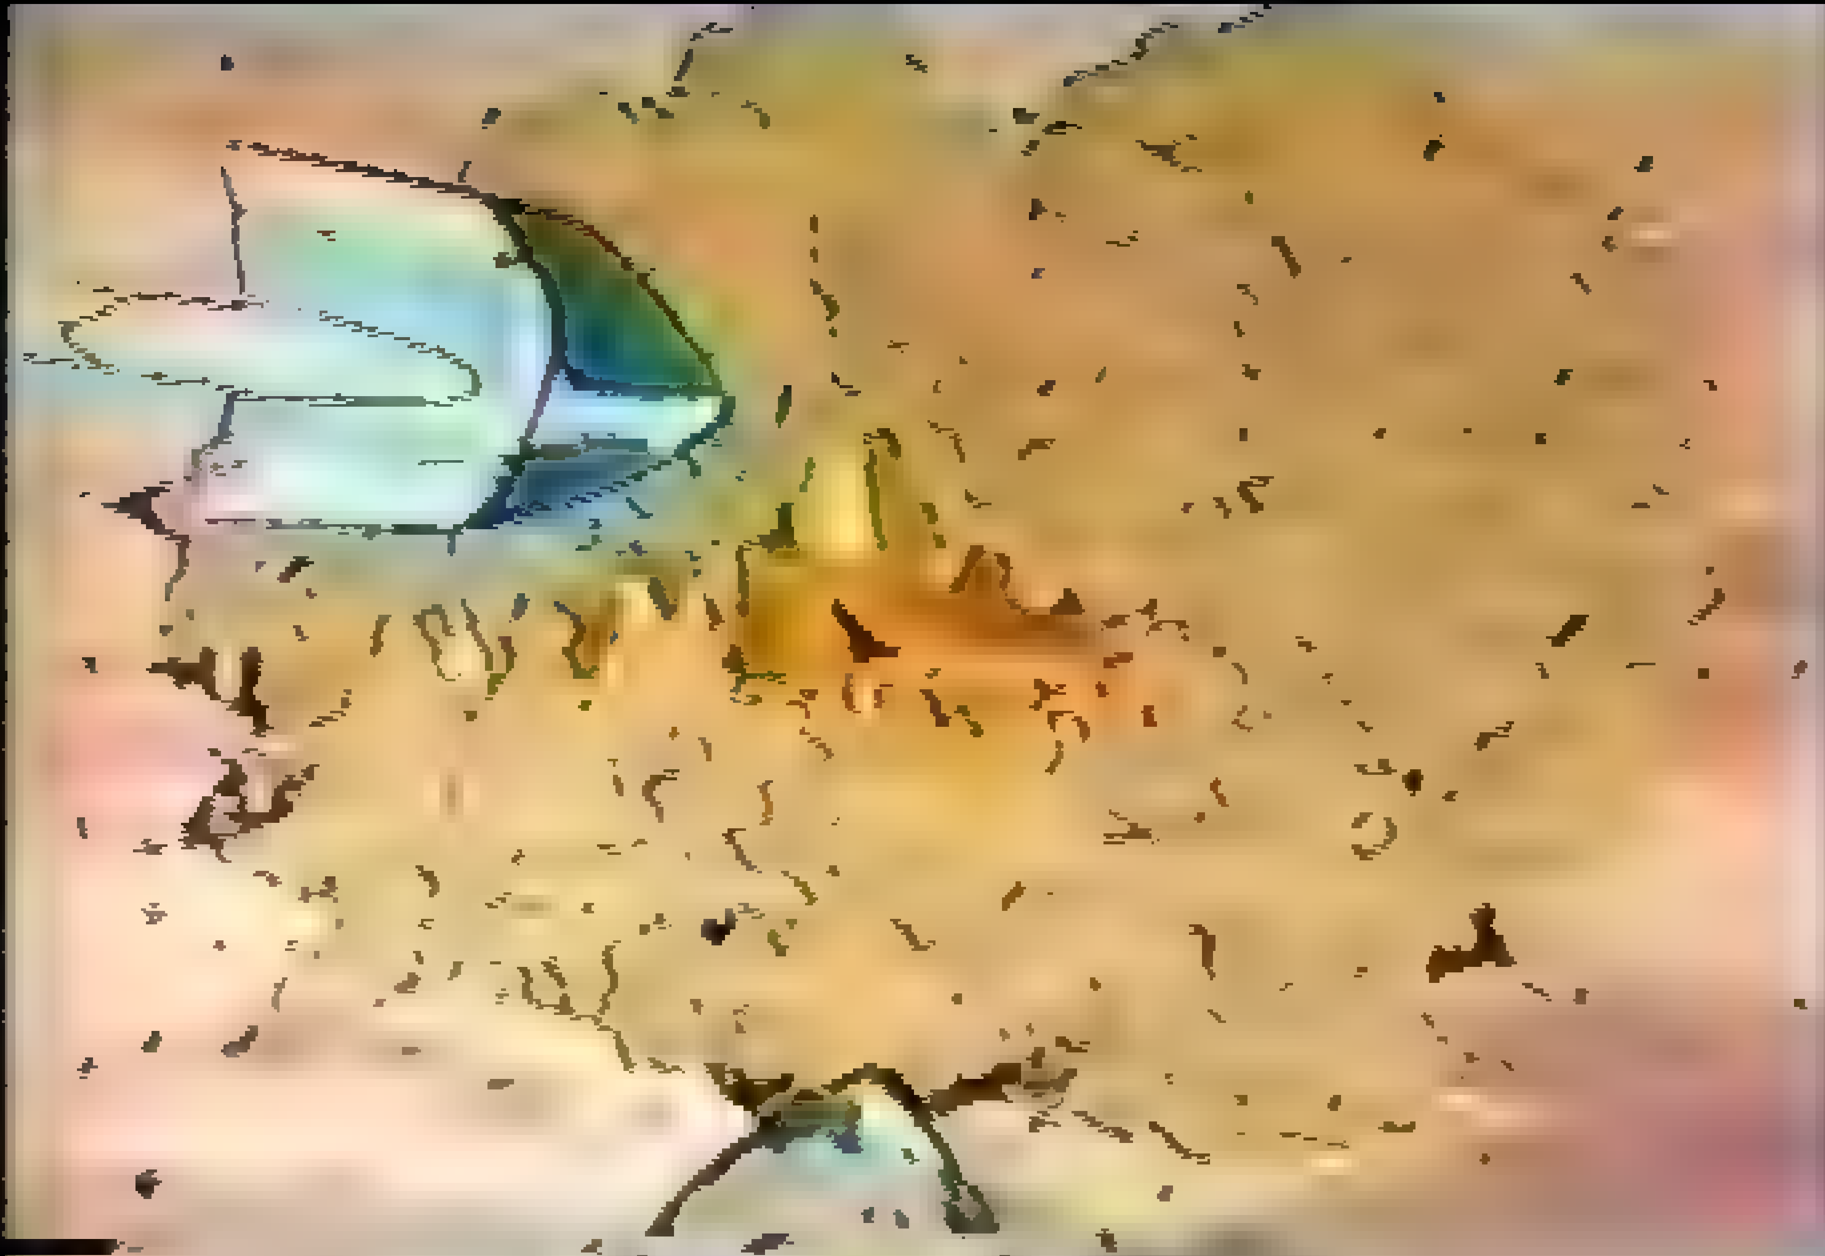

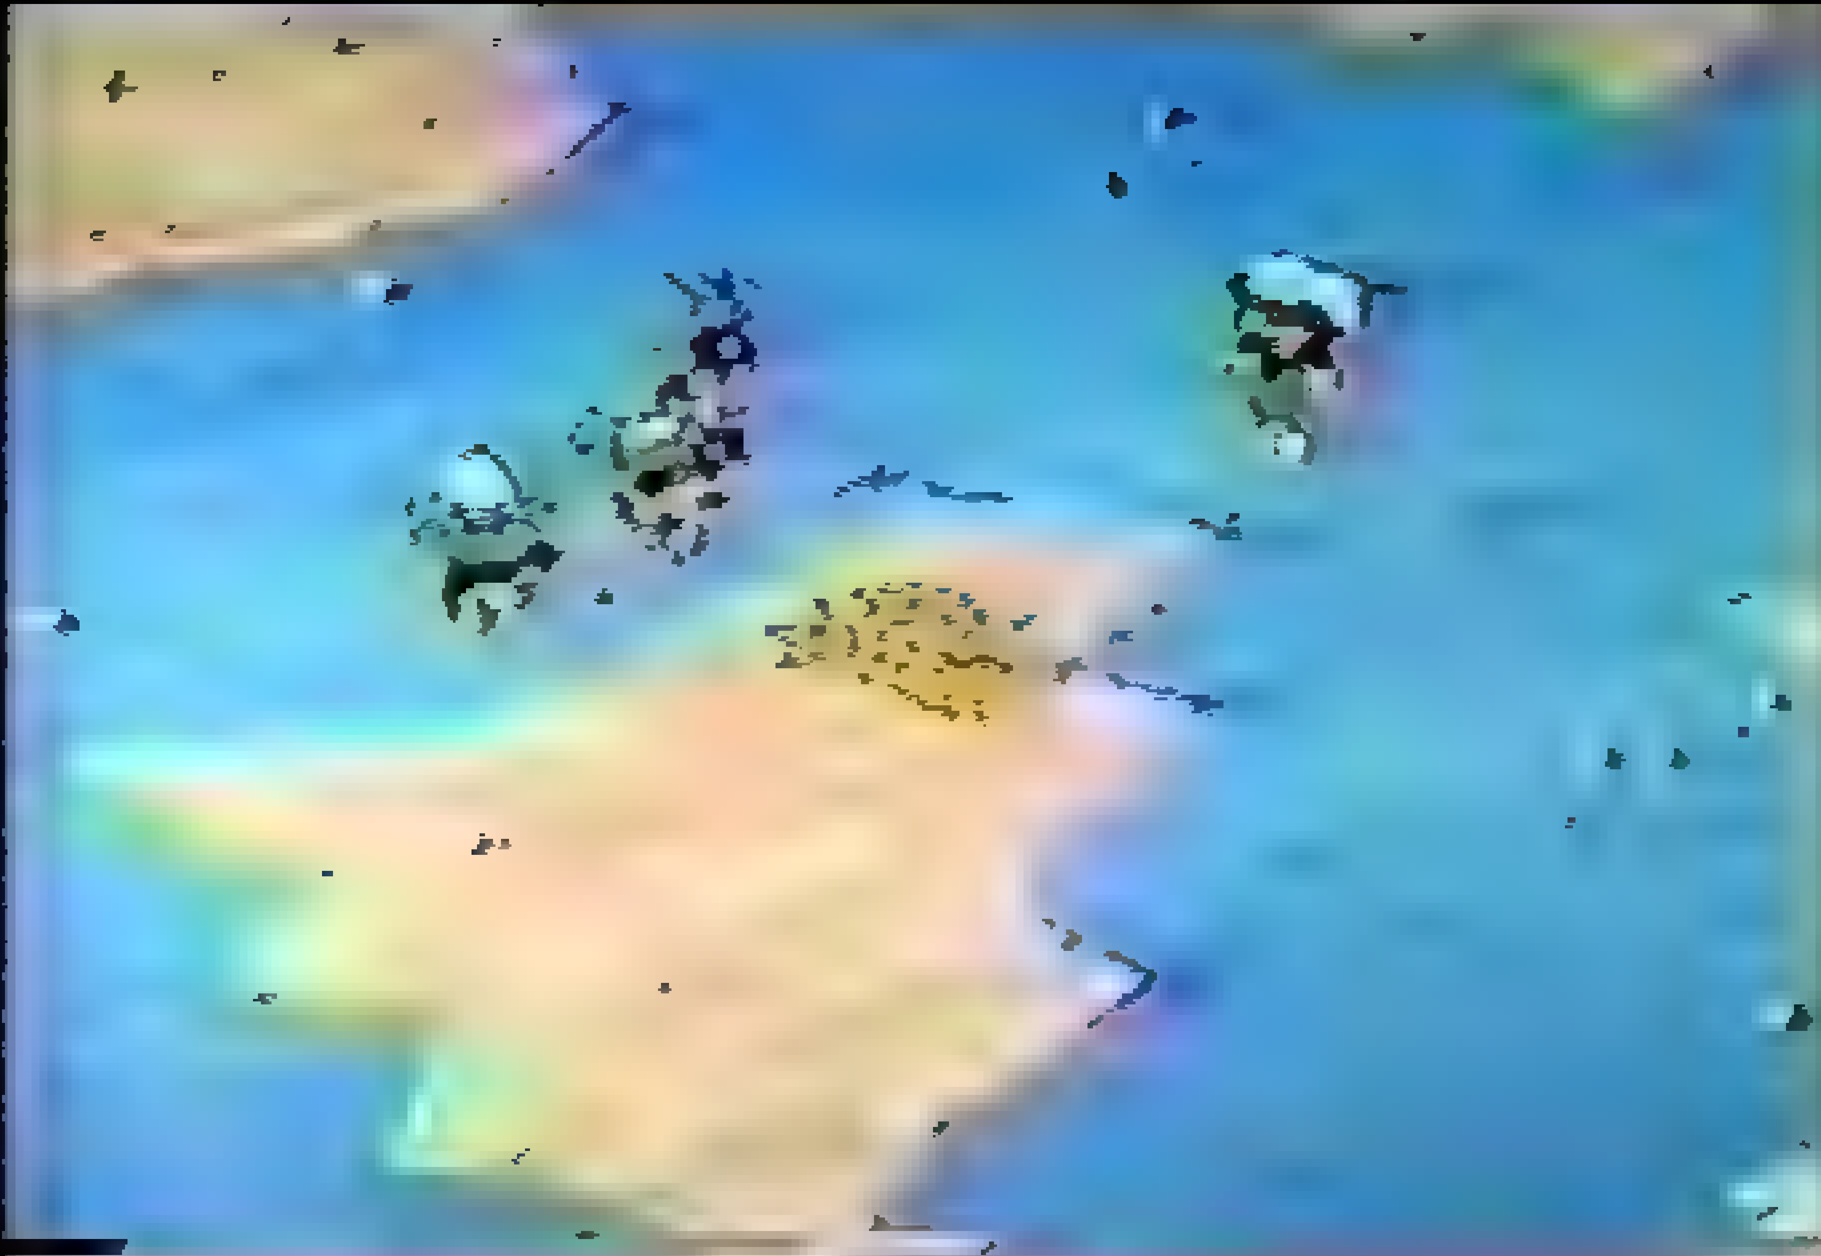

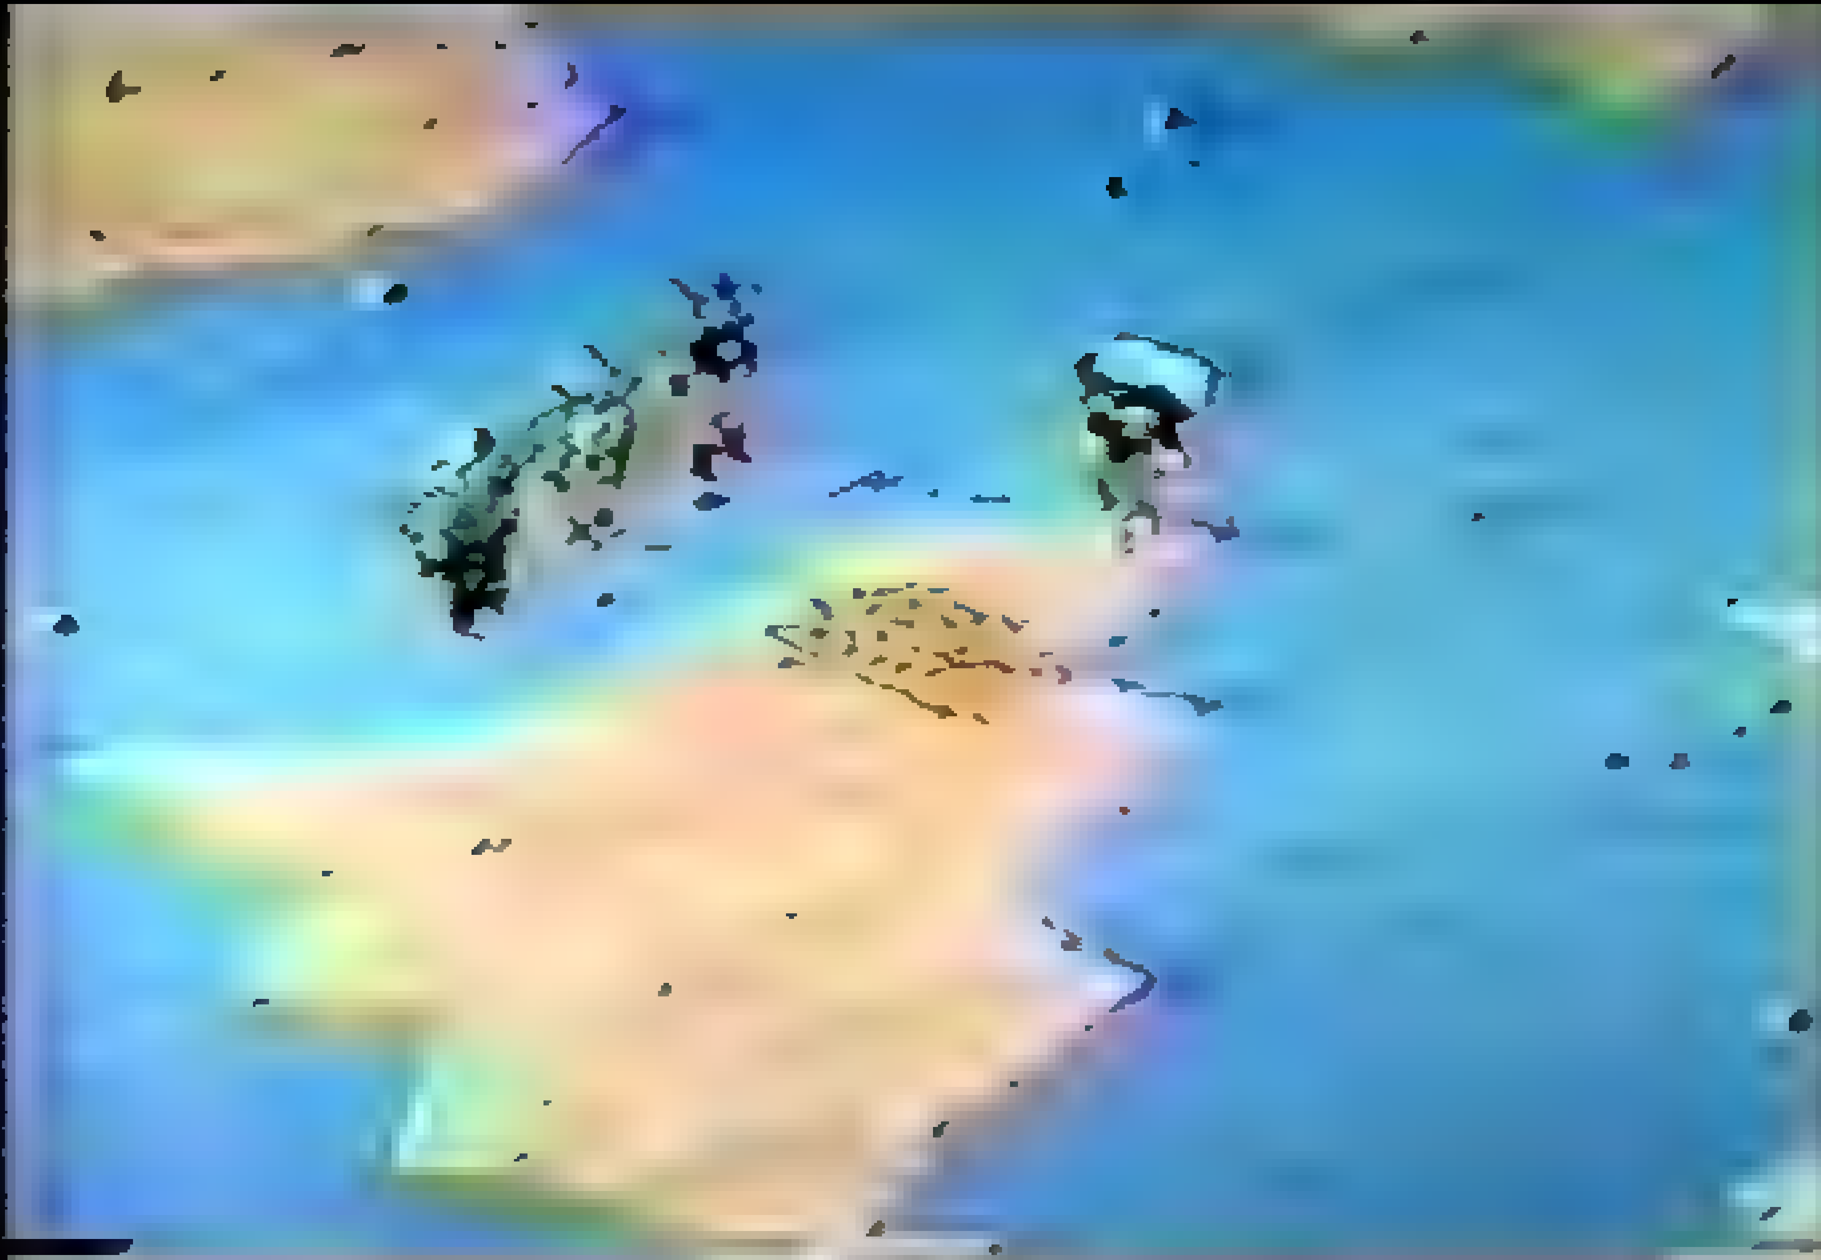

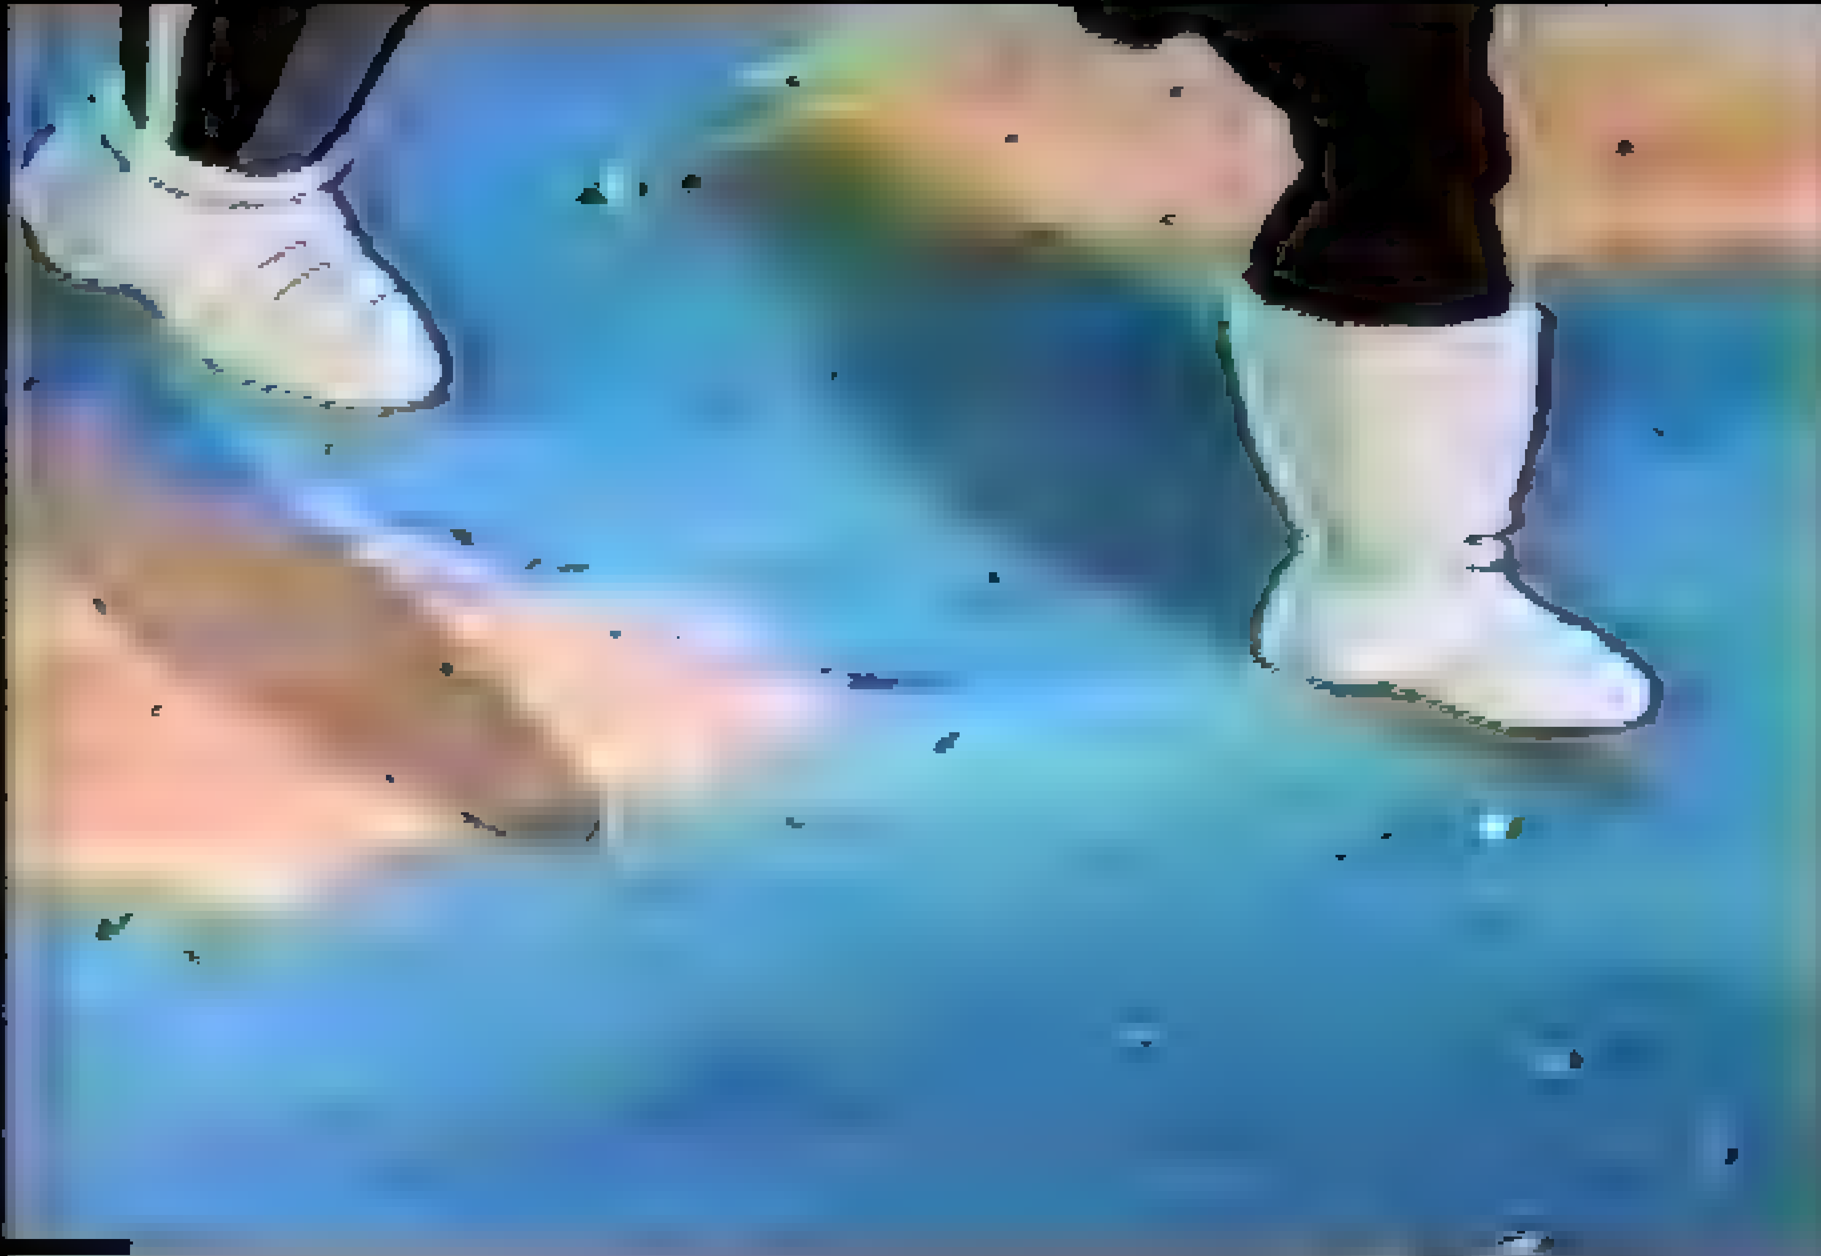

They'll never be found, now.

Then, I'm going to show him
exactly how terrifying I can be.

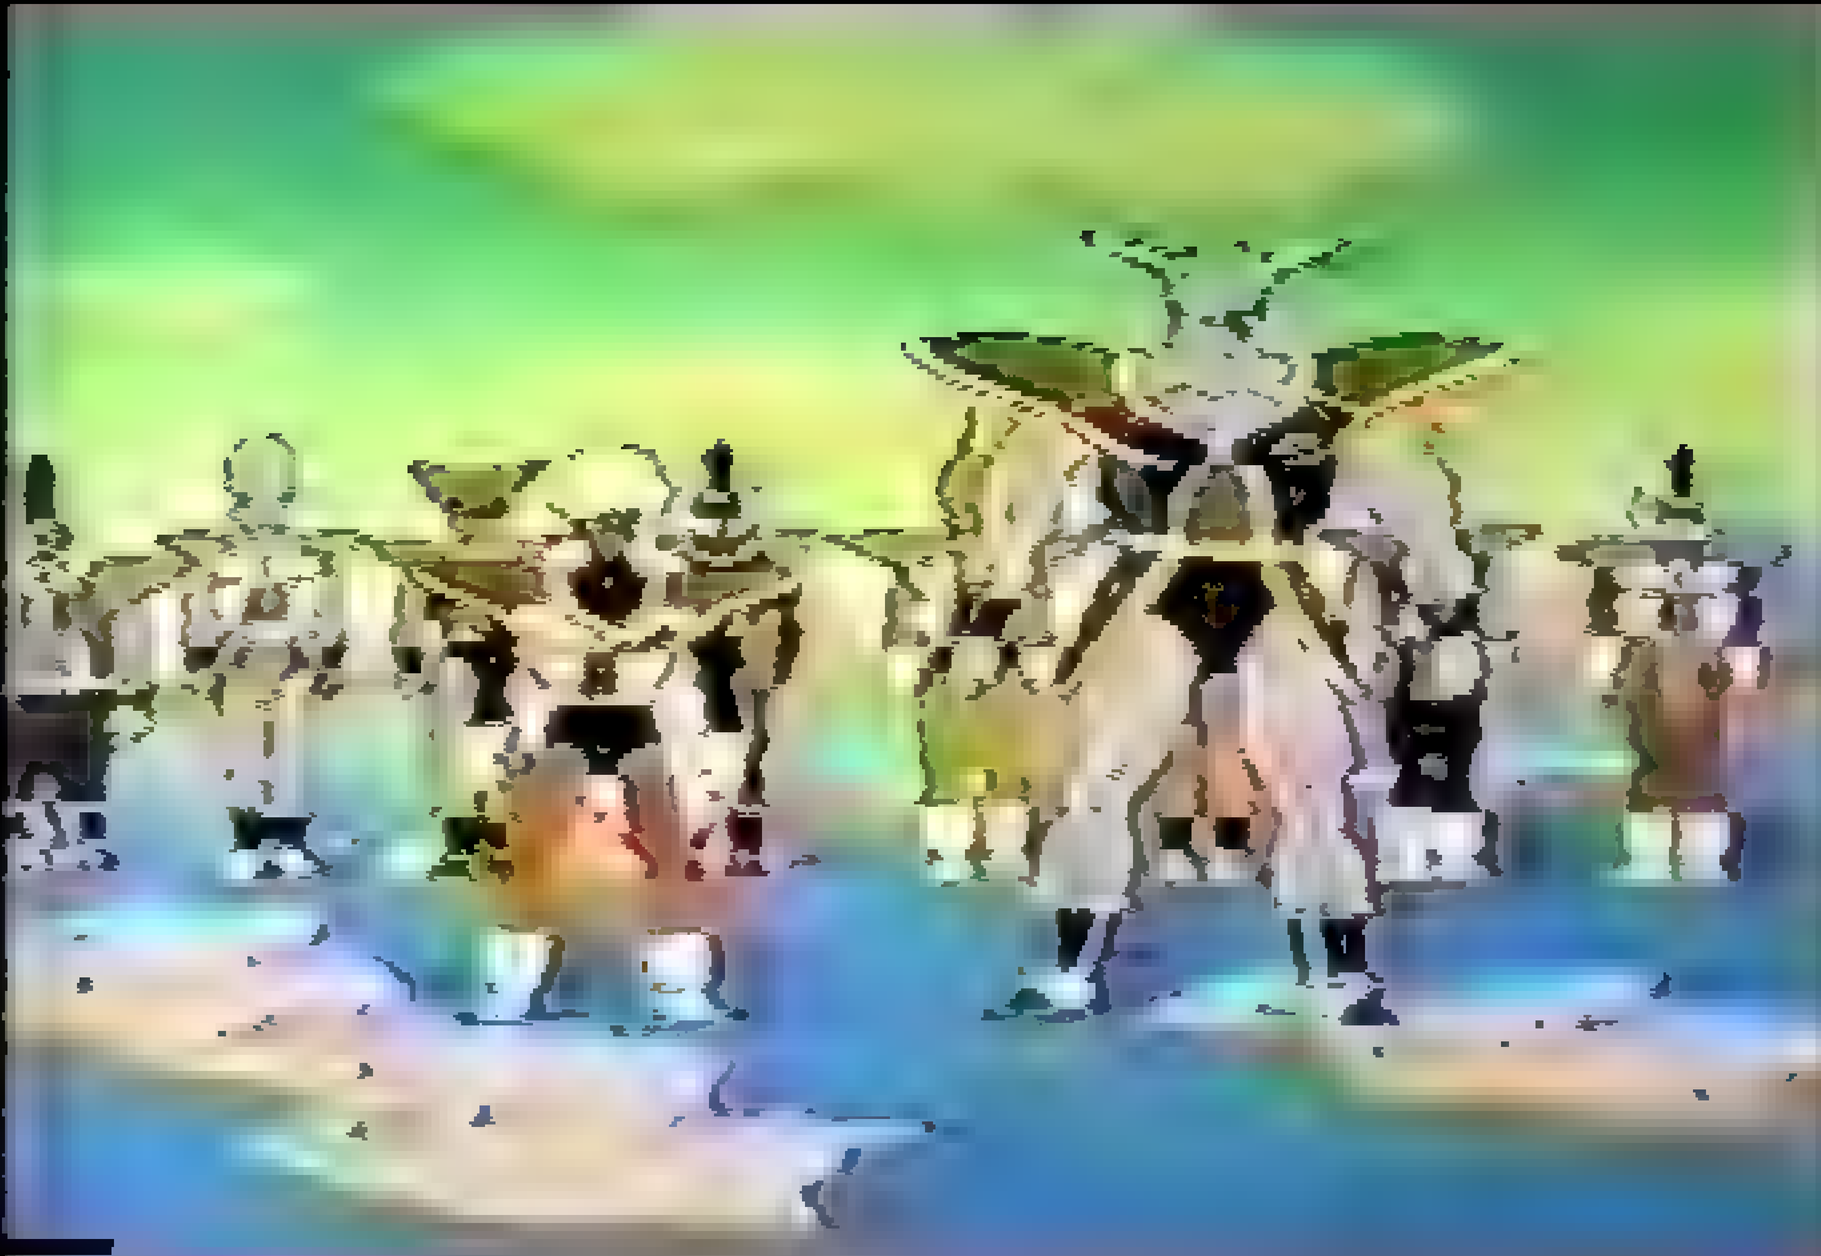

Then, I'm going to show him
exactly how terrifying I can be.

Then, I'm going to show him
exactly how terrifying I can be.

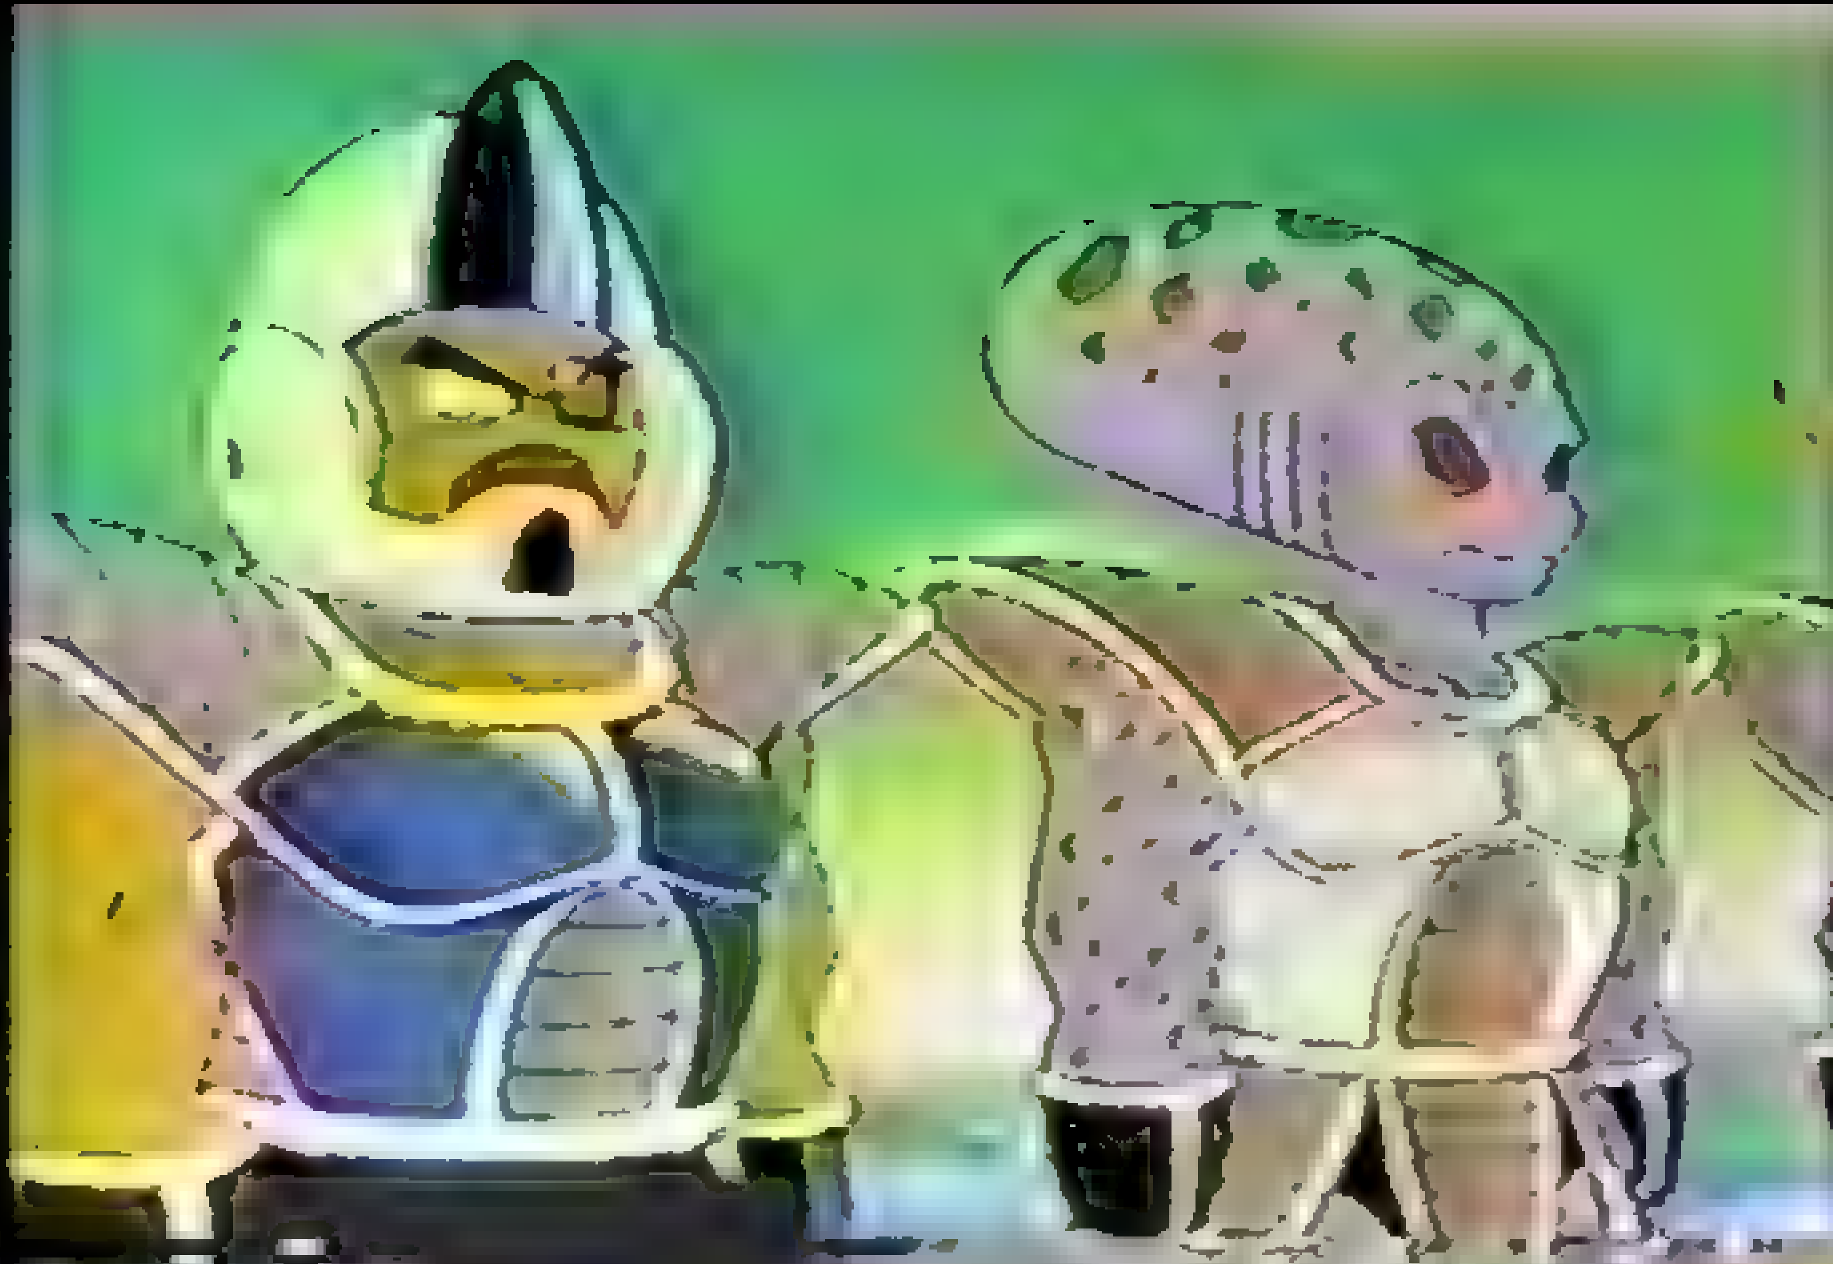

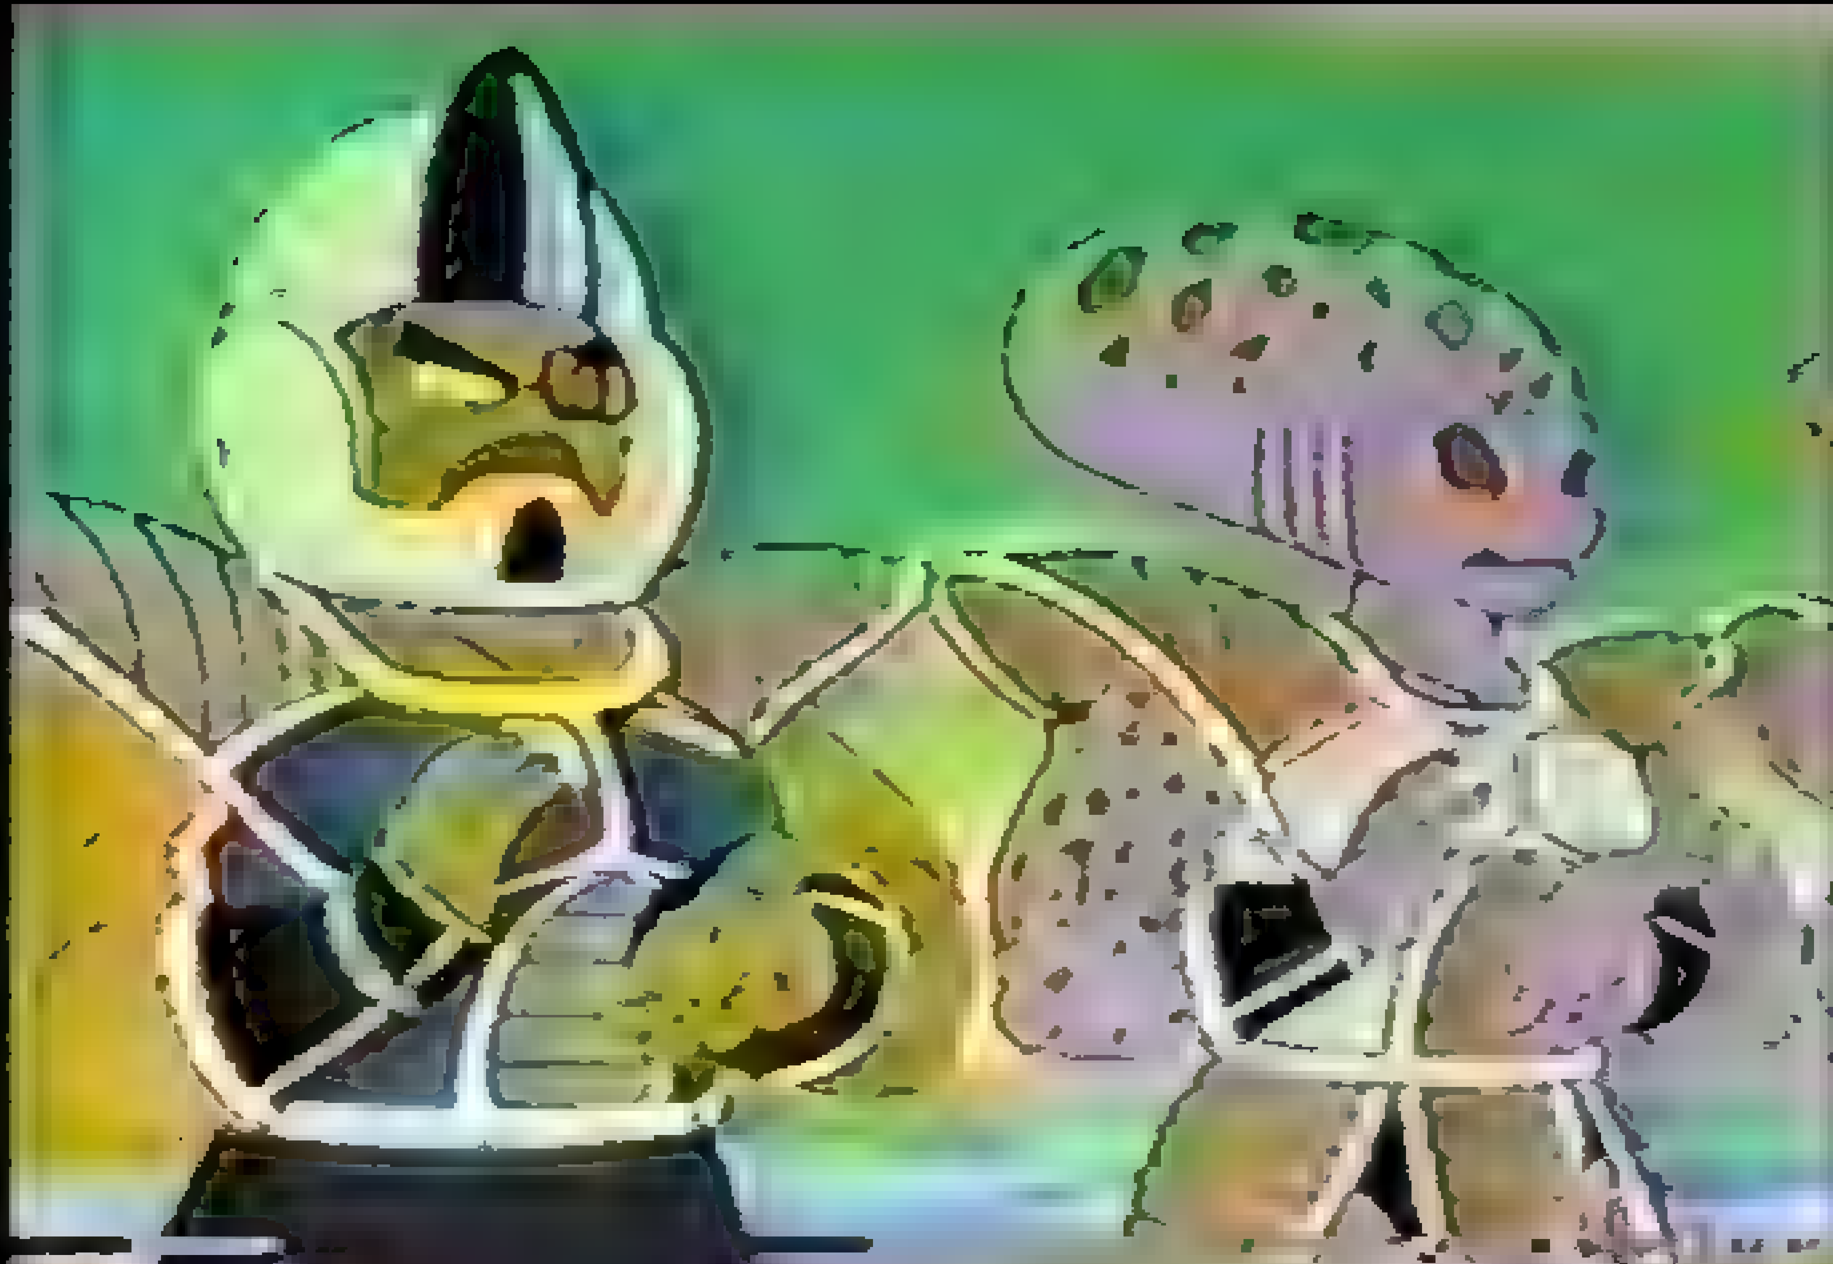

Gnyu Special Corps!

Gnyu Special Corps!

It doesn't look good
with just two, does it?

Just when I'd thought
of a new pose, too.

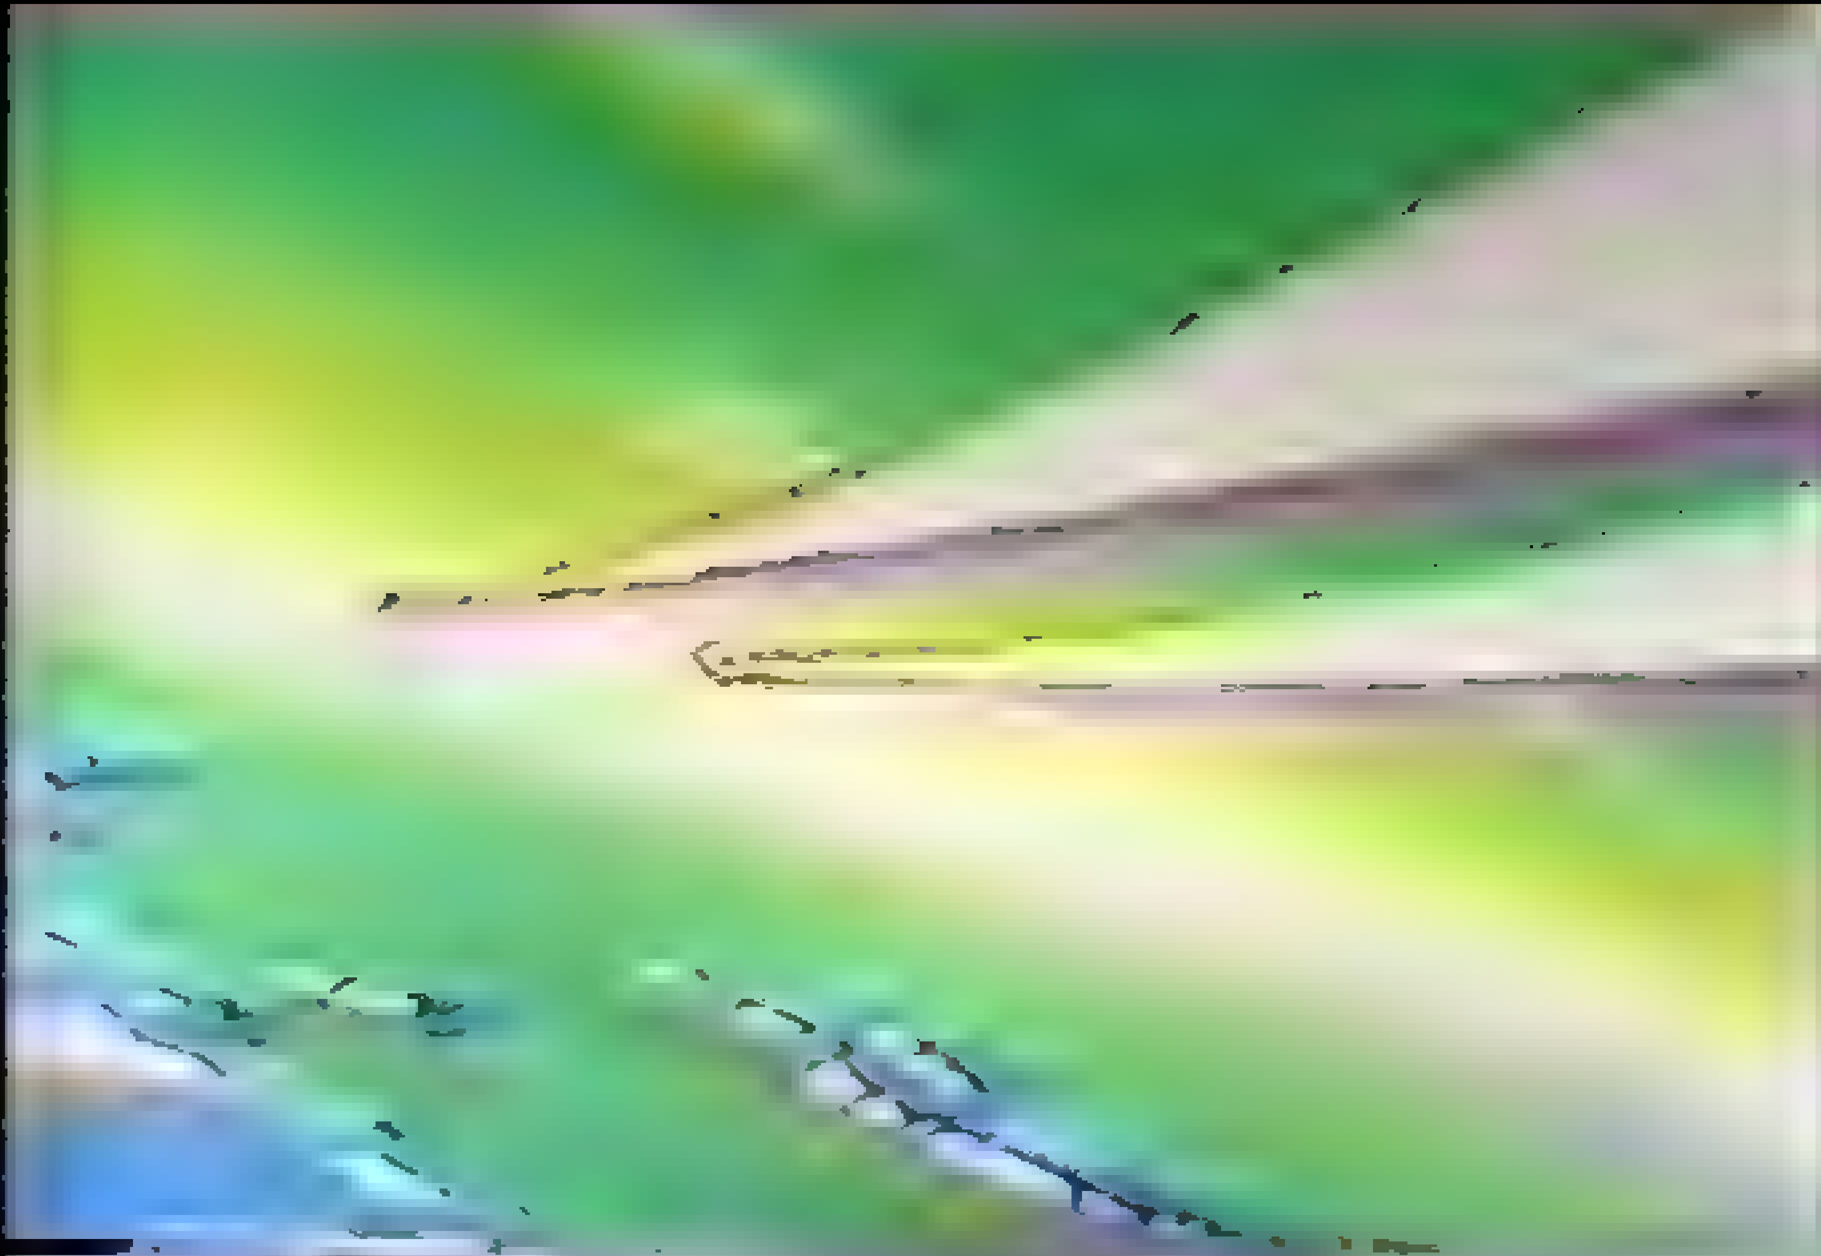

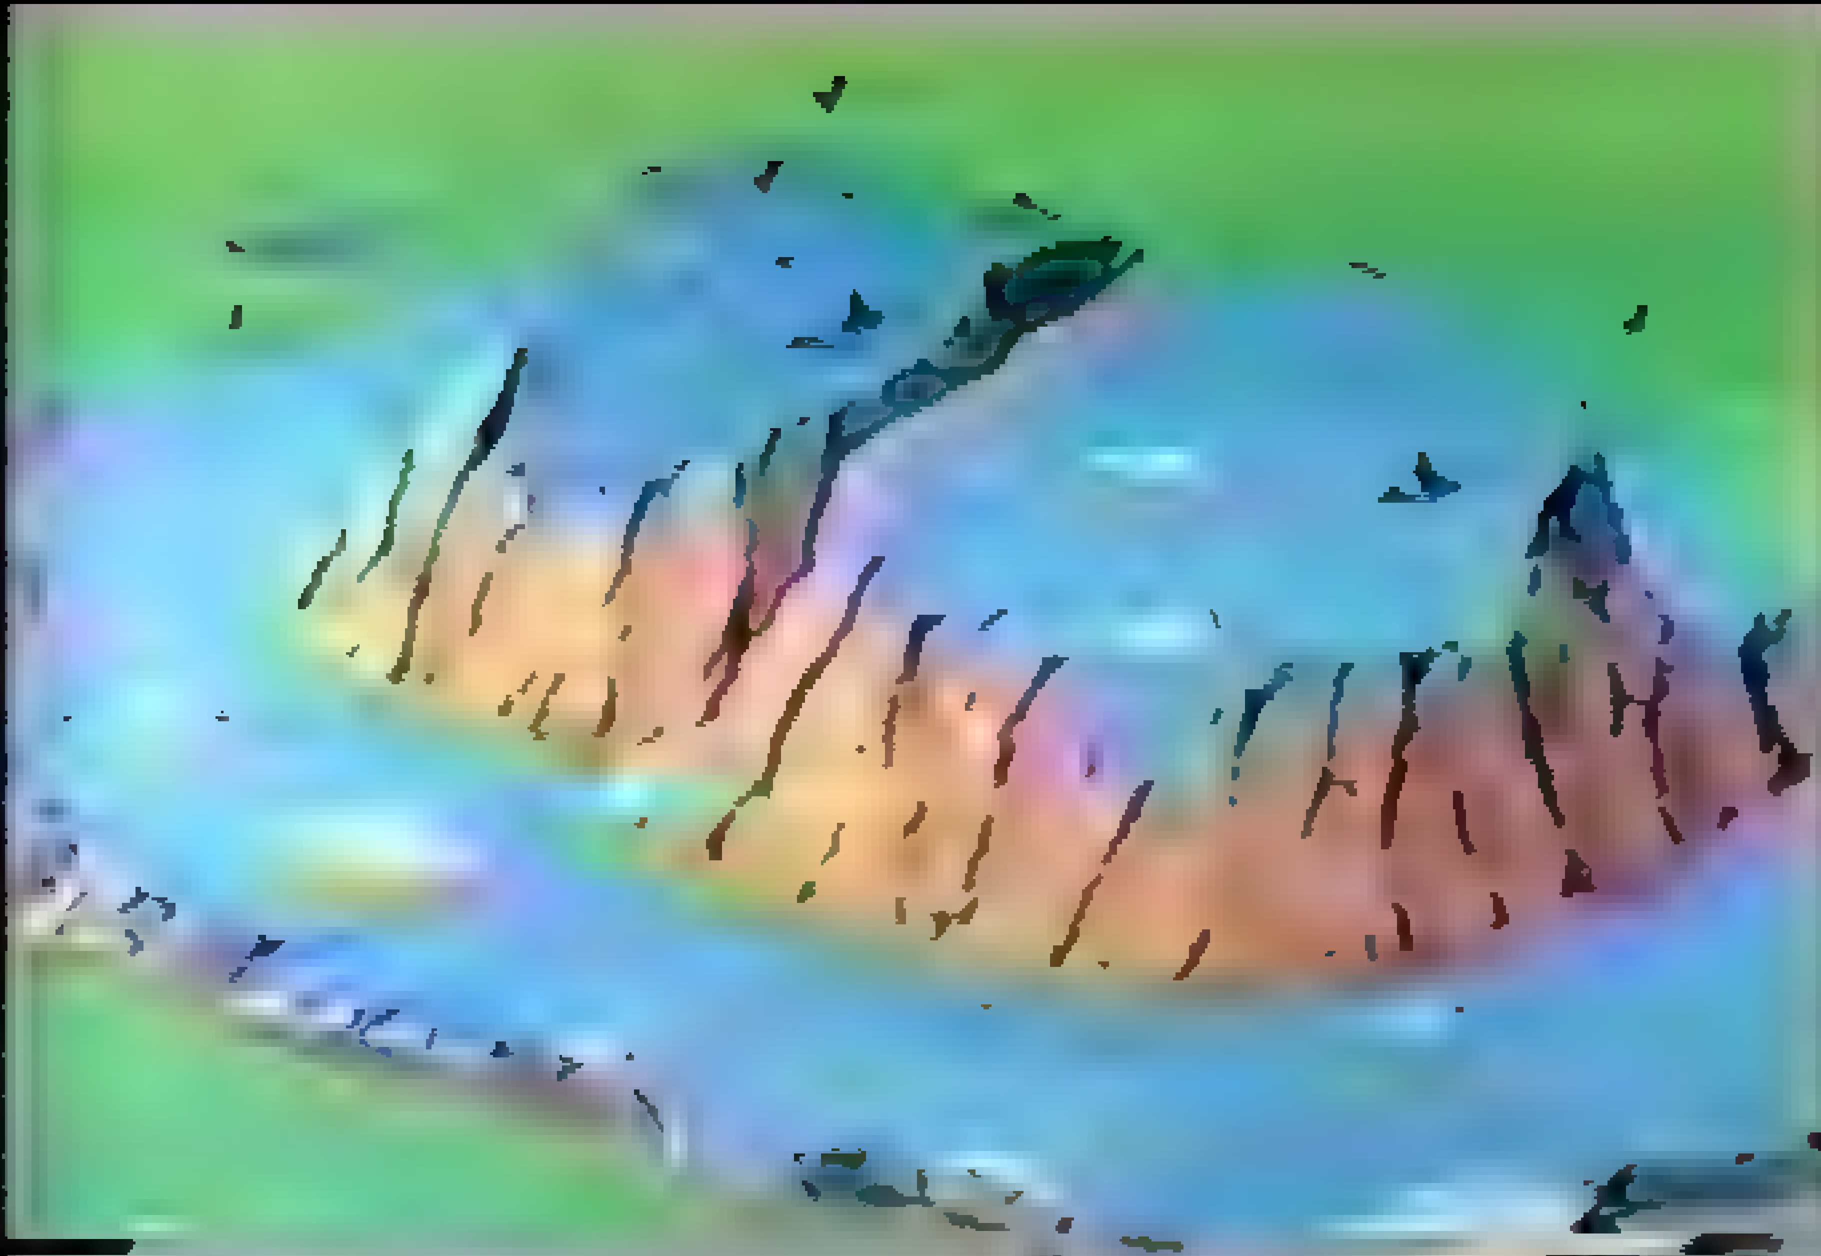

I don't know who you are
but you'll pay for this!

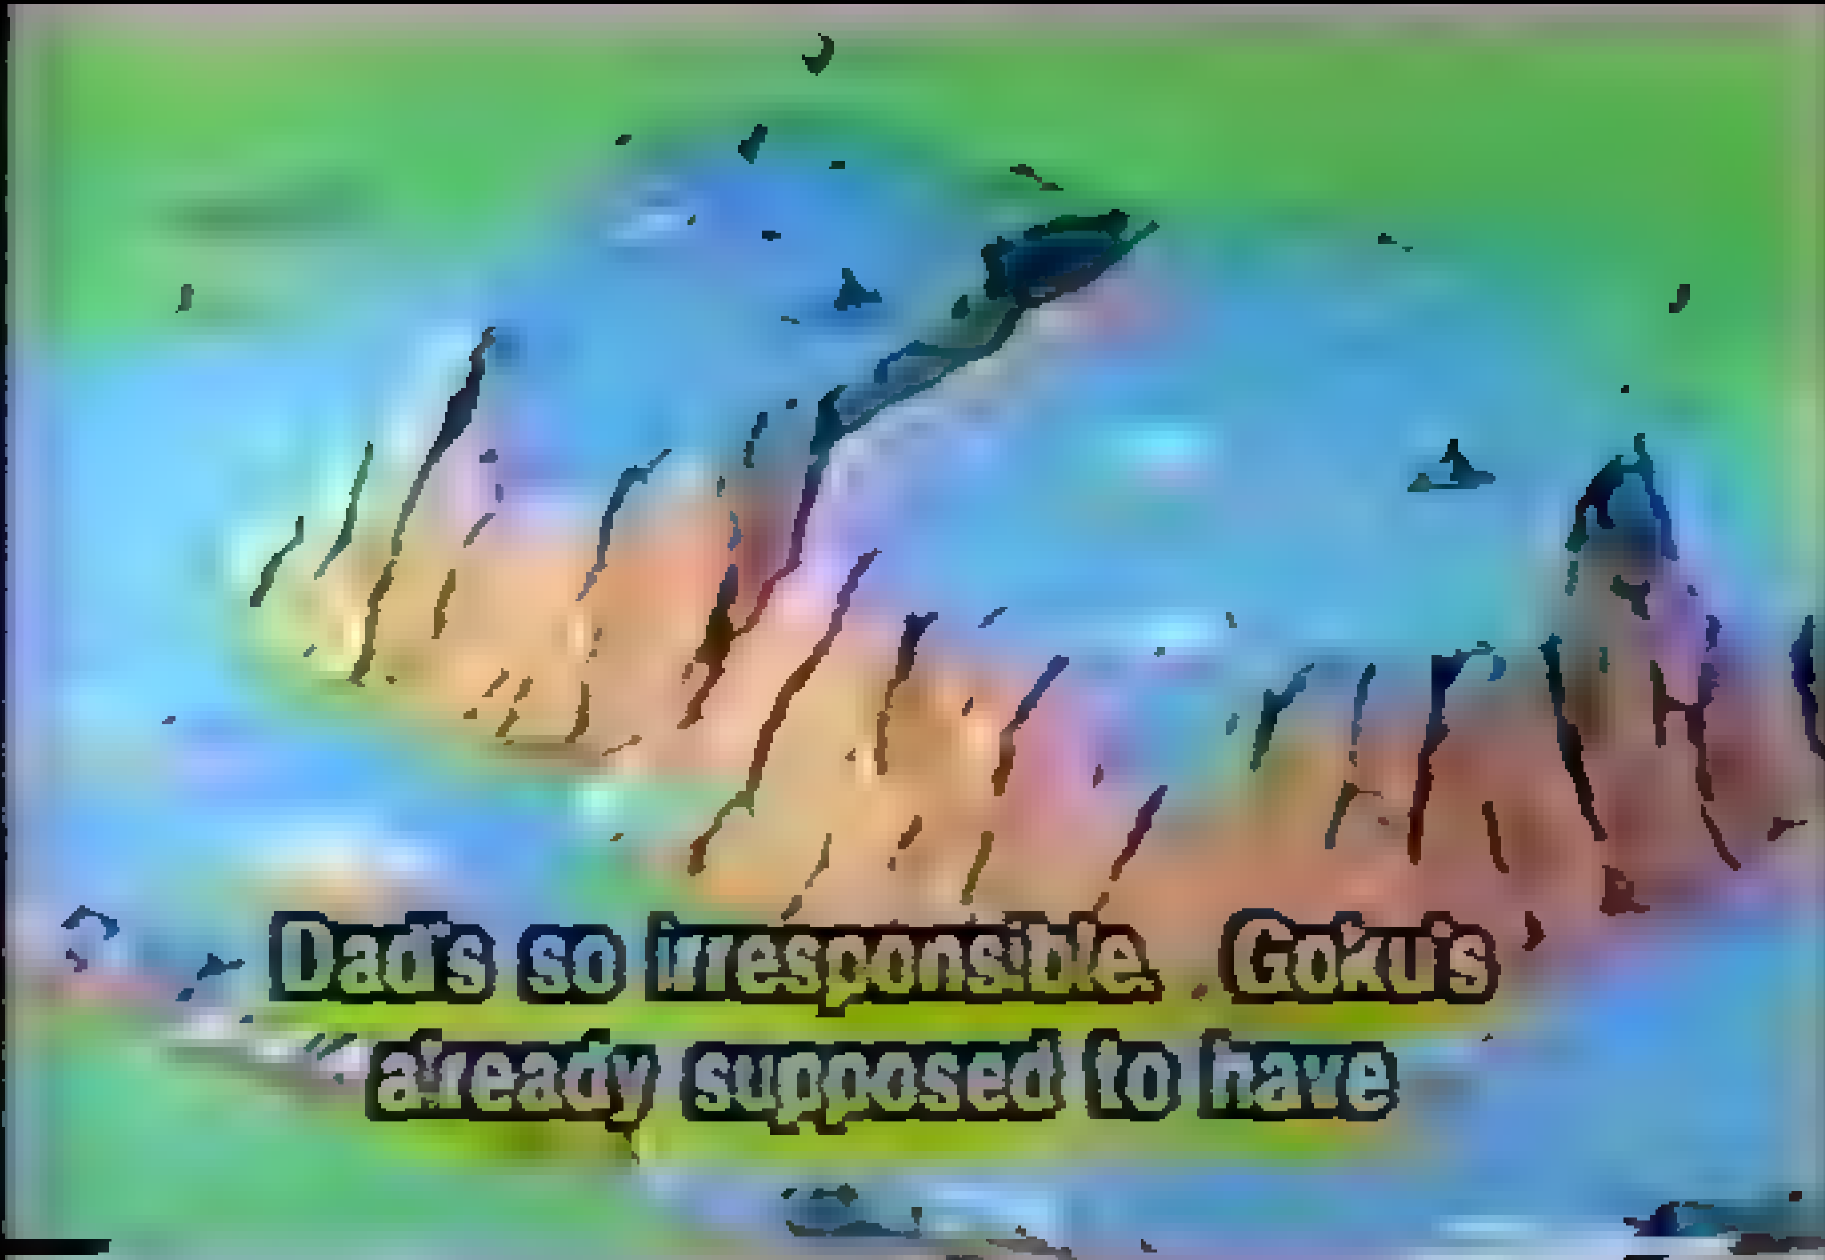

I don't know who you are
but you'll pay for this!

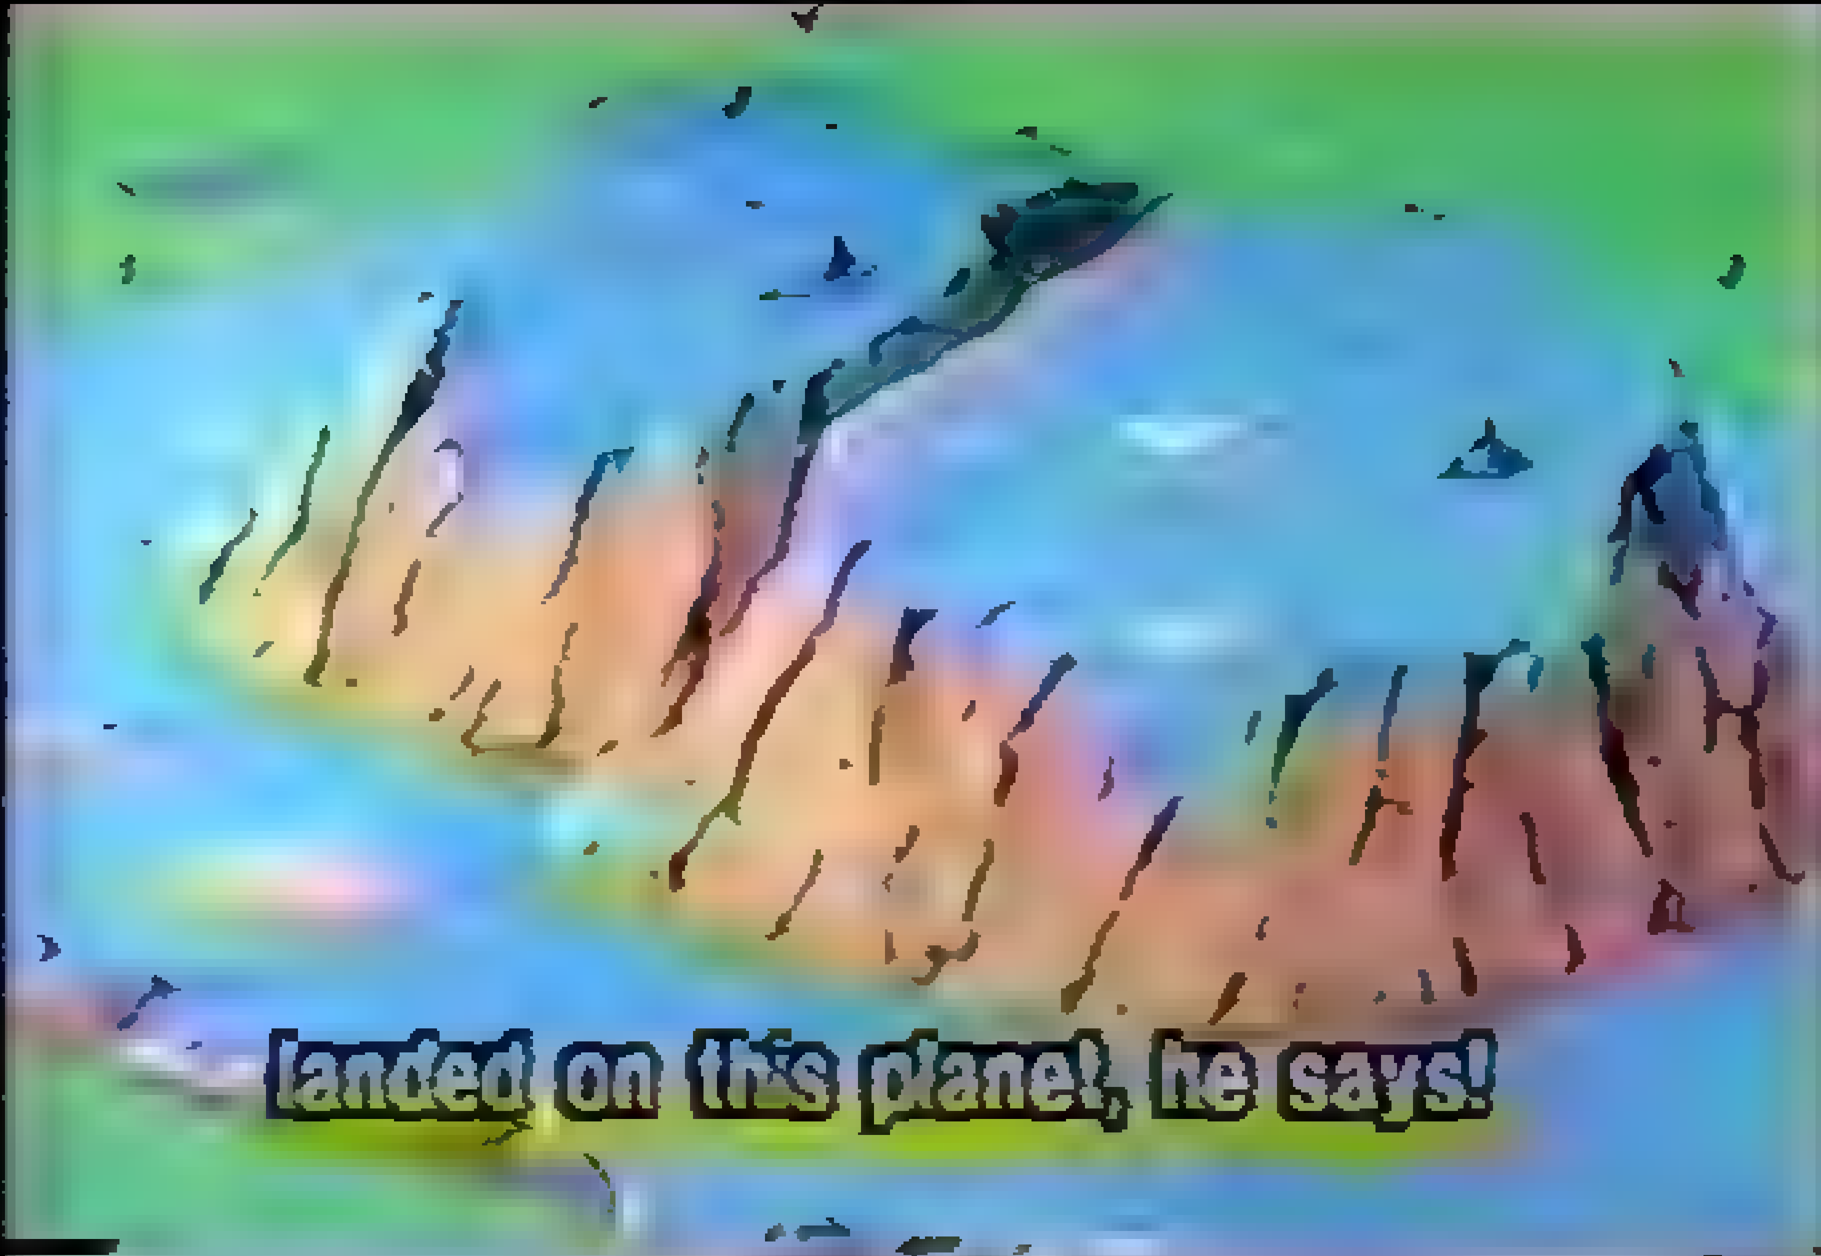

Dad's so irresponsible. Goku's
already supposed to have

landed on this planet, he says!

landed on th's planet, he says!

I'm the first one he would
come to save if he's landed.

I'm the last one he would
come to save if he's landed.

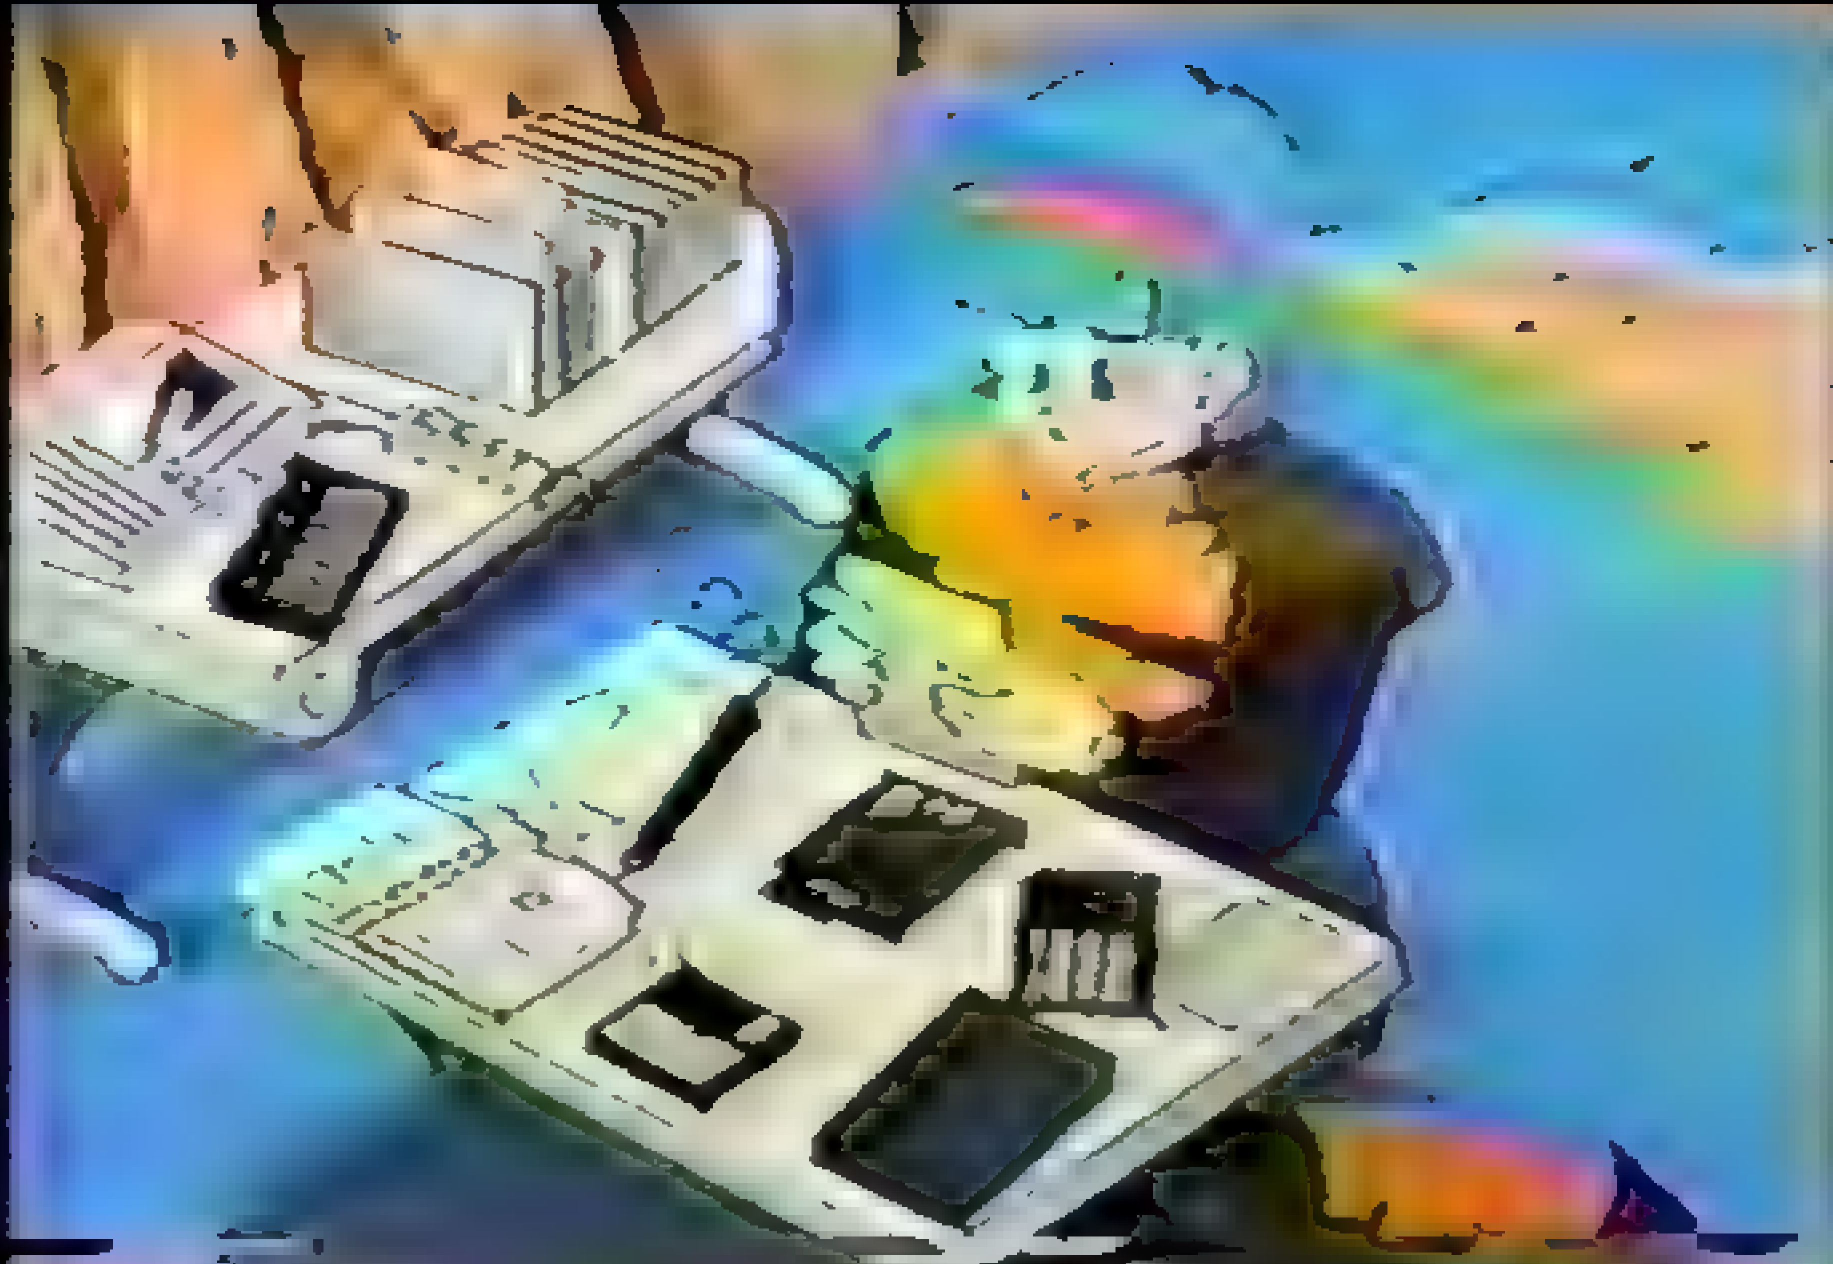

I've looked after Goku
since he was so little...

I've looked after Goku
since he was so little...

It's no use.
They're all done for!

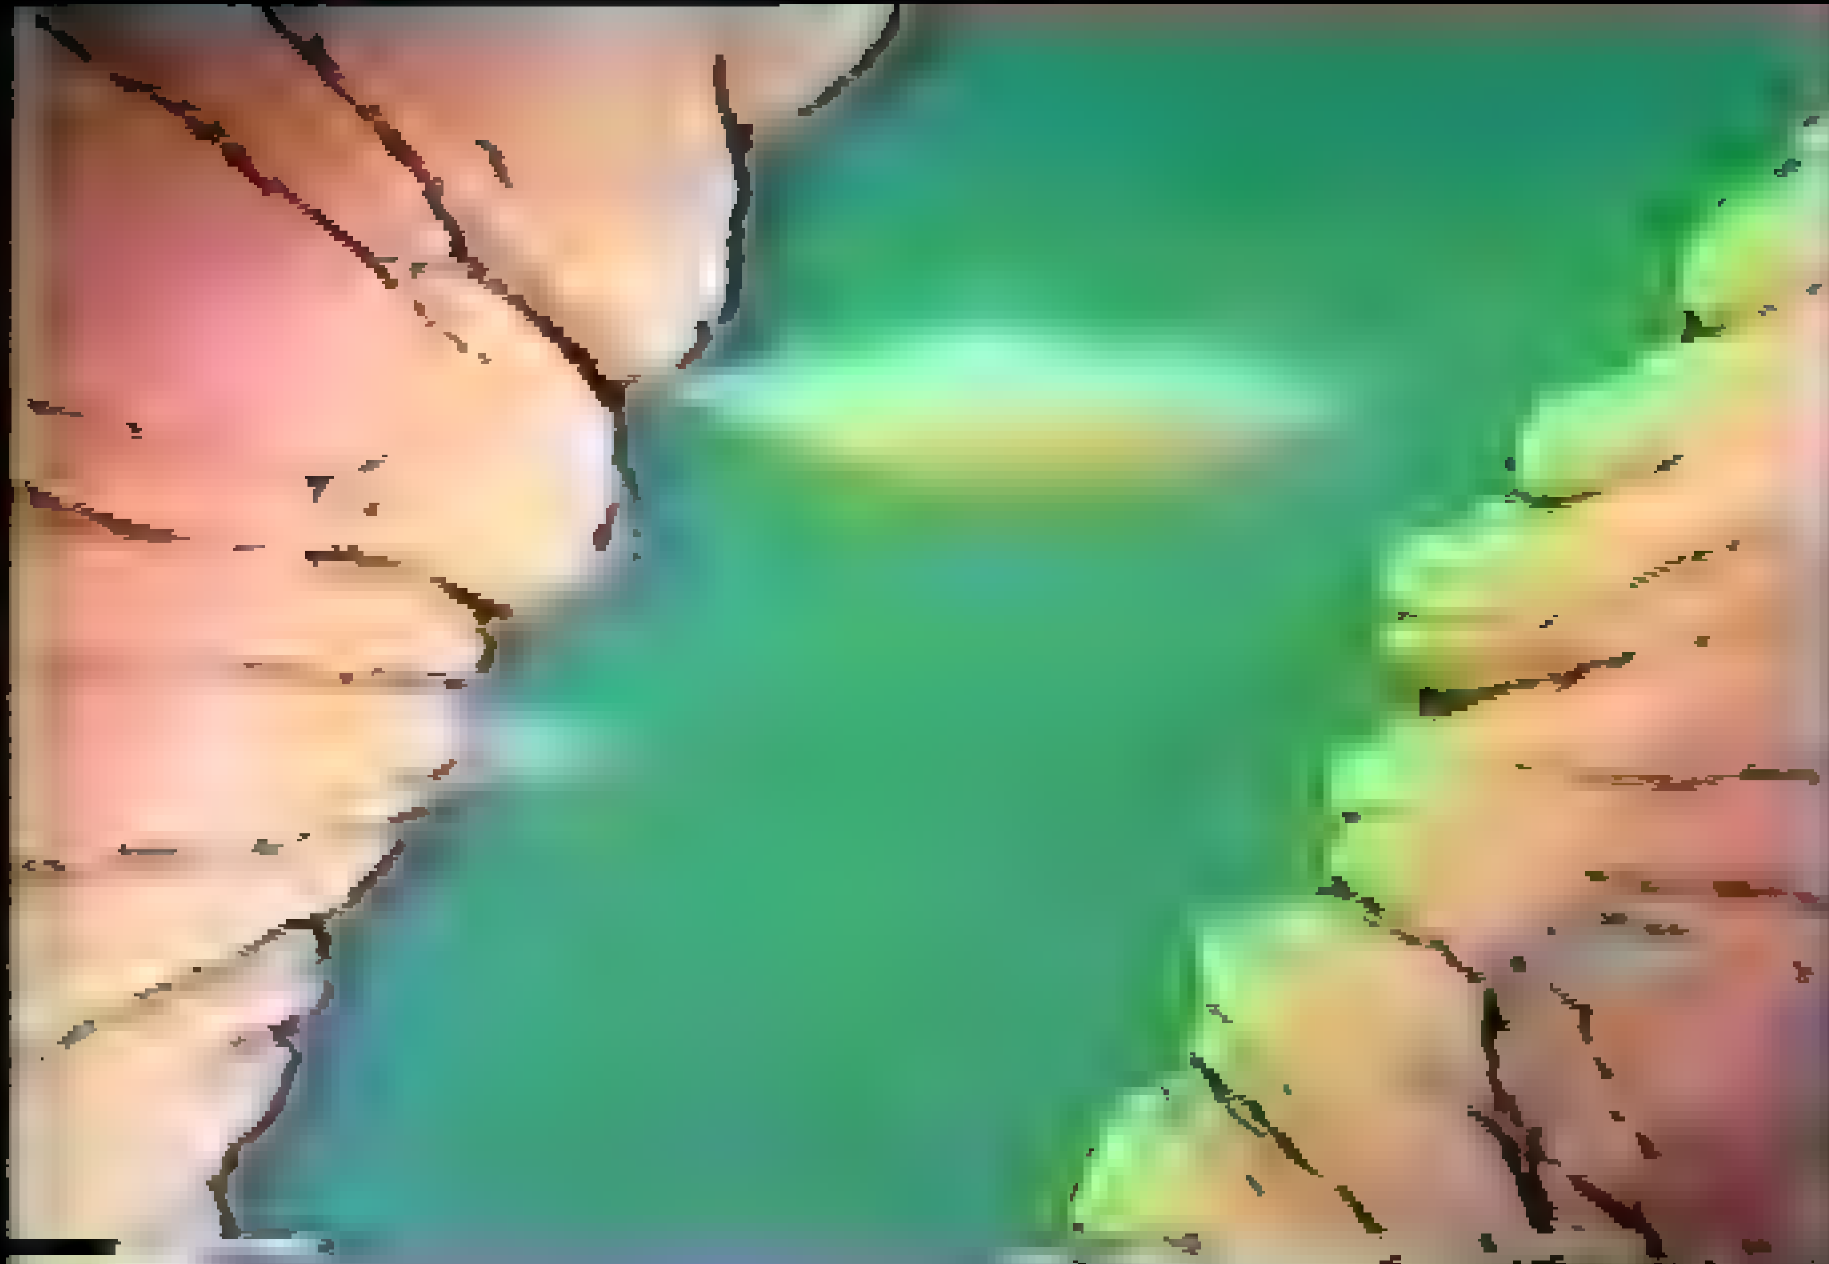

It's no use...
They're all done for!

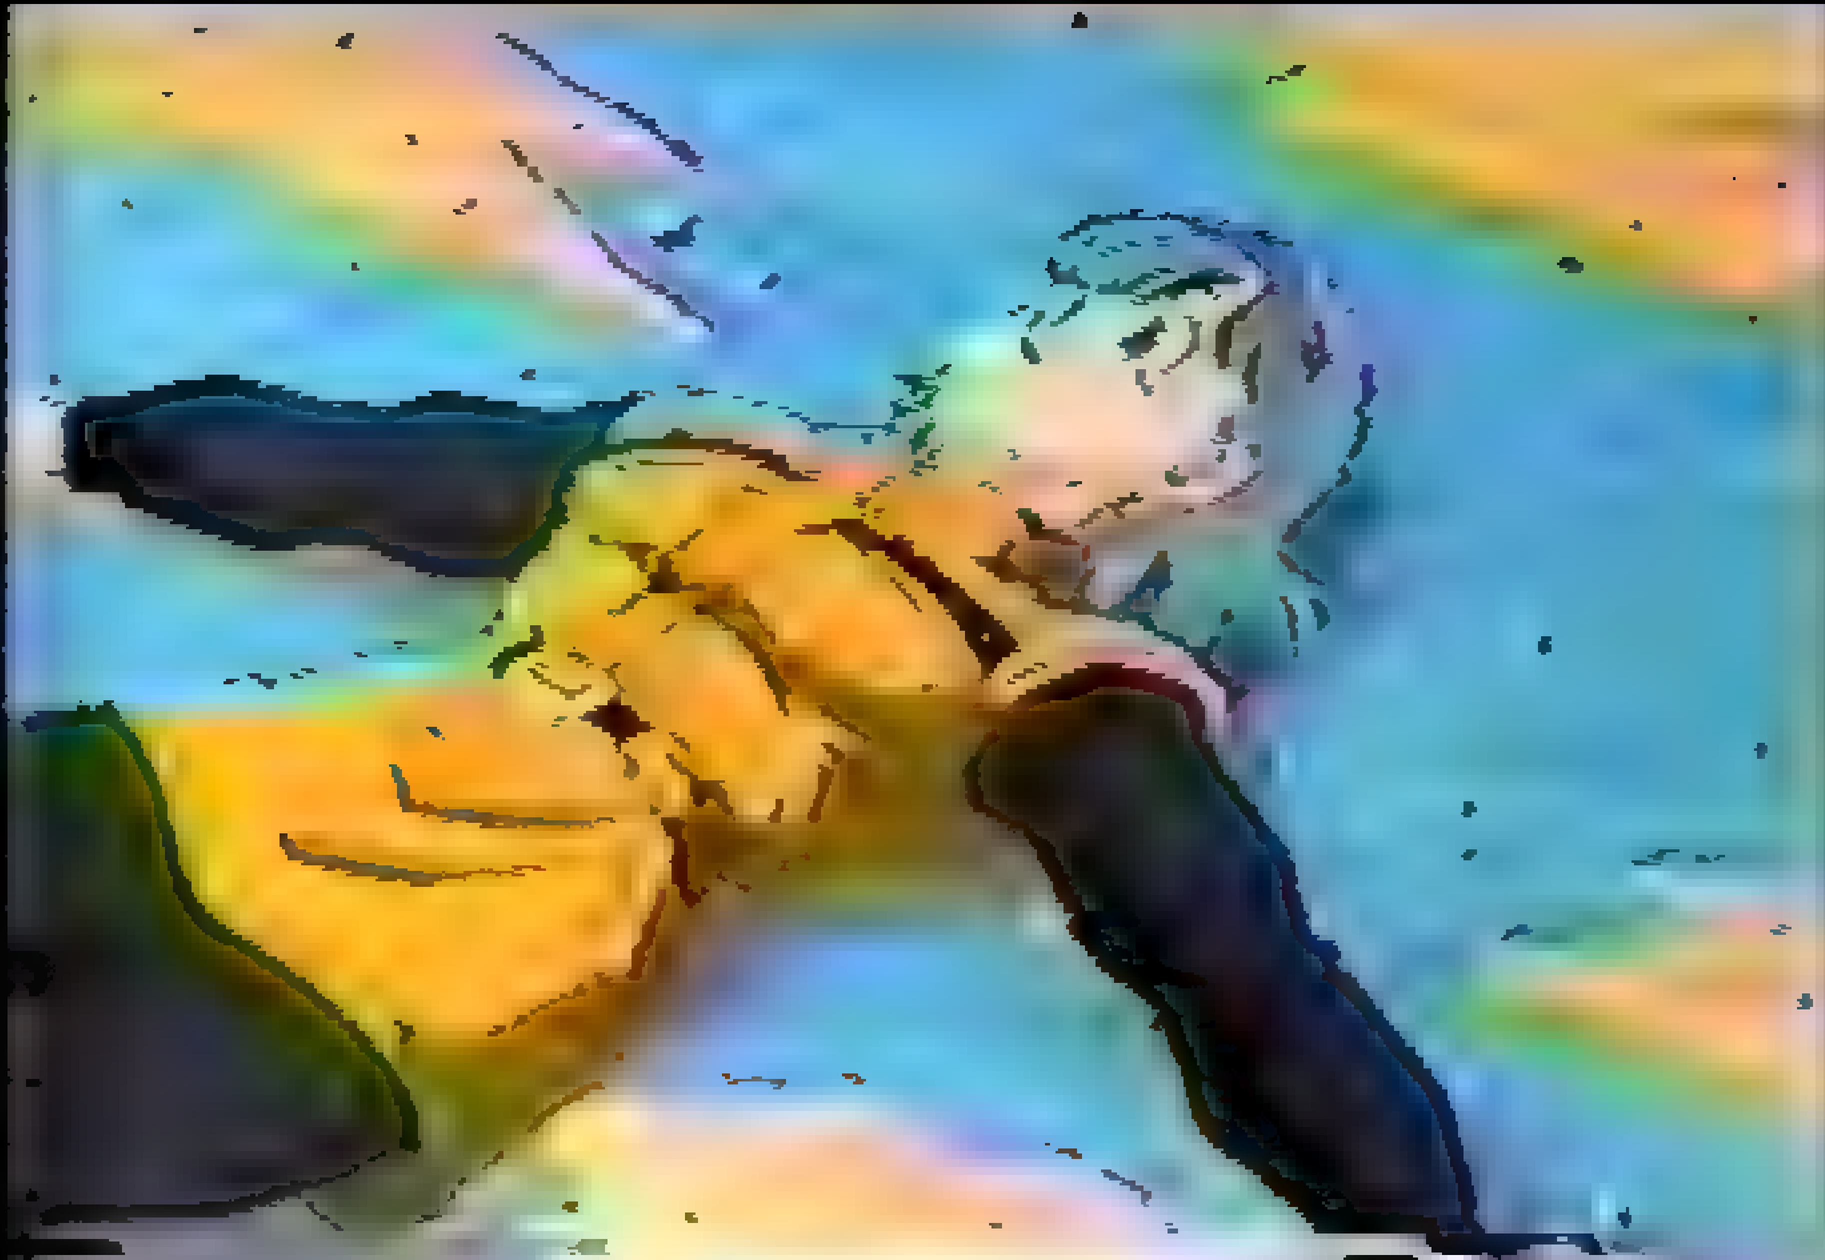

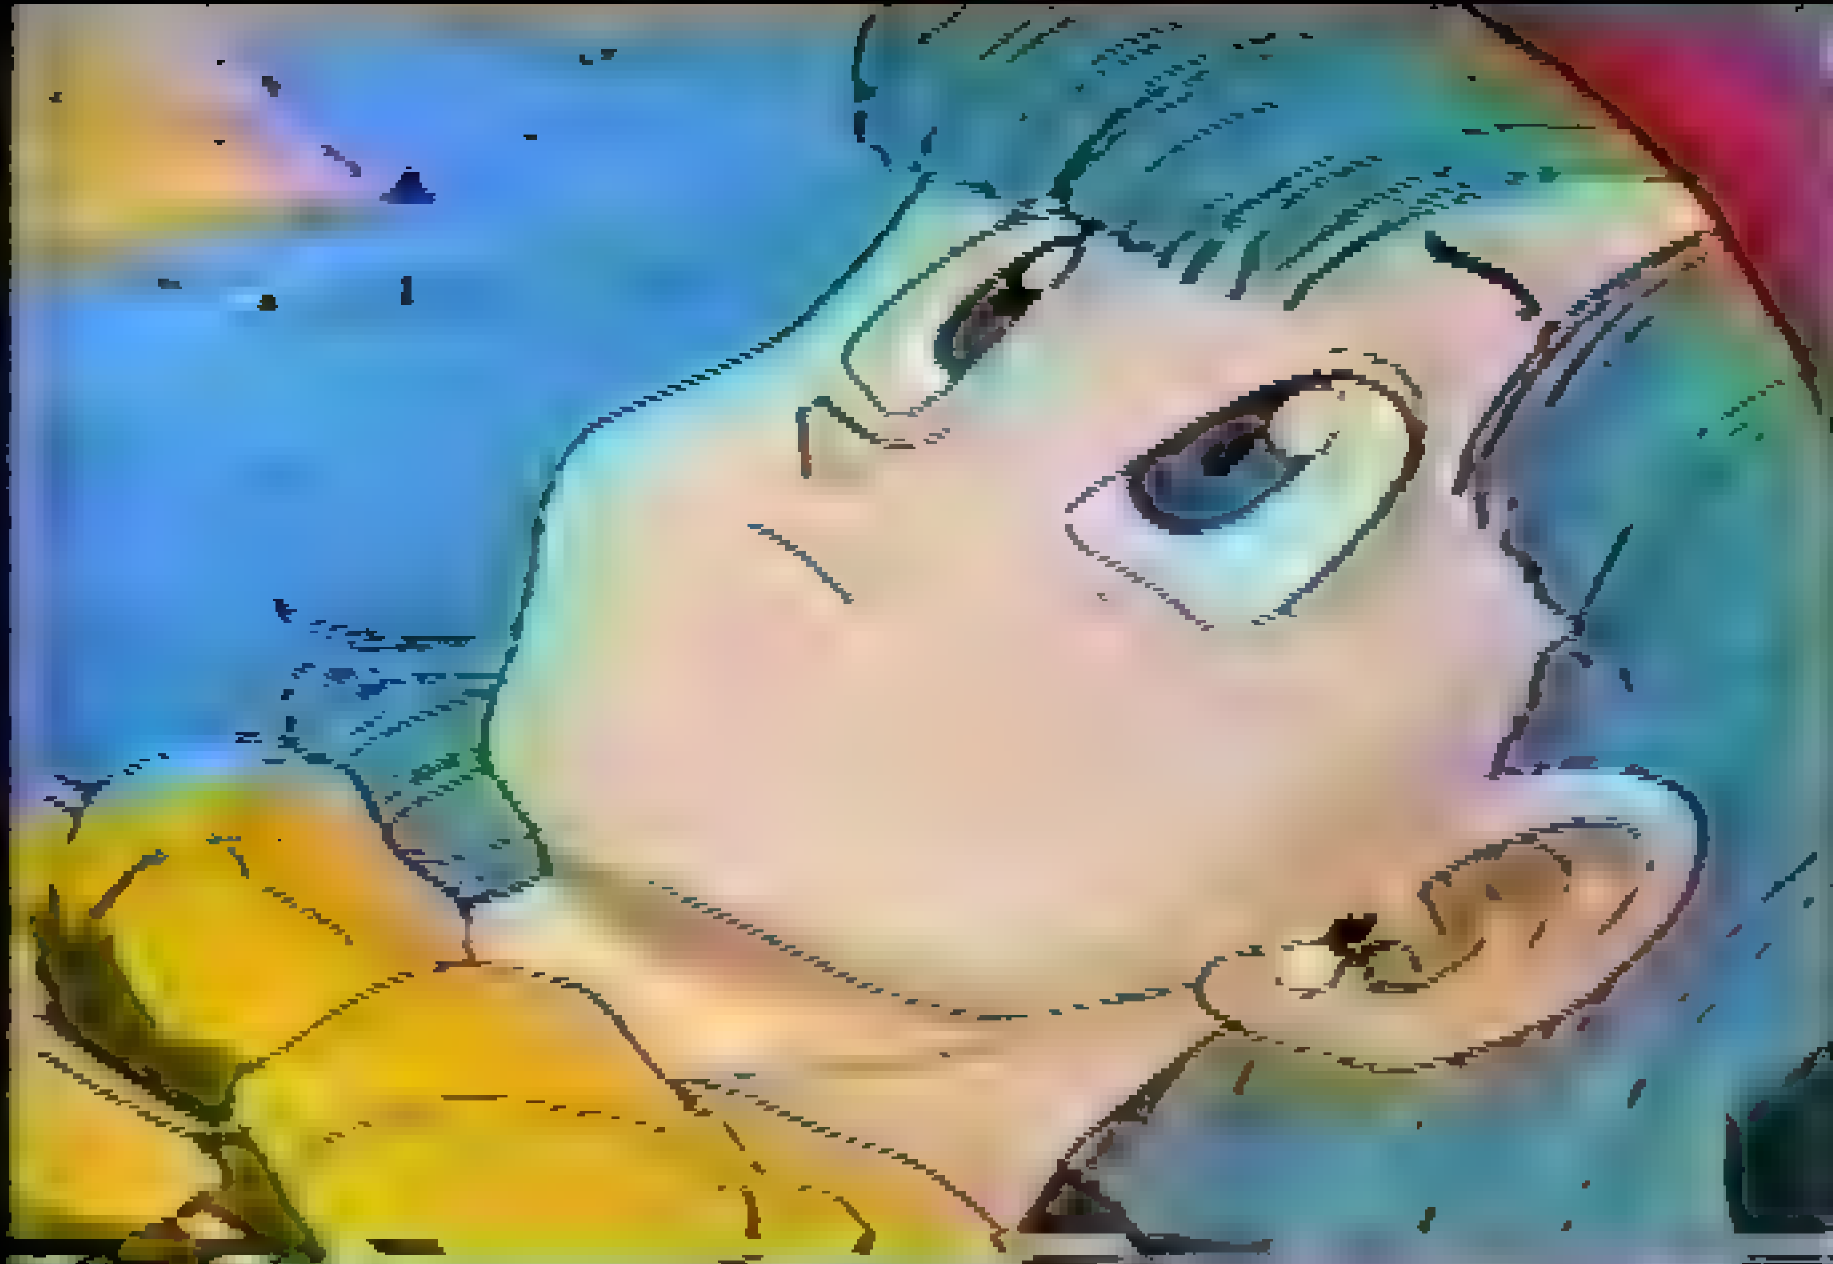

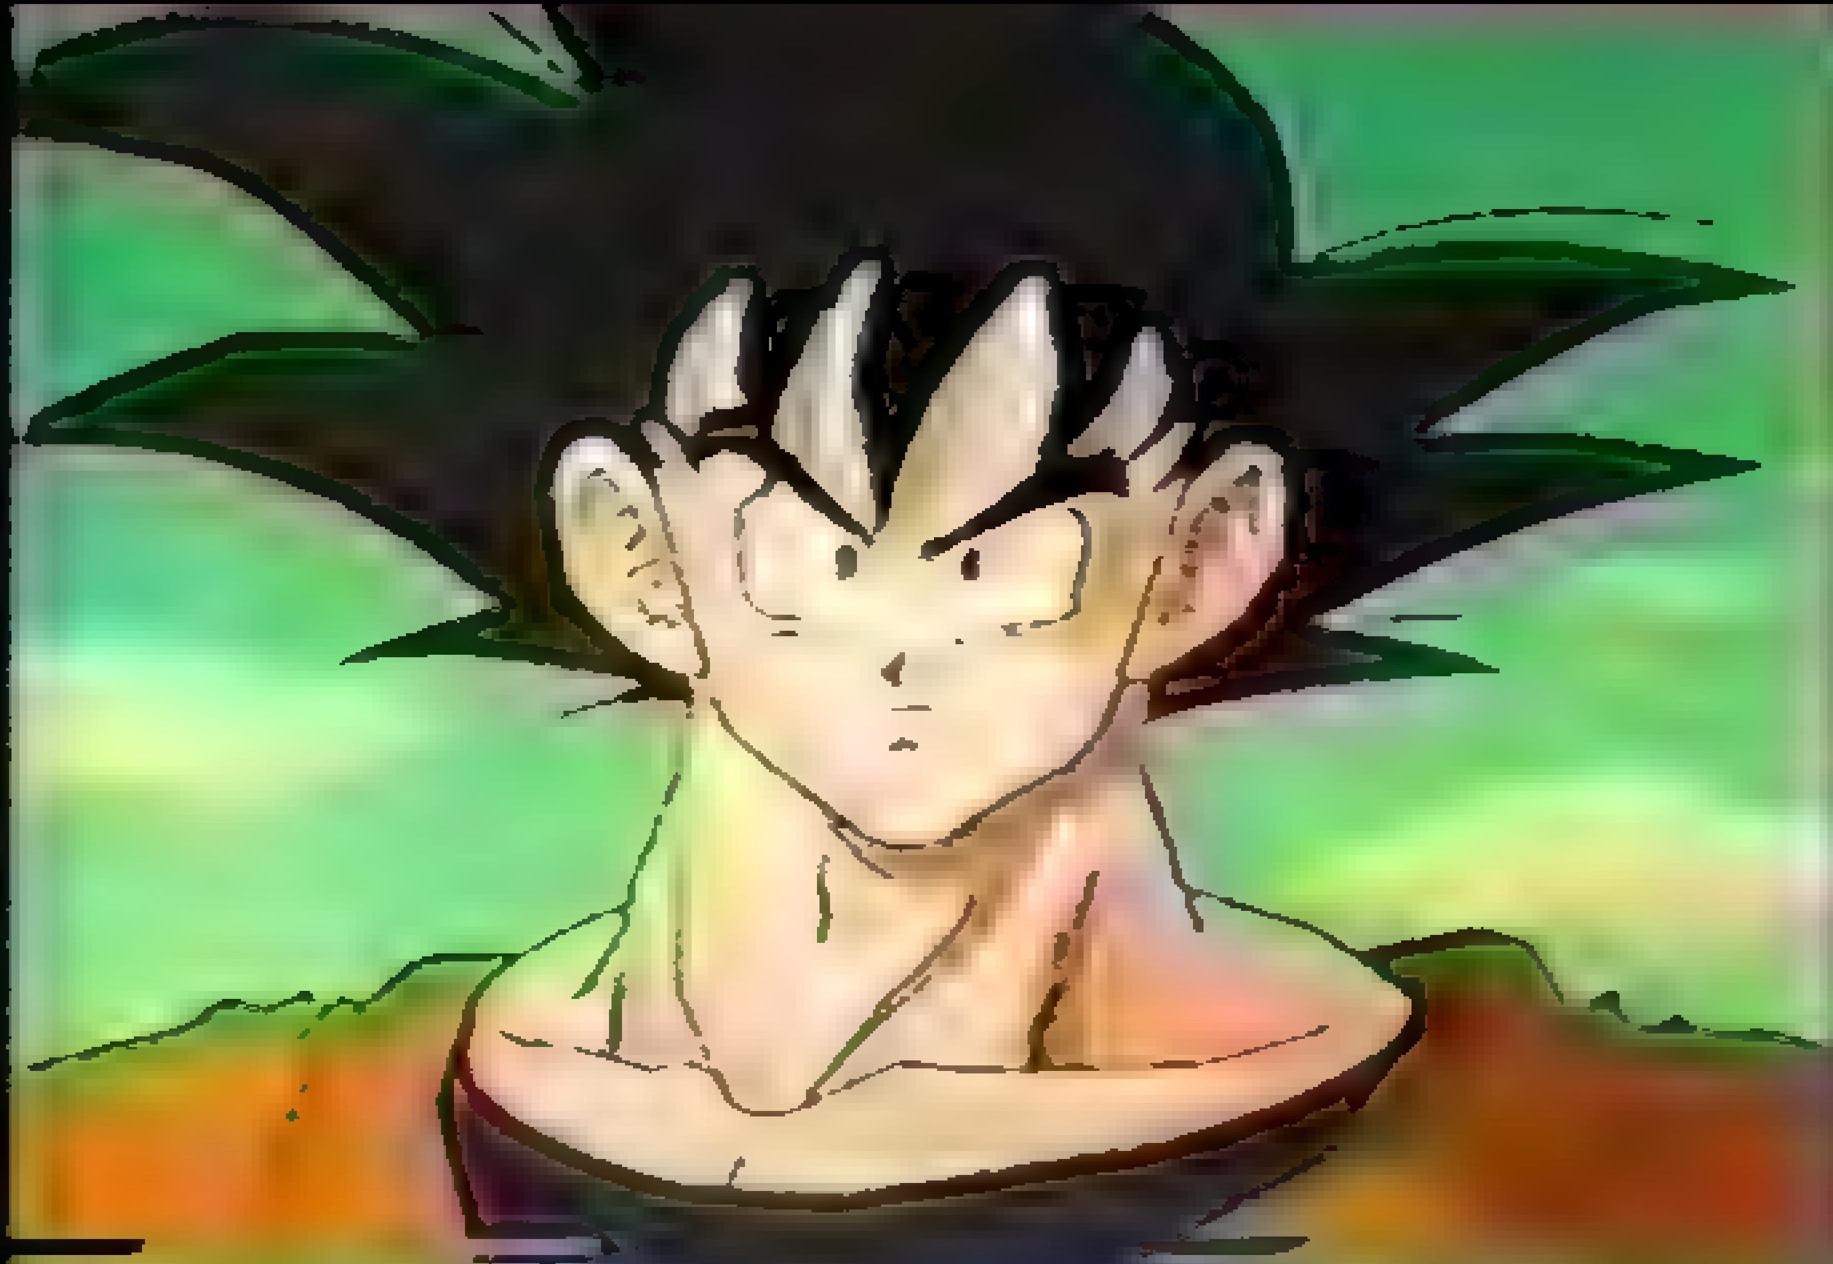

Has Goku arrived yet...?

Has Goku arrived yet...?

It'd be good if we can get the
Dragon Balls back somehow.

It'd be good if we can get the
Dragon Balls back somehow.

You know a lot
about Freezer, don't you?

You know a lot
about Freezer, don't you?

Isn't there a good way?

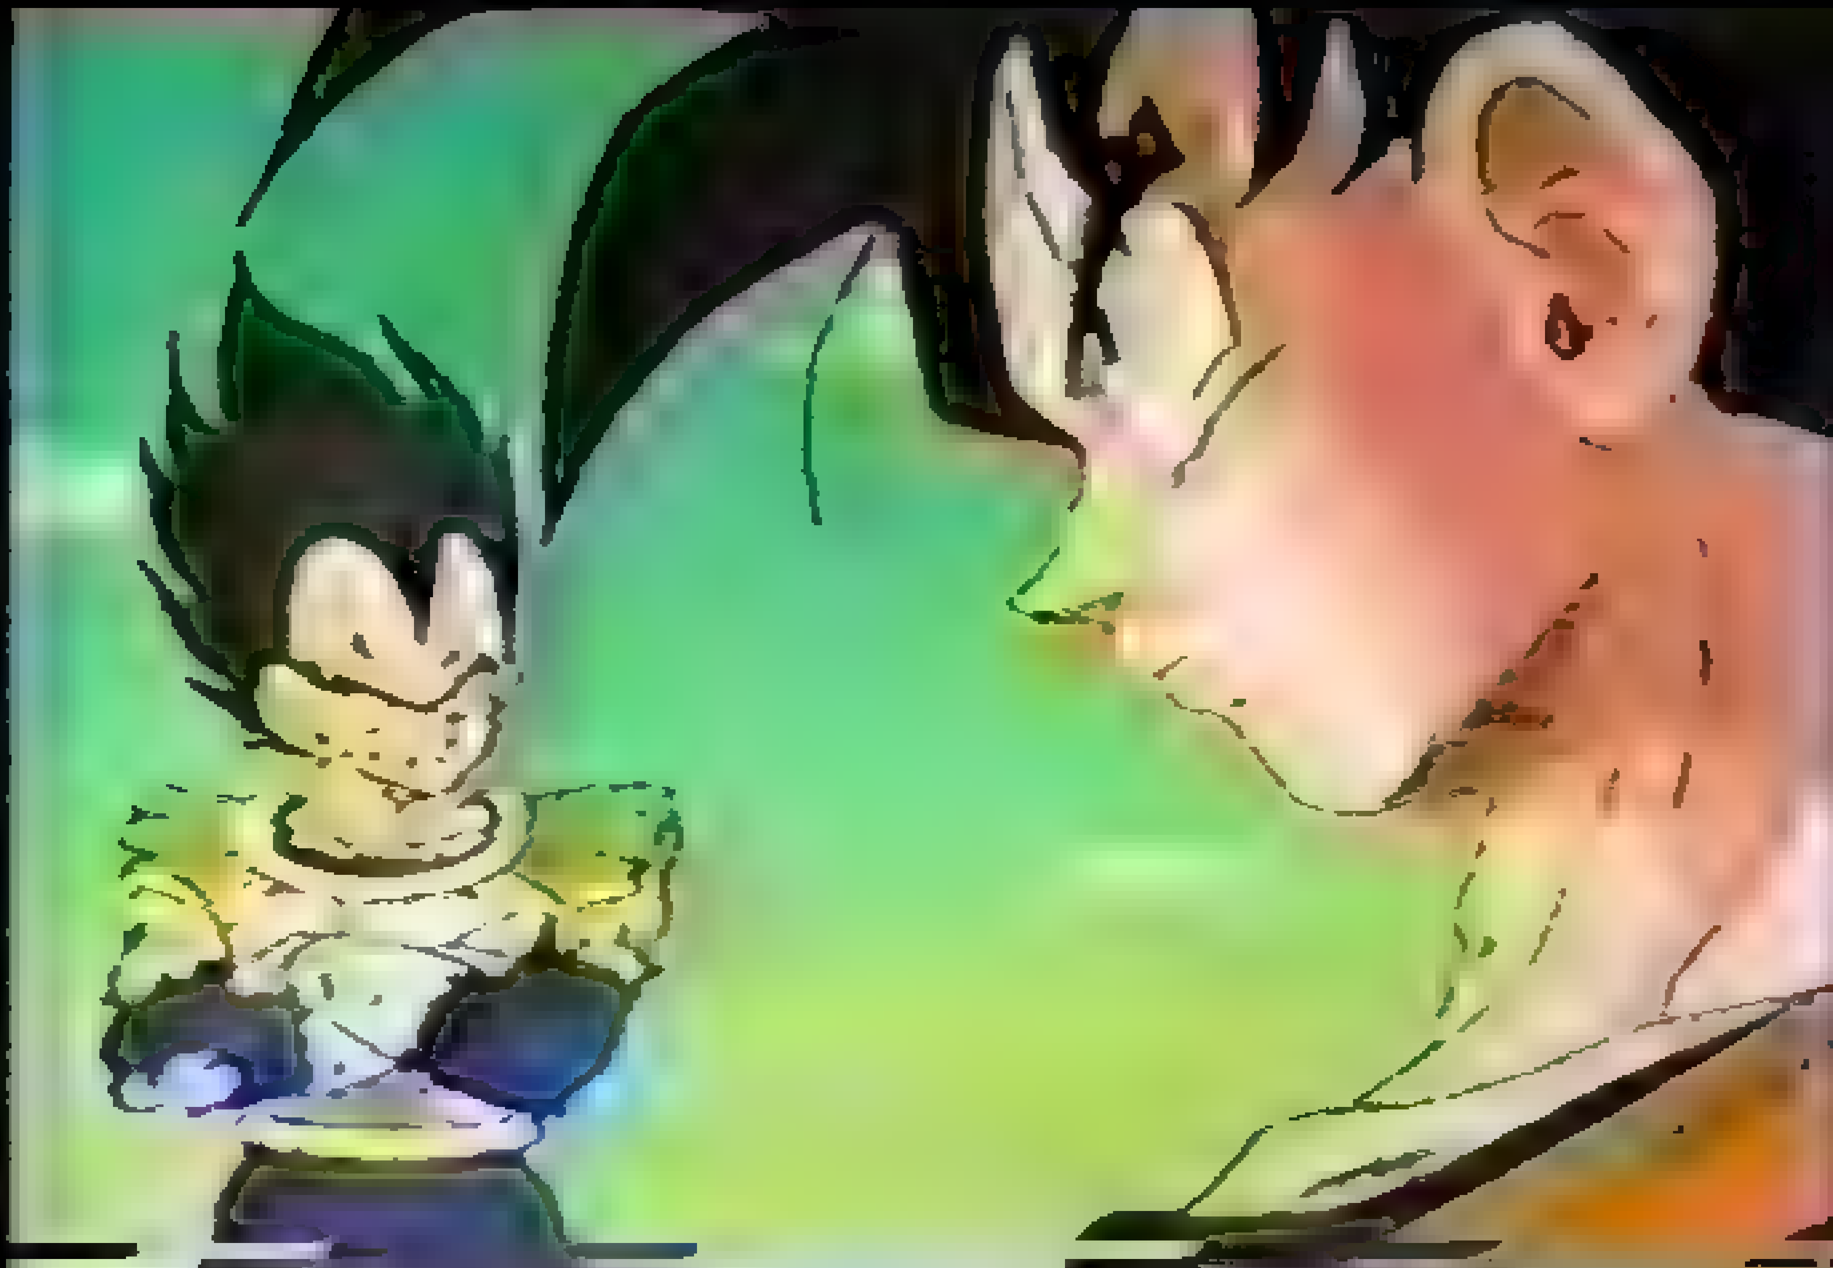

I thought you were going
to defeat Lord Freezer?

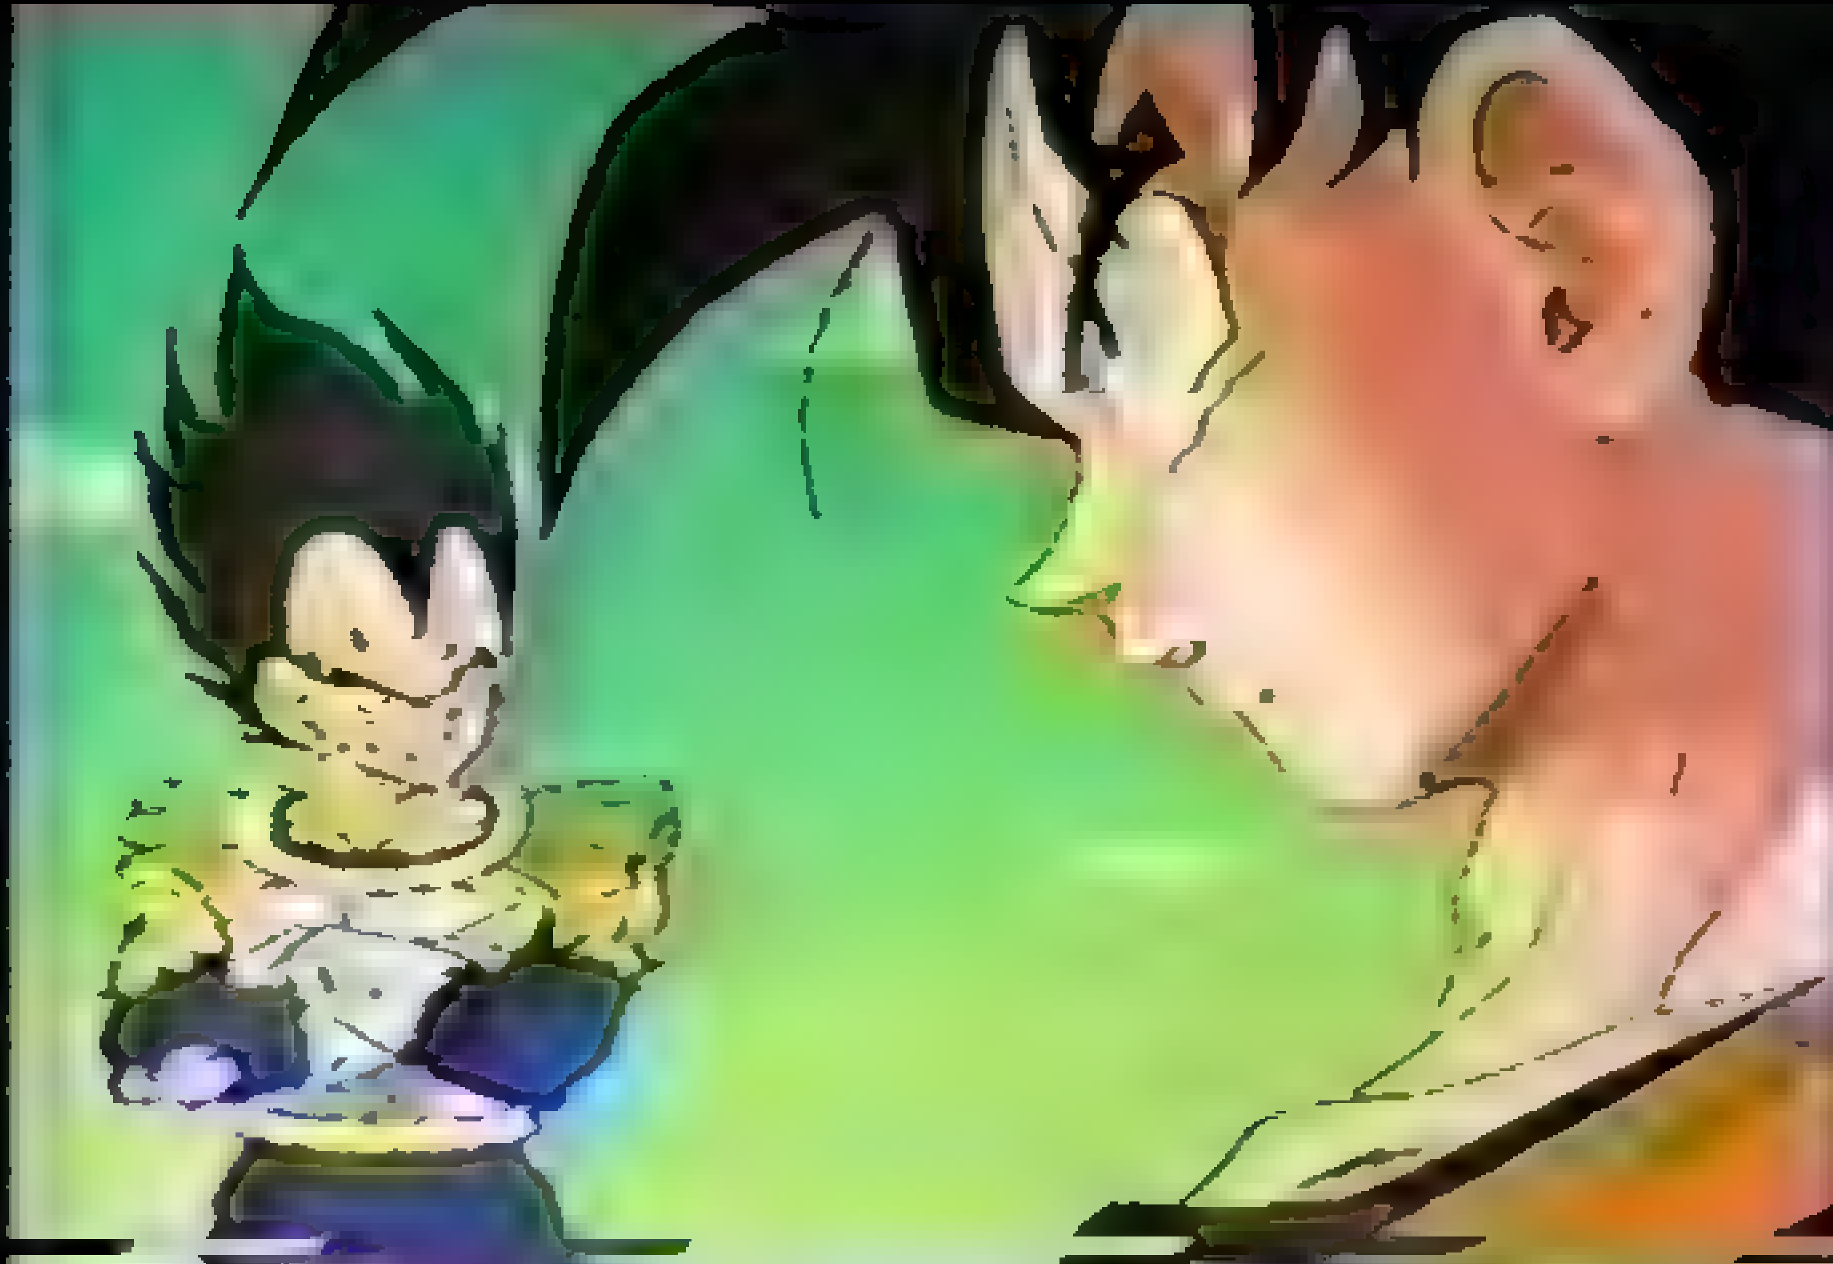

I thought you were going
to defeat Lord Freezer?

I'd like to if I can. But
I have to bring all the people.

I'd like to if I can. But
I have to bring all the people

you killed on Earth
back to life first.

And Lord Kaio told me I was
never to fight Freezer, too.

And Lord Kaio told me I was
never to fight Freezer, too.

Even if your stupid wish does
get granted, it'll do no good.

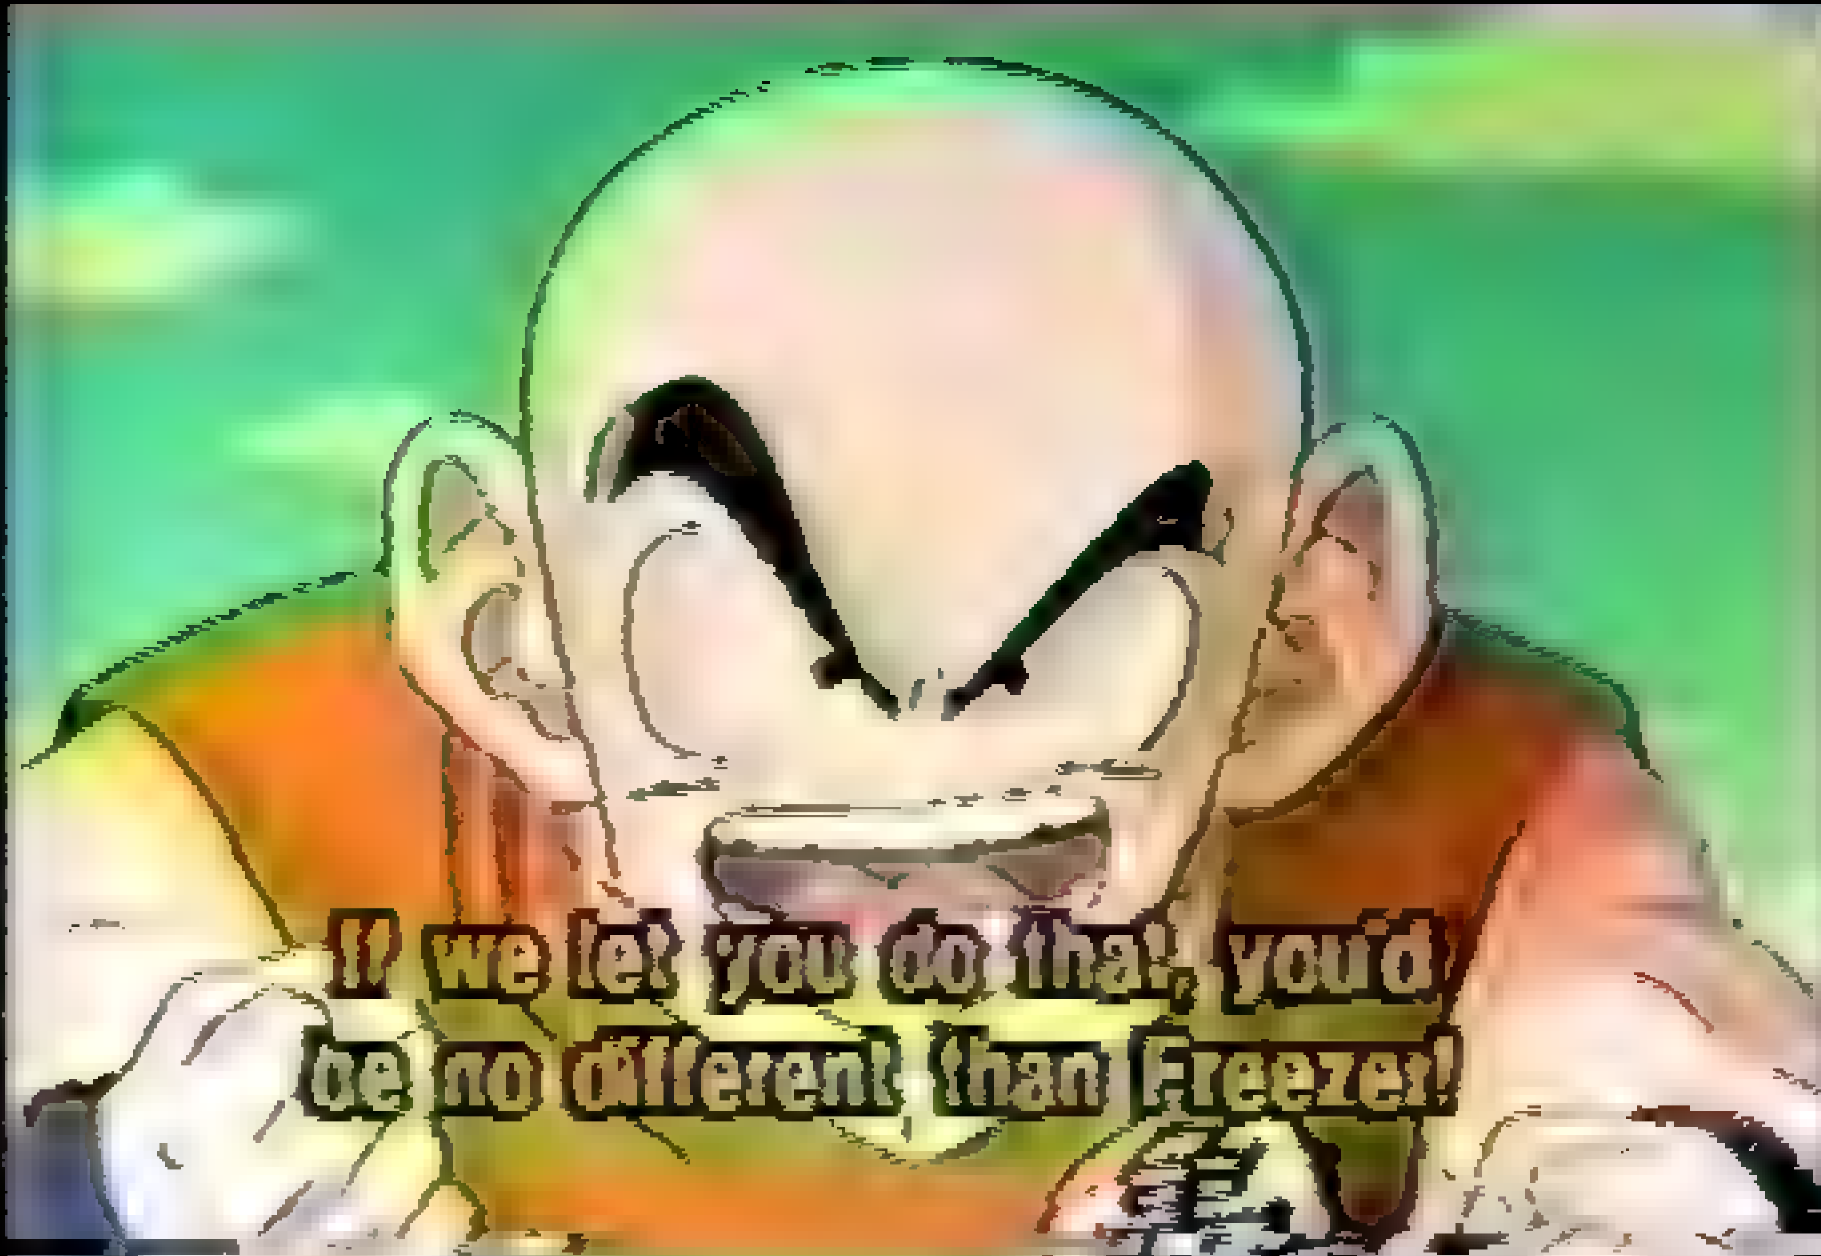

Even if you stupid wish does
get granted, it'll do no good.

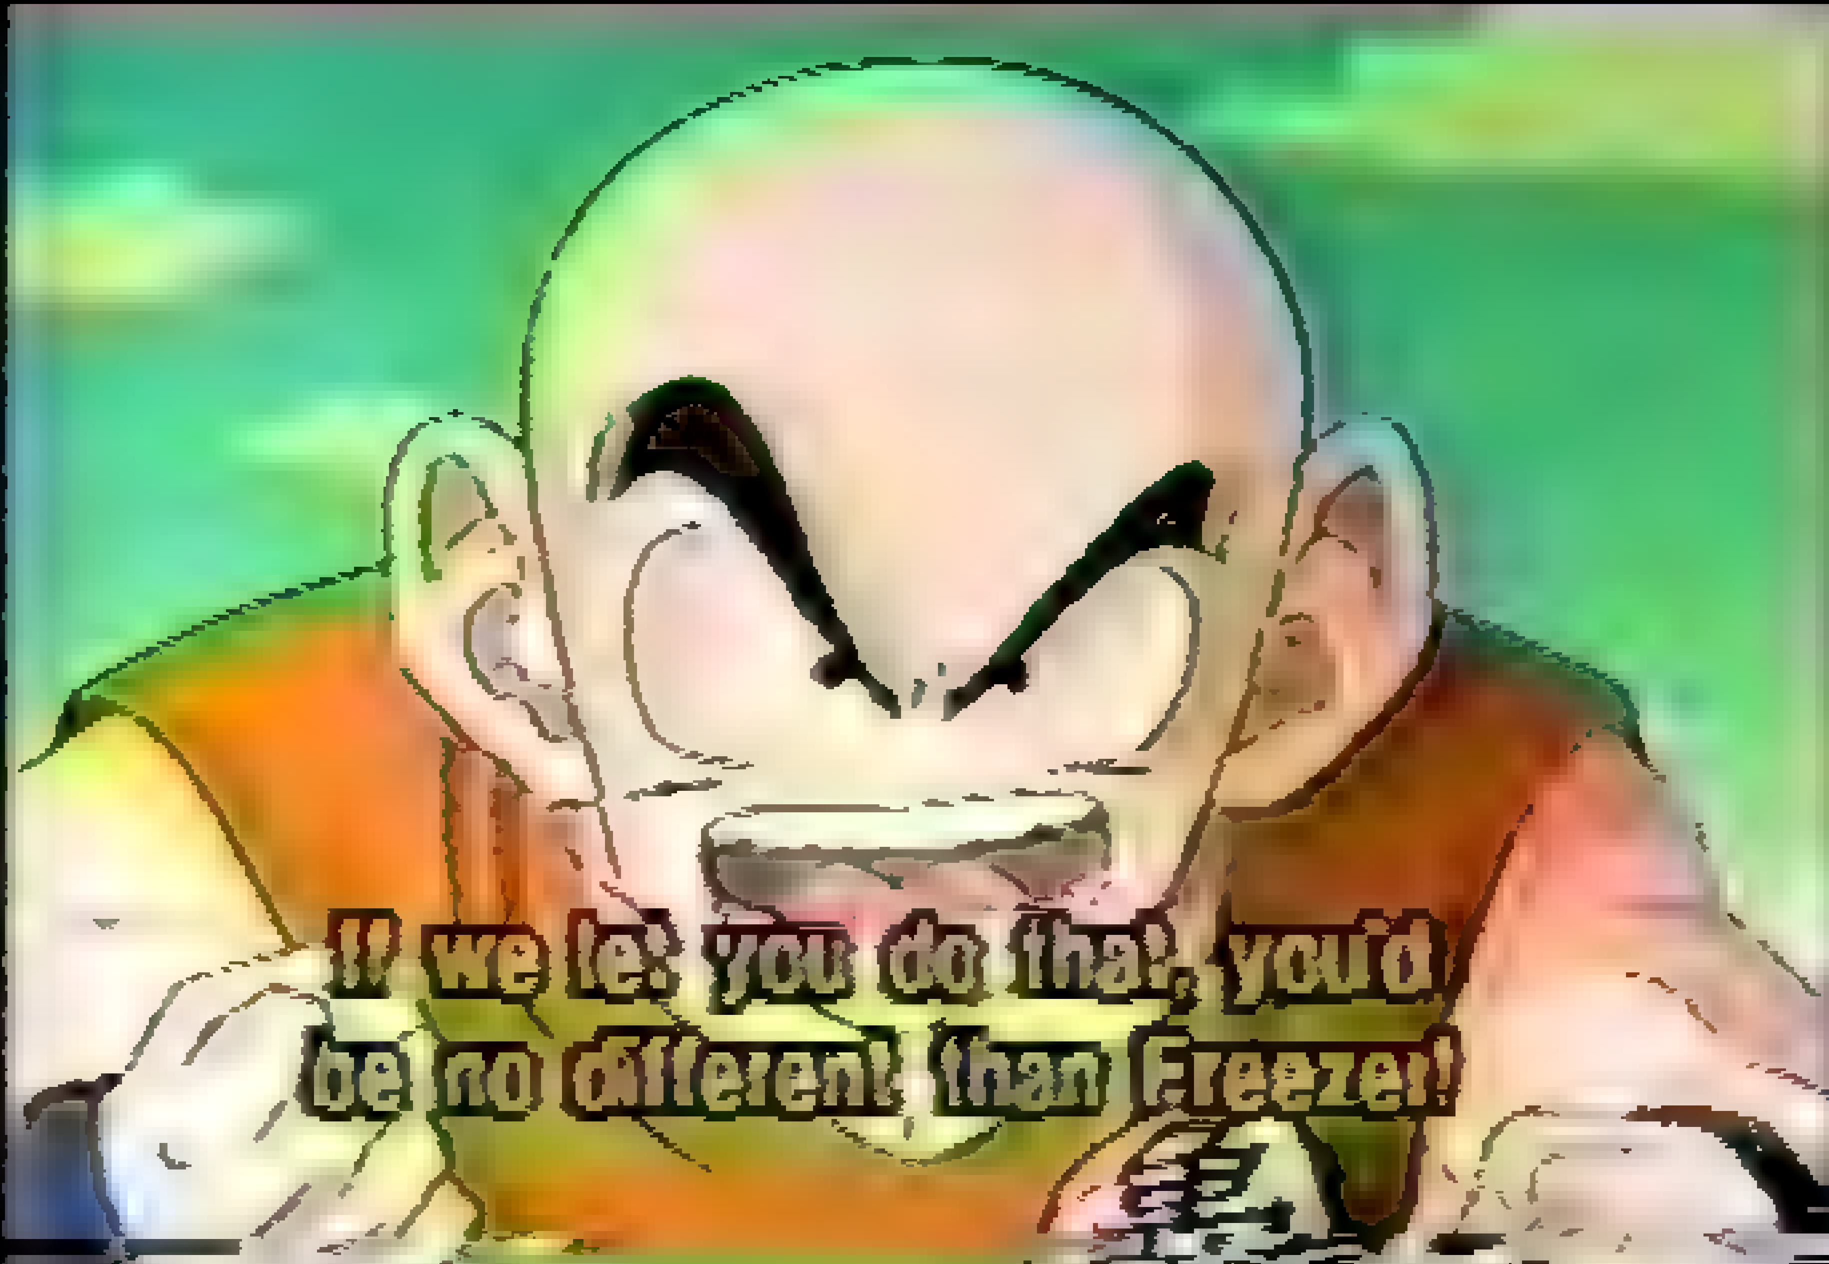

Freeze: will just come and
blow your planet away.

Freezer will just come and
blow your planet away.

Let me gain immortality instead.

You've got to be kidding!

If we let you do that, you'd
be no different than Freezer!

If we let you do that, you'd
be no different than Freezer!

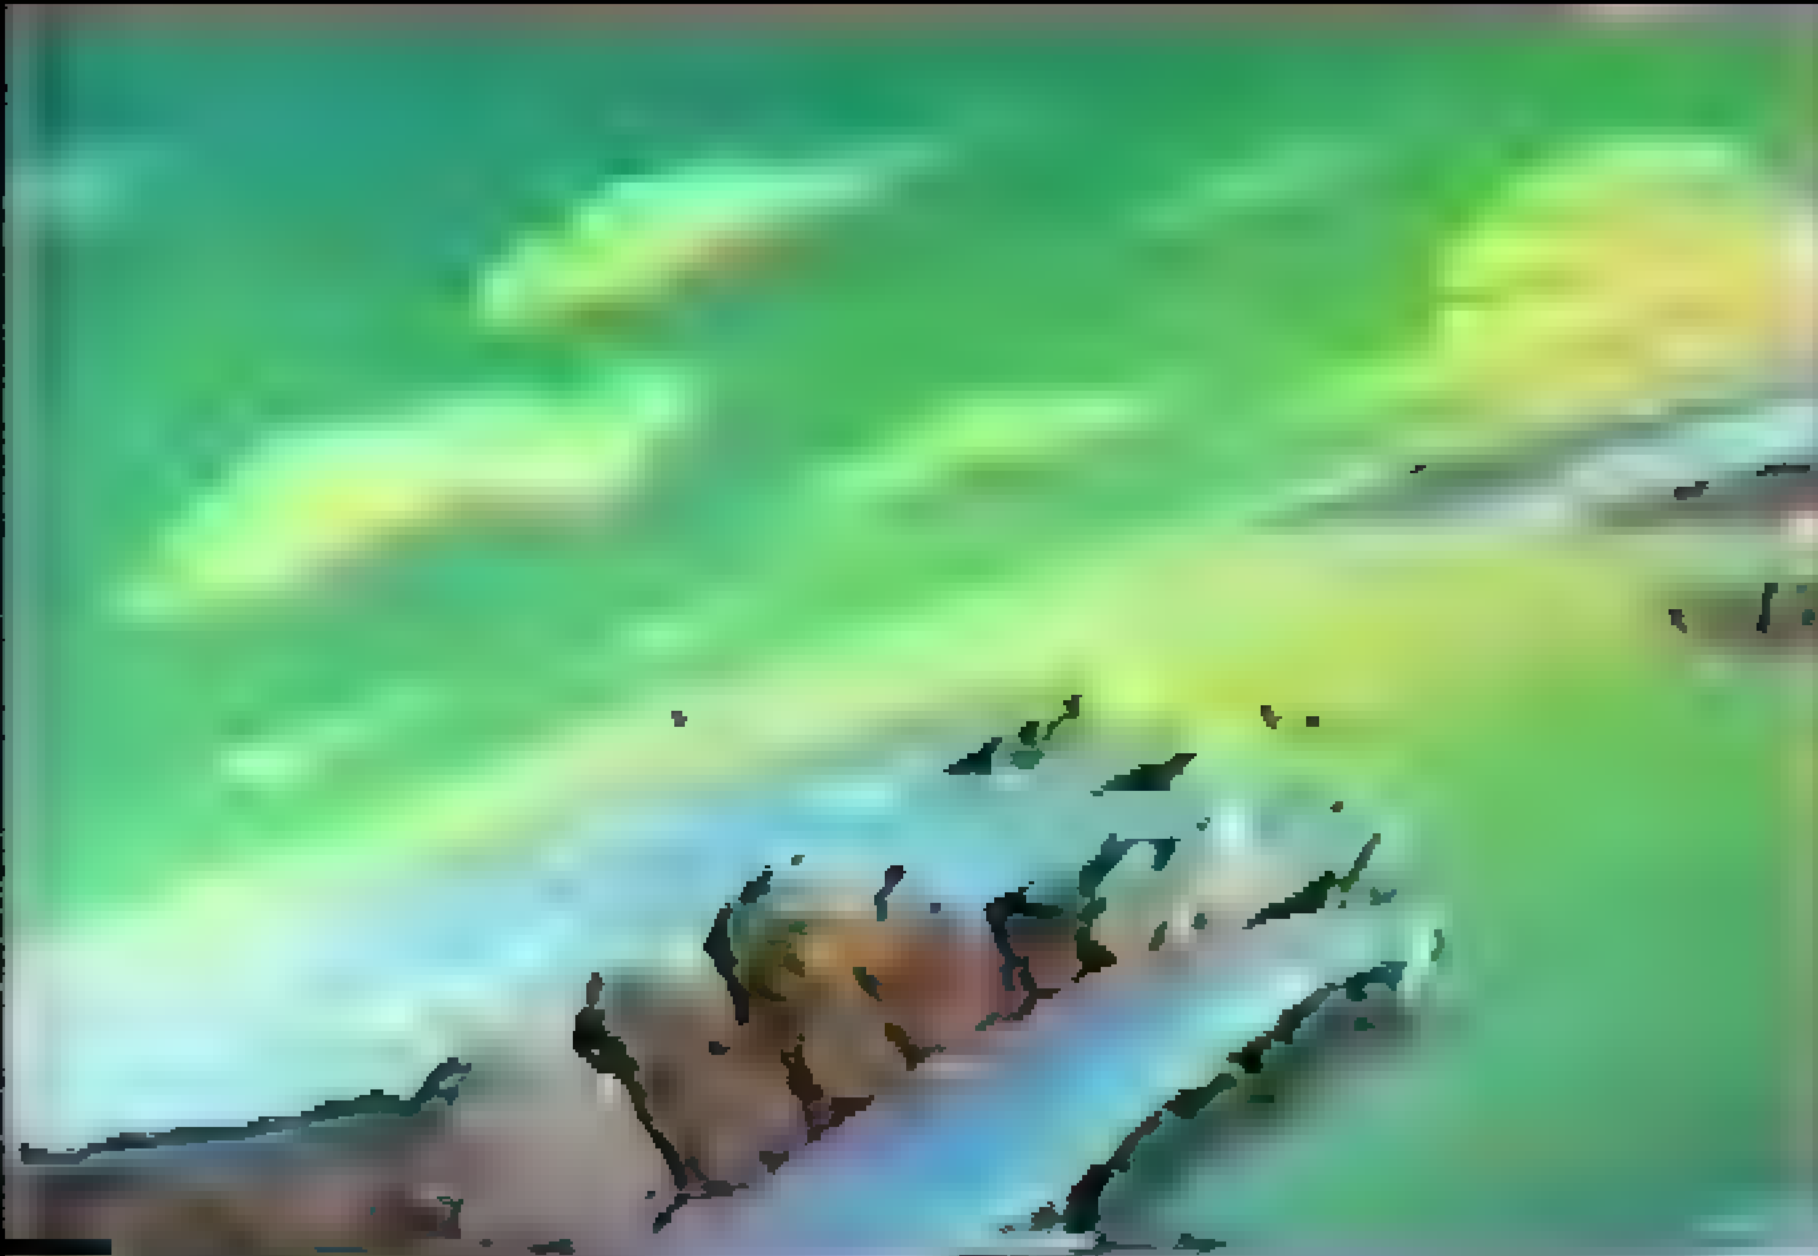

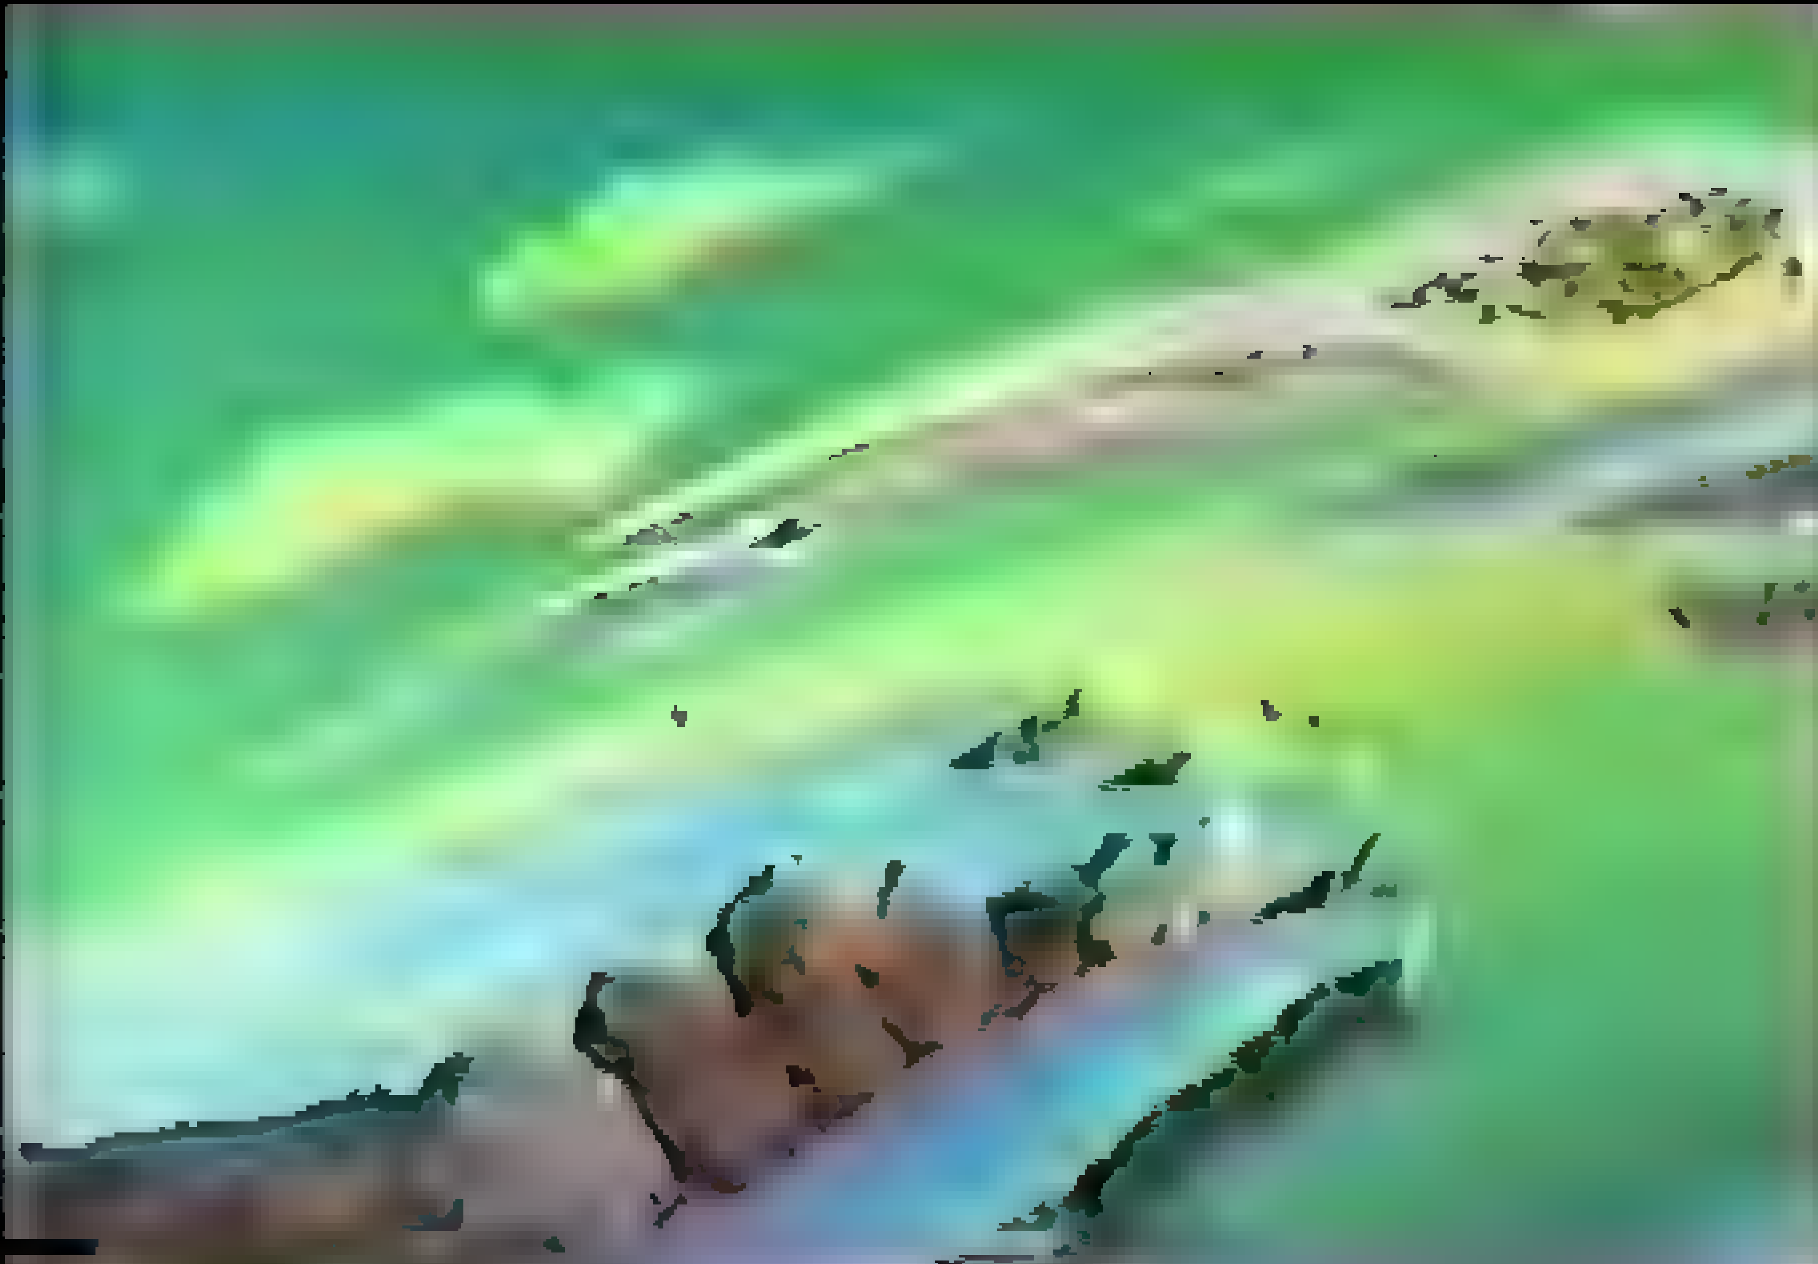

Two battle power sources
are headed this way.

Two battle power sources
are headed this way.

So he's come...

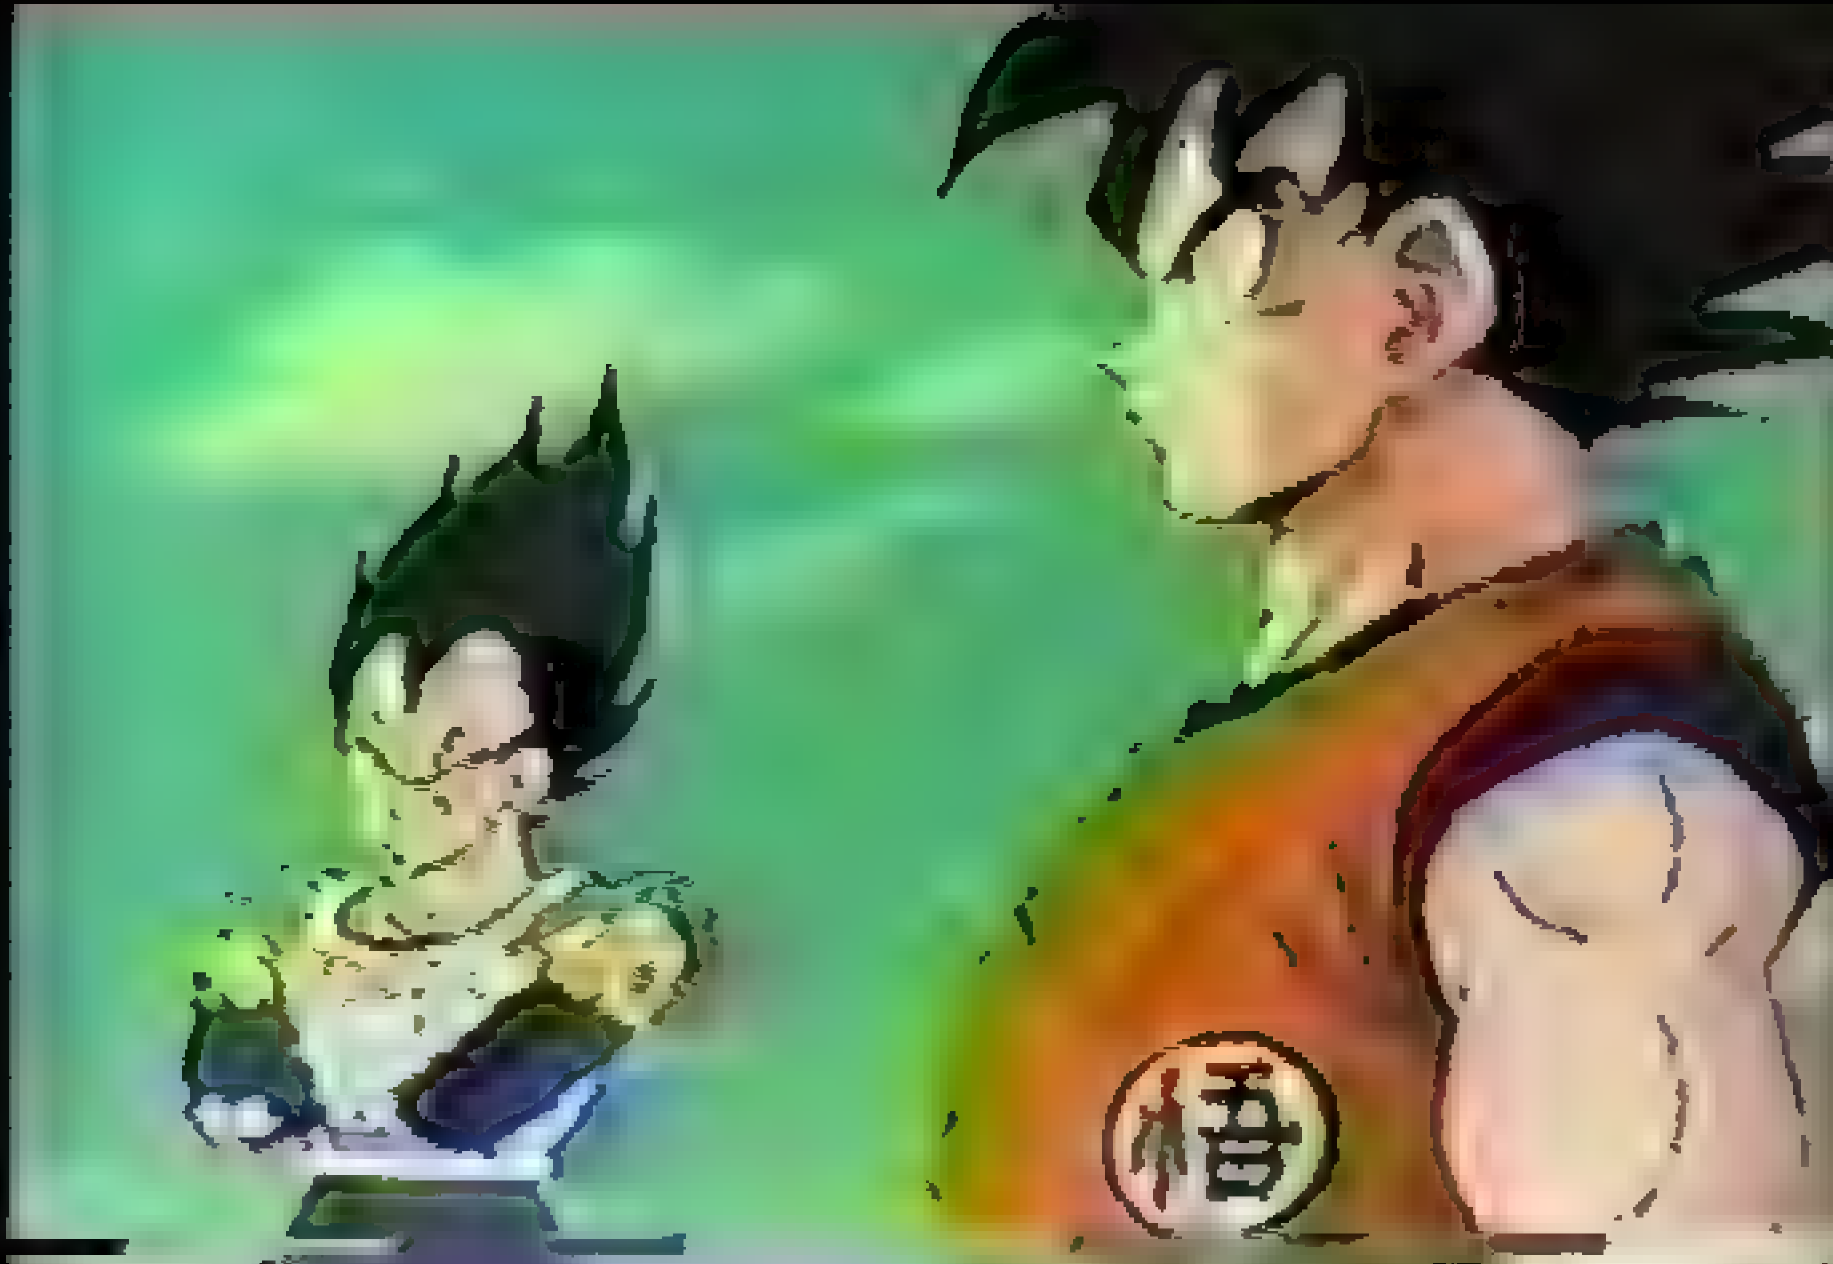

You let Jees get away and now
he's brought Commander Gnyu.

You let Jees get away and now
he's brought Commander Gnyu.

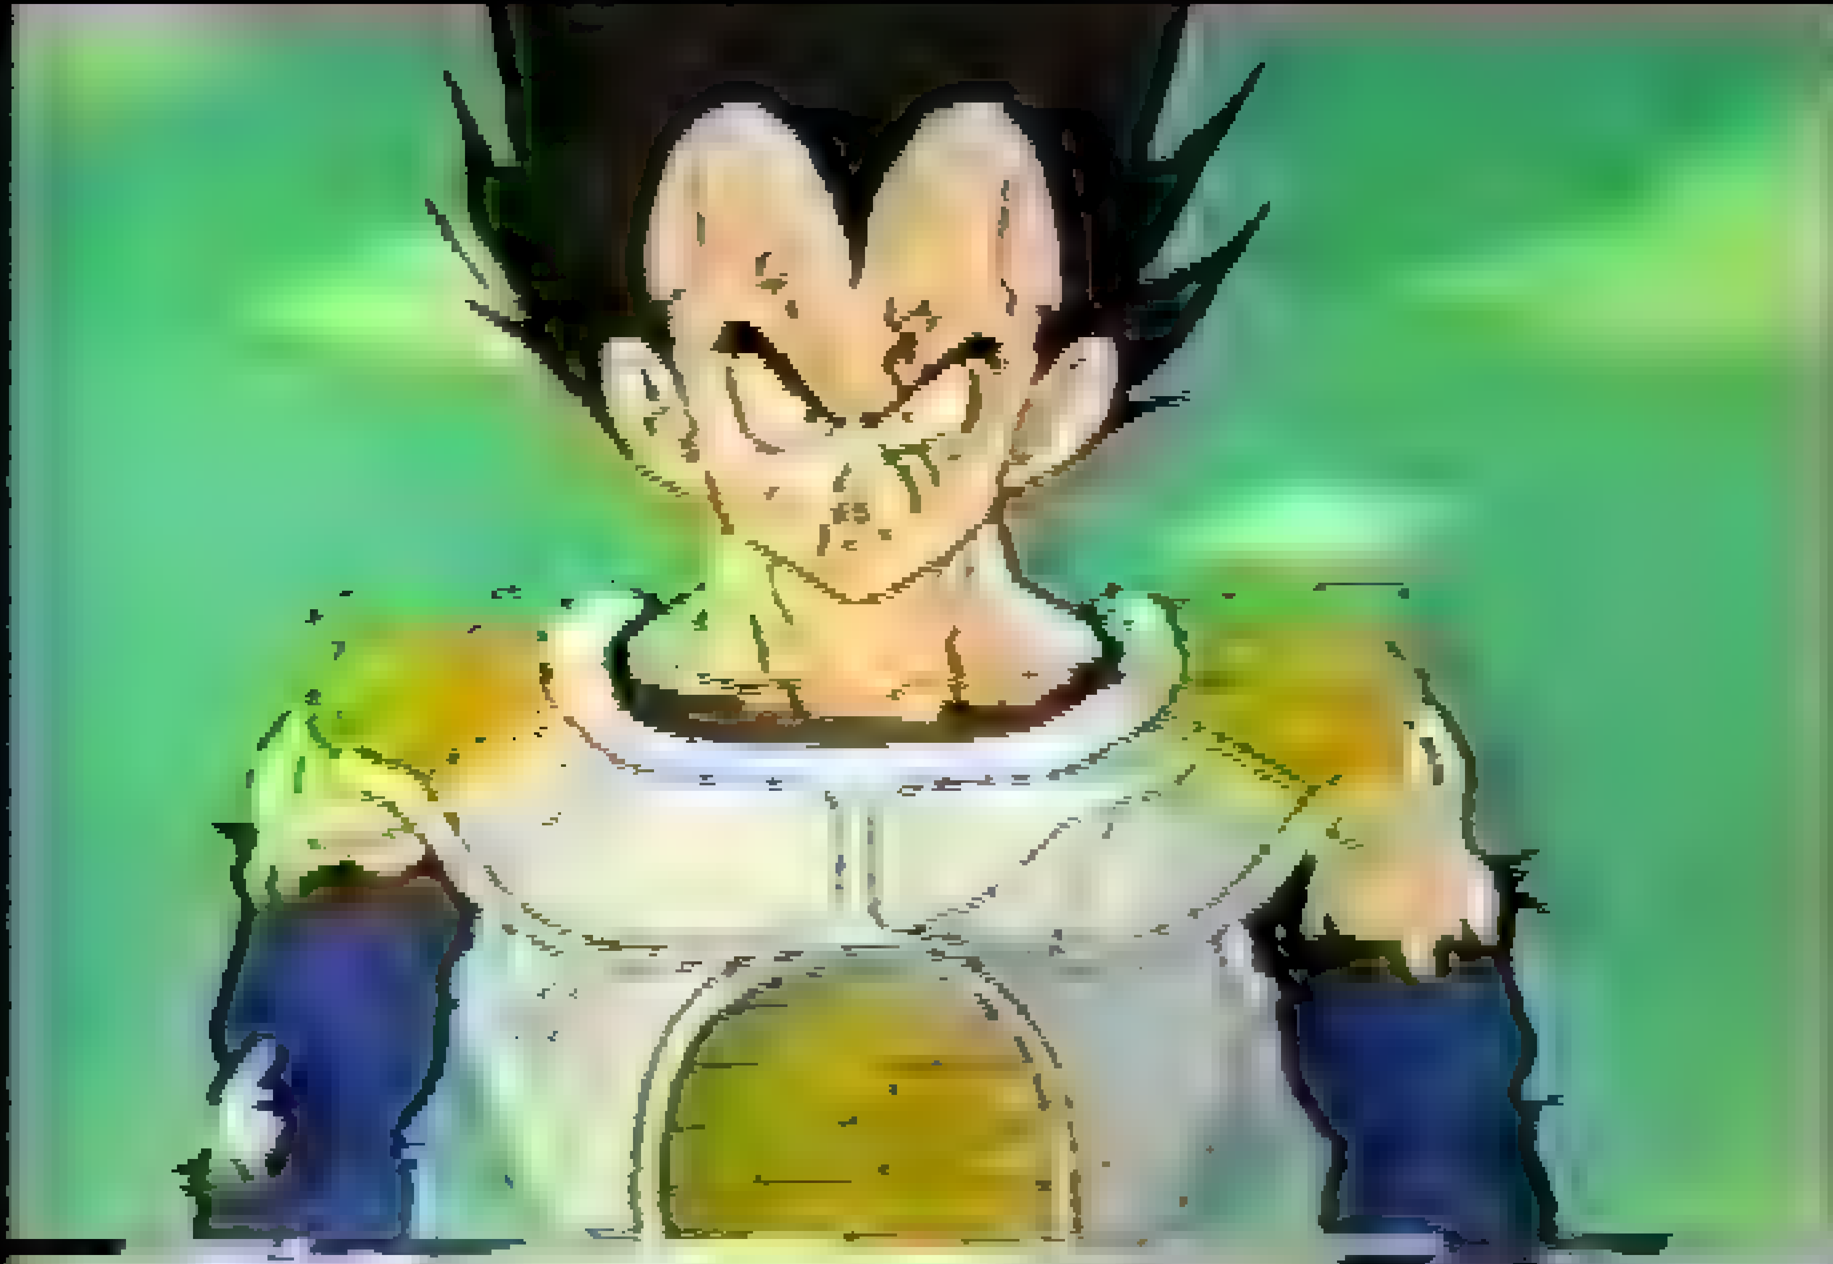

悟

You won't have an easy
time with him.

You won't have an easy
time with him.

He definitely is a
bad one, Goku!

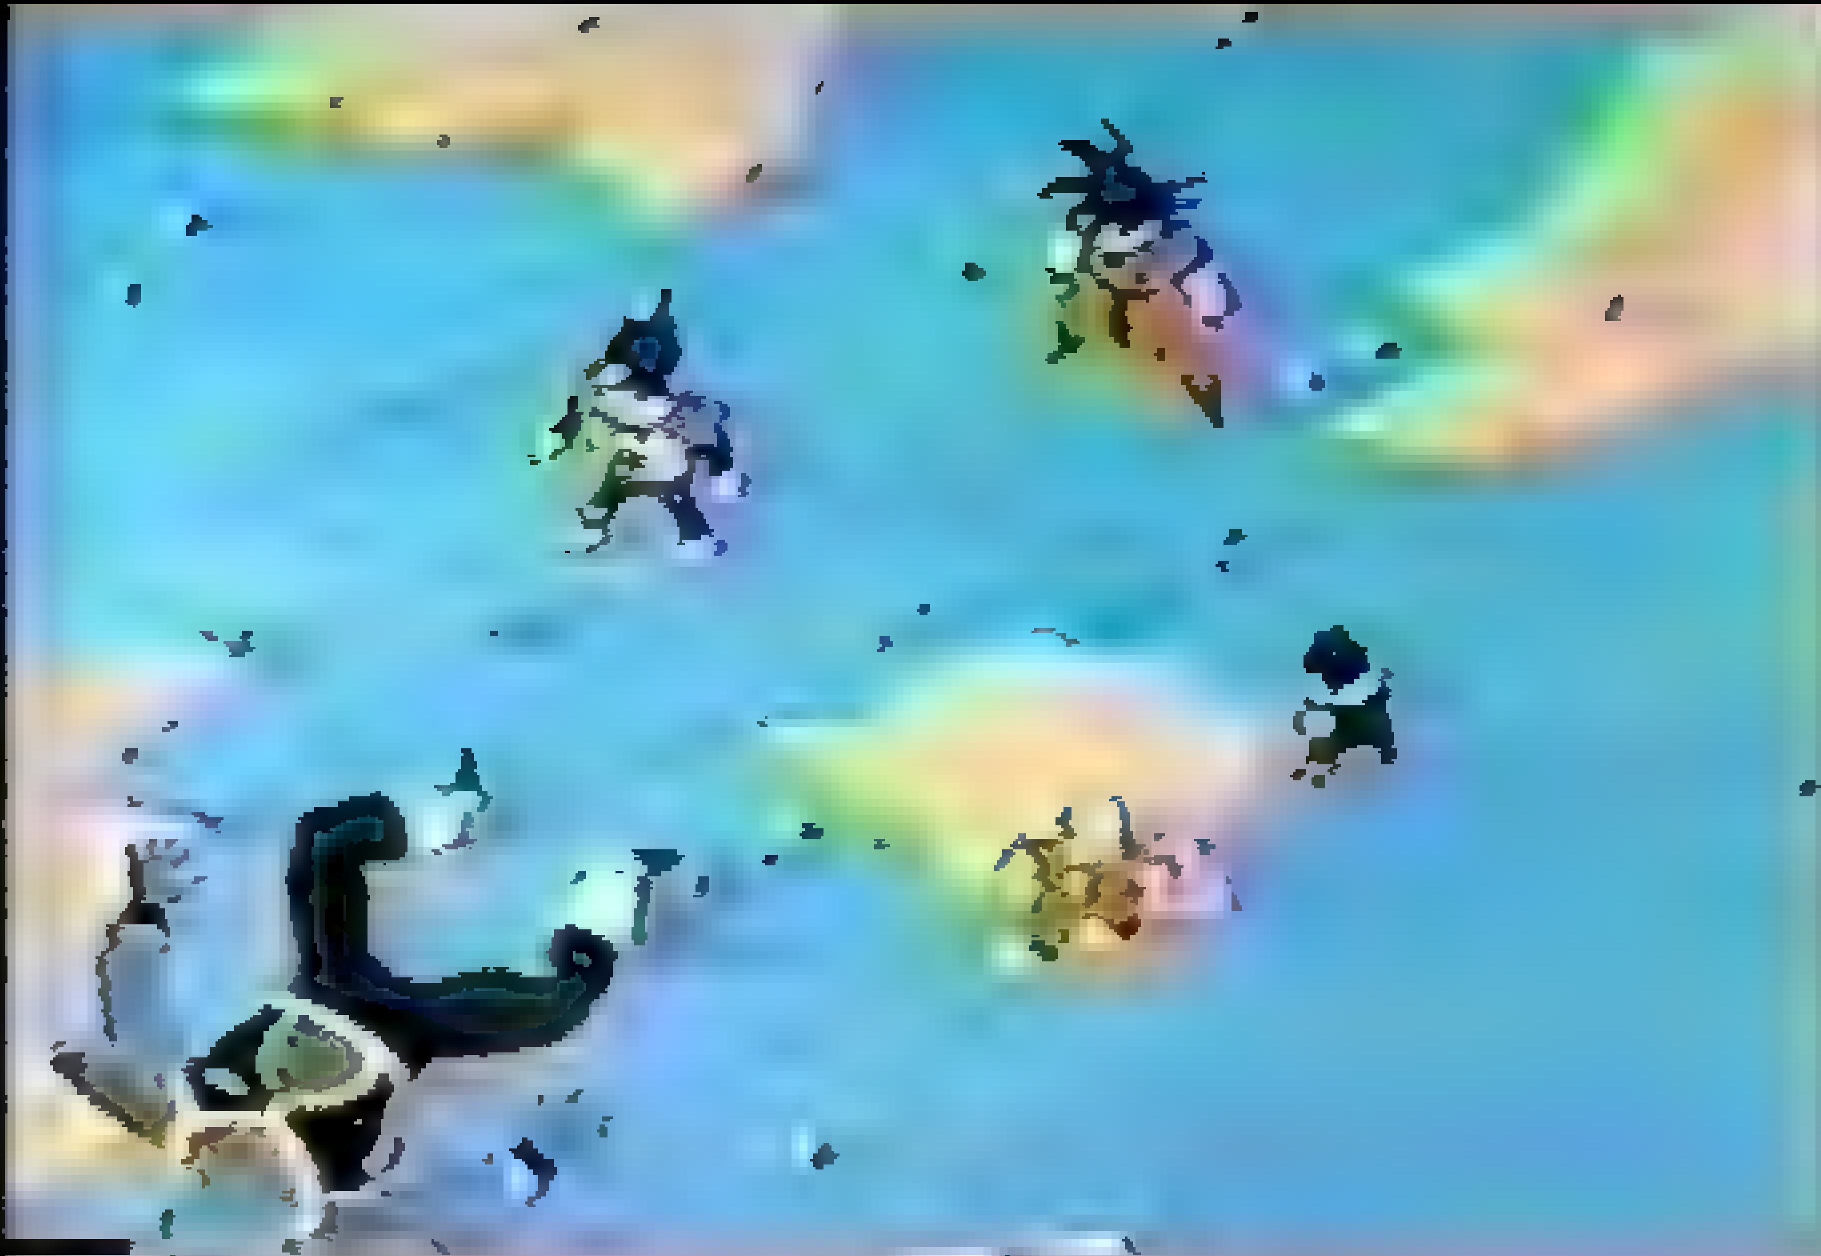

He definitely is a
bad one, Goku!

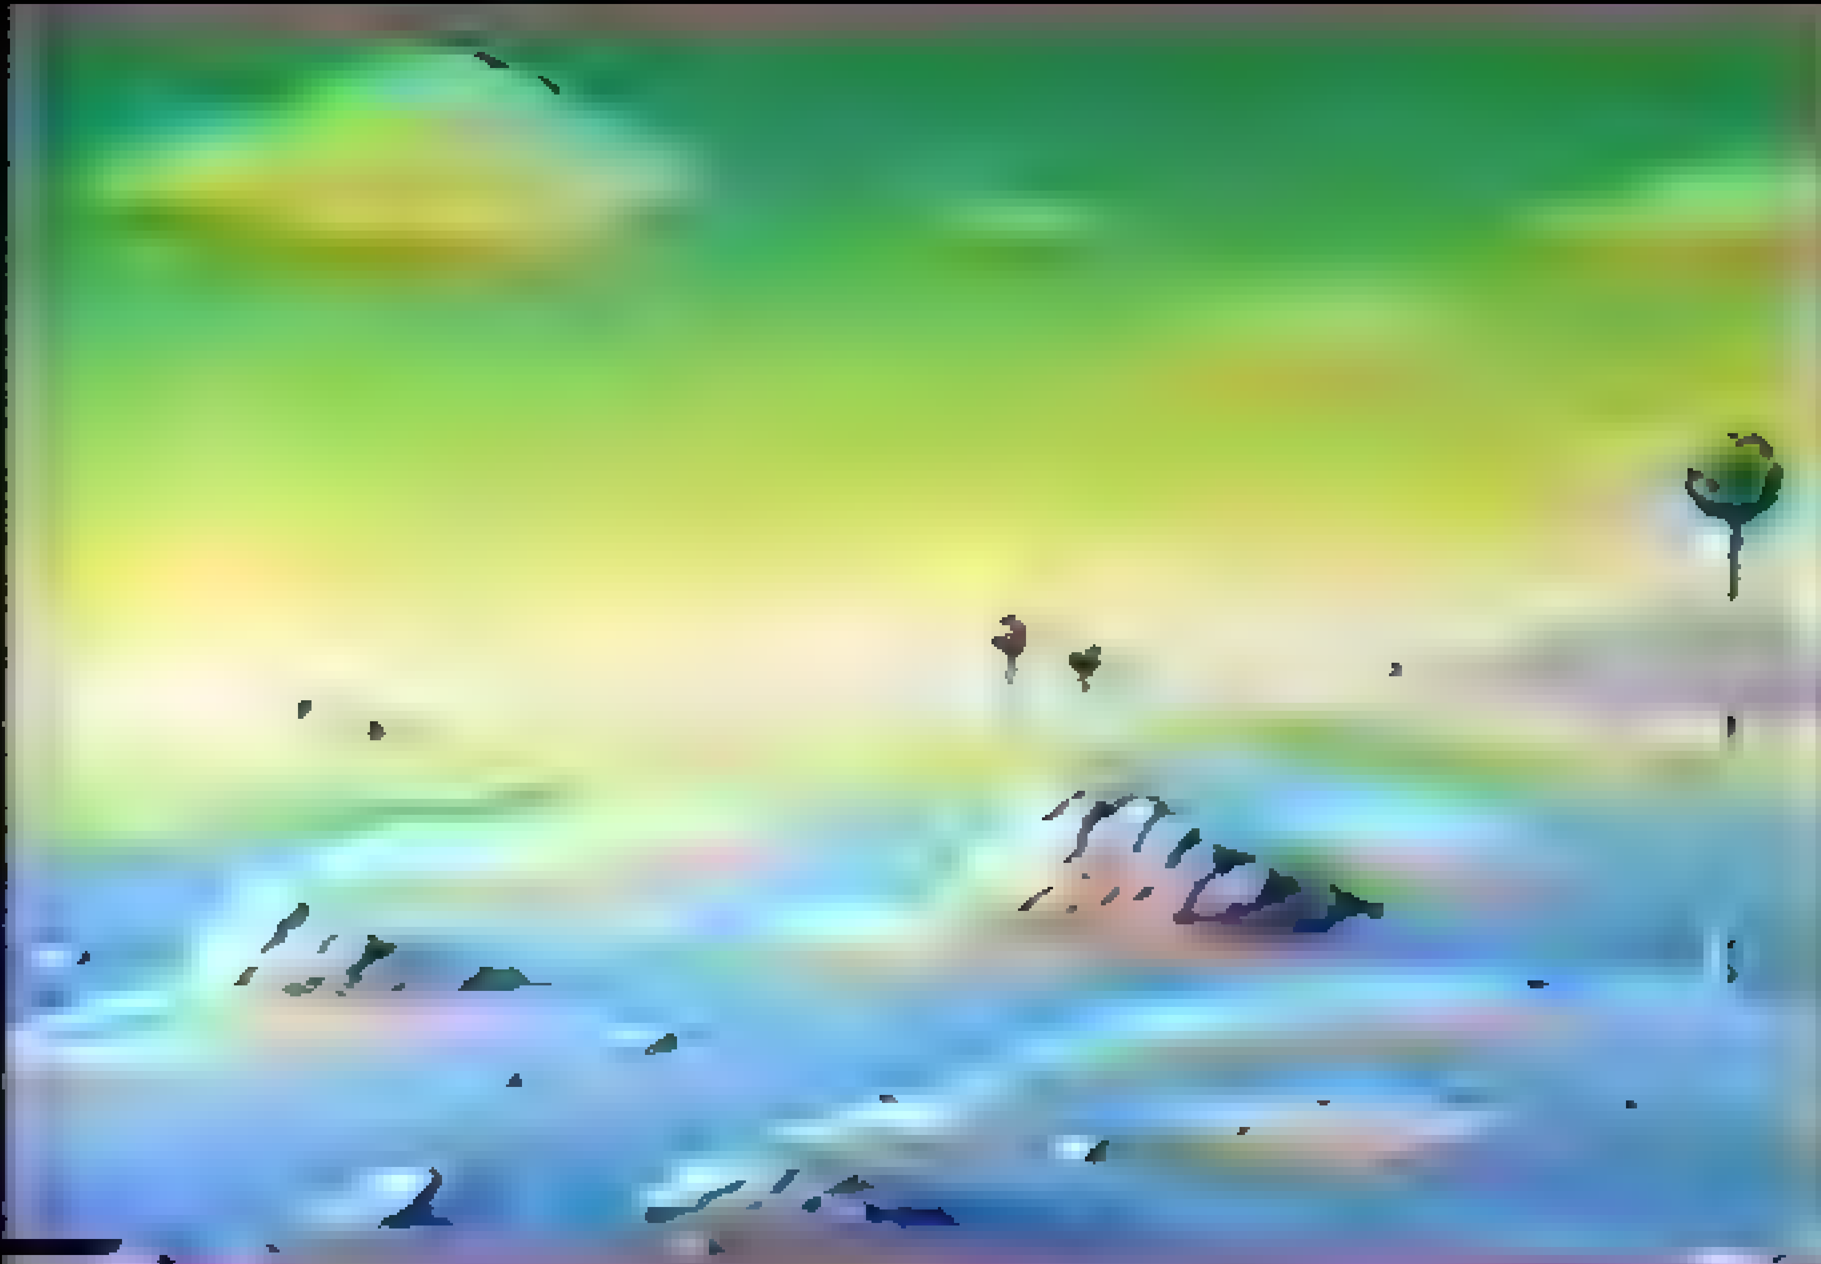

Hold it...where's Freezer?

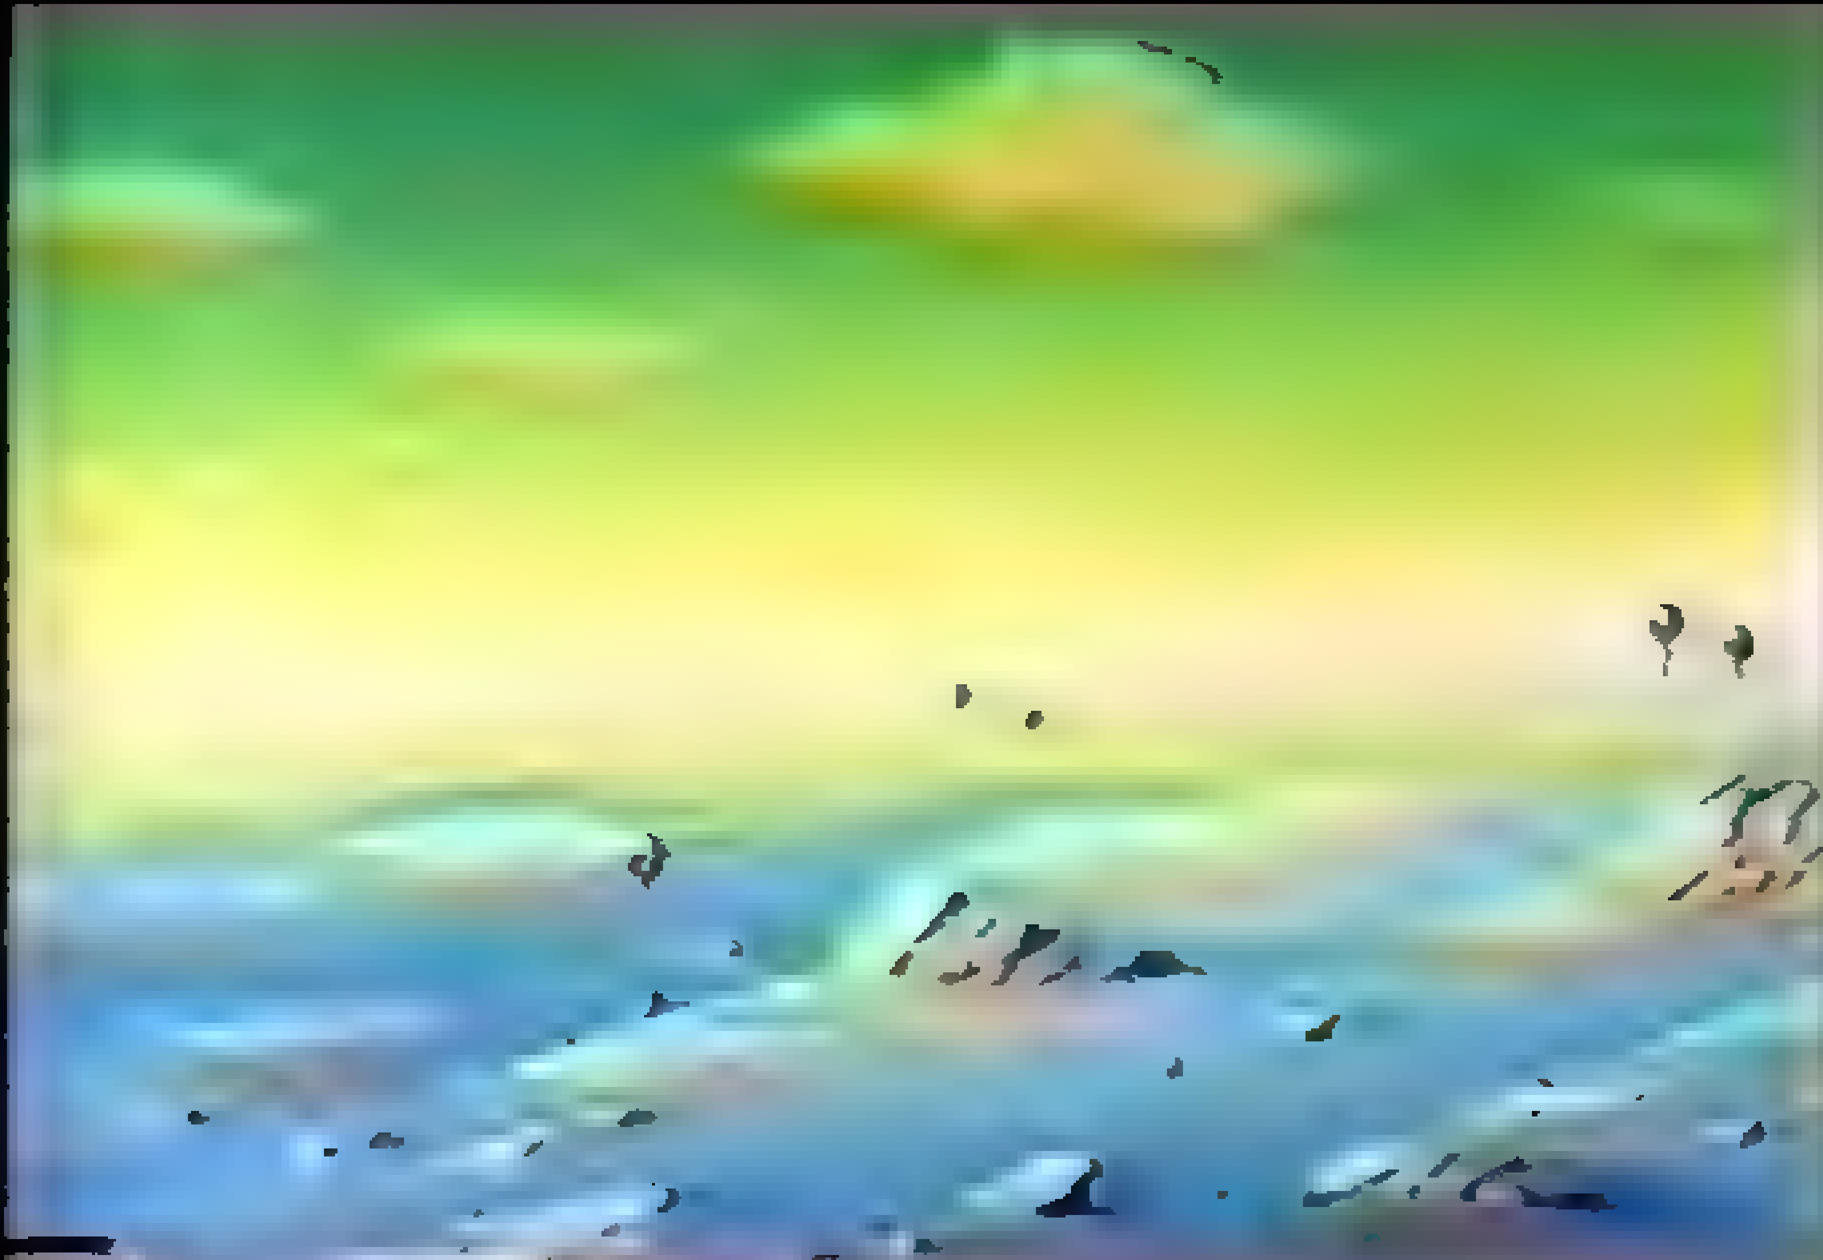

He should be in the spaceship
with the Dragon Balls.

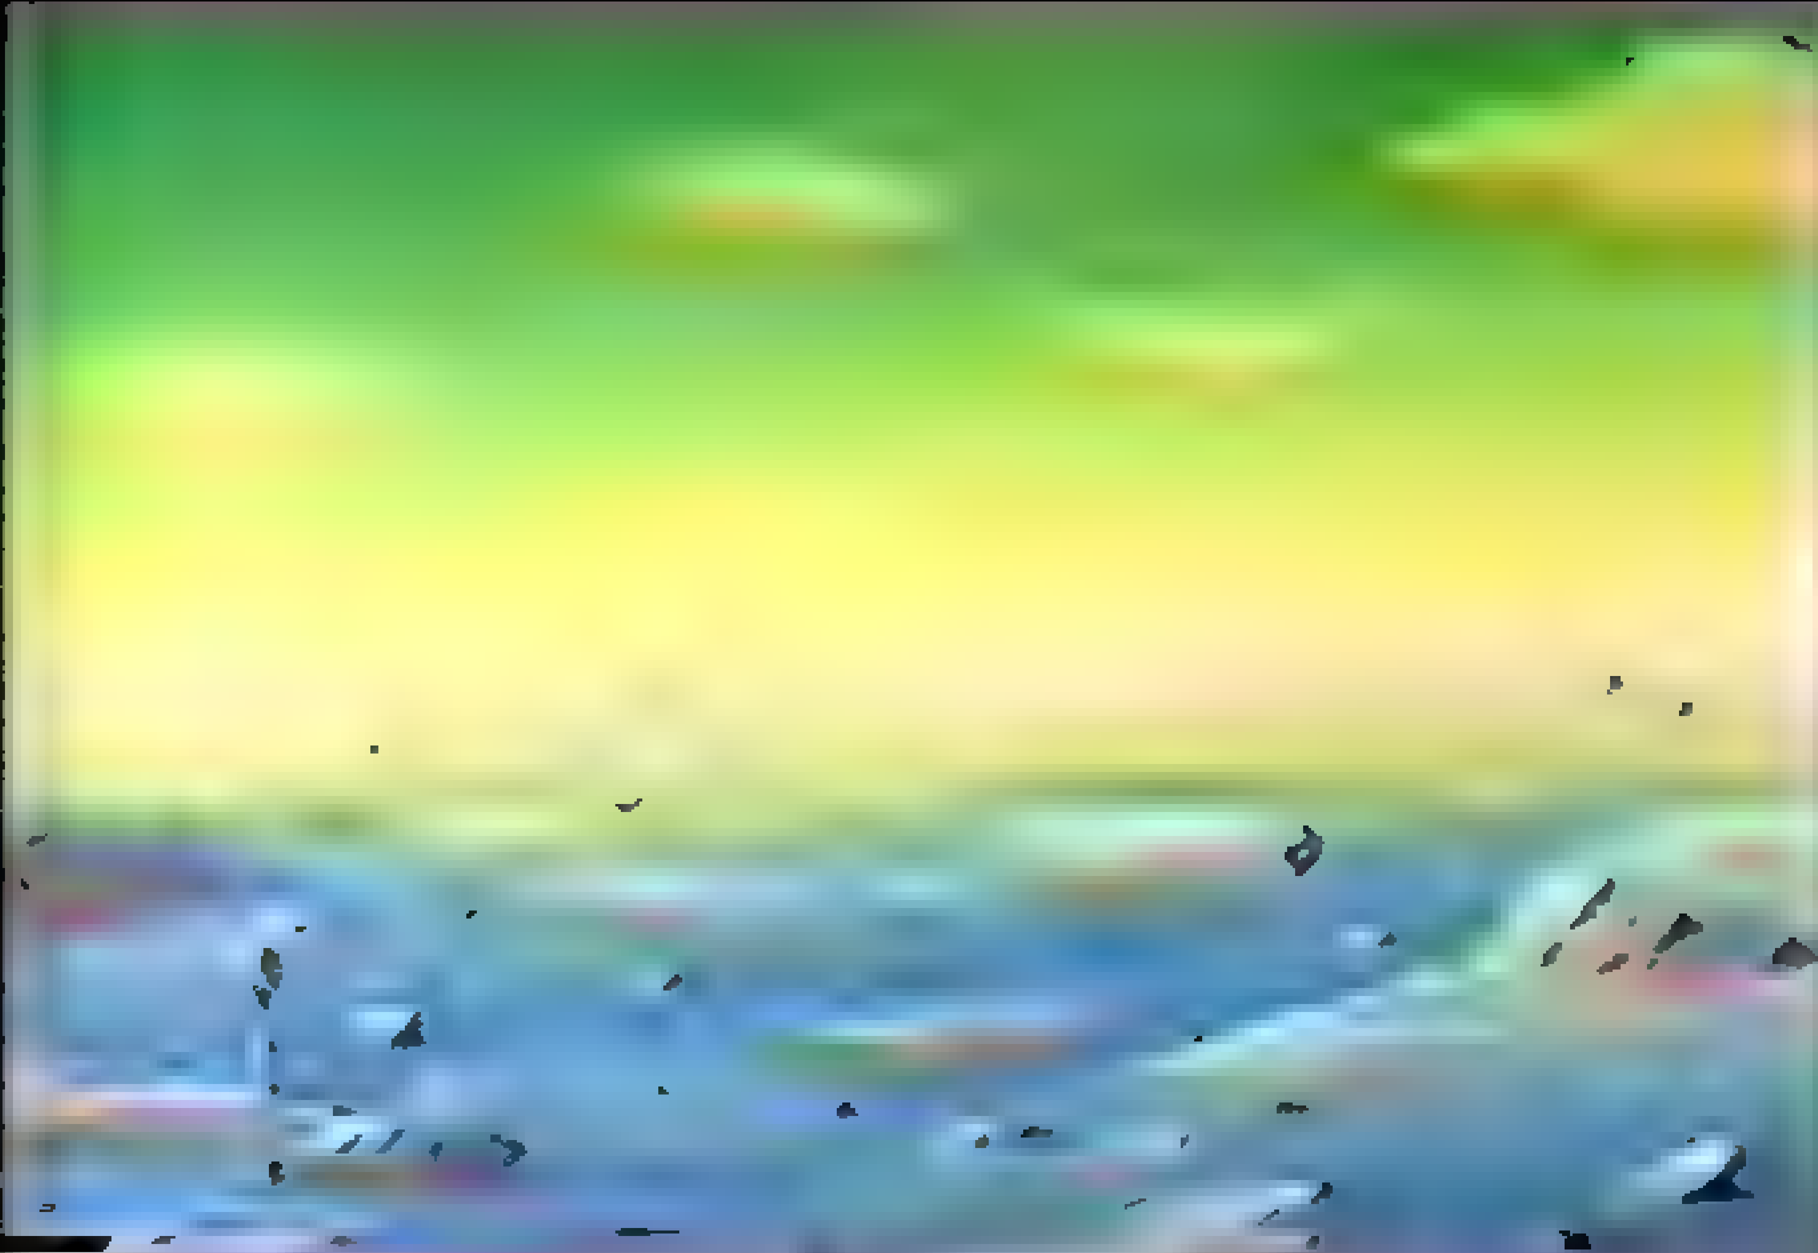

He should be in the spaceship
with the Dragon Balls.

Doesn't look like
he's there anymore.

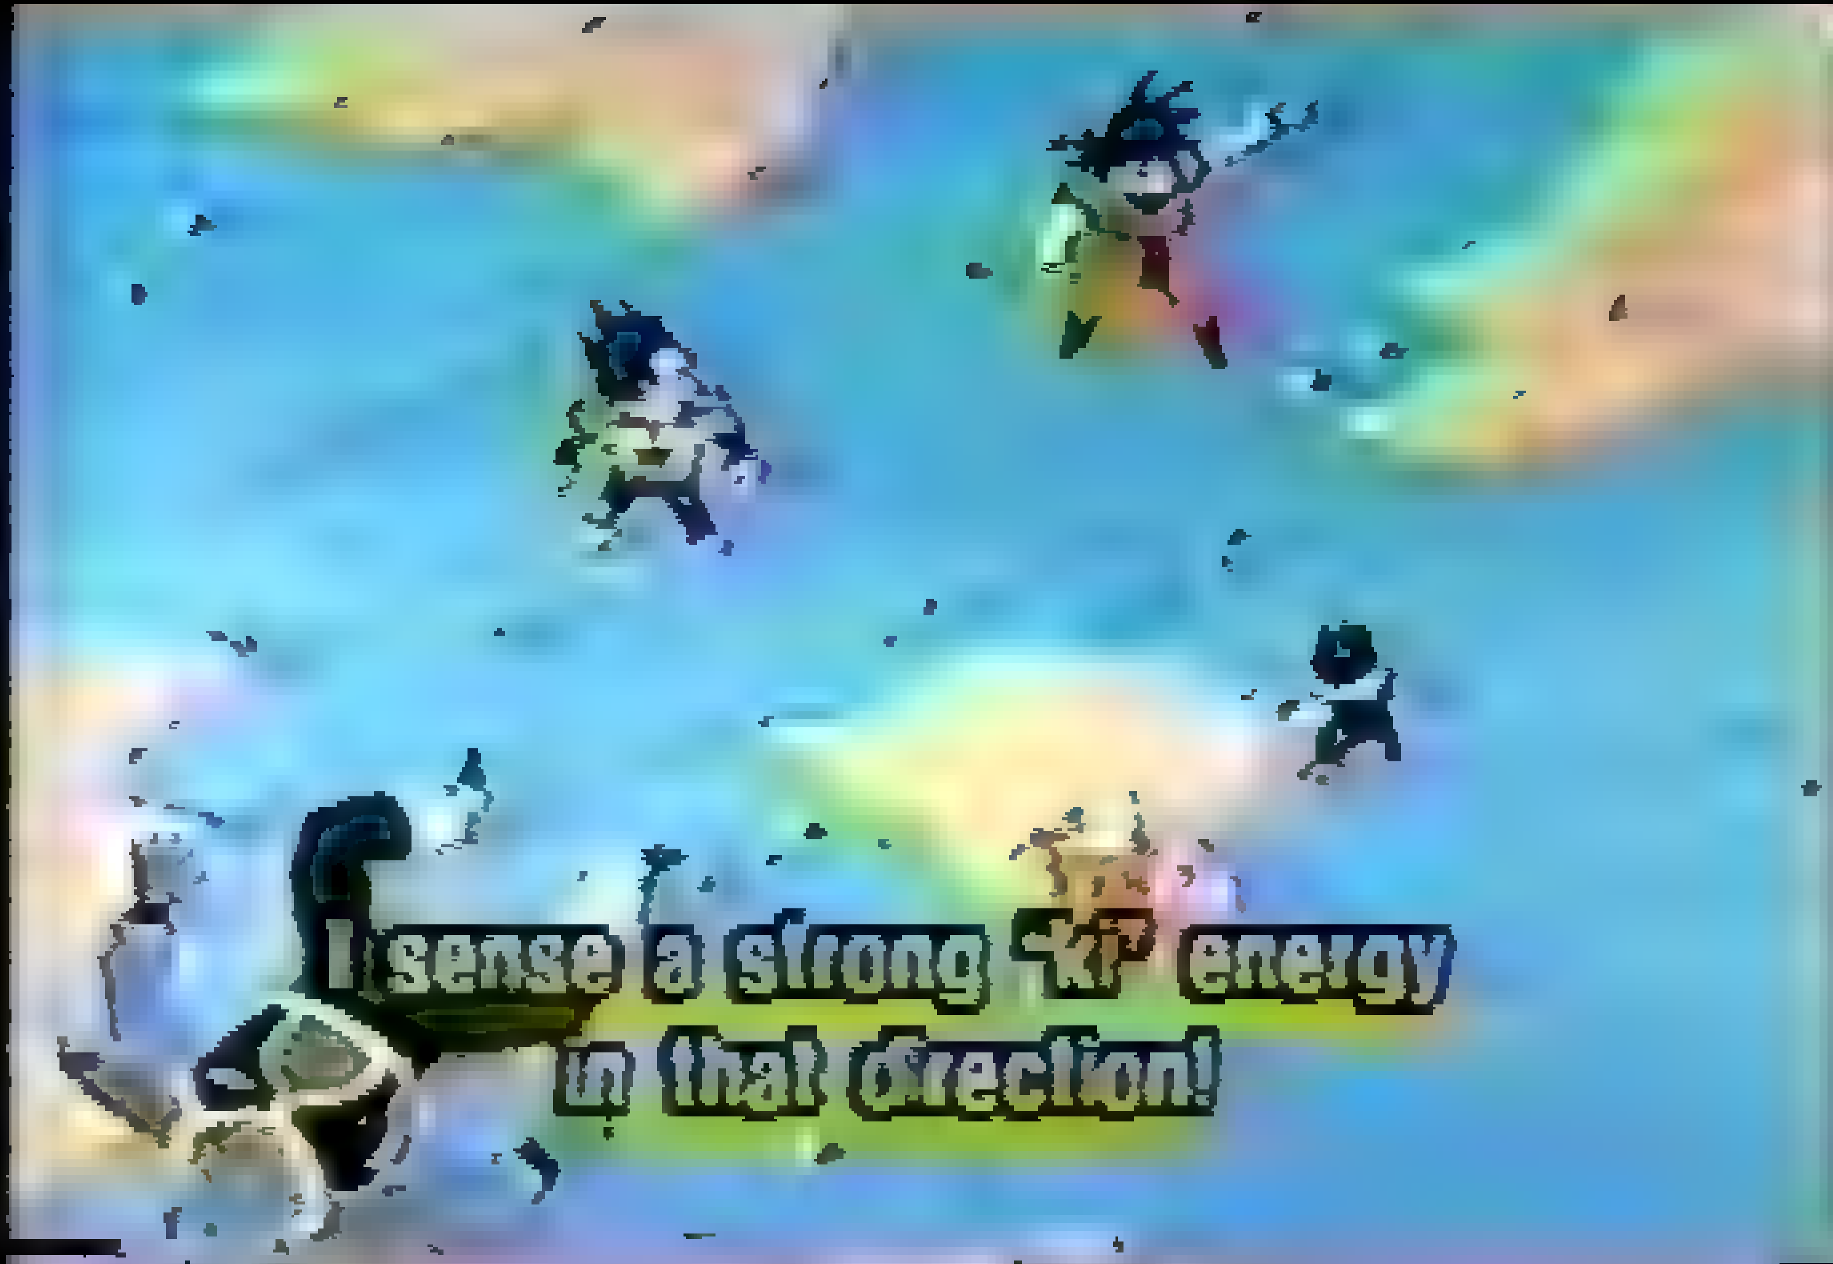

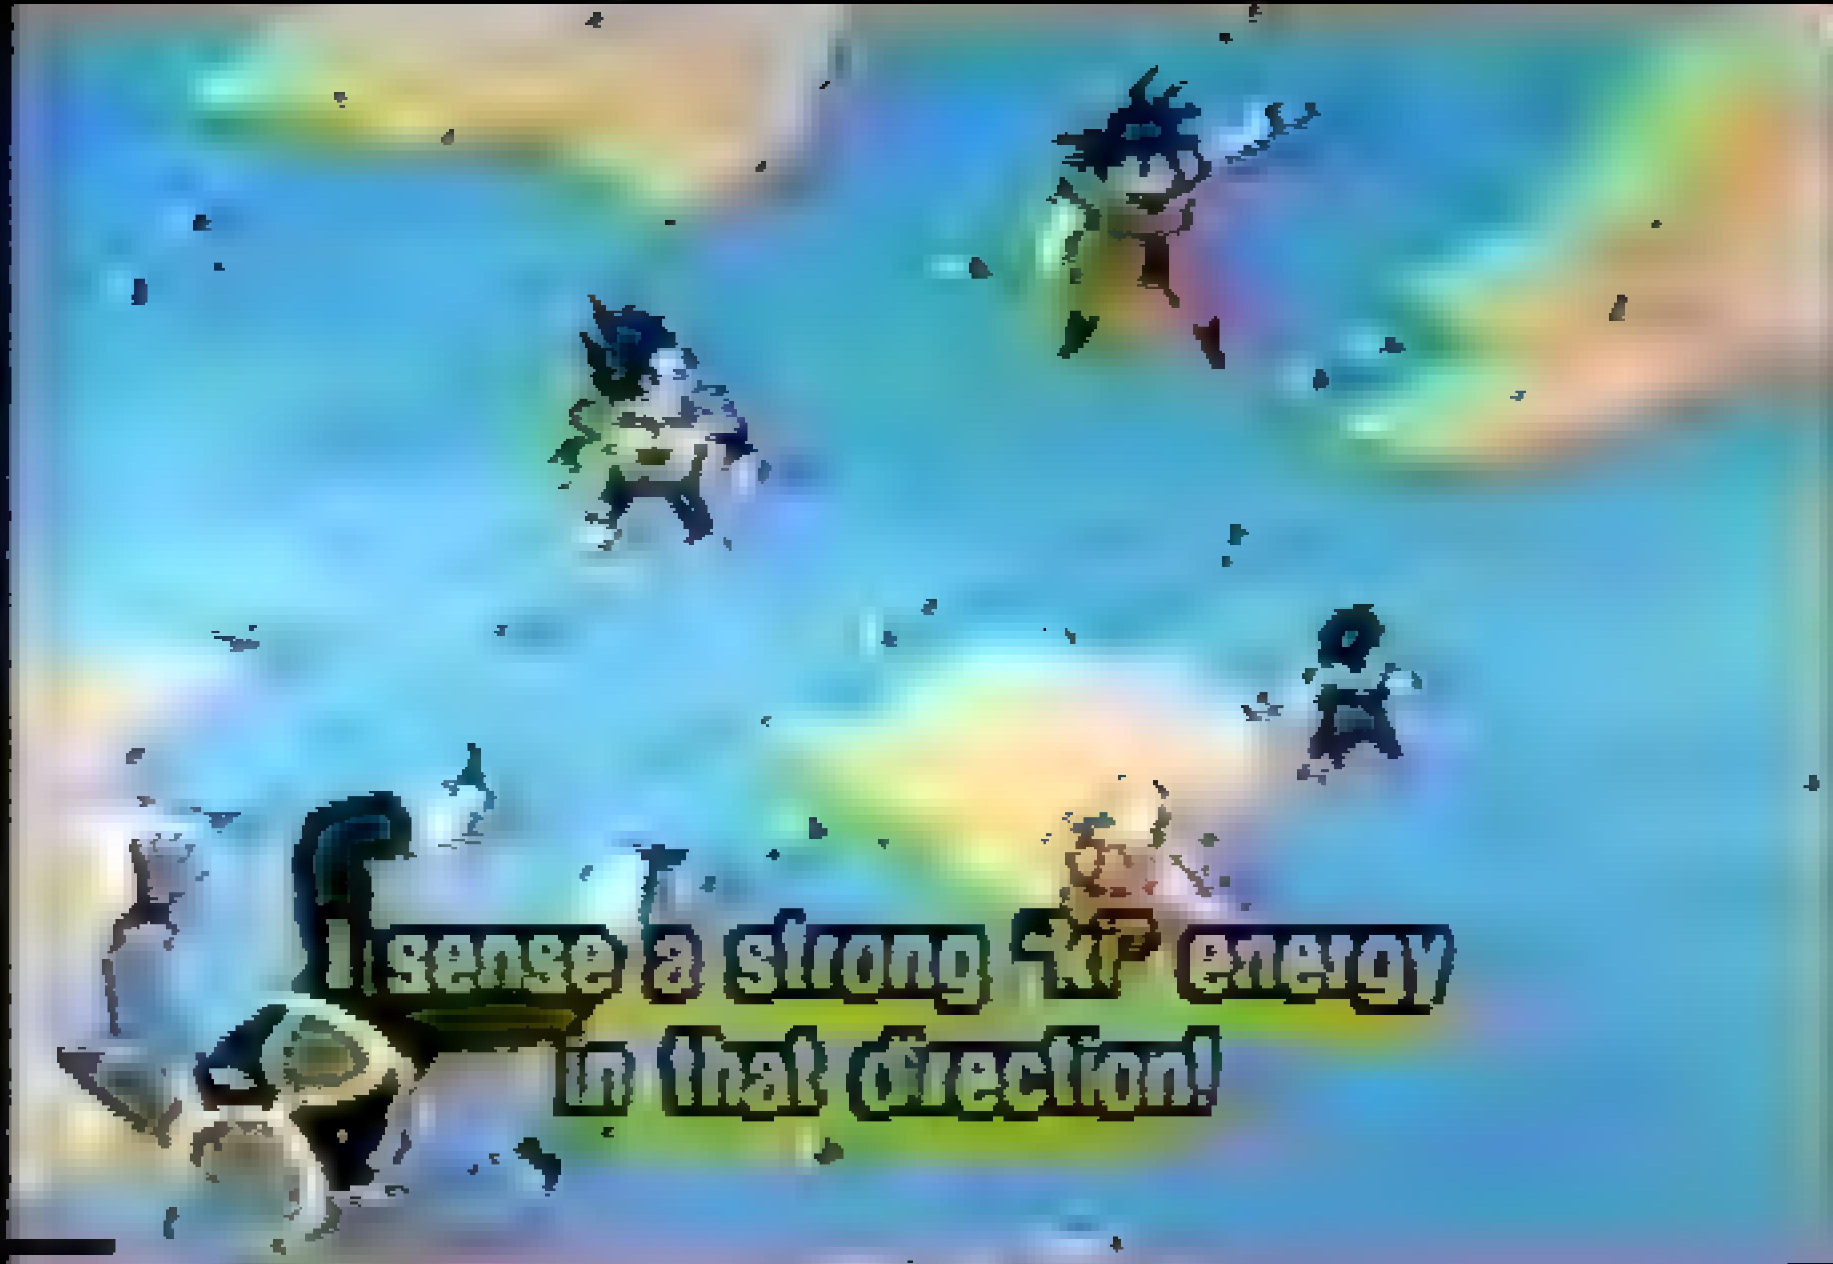

I sense a strong "ki" energy
in that direction!

I sense a strong "ki" energy
in that direction!

悟

That must be Freezer.

That direction is...!

Oh no! That's where
the Senior Elder is!

Senior Elder?

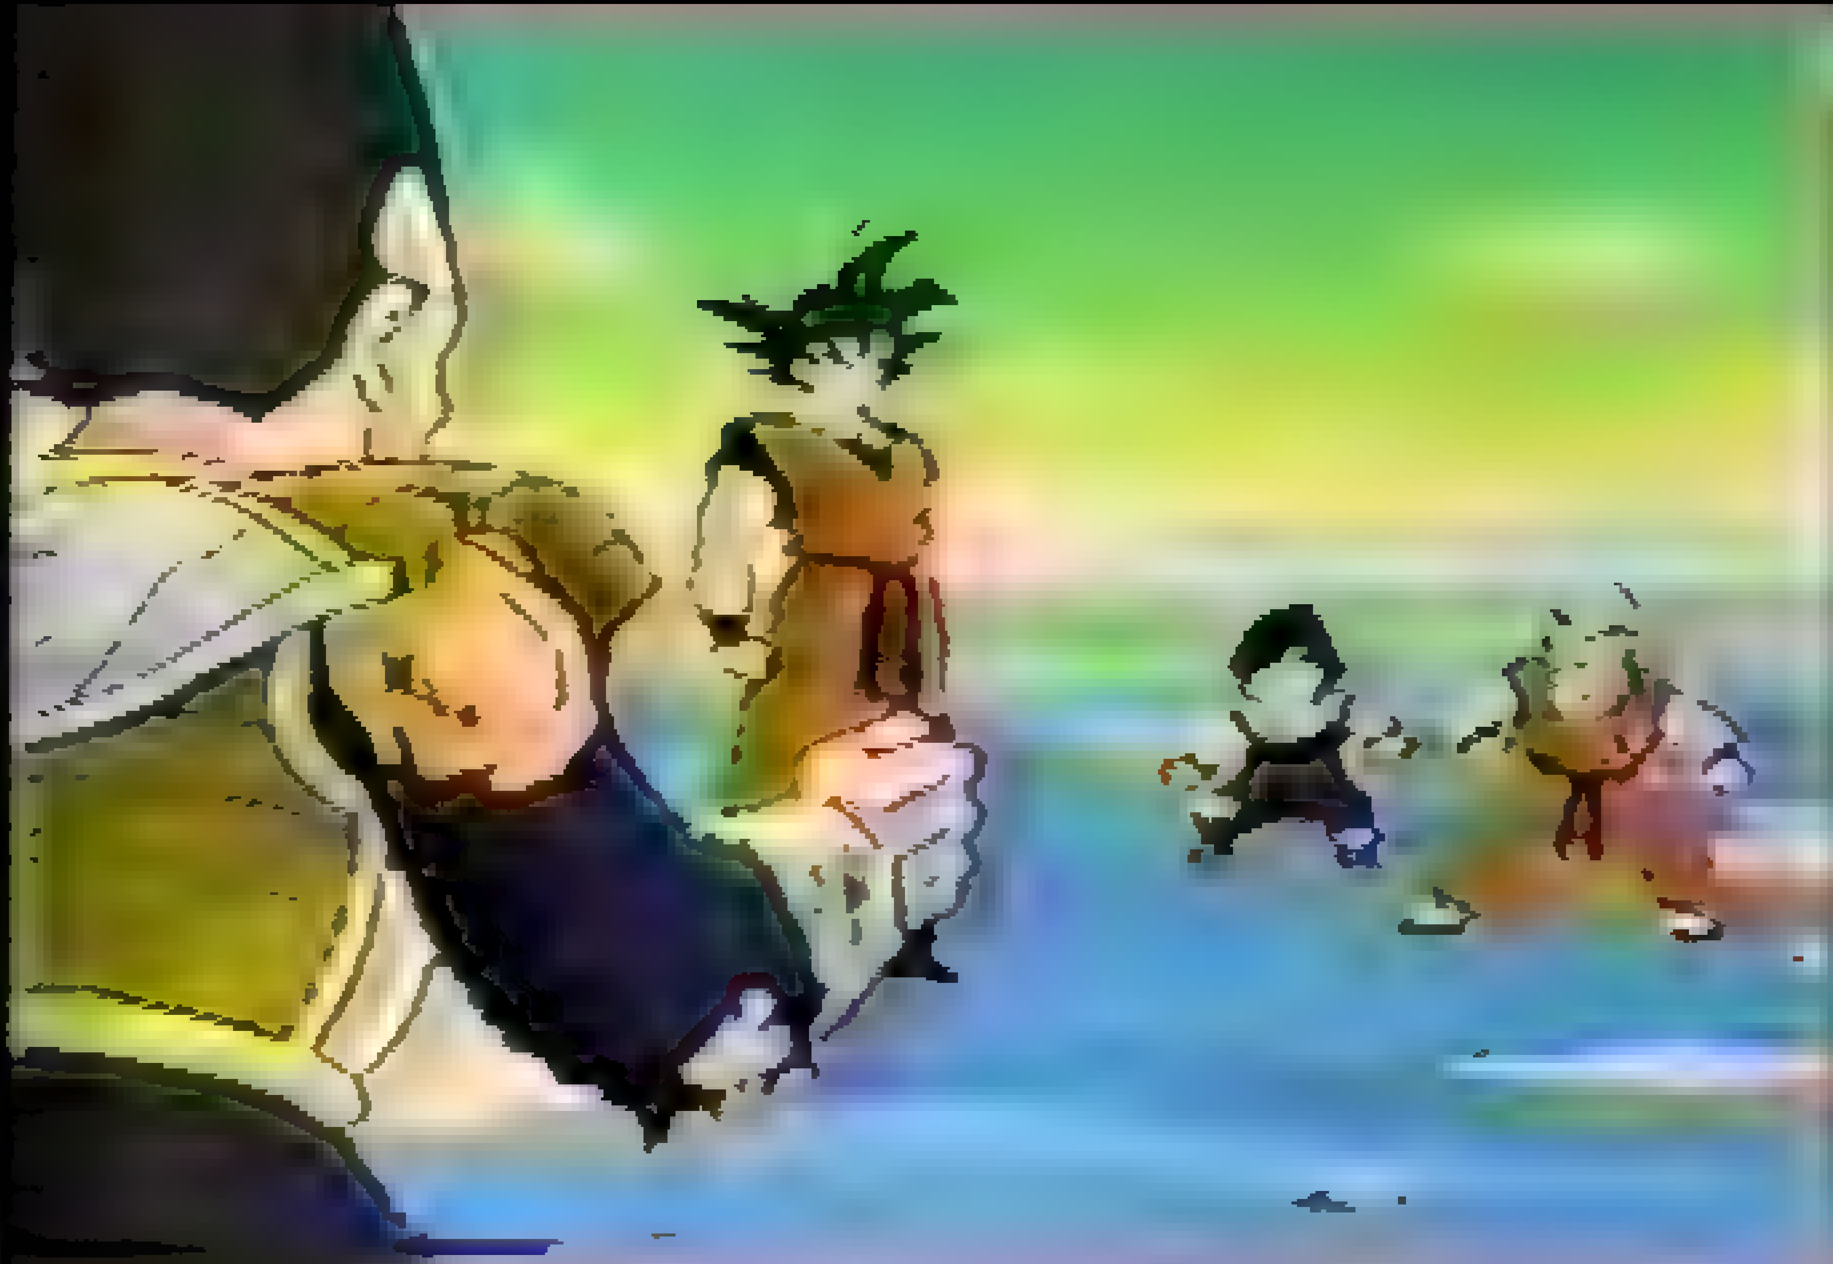

He couldn't get his wish
granted so he's gone

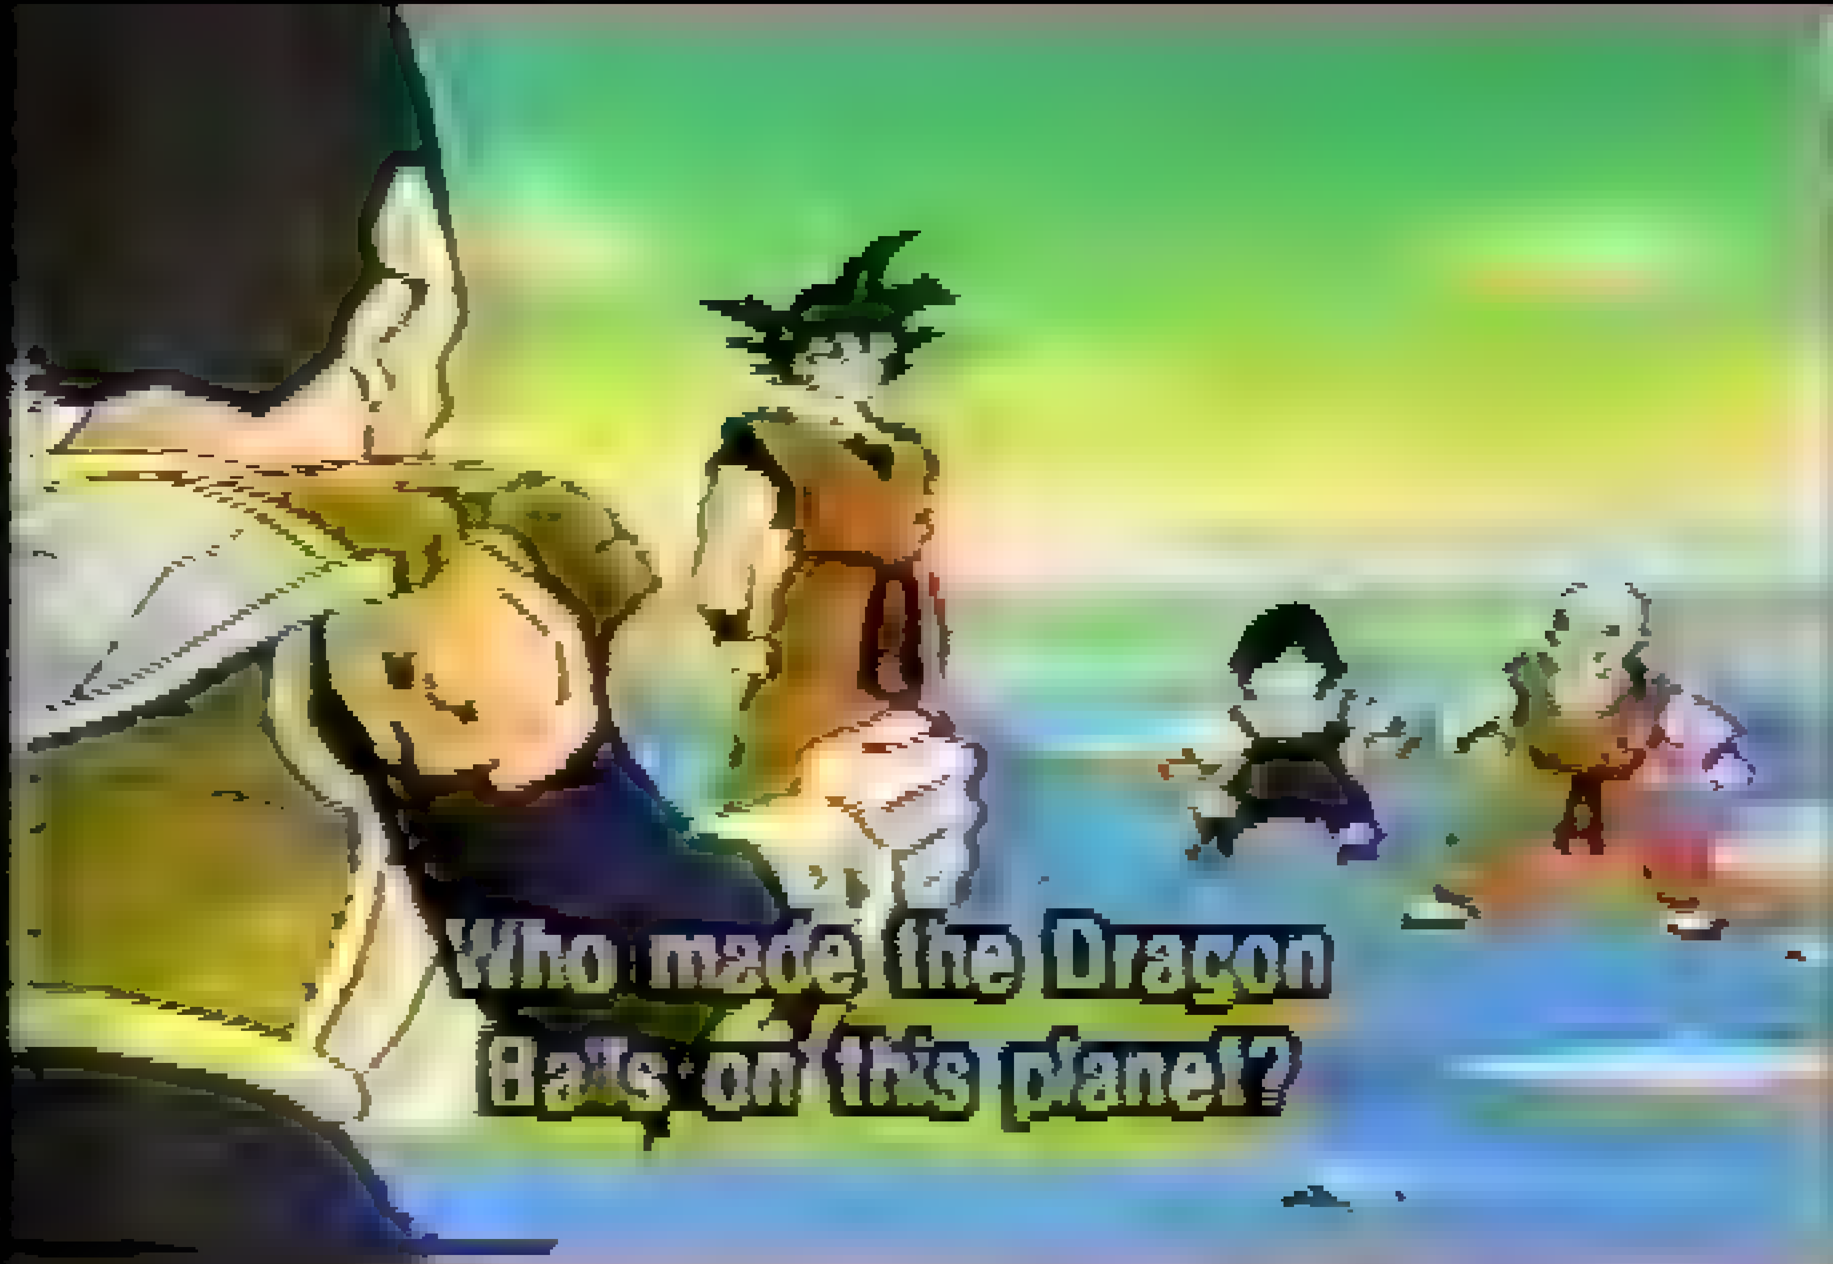

He couldn't get his wish
granted so he's gone

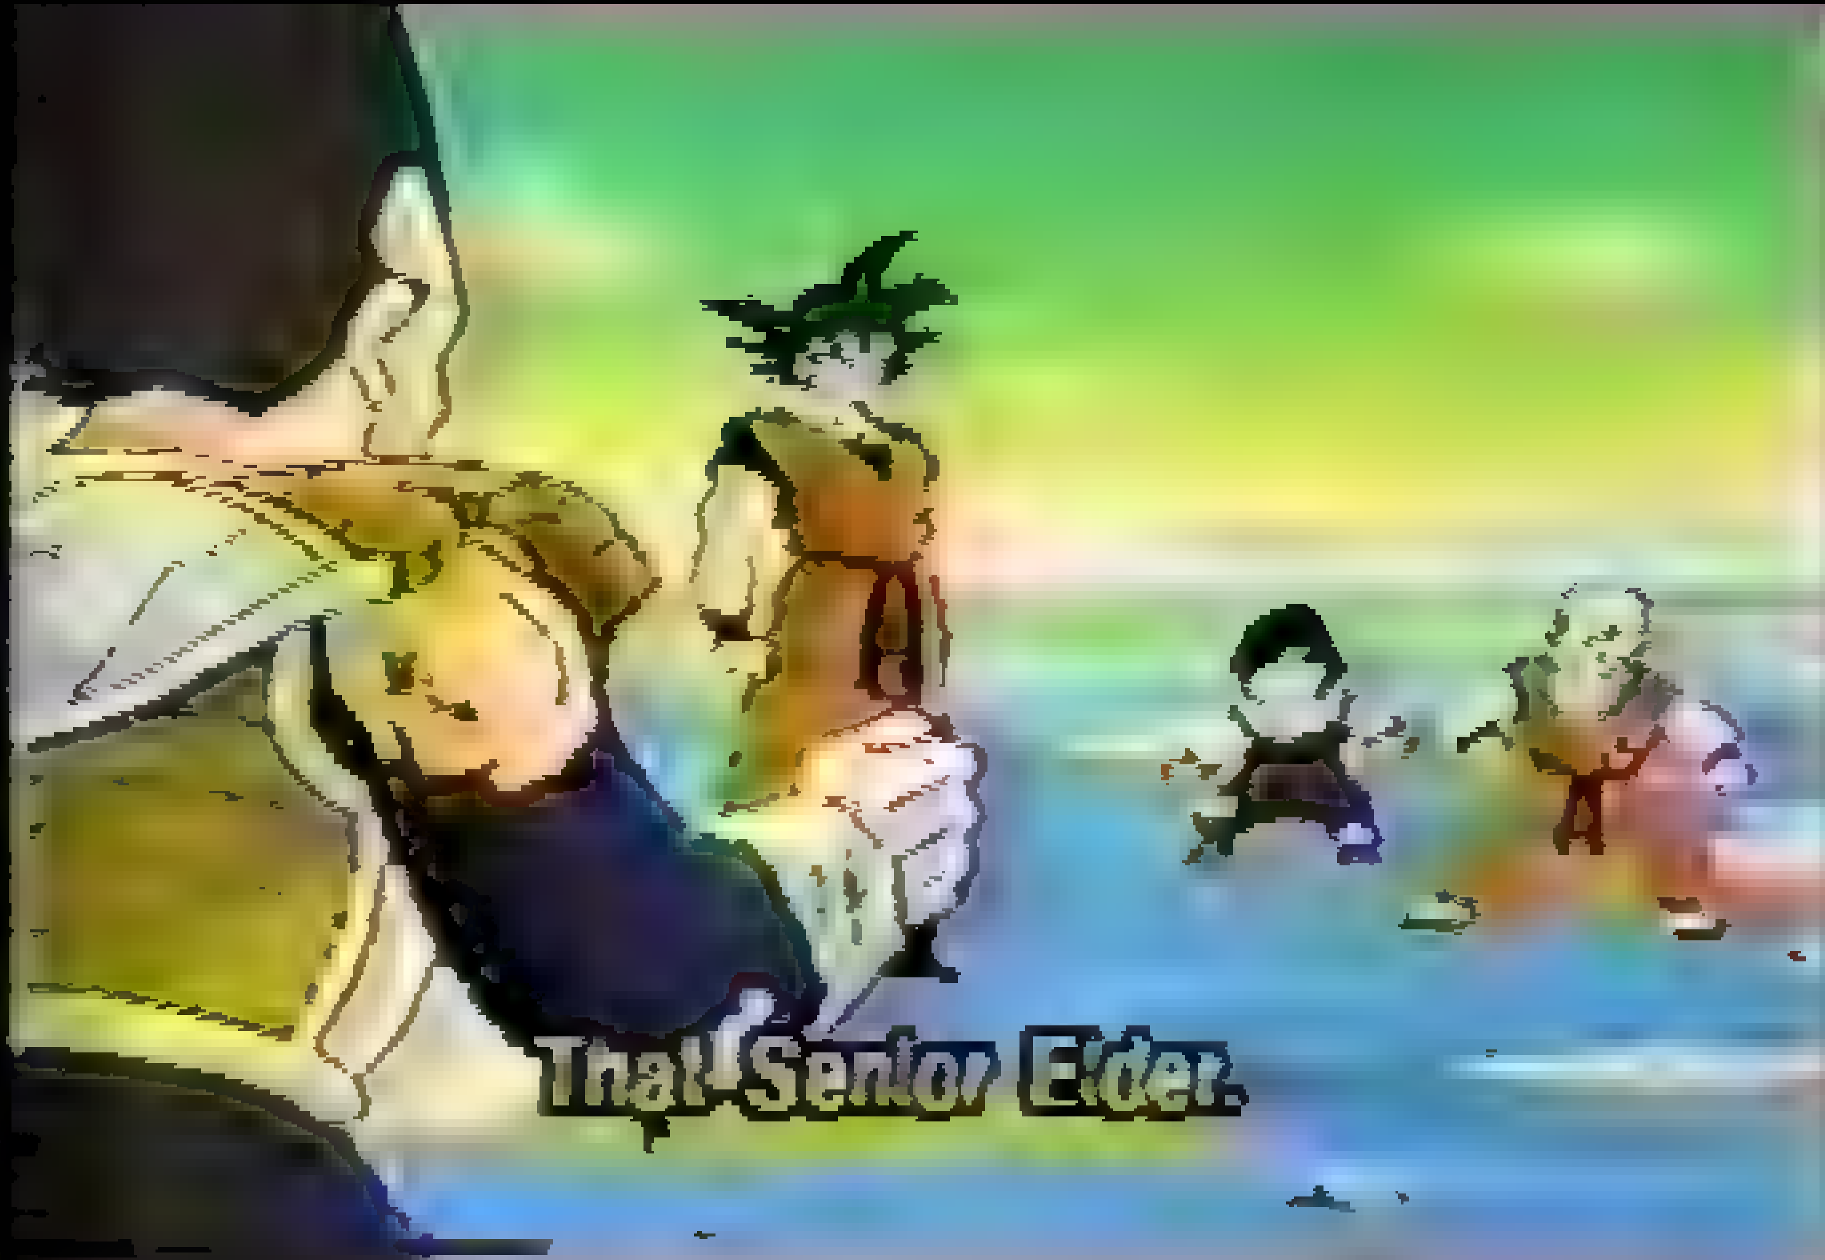

to ask a Nemeccian
face-to-face!

There's a Nameccian still alive?

There's a Nameccian still alive?

Who made the Dragon
Balls on this planet?

That Senior Elder.

That's not good!

After he finds out how to get
his wish granted, I'm sure he'l

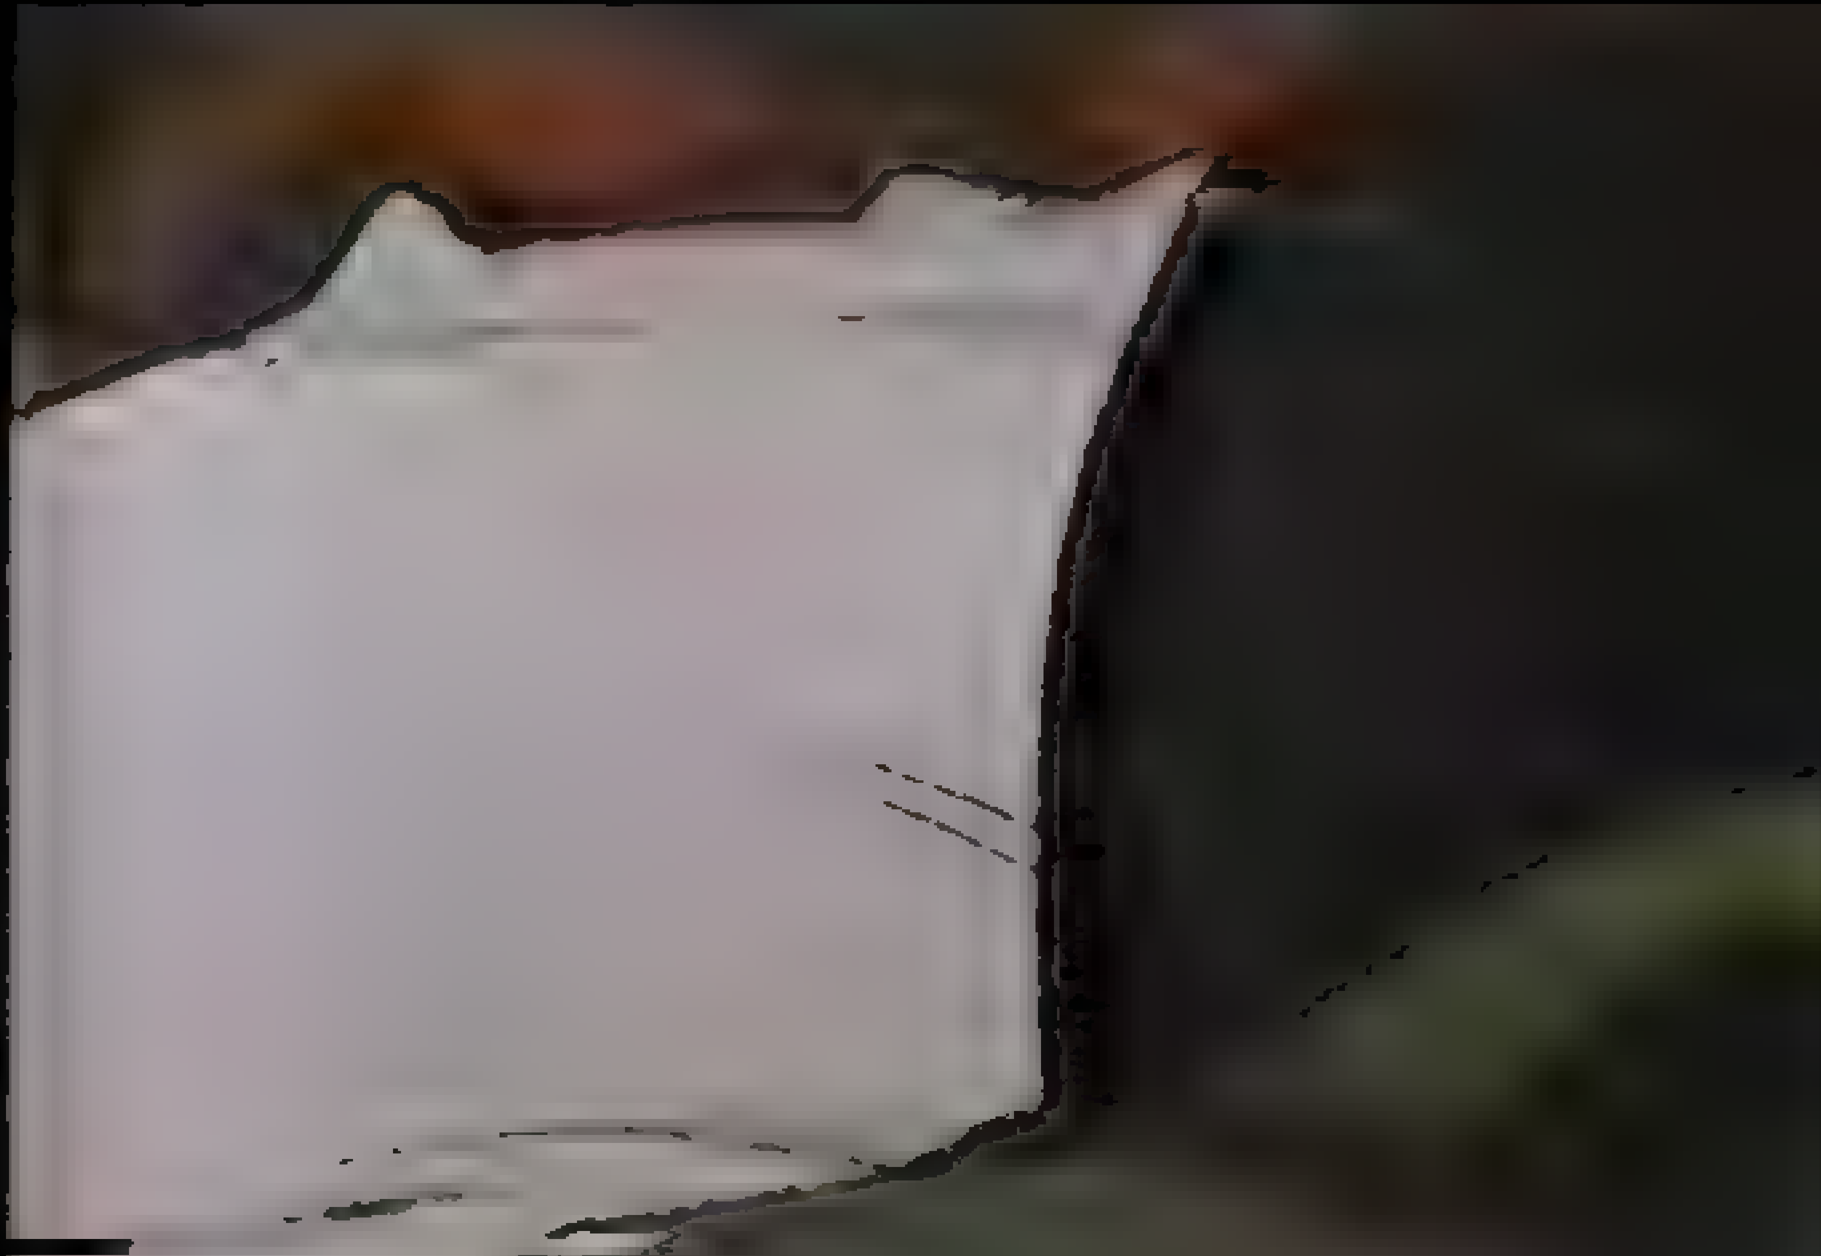

After he finds out how to get
his wish granted, I'm sure he

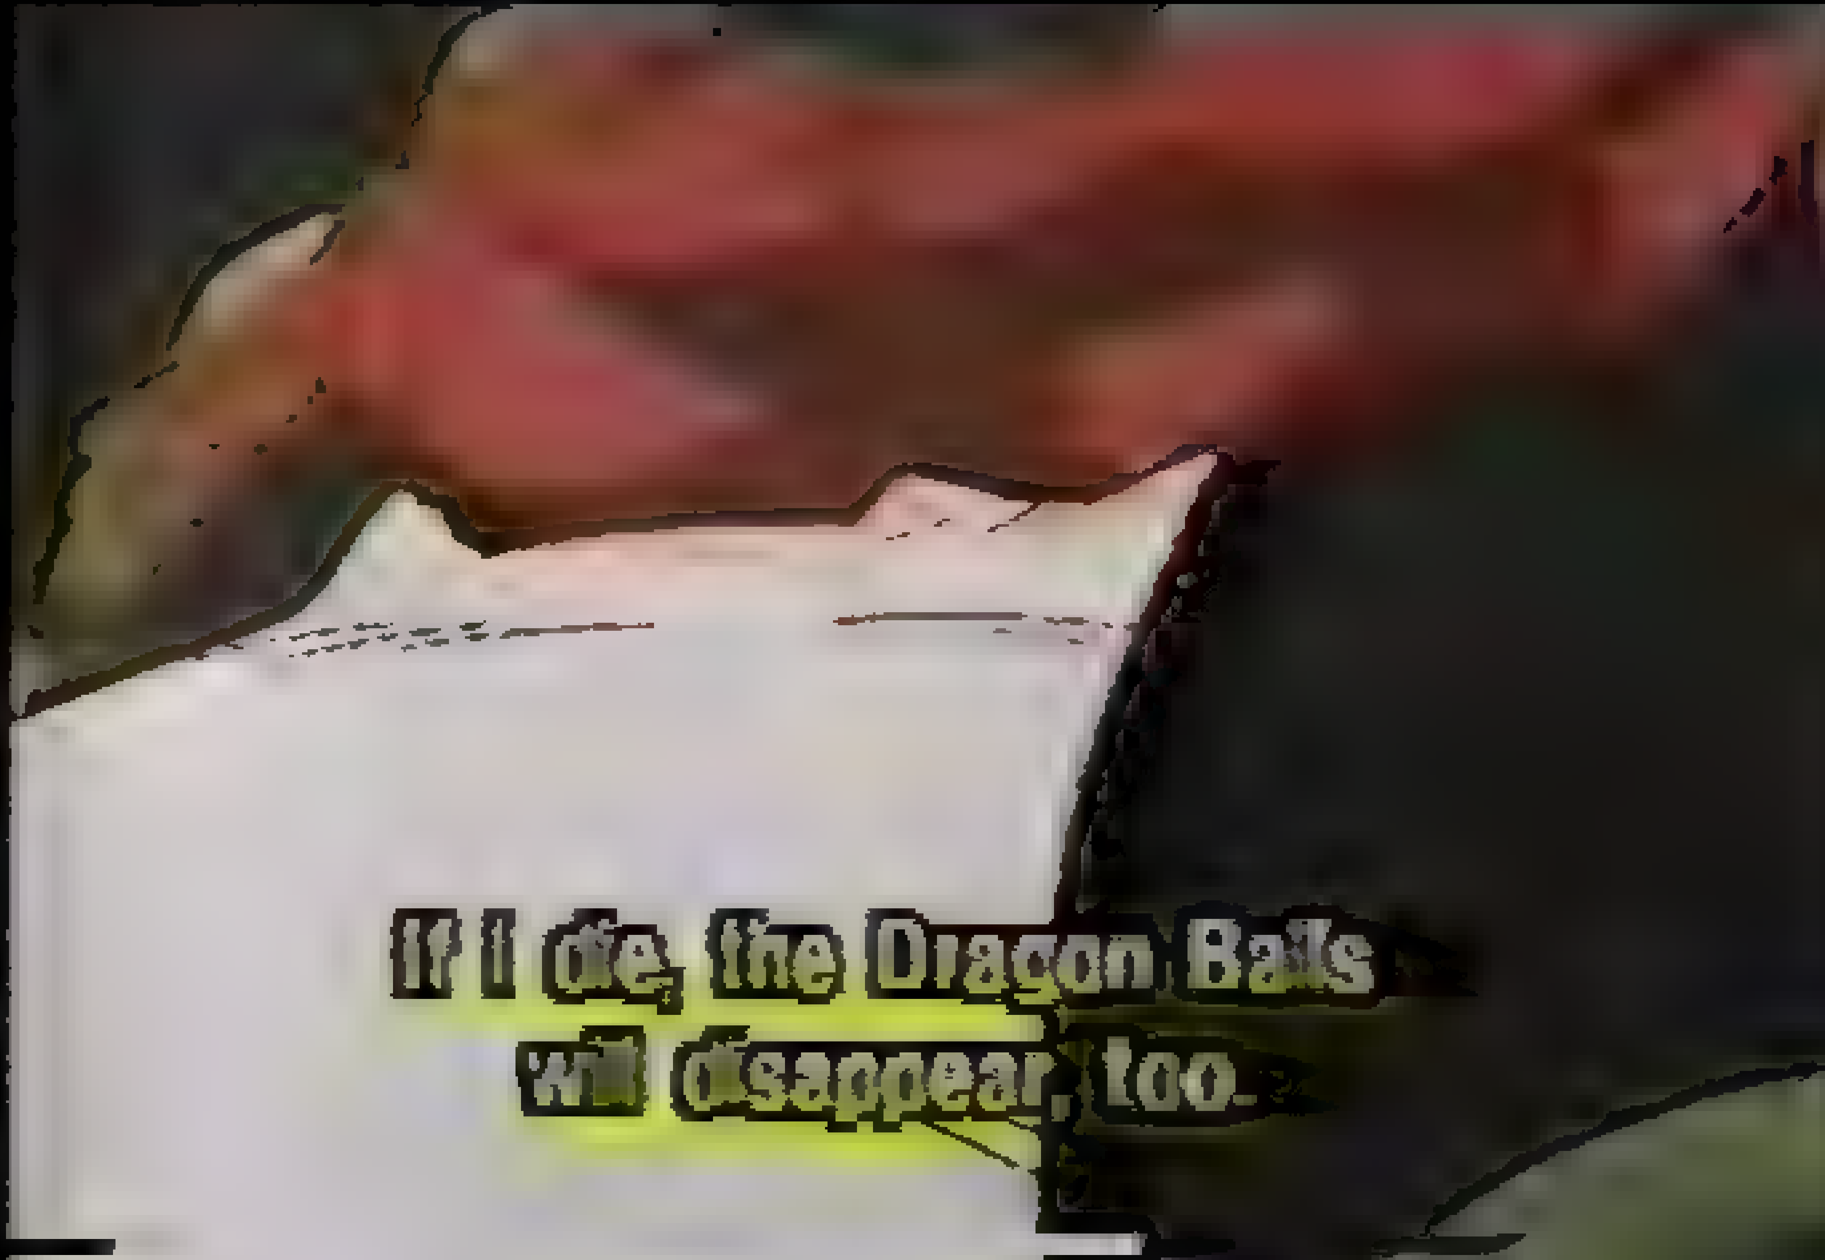

Kill the Senior Elder
and the others!

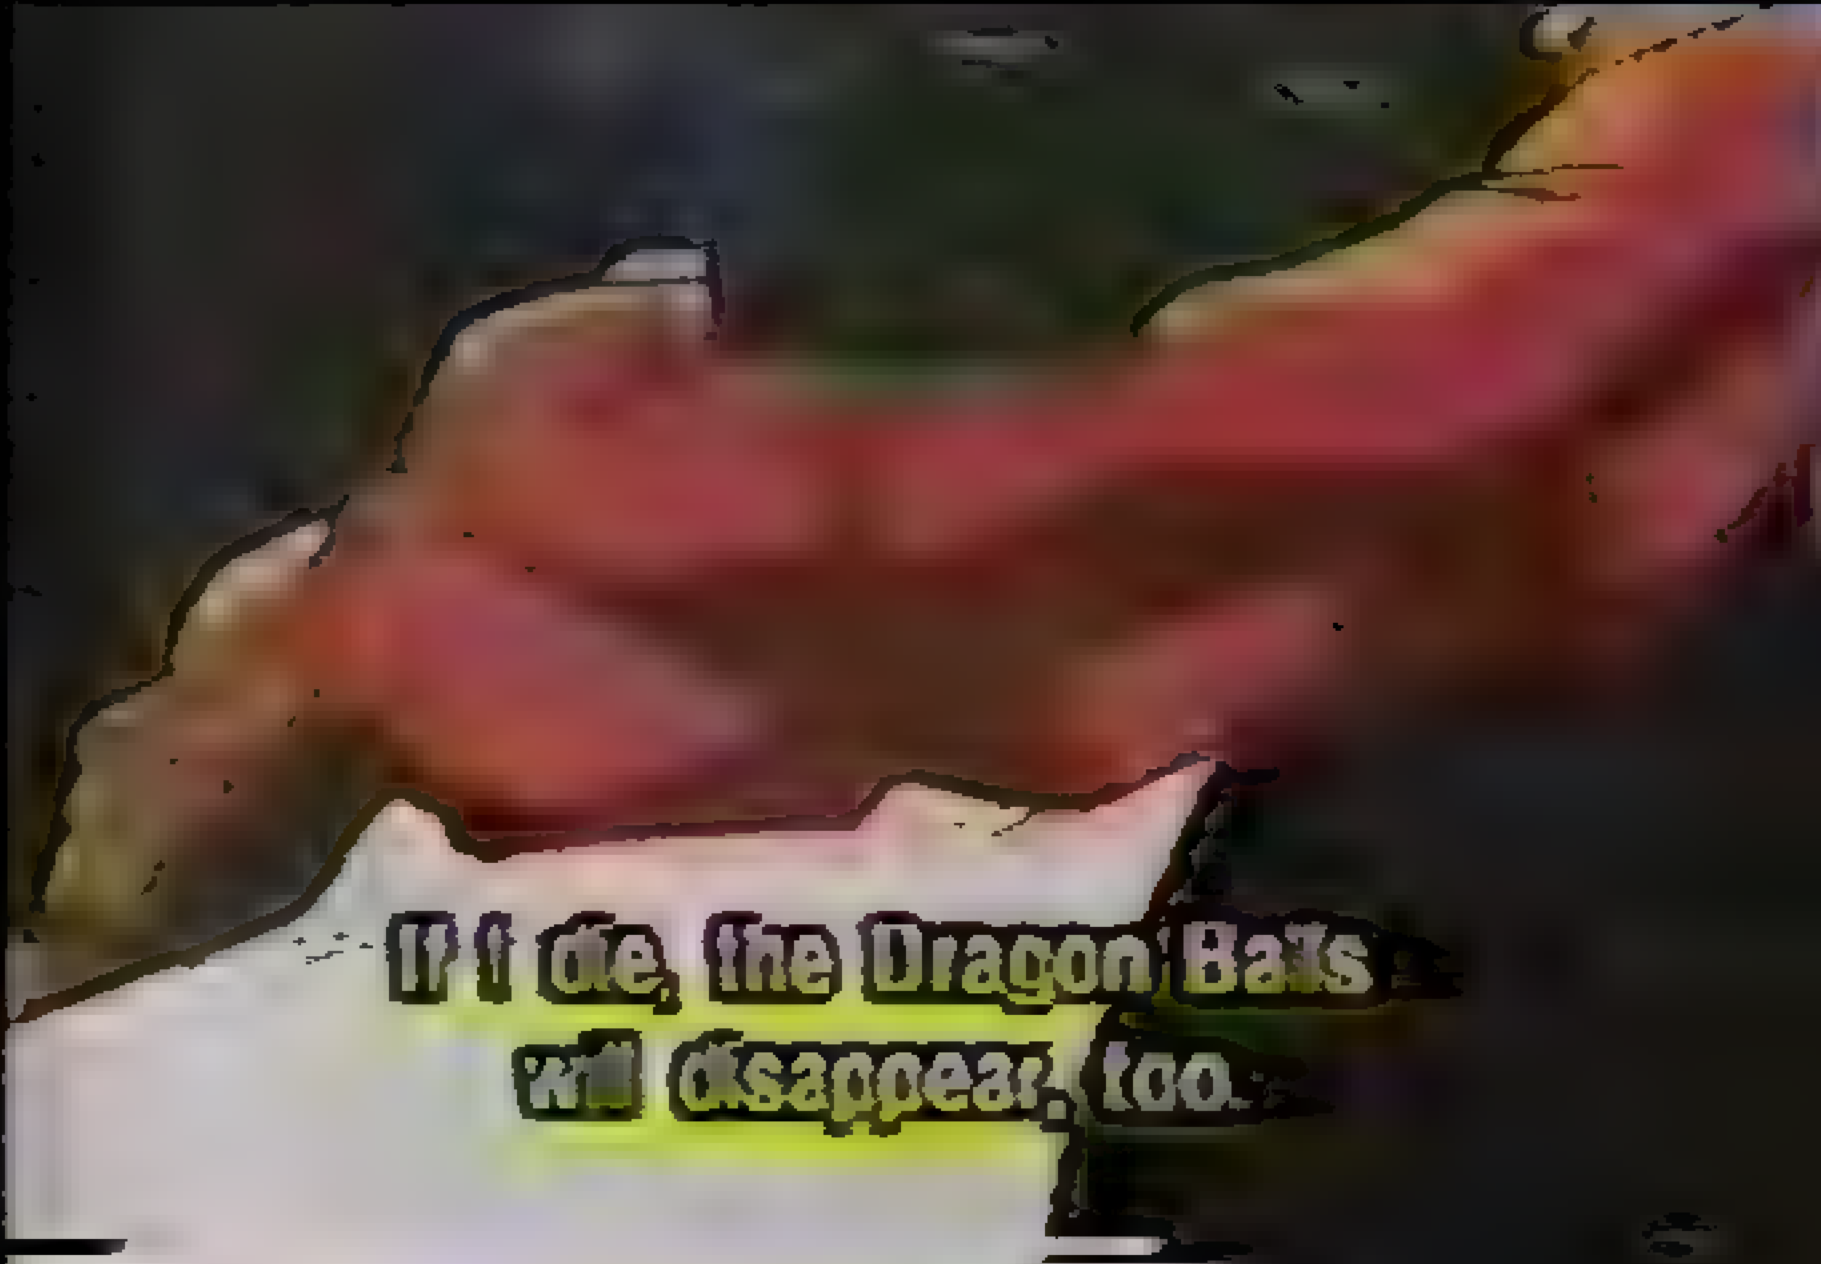

If the Senior Elder dies...

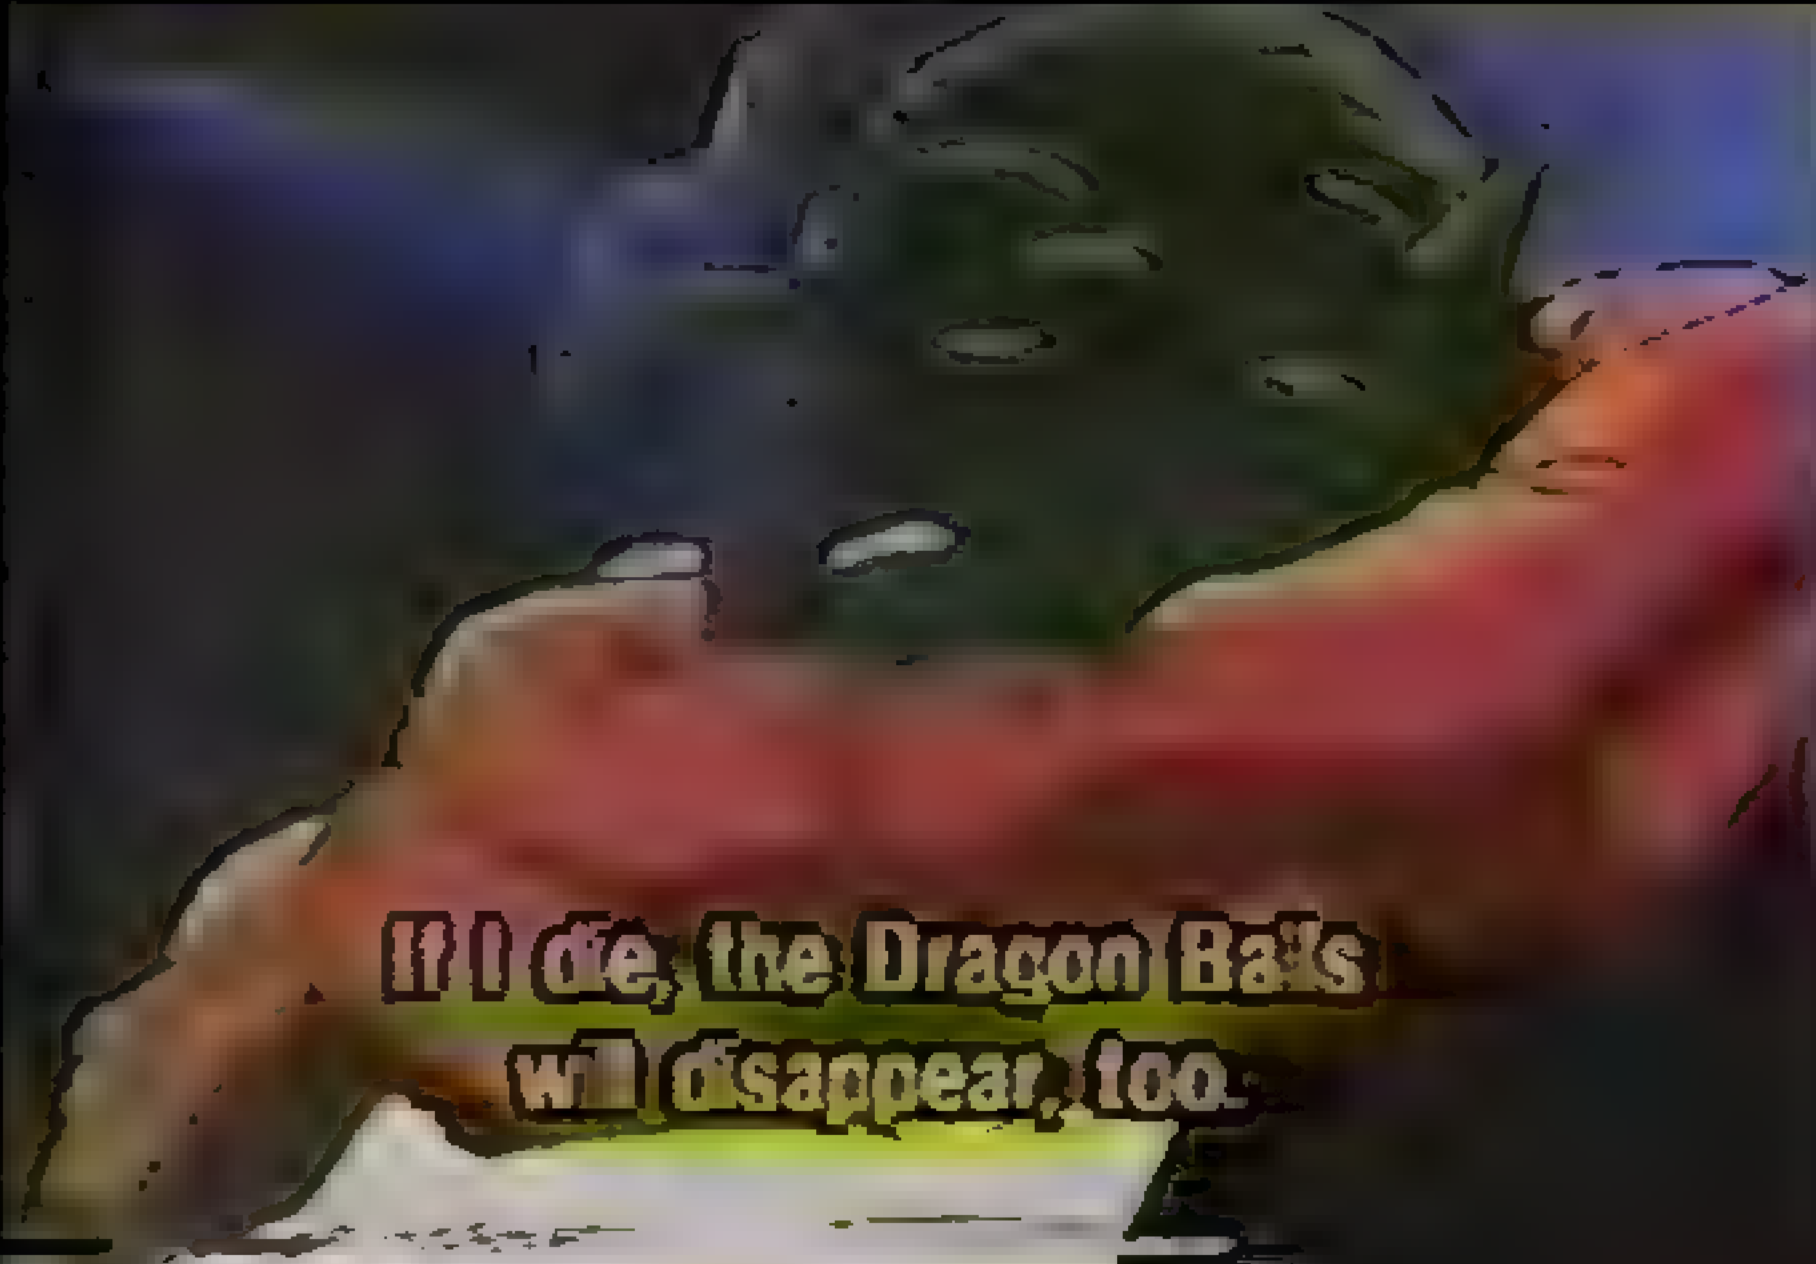

If I die, the Dragon Balls
will disappear, too.

If I die, the Dragon Balls
will disappear, too.

If I die, the Dragon Balls
will disappear, too.

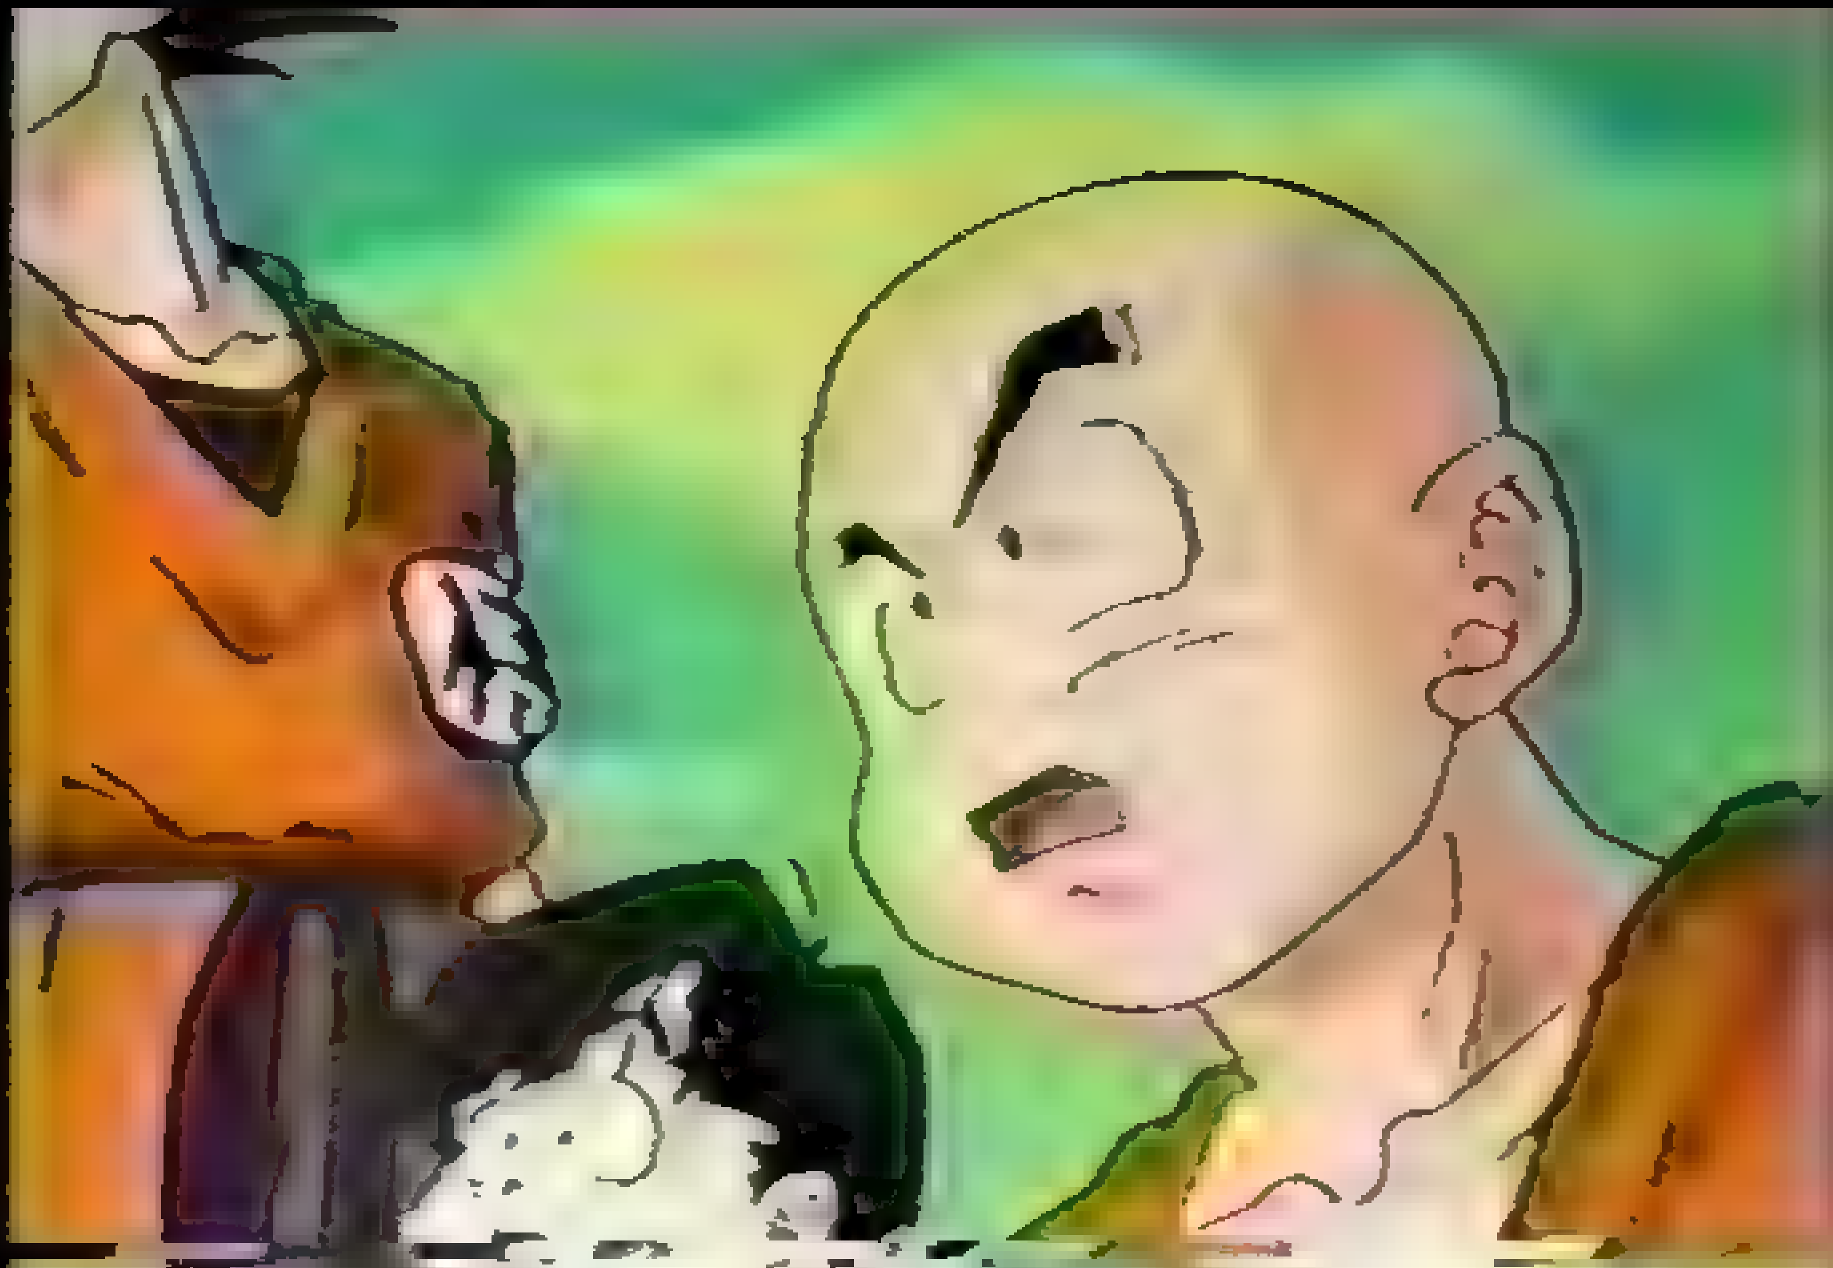

He doesn't know that
if the Senior Elder dies,

The Dragon Balls
will disappear, too!

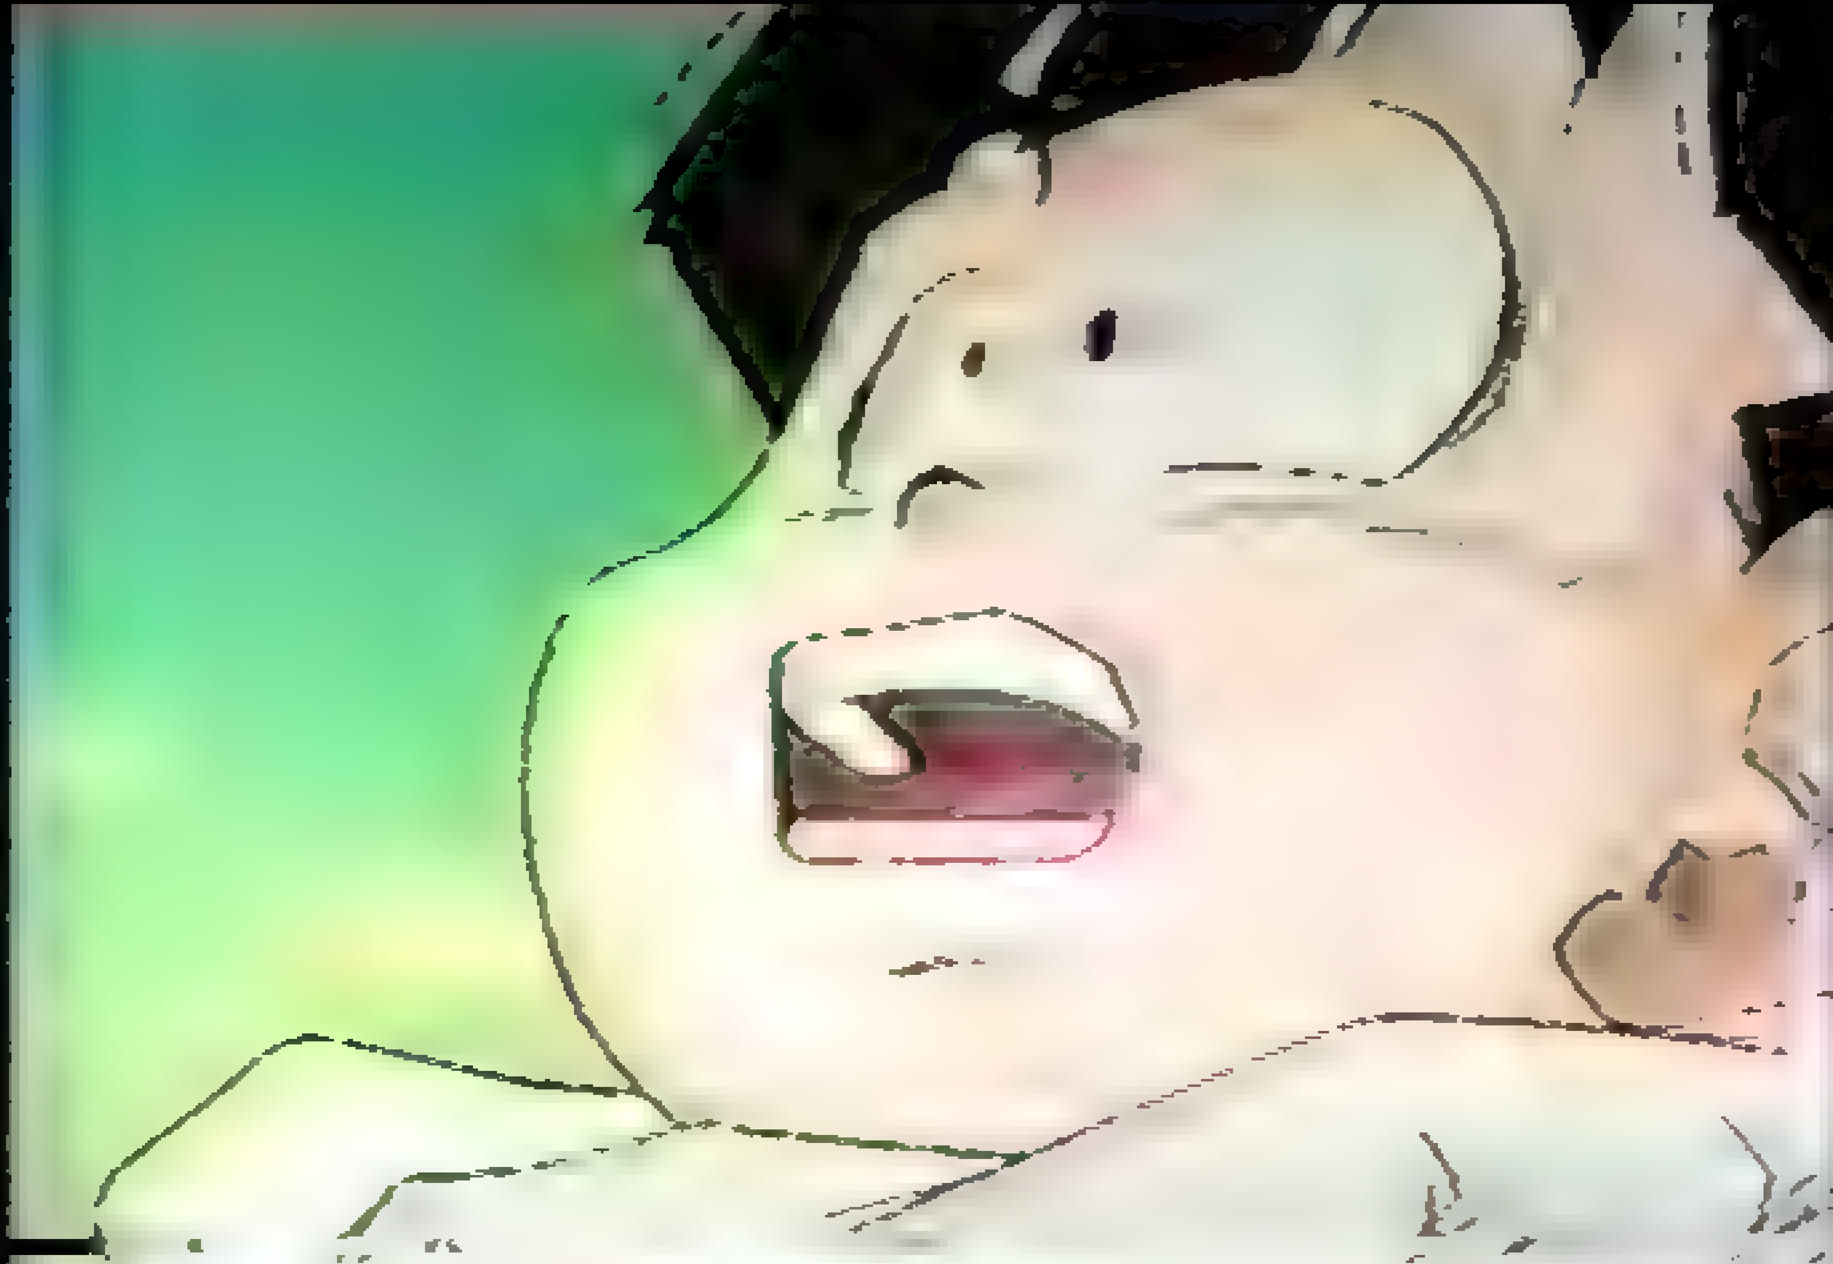

the Dragon Balls
will disappear, too!

What did you say?

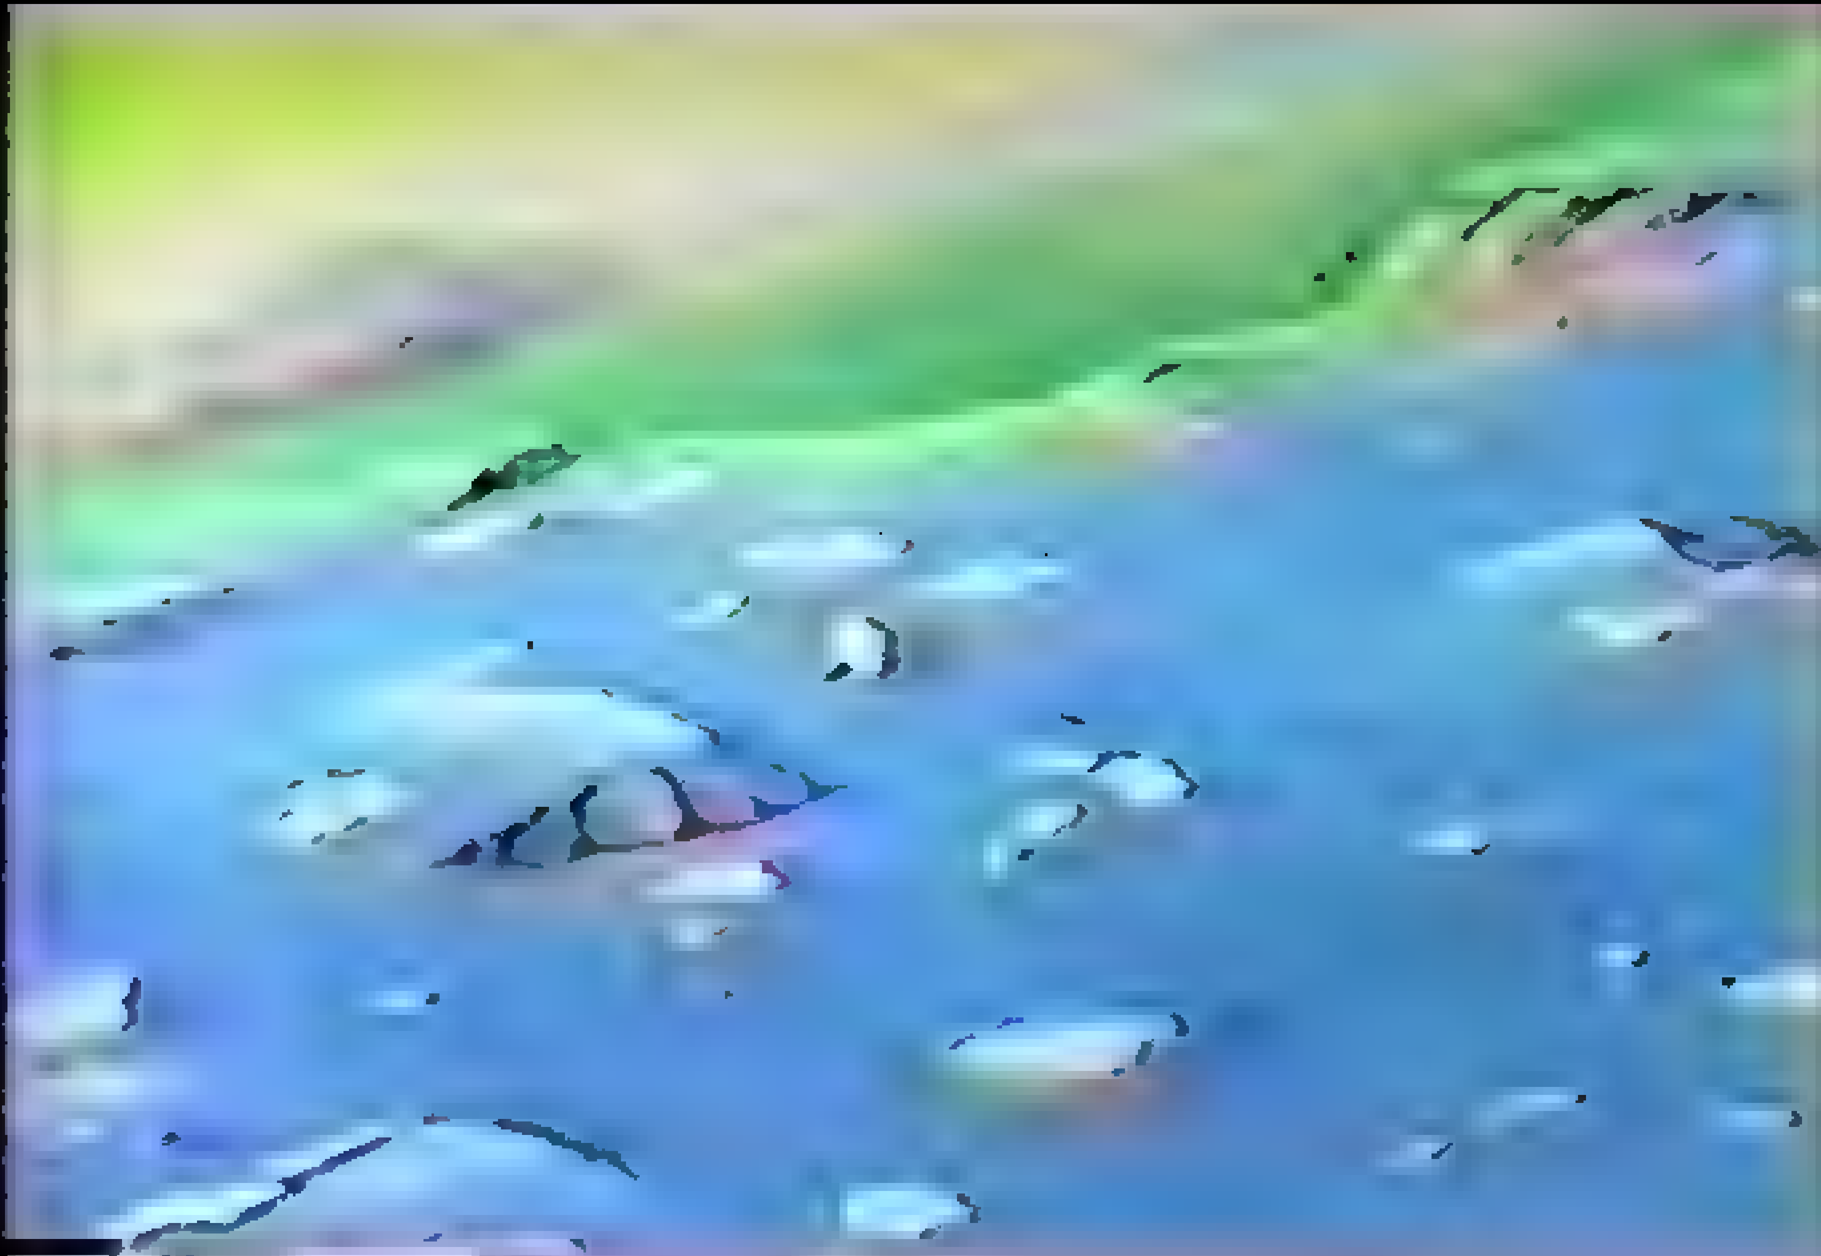

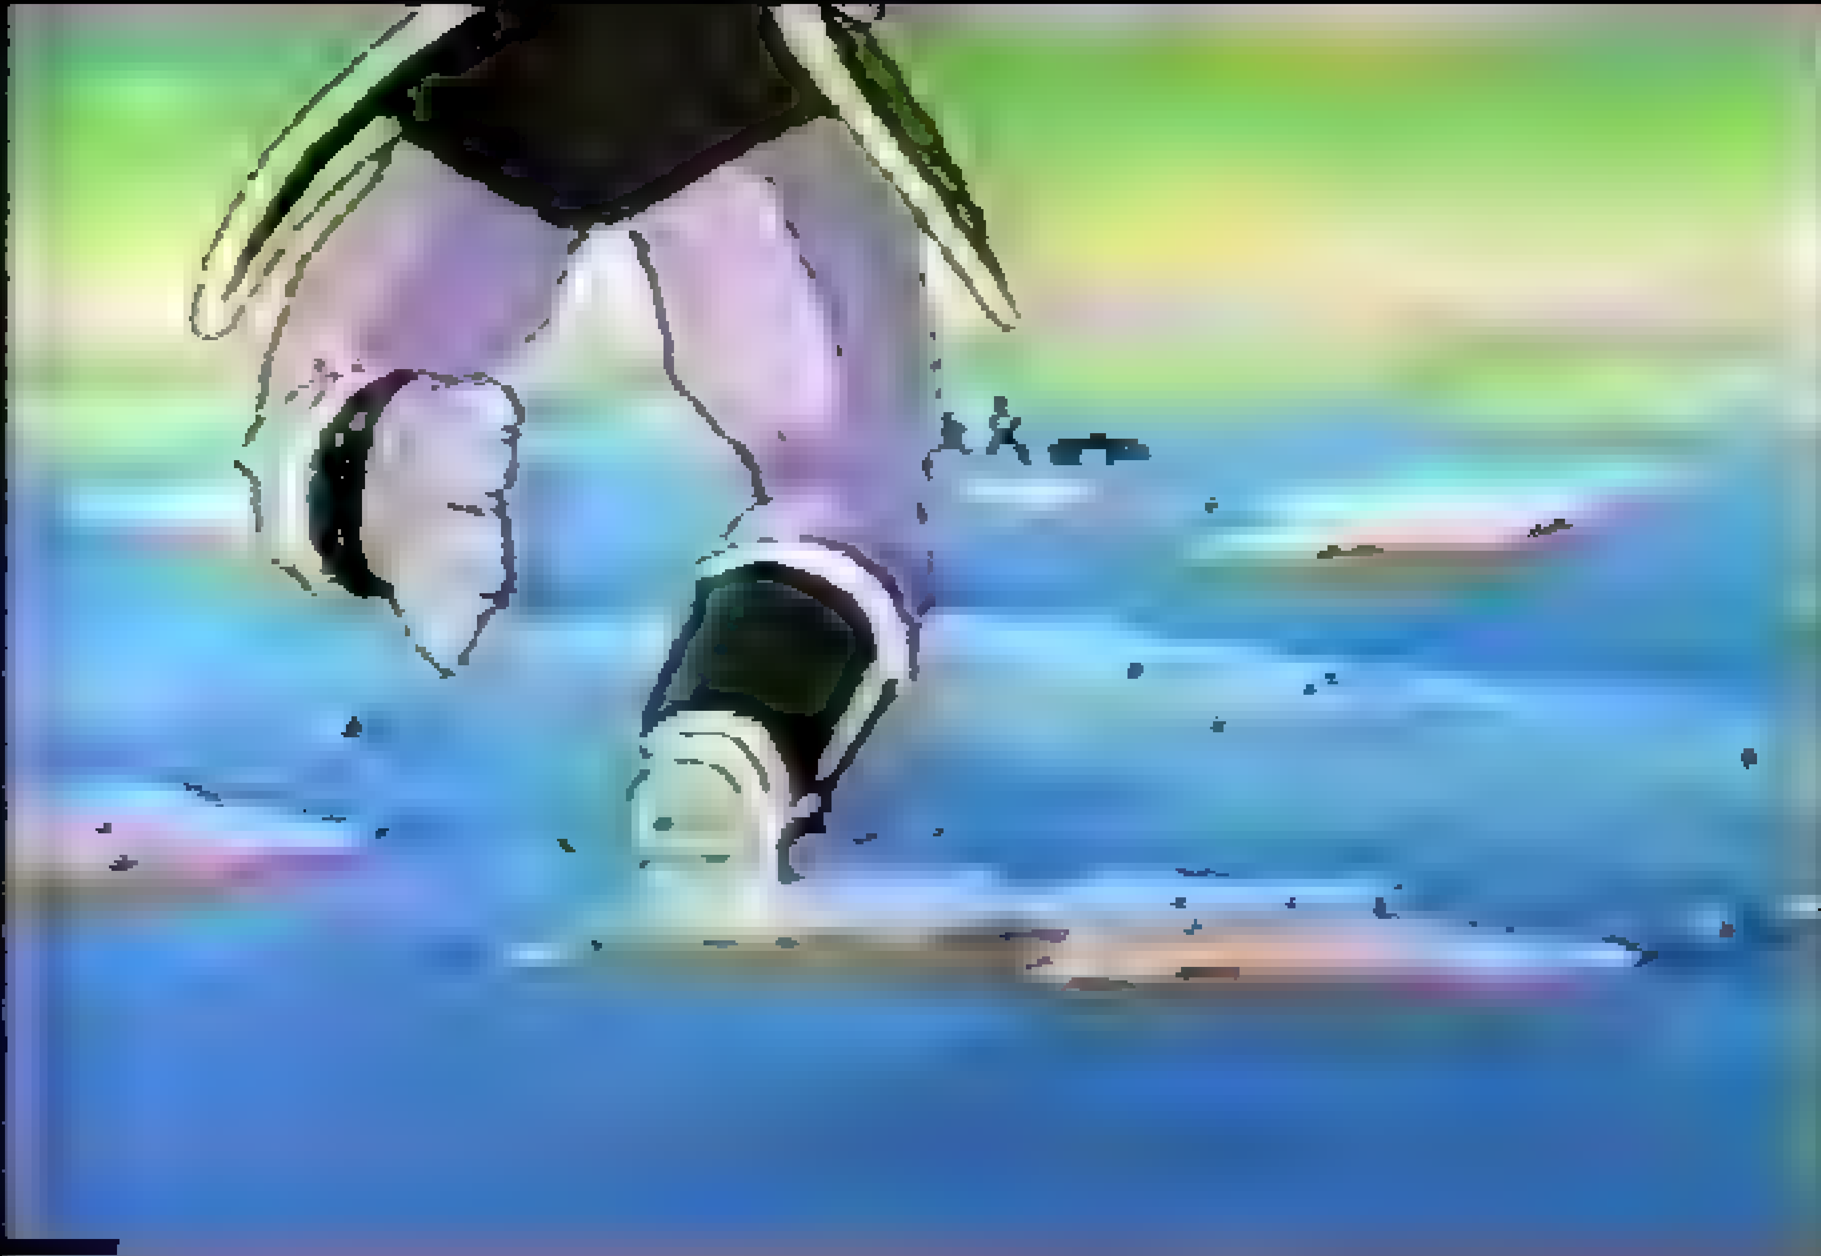

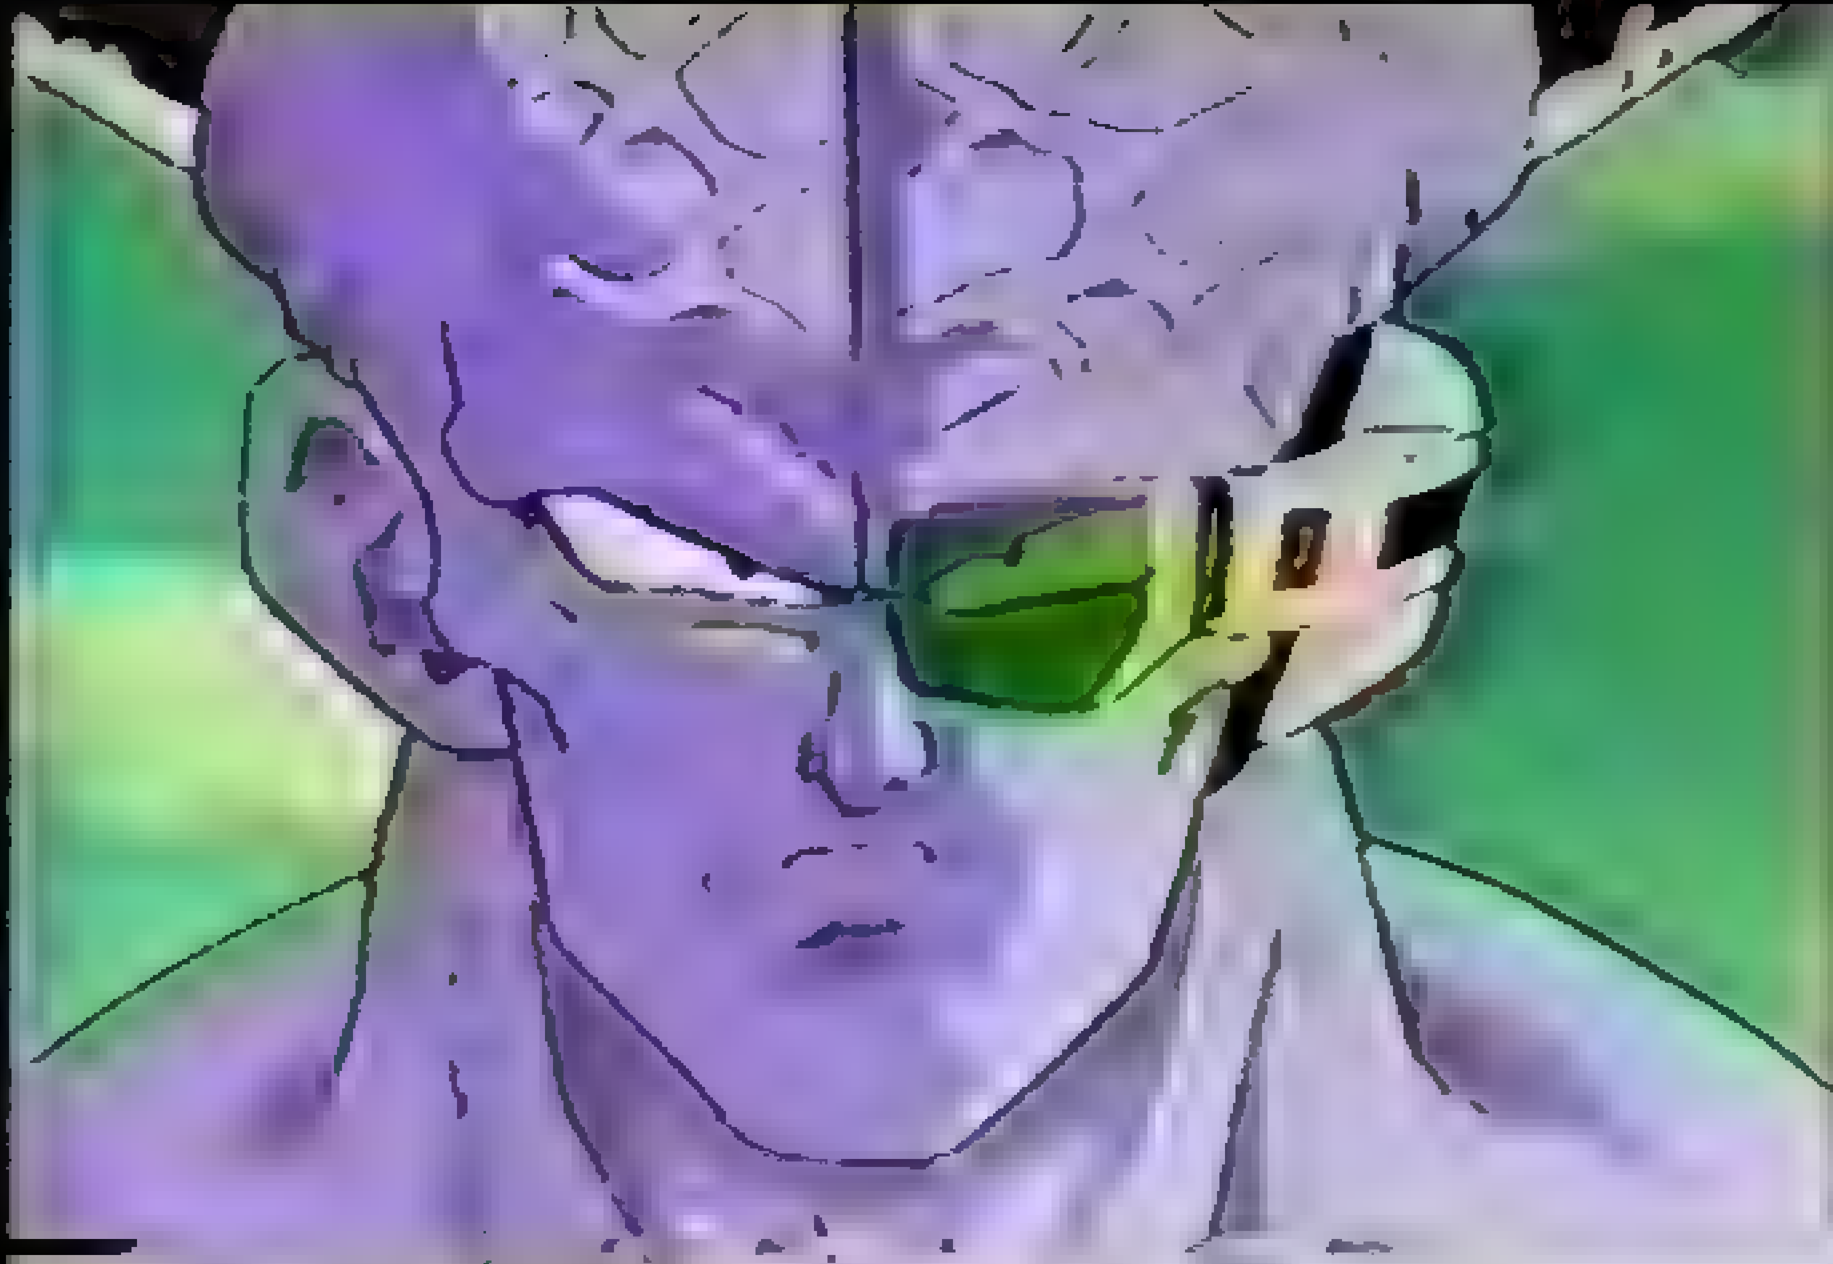

They're here!

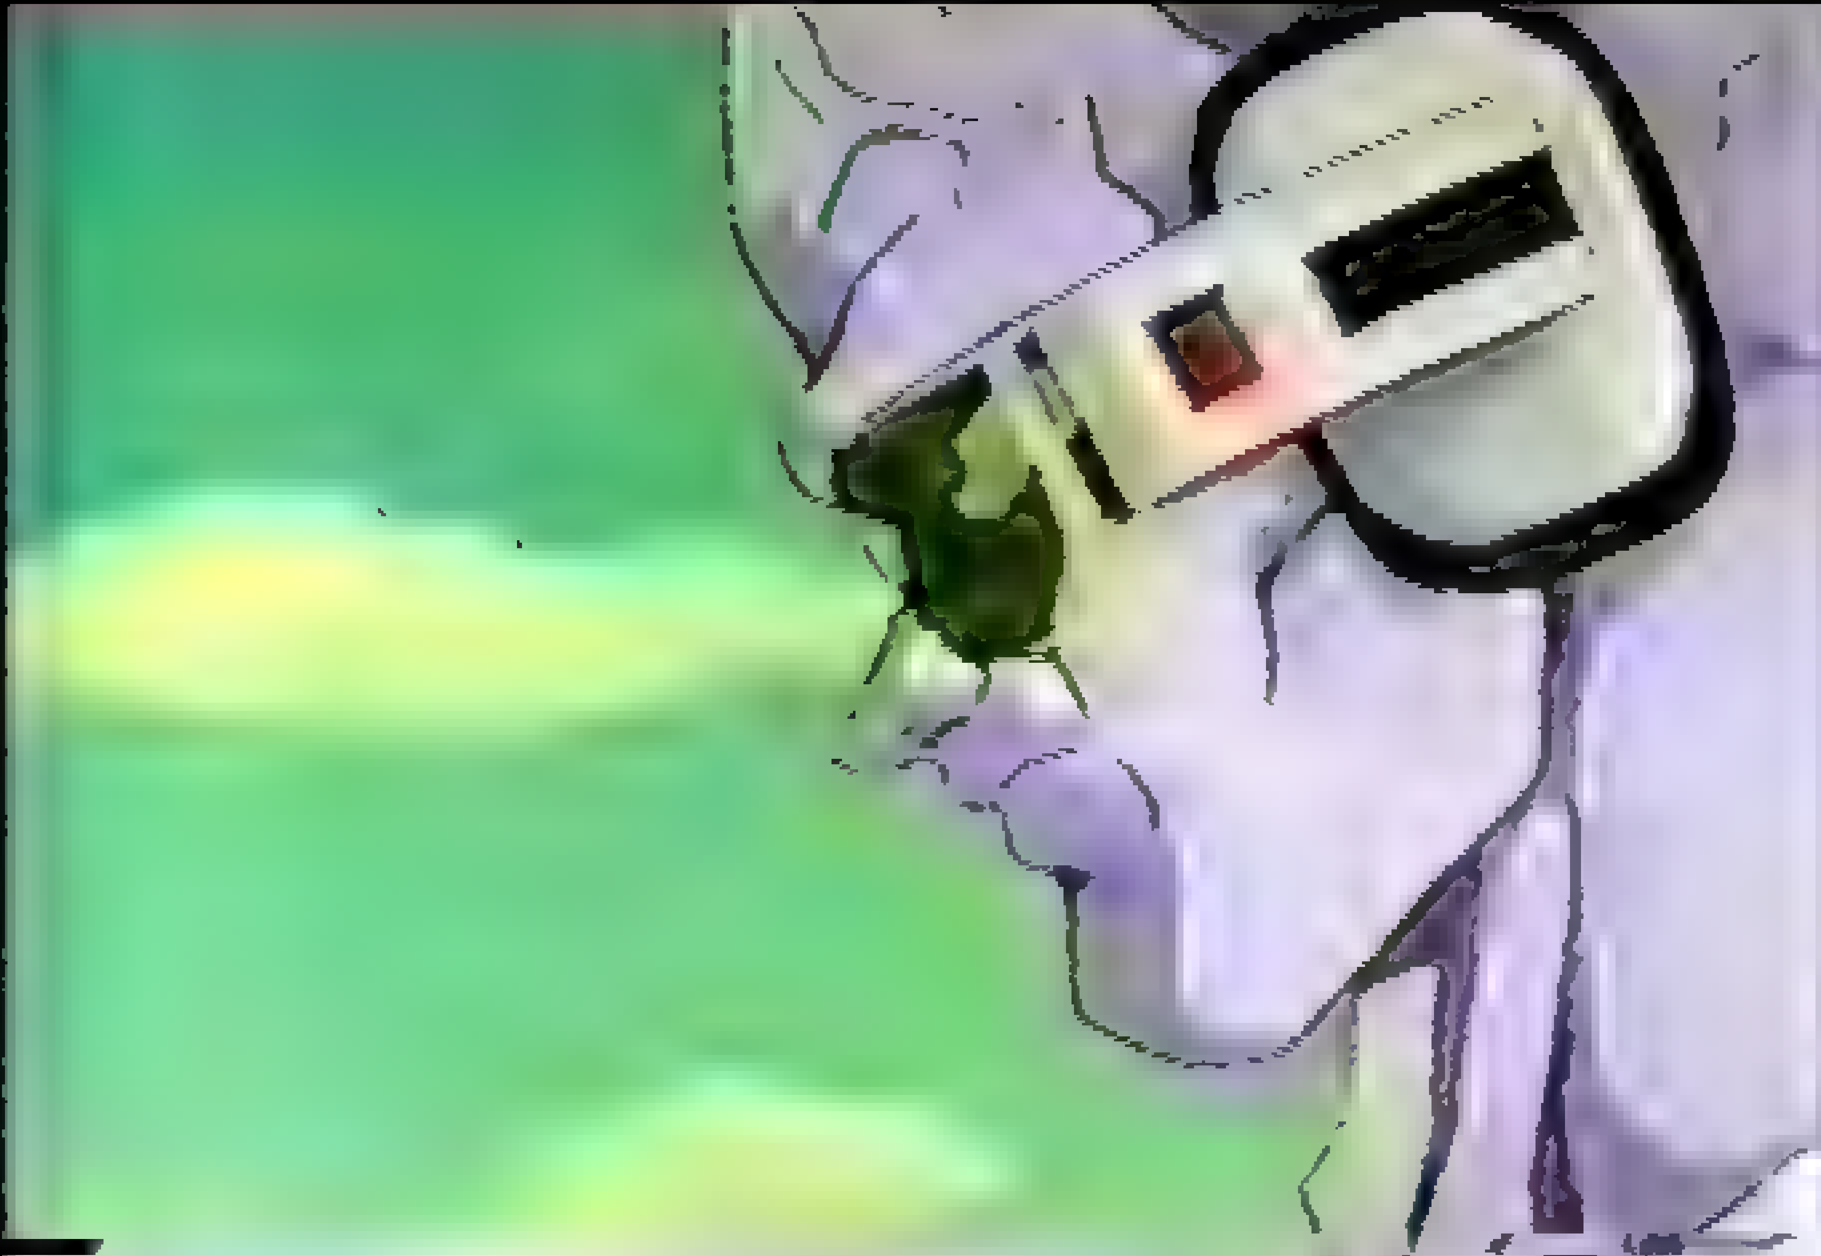

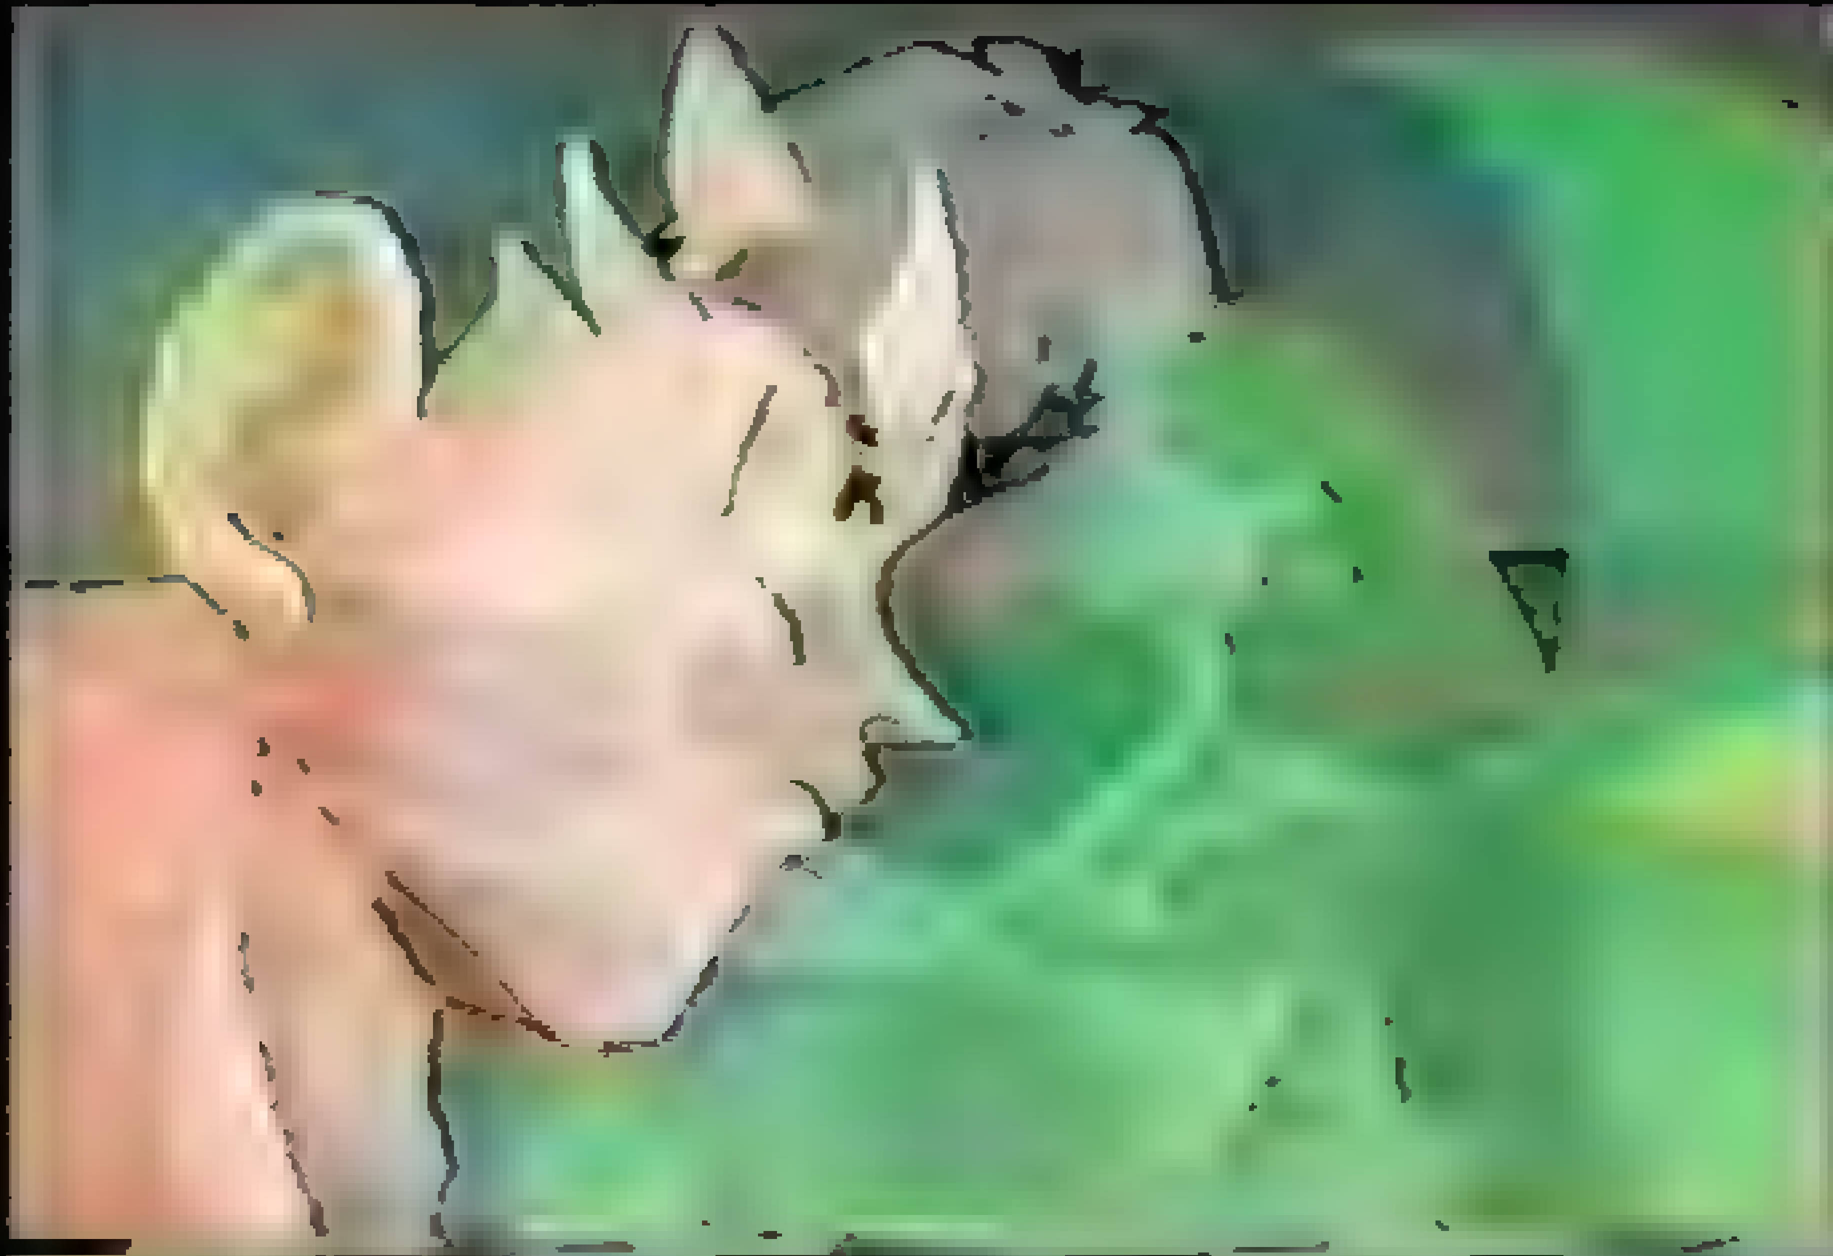

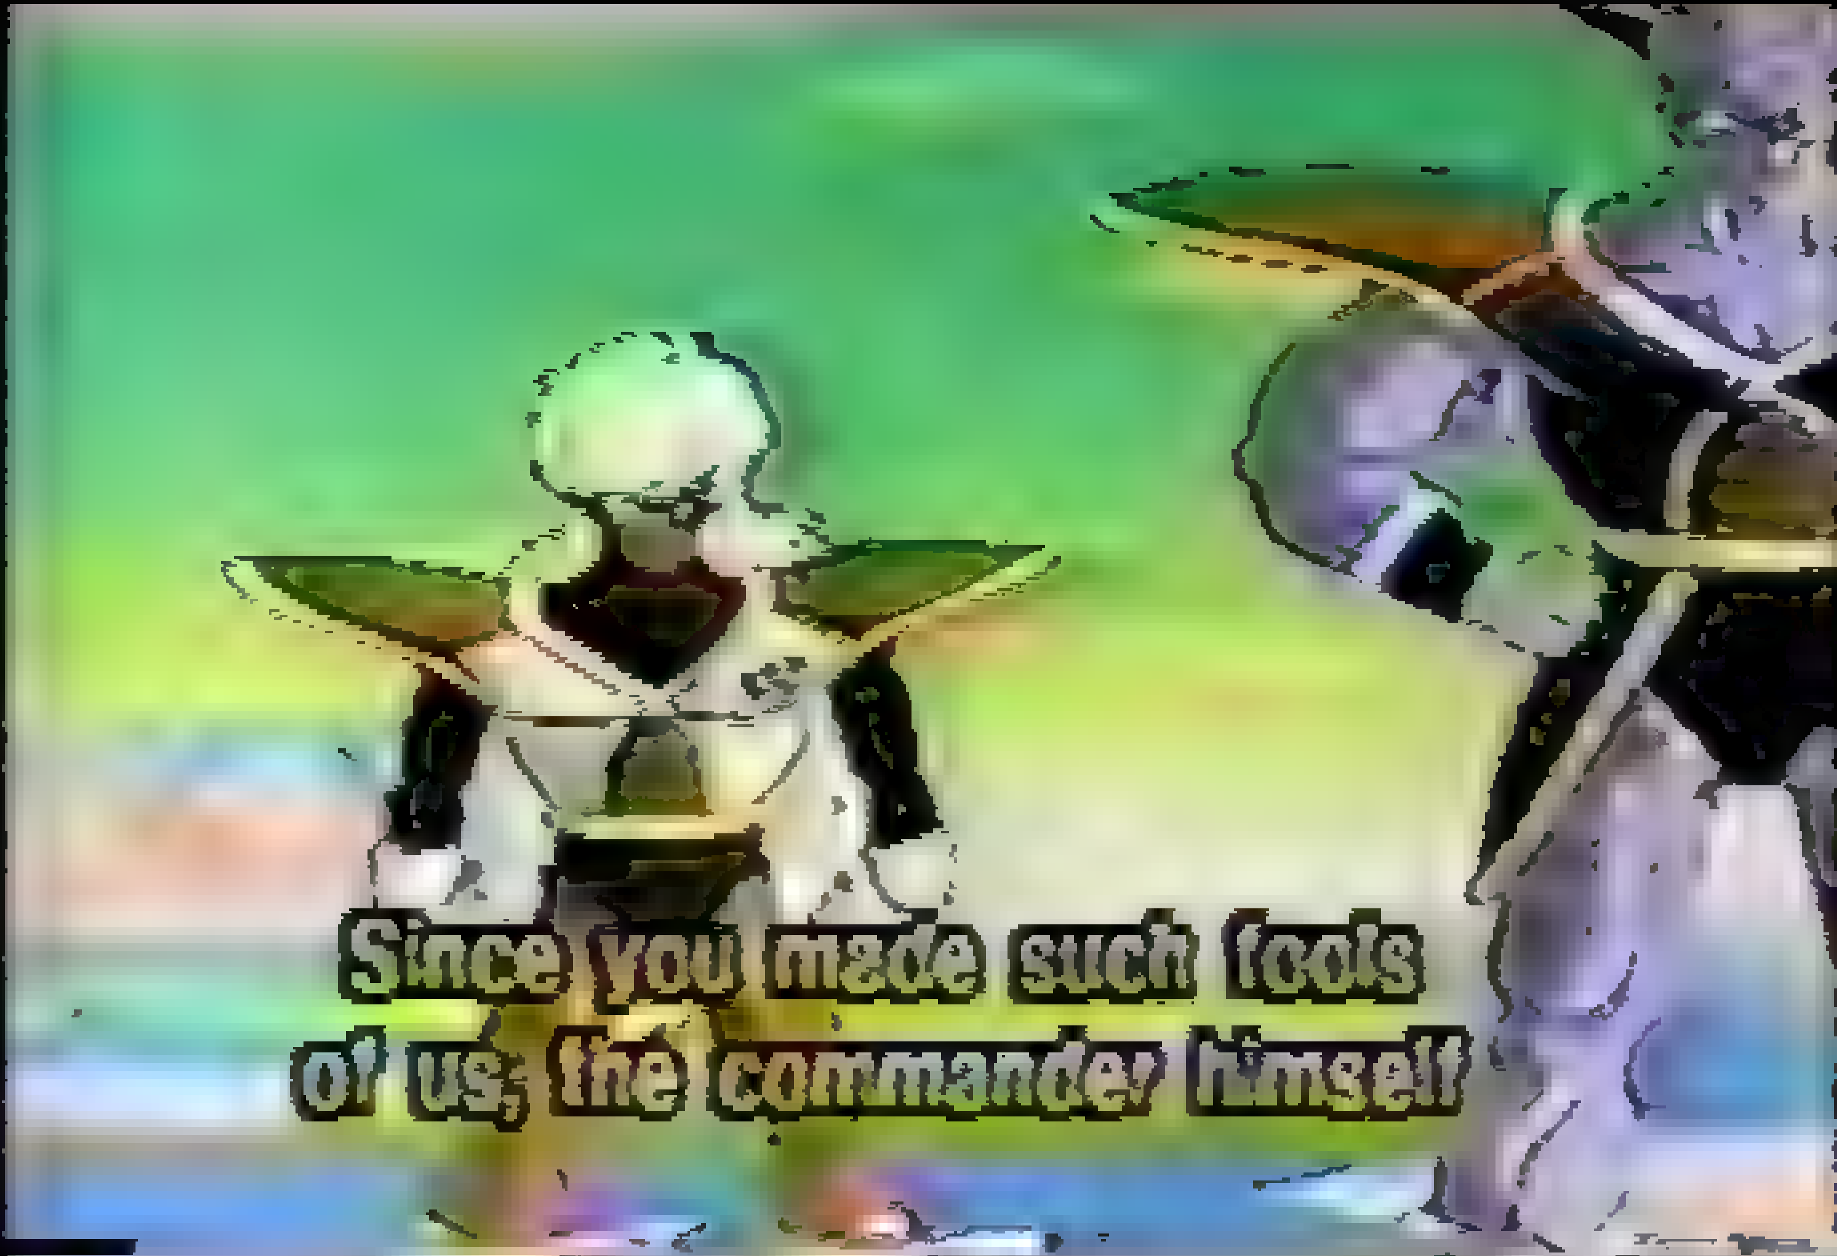

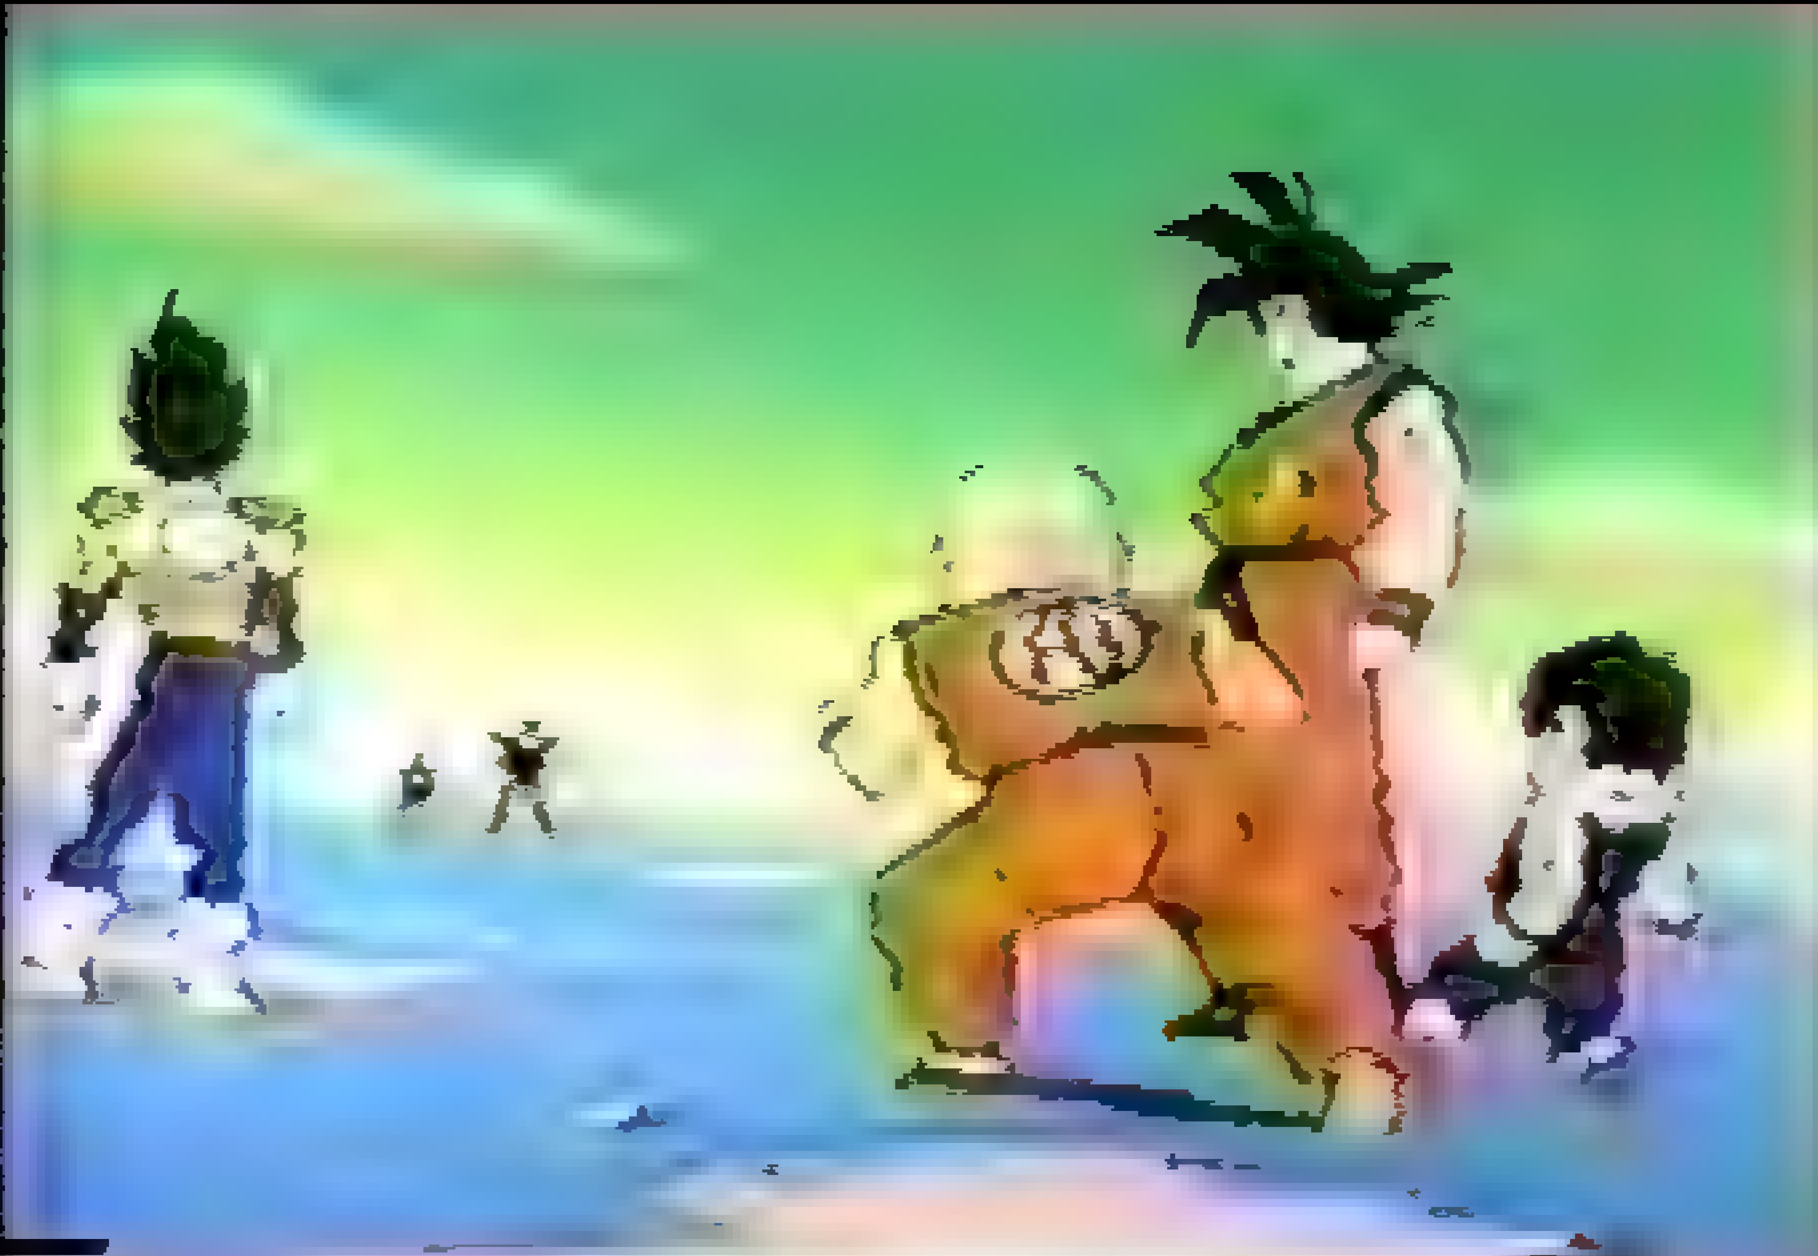

Since you made such fools
of us, the commander himself

Since you made such fools
of us, the commander himself

will punish you for it!

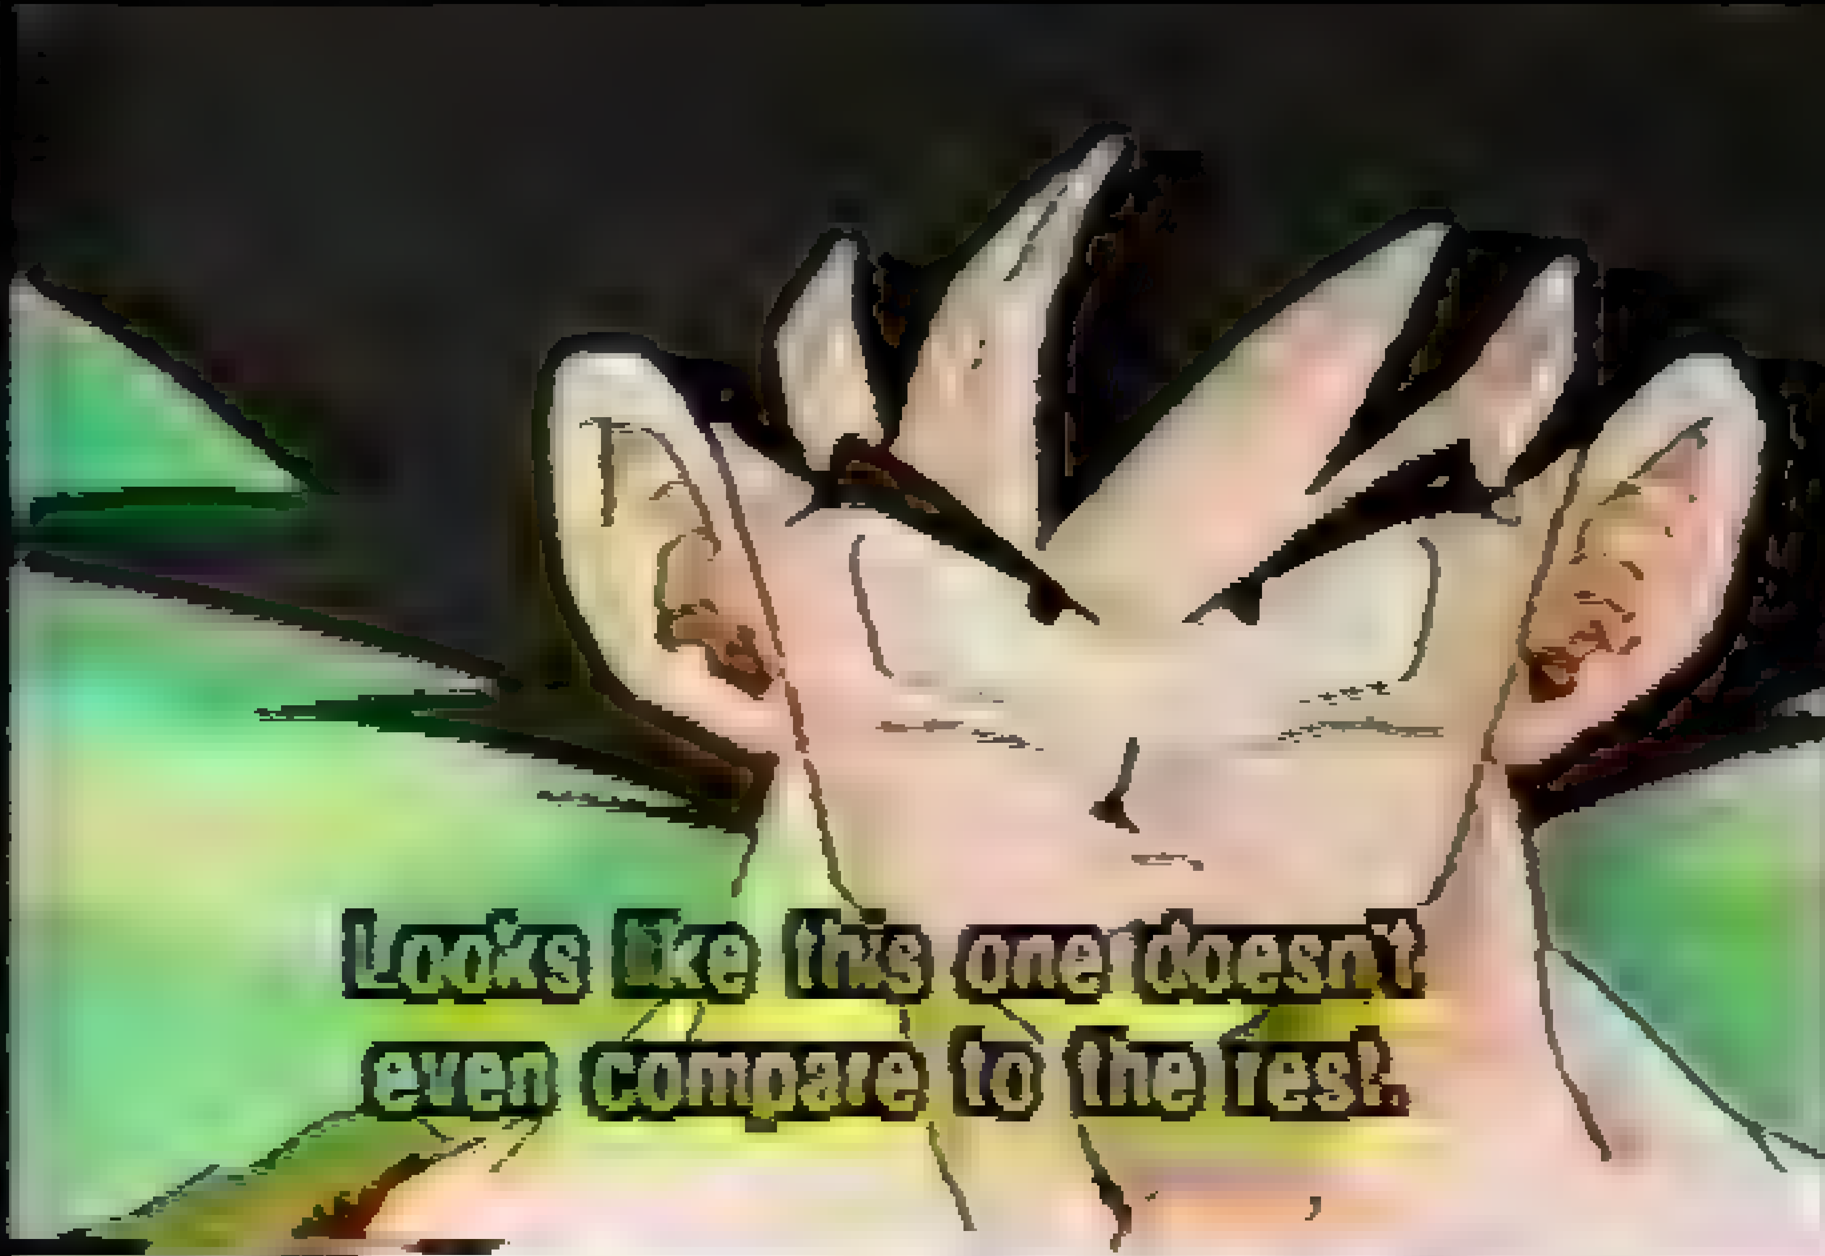

will punish you for it!

Well...? Can you win
this time, too?

Can't tell if I don't try.

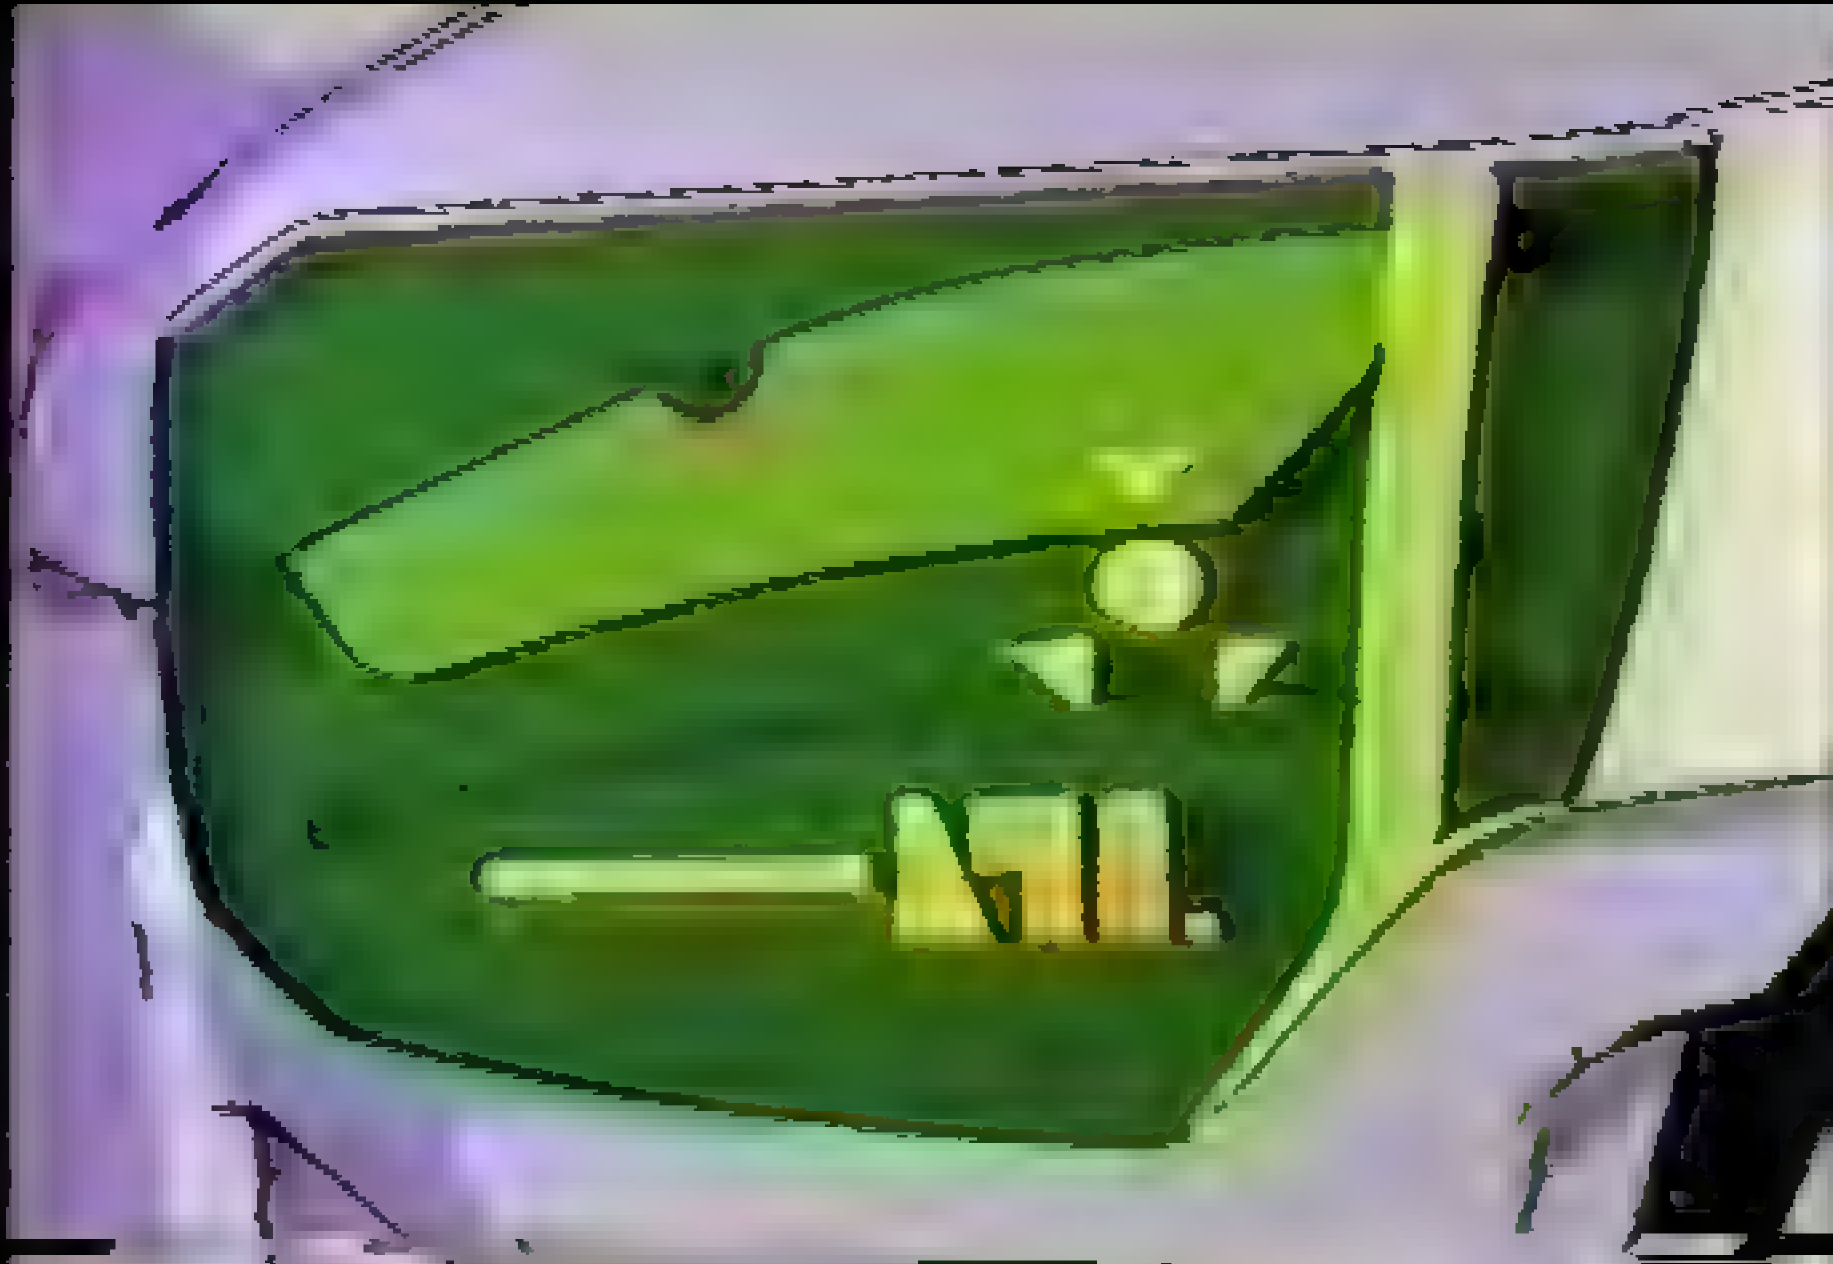

Looks like this one doesn't
even compare to the rest.

Looks like this one doesn't
even compare to the rest.

I see...so he's the one

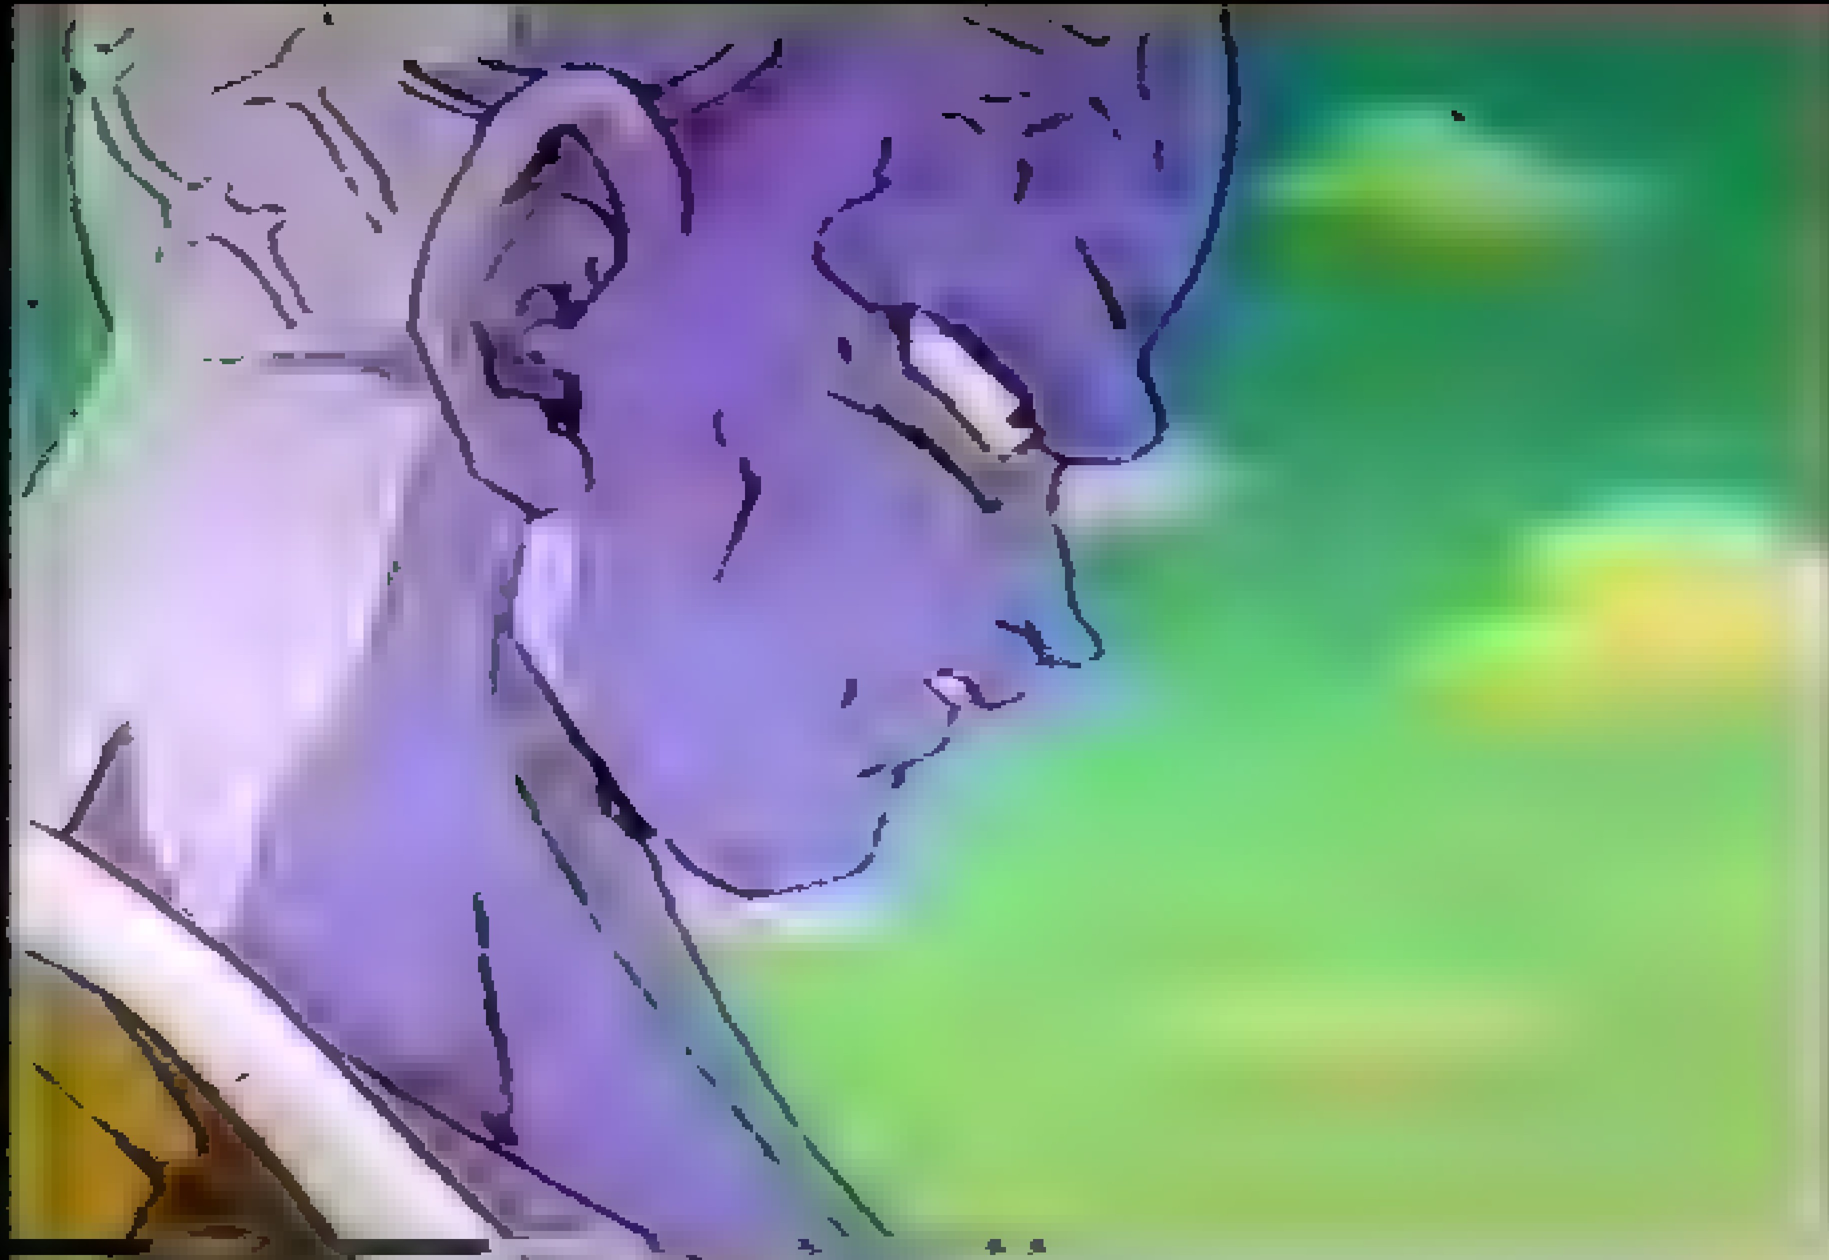

Battle power is
approximately 5,000.

That's right! Only 5,000!
Isn't that odd?

That's right! Only 5,000!
Isn't that odd?

You fool.

He made fools of you
because you only relied on

the scouter reading.

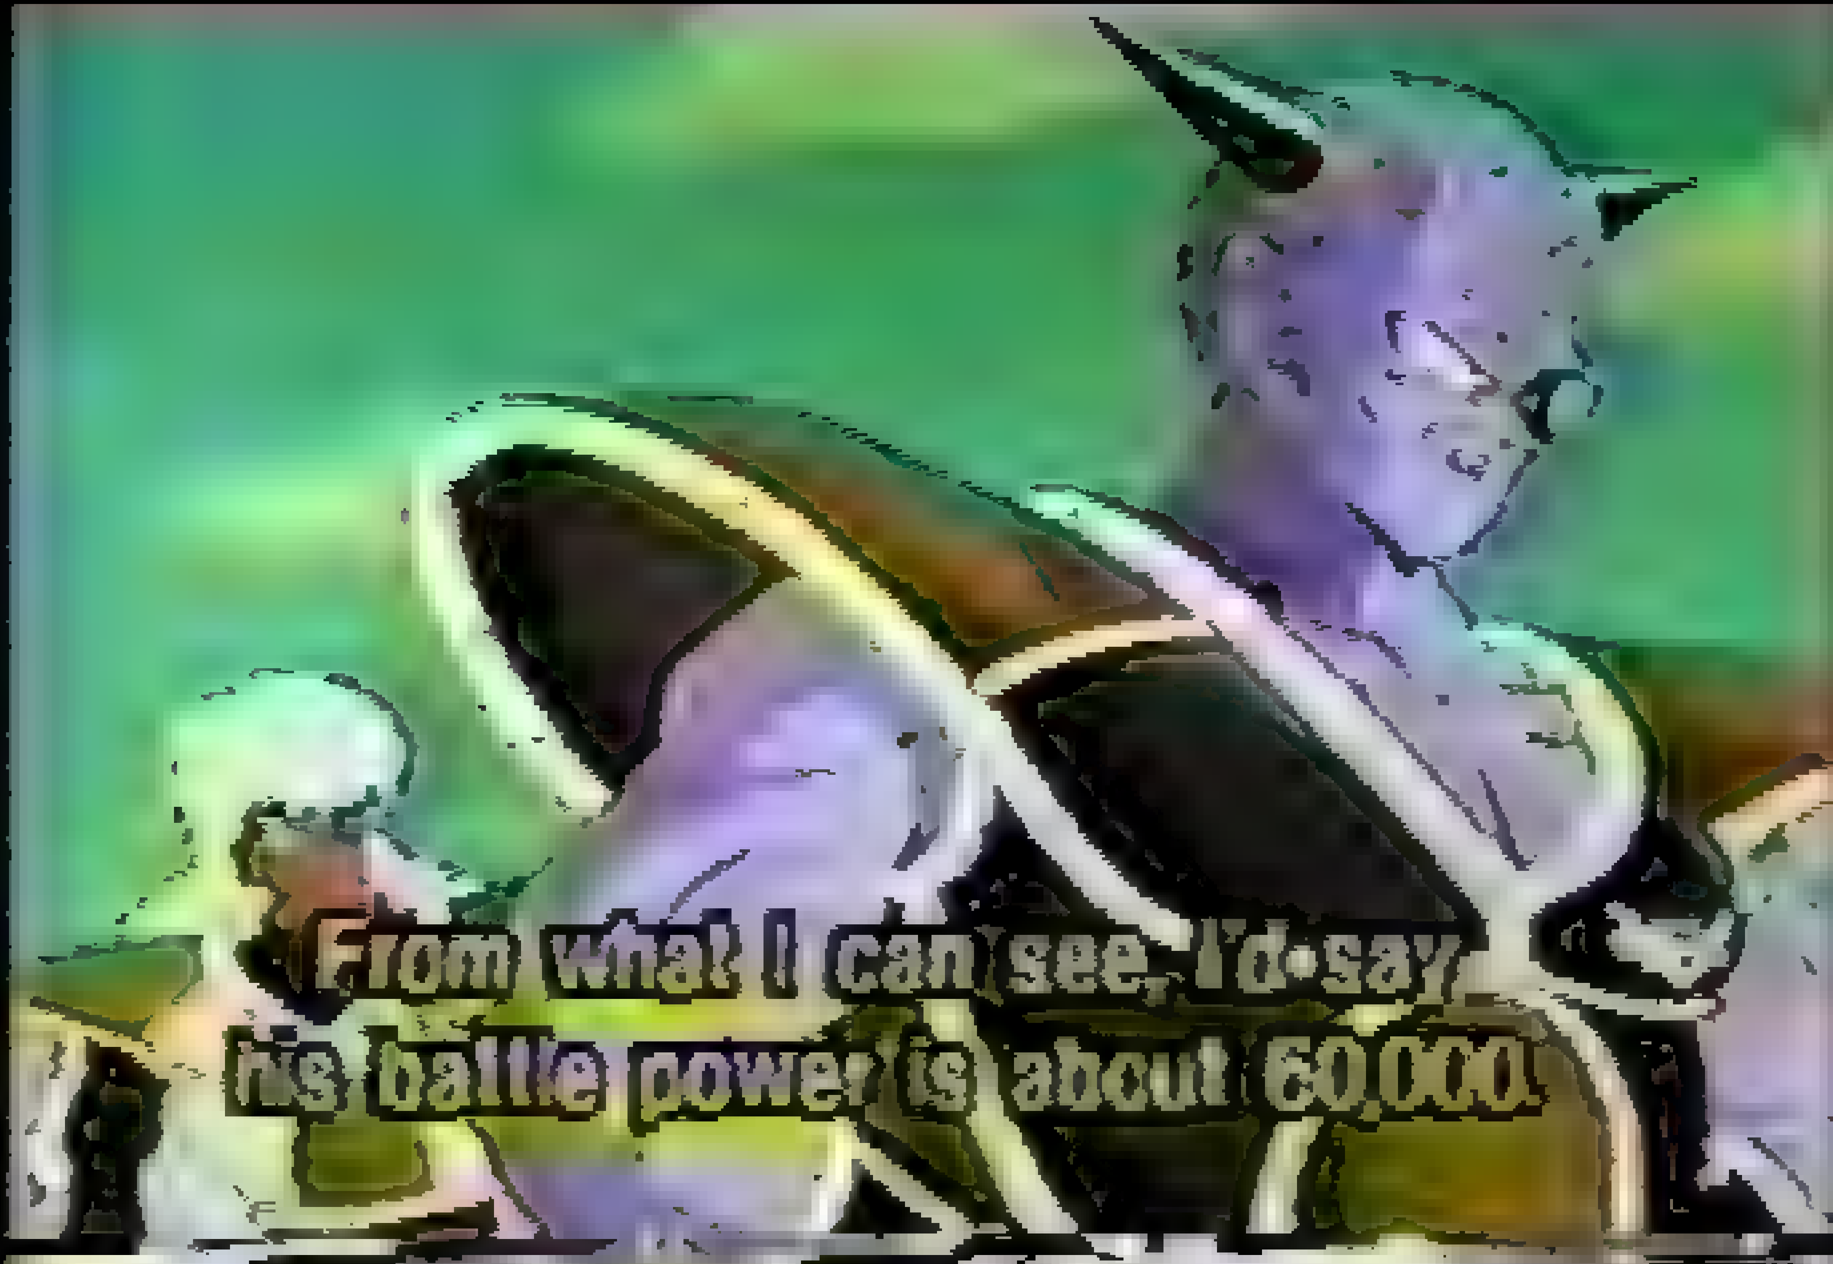

He probably raised his battle
power a huge amount

He probably raised his battle
power a huge amount

for only brief instants.
He's that type.

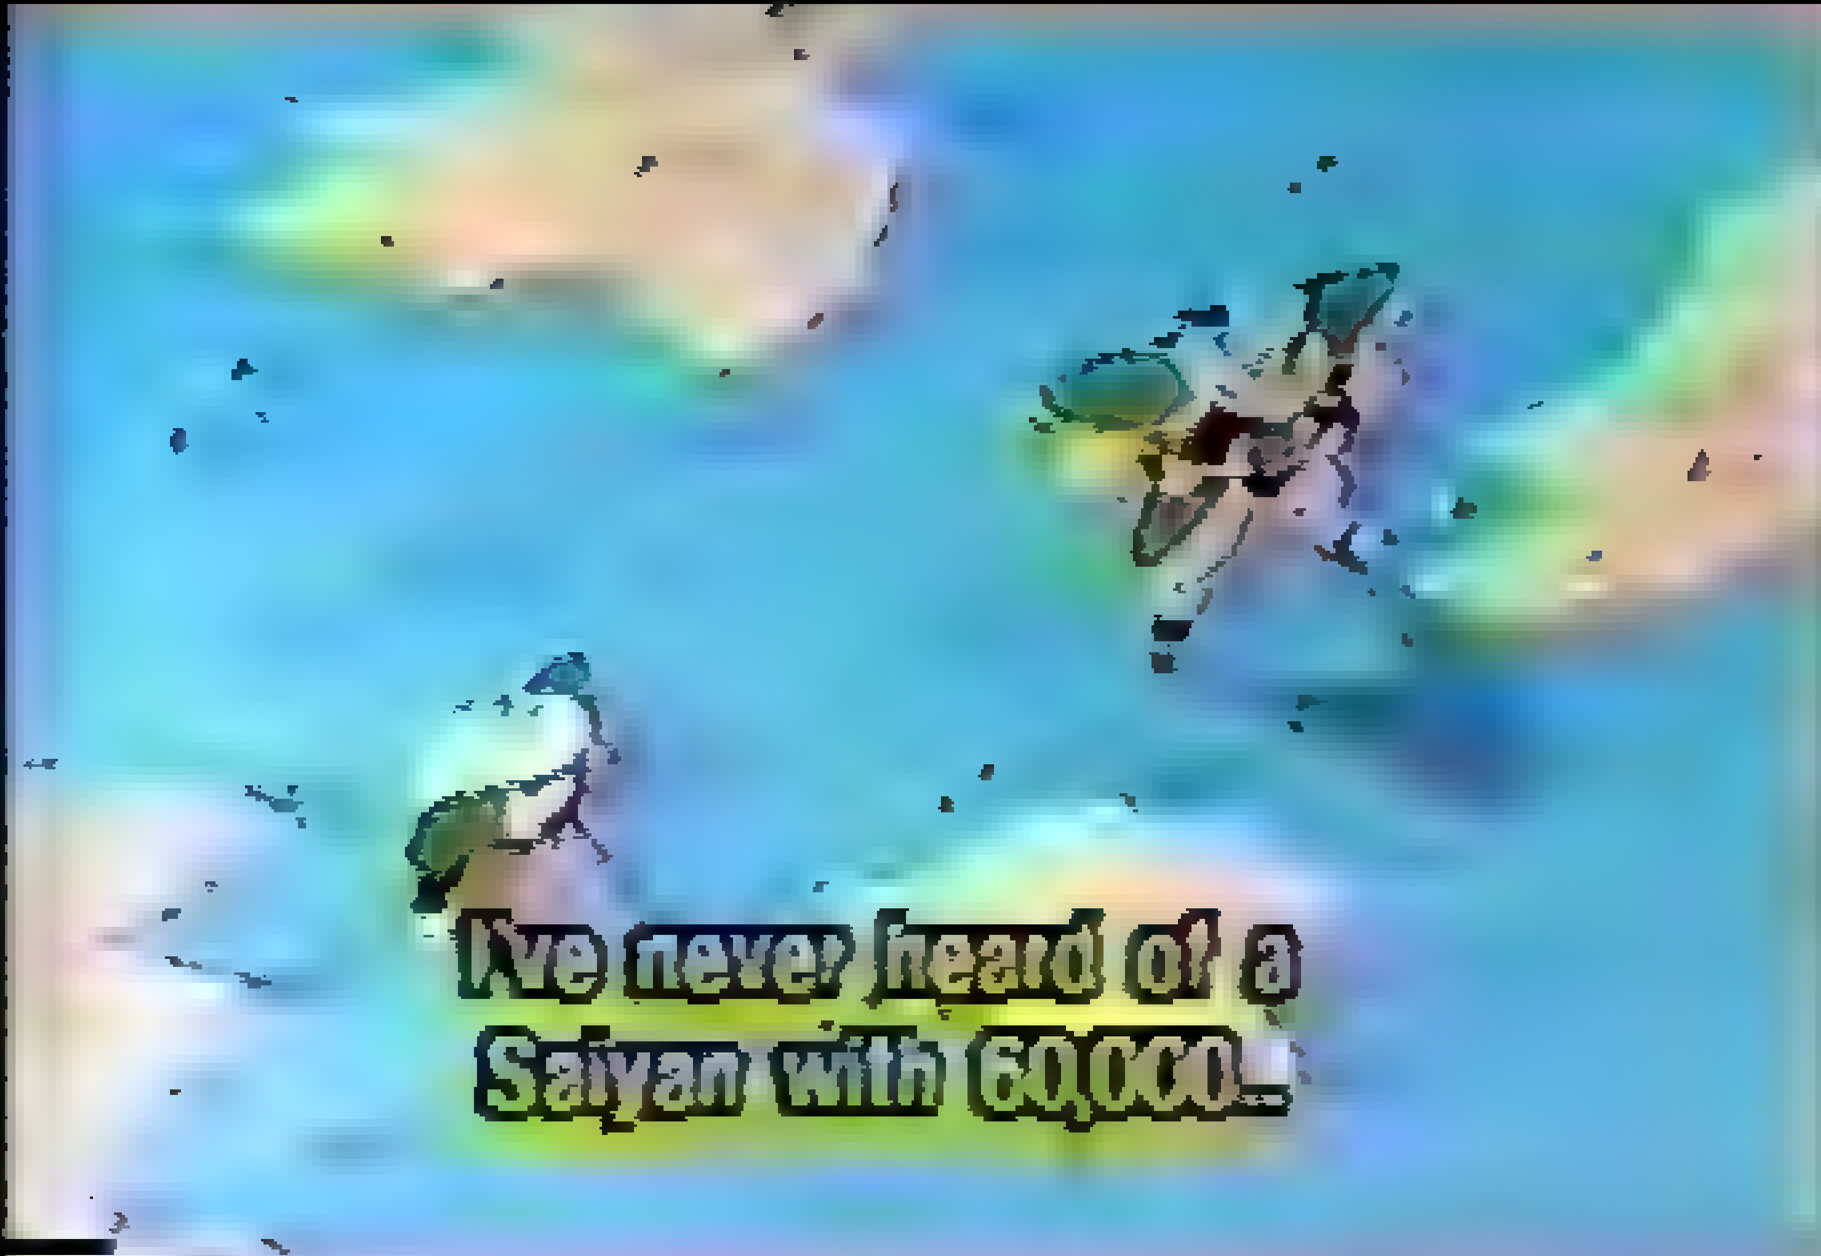

From what I can see, I'd say
his battle power is about 60,000.

From what I can see, I'd say
his battle power is about 60,000.

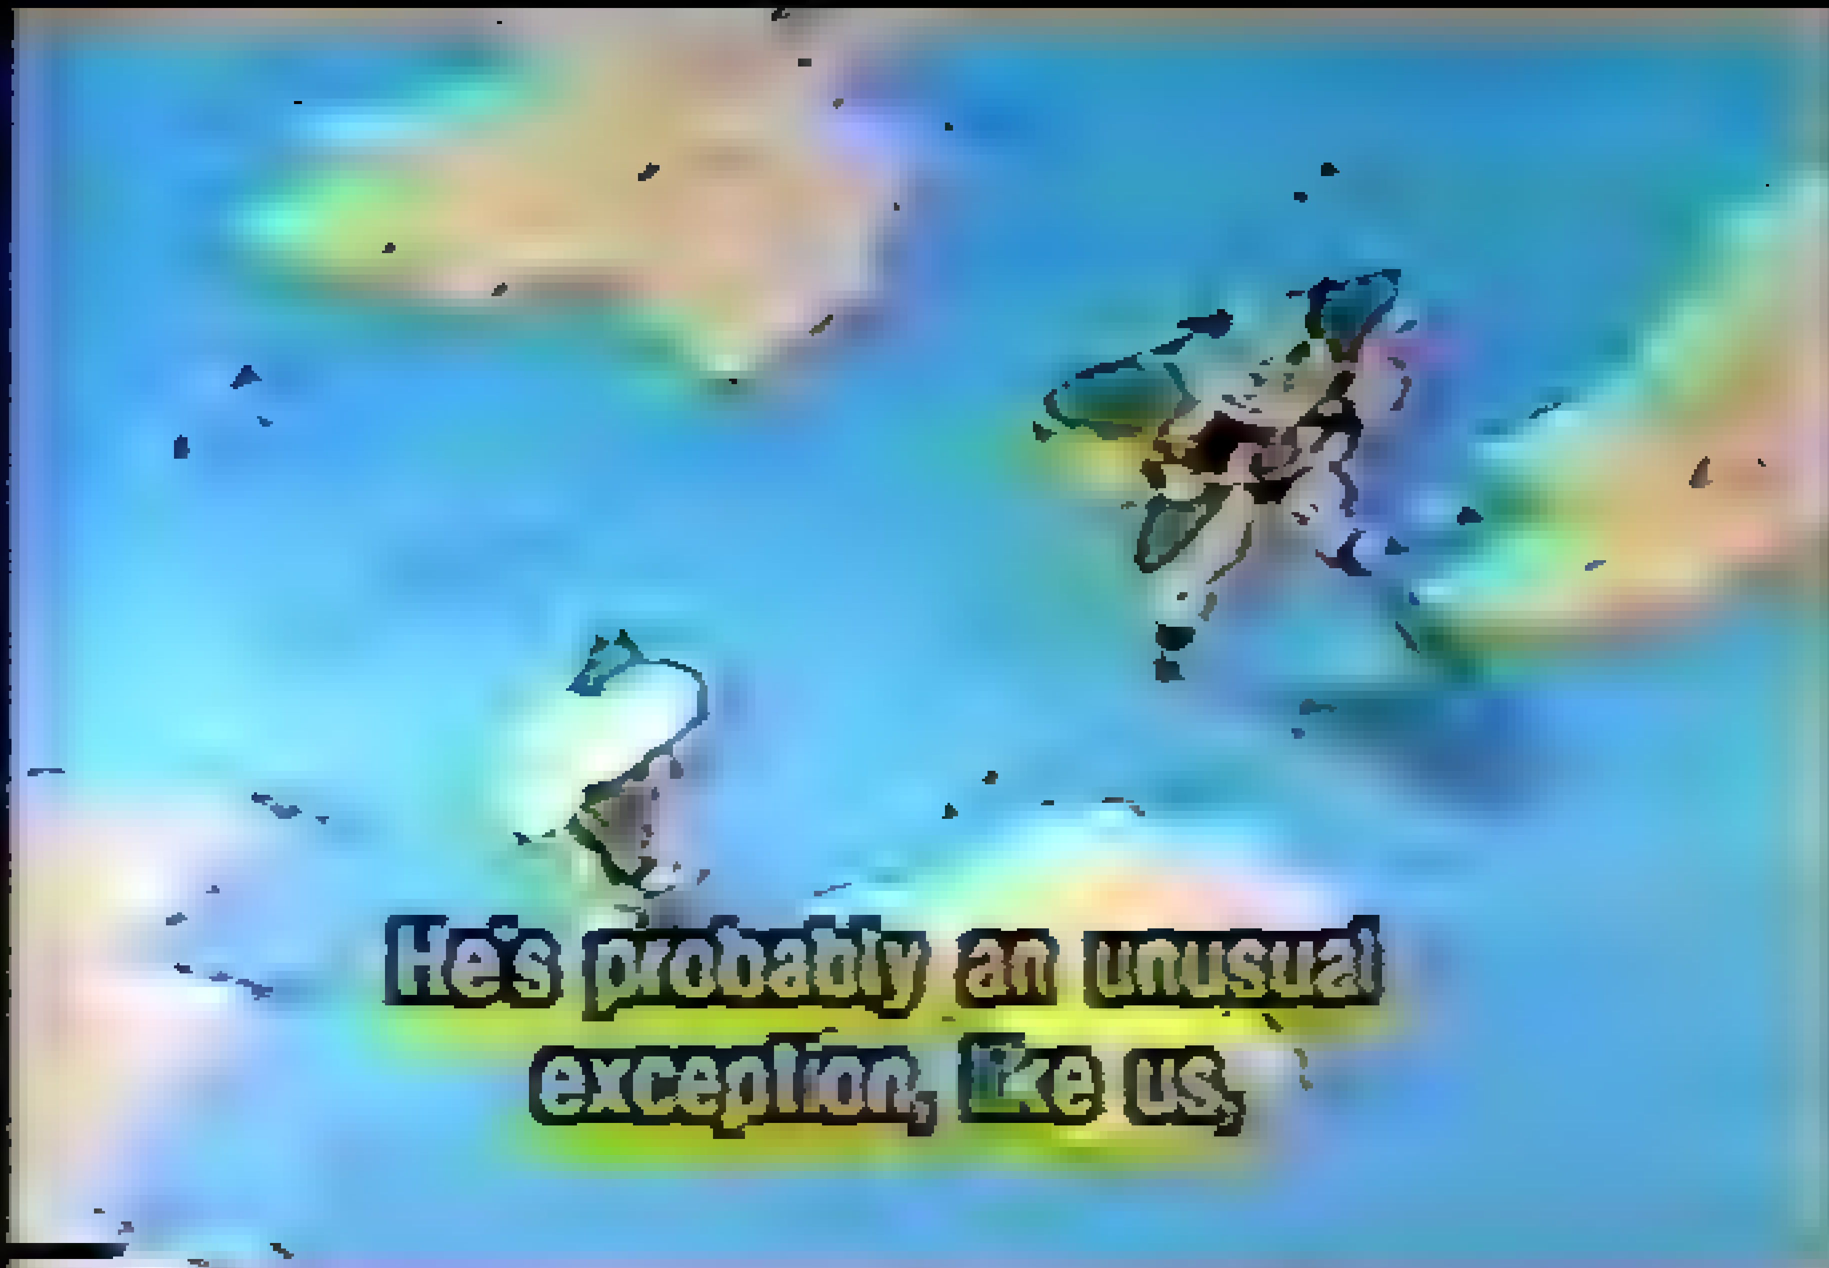

Sixty thousand?

But he's a Saiyan.

I've never heard of a
Saiyan with 60,000...

It's not impossible.

He's probably an unusual
exception, like us,

born with the gift.

I'm sure this is going to be
the most interesting battle

I've ever fought.

I never thought Commander
Gnyu would have to

I never thought Commander
Gnyu would have to

use his maximum strength.

use his maximum strength.

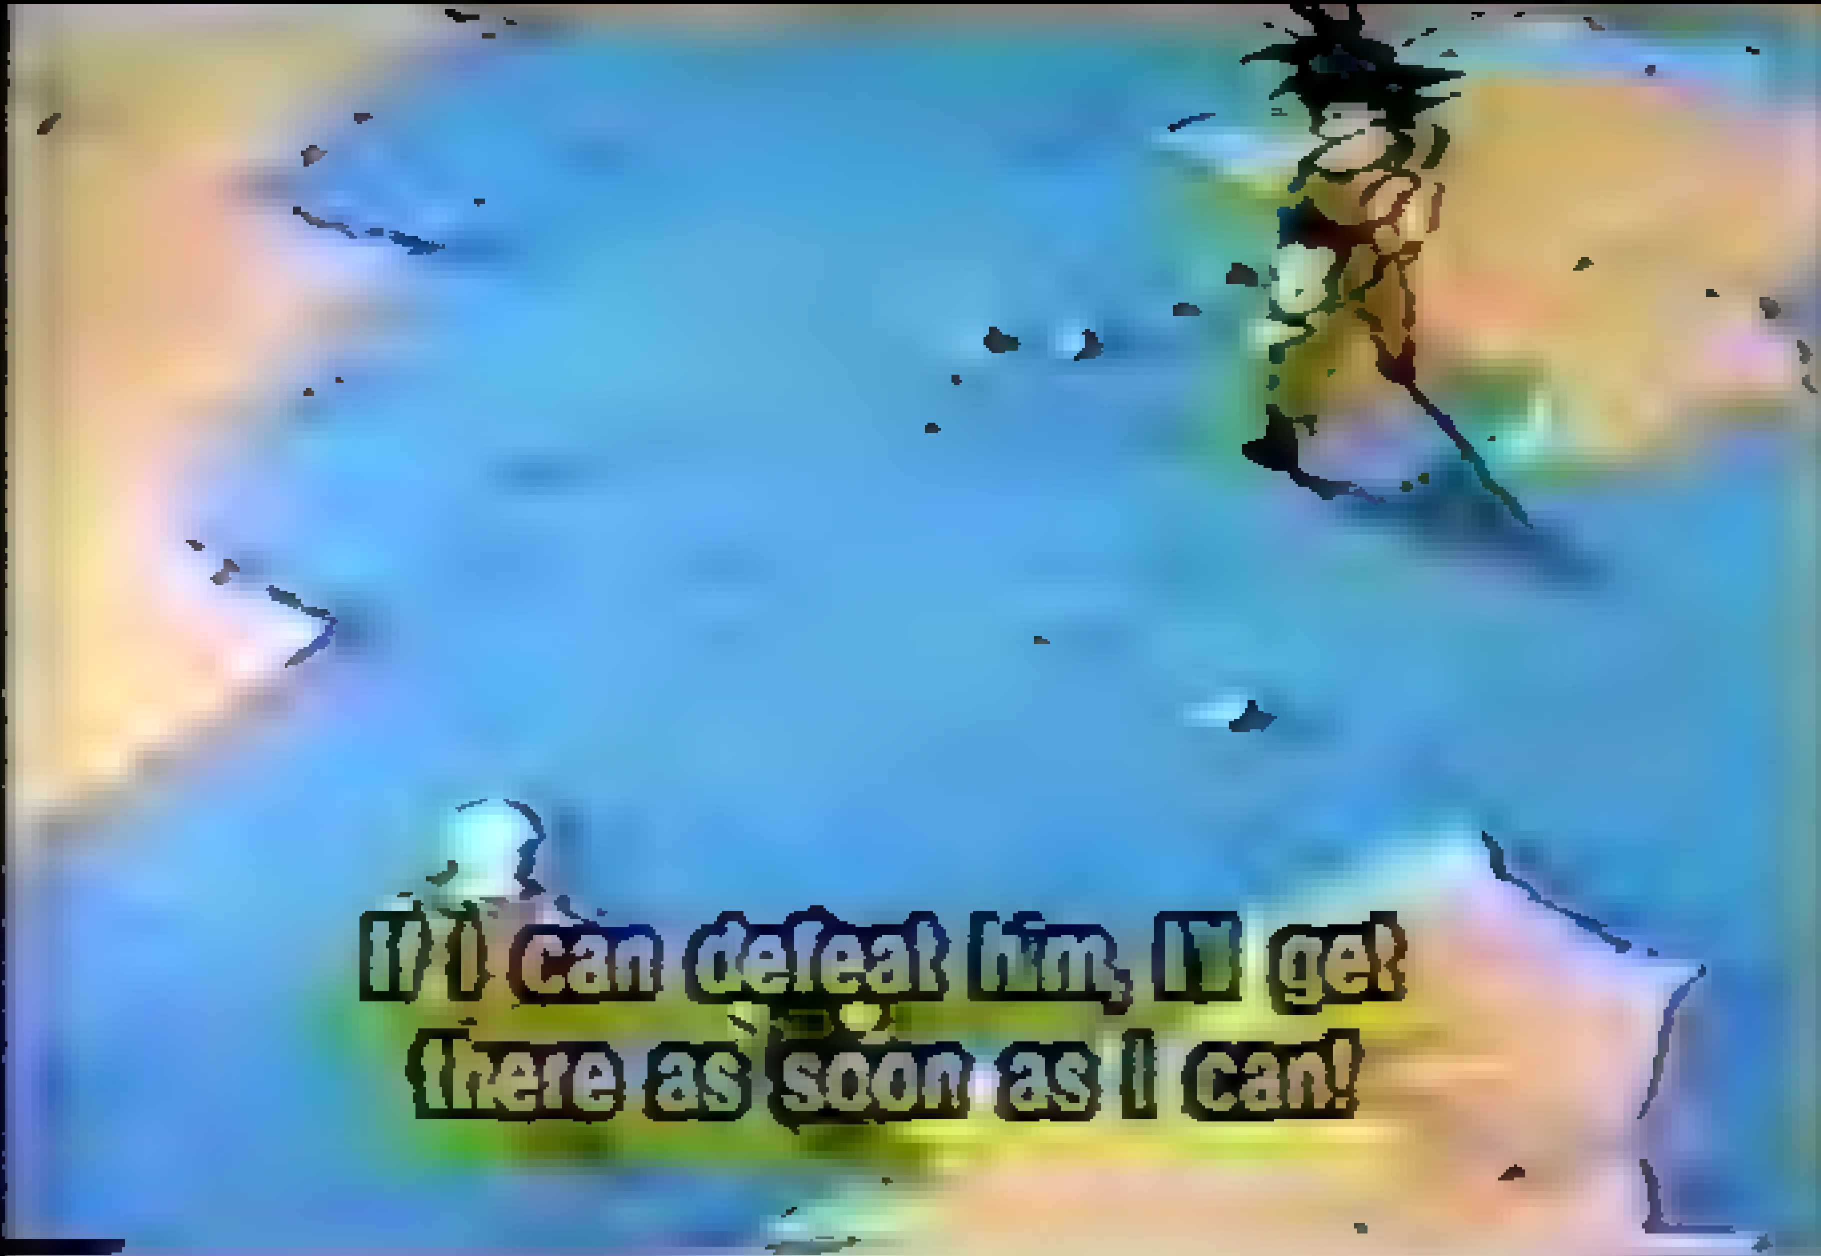

悟
I'll take care of him.

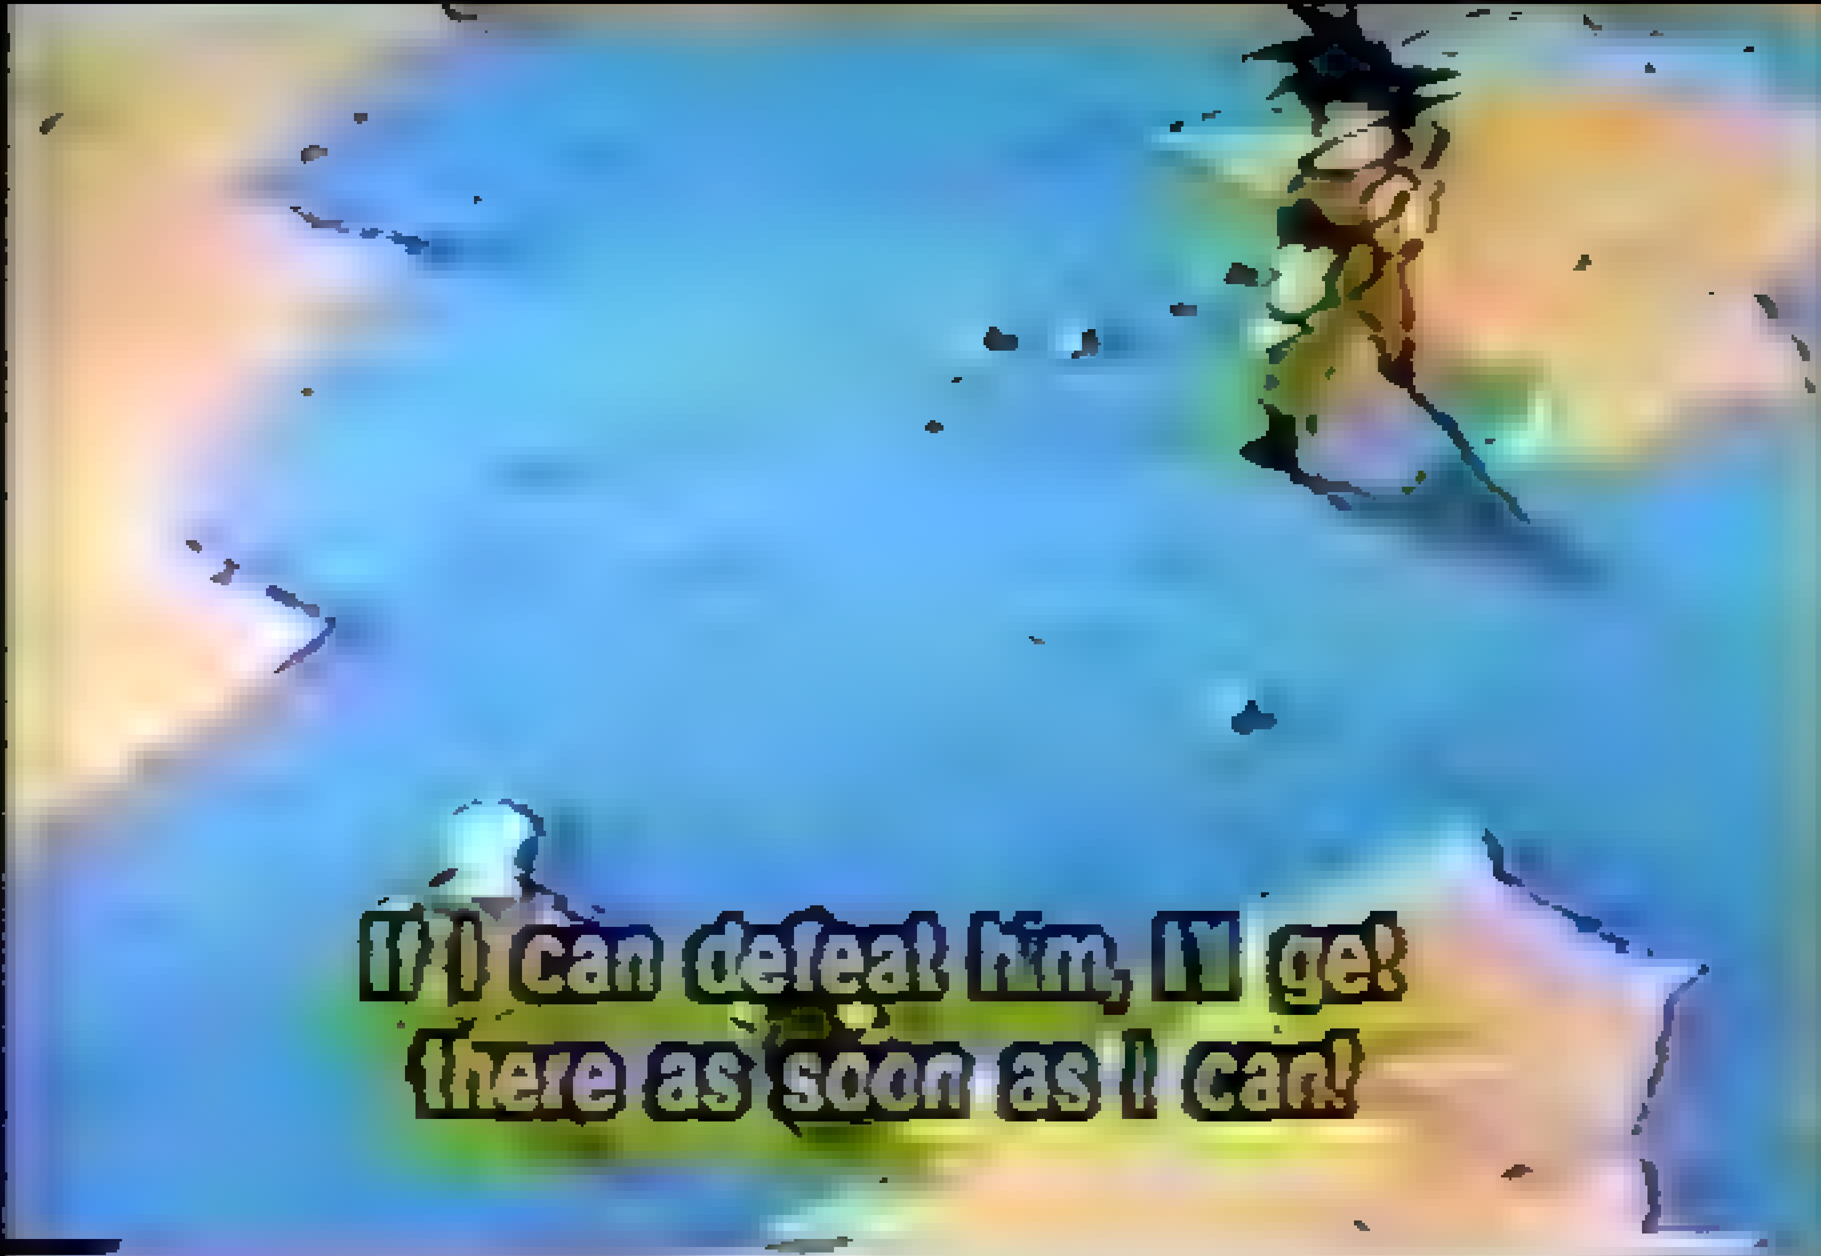

You guys use the dragon

They should be very

If I can defeat him, I'll get
there as soon as I can!

If I can defeat him, I'll get
there as soon as I can!

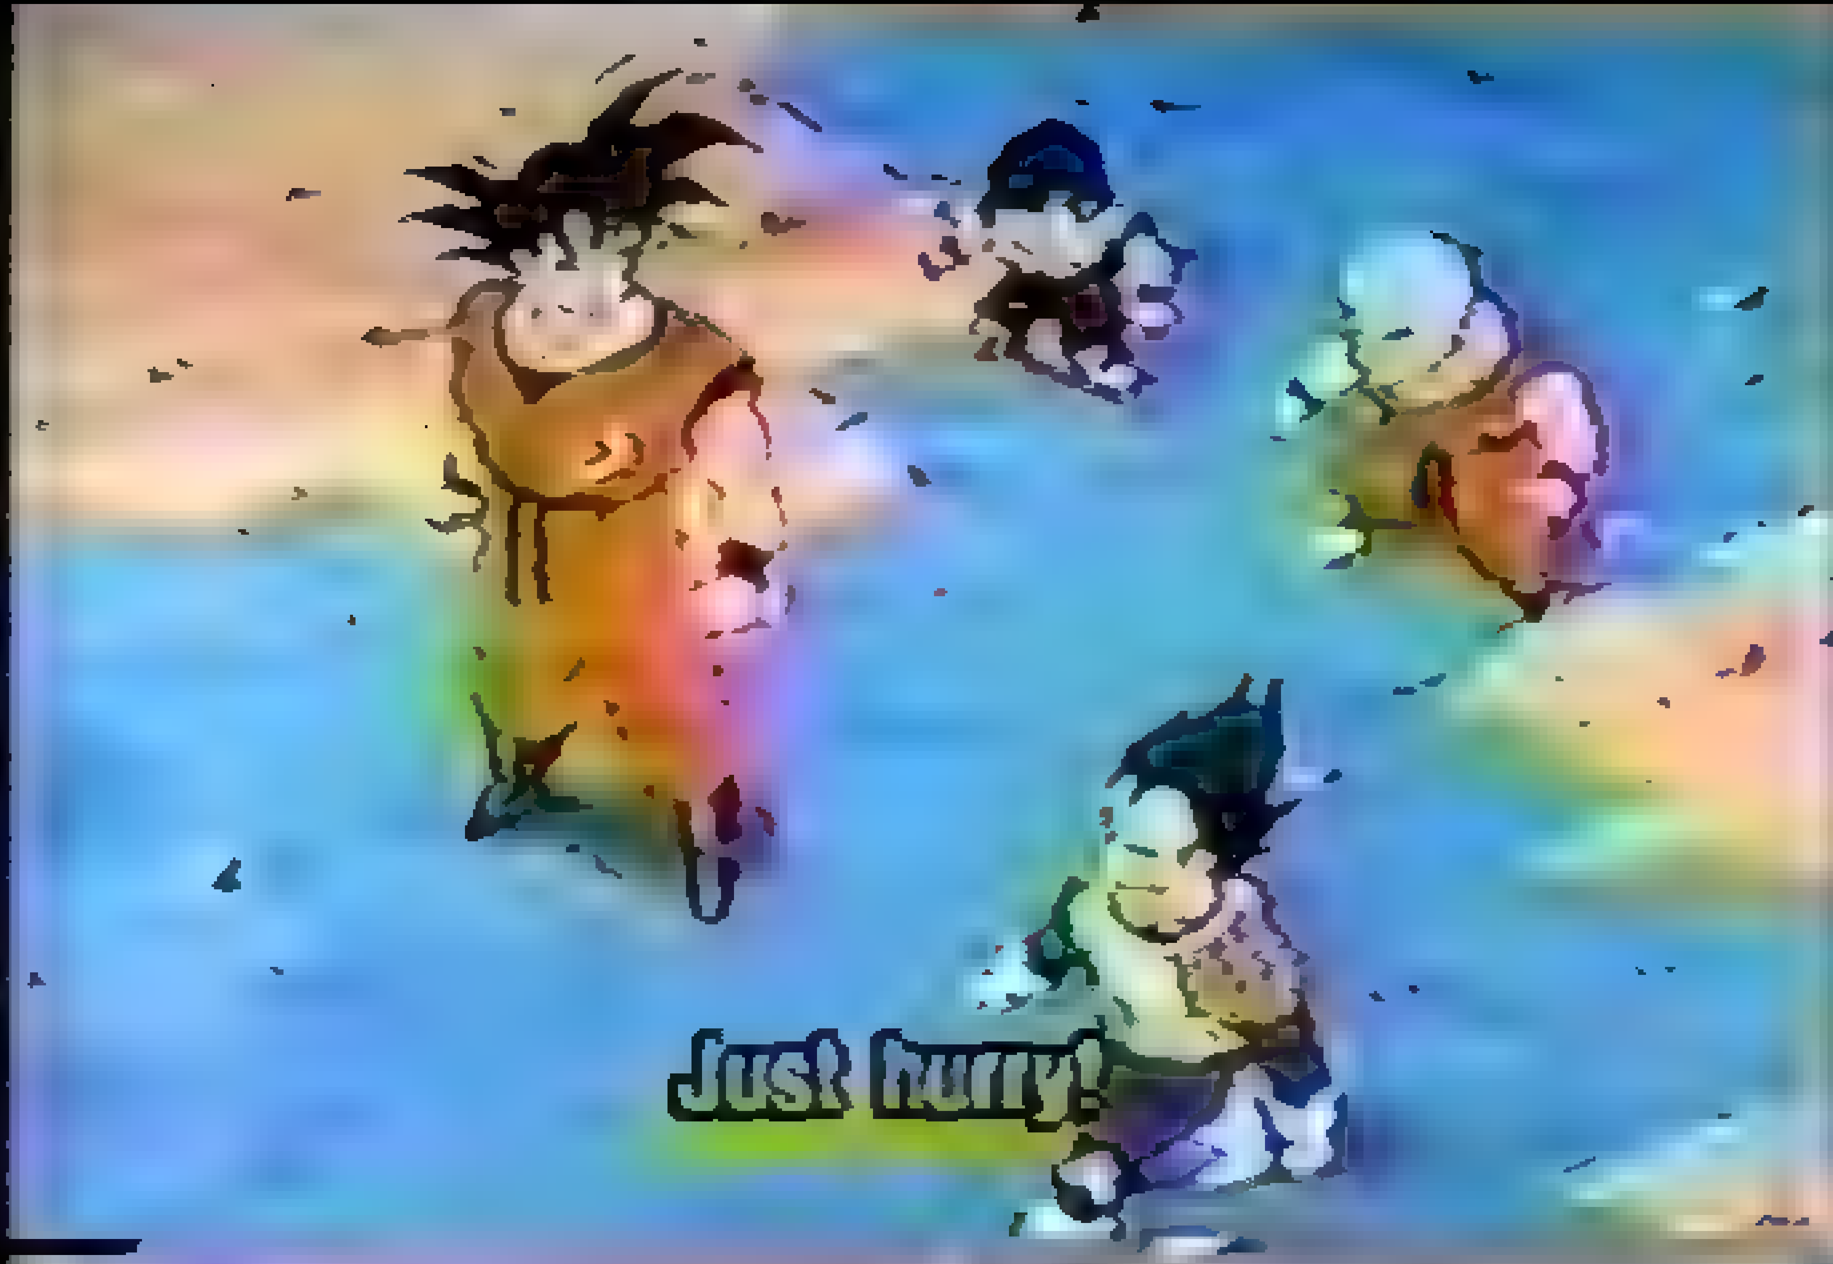

Don't make us worry.
You'll beat him, won't you?

Let's go!

If we don't hurry the
Senior Elder will get killed.

He may have already

Just hurry!

You get the other one.

You get the other one.

You almost died but recovered.

So your power must've
increased a lot.

You can beat him now,
can't you?

You can beat him now,
can't you?

So you know.

Is that true?

We're leaving!

Good luck, Goku!

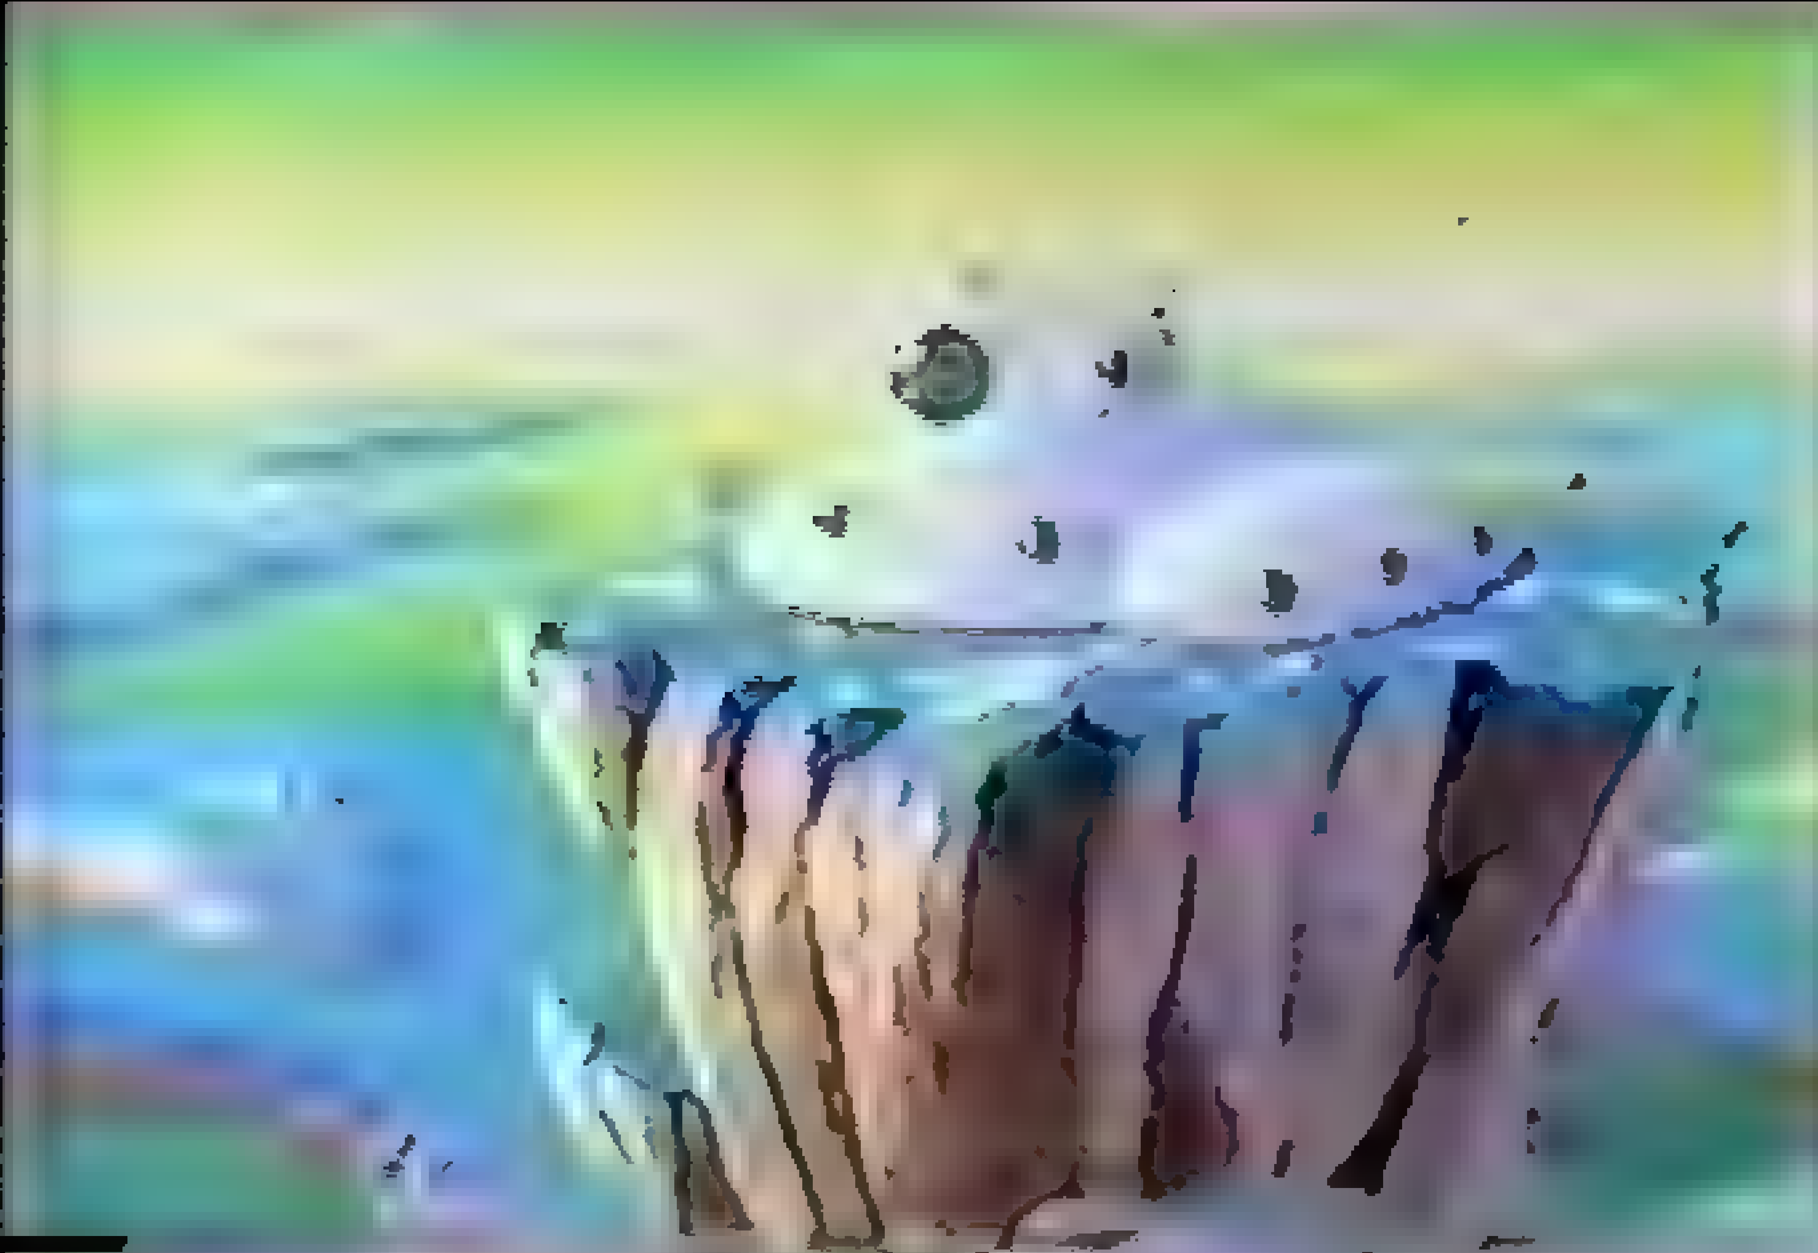

They're running away!

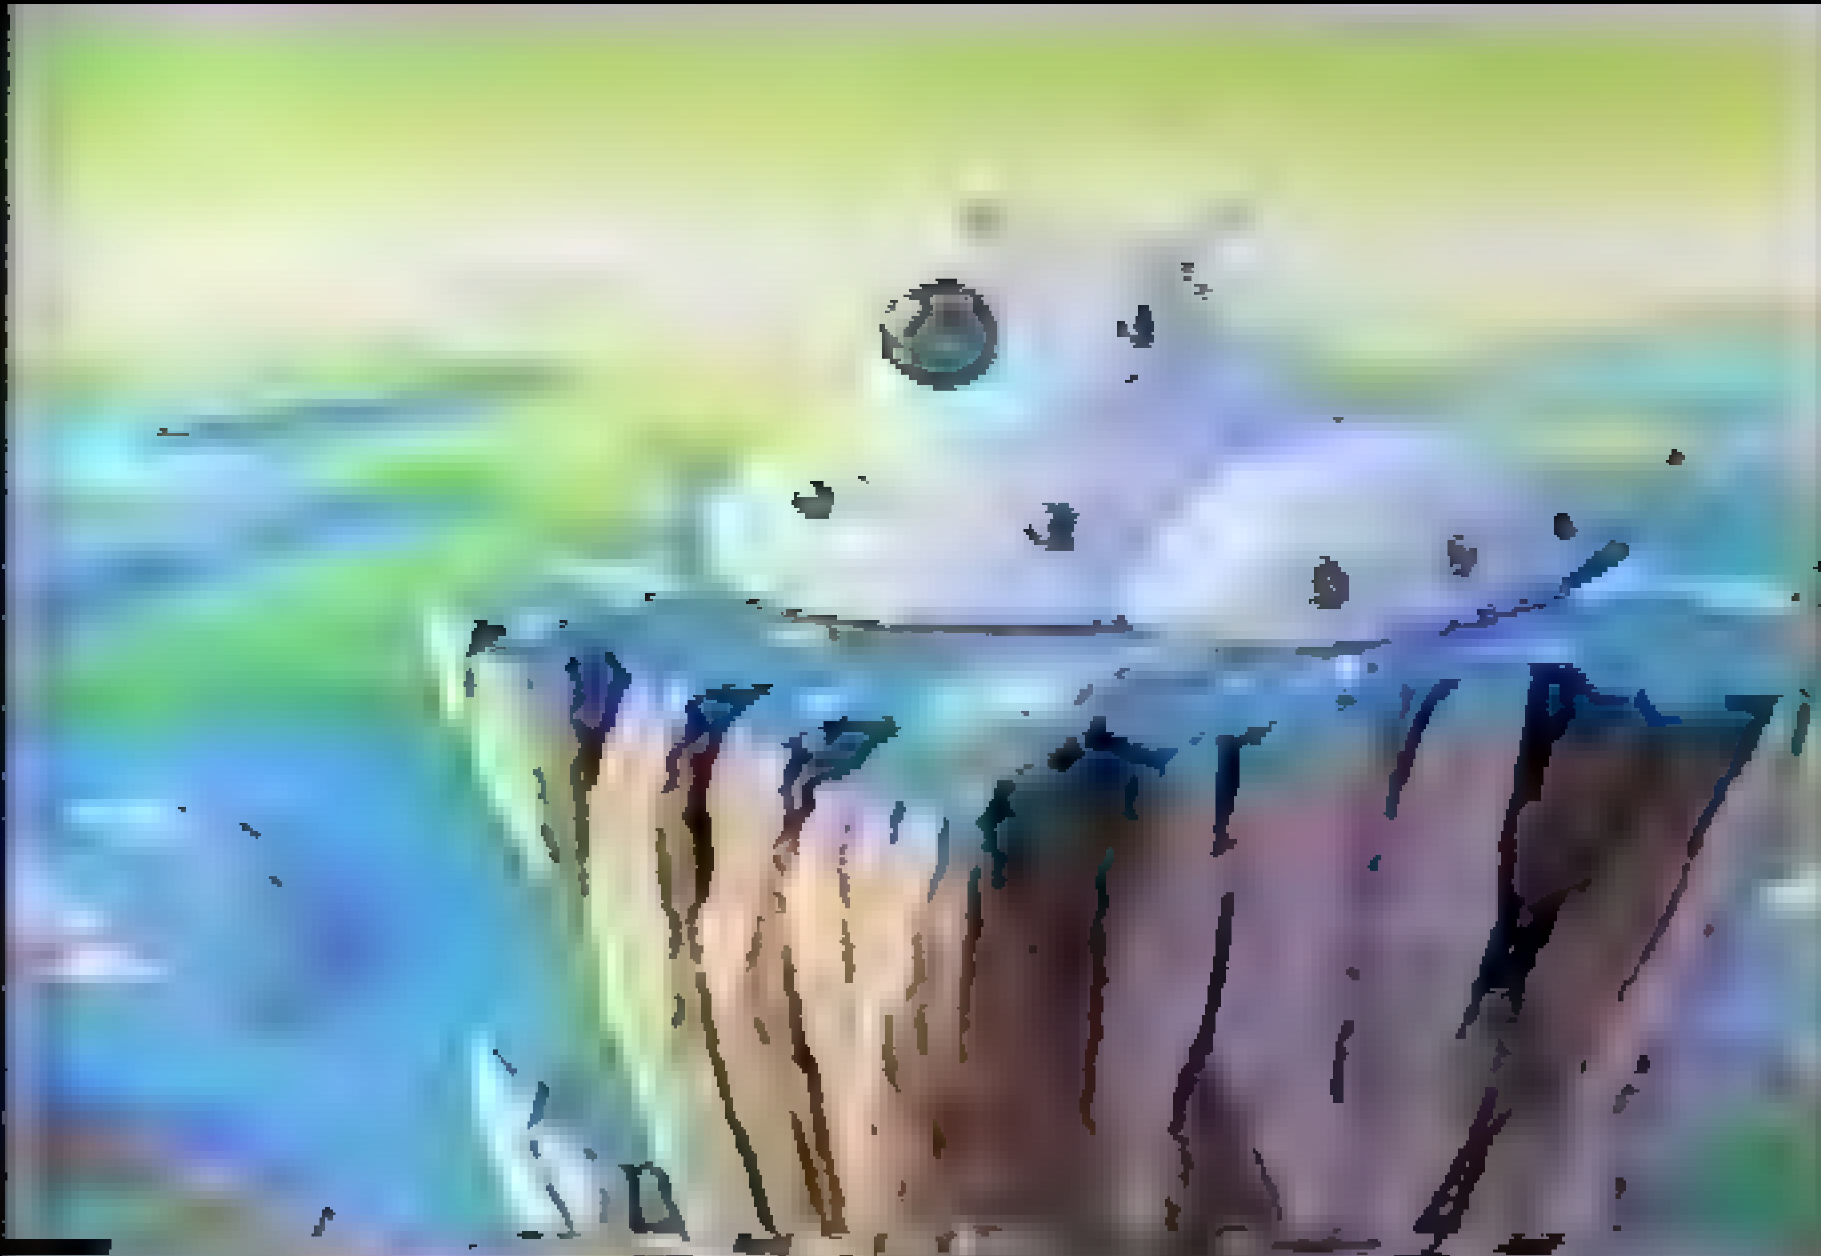

Leave them! They're nothing.

Let us be in time!

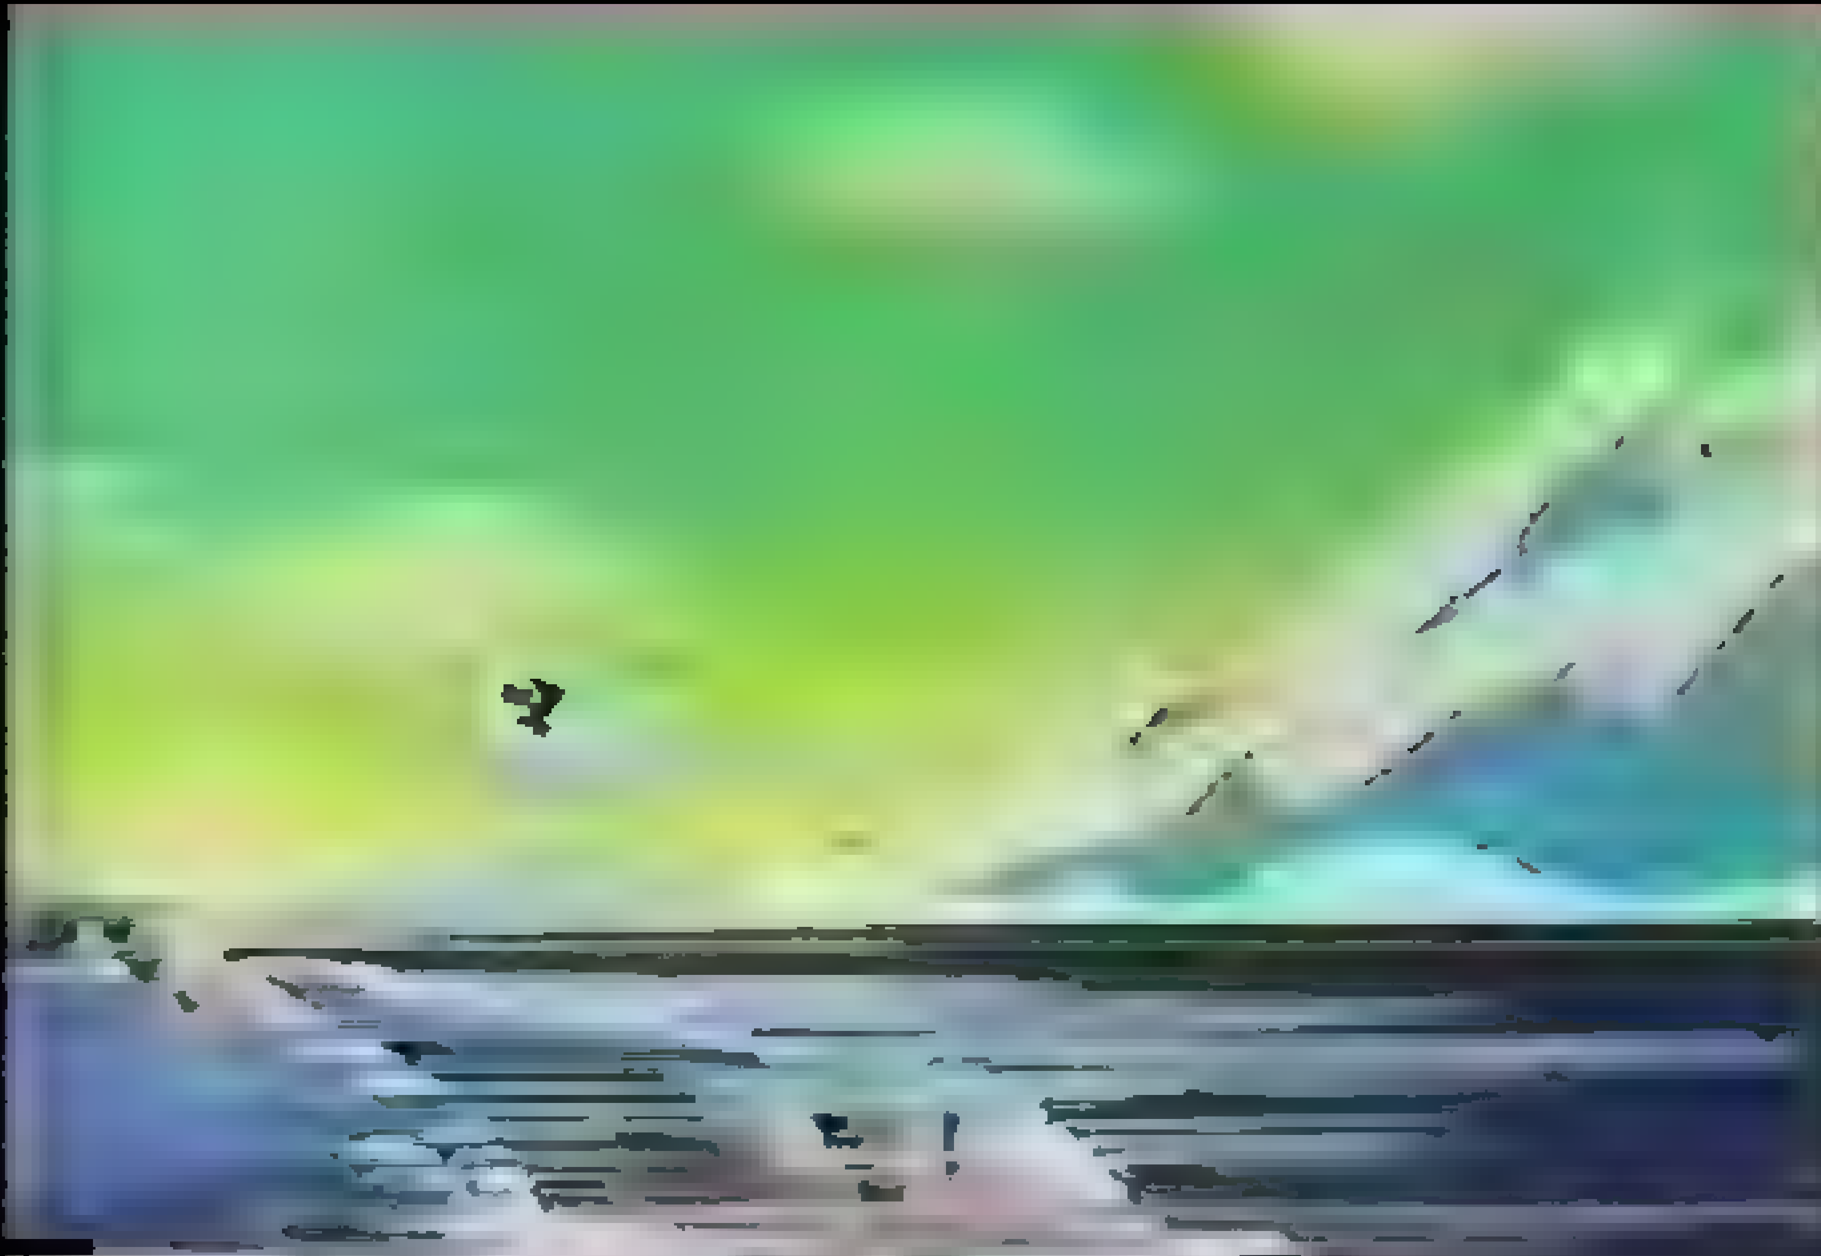

Hang on, Senior Elder!

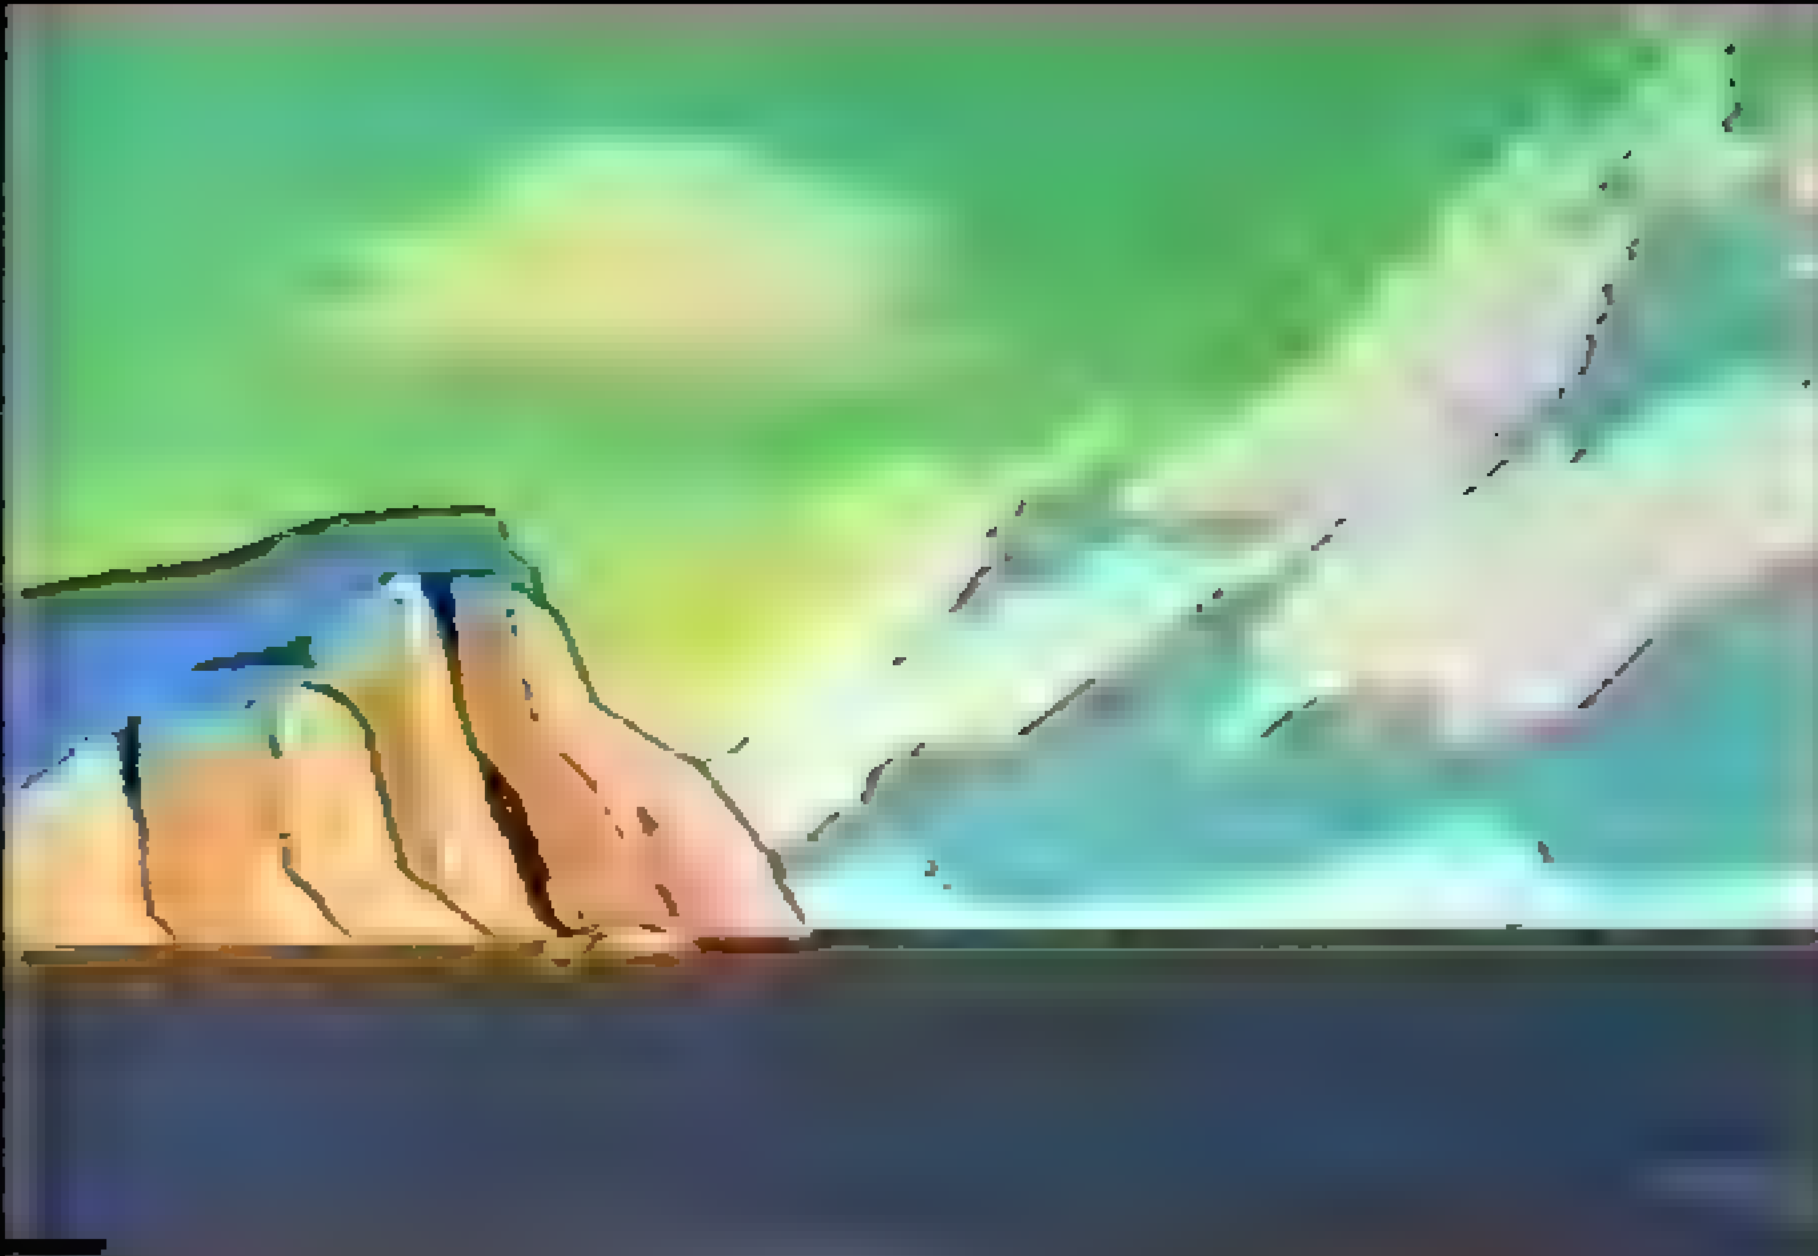

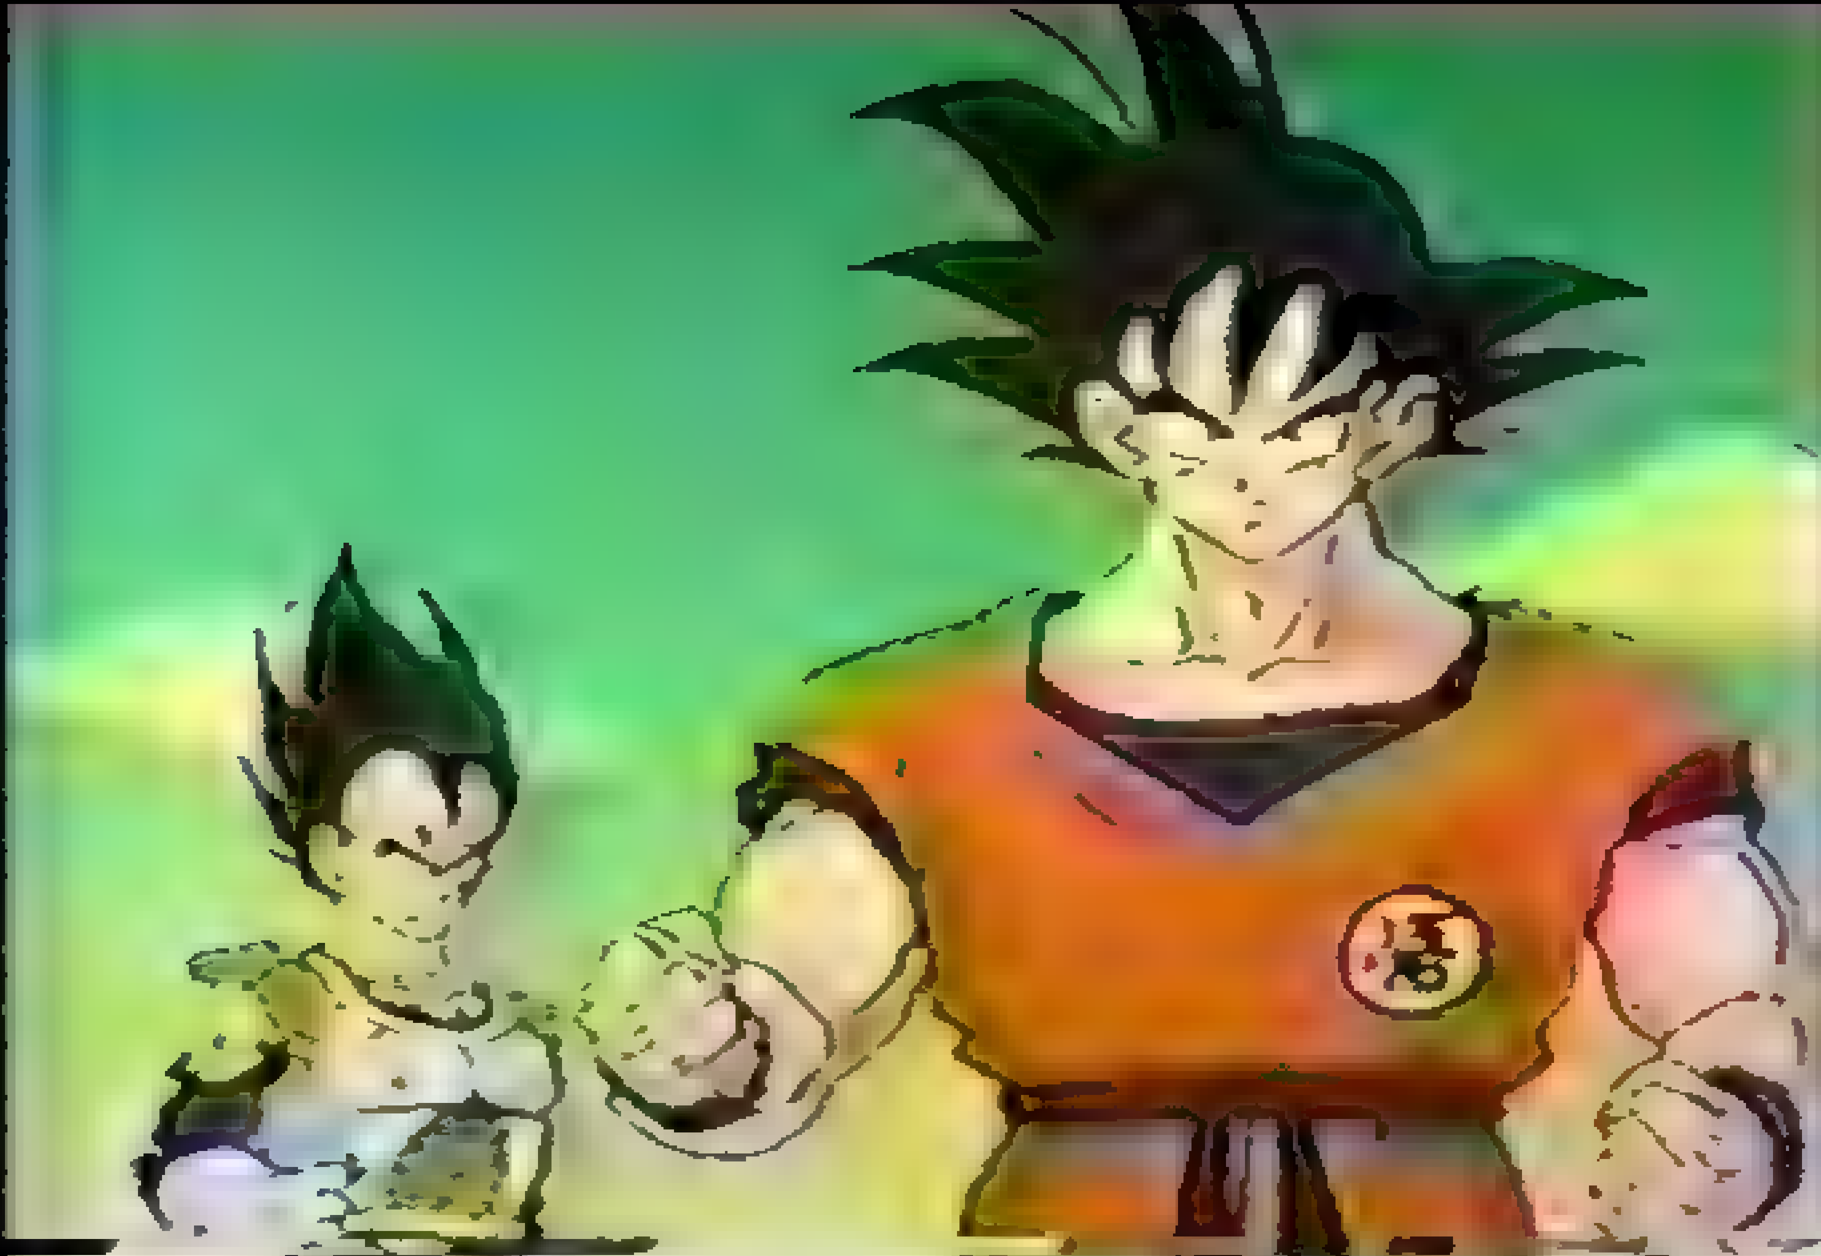

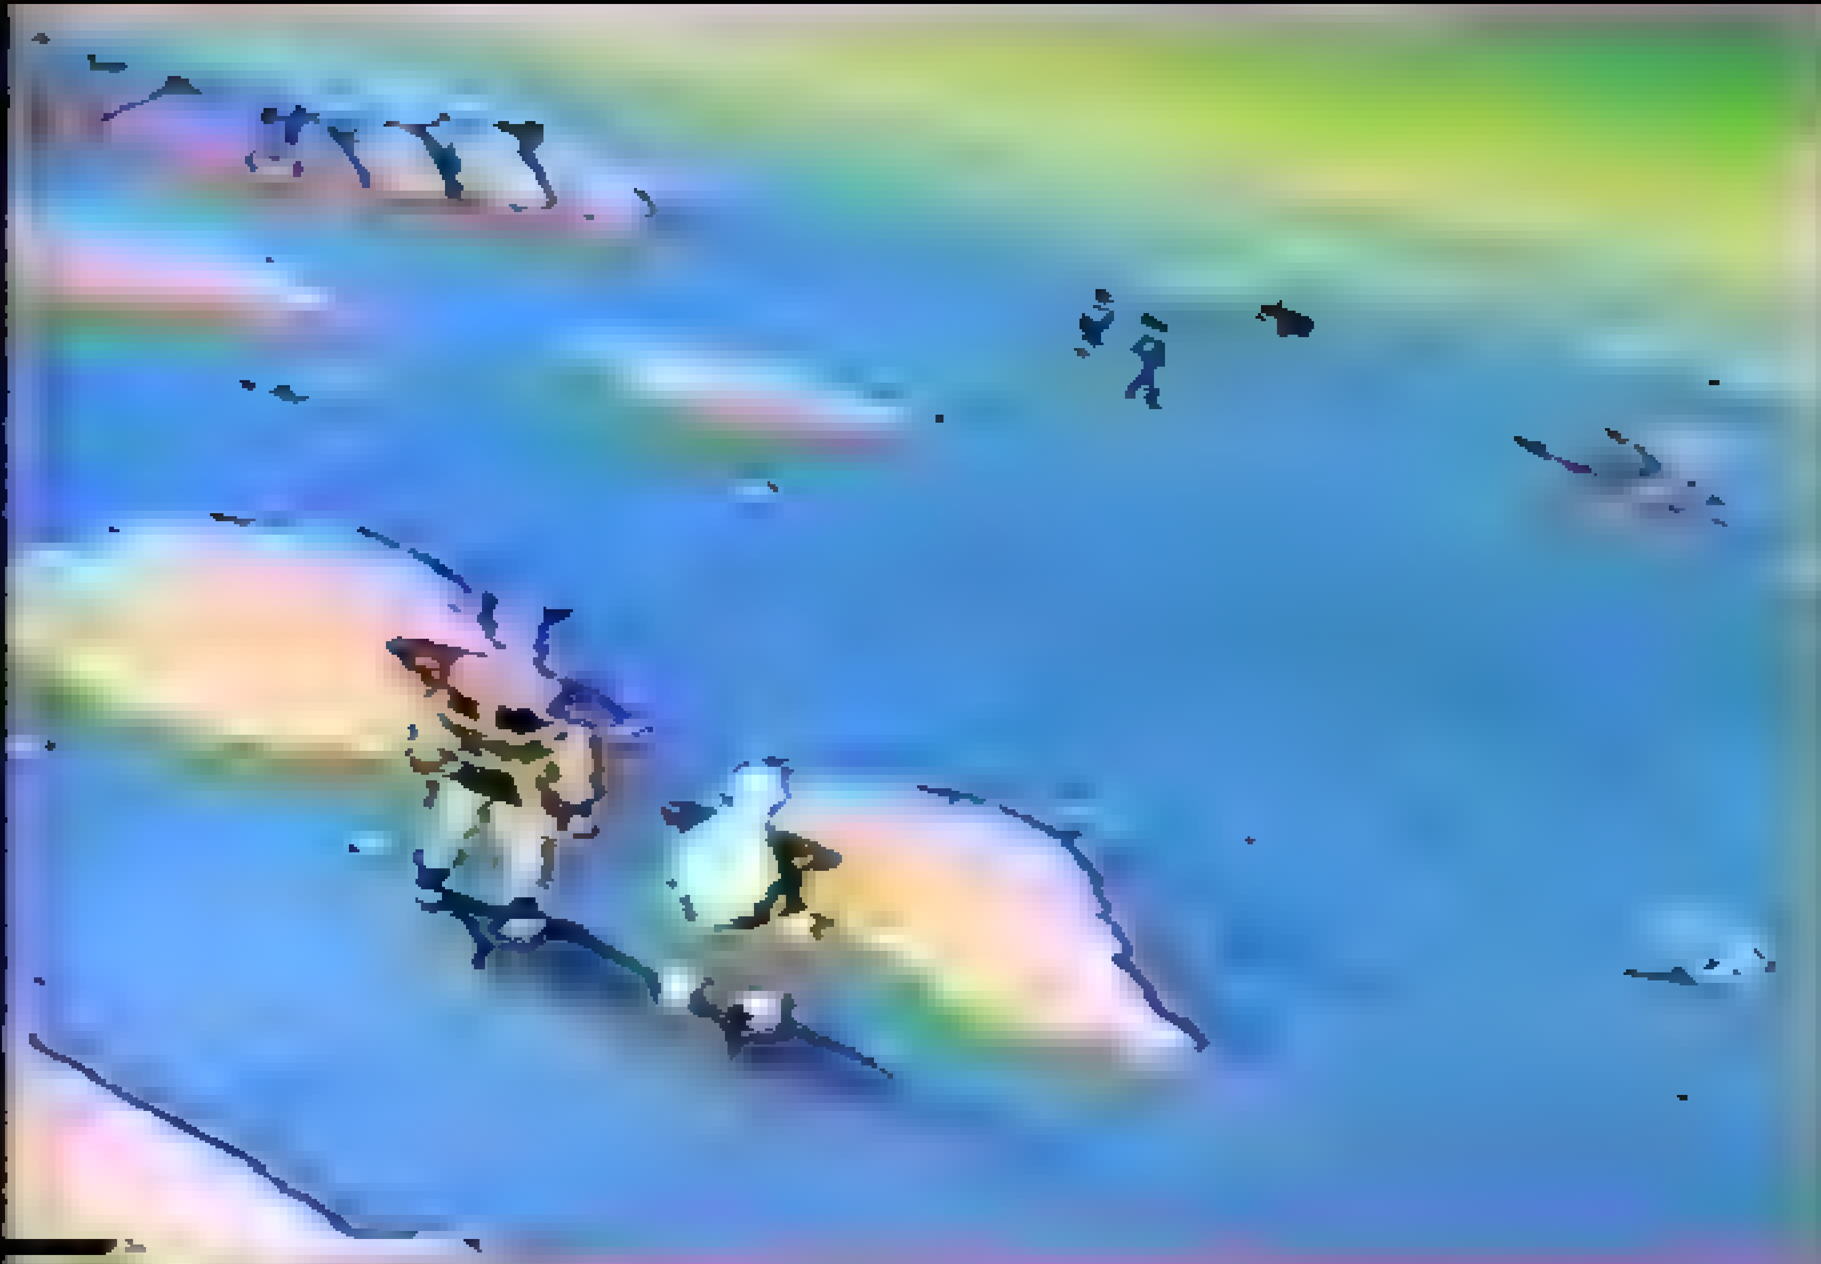

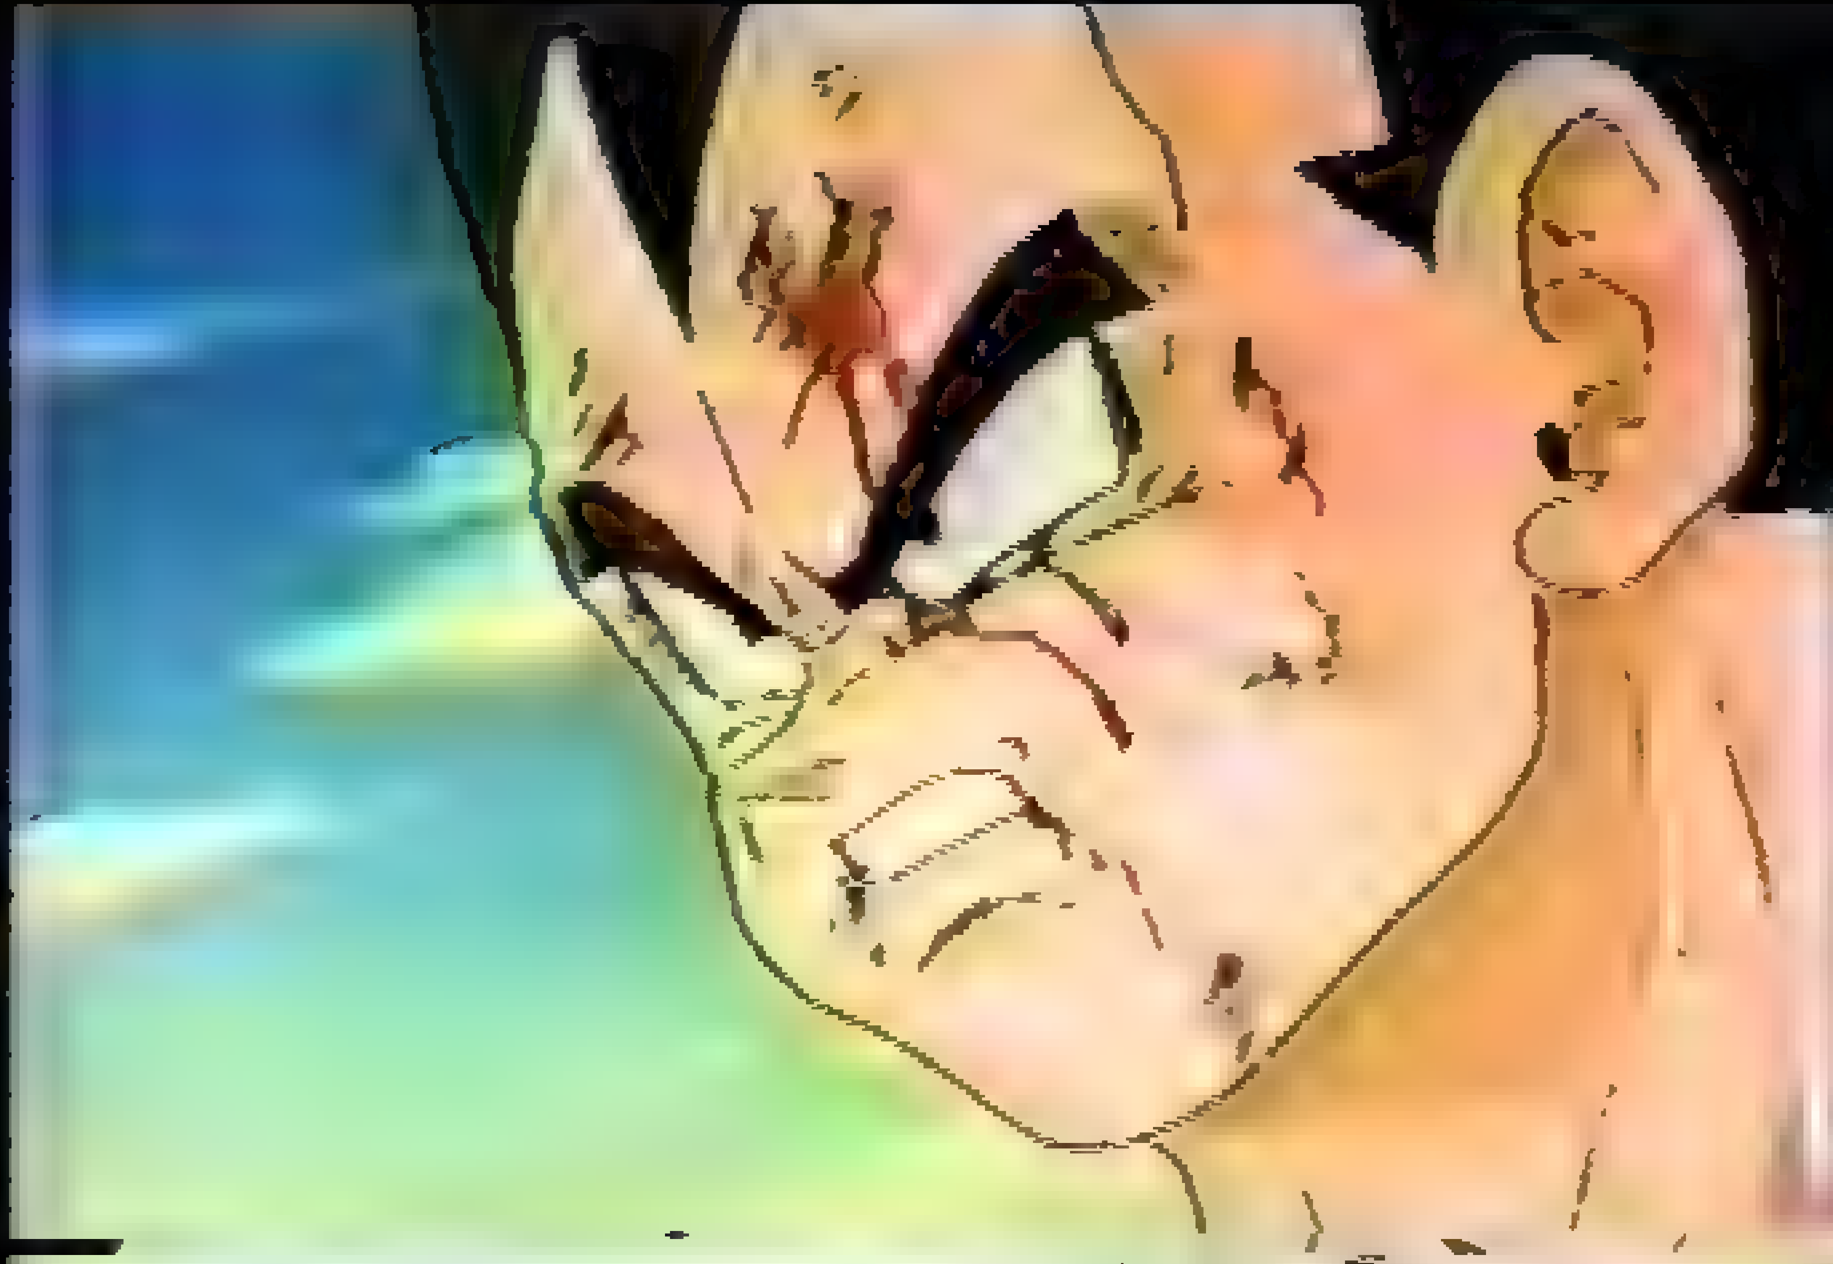

Let's get going, too.

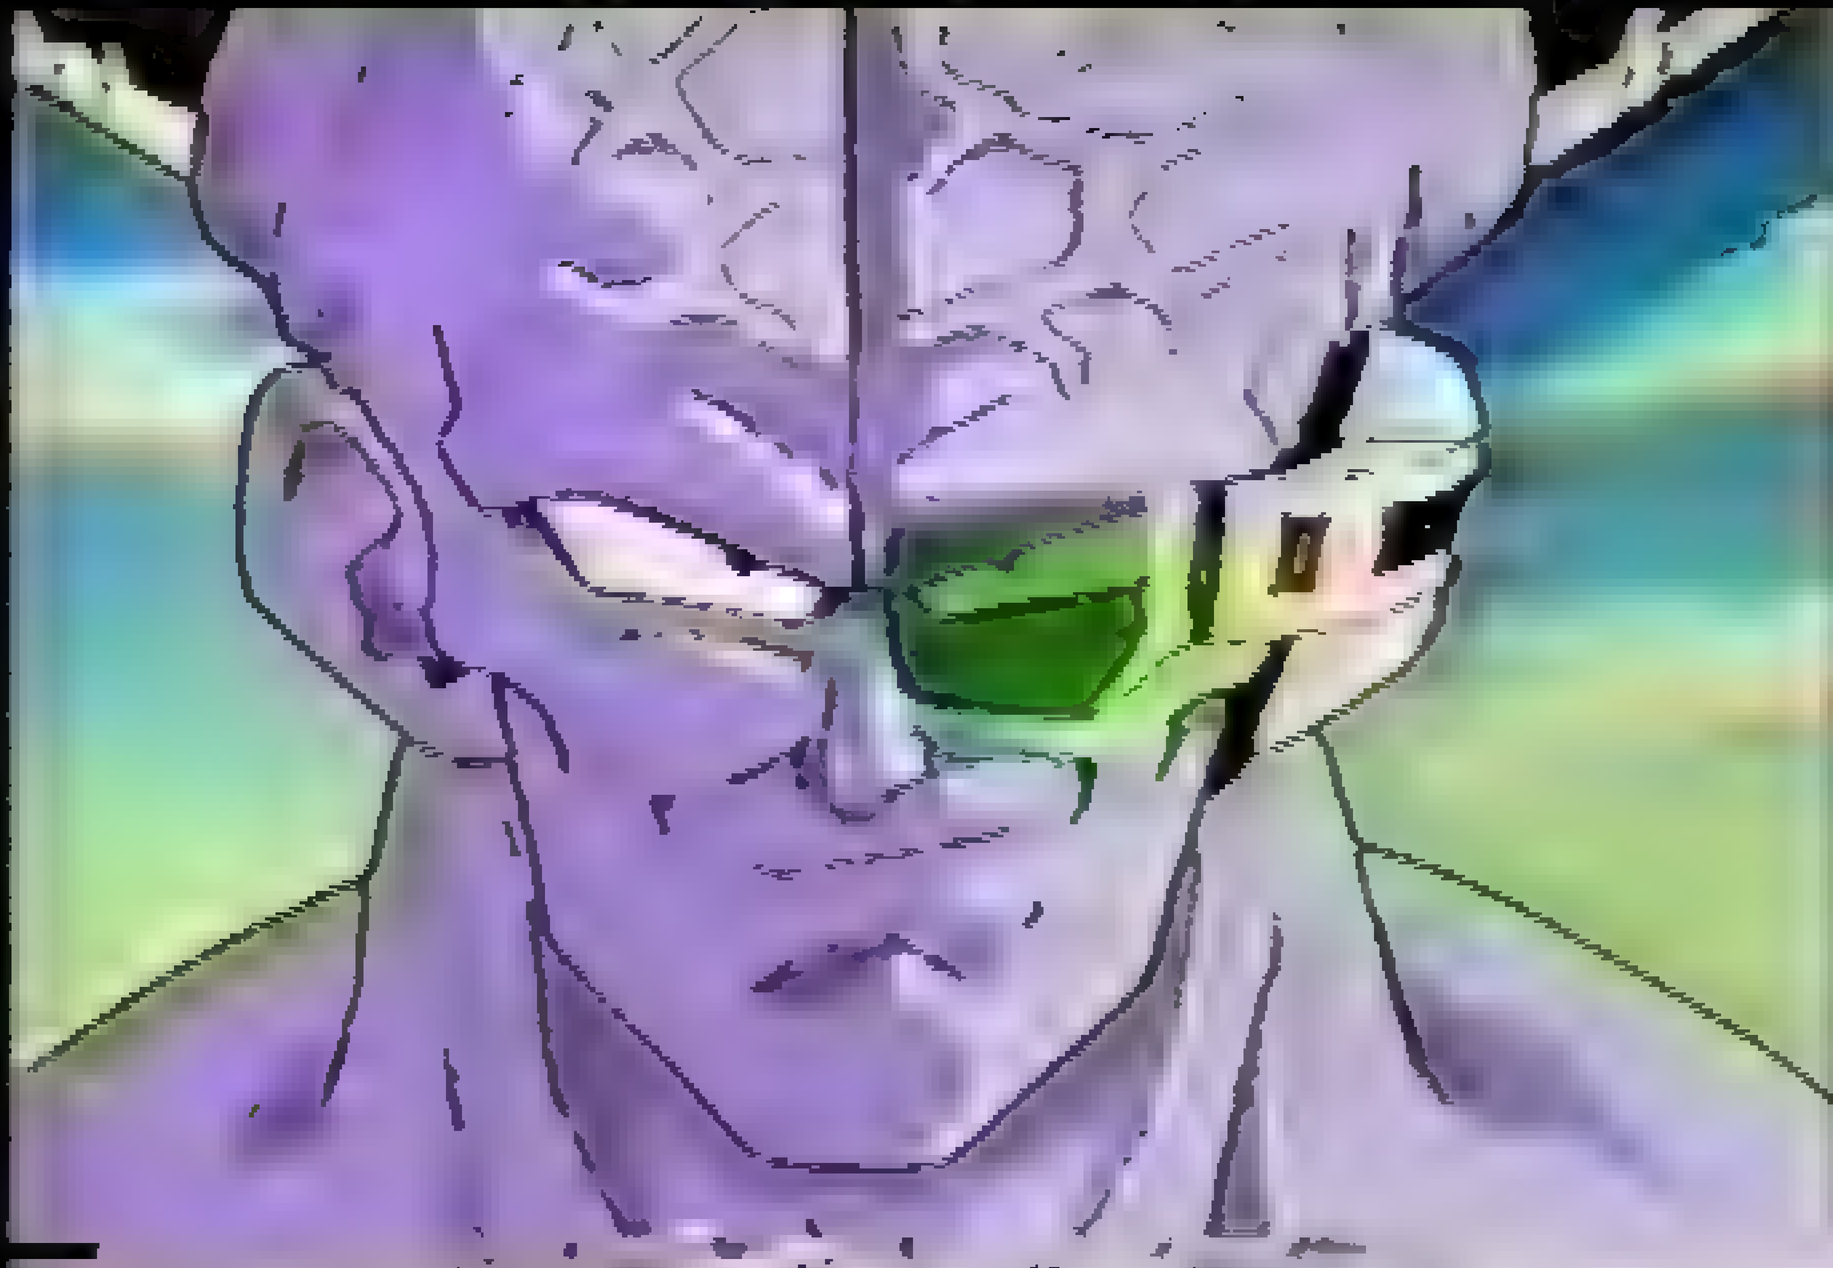

I guess I have no choice.

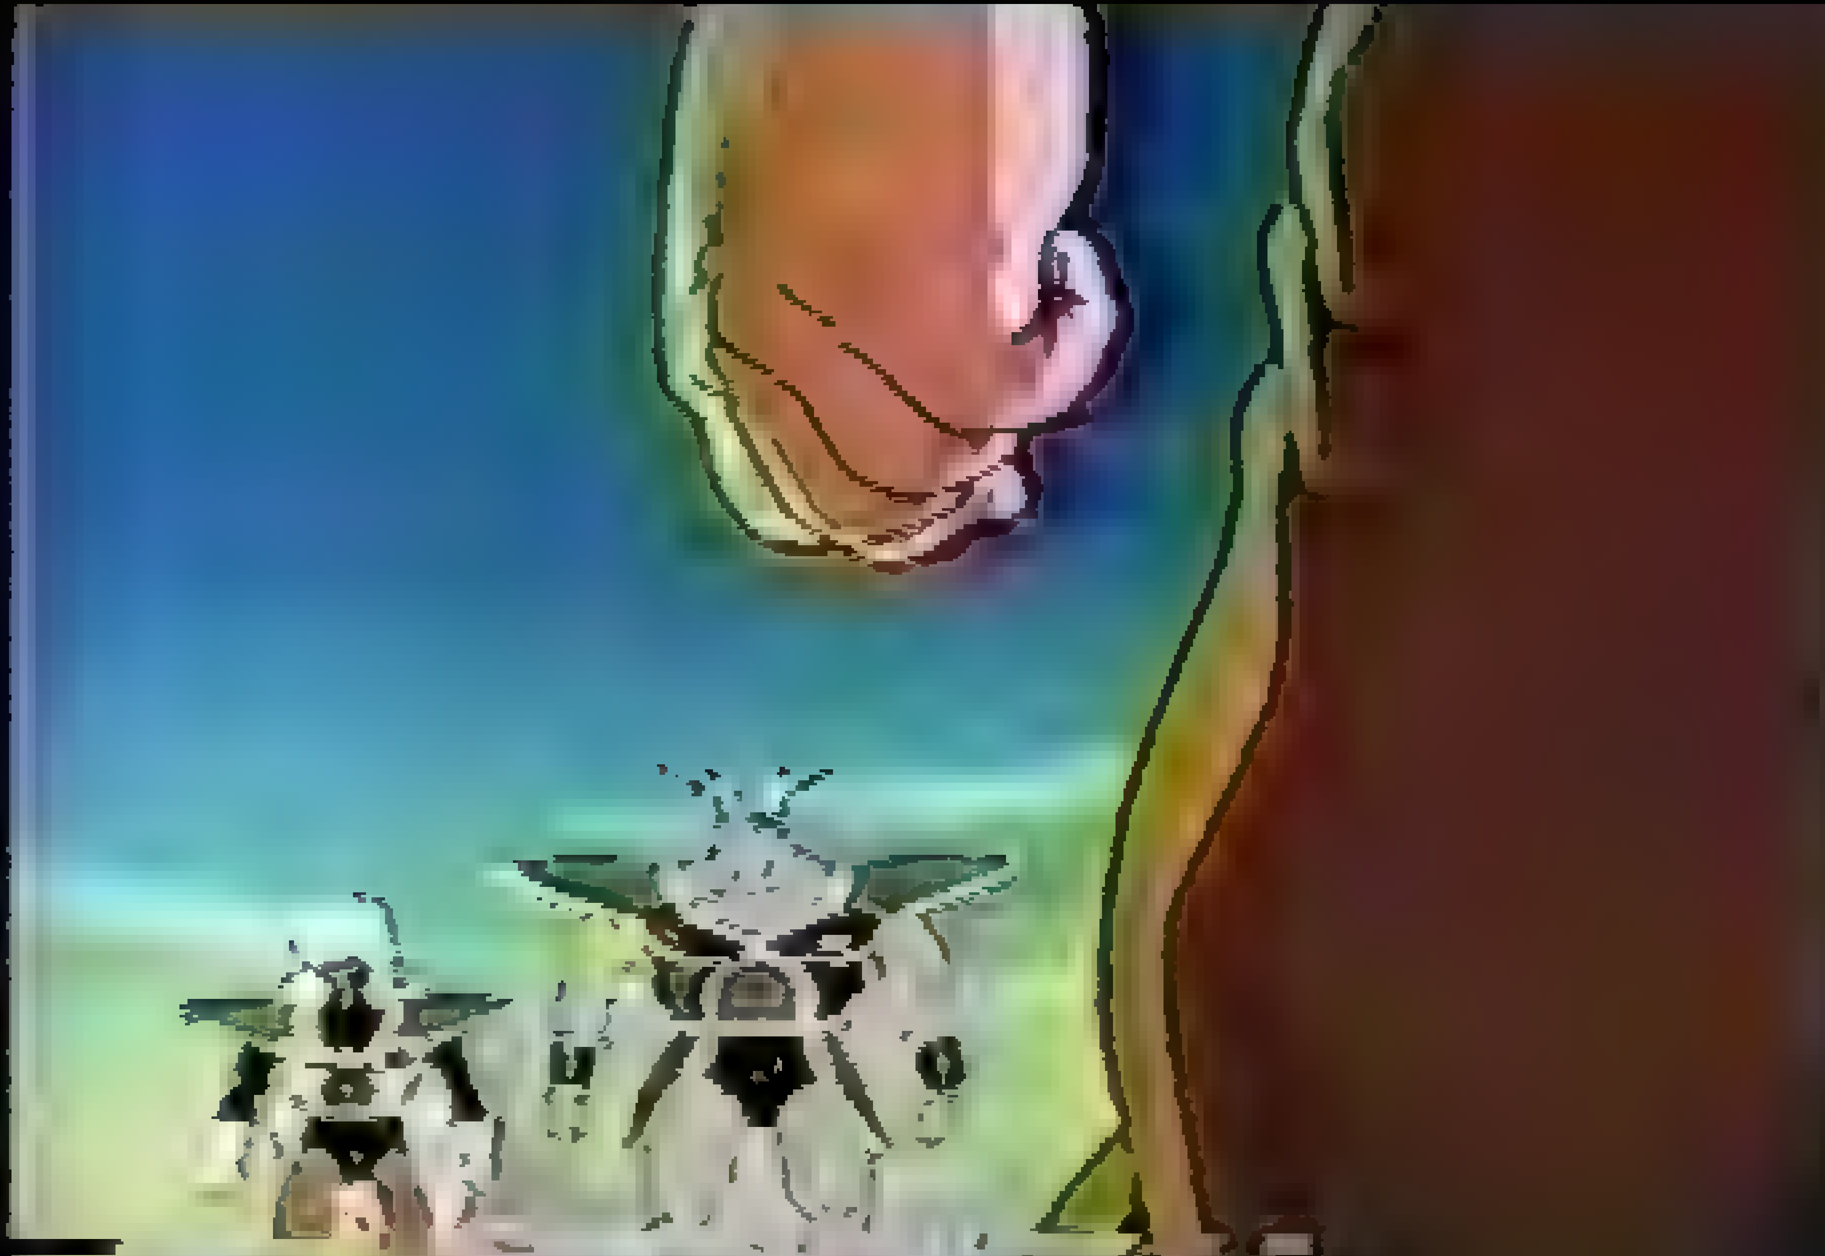

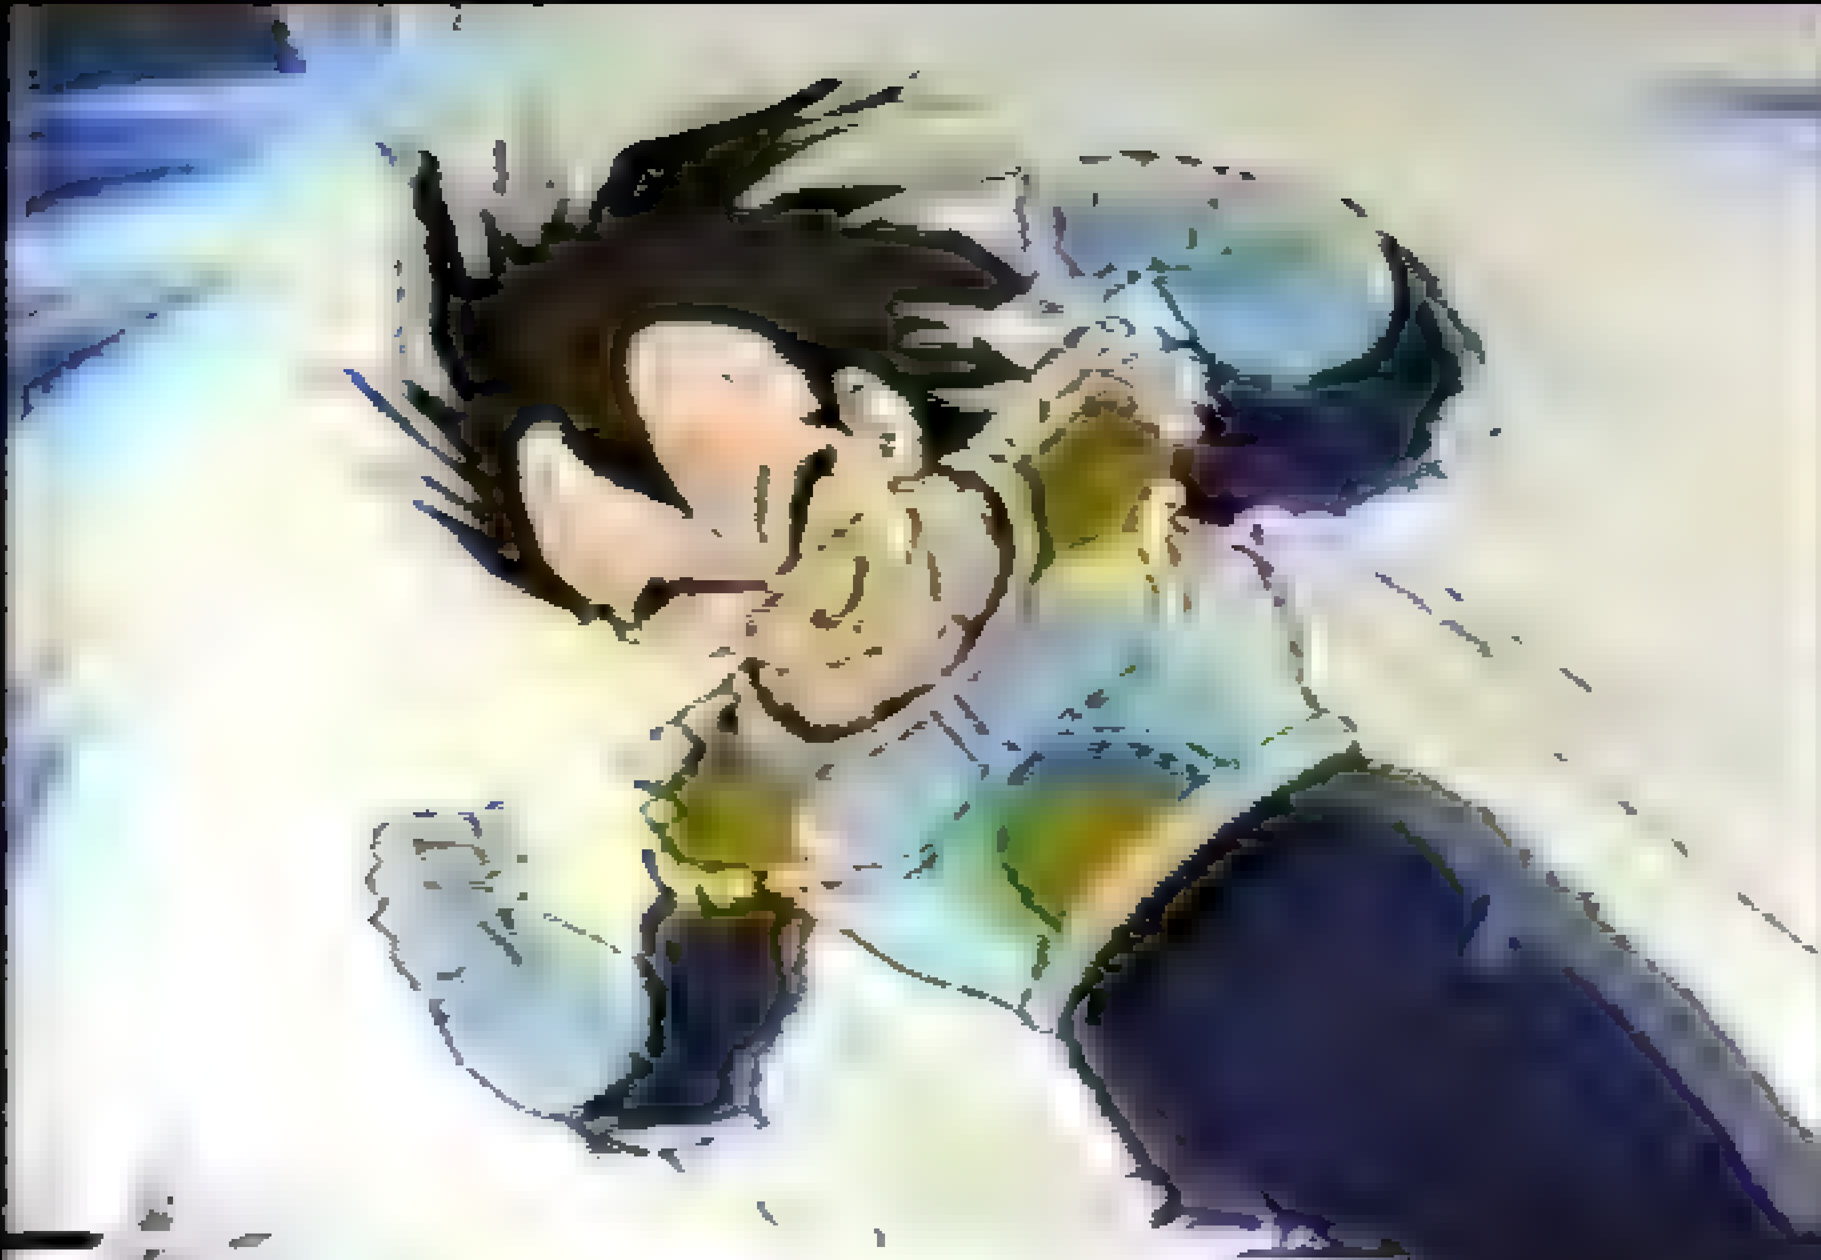

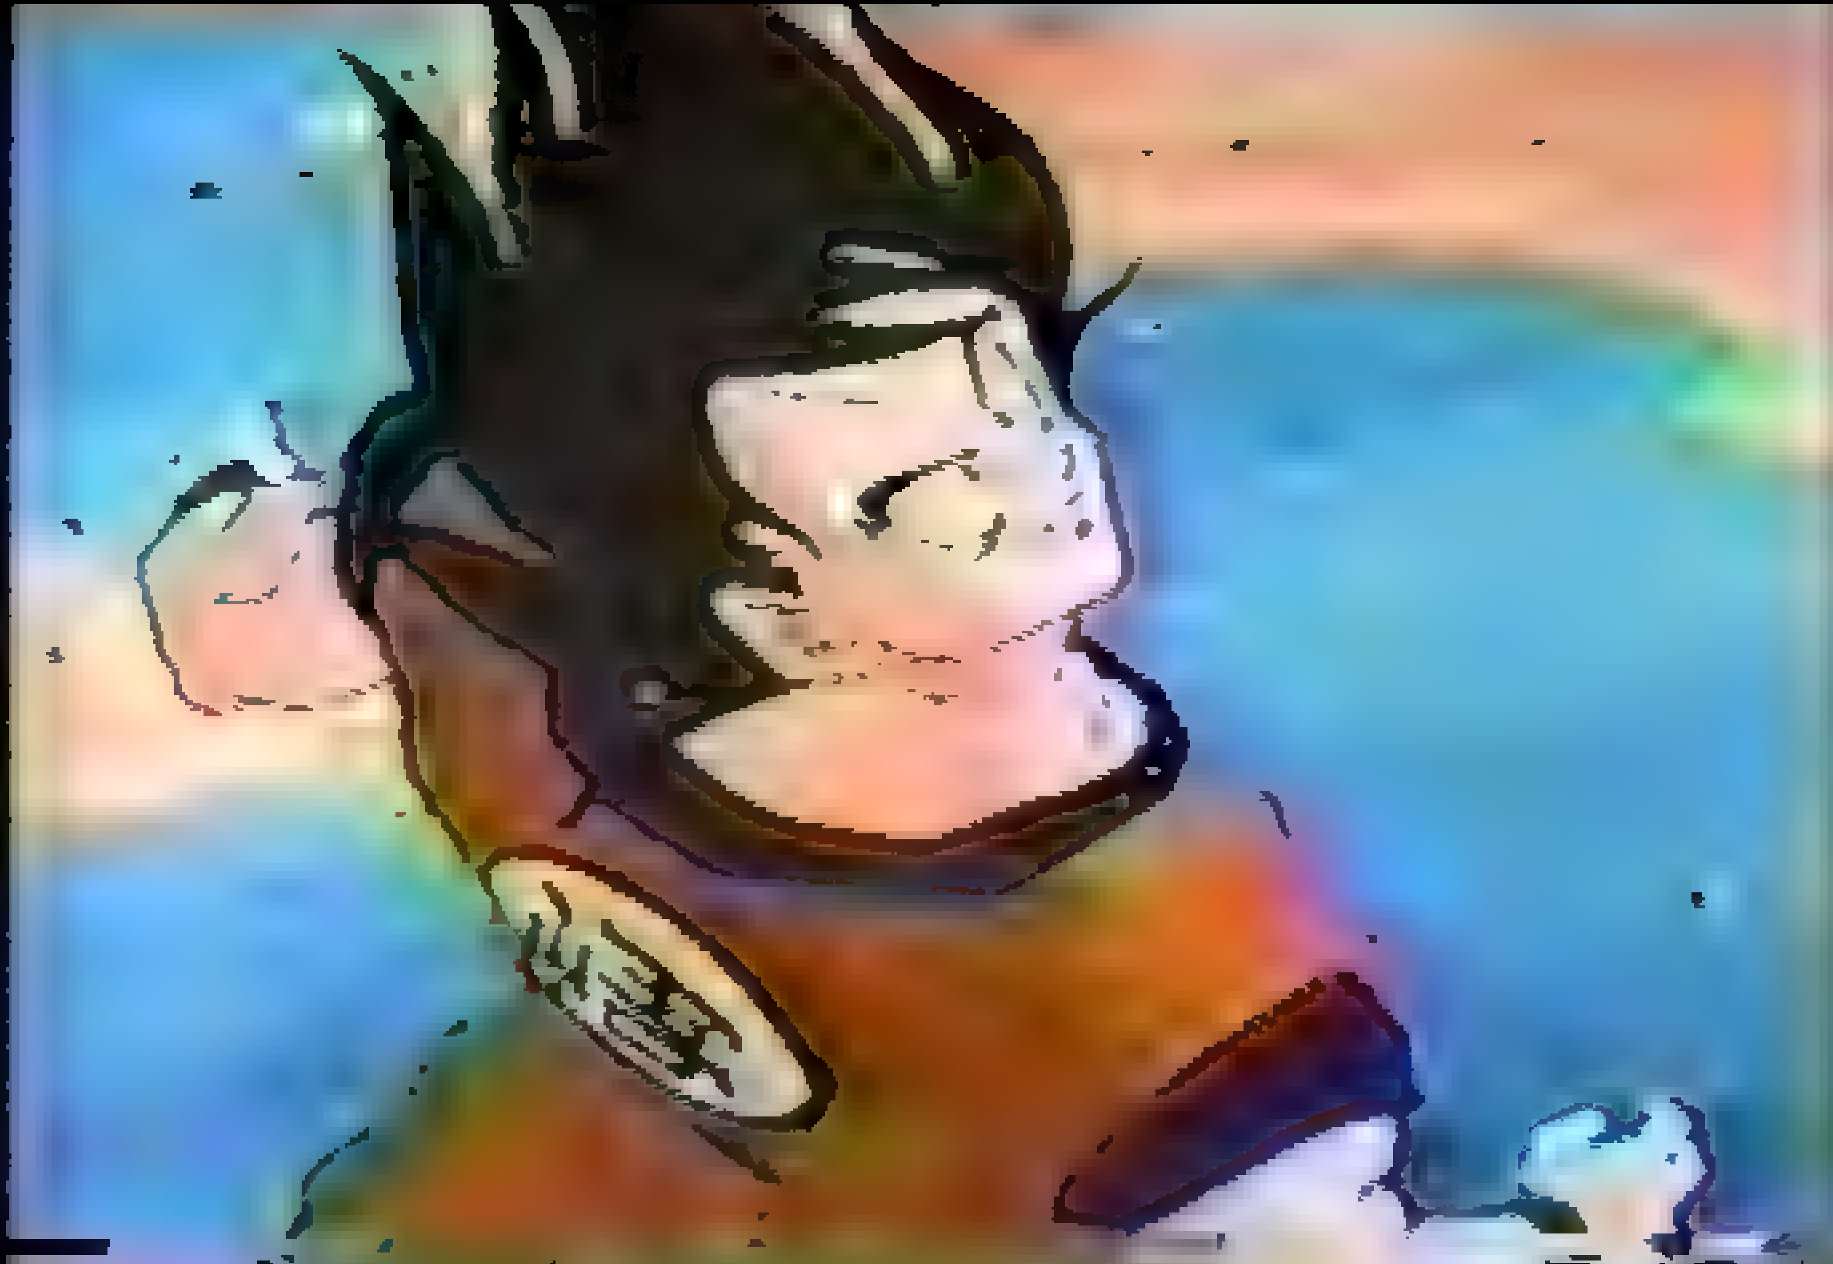

See ya, Kakarott!

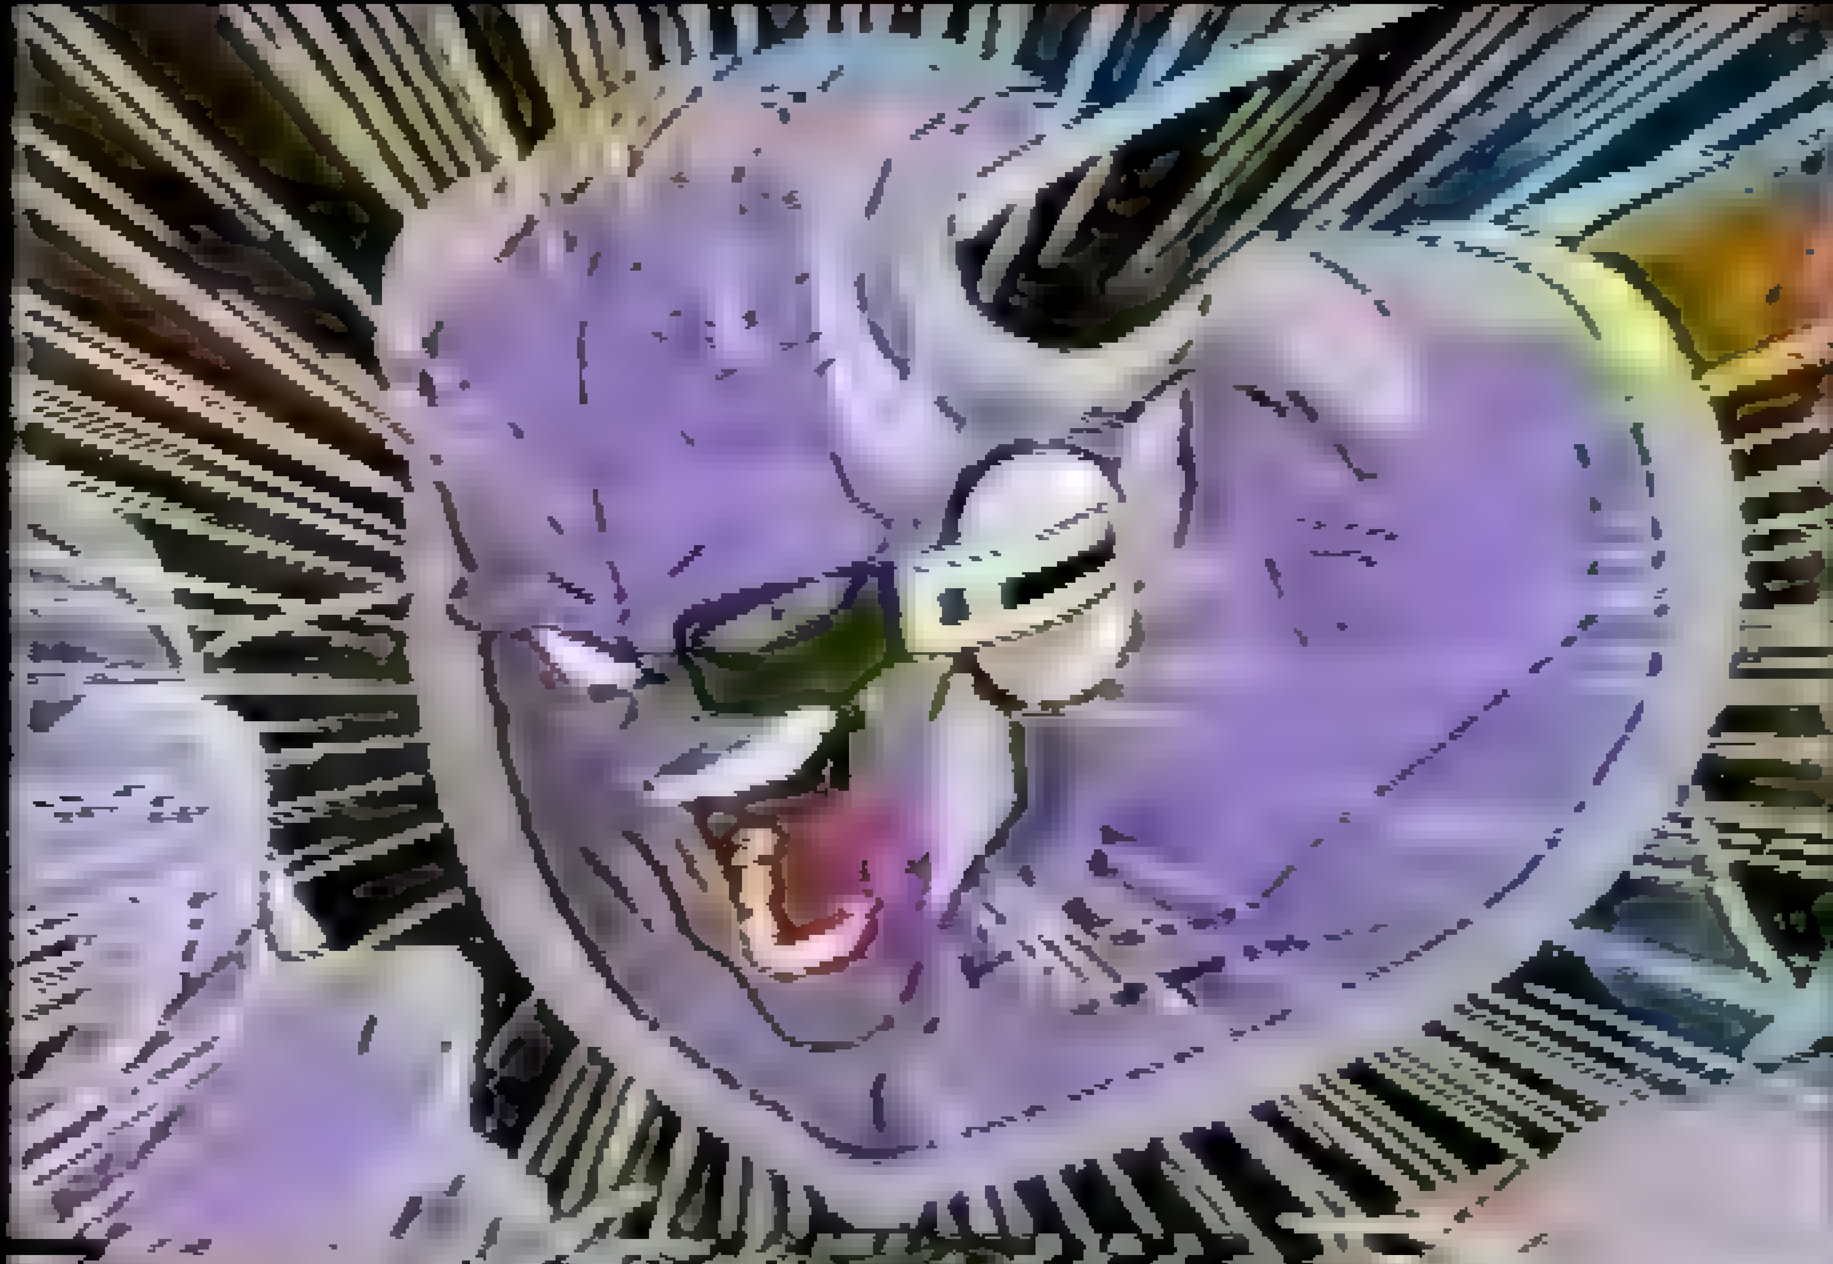

You let your guard down.

Bejeeta's murderous ambition
is a thing to be feared.

Bejeeta's murderous ambition

And finally, it's time
for Goku to face Gnyu!
